Reservists stock up before shipping out

By Jamie J. Anderson
Staff Writer

SANFORD — Specialty stores in Central Florida have reported an influx in sales attributed to the last-minute purchases of the U.S. Army reservists who deployed from Sanford and Orlando Saturday as part of Operation Enduring Freedom.

"We've seen an increase in sales at all our stores because of the reservists being called to active duty," said Frank Crasnow, owner of Al's Army Navy stores located in Sanford, Altamonte Springs and Orlando. "But, the reasons behind the sales is unfortunate."

The soldiers who gathered in Sanford

make up the Bravo Company, 2nd Battalion, 124th Infantry Regiment, headquartered in Orlando, and are among more than 1,200 reservists throughout Florida who received alert orders on Dec. 16.

Along with the 3rd Battalion, headquartered in Panama City, these soldiers are part of the 53rd Separate Brigade in Tampa, the largest major command for a National Guard unit.

After being called to active duty on Dec.

26, the 2nd Battalion gathered at the Robert L. Evans National Guard Armory located on East 1st Street in historic Sanford to await deployment.

"This time is to allow the soldiers to adjust into military life," said Capt. Hank Bolduc of Sanford. "It's time for them and their families to prepare and go through their checklists."

Troops departed Saturday in route to Georgia where they will receive their final

orders. While in Sanford, demands were high for supplies to take with them to Georgia and their undisclosed, final destination.

According to Crasnow, all three of his Central Florida store locations have seen higher revenues while the reservists were awaiting deployment. Troops purchased items off the shelf as quickly as they are being stocked.

According to Dave McGill, manager of the Sanford Al's Army Navy, the reservists purchased basics they felt would be beneficial in the field.

Brothers nabbed in paving scam

From Staff Reports

Four people were taken into custody Monday by Seminole County authorities in connection to an alleged traveling paving scheme.

Late Monday morning, Jan. 6, Orange County authorities received a tip that some out-of-state pavers, possibly involved in traveling paving schemes, were picking up a load of paving materials from a business in Orange County. An Orange County detective followed the pavers to a business in Seminole County, and notified the Seminole County Sheriff's Office.

Seminole County authorities arrived on the scene and detained the subjects before they could begin work on the parking lot at Ja Lu Pottery at 136 Candace Drive, just off U.S. Highway 17-92, in Fern Park. Deputies discovered that the operators of the out-of-state paving business did not have the proper licensing to do business in Seminole County. Alfred Pittore, 39, and 34-year old Stanley Pittore were taken into custody on a charge of Scheming to Defraud. Two undocumented workers from Mexico were taken into custody by federal immigration officials.

Alfred Pittore lists his home in the state of New Hampshire and Stanley Pittore lists his home in the state of Maine.

It's believed the duo engaged in traveling paving schemes, working their way down the eastern coast of the United States to warmer weather states, such as Florida.

Seminole County Sheriff's Office spokesman Steve Olson said this type of scam frequently occurs in Central Florida during the winter months. Typically, the traveling pavers will use the ruse that they have leftover paving materials from another job and can pave driveways and parking lots at a bargain price.

The Seminole County Sheriff's Office urges local residents to be on the lookout for such scams, and to ask for proper licensing before agreeing to any work being done.

If residents have any questions or concerns, they should contact local law enforcement immediately.

Police department hosts Taser demonstration

By Michelle Jeria

The Sanford Police Department may soon have a shocking new way to apprehend suspects.

Community leaders and members of the department last week attended an in-house demonstration of the Advanced Taser M-26, a less-lethal weapon that uses electricity to stop suspects in their tracks.

After two years of research, Chief Brian Tooley said he plans to approach City Commission in the near future with a request to obtain the device for his department.

"We have deliberately moved cautiously to make sure this is the right product for the department," Tooley said. "We wanted to make sure it does what we

Sanford man found dead in Marion

By Nick Pfeiffert
Staff Writer

A body found in Marion County is believed to be that of missing Sanford man Paul Allen Lord.

According to the Volusia County sheriff's spokesperson Gary Davidson, the body of a white male matching the description of Lord was found in Marion County Dec. 29. While the body is believed to be that of Lord, at press time positive identification was still pending.

Lord, 54, of Sanford, was listed as a missing person in late December.

He was last seen on Dec. 28, while driving a red 2000 Ford Mustang from his home at 2950 Bailey Ave. in Sanford, to his nephew's residence at 44 Sackett Ave. in DeBary. According to reports, Lord never arrived.

Shortly after 2:30 a.m. Monday, a Volusia County sheriff's deputy, following up on a report from an undisclosed source, located Lord's Mustang in a grocery store parking lot on Howland Boulevard in Deltona. Although Volusia County sheriff's spokesperson Gary Davidson said the vehicle was "abandoned," he wouldn't reveal if there was damage to the vehicle.

The vehicle has been transferred to Marion County for processing.

Although both the Volusia and Seminole counties sheriff's departments are assisting in the investigation, the Marion County Sheriff's Department is taking the lead.

Depression spotted near Aloma Avenue

Traffic flow will be restricted, somewhat, on Dean Road as crews work on a depression that opened in the roadway Tuesday.

The hole is estimated at 15 feet wide and 12 feet deep. It appears a leaking sewage transmission line washed out the soil beneath the road. The depression is affecting both northbound and southbound traffic on Dean Road, 1/5 of a mile south of Aloma Avenue.

Congestion during rush hour is expected.

Theater provides students with taste of the arts

By Jamie J. Anderson
Staff Writer

SANFORD — Helen Stairs Theatre applauds local children by supporting their involvement in the arts.

The theater, named to the National Register of Historic Places in 2001, offers local schools educational field trips to the theater giving many children the opportunity to attend a theater production. Schools throughout the Central Florida area and as far away as Tampa have attended shows such as "Alice in Wonderland," "Romeo and Juliet"

and "Revealing the Mysteries of Math."

During two holiday performances of "The Nutcracker," more than 1,200 children from throughout Central Florida attended.

"We give children a real theater experience," said Ronald E. Rose, development director of Helen Stairs Theatre. "The educational aspect is something that is emphasized. The shows focus on literature, history and educating children."

The theater staff, in accordance with the theater's mission to "devote a percentage of Theatre activities for the benefit of youth,"

has offered more than a dozen plays during the last year and have plans to showcase several others throughout the 2003 season. Through grants, the theater is able to provide some of the student shows for free.

"The theater is rather intimate," said Helen L. Stairs, president of Helen Stairs Theatre. "The children can be in a real theater and be close to the actors and performers. At most shows, they get to meet the performers on a one-on-one basis, something you normally wouldn't do at a larger venue."

As well as giving children the

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

Freeloading sons must begin to shoulder own weight

DEAR ABBY: My husband left me two years ago. Since that time I have struggled financially with no help from him. I earn only half of what I need to pay my bills each month. Several times this past year I was sick and missed work with no compensation — so you can imagine the poverty level at which I live. My three children still live with me. They are 17, 19 and 22.

Dear Abby

The problem is, my two oldest boys have full-time jobs, yet they refuse to help out financially. I ask only that they contribute \$50 a week. I know I am doing them a disservice by allowing them to freeload, because they're not learning to take responsibility. However, I cannot handle the ultimatum of "pay up or get out."

Should my kids choose to leave, I would be sick with worry. I am worried now, too, but not nearly as worried as I'd be if they were to walk out of my life, as my oldest son did when I gave him that ultimatum a year ago. He has only recently started talking to me again, but our relationship is strained. He blames me for the hardship he experienced when he went out on his own.

Is there another way to make my children contribute to our household without taking drastic measures? Please help, Abby. I am too tired to get an additional part-time job in order to keep our heads above water.

AT A LOSS IN RIVERHEAD, N.Y.

DEAR AT A LOSS: Please do not tolerate this situation any longer. You're doing no one a favor — including yourself.

Your boys have a lot of growing up to do. Your request for \$50 a week from the older boys is not excessive. They are young men now and should want to ease the burden you're carrying to give them a home.

Call a family meeting. Explain your financial situation in no uncertain terms. Then decide — as a family — what steps can be taken.

DEAR ABBY: I have been married for 32 years. I love my husband, dearly, but last year I had a cancerous breast removed. I am doing well so far. The problem is my husband has not touched me since the surgery.

In the meantime, I ran into an old friend with whom I was very much in love when I was 17. He is also married. We see each other as often as possible — which isn't very often because his job takes him all over the country. I am not sure he would give up his present life, nor am I sure I would give up mine, but my husband is pushing me out the door.

I can't seem to get my high school sweetheart off my mind. He treats me so much better than my husband, who has a bad temper, has hurt me more than once and obviously can't stand to look at me. At my age, should I grab what little joy I have left, or forget it?

HURTING IN THE MIDWEST

DEAR HURTING: Before making any decisions that could affect the rest of your life, please pick up the phone and call the American Cancer Society. It sponsors support groups nationwide for survivors of cancer and their spouses. To find one in your community, call the toll-free number: (800) 227-2345. It is imperative that you and your husband start communicating again. As things stand, you are flirting with disaster — and the one who could be seriously harmed is you.

Judicial Nominating Commission accepting applications

Applicants are now being sought to fill seats on the Seminole County Circuit Court for the 18th Judicial Circuit, to fill a new judicial position created by the 2002 Legislature, and the Brevard County Circuit Court, for the position being vacated by the Honorable Vincent G. Torpy who has been appointed to the Fifth District Court of Appeal.

Applicants must have been members of the Florida Bar for the preced-

ing five years, must be electors of the State of Florida, and must reside in Seminole or Brevard Counties.

The deadline for submitting all applications for the Seminole County seat is Feb. 12, 2003 at 5 p.m. An original and nine copies of the completed application and attachments must be delivered to Sidney L. Vihlen, III, Chairman, 18th Circuit Judicial Nominating Commission, 1173 Spring Centre South Blvd., Suite C.,

Altamonte Springs. For information phone 407-786-2200.

Applications will be screened by the Eighteenth Judicial Circuit Judicial Nominating Commission and candidate interviews will be held at a later date. From the pool of candidates, at least three, but not more than six names will be submitted to the governor, after which he will have 60 days to make an appointment.

Flea World vendors donate to Sharing Center

The Sanford Christian Sharing Center recently received a check for \$1,000 from Flea World. The money was raised during the annual Flea World vendors' Christmas party. Rich Martin, left, president of the Sanford Christian Sharing Center accepts the check from George Schnippel, general manager of Flea World.

Fidelity National Title opens satellite office in Lake Mary

In a move to solidify its Seminole County operations, Fidelity National Title Insurance Company of New York (FNTIC), has relocated its Longwood branch operations and opened a satellite office in Lake Mary.

FNTIC, part of the nation's largest family of title insurance underwriters, signed a long-term lease for approximately 2,500 square feet at 365 Wekiva Springs Road, just minutes away from the company's previous location at 320 W. Sabal Palm Place in Sabal Point where it had been since January 2000.

Financial terms of the lease were not disclosed.

In a related move the company also opened up a satellite office in the Shaw Building at 122 N. 4th Street in Lake Mary that will be used to facilitate real estate closings and other real estate business for FNTIC's North Seminole County customers.

According to FNTIC Central Florida Division President Daniel A. Wallace, the new Longwood facility provides the company with "more effective operating space, more parking and better visibility than its pre-

vious location."

Wallace also has beefed up its Longwood staff with the addition of two seasoned title insurance executives: Rita Peters as Marketing Representative and Gail Bailey as an Escrow Officer.

Together Peters and Bailey have combined for better than 21 years of experience in the Central Florida market, both coming to Fidelity National Title from another national title insurance underwriter.

In addition to marketing and promoting FNTIC's scope of title insurance services to REALTORS, lenders and builders throughout north Seminole, Peters also will handle bilingual closings for the company's Hispanic customers. Peters resides in Longwood and Bailey is a resident of Sanford.

The Longwood branch, one of two Fidelity National Title Insurance offices in Seminole County, will continue to be directed by Branch Manager Michele Kelley-Freeland, who has better than eight years residential and commercial title experience in the Central Florida real estate market. The office has seven fulltime employees.

"This is a great location that we feel will definitely enhance our overall operations in the area," says Wallace. "The office is still serviced by the same dedicated group of professionals who are committed to providing the

best title insurance and related real estate services as they can."

Wallace notes that the move is part of a much larger national movement to capitalize on Fidelity National Title's history and national reputation. FNTIC, whose roots extend more than 150 years, is part of the vast network of title insurance underwriters owned by Fidelity National Financial (NYSE: FNF) that posted a record \$3.9 billion in revenues last year and is on track to surpass that figure this year.

"The Fidelity name is well respected and rings well within the industry," says Wallace. "It is a company that has serviced the nation for decades. That is a strength very few companies can offer and why it will work to our advantage."

Besides FNTIC, the other title insurance underwriters under the Fidelity National Financial umbrella include Chicago Title, Titor Title, Security Union, Alamo Title and International Title Solutions.

FNTIC is the largest title insurance underwriter in Central Florida with 12 offices serving six counties. Besides the two Seminole County offices, FNTIC has direct closing offices in downtown Orlando, MetroWest, Winter Park, Mount Dora, New Smyrna Beach, Titusville, Kissimmee, St. Cloud, Merritt Island and Maitland.

Red Cross announces January course schedule

The American Red Cross of Central Florida recently announced the course schedule for January. Courses are available at the American Red Cross of Central Florida Seminole County Training Center located at 705-C State Road 434 in Longwood.

Disaster Volunteer Courses

• Introduction to Disaster Services — Introduction to Disaster Services is a prerequisite course for individuals interested in becoming Red Cross disaster volunteers. This class provides participants with the fundamentals about disasters, the community response and the role of Red Cross disaster services during local and national-level disasters. Cost is free. The course is scheduled for Wednesday, Jan. 15, from 6:30 to 9:30 p.m.

• Damage Assessment

The purpose of this course is to prepare participants to perform survey activities involving pre-disaster planning, and the overall assessment of the extent of damage immediately following a disaster. Damage assessment activities involve gathering, analyzing, and distributing detailed information on the precise nature and degree of

disaster damage. Cost is free. The course is scheduled for Wednesday, Jan. 30, from 6:30 to 9:30 p.m.

Health and Safety Courses

• Workplace Training: Standard First Aid & AED — This six-hour course teaches individuals to respond to sudden illness, injuries, breathing, and cardiac emergencies in adults. This comprehensive course is based on the Emergency Cardiac Care (ECC) 2000 guidelines for CPR and AED, and meets training guidelines established by the Occupational Safety and Health Administration (OSHA). Upon successful completion, students receive a Standard First Aid certificate valid for three years, and an Adult CPR & AED certificate valid for one year. Cost is \$45. The course is scheduled for Friday, Jan. 10, from 9 a.m. to 4 p.m.; or Tuesday and Thursday, Jan. 21 and Jan. 23, from 6 to 9 p.m.

• Community First Aid and Safety

This eight-hour course teaches individuals to respond to sudden illness, injuries, breathing and cardiac emergencies in adults, children and infants. Upon successful completion, students will receive a Community First Aid & Safety certificate valid for three years and an Adult, Child and Infant CPR certificate valid for one year. Cost is \$50. The course is scheduled for Saturday, Jan. 11, from 9 a.m. to 5 p.m.; Tuesday, Jan. 14, from 9 a.m. to 5 p.m.; or Monday and Wednesday, Jan. 27 and Jan. 29, from 6 p.m. to 9:30 p.m.

• Pet First Aid & CPR for Cats and Dogs

This three-hour course teaches individuals basic first aid and CPR techniques for cats and dogs due to common illness, injury, or a life-threatening condition. Participants will learn to identify and care for breathing emergencies, cardiac arrest, sudden illness, and injuries. Participants will also learn the components of a good "pet friendly" first aid kit. Course fee includes comprehensive Pet First Aid textbook. Cost is \$30. The course is scheduled for Thursday, Jan. 9, from 6 to 9 p.m.

• Babysitter's Training

This eight-hour course includes the Babysitter's Training Handbook, and the Babysitter's Resource Kit (first aid kit, flashlight, and emergency contact/instructions pad in a sturdy nylon bag). Add the "Don't Mess with the Babysitter" tee shirt for only \$10! Students can also enroll in the free Babysitter Referral Program! Must be 11-15 years of age to attend. Cost is \$55. The course is scheduled for Sunday, Jan. 19, from 9 a.m. to 6 p.m.

Prepayment of Health and Safety course fee(s) is required. All Health and Safety classes are taught in the workplace and group settings. Call 407-894-4141, ext. 5648 to find out how to schedule Red Cross training customized for your group or business. Courses taught in Spanish are also available.

Taser

Continued from Page 1
want it to do."

The Taser handgun employs electro-muscular disruption (EMD) technology to subdue unruly suspects. At a range of up to 21 feet, an officer can incapacitate a person regardless of mental focus, training, size or drug induced dementia.

The Advanced Taser is far more effective than other less-lethal self-defense devices, such as pepper sprays, said D.G.G. Taser President Russell Stender, who led Friday's demonstration. It is solely designed to stop the most hardened of targets — the extremely violent, aggressive, goal-oriented and drug induced suspects.

"Such things as pepper spray, sometimes they work, sometimes they don't," Stender said. "If we continue to use tools that don't work on everybody, there may be negative results. The M-26 allows officers to do something they've never been able to do before — act quickly and proactively where no

one gets hurt."

The M-26 Taser is not intended as a substitute for lethal force, Stender said. However, it may help prevent injury when a suspect resists arrest.

Incapacitation occurs in a suspect .25 seconds after being hit by the Taser's two probes. An automatic timing mechanism in the device applies an electric charge for five seconds.

There are no long-term injuries associated with the Taser. A person will feel dazed for several seconds after being hit by the device, but recovery is fast and the effects stop the instant the M-26 shuts off. The only evidence that a person has been hit by a Taser is the minor skin irritations inflicted by the two probes and the data stored in a microchip located on the handheld device.

A suspect hit by the Taser, however, will feel pain. Tooley, Deputy Chief Darrel Presley and City Commissioner Art Woodruff all took a hit from the device Friday

and agreed it was not a pleasant experience.

"Your muscles lock up and you can't move," Woodruff said. "It is very painful."

The pain, however, is only temporary and is not considered a negative by most people when looking at what can happen in cases where an officer doesn't have a Taser.

"It reduces injury to officers and suspects," Chief Tooley said. "I had two officers who attended Friday's demonstration who got hurt while trying to restrain suspects. If both had a Taser, they probably would not have been injured."

Fewer injuries mean fewer worker compensation claims. According to Tooley, other police departments have seen a dramatic decrease in claims since obtaining Tasers for their officers.

Tooley said he wants to purchase enough Tasers for all his officers and investigators. Funds for the Tasers, which cost around \$500

each, are available through a local law enforcement block grant.

During the next few weeks, another demonstration will be held for members of the community. Following the event, Tooley plans to approach City Commission about purchasing the Tasers.

Commissioner Velma Williams, who attended last week's demonstration, said she currently supports acquiring Tasers for the city's police department.

"I think it would be both an asset for law enforcement officers and the citizens in terms of reducing injuries and in terms of liability for the city," Williams said. "I think these are the strengths, as long as the training is employed. But, I want to get with the ministers and other leaders of the community for a demonstration of the device before a decision is made."

"As it stands now, with the research that has been done, I think the positives definitely outweigh the negatives," she said.

Supplies

Continued from Page 1

At the top of the list were user-friendly flight bags. According to McGill, many reservists were concerned about the size and shape of the Army issue bags which makes it difficult to locate items at

the bottom of the bag without unpacking most of its contents.

"These men and women are going into an unknown situation and they're not sure how to carry their gear or what to take," said Crasnow, whose stores have sold

out of several flight bags.

Other items being purchased by the reservists included knives, pouches and pistol belts.

With the recent deployment of troops, other local reservists who haven't been placed on alert or

called to active duty are also preparing to respond if mobilization orders are issued.

"Reservists who haven't yet been called are stocking up on items," said Crasnow. "They are getting ready just in case."

Theater

Continued from Page 1

opportunity to attend a theater production, the Helen Stairs Theatre's in-house theatrical production troupe offers children the chance to try their hand at acting through its Wekiva River Players Youth Theatre.

According to Stairs, who led the restoration efforts of the former Star Theater movie house built in 1922, her desire to provide a quality theater atmosphere arose after years of attending her grandchildren's recitals and productions.

"Most facilities aren't designed so you can see the children," said Stairs. "Children give so much to an audience and to a play that it just seemed to us an awful shame that they can't really be heard or seen when they perform."

Stairs worked to overcome those problems during the remodeling of the theater which began in the mid 1990s.

"For a community to succeed and have a real quality of life it must have a cultural aspect," said Rose. "Sanford is very lucky to have a historical, restored theater such as Helen Stairs Theatre that focuses on the children."

The Wekiva River Players Youth Theater offers children the opportunity to perform in productions adapted from Broadway shows by Music Theater International. In this youth program, children learn the various aspects of theater including choreography and singing.

"If they're not interested at this age, when will they be interested," said June Powell, treasurer of Wekiva River Players. "You have to get them involved while they're young. It is unbelievable what they can do at such a young age."

In addition to the Wekiva River Players four mainstage shows, the youth program showcased its talent in 2002 with "The Music Man Jr." The group will offer a class beginning Jan. 17 to introduce students in 4th-8th grades to theater production. The class will culminate in May with a production of "Guys and Dolls Jr." For more information on the class or to sign up, call the hotline at 407-262-1801.

"It's a wonderful opportunity for the kids to develop skills such as self confidence," said Carol Sissom, musical director.

AMATEUR MASTERS GOLF POSTPONED

Mystic Dunes, one of Central Florida's premier golf courses has postponed their First Annual Mystic Dunes Amateur Team Masters Tournament benefiting The First Tee until Saturday, March 1 and Sunday, March 2, 2003. The event had been scheduled for Saturday, January 11 and Sunday, January 12, 2003.

The two-day event will consist of two-player amateur teams competing in a no-handicap first day best ball of two and a second day total team score format.

The winning team will receive the grand prize consisting of a pair of four-day passes and hotel accommodations for four nights, the biggest golf event in the world, The Masters at the Augusta National Golf Club on April 10-13, 2003.

In addition, there will be other prizes awarded to top teams in the tournament. Cost for the event is \$400 per two-man team with a maximum potential of 72 teams.

Tournament spots are limited and individuals that are interested in participating are encouraged to enter soon. There are also a very limited number of corporate sponsorships remaining for this event. Some of the companies already on-board include the Miller Brewing Company and Millennium Golf.

The First Tee is the charitable beneficiary of The First Annual Mystic Dunes Amateur Team Masters Tournament. Founded in November of 1997, The First Tee was established to impact the lives of young people around the world by

SAC boys teams easily win Kraze County Challenge

By Dean Smith

SANFORD — For this year, Seminole Athletic Conference boys soccer is the best in Central Florida.

After going 2-2-2 on the first day of the Kraze County Challenge combined-team soccer tournament, SAC schools went 5-1 on the final day to roll over Orange County, 23-11.

Each winning team in the event received three points and ties gained one point for each squad.

The first day was split right down the middle with SAC schools winning two

games, Winter Springs over Evans, 8-1, and Lake Brantley over West Orange, 2-1, tying two games, both being 2-2 ties between Lake Howell and Winter Park and Oviedo and Bishop Moore, and losing two games, Cypress Creek over Lyman, 2-1, and Boone over Seminole, 2-0.

Sophomore Graham Zusi scored both

of the Patriots' goals on assists from juniors Nick Roberts and Miguel Santos, while senior goalkeeper Dana Singer made five saves.

Pike had a huge offensive game for the Bears with three goals, while Micah Smith added a pair of scores and Andrew Aponie had two assists to back a five save performance by Drew Appler

in goal.

In the other games Nick Martin and Nick Leason scored the goals for the Silver Hawks; Ben Luker and Ben Young found the back of the net for the Lions; and Mike Benzer scored the goal for the Greyhounds.

But the second day was virtually all SAC with Seminole crushing Evans, 7-1, Oviedo edging Boone, 2-1, Lake Brantley blanking Bishop Moore, 3-0, and Lake Howell and Lyman posting 2-0 shutouts over Cypress Creek and Winter Park, respectively.

The only Orange County victory was a

SCC men stay hot; women at home this evening

By Dean Smith

DELTONA, Ga. — Never has the Seminole Community College basketball program been this hot at the same time.

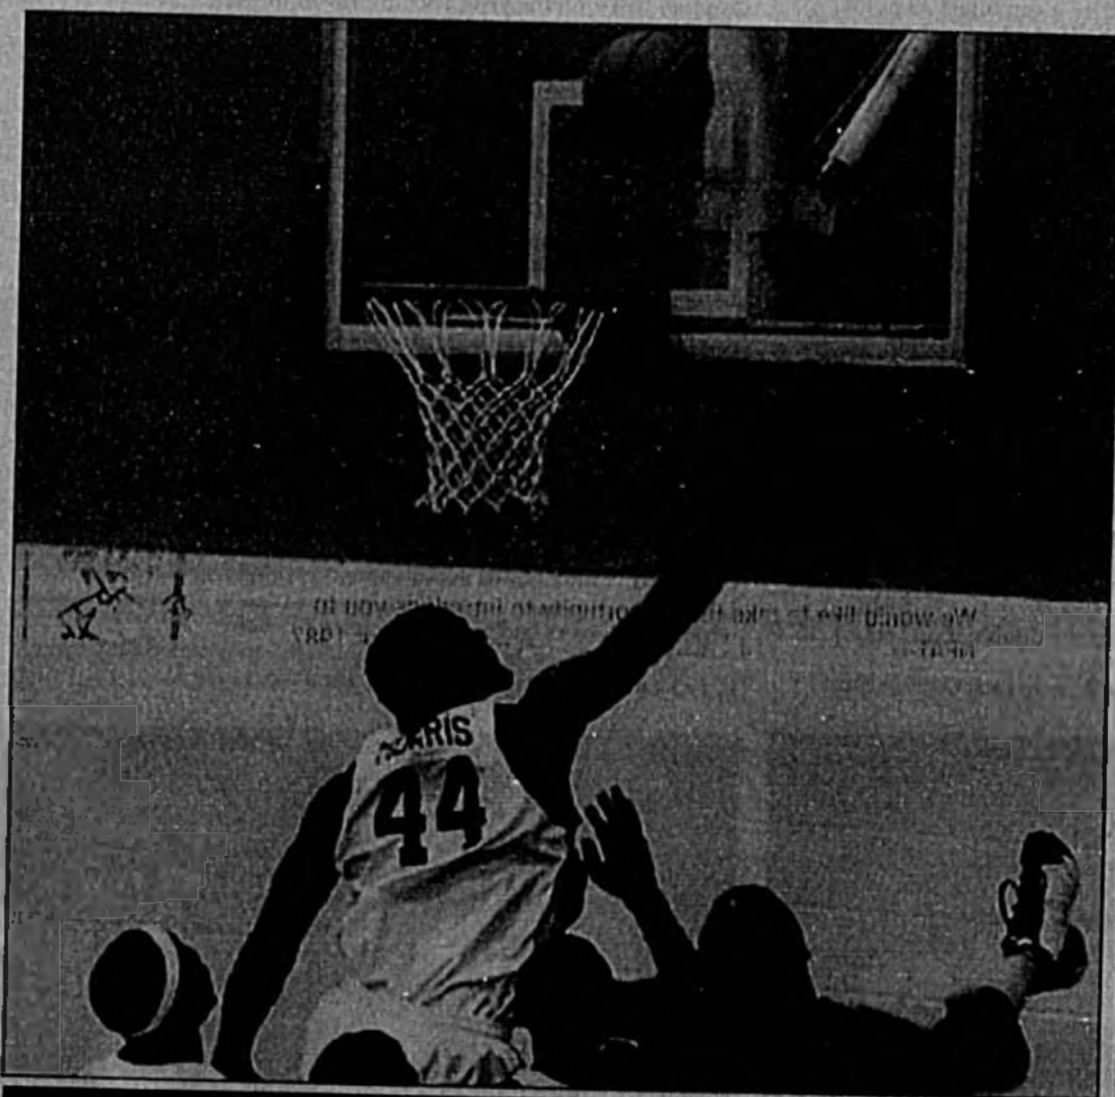

It has been close to a decade since the men's team has been anywhere close to this kind of record and the women are finding their stride at just the right time under first-year head coach Lisa Nuxol.

The Raider women, coming off an impressive sweep in their own SCC Classic over the Christmas weekend, extended their winning streak to five games and nine wins in 10 starts, with a 63-62 nail-biter over Miami-Dade Community College in Miami Monday night.

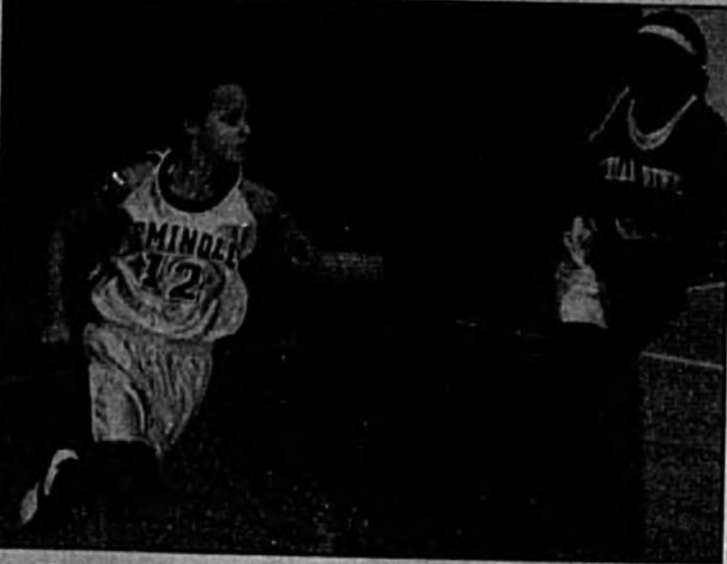

The women, who are now 13-7 overall, will finish out their pre-Mid-Florida Conference schedule at home tonight (Wednesday) against Brevard Community College from Melbourne.

SCC easily got past the Titans in a tournament at Daytona Beach in mid-December and will be looking to keep the momentum going as they will be idle after this game until opening the conference season on Jan. 15th against nationally-ranked DBCC on the Falcons' home court.

Game time is set for 6 p.m. See SCC, Page 8

Former Sanford Recreation Department basketball star Terrell Morris (No. 44, above) scored 24 points and pulled down 14 rebounds in a pair of wins as the Seminole Community College men's basketball team came up with three victories in four days, on the road, this weekend to close out the pre-conference portion of its schedule with a 15-5 record. The SCC women, led by sensational freshman point guard Natalie Emmanuelli (No. 12, left) also continued an amazing streak with a 63-62 victory in Miami Monday night and will be at home tonight for a 6 p.m. game.

Merthie's dominate in Lake Mary win

By Dean Smith
Sports Editor

DELTONA — Cousin's Darryl and Lyndon Merthie combined for 37 points as the Lake Mary boys stopped Deltona, 71-56, in basketball Monday night.

Darryl, a 6-foot sophomore, hit a pair of three-pointers and scored a game-high 21 points to go with eight assists, while Lyndon, a 6-foot-1 junior, also hit a pair of 'threes' and netted 16 points to go along with a co-team high eight rebounds.

Senior Eddie Willingham was the only other Ram in double figures with 14 points and also had eight rebounds as Lake Mary improved to 6-2 on the season.

In other boys' action from Monday, sophomore Todd Stamp scored 15 points, but it was not enough as West Orange (9-4) topped Lake Brantley (8-5), 60-45.

Maques Johnson led the Patriots with seven assists and Kyle Fowler had six assists.

This past Saturday night, Andrew Pieters scored a team-high 15 points as Lake Howell beat up on Lake Highland Prep, 63-46, and Lake Mary Prep edged Orangewood Christian, 72-66.

C.J. Marimon scored 31 points and handed out eight assists for the Griffins, while Eric Fraser and Justin Stanley led all rebounders with nine boards each.

In the Trinity Prep Tournament, Umar Qazi scored 15 points as Osceola got past the Saints, 61-58, but came back with 28 points and five assists as the hosts thumped St. John Neumann, 64-53. Madison Hampden led Trinity with 10 rebounds.

In the Midnight Basketball Invitational at Boone High School, the host Braves rallied from a 12 point deficit (49-37) with five minutes left to edge Oviedo, 53-51.

The Lions (10-4) turned the ball over seven times in the final flourish that saw Boone (10-3) score 14 unanswered points to take a 51-49 lead with 1:10 remaining.

Dillard Gould tied the game on a back-door layup, but it would prove to be Oviedo's final score of the night.

Garfield Blair was fouled with 10.4 seconds left and converted both charity tosses to break the tie and when Manuel Davila's 10-foot floater bounced off the back of the rim, the Braves had won their own tournament.

Tournament MVP Denny Phlemon led Boone with 20 points, while Gould and Grant Herren scored 14 points each and Davila and Pat Kiscarden netted 13 points each for the Lions.

UCF men unable to tame Wildcats

Special to the Herald

MANHATTAN, Kan. — Senior Ed Dotson scored 14 of his 18 points in the second half, but it was not enough as UCF (9-5, 1-0) was defeated by Kansas State (9-4, 0-0), 71-59, at Bramlage Coliseum Monday evening in the Golden Knights final non-conference game of the season.

Dotson helped to end a drought that saw UCF go without a field goal for nearly seven minutes to start the second half and cut into a 14-point deficit. With the Knights trailing 49-35, Dotson came alive scoring 11 of UCF's next 18 points including a bucket with 5:17 remaining to bring the Knights to within four at 57-53.

Troy Lindbeck, Dexter Lyons and Will Bakanowsky, who stuck a three pointer, assisted Dotson offensively during the 18-8 UCF run.

Unfortunately for UCF the four points was as close as they would come as they

were forced to put the Wildcats at the free throw line to help preserve the clock. The Knights were held without a point for the final 1:28 for the games final outcome.

The Wildcats hit seven treys in the first half, but were held scoreless from long range in the second half. KSU had three players hit a pair of three pointers in the first half including Tim Ellis who drained consecutive 3-pointers late in the first half giving the Wildcats a 15-point cushion-their largest of the game.

Marius Boyd nailed a trifecta as time ran out in the first half to close the gap to 43-33 at the break.

Dotson was one of three UCF players in double figures as Lindbeck and Lyons each netted 10. The Knights shot 36 percent from the field but hit just 6 of 20 from behind the arc, led by Lindbeck and Bakanowsky who had two apiece. The Knights hit 9 of 15 at line and were led by Lyons and Dotson who each had eight boards.

The Wildcats, who were shooting 51 percent from the field on the year, were held to 42 percent for the game and hit 7 of 24 points from long range. Gilson Dejesus and Hayden Marques each scored 16 points to lead the Wildcats. Marques finished with a double double grabbing 10 boards. Pasco Pervis also registered a double double grabbing a game high 15 boards and scoring 11 points. Dejesus, who was among the nations leaders in three pointers, finished the game just 2 of 11 from beyond the arc. KSU held a 40-38 edge on the boards.

The Golden Knights will return to Orlando before heading back out on the road for a pair of games in the Atlantic Sun. UCF will play against Troy State on Saturday, Jan. 11, tip off is set for 8 p.m. The second game will have the Knights in Macon, Ga. to take on Mercer on Monday, Jan. 13. Tip off against the Bears is slated for 7 p.m. The games will be broadcast live on

Black bears in central Florida topic of discussion

Special to the Herald

OCALA — When the Ocala Black Bear Working Group meets later this month there will be only one item on the agenda: black bears in central Florida.

Since about 1985, the number of black bear complaints in the state has been steadily rising with central Florida producing the highest overall number of calls to the Florida Fish and Wildlife Conservation Commission (FWC).

While the FWC has been working to collect scientific data to determine if the bear population in

the state is growing, the increased number of calls and other anecdotal information suggests to biologists that the number of bears is indeed on the rise.

In 2000, the agency convened a statewide working group of representatives from 13 public agencies and private organizations, all of which had some stake in black bear conservation and management. From this group emerged a conservation strategy that included an objective to form local bear conservation working groups for each of the state's sub-population of black bears.

The local group for what is referred to as the

Ocala bear sub-population is the Ocala Black Bear Working Group. This group will be the first one formed by the FWC and will meet for the first time on Tuesday, Jan. 14, at 10 a.m. at the 4-H Camp in the Ocala National Forest. Its mission: to perpetuate a viable, local black bear population.

But perpetuating this sub-population is no simple task in an area of growth and development such as is found in central Florida. Bears range far and wide and although a place like the Ocala National Forest (ONF) may seem vast enough to contain them, the Ocala bear sub-population

extends well beyond the actual boundaries of the 400,000-acre ONF. In fact, bears know few geographic boundaries. In addition, there is excellent bear habitat near large metropolitan areas such as Orlando, and bears seeking new territories often wander into urban and other developed areas.

These bears can cause problems for the people they encounter. The bottom line is that methods must be found to allow humans and bears to coexist if the bear is to survive in Florida.

For more information on the working group, contact Eason at 850-488-3831.

and as always, admission into the SCC Health and Physical Education Center is free.
Men's head coach Stan Cromartie, meanwhile, is pleased but not amazed by his team's start.
"I knew that this program would return to past glory,"

said Cromartie before his team set out for Georgia on Monday. "You can only keep a sleeping dog down for so long — eventually he is going to wake up."
"SCC has always had a great reputation in men's basketball, and I knew we could keep it going. This is my fifth season here and every year we have gotten a little better and now we

look like the Raiders of old." The SCC men's program never had a losing season in almost 30 years under Joe Sterling and Bill Payne, but after some troubles in the early 90's that led to a shutdown of the program it has taken Cromartie this long to get the Raider-mythique back.
A little bump in the most

recent road, an overtime loss at home to Monroe Community College of New York, has been quickly forgotten as the Raiders rolled to three road wins in four days this past weekend to improve to 15-5 on the season.
SCC has won three in a row and nine of their last 11, all but one on the road.
But the most impressive wins

have been the last three. Friday night in the Florida JUCO Shootout at Central Florida Community College in Ocala the No. 7 state-ranked Raiders edged past No. 3 state-ranked Chipola, 57-53.
SCC came back from a 24-22 halftime deficit to defeat the Indians, who were ranked No. 2 in the nation in the preseason poll released by Street and Smith Magazine.

tossed in four three-pointers in the way to a 30-point night. Freshman center Terrell Morris, who grew up in Sanford and played at Winter Springs and Pine Ridge high schools, had a good game off the bench with 10 points and five rebounds, while Witherspoon had eight points and six rebounds and Lyman graduate Josh Houston scored eight points.

MEN SHUT DOWN DEFENDING CHAMPS IN ATLANTIC SUN OPENER

ORLANDO — Ed Dotson came up a point shy of his career high finishing with 19 points and Dexter Lyons recorded his first career double-double as UCF (9-4, 1-0) opened up play in the Atlantic Sun Conference with an 80-69 win over Florida Atlantic (4-9, 0-1) at UCF Arena Saturday afternoon.

The Golden Knights offense was led by a combined 39 points from Dotson and fellow senior Ray Abellard who finished with 20. Abellard paced the Knights in the first half scoring 13, while Dotson shouldered the load in the second half with 13 of his own. Lyons, who made his third career start, chipped in 12 points and a team-high 10 rebounds.

Dotson struggled offensively in the first half scoring just six points on 2-of-9 shooting, but turned things around in the second half hitting 5-of-8 from the field. After grabbing a 40-38 lead with just less than 16 minutes remaining, UCF would never trail again and grabbed its first double-digit lead with 7:08 remaining after a lay-in by Lyons made the score 61-51.

Dotson was able to help UCF overcome a 35-34 halftime deficit and open up an eight-point lead at 49-40 with 12:51 left in the game after an alley-oop dunk on a pass from Lyons.

The UCF defense, which recorded a season-high 13 steals, limited the Owls to just one three-pointer in the second half on nine attempts and only four treys for the game.

UCF now leads the all-time series with FAU 16-5 and runs its record to 10-1 on its home floor in the series.

Abellard led the Knights in scoring for the ninth time this season as UCF shot 41 percent for the game. Freshman Will Bakanowsky and Abellard, each hit two three-pointers to lead the team, which finished 8-of-18 from behind the arc. Bakanowsky finished with a career best 10 points and rounded out the double-digit scorers. UCF also hit 28-of-36 from the charity stripe.

Earnest Crumbley who finished with 18 led the Owls. Avery

Headley posted a double-double with 16 points and 12 rebounds. FAU, which is now 0-9 on the road this season, shot 41 percent from the floor and hit 17 free throws in 21 attempts.

The rebounding edge went to the Knights 37-35.

FLORIDA STATE DROPS UCF WOMEN'S BASKETBALL TALLAHASSEE — Forward Ganiyat Adeduntan scored 16 points as the Florida State women's basketball team dropped UCF, 77-47, at the Tallahassee Leon Civic Center on Sunday afternoon.

It was UCF's third consecutive loss as the Golden Knights dropped to 4-7 on the year. FSU improved to 9-3.

The Golden Knights and the Lady Noles played close in the opening six minutes of the first half as the lead exchanged hands three times and the teams stayed within three points.

With the score tied at 11, FSU began to pull away sinking eight unanswered points sparked by a basket at 8:40 by former Lake Mary High School star Lauren Bradley. Sophomore Takira Allen ended UCF's four and a half minute dry spell when she hit a layup at 6:13 to cut the Seminoles lead to 19-13. The host would continue on an 11-8 run to finish the half with a 30-21 advantage.

Although the Golden Knights shot better from field goal range going 40.9% compared to 32.3% for FSU, they committed 12 turnovers and went 0-for-4 from the foul line. The Seminoles had three turnovers and sank 7 of 10 free throws.

On a three-point play by Bradley at 14:13, FSU jumped out to 40-26 lead. Despite Florida State's offensive run, UCF snuck in with three successive three-point baskets to cut the lead to 43-32 at 11:07.

UCF would be limited to 13 points down the stretch, while the Seminoles sank 31, including five three-pointers.

Adeduntan was one of four FSU players in double figures. Bradley finished with 15 points, while Tashaika Morris and Trinetta Moore had 13 and 12, respectively.

Allen sank nine points and a game-high eight rebounds. Senior Erin Paige also had nine for the Golden Knights. The team finished with 28 turnovers and shot 39.1% from the field.

UCF begins their Atlantic Sun Conference play when they travel to Jacksonville University on Jan. 9 for a 7 p.m. game.

Former WWE/WCW champion superstar "The Warlord" (above) will make his return from a knee injury this Saturday night when he battles SCW Grand Champion Sequel in one of two main events at Southern Championship Wrestling's first event of the year, "New Year's Resolution", at the DeBary Civic Center starting at 8 p.m. Also in action will be Eden (right) who will take on the first woman of SCW, Silhouette.

SCW announces first show of year

Special to the Herald

DeBARY — Southern Championship Wrestling will present "NEW YEARS RESOLUTION" this Saturday (January 11) at the DeBary Civic Center starting at 8 p.m.

This will be SCW's first show of the year and will feature two main events.

It was six months ago that Sequel, who would become SCW's first Grand Champion for being the first individual to hold every Championship in Southern Championship Wrestling, was at the top of his game, taking on all challengers...but one! He found ways not to wrestle former WWE/WCW Superstar, The Warlord.

After suffering a knee injury, the Warlord, who was a WWE Tag Team Champion and also known from his days as half of the

"Powers of Pain" in the WCW, is back and is seeking revenge on the former SCW Champion, Sequel! This time, there's no way out of this main event for Sequel!

At the last show in Eustis, Hexx became the new SCW Champion, with help from Livewire, in defeating former best friend and tag team partner, Sequel! This will be the first title defense for Hexx as he goes head-to-head with SCW fan favorite "The Rebel Rucker" Towns! This will be a true test for the new SCW Champ!

In another championship match up, The Frat Pack (UCF Fraternity Alumni), Jacques Taylor and Josh Rich, will defend their SCW Tag Team belts against the team of Scotty Z and Shifty, the "Delinquent Tendencies."

Kid Lethal has been flying high since his SCW debut back in August. After a huge

confrontation with his tag team partner, the SCW Cruiserweight Champion the DTW Ninja, at the last show in Eustis, SCW Offices had no choice but to let these two settle their differences in DeBary.

This match will not only settle their differences, but it is also for the SCW Cruiserweight Championship!!

Also in action will be SCW's first woman, Silhouette, taking on Eden, with many more matches to be held the night of the card.

The "World Famous" Hooter Girls will be on hand and a portion of the proceeds will benefit the DeBary Civic Association.

The DeBary Civic Center is located at 38 South Shell Road, just off 17-92, and admission is \$10. For more information and tickets, call (407) 328-0083 or (386) 668-9575.
