Breach Of Training Sends Church And King To America

BERLIN, July 30.—(P)—Two members of the United States Ulympic boxing beam, feather-weight Joe J. Church of Batavis, N. Y. and Howell King, negro heavyweight from Detroit, were removed from the squad yesterday, The baxers sailed from home aboard the ES, Manhattan from Hamburg, leaving behind them conflicting reports as to why they were dismissed.

Avery Brundage, president 'of the American Olympic committee, said "the boys broke training rules and Roy Davis, manager of the boxing team, advised me to send them home. Brundage refused to e aborate.

Davis said, however, that the boys, were suffering from home-sickness and their mental atti-tude so endangered the morale of the boxing squad that they had to be sent home." Later, Brundage admitted that

Wins Feature At Saratoga Start

SARATOGA, N. Y., July 20. —(P) Historic Saratoga opened its summer meeting triumphantly yesterday as 10,000 spectators watched the famous silks of Alfred G. Vanderbilt and DeWitt Page, Bristol, Conn., sportsman, car-ried to victory in the headline attractions of the - program.

Maedic, speedy brown son Bostonian-Little Fire, made a show out of his field to bring the black and white racing livery of Stable Owner Page to victory in the Flash Stakes over 5 1-2 furlongs, as the Vanderbilt entry of Swiftplay and Savage finished sec-ond and third.

In the second feature, Van-derbilt's fleet-footed fully, Good Gamble, outfooted a small field of five starters to win the tenth running of the American Legion beating the heavily backed Sation by a half length, with Cycle finishing third.

Maedic won the sixty-sec ond running of the Flash Stakes, worth \$3,250 to the winner, as he and his jockey, Eddie Litzenberger pleased sering his fourth and most notable victory in 17 starts. Under the alert Litzenberger, he broke from the barrier like a shot, put daylight between himself and his field and won in a breeze by four lengths in the creditable time of 1:06 3-5. Heavily backed at the last minute, Maedic

paid off at only 13 to 5. Massie Leaves To

Facts About Ourselves

In 1916 the last year before the United States became involved in the World War, the federal government spent \$741,997,000 on all its operations and debt requirements, and collected enough in taxes to provide a surplus of something in excess of 40 million dollars, Promptly with our entry into the war, government expenditures began to climb until in 1917 they amounted to more than two billion dollars, in 1918 they were 13 billion dollars, will in "don't knows", so perfectly want real loss at real wages!

The Editor,

Samford Herald.

The Hartline letter in year issue they will be with some the money to but! The people do not want doles or to work on fool-some thind with "don't knows", so perfectly want real loss at real wages!

The Unsuppoyed Army is in-himself but others are foolish or creasing!

and in 1919 they were nearly 19 billion dollars,

As a result of these huge necessary government expenditures, tremendous deficits were incurred which had to be fimanced by the sale of government bonds. We all remember the Liberty Loan drives in which patriotic citizens lent their cash to the government to pay for the costs of war. As a consequence of these borrowings the costs of war. As a consequence of these borrowings the federal debt began to climb. In 1916 it was only \$1,225, 000,000. But by the end of 1919 it had reached an all time high of \$25,482,034,000.

Following the war a reduction in government are specific as the bar something that sounds like the Townsend Plan on his mind is likely. He,

Following the war a reduction in government expenditures accompanied by high taxation with resulting cifically what he wants us to do surpluses, reduced the federal debt. By 1921 expenditures had been cut to \$4,468,000,000, and there was a surplus of over half a billion dollars. Further reductions in plus of over half a billion dollars. Further reductions in something like 130,000 sudoons in And! Do either the Democratic

plus of over half a billion dollars. Further reductions in somethabs like 120,000 subons in only \$2,464,000,000 to pay all the operating expenses and the trequirements of our national government.

As a consequence of these economies, the federal debt was steadily reduced. By 1922 it had been call the particular of the reduced only \$2,500,000 like's that for imparts the payer since, we have summingstored the payer since, and throughout this entire payer of the collections had not exceeded \$4,174,000,000 a year with a great strain placed on the federal government. In that year since, the payer since 131 have seen a terrific financial strain placed on the federal government debt. Since the payer since the federal government debt has reached the highest and the debt has reached the highest and the payer since that the payer since that the payer since that the payer since that the payer since the payer possible question. The study of this book will make an ergor to payer possible question. The study of this control that the payer possible question is a since the payer possible question. The privilege of payer of the payer possible payer of the payer of the payer possible question the payer of the payer possible question the payer of the payer possible payer resched the point of a series age to approximately three billion dollars. The years since 1931 have seen a ter-

In these last six years of the depression the federal government has borrowed \$17,593,000,000, which, wided to what the government already owed, makes a total federal debt of \$33,778,543,493.78. In addition to this it owes for the canal to the Indian several billion dollars of government guaranteed Home Owners loan bonds, farm mortgage bonds, and other contigent liabilities which make a grand total of \$38,521,-938.578, or an increase of 138 percent in six years.

Since 38 billion dollars is an incomprehensible figure to most of us, it should be added that this sum represents If he had decided to run for more money by twelve billion dollars than all the expenditures of our government during the first 127 years of its The struggle for the other Senders best between Cariton and by borrowings, were \$37,749,000,000, which represents an expenditure at the rate of two dollars for every one withdrawn or been disqual- collected by taxation

The station is to be located on construction of a United States the inlet cut through the island and Coast Guard station here which, will face both on the inlet channel

NOTICE TO OWNERS OF REAL ESTATE AND PERSONAL PROPERTY

Lands upon which the 1935 taxes have not been paid, and upon which no State Tax Certificates are outstanding for the year 1932 or subsequent years, will be sold for taxes on August 3, 1936, in accordance with list published in Sanford Herald in issues of July 2, 9, 16 and 23rd. Pursuant to this sale Tax Sale Certificates will be issued, and these certificates are first liens superior to all other liens against such property. Such tax sale certificates draw interest at the rate of 18' for the first year, 10% for the 2nd year, and 8', for each subsequent year until redeemed. This same rate applies whether the certificates are purchased by individuals, or in case no sale is made to individuals the certificates are issued to the State Treasurer. The owner of the property has two years in which to redeem the property before a tax deed can be issued. All redemptions are handled through the office of the Clerk of Circuit Court, and all tax deeds issued by the same official.
PERSONAL PROPERTY TAXES

Notices are being mailed to those against whom personal property taxes are assessed and not paid, these taxes must be paid on or before the date of tax sale, August 3, 1936 otherwise executions will be issued and collection made by levy and sale. The lawprovides that all taxes assessed upon personal property, from the date of such assessment, shall have all the force and effect of a judgment and execution at law against the owner of such property.

HEHREF CASTS DOUBT ON WOLLNER'S ALIEI

Casting doubt on the alibi affered by Mark Wellner, concert violinist questioned in the staying of Helen Clevenger at Asheville, N. C. Sheriff Laurence Brown said he had eight witnesses disputing it. Wellner said he spent the night of the murder at the family home, (right below) of Mildred Ward, where he stayed, Miss Ward (left below) supported the alibi. The two women at upper left, however, effered contradictory evidence. Miss Lavada Whitaker (left) said she saw Wellner arrive here at 6:30 s. m., and Mrs. Roy Balley (right) said she saw him leave the house a few hours later. Charles English (upper right) a waiter, said Wellner came into the cafe is which he works at 8 s. m. following the night of the slaying.

It was recalled, however, was the star of the last game, that the New, Orleans sportsman driving in five runs with a homer and former assistant accretion. tleipation if the games were to ce held in Germany. Brundage, pres-ident of the American Olympic Committee and leader in the fight for participation, was suggested as Jahncke's successor by William May Garland of Los Angeles, another member of the International Committee.

Meanwhile, the odds lengthened on Japan's hitherto we l-regarded prospects of winning the 1940 games as a result of a Finnish appeal to return the games to "Spartan simplicity."

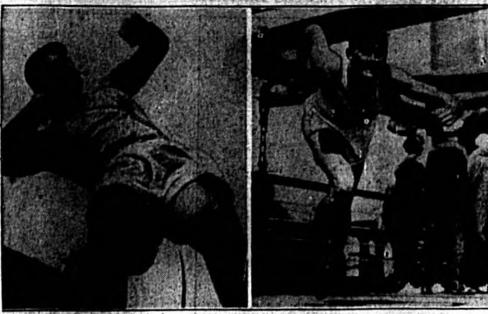

Despite Tokyo's effer to subskilize the transportation of foreign athletes to the extent of a mi-lion and a half yen (about \$485,-000), it looked like a close battle of ballots. The Finns claimed between 30 and 35 votes, sufficient for a majority, but there was every prospect of much jockeying for position overnight and a close vote today.

Stars And Stripes, Won't Dip To Hitler

BERLIN, July 31—(P)—The Stars and Stripes will not be dipped in salute to Adolf Ritler when the 'American delegation passes the reviewing stand in the opening Olympic parade Saturday. Avery T. Brundage, president of the American Olympic Association, called in German reporters vesterday and saked wide publicity as the following statement:

"According to United States Army regulations, the American Cag may never be dipped. There-

THEY WORKED WHILE ELEANOR MADE MERRY

Eleanor Helm Jarrett, by her own admission, had a gay time at drinking parties aboard the liner Manhattan en route to the Olympic games in Berlin—but not her fellow-team mates, Jack Torrance, the glant shot putter from Siton Rouge, La., and Spec Towns, the sensational hurdler from the University of Georgia. These pictures indicate the southern boys tock advantage of the sea voyage for some serious work-outs. At the left we see Jack diligently keeping in trim in mid-ocean. And on the right is Spec maing the ship's deck for a track. These pictures were made at sea and rushed to this country on the record-breaking Queen Mary. (Associated Press Photos)
