

X-rays Explained To Lake Monroe Homemakers

A program on health entitled "What a Chest X-ray Tells Me and My Doctor" was presented by a county health nurse, Mrs. Hilda Kibbe, for members of the Lake Monroe Extension Homemakers Club at their monthly meeting in the Community Building, Mrs. Kibbe was introduced by Mrs. Sara Kate Myers, club health chairman, and was assisted in her lecture by Dr. Kenneth Wing, president of the Seminole County TB Association. Dr. Wing used an overhead projector to illustrate his talk. Mrs. Kibbe reported a total of 7,844 X-rays made in 1965. From this number, four persons were hospitalized.

Third Quarter Kills Seminoles

Grenadiers Topple SHS

By Ben Stanley
Herald Sports Editor

Seminole High couldn't find the field goal range in the third quarter Tuesday night and the fast-breaking Colonial Grenadiers took advantage of the cold spell to grab a 67-49 Metro Conference victory on the Colonial home floor.

With Frank Whitman and Lamar Oxford setting the pace, the Seminoles had their half as they led by 16-14 at the first quarter mark and half-time.

But Oxford, who collected 11 points in the first half, became sick at halftime and never re-entered the game. Colonial scored nine straight points at the beginning of the third period for a 43-13 lead and then coasted home from there.

Seminole didn't get a field goal in the third period and

hit on only three of seven foul shots. In the first half alone the Stanford club scored 12 field goals.

Whitman was high man for SHS with 15 points, his best night of the season. The 6-foot forward hit on seven field goals and one of two free throws. Don Nicholas added 12 points, including six of seven free throws, and Oxford added his 11.

Tommy Bryan was the top rebounder for Seminole with seven.

Charles Brown and Rick Rosenbaum led the Colonial offense with 15 points each. Fred Milton controlled the defense. Brown tallied 23 points and Rosenbaum tallied 21.

It was the fifth victory in 11 starts for Metro and hiked its Colonial Conference mark to 3-2. Seminole is now 2-8 overall and 0-4 in loop play.

A student graduating from a PGA Business School may use the course in lieu of his first and/or final year of basic experience required for membership in the PGA of America.

9th Win For Oviedo

The Oviedo Lions had some shooting problems last night, but their sagging ball court press had its effect on Lyman and the Lions breezed by the Greyhounds, 63-37, on Oviedo's home court.

The loss was the 10th for the Greyhounds who were never in the game.

Oviedo's press began taking effect immediately. The Lions dumped in 10 points before the Houma could score.

Billy Miller, Bobby Stewart and Jim Harper paced the Lions to their ninth victory in 11 games. Miller was the top scorer with 17 points. Stewart tallied 10 points and Harper tallied 14 points and 14 rebounds.

Harper and Stewart each had six points as the Lions charged out to a 17-6 first period lead. It took Lyman five and a half minutes to score his first point, a foul shot by Charlie Newell.

Lyman got a little more organized in the second period, but the Lions still outscored them, 18-10, giving Oviedo a 35-16 halftime lead.

The Lions took charge again in the third quarter. Oviedo increased its lead by 10 points, dumping in 19 markers to Lyman's nine. Lyman settled for 10 points in the final quarter, but again they were outscored, 14-12.

The Lions played a fine defensive game. None of the Greyhounds reached the double figure mark. Bruce Hester was Lyman's top scorer with nine points and Richard Wood had seven markers.

The Lions had their poorest shooting night since their first game when they hit 27 per cent from the field. The Lions shot only once on 28 of 55 attempts last night for 27 per cent.

Lyman had even more trouble finding the range, hitting only 18 of 37 shots in 72 attempts for 48 per cent.

Halas Drops Suit After Judge Says Allen Had Breached Pact

CHICAGO (UPI)—George Halas was free today to be coach of the Chicago Bears after a federal judge ruled that Allen had breached his pact with Halas.

Allen, a controversial figure in the Bears' past, had filed a suit to prevent Halas from coaching the Bears.

Halas announced his decision after Circuit Court Judge Cornelius Harrington held that Allen had breached his pact with Halas.

"George Allen was a minor issue," Halas said. "The validity of his contract was the issue. I want to drop the suit. Allen can go to Los Angeles."

Halas said he had not notified his attorney, Charles Short, of the content of his statement, but that he had planned to drop the suit if the validity of the contract was upheld.

Harrington said the evidence indicated Allen breached the contract by negotiating with Rams president Dan Reeves without his written permission from Halas and the Bears, and that he further breached it by committing himself orally to become coach of the Rams.

The outcome of the case was hailed by National Football League Commissioner Pete Rozelle and Reeves. Rozelle earlier had announced he would hold a league hearing on the dispute.

"I'm gratified that all parties are pleased with the outcome of the situation," he said.

Reeves said "everybody seems to be happy and now let's go to work."

Strikes . . . Rector Wins At Wekiwa

By John A. Spolaki

With the Annual Women's Bowling Tournament coming along, it just wasn't the same without having the Bill Hemphill Motor-ettes League being the first group to have entered. But, you know, this just doesn't happen by itself.

For the past three years, Mabel Duggan has been the spark-plug in going around to each of the leagues . . . spending most of the time convincing the girls that they're ready and good enough to bowl in this league.

Talking in the first frame of the maddening 6-8-10 split, I'd like to say that she made it, but he wasn't even close.

However, from the second through the balance of ten frames, this H.O.C. (hot or cold) por-sider clobbered the one-two pocket with 11 consecutive strikes to finish with a 278! (Modesty certainly forbids me to mention this culprit's name but he is the same bowler who on the following night rolled games of 121 and 126 in the sweepstake.)

The team event is scheduled for Saturday, Feb. 12, with squads at 1, 4 and 7 o'clock. On Sunday, the 12th, will have the Doubles and Singles with only two squads scheduled, 1 and 3:30 p.m.

I hope that the secretary of each league takes it upon herself personally to assure the women's association of excellent representation from their respective leagues.

Talking as we were a moment ago about the Deltona Bowling Mixed League rolled a respectable 179, 170-84 series as did the other five clubs. At Pointe Orlando, Grace Sermondan 181; Don Young 129; George Tariff 112 at 10:30 p.m.

By Pritchett of the Deltona Bowling Mixed League rolled a respectable 179, 170-84 series as did the other five clubs. At Pointe Orlando, Grace Sermondan 181; Don Young 129; George Tariff 112 at 10:30 p.m.

Seminole Junior Varsity Wallops Colonial, 52-40, For 2nd Victory

By J. Richards

The Seminole High junior varsity quintet recorded its second basketball win in nine games as the young Seminoles won their first Metro title over the Colonial junior varsity, 52-40, Tuesday night at Colonial.

The Baby Seminoles won an encounter with the weaker Florida Military team in its previous start, but the win over Colonial is the first of four Seminole players scored in double figures, was a big Ira Abramson led the Stanford attack with 14 points and eight of which came at the added 12 points. Bill Wheaton scored 11 and Bruce McKibbin tallied 10.

Newcomer Is Sweep Champ

A comparative newcomer to bowling, Ted Young of Orlando won the first Saturday Sweep at 1st Lanes with a 731 scratch series, plus a 108 handicap for a 839 combined total.

Second through third positions were captured by Jean Buque (812) and George Heery (796).

The individual jackpot game winners were as follows: Al Bergman (137); John Spolaki (137); Bill Meeks (194) and a 211 for the final game, L. R. Jones.

This tournament will be run every Saturday at 7 p.m. and is handicapped to all bowlers, men and women, from all of America.

Crooms Get Second Win, 75-67, Hits Road To Lakeland Tonight

Crooms' hotshot Vernell Elly collected only 13 points and 11 rebounds, but he led the Panthers to a 75-67 victory over the Greyhounds.

The Panthers are now 11-1 in the Metro Conference. They will hit the road tonight to Lakeland to play the Greyhounds.

FSU Five Falls To Gators, 74-65

GAINESVILLE (UPI)—The Florida Gators, boosted by the 76 per cent record from the 1961 team, defeated rival Florida State University 74-65 Tuesday night.

Florida State jumped to an early lead, but the Gators' Gary Keller and Jeff Ramsey scored the game's high points with 24 points.

Keller paced the Gators with 18 points.

Dolphins Grab 12 More From Other Teams

HOUSTON (UPI)—The Miami Dolphins, swept in the American Football League, doubled their team roster Tuesday by choosing 12 more men from the league player pool.

The new AFL team had one more crack at the league talent today.

Three former top draft choices—Jack Spikes of Houston, Ken Rice of Oakland and Jim Davidson of Buffalo, were on the list picked Tuesday by Miami. The others were Dick Westmoreland, 21, defensive back from San Diego; Tom Erickson, 25, line backer from Denver; Frank Jackson, 26, flanker-back from Kansas City; Mike Hutlock, 31, offensive center from the New York Jets; and Ross O'Hanley, 26, defensive back from Boston.

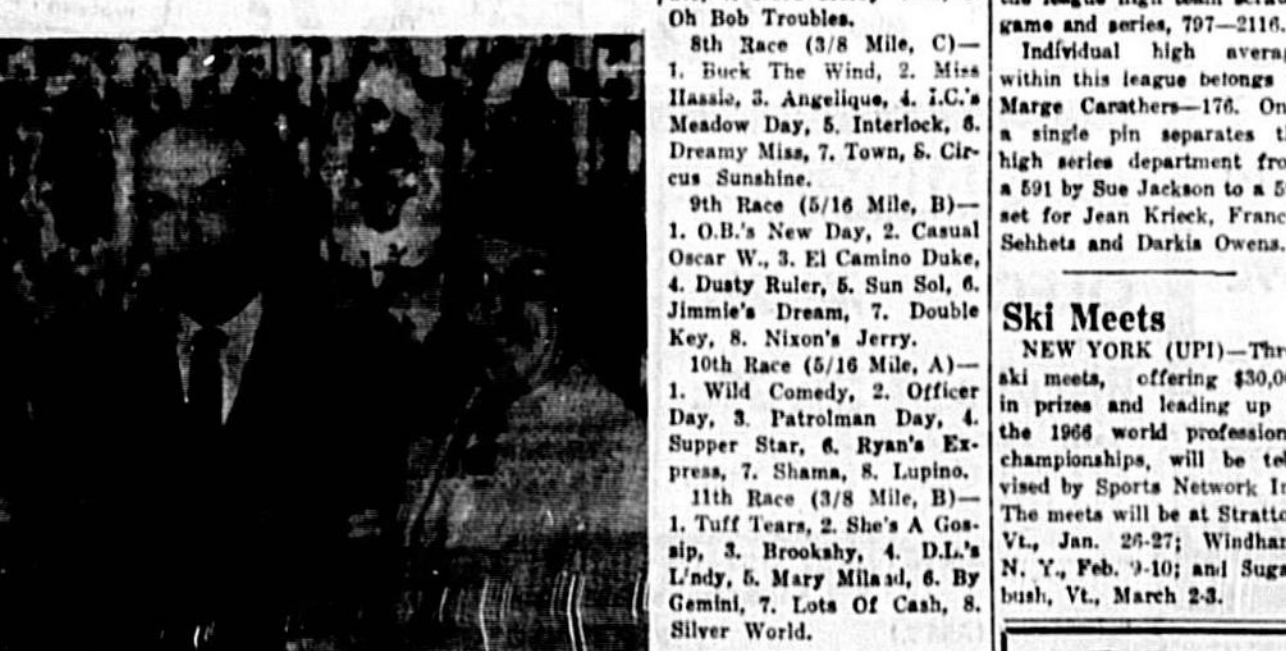

Also Denver defensive back John McGeever, Norm Evans of the Houston Oilers, Rich Facher of former Utah State fame, and Alphonse Dotson, defensive tackle from the Kansas City Chiefs.

JOHN BONIFACE Seminole Grad Accepted At UF Medical School

John Boniface Jr., son of Mr. and Mrs. John Boniface, 2218 South Palmiste Avenue, has been accepted to the University of Florida medical school beginning in September.

A '62 graduate of Seminole High School, Boniface received his bachelor of science degree from the U of F last December, with honors in chemistry. He was a member of Phi Kappa Phi honor society, Phi Kappa Phi honorary fraternity, where he had the distinction of being vice president and president, working for Dr. Arthur Koch in the department of biochemistry at U of F medical school where research on protein metabolism is being conducted.

He is married to the former Carol Sue Higginbotham, of Bradford, and they have two children, Blair and John III.

Strike Squabbles May Be Banned

WASHINGTON (UPI)—Florida's Sen. George A. Smathers said he will introduce a bill to settle labor-management squabbles which make the general public "horrified" by collecting bargaining disputes.

"We simply can not allow whole cities, and vital industries, to be disrupted by stubborn men unwilling to yield in controversies," Smathers said.

He said his bill will propose that a federal labor-management court be set up to make final judgments in cases such as the just-ended New York transit strike.

Motels Up

TALLAHASSEE (UPI)—Hotel and restaurant commissioner W. J. Harbrick said that big, luxury motels are replacing smaller ones in the state. He is reminding the public of Motel Month in Florida.

Harbrick said also that permits were issued last year for 345 new motels, valued at \$81 million.

College Named

GAINESVILLE (UPI)—The Alachua County school board tentatively accepted Santa Fe Junior College as the name of the new Alachua-Bradford institution which begins classes in the fall. Final action on the name will be taken after the public has had time to offer alternate names.

4.4 Million Mothers, Children Drawing Welfare Assistance

WASHINGTON (UPI)—A record 4.4 million mother and children are receiving federal-state aid designed to help families, welfare figures show.

The caseload of the extended coverage of unemployed fathers.

Although reluctant to interpret the climbing ADC caseload, one official said it reflected the growing "plight of the under-educated."

A special labor Department study last year said it was an indication of the breakdown in the family structure of Negro living in the urban areas.

The November ADC recipients included 4,382,000 persons in 1,084,000 families, a welfare administration spokesman said. The total included 3,311,000 children, who alone exceeded the 3,118,000 persons in 815,000 families who received such payments five years ago.

ADC payments normally go to mothers and children who are deprived of support because of the death, desertion or disability of the father.

The federal government usually pays more than half the cost of the program, first started in 1935 to help widows and orphans.

Some critics charge that ADC encourage idleness because payments are made off-aid because of the mother's actions.

lock if the mother meets other qualifications. Its defenders contend it would be poor policy to punish children by cutting off aid because of their mother's actions.

Illinois Ponders: Typhoon Slated For New York?

NEW YORK (UPI)—"We figure New York will probably have a typhoon next week. This dire prediction (to be checked, or course) was spread over three quarters of a page in an advertisement in the New York Times."

It was part of a full-page ad placed by the Department of Business and Economic Development of the state of Illinois.

It was calculated to lure New Yorkers to look toward Illinois as a possible haven from most natural and man-made disasters which have plagued this city recently.

"Typhoons hardly ever happen north of Pago Pago," the ad explained.

"But that year your luck has been running it wouldn't surprise us if it happened to you."

"First your water dries up. Your lights go out. No newspapers, no subways. So why not escape a tropical storm?"

"It is hoped by Mrs. Stratton that residents will volunteer their services for this worthwhile effort and that there will be enough workers so that there will be one for each street in the village."

The ad confessed that Illinois does have wind and snow but "none of that crazy stuff like you."

According to the department of business and economic development, Illinois has computer trains that are seldom late and enough water for everybody to take three showers a day.

Heart Chairman is Appointed At North Orlando

By Margaret Conby
Mrs. Forrest Stratton, 20 South Devon Avenue, North Orlando, who has been named Heart Fund chairman for the community, is seeking block captains to help with the drive which will climax Feb. 18-20 for donations.

It is hoped by Mrs. Stratton that residents will volunteer their services for this worthwhile effort and that there will be enough workers so that there will be one for each street in the village.

Details and literature for the Heart Fund drive will be distributed at a coffee this Saturday at the home of Mrs. James McKee in Loch Arbor.

'Cookie Jar' Recipes Free

A number of years ago, the Savannah Sugar Refining Corporation decided to put recipes on the back of its Dixie Crystals Sugar cartons.

The recipes immediately became popular—so much so that it was decided to make a collection of "Favorite Recipes" from the cartons of Dixie Crystals.

You may have this collection already and would like another collection called "The Cookie Jar," also put out by this company.

Just write to Savannah Sugar Refining Corporation, Savannah, Ga., and ask for "Favorite Recipes" and "The Cookie Jar."

They're free!

123-1746
Mrs. Carrie Altheison, of Bronx, N. Y., announces the marriage of her daughter, Gwendolyn Bethan, to Samuel Sims, son of Mrs. Katie Collins, Ft. Lauderdale.

MR. AND MRS. SAMUEL SIMS

The marriage was solemnized Nov. 27 at Mt. Zion Missionary Baptist Church, Oakland, Calif.

Rev. W. A. Holly, pastor, officiated at the ceremony, which was followed by a reception at the home of Mr. and Mrs. C. A. Lockett, of Oakland.

ELLIOT BELLAMY Jr., president of Crooms High's Student Government, presents trophy to D. C. McCoy for outstanding services rendered by the Quarterback Club. Other members, from the left are: S. Isaac, Elliot La Fair, Oscar Merthie, Dr. J. C. Ringling, Paul Dixon, Rufus McClair and Edward Harrington.

The annual March of Dimes ball will be held Friday, Jan. 28, from 10 till 1 at the Deluxe Club. The proceeds from this affair will be used to help the many, many persons who are stricken with infantile paralysis.

Please come and make your contribution, and at the same time enjoy yourselves. In the past, this affair has afforded wonderful evenings of entertainment.

Come and dance in honor that someone will find happiness by walking again.

The Quarterback Club has made tremendous strides since its reorganization approximately one year plus. Its contribution to the Crooms High athletic department is of utmost significance.

Gymkhana Scheduled Feb. 13

By Margaret Cusby
January meeting of the Duty Boots Riding Association was held at the home of L. C. Cdr. and Mrs. John McCarthy, on Lake Mary. Wesley Giles was present as a guest and Miss Sharon Scott joined the roster of Duty Booters, swelling the ranks of younger members in the organization.

Howard Lloyd was named general manager of the forthcoming issue. Originally scheduled for Jan. 20, due to a conflict in shows, the Duty Booters switched their gymkhana to Sunday, Feb. 13, at 1 p.m. Robert Harvey, heading up the arena committee, scheduled a work day to prepare the ring for the events.

Mrs. Harvey accepted the responsibility of entering the Duty Boots in the Baby Contest.

Dear Abby:

DEAR ABBY: We have been married seven months and our only quarrels have been over my husband's refusal to take my part against his parents when they are in the wrong. I work six days a week and Sunday morning is the only morning I can sleep a little bit later, but with my in-laws calling on us before 7:30 A.M., it is impossible. Also I look terrible when I first get up and I'm embarrassed to receive guests that way.

Jacoby On Bridge

Newspaper Enterprise Assn.
The Jacobys continue their discussion of bridge from the International team trials.
Oswald: "What do you think of the luck element in the trials?"
Jim: "It was certainly present. Last week I mentioned the hand in the final match in which the location of the king of spades determined two of the three places on the team. On the other hand, luck tends to equalize and I don't anyone can credit luck for making the team or charge luck for not making it. Everyone had plenty of chances to pick up International Match Points."

Jacoby and Son

Jim: "I see why you are driving at luck. Two South players decided to open one spade. This is poor tactics in general because you are going to be attacked without enough ammunition. I am sure each South player was ed at six just as well as at four. My mother and I bidders were rewarded with 12 IMPs each."
Oswald: "That's just the point. The opening spade bid was unwise. The final slam contract was also unwise. There was no play for it without the club finesse and the hand would really have collapsed if clubs had broken ace. In any event the trump suit was a disaster."

We The Women:

Newspaper Enterprise Assn.
American women go to extremes in fashion. They're either overdone in fur, hair styles and make-up or sloppy in slacks, blouses and hair cutters.
That is how one foreign visitor, with a trained eye for fashion, Viviane Greyson, fashion editor of the French newspaper "Le Figaro," saw the American woman when she recently toured the major American cities.
Though it isn't a very flattering picture, who can deny it's a true one.
We American women go all out when we dress for a special occasion or a special occasion. Nothing is too much

By Abigail Van Buren

DEAR ABBY: I would like your opinion of the business executive (or professional man) who has pictures of his wife and family prominently displayed on his desk. No one is interested in it if he has forgotten what his family looks like, he should take a letter look at them when he gets home. I never know what to say when I am confronted with a "gallery" of pictures of his wife and family. I am sure he is expected to say something complimentary, but I find myself fighting the urge to speak the truth. EXECUTIVE (RETIRED)
DEAR ABBY: The reasons for "family galleries" on office desks are many and varied. Some are there because the man has a habit of looking at them. Others are there because the man's wife has put them there. Some are there because the man is proud

of his family and wants to show a little. And some are there for "protection." I'm told that occasionally a woman needs to be reminded that her doctor, dentist or lawyer is a family man.
DEAR ABBY: What can parents do about a situation like this? We have always taught our children to address adults as "Mr." and "Mrs." We have some neighbors who are older than we are and they tell us that we should address them in that manner but as "JEAN-NEE and HANK." Training children to be polite nowadays without neighbors like these to complicate matters. Can you tell us what to do? We've always been on friendly terms with all our neighbors and don't want any trouble now.
ANNOYED PARENTS
DEAR ABBY: Tell your neighbors (privately, of course) that you have instructed your children to address adults as Mr. and Mrs. and when adults ask to be addressed by their first names, they confuse the children. It is hard enough nowadays without neighbors like these to complicate matters. Can you tell us what to do? We've always been on friendly terms with all our neighbors and don't want any trouble now.
Problem? Write to Abigail, Box 69700, Los Angeles, Calif. For a personal reply, enclose a stamped, self-addressed envelope.

DEAR ABBY: I have a dear friend with a beautiful home, and she has suggested that I look at it if I had some time to stay there during the few days before and after the wedding. Would this be correct? I just can't face having visitors." — L.L.
The father and mother of the groom can properly stay at a hotel, as you are not equipped to have them as house guests. I think your dear friend's offer is wonderful, and why not take advantage of her kindness?
"Would it be in good taste for my grandmother to wear a racy red velvet housecoat, long fitted, at a champagne party for the announcement of my engagement? She loves the coat and looks so pretty in it. She isn't well."
— G.D.
Of course, your grandmother may properly wear her beautiful housecoat. Have her hair done and let her wear a bit of matching lipstick.

The GIs' Phone Home... And Wait

By Tom Tiede
SAIGON, Vietnam (UPI)—The first color of dawn was still an hour away as the fogged-up GIs began stuffing themselves into the damp-walled room.
"Are you calling the United States?" a drowsy clerk wondered.
"We are," the group chorused.
"Fill out these forms, please."
"Hey, hold," a soldier asked, "how long does it take to get through?"
"One to four hours."
"That long... for a phone call?"
"At least."
"Look, I want Maryland, not Marx."
The men chuckled, filled in the forms and regulated themselves on their rags. Phone home, they knew, like everything else here, would require the use of waiting.
The men had arrived at 6 a.m. to be first in line. They were greeted by those who had arrived at 5. The office opened at 7, the operators coaxed up at 7:20 and the first busy signal rang out at 8:15.
"We have only two lines open," the clerk said.
"Everybody sucked a lemon."
"If weather is bad, calls are cancelled."
Everybody wrinkled a nose.
"If you do get through, you may be cut off."
"That long... for a phone call?"
"But normally, there is no trouble."
A rooster began to crow somewhere. A man had his transmitter shrilling. Morning papers were read. Fingers were cleaned with matchsticks. A guy began to pass a photo of his wife around.
"Boy," said the latter, "I gotta get through."
"Oh?" a man yawned.
"Yeah, my wife's having a baby."
"How long you been married, kid?"
"Nine months now."
"Oh?"
"Yeah, and this is our first baby, too."
There are only two places in Saigon where a GI can call home. They are daily jammed with sweating, swearing traffic.
Money is the only problem that isn't one. The cost is only \$6 for three minutes of conversation. Six minutes is the limit.
"What happened?"
"Who you calling, fella?" one man asked another.
"My girl."
"At least she was my girl. It's me, all!"
He passed breathlessly for the cracking, barely audible answer.
"Huh? He gulped. "Whya mean, Al who?"
"Now, she kissed me off before I even left the States."
At 8 a.m. Saigon, it was 12 hours earlier in New York. It was 7 p.m. in Chicago, 6 in Salt Lake City and work day's end in San Francisco.
Conversation in the waiting room was sporadic. Bursts of giggles and then silence. Colonel and Pits mingled as one, read one another's magazines. The war was not mentioned. Boys talked of sweethearts, men talked of children.
Finally, one man was hastily summoned.
He leaped up and his chair fell over. He tripped over a socket plug. He grabbed the phone and nearly lost a tooth on the receiver.
"Hello... helle, honey? It's me, all!"
He passed breathlessly for the cracking, barely audible answer.
"Huh? He gulped. "Whya mean, Al who?"
"Now, she kissed me off before I even left the States."

Students Signing For Law School

TALLAHASSEE (UPI)—More than 137 students have indicated they want to enter Florida State University's law college scheduled to open in the fall.
Tests are scheduled Feb. 12 for students interested in attending, according to Dean Mason Ladd.
Ladd said within three weeks he plans to name some of the faculty who will teach at the new college.
"I'm glad to see so many students signing up for law school," Ladd said. "It's a symbol of the college's growth and progress."
The new law college will be located on the campus of the existing law school building. It will have a faculty of 100 and a student body of 200. Classes will begin in the fall of 1967.

Penney's Grand Opening Thursday

'Charge It' Sign Displayed At New Penney's

The "Like It? Charge It!" sign is a familiar one to Penney shoppers.
These signs throughout the new Penney Store at Sanford Plaza remind customers that the company's modern, convenient charge system may be used to purchase any merchandise on display.
Introduced just a few years ago, the blue plastic Penney charge card has rapidly become a symbol of flexibility. It is truly a national credit card, honored at all of the nearly 1,700 Penney stores throughout the nation. Customers may use it to purchase merchandise at any of the company's stores, yet receive only one monthly statement. This makes the card especially handy for vacationers or traveling business men. Application for a card may be made easily at the Sanford store.

One-Stop Workshop Center At Penney's

Frequently, the hardest part about a home redecorating, fix-up or paint-up project is getting started. The first nail some toughest to hammer, the first piece of wood hardest to cut, the first strip of paint the most work to brush.
Having the right tools and working materials makes getting started easier. J. C. Penney Company says when you have confidence in your equipment, "Do-it-yourselfing" becomes less a chore, more an absorbing hobby. Results are likely to be better, too.
Penney's paint and hardware department provides the occasional handyman and professional alike with a one-stop workshop center. First-quality power tools, paints, lighting fixtures, hand tools and hardware are stocked in abundance.
To make sure that the company's "Penncraft" lines of tools, paint and hardware contribute their full share to every project, Penney's has tested the assortments for quality and durability in its own laboratory.
Approximately 90 per cent of the thousands of items that make up the store's new merchandise lines are sold under Penney's "Penncraft" label. Some of the most respected manufacturers in America produce the company's portable and bench power tools, as well as its paints, hand tools and hardware. Penney's gives a one-year, one-to-one guarantee on all its power tools — whether portable or bench styles.
Penney's paint and hardware department provides the occasional handyman and professional alike with a one-stop workshop center. First-quality power tools, paints, lighting fixtures, hand tools and hardware are stocked in abundance.

Perhaps the most spectacular development of the new Penney's store opening Thursday in Sanford Plaza, is the addition of several areas of home furnishings, ranging from furniture to silverware.
A large area of the new store has been devoted to the display area for furniture. Early American with its solid comfort and simple elegance. In the medium to high-priced bracket, such famous furniture names as Rowing Rock, Diamond, Keola, and Futurian are featured.
A special section has been set aside as a Sleep Shop, where Penney's offers the finest in bedding.

J. W. FEURBACHER

To show customers exactly what they are buying, each Penney "Fashion Master" mattress and box spring is clearly labeled with specific construction features outlined.
Penney's will also be offering a complete line of black and white, and color television sets, manufactured to its own specifications to sell under the Penncraft label. Color TV sets will range in price from \$200 to \$500 for the complete home entertainment center.
Management of the "hard line" department of Penney's is James W. Feurbacher, 31, who only joined the Penney family in 1964. An Orlando native, Feurbacher now resides in Sanford at 903 Cherokee Circle with his wife, Joyce, and their five sons, Faby, 14; David, 11; Steven, 9; James, 7; and Billy, 6.

Auto Center Opens At Penney's Store

Remember the old equip- ment's opens its Auto Center, about women drivers? When an innovation pioneered by J. C. Penney Company in Melbourne.
"Every effort has been made to make a tire purchase just another shopping errand for women," explains Sy Tobias, Auto Center manager. "First, the standards of our new Foremost brand of tires are such that the buyer need never fear any sacrifice of value, quality and safety. Second, expert counsel will be available to help pick the right tire to fit driving needs and budgetary considerations.
"Third, Penney's Auto Center will offer the speed and convenience dictated by the busy schedule of modern women."
Finally, Tobias noted, the new automotive department will offer the same convenient credit arrangements that are available in all Penney's stores.
Tobias, with 16 years in the automotive business, began with Penney's in the first Auto Center at Melbourne. The center will offer four service bays for speedy repairs and servicing, and there will be six mechanics on duty with a total of 85 years of experience.
"The latest equipment will be on hand in the Auto Center, which will be open from 9 a. m. until 9 p. m. Monday through Saturday."
Tobias, 49, his wife, Zee, and children live at 723 Cherokee Circle.

Income Tax Forms Explained For AARP

Changes in Federal Income Tax forms were outlined for members of the Delbart Chapter, American Association of Retired Persons, by Ira H. Thomas of the Orlando office, U. S. Bureau of Internal Revenue, who was guest speaker for the January AARP meeting.
Thomas cautioned that only those returns requiring refunds should be mailed to Chamblee, Ga. All other returns should go to the IRS office in Jacksonville.
Naming of each dependent is required as a description of any non-cash contribution listed for deduction. A \$100 per person deduction is allowed for dividends. Two methods of computing retirement credit are provided and this should be figured both ways to determine which procedure results in the greater credit.
In business of the meeting, Harry Bell, activities chairman, reported that reservations already have been received for nearly three 28-passenger bus loads for the March 31 AARP bus tour to the Cape Kennedy launch site. Priority will be given AARP members until the March meeting.
Eight new chapter members were introduced, making total membership at an even 300.
Members were reminded to make advance reservations for the Delbart Gloucester Screening Clinic to be held Feb. 3 at the Community Center.
Deltona Meet
The Deltona Civic Association will hold its first meeting of the new year at 7:30 p.m. today at the Community Center Club House. The Ladies Auxiliary of the association will meet at noon Thursday at the club house. There will be a social hour and refreshments will be served. All residents are welcome to attend these meetings.

W. L. MILLER

**Young Executive
Penney's Second
In Command**

Second in command when the new Sanford Penney's opens Thursday morning in Sanford Plaza, will be William L. Miller, merchandise manager.

The young, 30-year-old executive joined the Penney family in 1953 with the Jacksonville operation. After getting his initial training in his home town, Miller was transferred to Tampa where he stayed until October of last year.

It was last fall that Miller moved to Sanford to begin the many long hours needed to prepare for Thursday's opening of the new store here.

Miller, his wife, Virginia, and young daughter, Deborah Lynn, live at 703 Baywood Circle.

Shoe Department**

Returning to Sanford after several years absence, Willie D. Petty Jr. comes back to his home town to manage Penney's new, complete shoe department in the Sanford Plaza store opening Thursday morning at 9:30 o'clock.

Petty, a Florida native who was reared in Sanford and attended public schools here, has been with the Penney family since 1963 when he joined the staff of the Winter Park store.

The new shoe department will feature a complete line of shoes for the entire family from casual to the dressy dress, and a full line of shoes for all sports. Also featured in the department is a complete line of coordinating handbags for women.

A special feature of the new Penney's shoe department will be the tinting of fabric shoes, with over 200 colors from which to choose. The tinting will be done at no extra charge for shoes purchased in the department.

All salesmen in the department are skilled in the proper fitting of children's shoes, so important during the growing years.

Petty, 27, resides in Winter Park with his wife, Joan, and his two children, Randy, nine, and Wanda, eight.

Mecca For Sportsmen

Penney's new Sanford store will be a mecca for local sportsmen. The full-line department store opening Thursday at 9:30 a.m. will feature one of the chain's largest and most complete sporting goods departments.

Penney's new sporting goods center will provide a complete selection of recreational equipment for the entire family. One of the highlights of the new department will be a Professional Bowling Center where Penney's will measure and drill bowling balls while the customer waits.

Golfers visiting Penney's new sporting goods department will be pleased to note they haven't been forgotten. The store is featuring a complete line of bags, clubs, golf balls, carts and accessories by such well-known manufacturers as Wilson, Spaulding, MacGregor and Fairway.

There's good news, too, for the camping fan. Penney's will offer a full-line of Coleman camping equipment with a complete selection of sleeping bags, tents and air mattresses, whatever is needed to make a successful camping trip.

Penney's will have one of the area's outstanding hunting and fishing departments featuring such popular brands as Garcia, Zebco and Shakespeare. Fishermen will be able to fill all their needs here.

On hand for Penney's customers will be several manufacturers' representatives who will be ready to answer any questions about sporting needs. Instruction will be available on the care and use of game shooting weapons.

WENDELL A. MASON

Men's Section Is Managed By Orlandoan

Mother will iron less and enjoy herself more now that new "permanent press" men's white dress shirts are available. The shirts are actually ready-to-wear without ironing right out of the tumble-drier.

Statistics show that the "never-need-ironing" shirt development is significant indeed. Wendell A. Mason, manager of the men's furnishings department of the new Penney's in Sanford Plaza, points out that women spend more time ironing men's dress shirts than any other wearing apparel. "Thus, the time savings afforded by these dress shirts that 'remember to look neat' is considerable." In addition, he adds, "Mom is assured the men in her family will look their best at all times."

Penney's brand new "permanent press" dress shirt in the Towncraft "Pen-Frest" and "Pen-Frest" dress shirts really fulfill the early promise of wash and wear. Washed and tumble-dried, they never need make the acquaintance of an iron.

"Pen-Frest" dress shirts—a special blend of 65 per cent Dacron Polyester and 35 per cent combed cotton broadcloth—are available in either long or short sleeves, with straight or short-point collars. All have tapered-waist styling and feature the same tailoring found in all Towncraft shirts.

The Men's Furnishings department of Penney's offers everything to clothe the man of the family from top to toe, and also offers a complete line of work clothes.

Born in Orlando, Mason, 26, joined the Penney organization in 1964. He and his wife, Deanne, have two children, a daughter, Robin, and a son, Greg.

Good Shepherd Sets 14-Week Bible Study

Good Shepherd Lutheran Church will begin a Bible study of the synoptic gospels (Matthew, Mark, and Luke) at 7:30 p.m. Thursday. The 14-week course will be led by Robert Carlson.

The probable source of material used by each writer will be studied and similarities and differences will be noted. Various concepts concerning the work and ministry of Jesus will be traced through the gospel stories with attention given to the special manner of treatment by each writer.

It is hoped that the study will lead to a mature understanding of what Matthew, Mark, and Luke actually say concerning the life and work of Jesus.

The third in a series of classes for Christian parents also will begin at 7:30 p.m. Thursday. Sessions in this six-week course will be held each Thursday evening and will be taught by Mrs. Robert Repp for parents of children in the third through sixth grades.

Rev. J. Gordon Perry, pastor of Good Shepherd, invites everyone to participate in the class. A nursery will be provided and a coffee-fellowship hour will follow.

Cut Your Own Taxes: A Black Ink Deduction

By Ray De Crane
NEA Special Writer

As a general rule the average taxpayer needs three major deductions on his Form 1040 to justify itemizing deductions rather than taking the alternative choice. These three are:

- Interest payments on a sizable mortgage.
- Real Estate taxes.
- A substantial medical deduction.

Even if you don't have all three, continue through your master checklist of deductions. Then compare your total with your two alternatives. A 10 per cent of income allowance or the minimum standard deduction.

There is no limit to the itemized deductions you may claim so long as they are all allowable and the expenses can be substantiated.

Your alternative choices do have limits. The 10 per cent rule (for example, \$500 allows once on an \$5,000 income) provides a top allowance of \$1,000 regardless how high the income might be. And this is further restricted to a top of \$500 per person when separate returns are filed by a married couple.

The minimum standard deduction permits the use on joint returns of a flat \$200, plus an additional \$100 for each exemption. This means that a husband, wife and five children could claim an allowance of \$900 without itemizing deductions. On separate returns of married persons this would be limited to \$100, plus an additional \$100 for each exemption.

In considering the interest deduction on your return, attention is usually centered first on mortgage interest. Ordinarily, the monthly or yearly mortgage slip will show the allocation of the payment among principal, interest, taxes and insurance. If your statement does this, simply total the interest pay-

ments made during the year for your allowable deduction. Other interest properly deductible on your return includes the amount paid a bank, savings and loan, credit union or finance company for the use of their money.

A cardinal rule on interest deduction is that it can be claimed only by the person legally obligated for the payment. But if you were a co-signer on the note, he defaulted and the finance company foreclosed on your children you cannot claim the interest you paid. Similarly, if you helped a friend by making a payment on a note for him, you have no interest deduction.

Carrying charges and service charges are not deductible as such. To arrive at the allowable interest deduction, total the unpaid balances on the first day of each month, divide by 12 to get the average unpaid balance and then multiply by 6 per cent to arrive at allowable interest.

Strict Discipline Of Children Works Better, Study Reveals

By Tom Nolan
WASHINGTON — (NEA) — Sorry, kids, but a new federal study gives low marks to easy-going parents.

Dr. Stanley Cooper Smith, chairman of the University of California's Psychology Department, said the study was based on seven years of research in the field of child psychology.

Cooper Smith's findings show that the lenient parent, in the end, is often driven to far stronger physical punishment than the strict parent.

Children of strict parents were usually described, while children of lenient parents were generally unfair. Children from strict homes felt closer and more affectionate to their parents than children from permissive homes.

Dr. Cooper Smith's findings show that the lenient parent, in the end, is often driven to far stronger physical punishment than the strict parent. The study shows that parents who establish and enforce rules of conduct with respect and affection rear more successful and happier children.

Horoscope Forecast

THURSDAY, JAN. 28, 1966

GENERAL TENDENCIES: A day and evening which is excellent for organizing your practical capabilities along whatever channel of expression you can bring to the success and the public pleasure and results to which you have been bending your efforts for some time past. Let others see you are the one who is willing to do most of the work.

ARIES (March 21 to April 19) Blesses you appreciate your finest qualities and give both moral and monetary backing you desire. Finding better system by study to improve your career is quite easy now. Make time for civic duties, too.

Taurus (April 20 to May 20) Considering early with persons in lines of endeavor that are wise this A.M. Get ideas from them. Allies will be more amenable to your suggestions, plans.

GEMINI (May 21 to June 21) Contacting such persons who will take advice heartily can result in fine benefits for the future. State what you want immediately. Use your initiative as well as your ideas to advance more quickly, expand.

MOON CHILDREN (June 22 to July 21) Associates are in a very conciliatory mood now. You should take advantage of this age of this and cement better relations for the future. Situations come very invitingly. Realize your benefits.

LEO (July 22 to Aug. 23) If you go to work to cooperate with you, you can see those ideas in operation very nicely today. Learn to labor harmoniously. Don't be impatient that you cool their enthusiasm.

LIBRA (Aug. 24 to Sept. 23) You need to get into more lucrative outlets where you have an opportunity to use your finest talents. Expansion can come quite easily and you will be happier. Out for a bit of harmless frolic to-night.

SCORPIO (Oct. 23 to Nov. 21) Carry through with ideas that help you to improve your regular routines and clear up any problems that may be hindering. Correspondence contacting other persons is fine, also. Much can be accomplished.

SAGITTARIUS (Nov. 22 to Dec. 21) If you are more serious in your determination to accomplish far more in the business and cultural world of activity. Take inventory of what you own. Then see how you can add to such sensibly.

CAPRICORN (Dec. 22 to Jan. 20) If you use a positive attitude and approach with others, you can easily get rid of the problems that are bothering you. Get in touch with social contacts. Tell them what you desire from them.

AQUARIUS (Jan. 21 to Feb. 19) Others expect help from you and you should give it without any qualms, being suspicious of their need. Getting private tasks handled properly is quite easy now. Get busy and get ahead!

PISCES (Feb. 20 to March 20) Showing your devotion to pals who have been more than loyal to you is only right and get out socially yourself. Many benefits can be obtained by following such activities today and tonight. If your child is BORN TODAY he or she will be wonderful in organization and can be trusted to complete whatever has once been started, and with efficiency.

Ribbon Cutting Opens Penney's

It's gloomy on the outside but there's plenty of sunshine inside. Manager Charles L. Robinson said this morning as J. C. Penney Company opened its new department store in Sanford Plaza. The company opened its first store in Florida in the city's downtown business district 37 years ago.

Special guests were four women who shopped in the downtown store when it was opened in 1928. They are Mrs. R. H. Pippin, Mrs. J. S. Cleveland, Mrs. C. M. Flowers and Mrs. Elsie Memender.

A ceremonial ribbon cutting ceremony was held in the new store. The group includes Everett Kinton, Tampa, district manager; John Plume, Dallas, Southern new sales and merchandise manager; Vincent Fernandez, Dallas, operations and control manager; and Bennett Karmun, New York, public relations director.

The new store contains 42,000 square feet and is five times larger than the former store which closed Saturday in downtown Sanford. The store has 23 separate departments on one level and an inventory of more than \$500,000.

Robinson said he is pulling out all stops to make the opening of Seminole County's first, true department store as colorful and entertaining as possible.

He said there would be a continuous program of special opening day events with giveaways, special guests and pretty girls modeling Penney's new fashion line.

The new Penney's will be open from 9:30 a.m. to 9 p.m. six days a week.

There are plans for the store's grand opening ceremony despite bad weather. Charlie Merfoll, of the Seminole County Chamber of Commerce, officiated at the activities.

Henry Schumacher, Pioneer Farmer, Dies Wednesday

Henry Schumacher Jr., 60, pioneer Seminole County farmer, died Wednesday afternoon.

Who he failed to return home for lunch, Schumacher's son, Henry, began searching for him. The elderly man was located slumped over the wheel of his truck parked at First Street and Park Avenue. He was rushed to Seminole Memorial Hospital, but was pronounced dead on arrival.

Schumacher has been described as "one of the most successful farmers" in the area. His crops primarily consisted of lettuce and cabbage.

Born in Jersey City, N. J., on June 27, 1905, Schumacher came to Sanford in 1928. He began farming at that time, and during the coming years he pioneered many innovations in the growing of truck crops.

Many labor saving devices were developed by Schumacher at his farm on Myrtle Street in Eureka, Hammond, south of Sanford. One of these, developed last year, is a lettuce planting machine. Described as a quiet man, Schumacher was known for not talking about his accomplishments. He was married to Miss Margaret Schumacher, Summerville, N. J., and a brother, F. W., of Westville, N. J.

Schumacher was a member of Congregational Christian Church in Sanford and of Oak Lodge 3211.

In addition to his son, Henry, he leaves his wife, Nella; daughter, Ann; two sisters, Mrs. John W. Wehman, Morris Plains, N. J., and Mrs. Margaret Schumacher, Summerville, N. J.; and a brother, F. W., of Westville, N. J.

Funeral services will be held Saturday at 2 p.m. at Congregational Christian Church, with Rev. Omer F. Wise officiating. The body will lie in state at the church from 2 p.m. until the time of the funeral.

The family has requested flowers be omitted. Mr. and Mrs. Britton Funeral Home is in charge of arrangements.

Merchants Set Special 2-Day Sales Events

A two-day pre-closing, money-saving sale promotion will be staged Friday and Saturday by most of the downtown Sanford merchants.

Drive on many top-line articles in all categories have been reduced, some as much as 50 per cent. The sale is the largest of its kind in Sanford's history.

Sponsored by the Sanford merchants division of the Greater Sanford Board of Trade, the dollar-saving days will afford shoppers an excellent opportunity to purchase their Easter wardrobe at reduced prices.

Many fine bargains also will be offered in home furnishings, allowing consumers the opportunity to buy that long needed lamp or other accessory.

"The sale is just another opportunity for Sanford merchants to show our appreciation for the fine support we receive from the community," said the board.
