### **Bishop's** Induction Slated

Installation of the Most Reverend Paul F. Tanner, D. D., as the seventh Bishop of the Dio-cese of St. Augustine will take place at 11 a.m. Wednesday. In

it. Augustine Cathedral. Officiating will be His Excel ency, the Most Reverend Luigi Raimondi, D. D., Titular Archbishop of Tarsus and Apostolic Delegate to the United States. The Diocese of St. Augustine serves some 300,000 Catholics residing in North Florida. The diocese extends from Fernandina Boach to Melbourne on the east coast and from Tallahassee to Venice on the west coast, an area of more than 30,000 square miles.

Bishop Tanner's appointment to the Diocese of St. Augustine follows a distinguished career of some 28 years in the national service of the Catholic Church. For the past 10 years, be was general secretary of the National Catholic Welfare Conference, now known as the United States Catholic Conference. In this role, he was in effect the executive secretary to the Catholic Bishops of America to carry out their na-

tional policies. Present at the Ceremony will Rev. penditures but those who use this facility know that the real test will come when the high winds and storms put the harbor to a stern test. Another is the lack of any public dock. Those who will patronize the Holiday Inn do have temporary spots to tie-up and enjoy the marina. But to the many who might want a temporary— few hours—rest from boating and would like to wander into downtown Sanford for some brows-ing or shopping, there is no place to dock their

We have a jewel in the Holiday Isle facil-ities. Now we must see that it loses no lustre or become damaged. Doesn't it seem that re-assess-ment is in order? Or, as we might hope, it is already taking place.

### Hip, Hip! They're Wider

The "hippies" are taking over the country, and it has nothing to do with flower power. Grandstand seats in Cincinnati's new stadium will be 21/2 inches wider than those in old Crosley Field, built in 1926. That's how much the average person's span has increased in that span, say the architects.

The Florida Education Assoistion's executive committee nnounced today it has waived sanctions that had been imposagainst Seminole, Dixie and Santa Rosa Countles.

The action leaves nine counies where sanctions have not been lifted after the easing of Florida's education crisis.

FEA executive secretary Phil Constans said that sanctions County for the last three | against the three counties are years, after 12 years as being waived because all teachcounty prosecuting at- ing personnel and administrattorney, today announced ors have been reinstated with-

He said also that no cour action against these persons is pending in Seminole, Dixie and Santa Rosa Counties.

The FEA announced imposi tion of sanctions sgainst 12 counties about one week ago, charging that the counties have many teachers and administrators who had participated in the
