

Celery Feds Are Given Edge Over New Smyrna Tonight

Russell Mann Wins Starting Role At Left Guard; Feds Seek 4th Victory

By KENT CHETLAIN
Sanford's unpredictable Seminole High football team will test their skill at fishing for victories at New Smyrna Beach tonight. On the basis of past success this season, the Central

Bill Fleming, nose Hannum Florida warriors from the Celery City will have slight edge in their battle with an ostensibly weaker eleven representing New Smyrna Beach.

Both coaches Bill Fleming and Fred Eustis, setting in the role of chiefs for this evening's "fishing" itinerary, have practically forecast a toss-up for the conference clash. They speak the wise words of experience. In the last two outings their little band of Indians have not fared too well.

St. Augustine moved into Sanford two weeks ago and found the alien surroundings and the Seminoles to their liking by administering a 18-0 shellacking to the locals. This was the first time Sanford warriors had tasted defeat on their home grounds since 1950.

Then last week the Celery Fed braves invaded Winter Park only to battle to a 14-14 draw. This has been the aftermath of a glorious seven-game victory which that extended over the last two seasons.

New Smyrna Beach constitutes the third conference encounter for the Feds this season. In the initial two the locals have upset Patoka, 26-13, and fell, as mentioned previously, to Ketterling. Sanford still has an outside chance to win the East Florida Conference's football crown.

Under a new arrangement, the northern team with the best record will face the southern team with the best won and lost percentage. The records are computed on the basis of conference games only. New Smyrna and Seabreeze of Daytona Beach are two teams who have fallen at least twice in conference play in the south. Thus, Deland and Sanford are still very much in contention.

This battle for supremacy in the south FFC may be climaxed at Sanford's gala homecoming slated for Wednesday night, Nov. 20, in the Memorial Stadium.

Chiefs Fleming and Hanna have only one lineup change for this evening's encounter. Russ Mann, a letterman known as "Big Man" will be inserted in the left guard slot, replacing Ross Hannum, the fiery little junior.

SAWATSKI
CAMP CHAFFER, Ark. — Catcher Carl Sawatski, one-time home run hitting star of the Southern Association's Nashville Vols, was discharged here today from the Army.

Sawatski, who spent the last seven months of his 2-year hitch in Japan, expected to join his wife at their home in Little Rock on his afternoon. Sawatski said he plans to "get readjusted to civilian life and play a little golf."

The husky, 25-year-old catcher belongs to the Chicago Cubs.

Crooms Panthers Play Here With Erstis Tonight

Locals Are Conceded 50-50 Chance Of Winning No. 4

By T. V. DAVIS
Tonight the Crooms Academy Panthers will be trying to redeem themselves after last week's loss to Hungerford, 13-0, when the locals play Eustis under the lights at the Memorial Stadium at 8:00 p.m.

The one-beaten and one-tied Panthers of the last two years will stand a 50-50 chance to surge into the evening's encounter with Eustis.

Last week will be long remembered by Crooms fans. Hungerford brought an abrupt and stunning end to the local's 16 game winning streak that extended over the last two seasons.

Another innovation will be added to the game tonight at beautiful Memorial Stadium when both the Crooms and Eustis bands will perform.

Cochman Franklin was disappointed with last week's blocking and tackling. The nose blocking by the regular Panthers there, Franklin to all on halfback Cubit Malone and guards Leo Thomas and John Moore.

The play of these boys brought life to the game with Eustis. Malone tossing a 35-yard aerial to right end Johnny Singleton while Moore and Thomas were making bruising tackles.

Cochman Franklin reports that his team has been burdened with injuries. Ruben Geter suffered an injured leg in the Crooms-Flowers Villa game and was unable to play in the Hungerford tilt last week. Halfback and Captain Oscar Williams and Quarterback Ernest Thorne are nursing painful ankles, but will play against Eustis tonight.

1353 Fans Watch Crooms Games In Memorial Stadium

By T. V. DAVIS
There have been 1353 fans on hand to see Crooms Academy play its first two gridiron encounters in the Memorial Stadium this year. It was announced today by Professor J. M. Crooms.

Of this total, 1,084 have been paid admissions, which has netted the City of Sanford \$80.50 in tax revenue. An additional \$50 has been paid to the City by Crooms Academy for the cost of the lights. The City has in turn given this light money to the Florida Power and Light Company to pay for the lighting expenses.

The first game in the Memorial Park with New Smyrna drew 810, the largest home crowd of the season. It also netted the City the most money from taxes, \$49.75.

Here are the attendance figures for each game this year.

Name	7th	Total
New Smyrna	810	810
Florence Villa	393	543
Totals	1,084	1,333

The following are the tax receipts for each game.

Name	Tax	Light	City
New Smyrna	\$40.75	\$25	\$74.75
Florence Villa	\$10.75	\$25	\$55.75
Totals	\$80.50	\$50	\$130.50

There are still two more Panthers games left to be played in the Memorial Stadium this year. Tonight, Crooms will play here against Eustis and then next Thursday the Panthers will conclude their home schedule with their big annual homecoming clash with Leesburg.

Seventy-two holes of medal play for the title will end Sunday. Transient University of Florida student playing his home course won medal honors Thursday with a one under par 68.

Billie Lyle, 30-year-old, finished up from 180 to 178 in the 4,000-yard course in 16.

Stetson To Have Best Homecoming Program Tomorrow

DELAND (Special) — Stetson University is putting on its best and most colorful show expected to be the most colorful and best attended homecoming in the history of the University.

The widely separated factors combine as a basis for the expectation. The sports-minded alumni will be returning to see a successful Hatters football team meet some colorful opposition in East Carolina State. Also, members of the Stetson Council, an organization of 100 prominent business and professional men and women who are supporting the university, will be on hand to see first hand what they are endorsing.

To address this important group of Floridians, Laurence P. Leard, President of the United States Chamber of Commerce, will be on hand. He will speak at the 11 a. m. Saturday convocation in the South Hall auditorium. Presiding at this meeting will be Stetson's President J. Ollie Edmunds. At the conclusion of Mr. Leard's address, the Council members will convene in the office of President Edmunds and members of the Stetson Alumni Association will transact their business in the afternoon.

Presiding over the alumni group will be the Rev. James P. Parish, of Miami, who will be succeeded in office by E. E. "Eddie" Callahan, of West Palm Beach, who is president-elect. A new president-elect will be chosen after a nominating committee headed by James Nemes, of West Palm Beach, makes its report.

Charles Tom Henderson, of Tallahassee, assistant attorney general, will report on progress during the last year. United States Alumni, an organization of Stetson alumni who are supporting the university through a proxy endorsement plan. This plan provides that alumni pay an amount equal to five per cent interest on the endorsement gift they would like to make.

A prominent homecoming visitor will be Dr. Carl J. King, R. editor of the editorial page of the Florida Times Union, who is in charge of a third organization supporting Stetson, the United States Alumni. An associate is a Florida layman or lay woman who promises to give a minimum of \$100 to the University on their birthday each year. Dr. King is expected to report a substantial number of the 100 directors he is now seeking for this group.

Willi Han Returns To Bolster Hatters

DELAND — Willi Han, voted Florida back of the week before being knocked out by injury, has returned to duty, thereby boosting Stetson's stock in the Hatters' scheduled East Carolina Saturday.

Cochman Jay Patten, however, still has an undermanned offense with Eustis Dave Lando and Mark Heister and Fullback Herb Werner still out. Hafford and Werner, Stetson's leading scorers, apparently are lost for the season.

Stan Marks, the Hatters' leading scorer with 40.2 yard average, will make his debut as a quarterback against East Carolina.

East Carolina will bring a 5-2 record to Deland to face the Hatters who are 2-2.

Kinder Is Stabbed In Scuffle On Key

SARASOTA — Ellis Kinder, Boston Police, was stung and reported recuperating today from a stomach wound.

Kinder was taken to Sarasota Hospital early Thursday. Birthdays, Kinder said he found no indication of any law violation and made no arrest. He said Kinder and his host were there at the time.

The Sarasota police department said a call had been received from the hospital at 3 a. m. Thursday reporting a man who had been out on being admitted as a patient.

Patrolman Charles Lagg reported he found Kinder was the victim and he was quoted Kinder as saying he had been cut during a scuffle at the home of Bud Warfield on Siesta Key. Lagg said he learned the incident occurred outside the city limits and the sheriff's office had been notified.

GOLF
TAMPA — Twenty-five players led by Medalist Jimmy Trezvant Jr., Tampa, and Defending Champion Bill Stember, Miami, took out today after the Palma del Mar Amateur Invitational golf championship.

Gator-Tennessee Game Is Looking Bigger Every Day

GAINESVILLE — It was Tennessee Thursday in Gatorland with Coach Bob Woodruff full of pessimism about next week's clash with the Vols in Knoxville.

"They're a rough ball club. Gen Neyland is always tough to meet in November and even tougher in Knoxville. To top that off, they will be having homecoming that week end," he said.

Watching his gridlers drill against the strong Tennessee single wing attack he commented that the Vols' penchant for defense. He continued:

"Look at the figures. They're third best in the nation, both against pass and running. They give up about 175 yards a game and make you work for every yard."

Not wanting to appear personally afraid of the bowl-bound Vols or give the impression that the squad was apprehensive about the meeting, he stated:

"We will be going up there for a win, but they appear to be out of our class."

Tennessee is eighth in the nation in the Associated Press poll. Florida is 17th.

Three starters were working without pay following military duty. Bob Horton, defensive end, Jack O'Brien, offensive end, and Florida's leading scorer Buford Long, took it easy. They are expected to be ready for full action in a few days.

Don Barnes, tall husky from Miami, is doing double duty at offensive end and tackle, helping out in the gap left by injured Ross Winn. Barnes, a freshman, has been on the receiving end of three passes and coaches say he has shown a rapid improvement and willingness to learn.

Today, the squad will resume heavy work on both offense and defense in organized drills. Florida held a light scrimmage Saturday.

FSC Opens Baseball Course On Business

LAKELAND — Florida Southern College will open its fourth annual baseball administration school Jan. 6.

The three-week course is open to all authorized personnel of clubs in organized baseball and to high school graduates with a minimum of two years' business experience.

It is the only course of its kind at the college level approved by the National Association of Professional Baseball Leagues.

The faculty will include Harold C. Roettger, assistant to the president of the Pittsburgh Pirates; Vaughan P. Devine, general manager, Rochester, N. Y.; Allen H. Russell, president, Houston, Tex.; Crutcher M. Boyd, ex-general manager, Jacksonville; William Borgesch, general manager, Columbus, Ga.; and Robert Doty, business manager Lakeland, Fla.

Vandy Seeks To Keep SEC Jinx Going Over Miami This Evening

By MERCER BAILEY
Associated Press Sports Writer
For the second straight week a Southeastern Conference football team journeys to Miami hoping to make it a "Black Friday" for the Hurricanes.

Kentucky, with convertible Steve Stricker supplying most of the punch, succeeded admirably last week, routing the favored Florida, 29-0.

Tonight it's Vanderbilt's turn. The Commodores, relying as always on the magic arm of freshman quarterback Bill Kritecmyer, aren't selling the Hurricanes short.

"My scouts think that Miami has a potentially good squad which hasn't played the football of which it is capable," said Coach Bill Edwards. "They remind me that the Hurricanes looked good against Alabama and played brilliantly in beating Marquette."

Coach Any Gusfson has been doing a lot of player juggling since the Kentucky game and eight new men will be in the offensive and defensive lineups.

Vandy goes into a game as the favorite after disposing of Washington & Lee, 67-7 last week. We'll pick Kritecmyer & Co. to spoil the Hurricanes' homecoming game by two touchdowns or more.

Four other SEC teams meet non-conference foes Saturday and six play among themselves. Florida, pointing for Tennessee Nov. 15, is idle.

The Army Georgia Tech clash in Atlanta will garner a lot of national attention although most folks feel Army will be hard pressed to make an interesting game of it.

The Sugar Bowl-bound Engineers want to carry a perfect record to New Orleans and the re-building Army squad, riddled by the cribbing scandals, hardly seems the team to blutch a perfect record.

With All-America candidate Leon Hardeman ably flanked by Billy

Sports Roundup
By GAYLE TALBOT

NEW YORK — Baseball finally has shocked itself into a state of sobriety on the bonus issue, with the result that the average young prospect's chances of signing for a gift of \$50,000 and a red convertible will in future be very slender.

The thing finally got completely out of hand during the past year when the 16 major league clubs paid out a staggering 4 1/2 million dollars in bonuses to a lot of growing boys who have yet to prove that they can stick in any company higher than an Elks picnic. Of this quixotic sum, the Boston Red Sox are estimated to have contributed \$225,000.

As they recover from this magnificent spree, the clubowners are holding their throbbing temples and vowing it will never happen again. This time they mean it, and Commissioner Ford Frick has apparently himself a committee of one to see that they do not backslide.

"It's gotten completely out of hand," he declared in outlining the new plan to produce a sensible compromise. "Nobody objects to an occasional bonus for a particularly brilliant prospect, but this thing of throwing millions of dollars around in a top game of the year is just out of high school and probably never will make big league players is plain foolish. It's just that much money gone from baseball."

The new plan, which is virtually certain of adoption at the joint meeting of the leagues in Phoenix next month, has been carefully thought out and is equipped with sufficient teeth to make it effective. Stripped of much word lettuce, it simply provides that a club has better be mighty sure it has a live wire before it talks bonus.

At the moment there is no rule at all. Under the new plan, a club must have a player who is definitely under the rule coming up, if a club feels like shelling out, say \$30,000 for some juvenile hotshot, it will have to be prepared to carry him on its big league roster for two full seasons or risk losing him in the unrestricted draft.

This will cause a clubowner to do some heavy thinking before he reaches for his roll. Places on big league rosters are at a premium, particularly after they are cut down to 25, and it is a rare manager who would like to have two or three bonus kids taking up bench room and residing in the clubhouse after the weather gets hot and his regulars begin to get a rest now and then. A pennant-contending club needs all the grown men it can carry.

A Brooklyn team of some years back, the 1947 outfit, practically outbribe a rookie named Joe Tepic, and Tepic he refused to be farmed out late in the campaign to make a place for a more seasoned player who was believed needed to win the job. Tepic had exacted an agreement from Branch Rickey that he would be kept all year, and he held stubbornly to it. Wonder what ever became of him?

There will, of course, continue to be some bonus players. To venture a guess, though, they will at least have to prove themselves pretty sensational in college to be given that two-year free ride on a big league bench.

Syracuse football coach Ben Schwartzwalder says Joe Szombathy, senior right end, is the best blocking end in the east.

Six freshman football players at West Virginia University have Lee for a middle name and half of them were christened Robert Lee.

Michigan State Heavily Favored Over Indiana In Battles Tomorrow

By ED CORRIGAN
NEW YORK — The college football season begins its mad rush down the home stretch tomorrow with gold in the form of bowl games and glory in the form of conference championships for the first to hit the wire.

With the exception of the University of Maryland—rated second in the Associated Press' weekly poll—all the big boys get into action. Except for Oklahoma, the undefeated teams all seem to have easy sailing.

Sooner, well on their way to another Big Seven crown, a title on which they have squatter's rights, face Notre Dame in the Big Ten television game of the week. Some of these TV games have been busts since the schedule was made up before the season started with the intention of bringing one to see that they do not backslide.

The Irish have been in-and-outers most of the season, but although underdogs they should at least make close for Billy Vessella and company. If they rise to the occasion, it could be an upset. The Sooners rank fourth in the nation and are undefeated at 11-0-0. Michigan State, the No. 1 outfit, has a breather rare these days except for the Spartans of the Big Seven crown from Oklahoma, should have no trouble in its conference game with Nebraska, a team that's only as good as Bobby Reynolds—and he's out with an injury.

In the Big 10 and Southwest Conference, which still has hopes, slight though they are, of winning the Big Seven crown from Oklahoma, should have no trouble in its conference game with Nebraska, a team that's only as good as Bobby Reynolds—and he's out with an injury.

Villanova and Mississippi, a pair of teams who are out of winning a game with the University of Tulsa, while Mississippi figures to get nothing more than a good warmup when it faces Houston. Eight ranked Tennessee, the team that won the AP poll last year, with only one defeat on its slate is favored over Louisiana State, while Penn State, which has been mentioned as a possible Cotton Bowl nominee, has a fairly tough foe in Syracuse.

Sanford Soldier Is Put On Honor Roll

WURZBURG, Germany (Special)—Pvt. Albert Jackson Jr., of Sanford, a son of Maggie Ruth Church, Castle Brewer Court, was recently an honor student at the Wurzburg Military Post Chemical, Biological and Radiological School. He scored 183 points out of a possible 200 to gain a rating of "superior."

Jackson, a veteran of 16 months Army service, has been in Germany since May 1952.

He is assigned at Wildflecken, a sub-post of Wurzburg Military Post.

Longwood Soldier Is Father Of New Girl

U. S. MARINE CORPS AIR STATION, CHERRY POINT, N. C. (SPECIAL)—A baby girl weighing 9 pounds 10 ounces was born here Oct. 30, to Mrs. Flora L. Driskill, wife of Marine Cpl. Kermit L. Driskill.

Driskill, who is serving at the Air Station here, is the son of Mr. and Mrs. G. H. Driskill of Longwood, Fla. Mrs. Driskill is the daughter of Mr. and Mrs. W. H. Latham of Route 1, Sharon Grove, Ky.

The baby, named Elizabeth Diane, is the first child for the Driskills, who are residing at the Marine Corps Air Station, Cherry Point.

HANDLE ENDS IN FIRE

ORZEBELT, Md. (SPECIAL)—Three teenagers got into an argument over how fast an airplane would burn.

So, police said, they set one on fire and burned it up—also a second plane that was nearby.

Prince Georges County police said today the three boys—aged 15, 16 and 17—admitted their part in the incident, which happened yesterday at Schriber airport here.

How long did it take for the single engine trainer to burn?

Fewly quick—about 25 minutes, guessed one fireman among the four companies which responded.

KILLED IN CRASH

PALATKA (Special)—Mrs. Carmen de la Barra Adams, 30, Gainesville, was killed and her husband, William Harrison Adams, hurt when their car was struck by a pulpwood truck near here Sunday.

Florida Highway Patrol Sgt. John W. Lacey said John Smith, Negro driver of the truck, is being held on a manslaughter charge.

Blues In The News
By BOB ANTHONY

C. M. Whitten, Fire Chief here aboard the station, has announced plans for a Benefit Shrimp Ball to be held this Friday at the Chief's Club. The affair is being sponsored by the Structural Fire Department of NAAS and all proceeds will be used to buy Christmas toys for the underprivileged children in this area. Tickets are \$1.00 and may be obtained from any Chief Petty Officer or Fireman here aboard the station. The Shrimp Ball is scheduled to begin at 8:00 p. m. and will be followed with an evening of dancing. The date is Friday, Nov. 14, the place is the Chief's Club and the time is 8:00 p. m. Buy your tickets now for this benefit dinner. You'll be helping to bring some Christmas cheer into the hearts of the underprivileged.

The department that is sponsoring the Shrimp Ball is the same department that is working so hard in their program of repairing and painting old and broken toys to be used as Christmas gifts for the underprivileged. Fire Chief Whitten said he already has toys worth over 100 toys ready for presentation to the youngsters on Christmas morning. The toys include dolls, tricycles, scooters, wagons and many other types of toys which have been donated by the men here at NAAS and by the people of Sanford. He said the people of Sanford are certainly to be commended for their unselfish contributions to the program. No matter in what shape your old, broken toys are, the men of the Structural Fire Department would like a chance to repair them. Just leave them at the Sheriff's Office in Sanford or at the Main Gate here aboard the station and Chief Whitten will see to it they are ready for use on Christmas morning.

Jackie Wacaster and John Rumbach reported aboard NAAS over the weekend from the Naval Air Technical Training Center in Jacksonville where they have completed a 14 week course of instruction in the Class "A" Aviation Ordnance-man School. Both men call the state of Arkansas "home" although they are from different cities in that state. Wacaster hails from Hot Springs while Rumbach prefers his home town of Texarkana.

Leroy E. Hiles, who reported aboard NAAS early last week, was very satisfied to receive orders for a normal tour of shore duty here in Sanford. The main reason is that his home is in the city of Lake Monroe. Leroy is the son of Mr. and Mrs. Stanley E. Hiles, who reside on New York Avenue, Lake Monroe. Although Leroy was born and reared in Berlin, New Jersey, his parents moved to Florida in October, 1948. He entered the Naval service Mar. 5, 1947 and "shipped over" last year. He has chosen to make the Navy his career. Before reporting for duty at NAAS, he was at sea aboard the USS Dixie in the Far East. He is a second class Teleman and is assigned to the Communications Department at NAAS.

752 Drivers Licenses Revoked In Florida

TALLAHASSEE (Special)—The Department of Public Safety revoked 752 driver's licenses in September, an increase of 107 over the same month in 1951 when the Department revoked 645.

In other activities, suspensions totaled 128 last month compared with 136 for September, 1951; the Department of Public Safety cancelled 35, compared with 73 for the same period last year.

The Parole Commission authorized the return of 98 licenses previously revoked in September, compared with 60 in the same month one year ago.

A majority of the revocations were on charges of driving while intoxicated.

River Barge Traffic In Kentucky Growing

WASHINGTON (Special)—Commercial barge traffic on the Kentucky River is growing although the locks and depth of the channel are sub-standard, the American Waterways Operators, Inc., reports.

Coal towing has been resumed from the Beattyville mines and material and equipment for a new electric power plant near Winchester, Ky., are being barged from the Ohio River port of Evansville, Ind.

The navigable channel is 350 miles long but it is three feet under the standard minimum depth of nine feet maintained on such inland waterways as the Mississippi, Ohio and other rivers and channels.

Warrior-Tombigbee Waterway traffic is also increasing throughout that 467 mile system in Alabama. Preliminary tabulations completed by the Army Corps of Engineers show a 4.25 per cent increase in traffic in 1951 over the 1950 freight movement by barge. The 1951 tonnage was 7,717,001. This system is now being modernized with a standard 9-foot channel and modern locks.

Bill Murray, Duke football coach, was president of the student body in 1951 during his senior year.

Dr. Rucker Attends Tampa Dental Meet

Dr. H. W. Rucker left Sunday afternoon to spend the week in Tampa. He will attend a post graduate course there. For the past three years Dr. Rucker has been chairman of the Post-Graduate Committee for the Florida State Dental Society.

Once taken year it is the policy of his committee to secure the services of a recognized leader in some phase of dental practice and have him teach his methods and techniques to the Florida dentists. Beginning today and continuing through Nov. 16 Dr. I. Franklin Miller of Pittsburgh, Penn. will teach the short course for 1952. His subject, "Oral Rehabilitation," or procedures for reestablishing function and esthetics in cases where many teeth have been lost. Dr. Miller is one of the outstanding clinicians in the United States, having given this course in New York, George Washington University Dental School of Washington, D. C., St. Paul, Minn., and in many cities on the Pacific Coast. He brings a staff of five people and for five days puts on a course of concentrated work and study.

CIO's President, Phil Murray, Is Victim Of Death

Heart Attack Is Fatal To Controversial Head Of Huge Union

By The Associated Press
SAN FRANCISCO (AP) — Phillip Murray, who rose from an immigrant Scots mine boy to become head of the CIO and one of the world's most powerful and respected labor leaders, died yesterday of a heart attack.

At 68 a veteran of half a century's work in labor's cause, he was stricken in his sleep at San Francisco's fashionable Mark Hopkins Hotel. His wife Elizabeth awoke to find him sprawled on the floor beside his bed. Twenty minutes later a physician pronounced him dead.

A priest administered the last rites of the Catholic church.

Although Murray had not been in good health, his death came as a shock to friends, associates and even his antagonists in some of the bitterest council table battles between management and labor.

Telegrams of condolence poured in from all sections of the country. . . from President Truman and high-ranking government officials. . . from William Green of the AFL and John L. Lewis of the United Mine Workers. . . from Ben Fairless of U. S. Steel and Ben Moreell of Jones and Laughlin.

The thin, white-thatched man who never lost the faint Scots burr in his voice, Murray likewise never lost the ardor of trade unionism from his heart.

A mine worker at the age of 10, he spent the night before his death at a meeting on his United Steelworkers, whose presidency he held concurrently with the presidency of the parent CIO.

There, he spoke with energy of labor's gains, promised "wholehearted support to any administration that has in mind constructive measures for the common people," and defied "special groups" to take away labor's gains.

While his advocacy of Roosevelt New Deal and Truman "fair Deal" policies was well known, death sealed his position on future CIO policies.

An early backer of Adlai Stevenson for the presidency, Murray declined comment last week when Stevenson and the supporting CIO's Political Action Committee went down to defeat at the polls.

"I will indulge myself the luxury of comment on the hediam of the last three (election) months at the National Convention in Los Angeles," he told steel workers Saturday night.

That convention was to open a week from today, but as the CIO's top leadership turned toward Pittsburgh and Murray's funeral there Thursday, there were indications it would be postponed.

The CIO's political stand and a successor to Murray will be the two big questions of the convention.

Some unionists want the organization to get out of political activity and say the political Action Committee's campaigning did the union movement more harm than good. Others want the political arm strengthened.

As for Murray's successor, much of the speculation is centered on two men—Allan S. Haywood, veteran CIO executive vice president, and Walter Reuther, United Auto Workers president.

Haywood, long a stalwart in the CIO's organizational campaigns, is a veteran administrator. But his age, 64, could work against him.

Reuther, 45, is popular and energetic. But he may not want the responsibility of both jobs.

The son of a miners' union official, Murray was born at Blantyre, Scotland, in 1886. He was introduced to unionism at the age of 6, when his father took him to a local meeting.

At 10 he went to work in the coal mines. He was only 16—and making 30 cents a day—when his family emigrated to the United States, settling in the bituminous coal fields of Western Pennsylvania. He became a naturalized citizen in 1911.

His rise was the familiar story—but the rare fact—of the immigrant lad who made good.

He saved his money for a correspondence course; worked all day and studied most of the night in his self-education; punched his way into labor prominence when he mimicked a company weighmaster for a dishonest weight.

The punch got him fired—but his self-education walked out with him and made him a local officer of the United Mine Workers.

It was the last time he used his fists to win a point. Thereafter, he relied on a native cannyness and a rare gift for persuasion.

In the union, it brought him to the attention of Lewis, who made him a vice president in 1920.

But most of all, his manner had its effect on his antagonists across the table of collective bargaining.

Moreell said yesterday: "Murray was not a table pounder; he did it all simply by persuasion."

The University of Vermont football team, in losing all seven games last year, scored only four touchdowns.

Father Of Israel, Chaim Weizman Dies At Age Of 77

By ERIC GOTTGEBROU
REHOVOT, Israel (AP)—Dr. Chaim Weizmann, 77-year-old father of Israel, will be buried tomorrow near his home here in the Promised Land he helped build and led as its first President.

Messages of sympathy for the sorrowing young nation poured in from world leaders, including President Truman, Queen Elizabeth II and U. N. Secretary-general Trygve Lie, following Dr. Weizmann's death from a heart attack early yesterday.

The President's mansion, on the coastal plain 10 miles from Tel Aviv, was open to the public today. A solemn line of Israelites, some crying openly and some quietly chanting Hebrew prayers, passed the black draped catafalque on which the body of world Zionism's greatest leader lay in state.

Special trains brought pilgrims to pay their last respects. Across Israel, all places of entertainment were closed in mourning and the blue and white flag of the nation hung at half staff. Crowds gathered at crossroads and corners in the smaller settlements to hear loud-speaker bulletins on the President's death and funeral arrangements.

Premier David Ben-Gurion called his Cabinet together yesterday for a memorial session for the old statesman, who, before he became Israel's chief of government, had won renown as president of the World Zionist Organization and as a chemist and scholar.

The Cabinet decreed that all work will stop tomorrow, the day of the state funeral. Among the first to travel to Rehovot to express condolences to the President's widow, Mrs. Vera Weizmann, was acting President Joseph Sprinzak, speaker of the Israel Knesset (Parliament). During Weizmann's prolonged illness this past year.

Miss Jean Sayer Honored With Tea Given By Mrs. P. H. Tepsic And Mrs. Irving Batten

One of the loveliest parties of the fall season honored Miss Jean Sayer, whose engagement to Robert Weicher Wright of Savannah, N. Y., was recently announced. The tea was given on Saturday afternoon by Mrs. Irving E. Batten and Mrs. Peter H. Tepsic at the Batten home on Valencia Drive in San Lanta.

Guests were met at the door of the Batten home by Mrs. W. E. Kirchhoff, Jr. and Mrs. F. E. Rounhill and shown to the receiving line, composed of the two hostesses, Miss Sayer and her mother, Mrs. Heidi N. Sayer. The attractive young honor guest wore an ankle-length Hyacinth blue frock of net with matching net stole caught at one shoulder with a beautiful rhinestone clip. She wore Hyacinth blue satin slippers.

Soft yellow and purple chrysanthemums with mauve asters and blending carnations were used in artistic flower arrangements throughout the reception rooms. Ivy and philodendron in hanging baskets completed the decorations. The tea table was covered with a white linen cloth with a white cloth centered with Hap-

Theda Claire Petras Weds S. W. Evans Jr. In Impressive Christian Church Ceremony

In a quiet, impressive service Theda Claire Petras became the bride of Selwyn Westley Evans Jr. on Saturday afternoon at 1:30 o'clock. The Rev. Herbert J. Bass of the First Christian Church performed the ceremony. The bride is the daughter of Mr. and Mrs. Joseph J. Petras of this city, and Mr. Evans' parents are of Mobile, Ala.

The double ring ceremony was performed by candlelight in a beautiful setting of palms, white gladioli and ferns. Orchestral Miss Elizabeth White rendered soft organ music prior to the ceremony including "Because" and "I Love You Truly." The traditional wedding marches were used.

The bride, given in marriage by her father, was lovely in a soft blue tulle dress and short jacket. The bridegroom wore a tuxedo with a low, round necktie and the front of the skirt was gathered into soft pleats. The jacket was waist-length and she wore a Navy blue hat and accessories, completing her bridal ensemble. She wore the bridegroom's gift of pearls and carried a white Prayer Book topped with a white orchid.

Her maid of honor was her sister, Miss Barbara Ann Petras, who wore a frock of changeable rose and blue tulle featuring three-quarter length sleeves, low sweetheart neckline and full skirt. She wore a small black velvet hat, black accessories and long white gloves. Her bouquet was pink roses and carnations.

Serving as best man for the bridegroom was Carol Burke of this city.

Mrs. Petras wore for her daughter's wedding a mauve gown with black accessories, and a lavender orchid made up her corsage.

Following the ceremony the couple left for a short wedding trip on the East Coast and following their return to Sanford will reside with her family at 1309 Sanford Avenue until January.

Mrs. Westley Evans Honored At Shower

Mrs. Selwyn Westley Evans, Jr., the former Theda Petras, was honored recently with a shower given by Mrs. Branson C. Tramm and Mrs. M. H. Billingsley at the Tramm home at 305 Magnolia Avenue. Fall flowers were used in lovely arrangements throughout the party rooms.

During the evening the guests enjoyed several appropriate tests with a number of prizes being won, after which the honor guest was presented with many lovely shower gifts by her friends.

Later in the evening refreshments carrying out a blue and white theme were served by Mrs. Evans, Mrs. J. J. Petras, Mrs. Ruby Dietz, Mrs. Frances Wilson, Mrs. Maud Niblack, Mrs. David Gatchel, Mrs. Denise Stevens, Mrs. J. L. Horton, Mrs. Helen Brock, Mrs. Elizabeth Thayer, Mrs. J. W. Knight, Mrs. Helen R. Pearson, Mrs. E. C. Dobson, Miss Lois Ann Johnson, Mrs. D. D. Landrum, Mrs. Blanche Cole, Mrs. Robert J. Bass, Mrs. Leona Richards, Mrs. W. H. Young, Mrs. R. W. Garrison, Mrs. Charles Grimes, Mrs. W. H. Hughes, Mrs. V. M. Grafton and the hostess.

Virginia Wilson Tells Wedding Plans

Wedding plans were announced today by Miss Virginia Allee Wilson, daughter of Dr. and Mrs. John W. Wilson. Her marriage to James L. Powell, son of Mr. and Mrs. C. L. Powell will take place on Nov. 28 at the First Presbyterian Church. The Rev. A. G. McInnes, pastor of the church, will perform the ceremony at 8:00 o'clock.

Mrs. George Touhy will render musical music and soloist will be pianist Dr. Alton.

The bride will be given in marriage by her father, and has chosen as her maid of honor her sister, Miss Margaret Wilson. Bridesmaids will be Miss Mary Tom Gosholt of Miami and Miss Bony Wilson.

Serving as best man for Mr. Powell will be his brother Dr. Neil Powell of Orlando, and ushers will be Jack Williams of Lakeland, George Aase of Tallahassee, Bobbie Coates of Tampa, and Bobbie Bennett of Adelin.

Acceptance will be held following the wedding in the social hall of the Educational Building.

Treasurer, Mrs. Brink. Following the business meeting movies were shown by Mr. Brink and Mr. Vail. Those attending were Mrs. and Mrs. H. J. Hays, Mr. and Mrs. Lester Thrap, Mr. and Mrs. Horton, Mr. and Mrs. J. L. Horton Jr., Mr. and Mrs. Robert Staple, Mr. and Mrs. Jack Miller and daughter Barbara, Mr. and Mrs. Oscar Olsen and daughters Phyllis and June, Mr. and Mrs. Vail and son and daughter Ruth Ann and Craig, Mrs. president, Robert Brink, vice president, George Ellsworth and son Willis, Mrs. Lois Ann Dubson and Miss Shelby Seville.

PERSONALS

Mrs. E. H. Laney has left for Jacksonville to visit her children.

Square Dance Rally Is Held In Orlando

ORLANDO (Special) — An estimated crowd of about one thousand persons turned out Saturday night to witness the square dance rally at the Municipal Auditorium by some 100 members of the various square dance groups in Central Florida.

About 10 couples from the Sanford Shashayers and the beginners class were present at what is believed to be the largest assembly of dancers ever gotten together in the state.

The spectators were amazed at the overflow crowd and colorful costumes of the dancers. There were many long, brilliant period dresses with full skirts and the men were clad in spectacular cowboy outfits or bright plaid shirts.

The entire affair was headed by Jimmy Clinain, nationally famous caller and teacher, who also acted as master of ceremonies. The dancers were welcomed by Mayor William Bradford. Nine other callers assisted Clinain by calling their favorite figures during the evening.

Dance groups represented were the Pioneers, Shashayers, Three Eight, Merry Mixers, Do-Be-Do, Calico and Sanford Shashayers. Besides the Central Florida dancers, there were dancers from Jacksonville, St. Augustine, Daytona, Tampa, West Palm Beach, Lakeland, and Miami who had come for the Round Up.

There were several exhibition numbers done by various clubs and the Pioneers performed an outstanding number which was considered the best. Three squares in the children's exhibition was roundly applauded on "Take a Break."

Clinain who now heads the State Callers Association says that square dancing is spreading like wildfire and is beginning to boil over. People everywhere are going in for the clean, healthful and friendly amusement, both young and old participating.

Sanford couples attending were Mr. and Mrs. I. E. Batten, Mr. and Mrs. Ralph Pevold, Jr., Mr. and Mrs. Charles Vodopich, Mr. and Mrs. Harold Kastner, Mr. and Mrs. G. C. Henderson, Mr. and Mrs. Hubert Hagan, Mr. and Mrs. C. G. Tyre, Mr. and Mrs. Roul Robison, Mr. and Mrs. Homer Little, Mr. and Mrs. Lee Samuels, Mr. and Mrs. Robert Karna, Mr. and Mrs. Ralph Cowan, Mr. and Mrs. Clyde Hanson, Mr. and Mrs. W. E. Kirchhoff, Mr. and Mrs. G. Donoff and Mr. and Mrs. James N. Robson, Jr.

Cheryl Johnson Is Honored On Birthday

Little Miss Cheryl Johnson, daughter of Mr. and Mrs. Clifford Johnson, was honored on her first birthday Wednesday afternoon at 3:00 o'clock. The party was held at the Johnson home at 1408 Bel Air Boulevard. The rooms were decorated with pink and white crepe paper streamers and colored balloons. The dining table was covered with a lace cloth centered with a large birthday cake topped with a "Little Red Riding Hood" scene in the center of which was one candle.

The children enjoyed playing and pictures were taken after which Cheryl opened her gifts. Refreshments of cookies, orange juice, cake and coffee were served by the hostess to the following honored guests: Cheryl, Kathy and Dickie Rhodes and Sandy Hill of Ocala; Kay Ferguson, Billy Longwell, Donna Peters, Judy Lavender, Jane Johnson, Mikie Bruce and Danny Bruce. Also Mrs. Wilma

Maxine McKinley To Marry Donald Kovar

Mr. and Mrs. Claude Greene of this city announced today the engagement and approaching marriage of their daughter, Maxine McKinley to Donald Kovar, son of Mr. and Mrs. Frank Kovar of Muscoda, Wis. The wedding will be an event of Nov. 27 at 10:00 a. m. in the Church of Christ in this city.

The bride-elect is a graduate of Seminole High School with the class of 1952. She is now employed at Robinson Sporting Goods, Mrs. Kovar graduated from Muscoda High School in 1950 and is now stationed at the Sanford Naval Air Station.

No invitations are being sent but all friends of the couple are invited to attend.

Rhodes and Mrs. Christine Hill of Ocala; Mrs. Morris Ferguson, Mrs. Henry Longwell, Mrs. Curtis Lavender, Mrs. Robert Bruce, Mrs. W. L. Hiers, Cheryl's grand mother

HORTON WEDDING

The Herald regrets the omission of James L. Horton's best man and ushers in the account of his wedding appearing in Friday's paper. His best man was his father and ushers were William Evans of Sanford and William Jennings. Mrs. Horton graduated from George Washington High School in Alexandria, Va. and attended Lees-McLane Junior College, Banner Elk, N. C. and the University of Florida. She is a member of Beta Sigma Phi. Mr. Horton attended Seminole High School and the University of Florida. He has recently returned from 11 months duty in Korea.

Adverse Weather Is Happy Respite For Most Sections

By The Associated Press
The East, the South and the Ohio valley were chilled and wet today, and loved it. General rains (snow in New England) gave at least temporary relief from the month-long plague of forest and brush fires that have blackened millions of acres in the eastern half of the nation.

For some of the timberland it was the first important precipitation in more than two months. The rains, which were continuing in many sections, will allow exhausted forest rangers to rest. National Guardsmen drafted for emergency duty and civilian volunteers to go home. Hunting seasons will be restored in several states that banned them because of the fire hazard.

"The war is over," said Tennessee's Adj. Gen. Sam Wallace, who will send 2,000 guardsmen fire-fighters home today. Memphis, Tenn., got 1.67 inches of rain Sunday. "We're in pretty good shape," said an Arkansas forester, after his state got rainfall ranging up to Texarkana's 2.67 and Little Rock's 1.75.

Continuing rain was expected to snuff out fires in Georgia and Alabama, which were still serious Sunday. The 500-mile-wide swath of rain swept through Texas north-eastward into New England. There was snow at each end—light show in the Texas panhandle, more substantial amounts in New England where record low temperatures for the date were recorded Sunday.

It was 13 at Concord and at Lebanon, Me. and 14 at Portland. Hottest temperatures reported this morning were 7 at Grantsburg, Wis., and 9 at Lexington, Neb. There was light precipitation in the northern great lakes area—too light to be much of a guarantee against timberland fires.

Next time you make doughnuts, add a half-teaspoon of finely chopped pecans or the grated rind of an orange to the batter. Or if your family like their cruons soft, add a teaspoon of cinnamon into the dry ingredients.

County Commission Advises on Road

(Continued from Page One)
before the season is gone," and brought out that the present road is "dangerous," because of a curve.

Later, she asked, "How about advertising the road?" Mr. Pope answered, "It's your privilege to advertise." As the conversation quieted down, Mr. Fouracre rescinded his motion.

The late woman turned her blast upon O. P. Herndon, County clerk, stating other deeds had been accepted without the abstracting procedure. Mr. Herndon said he couldn't remember any such instances. Mrs. Meredith stated he had developed a case of "bad memory."

Mr. Pope said, "If the title is clear, irrespective of mortgages, we can record it." About this time, Commissioner McClelland came to the fore and said, "You all run over yourselves, so people can get a lot and build a house. I'm not taking her interest or anybody else's—I'm in favor of justice."

Lloyd F. Boyle, county attorney, voiced the opinion that he couldn't see why the board "should worry if the deeds are good or bad to build a road."

Mr. Pope answered, "If the deeds are no good, she's in one foul mess." Mrs. Meredith stated no concern needed to be expressed on her part as she had title insurance and would "handle" the matter herself.

The subject of platting came up and Mrs. Meredith stated she hadn't platting the subdivision because when a lot is sold for \$3,000, the County tax assessor places a valuation of \$3,000 on other lots in the subdivision, she said.

HEROIN CASES FOUND SAN FRANCISCO

SAN FRANCISCO (AP)—A canvas bag containing heroin worth \$750,000 with a passenger's name tied to it was found in a suitcase aboard the liner President Wilson yesterday, Paul Leake, collector of customs, reported today.

Leake said the passenger, who identified himself as Lee Hook, was taken into custody on a train at Portland, Ore., and booked on a charge of suspicion of transporting and possession of narcotics.

In any effort to end the deadlock conflict, he must pattern plans to situations he never encountered as the supreme commander of the Western Allies.

The European campaign of World War II was a war of movement, of slashing forward, of constantly fluid situations. Korea for almost a year and a half has been a war of fixed positions, almost the trench fighting of World War I.

The battle of Europe was won on the ground with divisions and corps and armies moving in mass, supported by swarms of planes, columns of tanks, a multitude of artillery. Korea is Indian-style fighting, individual close and carbine range, with the trench knife and bare hands often the weapons.

The United States divisions alone in Eisenhower's combined European command numbered more than half a hundred. There are seven American divisions on the Korean front, six Army and one Marine.

As the European war reached its peak, the front extended virtually from the Baltic to the Mediterranean Sea. The Korean front is only 153 miles long, pinched across the waist of a peninsula, with scant maneuver space to the rear.

Ike Will Find Far Different Type Of Fighting In Korea

By ELTON C. FAY
WASHINGTON (AP)—In Korea, where he plans to seek a means of ending the stalemate war, Dwight D. Eisenhower will find a battle utterly unlike the continent-encompassing campaign he commanded in Europe.

In any effort to end the deadlock conflict, he must pattern plans to situations he never encountered as the supreme commander of the Western Allies.

The European campaign of World War II was a war of movement, of slashing forward, of constantly fluid situations. Korea for almost a year and a half has been a war of fixed positions, almost the trench fighting of World War I.

The battle of Europe was won on the ground with divisions and corps and armies moving in mass, supported by swarms of planes, columns of tanks, a multitude of artillery. Korea is Indian-style fighting, individual close and carbine range, with the trench knife and bare hands often the weapons.

The United States divisions alone in Eisenhower's combined European command numbered more than half a hundred. There are seven American divisions on the Korean front, six Army and one Marine.

As the European war reached its peak, the front extended virtually from the Baltic to the Mediterranean Sea. The Korean front is only 153 miles long, pinched across the waist of a peninsula, with scant maneuver space to the rear.

Available to him in the European theater were more than 10,000 American warplanes—including 5,000 fighters, 1,800 B-17s and B-24s (then rated as heavy bombers), 1,100 medium bombers and other craft. The total air strength in Korea is secret but probably is substantially less than a thousand combat aircraft.

Union Business Agent Is Shot To Death In His Car

JOLIET, Ill. (AP)—The business agent of an independent teamsters and chauffeurs union who survived an attempt on his life a year ago was found shot to death in his automobile 10 miles north of here Sunday.

State troopers who found the body of Anthony Baldino, 46, of suburban River Forest, said bruises indicated his wrists and ankles had been tied and he had been beaten with a metal rod before he was shot twice through the head.

Baldino's wife, Mary, 43, told police her husband left home Saturday afternoon, and telephoned her about 2 a.m. Sunday from Chicago saying he would be home in an hour.

State police said their records showed a bomb was placed in Baldino's car, parked in front of a Chicago hospital, in October, 1951. It exploded when he stepped on the starter but Baldino escaped with minor injuries.

Baldino's union, Local 705, was one of several which broke away from the AFL Teamsters Union in 1950. All but 705 ultimately returned to the AFL.

The union is active in Cook (Chicago) and adjacent lake counties.

Seminole Gridder Slaughter New Smyrna Beach, 42-7

Metts Scores 4 TD'S And Extra Point; Jimmy Fox Boots Five Conversions

That kind of unpredictable gridiron action has been the hallmark of Florida's celebrity football since the quiet little coastal community of New Smyrna Beach on a rather chilly evening Friday night and turned what was supposed to be a gala homecoming celebration into a glibly entertaining and exciting football game.

It was the largest score piled up by the Celery Feeds in the last five years. Junior Metts, Lake Monroe's contribution to Sanford's 1952 plunkin success, provided the victory punch by scoring five touchdowns, passing to Bill Sheffield for another while personally plowing over the middle for one extra point.

Handled a good deal of the game, in order to keep the score down, Metts still was able to roll

Joe Pichens, FA lockback up 221 yards in 13 tries for a brilliant 17-yard average per try. In the process, he equalled two 1951 records of pile-driving Ed Gordon. Metts, superior to Gordon's rushing record of 850 yards by pushing up in 911. The Lake Monroe Locomotive, who still has three more games to go, passed Gordon's record one total of 89 points by 17 or 86.

The Seminole grid machine rolled rather slowly in the cool weather scoring only once on Metts' 55-yard end-around TD smash in the first period. The Feeds had to wait until the second quarter to hit paydirt again. Ed Lockett teamed with Metts on a 55-yard punt which the latter kicked by whistling around end on a three-yard burst into the end zone. Then another phase of the Sanford success story began to be

Junior Metts Jimmy Fox unfolded as Jimmy Fox, the early season conversion leader, turned state in the St. Augustine game, kicked the first of his five successful extra point boots of the evening in as many tries.

With the score reading 14-0 in favor of the Seminole at the half, the Fed machine, gathering momentum and advice from the coaches during the intermission, broke loose with all their fury and annihilated the Harcrauds with both first and second string power that any previous Sanford gridiron giant would be proud of.

Ray Davis launched things by passing to Metts behind the line of scrimmage from which point Metts streaked, ripped and charged his way 44 yards down to the Smyrna 15. The versatile Metts then followed through by winging an aerial to Sheffield in the end zone. Fox converted his second straight extra point.

Moments later Lockett cracked off the Harcraud and for an eye pleasing 32-yard sprint to the Smyrna 32 where Metts in his turn finished the job by skirting his left end and out-gingering the opposition to the goal line and kicking the fourth Seminole TD.

The line homecoming defenders were flattened by Metts and his vanguard of interference in open the fourth period as the Lake Monroe team lay idle up 41 yards for his final TD. Coaches Bill Fleming and Fred Ganna furiously yanked the regulars from the line up and used all the subs they could without disqualifying too many players for the Junior Varsity game tomorrow night with Edgewater in the Memorial Stadium.

Jimmy Wade, running like a scared rabbit or an inspired hero, teamed with Gene Kridler and Randy Reynolds to score the final TD. Wade streaked around and to the touchdown. Fox defied his fifth consecutive conversion true through the uprights to capped the 42 point Seminole scoring blitz.

The second stringers, however, provided the local fans with their one bit of consolation by permitting Barracuda, Tom Brown to score his first straight aerial for the Sanford one, from which point Brown bucked over on a quarterback sneak.

Calvin Wright, defense right end, and Russell "Wop" Mann were defensive stalwarts in the Seminole forward wall all night. Joe Pichens and Terry Cordeiro played some of the best football which is usually about par. Sheffield, John Carter and Nalley Nance were conspicuous too in the Seminoles' second conference win game.

Seminole JV's To Play Edgewater B Team Here Tomorrow Night

Johnny Jones Leads Baby Fed Scorers With 30 Points; Reynolds Second

Those collecting Seminole High Junior Varsity gridder, having won three out of four this season, will play a return match with Edgewater B team here tomorrow night beginning at 7:30 p. m. Half price admission will be charged for this game.

Couch John Scott, new head basketball mentor who has been having extraordinary luck with his Fresh and JV gridiron charges this year, takes a personal record of four wins and one defeat into the game tomorrow night.

The Feeds, needless to say, will be seeking to avenge their only loss of the year in tomorrow's second encounter with the new Edgewater High School of Orlando. The junior Seminole Varsity eleven will get into Edgewater at a week from next Thursday night at the Tangerine Bowl in Orlando when Sanford play its varsity counterpart of the new high school.

Couch John Scott will be banking heavily on his one-two punch of Edgewater's Ed Gordon and Edgewater's Ed Gordon and Edgewater's Ed Gordon.

Johnny Jones, 11-7 victory over DeLand in the Memorial Stadium last election night, Johnny Jones passed Reynolds in the scoring department with a 30-point total, "Handy Handy," however, contributed two extra point runs elevating his season's total to 26 points.

"Dionde Bomber" Of Bowling And Links Sets Pace In Mixed Loop

As consistent as she is in golf, so is she consistent in bowling. Who? Why, Miss Ellen Betts — the blonde bomber of the links and bowling alleys.

In 18 games, Miss Betts has downed 272 pins, a rank second in the Mixed Bowling League, holds a 151 average to lead both the men and women of the circuit while garnering another second — a 296 single game effort.

Morris Sjoblom in the next best bowler with 272 pins. He has a 153 average, which ranks a tie with Coleman Yates for the No. 2 spot in the league. Sjoblom holds the distinction of having leveled the most pins, 3217, how. Ellen Betts ever, he has played in 21 games, more than any other bowler.

It was Sjoblom's 233 game that went down in the record books as the best individual game in the history of the infant loop and the highest score registered at the Sanford Bowling Alley in the last two years.

Bill Teppell, a recent sailor addition to the league has the fourth ranking average with 148.

Ellen Betts

FSL To Play 140 Games In 1953 With Only 2 Veterans Per Club

Upon his return, the directors will meet at Jacksonville Beach Sunday, Dec. 14, to elect officers. The directors have been urging Kridler to accept a third term but he has said he wants to retire from the non-paying job.

The directors discarded the Shapness Playoff system and adopted a new one whereby the winner of the first and second halves of the season meet in a five-game series to decide the championship. If the same team wins both halves there would be no playoff.

The All-Star game will be held June 22 in Sanford. Fans in Jacksonville Beach, Palatka, Daytona Beach, and other nearby towns, Sanford, Cocoa and Leeburg will determine the South quarter of the first and second halves of the league's overall attendance in round figures last year amounted to 280,000.

Upon his return, the directors will meet at Jacksonville Beach Sunday, Dec. 14, to elect officers. The directors have been urging Kridler to accept a third term but he has said he wants to retire from the non-paying job.

No 6's Gain In Bid For Top Spot In Mixed League

The no bowling of Dot Powell, Ellen Betts and Coleman Yates combined to give team No. 6 two victories in the Memorial Stadium 15, placing the winners within one game of the first place, in Mixed League action at the Sanford Bowling Alley last Monday night.

Miss Betts rang up the high series with a 431 total while Morris Sjoblom claimed the top honors for the losers with a 416 effort.

The cellar-dwelling No. 3's continued for the second straight week to gain in the Memorial Stadium 15, placing the winners within one game of the first place, in Mixed League action at the Sanford Bowling Alley last Monday night.

Poss Hannum Quits Seminole Grid Team

Ross Hannum, star three-letter Seminole High School athlete who was voted as the most promising football player in the school last year, turned in his uniform last Thursday afternoon and announced that he was quitting the football team.

The junior flash had been playing first string left guard all season and was doing an excellent job both on defense and offense, according to coaches Bill Fleming and Fred Ganna.

Ross Hannum, star three-letter Seminole High School athlete who was voted as the most promising football player in the school last year, turned in his uniform last Thursday afternoon and announced that he was quitting the football team.

Stine Bowlers Tie Ace Glass For City Lead

Appleby Rolls 588 Series And Gray Scores 219 Game

The Stine Machine Company bowlers, who have been gaining steam all year, finally reached the top of the City League, though they had to share the limelight with the season front running Ace Glass Company.

The Stine onslaught was climaxed last Thursday night at the Sanford Bowling Alley when the machinists lowered the boom on the third place malcontents from the Post Office in two games of the three set series.

Orville Touchton was the individual star for the winners as he rolled a 194 game and a series high of 519, "King Carl" Von Herbulis contributed materially to the Stine victory with a consistent 489 score.

The mailmen were not without their share of glory in the losing cause, however. Harold Appleby, one of the City circuit's top bowlers, grabbed the individual spotlight in the series by smashing 538 pins, which gave the postman the league high for the evening.

Appleby's 195 game was likewise the best single line effort of the game.

While the Stine bowlers were tying Ace Glass Company for first place, the glassmaker were dropping the lead to the fifth place Celery City Printers.

Pete Elliot assumed the lead in the Paul Pezold series by rolling a lousy 403 series. Close behind was that bowling fanatic, Al Negrotto, with 371 pins down in the first game.

The strategy failed, but Franklin gained solace by the defensive work of his charges in stopping two serious Eustis threats that pierced Crooms' territory to the five and three yard lines.

In the closing minutes of the contest, the Panthers made one final touchdown effort that fell short. On fourth down, Cubit "Shotgun" Malone faked back and pitched a 29-yard pass to Gordon Fort, who stood out all evening in pass receiving roles. The Panthers picked up 15 more yards on a penalty, but were unable to cash in on the opportunity before the whistle blew ending the game.

The Panthers play Leesburg Thursday night in the final Memorial Stadium game. It will be homecoming for the local school and a gala celebration is planned.

Officials: Ed Poole, Lamb and Eubanks.

Calvin Gray showed the way for the underdogs with sterling 523 series. It was Gray's 319 high game that not only set the evening's top score but also broke the backs of the hardwaremen in the very first set.

The old "Kingfish" — Paul Pezold — could do no better than knock 421 pins down in the series for a best losing effort. His brother George, who is coming out into his own after so many years of being shaded by Paul's achievements, was next with a 402 total.

Calvin Gray showed the way for the underdogs with sterling 523 series. It was Gray's 319 high game that not only set the evening's top score but also broke the backs of the hardwaremen in the very first set.

Safety Gives Eustis 2-0 Win Over Panthers

"Trickman" Jackson Is Nailed Behind Crooms Goal Line

An unusual safety in the opening minute of Eustis-Crooms gridiron battle provided the 2-0 victory for the visiting Tigers over the local Panthers last Friday night in the Memorial Stadium before an estimated 700 stunned fans.

After Crooms' Grade Edge kicked off to the Tigers, Eustis marched down to the Panther five-yard-line on a sustained drive of running plays. There the Crooms eleven held fast and took possession of the ball.

On the very first play, Quarterback Ernest Thorne took the pass from center and handed it off to Louis "Trickman" Jackson behind the Crooms goal line. Jackson was nailed almost immediately before he could get started by the alert Eustis ends, thus providing the Tigers with a two-point safety lead, which they held for the remainder of the contest.

Both teams came back in the second period with blood in their eyes, claving in an attempt for a touchdown. At one point Eustis almost scored but for a neat tackle by Right End Eddie Eilly. A Eustis kick circled his end on the Crooms 45 with only Eilly between the runner and the coveted Sanford goal line.

Eilly made a bruising tackle that cut down the Eustis ball carrier to save the Panthers from further embarrassment. Eilly hit the runner so hard that Dr. G. H. Blake was called down from among the spectators to attend to the courageous end. A preliminary check up revealed that Eilly was not badly shaken up, much to the relief of Coach Franklin.

In the second half, Franklin inserted his ace passing specialist Oliver Smith, who had been injured for the last three weeks. Teamed with another passing expert, Cubit Malone, Franklin hoped to conquer Eustis via the aerial route.

The strategy failed, but Franklin gained solace by the defensive work of his charges in stopping two serious Eustis threats that pierced Crooms' territory to the five and three yard lines.

In the closing minutes of the contest, the Panthers made one final touchdown effort that fell short. On fourth down, Cubit "Shotgun" Malone faked back and pitched a 29-yard pass to Gordon Fort, who stood out all evening in pass receiving roles. Harold Appleby Menaces Pezold's Lead With Second Place Surge

The Post Office's Harold Appleby flared up prominently this week in the constant struggle to unseat the City Bowling League's perennial leader — Paul Pezold. The bespectacled pin smasher, who wears a neatly trimmed black mustache, surged into the spotlight with a tremendous 2.8 pin average jump that elevated him into second place only 2.8 pins behind the ageless "Kingfish" Pezold.

The 23-year veteran of the bowling lanes continued his domination of the City League for the seventh consecutive week with a 167.7 percentage, the lowest mark he has maintained since the very first week.

Appleby, who upped the apple cart by breaking into the personal two-way race for the individual bowling title between Pezold and "King Carl" Von Herbulis this week, has come the closest of any bowler in the City League to overhauling Pezold in the past seven weeks.

Meanwhile, Von Herbulis was falling from second to third in face of the Appleby offensive, but actually picking up 2.3 of a percentage on his last week's second seeded average. Thus, "King Carl" registered a bear 6 of a percentage point gain on Pezold in their personal war for league supremacy.

This is how close the race is now: Pezold leads with a 169.7; Appleby is second with a 167.8; Von Herbulis is third with a 167.3 average.

In fourth place is Orville Touchton with a 165.2 percentage, which represents better than a pin gain over his average of last week's 164.3 average.

In fourth place is Orville Touchton with a 165.2 percentage, which represents better than a pin gain over his average of last week's 164.3 average.

Jackson Testifies Regarding Evidence On Katyn Massacre

Justice Declares He Didn't Receive Any Documents Blaming Russia For Crime

By RUSSELL BRINER
WASHINGTON (AP) — Supreme Court Justice Robert H. Jackson told congressional investigators today as chief prosecutor at the Nuremberg trials he never received American documents blaming Russia for the Katyn Forest massacre. Jackson testified before a special House committee trying to decide whether American officials, in an effort to avoid disrupting wartime relations with Moscow, suppressed information that Russians were responsible for Katyn. Jackson said despite a lack of evidence he was reluctant to agree to a Soviet demand that the Nuremberg War Crimes Court charge Germans with the slaughter of 15,000 Polish officers and intellectuals at Katyn Forest in Western Russia.

"We did not learn of any usable evidence in American possession," Jackson said. He added that during the trials he knew nothing of reports by Col. John H. Van Vleet Jr., or two other American officers, who had officially told Washington that the Soviets were responsible for Katyn.

The committee has reported to Congress that its international investigation proved the Russians killed the Poles in the spring of 1940 to prepare for a Communist-dominated Poland.

Chairman Mauden (D Ind.) said in an opening statement that the committee would cooperate with the next Congress for a continued investigation of other atrocities, including those in which American troops in Korea, he said, such as probe would "arouse world public opinion against international brigades, barbarity and lawlessness."

John Hill, a German war prisoner, was taken by the Nazis to inspect Katyn graves in 1943. He submitted an official report to the War Relocation Authority, claiming that the Russians were responsible. The report was stamped "Confidential" on Page Four.

E. C. Bates Found Guilty In Assault And Battery Case

Following conviction by a six-man jury in a lengthy case in County Court, E. C. Bates, operator of the Altamonte Springs hotel, was fined a total of \$100 and costs by Judge Douglas Stenstrom on two counts of assault and battery.

Charges were brought against Mr. Bates, following an altercation on Lake Okechobee, May 10, which involved the defendant, Mrs. Bates and two minors, Bobbie Hattaway, 10, and Millie Ellis, 15, both of Casselberry.

The testimony in the case, which was brought out by a parade of witnesses, including Talley Hattaway and Albert Ellis, the boys' fathers, was that on the morning of May 10, Mr. Bates for the defense, who revealed the altercation occurred after the boys had decided to go swimming in the lake near the hotel.

Under questioning by the defense attorney G. W. Spencer, and George A. Speer, County prosecuting attorney, witnesses related the trouble started when the boys refused to leave the bathing beach area after being ordered away by Mrs. Bates. The boys contended they were free to swim in the lake where they pleased.

Mr. Bates came upon the scene and ordered the boys to leave again. They refused. He then ordered them to get into his car for defense purposes. The Hattaway boy told the jury he was free to swim in the lake where they pleased.

Lions Club Hears Tribute Paid To World War I Dead

King Lion Ed McCall paid a solemn tribute to the American boys who gave their lives in World War I in a brief, stirring address before the Lions Club at the Yacht Club today.

"We entered a new era of hope in 1918," he recalled, "and we again look to the future for hope of world peace."

District Governor Henry Witte, Jr. presented Clarence Welsh with the monarch pin for 10 consecutive years of service to the Lions Club.

These he inducted William White as a Cub Lion presenting him with a pin. Jack Morrison, Mr. White's sponsor, stood by during the brief ceremonies.

Clarence Welsh was given a thunderous round of applause for successfully putting on the club Capades in spite of two straight postponements. He thanked the club and asserted, "While we didn't make too much money, they can't say we didn't give them a show."

and Sydney Richard, two City employees who helped the Lions put on the skit show.

Mr. White and Jim Dunn, who was unable to make the luncheon today, were instrumental in the success of the show and I want to thank them," Mr. Welsh said.

Mr. Richard countered by thanking the Lions Club and commending "Few Lions are the most persistent fellows I have ever worked for."

Mr. McCall gave a brief report on the District Capades meeting in Daytona Beach last week. Mr. White closed the meeting with a prayer.

Jaycee Committee Is Praised For Big Vote In Election

William Hutchison Jr., chairman of the Junior Chamber of Commerce, "Get-Out-the-Vote" committee, was praised for his job and the work of his committee in bringing out 68 percent of the registered voters in Seminole County for last Tuesday's general election by Jaycee President Douglas Stenstrom today.

The final figures on the total vote show that 7,803 of the 11,829 registered voters cast ballots last Tuesday.

Cliff Ables, William Herrschel and Thomas Thomas attended the Jaycee conference in Fort Lauderdale over the weekend and reported that they not only had a good time but much work was accomplished at the meeting.

The Florida Jaycees passed a resolution endorsing Burton Thurnal as a candidate for national president. He did not accept or refuse, stating that he would have to consult his wife and company before he would know whether he could run.

The constitutional amendment to increase the state dues did not pass. Another amendment to require every Jaycee to be a registered voter, if he were a permanent resident of Florida, was rejected by the group since they concluded that "young men of action would be voters," thus making the amendment superfluous.

In other action taken by the State Junior Chamber, the group went on record as supporting the Florida wing of the Civil Air Patrol.

Eisenhower Salutes Eisenhower

MAJOR JOHN EISENHOWER, son of President-elect Dwight D. Eisenhower, writes a congratulatory radiogram in Korea to both his father and mother in New York. The message read: "Dear folks, My heartfelt congratulations. My thoughts were with you all the week of January. Later, young Eisenhower brought out refreshments for fifteen guests, including officers and war correspondents. (International Radiophoto)

Proposal Made For New Law On Trash Collection

A new ordinance providing for the collection and disposition of trash was presented by City Manager Tom Lamson to the City Commission last night for approval, while Mayor Hanson, chairman of the city traffic committee, outlined a 11-point program in making recommendations on local traffic problems.

Parking meter and parking ordinance were passed, and a resolution was held concerning the system in the Commission room with the Commission room.

M. L. Hanson, president of the Sanford Merchants Association, gave his approval to the proposed trash ordinance, upon appearing at the meeting, and pledged he would attempt to get better cooperation from downtown business houses.

"I feel that what this ordinance is asking is not out of line," he commented, "and that it would make for a cleaner, healthier collection of trash at less cost to the taxpayers."

He pointed out the ordinance would make the state of individual person responsible for the disposal of trash and for the "polluting" of premises.

The ordinance provides that trash should be stored in a container of not more than 50 gallons, which shall be made accessible to an alley or to a street curb when an alley is not available. Such trash is held to mean (Continued On Page Four)

Mrs. Dunn Named Director For Play

Mrs. Donald Dunn, formerly associated with the "Bank and Daytona Beach amateur theatrical groups, has assumed the directorship of the forthcoming play of the forthcoming play by Sanford Theater Guild, "The Night of January 15th."

Pat Bergers, who got practice with the "Bank and Daytona Beach amateur theatrical groups, has assumed the directorship of the forthcoming play of the forthcoming play by Sanford Theater Guild, "The Night of January 15th."

Armistice Day Is Commemorated In Sanford's Public Schools

Seminole High School observed Armistice Day this morning with a special program in its auditorium at which Lt. General J. C. Hutchison, former commander of the 48th National Guard division, was the guest speaker.

After the presentation of colors, the Glee Club, under the direction of Miss Olive Reese Whittle, sang "Bless Be the Tie," which was followed by the reading of the Scripture and the Lord's prayer. The choral group, in which approximately 50 girl members participated sang the familiar, "How Firm a Foundation" and "I Like It Here."

Beverly Gray read the beautiful poem, "In Flanders Field," which has for many years an appropriate reminder of the sacrifice made by the men who fought the war.

Members of the club last night were preparing the site for the show and followed this activity with a barbeque supper.

Chinese Drive Koreans From Sniper Ridge

One Of Heaviest Communist Barrages Of War Precedes Capture Of Vital Hill

SEOUL (AP)—A smashing Chinese infantry and artillery attack drove South Korean defenders from the main Allied command position on Sniper Ridge tonight.

It was the 13th time United Nations forces have been driven off Sniper Hill since the battle for the Sniper ridge began Oct. 14. The South Koreans fell back at 9 p.m. after a five-hour battle with 1,500 Chinese. It began with one of the heaviest Communist artillery barrages of the war. An American military adviser called it the heaviest artillery concentration he had ever seen.

Associated Press correspondent John Randolph, reporting from the scene on the central front said Communist forces hurled 1,000 rounds of mixed mortar and artillery fire in the first few minutes of the four-hour knockout barrage.

Less than an hour after the first gun opened up, the Reds lashed out in a three-pronged attack that hit the ridge on the north, east and west.

There was violent fighting in all most pitch darkness which limited the effectiveness of U. N. flares.

The South Koreans began withdrawing their base positions on the outlying spur of Sniper Ridge. These are the positions they have always been able to hold in the 12 previous withdrawals from the point.

Earlier today United Nations in four-hour three back had attacks on the eastern and western ends of the block, transport Korean battalions as well as a company size (50 to 125 men) attack on Sniper Ridge.

On the western front, Allied in four-hour three back had attacks on the eastern and western ends of the block, transport Korean battalions as well as a company size (50 to 125 men) attack on Sniper Ridge.

High Court Will Hear Appeal Of Publisher Case

"Bogus Type" Issue Will Be Heard By Highest Tribunal

NEW YORK (AP)—The American Newspaper Publishers Association today announced it had filed with the Supreme Court in Washington a brief supporting its appeal in the case of printers' union demands to be paid for setting "bogus" type.

Acting on the ANPA appeal from a ruling of the Seventh Circuit Court of Appeals in Chicago upholding the practice, the Supreme Court agreed to rule on the case. The brief was filed yesterday by Philip Hanson, general counsel of the association.

"Bogus" type usually is not used intended to be used. The practice occurs when an advertiser submits his ads to a publisher in type form. The typewriter and goes directly to the stereotype room, where a plate is made to reproduce the ad. Under the "bogus" type, the ad also is set by printers who get paid for the work, even though the type is destroyed without being used.

In his argument, Hanson said the decision of the Court of Appeals is contrary to the express purpose of the contract.

DUSTY BOOTS

The Dusty Boots riding club will hold a barbeque show Nov. 23 at the Farmer's Auction site, according to C. R. Dawson, member, who acted secretary of the club. The club is planning a barbeque show on Nov. 23 at the Farmer's Auction site, according to C. R. Dawson, member, who acted secretary of the club. In an Armistice Day address, Southern D. Fla. today laid out four principles for ending the Korean war, which the Chinese Nationalist army in an effort to end the Korean War.

Lengthy Battle Occurs In Court On Lottery Case

TRING of the case in City Court of Volusia County, Nov. 10, was a lengthy battle after being started yesterday.

Only two of the counts were contested, participated in the lottery proceedings having several months before the case was continued by Judge Kalyly Haddock until a two-o'clock tomorrow afternoon.

Appearing as witnesses for the prosecution, represented by City Attorney A. F. Shindler, were: Paul H. Deen, County Clerk; H. C. Haddock and J. C. Dodson, and J. R. W. French, Jr. Russell Hornsby, Orlando attorney, represented the defendant.

Counts against the defendant covered all the first lengthy session dealt with one on selling lottery tickets, and another on selling same on Oct. 31, date of a raid made by police. All the witnesses except Mr. French, desk sergeant, participated in the trial. The remaining cases will be brought up before the court individually. The defense attorney, attempted to have the warrants in the case quashed before the trial started, contending that the City ordinance covering the changes was unconstitutional as it deviated from a State statute, but motion was denied. Next he attempted to secure permission from the court to examine the City's evidence in the case, but the motion also was denied by Judge Haddock.

Testimony of witnesses was read continually by objections from the defense attorney.

Mr. Haddock, special police officer, first to testify related circumstances of the raid on Haddock's store, which he had a prominent part by allegedly buying a "Cuba" ticket from the defendant for a dollar.

At the onset of his testimony, the defense attorney objected to it saying the officer hadn't been advised of his Constitutional rights covering self incrimination, but the objection was overruled by the judge.

The policeman related he went to the store to buy a ticket.

E. W. Stiles Dies At Home On Third St.

E. W. Stiles, resident of 1023 West Third Street, died at 6:00 a.m. today at home.

Born in Dover, Kent county, England July 8, 1863, Mr. Stiles came to Sanford 62 years ago. On Sept. 21, 1892 he was married to Mary E. Hubert of Hazelton, Pa. and took his bride to the home on West Third Street where they have resided since.

On Sept. 21 Mr. and Mrs. Stiles celebrated their 60th wedding anniversary. Mrs. Stiles was a retired jeweler.

Surviving in addition to the wife are four daughters, Mrs. Hazel Gaudner of Lake Monroe; Mrs. G. G. Smith of Sanford; Mrs. G. G. Collier of Pompano Beach; Mrs. Viola Johnson of Orlando; one son, Theo. A. Stiles of Sanford; one grandchild, Mrs. Eugene O. Kelly of New Smyrna Beach, Capt. John W. McMahon with the U. S. Army in Albuquerque, N. Mex.; Mrs. Louis Frenke, Lakeland; Miss Hazel Stiles and Mrs. Betty Ann Howard, Sanford; Miss Charlene and Vicki Lynn Johnson of Orlando; also eight grand children.

Funeral services will be held at Princess Funeral Home at 3:00 p.m. Wednesday with Rev. W. P. Brooks Jr. officiating. Burial will follow in Evergreen Cemetery.

VETERANS BENEFITS

Veterans of this area who need assistance in obtaining benefits under the GI Bill may receive guidance from Tom H. Deen, Assistant State Service Officer, Senator L. F. Boyle announced today. Deen will visit this area next week for the purpose of helping veterans or their dependents in filing claims for compensation benefits or solving their insurance problems. He may be contacted as follows:

On Nov. 13, at 4:00 p.m. at the Oviedo Post Office; on Nov. 14 at 8:30 a.m. in Sanford at the office of Senator Boyle.
