#### Who Wants To Vote

So who wants to vote? Apparently there are hundreds, even thousands, of Seminole Countians who take a dim view of voting

this year. Hundreds of citizens who voted in the 1964 presidential election have failed to qualify to cast ballots in this year's important federal, state and county elections. They cannot muster the energy or the interest to fill out their white

around on your television set, you can fill out a renewal card. It is not too late - but almost. Too late to mail it, perhaps, but not too late to bring it to the registration office in the courthouse or in the office at Seminole Plaza. The deadline is 5 p.m. Saturday. Registering to vote and voting is one of the least time-consuming of all governmental functions. There is little red tape involved. Register-

tion in the State Legislature it is

vitally important that Seminole Countians register. More so than ever before because of reapportionment that has cut down on more personal representation for us in

While almost No. 2 populationwise in the new 11-county Fourth District. Seminole lags in fifth place in number of registered voters. We cannot justifiably complain about lack of representation and being treated shabbily in Tallahassee and Washington if we continue to ignore our duties as citizens to reg-Saturday is the last chance for the May primaries.

Thought For Today For the sake of Christ, then, I am content with weaknesses, insults, hardships, persecutions, and calamities; for when I am weak, then I am strong .- II Cor. 12:10.

Courage is rightly esteemed the first of human qualities, because it is the quality which guarantees all others .- Sir Winston Churchill.

The message of Holy Week is not a sad one. Rather, it is the most joyous

news we will ever hear! The glory of the resurrection could not have hap-

pened without the stark tragedy of Good Friday . . . and because Christ

overcame death, we are assured of eternal life. It is certain that we will live

Jesus strove constantly to make this blessed truth plain. Time and time

again we are told of God's great love, and of His constant concern for the

The highest point of Christ's ministry was the cross. Because of its tre-

mendous power we, as Christians, have been given a ceaseless source of

SEN, MACK CLEVELAND GIVES REPORT ON BASE CLOSING

Sanford's battle to keep the Navy here apparently has

ber of Commerce's armed services committee, led a dele-

gation to Washington last week to seek the precise status of the closing of NAS. An overflow crowd turned out at City Hall to hear his report. Cleveland said all information gathered indicated Reconnaissance Attack Wing One would leave Sanford in

May, 1967, and the base would be shut down in July or "We should take immediate steps to acquire the base for future utilization by industry or for other purposes,"

He said Don Bradford, director of the Office of Eco-

nomic Adjustment in the Department of Defense, is expected to come to Sanford soon to help the community to readjust to the closing of the base and to help the com-"Trying to acquire this, 1,700 acres is out first chal-

lenge." Cleveland said. "And the procedure in acquiring First of all, Cleveland said, the base has to be delared surplus and determination must be made to see if any other military units can utilize the base. Then the property is turned over to the General Services Admini-

o acquire the base and it probably can't be had for a \$1. Cleveland said. Cleveland revealed that the House armed services

subcommittee, which investigated the closing of Sanford NAS, is expected to release its report this week. "Its findings confirm what we have contended all along." Cleveland said, "that it is not economically feasible to move the base." However, he said, the lack of strong congressional ac-

tion to back up the subcommittee's report, left the Sanford delegation with the belief that the Department of Defense will close the base as ordered last December. Cleveland said the subcommittee recommended that the Department of Defense take another hard look at its closing order. However, he said this subcommittee report had to have the blessing of the full committee and Con-

"I think we must face up to the realization that the base will be closed," Cleveland said. He said Rep. O. C. Fischer, Texas Democrat who heads the subcommittee, told the Sanford delegation that he did not feel the Department of Defense would change ing was thrown to the pave- its order because of the subcommittee's recommendation. Cleveland said the picture was not entirely gloomy Smith reported Dixon fled as many communities had turned vacated military installa-
