

Marshal Joffre, Hero Of The Marne, Dies After Fourteen Day Battle Against Illness

Famous Military Figure Sings Losing But Meets Final Fate

PARIS, Jan. 3.—(AP)—Marshal Joffre is dead! It was in the Spring of 1914 that a Frenchman named Marshal Joffre told his troops that their backs were to the wall and that there could be no alternative but to stand and fight. The perfectly trained troops of the Prussian army were knocking at the gates of Paris, the rumble of cannon could be heard in the very city, and the inadequate defenses looked to be hopeless, doomed. The rumbling words of Joffre, his counsel, and his military genius came out of the cloud of despair to save the situation and to win the battle of the Marne, and eventually to gain the magnificent life of "Papa" Joffre and the enduring love of the French people.

It was some 18 years later that an illness attacked the same Marshal and with the same courage and with the same tenacity, during his 72 years, the hero of the Marne called to meet the enemy. The attacking force this time, as in 1914, was powerful. A heart ailment caused gangrene to develop in his leg, which finally had to be amputated. An operation of this nature, even in one of the greatest surgeons and better health than he was, Joffre, failed. He was, however, a man of great courage and his recuperative powers baffled his physicians who had despaired of his life.

Watching closely this latest battle of their hero, the French people were praying for his life but knowing that the end was soon to come. He sank into unconsciousness yesterday morning and it appeared for the moment that his brilliant fight was over. Even those at his bedside thought he was dead and the report flashed across the world. But a few minutes later the feeble pulse fluttered, the hands were beating, and the marshal of France still lived.

The preliminary report was delayed but the detail was slow in coming. The first report and in the end until late in the afternoon that France was convinced that death had not yet arrived.

This morning the telling of bells and preparations in official circles for paying final honors, was continuing. Evidence that the marshal in 1914 had turned the invading force back from the very gates of Paris, had finally lost in his battle with death.

Capital Policeman Detained In Probe Of Mystery Death

WASHINGTON, Dec. 3.—(AP)—Washington policeman was detained in a police precinct in the investigation of the death of 17-year-old Hugh Langford, found in bed Wednesday with a bullet hole in his head. He was Robert Langford, who had been past the girl's room. He was booked and held in custody.

MINISTER TO U. S. FROM PANAMA TO GET PRESIDENCY

Ricardo Alfaro Gets Wire In Capital To Assume New Duties

PANAMA CITY, Jan. 3.—(AP)—The Supreme Court of Panama late yesterday administered the oath of office in Harmodio Arias, as provisional president and telegraphed Dr. Ricardo J. Alfaro, minister to the United States, requesting him to return to Panama and assume the presidency.

Dr. Alfaro was first vice president in the immediately preceding term of office and the Supreme Court held that he was therefore the legal successor of President Arias, who resigned after a revolutionary attempt had placed the government in the hands of a military junta.

The Supreme Court decided the election of Tomas Gabriel Duque, Carlos L. Lopez and Enrique Linares, as first, second and third vice presidents at the time President Arias assumed office, was illegal as it had not been effected within the time limit stipulated by the constitution.

After yesterday morning's revolt President Arias, as the leader of the movement, as Panamanian premier and then resigned, leaving the government in his hands. A short time later the president of the Supreme Court, Manuel Fernandez, administered the oath as provisional president, with all members of the court in attendance. The assembly of about 50 persons in the hall sang the national anthem. Then Sr. Arias stepped to a balcony and addressed the populace, which had gathered in front of the court building.

He said: "I have no political ambitions. I have been called upon to assume (Continued On Page Four)

Leader Of Savage Burmese Attacks Is Believed Killed

THIRAWADDY, Burma, Jan. 3.—(AP)—The mysterious "man who would be king," who directed the recent series of savage raids on Burmese jungle villages, is believed to have been killed by government troops, which returned here yesterday after making the rebel stronghold and burning an almost impregnable palace.

The soldiers told of hacking their way at dusk through a dense jungle to a hidden palace. This captured after a stiff engagement in which 30 of the blue palama-uniformed rebels were killed and one British soldier was lightly wounded.

In other rooms of the palace were found cartridges, dynamite and grenades. These the British confiscated, then fired the structure. They returned through the jungle without discovering the identity of the sinister figure whose generalship of the savage warriors created a reign of terror in scores of jungle villages.

Plane Hops Off With Pay Load For Europe

NEW YORK, Jan. 3.—(AP)—Carrying a pay load Mrs. Beryl Hart and Lieutenant William McLaughlin hopped off at 5 A. M. today on the first leg of a proposed trans-Atlantic flight to Paris via Bermuda and the Azores. The flight is expected to land at Bermuda this afternoon for a 24-hour stop and will leave at 10:30 for the trip to Horta, Azores, in 21 hours. The 10-day, 200-hour flight is an effort to demonstrate that a flying boat can be used for trans-Atlantic routes.

LOSES BATTLE

Marshal Joffre, one of the outstanding military leaders of the modern world, who passed away this morning. The Marshal, affectionately known as "Papa" Joffre, by the entire French nation, was known as the hero of the Marne, because, under his leadership, the German Army was repulsed at the gates of Paris during the early days of the Great War.

AGREEMENT FOR RAIL MERGER IS REACHED IN PART

Executives Agree On Major Details For Huge Consolidation

NEW YORK, Jan. 3.—(AP)—An agreement was reached today by eastern rail executives on the major details of their plan for consolidating their railroads into four systems. The details were transmitted to the Interstate Commerce Commission at Washington by telephone.

The situation agreed upon was: To the New York Central—the Delaware, Lackawanna & Western railroad, and a direct connection with the Virginia railway and Deepwater, including joint rates and routes over the railroads.

To the Pennsylvania—the Washington, the Detroit, Toledo & Ironton, and the Norfolk & Western.

To the Baltimore & Ohio—the Ann Arbor railroad, the Reading & Central railroad of New Jersey, and Western Maryland, Buffalo, Rochester & Pittsburgh, the Buffalo & Susquehanna, the Lehigh & Hudson River, and the Chicago & Alton.

To the Chesapeake & Ohio-Nickel Plate system and the Hocking Valley, will be added the Erie railroad, the Bessemer & Lake Erie, the Pere Marquette, the Wheeling & Lake Erie, the Chicago & Erie.

Mr. Shuman died at the Fernald-Laughton Memorial Hospital Wednesday morning after a few days' illness induced by an infected tooth. He was well-known in the Oviado section as an operator of a transfer line. He is survived by his widow, Mrs. J. A. Shuman, of Oviado, his father, J. W. Shuman, of Seidville, Ga., and one sister, Mrs. A. J. Abell, Oviado.

AKERSON QUILTS AS SECRETARY TO HERBERT HOOVER

"Old Friend" Accepts New Position With Cinema Corporation

WASHINGTON, Jan. 3.—(AP)—George Akerson is approaching a new turn in the path which has led him from an obscure birth as cub reporter to the White House as secretary to the president.

His resignation was announced yesterday by President Hoover, with an expression of regret that he should lose "an old friend" from his personal service. He has accepted a position with the Paramount Public Corporation.

Hoover said the new post offered him three times the compensation provided by the government and that Akerson's responsibility to his family dictated that he accept.

The chief executive in response to questions from Washington correspondents, said a successor had not been chosen, but probably would be appointed by the middle of the month. Until then Akerson will continue.

"It is with a feeling of deep regret," Akerson said, "that I sever my connection with the president. However, such an opportunity to assure the financial security of my family may not soon again offer itself."

Akerson became associated with Hoover in 1928 after a 10-year career that led him from cub reporter to the managing editor of the Minneapolis Tribune and then to the capital as Washington correspondent.

His association with Hoover began when the latter was secretary of commerce and Akerson secretary of the Philadelphia aqueduct terminal commission. Hoover was much impressed by his work and induced him to give up journalism and become one of his personal assistants at the department.

He was closely associated with Hoover from that time until his "chief" assumed the presidency. As an assistant, he accompanied Hoover on his journeys to the flooded regions of the Mississippi valley during the 1927 inundation.

An important part of his work had to do with the press. The president's semi-weekly conferences with the Washington correspondents were supplemented by twice-daily interviews with Akerson.

Prominent Oviado Man Laid To Rest Thursday

Funeral services for James A. Shuman, 34, resident of Oviado, for the past seven years, were held Thursday afternoon from the First Baptist Church of Oviado with the Rev. Cook and the Rev. Dixon, in charge of the services. Burial was made in the Oviado cemetery under the direction of the Erickson Funeral Home of Sanford.

Mr. Shuman died at the Fernald-Laughton Memorial Hospital Wednesday morning after a few days' illness induced by an infected tooth. He was well-known in the Oviado section as an operator of a transfer line. He is survived by his widow, Mrs. J. A. Shuman, of Oviado, his father, J. W. Shuman, of Seidville, Ga., and one sister, Mrs. A. J. Abell, Oviado.

NEW THREATS MADE TO PUSH EXTRA SESSION

Brookhart Threatens Action Unless Resolution Against Merger Is Put Through

WASHINGTON, Jan. 3.—(AP)—New threats to force an extra session of Congress in the spring were made at the capitol yesterday, but Senate administration leaders quibbled with expressions of confidence that the business could be completed by the Mar. 1 adjournment.

Senator Brookhart, Republican, Iowa, threatened to force an extra session if the House fails to adopt the Senate's resolution to block railway consolidations. He opposed the proposed merger of the eastern railroads into four units.

Administration leaders have believed the pending business could be cleared away by Mr. 4 if there was definite assurance from President Hoover that he would not call a special session of the Senate for consideration of the World Court. There was an impression last night that the president would state his position shortly.

Enactment of the appropriation bill, providing funds for carrying on the government during the approaching year is necessary if the extra session is to be avoided and the business the leaders determined to give the ratification after Congress's recesses Monday. Three of the 18 already have passed the House but have not gone through the Senate.

The Senate will begin on Tuesday the independent survey of the employment and relief problems which it ordered after President Hoover notified it he had no recollection of the matter.

Citrus Exchange Is In Favor Of Change In Its Present Site

TAMPA, Jan. 3.—(AP)—By a vote of 12 to 8, directors of the Florida Citrus Exchange last night voted to move headquarters from the present location, members said today but adjourned with a motion to reconsider pending.

Members said they expected to dispose of the proposal at a meeting on Jan. 10. Five buildings have been offered as a new home for the exchange. Two are in Tampa, and one each in Lakeland, Orlando and Winter Haven. The directors, said they were about equally divided between Orlando and Winter Haven but that Tampa was not eliminated from the race.

At the meeting the exchange obtained a conference with the Florida Citrus growers clearing house association on the question of dividing up the fruit business among various marketing agencies in an effort to cure marketing ills.

Attractive Model Is Found Shot To Death

NEW YORK, Jan. 3.—(AP)—Mrs. Yvonne Caserio, 28, attractive millinery model and mother of an eight-year-old daughter, was fatally shot today under peculiar circumstances. She was found on the porch of a Brooklyn house with three bullet wounds in her body.

A black away her automobile was found with a revolver and five cartridges on the floor. Witnesses said they saw two persons struggling in the car and heard the gunfire. Shortly afterward Mrs. Caserio staggered toward the house and collapsed. The husband was arrested but denied any knowledge of the crime, saying his wife left home last night and didn't return.

NEW U. S. EMBASSY IN GERMANY

BERLIN—The new American embassy building, on the Pariser Platz, near the Brandenburg Gate. The new headquarters was the former historical Bluecher Palace.

BROWNLEE WILL BEGIN 19TH YEAR HERE ON SUNDAY

Pastor Of Presbyterian Church Has Had Long Charge In City

When the Rev. E. D. Brownlee, of the First Presbyterian Church, opens the Sunday morning services tomorrow, he will be commencing his nineteenth year of service with the local church, a fact which today was the reason for a number of laudatory remarks from several members of the congregation as well as friends belonging to other denominations.

Dr. Brownlee came to Sanford during the winter of 1912, and preached his first sermon on Jan. 1, 1913 in the frame structure which then housed the congregation of about 135 members. That building stood on the present site of the Presbyterian church, and it was moved about two years later when the present building was erected.

The veteran clergyman is a native of Calhoun, Ga., and a graduate of the University of Georgia. He attended a seminary at Clarksville, Tenn., for a short time after his graduation from Georgia, and later took a post-graduate course at Princeton University. The Rev. Springs Presbyterian Church in a suburb of Atlanta, was Dr. Brownlee's first charge, and he served there as pastor for six years, before he accepted the call to the Sanford pastorate.

Einstein Desires To Solve Puzzling Scientific Problem

PASADENA, Calif., Jan. 3.—(AP)—Dr. Albert Einstein disclosed yesterday why he came to California.

He expects help from the scientists at Mount Wilson observatory and California Institute of Technology to solve the major problem of his mind. This is whether gravitation, light, electricity and electro-magnetism are not different forms of the same thing.

"This question is the main problem of the present relativity theory. Interesting possibilities have been found to solve the question but it is still uncertain if the ways he tried will be successful," he said.

New observations by Hubble and Humason, astronomers at Mount Wilson, concerning the red shift of light in distant nebulae make the presumptions near that general structure of the universe is not static. Theoretical investigations made by Le Maître and Tolman (Institute of Technology) show a view that fits well into the general theory of relativity.

Suit Instituted To Tie Up City Monies

Suit will be instituted today by the Bondholders Protective Committee to tie up all surplus funds of the City of Sanford, according to word received today by Mayor H. J. Lehman from Kenneth Keeffe by long distance telephone. The purpose of the suit, Mr. Keeffe pointed out, is not to interfere with the operating funds of the City but only to prevent smaller independent bondholders from embarrassing the City by entering separate suits for judgments. The amount of money, which the City now has on hand which will be involved in the litigation, does not exceed \$75,000.00 according to an approximate estimate made this afternoon.

Mr. Keeffe explained to Mayor Lehman said, "that he wanted the Commission and the people of Sanford to know that the suit was not brought with any intention of hindering the City in any way in carrying out its immediate obligations for operating expenses."

KILLER OF TAMPA DETECTIVE BEING SOUGHT IN STATE

Officer Was In Auto With Woman When Shooting Occurred

TAMPA, Jan. 3.—(AP)—Officers continued to seek the identity of a mysterious slayer who killed City Detective J. E. Jones and wounded Mrs. Hattie Steward Thursday night as the couple sat in an automobile parked off the roadside on the outskirts of the city.

Jones, former detective of Birmingham, was shot seven times across the back, the bullets entering from the side. Mrs. Steward was shot once in the side, the bullet lodging near the spine. Powder burns on Jones' coat showed he had been shot at close range and five empty cartridges found on a 22 automatic pistol were found on the floor in the rear of the car.

Mrs. Steward walked and halled a ride from a passing car for several miles to a telephone to notify authorities, her story, unchanged today, was that the killer had walked up to the car of the couple and fired through a window of the car. She said she then grabbed Jones' gun and emptied it in almost instant attention. Officers found a side window of the car shattered from the inside, the glass falling outside of the car, but only the glass could have been broken by the shots fired by Mrs. Steward. The woman was held as a material witness, and officer were still searching for the weapon used in the shooting. They found Jones' revolver with empty cartridges in all of its chambers on the floor in the front of the car near the detective's right hand as if he had dropped it.

Mrs. Steward is a widow with four children and Jones had been separated from his wife for several months. The couple had dinner together Thursday night, Mrs. Steward said, later going to a roadhouse and then driving to the scene of the slaying near an abandoned police rifle range.

WINTER PARK—Samples of water submitted by Florida Public Service Co. to State Board of Health show this city's water supply very pure.

BONDS OF CITY MAY BE USED TO PAY TAXES

Only Matured Issues Will Be Accepted As Payment On Delinquent Property

The Sanford City Commissioners met in an adjourned session last night at the City Hall for the purpose of discussing and acting upon a supplementary contract concerning street lighting in Sanford which was offered by the Florida Power and Light Co., but a number of other matters were also disposed of, before the meeting was adjourned to go into executive session.

At the last regular meeting of the Commission, C. A. Byrd, of the local power company, offered a supplementary contract of some length, and asked that the Commission take action at that time, if possible, but, upon being read, the contract was found to contain a number of clauses which met the disapproval of all the Commissioners. At the meeting last night, Mr. Byrd offered another contract, shorter in form, and changed in content which, after an hour's discussion, met the approval of the City heads.

The contract, supplementary to the original contract with the Power Company, which was signed Oct. 1, 1920, is an agreement between the City and the Power Company to discontinue temporarily a number of street and white way lights, and will have no effect on the original contract. The move for its adoption was made by Commissioner Leffler, seconded by Commissioner Spear, and carried by a vote of four Commissioners. The contract was signed on the contract being used, using in his absence from the city for the past 10 days, he said he did not have time to study it and he did not want to vote on a matter of which he knew but little.

Commissioner Newman, who has sponsored the idea for some time, offered a resolution authorizing the payment with matured City of Sanford bonds by the owners of property or holders of liens thereon of taxes assessed by the City of Sanford for any year prior to 1930. Fully an hour was consumed in discussing the merits of (Continued on page four)

4-Masted Schooner Comes Into Port As Hope Is About Lost

FERNANDINA, Jan. 3.—(AP)—The four-masted schooner Purnell C. White again has come back from the port of mistake ships.

In tow of a Coast Guard boat, the schooner which for a third time has cheated Davy Jones' locker, was brought here yesterday after she had been missing more than a month.

No word had been received by C. C. Paul, Baltimore, agent and owner of the boat, since she passed through the Virginia Capes last November, laden with 900 tons of cement consigned for Georgetown, S. C. They believed she had been renmored and sunk. She left Baltimore Nov. 23 for what ordinarily is an eight-day trip.

The Purnell C. White was picked up by a Coast Guard boat off Cape Canaveral, Florida. There was an immediate information regarding the cause of her trouble. Her captain planned to spend several days here preparing for the homeward trip.

On Apr. 1, 1924, hope was abandoned for the schooner and her crew of nine when she was a month overdue between the West Indies and Baltimore. In that instance a Coast Guard cutter also picked her up and towed her to port.

Again in 1926 she drifted into Morehead City, N. C., long overdue with a story of high seas and storms which had completely stripped the masts of canvas.

Towed in again yesterday the Purnell C. White had a crew of seven. Her skipper is Capt. Charles Nicklas.

PENSACOLA—State Highway Department, at recent meeting here, let contracts totaling \$302,035.

BUDDY HACKMAN LEADS ALL-STARS IN DIXIE CLASSIC

Betha Also Features In Victory Carrying Over 1 Touchdown

DALLAS, Tex., Jan. 2.—(AP)—Striking twice through the air in the first half and again in the obbing minutes of play on a 40-yard run by Buddy Hackman, brilliant University of Tennessee halfback, the southwest all-stars defeated the middle west, 18 to 0, in the third annual Dixie classic here yesterday.

An estimated crowd of 14,000 saw a great exhibition of football and helped swell a fund to go to the Scottish Rite hospital for crippled children here. To add to the pleasure of the occasion, it was the first time the home fans had seen their standard bearers victorious over huskies from the north country.

There was never a doubt of the superiority of the team coached by Morley Jennings, of Baylor. It outclassed the crew of Coach Bob Zuppke in every department of play, dealing the invaders equal misery through the air and on the ground. The closest the midwest came to scoring was in the third period, when a recovered fumble and a short pass gave the invaders a first down on their opponents' 17-yard line. An intercepted pass cost them an opportunity to score from there.

Led by Hackman, whose accurate passing and brilliant ball carrying featured the contest, the southwest piled up 12 first downs to five for the visitors. The southwest attempted 10 passes and completed five for a total gain of 99 yards. The midwest tossed only five and completed two for 200 yards. Two were intercepted.

The running attack that Zuppke had relied on to beat down the southwest defenses, was spiked from the very first by the big, aggressive line of the winners. Only Jenovold, a human dynamo from Iowa university, was able to break through for gains, and he either plucked or passed all of his team's first downs.

Jenovold and Vanyo, a big guard from Ypsilanti normal, easily were the outstanding performers for the midwest. The dashing figure of Hackman stood out above his mates of the southwest, but he shared starting honors with a half dozen others who played almost equally as well. Dynamic little Jake Wilson, Baylor quarterback, consistently outplayed every man sent against him.

Dalrymple, a log-legged end from Henderson college turned in probably the most sensational defensive game for the victors, closely pushed by Bocey Kech, squad guard from Baylor.

Hackman plunged across for the southwest's initial touchdown midway of the first period, after a pass from Wilson to Lou Long, Southern Methodist end, had carried the ball 48 yards to the one-foot line.

Betha, of Florida, took the second one over on a pretty pass around end after a loss from Andy Brown, of Centenary. To Peterson, rangy Texas wing, had planted the oval on the three-yard stripe.

Hackman, failing to spot an eligible passer receiver in the fourth period, reversed his field, and with the assistance of some splendid blocking, weaved through a swarm of tacklers for the third score.

The lineup: Midwest: Fogg, Michigan State, lg; Ridler, Michigan State, lt; Steers, Purdue, lg; Bulman, Marquette, c; Vanyo, Ypsilanti normal, rt; Buttner, Purdue, lt; Wirsper, Illinois, rg; Chaitin, Illinois, qb; Melloy, Loyola, lb; Horn, Ohio State, rh; Storen, Detroit, fb.

Southwest: Peterson, Texas, lg; Witcher, Baylor, lt; Koch, Baylor, lg; Paradaux, Baylor, c; Lee, Oklahoma, rg; Armstrong, Missouri, rt; Oklahoma, rt; Long, Southern Methodist, rg; Wilson, Baylor, qb; Hackman, Tennessee, lb; Betha, Florida, rh; Dale, Arkansas, fb.

Score by periods: Southwest 0 6 0 0-18 Midwest 0 0 0 0-0 Southwest scoring: Touchdowns—Hackman (3), Betha.

Substitutions: Midwest—Bodman, Illinois; Rogge, Iowa; Clark, Northwestern; Casey, Wisconsin; Hinckman, Butler; Conover, Illinois; Deig, Marquette; Kinsell, Purdue; Jenovold, Iowa; Fogg, Michigan State; Christian, Purdue; Southwest—Hopper, Southern Methodist; Dalrymple, Henderson; McCarver, Howard; Payne, Griffith, Texas; Christian, Brown, Centenary; Lett, Oklahoma Aggies; Morgan, Rice; Abina, Texas Christian; Biddle, Simmons; Vanzandt, Texas Aggies; Shearer, Central Hill, Trinity.

Officials—Barton (Williams), referee; Moore (Indiana), umpire.

Alabama Triumphs Over Washington State Team By Decisive 24 To 0 Score

ROSE BOWL, PASADENA, Cal., Jan. 2.—(AP)—Alabama brought a great football team out of the south to defeat Washington State college 24 to 0 yesterday in the 16th playing of the annual Tournament of Roses game.

Seventy thousand spectators saw the game through a slight drizzle of rain.

The Crimson Tide went into the game resolved to give Wallace Wade, their coach, who is leaving Alabama for Duke University in North Carolina, a parting gift and they made it a convincing one with three sensational touchdowns in the second period against the husky Cougars.

Washington held its own in the final quarter and threatened to score while Alabama, after scoring a field goal in the third period, could not again get its attack to function.

The players from old Alabama, playing with fine precision in the loaded second period, made the contest practically safe beyond recall in this one exciting session.

Two startling passes and a running play wrecked the hopes of the big boys from the Northwest. Coach Wade amazed the home folk and the small contingent from Alabama by sending out his second string to start the game, answering the starting roll call.

Washington State started with a word of power but could not keep the ball rolling and kicks were exchanged as the opposing teams tried each others' trousers and sparred for openings.

In the first quarter, the Alabama regulars led by the gigantic All-American tackle Freddie Sington and three-fourths of a new backfield composed of Cain, Suther and Campbell rushed on the field.

The new combination did not function at once a forward pass was muffed up resulting in a 12-yard loss but in a few minutes the Dixie Dynamo began to click.

Soon after the second period opened Bama broke the scoring ice, Alabama after an exchange of kicks took the ball on its 40-yard line. An offside penalty offset two gaining plays and then with the ball on the 33-yard line, Jimmy Moore came dishing in from end as if a reverse play was planned, took the ball from Campbell and dishing back tossed it far down the field to the fleet "Flash" Suther whose twinkling toes had carried him over the green turf beyond the Washington defense.

Suther caught the ball on Washington's 26-yard line and had an unneeded path to the goal line. Campbell made short work of the addition of the extra point with a placement sailing almost surely between the goal posts.

The show-up, the first touchdown had hardly died away in the big rose-bowered stadium when yells from Alabama and gasps from Anderson (Texas), and Boonman, Rice (Dartmouth), and...

Alabama Triumphs Over Washington State Team By Decisive 24 To 0 Score

el. Sington, charging low and hard, was the key man in Alabama's offense and defense.

Jimmy Moore completed only two passes for the Southerners but each led to a touchdown and his defensive play was of a high caliber.

Mel Hein, a great center, was Washington State's star of the day.

Campbell with a dash of 42 yards and Lahnart, speeding 37 yards, the sensational ball carrying gains of the day. Halley, too, did his bit for Alabama with two snappy runs.

W. State Alabama Po Debs, LE S. Hansen Clement (C) LT Ahlakog Sanford LG G. Hurley Sharp C G. Hein Whitworth RG Parodi Godfrey RT Edwards E. Masell Elmore R Tucker QB Tonkin Long LI Ellingsen Holley RH Lahnart Boyking RH Schwartz

By periods: Alabama 0 21 0 0-24 Washington State 0 0 0 0-0 Alabama scoring: Touchdowns—Suther, Campbell 2. Points after touchdowns—Campbell 3 (placements). Field goal—Whitworth, placement.

RAIL WORK TO BE RESUMED ROANOKE, Va., Jan. 2.—(AP)—Twenty-eight hundred Norfolk and Western shompen laid off on Dec. 18, will return to work on Jan. 5, it was announced yesterday by company officials.

Washington came with a rush in the final period but a fumble prevented what seemed to be a certain touchdown. In 10 plays, the Cougars drove the ball 70 yards to Alabama's one-yard line. Here Captain Schwarz fumbled and the eagle-eyed Sington recovered the ball for Alabama.

As the game ended, Washington was tossing and completing passes in a last cause.

Alabama gave practically every man on the bench a chance to get in the game climaxing an undefeated season in the Southern conference. Thirty-three Bama boys entered the conflict, including Billy Brown, brother of Johnny Mack Brown, movie star, who scored two touchdowns for Alabama in the Rose Bowl game of 1926 when the University of Washington was defeated 20 to 19.

Alabama presented a powerful team, veteran Rose Bowl observers declaring it superior to the two previous Wade-coached elevens to visit Rose Bowl. The victory left the Crimson Tide without a black mark against it in this competition as in addition to the victory over the University of Washington, Sanford was tied here in 1927.

Washington has a good, fast, and hard, but there was no doubt that the better team won. It there was a better football player on the field than Freddie Sington, the big Alabama tackle, he is not his brother.

STATE ALL-STARS BEAT NEW YORK OUTFIT 20 TO 0

Line Piercing Backs Of Victors Seen As Important Factor

MIAMI, Jan. 2.—(AP)—Line piercing backs of a team of all-Florida high school football stars blanked the White Plains, N. Y. high school gridiron, 20 to 0, here Thursday in a game played before 7500 spectators.

Proceeds of the contest, played in balmy weather under a brightly shining sun, will go to charity. Jack Beckwith and Jack Henderson, two Miami halfbacks of the Florida team, accounted for two of the Florida touchdowns in the first and second periods respectively, with Wallace Brown of St. Petersburg, quarterback, pushing the third over in the last period after stellar advances by Brown, and Bob Shoun, fullback, from Hillsborough high, Tampa.

The superbly drilled White Plains team found the going too heavy as the Floridians pierced their line and skirted ends almost at will through three quarters of the game. In the third period, however, the New Yorkers carried a threat by running and the aerial route to the Florida one-yard line only to be forced back in exchange of penalties.

Hayde and Mazzotti, White Plains halfbacks, were the greatest ground gainers for their team although several successful forward passes accounted for substantial gains.

Florida's bid for a fourth touchdown in the last quarter came to naught as Hayde, White Plains halfback intercepted a long pass from Beckwith, after the latter had successfully tossed the ball to Wilson, Miami end, for a 40-yard gain on the previous play.

Coach Tommy McCann, of Plant high, Tampa, in charge of the Florida team, kept a string of substitutes running from the time the first touchdown was scored until the game ended with the ball on White Plains 40-yard line.

Lineups and summary: Florida: (20), Penton, (Lakeland), lg; Starbuck, (Plant), lt; Schuman, (Andrew Jackson), lg; Fleming (Plant), c; Dunlap, (B. E. PHYSICIAN DR. GILBERT S. LAMBERT

Gives unlimited promise of new Scientific Discovery.

"I was spending the winter in San Antonio, Texas, when I first heard of Sargon. The treatment appealed to me because of its thorough scientific background. I decided to try it for a very bad form of chronic constipation which I was entirely unable to correct with ordinary laxatives and purgatives used in general practice.

"I was also subject to severe bilious attacks. My complexion had become yellow as though I had jaundice. My appetite was below normal. My food did not digest or assimilate, causing gas and indigestion. I was losing weight and strength rapidly.

Three bottles of Sargon and one bottle of the Pills relieved me entirely of these troubles and I no longer have any liver or biliary symptoms. In fact, I am in better physical tone than in years.

"Sargon undoubtedly represents a real advance in the field of medicine."—Dr. Gilbert S. Lambert, San Francisco.

(Continued from Page One)

last) and suggested sending the celery to Mayor Walker, by airplane. Mr. Williams was successful in prevailing upon Florida officials of the Eastern Air Transport, Inc. to have the celery taken aboard the first plane to leave on the flight. While the Sanford Chamber of Commerce expressed its willingness to pay all expenses in connection with the delivery and carrying charges, the air line heads offered to handle the matter without charge.

President Papworth also sent the following telegram to Mr. Walker: "The citizens of Sanford, Florida wish you a happy New Year. We are sending you via the first passenger plane leaving Florida by the courtesy of the Eastern Air Transport, Inc., the first crate of celery cut this season and hope you and Mrs. Walker will enjoy this with every blessing. Signed, The Sanford Chamber of Commerce."

This morning several crews were at work in various celery fields in and about Sanford. While all the celery which was cut today is of very fine quality, according to field men for various marketing agencies here, that grown by Mr. Miller's 20-acre farm is practically in mid-season condition. Two cars were loaded with Mr. Miller's celery by the Sanford-Oviedo Truck Growers today, and one of the cars is now on the way to Newark, N. J. A crate of the celery was delivered at the office of The Herald this morning, and was greatly enjoyed by every member of the force.

"The three-year average on my tobacco crop, twelve acres each year, has been 1,400 pounds per acre, selling for better than 20 cents a pound. I attribute a large part of my success to V.C. Fertile Soil, 10-40-10 fertilizer, 10-40-10, Liberty, Louis, Mo."

Women Club Elects Its Officers

Mrs. A. W. Epps was elected chairman and Mrs. C. L. Powell, secretary and treasurer, of the Garden Club, at its regular meeting yesterday afternoon at 8 o'clock at the home of Mrs. W. E. Watson, Rosa, Co., with Mrs. Watson and Mrs. C. L. Powell as hostesses. Mrs. Epps presided over the business session when roll call was answered by the members with names of places suitable for the house.

Mrs. A. G. Covington read a paper on "A Shade Lovings" which Mrs. A. C. Powell displayed an attractive paper on management for the tea table. Mrs. Linton E. Allen gave a summary of several chapters of the book, "Gardening in the Lower South" by Rume.

It was noted at this time that the triangle park at the intersection of Park and Geneva Avenues is being replanted by the Rose Circle as most of the shrubs have been taken out by vandals. It was also stated at this time that the Australian oaks on Park Avenue will be replaced with live oaks as a large number of the former have also been removed.

Mrs. W. H. Tunncliffe and Mrs. A. G. Covington were selected at this time as delegates to the convention to be held in Orlando on Mar. 4 and Mar. 5. Mrs. W. E. Watson and Mrs. Walter H. Coleman were chosen as alternates.

At the conclusion of all business, luncheon was served buffet style by the hostesses, assisted by Mr. Linton E. Allen, Mrs. A. W. Epps, Mrs. E. M. Galloway and Mrs. C. L. Powell. Those present were: Mrs. Endor Curlett, Mrs. A. W. Epps, Mrs. Linton E. Allen, Mrs. A. G. Covington, Mrs. J. H. Colclough, Mrs. E. M. Galloway, Mrs. J. M. McCaskill, Mrs. C. J. Rumph, Mr. and Mrs. E. B. Stowe, Mrs. W. E. Watson, Mrs. Fred R. Wilson, Mrs. V. E. Douglass, Mrs. A. C. Post, Mrs. Walter S. Coleman, Mrs. C. L. Park and Dr. R. S. Keeler, of Cranford, N. J.

WEDDING PERFORMED

A wedding of cordial interest to their many friends here was that performed on Wednesday, Dec. 31 at Geneva, when Miss Kate Summerrill became the bride of Joseph Lamar Corley. Mr. Corley was formerly from Decatur, Ga. but is now engaged in business as a celery farmer. The couple are at home to their friends at their residence on Cameron Avenue.

Hallway Meeting—10:00 A. M.
County Home Service—1:00 P. M.
Sunday School—3:00 P. M.
Gospel Service led by Ensign E. Jones—8:00 P. M.

At the last service Lieut. Sadie Brewer will bid farewell and go to Savannah, Ga. to continue her work.

FIRST METHODIST CHURCH
"This One Thing" is the subject of the New Year's message which the pastor will bring to the congregation Sunday morning at 11 o'clock. At the evening hour, 7:30 o'clock he will discuss "The A. H. C. of Religion." A most cordial welcome is extended to everyone.
Sunday School—9:45 A. M.
Leagues—6:30 P. M.
Prayer meeting Wednesday night—7:30 P. M.

CARD OF THANKS

We wish to thank our many friends for their kindnesses and sympathy shown during the illness and death of our husband and father.
Mrs. Minnie Nolan
Miss Doris Nolan
Mrs. Doris Nolan
Mr. and Mrs. C. B. Thompson
Wilbur Nolan—Adv.

Mrs. R. H. Chapman and son, James, of Wrightsville, Ga., who have been visiting the former's son-in-law and daughter, Mr. and Mrs. O. K. Goff, San Lan Apartments, returned home yesterday afternoon.

Personals

Friends of Mrs. W. A. Raynor will regret to learn that she is seriously ill at her home at Silver Lake.

Mrs. C. L. Powell Jr., of Haines City, is ill at the home of her sister, Mrs. R. M. Mason Jr., 2474 Palmetto Avenue.

Mrs. P. S. Duncan, of Canton, Ga., is the guest of her son, Grady Duncan, and his daughter, Mrs. H. N. Sayer.

Mrs. G. S. Solman was called to Valdosta, Ga., Thursday afternoon by the illness of her mother, Mrs. P. M. Cheney.

Mr. and Mrs. B. G. Methvin announce the birth of a daughter, Emma Jane, on Friday, Jan. 2, at their home, 1015 West First Street.

Friends of E. W. Calhoun will be glad to learn that he is able to return to the home of his parents on Holly Avenue after a recent illness.

Miss Ruby Coursey, who for several days has been visiting friends in Miami, has returned to her home on South Sanford Avenue.

Mrs. W. M. Scott entertained with a party last night at her home in Mayfair complimenting her niece and house guest, Miss Bess Roop, of Virginia.

Mr. and Mrs. J. E. Sayer, of Tignall, Ga., have returned home after visiting their son and daughter-in-law, Mr. and Mrs. H. N. Sayer, for a short time.

Mr. and Mrs. Herbert Messer and Skade Walker, Jr. left today for the University of Florida at Gainesville after spending the holidays here with relatives.

Word has been received here that the home of J. M. Lord on Citrus Heights was burned Saturday afternoon. This was one of the pioneer homes of this section, having been built 35 years ago.

Monday

Circle Number One of the First Methodist Church will meet at 8 o'clock with Mrs. W. A. Radford, 118 French Avenue.

Circle Number Four of the First Methodist Church will meet with Mrs. L. P. Hagan, 1702 Park Avenue, at 8 o'clock.

Circle Number Six of the First Methodist Church will meet at 8 o'clock with Mrs. W. S. Thornick, 1818 West First Street.

Circle Number Four of the First Baptist Church, Mrs. M. N. Cleveland, chairman, will meet with Miss Martha Fox, 715 Oak Avenue, at 8:00 o'clock.

Circle Number Five of the First Methodist Church will meet at 8 o'clock with Mrs. J. P. Hall, 1504 Palmetto Avenue.

Circle Number Seven of the First Methodist Church will meet at 8 o'clock with Mrs. Fred F. Collum, 208 West Seventeenth Street.

TUESDAY

Business and social meeting of the Alabean Class of the First Baptist Church will be held at 3:30 o'clock at the church with Mrs. R. Z. Johnson, Mrs. B. G. Methvin, Mrs. Charles Marshall and Mrs. J. D. Dossy as hostesses.

The Business and social meeting of the Daughters of Wesley class of the First Methodist Church will be held at 8 o'clock at the home of Mrs. J. O. Laney, 1915 Sanford Avenue.

WEDNESDAY

General meeting of the Woman's Club will be held at 8 o'clock in the club rooms with the Literature Department in charge of the program and Mrs. W. L. Henley and Mrs. Walter L. Cooper as hostesses. Rupert J. Longstreet, of Daytona Beach, will be speaker for the afternoon.

Miss Beatrice Howard and Miss Mina Howard, who have been spending the holidays here with their sister, Mrs. Hugh Wheelchel, plan to leave tomorrow. Miss Beatrice Howard will continue her studies at the Florida State College for Women, while Miss Mina Howard will return to Sarasota where she has been teaching.

Genuine Engraving A Social Necessity!

Your good taste is exemplified when you use genuine engraving for your personal stationery. An engraving is a permanent record of your name and address. It is a social necessity. It is a mark of distinction. It is a mark of refinement. It is a mark of good taste. It is a mark of good breeding. It is a mark of good character. It is a mark of good fortune. It is a mark of good success. It is a mark of good health. It is a mark of good happiness. It is a mark of good life. It is a mark of good death. It is a mark of good eternity.

Gloria Swanson Will Be At Milane Today

Gloria Swanson in a modern comedy with modernistic sets of revolutionary designs, smart clothes galore, three new popular songs and a supporting cast headed by Owen Moore, Lew Cody and Margaret Livingston. Such are the ingredients of "What a Widow!", the star's most recent talking and singing picture, released by United Artists and booked for showing at the Milane theatre beginning today.

Accident Reveals Wounded Man And Dead Sheep In Car

LUMBERTON, Miss., Jan. 5. (AP)—A collision between a tourist automobile and a wrecking car near here yesterday seriously injured a woman traveler and revealed that one of three men, occupants of the wrecking car, had been shot and critically wounded shortly before the accident.

Several unexplained elements together with a group of unusual circumstances complicated Sheriff J. L. Riger's investigation of the shooting and accident.

Mrs. George Baker, who with her husband and children was traveling from Ohio to Phoenix, Arizona, received a broken leg and other injuries as their automobile collided with a repair truck of which Charles Christian, Will Bryant and Howard Fox, all of New Orleans, were occupants.

After the accident it was discovered that Christian, one of the men in the repair truck, was suffering from a serious bullet wound in the chest, which he said he received shortly before from an unidentified motorist, who fired on him as he attempted to secure a piece of sand paper to clean the ignition points on the repair truck.

Sheriff Rogers took charge of the damaged machines and reported finding several bottles of whiskey in the wrecking car. He also found a dead sheep, killed by a bullet, in the repair truck. The sheep's presence was not explained by the three men saying they knew nothing of it.

Word Has Been Received

Word has been received from Mr. and Mrs. J. R. Lyles of the arrival of a son, Howard Russell Hansell, Jr., and Mrs. H. R. Hansell at Sharon, Conn. on Sunday, Jan. 4. Mrs. Hansell will be remembered as Miss Patty Lyles, formerly of this city.

Mr. and Mrs. George Lovett and children and Miss Georgia Templeton left Saturday by motor for Memphis, Tenn. after spending the past month here with Mr. and Mrs. Victor Check, Elm Avenue. The Lovetts and Miss Templeton are musical artists appearing on the local circuit. They will appear in Memphis on Friday.

Winn-Lovett Buys 4 Stores in Valdoستا

C. K. Swindle, resident vice-president of the Winn-Lovett Grocery Co., this morning announced the acquisition of four more Georgia Piggy-Wiggly stores at Valdoستا, bringing the total number of stores now owned by this Florida concern to more than 100, with the general headquarters and the majority of the stores in Florida.

Prominent Man to Speak

Rupert J. Longstreet, of Daytona Beach, has agreed to give an illustrated lecture on Florida birds at the general meeting of the Woman's Club to be held Wednesday afternoon at 3 o'clock in the club rooms on Oak Avenue in order to make his lecture more interesting. Mr. Longstreet will bring with him a motion picture machine and slides of the subjects on which he will speak. All school children and students of the city are invited to be present, free of charge, as the lecture will be of an educational nature.

Man Seeks His Wife, Kills Woman, Wounds Two Men And Is Slain

YONKERS, N. Y., Jan. 5. (AP)—Theodore Falso, 31, went looking for his wife early yesterday. He didn't find her, but in his search he killed a woman, wounded his father-in-law, shot a policeman in the head and finally was slain by another policeman.

Falso, unemployed, went to the home of his father-in-law, Bert Falso, 66, at midnight to find his wife and get her money. He wanted to kill her, she said.

Neighbors Mrs. Anna Wlodarczyk, 50, told police she saw Falso enter her home at midnight and see her wife. She heard a shot and saw Falso flee.

WOMEN'S FORCES AT HOME CAPITOL HILL

Speeches and Rallying Cry Of Post-Suffrage

By BESS FURMAN
WASHINGTON, Jan. 5.—(AP)—The old purple, white and gold banners of the feminist forces gathered again yesterday in a sun-drenched room at the Belmont house as Capitol Hill headquarters of the National Woman's Party.

Through the speeches the post-suffrage rallying cry of the party was heard—a demand for the equal rights amendment on which hearings will be held Tuesday before the Senate Judiciary Committee.

Spoken by more than 40 women in flowing gowns, the speakers, who were seated at a long table, were speaking the White House 11 years ago made a colorful foreground to Alva Belmont house, described as "both a laboratory and a museum of feminism."

From a second-story doorway a mass of color, speakers of the National Broadcasting Company, headed by Mrs. O. H. P. Belmont, president of the party and donor of the old brick Capitol headquarters whose advantage was made possible the purchase of the handsome and historic brick building dedicated yesterday.

Mrs. Harvey Wiley, national chairman of the Women's Party, leading a greeting from Mrs. Belmont, now in Paris, concluded with the presentation of a \$10,000 check from her to be used toward construction of an Equal Rights auditorium.

Senator Watson of Indiana, Republican floor leader, introduced the "women's champion in the suffrage days," asserted that she had proved a conservative rather than a revolutionary factor in politics.

Those of us who had to do with the submission and adoption of the suffrage amendment have no reason to regret the enfranchisement of women," he said. "Not only have women taken advantage of the opportunity to exercise the privilege of the ballot, but they have shown a marked eagerness to inform themselves on the problems of government."

Senator Caraway of Arkansas described a suffrage crusader who had spent 18 years ago, and added that work for which they marched was now accomplished fact.

"But so long as one discriminates, one unjust law remains upon the statute books, they have dedicated themselves to fight for its removal," he asserted.

As predicted the last shot to strike down injustice would be fired from Alva Belmont house, from which in 1914, "the last shots were fired by those who sought to defend the National Capitol from an invading foe."

Miss Doris Stevens, who was closely associated with Mrs. Belmont in the suffrage fight, made the personal dedication to her of the old Georgian brick mansion on property bought by George Thompson from Lord Baltimore in 1663, and subsequent home for distinguished families of Maryland and later of the National Capitol.

The house was occupied by Albert Gallatin, Jefferson's secretary of the treasury.

**Bond Figures Show
Business Recovery
Not Far Distant**
NEW YORK, Jan. 5.—(AP)—Business recovery apparently is many months away, is the conclusion indicated by the results of a four-year investigation of the trend of bond yields for a period of 74 years, authorized for publication by the national bureau of economic research.

While it is no part of the work of the national bureau to make forecasts of business conditions, "we say," it is eminently proper to announce the result of the investigation of bond yields which the commission of a report and a study of the history of bond yields have been made since 1857, according to the report of the national bureau of economic research.

PET WITH VALUABLE FELT

ROCK ISLAND, Ill.—Johnnie Rothwell, a six-year-old girl here, owns the oddest pet, a black silver fox, which she has raised from a small cub.

Annual Poultry Show To Be Held For Three Days

(Continued from Page One)
pated entry list of over 600 birds, almost double the number of birds on display last year.

For the first time, an exhibition of corn will be seen in connection with a Seminole County Poultry show, and Mr. Johnson announced today that a most interesting variety of corn, grown in this county, will be displayed. The corn, together with the chickens and rabbits to be displayed, will be taken from farms and fields in various parts of the county. Many of the entrants are from the southern part of the county, where poultry raising is becoming a business of large extent.

According to the official preliminary list which was issued this morning, prizes will be given for the best fowl, egg, rabbits, and corn on exhibition. Since the meet is being held under the sponsorship of the American Poultry Association, special prizes in the form of medals and ribbons, will also be awarded. The rules regarding the entry of exhibits have not been changed materially since last year. A small entry fee, which will be used to feed and house the birds during the three-day exhibit will be charged. The show is open to residents of Seminole County and the Osteen district. The corn show may be entered by residents of Seminole County only.

One dozen eggs shall constitute an exhibition of eggs. They must be the product of the exhibitors' flock, and he shall be charged 10 cents per dozen as an entry fee. No entry fee will be charged in corn exhibitions, the only requirement being that entries be made on regular entry blanks furnished by the secretary. The corn must be exhibited under the name of the grower and must be the product of the 1930 crop.

As is customary, no admission fee will be taken, the show being open to every person without charge. Persons who wish to enter products in the show may obtain entry blanks from Mr. Johnson at the High School, or at the Bazaar Building on Thursday from 8:00 o'clock in the morning until 4:00 o'clock in the afternoon at which time the show officially opens.

A number of Sanford merchants and the City Commission have made enough funds available for the success of the show, and the prize list this year is unusually attractive. A representative of the Central Florida Exposition Association will be on hand during the meet to take entries for the coming poultry show which will be held in conjunction with the annual exposition in Ormond during February.

SIX KILLED IN RIOTS
RANGOON, Burma, Jan. 5.—(AP)—In a renewal of rioting between Burmese and Chinese in West Rangoon yesterday, six persons were killed and 33 injured.

DEATH TAKES PUBLISHER
NORTH WILKESBORO, N. C., Jan. 5.—(AP)—Edward B. Lawler, 60, publisher of The Daily, a monthly magazine, died in a hospital here yesterday from paralysis.

Girl Flier, On Way To China, Is Forced Down Near Warsaw

WARSAW, Jan. 5.—(AP)—Amy Johnson, the 23-year-old flier who left England New Year's Day on a projected flight to Peking, was driven by fog to a forced landing late yesterday at the village of Amelink, near Krasnosielk and about 60 miles north of here. She was uninjured but the undercarriage of her machine was smashed in the rough landing.

Miss Johnson, who last summer flew from England to Australia in 19 days and is now seeking new adventures, left Berlin for Warsaw at 10:37 A. M. yesterday in the face of unfavorable weather.

Atmospheric conditions were so bad that she was driven northward from the German capital and missed Warsaw entirely. Then, before she could get back on her course, a heavy fog engulfed her and she was forced down.

Polish officials and representatives of the British embassy had waited at the Warsaw airport all afternoon for the girl aviator, and when she had not arrived by midnight they became alarmed.

Word was broadcast for all police throughout Poland to be on the lookout for her.

In the meantime the Associated Press learned of the landing through the telephone exchange and was able to get through to Miss Johnson, although disturbance of the line made even a brief conversation difficult.

"I am all right," she said, "I will leave my plane here and go on to Warsaw by train."

ely attractive. A representative of the Central Florida Exposition Association will be on hand during the meet to take entries for the coming poultry show which will be held in conjunction with the annual exposition in Ormond during February.

Banks Seen In Fine Condition By A. B. A. Head

(Continued from Page 1)
were one for banking as well as all lines of business. Banking in some instances and in some localities has reflected unwisely something of the character and conditions of the times through which we have been passing.

"Looking back we realize that much that was unwise crept into some of our business activities. While upon the individual bankers there rests without qualification the direct responsibility for the prudent, honest conduct of their institutions, nevertheless the soundness of banking as a practical matter of fact is a community problem in which the public has a part to play as well as bankers and government officials.

If there were no unsound business men or enterprises there would be no such thing as unsound assets in a bank. Stephenson said, for outside of government bonds, bank assets consist mainly of loans to business men and investments in securities of corporate enterprises.

"The existence of a bank is dependent upon public patronage. If only those banks were patronized in which the most careful policies were practiced and the most conscientious and able men in charge, it would go far toward maintaining the standards of banking.

"It is an unfortunate fact that the banker who is strict, 'hard-boiled' if you please, is liable to be less popular than the 'easy' banker and by that same token the public itself has a voice in influencing the character of banking.

"The public can exert an influence in shaping the character of banking also, he said, by supporting the purposes of bankers "to maintain intelligent independent and honest banking supervision."

In many cases of bank troubles, the only thing wrong with a bank was an unduly suspicious and apprehensive state of mind in its customers," Stephenson said, "created by no act or condition of its own but by baseless rumors which sometimes led them to destroy the value of their own deposits by demanding them immediately, forcing a bank to sacrifice its assets and otherwise disrupt its financial operations."

Stephenson reminded the public that "deposits are not kept as cash but are invested in loans and securities and even the soundest assets of this type require some time to recover at full value in cash deposits."

University To Build New Library Building

GAINESVILLE, Jan. 5.—(AP)—Within a few days bids will be asked for a new unit of the University of Florida library which will cost about \$100,000, it was announced yesterday. The new unit will be located east of the present library.

The architect of the state board of control has been working on plans for three months and these are ready to submit to the board which is scheduled to meet in Tallahassee, Monday, Jan. 12.

Reading rooms in the present library will accommodate 250 students. The new building will double the present capacity. The library now has 60,000 volumes on its shelves.

If bids for the additional building are far enough below \$100,000, bids also will be asked for construction of a permanent Gothic entrance to the present library.

COLOMBIA STUDIES ENGLISH

BOGOTA, Jan. 5.—(AP)—The study of English is assuming importance in Colombia. As the nation is becoming more interested in commerce, the ministry of education is undertaking to make English more popular in schools.

LONDON—Primo Carnara, the noted Italian heavyweight, who recently made a tour of the United States, made after his arrival at the Mayfair Hotel here.

Pope's Marriage Church-Goers See Ideas Expected To Be Re-Stated

(Continued from Page 1)
troll in certain cases, emanating from the Lambeth conference in London last summer.

Mixed marriages, those between Catholics and non-Catholics, also are expected to be the subject of special comment. It is generally taken for granted the Pope will re-emphasize that bishops, before granting dispensations for such unions, must extract a written promise from the non-Catholic partner that all children born of the marriage must be brought up in the Catholic faith and that the non-Catholic party will in no way interfere with the Catholic party's fulfillment of religious duties.

At the same time the duty of the Catholic party to pray unceasingly for conversion of the non-Catholic spouse and by force of example in piety of life induce to such conversion is expected to be enjoined anew.

The pope was represented as being stirred in this by the recent wedding of King Boris of Bulgaria to the former Italian Princess Giovanna. Although both parties to that royal match gave the Pope written pledges on the foregoing points, there was an attempt on the part of the orthodox Bulgarian clergy to make it appear the second ceremony in Sofia was the binding one, whereas the pontiff had been assured beforehand it would merely be in the nature of a civil rite registering the marriage already contracted at Anais.

After issuance of the Pope's encyclical it is believed the contracting of mixed marriages, both among royalties and common folk, will be more difficult. It is taken for granted that in the future parish priests, in the first instance, and bishops, in the second, will be held to a strict accountability in exacting the guarantees the church requires.

With this there is expected to come a tightening of regulations regarding publication of banns, which normally must be read out to the congregations in the home parishes on the two Sundays immediately preceding the wedding.

One object of this would be to prevent cases of "marry in haste and repent at leisure" upon which Catholics have always frowned.

Members of the clergy, it is understood, also will be ordered to scrutinize with redoubled severity all proposed marriages between Catholics and those of mixed variety in order to prevent demands for annulments.

It is also taken for granted there will be a restatement of the old law against marriages within the fourth degree of relationship.

Hereafter dispensations from this have been fairly easily obtainable for Catholic marriages on whom whom the Pope himself normally is accustomed to pontificate henceforth it is predicted such "loose" marriages as those of Princess Anne of France and the Duke of Savoy of Italy, which took place in 1927, will be made difficult, if not impossible, to contract with the church's approval.

Man And Wife Killed In Motor Accident

JACKSONVILLE, Jan. 5.—(AP)—Charles W. John L. Jackson and his wife were killed in a motor accident here yesterday.

EUROPE BOUND PLANE HELD UP BY ELEMENTS

(Continued from Page One)
ter the New York take-off they set a course of dead reckoning by a compass, picking up easily three ships in their path. Then, about 1:30, the hour they had expected to land, they crested to turn toward Norfolk, the nearest lighted field. She said they had gasoline for more than an hour's flying when the plane was brought down on the water at the naval air station.

The arrival came after all navy planes were in mid the current off. The charges were taken without waiting for any signals, and the plane's motor, returning his attention.

FIRE DAMAGES STRAITS
SEATTLE, Wash., Jan. 5.—(AP)—Fire of unknown origin in the hold of the steamer M. K. of the Matson Steamship Company, caused damage valued at \$100,000 here yesterday. Approximately 500 pieces of apparatus and two boats fought the blaze for hours.

The Extra Cough Help

Extra In Power And Price

Cremolone is a super-help for coughs from colds. It is for deep coughs where you have not had a week help. Several major helps are embodied in it, including the best known to medical science.

The creosote is blended, emulsified and palatable. It is to soothe the membranes and combat the germs. It prevents the world's best help for coughs of this kind in a pleasant form.

There are white pine tar, wild cherry bark, menthol, ipecac, etc. All the greatest helps in use, but with as narrow. Despite all its power and efficiency, it is harmless to a child. Some coughs call for one help, some another. Nobody can tell, but you can't find the best in Cremolone in any other. Cremolone costs \$1.50 a bottle, more than other helps. But it gives guarantee in use and a full price to anyone not satisfied. It may be too good for your cough. A lesser help will do you no good. It is wise to take the risk. Cremolone is a danger signal. A cough from a cold which does not call for this super-help, the best man know of to take.

CREMOLONE
For Bronchitis, Croup, Whooping Cough, etc.

Daily Wastes

We have discovered in many homes, little daily wastes and unnecessary wastes in the use of electricity. Waste simply means that you are paying for electric energy from which you derive no benefit, and in the aggregate these wastes are reflected in your monthly electric bill.

Of course, we want you to use all the electricity you need, but we also want it to serve you economically. Electricity is the cheapest and most dependable power in the home. It makes our lives more comfortable, and never lets us down. All the modern appliances have to depend on electricity. It is the power of the home.

We want you to use all the electricity you need, but we also want it to serve you economically. Electricity is the cheapest and most dependable power in the home. It makes our lives more comfortable, and never lets us down. All the modern appliances have to depend on electricity. It is the power of the home.

Rail Executives In Nation See Better Conditions Nearing

CHICAGO, Jan. 5. — (AP) — Chief executives of the nation's railroads opined in a symposium in the Railway Acre yesterday that traffic in the next six months would be smaller than in the initial half of 1930, but that the final half of the year would show improvements over 1930's waning months.

The majority of the 25 executives quoted anticipated larger aggregate freight shipments in 1931 and some voiced hopes that passenger business would not show further decline. The Railway Age, basing its estimate on statistics for the first 11 months of 1930, forecast that total earnings of the Class 1 roads would be about \$970,000,000 less than in 1929, \$980,000,000 less than in 1928.

"Only great reductions in operating expenses," the article said, "enabled the roads to withstand adverse influences. Operating expenses for 1930 were estimated at \$525,000,000 less than in 1929, \$600,000,000 less than in 1928 and \$915,000,000 less than in 1923. The computation placed the average return earned at about 3 1-2 per cent.

Operating expenses were reduced in 1930 by trimming maintenance expenditures, the symposium indicated, although most executives said that no deterioration of property had yet resulted.

Moon Has Effect Upon Time-Pieces, Declare Scientists

NEW HAVEN, Conn., Jan. 5. — (AP) — The moon has the effect of slightly speeding up or slowing down clocks located in earth homes, according to two Yale University scientists.

This conclusion, reached after four months of research by Professors E. W. Brown and Dirk Becker, was outlined in the opening paper yesterday at the forty-fifth meeting of the American Astronomical Society.

Furthermore, according to results outlined by the Yale scientists, the accuracy of a clock is

Province In China Has Had Bad Breaks In Past Four Years

PEIPING, Jan. 5. — (AP) — Kansi, which is about the size of New Mexico and normally has a population of six millions is perhaps the unluckiest province in all unhappy China.

In 1920 half a million people were killed within 10 months by an earthquake. In 1927, in the past four years about one-third of the population has disappeared, because of civil war, famine, banditry and typhus.

And now comes G. Findlay Andrew, British famine worker, with a prediction that large areas soon may be depopulated through gradual fallure of the water supply.

"It seems as if the desert conditions prevailing in the Gobi, Alaskan and Ordos are moving southward," Andrew said on his return here after six months on relief work in the province.

"Twenty years ago the safest investment you could make there was a water mill. Now many of the mills are without motive power.

"In many village temples are tablets recording the amount of water each bit of land is entitled to get—usually so many units measured by the length of time it took to burn a stick of incense—yet there is no water in sight."

Andrew has at his disposal \$250,000 donated by American sympathizers with the famine victims in Kansu. Most of this was disbursed for seed grain issued in payment for labor on roads and bridges.

Night Coughing Quickly Relieved

Famous Prescription Gives Almost Instant Relief

Night coughs or coughs caused by a cold or by an irritated throat are usually due to conditions which ordinary medicines do not reach. But the very first swallow of Thoxine, a doctor's prescription, is guaranteed to give almost instant relief. Thoxine works on a different principle. It goes direct to the internal cause. Thoxine is pleasant tasting and safe for the whole family. It will give you better and quicker relief for coughs or sore throat than anything you have ever tried or your money will be refunded. Put up ready for use in 3c, 6c, and \$1.00 bottles. Sold by All Drugists.—Adv.
