

Maloy plans bid for tax collector's seat

By Jamie J. Anderson-Potter Staff Writer

County commissioner keeps promise not to run for third term

SANFORD - Seminole County Commissioner Grant E. Maloy announced Tuesday that he will not seek re-election in November 2004.

"When I was originally elected, I promised voters I would only serve two terms," said Maloy. "This is the end of two terms - I think eight years is enough. I don't think any elected officer should be a lifelong career."

Instead, Maloy will vie for the elected

position of Seminole County tax collector. Maloy plans to officially file the paperwork at the Office of Supervisor of Elections at 10 a.m. today.

Maloy says his decision to run was based partially on the ethical practices of the current tax collector, Ray Valdes.

According to published reports, during his 14 years in office, Valdes and his family

have purchased land, well below its worth, being auctioned for back taxes. The family has also purchased certificates that earn interest on people's delinquent taxes.

According to Maloy, although Valdes' actions are not illegal, he doesn't feel he should make a profit on the system he was elected to oversee.

"I put a lot of thought and prayer into it

and decided to go ahead and attempt to make a change there," said Maloy. "I will work to restore integrity and a positive public opinion in that office."

"I think I've had a record of following through on my promises of being fair and independent, with high levels of ethics," he added. "I think I could improve the public perception of the office."

According to Maloy, if elected he will introduce a policy stating that the tax collector and employees of the tax office may

Deputy's passion for kids earns him award

By Dan Ping Editor

SANFORD - Carl Tipton was finishing spring drills when he received an urgent call.

Tipton is a football coach at Lake Mary High School and a full-time deputy with the Seminole County Sheriff's Office, so urgent calls are nothing new for the Sanford native.

This call, however, came from straight from Chief Deputy Steve Harriett.

"He said 'You need to get over here to Sanford immediately,'" Tipton recalled.

This wasn't the usual emergency, though. Tipton was needed in Sanford to accept a surprise award: the Eugene Gregory Humanitarian Award.

"I was awe struck," Tipton said. "I had no idea this was coming."

The award is given every year by the Sanford Lakeside Lions Club to honor a Seminole County Sheriff's Office employee.

"This honor recognizes three qualities of a good human citizen," Harriett said in presenting the award to Tipton. "It's not about being a good deputy, though that's certainly a part of earning this award. It's about doing more, much more, than the job requires to make the community a better place."

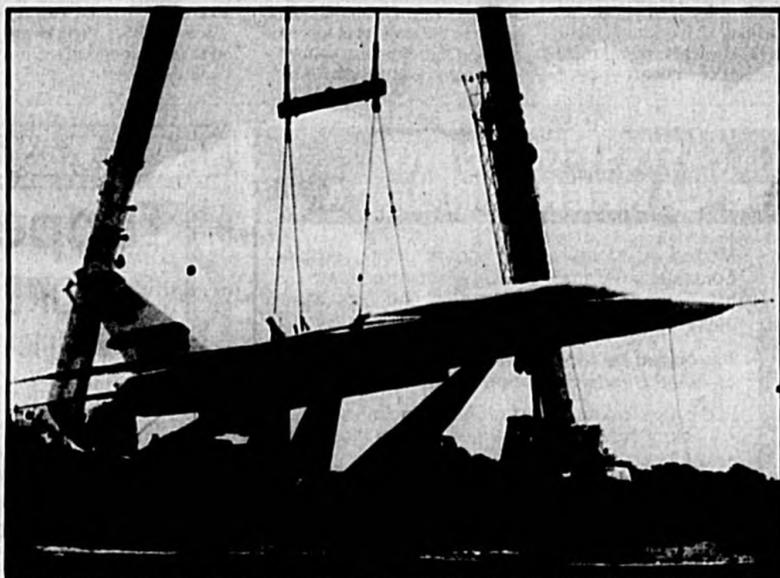

Tipton, who began his career with the sheriff's office in 1991, is active role model for the youth of Seminole County, Harriett said. In addition to working with the Lake Mary football program, Tipton is a school resource officer at Lake Mary High School, and he leads the youth group at Palmetto Avenue Baptist Church.

"Carl has a real passion for working with kids," Harriett said. "He injects himself into their lives and he is dedicated to helping young people."

"As a personal example," Harriett added, "Carl worked with some of the youth at my church, and every where he went, there were at least 10 young people around. They absolutely love

Vigilante, memorial park dedication set for May 30

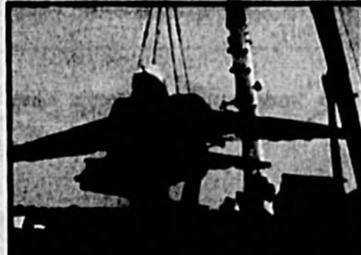

When the Sanford Airport Memorial Committee formed about three years ago, they had the goal of obtaining a historic U.S. Navy aircraft and erecting a monument that would serve as a reminder of the airport's glorious military history. In less than a month, the fruits of their labor will be on display for all to see.

On May 30, a vintage RA-5C Vigilante aircraft will enter the sky once again, mounted on steel pylons for public viewing at the airport's entrance. Crews were in town recently mounting the craft on the style pylons.

Since acquiring the aircraft in 2001 in poor condition, some 20 people have spent a year and a half restoring the plane to its former glory. Many of these workers are part of the Aircraft Restoration Committee, a group of 15 mostly retired military men.

The plane will serve as the centerpiece of a small memorial park that will also include such features as memorial benches and plaques. Unfortunately because of lack of funding the park will not reach completion in time for the unveiling of the plane. The committee hopes to have the park open by the fall.

As for the Vigilante, it will get dedicated in a traditional military-type ceremony set to begin at 10 a.m. on May 30. The entire public is invited to attend. For more information about the memorial, contact Jack Dow at 407-485-4006.

UK travelers boost airport numbers

By Dan Ping Editor

SANFORD - Passenger counts on domestic and international flights continue to remain well below pre-Sept. 11 totals, but there are signs that the worst may be over at Orlando Sanford International Airport (OSIA).

Larry Gouldthorpe, president of TBI Airport Management Inc., told board Sanford Airport Authority members that there are preliminary indications the international market may rebound during the summer.

"Really, I think March was the bottoming out month," said Gouldthorpe, whose company manages the day-to-day operations at the airport. "We're starting to see some turnover in the United Kingdom. The operators there are becoming quite bullish."

In March, 45,000 domestic and international travelers passed through OSIA, a 56 percent drop-off from March 2002 when the airport logged 97,000 travelers.

For April, preliminary figures indicate passenger counts will be about 20 percent less than April 2002's 96,000 passengers; however, Gouldthorpe pointed out that the numbers are increasing, and there is a silver lining to the overall totals.

"The UK counts are up 11 percent, which gets lost in the overall information," Gouldthorpe said. "I think, by mid-summer, those numbers should continue to increase to the point that are monthly numbers match last year."

AerJet, a UK-based charter service is one reason Gouldthorpe is optimistic about increased travel to Sanford. The carrier announced it would begin non-stop service to Sanford from Dublin, Ireland in July. Officials at AerJet have bumped that start date up to June 2.

In addition, Gouldthorpe said OSIA officials are negotiating with Pace Airlines about directing more domestic routes to Sanford.

"This is the kind of carrier that will emerge from this distress in the industry," Gouldthorpe said.

Larry Dair, president of OSIA, agreed and said Pace has twenty-two 737 jets and is ideally posi-

Downtown attracts 'Drowning' film crew

By Jamie J. Anderson-Potter Staff Writer

SANFORD - While traveling on Main Street in the downtown Sanford historic district Monday morning, chances are you were involved in a traffic jam caused by a blue Cadillac.

Against popular belief, this wasn't the result of an 80-something driver who didn't put the pedal to the metal. It was actually a pseudo traffic jam created when crewmembers from New York as well as Valencia Community College converged on the historic district to shoot scenes for an

upcoming independent film, "Drowning."

"I always enjoy shooting here," said Ralph R. Clemente, program director of film production technology and professor of film productions at Valencia Community College. "It's a great looking downtown. It has great Americana and can portray any time period."

The crew set up shop in front of Cool Beans Coffee on Magnolia Square while shooting scenes at the traffic light located in front of the city's historic clock. They also shot scenes in front of Cobblesstone's at the corner of 1st Street and Palmetto Avenue.

At several points throughout the day, the crew pulled locals off the street to act as extras in the film. Later in the day, the crew made its way to the dock of Rivership Romance to shoot.

The project is a collaboration between Valencia Community College's film department and Scott Graham, the film's writer and director.

Graham, who graduated from Valencia in 1997, spent several years booking bands in the Orlando music scene before relocating to New York in August 2000

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

Finding steady job is hard for Navy wife on the move

DEAR ABBY I am a Navy wife. My husband is deployed to the Persian Gulf. Since his departure, I find myself worrying most of the time, and I would like to do something constructive. I'd like to get a job, because frankly, I could use the extra income, but I don't know where to start.

Dear Abby

We recently moved to Norfolk, Va., but will probably have to relocate again when my husband returns to the States, so I can't commit to a long-term position. Since you do such a wonderful job assisting families with all kinds of issues, have you any suggestions for me?

Thank you in advance.
ELIZABETH GUIDRY, NORFOLK, VA.

DEAR ELIZABETH: I admire your "take action" approach to coping with the stress and separation, and I agree that a job would be a terrific outlet. I consulted a friend at the Department of the Navy, who suggests that you look into a program called Adecco Career Accelerator. It's a partnership between the Department of the Navy and a worldwide staffing company called Adecco, specifically designed for military spouses — active and reserve — who have difficulty finding work because of frequent relocations.

Adecco recruiters provide military spouses with career counseling, training and job placement — at no cost to the military or the spouses. The company then places people in a wide range of positions, from administrative to technical, financial and light industrial, which provides a variety of options. Another advantage of this program is that vacation and other benefits transfer with you when you move. The program isn't hard to find. It operates on or near almost every Navy and Marine Corps base in the country. Military spouses are a valuable untapped resource of talent and resources. We should all recognize the important contributions of military spouses not only in the lives of their families, but also to our nation. I salute each and every one of you, and support your efforts.

To locate the nearest Adecco office, visit www.adecco.com/careeraccelerator/.

DEAR ABBY: "Humiliated in the Rocky Mountains" said she had found evidence on their computer that her husband was cheating. She did not mention what the "evidence" was, but if it's e-mails, she should be very cautious about accusing her husband because things aren't always as they seem.

I set up an e-mail address for my dog, Chester. I give out his address whenever a Web site requires an e-mail address and I do not wish to receive e-mails from them.

Just last night, Chester received an e-mail from "Ginger." The subject was, "Thanks for the great time last night, Tiger!" While Chester is a fun-loving dog, he is not THAT friendly. I had him "fixed" when he was a year old.

It turned out to be an unsolicited e-mail ("spam") advertising a pornographic Web site. Had I received that e-mail and my wife had seen it, goodness knows what she'd think.

KEEPING A CLOSE EYE ON CHESTER, NORTHBROOK, ILL.

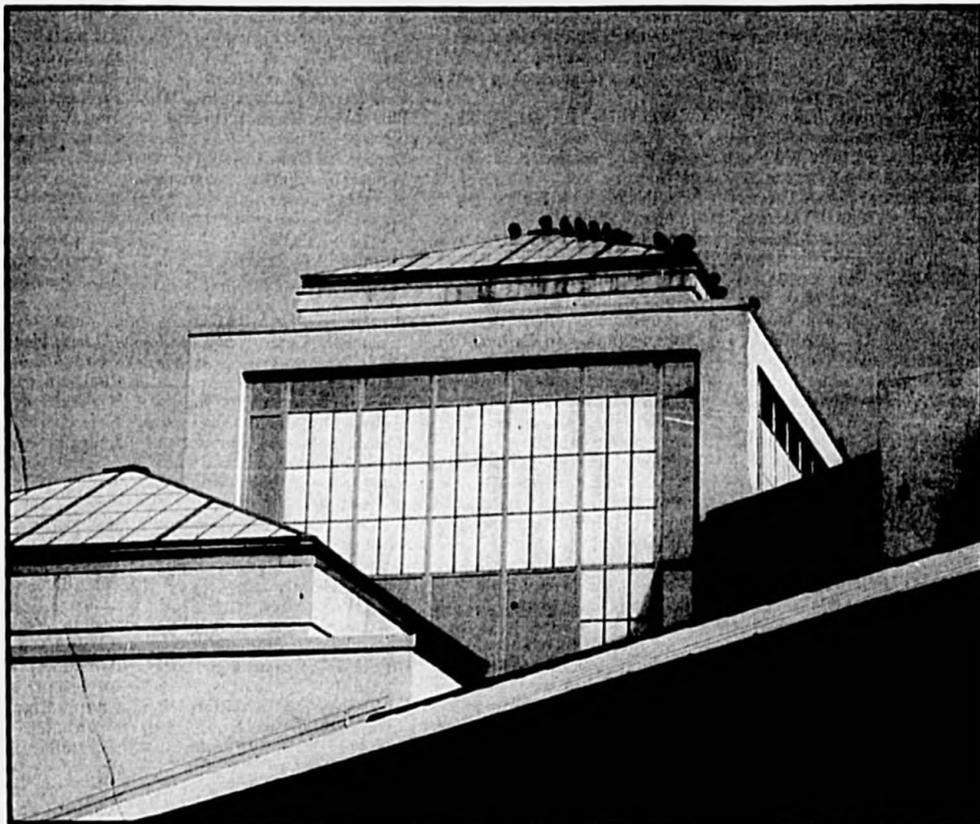

DEAR KEEPING: Thank you for pointing this out. Your letter may save someone's marriage from going to the dogs.

Dear Abby is written by Abigail Van Buren, also known as Jeanne Phillips, and was founded by her mother, Pauline Phillips. Write Dear Abby at www.DearAbby.com or P.O. Box 69440, Los Angeles, CA 90069.

Drowning

 focus his efforts on a writing career.
 "I knew I wanted to direct a movie and I figured the only way that was going to happen was to write one and direct the one I wrote," said Graham, who spent four years working on the "Drowning" script. "I spent a long time getting this right."
 The independent film is Graham's debut writing effort. It's a dark romantic comedy in the tradition of "Harold and Maude" (1971) or "The Graduate" (1967). The film focuses on a young religious man, Ben Anders, who becomes obsessed with rationality and becoming the ideal man.
 Before meeting a beautiful, young woman named Rain, Anders is "drowning" in his own thoughts due to a social anxiety disorder. As the heroin, Rain pulls him out of his shell and saves him from "drowning."

The cast is led by New York Actress Jenna Lamia as Rain ("Nowhere to Go But Up" and "Or"), Los Angeles Actor Kelly Nyka as Anders ("Legally Blonde" and "Carnivale") and Central Florida Actor Bob Lipka as Norman ("Cold Case" and "Bluegrass").
 The film crew consists of several New Yorkers, including Graham, Cinematographer David Ferrara ("Black and White" and "Kill Me Later") and Producer Vince Maggio ("The Next Big Thing" and "Click").
 In order to keep costs down on this low-budget film, Graham also enlisted the help of film students from Valencia Community College to round out the remaining crewmembers.
 "The Valencia program is a great program," said Graham. "Everyone in our crew is amazed by the students so far. These kids will come out of the program with

the knowledge to work in the industry, not just the theory."
 The college has assisted in 20 feature films, including "The First of May" and "Sealed with a Kiss," which was shot in front of Helen Stairs Theatre for the Performing Arts and is currently airing on HBO.
 The 21-day shoot will take cast and crew throughout Central Florida before wrapping up on May 28.
 "Our goal is to sell it as soon as we get it done," Graham said. "I think that's a realistic goal

because we have a great cast, great story, and all the tools in place to have a great finished product."
 "We really appreciate that we were able to shoot in Sanford," he added. "When we saw the location we knew this is where we wanted to shoot. It's a great town and we were grateful that we were able to shoot there and that everyone was so gracious."

 Gouldthorpe also reported that Vacation Express, the tour operator based in Atlanta, may return to Central Florida. The company had used Sanford as its North American hub, but relocated to Atlanta last year in a move to boost business.
 "The move to Atlanta has hurt them, and they've lost a lot of money," Gouldthorpe said. "It has not been very successful in Atlanta, and we're going to re-approach them."
 Dale put the chances of Vacation Express moving back to Sanford at "better than 50-50."

 According to the Office of Supervisor of Elections reports, no one is currently signed up to run against Maloy, including Valdes, who was originally elected in November 1998. However, several people have picked up information packets.

 According to Maloy, it has been 15 years since a commissioner has decided not to run for re-election. His decision to enter the tax collector race will leave a vacancy in the District 1 County Commission spot. However, a special election will not be needed since both positions will be up for election in November 2004.
 "It would be a smooth transition from one office to the other," he said.

Central Florida Blood Bank names top executives

From Staff Reports

After 23 years of service with the U.S. Navy and 12 years of leadership with the Central Florida Blood Bank (CFBB), which employs 530 employees and services 30 healthcare organizations in 17 Florida counties, Mike Pratt has been appointed to the position of chief operating officer.

Pratt

"In my new role as COO, I envision an exciting, yet changing road ahead of our organization's operations and testing programs. We are at the threshold of dramatic change with new technologies that will raise the bar for exacting performance for all of our blood banking operations," said Pratt.

Pratt has been with CFBB, a \$50 million organization, since 1990, serving as the

executive vice president for Technical Services where he was responsible for all professional services at the blood bank, including laboratories, education, tissue bank, resource management and donor services. He has contributed his expertise to the blood banking industry through technical publications in the areas of blood bank and laboratory management, as well as serving as the FDA authorized official for CFBB.

Anne Chinoda, a 16-year CFBB employee and newly appointed president and CEO, passes the title of COO to Pratt. Pratt will oversee day-to-day testing laboratory operations and hospital supply distribution, while Chinoda will be responsible for all management decisions that come with running the organization and planning for its future growth.

"Working with Mike over these past 12 years has been a fantastic experience," said Chinoda. "I am confident that with Mike's technical and leadership experience, we will move forward, focused on priorities that will drive our operational

and marketing efforts to reach our continuous goal-providing a safe and adequate blood supply to our community."

Pratt has devoted his life to his community through his service in the military and the blood banking industry. He has served as a Captain in the U.S. Navy, a member of the Advisory Board for the College of Health & Public Affairs at the University of Central Florida, a member of the Orlando Rotary Club and a Southeast District Representative of the Administrative Section Coordinating Committee for the American Association of Blood Banks.

In addition to Pratt's appointment, Bryan Joseph, vice president of finance has been appointed CFO and secretary of the Central Florida Blood Bank.

"I am excited to have the opportunity to continue to serve this quality organization, especially in my new capacity," said Joseph. "Our organization faces the constant challenge of attracting new donors and maintaining a loyal donor base and I look forward to assisting in this effort in

my new role."

Joseph has been with CFBB for two years. Serving as vice president of finance and chief financial officer, he is responsible for the oversight of finance and accounting, information services, and facilities management functions for CFBB, the Central Florida Tissue and Eye Bank and Independent Blood & Tissue Services of Florida.

Joseph

Joseph has contributed his expertise to the organization most recently by developing and implementing an integrated human resources, accounting, and financial reporting system that has enhanced much of the organization's management reporting capabilities. In addition, Joseph was instrumental in securing tax-exempt bond financing in connection with the acquisition of the

organization's new headquarters in October 2002.

"I am thrilled to have Bryan join the board serving as CFO and secretary," said Anne Chinoda, president and CEO. "We have many challenges ahead of us and it is great to see new faces with fresh ideas joining the board in support of our ongoing mission to provide a safe and adequate blood supply to the many communities we serve."

Prior to joining the organization, Joseph served as director of accounting and financial reporting for Emerge Interactive, Inc. in Sebastian, a \$150 million technology and marketing company serving the beef production industry. Joseph began his career with KPMG LLP in 1995, where he served as a senior accountant.

Joseph is a member of the Florida Institute of CPA's and received his Masters of Science in Accounting from the University of Florida and his Bachelors of Science in Business Administration from the University of Florida, as well.

Engineered homes closes books on Egret's Landing

Engineered Homes, one of Central Florida's most active production builders, recently closed the books on one of its most successful residential communities — Egret's Landing in Lake Mary.

The Winter Park-based company, which currently is building in Seminole, Lake and Osceola counties, rang up approximately \$39.4 million in home sale volume in approximately four years after the 224-home community opened, reports Engineered Homes Marketing Director Marilyn Anderson.

The average sales price during Egret's Landing's successful run was about \$175,000.

Located on Old Lake Mary

Road in the Chase Groves area of Lake Mary, Egret's Landing was the company's first residential venture in Seminole County and helped lay the foundation for four other Seminole developments that followed, including current communities Buckingham Estates just north of Heathrow and Lake Griffin Estates in Casselberry.

The sellout of Egret's Landing follows the recent closeouts of two other Engineered Homes' communities — Lake Gloria Estates in south Orlando near the Florida Mall and Weston Hills on U.S. Highway 27 in south Lake County near Clermont. Both communities — representing almost 650 homes — sold out late last year after post-

ing more than \$104 million in gross volume.

Despite those closeouts, Engineered Homes still has plenty to keep it occupied with three current developments and another that was recently launched in Kissimmee called Brighton Lakes, notes Anderson.

Those existing developments include Buckingham Estates, Lake Griffin Estates and Mission Park in south Lake County adjacent to the successful Weston Hills development.

Now in its seventh year of operations, Engineered Homes is looking to improve on last year's numbers — 319 home sales and \$72.8 million in volume.

Workers Temporary Staffing projects record Year

Workers Temporary Staffing, one of Florida's largest and most active temporary employment firms, projects record revenues in 2003.

Mark A. Lang, Sr., founder and president of the firm, said Workers Temporary Staffing is putting 2,000 people to work every day in Florida, and that's a good sign for the economy.

"We have been averaging 2,000 jobs per day for more than 90 days," said Lang. "The fact that our pace has increased significantly is a strong sign for the economy. Typically, we are about six months ahead of the hiring curve."

Lang said the biggest demand for temporary workers now is in warehousing, refuse and carpentry.

"Those are also good signs," Lang said. "Growth in warehousing and distribution and the refuse industry are both strong indicators of economic health," he said. "Demand is strong and work is steady."

Colonial Bank earns top rank in Florida

Montgomery, Ala.-based Colonial Bank is among the largest and fastest growing banks in the state of Florida, according to the December 31, 2002 "Branch Deposit Report of Florida Bank and Thrift Institutions" published by the Florida Bankers Association. Colonial is the 6th largest bank holding company in Florida in two categories: total deposits and number of locations. Additionally, Colonial is third among Alabama-based banks in the Florida market, based on total deposits and number of locations.

Colonial's corporate quarterly earnings report reflects solid growth in asset size with the Florida franchise composing \$6.8 billion or 43 percent of the total corporate assets as of March 31, 2003. Core deposits for Colonial's Florida franchise, increased 37 percent annualized from the fourth quarter of 2002 and 37 per-

cent from the first quarter of 2002, including the impact of the acquisition of Palm Beach National Bank located in Palm Beach County, without which Florida deposits increased 27 percent over March 31, 2002.

"Our first quarter results reflect our commitment to provide outstanding service to our customers through our retail banking franchise," said the Colonial BancGroup, Inc. Chairman and CEO, Robert E. Lowder. "We are achieving record results in mortgage origination income, financial planning services and electronic banking."

During the fourth quarter of 2002, Colonial announced plans to open more than 40 new offices during the next three years focusing on the fast growing state of Florida as well as Nevada and Texas. Since that time, six new offices have opened in the Cape Coral, Ft. Myers, Orlando and St. Augustine areas bringing the number of Florida locations to 105. Twenty-five additional Florida locations are planned through 2005.

In Central Florida, colonial Bank manages \$1.3 billion in total assets through its 45 offices in nine counties comprised of Brevard, Lake, Orange, Osceola, Polk, Seminole, Flagler, St. Johns and Volusia. The regional headquarters is located at 201 East Pine Street in downtown Orlando.

Rams fall in state quarterfinals

ROYAL PALM BEACH — Oh so close. The Lake Mary boys volleyball team was within one game of advancing to the State Semifinals, but Northeast High School from Oakland Park rallied to win the final two games to end the season for the Rams Friday in the first ever FHSAA Boys Volleyball Finals at Royal Palm Beach High School. Lake Mary (23-4) rallied from a 4-1 deficit in the first game to win, 15-10, and move to within a win of advancing. But the trend of getting off to a slow

Lake Mary boys come up a little short in volleyball

start continued in the final two games as the Rams would never lead again, trailing 4-0 in each of the final two games. Lake Mary did get within 8-7 in the second game, but Northeast came out of a time out to score three consecutive points, and seven of the last nine, to even the match, 15-9. After battling back within 7-4 in the

winner-take-all game, Northeast, which improved to 26-2, scored six straight points to all but close out the deal and after a brief Rams rally that closed the game to 13-8 Northeast got an ace and a kill to end the match. Northeast would fall in three tough games to Cypress Creek in the Semifinals and the Bear would lose in the

Championship Game to undefeated Southwest Miami. Tim Spencer led the way for coach George Gordon's squad with 10 kills and five digs, while Travis Green had two kills, seven assists and three digs, Aaron Rayburn had four kills and two digs and Shannon Mau had six assists and a dig. Other contributors were Larry Smith (kill, four digs), Presley Demahmer (assist, two digs), Rod Bobele (two digs), Ross Mallin (two kills) and Eddie Willingham (kill, dig). Other members of the team were Daniel Castaing, Kevin Moorhouse, Aaron Beik and Rob Green.

Locals get 12 of 16 regional positions

SANFORD — Seminole County high school baseball and softball teams went into last week's district tournaments with 16 spots available for the FHSAA State Playoffs. And by the time the tournaments and Mother Nature were finished Saturday night, area teams had claimed 12 of those spots, including seven district championships. Oviedo and Winter Springs won their respective district baseball titles on Thursday, while the Trinity Prep and Orangewood Christian squads had to wait until Friday and Saturday to earn their home games. In softball, Lake Mary again edged Oviedo for the Class 4A-District 2 crown at Seminole, 2-1, on Friday, while Winter Springs upset top-seeded, and host, Lyman for the 5A-6 title. Trinity Prep gave the Saints a sweep of the 2A-9 titles, while Orangewood Christian also had its two teams qualify, although the softball team finished second in A-6. All 12 teams were to have begun the playoffs in Regional Quarterfinals on Tuesday. But the week is hardly over for any team that won on Tuesday, as the Regional Semifinals for the softball teams is Thursday and the Regional Semifinals for the baseball winners is Friday. If any of the softball teams are still alive after Thursday, they would play their Regional Finals, with a state tournament slot on the line, on Saturday.

Oviedo's Bridger Hunt (No. 24 above, getting back safely in a game earlier this season at Historic Sanford Memorial Stadium) and Lake Mary's Beth Laurence (left, shown hitting against Seminole High last month) both had big district tournaments to help their respective teams advance to Tuesday's Regional Quarterfinals, the first official games in the Florida High School Athletic Association (FHSAA) State Playoff Series. Both the Lions (26-2) and Rams (26-3), the highest ranked teams in Seminole County, won Class 4A-District 2 championships last week and lead 12 different Seminole County teams, six baseball and six softball, into the state playoffs. If any, or all, of the teams won on Tuesday, they would advance to the Regional Semifinals, the softball winners playing on Thursday, and the baseball winners on Friday. It will be a busy week for softball teams if any survive, as the Regional Championship Games are set for Saturday with the winner's advancing to next week's State Tournament in Tampa. The baseball Regional Finals would not be until

Saturday night were treated to some awesome racing action at the Orlando SpeedWorld oval.

With 118 cars in the pits, only 20 of which had V-8 power, in seven divisions it was quite a night for the "little guy," but Westfall admitted he was "overwhelmed" while being quite "understaffed."

The Bandolero racing was split into two groups, Bandits and Young Guns, while also in action were the Modified Lites, the Mini Cup cars, the Florida TQ Late Models, Pro Challenge cars, the Legend cars, and the Classic Auto Racing Series.

The next SpeedWorld Saturday Night Special is slated for June 7th.

The Orlando SpeedWorld oval will host this week's "Test and Tune" tonight (Wednesday) from 6 p.m.-to-10 p.m. A car and three persons will be admitted for \$20. Each additional person will cost \$5 more.

In softball: Oviedo (17-11) was in Jacksonville to play Mandarin (17-6) with that winner to probably play at the home of the Edgewater (21-8)/Cypress Creek (19-11) game.

Lake Mary (26-3) was hosting Sandalwood (14-11) and if the Rams win, they will host the Boone (20-7)/West Orange (26-4) winner on Thursday at 7 p.m.

The winners of that bracket will play on Saturday, and Lake Mary will go on the road unless Oviedo is the opponent, then the Rams would host.

Class 5A figured to be tougher as Lyman (17-8) was in Bunnell against Flagler Palm Coast (20-2) and Winter Springs (10-18) was hosting Deltona (16-8).

If the Greyhounds win they would be at the Plant City-Durant (22-3)/Tampa-King (16-9) winner, while if the Bears won they would host the Tampa-Chamberlain (23-5)/Plant City (14-8) winner.

Lyman's half of the bracket would probably host on Saturday.

Trinity Prep (26-6) hosted Melbourne Central Catholic on Tuesday and if the Saints won

they would host the Lakeland-McKeel (22-6)/Sarasota-Cardinal Mooney (13-13) winner on Thursday at 4 p.m.

If Trinity Prep wins its first two games, it would host the Regional Final on Saturday, most likely against Lake Highland Prep and former Lake Mary star Michele Grinage.

Orangewood Christian has the toughest road to hoe as the Rams (11-8) were in Bronson (11-10) on Tuesday with the winner set to play at Mt. Dora Bible (21-5) on Thursday. MDB got an automatic bid to the Regional Quarterfinals.

OC would also probably have to go on the road for the Final as well.

In baseball: Lake Mary (17-13) was at Sandalwood (18-7) with the winner to play the Apopka (26-5)/Colonial (18-13) winner, probable at that winner's home on Friday.

Oviedo (26-2) hosted Ed White (11-17) and if the Lions win they would host the Cypress Creek (22-8)/Winter Park (19-10) winner on Friday.

An Oviedo-Winter Park matchup would have added intrigue as the Wildcats stopped

the Lions' 18-game winning streak two weeks ago.

Lake Howell and Winter Springs have a tough road to hoe in Class 5A as the Silver Hawks (15-13) was at Deltona (20-4) and the Bears (16-14) hosted Spruce Creek (18-8).

If Lake Howell won it would probably travel to the winner of the Lakeland (17-10)/Tampa-Leto (8-16) game on Friday, while if Winter Springs won it would host the Tampa-King (18-4)/Plant City (11-16) winner on Friday.

The Trinity Prep baseball team has the same schedule, virtually, as the softball team as the Saints hosted Melbourne Central Catholic on Tuesday and if they won would host the Lakeland-McKeel (21-7)/Sarasota-Cardinal Mooney (13-11) winner on Friday, with a chance to host probably Lake Highland in the Regional final next Tuesday.

Orangewood Christian (11-15) made a tough schedule pay off as it won the district and hosted Ocala-Trinity Christian on Tuesday and would host the Melbourne-Holy Trinity Episcopal (14-5)/Mt. Dora Bible winner on Friday if it won.

UCF MEN ADD GUARDS

UCF men's head basketball coach Kirk Speraw announced

that Kingsley Edwards from Monroe College in New York has signed a letter of intent and committed to play for the Golden Knights beginning in the 2003-04 season.

Edwards, a 6-0, 175 pound guard from the Bronx, N.Y., averaged 16.1 points and nearly four rebounds a game for a Monroe squad that finished the season with a 31-3 mark. He led the Mustangs from long range, hitting just under 45 percent from behind the three-point line and was second in assists with five a game.

In 2003 Monroe, which was ranked 17th at the start of the season, advanced to the National Junior College Athletic Association tournament finishing fifth. Edwards was named as an all-tournament selection after averaging 18.2 points and 7.7 rebounds a game in the Mustangs four outings. It is the Knights' second signing in the past five days, and third overall, as Gary Johnson from Schoolcraft Community College in Michigan officially committed to UCF last week (April 23) and Marcus Avant committed to the Knights back in November.

Johnson, a 6-2 guard from Taylor, Mich., averaged 8.7 points a game and 2.8 rebounds a contest for an Ocelot squad

that finished the season with a 30-2 record and posted a 12-1 mark within the conference. He led the Michigan Community College Athletic Association in steals with 3.06 a game, while also holding the No. 1 spot in assists per game with 6.5 an outing. Johnson finished fourth in the MCCA hitting 41.3 percent from beyond the arc and finished the season in the top five in free throw percentage knocking down nearly 85 percent of his shots from the charity stripe.

"Of all the point guards that I saw play this year, (Gary) Johnson was my favorite to watch," stated Speraw. "He is a proven winner and a leader, both in the classroom and on the court. We are fortunate to have him as a student-athlete and are confident in his ability to positively represent UCF."

In his two seasons at SCC, Johnson won back-to-back MCCA titles and posted a combined record of 65-3, which included a school record 34 consecutive wins during the 2001-02 season. In 2003, SCC advanced to the National Junior College Athletic Association tournament, where they eventually lost in the second round.
