County's Death Toll Numbers 8

Only DeSoto and Union Counties, out of the state's 67, got by 1955 without a traffic death, the Florida Highway Patrol reported today.

Seminole County's traffic death toll from traffic fatalities is 8. In the latest tabulation of figures—which included any delayed traffic death reports through the first 10 days of January—the patrol reported 1955's highway casualty list at 975.

Dade County which includes populous Miami, led the state again with 114 traffic deaths. Duval was second with 77, somewhat higher than third place Hillsborough County which had 59 traffic deaths in the year.

Several other counties on the east and west coasts of the state showed big traffic death figures. They included:

Palm Beach 57, Broward 51, Polk 52, Escambia 41, and Marion 43. Others which had sizable figures were Pinellas 31, Orange 24 and Lake 23.

Here is a county-by-county tabulation of traffic deaths last year, through Jan. 10:

Alachua 16; Baker 4; Bay 7; Bradford 4; Brevard 11; Calhoun 1; Charlotte 2; Citrus 6; Clay 13; Collier 8; Columbia 8; Duval 77; Flagler 3; Franklin 2; Gadsden 14; Gilchrist 2; Glades 4 and Gulf 9.

Hamilton 2; Hardee 7; Hendry 4; Hernando 5; Highlands 8; Holmes 6; Indian River 6; Jackson 15; Jefferson 1; Lafayette 11; Lee 10; Leon 12; Levy 11; Liberty 2; Madison 6; Manatee 8; Martin 16; Monroe 15; Nassau 17 and Okaloosa 14.

Okechobee 6; Osceola 11; Pasco 12; Putnam 8; St. Johns 9; St. Lucie 6; Santa Rosa 6; Sarasota 11; Seminole 8; Sumter 7; Suwannee 3; Taylor 12; Volusia 17; Wakulla 3; Walton 10 and Washington 2.

No death counties in 1954 were Lafayette, Gilchrist and Okechobee, neither repeaters last year.

McKendree Found Guilty Of June Barroom Slaying

New Sales Office Is Established, Says Fred Ford

Fred M. Ford, manager of American National Foods, Inc., in Sanford, revealed today that new supervising and merchandising office has been established which will be of major importance and benefit to growers, shipping fruits and vegetables as members of American National Foods, Inc.

He stated the headquarters of this new office will be in Chicago and will operate in addition to American National Foods' Chicago Terminal Sales Office.

Charles U. Barley, Manager of American National Foods' Detroit Supervisory Office, has been promoted to District Sales Supervisor and will supervise terminal sales operations, and promotional and merchandising activities, from this new office.

The following states will be under Barley's supervisory jurisdiction: Alabama, Arkansas, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Nebraska, North Dakota, Oklahoma, South Dakota, Tennessee, Texas and Wisconsin.

He pointed out that Barley will be working directly under ANF's Terminal Sales Manager in New York and in conjunction with the supervisory offices in Boston and Los Angeles, and that this is another step in American National Foods' policy to more closely coordinate sales merchandising, and promotional efforts for the benefit of growers, shippers, receivers and customers.

BOYD BENNETT, nationally known singer and orchestra leader visited Sanford on a combined business and pleasure trip.

Boyd Bennett Here To Visit Family

Dentist, Physician To Open Offices In New Building

New offices will be opened tomorrow at 1209 E. Second St., opposite the Seminole Memorial Hospital, for the practice of a Sanford physician and dentist.

Dr. Leonard Munson, whose offices have been located in the Touchton Building on the second floor at First St. and Magnolia Ave., and Dr. William W. White, dentist, whose offices have been located at 1600 South Park Ave. will move to the modern one story medical building.

Both Dr. Munson and Dr. White will retain their same phone numbers at the new location, they said today.

A nationally known singer, whose home is in Sanford, and whose recordings have been listed among the top ten, visited here during a combination business and pleasure trip.

Boyd Bennett, son of Mr. and Mrs. J. H. Bennett, arrived here Tuesday and leaves today to rejoin his orchestra, and to continue his TV appearances in Louisville, Ky., and Indianapolis, Ind.

Bennett is the author and recorder of "Seventeen" which hit the top ten in the music world. He records for King Records with whom he has an exclusive contract.

Another of his recordings was in the upper bracket of popularity times, recently. The most recent was "My Boy Flat Top."

Bennett is in Sanford to visit his parents and brothers, Bob, Bill, and John, as well as Oliver and Bill Clauer.

The young recording artist, who is married and has three children, plays the drums in his orchestra and sings. He has been heard on many occasions as soloist on his recordings.

He says that his latest recording will be released next week by King Records. It is "Partners For Life" with "Just Around The Corner" on the flip side.

Bennett makes his headquarters in Louisville, Ky.

Conner President Of Citrus Mutual Succeeding Murray

LAKELAND (AP)—Vernon L. Conner is the new president of Florida Citrus Mutual.

He was chosen yesterday to succeed the late Perry W. Murray, Polk County legislator who was killed in an automobile accident Dec. 12.

Conner, who has been secretary since 1950, was replaced in that post by G. Franklin Ward of Avon Park.

An early promoter for Mutual, Conner has been a director since its founding.

Mutual has about 7,000 grower members who raise about 85 percent of the citrus produced in Florida. It is a cooperative.

Conner, 55, was born in Virginia, lived for a while in Oklahoma and returned to Virginia where he managed stores for the Great Atlantic and Pacific Tea Co. He founded his own fruit produce firm.

Carlton Withholds Sentence

Verdict Revealed Late Yesterday

A 12-man circuit court jury handed down a verdict of guilty in the murder trial of William Oscar McKendree.

The verdict came in late yesterday afternoon after a two day hearing with Circuit Judge Vassar Carlton sitting on the bench.

McKendree, nattily dressed in a blue serge suit and dark tie, sat stoically throughout the trial, seldom turning away from the defense table to look into the audience that filled the courtroom at times.

However, during periods of recess, he chatted with bystanders and with his wife and two small children who sat throughout the two-day trial.

Judge Carlton withheld sentence of McKendree when the verdict was returned yesterday after 5 o'clock.

McKendree was represented at the trial by Attorney Tom Watson, of Orlando as chief counsel and Attorney Mack N. Cleveland Jr. of Sanford.

The State was represented by State's Attorney Murray Overstreet and Assistant State's Attorney Volle A. Williams Jr.

The murder charge stemmed from a June 8 shooting of R. Keith Cochran, a representative of Armour & Co. in this area, which took place in the 19-58 Tavern of Annette's located just south of Sanford.

Witnesses for the State included Richard Chaffetz, a part time employee of Annette's; Evelyn Thompson, a companion of McKendree's at the time of the shooting; Doris Allen, owner of the nightclub; and John S. Lee, who was in the tavern at the time of the shooting.

The jury hearing the testimony through the two day trial included: James Byrd, W. L. Harvey Jr., F. W. Bittline, F. J. Bender (foreman), John B. Crawford, A. C. Moore, H. B. Bourqueard, J. G. Best, J. A. Chalkley Sr., Maury Crews, Lewis M. Cosson, and J. R. Ervin.

The State, throughout the plea to the jury, asked for a First Degree verdict. The manslaughter charge may possibly carry a sentence of from one to twenty years.

Private Squadron Of Sanford Fliers Has Dinner-Meet

The regular monthly dinner meeting of the Sanford Flying Squadron was held at Jim Spencer's dining room Tuesday night.

The Flying Squadron of Sanford is a typical club, one of many thousands that exist throughout the nation, formed in the interest and for the preservation of private flying.

Recently it was decided by the club to make the regular monthly meeting a social event and have the members bring their wives. This is the second of such meetings and the wives have shown a tremendous interest in the function of the club.

At present the club owns one plane, a two-place Cessna, based at Slade's Airport, Sanlando.

An interesting program of "now-you-see-it, now-you-don't" was performed by Mr. Raybeck of Titusville. Raybeck was guest of program chairman Ed Golt.

Those present at the meeting were Mr. and Mrs. John Williams, Kirby Fife, Miss Cherry Singleton, Mr. and Mrs. Henry McLaughlin and son Henry Jr., Mr. and Mrs. Ed Golt, Mr. and Mrs. Merle Warner, Mr. and Mrs. Roy Mixon, Mr. and Mrs. Carl Yost, the Rev. and Mrs. Darwin Shen and guests, Mr. and Mrs. Raybeck of Titusville.

Farm Operators Are Asked To File Information Return

Farm operators who have paid as much as \$100 in cash wages to any farm employees during the year 1955, should file an employer's tax and information return for agricultural employees, Elias Trumbo, Group Supervisor, Internal Revenue Service, Orlando announced today. This tax return will be filed with the District Director of Internal Revenue, Jacksonville, together with the social security taxes on the wages shown on the form.

Trumbo emphasized that this annual report of wages paid for agricultural labor must be filed with the Internal Revenue Service before Jan. 31, 1956. The return must show the name, social security number, and wages paid every employee whose cash wages from the same farmer amounted to \$100 or more.

Tax return forms are mailed out about Jan. 1 to those who have previously notified the District Director of having agricultural employees. Farmers who must make these tax returns and have not yet written for the proper forms, should write the District Director of Internal Revenue, Jacksonville, immediately in order to be sure of getting the report filed before the Jan. 31 deadline, Trumbo urged.

Higher Tax Intake Expected By State For Past Holidays

Sales tax collections during December (on November sales) hit another new high for this fiscal year, amounting to \$6,740,377 an increase of \$142,732 over the collections during last month, November, (on October sales) of \$6,597,645, the previous high for this fiscal year.

Monthly sales tax collections should be even higher in the coming months, reflecting sales during the Christmas-New Year's and tourist seasons. In past years, the largest sale tax collections have been reported during the months of January to May, reflecting increases in retail sales of the months of December to April, considered the height of Florida's tourist season. From all present indications, this trend should continue and may very well better previous records, as all reports to this office indicate increased retail sales and a successful tourist season.

Total sales tax collections for the first six months of this fiscal year, (collections from July to December) exceed last year's collections for the same period by \$5,245,176, an increase of 16.48 percent. Six-months collections this year total \$37,093,403 as against collections of \$31,844,227 in 1954.

This month's collections of \$6,740,377 exceed collections for the same month last year by \$797,497. This substantial increase is due to a combination of increased enforcement, legislative changes in the sales tax law, and the outstanding economic growth of Florida.

December sales tax collections in Seminole County totaled \$25,448.01, an increase of \$915.87 over the same month last year.

FSL Directors Plan Meeting Here Jan. 22

Directors of the Florida State League will meet in Sanford on January 22 at the Mayfair Inn, according to John Krider, president. The meeting is slated for noon with a luncheon preceding the business session.

According to Krider, the meeting has been called in order to complete the reorganization and to set up the league.

Plans to have representatives here for the important discussions will include Daytona Beach, Gainesville, Orlando, St. Petersburg, and West Palm Beach.

Possible representatives from Sanford and Lakeland will be at the meeting.

Also seeking admission to the league and with representatives at the meeting will be Tampa and one other team.

Radio Report Cites Men Waving Flags

NEW YORK (AP)—A radio report from Quito, Ecuador, today said two men waving white flags were sighted on a sandy river beach in the Amazon jungle area where five U. S. missionaries were seized by savage Aucas Indians.

Dr. Clarence W. Jones, president of the World Radio Missionary Fellowship, related the report in a radiotelephone interview with Dave Garraway of the National Broadcasting Co., terming it "the best word we've had in the last few days."

Jones said the men were sighted late yesterday by a local commercial pilot who photographed them. They could not be identified from the photographs, however.

He said a U. S. Air Force rescue helicopter which arrived yesterday at Shell Mera, Ecuador, headquarters for the search, would fly over the spot to investigate.

Guild Of Organists To Hold Festival

The Central Florida Chapter of the American Guild of Organists will hold its annual Hymn Festival Sunday afternoon, Jan. 15, at 4 o'clock at the First Methodist Church in Orlando.

More than 400 singers representing choirs from Central Florida churches will present a program of Hymns to Live By and Hymns of Praise.

The congregation will have an opportunity to participate in singing many of the fine old and new hymns that will be used in the program.

There will be three Sanford choirs represented in the massed choir. The Chancel Choir of the First Presbyterian Church, Mrs. George Touhy, minister of music; the Chancel Choir of the Holy Cross Episcopal Church, Jesse Bookhardt Jr., minister of music; and the Chapel Choir of the Christian and Missionary Alliance Church, Mrs. Guy Bishop, minister of music.

Resident's Father Dies In Tennessee

Friends of Mrs. M. L. Raborn Sr. will regret to learn of the death of her father P. M. (Dick) Holman, which occurred last night at his home in Cedar Hill, Tenn.

Mrs. Raborn has been there for the past several weeks and Mr. Raborn left this morning to attend the funeral which will be held tomorrow afternoon.

National Guard Is Keeping Watch Over Nylon Plant

PENSACOLA (AP)—National guardsmen kept watch today over an uneasy quiet at the Chemstrand Corp.'s big nylon plant where several persons have been beaten in a dispute over construction labor.

About 300 guardsmen arrived yesterday at the order of Gov. Collins and dispersed about 250 pickets.

Shortly before the Governor's order, Circuit Judge E. E. Mason issued an injunction banning picketing at the plant entrance, the blocking of roads leading to the entrance and any acts of violence or intimidation of employees or their families.

The injunction was asked by Chemstrand and Daniel Construction Co., of Greenville, S. C., which has about 600 workers on an expansion at the plant.

The order named the plumbers and steamfitters local union, and business agent J. C. Jernagin.

BULLETIN

—Solution of the million dollar Brink's robbery in Boston in January, 1939, was announced today by the justice department. Eight men are in custody.

FBI Director J. Edgar Hoover said FBI agents had arrested six members of the daring gang responsible for the robbery, that two more of the robbers are now in prison in connection with other offenses, and that one of the participants is dead.

James D. Robinson Dies In Toledo, O.

James D. Robinson, 37, died at his home in Toledo, Ohio, Saturday after a short illness.

Born Feb. 2, 1918, in Mount Lebanon, he had lived in Toledo for the past nine years. He was a member of the First Baptist Church there. He had formerly lived in Sanford and was a veteran of World War II.

Survivors include his father, W. H. Robinson, Leesburg; three brothers, Mack Robinson, Leesburg, Gerald Robinson, Marietta, Ga., and Robert Robinson, with sisters, Mrs. Pat Hatch, Miss Carolyn Robinson, Sanford, Mrs. Mildred Waldron, Toledo, Ohio; and one niece, Dolly Hatch of Sanford.

Funeral services will be at 2 p. m. Saturday at Brissan Funeral Home with Dr. W. P. Brooks officiating. Burial will be in Evergreen Cemetery.

Britain Speeding 2,000 Paratroops As Show Of Force

LONDON (AP)—Britain began speeding some 2,000 paratroops toward Cyprus today as a show of strength in the tense Middle East.

Dispatch of the airborne "fire brigade" to Britain's Middle East headquarters on Cyprus came amid reports the government was considering slowing down troop evacuations from the Suez Canal zone because of the restless situation in the area.

Giant transport planes began ferrying the special combat group eastward through heavy rain clouds to reinforce Britain's estimated garrison on Cyprus of 100,000 men, many of whom are tied down by disorders arising out of demands for union of the island with Greece.

The giant airlift is due to be completed by tomorrow night.

THIS SCENE from the Spanish one-act play, "Without Words," shows Nancy Lofgren, of Bradenton, who pretends to be deaf, giving a lesson in sign language to Bill Clayton, of Independence, Mo. This play, produced by the Speech Department at Station University, will be given at 7:20 Friday, Jan. 20, at the Sanford Tourist Club.

Plane Passengers Unaware Of Trouble

NEW ORLEANS (U)—"They didn't tell us about the trouble until they almost had it fixed," a passenger said after a Capital Airlines plane made a safe landing here early today.

The plane reported it had a crippled landing gear and radioed the tower at Molsart International Airport that it might have to make an emergency landing.

But Ed Kexley of Forest Hills, N.Y., pilot of the Constellation, said he was able to lower the landing gear as he reached New Orleans and bring the plane in on a normal landing.

E. J. Dewitt, 37, of Mobile, Ala., said none of the crew members told the 23 passengers "until they almost had the trouble fixed." Dewitt said none of the passengers panicked.

Possibility Rises For Striking Papers

DETROIT (U)—The possibility that Detroit's three strikebound newspapers would resume publication by Monday rose today after leaders of three striking unions said they would recommend acceptance of management's latest contract proposals.

The city's three metropolitan dailies — the Free Press, News and the Times — have been shut down since Dec. 1.

The strikers' union — stereotypers, mailers and printers — scheduled Saturday membership meetings to vote on the publishers' offer of a \$3.75 weekly wage increase on 12-month contracts expiring Nov. 30. The new proposal reportedly contains an option to renew the pact for another year at that time with an additional \$2.75 boost.

Most observers said chances were bright that publication would resume Monday.

Auditing Office Throws Out Puzzle In Finance Report

TALLAHASSEE (U)—The State Auditing Department threw out a puzzle Monday in its audit report on Okaloosa County finances for the past three fiscal years.

The auditor, Henry A. Carter, said that in 1952 \$2,400 in racing funds sent by the state to the Okaloosa County Commission disappeared for several months, then turned up without explanation.

The report said that in June 1952 Okaloosa County received a \$3,000 state warrant as its share of racing revenues and that on June 30 of that year \$500 of the amount was deposited in the Valparaiso State Bank in the commission's outlay reserve fund.

"This warrant bore the stamped endorsement of the Board of County Commissioners for deposit only by Cecil L. Anchors, clerk," the report said.

"It also bore the endorsement of the Valparaiso State Bank dated June 30, 1952."

The remaining \$2,400 wasn't deposited at that time but the report said it turned up in county accounts several months later.

"On Nov. 17, 1952, a deposit of \$1,080 was made in the board of public instruction's current expense account and on Dec. 11, 1952, a deposit was made in the board of county commissioners' road and bridge fund," the report said.

"The records indicated that all of these deposits were racing commission monies and that the deposits consisted of currency only."

The auditor said no other racing funds were received during this time.

"Neither the personnel of the bank nor the clerk made any explanation of this matter but indicated that they did not remember the transactions," he auditor said.

Several county officials were reported to have had cash deficits at the end of their regular auditing period but that they subsequently made up these deficits.

In a report on the State Board of Pensions, the auditing department said William A. Lundy, Florida's only surviving Confederate veteran, had been overpaid \$17.42 on his pension in 1953 and the money hadn't been refunded to the state.

Justice Says State Having Hard Time

TALLAHASSEE (U)—Chief Justice E. R. Harris drew today the Florida Supreme Court is finding it impossible to keep abreast of its work and sees establishment of appellate courts as the only solution to the problem.

The chief justice appealed to voters to approve the proposed constitutional amendment which would set up an appellate system to handle many of the cases which now go directly to the Supreme Court from circuit courts.

The amendment will be submitted to the voters at the November general election.

New Drugs, Methods Needed To Wipe Out Vicious Polio

The National Foundation for Infantile Paralysis has invested \$25,000,000 in scientific research, and has budgeted \$2,600,000 to continue the work in 1956. America never bought a better bargain.

The Salk vaccine is one fruit of this effort. It is 60 to 90 per cent effective against paralytic polio and is the most potent anti-polio weapon ever found. But new research may improve it further or even produce another vaccine that is better still.

Vaccine, moreover, is only one arrow in the March of Dimes research quiver. New drugs are sought also, and new methods for restoring life to injured muscles. In many instances, the knowledge thus gained can be applied not only to polio but to all those who suffer disabling handicaps.

March of Dimes research, for instance, produced an electronic device which measures both the present and potential strength in a weakened muscle. It takes much of the guesswork out of physical therapy.

Thanks to another research project, doctors have perfected a delicate new technique

in which bits of muscle and cartilage can be "transplanted" from one limb to another. An unimportant segment of the thigh muscle can be transplanted, for instance, so that a child can use his arm again.

These are but samples of a wide ranging quest for healing knowledge. The March of Dimes supported research in 37 major institutions in 1955 and has sponsored studies at more than 117 institutions since the program began.

Research is but one reason why local citizens should support the March of Dimes and its campaign to raise funds to support an increasing need to find ways and means to fight the crippling disease.

Florida Grown Products

Florida made and grown products are to be highlighted during the ten-day "Florida Products Festival" which will begin January 19.

Representatives of the state, retail firms, manufacturers, packers, various commodity associations, publicity associations and state chamber of commerce associations have joined together in a statewide effort to promote Florida products.

During the ten-day event, retail outlets will feature items in their stores that are Florida products. Manufacturers, commodity associations and local organizations are devising many plans to be put into effect in the different localities throughout the state.

The "Florida Products Festival" will be offered in retail stores stocking any type of Florida produced commodities, including food, manufactured and processed items. Governor LeRoy Collins officially proclaimed the dates for the Festival and the Florida Development Commission is sponsoring the statewide event which is planned as an annual affair.

A trade-mark has been adopted which includes the outline of the state and the familiar "Mr. Sun". "Boost Florida... Buy Florida... What Florida Makes... Makes Florida" has been adopted as the slogan for the statewide promotional event.

The annual practice for the marbles tournament will get underway soon on school grounds around the City. An announcement recently says that the national marble championship will be played in Tallahassee this year with representatives from 48 states gathering to compete in the VFW sponsored event.

TODAY'S BIBLE VERSE

Our Lord has written the promise of the resurrection, not in books alone, but in every leaf in springtime.—Luther.

JAMES MARLOW

Voters To Need Magnifying Specs

WASHINGTON (AP)—The voters will need magnifying glasses to distinguish facts from fancy nine months from now when the presidential campaign is getting up steam.

That's the time Democrats and Republicans will make their loud-est claims on what each side has done for the country in the Congress session which opened this

On a few issues the voters may be able to put the full blame or credit on one side or the other. On most legislation they probably won't be able to tell clearly who did what.

This is going to add to the voters' confusion: 1. Democrats and Republicans are pretty evenly matched: In the

Senate, 46 Democrats, 47 Republicans. In the House, 230 Democrats, 208 Republicans. There are two vacancies.

2. In many ways the programs of the two parties will be pretty similar. And on much legislation voting won't be along straight party lines.

Since the Democrats outnumber the Republicans, Eisenhower will have to depend on some Democratic support to put across any of his programs at all.

That will give the Democrats at least some credit for anything the Republicans claim. But, since this is a presidential election year, the Democrats are going to try for their own programs.

This might seem to simplify matters for the voters but—

In this period of American prosperity both parties are pretty conservative. There will be no social revolutions offered or passed in 1956. But some Democrats and Republicans are more conservative than others in the two parties.

The result will be: batches of Republicans and Democrats lining up on certain pieces of legislation against other batches of Democrats and Republicans.

And, looking forward to the campaign, both sides will offer alterations and amendments to each other's ideas. In this way both sides can make claims to almost any program passed.

The dingy, a native Australian dog, is the only large placental mammal which inhabited Australia previous to European colonization.

Try and Stop Me

By BENNETT CORT

ART CARNEY tells one of those stories about the smart young brother who always was underfoot when his pretty sister wanted to pitch a little woo with her boy friend. To get rid of him one afternoon the b.f. suggested, "Why don't you go down to the street, Willie, and count the men who are wearing red hats. I'll give you a quarter for every one that goes by."

To the surprise of both love birds, Willie, usually very cagey, fell in with this suggestion. Fifteen minutes later, however, they heard his triumphant voice from below. "I don't know how you two are doing up there," he hollered, "but my ship is about to come in. Here comes the Shriners' parade!"

In his book of excellent verse called "Light Armour," Dick Armour observes:

Women, one finds,
Shake up their minds,
Quarrels, and fees
In public places.

Drugs May Prevent Fatal, Crippling Strokes Of Brain

ROCHESTER, Minn. (AP)—Many crippling and fatal brain strokes apparently can be prevented by wise use of anti-blood-clotting drugs.

The drugs are bringing encouraging results against brain strokes caused by formation of blood clots blocking main arteries to the brain. They cannot help against strokes due to other causes, such as the blowout of weakened arteries in the brain.

Dr. Clark H. Millikan and Dr. Robert G. Siekert began using the drugs on patients suffering from special types of strokes. These strokes bring numbness, staggering gait, weakness, sometimes temporary paralysis of the eyes or limbs, slurred speech, unconsciousness or other troubles.

Some persons have several such strokes a day, or several a week. Without treatment, many die within a short time when a severe stroke hits.

These strokes apparently come because blood clots are building up in either the basilar artery, supplying the brainstem with blood, or the carotid artery which runs up through the side of the neck.

Autopsy studies showed that fat clots in these arteries have a layered appearance, as though they had been built up gradually in layers.

The Mayo neurologists reasoned that each little stroke might be due to temporary interference in blood flow to the brain as the clot increased in size with a new layer. Anticoagulant drugs might prevent growth of the clot. If the clot blocks the artery completely, death or severe and permanent damage results.

Dr. Millikan and Dr. Siekert report promising results from daily or regular use of heparin or dicumarol, the same anticoagulants often used in treating heart attacks caused by blood clots.

In a number of patients, the little strokes stopped completely with no further trouble. Other patients showed great improvement. The drugs have been used to date on 33 patients, with only 14 per cent succumbing to strokes. But in another 23 persons not given the drugs, nearly half have since died from strokes.

The studies are continuing.

Poor Susan Can't Learn How To Fly

HAYLING ISLAND, Eng. (AP)—Susan, a swan here, named after the simple bird is therefore stranded in the local reservoir for the second winter in a row, and you can get plenty of odds she's berthed there for keeps.

Not Susan. She flapped her wings and bounced along the water, making sad noises, but she couldn't seem to get airborne. The family finally flew off in disgust, leaving her among the coots and mudhens.

Another spring came. Back flew Susan's parents to set up house-keeping again.

Mom and pop were highly annoyed to find their dumb daughter still paddling around in their stretch of water. They tried to drive her away. But the kid couldn't fly and walking—well, for a swan, is walking feasible?

In the end, mom and pop gave up and Susan sulked in the bulrushes, looking wistful.

After the usual interval, seven more cygnets hatched out. When they were big enough, they took their flying lessons, and Susan watched. But either the gas just can't dig it or she has no head for heights. The cygnets learned to fly. Susan didn't.

Yesterday mom and pop lined up their latest brood for the annual migration. They glanced expectantly at Susan, making a skittering run to get up a speed, and took off.

Susan flapped her wings and bounced along the water, making sad noises.

Then, looking glum, she paddled back to the coots and mudhens.

Bramuglia, a shrewd politician, apparently is planning a comeback after years in the shadows. He is a man to watch in Argentina's future.

Once a Peronista stalwart, he quit as the strongman's foreign minister in 1949. It is said he is clashed with Peron's wife Eva and several top Peronistas. He faded into obscurity.

Like Peron, he espouses a doctrine aimed at attracting working class support. But, needing all the support he can get, he has been forced to walk a tight rope since the September revolution that ousted Peron.

He has cultivated an opinion among many anti-Peronistas that he is a moderate compared to his former chief. He has, announced he wants to create a new political party, the Popular Union Party.

Provisional President Pedro Aramburu has told him all political parties have ample guarantees.

Is Bramuglia Peron's political heir? Asked point-blank in an interview, he would not give a direct answer. Neither would he reply directly when asked whether he was glad the September revolution happened. "Things must be judged on their results," he said.

He says he has had no contact with Peron since the dictator's downfall.

A young Londoner attempting to climb up to the Big Ben clock was nabbed by the cops. For all concerned the stunt was just a waste of time.

COLLECTOR'S ITEM

Too Many New Toys May Confuse Child

By NORMAN M. DUNDEEN, D.D.

IN another day, your baby will be swamped with new Christmas toys. Everybody, it seems, especially Mom and Pop, wants to give the baby something he can play with.

If you're a wise parent, and I'm sure you are, you'll not only inspect these toys carefully to make sure they are safe, you'll also watch how your tot plays with them.

Make a mental note of any toys which seem to fascinate or intrigue him more than others. This may reward you with a few moments of relaxation, peace and quiet many times during the coming year.

Fussy Babies

All babies become fussy at times. And if you have an especially interesting toy for periods like this, I think you will find that baby will be pleased and so will you.

Don't expect a tiny tot to know right away what he is supposed to do with a particular toy. Give him a day or two to find out for himself. Then, if it still bewilders him, show him how it works.

Too Advanced

I don't have to remind you not to give him toys that are too advanced for his age. But if friends come up with such items, as they are apt to do, don't exchange them.

Instead, put them away for a

month or two or even longer. After all, he'll be able to use those complicated toys some day, probably a lot sooner than you think. You'll be surprised how quickly that infant of yours will grow.

Labels Explain Purpose

The toy manufacturers themselves provide the best guide as to when your baby will be ready for what toy. Many of them attach labels explaining the purpose of the toys and at what age it is advisable to give them to the baby.

Although a baby who is able to sit up should have several toys at one time, don't give him too many. It will only confuse him if you do. And when you give him some new toys, put away some of the older ones.

In a short time, you can substitute the older toys again and your tot will be as pleased with them as though they were brand new.

QUESTION AND ANSWER

D. M.: Is there any connection between the substance which causes an enormous amount of tartar to form on the teeth and a stiff and painful toe joint? If so, what can be done to keep this substance out of one's system?

Answer: In so far as I am aware there is no relationship between the tartar on the teeth and stiffness of the joints. These conditions are unrelated.

Your City Charter

Part 39

After the equalization, approval and confirmation of the levy of special assessments against privately owned property required by any ordinance to be bulkheaded and reclaimed, and as soon as contract for said bulkhead improvement and reclamation has been let, the City Commission may, by resolution, issue bonds against said special assessment, pledging the full faith and credit of the municipality in an amount equal to the total amount of said special assessments against privately owned property; said bonds shall be general obligations of the municipality and if special assessments are not imposed and collected in respect of the bulkhead improvement and reclamation project in season to pay the principal and interest of any bonds issued against any said special assessments, the City Commission shall levy and collect on all taxable property in the municipality a tax sufficient to pay such principal and interest as the same respectively becomes due and payable.

All bonds issued under the provisions of this section shall be excluded from any limitation of bonded indebtedness of the City of Sanford, Florida, and shall not impair or invalidate any special assessment made against privately owned property under the provisions thereof and said bonds shall be issued upon the adoption of a resolution by the City Commission, providing for the issuance thereof, submitting the question as to the issuance of said bonds to vote of the non-exempt, tax paying, freehold elections of said municipality in the manner provided by ordinance.

Section 1214. STREETS MAY BE OPENED THROUGH RECLAIMED LANDS; STREETS TO BE DESCRIBED IN ORDINANCE; COST TO BE PAID BY CITY. Should the City of Sanford desire to open and establish any streets in any district bordering upon the waters of Lake Monroe, required by ordinance to be bulkheaded and reclaimed, said streets so to be opened and established in the reclaimed land shall be particularly described and set forth in said ordinance, and the total cost of bulkheading and reclaiming any land in said district, to be thereafter established and maintained as a public street, alley or boulevard, shall be paid by the City of Sanford, Florida.

Section 1218. RECLAMATION DISTRICTS. AUTHORITY TO ESTABLISH. That when in the judgment of the governing authority of the City of Sanford, Florida, it shall be deemed and considered expedient for sanitary purposes or conducive to the public health, convenience or general welfare of the people of the City of Sanford, Florida, to establish a reclamation district or districts embracing any lands that are low, wet, submerged, or overflowed, bordering upon the South shore of Lake Monroe within the corporate limits of the City of Sanford, Florida, through its governing authority shall have the power by ordinance to create and establish in the manner hereinafter prescribed one or more reclamation districts bordering upon the South shore of Lake Monroe within the corporate limits of the City of Sanford, Florida.

Senator Stenstrom Delivers Impressive Speech To P-TA

Sen. Douglas Stenstrom was guest speaker at Tuesday's meeting of the Sanford Junior High School P-TA.

In discussing the fabulous growth of the state of Florida he said that a quarter million more children are enrolled in school now than six years ago.

"There is a present enrollment of 803,000 and authoritative sources anticipate at least one million by 1960. For every 30 of these children there must be a classroom, a teacher, and a set of textbooks. At the present time the state is spending 44 per cent of all appropriations on education. Appropriations amount to \$412 million of which \$184 goes for educational purposes. One per cent of the total state budget is spent on textbooks."

He listed among the past session of the legislature the fact that they have secured a \$200 pay increase for teachers without creating additional taxes.

Another big step was the passing of the driver education bill. The purchasers of license tags pay 25 cents extra each year which amounts to \$12.50 over a period of 50 years during which time every interested school child receives instruction in safe driving.

Following Sen. Stenstrom's enlightening speech the room count was taken with Miss Cherry Singletary, seventh grade, and Mrs. Belle Rumbley, eighth grade, classes winning.

At the conclusion of the session, refreshments were served.

Jean Carpenter To Be Married Tomorrow Eve

Final plans are being announced today for the marriage of Miss Jean Carpenter daughter of Mr. and Mrs. W. O. Carpenter to Arthur R. Pedigo, son of Mr. and Mrs. Harry Smith of Orlando.

The ceremony will take place tomorrow in the chapel of the First Baptist Church at 6:30 p. m. with the Rev. W. P. Brooks Jr. officiating.

Mrs. Ann Tynes will play the piano. Miss Betty Carpenter, cousin of the bride, will be the bride-elect's maid-of-honor and Sam Jernell will act as best man. A reception will follow in the educational building of the church.

No invitations are being sent but friends of the couple are invited to attend.

Wedding Told

Fort Haywood Poole, of Sanford and Mrs. Pauline Fletcher Bradshaw were married Friday night at 8 p. m. in Miami at the home of Mrs. John T. Fletcher, 3118 N. W. 10th St.

The Rev. Rex H. Duckett of Melrose Heights Baptist Church performed the rite.

It was a simple quiet ceremony with only the close friends of the couple attending. They will reside at 107 Locust Ave. here as Mr. Poole is a civilian Naval Air Station employe.

Methodist Circles

CIRCLE SIX
Circle No. Six of the WBS of the First Methodist Church met at the home of Mrs. R. F. Robinson with Mrs. J. H. Nicholson presiding over the meeting.

Mrs. Randall Priest conducted the devotional and the study lesson was offered by Mrs. J. E. Tarwilliger Jr., using as her subject, "Practice and Presence of God," by Brother Lawrence.

Routine business was disposed of and several announcements were made. The district meeting in DeLand was revealed for Jan. 11. It was also announced that the circle would furnish hostesses at the USO Jan. 23-24. The circle will have charge of the prayer meeting service Jan. 25.

Refreshments were served to the following ladies: Mrs. M. W. Castle, Mrs. A. F. Collum, Mrs. Alice Haynes, Mrs. R. M. Mason, Mrs. C. F. Minnis, Mrs. Randall Priest, Mrs. E. B. Smith, Mrs. R. W. Sturdivant, Mrs. J. E. Tarwilliger Jr.

Mrs. Olive Wells, Mrs. J. H. Nicholson, Mrs. E. L. Petach, Mrs. W. T. Doss, Mrs. R. F. Robinson and Miss Alice Chapman.

CIRCLE NINE
Circle No. Nine met at the home of Mrs. Thomas Butts, 1412 Park Ave., and upon arrival the guests were served cake and coffee. The devotional was given by Mrs. R. U. Hutchison who read a portion of Ephesians, which was followed by a prayer offered by Mrs. John D. Long.

A news report from the Methodist Woman's was given and Mrs. W. B. Landon related a visit in Hawaii. Mrs. B. E. Higgins offered the Mission study, "Practice and Presence of God."

Mrs. Joe Ascarello, circle chairman, announced that the circle will be responsible for prayer meeting Wednesday night with Mrs. Aashy Jones in charge. A visitor of Mrs. Butts' was Mrs. H. L. Fidler, was present.

Also present were Mrs. Lida Stall, Mrs. D. A. Gregory, Mrs. Joe Ascarello, Mrs. M. E. Baker, Mrs. Albert Hardesty, Mrs. J. H. Staplin, Mrs. H. W. Dick, Mrs. D. E. Higgins, Mrs. R. U. Hutchison.

Mrs. Ruth Lundquist, Mrs. Harry Brown, Mrs. John Gilson, Mrs. Peter Monje, Mrs. C. H. Winn, Mrs. P. Lynch, Mrs. Joseph Terlep, Mrs. Thomas Butts, and Mrs. Brodie Williams.

Happy Birthday

Patti Tillis
John Fitzgerald

On The BOOKSHELF

By S. DRIGGERS

The new Current Biography Yearbook for 1953 with portraits and frank objective life stories of 330 celebrities who hit the headlines in 1952 has just been added to the reference collection of the library. Some of the famous names are, Queen Elizabeth II, President Carlos Castillo Armas, Ertha Kitt, Grace Kelly, Marshall Tito, Marshall George K. Zhukov, Walter F. George and Harry F. Byrd. Also, Roger M. Blough, Alfred Krupp, Pearl Bailey, Yma Sumac, Esther Williams, Jackie Gleason, Jack Webb, Eva Marie Saint, George Gobel, and Juan T. Trippa.

Biographies are prepared by research correspondents from all over the world. A special feature is the "Classification by Profession," which groups all 330 biographies according to occupations.

I noticed in the New York Times and the Publishers Weekly that "Andersonville" and "Marjorie Morningstar" are still leading the best sellers list in fiction, and "A Gift From the Sea" (Anne Lindbergh) leads in the non-fiction. We still have waiting lists on all three books.

Coming in February by F. M. Kenyon "The Empress Lady" is "Marie Antoinette," the story of Marie from the time she arrived in France as a 14-year-old girl. The main emphasis is on the Queen's development from a willful girl into a mature and noble woman caught by circumstances not of her own devising. Good background and details, all of which will appeal to readers of quality historical fiction.

I see that RKO has bought the rights to "Cash McCall." The book is still high on the best seller list. Literary Guild selection "Island in the Sun" by Alice Waugh, a novel about life in a Caribbean colony under British rule, is now ready for circulation. The story ran in one of the popular magazines, but as you probably know, only one third of a book is published when it is run like that.

Last but not least, have you read "Auntie Mame"? If not, you've missed a wonderfully good time. It is a humorous book about the enthusiasms and extravagances of a lighthearted best seller who recently passed the 150,000 mark. Read it and perk up your lagging spirits!

No New Business Taken At Meeting Of Baptist Class

The Woman's Bible Class of the First Baptist Church met Tuesday at 7:30 p. m. at the home of Mrs. E. S. Rockey. Co-hostesses were Mrs. G. S. Selman, Mrs. H. B. Gidham, Mrs. A. D. Rosier, Mrs. M. L. Grogan and Mrs. R. C. Wiley.

Mrs. J. B. Fields had charge of business and the meeting opened with devotionals offered by Mrs. Selman using as her subject, "Aims for the New Year."

Reports from group captains were heard and group four had the largest attendance, made the most phone calls and visits. The meeting closed with prayer by Mrs. Fields. During the social hour, members gave their favorite Bible verses.

The hostesses served ice cream and cake to Mrs. J. B. Fields, Mrs. R. C. Rhodes, Mrs. W. M. Scott, Mrs. S. A. B. Wilkerson, Mrs. Robert Cully, Mrs. H. D. Smith, Miss Georgia Littleell.

Mrs. R. L. Dunn, Mrs. A. B. Lovejoy, Mrs. F. E. Bole, Mrs. M. L. Grogan, Mrs. A. D. Rosier, Mrs. G. S. Selman, Mrs. George Ford, Mrs. George Stimpson and Mrs. E. L. Rockey.

Lake Monroe P-TA Sees Demonstration By Claude Hittell

LAKE MONROE—The Lake Monroe P-TA held its regular monthly meeting Tuesday at 7:30 at the school. The guest speaker, Mrs. J. B. St. John, president of the county council, was unable to speak due to illness.

Claude Hittell, president, demonstrated a tape recorder for the group. The P-TA is buying a recorder for the school. Mr. Wyatt's class won the home room count.

Mrs. C. T. Rayburn and Mrs. R. C. Brantley, the fourth and fifth grade mothers were hostesses for the evening.

The next meeting, a Founders Day Program, will be held at Seminole High School at 8 p. m., Feb. 2. This will be a county-wide program.

THE CPO WIVES CLUB HELD an installation of officers Tuesday night in the CPO Club. Shown, left to right are Mrs. Walt Fjell, devotional chairman; Mrs. William Johnson, sergeant-at-arms; Mrs. Raymond Freitag, president; Mrs. Howard Wolfe, outgoing president; Mrs. R. L. Herdman, vice president; and Mrs. Harold Koon, secretary. (Photo by Jameson)

Miss I. Corley Elected To Head Rainbow Girls

Sanford Assembly No. 23, Order of the Rainbow for Girls, held its regular meeting Monday night with Miss Elizabeth Woodruff, Worthy Advisor, presiding.

It was announced that a school of instruction would be held Saturday, Jan. 21, at 10 a. m. with Mrs. Leta MacMinn, Supreme Inspector, in charge. Assemblies from DeLand, Orlando, New Smyrna, Daytona Beach, Cocoa and Euclid have been invited to attend the school.

Officers elected to serve for the ensuing term were Miss Irma Jean Corley, Worthy Advisor; Miss Margaret Ellison, Worthy Associate Advisor; Miss Amoret Speir, Charity; Miss Elizabeth Russo, Hope; Miss Nan Cushing, Faith; Miss Shirley Morgan, secretary; Miss Linda Smith, treasurer; Miss Dottie Williams, drill leader; Miss Nancy Cash, chaplain; Miss Carol McNeill, Love; Miss Iris Causey, Religion; Miss Mary Ann Lederhaus, Nature; Miss Carol Ellison, Immortality; Miss Janie Brown, Fidelity; Miss Jackie Davis, Patriotism; Miss Peggy Lundquist, Service; Miss June Jennings, Confidential Observer; Miss Grace Hobby, Deter Overseer; and Miss Linda Oster, Musician.

Advisory board members elected to serve for one year were Mrs. Marjorie Shepherd, chairman, Mrs. Virginia Burney, Mrs. Virginia Anderson, Mrs. Lennie Moya, Mrs. Grace Cordell, Mrs. and Mrs. P. H. Wyatt, Robert Williams, and L. T. Sheppard. Mrs. Kathleen Reynolds was re-elected Mother Advisor for the year.

Miss Corley set Jan. 23 for her installation.

Anna Miller Circle Gives Invitation To Valentine Dance

Mrs. James Blankenship presided over the meeting of the Anna Miller Circle Tuesday evening as plans were made for the Valentine dinner and dance. The event will be held at the Elks Club on Feb. 11 and is open to the public.

Various officers and committee chairman submitted reports of happenings since the last gathering. Those present included Mrs. Peter J. Bukur, Mrs. Lowell E. Oiler, Mrs. Eddie Stout, Mrs. S. P. Brufin, Mrs. Samuel Carter, Mrs. A. C. Lange, Mrs. J. R. Hoolahan, Mrs. Clayton Smith, Mrs. A. P. Bowersox, Mrs. James Via, Mrs. Harry Adair, Mrs. W. J. Clarke, Mrs. Roy Chorpensing, Mrs. R. S. Billhimer.

Mrs. Gene Walter, Mrs. J. M. Cameron, Mrs. H. C. Diabrow, Mrs. C. H. Stafford, Mrs. Greg Kinlaw, Mrs. Harold H. Kastner, Mrs. Harry Kent, and Mrs. James Blankenship.

Card Party Tonight

The Sanford Tourist and Shuttleboard Club is holding a card party tonight at 7:30 o'clock.

Those attending have been asked, if possible, to bring a white elephant wrapped as a present and marked his, hers or general.

Add leftover cooked meat, cut in strips, to a can of Marinara-type tomato sauce. Throw in some canned mushrooms if you like. Heat thoroughly and serve over cooked noodles.

All Calendar Listings And Society News Are Requested By 5 p. m. The Day Preceding Publication

Personals

Miss Grace Marie Stinecipher has returned to resume her studies as a sophomore at Maryville College in Maryville, Tenn.

Mrs. A. H. Hatcher of Jessup, Ga., is visiting relatives for a few days.

Boyd Bennett is visiting his mother on W. First St.

Mrs. R. L. Oxler of Jackson, Tenn., is a houseguest of Mr. and Mrs. A. W. Lee.

The Rev. and Mrs. W. F. Garvin of Tulsa, Okla., have been the guests of their cousins, Mr. and Mrs. W. S. Thornton for several days.

Miss Alice Brown has returned to the University of Miami where she is her junior year.

Mr. and Mrs. J. F. Graves of Jackson, Tenn., are spending some time with their son-in-law and daughter, Mr. and Mrs. Paul Brown.

BIRTHS

A 7 lb. 12 oz. son was born to Mr. and Mrs. Earl M. Lee of Loch Arbor on Jan. 7 at the Fernald Loughlin Memorial Hospital. The young man has been named Michael Earl.

Gleaners Class Has First Meet At Rucker Home

The Gleaners Class of the First Baptist Church held its regular monthly meeting at the home of Mrs. H. Wade Rucker at 3 o'clock Tuesday afternoon with Mrs. Rucker presiding.

The meeting was opened by Mrs. A. J. Peterson who gave the devotion and prayer.

Mrs. Fred Meyer gave a report to the class of the Christmas Bazaar that was given from the class to a needy family.

Cards were also sent to members who could not attend because of sickness.

Also as a part of the meeting, Mrs. Meyer gave a reading on evangelism and the session was closed with prayer by Mrs. Peterson.

Prior to the closing of the meeting, routine business was also discussed. Delicious refreshments were served from a lace covered table with Mrs. C. C. McManus presiding over a silver service.

Those present were Mrs. J. L. Jackson, Mrs. A. J. Walker, Mrs. J. F. Lewis, Mrs. A. J. Peterson, Mrs. M. C. Hagan, Mrs. John E. Fox, Mrs. H. R. Carter, Mrs. A. Kendall, Mrs. Eva Causey, Mrs. Alice Boradorf, Mrs. Myrtle Moore, Mrs. Bertha Cottrell, Mrs. C. C. McManus, Mrs. W. C. Rumbley, Mrs. L. H. Harvey, Mrs. Myron S. Smith, Mrs. E. C. Harper, Mrs. Fred Meyers, Mrs. Theo Stiles, Mrs. H. W. Rucker, and two visitors, Mrs. Clay Sellers and Mrs. N. B. Godfrey, Mrs. McManus' sisters from Tennessee.

Postponed Meeting

Yesterday's postponed meeting of the Sanford Woman's Club will be held at the same time next Wednesday.

Weather

Continued cold and clear to partly cloudy through Saturday; high today 69-65, low tonight 23-20.

"WE WILL HAVE our open house Jan. 29," Chairman of the Board of Trustees T. E. Tucker tells the board last night. Left to right, at the meeting, held in the Board Room of the Seminole Memorial

Hospital are A. B. Peterson, John Burton, John Evans, Tucker, Gordon Frederick, Bob Bradford, Miss Carol Skinner, and Harry Weir. (Photo by Jameson)

Big Motor Operates Smoothly

So perfectly is the huge diesel motor at the Sanford Water Plant balanced that four coins, a penny, dime, nickel and quarter have been balanced on their edges for 36 hours without falling or moving.

The big motor, on which the coins are balanced, has been in use for 18 years, according to John D. Abrahams, engineer at the local water plant.

The gigantic piece of machinery, a 150-horsepower motor, runs so smoothly that the floor of the building at the water plant do not tremble or shake while the motor is in operation.

Abrahams said that the motor runs 15 out of every 24 hours and is used to supply water to the Sanford distribution system.

Dave Newman, Field Engineer for Robert M. Angus & Associates of Jacksonville, consulting engineers for the City of Sanford, who has been in the City off and on for three years planning the water and sewer system, said yesterday, "I think Mr. Abrahams and his staff should be highly complimented on the perfect maintenance of this motor."

Newman is at present conducting a five day test, which was completed at noon today, on the filling of the two water tanks used to supply Sanford's water users.

"The coins balanced on this motor are a significant of the perfect balance and condition of the big diesel engine," Newman said.

Abrahams, who says that he will be employed at the water plant for 31 years on the ninth day of May this year is assisted by Chuck Pavlic, Ed Williamson and Julian Williamson.

Memorial Hospital Will Open Jan. 29

River Rededication Ceremonies Sunday

The Florida River Cruise's boat "The Nautican" will begin its regular schedule of trips up the St. Johns River following gigantic ceremonies Sunday afternoon at 3 o'clock.

Notables from over the entire State of Florida are expected to be here for the occasion when the St. John's River, at Sanford, is rededicated the "The Nile of the Americas".

On hand for the event will be the co-operators of the Florida River Cruises, W. R. Kemp of Orlando and Richard Soder of Winter Park.

The Seminole High School band will play for the ceremonies which officials say will get underway promptly at the 3 o'clock starting time.

Also scheduled for the occasion is a pageant that will be presented by Seminole High School Glee Club members under the direction of Miss Ollie Reese Whittle.

Coming to Sanford for the St. John's River rededication will be a group of Seminole Indians from Silver Springs who will probably find it strange, even in these modern times, to be riding a 100-foot pleasure boat instead of the usual birch bark canoes that their ancestors used along the wide winding river.

Representing the City of Sanford will be Mayor F. D. Scott who will greet the huge crowd coming to Sanford for the event. Mayors from cities in a radius of 75 miles of Sanford, along with officials from the Chambers of Commerce in the same area, have been invited here for the initial run of "The Nautican".

The big boat, carrying 250 passengers, complete with dance floor, snack bar, and a glass enclosed deck for cool or inclement weather, will be skippered by Captain J. R. Oliver with a capable crew of engineer and purser.

Ceremonies getting the big pleasure boat underway will take place at the Sanford Pier where "The Nautican" will dock each day.

Rev. Fisher Takes New Baptist Duties Here Sunday Morn

The Rev. Fred Fisher will assume his duties here in Sanford at the First Baptist Church as Associate Pastor Sunday morning.

Before reaching Sanford to take over the new assignment, the First Baptist Church at Hapeville, Ga., forwarded a resolution praising his work there. The resolution received here is:

WHEREAS, Rev. and Mrs. Fred B. Fisher have served our church faithfully and loyally for a period of four and one-half years and have worked with a vision of strengthening our church program for the future, unselfishly giving themselves and their talents;

AND WHEREAS, Our Sunday School has shown a constant growth in enrollment and service under Mr. Fisher's leadership and guidance, having grown from an enrollment of 2147 to the present enrollment of 2147, having held each summer very successful Vacation Bible Schools in which Mr. Fisher served as principal and organizer, and having reached in 1935 the Standard of Excellence;

AND WHEREAS, Our Training Union has made marked progress under Mr. Fisher's leadership, having grown from seven departments to the present fourteen departments;

AND WHEREAS, Mr. Fisher, with his ever-present spirit of improvement and growth, began his music work with no previously organized and graded choir program as recommended by the Southern Baptist Convention, and during this four and one-half years we have obtained a completely graded 175, which is over ten per cent choir program consisting of seven choirs with a total membership of our resident membership, having acquired new choir robes, a choir rehearsal room, a dean of music, a church music committee approved and elected by the church, and a full-time organist and associate choir director;

AND WHEREAS, Mr. and Mrs. Fisher are known and recognized for their abilities by musicians and training leaders of our association and state denominational work;

AND WHEREAS, Mr. Fisher has meant so much to our pastor in making it possible for him to render greater service to our church family;

THEREFORE, BE IT RESOLVED, that we, the First Baptist Church of Hapeville, Georgia, give Mr. and Mrs. Fisher our official vote of thanks and appreciation and assure them of our love and prayers as they go to another field of service in the Kingdom's work;

BE IT FURTHER RESOLVED that a copy of these resolutions be sent to the First Baptist Church of Sanford, Florida, a copy to the Florida Baptist Witness, and that a copy be given to Mr. and Mrs. Fisher.

Guided Tour Is Planned Trustees Board Holds Meeting

"Because of the cooperation of all of those concerned with the construction and preparation of the new Seminole Memorial Hospital, we have found it feasible to hold our open house reception on January 29th and we will probably be able to receive patients on Feb. 1, contingent upon the arrival of equipment and supplies," T. E. Tucker, chairman, told the Board of Trustees last night.

The meeting, held in the Board Room of the new hospital, was held to discuss the opening date and the hours that the hospital would be open for visitors during the two days set aside for the open house.

Sunday afternoon, Jan. 29, visitors will be allowed to tour the hospital by a guided route, from 1 to 6 p.m. and on the next day, for those who did not have an opportunity to see the facilities of the million dollar hospital plant, the tour would be conducted again, from 2 to 5 o'clock.

Tucker emphasized that there is a possibility that the hospital would receive patients on February 1 if equipment and supplies arrived to take care of the necessary supplies and needs of the patients.

However, in planning the move, he called for volunteer help to move the patients, equipment, and supplies from the former Lanark Memorial Hospital to the new Seminole Memorial Hospital. Plans for the volunteers and those needed are not yet complete.

Safety Department Tells Suspensions Of Drivers Permits

The driver's license division of the state department of public safety today announced another revocation, suspension and cancellation list of names on a county-by-county basis.

Latest report is for last October, and shows the following actions:

Revocations: 922, suspensions 420 and cancellations 83. The parole commission returned 89 drivers permits with restrictions.

In Seminole County, revocations, suspension and cancellations are as follows:

Sanford—Christo Bell, James Monroe Davidson, Leroy Dixon, Rosa Harding Foster, Jonnie Jeff Jones, Herbert Elmo Lampert, Evered Raymond Snyder, Homer Benton Waller, revoked. Hugh Ylison Gooding, Rosa Califa Knight, suspended.

Altamonte Springs—David Lawrence, revoked. Hurlis Bouey, suspended.

Oviedo—Jacob Bohler, revoked. Markham—Spencer Crews, revoked.

Lake Monroe—Ernest Scott, suspended.

Sanford Atlantic's Past Year Said Best

"The past year was the best in the history of the Sanford Atlantic National Bank," R. J. Bauman, president, told the bank's Board of Directors at their annual meeting held Tuesday.

Individual deposits of our bank show an increase of \$832,000, he said, with an overall increase of \$239,383.94.

Pointing out to the Board of Directors, prior to the election of officers for 1936, Bauman said the loans made by the Sanford Atlantic National Bank increased from a previous year's total of \$2,604,484.91 to \$3,231,205.74 in 1935.

The entire slate of officers were reelected at the bank's annual meeting with J. W. Shands as Chairman of the Board; R. J. Bauman, President; R. F. Mann, Vice President; O. C. McBride, Assistant Cashier; and J. B. Roxtun, Vice President and manager of the installment loan department.

Directors reelected at the meeting were: R. J. Bauman, president; Georgia D. Bishop; H. H. Coleman; R. W. Estes; L. I. Frazier; J. C. Hutchison; R. F. Mann; H. B. Pope; J. W. Shands; and Ira E. Southward.

In summarizing the year's successful outcome Bauman told the Board of Directors that "1935 was a good year with us and looking forward to the future, 1936 should be even better with the increase in population and the better economic conditions."

"Due to the vast improvements we made in the bank's facilities during 1934," Bauman said, "we realize the 1935 increase with a very nice increase in the number of new accounts and volume of business."

"Our Christmas Club for 1935," said Bauman, "has shown a decided increase in the number of accounts."

Pointing to the other facilities the bank's president said that "the walk-up window continues to be very popular with the average number of customers using this facility being about 200 each day."

Reporting to the Board of Directors on the loans made by the Sanford Atlantic National Bank he said "our total loans were 4,151 with

Local Cooperation In Festival To Get Underway Jan. 19

The Seminole County cooperation in the Florida Products Festival will get underway Jan. 19 and continue through the 28th, according to Ralph Moore of the Florida Development Commission, who was in Sanford yesterday to meet with the Chamber of Commerce committee which will head up the campaign here.

Newman is at present conducting a five day test, which was completed at noon today, on the filling of the two water tanks used to supply Sanford's water users.

"The coins balanced on this motor are a significant of the perfect balance and condition of the big diesel engine," Newman said.

Abrahams, who says that he will be employed at the water plant for 31 years on the ninth day of May this year is assisted by Chuck Pavlic, Ed Williamson and Julian Williamson.

Ralph Austin Smith, chairman of the committee, Bob Kilvan, and James A. Wright, members, and Forrest Breckenridge, manager of the Seminole County Chamber of Commerce met with Moore to complete plans for the local campaign.

There are hundreds of items manufactured right here in your community, Moore told the committee. Grocery stores numbering over 1,500 in Florida, banks, and schools will participate in the gigantic ten-day campaign designed to inform Florida citizens of the importance of Florida products and the part they play in the daily life of the Sunshine State community.

Plans were discussed for local displays and publicity for the event as well as ways and means to gather the material necessary to create the displays.

The Florida Products Festival gets underway following a proclamation issued by Governor Leroy Collins; it reads:

"WHEREAS, there is a need for more widespread knowledge of the diversity and excellence of Florida products; and

"WHEREAS, there is ample justification for the development of a strong sense of pride in Florida products; and

"WHEREAS, the support of Florida products will substantially increase the growth and prosperity of the State and its citizens; and

"WHEREAS, today at least sixty (60) per cent of the retail sales dollar spent in Florida is leaving the State, and there exists a challenging opportunity to reduce this percentage; and

"WHEREAS, the Florida Development Commission, recognizing the continuing need for a program promoting Florida products, has given leadership in sponsoring an annual state-wide event to promote and encourage the expansion and development of markets for Florida products and in assisting and coordinating the efforts of agencies, organizations, and groups within the State in planning and carrying out this promotion:

"NOW, THEREFORE, I, LE ROY COLLINS, by virtue of the authority vested in me as Governor of the State of Florida, do hereby proclaim the period of January 19-28, 1936, as FLORIDA PRODUCTS FESTIVAL in Florida, and urge the business firms and information media of the State and the citizens of Florida to cooperate during this period in the promotion of Florida products."

Elks Charity Ball At Mayfair Jan. 14

The annual Elks' Charity Ball will get underway at the Mayfair Inn tomorrow night at 9:30.

Tony Perez and his orchestra will furnish the music for the annual affair sponsored each year by the local Elks' Club.

Net proceeds from the dance will support the many charitable efforts made by the Sanford Elks' Club throughout the year furnishing happiness and health for hundreds who otherwise would receive no help.

The highlight of the winter social season in Sanford, the annual Elks' Charity Ball, is held in the ballroom of the Mayfair Inn.

Reservations may be made by calling 411 or tickets may be obtained by calling 2304.

WINN-WILLIAMS PAINT STORE on Magnolia Ave. was officially opened yesterday when Mayor D. Scott cut the ribbon while George Morgan, manager of the local store and Chamber of Commerce, President George Tully look on. (Photo by Jameson)

New Sewer Section To Be Completed

A 400 foot section of eight-inch sewer main will be completed tomorrow, says the report from Russell Dallas, head of the City of Sanford's Utility Department.

The new section of sewer line, said Dallas, has been laid between Willow and Bay Aves. north of 25th St.

This section is another in the overall plan for completing sewer projects with city crews, said Dallas.

Plans Approved For Construction Of Church Building

Final plans for the construction of a church building for the Lutheran Church of the Redeemer were approved last night at a meeting of the congregation.

The plans, prepared by the Sanford architectural firm of Burton and Rogers, were recommended to the congregation by a building committee headed by J. G. Jorgensen.

Only two steps remain to be completed before the actual building of the new Lutheran Church here. The plans must further be approved by the Architectural Board of the Georgia-Florida District of the Lutheran Church, Missouri Synod and bids must be received and accepted.

The Lutheran Church of the Redeemer was originally formed in Sanford on Mother's Day 1933 and is at present holding its services in the Yacht Club.

The Rev. Phillip Schlessmann is pastor of the congregation.

Officers were elected for the fiscal year Jan. 15, 1936 to Jan. 14, 1937.

Reelected to serve as president of the congregation was J. Marion Hartman Jr., Jerry Senkarik was elected vice-president; Dean Taylor, secretary; Henry Thurston, treasurer; John Senkarik, financial secretary; John Schmidt, assistant financial secretary; and David Green, head usher.

A board of Deacons was formed for the congregation and the president, vice-president, secretary and treasurer were named to the board for 1936.

The election of officers was made on the recommendation of a nominating committee when a full slate of officers was submitted for approval of the congregation. J. G. Jorgensen was chairman of the nominating committee.

Officers Elected By Congregation

Officers of the Congregational Christian Church were elected at the annual meeting of the church body held Wednesday night.

Trustees were named in the election with Harold Herbst and W. W. Lutz serving for the one year term in 1936; James Eastman and James Gut Jr., were elected for the two year term 1936-37; with W. C. Eymann and Richard Ivers elected for three year terms 1936-37-38.

Mrs. Connie Bender was elected secretary and clerk for the church body; Mrs. Althea Eastman, treasurer; and Miss Helen Witte reelected chorister and organist.

The meeting, held at the church, 24th St. and Park Ave., was opened by the Rev. J. B. Root, minister and the Rev. Fred P. Ensminger, associate pastor.

The new church building for the Lutheran Church of the Redeemer will be located on property purchased on South Oak Avenue and 25th Place just off South Park Ave.

Edward C. Phelps Dies Last Night

Edward C. Phelps, 75, died at the local hospital last night after a lingering illness.

Born April 21, 1860 in Lancaster N. Y., he had made his home in DeBary for the past four and one half years. He was a member of the Brooklyn, New York Presbyterian Church and was retired from the H. J. Heins Co. of Pittsburgh, Pa.

Survivors include one sister, Mrs. Gertrude Phelps Horne of DeBary; and one brother, George E. Phelps, Greenville, Conn.

Services will be held at 2 p.m. Monday at the Brison Funeral Home with the Rev. A. G. McInnis officiating. Burial will be at a later date.

State Comptroller Pays Local Visit

Ray E. Green, State Comptroller was briefly in Sanford yesterday, stopping by to speak to local officials.

Accompanying Green was Carl Lyle Ausley of Tallahassee, associated with the Comptroller's office.

The State Comptroller was returning to Tallahassee from Daytona Beach where he had attended the Florida Sheriff's Association meeting.

Greeting Green were Representative Mack N. Cleveland Jr., Assistant State's Attorney Volle A. Williams Jr., and County Commissioner John Meisch.

SEMINOLE COUNTY'S JAYCEES Teenage Road-o-a got under way yesterday at Seminole High School with young motorists competing for driving excellence under the observation of local judges and traffic enforcement officers. (Photo by Jameson)
