It was dissatisfaction with the present and desire for something better that inspired the inventors and founders of industries. It is the anguish of the underprivileged that has spurred every social reform. Indeed, it was unrest that brought about the Mexican Revolution which, like our own, started that country on the road to democratic prosperity. When the natives stop being restless for a better life, then Mexico will have something to worry about.

By Sam Stanley Herald Sports Editor The Fighting Seminoles became the Cinderella team of Florida high school basketball this past weekend in DeLand as they swept the Class A Group 6 championship with two convincing victories. The two victories gave time, but DeLand came back with two baskets inside the state in the state of Seminole five wins in its last six games and hiked the first minute of the second half to narrow the count to 26-24.

The big win over DeLand
Friday night was the first time the Bulldogs had lost on their home floor this year, and the Seminoles did it in and the Seminole had taken an early season encounter from their south county foes, 51-40.

Lyman's victory over Florida Millitary Friday night was an easy one, as expected.
