

### Adult Spanish Classes To Open

Adult classes in Conversational Spanish will open Monday at Seminole High School. Plans are

being made to hold these classes two nights each week from 7 to 9:30 p.m.

### Hobby Craft Club Plans For Carnival

Ladies of the Hobby Craft Club meeting last Wednesday at the L&L Catherine Inn in Chuluota, planned to take an active part in the community's annual Fall Carnival.

The club will conduct a booth with items including stuffed toys, fuzzy pillows, aprons, crocheted goodies, pillow cases and many other handmade articles for sale.

The instructor will be Mrs. Esther Williams of the Seminole High faculty. Mrs. Williams is a graduate of the University of Puerto Rico.

The text will be the Berlitz "Self-Teacher in Spanish," published by Grosset and Dunlap. The text sells for \$3.00 and the only other cost will be a registration fee of \$2.00. The nights on which the classes are held will be determined at the organizational meeting Monday.

Information on this course is available from E. S. Douglas, Director of Vocational and Adult Education.

MRS. WILLIAMS

### Schoolhouse Sets Open House On Wednesday

The Little Red Schoolhouse will hold its first Open House, Wednesday at the school on the corner of Palmsette and Sixth St., from 7:30 to 9 p.m.

The public is invited and special invitations are being extended to the service clubs and organizations which have given time, work and money to the support and maintenance of the school for retarded children.

The Seminole Association for Retarded Children and the teacher and volunteers of the school will be the hosts for the open house and refreshments will be served during the evening.

## West European Papers Acclaim Kennedy's Speech

United Press International West European newspapers acclaimed President Kennedy's United Nations speech today, describing it as "impressive," "majestic" and "bold."

Even unofficial Soviet sources praised what they took to be indications of "increasing U. S. flexibility" in foreign affairs. Despite some differences from Russian policy, these Moscow sources said, the speech appeared "moderate and conciliatory."

No official Soviet reaction was available immediately. The Moscow Communist organ Pravda carried a 28-word dispatch on page 5 reporting that the speech had been made, but did not comment.

The Chinese Communists were harsher.

The Red newspaper Ta Kung, published in Hong Kong, dismissed the speech as "empty propaganda, as usual." The Communist publication made no mention of Kennedy's comments on Communist infiltration of South Viet Nam.

One of the few official comments available Monday came from Cambodia's Prince Sihanouk, who met Kennedy after the speech. He said the address was "a very good speech, with a very wise point of view and logical, too."

London newspapers received the speech warmly. The Daily Herald, former publication of the Laborite opposition, called it a "bold plan for safer world . . . President Kennedy could at least be confident he carried the neutral countries with

him." "This is the clearest, most forward-looking declaration of American foreign policy since the cold war began," said the pro-Labor tabloid Daily Mirror.

The Independent conservative Daily Telegraph said "there was no mistaking his fervent sincerity."

In Paris, the newspaper Combat said the speech was "perfectly adapted . . . to the African and Asian delegations which now constitute a majority of the UN General Assembly."

Newspapers in Germany, currently the principal cockpit of the cold war, focused their comments on specific issues. The newspaper Allgemeine Zeitung praised the "forthrightness" with which President Ken-

ney "struggled off the separate peace treaty threatened between Russia and West Germany . . . as a 'paper part'."

Newspapers in threatened Berlin likewise were concerned by what they regarded as Kennedy's failure to state clearly his policies on some phases of the complex German question.

"What we really need in this hour is an official statement from Washington as to whether the freedom of West Berlin should be bought at the price of reunification of Germany," said the Morgenpost.

This was an evident reference to weekend Washington reports that the United States was preparing to agree to some form of recognition of Communist East Germany.

## New Polling Places Listed

The County Redistricting Committee today announced new precinct polling places that will go into effect Jan. 1 for 8,000 of the 17,000 registered voters in the county.

Sup. of Registration Camilla Bruce reported this morning that

the 8,000 voters will be notified by post card in the "very near future" of their precinct change. Serving on the redistricting committee with Mrs. Bruce is County Engineer Carlton Bliss and Zoning Director Robert Brown.

Seven new precincts were created by the redistricting com-

mittee including five in the Sanford area, one in Casselberry and one in Fern Park.

Last year there were only 16 precincts.

Precincts and polling places are: 1—State Farmers Market, southwest corner of French Ave. and 13th St., Sanford; Precinct 2—Scout building at the rear of Lake Monroe School; Precinct 3—Home demonstration center, Precinct 4—Akamonte Springs

Fire House; Precinct 5—Oviedo Town Hall; Precinct 6—Geneva Community House; Precinct 7—Culhota, old school house;

Precinct 8—Goldenrod Community House; Precinct 9—Longwood Town Hall; Precinct 10—Lake Mary Fire Station; Precinct 11—Akamonte Community House; Precinct 12—Forest City, Precinct 13—Longwood Elementary School; Precinct 14—Lyman School Gym;

Precinct 15—National Guard Armory in Sanford; Precinct 16—Bear Lake, Florida Power Lounge;

Precinct 17—Casselberry Fire Station; Precinct 18—Farmers Auction Market on Hwy. 17-92; Precinct 19—Seminole High School; Precinct 20—Upala Presbyterian Church; Precinct 21—St. Johns Builders, Builders Model House; Precinct 22—Jawahar Education Building on the northeast corner of Magnolia Ave. and 16th St. in Sanford; Precinct 23—Fern Park, Prairie Lake Legion Hall.

### Jet Fuel Ship Burns, Sinks; 1 Dead, 27 Hurt

MOREHEAD CITY, N.C. (UPI)

A spectacular fire fed by a ship load of high octane and jet aviation fuel burned out of control for more than 12 hours today. One man was killed and at least 27 injured in the explosions and fire that turned a 600-foot sea-going tanker into a white-hot blast furnace.

The fuel-fed flames were about 75 to 80 feet high above the charred tanker, USNS Potomac, aground only about 100 yards from storage tanks containing 25 million gallons of fuel oil.

The white-hot hull of the 600-foot tanker had cracked across the middle and settled to the bottom, its stern jutting up.

The fire fed on quantities of the vessel's cargo of 60,000 barrels of fuel oil in the bow section. Flames shot higher each time the bow settled, spilling more fuel onto the water.

Smoke in the fire area, just off multi-million dollar waterfront installations including the state ports authority ocean terminal, was so thick it blotted out the morning sun.

The \$8 million tanker itself was a complete loss.

Officials said it was the worst waterfront disaster in Morehead City's history.

This town of 6,000 was tense throughout the night because of the danger to the aviation fuel terminal which if ignited might threaten the entire waterfront.

National Guardsmen patrolled the area, blocked off the Morehead City-Beaufort causeway and helped direct traffic. The harbor area was sealed off.

By LARRY VERMEL

Nobody asked me, but did the County Commission get Civil Defense approval before they agreed to advertise for the purchase of 15 radio units?

It seems the County Commission is unhappy about all the time taken up by citizens at board meetings and Tuesday voted to limit the time for each complaint to 20 minutes . . . What we would like to know is . . . W-w-w-h-h-h-a-a-h-h-p-p-e-n-s-i-f-o-n-s-e-u-r-c-e-i-l-l-e-n-a-s-i-t-u-t-i-o-n?

Didn't the City Commission hold an "informal" meeting after the press walked out Monday night?

One guy from Bear Lake came in Tuesday to tell us he wanted to know that if our County Commission was so progressive, how come work was supposed to have started on Bear Lake Road in June and to this day nothing has been done.

The committee studying courthouse needs will not recommend a courthouse annex in South Seminoles . . . and of course no new facility. The boys are drafting the final recommendations now, but it will spell out the utilization of more courthouse space . . . especially in the basement.

Plenty of surprises when you look at the list of lawyers interested in the county attorney's job. One name knocked me right out of my \$75 dollar chair.

There probably will be some heavy equipment moving onto the old handball next week to start work on the new marina. Final plans will be ready this weekend and construction can start as soon as the city okay them. News of the marina already has given Sanford a lot of publicity — inquiries have come in from people in Baltimore, Charleston, S. C., Miami, Jacksonville and just about all of the Central Florida cities.

Speaking of chairs, 60 new theatre type chairs were installed in the city commission chambers this morning. Cost — \$1,428 — and they match the drapes.

Bob Crumley will move into his new building on W. First St. Saturday. Open house will be held sometime in November. Moving in with Crumley is the \$20,000 facility will be Certified Public Accountant John Fitzpatrick and Architect F. Wade Tye.

Christmas is really around the corner now. One of the downtown merchants will have a Christmas tree and display Friday night.

### Congress Quits; Senate 'Howls'

WASHINGTON (UPI) — Congress ended its longest session in 10 years today with the Senate howling in rage at the House's crafty tactics on the final bill.

The House went home early, and as a result the Senate went home mad.

The Senate quit at 5:16 a. m. adjourning Congress until next January. The House had adjourned sine die at 3:20 a. m. EST, a move that nearly stalled final adjournment.

The Senate's testy temper had been fueled by the fact it had been in continuous session for 19 hours and 16 minutes before adjourning. But most of the anger was stirred by the fact that the House had flim-flammed the senators with an adroit parliamentary maneuver.

Before the House quit, it passed a \$1,125,333,314 supplemental money bill, leaving the Senate in a take it or leave it position because only President Kennedy could recall the House.

The senators nearly left it. Senate GOP leader Everett M. Dirksen, calling the House move an "outrage," said it was time to find out whether the congressmen could get away with such an "affront."

The threat to adjournment—and possibly asking the President to call the House back—was made real when Dirksen asked a quorum call. But he withdrew the request after conferring with other leaders.

Senate Democratic leader Mike Mansfield wound up by assuring the Senate he would never again consent to an adjournment resolution with the House before the last legislation had been cleared to the Senate's satisfaction.

After nearly two hours of helping other senators call down imprecations upon the vanished House, Dirksen related, following a short recess, the senators passed the bill, and a committee advised Kennedy by telephone that Congress stood ready to adjourn.

"The President said 'thanks,'" Mansfield reported.

The nine-month session left a record the Kennedy administration liked. But Republicans said it was "long on quantity and short on quality."

Damage to the homes was estimated at \$6,700.

Judge Mize pointed out that the boys would have been sent to industrial school but they were under 10 years of age.

Two Seminole County youngsters, both under 10-years-of-age, were put on strict probation by Juvenile Judge Vernon Mize Tuesday for vandalizing model homes in Howell Park.

Judge Mize cautioned the youngsters that any further serious offenses will mean strict punishment.

### Seminole Mayors Hit Attitude Of County Board

Communication between the County Commission and the various mayors, individually and collectively, does not exist, four mayors agreed at a meeting Tuesday in Sanford.

They decided that they would try to work out some form of liaison between the two groups, pointing out that both the County Commission and the towns have to live together and that therefore, they should try to work together.

Attending the luncheon session, called for the primary purpose of discussing the five-year road program, were Mayors Joe Baker, Sanford; Lee Gary, Oviedo; Joe Laird, Casselberry, and Al Lormann, Longwood.

The mayors took the position that since most of the County's tax moneys come from the municipalities these towns should be informed as to how the money was being allocated and why. They said that the County and the various towns have common problems and that by being informed and working together on various issues, better results could be obtained for all of the county's residents.

Discussing the road program they said that the County Commission had listed certain paving projects, but that no one knows when any of these jobs will be carried out — this year, the next or the next and so on. Further, they said, they did not understand why some roads were selected to be paved; that if someone could give them a reason for their selection they would feel at least that they had been informed.

For this reason they said that they were not sure that the tax moneys were being spent as they should be.

Turning to annexation of adjoining areas, Mayor Lormann said that there should be a uniform law to regulate this. He said that the Legislature had passed a law for Longwood, but that it is unworkable. He cited Sanford's plan as being one that would be suitable for uniform adoption.

### Winter Park Dr. Paving Discussed

By JANE CASSELBERRY

A formal meeting of property owners of Winter Park Dr. between Hibiscus Rd. and Marigold Rd. in the Queen's Mirror South area of Casselberry was held Tuesday night to discuss the possibility of paving this section of Winter Park Dr.

Of the 10 persons present, representing 15 of the 25 affected properties, the consensus of opinion, with two exceptions, was favorable for proceeding with some type of paving project.

A petition, bearing names of those residents willing to pay an amount not to exceed \$300 for each lot and intersection, will be drawn and presented at the Oct. 9 Board of Aldermen meeting.

The question of lowering the road elevation will be left open to the town, however, it will be pointed out that a desired feature of the paving will be to raise the level at the corner of Hibiscus as a means of preventing water coming from Wilshire Blvd. in Howell Park from washing out the culvert on Winter Park Dr. as it did on three occasions last year.

The proposed paved street would be 24 feet wide covered with six inches of soil cement with a double bituminous slag surface.

Road Department Appoints Five

TALLAHASSEE (UPI) — Two veteran engineers were named to newly-created jobs today and three others were promoted in a major reorganization of the State Highway Department.

J. B. Wadsworth, former engineer of contracts, was appointed administrative assistant to State Highway Engineer Al Church.

W. L. Barnette, Wadsworth's former assistant, was promoted to engineer of contracts.

Charles Hopkins, interstate engineer for operations, was named interstate engineer and federal aid coordinator.

W. B. McGee, construction engineer, was promoted to assistant state highway engineer for construction, filling a vacancy created by the death of F. A. Seay.

P. J. White, former assistant district engineer for construction at DeLand, took McGee's old job.

### Bill Including Canal Study Fund Goes To Kennedy

WASHINGTON (UPI) — A public works appropriations bill approved by Congress and sent to the White House Tuesday included \$195,000 for an economic evaluation of the proposed cross-Florida canal.

The action represented approval by the House and Senate of a compromise committee's recommendations. The House had originally recommended only \$50,000, but the figure was upped by the conference committee.

The committee emphasized, however, that the action was not a commitment to build the canal, which would stretch 185 miles from Jacksonville on the Atlantic down the St. Johns River and across the state to Yanketown on the Gulf. Total estimated cost of the canal is \$173.6 million.

BRITON Warns Reds They Face Trouble

UNITED NATIONS, N.Y. (UPI) — British Foreign Secretary Lord Home said today the "world can not survive" continued Soviet "double-dealing."

He said a prime example of this was Russia's action in preparing to resume nuclear testing while still negotiating, outwardly in good faith, at Geneva on a test ban treaty.

Lord Home, in an address to the UN General Assembly, said the only way for the world to get out of the "vicious circle" in which it is involved "is for the Soviet Union and its friends to abandon their doctrine of exploiting civil strife."

### East German Reds Strengthen Wall

BERLIN (UPI) — The Communists reinforced their wall dividing Berlin today by building a third barbed wire barrier and digging trenches near the American sector border, West Berlin police reported.

At some points, the wall was built even higher—up to 10 feet from the ground. But a few East Berliners still managed to escape to the West despite the latest East German Communist moves.

Four men cut their way through barbed wire, another scaled the wall and a 60-year-old man jumped from the fourth floor of an East Berlin apartment house into the net of West Berlin firemen who were waiting below.

The West Berlin city government today swore in the first 200 members of a 3,200-man civilian police reserve to be used if the Communists start a riot.

Two American students who were convicted by a Communist court on charges of attempting to help an East Berlin girl escape to the West have started serving a two-year sentence in an East German prison.

### Fidel Rattles Red Sabres At U. S.

MIAMI (UPI) — Premier Fidel Castro said Tuesday night his regime has thousands of troops ready—with the support of the tens of millions of Russia and Red China—to defeat any U. S. attack on Cuba.

In a 90-minute anti-American speech broadcast by Radio Havana, Castro warned over the threat of imminent attack that he has been delivering for a year and a half, starting long before the abortive April invasion.

"Last time (in April) we defeated them . . . with our old airplanes and our virtually unserviceable weapons . . . because we prepared to defeat them," he said.

## 'Average Home Offers Little Fallout Protection

By REUBEN R. KILLEBREW (Part one of a series)

What protection does a person without a fallout shelter have against the deadly rays which shower down on an area after a thermonuclear device is exploded?

This is not an easy question to answer, but there is nearly always some protection which will keep a person from getting a full dose of fallout, said A. B. Peterson Sr., civil defense director.

It may be a ditch in an open field or a concrete bridge on a highway. If a family is at home,

it can find the most protection in for instance, an inside hallway, on the first floor of a two-story house which is not exposed to windows or open passageways.

Peterson said that approved shelters offer the best protection, but that homeowners who don't have access to these can take certain steps to make their homes safer than they normally are.

Provisions can be made in advance to prepare certain parts of the house so that radiation can be reduced. Windows can be closed with materials, such as brick, which resist the penetrating rays.

but no material will entirely shut out the gamma rays.

To understand the action of gamma radiation the concept of "half-thickness" is helpful. If a thickness of metal, half-inch lead for instance, reduces gamma radiation by one half, the next half inch will not reduce it to zero, but only by one fourth. In one inch of lead then, there is three fourths reduction. The third "half-thickness" of lead will reduce the radiation by one-eighth the next by one-sixteenth and so on.

It would reach zero, but for practical purposes the radiation could be reduced to a point where it would be harmless.

This is one reason why approved shelters are advisable. It would be impractical to try to convert one's home into a shelter and next to impossible to make it safe after a bomb had been dropped. Houses with basements offer the best protection, but even these basements should have a built-in shelter for maximum safety.

# Lack Of County Warning System Deplored By Lions Club

## Group Hears Peterson Talk About CD Needs

"Why are Orange County and Brevard County so concerned over protecting themselves and their children from fallout and nuclear attack and Seminole County is not concerned at all?" a member of the Lions Club asked Civil Defense Director A. B. Peterson Tuesday.

"If we undertake our own personal protection, why can't our county even give us a warning system?" was another question fired at the Defense Director when he spoke to the club on Civil Defense.

In answer to the questions Peterson said he did not think that the people of Seminole County were unconcerned.

"The hundreds of people who come to my office, and who call me night and day are not apathetic. They are anxious and concerned."

Peterson emphasized that in the last year, funds from storm and hurricane damages applied for through Civil Defense were turned over to the county in the amount of \$40,000.

The proposed warning system, which had been asked for is designed to use powerful 125 decibel sirens, located in strategic places throughout the county, in sites designated by Civil Defense engineers, had been estimated at an initial cost of \$10,000 to the county, with a final complete cost of \$30,000.

In answer to questions, Peterson said that the warning system would be centrally controlled and would be hooked up to the national emergency warning system.

"It has been my experience in the political sphere, that the wheel that squeaks the loudest gets the oil," said one of the Lion Club members.

"So let's start squeaking!" Another Lion Club member estimated that the total cost of the warning system as requested at \$30,000 would amount to less than 25 cents per person.

Peterson spoke to the club at their regular meeting on the possibilities of survival, and described methods recommended by the office of Civil Defense. He described the action of nuclear bombs, the effects of blast, and of fallout.

"We are doing all we can," Peterson said, "but our efforts are like trying to dig a hole without a shovel."

"We have 27 trained monitors in the county now," he said, "and will, within a short time, have 10 complete sets of radiation monitoring equipment, which will be placed in areas of the county. These monitors will give information as to the amount and strength of radiation present, so that survivors can be informed via Conelrad radio stations of 'safe' places and areas of highest contamination."

In other business, the Lions heard an appeal for assistance from United Fund President, Bill Bentley.

Chairman Cecil Carlton and Co-chairman Ben Wade announced the kickoff of the Lions Light Bulb Sale on Oct. 17th, but stated that the bulbs will be on sale from any Lions Club members during the entire month of October.

The packages of light bulbs, eight to a package, sell for \$2, and will be available from all Lions.

## Legal Notice

IN THE COURT OF THE COUNTY JUDGE, SEMINOLE COUNTY, STATE OF FLORIDA.

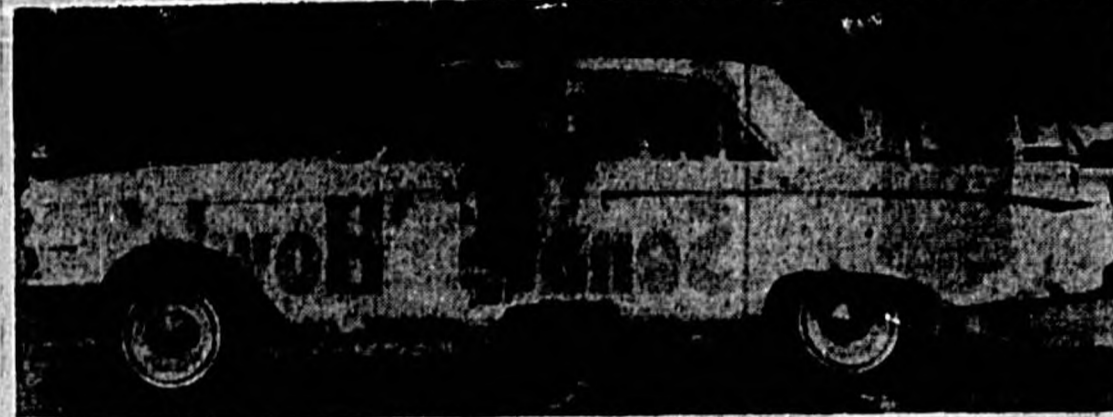

NOTICE TO CREDITORS IN RE: ESTATE OF SPENCER STEPHENS, Deceased.

TO ALL CREDITORS AND PERSONS HAVING CLAIMS OR DEMANDS AGAINST SAID ESTATE: You, and each of you, are hereby notified and required to present any claims and demands which you, or either of you, may have against the estate of SPENCER STEPHENS, deceased, late of said County, to the County Judge of Seminole County, Florida, at his office in the Court House of said County, at Sanford, Florida, within six calendar months from the time of the first publication of this notice. Each claim or demand shall be in writing, and shall state the place of residence and post office address of the claimant, and shall be sworn to by the claimant, his agent or attorney, and any such claim or demand not so filed shall be void.

HUNT-LINCOLN MERCURY displays these three brand new 1962 model cars, enhanced by pretty live models and Cowan's styles to demonstrate them. In the top picture, left, Mrs. Spook Hook shows the exclusive new 1962 Lincoln Continental, starting this year with an unprecedented 24,000 mile or 24 month guarantee. At the right, the new Mercury Monterey is shown by Miss Caroline Baggerly. This one of the ten magnificent new models in the Mercury line. Bottom photo has Mrs. June Linginfelter with the smart new Mercury Comet, loaded with extra values and matchless fine-car styling. (Herald Photos)

## Baby Chimp Ready For Space Ride

CAPE CANAVERAL (UPI) — Scientists are readying a baby chimpanzee for a late-October space ride that could clear the way for an Atlas rocket trip into orbit by a U. S. astronaut within three months.

The United States is planning to send the little ape around earth three times in a "Mercury" space capsule. The target date is Oct. 31.

It will be a full rehearsal for a manned orbital flight with one exception: the man — one of seven specially trained American astronauts — will be on the ground looking up.

If the chimp performs satisfactorily and if there are no major mishaps with the booster rocket or space capsule, one of the astronauts could board a rocket for a flight into orbit by the middle or latter part of November.

The \$400-million-plus man-in-space program, "Project Mercury," is on a quiet but intensive drive to provide the first world voyage of Soviet "cosmonauts" Yuri Gagarin and Gherman Titov before the calendar year is up.

## De Gaulle Calls Cabinet Session

PARIS (UPI) — President Charles de Gaulle called the cabinet into session today to cope with French settler resistance to a Moslem Algeria.

Algerian Affairs Minister Louis Joxe, recently returned from an on-the-spot study, planned to report in full on Algerian violence, and ways to end it.

The first telescope was used in England in 1608.

## Man Wounded As Pistol Hits Floor

A Sanford resident was listed in fair condition at Seminole Memorial Hospital today after he shot himself while cleaning a pistol over the weekend, police reported.

The man was identified as Kenneth Barber.

Barber, according to police, was visiting a friend at 606 Park Ave. and after cleaning a pistol, the weapon fell to the floor and discharged, hitting Barber in the stomach.

## Convicted U. S. Students Start Prison Terms

BERLIN (UPI) — Two American students who were convicted by a Communist court on charges of attempting to help an East Berlin girl escape to the West began serving a two-year sentence today in an East German prison.

Gilbert Ferrey, 29, and Victor Pankey, 18, both of Tustin, Calif., were among six persons who were sentenced to prison for trying to help East Berliners escape to the West.

A Dutchman received a 3½-year term, an Englishman was sentenced to two years and two Egyptians got three years and 18 months respectively.

NEW LEADERS OF THE JUNIOR MYP at the First Methodist Church are shown as they were installed in their offices Sunday. From left are Vicki Boyd, president; Beth Morgan, treasurer; Valerie Atkinson, publicity; Larry Williams, MYF fund and Russell McKnight, secretary. (Herald Photo)

**Pre-Teen Group To Start Fourth Week Saturday**

The Sanford Pre-Teen Classes will begin its fourth consecutive week this coming Saturday. For the last four weeks the Pre-Teen class has covered such activities as: softball, football, ping-pong, archery, badminton, archery, a treasure hunt and arts and crafts. Saturday, archery and a rhythm band will be the main features. Archery classes will be from 9 a. m. till 11 a. m. with the girls having the first hour and the fellows having the last hour. "Bandmaster," John Boniface says that everyone who has the skill to play an instrument will be included in the rhythm band.

The Pre-Teen Program is set up for kids from six to 12 and includes all the activities that kids of this age would enjoy. The class begins at 9 a. m. Saturday morning and lasts until 12 noon. Anyone interested in joining this activity can register at the Arts and Crafts Building in Ft. Mellon Park or the Recreation Department Office.

# McCone Next CIA Head ?

NEWPORT, R. I. (UPI)—President Kennedy was described authoritatively today as almost ready to announce his choice of a new director of Central Intelligence, replacing Allen W. Dulles who has wanted to leave government for some time.

Atomic Energy Commission. As of late Tuesday night, arrangements with McCone were not set finally. Sources here and in Washington advised caution in speculation, but conceded that the former AEC chairman and a Republican industrialist seemed close to being named.

after the inauguration. The other was FBI Director J. Edgar Hoover. Dulles agreed to remain for at least six months. The Cuban invasion flop in April showered hot criticism on Dulles' agency because the CIA was involved deeply in the operation. The director did not want to depart under fire, although he did want to retire from federal service. His compromise was to agree to stay until this fall.

McCone, 59, is a prominent West Coast industrialist with headquarters in San Francisco. He was expected in Newport to receive it from the President.

CANDIDATES FOR the Order of DeMolay are shown here at ceremonies Sunday. Front row, left to right, Mike Glad, Bobby Johnson, Thud Boyd and Richard Bennett; Second row, Tex Woodruff, Bob Corson and Tommy Cobb; Third row, Pete Reynolds, Jimmy Grant and Bill Stemper. Fourth row, Bedford Alken, Senior Counselor, Jack Cash, Master Counselor and Alex Carmen, Junior Counselor. (Herald Photo)

First Seminar Conducted By Art Group

"A painting is what we see in it." Mrs. Helen DeWit told the students at the Art Seminar conducted by the Sanford Art Assn. Monday.

## Volleyball Loop To Begin Play

All men are reminded that October 4th is the deadline for entering a team in the Recreation Department Volleyball League. League play is slated to begin the week of October 9th. Each team will be allowed maximum number of matches with each match being 2 out of 3 series with opponents.

## Truck Freight Rates Increased

TALLAHASSEE (UPI) — The Public Utilities Commission today approved an increase of one percent in rates on freight hauled by truck between points in Florida.

## Famed Singer Hospitalized

NEW YORK (UPI) — Singer Harry Belafonte followed doctors' advice Tuesday and entered Doctors Hospital for treatment of a severe respiratory ailment.

KNOWS NEWS GEORGETOWN, Tex. (UPI) — Newspaperboy Richard Pate, 13, provides a really personalized service for his customers.

Twelve plates of famous paintings were used for the study course conducted by Mrs. DeWit with each picture being studied from three points of view.

The artist's use of colors, his choice of water colors or oils, the attention to painstaking details or his bold strokes and lines, his accuracy in reproducing real subjects all express to the viewer the artist's personality, character and feelings.

The seminar was concluded with a discussion by the artists of their own reasons for painting certain pictures.

## Scholarship Tests Set For Oct. 17

TALLAHASSEE (UPI) — Competitive tests for 37 teacher scholarships and 126 nursing scholarships will be held in 21 Florida cities Oct. 17.

Applicants with the highest scores, regardless of where they live, will be given the scholarships. Last year there were 10 applicants for each teaching award and seven for each nursing scholarship.

Cities where the tests will be given are Bradenton, Cocoa, Daytona Beach, DeLand, Fort Lauderdale, Fort Pierce, Gainesville, Jacksonville, Lakeland, Madison, Marianna, Miami, Ocala, Orlando, Palatka, Panama City, Pensacola, St. Petersburg, Tallahassee, Tampa and West Palm Beach.

## Swim Class Movie To Be Seen On TV Thursday

A movie produced here by Navy photographers last summer showing the progress of the Red Cross swimming classes held at the Navy swimming pool, will be shown Thursday on News and Interviews on Channel 6 at 9:30 a. m.

## Three To Speak

ORLANDO (UPI) — Commerce Secretary Luther Hodges, Sen. George Smathers (D-Fla.) and State Agriculture Commissioner Doyle Conner will address a meeting of the Florida Council of 100 in Orlando Dec. 2.

DODGE DART for 1962 is demonstrated by Frank Ryan, salesman for Seminole County Motors and is now on display on the showroom floor at the agency. This is "the new lean line of Dodge the action-economy car. This model is the four door eight cylinder line. (Herald Photo)

## Parents Learn About Lunchroom Problems

Much interest was evidenced by the parents attending the first in a series of meetings designed to help them become better acquainted with the school lunch program in South Side Primary School.

Among questions asked were these: (1) Does my child go without lunch if he loses his money? (2) Is it against the rules for children to trade food? (3) How far in advance are the meals planned? (4) How much time do the children have for lunch? (5) Why not use tickets or have children bring lunch money by the week instead of daily? (6) Do children enter the lunch room, sit together and leave in grade groups? (7) Is a child ever allowed to stay and finish if he is not through in the allotted time? (8) How often does the Health Officer inspect the lunchroom?

Mrs. Ruby M. Davis, lunch room manager answered all questions and gave much additional information in order that those present would have a complete picture of the important part the school lunch plays in the child's day at school.

## Table Tennis Play To Start

The Sanford Recreation and Parks Department, announces table tennis classes to begin Thursday. These classes will begin at 7 p. m. and will last until 9:30 p. m. with free play until 9:30 p. m.

# Jackpot Night For Maris, Cinci

United Press International  
It was jackpot night for King  
Nigger and 25 guys named Joe.  
For Roger Maris, the most pub-  
lished player in decades, it was  
the night he hit "Big 60" to  
put his name in the baseball  
record book alongside Babe Ruth.  
And for the Cincinnati Reds, per-  
haps the most under publicized  
big winner in years, it was the  
night that ended 21 years of frus-  
tration.  
Maris achieved his golden goal  
with his 60th homer of the season

in the third inning of the New  
York Yankees' 9-2 victory over  
the Baltimore Orioles Tuesday  
night while the Reds clinched  
their first National League pen-  
nant since 1940 when they beat  
the Chicago Cubs, 6-3, and the  
Los Angeles Dodgers lost a night  
game to the Pittsburgh Pirates.  
And so it's official that Maris  
and the home-run happy Yankees  
will square off with the Reds in  
the World Series beginning a  
week from today in New York.  
Maris' 60th homer, in the Yan-

kees' 158th game of a 162-game  
season, came on a 2-2 pitch by  
right-hander Jack Fisher and ric-  
scheted out of the third tier of  
Yankee Stadium's right field  
stands back onto the field. The  
crowd touched off a thunderous  
ovation from the 19,401 fans at  
the beaming Maris circled the  
bases. Maris had two tries to hit  
No. 61 but was retired on routine  
flies to right field both times.  
"Big 60" was virtually a dupli-  
cate of the 60th homer Ruth hit  
on Sept. 30, 1927—a towering fly

close to the foul line. Ruth's  
achievement received little more  
than passing mention in 1927 but  
achieved the status of the most  
famous record in American sports  
as such sluggers as Jimmy Foxx,  
Hack Wilson, Hank Greenberg,  
Ralph Kiner and Mickey Vernon  
tried and failed to match it over  
the years.  
Officially, Maris' achievement  
goes into the record book as a  
new, separate mark. Ruth's rec-  
ord remains as the mark for a 154  
game schedule with the 27-year-  
old Maris listed alongside it as

the record for a 162-game sched-  
ule.  
Maris' homer cut an early Or-  
iole lead to 2-1 and the Yankees  
went on to win their 100th game  
of the season when singles by Bil-  
ly Gardner and Tom Tresh and  
center-fielder Jackie Brandt's er-  
ror enabled the New Yorkers to  
snap a 2-2 tie in the seventh in-  
ning. Rookie Roland Sheldon re-  
ceived credit for his 10th victory  
while Fisher—known as a hard-  
luck pitcher—suffered his 13th  
defeat.  
The Reds, a collection of cast-  
offs who finished sixth in 1960,  
cut their magic pennant-clinching  
number to one when they beat  
the Cubs in an afternoon game.  
The Dodgers stayed "alive" with  
a 5-3 victory in the first game  
of their two-night doubleheader  
but succumbed quietly when Joe  
Gibson pitched a one-hitter for an  
8-0 Pirate triumph in the night-  
cap.

**THE CHAMPIONS**, this softball team, sponsored by the Florida State Bank, were presented with individual trophies and a team trophy by their sponsor at ceremonies at the bank's Naval Air Station facility. From left, front row, are Don Mckell, Bill Ferry, Steve Sensakovic,

Raleigh Cooper and Cliff Laub. Back row are Dan Underwood, Sid Nelson, Virgil Anderson, Gene Whitmire and Bill Orazi. The trophies were presented by cashier Richard Keogh and Mrs. Patty Gatchel, representing the Florida State Bank. (Herald Photo)

**NORTH ORLANDO'S 'BAGGERS'** who bowl each Wednesday morning at Jet Lanes with the Foodmart-Country Club League are, from left, Laverne Ward, Jackie Ferrell, Beverly Kreck and Doloris Judd. The team's sharpest critic, little Deanea Judd, is in the foreground. (Herald Photo)

## Gator Star Off To Flying Start

GAINESVILLE — Florida quar-  
terback Larry Libertore, the  
Southeastern Conference's Sopho-  
more of the Year in 1960, is off  
to a flying start this season and  
could move into the All-America  
picture before long.  
The 138-pound Miami junior led  
the Gators to a 21-17 victory over  
Clemson Saturday despite being  
"slowed" by an ankle sprain  
suffered ten days ago.  
He headed the Gators in almost  
every department and thrilled the  
Florida Field crowd of 42,000 with  
his amazing play. He picked up  
66 yards in 11 carries for a 6.0  
average.

What's more pleasing to the  
Florida coaches about Libertore  
was the tremendous improvement  
shown in passing. The "Little  
Man" threw six times and com-  
pleted three for 85 yards and  
Florida's first touchdown of the  
year.  
The TD pass was a 17 yarder  
to Miamian Lindy Infante, who  
scored all three of Florida's touch-  
downs. Larry's longest pass was  
a 43 yard shot to halfback Bob  
Hoover of Jacksonville, who was  
stopped just short of the Clemson  
goal to set up the final score by  
Infante.

Libertore had a hand in all  
three Florida scores. He set up  
the first one with a pass to In-  
fante and then hit Lindy with the  
scoring play. On the second TD  
drive he ran 25 yards to the Clem-  
son eight to set up the tally. On  
the last scoring march, his 43 yard  
pitch to Hoover, which sent the  
stadium into an uproar, put the  
Gators right next to the Clemson  
goal.  
"Larry was terrific," Coach Ray  
Graves said following the game.  
"It was one of his best games  
ever."  
And the little fellow wasn't even  
healthy for the first game.

## Pharmacy Keglers Pace Businessmen Loop

With Hobbs and Michalek show-  
ing the way, Park Ave. Pharmacy  
continued their winning ways last  
week as they picked up four more  
points to remain undefeated in  
Businessmen League play.  
Their efforts put them in undis-  
puted possession of first place

with a record of eight wins and  
no losses. Owens Gulf holds sec-  
ond place with a six and two re-  
cord, followed by LeRoy Bentons.  
Davis Builders and Town Pump,  
all with five wins and three de-  
feats.  
Team effort last week, Davis

Builders came out on top with a  
near 946 scratch game and series  
total of 2554. This team also pro-  
duced the high individual score  
as Mike Accardi turned in a 238  
game to take over the lead in the  
single game department.  
Big series, however, went to

Joe Carley of Smith's Amoco  
who topped the pins for a 582  
scratch series, six pins above the  
378 recorded by Carl Von Herbu-  
lis of Owen's. Nine other bowlers  
turned in series scores above 300  
and six keglers reached the cov-  
eted 300 mark in single games.

**LOOK  
AT PLYMOUTH  
NOW!**

*Completely new for '62! New Forward Flair design!  
New beauty inside! New quality! New durability!*

Look at the exciting '62 Plymouth! Completely new  
in the way it looks, drives and saves, this full-size  
Plymouth now brings you the beautiful difference in  
the low-price field. Whatever make you're driving,  
you owe it to yourself to look at Plymouth now!

Plymouth's Forward Flair design is an entirely  
new design concept in Plymouth's field. Slender new  
dimensions all around. A gleaming new grille. A  
tailored, tapered hood. A rakish new roof line. And  
Plymouth unveils the richest interiors it has yet used  
to dress a car. The handsome fabrics display unmis-  
takable good taste. There's new quality everywhere.  
Careful workmanship is obvious in the interior fab-  
rics, in the choice of appointments, in the way every-  
thing works and keeps right on working.

When you put your foot down in this great new  
Plymouth, you surge to cruising speed about 10%  
faster than last year's quick Plymouth got you there.  
Then you merely point Plymouth the way you want  
to go. Plymouth stays on course, because of its  
improved center-of-balance. And Plymouth brings you  
what is probably the best gas mileage of any full-  
size car. Plus 32,000-mile tubes on major chassis  
points. There's never been a car like this one on  
your block or anywhere else. Look at the completely  
new 1962 Plymouth now! See your dealer today!

# Seminoles Set For Apopka

The Seminole High Gridders should be in "peak" condition when they shoot for their third victory of the season against Apopka here Friday night, Head Coach Jim Pigott reported today.

"We've got a few colds around but, nothing serious and we'll be ready to go against a powerful running team like Apopka," he added.

## Midgets Top Ormond For 2nd Straight Win

The Sanford "Midgets" won their second game of the season Tuesday night in Memorial Stadium when they defeated Ormond Beach 19 to 0.

In the first quarter Sanford's Chuck Scott ran the ball around the left end for 33 yards. Then in the very next play he ran the ball this time around the right end 20 yards for Sanford's first touchdowns making the score 6 to 0.

In the second quarter Ricky Walstrum intercepted a pass on the 30. Then Ronnie Hinson ran the ball 35 yards for a first down. Next Chuck Scott stepped up again and ran the ball 35 more yards for another first.

Finally Bernie Barbour charged over the goal for Sanford's second touchdown making the score 12 to 0.

With only 11 seconds left in the first half, Bernie Barbour grabbed a pass and pitched out to Chuck Scott who made the third touchdown for Sanford.

In the last quarter a pass intended for one Ormond Beach player was broken up by Sanford but Oliver Wyan of Ormond Beach jumped up, grabbed the ball and ran 20 yards for the score for the only touchdown made by Ormond Beach.

Pigott said he'll go with the same offensive team as was used in the Edgewater game and will move Jim Williams up to starting defensive middle guard.

Speaking about the stunning win over Edgewater, Pigott stressed the outstanding line play angling out John Bouface.

Pigott reported that Tom Hinson, injured in the opening game of the season, will be ready to roll and that the Seminoles are expecting a lot of work from Buddy Lawson moved up from the Jayvees last week.

Discussing Apopka, Pigott said they have a hard running team and a few youngsters like George Kavern that are all scholastic material.

This week, the Seminoles are stressing pass defense in their drills while the line has been working on how to stop Kavern and company.

## Machen Gets Fight Boost

NEW YORK (UPI) — Heavyweight Eddie Machen of Portland, Ore., was boosted into a challenger's position today by the Ring Magazine, which ranked him second among contenders — just below the widely suspended Sonny Liston of Philadelphia.

Machen, rising from third, replaced inactive Henry Cooper of England at the number two spot because of his ninth-round knockout of Mike DeJohn at Syracuse, N. Y., on Sept. 18. Cooper was dropped to third.

Moses Gale patented the cigar lighter in 1871.

## Fraley's Follies

NEW YORK (UPI) — Fraley's follies and the weekend football "winners" — along with a few reflections on things in general.

Games of the Week  
Notre Dame over Oklahoma — Irish eyes are smiling again. And keep those laughing blue orbs fastened on halfback Paul Costa and fullback Jim Snowden. Notre Dame could be right up front and center again while Oklahoma isn't the smash hit show of a few years back.

The East  
Baylor over Pitt — People who live in thatched cottages shouldn't deal in fireworks.

Rutgers over Princeton — Imagine, this one started in 1869.

Syracuse over West Virginia — On their tall in the lonely pine. Holy Cross over Villanova — Not an SMU rooster in the house.

Also: Columbia over Brown, Army over Boston U., Yale over Connecticut, Cornell and Colgate, Harvard over Lehigh, Delaware over Buffalo, Bucknell over Temple, Dartmouth over New Hampshire, Gettysburg over Juniata and Penn over Lafayette.

The Midwest  
Ohio State over TCU — It's difficult to play badminton during a hurricane.

Minnesota over Missouri—Odds vs. a royal flush are 648,730 to 1.

UCLA over Michigan — Russia may deny it, but India invested chess.

Iowa over California — A real smart farmer invented corn husking as a sport.

Also: Northwestern over Boston College, Washington over Illinois, Michigan State over Wisconsin, Arizona over Nebraska, Iowa St. over North Dakota State, Kansas over Wyoming, Ohio U., over Kent State, Bowling Green over Dayton, Wichita over Cincinnati and Detroit over Xavier.

The West  
USC over SMU — It's difficult to charge admission for pigeon racing.

Oregon over Utah — Six-day bike riders oughta buy motors. Air Force over Kansas State—I know some guys who should compete in the small bore championships.

Oregon State over Stanford — Ride shooting, that is.

Also: Arizona State over Colorado State, San Jose State over Idaho and Washington State over Utah State.

The South  
Alabama over Tulane — The standing broad jump record has stood since 1904.

Georgia Tech over Rice — Bill Harde is mentioned in a 1544 French poem.

# Miss Josephine Mikler To Marry James M. Davis Jr.

Mr. and Mrs. Joe L. Mikler Jr., of Oviedo, announce the engagement and approaching marriage of their daughter, Josephine, to James M. Davis Jr., son of Mrs. Irene Davis and the late Col. James M. Davis of San Antonio, Texas.

Miss Mikler attended St. Luke's Christian Day School, Slavia, and graduated from the Oviedo High School with the 1959 class. She also graduated from Jones Business College in Orlando this September, where she completed training as an executive secretary.

While in high school she played basketball, was a band major, a member of the Glee Club, Beta Club and served on the annual staff.

The groom-elect attended schools in Texas, graduated from Breckinridge High School in San Antonio with the class of 1957. While in high school he was active in sports and was a member of

the National Honor Society. He is serving in the U. S. Navy and stationed at the Sanford Naval Air Station. He is presently serving aboard the carrier, USS Independence, deployed with the Sixth Fleet in the Mediterranean area.

An early winter wedding is planned at the St. Luke's Lutheran Church.

MISS JOSEPHINE MIKLER

## WSCS Circle Five Holds "Sewing Bee" For Fall Bazaar

Members of Circle Five of the Women's Society of Christian Service of the First Methodist Church met at the home of Mrs. Best Herman, recently, for a covered dish luncheon and "sewing bee."

The group spent the day making articles for the bazaar sponsored by the WSCS and scheduled for Nov. 17 at McKinley Hall.

Mrs. R. T. Warren, chairman of the event, and Mrs. M. L. Nichols, co-chairman, were present at the sewing and helped to make aprons, luncheon sets, guest towels, purses and various other articles that will be offered for sale at the bazaar.

## Enlisted Wives Plan Meeting

Members of the VAH-1 Enlisted Wives Club will meet Thursday at 8 p.m. in the Naval Air Station Ballroom.

All wives of VAH-1 are invited to attend.

## Church Calendar THURSDAY

First Presbyterian Church training class for circle-Bible moderators meets in the Session Room at 7:30 p.m.

Associational music school meets at First Baptist Church at 7:30 p.m.

## DeBary Personals

By MRS. ADAM MULLER

Mr. and Mrs. Mitchell Cholley of Baldwin, Long Island, N. Y., have returned home after a visit with Mrs. Cholley's parents, Mr. and Mrs. William Ogden. Their daughter, Judy, remained with her grandparents and will attend Junior College in Daytona Beach.

Mr. and Mrs. Veron Harrison have been visiting with Mrs. Harrison's mother, Mrs. John Leone at her home on Plantation Road for the past several weeks. Mr. Harrison plans to leave for Kansas next week and hopes to be transferred nearer to Florida.

Mrs. M. Dill and daughter, Carol, have been visiting Mrs. Dill's mother, Mrs. H. Stult on Azalea Dr. Carol has entered Stetson University in DeLand.

Recent houseguest of Mr. and Mrs. Charles Ulrich was Miss Tesini Boeckmann of Brooklyn, N. Y.

Mr. and Mrs. Fred Wearon are back home again after vacationing in North Carolina, New Jersey and New York. They visited with friends and relatives along the way.

Mr. and Mrs. Paul Goldner of Lilae Drive celebrated their 50th wedding anniversary last week. Their son, Paul Jr., planned a reception and family reunion for them, at Silver Lake Inn, Hadonfield, N. J.

Mrs. Ralph Combs, wife of Cdr. Combs, of the World War One Barracks 1197, DeBary, is home after a stay in the hospital. The Combs would like to thank every one who sent messages of cheer to Mrs. Combs during her illness.

Recent houseguests of Mr. and Mrs. Ludwig Kupetz at their home on Bonita Dr. were Mr. and Mrs. Brian O. DeForest of Baldwin, Long Island, N. Y.

## Personals

Mr. and Mrs. Robert S. Billhimer have returned from a vacation spent visiting and sightseeing in Virginia, Maryland and Washington, D. C. While in Maryland they visited their son and daughter-in-law, Mr. and Mrs. Robert S. Billhimer Jr. in Silver Springs.

Mrs. John E. Denoff has returned to her home, 61 W. Azalea Dr. in DeBary, after undergoing unusual heart surgery at the J. Hillis Miller Medical Center in Gainesville. She is the mother of Mrs. Harold Herbat, and her Sanford friends will be glad to know that she is slowly recuperating and may have visitors.

Mr. and Mrs. P. L. Elmore have returned home after accompanying their daughter, Sandra, to Walnut Ridge, Ark. Sandra has enrolled for her freshman year at the Southern Baptist College, there and will major in business administration.

**GIFTS**

When you move...

Your Welcome Wagon Hostess will call with a basket of gifts... and friendly greetings from our religious, civic and business leaders.

**WELCOME WAGON**

## Hostesses Welcome Ten New Families To Sanford Area

New families welcomed to the Sanford area by Welcome Wagon Hostesses the past week include Mr. and Mrs. Donald Rinker and son, Steven, from Columbus, Ohio; and Mr. and Mrs. R. L. Robins and son, Richard, from Westerville, Ohio.

Families transferred here by the Navy were Mr. and Mrs. W. H. Hatfield from Wisconsin; Mr. and Mrs. William B. Hendricks and children, John, Tom, Leigh, Anne, Pam and Paul, from South Bend, Ind.

Mr. and Mrs. Robert A. Field, Julie and Sharon, from Corpus Christi, Texas; Mr. and Mrs. K. D. Hicks, Grey and Kelly, from Harrisburg, Ill., and Mr. and Mrs. D. L. Kneens from Cleveland, Ohio.

Mr. and Mrs. J. William Orr and children, Allen and Lisa, from Jacksonville; Mr. and Mrs. W. W. Henderson and Bill from Norfolk, Va., and Mr. and Mrs. George Stewart from Jacksonville.

## DeBary Couple Returns From Northern Vacation

Mr. and Mrs. John Dick, Catalina Drive, DeBary, have returned from an extended trip that took them through Connecticut and Massachusetts, where they visited their daughter and family, Mr. and Mrs. Robert Glover.

Mr. Glover is administration supervisor at the IBM in Salem, Mass.

While in Connecticut they also attended the wedding of Mrs. Dick's nephew. Enroute home they came through Chicago, Pennsylvania and West Virginia visiting points of interest along the way.

## New Arrivals

Mr. and Mrs. Ronald Neal Thompson, 1780 Park Ave. North, Winter Park, announce the birth of a 4 lb. 15 oz. daughter, Sept. 21 at the Seminole Memorial Hospital in Sanford.

This is the first child and they have chosen the name Vicki Lynn for the new arrival.

Mrs. Thompson is the former Sondra Estridge, daughter of Mr. and Mrs. LeRoy Estridge, of Sanford. Paternal grandparents are Mr. and Mrs. Carl G. Thompson of Tampa.

Proud maternal great-grandparents are Mr. and Mrs. W. O. Bridges of Sanford.

## Local Events

**THURSDAY**

Enlisted Wives of VAH-1 are sponsoring a get acquainted coffee at 9:30 a.m. at the Acey-Ducey Club at the Naval Air Station. Baby sitting and transportation provided. Call Mrs. James McNulty or Mrs. Robert Trout. A special invitation extended to all new wives in the area.

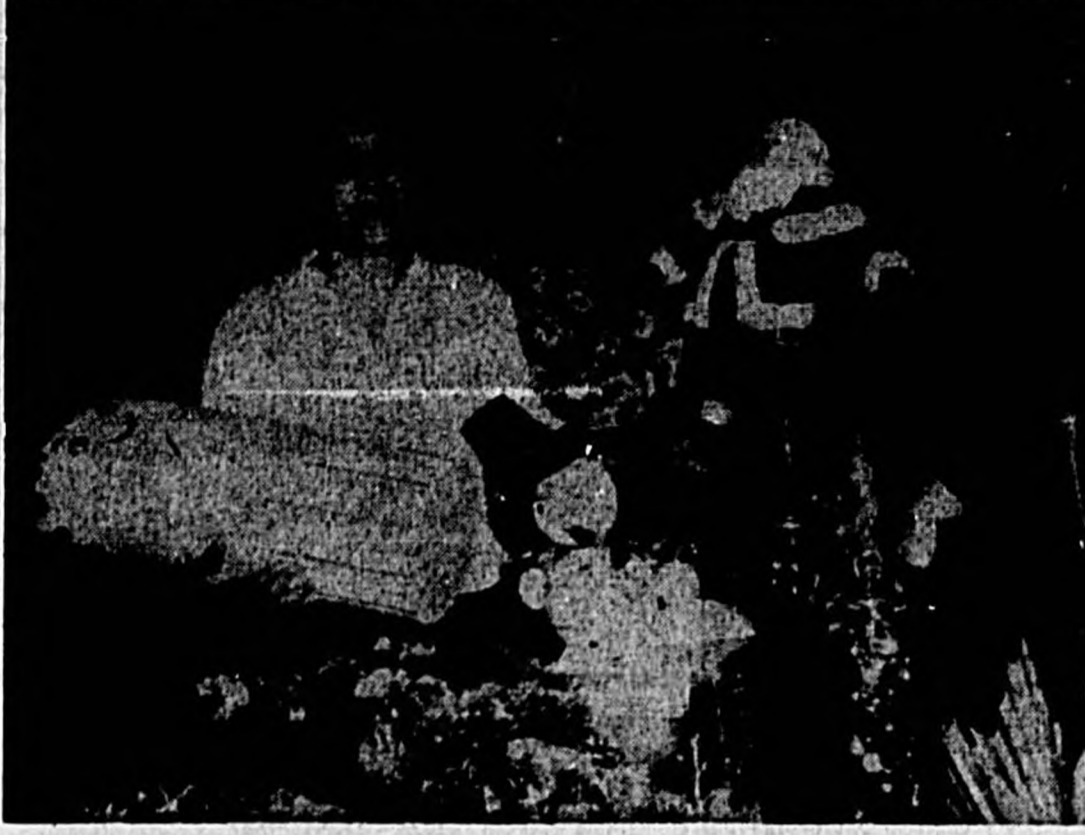

# Home Clubs Hold Christmas Workshop

Members of the county Home Demonstration Clubs are making preparations for a busy season, starting this month.

A series of workshops have been conducted at the Home Demonstration Center on 25th Street. One which was of particular interest was a Christmas workshop.

Mrs. Gladys Kendall, home industries and marketing specialist, came over from Tallahassee and conducted this workshop. Agents from five counties with about 20 leaders from the various clubs were present for the all day session.

All kinds of Christmas decorations were made and displayed during the day.

PREPARING FOR CHRISTMAS IN SEPTEMBER. Mrs. Dee Anderson, left, from the Seminole Evening Home Demonstration Club and Mrs. L. E. Leeper, of the Sanford Club, look over some Christmas decorations on display at the workshop held recently, at the Home Demonstration Center. (Herald Photo)

MRS. ELI YODER, vice president of the DeBary Woman's Club presents six new members with the club year book, at a recent meeting held at the Community Center. Left to right are, Mrs. Yoder, Mrs. Phillip Korst, Mrs. John Rayfuse, Mrs. Damon Scott, Mrs. David Horrige, Mrs. H. A. Demerest and Mrs. James Oddy. (Photo by Cox)

Present were Mrs. Marion Valente, Lake County agent; Mrs. Ray Baxter, Citrus County agent; Mrs. Elizabeth Starbird, from Sumpter County; Mrs. Edna Eby, from Volusia; Mrs. Marion Dietrich, from Osceola and Miss Myrtle Wilson, Seminole County agent.

Each agent brought five leaders from their clubs, and the representatives will take the information back to the various clubs at the October and November meetings.

## Mrs. Stapleton Entertains Phebean Class

Mrs. Dorothy Stapleton was hostess to the final meeting of the Phebean Sunday School Class of the First Baptist Church at her home.

The entire class is being promoted to the Golden Circle Class. Mrs. Donald Flamm, class president, presided at the business session and the devotion was led by Mrs. Nancy Bunch, followed with prayer by Mrs. Denver CordeH.

Gifts of appreciation were presented to Mrs. Cordell, class teacher, and to Mrs. Stapleton, assistant teacher.

Refreshments of cake and punch were served to those present. Others attending were Mrs. Dan Batten, Mrs. Kenneth Gaines, Mrs. Murray Lewis, Mrs. Robert C. Hodges and Mrs. Ralph Betts.

## Casselberry

**Personals**

By JANE CASSELBERRY

Houseguests of Rev. and Mrs. Oscar Poole, 321 Piney Ridge Rd., for two weeks are Mrs. Poole's parents and sister, Mr. and Mrs. Harry Shock and Miss Ruth Anna Shock of Charleston, W. Va.

Thank You..

The Sanford Kiwanis Club Wishes To Thank The Merchants of Sanford

For the many contributions, that made the 4th Annual Fish Fry & Auction possible.

**INTRODUCING FOR 1962 THE NEW LEAN BREED OF DODGE**

COMPACT DODGE LANCER GT

FULL-SIZE DODGE DART 440

The black automobile above is the 1962 Dodge Dart 440, first of the Action-Economy cars. A low-price, full-size Dodge that will outrun, out-economize most any car around. For a fact, it accelerates seven percent faster on five percent less gas than last year's comparable model. Seats are chair-high. There's a fold-down center armrest in front.

The white car is the Lancer GT, America's first Sports Compact. It carries five corners flat. Handles neat. Really goes. Bucket seats, all vinyl upholstery, full carpeting are standard.

Full-size or compact, every Dodge is rustproofed. Has a smooth ride. Goes 32,000 miles between grease jobs. As always, Dodge means dependability.

### Dear Abby:

By Abigail Van Buren

**DEAR ABBY:** I did a very foolish thing, and now I don't know how to get out of it. My father doesn't allow me to go with boys who are not of my religion (Jewish). I fell for this Italian boy named "Graziano," and told my father his name was "Ginsburg." My father has seen him only once for a quick hello and goodbye. Pretty soon my father will see him again, and start asking questions. If my father finds out I lied, I will be the first teenager in orbit. What should I do?

**STARTED SOMETHING**

**DEAR STARTED:** Tell your father the truth before he finds out himself. You might still be the first teenager in orbit, but you'll go with a clear conscience.

**DEAR ABBY:** There seems to be more "double-ring" wedding ceremonies all the time. What is the reason for this? When I see a man wearing a wedding ring I personally get the impression that he is sort of hen-pecked.

**MRS. P.**

**DEAR MRS. P.:** Hen-pecked? On the

contrary, I'd say his wife is no dumb duck!

**DEAR ABBY:** You printed a letter signed "Looking Ahead," and you agreed that married children should be more attentive to their in-laws. Here is my situation: Both my mother-in-law and my mother live in the same city. My husband insists that we spend all our visiting time with his mother, so we seldom spend any time with my mother. My mother insists that I be with him when he visits her because there are always other relatives there, and it doesn't "look well" for me not to be present.

My mother is no dumb bunny, but she is very understanding, so she never says anything, but I know how she must hurt inside. She suffered as much when I was born as my husband's mother did when he was born. I respect my husband's family, but I am getting a little bitter. He sees his mother any time he pleases—I don't want to have to look at mine in her cast. "LOOKING BOTH WAYS"

### We The Women:

By Ruth Millet

Things have come to a pretty pass when able-bodied husbands find nothing wrong in letting their wives support them but even have the nerve to ask for alimony when the marriage breaks up.

But that's what happened in California recently when an unemployed actor tried to get alimony from his wife.

Argued the lawyer for the 28-year-old husband: "When a wife earns more money than her husband, he should be granted alimony."

Happily, for the sake of all working wives, the petition for alimony was denied and the husband will have to get used to not being supported in the manner to which he had become accustomed.

Such victories are good news for all working wives of lazy or irresponsible husbands. If they love the men they are supporting then the good-for-nothings ought to take the hint that if they don't keep the breadwinner happy their free meal ticket will run out. They can't take it with them if the marriage breaks up.

And if the hard-working wife is completely disenchanted with her nonworking partner and tired of supporting him, she doesn't have to add to her other worries the fear that if she should divorce her husband she might have to pay him alimony.

Supporting an able-bodied husband is hard enough on a woman without the added fear that she might have to go on supporting him even if she called the marriage quits.

### Jacoby On Bridge

By Oswald Jacoby

The disease of slamitis is not confined to average players. Give an expert one of those nice collections of aces and kings and he will give into a slam just as enthusiastically as anyone else.

Anyway, the bidding went the same at both tables in the team game. One West player decided on the safe lead of the eight of trumps.

South won the trick with dummy's queen and led the queen of diamonds for a finesse. West took his king and led a second trump whereupon South had to go down one trick.

He was able to discard his losing heart on the jack of diamonds and to ruff one club, but the fourth club was a loser.

At the other table West decided on the aggressive lead of the five clubs and this act of aggression proved to be a serious mistake.

South called for dummy's jack

TELEVISION RENTAL

### Highlights

#### TV Key Previews

7:30-8:30 p.m. ABC. "The Steve Allen Show." Premiere. Not quite up to the old late show, but nevertheless has much of the same sharp, satirical wit for which Allen is noted. "The Allen Investigating Committee" lampoons a government inquiry into TV programming, with Allen, as chairman, grilling producer Louis Nye, "My Name — Jose Jimenez," also featured, along with singer Sandy Stewart, clarinetist Peie Fountain, with Les Brown conducting the orchestra.

7:30-8:30 p.m. NBC. Wagon Train — "The Capt. Dan Brady Story." Premiere. Nice beginning for fifth season's cross-country trek. Guest star Joseph Cotton appears as Dan Brady of "Wild West" show fame, who has come to believe the trumped-up stories of his deeds of heroism. Hale accepts Brady's offer to work as scout against his better judgment.

8:30-9 p.m. CBS. "American Musical Theater." (Repeat) Musical reprise of some of Richard Rodgers' outstanding songs; with singers Martha Wright and John Reardon. Guest is composer himself, to chat about his compositions. Some enchanting moments.

8:30-9 p.m. ABC. Top Cat — "Top Cat Falls in Love." Cartoon.

Asia Minor was the birthplace of the hotel industry, which grew from the practice of travelers finding lodging in homes of inhabitants while journeying to and fro between Greece and the Middle East.

## Palms Hotel Will Be Renovated

Arrangements have been made for a general renovation of the old Palms Hotel after which it will be operated as a hotel rooming house, Ambrose Olliff, attorney for the owner, Mrs. C. H. Olliff of Tampa, said today.

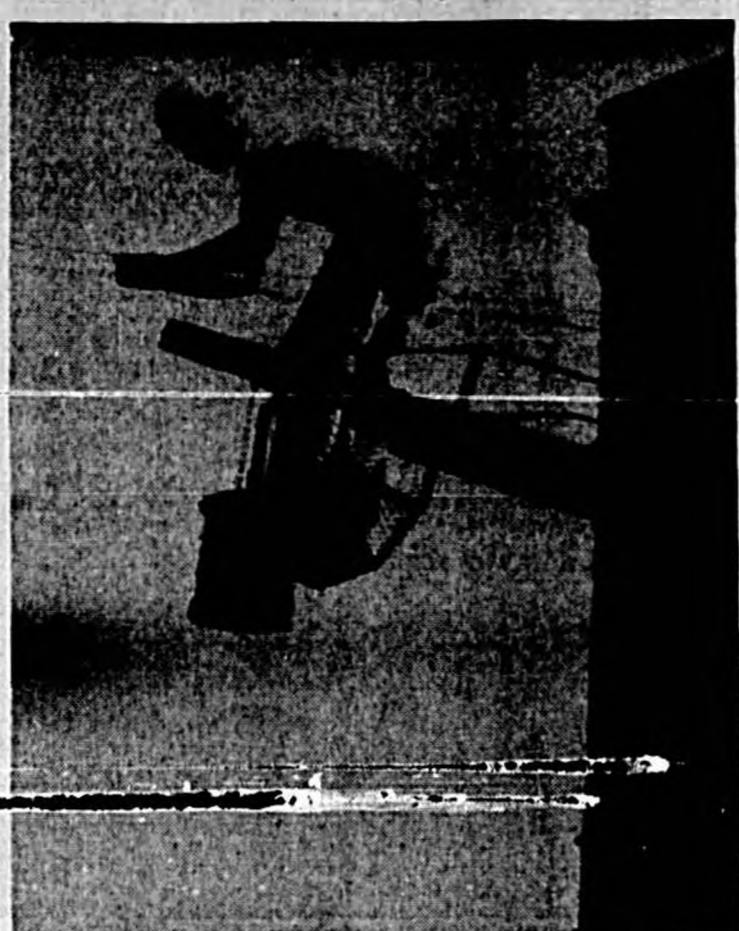

"We are definitely going ahead with improvements and the Carroll Daniel Construction Co., Inc., has been retained to make an estimate of the cost of renovation," Olliff said.

He said that everything the City had asked had been done or was in the process of being done. "The owner of the building has to vacate the place to the City," Olliff said.

"This hotel and all the other buildings which the City has on its condemnation schedule are items that have been with us a long time and these situations cannot be remedied in a few days or weeks," Olliff pointed out.

"We have asked the City to reconsider the Oct. 1 deadline for vacating the building. We were disappointed in the time given for vacating the property," he said.

Olliff said a caretaker was employed to protect the building from vandalism. He said that he and the city officials involved felt it wise to have someone on the premises to keep out prowlers.

CITY CREWS check the Christmas lights for Friday night. (Herald Photo)

## Adventure!

Bargain hunters and sales seekers will find some very interesting advertisements in today's Herald, both in the special center section and in the other pages, to make their Friday night shopping a real adventure.

In many cases Downtown Sanford merchants are featuring regular items at one-third, one-half and more discount, to give the homemaker and the breadwinner a break on needed appliances, household items, clothing, furniture, accessories and other everyday necessities.

Luxury items also are advertised at prices that make them ideal for personal use or gift giving. Use of layaways and charge accounts are both encouraged by merchants, so that thrift-conscious shoppers may take advantage of sales items.

## Florida May Put Year-Round School Plan Into Effect

GAINESVILLE (UPI) — A University of Florida committee will meet this week to consider a proposed change to a four-quarter system of year-round operation instead of a trimester system.

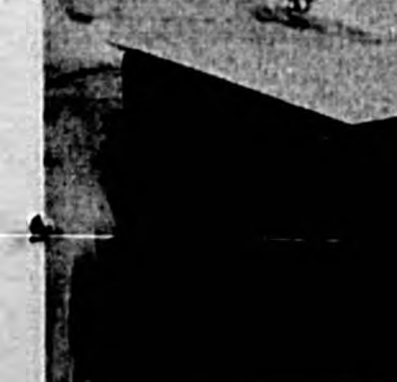

## Casselberry To Make Complaint

The Casselberry Town Clerk today was authorized to write a letter to the Griffin Construction Co. of Lake Mary and the County Commission citing the deplorable condition of the Seminole Blvd. bridge in Casselberry.

Casselberry Road Chairman Graham Wilson said that equipment from that company did "serious harm" to the railing and floor of the bridge.

The company has been moving equipment into the area over the past few days, according to Wilson.

Wilson also said that the letter to the commission will stress the need for repairs on the bridge and the hazardous conditions there.

JAYCEES Bud Stewart, Jack Wilber and Jim Wade worked late into the night Wednesday to compile data for the Jaycee's community development project which will be released in a few days. The project is intended to feel the pulse of the community to check the needs of the area. (Herald Photo)

# Hobby-Mize Suit Thrown Out

Federal Judge Joseph Lieb today threw out of court for the third time in five months a \$100,000 civil rights suit against Sheriff J. L. Hobby and County Judge Vernon Mize.

Hobby, Judge Mize and a Negro taxi driver, LeRoy McClinson were sued by Lee, publisher of the paper "The Telegram," who claimed the civil rights of the vendors were violated.

Hobby said he arrested Eddie Lee Brooks and Louis Cherry, both of Sanford, the week of Aug. 31, 1960, on charges of violating Florida's laws against publishing and distributing "immoral and libelous literature."

Lee claimed in his suit that his vendors were threatened and intimidated by "fear of imprisonment" to stop selling the newspaper.

## news... BRIEFS

### TV's Top Tubes

WASHINGTON (UPI) — There are slightly more television sets in American homes than flush toilets or bathtubs.

De Gaulle Skidding? PARIS (UPI) — Responsible French politicians are talking openly for the first time about deposing President Charles de Gaulle and finding a successor to him.

De Sapio Out NEW YORK (UPI) — New York Democrats Wednesday night elected Fire Commissioner Edward F. Cavanagh Jr., to succeed Carmine De Sapio as the party's New York County chairman.

Like The Arabs WASHINGTON (UPI) — Acting Speaker John W. McCormack said today that when the House voted its tent and crept away in the night, it didn't mean to flit-flam the Senate.

UAW Hopeful DETROIT (UPI) — The United Auto Workers at Ford Motor Co. today reported progress toward a new contract agreement and sources said, "We'll know by tonight" if a speedy agreement can be reached.

Ice Cream Wins WILMINGTON, N. C. (UPI) — City Council voted unanimously Wednesday to allow ice cream trucks to continue operating on city streets despite a police study which termed the trucks a "definite hazard."

Belafonte OK NEW YORK (UPI) — Folk singer Harry Belafonte is expected to leave Doctors Hospital Sunday. Belafonte, hospitalized since Monday night with a respiratory infection, was reported in good condition.

Ike Invitation GETTYSBURG, Pa. (UPI) — Former Japanese Prime Minister Nobusuke Kishi planned today to invite former President Eisenhower to visit Japan and to apologize for cancelling Eisenhower's scheduled visit last year because of leftist riots.

Whooping It Up WASHINGTON (UPI) — The almost extinct whooping cranes have something new to whoop about—four little whoopers.

Emergency Landing KNOXVILLE, Tenn. (UPI) — An Air National Guard plane carrying South Carolina Gov. Ernest F. Hollings made an emergency landing here Wednesday when one of its two engines failed. The C-47 was en route to Columbia, S. C., from Nashville where Hollings had attended the annual Southern Governors Conference.

Secrecy Crackdown WASHINGTON (UPI) — A Pentagon official said Wednesday that the Defense Department was taking steps to cut down on dissemination of intelligence information and defense data on new weapons.

Arthur Sylvester, assistant secretary of defense for public affairs, said the department also was trying to close up the sources and methods by which intelligence information is getting out.

## Syrian Army Revolt Crushed

BEIRUT, Lebanon (UPI) — Syrian Army units staged a revolt against United Arab Republic rule today. But Syrian radio reports said a few hours later the revolt had ended.

Nasser said the uprising was staged by "small army units" from the Qatana Military Camp 12 miles from Damascus. He said these groups seized the Damascus Radio and besieged the local Army headquarters.

However, the later broadcasts that the revolt had been put down quickly indicated the uprising barely got off the ground. In announcing the end of the revolt, the Syrian radio broadcasts said Amer had pledged to carry out the demands of the Syrian army.

The revolt came on the heels of the resignation Tuesday of Col. Abdel Hamid Serraj, Syrian strongman before the merger of Syria and Egypt in February, 1958, into the United Arab Republic. Serraj was one of seven vice presidents of the U.A.R., but quit because he felt he held merely a figurehead post.

Kenneth Leffler

Wallace E. Albritton

Harold Johnson

## Four Interested In County Attorney's Post

Seminole County Bar Association President Gordon Frederick told the County Commission today by letter that only four attorneys were interested in applying for the county attorney's job.

Mack Cleveland Jr., county attorney for seven years, resigned last week. The four who applied for the job were S. J. Davis, Wallace Albritton, Harold Johnson and Kenneth Leffler.

County Commission Vice Chairman James P. Avery said this morning that interviews with all four candidates will be held in the near future.

## Kennedy Mum On Nixon Decision

NEWPORT, R. I. (UPI) — President Kennedy and his staff today displayed an attitude of cool detachment toward the announced political plans of Kennedy's 1960 opponent, former Vice President Richard M. Nixon.

Asked if the President had any reaction whatever to Nixon's announcement that he will seek the Republican gubernatorial nomination in California but forego presidential efforts in 1964, Press Secretary Pierre Salinger replied, "none."

## Miami Judge Sets Immigration Probe

MIAMI (UPI) — U. S. District Attorney Edward Boardman will investigate Federal Immigration Service procedures for admitting Cuban exiles here.

Federal Judge Emmet C. Choate ordered the investigation Wednesday after accusing the service of "great carelessness" in recommending that former Cuban official Jose Maria Salas Canizares, 45, not be admitted to the country.

## Fallout Looks Like Any Ordinary Dust

By HEUREN R. KILBREW (Second in a series) What is fallout? When an atomic device is exploded near the ground it creates a tremendous upward draft. Great masses of debris which have

been pulverized by the blast are sucked up into the air at altitudes as high as 50,000 feet. Radioactive material released by the explosion and vaporized by its heat attaches itself to this debris and eventually is carried back to earth. Most of it is pulled to earth by gravity, but the remaining dust is transported various distances by the upper winds.

## No Progress Made On Berlin Talks

NEW YORK (UPI) — The United States and Russia today appeared to be about as far apart as ever on terms for negotiating the East-West dispute over Berlin.

Secretary of State Dean Rusk was reliably reported to have failed, during a four-hour conference Wednesday with Soviet Foreign Minister Andrei Gromyko, to make any appreciable dents in the tough Russian position.

## Fiery Blast Hits Chicago Area

EAST CHICAGO, Ind. (UPI) — A fiery explosion roared through an industrial plant today and police feared some employees had been trapped and killed in the ruins.

Radioactive fallout acts and looks like any other dust. The time it takes to get back to earth depends on the size of the particles and the altitude to which it was carried. Where it falls depends on the upper currents of wind, some layers of which may be blowing in one direction and other layers in another.

Since some fallout descends vertically and other is carried horizontally there is need for side as well as overhead protection.

After a thermonuclear explosion all dust must be suspect until it has been tested and proved harmless.

There are three kinds of rays which affect individuals, Alpha, Beta and Gamma.

The Alpha rays offer no great danger unless taken internally, inhaled or are taken into the body through wounds.

The Beta rays can be dangerous both internally and externally. They can be stopped, however, by moderately heavy clothing.

The Gamma rays are the most penetrating and therefore the most dangerous. They are like x-rays and vary in energy from very soft and easily absorbed ones to very hard and penetrating rays. Thin shields will absorb the soft rays but the hard ones require thickness to keep them out. This is where thickness in shelter walls pays off and helps to explain why an average dwelling offers little protection from fallout.

AROUND THE CLOCK Nobody asked me, but are some of our county politicians (?) starting their smear campaigns a little early this year?

How come county commissioners can park their cars all day long on Park Ave. along side the courthouse in a 30 minute restricted zone and not get tagged?

Looks like ACL is finally coming through with that repair work on those rough Longwood crossings requested by Mayor Al Lohmann several times to these many months. The company's work crew and equipment have been in the county for a week or two now.

Wonder if this being the Civil War Centennial Year has anything to do with rumors from one area of the county that it is thinking about seceding and setting up its own government? One aster equipped that serious thought is being given to putting up a full gate or requiring present officials to get visas before they enter the area.

There appears to be some confusion over getting driver licenses now. Remember, anyone having a birthday in September should renew their license before Sept. 30 regardless of what year you were born.

J. C. Penney's is sprucing up the outside and inside of their store with a painting and redecorating job.

By the way, the city will approve underground fallout shelters.
