The Power Of The Supreme Court

The Supreme Court and the Constitution of the United States have come upon evil days. It is contemplated that the Constitution will remain unchanged throughout the ages. The necessity for a flexible instrument was clearly foreseen by the founding fathers and adequate provision was made for its amendment. Repeatedly it has been amended to adjust it to the needs of the times.

"SHARING WEALTH"

An editorial in the New York Times says the development of the "sharing wealth" plan to tax more heavily the rich is a step toward the goal of a more equitable distribution of income. It is a step toward the goal of a more equitable distribution of income.
