G.O.P. Keynoter Demands Crusade To Drive Rascals From Government Posts

By WARREN ROGERS JR. CHICAGO (A)-Old Soldier Douglas MacArthur, amid a cannonade of applause, blistered the Democrats as a blundering "war party" and rallied yelling Republicans Monday night to a "crusade" to rout them from office.

The 5-star general's keynote ad-dress knifed through the strife stirred by the Taft-Eisenhower battle for presidential nomination. It united the packed convention hall in a standing ovation as it bit sharply at the Truman administration's policies. The 57-minute speech, punctu-

ated 73 times by handelapping and roars, formally plotted a non-partisan course in the nomination battle between Gen. Dwight D. Eisenhower and Sen. Robert Taft. MacArthur, who backs Taft and who has been mentioned as a pos-

sible vice presidential running mate for the Ohioan, said: 1. The Democratic Party has a noble heritage but has been cap-tured by schemers leading the country toward "the socialistic regimentation of a totalitarian

MacArthur, wearing civilian clothing, spoke slowly and deliberately. He leveled his heaviest blasts at the administration of President Truman, who fired him last year as United Nations com-

mander in the Far East.

The administration's foreign policy, he said, "practically invited Boviet dominance over the free peoples of Eastern Europe." This came about, he said, by withdraw all of troops, yielding of control over atomic materials deposits, dismantling of German industrial.

But looks are often deceiving Eisenhower, of course, is next in line, and almost certain to be nominated if Talt isn't, and yet the two may be deadlocked in a death struggle which can't be broken. MacArthur appears as the most likely compromise candidate, and yet those who oppose Taft would probably oppose MacArthur even more bitterly. Stassen or Governor Warren of California might then be the choice. But who at this writing would pos-sibly pick either as a likely con-tander:

Florida got plenty of national publicity last month, according to a recent survey by the Orlando morning Sentinel.
