

Deadline Set On Nominating Commissioners

Nominations for five commissioners for the newly created fire control district in precincts 9, 12, and 16 (Forest City-Bear Lake area) will be accepted through Jan. 26, J. Harvey Cotter, president of the Forest City Volunteer Fire Department, reminded today. Letters stating the name, address, background and experience of those nominated may be mailed to Cotter's office in Forest City or to the fire department, P. O. Box 22-46, Forest City.

NEW DIRECTOR OF THE Junior Pathfinders of Forest Lake Seventh-Day Adventist Church School, Bill Green, signs up Val Johnson and Tommy Carr. Watching are Mrs. Don Johnson, counselor, and Bill Lee, coordinator for Junior and Senior Pathfinders. Director of the Senior group is Ken Regal (right, bottom) and co-director is Dr. Robert Hoover. Card Playing Nixed At Junior College

By J. RICHARDS
There are three rules posted in the Student Center concerning card playing and other activities. One states, "There will be no card playing of any kind in the Student Center." One question-why not? In the Student Center a place of relaxation? If no such results have been achieved to solve them why outlaw something which gives relaxation and enjoyment to students? Why not outlaw chess playing, too?

In not the Student Center a place of relaxation? If no such results have been achieved to solve them why outlaw something which gives relaxation and enjoyment to students? Why not outlaw chess playing, too?

Students Government Association (SGA) elections will be held Wednesday in the Student Center from 9 a.m. to 2 p.m. Students wishing to run may pick up petitions in the SGA office in the Registrar's office. Those must be turned in with 50 signatures by 4 p.m. today.

37 Cents Weekly Would Cover LBJ's Surcharge

By RAY DE CRANE
Newspaper Enterprise Assn.
President Johnson's proposed six per cent surcharge on the 1967 income tax both individuals and corporations—still far from congressional passage—will not be drastic after a second look has been taken. Investors did just that the day after the President addressed Congress. Their first reaction was loud and their disdain for the tax increase forced down stock prices. The second look came quickly—within a couple of hours—and stock prices started to shoot up. What happened?

Reflection showed that even if LBJ gets everything he is asking of Congress no one is going to be hurt too badly. In preparing their 1967 budgets in the final quarter of last year, businessmen assumed there would be a tax increase and built this added expense into their most figures. This assumed an increase in rates by that percentage. The surcharge is not an increase in tax rates. After the tax is computed on the basis of the old rates an extra six per cent is then added. There is a big difference in that and a safe increase.

Furthermore, should the measure be passed by Congress it is unlikely the hike will be effective before July 1. Since only half year's income will be affected for 1967 this means an average three per cent surcharge for this year.

Even then certain lower-income individuals will be completely exempt from the tax under the President's proposal. LBJ suggested married couples with two children and annual income up to \$5,000 and single persons with income up to \$1,800 be exempt from the increase.

National studies show the typical American family consists of a husband, wife and two children living on an income averaging \$100 weekly. This typical family will file a tax return before April 17 showing a total tax bill of \$322 on their 1966 income.

If the surcharge goes through as proposed, a year from now they will add three per cent to that, or \$9.66. For a full year, the six per cent will amount to \$19.32 in additional tax, or 37 cents a week.

In short, don't worry about it too much. Better yet, spend a little extra time trying to get your current income tax bill down to an irreducible minimum. The time spent is more valuable than the money.

For voters who say it couldn't be done. But now a firm of laboratory consultants has developed a treatment that is not only stopping hair loss—but it really grows hair! They don't ever ask you to take their word for it. If they believe that the treatment will help you, they invite you to try it for 32 days, at their risk, and see for yourself!

Naturally, they would not offer this no-risk trial unless the treatment worked. However, it is impossible to help everyone.

The great majority of cases of excessive hair fall and baldness are the beginning and more fully developed stages of male pattern baldness and cannot be helped.

Loesch Laboratory Consultants, Inc., will supply you with treatment for 32 days, at their risk, if they believe the treatment will help you. Just send them the information listed below. All inquiries are answered confidentially, by mail and without obligation.

New Way Found To Stop Hair Loss, Grow More Hair

By LARRY VERSHEL
Don't be surprised if the County School Board holds a special meeting next week naming John Burton the architect to build plans for the three new schools in the county. . . . The three are Sanford Junior High, Oviedo and Lyman. . . . Educational specifications are now in Tallahassee.

With the possibility of the Navy Base staying here until 1970 school people are concerned with overcrowding at the schools. . . . And don't be surprised when the two projects proposed by the school board pushes a \$12 million bond issue to finish these three projects.

Nobody asked me, but are the two projects proposed by the Community Action executive director under OEA? Supt. of Schools R. T. Milwee met the other day with school officials on the tutoring assistance program and Neighborhood Job Corps has already been started by the schools. . . . There is a Marine detachment assigned at Albany, Ga., where Reconnaissance Attack Wing One is moving. Sublieutenant from Albany is that the Albanians are worried about the traditional feud between the Navy and Marines and are looking forward to "a lot of fights."

The Albanians should visit San Francisco during the month of the road have claimed the right of way has deviated onto their property, while south side residents claim the present direction of the road is the proper right of way.

Forest Lake Academy, another south side property owner has petitioned to intervene as a co-complainant in the suit. To be considered at tomorrow's hearing is an amendment to the south side complaint stating the county survey of Sand Lake Road may be in error.

Attorney for the complainants is Harvey Cotter. Hearing is scheduled before Judge Roger Baker at 11 a.m. tomorrow in the county court.

In the meantime, Albert N. Fitts, attorney for Dr. Leonard Munson is taking depositions in Munson's suit against the county which claims the county is illegally appropriating money for the Seminole County Chamber of Commerce.

Sanford telephone subscribers now total 19,000, permitting service to approximately 40,000 persons. Under the new Metro toll-free system, there will be 28,727 "stations," giving service to 150,000 persons.

George Touhy will be chairman of the Metro phone celebration here Feb. 19. People are wondering which is more difficult to get . . . a copy of Look Magazine or an incriminated bill at the hospital.

It sure would be interesting to find out the last time a complete audit was made of unpaid parking tickets in Sanford. . . . I'm not talking about a spot-check either.

Don't be surprised when Jim Jernigan gets the physical fitness award from the Jaycees this Saturday night at the DSA banquet.

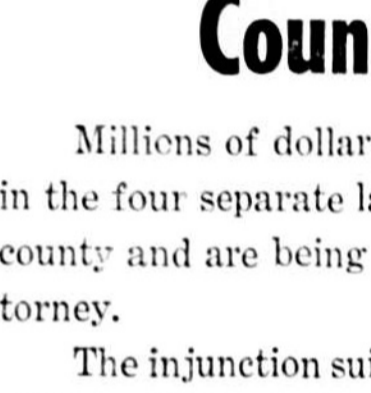

They say the police collected over \$2,000 from the Police-man's Ball ticket sales.

Four Suits Facing County Taxpayers

Millions of dollars of the taxpayers' moneys are involved in the four separate lawsuits which have been filed against the county and are being defended by Harold Johnson, county attorney.

The injunction suit which was brought by Robert F. Tucker, William T. Pratt Jr. and James F. Latner of South Seminole to stop the county from expending any further funds on the new courthouse is currently at a standstill.

Hearing on the petition of the City of Sanford to intervene as a co-defendant was scheduled for Thursday, but has been postponed due to the conflict of schedules with the attorneys.

William C. Hutchison represents the City of Sanford while the complainants are represented by Harold Johnson. Estimates of the cost of moving the courthouse "to a more central location" have been given by several of the county commissioners at \$2 million to \$5 million.

Hearing will take place before Judge William G. Akridge at 1 p.m. Thursday on the injunction suit brought by residents of the south side of Sand Lake Road to stop the county from "realigning the road."

Residents of the north side of the road have claimed the right of way has deviated onto their property, while south side residents claim the present direction of the road is the proper right of way.

Forest Lake Academy, another south side property owner has petitioned to intervene as a co-complainant in the suit. To be considered at tomorrow's hearing is an amendment to the south side complaint stating the county survey of Sand Lake Road may be in error.

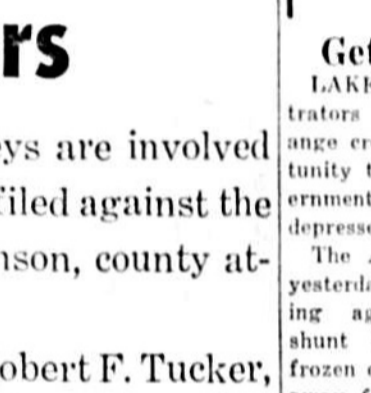

Attorney for the complainants is Harvey Cotter. Hearing is scheduled before Judge Roger Baker at 11 a.m. tomorrow in the county court.

Apportion Plan Killed By Senate

TALLAHASSEE (AP)—A Senate committee today rejected the House of Representatives reapportionment bill after several members described it as too weak.

"The Senate had a choice of several mathematical formulas and decided on the least one," said Sen. John Mathews of Jacksonville. "The House, it appears, chose the worst one."

The development came after a closed door huddle between Senate leaders, Senate President Verne J. Roberts and House Speaker Ralph Torington in Pope's office.

"At this moment of the reapportionment struggle, I am extremely reluctant to take up the House bill," Chairman Wilbur Boyd of Palm Beach told a brief meeting of the Senate Reapportionment Committee.

Boyd said he hoped the bill would be reconsidered in the House and "made a better bill."

Torington went immediately to relay the news to the House Apportionment Committee which was considering the bill.

Each body passed its own half of the proposed new reapportionment formulas by large majority last night. (Earlier Story On Page 2)

McNamara Expected To Make It Official

Defense Secretary Robert McNamara is expected to make it official Thursday and announce the Naval Air Station will remain in Sanford until at least July 1, 1970.

A Pentagon aide told The Sanford Herald by telephone this morning that McNamara will "make some adjustments" to the overall military phase-out plan across the country, including the facility at Sanford. He refused to give any other details at this time. However, indications are that the Defense secretary is planning several readjustments among phased-out bases as an "economic measure."

U. S. Rep. A. S. Herlong Jr. this morning also informed The Herald that the Navy's liaison officer with Congress said the Pentagon has learned that phasing-out military bases is more than "just setting a date."

The liaison officer had told Congressman Herlong "we was to be an official announcement at 11 a.m. Tuesday . . . but at the last minute the Defense Department said there would be no announcement. Now, today, the Pentagon has said there will be an announcement tomorrow."

The rumor of extending the Sanford closing-out date "snowballed" Tuesday shortly after Herlong made it known an announcement said there would be no announcement. Now, today, the Pentagon has said there will be an announcement tomorrow.

Herlong added today he is confident some official announcement about Sanford and all other proposed closings and changes will be forthcoming Thursday.

However, Sen. Spessard Holland this morning telephoned The Herald with this statement: "Absolutely no substance to the rumor that Sanford Naval Air Station will continue in operation until at least July 1, 1970."

Senator Holland said he was quoting the Navy Department. He further stated the Navy anticipates taking title to former AFB, Albany, Ga., on next July 1, and to commence moving Reconnaissance Attack Wing One from Sanford to Turner on next Jan. 1, completing the move by the original date fixed, July 1, 1968.

The information relative to McNamara's anticipated announcement Thursday followed Holland's statement this morning.

The Albany Herald told The Sanford Herald this morning that some 500-600 Air Force personnel already have left Turner AFB, for new assignments in Kansas and Mississippi.

The Albany newspaper also said that the area there is "looking forward" to welcoming the Navy people.

Associated Press reported out of Norfolk, Va., today that several Naval district consolidations "are among a series of base and command shifts and closings to be announced later this week by McNamara."

A program to serve the whole family is planned at the new facility which is located on Lakemonte Avenue near Tanglewood.

Included in the new building are a six-lane heated Olympic swimming pool, gymnasium with two basketball courts, a small chapel, locker room, meeting room, and office space. Gwin told the history of YMCA and its four front programs, which includes the father-son program, Indian Guides, Girl's Junior High, and Hi-Y. He emphasized that use of existing facilities as well as the new branch is not restricted by county lines and Seminole residents are welcome.

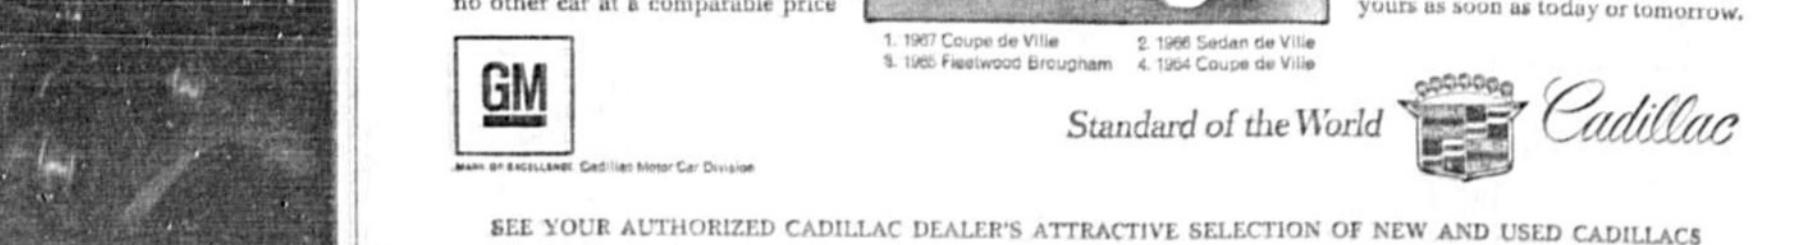

A lively discussion followed concerning a sudden large jump in the number of units of water charged to area residents by Florida Utilities and an unannounced 30 per cent increase in the flat rate charged for sewerage service.

Sanford telephone subscribers now total 19,000, permitting service to approximately 40,000 persons. Under the new Metro toll-free system, there will be 28,727 "stations," giving service to 150,000 persons.

First choose Cadillac. Then choose the year.

The decision to purchase a Cadillac—regardless of model or year—is the wisest move a motorist can make. Cadillac's remarkably luxurious interiors and superb driving qualities are unmatched. Cadillac's renowned durability, craftsmanship and advanced engineering make it a car that also gives you long-lasting value—and its owner loyalty ranks highest in the world of luxury motoring. You, of course, are best prepared to judge which model is most suited to your needs and your budget. But avoid compromise with a lesser make. For no other car at a comparable price can you get greater pleasure and satisfaction than the Standard of the World. And, of course, most previously owned Cadillacs—even those several years old—feature a complete complement of conveniences such as power brakes, steering, windows and seats to provide more driving pleasure than many of today's new cars. See your authorized dealer and let him help you select your favorite model . . . whether it be new or previously owned. Then all the wonderful rewards of Cadillac ownership can be yours as soon as today or tomorrow.

Solons Eye Adjournment

TALLAHASSEE (AP)—Legislators headed toward possible adjournment today after a 10-day session with passage of the 1966 reorganization bill.

The House bill now goes to a Senate committee and the Senate version starts through the U.S. Supreme Court last Monday.

Each body passed its own half of the proposed reorganization bill by large majorities Tuesday night.

Essentially, custom dictates that the chambers respect each other's plans and make no changes or objections but there was an instance of this would happen.

Leaders of both houses refused to predict that the Legislature would be able to complete work on reorganization and adjourn the special session before tomorrow.

The bills are expected to wind up in a joint conference committee should any differences of procedural questions arise.

The Senate Reorganization Committee takes up the House bill at 10 a. m., and the full Senate meets at 11 a. m. The House convenes at 10 a. m.

Both bills are considered m.

Whopping Budget Cuts Eyed By Kirk, Cabinet

TALLAHASSEE (AP)—Gov. Claude Kirk led the way as the state's cabinet officials produced budgets shattering the administration's admission that Florida's spending must not exceed its income.

Kirk's budget, to run his office and the executive mansion, was up almost 20 per cent. Tuesday he asked the Budget Commission—of which he is chairman—to approve \$1,078,000 for the 1967 fiscal biennium.

This is an increase of \$239,000 over the current budget.

Wade Hopping, assigned by the governor to justify the figures, explained that the budget increase would come from the general revenue to make that total \$7.8 million. The department's total budget, including the huge general inspection fund, would be \$37.2 million.

Atty. Gen. Earl Farnsworth asked for \$14 million more which would make his budget \$2.5 million for the biennium. This is a jump sum increase for any one of the two years just past.

Comptroller Fred O. Dickinson requested a general office budget higher by \$1.7 million than the current figures. It would be \$26,000,000 for salaries and \$202,000 for travel and printing. His total budget is \$26.4 million.

Secretary of State Tom Adams asked a \$1.1 million increase in his general office budget. This would require \$267,430 in new general revenue.

Treasurer and Insurance Commissioner Broward Williams requested a substantial increase of \$5,777,715 in general revenue. He explained that income from fees and the like was off 19 per cent. Williams proposed a wage increase of 10 per cent for 580 employees during the biennium. And he asked for 62 new employees. His total budget would be \$12.8 million.

Most of the budgets jumped as the agency heads wrote in salary increases pegged to a uniform pay scale recommended to the state in a study authorized by the Legislature.

Neither governor nor the Cabinet suggested any pay hikes for themselves. This traditionally is left up to the Legislature.

Kirk, who promised at the outset that he would closely scrutinize all budgets including the Cabinet's—cut his request by \$50,000 in a contingency allocation.

And Hopping said other cuts would be made on the basis of experience. Right now, he said, "we have no experience with the actual cost of operating the office."

Hopping said staff size (23) would remain the same as under Burns.

Some of the requests will be final until reviewed by the budget director, passed by the budget commission, after a second look, and approved by the Legislature in April.

The prospect of so much trimming led the agencies to routinely inflate their asking budgets, hence the initial request of \$15 billion, \$700 million over income.

Kirk pledged to preside over a \$70 million reduction in the figures.

Cabinet members will have considerable shaving of their own budgets to do if Kirk's demand is to be met.

Some examples:

—State Schools Supt. Floyd Christian asked a general revenue hike of \$11.6 million to run the Department of Education. The total budget was \$919.9 million, an overall increase of \$15.3 million.

—Agriculture Commissioner Doyle Conner requested a \$10 million increase overall. Of this, \$1.7 million would come from the general revenue to make that total \$7.8 million. The department's total budget, including the huge general inspection fund, would be \$37.2 million.

Atty. Gen. Earl Farnsworth asked for \$14 million more which would make his budget \$2.5 million for the biennium. This is a jump sum increase for any one of the two years just past.

3 Quints Die In Germany

DUESSELDORF, Germany (AP)—Three of the quintuplets born Tuesday to a German woman who had been given fertility injections died during the night, a spokesman for the Duesseldorf University Clinic reported today.

Prof. Gustav Adolf von Harzsch, head of the children's clinic, said the survival chances of the other two infants were "extremely minimal."

The boys were being given artificial respiration, he said.

Headless Body Found Stuffed Into A Trunk

HOLLYWOOD (AP)—A grisly find in a storage warehouse had police looking today for the head of an unidentified woman and whoever stuffed the rest of her body—piece by piece—into a trunk.

Also missing with the head were the victim's fingers, cut from the hands one by one.

A hunt spread for a jockey-size man who brought the trunk to the warehouse, apparently intending to let its contents lie undiscovered for at least two years. That's the amount of storage time he paid for last Thursday with \$45 the warehouse manager said.

The man was described as white, about 5-foot-11, 120 pounds, with a pencil-thin mustache and black hair combed straight back without a part. A police artist, Robert Clark, sketched the man after talking to witnesses.

Police said the man spoke English with no accent, although his ancestry was of Latin or Italian descent.

The dismembered body was that of a white woman, about 40 years old, between 5 feet and 5-foot-4 and 145 pounds, said Dr. Kenneth Fulton, assistant Broward County medical examiner.

An autopsy showed the woman had been bruised before her death. Fulton said a rib was broken. But Fulton said he could not say what killed her. He eliminated strangulation, poisoning, shooting or stabbing in the body.

She had been dead about five days and probably died the day she was packed into the trunk, he said.

The sealed trunk was opened Tuesday after an odor and a liquid were noticed coming from it. Sections of the body were wrapped in plastic freezer paper, tied with clothes line, and placed in two metal garbage cans.

L. Fred Hofford said police were checking the name given by the man.

Fulton said the body was cut up with a knife and saw.

Residents living in the area around the warehouse, 46 below zero, said they were alerted in a car carrying the trunk into the warehouse. A witness at the warehouse said the man drove a black station wagon, 20-mile wide, coupled with zero temperature. "Just blew the heat right out of the buildings" according to a spokesman for the Wisconsin Gas Co.

Bismarck had 40 below in Minnesota, International Falls had 33, the Twin Cities 31, and Duluth 30. Green Bay, Wis., and Duluth, Minn., reported 22 and 20 below, respectively.

Department stores in Milwaukee, Wis., reported a run on gloves and earmuffs Tuesday.

All of Michigan's main roads were open, although blowing snow caused slippery spots and confined traffic to one-lane in places.

The air was bitter in northern New England and upstate New York this morning.

Temperatures dropped to 9 below at Massena, N.Y., in the St. Lawrence Valley.

Snow squalls, moving with icy northwest winds, peppered the Great Lakes region.

Two inches of new snow were recorded at Marquette and Sault Ste. Marie, Michigan.

The snow spread east ahead of the cold wave from Arkansas into Tennessee and neighboring states.

Light rain fell ahead of the snow in a line from Louisiana to Alabama.

Snow began to fall over the Southwest, through the south Atlantic states and over the frigid Midwest.

Winter's Worst Freeze Hits North, Heads South

Arctic air put a hammerblow on a giant stretch of the nation's midsection today as the winter's worst cold wave spread from New England to the Rockies and headed south.

Hillbilly, Minn., had 46 below zero. Many of 20 below were reported in the Dakotas, Minnesota, Wisconsin, Iowa and Illinois.

Department stores in Milwaukee, Wis., reported a run on gloves and earmuffs Tuesday.

All of Michigan's main roads were open, although blowing snow caused slippery spots and confined traffic to one-lane in places.

The air was bitter in northern New England and upstate New York this morning.

Temperatures dropped to 9 below at Massena, N.Y., in the St. Lawrence Valley.

Snow squalls, moving with icy northwest winds, peppered the Great Lakes region.

Two inches of new snow were recorded at Marquette and Sault Ste. Marie, Michigan.

The snow spread east ahead of the cold wave from Arkansas into Tennessee and neighboring states.

Light rain fell ahead of the snow in a line from Louisiana to Alabama.

Snow began to fall over the Southwest, through the south Atlantic states and over the frigid Midwest.

Citizens Bank Profits Total \$1.49 A Share

Citizens Bank of Orlando, at the annual stockholders' meeting, announced another successful year with total resources of \$4,949,176.93. Net profit after all expenses and provisions for income taxes totaled \$2,425,000, or \$1.49 per share. Dividends of 60 cents per share were paid to stockholders.

In making the annual report, L. H. Webb, executive vice president, noted that the daily average of deposits was up 10.16 per cent over 1965 and 804 installment loans totaling \$475,432.03 had been made during the year.

All directors were re-elected to serve for another year and include C. E. Clontz, W. G. Harlow, C. S. Lee, E. F. Ward, Harold A. Ward Jr., L. H. Webb and E. F. Ward Jr.

Following the stockholders' meeting the board of directors announced the following promotions: Mrs. Marie S. Birch to assistant vice president; Mrs. Annie M. Olliff to cashier, and Mrs. Edith E. Dohman to assistant cashier. Other officers remained the same.

Strikes... Spares

Special notes of congratulations to those 14 bowlers who made local bowling history by taking part in Sanford's inaugural "Stars of the Lanes" tournament this past Sunday.

It was the top bowlers from all of the leagues here at the Lanes who rolled most pins over their average in that league. And as such were on hand to compete for the Star of the Week honors.

Those competing were John Fischer, Joe O'Halloran, John Papton, Caroline Hardy, Rose Bowman, Eddie Wiley, Pat Owens, DeWitt Mathews, Pat Myers, Al Bowling, Betty King and Mickie Woobler.

Actually there was still another one, who only has a 95 average in the Thursday morning VBAH-7 Women League, and she just didn't think that she had a chance at all.

Well, let's introduce you to our very first Star of the Week... Lee Mihalka who bowled 112 pins over her average and capped the crown.

Here's hoping that we get 100 per cent representation this coming Sunday at 8:30 p.m. from all of the leagues and again go for a Star of the Week for Sunday, Feb. 5.

The Friday evening Mr. and Mrs. League had a unique "triple" strike rolled by Sarah Terry, Mrs. T. had three consecutive games of 124, for which she'll be receiving an arm patch for this achievement from the Women's International Bowling Congress. Congratulations, Sarah.

The high scoring of forward Bruce Stuart and Mike Hargis paced Lyman's Greyhounds to a 7-4-5 win over Kissimmee last night in the Kowboys Cow Palace. Stuart scored 23 points and Hargis netted 22 as the Hounds captured their ninth win of the season against a pair of local opponents.

Lyman's junior varsity, paced by the scoring of Tom Pinnock, won a 50-49 decision earlier in the evening over the Kissimmee JV's. Pinnock poured in 22 points and Mike Bickett added 10 for coach Tom Barnes' Baby Hounds.

The varsity Greyhounds combined accurate foul shooting with the playmaking of sophomore Chris Butterworth to take a commanding 21-12 lead after the first quarter of play in the Orange Belt Conference battle. The Lyman careers connected on 13 consecutive free throws in the early going.

Hargis canned 10 markers and Stuart chipped in with four points for the night. Lyman increased the lead to 61-41.

Bill Higginbotham played his best game of the year for us against the Greasers. He put in seven buckets and added three foul shots to lead our scorers with 19 points," praised Coach Mack Blythe. Frank Whigham and Lamar Orr shared the second spot with 14 tallies apiece.

The Seminole High Junior Varsity completely swamped a hapless Colonial Junior Varsity cage squad at the Greasers' home court in Orlando 53-3 for the Park Seminoles' tenth win in a row and their 11th over-all. The young Tribe's record now stands at 11-1, giving Seminole High its first ten-game winning cage team in several years.

The Seminoles will travel to Winter Park Friday night for a duel with the Wildcats in their home lair. The JV game is scheduled to start at 6:30 while the varsity tilt is on tap for 8 p.m.

Seminole High's varsity squad played catch-up basketball last night at Colonial High, but was unable to overcome a big Greaser lead and lost a 28-7 thriller. The Seminole JV's took a 61-55 win for their 10th in a row.

After being down 48-29 at the end of the first half, the Seminoles rallied their police and started their move by taking the third stanza 20-18 and then narrowing the gap in the last frame with a big 28-16 final effort.

Stetson Rolls Over Rollins

ORLANDO (AP)—Stetson never trailed Tuesday night in defeating Rollins, 90-79 in a Florida Intercollegiate Conference basketball game.

The Hatters outbounded Rollins 47 to 32 and got a 23-point performance from forward Bob Jenkins. Sterling Case hit for 17 for Rollins.

The victory left Stetson 7-5 over all. Rollins is 5-5 on the season.

Robust Robin Top SOKC Choice

A real mid-week hotbox event is set for tonight's featured football race at the Sanford-Orlando Kennel Club.

Early Favorite to score in the class event is Roby Towner's fast-breaking Ivory Robin. Also in the field, however, are seven other stylish speedsters including Dirksen, Red Murphy, L.G.'s Area, Ben Kiego, Ernie Kay, Lady Mitchell and Lloyd Peltis.

Ben Kiego, who will be seeking his third straight win, is the second choice. In their last battle Ben Kiego beat both Roby Robin and Dirksen regarded as the top two sprinters at the track.

The annual charity night program is scheduled for Thursday night at the track with all proceeds from the 11-race card going to the charity.

West played another fine game for Lyman, scoring 13 points and making six assists. Butterworth had eight points and five assists for the night. Stuart was the game's leading rebounder with 17 and Hargis pulled down eight for the Greyhounds.

Five of the ball game Lyman cashed in at the foul line, making 31 of 45 free throws and also connected on 20 of 42 floor shots.

Raiders Roll Over Rebel Five

The Seminole Junior College Raiders took a runaway victory last night over the Central Florida Junior College Rebels in an 88-63 cage contest.

The Raiders hit the 80 point plus mark for the second time this season and came within one point of tying the SJC scoring mark of 89.

Steve Groover took the scoring honors for the Seminole Raiders as he tallied 23 points, 14 of which came in a fast and furious second half which saw the Raiders score 50 points and the Rebels chalk up 42.

Big Fred Milton pumped to 16 and John Thomas added 12 to give the SJC quite 13 men in double figures.

The second team added a good deal of scoring with Byrd Brownell turning in a good performance with eight markers, Gary Lovel scored and Charlie Brown six.

SJC will host Santa Fe Junior College of Gainesville at the Seminole High gym Saturday night at 8.

Oviedo Suffers 3rd Loss

Oviedo Lions met their match last night as they went down to defeat 58-56. This loss gives the Lions an 11-3 record and snapped their nine-game winning streak.

Haines City started out strong early in the first quarter, getting seven points to lead before they could score. Finally, midway through the quarter the Lions came in live scoring eight points to tie the Hornets' two.

The lead bounced back and forth in the second and third quarters, but the final period turned into a fierce battle. The Lions poured it on in the first four minutes and held a solid eight-point lead. The Lions' defense failed to click in the final minutes giving up their lead and the two winning points to the Hornets.

The Baby Lions had three men in double figures. George Bradshaw led with 15 points, followed by Rex Rippe, 13, and Steve Bratton with 10.

Fire Bombs Used To Burn Viet Cong Hideouts

Saigon, South Vietnam (AP) — High-flying B52 bombers rained tons of fire bombs on Communist War Zone D today in an attempt to burn Viet Cong hideouts in triple canopy jungle 22 miles northeast of Saigon.

A U.S. military spokesman who observed the unusual incendiary bomb raid from a helicopter said "it looked just like the Fourth of July."

—The Sanford Herald
Page 4 — Jan. 18, 1967

Stratoforts, flying out of sight at 30,000 feet, made 10 passes over a 39-square-mile area of the D Zone which the Viet Cong reportedly used for base camps and infiltration routes.

A few miles to the west of the zone, U.S. forces reported killing 20 more Viet Cong in Operation Cedar Falls in the "Iron Triangle" 20 to 30 miles north of Saigon. U.S. troops also uncovered a grave with 19 enemy bodies, and a spokesman placed the Communist death toll at 490 since the operation began Jan. 18.

Only small, scattered ground fighting was reported elsewhere, but U.S. headquarters announced successful results from stepped-up air raids over North Vietnam Tuesday.

The headquarters said the Thai Nguyen railroad yard 40 miles north of Hanoi was heavily damaged by 16 flights of F105 Thunderchiefs bombers which pummeled the sprawling yard for eight hours.

Pilots reported 10 large and several small secondary explosions and said they left the area covered by smoke. They said they also destroyed some air-raid gun positions around the yards.

U.S. pilots flew 103 bombing missions over North Vietnam Tuesday, the first time after weeks of bad weather they exceeded 100.

One plane was lost, U.S. headquarters said. An Air Force photo reconnaissance Phantom jet failed to return. It was the third Phantom reconnaissance plane lost over the north in two days and the 460th U.S. plane reported lost in the north. The Phantoms two-man crew is missing.

Navy fliers reported damaging three surface-to-air-missile sites, one of them 23 miles south-southwest of Haiphong.

Other pilots claimed damage or destruction to seven bridges, seven military buildings, three trucks, two oil storage areas and six other storage areas.

Lt. Cmdr. L. L. Herzog, who observed the B52 incendiary raid, said the bombs started breaking up into fire clusters at an altitude of 6,000 feet and sent up large clouds of white smoke when they hit the jungle and undergrowth.

Herzog said there were no villages in the area.

Nearby, in Operation Cedar Falls, U.S. troops uncovered a tunnel which contained a sizeable arms cache, including four machine guns and 78 individual weapons.

The number of weapons seized in the 11-day-old operation, the biggest ground sweep of the war involving more than 30,000 U.S. troops was placed at 24. The operation also has yielded a record haul of 3,170 tons of enemy rice.

South Vietnamese military headquarters announced that killed, 30 wounded and 26 kidnaped. The victims included several government infantry battalions participating in Operation Cedar Falls had terminated their part of the action Tuesday.

The Vietnamese troops reported killing 13 Viet Cong, capturing 74 and seizing 42 weapons.

U.S. pilots flew 447 strike sorties over South Vietnam Tuesday and South Vietnamese jets flew 65 strikes.

U.S. officials announced casualties from Viet Cong terrorism last week were 24 civilians killed, 30 wounded and 26 kidnaped. The victims included several village and hamlet chiefs.

The word Jumbo was introduced to the American language by T. E. Barnum, who brought the great African elephant Jumbo to this country.

Vietnam War 'Is A Tough Game,' General Opines

WASHINGTON (AP) — The almost daily U.S. bombing of North Vietnam apparently is forcing the enemy to disperse more of its anti-aircraft batteries and key supply depots among heavily populated areas, reports Gen. Earle G. Wheeler.

"This is a tough game," the chairman of the Joint Chiefs of Staff said Tuesday night, "particularly if the targets happen to be anti-aircraft batteries. If it's only a few barrels of oil, it doesn't make much difference."

Wheeler, who returned Friday from a week-long inspection trip to Vietnam, said "there seems to be a growing trend in this direction" and added that the North Vietnamese know "our policy is not to attack populated areas per se."

"The net result, he suggested, is that 'in certain instances this makes installations immune to attack.'"

On the other hand, Wheeler said the enemy's efforts amount to a tribute to the effectiveness of U.S. bombing, which he praised as an "integral and indispensable part of our operations against the North Vietnamese."

"The effectiveness of our air campaign is made increasingly clear by enemy propaganda complaints," the nation's top general said in a speech to a dinner meeting of Sigma Delta Chi, professional journalists.

Kiwanis Names Theme For New Year

By MILDRED HANEY
"Quality Leadership—Key to the Future" is the Kiwanis theme for 1967. Rick Fawley told members of the southwest Volusia Kiwanis Club at the Jan. 9 meeting. Speaking at a meeting at the Deltona Inn, Fawley, who is a past president of the group, outlined the 10 major objectives of Kiwanis clubs throughout the world. Club President Lynn Leonard, who conducted his first meeting that day, pointed out that Southwest Volusia Kiwanis have an excellent opportunity to double the club's membership in 1967. He urged each member to bring at least one potential member as a guest to the luncheon meetings during the year. Leonard also emphasized the importance of attending inter-club meetings in Deltona, Sanford, and other cities.

Committee chairman for 1967 named by Leonard include Joe Brenner, boys and girls; Spruell Beall, support of churches; Jesse James, achievement; Dave Lane, finance; Rudy Wunderlich, house; Ed Sim, interest; Arch Page, education and attendance; Jim Gessner, membership and development; Chuck McCarthy, program and music; Paul McGrath, public relations; Herb Platt, reception; Joe Davis, vocational guidance; Joe Spangler, public and business affairs; John Jenkins, international relations; and William Throver, agriculture and conservation.

Guests at the meeting included Bill Hutchins, Deltona, and six members of the Sanford club, Floyd Palmer, John Wilson, Oscar Harrison, Stafford Jurgis, E. W. Ware, and Joel Field. A spokesman for the Sanford group pointed out that their combined age totaled more than 425 years.

Keystone Club Sets Election

By MILDRED HANEY
The Keystone Club of Deltona, former residents of Pennsylvania, will elect new officers at a 6 p.m. dinner meeting at the Deltona Community Center Monday. Reservations should be in by Thursday of this week. Those attending are asked to bring their own silver service. Following the elections, there will be a contest of card games. Mrs. Bert F. Christy, founder of the club, invites all former residents of Pennsylvania to call her at her home and plan to come to the monthly meetings which usually are attended by more than 100 friends and neighbors of the community.

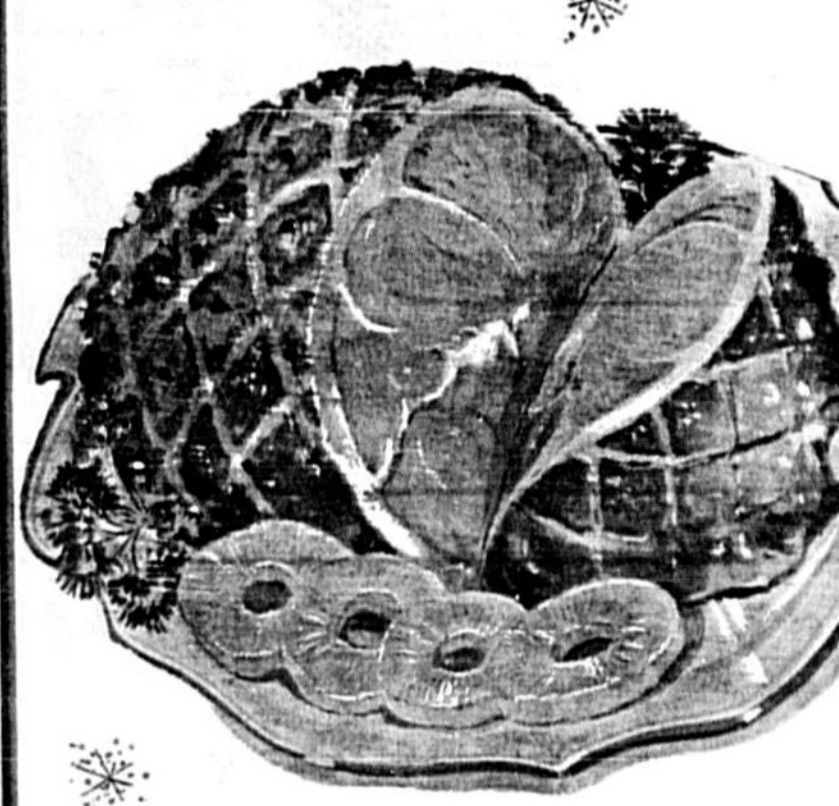

Civic Auxiliary

The Auxiliary to the Deltona Civic Association will hold its monthly meeting Thursday, at the Community Center at 12 noon. Refreshments will be served. Cards and other games will be played after the business meeting. Donations of small prizes will be awarded. All women who are paid members of the Civic Association are automatically members of the Auxiliary with no further dues required.

Messiah Church Plans Annual Meeting

By JANE CASSELLBERRY
Messiah Lutheran Church of Casselberry, Rev. Martin Postz, pastor will hold the annual congregational meeting at 7:45 p.m., Thursday, at the American Legion Hall on Prater Lake. Robert F. Tucker, vice president of the church council, will conduct the meeting. Reports will be heard from all auxiliaries and committees of the church. Jack E. Koll, chairman of the building committee, will report on progress to date on plans for the proposed church building. The annual financial report will be given by Robert Cook, church treasurer. Dr. J. Donald Lynch, chairman will give the report of the memorial committee and there will be a presentation by the Lutheran Supply Store of Orlando of suggestions available for memorials. A social hour will follow the meeting with refreshments to be served by the Lutheran Church Women, Mrs. Hollis Tucker, president. All members are urged to be present.

100 Attend Meeting Of Wolverines

By MILDRED HANEY
One hundred "Wolverines" attended the December meeting of the Wolverine Club of Deltona dinner following the installation of officers for 1967. Installed were Lou Hunsger, president; Ed Follbaum, vice president; Bonnie Aldrich, treasurer; Marion Fiedlerka, secretary; Edna Bauldry, auxiliary committee; Howard Soar, chaplain; Bev Cole, publicity; and Louis Martano, entertainment chairman with Jim Snapp and Armand LeBlanc as his assistants.

Next club meeting will be at 6 p.m. Jan. 25, at the Deltona Community Club. Hostesses will be Lillie Schuchard, Lucille Mueller and Martha Wrobel. The "white elephant" game will be played and each member is asked to bring a gift to be used in the game.

Illinois Club

By MILDRED HANEY
The Illinois Club of Deltona held the December meeting at the Community Center and enjoyed a turkey dinner with all the trimmings. H. C. Neuhaus, secretary of the club, led the community singing with Meg Welch at the piano. Mr. and Mrs. Matt Hayes won a beautiful case as first prize. Miss Egan was appointed as publicity chairman and Mrs. Carolina Worcester as secretary.

Merchants Install citizens of the newly organized Deltona Merchants Association, installed at the January meeting, are Marion Reynolds, president; Leroy Roth, vice president; Robert Cress, treasurer; and Ron Fisher, secretary. Aim for the year is to promote interest in the growth of the rapidly expanding shopping plaza.

NOWC Names New Officers At Change Of Board Coffee

By CECILIA FARMER
MARY ANN WILLIAMS is the new president of the NOWC. She took office at the Change of Board Coffee at the NAS Ballroom, last week. Elected to serve with her were Jo Kuhlik, vice president; Rozanne James, treasurer; Jeanne Stewart, recording secretary, and Jeanne Dunne, corresponding secretary.

NEW OFFICERS OF THE NOWC are, left to right, Jo Kuhlik, vice president; Mary Ann Williams, president; Rozanne James, treasurer; Jeanne Stewart, recording secretary and Jeanne Dunne, corresponding secretary.

Shirley LaRoche, retiring president, received a lovely silver bowl in appreciation for her service during her term as president. The presentation was made by Dora Griffin, recording secretary, on behalf of the club members. Other retiring officers were Jo Kuhlik, vice president; Rozanne James, treasurer; Jeanne Stewart, recording secretary, and Jeanne Dunne, corresponding secretary.

New squadron representatives to the board are Linda Tancig, RVAH-3; Kathy Criswell, RVAH-3; Ellen Vaughn, RVAH-6; Connie Davison, RVAH-7; Vilia Gallagher, RVAH-9; Melba Frank, RVAH-11; Pat Huest, RVAH-12; Judy Kuehn, RVAH-13; Norma Whetley, RVAH-13; and Jane Richardson, RVAH-13.

Mrs. June McClain, wife of the commanding officer of RVAH-12, introduced the guest speaker, Fran Carlson, who made the report of the activities of the squadron. She stressed the importance of good posture, daily exercise and proper food. She also demonstrates exercises for the various parts of the body and just watching the charming TV star was an inspiration to the wives, many of whom made helpful suggestions for the year's resolutions to practice some of her good advice.

The talented Pat Wives did an excellent job on decorations and food. Each table was adorned with an unusual centerpiece—a strip of burial holding a decorative arrangement of vegetables and small philodendron plants. Three baskets of colorful flowers were given as door prizes and won by Peggy Barton, Claire Forster and Dianne Bittberger. All were made by RVAH-13 wives.

The buffet table held a beautiful array of delicious food—roast turkey, turkey legs, turkey slices, turkey sandwiches, coffee cake, coffee and iced tea. Each item of food was identified with its nutrient value. Congratulations and a big thank you for the RVAH-13 wives for such a timely theme presented in such a delightful way.

Twenty-four members made reservations for the CPO Wives Club Friday 12th luncheon honoring Bea Jarrell and her winning team. Mary Hay, captain of the losing team, was a gracious hostess and all that "Crow" as if they were really delectable. The luncheon was a culmination of a membership drive in which the CPO Wives Club membership was almost doubled.

Fourteen new members were credited to the Jarrell team while the Hay team enrolled 16. Guests enjoying the luncheon were Mrs. Gene Simpson, Mrs. Joseph Liberator and Mrs. Edward Gold. Mrs. Jerry Bryant won the door prize. A choice of turkey or seafood was offered and members of the winning team presented "Black Cat" name tags, in keeping with the Friday 12th theme.

The McCoy NCO Wives hosted a recent festive tea honoring the CPO Wives from Sanford. Twenty-six wives made the trip by bus and were greeted by the Vice Commander of McCoy Air Force Wing 308. They were invited by the wing commander to return this spring for a tour of McCoy facilities. Shirley Simas was the door prize and Jan. 21 was selected as the date for a bowling match between the two groups.

Sue Cornova and Ella Gaudert, party organizers, supreme reports that 35 members and "Misses enjoyed a delightful party at the CPO Club recently. Get well wishes are extended to Audrey DeMorse, Cathy March and Jan Heuser.

signifying occurrences of the past year while her husband was commanding officer of the squadron. The "Dainty Elephants," otherwise known as the "Dainty Elephants," presented her with a horseshoe wilted flowers, dog powder, a tiny green frog, an empty champagne bottle, a doily, a small elephant kit and an elephant tablecloth, especially designed and made by Marjorie Williams. Movies and tape recordings made of this impressive ceremony will also reveal a rousing song about "6-1-8-8-8-8-8" which ended the festivities.

OFFICERS' WIVES OF RVAH-7 gave a farewell coffee for their skipper's wife, Chris Lovelace, Monday at the home of Ann Pritscher, in Maitland.

The dining table, overlaid with centerpieces with an arrangement of baby white roses in a silver pedestal vase held two silver servers and a delicious array of finger sandwiches, coffee bread, cookies, mints and nuts.

CHRIS LOVELACE, left, wife of commanding officer of RVAH-7, receives a silver pitcher from Betty Ryan, wife of the squadron's executive officer, at a farewell coffee given in her honor, Monday.

OFFICERS' WIVES OF RVAH-6 welcomed Sara Jane Smith, wife of the new executive officer, and Ginny Muller to the squadron when the group met at the home of Lee Thompson for a coffee. New committee chairmen were announced: NOWC representative, Ellen Vaughn; Thrift Shop, Janet Hiale; relations, Peggy Parton; hospitality, Sara Jane Smith; public relations and scrap book, Ginny Muller; bridge, Noelle Ferguson; and telephone, Charlotte Pearson, a P-1 Bechey Thompson. Plans were made to attend the All Hands Welcome Home Ballroom on Jan. 20, at the NAS Ballroom at 7 p.m.

ENLISTED WIVES CLUB OF RVAH-2 held the installation dinner meeting at the Army Duesey Club last week. Installing officer was Mrs. Mary Patnam, wife of the squadron's C. O. New officers are Alvin Wilson, president; Jean Clark, vice president; Pat King, secretary, and Jane Glenn, treasurer.

Guest of honor was Mrs. June McClain, wife of the squadron's former C. O. Retiring president, Yvonne Ward, presented Mrs. McClain with a gift from the club members. Other guests were Mrs. Joanne Higgins, botham, wife of the new executive officer, and Mrs. Terry D. Owens. Hostesses were Yvonne and Kathy. Yvonne also will be hostess at her home for the USA Game Night, Jan. 21.

CHRIS LOVELACE entertained the Officers' Wives of RVAH-7 Friday evening with a dinner at her lovely Idlewild home. Generous servings of her special chicken casserole, bread and many other specialties were enjoyed by the group and all members are invited to attend and vote. Shirley Simas and her committee will present a slate of officers.

NAVAL STATION OFFICERS' WIVES OF NAS gathered for a luncheon meeting at the Fiesta Restaurant on Jan. 2. New of-

OFFICERS' WIVES OF RVAH-7 gave a farewell coffee for their skipper's wife, Chris Lovelace, Monday at the home of Ann Pritscher, in Maitland.

enjoy our mild winter weather and Lt. Cdr. and Mrs. Albert until the end of February. Perella who spent some time in Atlantic City, N. J.

ENLISTED WIVES OF RVAH-6 have planned a social for Jan. 24 at 7:30 p.m. at the home of Pat Neiser, 2408 Willow Ave. Gladys Morgan will be co-hostess. All wives of enlisted personnel of RVAH-6 are invited, please contact Pat at 222-0865 if you plan to attend.

Recent holiday activities of the squadron included an Open House hosted by Cdr. and Mrs. Killeine L. (Je) Brad Evans entertained at his elegant home in Winter Park and the Checkertail Wives are still avid at their bachelor headquarters. Also entertaining were Lt. Cdr. and Mrs. Vincent Monroe at their Pinecrest home.

Guests of Lt. Cdr. and Mrs. Robert Forster are her parents, Mr. and Mrs. C. H. Devall, of Milwaukee, Wis. They plan to

Fouring during the party which were Mrs. William Hutchinson, Mrs. Cliff Thompson, Mrs. Richard Fowler, Mrs. Roy McLean, Mrs. Tom Killeine and Mrs. Donald Sullivan. The guest of honor wore a deep maroon suit with pale pink accessories and a white orchid with purple tulle, a gift from the wives.

Betty Ryan, wife of the squadron executive officer, asked all the guests to join her in a champagne toast to the honoree. She then presented her with an engraved silver pitcher from the club, in appreciation for her services to the group. About 60 members and guests were present for the delightful event. Cdr. Lovelace will be Chief of Staff of the Wing at Sanford when he returns next week.

THE ENLISTED WIVES OF RVAH-2 enjoyed a fall, on Medici and its benefits at their January session in the Wives Meeting Room. Hostesses for the event were Pat Beers and Sharon Hall. Assorted homemade cakes, coffee and delicious beverages (a speciality of Sharon's) were served to those present. Guests were Della Gordan, Colleen Washburn, Natalie Stewart, Margaret

Surprise of the evening for Chris occurred when she was named "Queen for evening" and received many humorous gifts, an Army and Navy cloth and

Miss Tyson Feted

PETITE DEE NEYER, right, presented a corsage to Miss Beatrice J. Tyson, DeBary, who was honored at a special program. The honoree will observe her 86th birthday, Jan. 23. (Middleton Photo)

Participating in the program were Mrs. Rachel Pictropinto, Mrs. Charles Ulrich, Mrs. Everett W. Swift, Mrs. Adam Muller, Mrs. Beatrice Hamilton, Mrs. Ruth Magnuson, Rev. Cecil Ogg, Mrs. Mona Lewis, Miss Kay Ryan, Mrs. Price Goodson, Miss Sally Ann Norder and Miss Dee Neyter.

Double Ring Nuptials Unite Miss Slayton, R.P. Claggett

MR. AND MRS. RICHARD P. CLAGGETT

Miss Sandra Bob Slayton and Richard Philip Claggett were united in marriage at 4 p.m., Jan. 6, in All Souls Catholic Church with Father Keane officiating at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. William Slayton, of Sanford, and the bridegroom is the son of Mr. and Mrs. George Claggett of Upper Marlboro, Md.

Miss Cindy Slayton attended her sister as maid of honor. Mrs. Donna Singletary and Mrs. Joy Boland were the bridesmaids. Those attending from out of town were Mr. and Mrs. Claggett from Washington, D. C.

The bride, given in marriage by her father, chose a formal gown of pearl de sole with embroidered Alencon lace, trimmed with tiny seed pearls on the bodice and skirt. A detachable train flowed to chapel length. Her three-tiered veil of imported illusion was held by a forward headpiece of lace petals and seed pearls. She carried a cascade of white mums and carnations.

The groom wore a two-piece dress of beige tuxedo with matching accessories.

A reception was held at the beautiful Garden Club of Sanford. The newlyweds left for a brief honeymoon at Daytona Beach and will reside in Washington, D. C., thereafter.

Spring Fashions Forecast Snug Tops, Swinging Hems
 By HELEN BENESS
 Newspaper Enterprise Press, NEW YORK (NEA) — The "fit" is the newest thing in coats now being shown in the New York fashion collections for Spring 1967. And the raised lines give the spirits as well as the fashions a lift. The look is young and vibrant without any kookiness.

Fabrics used are chiefly gabardine, wool jersey, tulle and wool melton.

Colors are bright and often beautifully teamed. Be navy, taupe, gray and white still hold their own.

Raspberries, lemon, tangerine, orange and lime may sound like an order for the fruit market but these shades will be dotting every avenue on the backs of fashionable women this season.

Combined colors will include the patriotic red white and blue; brown, black and coral; black and white, and brown and navy. Checks from mini to giant wild oxpanes will be much in evidence.

There's a coat style and color for everyone and shopping for it should pose no problem.

UNIFORM CLEARANCE!
 \$3 - \$5 - \$7 - \$9

White only! Shift, dress, 2-pc. styles in misses, junior and half sizes. Easy-care blends of cotton, polyester and nylon. Limited quantity, so be here early!

Pioneer Club Opens 4th Year In Deltona

By MILDRED HANEY
The first club to be organized in Deltona back in 1963 was comprised of the first 100 families to become residents of Deltona. These families were true "pioneers" as they bravely settled into the little area and proceeded to set the wheels rolling and working hard to start Deltona toward becoming a beautiful, prosperous and active community as it is today. Still faithful to each other and its precepts, the members meet each second Monday of the month for a carry-in dinner. As each member brings a very special dish, appreciation is specially given to those who would not miss this meeting for anything. A social hour follows the dinner with a short business meeting which all of the closely knit group thoroughly enjoys.

The youngest member of the club is two-month old Keith Douglas Lovell whose daddy, Doug Lovell, has been elected president for 1967. "Little Doug" is the grandson of Mr. Doug, the grandson of Mr. Doug, the grandson of Mr. Doug, and Mrs. Robert Haney, Mr. and Mrs. "Serg" McQuinley and their five small daughters and young Allen Loutsenheiser, with his mother, father and brother, Jerry and Rick Haney rarely miss a meeting, which testifies that the Pioneer Club is composed of peppy young people in addition to the older retired members.

Officers for 1967 are Lovell, president; Joan Loutsenheiser, secretary; and Ruth Willett, treasurer.

Republicans

Set Election

By JULIA BAETOS
The Seminole County Young Republican Club will elect new officers at the first meeting of the new year to be held at 8 p.m. Thursday at South Seminole Hall.

Plans also will be finalized for the "cross-over" re-registration drive which will be kicked off Saturday at 3 p.m. with a pep rally and bonfire on the Lemrick property at Wynore Drive and Interstate 4. Food and drink will be served. It is requested that only adults attend the rally.

Council Meet

The Seminole County Home-Makers Council will meet at 10 a.m. Thursday at the Agricultural Center with three members of each club attending. Council President Mrs. H. L. Johnson urges all delegates to be present. A covered dish luncheon is planned for the noon hour.

NO HAPPY HELLO...

...is ever quite equal to the warm welcome extended to newcomers by the Welcome Wagon Hostesses. Her smile may be no brighter, her greeting no more cheerful, but she's made the welcome more a work of art than a mere greeting. Complete with a galaxy of gifts and helpful information on schools, churches, shops and community facilities. So when a new neighbor moves in, follow up your happy hello with a Welcome Wagon greeting. A hostess awaits your call!

INSTRUCTING Miss Terri Ward (right) on the two new IBM Key punch Simulator typewriters, which have been purchased for the Seminole County Business School, is Mrs. Lydia Watt, principal.

Business School Sets Registration Monday

Registration for the spring semester at Seminole County Business School, 911 Palmetto Avenue, will begin Monday from 9 a.m. to 3 p.m. for day classes and from 6:30 p.m. for evening classes, Mrs. Lydia Watt, principal, announced.

The school offers a complete business course in both day and night classes. Students may enroll for the complete course or they may register for one or two subjects.

Seminole County Business School is a public school under the direction of the Seminole County Board of Public Instruction and is open to all adults. It is an excellent source of training for those who are interested in obtaining an office job or credit toward a high school diploma, Mrs. Watt points out.

Classes will be taught in business machines, bookkeeping, typing, shorthand, business English, filing, business law, and IBM keypunch.

Instructors at the school are Mrs. Watt, Miss Nancy Gray Davis, Miss Mary George and Miss Susan Castranni. E. S. Douglas is the director of the school.

Price Cut Seen

LAKELAND (AP) - Shoppers for non-advertised Florida orange juice concentrate will get a price break shortly because of a 50-cent drop in the Florida freight-on-board price, says Florida Citrus Mutual.

The F.C.M. price will drop from \$1.75 to \$1.25 per dozen six-ounce cans. The slash stems from problems of concentrate producers faced with handling a record pack from the state's record 142 million-box orange crop.

A Florida Citrus Mutual spokesman said Monday that retail prices of brands not nationally advertised are expected to go down three or four cents to about 15 cents per can, the lowest price since the 1962 citrus freeze.

Brands which do mount expensive advertising programs are more likely to rely on the public image they have created to keep their products moving off store shelves, the spokesman said.

'Mayor' Dunn Sings (2nd) Swan Song

Vermon Dunn appeared before the County Commission Tuesday for what he termed his "swan song, second edition" to register a "final complaint" about the City of Casselberry's annexation practices and to request the City Board to indicate the illegality of the annexation of 17-92 south by Casselberry.

According to Dunn, "A total of 28 needless letters and one telegram to and from all concerned plus a trip to Willwood and one trip to Deltona" should indicate the illegality of the annexation of 17-92 south by Casselberry.

The latest attorney general's opinion apparently again affirmed the legality of the annexation of state roads without prior section approval by the state road department.

Dunn, known as the "mayor of Fern Park," concluded his remarks with this statement: "Now I shall be concerned only with that which specifically affects lot 8, block E, Prairie Lake Park, or if property tax continues to be increased as has been done by the School Board over the past seven years."

In other business, the County Commission: Instructed J. C. Lavender, road superintendent, to check out the need for reflectors at Seminole Ave. at U. S. 17-92 as requested by Ralph Clendenin, president of the Longwood Citizens for Progress Association;

Approved the plan for typing Valley, section 5, subject to approval by the zoning board;

Authorized Commissioner John Fitzpatrick to correspond with the Student Council of Seminole High School to determine if the group would like to assist the county as it had the City of Sanford with replacing damaged street signs;

Approved for recording the plan of Eastbrook Subdivision, Unit 12;

Agreed to issue a dredging permit to James Harvey on Lake Harvey following report from the engineer that the dredging will not interfere with drainage or create any new problems;

Voted to enlarge a pond on lot 1 of the Thonikee Ingaldi property in the Sandhills area and to place the spill wall taken out of the pond on lots 2 and 3 of Ingaldi's property and in addition to accept lot 1;

Released the maintenance bonds on the curbs in Lincoln Heights;

Authorized four or five loads of clay to be placed on the ball field at Ovidio school.

A Vital Force

The Seminole County Chamber of Commerce will be starting its annual drive for new members during the next few weeks.

Our chamber has been in existence for many years and has played a vital role in the development of the community.

The size and importance of the role played each year by the chamber depends entirely on the support it gets from merchants and businessmen as well as from individuals in every walk of life.

Chamber activity and accomplishment can be limited by those who fail to support the organization with both their finances and their energies.

Those who pose the question, "What has the chamber done?" can find the answer in another question — "What contribution have I made to further the purposes of the chamber?"

Each year at this time the chamber launches its membership drive. DeWitt Mathews, president, has set a goal that if accomplished could really "boom" our membership.

In a statement to the Herald last week, Mathews said "the Seminole chamber has been a moving force in this community for many, many years. Its accomplishments have been many, but its greatest challenge lies ahead."

The central Florida area, in the years ahead, will strengthen its position as the hub of Florida's greatest growth. If the Seminole area is to share in the benefits of this growth, we must have

strong organizations — such as our chamber of commerce — to provide the necessary leadership.

"The chamber will need energetic committees capable of meeting the challenges. And we cannot organize these committees until pledges of membership and requested committee assignments are received.

"There is a great job to be done if the needed support is forthcoming. I urge all present chamber members to renew memberships as soon as possible and invite all non-members to contact the chamber office for the desired information.

"Our committee assignments should be completed by the end of the month. With the cooperation of all business and professional men and women we will meet both our membership goal and the great challenge of the year ahead."

In support of Mathews' statements, we urge that membership letters be answered as soon as possible so that the chamber's plans for 1967 can begin to take shape.

Thought For Today

As in water face answers to face, so the mind of man reflects the man. — Proverbs 27:19.

Iron rusts from disuse, stagnant water loses its purity and in cold weather becomes frozen; even so does inaction sap the vigors of the mind. — Leonardo da Vinci, Italian painter and scientist.

Bruce Blossat — Ray Cromley

Political Notebook

TOKYO (NEA)—It was the middle of the morning shift in a transistor factory near Tokyo. In one section of a factory production room, seven Japanese girls recently from farms were grouped—talking, giggling, asking questions.

Their work tables stood idle. They weren't talking about boys, or clothes or make-up. They were getting an explanation of new assembly jobs and discussing them.

Another group of four girls in the next room were discussing a new production technique the company was putting into effect. Other groups of girls were working at their benches as though these discussions were not going on.

These scenes were at the big Sony plant in a suburb near Tokyo. Sony is the Japanese company that has made a worldwide reputation with small precision-made television and radio sets, tape recorders and other electronic products.

This idea of getting the workers in on things—making them feel a part of the operation—is one of Sony's major secrets.

Sony takes girls from poor farm areas, gives them jobs in clean efficient plants. Girl supervisors, up from the ranks themselves, take particular pains to build the confidence of the girls.

Sony gives the girls a chance to improve their education at night. Nine out of 10 girls spend three hours a day in the classroom after their regular working shifts.

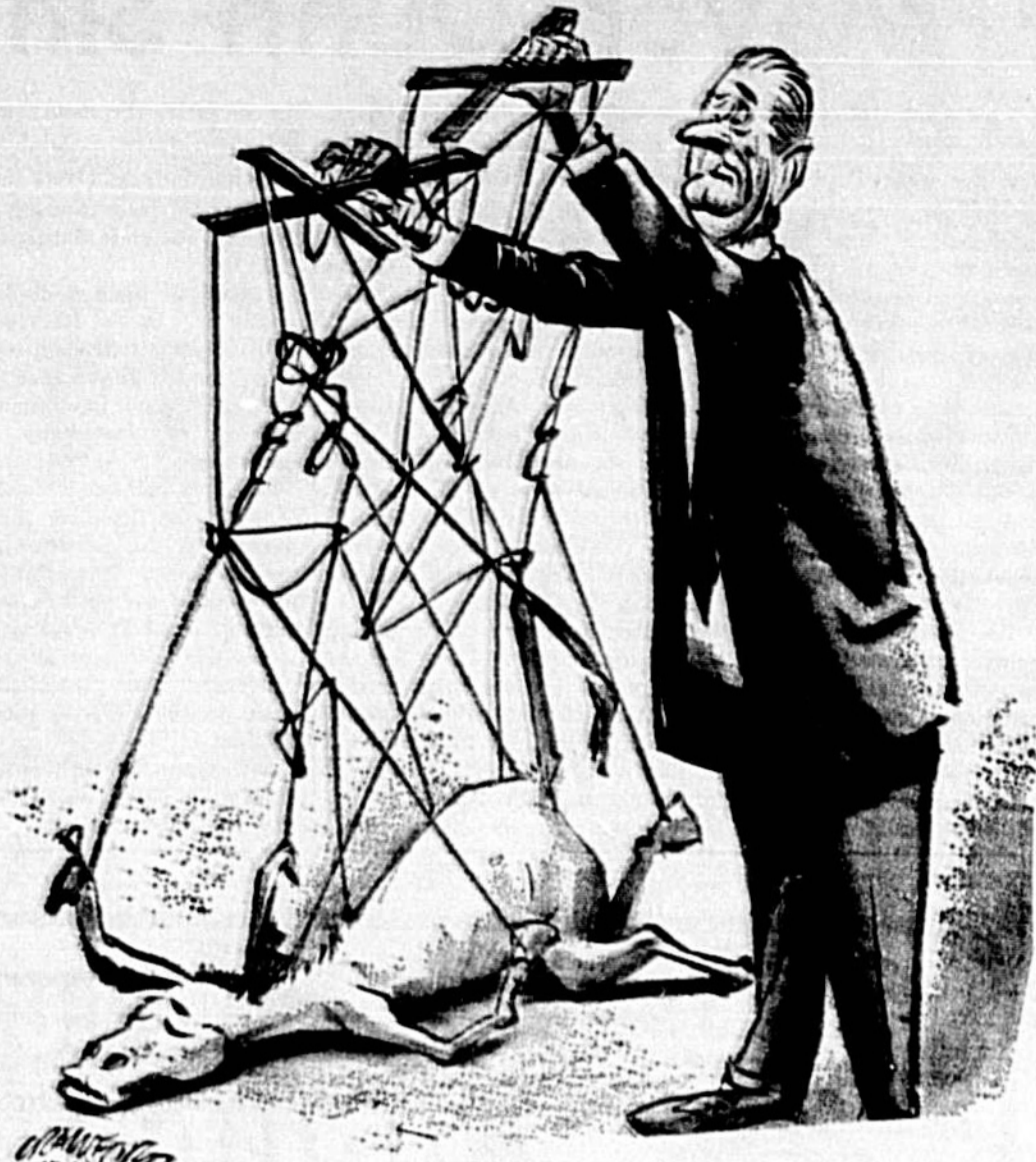

The girls are given food and lodging above the average that is very inexpensive rates. They're offered low-cost vacation trips.

But most of all, Sony makes these young girls, many of whom are with Sony by the time they're 16, feel a part of this famous enterprise.

Sony's reputation, Sony's precision and Sony's research for improving its products are their reputation, their precision and their research.

As a result, these girls put everything they have into their extra-hour jobs. They take in a large job requiring long hours of endless high-precision work.

Still a Few Bugs in the Act

James Marlow

Analysis Of The News

WASHINGTON (AP)—A year passes. The questions and answers about Vietnam begin again. The same voices speak. They sound sometimes like an end record with the needle stuck — nothing has changed much.

That is, nothing has changed much in the arguments or the ones making them. There have been changes.

The United States has more troops in Vietnam, about 392,000 now to about 180,000 a year ago. More than 6,630 U.S. military men have been killed in Vietnam since 1961, over 2,600 of them in the last year.

In fact, more American military men have been killed in Vietnam than in the Revolutionary War, the War of 1812, the Mexican War, or the Spanish-American War.

And the longer the war the more the damage to President Johnson's popularity and the greater the number of his critics. The war itself looks no nearer an end than it did this last year.

But the talking goes on. Like the bombing of North Vietnam. Behind closed doors Monday Secretary of State Dean Rusk spent four hours testifying about the war before the Senate Foreign Relations Committee whose chairman, Sen. J. W.

Hughes said, peace can come very quickly.

One year ago he said if the armed attack against South Vietnam is brought to an end, peace can come very quickly.

Thus the position of the Johnson administration is what it was a year ago, just as there is nothing of Fulbright's view in 1967 that seems different from his view in 1966.

The North Vietnamese in recent weeks have let some American newsmen visit them and talk with their top officials. At one time they might sound more inclined to talk peace than another but then again they don't.

So, apparently the position of North Vietnam has not changed. It continues to ignore the American position that if it wants the bombing stopped it must give evidence it will stop its attack on South Vietnam.

The priceless, second line spoken in this country for and against the war. At the rate things are going there will be another wordy debate this year.

Yet such Business Schools have often been taken for granted and even rated below Liberal Arts, Medical, Dental and other colleges in social status.

What a sad mistake! For it is our super American business system that has made possible all those other colleges!

It is we not for the fact that business men have given us such a high standard of living, with high wages and big earnings, where would we find the money to support churches, endow the Liberal Arts colleges.

The Great Bazaar in Istanbul, Turkey, has four miles of streets and alleys.

Did you ever hear of a Business School that was promoting Communism or Socialism? Or wangling federal aid for practical research on such cockeyed topics as "The love life of the gold fish" or "How a new baby upsets the orderly household routine?"

Our wars have all been won by our superb business and industrial leadership, too!

So let's polish the halo over night schoolers that business beats even law, medicine and Liberal Arts at insuring our Republic with its "free enterprise" system!

Dr. Crane's Worry Clinic

Need Dr. Rev. for it is time we began to polish the "image" of our Business Schools. For the business has furnished the funds for all other types of colleges! Plus the gifts for churches, Red Cross, Scouts, United Fund and other philanthropies. And Business Schools do not produce beatniks or Communists!

CASE B-38: Dr. Kenneth B. Hoyt is Professor of Education at the University of Iowa.

Recently he addressed a national convention of Business Schools.

And he lauded the students of Business Schools, as evidence of what he termed "The Vanishing American."

For he said his analysis of 2,116 such students revealed that they demonstrated 8 striking qualities of our study programs, namely:

(1) Strong independent spirit; (2) Self-confidence in reaching their goals; (3) Persistence.

The private Business Schools thus merit far more respect and newspaper support since they do not ask for a penny of taxes.

And they do not have campus riots by beatniks or subversives.

Yet such Business Schools have often been taken for granted and even rated below Liberal Arts, Medical, Dental and other colleges in social status.

What a sad mistake! For it is our super American business system that has made possible all those other colleges!

It is we not for the fact that business men have given us such a high standard of living, with high wages and big earnings, where would we find the money to support churches, endow the Liberal Arts colleges.

The Great Bazaar in Istanbul, Turkey, has four miles of streets and alleys.

Did you ever hear of a Business School that was promoting Communism or Socialism? Or wangling federal aid for practical research on such cockeyed topics as "The love life of the gold fish" or "How a new baby upsets the orderly household routine?"

Our wars have all been won by our superb business and industrial leadership, too!

So let's polish the halo over night schoolers that business beats even law, medicine and Liberal Arts at insuring our Republic with its "free enterprise" system!

Hal Boyle Says:

NEW YORK (AP)—A glance at the calendar reminds me that next month I'll be 56 years old. What other blows can mankind take and still endure? The prospect of being 56 inevitably inflicts philosophic thoughts on a fellow.

Reacting that age may be a yellow victory, but it is not a victory. A majority of the human beings who have termed the earth never live to be 56.

Once you go beyond 56 you are getting into winter territory. You have an instinctive feeling that there's frost ahead. It hits you somewhere inside like the blow of a mammoth hammer.

You have to face up to the fact that in many ways you are definitely over the hill. This has a glad as well as a sad side. It is pleasant to know that you are still young enough to run for the presidency. If you can't try should call you, but too old to have to run for a post in the local P.T.A.

There are other erosions and compensations at 56. You no longer have to read the morale messages the boss pins up on the company bulletin board.

The doctor has a pretty definite idea what's wrong with you, and you know pretty well what's wrong with him. You enjoy exchanging symptoms.

If you donate a pint to the office blood bank, everybody tells you that you are a hero — something you've known for a long time.

Not for Florida!

A million Floridians have discovered a safer, cleaner, easier, cheaper, flameless way to heat (and cool) their homes... Electric REVERSE-CYCLER conditioning.

One small, compact unit heats in winter, cools in summer. Costs so little more than straight cooling, the heating feature is almost like getting a house heater free. No fumes, soot, odors. No fuss, mess, bother. Just dial year 'round automatic comfort. A cleaner, happier, more healthful home for your family this winter, next spring, next summer, next fall. See your electric air conditioning contractor or appliance dealer today!
