LANDING ZONE BURT, Vietnam (AP) — Sgt. Mark Ridley and his 12 men were caught in the middle, 40 yards from their lines, when 2,000 enemy soldiers burst themselves at this American infantry post in the bloodiest Communist violation of the New Year's truce.

"The Lord was with us. I can think of no other reason that we came through," said Ridley, a soft-spoken Texan from San Antonio. Six of his men were wounded, but none was killed. Ridley led his 12-man patrol

out of the landing zone perimeter near the Cambodian border at 8 p.m. Monday night, 10 hours before the allied cease-fire expired and five hours before the end of the Viet Cong truce period to set up an ambush against any enemy offensive that might develop.

Three hours later, four battalions of North Vietnamese regulars and Viet Cong guerrillas began repeated attacks against this field position of the U.S. 25th Infantry Division's 3rd Brigade.

The first charge came two hours before the Viet Cong truce ended at 1 a.m. Tuesday, and the enemy assaults continued until after dawn.

The U.S. commanders said 374 of the enemy were killed and five captured, while American casualties were 23 killed and 150 wounded.

"We got set up in our ambush position about 450 meters east of the perimeter and then I heard their rounds hitting the brigade," Ridley said.

The enemy followed the mortar barrage with a ground attack, right past Ridley.

"We saw three NVA (North Vietnamese soldiers) coming from the direction of the perimeter and I gave the order to open up. We got them," the sergeant continued.

"Then I saw another two heading toward the perimeter. I threw a grenade and blew them apart."

# Attend Church This Sunday

I am the resurrection and the life; he who believes in me, even if he dies, shall live and whoever lives and believes in me, shall never die. John 11:25-26

The Church for all... ALL FOR THE CHURCH... The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
