HOROSCOPE

By BERNICE BEDE OSOL

For Sunday, April 25, 1982

YOUR BIRTHDAY April 25, 1982
Carefully choose those with whom you become involved in seeking another source of income. The possibilities are especially good this coming year if you work with the right people.
TAURUS (April 20-May 20) Don't let others make decisions for you today that could affect your material security. They may not have as complete a grasp of the picture as you do. Predictions of what's in store for you in each season following your birth date and where your luck lies appear in the Astro-Graph, Mail #1 for each to Astro-Graph, Box 488, Radio City Station, N.Y. 10019. Be sure to specify birth date.
GEMINI (May 21-June 20) Try to do everything in moderation today, whether it be working, eating, drinking or playing. Tendencies to overindulge could cause problems.
CANCER (June 21-July 22) Others will find you difficult to contend with today if you permit yourself to become withdrawn or moody. Come out of your shell. Have some fun.
LEO (July 23-Aug. 22) Go along with the will of the majority today, rather than yield to desire to run the show. Coming on too strong will hurt your image.
VIRGO (Aug. 23-Sept. 22) Take nothing for granted today concerning important goals. Accomplishments normally achieved with ease could have some unexpected complications.
LIBRA (Sept. 23-Oct. 23) If possible today, forego involving yourself in commercial or financial matters. Your judgment in these areas may not be up to its usual standards.
SCORPIO (Oct. 24-Nov. 23) It's best that you don't make any major decisions today involving a cash outlay. You could be too easily swayed by the sizzle in someone's sales pitch.
SAGITTARIUS (Nov. 23-Dec. 21) Even if you are disappointed with today's plans, don't make sudden changes without discussing them with all involved. You may mess things up.
CAPRICORN (Dec. 22-Jan. 19) Don't attempt something today if your heart isn't in it. It's best to shelve these projects until you can fully concentrate on what you're doing.
AQUARIUS (Jan. 20-Feb. 18) Avoid situations today that could put you into competition with friends. Don't make winning or being right more important than a relationship.
PISCES (Feb. 19-March 20) Beware of making promises today that you might be unable to fulfill. Once you've made a commitment, follow through regardless of the inconvenience it may cause you.
ARIES (March 21-April 19) Impulsive financial decisions could backfire today, so take plenty of time to think your move through where dollars are concerned. You'll be glad you did.

For Monday, April 26, 1982

YOUR BIRTHDAY April 26, 1982
Material conditions look promising for you this coming year, but you might have to work a little harder than usual to generate the types of returns that will suit you. You can do it.
TAURUS (April 20-May 20) This is a good day to analyze your expenditures. Try to trim nonessentials from your budget and look for better ways to get more mileage from the dollars you spend. Find out more of what lies ahead for you in each of the seasons following your birth date by sending for your copy of Astro-Graph, Mail #1 for each to Astro-Graph, Box 488, Radio City Station, N.Y. 10019. Be sure to specify birth date.
GEMINI (May 21-June 20) You have what it takes to be successful today, but be careful not to lord it over others if you outdo them in competitive situations.
CANCER (June 21-July 22) When making proposals today in which you hope to interest others, stick to cold, hard facts. Appealing to their emotions won't do the job.
LEO (July 23-Aug. 22) Should you find it necessary to deal commercially with friends today, be extra-careful how the matter is handled. Wrong moves will hurt the relationships.
VIRGO (Aug. 23-Sept. 22) Your possibilities for fulfilling material desires look promising today, but you must keep your priorities in order. Work first, play later.
LIBRA (Sept. 23-Oct. 23) Don't depend too heavily on coworkers today. They may lack your drive and ambition. Establish your own targets and proceed accordingly.
SCORPIO (Oct. 24-Nov. 23) This could be a profitable day, provided you stay in familiar areas. Taking gambles on things you know little about might backfire.
SAGITTARIUS (Nov. 23-Dec. 21) You tend today to reflect the behavior patterns of persons with whom you'll be palling around. Associate with doers if there's something you want to accomplish.
CAPRICORN (Dec. 22-Jan. 19) Others will admire your competence today in the way you handle difficult tasks. However, let them sing the praises. Don't toot your own horn.
AQUARIUS (Jan. 20-Feb. 19) You have good organizational and management skills today in most situations you'll be required to handle, but you could fall short in governing your own finances.
PISCES (Feb. 20-March 20) Schedule your important tasks as early in the day as possible, when you are likely to operate at your best. Later you might get sluggish.
ARIES (March 21-April 19) Treat others thoughtfully and with consideration today, but also strive to be practical and realistic. Things could go awry when your heart rules your head.

WIN AT BRIDGE

Table with columns for NORTH, WEST, SOUTH, EAST and card suits (A, K, Q, J, 10, 9, 8, 7, 6, 5, 4, 3, 2).

in one year, it was 1963. In 1981, 15 players scored more than a 1,000 and three over 2,000.
ACBL president Jim Zimmerman finished eighth with 1,358. Jim is a very fine player indeed as may be seen from this hand.
North raised Jim right to three no-trump, instead of using Stayman and finding the 4-4 spade fit.
Jim ran off four spades and noted East's discards of the 3-2 of hearts and West's of the deuce of clubs.
Now he led a club. West took his ace and led a second club. Jim had to attack diamonds and led a diamond to dummy's ace and returned the nine. When East's jack appeared he took his king and led a third diamond to wind up with five no-trump.
It was a very good score since the best a spade declarer could do was to make that same five odd.
He had turned out to be lucky. If West had held queen, jack, fourth of diamonds, Jim would have made just four no-trump, but he had taken the best percentage play at his disposal and it paid off.

Sorority Has Birthday

By MARVA HAWKINS
Herald Correspondent

Kappa Sigma Omega Chapter of Alpha Kappa Alpha Sorority celebrated its sixth birthday with a luncheon and black awareness program, Saturday, at the Greater Sanford Chamber of Commerce with Soror Katherine Alexander presiding.

Guests included 36 senior

citizens from the Sanford area. Each soror presented her guest to the group. Musical selections were presented by Basileus Mary Whitehurst. The 14 sorors and guests were served luncheon. Two delightful get-acquainted games were conducted by Soror Geraldine Wright.

Highlight of the program was Soror Margaret Oliver's presentation of Mrs. Alfreda Wallace, who is writing a book on Sanford's Black community and Mrs. Altemese Bentley, who also shares a deep concern for the preservation of the history of

the black community.

Mrs. Wallace informed the group of Goldsboro's history and the fact that at one time it was a town separate from Sanford. Goldsboro was owned by blacks. Articles from a 1910 edition of the Sanford Herald featuring Sanford's black businesses and churches were shared by Mrs. Bentley.

The history of Kappa Sigma Omega was given by Soror Delores Myles. The birthday celebration ended with the serving of ice cream and cake.

Tobacco got its name from the Y-shaped pipe called a tobacco, which Columbus saw Caribbean Indians using.

Search Is On For Outstanding Mom

May 9 is Mother's Day. The Herald is searching for the annual "Outstanding Mom," but we need the help of readers. Who is your favorite mom and why? What has she done that makes her so special? Tell us in your own words why you think a certain mom is outstanding. First, write your name, full address and telephone number at the top of a page. Then add the mom's full name, address and telephone number. About a page and one-half of information on standard size paper is sufficient. The deadline is noon on April 28. Mail entries to OURSELVES EDITOR Doris Dietrich, 300 N. French Ave., Sanford 32771.

CIP May Day Brunch To Benefit Neighborhood Crime Watch Signs

Patrons of the May Day Civic Improvement Project (CIP) Brunch keep returning year after year to the colorful Sunday event at the Sanford Civic Center.

The annual brunch will be held Sunday, May 2, from 8:30 a.m. to 1:30 p.m. This year the CIP Committee of the Sanford Woman's Club has earmarked the proceeds for the Neighborhood Crime Watch programs. Followers of the CIP's endeavors will recall that previously the committee raised funds for the beautification of Sanford.

The brunch menu includes: scrambled eggs, link sausage, grits, sourdough rolls, coffee cake and coffee.

A variety of entertainment is being planned.

Forming the committee are: Ruth Gaines, chairman; Vivian Buck, co-chairman; Pat Foster, the club's president elect; Bill Gielow, Linda Reck, Peggy Deere, Eve Crabtree and Martha Yancey. Donations are \$2.50, adults, and \$1.50 children.

The Junior Woman's Club of Sanford Inc. can take a bow for the exceptional "Miss Sanford Scholarship Pageant" the club presented. Although the pageant was highly professional, the turnout was light in support of the beautiful young women in competition and three spirited dances presented by Ballet Guild of Sanford-Seminole.

Local contestants showing exceptional poise and

talent were Beth Freeman, Debra Sauls, Linda Atkins and Clynell Fort.

Junior Woman's Club members heading the pageant committees were: Meg Newman and Carol Pagan, co-chairman; Debra Sauls, club president; Nancy Crawford, Gail Smith, Gail Stewart, Beverly Hufman, Vicki Cavallaro, Pat Spivey, Judy Osborn, Debbie Shannon, and Sharon White.

Prior to the evening's festivities, Dr. and Mrs. Roger (Gail) Stewart hosted a dinner party honoring the Miss Florida Board officials in Sanford for the pageant. Church's Fried Chicken and the committee contributed to the dinner. The pageant production crew and judges also attended the buffet.

Nancy Crawford entertained the contestants at a luncheon at her home Saturday.

Nancy, the immediate past club president, is the official hostess and contact person for public ap-

pearances by Miss Sanford, Deanna Pitman. Anyone interested in having Miss Sanford appear at various functions should contact Nancy.

According to Wanda Abel, 25 members of Pankhurst Inc. attended the Spring Retreat at the United Methodist Youth Camp, Leesburg last weekend. The retreat began with a dinner Friday night and ended Sunday afternoon after a canoe trip down the Juniper Run.

Informative programs were presented during the retreat. Wanda said, "It was educational and enjoyable at the same time."

The artistic expertise of Capt. Ethel Phillips (Capt. Carl's wife) will come to light at the "Friends of the Salvation Army" dinner Thursday night at Holiday Inn, Marina Isle, at 7 p.m.

According to George Touhy, "those attending will delight in Capt. Ethel Phillips' table adornments."

George says the donation of \$25 per person entitles the donor to an excellent meal in addition to the fellowship and the thrill of hearing a patriotic presentation by the award-winning guest speaker, Harris T. Remley.

Call the Salvation Army Citadel for information on tickets and reservations.

Rich Man Never Has Any Money

DEAR ABBY: There's a man in our club who has so much money, I'm sure he doesn't even know how much he has. He's considered high society and nobody would dare say anything to him about this bad habit he has, but I think it's time somebody did.

He never has any money. When he needs cash for a tip or a caddy or whatever, he'll turn to whoever is standing near him and say, "Anybody got \$10 - or \$20?" This happens all the time.

The funny part of it is the way everybody fights to accommodate him. You'd think it was an honor to give this millionaire money.

Far as I know, he's never made any attempt to pay anybody back. I gave him \$20 once, and that was the end of it.

My question: Should I remind him that he owes me \$20?

P.O. D'IN PALM SPRINGS

DEAR P.O. D': Go ahead. And when you do, he'll probably turn to somebody else and say, "Anybody got \$20?"

DEAR ABBY: My husband died suddenly of a massive heart attack three weeks ago. He was only 49 and was never sick a day in his life. It was a terrible blow to me and our four children.

Last week my daughter, who just turned 18, came to me and said she wanted to get married to the boy she has been going with for nearly two years.

I never knew marriage was on her mind and thought maybe

Dear Abby

she missed her dad and wanted to get married so she would have someone to lean on. Then she told me she had to get married! (The baby is due in six months.) I am in shock over this. I like the boy, but he's only 19 and going to college.

They have to get married as soon as possible, but I wonder what kind of wedding I should put on in view of the circumstances. She wants a church wedding.

DOUBLE TROUBLE:

DEAR DOUBLE: Talk to your clergyman and let him guide you. Your daughter can have a lovely church wedding, but since you are in mourning and she is pregnant, hold it down to a quiet, dignified family affair with only very close friends.

Getting married? Whether you want a formal church wedding or a simple, "do-your-own-thing" ceremony, get Abby's new booklet. Send \$1 plus a long, self-addressed, stamped (37 cents) envelope to: Abby, Wedding Booklet, P.O. Box 24923, Hollywood, Calif. 90038.

themselves in the downy soft pillows—many ripped from the impact.

Mrs. Hickey and her helpers, all associates of the gallery, worked diligently getting the building back in order. Joining the labor of love forces were Fran Tingle, Jean Winters and Elizabeth Berga.

"We spent two days drying and pressing the paintings," Mrs. Hickey said. A hair dryer was also used in the process, she said.

Vivid splashes of color now spark the walls that were bare a few days ago. The colorful work of students is secure in large bins and art is again a living thing at HMH Gallery.

Visitors can expect an array of sculpture, etchings, photography, paintings, drawings, ceramics sculpture, wood crafts, and wood burnings among other interesting works in the gallery.

"I opened the gallery because I am an artist and felt there was a need for artists in the area to have a place to hang their work on consignment," Mrs. Hickey said.

"There is a demand, but it is slow."
"All of the art hanging in the gallery is on consignment except my own" the artist said.

Before opening the gallery, Mrs. Hickey taught art under the Leisure Time Program at Seminole Community College for seven years. The gallery was sort of a dream, she said. "Artists dream of a functioning gallery to place their works."

Mrs. Hickey has lived in Sanford for nine years. She received a BS degree in Art Education from the New York University and Albright Art School, Buffalo. She conducts classes and admits that "portraits are my favorite."

"But I paint everything," the artist quickly noted. Starving artists have a notorious image all their own. And the HMH Gallery is no exception. In explaining the pitfalls, of the operation, Mrs. Hickey said with such flustered hands, she had planned to close the gallery before the storm struck.

In March, six association gallery members joined Mrs. Hickey. "I would like to have 10 or 12 associate members," she said.

Maybe a lot of residents don't know about the Sanford art gallery that attracted the April winds, so violently. But

just for the record, HMH Gallery is not "gone with the wind." Regular hours resume Monday.

Jean Winters points to a gash caused by flying glass.

By DORIS DIETRICH
OURSELVES Editor

The quaint little art gallery that has been breezing right along in downtown Sanford just about met its Waterloo on April 8 when a gusty tornado blew into town. Striking with the impact of explosive TNT, the HMM Gallery was nearly gone with the wind from the blatant blast.

On a television newscast that night, gallery owner Helen Hickey claimed the gallery would have to close its doors. "Everything is ruined," she said, "and there is no insurance. There is no gallery."

In a later interview, Mrs. Hickey explained that "artists can't afford insurance. Art is hard to insure," she said. How does one put a price tag on such labor of love?

Mrs. Hickey, who opened the gallery in June, 1980, mentioned some of the struggles encountered with the operation. "Why, people up the street don't even know we are here," she said.

The day the destructive storm struck downtown Sanford, Mrs. Hickey said she was alone while the 3 p.m. winds raged, but passed over. She left the gallery when the storm subsided to check on her Oak Avenue home, she said.

"There was not a scratch from all the hailstones," she said, "but it was the 5 p.m. storm that damaged the gallery."

Art in and near the east window of the gallery was spread over a four-block area, she said, making a sweeping motion with her arm.

A powerful magnetic-like suction yanked antique stained glass, a 30x36-inch woodburning of a clipper ship on a plywood frame and a doll house through the window into the four winds.

The colorful stained glass art, the work of Sanford artist Ralph Russell, was hung in the east window. The bent and broken glass and frame were found two blocks away. Gently moving a loving hand over the twisted mass, Mrs. Hickey said, "This antique glass is so beautiful. The newer glass doesn't have the pretty colors."

A treasured doll house was demolished. Mrs. Hickey's daughter, Jennifer, had won the lovely miniature house in a Sanford Garden Club drawing several years ago. Sections of the house were located, but Mrs. Hickey said she was unable to find a tiny antique bisque doll belonging to her mother which was in the doll house. "I kept searching, but never found the doll," she said shaking her head.

After a tornado touched down on Sanford's HMM Gallery, owner Helen Hickey announced, 'The gallery is closed. There is no gallery.' But art enthusiasts didn't agree. Just for the record, the gallery is definitely not gone with the wind.

Art Survives The Storm

Elizabeth Berga reframes a damaged painting.

The water line in the building indicates water reached more than a two-inch level from the broken windows, but the glass door stood up bravely to the devastating winds. Beautiful paintings that graced the west wall were ripped off the wall into the stream of water covering the gallery floor.

Only one painting was left intact on the wall — the portrait of Mrs. Hickey's daughter, Jennifer, that won a blue ribbon in the Fine Arts Division of the February art show sponsored by the Sanford-Seminole Art Association.

"I was in shock," the attractive artist said. Closing the doors seemed to be the only logical approach, she added. Operating funds are hard to come by, to say the least of

restoration funds, Mrs. Hickey said. But supporters came through and offered their help to put the gallery together again. Some back-breaking work was involved in the time consuming process. "It's much harder than setting up the original gallery," Mrs. Hickey said pointing to a trash can brimming over. She explained that she and her husband, James, swept up four garbage cans of broken glass from the pictures alone.

Several beautiful hand-crafted pillows were damaged from the broken windows. Tiny slivers of glass buried

Edwards' Girls Tumble To Gymnastic Success

By CHRIS FISTER
Herald Sports Writer

About five years ago Ann Edwards tumbled onto the mats for her first look at the increasingly popular sport of gymnastics. And right behind Ann was younger sister Becky. Now, five years later, the Edwards family has two of the most talented young gymnasts in Florida.

Ann was nine-years-old when she started and Becky was seven. "Ann was interested in gymnastics and Becky kind of tagged along," the girls' mother, Mrs. Beth Edwards said. Ann, now a freshman at Lake Mary High School, is one of the top Class One gymnasts in the area. Gymnastics students start at Class Four with Class One being the best gymnasts next to the elite class which includes Olympic hopefuls.

Becky is a seventh grader at Lakeview Middle School and one of the best Class Three performers in the state. She recently placed second in the 12-14 age group in the state gymnastics finals at Tampa's Plant High School. Becky won first place in the uneven parallel bars with an 8.7 and recorded a 34.63 overall score. "Her goal is Class One the year after next," Mrs. Edwards said. "She would like to be good enough to get a college scholarship."

Gymnastics isn't all the Edwards sisters excel in. They are both straight A students at their respective schools. Both Becky and Ann are making leaps and bounds in gymnastics and academics making the Edwards' one very proud family.

At the state competition Gym South, of which Becky Edwards is a member, she won the first place trophy in the 9-11 age group. Gym South is located at 120 Candace Drive in Maitland.

In the 9-11 age group Gym South's Kim Hazelton won first place with an all-around score of 33.75. Kim, a sixth grader at Teague Middle

School, won two of the four individual events. She was first on the balance beam with an impressive 9.35 (10.00 is a perfect score and is rarely seen outside of Olympic competition). Kim was also first on the uneven parallel bars with a 9.20. An 8.50 on the floor exercise was good for second place in that event. Kim's performance is even more noteworthy since she has only been taking gymnastics for a year and a half.

Other local performers in the 9-11 age group include: Stacey Fraser, a fifth grader at Lake Mary Elementary, she recorded a 33.30 in the all-around. Shannon Somella, a sixth grader at Tusawilla Middle school, 32.10. And Jenny Caputo, a fifth grader at Forest City Elementary, 31.00.

Debbie Zeull recorded a 33.95 all-around total, good for fifth place in the 12-14 age group. The South Seminole Middle School seventh grader came up with the best performance on the vault with a score of 9.25. Also in the 12-14 age group were: Kim Klaus, 6th grade at South Seminole Middle School, 33.30. Shannon Kelley, 8th grade Teague Middle School, 32.45. Laura Ruddy, 8th grade Tusawilla Middle School, 32.15. Diane Drawdy, 8th grade Maitland Jr. High, 31.10.

In the 15 and over division Gym South's Kim Kelley emerged as the state's best with an all-around score of 63.00. Kelley was first on the bars, 15.15 in two attempts, first on the beam, 16.6 and third on the floor exercise, 15.3.

There were 212 competitors in the meet with more than 30 gyms represented. Gym South sent 16 girls to the meet.

As gymnastics rises to popularity the names above may become more familiar. These young girls are in the early stages of gymnastics and most hope to join a college team and maybe someday the most prestigious of all, the United States Olympic Gymnastics Team.

Raiders Claim State Again

By JOE DeSANTIS
Herald Staff Writer

Even Seminole Community College Raider tennis coach Larry Castle came away from Friday's semi-final round of the state Junior College tennis tournament impressed.

"I can't remember seeing anything like it," remarked Castle. "We were awesome—we just blew everybody out."

Label Castle the master of the understatement. Without stepping on court for Saturday's finals in both singles and doubles competition, SCC has already chalked up enough points to secure its second straight state tennis crown. Regardless of Saturday's rain-hazed finals, the next stop for SCC is the National Junior College Tennis Tournament to be held in Ocala in five weeks.

"We'll probably be rated as co-favorites with Tyler, Texas," said Castle. "And with a little luck in the draw, we should face them for the national championship."

A showdown with Tyler seems the perfect encore for a spotless 31-0 dual-match record. When Castle says the Raiders have been awesome, he means it. In those 31 victories, the Raiders blanked 26 teams by perfect 9-0 scores and handled the other five by 8-1 margins.

In Saturday's finals top seeded Necvet Demir will lead a contingent of Raiders that battled through semi-finals rounds to gain an unprecedented one-through-six singles top seeds. The Raiders have also managed to post all three doubles squads into the top seeded position for Saturday's finals.

Demir, number two Mike Performa, number three Ake Svensson, fourth seeded Andy Castle, number five Greg Miller and sixth man Mark Nichols will all be seeking individual state titles in their respective positions Saturday.

In addition the doubles teams of Castle-Nichols, Demir-Performa and Svensson-Miller will all be in the hunt for respective state doubles titles.

Friday's performance marked the first time ever that one school has managed to advance all of its singles and doubles players into the top seeded positions for the state tournament.

As of Friday, the Raiders held a commanding 27 to 18 point lead over state runner up Central Florida Junior College. Central Florida also earns a national tournament berth on the strength of its runners-up finish.

Miami Dade South was in third position with 12 points followed by Brevard with 11 and Miami Dade New World Center with 10 points.

Seminole Community College's top seeded singles player Necvet Demir led a parade of Raiders in marching through state junior college tennis tournament action Friday. Demir survived a four hour rain delay before he led every singles player for SCC to a championship berth in today's finals. Without playing a final match slated for Saturday, SCC has totaled an insurmountable point lead to capture its second straight state championship. capping a perfect 31-0 season. Next stop for coach Larry Castle's crew is the national tournament in Ocala five weeks from now.

Big Frame Caps Kiwanis Comeback

After trailing the entire game, Kiwanis scored five runs in the bottom of the fifth inning Friday night and then shut down a rally in the top of the sixth to beat Master's Cove Apartments 8-7 in the Sanford Junior League.

First place Rotary topped winless Moose 13-6 in Friday's other game.

Master's Cove picked up three runs in the top of the first inning when six of the first seven batters were walked by Kiwanis starter Tim O'Neil. Alvin Jones came in to pitch and struck out the first two batters he faced to end the inning.

Jones ran his strikeout streak to four in the top of the second and then walked the bases loaded before picking up another strikeout to get out of the jam.

Kiwanis picked up a pair of runs in the bottom of the second. Jones led off with a walk, stole second and third, and scored when Dwayne Willis was safe on an error with one out. Scott Carter singled to push Willis across the plate.

Five walks gave Master's Cove two more runs, without the benefit of a base hit, in the top of the fourth, while Kiwanis picked up an unearned run in the bottom of the fourth. Bryan Debose doubled and scored on an error for the Kiwanis run.

A bases-loaded single by Noy Rivers gave Master's Cove a run in the top of the fifth, making the score 6-3. Chris Parrish opened the bottom of the fifth for Kiwanis with

a walk and Mike Wright was hit by a pitch. With one out, Parrish was thrown out at the plate when he tried to score on a wild pitch. Dexter Debose walked and Jones was hit by a pitch, loading the bases, and Bryan Debose singled to score one run. Dwayne Willis stroked a single and by the time Master's Cove was finished misplaying the ball, all four runs had scored.

Matt Hines walked to open the sixth for Master's Cove and Chris Eastman followed with a single. Both runners advanced on a passed ball and Hines scored when Greg Ingram topped the ball in front of the plate and the catcher threw him out at first. Dee Johnson walked and stole second, but the next two batters went down swinging.

Bryan Debose, the winning pitcher, also led his team in hitting with a double and single. Rivers and Eastman had the only hits for Master's Cove.

Rotary only managed three hits, but never trailed in the game against Moose. Eddie Korgan went the distance on the mound for his first Junior League victory. He scattered seven hits and struck out six.

Darris Little, Craig Dixon and Billy Penick had hits for Rotary, each driving in a run with the safety.

Roger Hall, Fred Thomas, Gary Derr, Vernon Ramassar, Greg Merithe, David Goldstick and Marvin Killingsworth all had singles for Moose.

Record 66 Gives Postlewait Early Lady Classic Lead

ORLANDO, Fla. (UPI) — Kathy Postlewait has never won a tournament in the nine years she has played on the LPGA tour but you wouldn't have known that after her opening round in the \$150,000 Orlando Lady Classic.

Ignoring tricky brisk winds, Postlewait blistered the par-72 Rio Pinar Country Club course Friday, firing a record first-round 8-under 66 to take a 4-stroke lead into today's second round.

Not only did she set a record for the first round of the tournament, but she also tied the first-round LPGA low for 1982.

"The wind just didn't bother me because I'm a fairly good wind player," she said. "I knew when I looked out the window today that it was going to be windy, so I concentrated well."

"Believe it or not, the most problems I have when it's windy is my putting," she said. "But my brother was caddyfing for me today and he helped me read the greens."

Four shots behind Postlewait at 2-under 70 were Janet Coles, Dot Germain, Sandra Haynie, Patty Sheehan and Donna White, the tournament's 1980 winner.

Five strokes off the pace were Jan Stephenson, Sally Little, Nancy Lopez-Melton, Kyle O'Brien and Kelly Fuika. Ten golfers were tied at 72 and 11 players shot a first-round 73.

Defending champion Beth Daniel and the tournament's inaugural winner, Jane Blalock, both shot 3-over 75s.

Postlewait, who finished third in the Bent Tree Classic earlier this season, had three birdies on the front nine for a 35 and picked up five more on the back for a 31.

Four of her birdies came on 15-foot putts and one was on a 36-footer.

She hopes this weekend she will find the secret formula for winning.

"I'm very consistent and have had some strong finishes," said Postlewait, whose best finish has been a tie for second place three times. "But I don't know why I haven't won. I'd like to find that out soon."

Germain had two birdies on the front nine and two on the back and saved three pars on chip shots.

"I didn't start hitting the ball too well until No. 7 and No. 8 when I had two straight birdies," she said.

Buccaneers Long Ball Silver Hawks, 5-3

By SAM COOK
Herald Sports Editor

Mainland High's baseball team now has three home runs for the 1982 season.

Guess how many the Battlin' Bucs hammered Friday night in the 4A-3 District Tournament against Lake Howell at Sanford Memorial Stadium?

If you guessed three, you were stretching it a bit. But Doug Marlett and Henry Garris did rap two-run round-trippers Friday night to lift the Bucs past the Hawks, 5-3, and into the Region 4A-3 Tournament Tuesday against either Merritt Island or Eau Gallie.

"Unbelievable!" screamed Mainland assistant coach Don Bower. "We sure played long ball tonight."

The Bucs played long ball all right and they played it early. Sophomore righthander Van Golmont was attempting to get over his first-inning jitters after a walk to leadoff man Bill Hildebrand when leftfielder Doug Marlett unloaded one of his fastballs over the left-field

wall.

"I thought it was a fly out," confided Marlett about his blast which gave Mainland a 2-0 lead. "I didn't know I had it in me to hit a home run."

After the blast, Golmont, making his first start, settled down. He retired the Bucs in order in the second inning and at one time had a string of seven straight outs and 11 out of 12.

The Bucs' lead held up until the top of the fourth when the Hawks broke loose for two runs.

After two were out, shortstop Tony DiMauro started the outburst with a single off starter Alan Hand. Frank Zubor laced a base hit to center which Rich Preis overran allowing the runners to go to second and third.

Golmont then coaxed a walk before Robert Tucker ripped a clutch double into right center to score DiMauro and Zubor for a 3-1 lead.

The Hawks added another run in the fifth. Irrepressible leadoff man Bill Lang rapped a hit to right field to initiate the inning. Doug Chiodini followed with a base knock to right, sending Lang to third.

Prep Baseball

David Martinez grounded back to the pitcher, who forced Chiodini at second as Lang held third. Cleanup hitter Jim Royal then slapped a sharp one-hopper at Mainland first baseman Todd Phillips, who knocked it down, but could only get the out at first as Lang scored for a 3-1 lead.

Golmont, however, ran into immediate trouble in the bottom of the fifth. After Marlett flied out to left, Todd Phillips worked the young sophomore for a walk.

Words can't describe how far Henry Garris hit Golmont's next fastball. The strapping first baseman unloaded one way, way over the wall in left field.

"I wasn't thinking home run. I was just trying to knock in the tying run," said the modest Buccaneer. "It was a high fastball. A little inside. It's funny, I hit both my home runs off Lake

Howell."

The Silver Hawks, however, weren't laughing. Garris' "Tater" gave Mainland a 4-3 lead and Tim Phillips promptly ripped a base hit and then moved to second on a ground ball to first.

Catcher Al Peros followed with a clean single up the middle to score Phillips and give the Bucs some breathing room entering the final two frames.

Which was all Mainland's bionic arm—Rich Preis—needed going into the final six outs. Preis came on in the fifth to get the final out.

In the sixth, he fanned Zubor and Ramroth around yet another hit by Tucker to ease out of the inning. In the seventh, Preis retired the dangerous Lang and Chiodini before Martinez stroked a single to left. Preis, nevertheless, jammed Royal with a fastball to induce a pop up to first to end the game.

The mesmerizing lefthander appeared in all three tournament games. Against DeLand, he

picked up the victory and in the last two outings, Preis was credited with saves over Apopka and Lake Howell.

"When the game's on the line, he's my kinda guy," said Mainland manager Ron Pagano.

After the last four days, no one can argue with that.

Seminole High's Tony Hardy soars to 18-foot-4 in the long jump at the Five Star Conference Meet at Lyman on Friday. Hardy won the long jump, both hurdles and anchored the mile medley relay to a first place finish as the 'Noles cruised to the championship.

Hardy Strikes Back!

Prep Track

It's no secret that Tony Hardy's feathers on her Seminole bonnet were a little ruffled when Lyman's super sophomore Schowanda Williams upset the Tribe senior in both hurdle events in the Seminole County Meet.

Friday at Lyman, Tony made amends.

The multi-talented senior blitzed Williams in both hurdle events along with a long jump victory and an anchor leg in the mile medley relay as the 'Noles' girls rolled to the Five Star Conference championship.

"We might have caught Tony by surprise in the county meet," said Lyman coach Larry Baker. "She was sure super tonight."

Hardy was the superest in the 110 low hurdles where she blasted to a 14.2 clocking to beat Williams by five-tenths of a second. In the 330 low hurdles, Hardy ran a 44.1 to whip Williams by four-tenths of a second. The 110 time was a new meet record.

In the long jump, Hardy soared 18-foot-4 to take the top spot. Her anchor 880 leg on the mile medley gave the 'Noles' first place in 4:24.3.

Hardy's superlative performance helped the Seminoles to an easy victory, over Lyman, 94-77. DeLand (58), Spruce Creek (36), Lake Brantley (31), Lake Howell (29 1/2), Mainland (19), Seabreeze (8 1/2) and Apopka (4) followed.

Lyman's Lori Carroll set a record in the high jump by leaping 5-foot-4 and three-fourths. Nancy Bopp set a new standard in the discus with a toss of 130-foot-4. Carmen Gardner shattered the two mile mark with an 11:28.9 clocking.

Lyman's Steve Gerrity unloads a 46-foot heave in the shot put at Friday's Five Star championships. Gerrity placed third in the event. Mainland won the boys portion of the meet and Seminole won the girls' half.

Probation NCAA Stuns Trojan Program

MISSION, Kan. (UPI) — The Southern Cal football program, one of the most successful in the history of college sports for four decades, has been stunned with one of the harshest NCAA penalties ever handed down.

The program was put on three years' probation and prohibited from competing in bowl games and from having its games televised for two years.

The penalties stem from football players being given grades in speech communications courses in which they did little or no work, and from an assistant coach scalping the players' complimentary football tickets.

The assistant coach was not named by the NCAA, as is the organization's policy, but the man who reportedly sold the football players' free tickets over a 10-year period was assistant coach Mary Goux.

The penalty bans the football team from participating in post-season games during the 1982-83 and 1983-84 academic years, and from appearing on any NCAA-controlled television program during the 1983 and 1984 regular football seasons.

The NCAA said the academic coordinator for athletics at USC "made arrangements with a lecturer in the department of speech com-

munications at the university to permit student-athletes to enroll in certain courses with the understanding they would do little, if any, academic work and would be graded as student-athletes, not as students."

The school refused to comment on the NCAA's decision Friday and scheduled a news conference for Monday.

The NCAA considered the ticket-scalping scheme much more serious.

"The most flagrant example of willful circumvention of NCAA legislation (occurred) in this case," said Charles Alan Wright, chairman of the NCAA Committee on Infractions. "It involved an assistant football coach who, during the period 1971-1979, deliberately violated NCAA rules by selling complimentary tickets of varsity football team members in excess of face value in order to provide large sums of cash to the team members who chose to participate in this arrangement."

As an additional sanction the NCAA also said the assistant coach will be prohibited from performing any official or unofficial duties on behalf of USC, with the exception of coaching, for a two-year period. The NCAA said the school will not be able to replace the coach with

another recruiter during that time.

The NCAA also said 16 people who bought tickets through the illegal arrangements will be prohibited from participating in any recruiting activities during the probationary period.

The NCAA said its inquiries into USC began in 1980 after publication of newspaper articles quoting former football players about the ticket-selling arrangement. During the NCAA's investigation, the Pacific 10 Conference took punitive action against USC in August 1980 as a result of violations concerning arrangements for unearned academic credits for student-athletes enrolled at the school.

"The violations in this case that were found independently from the academic matters considered by the Pacific-10 Conference represent a significant and extensive pattern of improper benefits made available to enrolled student-athletes, particularly members of the university's football team, over a period of approximately 10 years," Wright said.

"The committee believes such an improper competitive advantage and the resultant athletic prestige gained by the university should not be realized without substantial disciplinary action."

Lady Rams Claim District Title

By CHRIS FISTER
Herald Sports Writer

A district championship is something a team dreams about from the first day practice begins. But rarely does a school that has existed for only one year turn that dream into a reality.

But Friday, new-born Lake Mary High School had a shot at two district championships. One in boys' baseball and the other in girls' softball. For Cindy Henry and the Rams' softball team the dream became a reality. For Don Smith and his diamondmen the dream fell short.

The Lady Rams continued to startle their opponents by chalking up a 7-3 win over favored Mount Dora to claim the District 9 (2A-10 AA) Championship. Kim Averill and Jill Lewis led the Lake Mary attack with two hits each. Lake Mary now advances to play in Clermont Tuesday night.

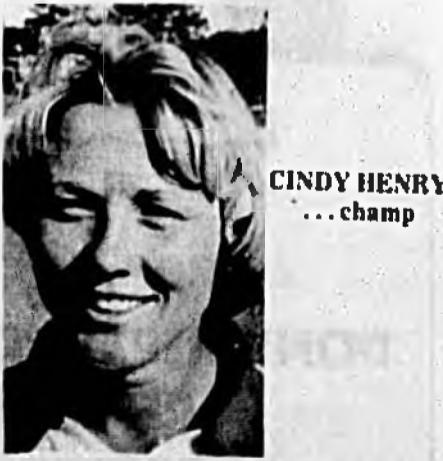

And the Lady Rams, sporting the championship trophy, stuck around to support their male counterparts. To most people the Class AA, District 10 Championship may have looked like a mis-match. Here was a Junior Varsity team (Lake Mary), which had played only two varsity games all season, going for the district crown against the Umatilla Bulldogs, whose roster consists of mostly juniors and seniors.

But the Rams were in the game until the final out was made as Umatilla claimed the championship 5-3 at the Bulldogs home field.

Umatilla got on the board in the top of the first inning on a double by Mike Terry combined with a Lake Mary error. The Bulldogs tacked on three more runs in the second.

Terry Keller reached on an error to lead off the inning and came around to score on Steve Baisden's single. Then, with runners on first and second, Umatilla pulled off a double steal. Two runs scored as David Whiteside's slide squeeze attempt was thrown into right field.

Lake Mary scored its first run in the bottom of the second. Rodney Metz led off the inning with a

It's Aaron, The Ballplayer

NEW YORK (UPI) — For most of his meal, the director of player development for the Atlanta Braves was permitted to eat in peace. Nobody bothered him until one of the waiters shamelessly gave him away. Pulling another waiter off to the side, the first one whispered: "You know who that is?" "No," was the honest reply. "It's Hank Aaron, the ballplayer."

National League

Floyd Chiffer, 20, pitched 1 1/3 innings of relief for the victory. The loss was the second in a row for Atlanta after a record-breaking 13 straight victories to start the season.

Cubs' starter Dickie Noles, 22, was the loser.

At Montreal, Al Oliver singled over second base to drive home Rodney Scott from third with one out in the ninth inning and lift the Expos.

Don't Walk On Campus At Night

United Press International

Violent crime has become a fact of life for college students in the South — especially students at urban universities — and campus security forces at some schools are growing faster than faculties.

"I never walk alone on campus at night," said Susan Thompson, a senior at Georgia Tech, a top engineering school now in one of Atlanta's seedier urban neighborhoods.

Tech began building a tall chain link fence around its 300-acre campus after two students were robbed and shot by assailants last Dec. 9 while walking across the campus.

The Tech students survived. Some, at other campuses, have not.

Twice in recent years, killers have stalked coeds at universities in Tallahassee, Fla.

Florida A&M sophomore Millicent Elaine Wilson was raped and stabbed to death in her dorm last October, the day after celebrating her 19th birthday on the Tallahassee campus.

Miss Wilson's neighbors in Cooper Hall reported hearing "scuffling noises and loud talking" during the early morning hours, but no one became concerned until a friend noticed her missing and had a security guard open her room to find "blood everywhere."

At nearby Florida State University, students still talk about the bloody night Theodore Busby slipped into the Chi Omega sorority house and killed two coeds.

Last fall quarter, there were six armed robberies on the Georgia Tech campus and two assaults. The University of Alabama at Birmingham had eight armed robberies, 39 assaults and four rapes. FSU's latest figures show seven rapes in 1981, four "strong armed robberies" and 73 assaults.

The University of Tennessee had one rape and 42 assaults last year and the University of North Carolina reported one

rape and 24 aggravated assaults on campus last year.

Crime and the fear of attack on once-tranquil college campuses have forced university administrators to beef up security forces and conduct crime prevention seminars for students.

"We're trying to act before the fact," said Danny Baker, University of South Carolina assistant vice president for law enforcement and safety.

"We're trying to prevent a crime from occurring rather than reacting to a crime," echoed FSU police chief Jack Handley. "There are 22,000 students at FSU and we're trying to design our crime prevention programs within their lifestyles. You can't make a fort out of a university."

After the Chi Omega murders, 24-hour security guards were assigned to FSU residence halls and police emergency "pull stations" were put in areas with a high female concentration.

FSU also had 21 "blue light safe trail" telephones installed around campus to provide an instant link to police and Handley is experimenting with small all-terrain vehicles to give officers more mobility.

"We work with the physical plant department in recommending safety for buildings where people have to return at night," said Handley. "We're constantly presenting personal safety programs."

UAB, reacting to the four rapes last November, is holding student and employee education programs to "teach them to avoid becoming a victim."

"We feel like with any of the felony crimes against persons, one is one too many," said UAB campus police Chief Tom Seals. "We have a number of areas in which we're concentrating to reduce crime."

Sweatheart Pageant At LMHS

Is everybody ready for the treat of a lifetime? Well, get ready for it, because this Wednesday night in the LMHS auditorium, the First Annual Lake Mary Sweatheart Pageant will be held.

Not sweetheart, but sweatheart. This is a contest for LMHS guys dressed in women's clothing.

The pageant is being sponsored by the freshman class as part of their fundraising campaign. Kerri Collins, freshman class president, is the director of this night of comedy. Tickets are \$1 in advance and \$1.50 at the door. The pageant will begin at 7 p.m. and everyone is hoping for a huge turnout.

SHS Girls Win Tennis Title

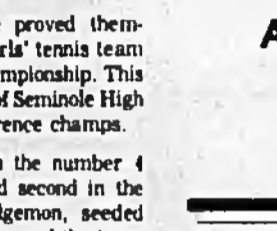

The Lady Seminoles have proved themselves once again. The 1982 girls' tennis team won the 3-Star conference championship. This is the first time in the history of Seminole High that we have been the conference champs.

Susana Huaman, topped in the number 4 singles, Angie Barley, seeded second in the number 2 singles, Patti Edgemon, seeded second in the number 3 singles, and the team of Barley and Edgemon, seeded first in the number 2 doubles, all came away from the finals as winners.

In the district matches, the girls put forth a great effort with Patti Edgemon coming home seeded third in the number 3 singles, and the doubles team of Barley and Edgemon seeded fourth in the number 2 doubles.

Seminole is mighty proud of the team and their coach Donalyn Knight.

Next week's activities:

Monday, a swim meet, 4 p.m. against Lake Howell.

Wednesday, swim meet at 4 p.m. against New Smyrna; cheerleading judging for next year's cheerleading squad; and the first showing of the play "Deadwood Dick."

Thursday, the final showing of "Deadwood Dick."

Friday, student-teacher Exchange Day. For one day, members of the senior class will exchange roles with the teacher of their choice.
