## FIVE AMERICAN WARSHIPS QUIT MANILA AREA

### Shocking Of Tension In Far Eastern Crisis Seen As Reason For Withdrawals

WASHINGTON, Mar. 12.—(A.P.)—Six guns on the Shanghai front, leaving American troops and property in a tense precarious state, yesterday led to withdrawal of five United States vessels from the Chinese port.

Under orders of Admiral M. M. Taylor, commander in chief of the Asiatic fleet, the ships were sent to Manila and Chinese ports away from the Shanghai zone.

The withdrawal was described as "in view of the eased situation at Shanghai."

The destroyers Boris, John D. Ford and Peary were sent to Manila. The destroyers Pope and Truxtun have departed for Swatow, 700 miles south, and Changkiang, 130 miles up the Yangtze River, respectively. The destroyer Pillsbury has sailed for Manila from Amoy, 500 miles down the coast from Shanghai.

American warships remaining at Shanghai are the cruiser Houston, the destroyer tender Black Hawk, the destroyers Paul Jones, Smith Thompson and Stewart, the mine sweeper Finch and the transport Chamont.

The latter transported the 31st Infantry from the Philippines to Shanghai when the danger there was at its height and will be available again when it is needed.

## CHILD'S PARENTS

Mr. and Mrs. Charles A. Lindbergh, the world's most famous couple, pictured shortly before the tragic kidnaping of their 20-month-old son nearly two weeks ago. Despite the passage of days which bring no definite word as to the condition of her child, Mrs. Lindbergh is said to be tearing up well under the strain.

## Floating Bars Off Shore Hit By Bill Passed By Senate

WASHINGTON, Mar. 12.—(A.P.)—Gambling and drinking aboard ships anchored beyond the three-mile limit were the target of a bill passed by the Senate yesterday.

Without debate, it approved a measure by Senator Johnson of California, directing the secretary of commerce to refuse permits to small vessels engaged in carrying passengers to ships on the high seas engaged in any business of operation prohibited by law. The measure now goes to the House.

Meanwhile the bill was pending before a Senate commerce committee to break up the practice of "straw to nowhere," another method which has been used to evade liquor and other laws.

Johnson said his measure was primarily aimed at ships used for gambling purposes off Long Beach, Calif., but its terms were general in nature.

"It recommends the legislation, the Bureau of Navigation said it would amend the laws of the California and Florida ports, particularly the regulation of the practice, the Bureau said, has proved difficult because the barges anchored outside the three-mile limit do not come within the provisions of the navigation laws and the small transport vessels claim to carry passengers without compensation."

## HOOVER ELATED OVER WORK FOR STIRRING MONEY

### Spurs On Anti-Boarding Campaign To Exert More Efforts

WASHINGTON, Mar. 12.—(A.P.)—Optimistic over the money-raiding results of the national anti-boarding campaign, President Hoover yesterday sprang it on with a hope that it will continue until the last hidden dollar is returned to work.

The President reported that 1395 communities throughout the nation already have been organized in this work and that new organizations are being created daily.

Although no other figures were quoted, he declared the drive had proved its worth and was definitely contributing to the "flexibility of fear and apprehension and to the restoration of confidence."

## Wind, Rain Halt Races Scheduled For Today

High winds, choppy waves, and rain caused a postponement until Monday of the boat races scheduled for today at Lake Monroe in this city.

More than 50 drivers, officials of the Florida Motorboat Association, and members of the Sanford Boat Club waiting until nearly 5:00 o'clock before deciding that racing was impossible. The decision came as a result of drivers and officials who after they had waited until the suspension of racing, and the men were out of the water, the boat races were held during the afternoon.

The postponement of the races was announced by the race officials who were at the club house in the city.

## Sanford Men Defeated In Speaking Contest

Appearing in the final elimination for the Northern Division, Florida Power and Light Co. public speaking contest at Daytona Beach last night, W. A. Stansfield won second, and Major W. J. Doyle won third place. Both are employed at the Lake Monroe station.

Last week ago, in the district elimination contest, even before from Daytona Beach on the subject "The Relation of Government to Business," Major Doyle won first place, Mr. Stansfield won second place and Bill Wade won third place.

Last night Major Doyle and Mr. Stansfield competed against six other district winners for the right to enter the state elimination contest at West Palm Beach next week. E. H. Damm, of the St. Augustine office won first place last night.

## Wet Talk Is Revived Again Among G. O. P.'s

### Speculation Is Heard Over Whether Arid Plank Will Be Included In Platform

WASHINGTON, Mar. 12.—(A.P.)—Speculation over a possible wet plank in the Republican national platform was revived yesterday among eastern Republicans while Democrats centered their attention on the Smith-Roosevelt embargo in Massachusetts.

The wet talk started again after Senator Kean and Barbour had laid before President Hoover the recommendation of the New Jersey Republicans for a repeal plank. Hoover made no comment. Both senators said afterward it was time the party took some stand for a change.

A formal letter conveying the recommendation outlined recent action of the New Jersey Republican state committee in urging a wet plank and endorsing the President for renomination. Barbour said it was presented at the request of the Republican state chairman.

Later, at the capitol, Kean calling attention to a recent poll showing a sentiment of five to one for repeal in New Jersey and added: "This indicates that serious consideration should be given by the Republican national convention to the wishes of the voters of New Jersey."

Barbour said: "I feel very strongly that the time has come when the Republican party should take a clear-cut and courageous stand with regard to prohibition."

(Continued on Page Three)

## 20 Irishmen Freed From Prison With Valera's Election

DUBLIN, Mar. 12.—(A.P.)—The gates of three Irish prisons opened yesterday for 20 Irishmen who were serving long jail sentences for political offenses and who became free men thanks to the change in government with the election of Eamon de Valera as president.

A crowd of many thousands outside Arbour Hill prison cheered wildly as 17 men appeared at the portals.

Automobiles, adorned with large tricolors, carried signs reading: "Welcome home, Republican prisoners." The prisoners were taken to a hotel for a public reception.

George Gilmore, one of the men released, was sentenced to five years several months ago in the connection with the discovery of a dump of guns.

Friends, cheering loudly, lifted him to their shoulders and bled him away.

Another of the men released was Frank Ryan, editor of "The Republic," who was under sentence for three months for contempt of court.

Two prisoners were released from Maryboro prison and one from Mountjoy. It was expected others would be released within a few days.

Release of the prisoners took place before de Valera had been in office 24 hours and apparently as a result of his first act.

## Good Report Is Made On City Water Supply

State Board of Health officials, who test city wells throughout the state periodically, reported to City Clerk F. S. Lamson today that Sanford water is very good as to bacterial and sanitary quality.

Samples were taken from both the well at the municipal plant. One well is 150, the other 155 feet deep. The Board of Health statement is as follows:

"From a knowledge of the source of the supply, its handling and treatment, and the analytical data of the samples as submitted, we would say that the bacterial or sanitary quality of the water is very good."

## Sanford Men Defeated In Speaking Contest

Appearing in the final elimination for the Northern Division, Florida Power and Light Co. public speaking contest at Daytona Beach last night, W. A. Stansfield won second, and Major W. J. Doyle won third place. Both are employed at the Lake Monroe station.

## Germans Stand Upon Eve Of Voting Crisis

BERLIN, Mar. 12.—(A.P.)—Republican Germany stood at the crossroads today as nearly 30,000,000 voters pondered which road to take. Down one road lay to Communism akin to that of Soviet Russia, on another to the right, the sign pointed to Adolf Hitler's camp of Fascism, a third way the road to the nationalists swayed backward toward the old monarchy, on the fourth road stood the totalitarian former warlord, now President Von Hindenburg, making re-election with a promise to maintain moderation at the public throughout the nation. Tomorrow was looked upon as one of the most decisive days in German history.

## COUPLE FOUND DEAD

FORT LAUDERDALE, Mar. 12.—(A.P.)—The bodies of Vernon Ferris, beautician parlor operator, and Harold Nebe, post-office clerk, were found shot to death in a back pit near the cemetery today. Authorities expressed the belief that Nebe shot the woman and then ended his own life. They applied for a marriage license yesterday.

## WOMAN'S CLUB AIDS DRIVE

Mrs. W. T. Langley, president of the Sanford Woman's Club is pictured above spending a "Seminoles County Earned Dollar" at Stoddard's Grocery on First Street last Tuesday morning. In this manner she officially sanctioned the Seminole County Chamber of Commerce's March drive to have all dollars spent at home, and indicated that the Woman's Club will back the movement in every manner.

## JURY DELIBERATES FOR OVER 1 HOUR BEFORE RENDERING ITS VERDICT OF NOT GUILTY

ARCADIA, Mar. 12.—(A.P.)—William Raymond Carver was acquitted by a circuit court jury here yesterday of a charge that he murdered his wife, baby son and a negro servant in an insurance money plot two years ago.

The jury deliberated one hour and five minutes before returning its verdict a few minutes past 5 o'clock.

The tired look that came into Carver's face in the last days of the trial that started Mar. 2 faded as the verdict was announced and relatives and spectators applauded and showered him with handshakes and congratulations.

The jury's verdict was acceptance of Carver's defense that his wife and baby were killed by a negro servant and that he killed the negro when he discovered the crime. The woman and child were beaten to death with a hatchet and the negro was shot at the Carver home in Sebring Apr. 2, 1930.

This was Carver's second trial. He was convicted at his first trial in Sebring, shortly after the triple slaying, and sentenced to life imprisonment when a jury (Continued on Page Five)

## Grounds Around Zoo Will Be Beautified

Through the courtesy of the Central Garden Club, the already attractive grounds surrounding the Central Garden Club will be further improved by the old well, bucket, and fence which was a feature of the Central Garden Club at the recent Flower Show.

This authentic replica of an old well, with its vine-covered roof and hand-powered system of securing water, will be erected by women of the Circle in appreciation of the courtesies extended them by the Sanford City Commission on numerous occasions.

Mayor T. L. Dumas and members of the Commission have expressed their appreciation of the gift, and through Mr. K. S. Dutton, chairman, Mrs. S. O. Chase, Jr., vice-chairman, and Mrs. Francis Holt, secretary and treasurer, have acknowledged their thanks.

## RECEIVERS OF F. E. C. RAILWAY ASK FUNDS

WASHINGTON, Mar. 12.—(A.P.)—Receivers for the Florida East Coast Railway today asked the Interstate Commerce Commission to approve a Reconstruction Finance Corporation loan of \$10,000,000 for the purpose of financing the road.

The loan would be given as security. The commission was asked to pay off equipment trust certificates and \$10,000,000 to meet interest payments.

## HOWEVER THEY PROMISE TO TREAT CONFIDENTIAL ANY INFORMATION GIVEN TO THEM

HOPEWELL, Mar. 12.—(A.P.)—Police investigating the kidnaping of the Lindbergh baby, promised to treat confidentially any information coming to them from any source, but this does not mean they promise immunity to the kidnapers themselves, it was officially announced today.

Disclosure that a circular has been sent to every police headquarters in the country appealing for information and promising secrecy led to the interpretation in some quarters that in effect immunity was being extended to the criminals. This was flatly denied by Colonel Norman Schwarzkopf, superintendent of state police who in general is in charge of the case at the Lindbergh home.

The nearest possible thing to a promise of immunity is Lindbergh's own appeal to the kidnapers in which he promised to meet their terms and maintain complete secrecy if they return his child.

Numerous officials including the governor have said it is impossible to make a promise of immunity which in effect would be to declare the crime legal.

The eleventh day of the mystery found the police trying to check their suspicions of five men and a plot they surmised the five had said a kidnap scheme last November but it was abandoned and whether it was meant as a warning and carried through was the question authorities were trying to determine.

There is no such thing as a return of the kidnapers to the public eye, it was announced. Traveling on the full plane of the Lindbergh case, Charles Augustus Lindbergh, Jr. yesterday as police sharply restricted announcements regarding the official investigation.

This desire to figure in a case commanding international attention was subject to a variety of interpretations as attempt to win public gratitude for the reward on an assignment of effort in return of the kidnapped child.

In the Lindbergh case it was pointed out that inquiry concerning other illicit activities have faced new obstacles as a consequence of the intensive manhunt that began a week ago last Tuesday night when the baby steals a ride off with the famous fillet's son.

Suspicious tracks and automobiles (Continued on Page Three)

## SIX YOUTHS ARE RESCUED FROM RAGING ATLANTIC

NORFOLK, Va., Mar. 12.—(A.P.)—Six youths, including Richard DuPont, son of A. Felix DuPont of Wilmington, Delaware, were rescued from a water logged auxiliary yawl Naama, 100 miles off Diamond shoals yesterday by the army transport Republic.

This will land them at Cristobal, Panama Canal zone, unless arrangements are made to transfer them to another vessel.

Besides Richard DuPont, who was master of the Naama, others on board included his cousin, Victor DuPont Townsend and Thomas Laffey, of Wilmington, and Lloyd Coates and Benjamin McFarlane, of Philadelphia.

News of the rescue came just as orders had been sent to the cutter Budnor and several other coast guard craft and airplanes to search the coast for the Naama which had been unreported for several days.

No news was received yesterday from the patrol boat CG-21, missing since it was last seen from Cape May, N. J., last Sunday night. Five coast guard cutters and several destroyers are searching for the missing craft and today a fleet of airplanes from coast guard base at Cape May will join the hunt.

The coal laden barge Deepwater has been missing since last Sunday and no word has been received here concerning her possible fate. This vessel which was abandoned by the tug Mars after the latter craft had made futile efforts to rescue her crew, was last seen off Parramore bank buoy about 30 miles north of Cape Charles.

She was anchored in that position by the Mars Sunday afternoon while a terrific northeaster was sweeping the coast. The Mars was badly damaged by the storm and was forced to seek shelter. The tug returned to sea Monday afternoon to pick up the barge but the latter craft had disappeared. The Mars later put in at Norfolk with her stern badly damaged and her pilot house crushed in. There are five men on the Deepwater, all of Philadelphia.

## HOOPER ELATED OVER WORK FOR STIRRING MONEY

WASHINGTON, Mar. 12.—(A.P.)—Optimistic over the money-raiding results of the national anti-boarding campaign, President Hoover yesterday sprang it on with a hope that it will continue until the last hidden dollar is returned to work.

The President reported that 1395 communities throughout the nation already have been organized in this work and that new organizations are being created daily.

Although no other figures were quoted, he declared the drive had proved its worth and was definitely contributing to the "flexibility of fear and apprehension and to the restoration of confidence."

"The campaign has already produced positive and useful results," he said, "as reflected in the increase of money returned to circulation, the increase of bank deposits, and the purchase of government certificates from money which has hitherto been in hoarding."

As an illustration, the President made public a letter from the chamber of commerce of the little Pennsylvania town of Curwensville.

In terse phrases the letter described how the town's entire population—300 persons in all—had been rallied to combat the hoarding of currency. It said:

## CITY WATER WILL BE CUT OFF TWO HOURS

Sanford home owners and business houses will be without water tonight starting at 11:00 o'clock, and continuing for a period of no more than two hours.

Necessary repairs to one of the oldest water mains in this city, at First Street and French Avenue will be made by a large City crew starting at that hour. An indefinite period has been allotted the crew to complete the repair, with City Clerk Lamson declaring that it may take 15 minutes, but not more than two hours.

## WILLIAMS, GUTHRIE TO APPEAR AGAIN ON AIR

Mrs. Gladys M. Williams and Miss Carmen Guthrie, Sanford musicians, who scored a hit in their radio debut over Station WDBO, Orlando, last Monday night, have been engaged to give another 15-minute concert of popular songs next Monday night, starting at 7:45 o'clock.

Mrs. Williams, a member of the faculty at Seminole High School, will introduce several songs over the air, while Miss Guthrie will again play a number of original transcriptions of popular songs.

## Few Cases Of Law Violation In Court

Cases of law-violation appearing for trial in the offices of County Judge James G. Shanon and Justice of the Peace O. P. Heaton during the week were few.

Judge Shanon handled three cases, as follows: He fined W. A. Underwood, white man, charged with driving an automobile while drunk, \$250, and suspended \$150 of the fine upon promise of good behavior; he fined Isaiah Russell \$5 and costs after Russell had pleaded guilty to being drunk, and he fined Joe Thomas \$5 and costs after Thomas had pleaded guilty to assault and battery.

Justice Heaton handled the following cases: He dismissed O. L. Floyd and Oscar Lamb, who had been arrested for stepping a car on a highway; he ordered warrants issued for John Thomas, charged with murder, and Esau Thomas charged with assault; and he fined Henry Grant \$5 and costs for operating an automobile with an improper tag.

## WOMAN'S CLUB AIDS DRIVE

Mrs. W. T. Langley, president of the Sanford Woman's Club is pictured above spending a "Seminoles County Earned Dollar" at Stoddard's Grocery on First Street last Tuesday morning. In this manner she officially sanctioned the Seminole County Chamber of Commerce's March drive to have all dollars spent at home, and indicated that the Woman's Club will back the movement in every manner.

## Police Can't Grant Immunity To Group Of Lindy Kidnapers

Another Cold Wave Sweeping Over South

ATLANTA, Mar. 12.—(A.P.)—Snow lifted down over North Georgia today and winter was reluctant to relinquish its last minute reign elsewhere in the South. It was a little warmer than two days ago when low temperatures for the season were recorded from Virginia to the Gulf but the cold still held sway and only a slight immediate moderation was forecast.

Heavy damage to fruits and crops was reported throughout the South. Continued cold or colder weather was predicted for every state in Dixie tonight. There were prospects of slowly rising temperatures tomorrow, however, in parts of Texas, Oklahoma, and Arkansas. Only a few temperatures below the freezing mark were reported in the South today but snow in numerous sections heralded a new advance of the cold wave.

## Ford Is Denounced By Communists At Meeting In Detroit

DETROIT, Mar. 12.—(A.P.)—Five thousand persons packed the Arena Gardens last night for a meeting avowedly sponsored by communists and heard speakers demand "the trial and conviction of Henry Ford for committing murder of our comrades."

Other speakers, none of whom were identified, urged the "immediate abolition" of Frank Murphy as mayor of Detroit and establishment of a soviet government in the United States.

The meeting, in a building on the edge of the business district, was called after Monday's riot in front of the Ford Motor company's plant in Dearborn in which four unemployment marchers were killed.

Most of the 5000 spectators in the hall and the 1000 who gathered outside, unable to gain admittance, apparently were curiosity seekers. Young girls circulated through the crowd distributing red and black badges.

One hundred policemen were on hand and others were held in reserve against trouble which had not developed several hours after the meeting started.

Earlier in the day Roger N. Baldwin, director of the American Civil Liberties union, had announced he intends to take Henry Ford into court in connection with damage suits to be based on the riot casualties.

The legal proceedings, Baldwin said, will be based on an attack on the constitutionality of the Michigan law which provides for charges against persons who kill officers during riots but does not contain a ground for action against officers who may kill rioters.

## HOOPER ELATED OVER WORK FOR STIRRING MONEY

WASHINGTON, Mar. 12.—(A.P.)—Optimistic over the money-raiding results of the national anti-boarding campaign, President Hoover yesterday sprang it on with a hope that it will continue until the last hidden dollar is returned to work.

The President reported that 1395 communities throughout the nation already have been organized in this work and that new organizations are being created daily.

Although no other figures were quoted, he declared the drive had proved its worth and was definitely contributing to the "flexibility of fear and apprehension and to the restoration of confidence."

As an illustration, the President made public a letter from the chamber of commerce of the little Pennsylvania town of Curwensville.

In terse phrases the letter described how the town's entire population—300 persons in all—had been rallied to combat the hoarding of currency. It said:

(Continued on Page Three)

## Hoover Is Assured Of Ohio Delegation At Chicago Confab

COLUMBUS, Ohio, Mar. 12.—(A.P.)—President Hoover was assured Ohio's 55 delegates to the Chicago convention last night as the lists for entering candidates in the May primary closed at 6:30 o'clock without a single opposition delegate candidate being placed in the field against the slate pledged to him.

Gov. George White, Ohio's "favorite son" candidate for the Democratic presidential nomination, did not fare so well, as a few opposition delegates were placed in the field against the slate pledged to him.

He was assured the eight delegate votes at large, however, as no opposition was entered there.

Three Republican candidates were entered for the Ohio presidential preference vote. But this does not carry with it any delegates. The entrants were former United States Senator Joseph T. France of Maryland, Mayor Frank S. Conroy of Massillon, of "Conroy's army" fame, and Olin J. Ross, a Columbus attorney.

William E. Murray, governor of Oklahoma, is certain of winning the state's Democratic presidential vote for president. He was the only name entered on the Democratic ticket.

## CAUSES NERVOUSNESS

HAMILTON, N. Y., Mar. 12.—(A.P.)—Dr. Donald A. Latta, Colgate university, finds that nervousness of school children during this time is due partly to the lack of sleep and partly to the fact that they are unable to get their minds off the news of the Lindbergh kidnaping.

## HOUSE APPROVAL OF TAX MEASURE BEING PREDICTED

WASHINGTON, Mar. 12.—(A.P.)—Recovering somewhat from the first heavy blast of opposition evoked by the new tax bill, party leaders yesterday confidently predicted House approval without extensive change.

Despite the determination of a band of independents and Democrats to remove the manufacturers' sales tax, the leaders asserted they could force it to passage by a non-partisan vote.

White House approval of the \$1,096,000,000 measure, as it is predicted by Representative Stoll of New York, Republican floor leader.

Both he and Representative Rainey of Illinois, the Democratic leader, asserted the bill would meet House sanction because the opposition had nothing as good to offer as the manufacturers levy. They said the sales tax provision was more equitable than any substitute proposition suggested.

In the other hand Representative Laguardia, Republican, New York, a leader of the independents predicted the sales levy would be stricken from the bill. He said "the entire progressive group" was against it and would offer a substitute plan of heavy excise taxes.

(Continued on Page Three)

## RECEIVERS OF F. E. C. RAILWAY ASK FUNDS

WASHINGTON, Mar. 12.—(A.P.)—Receivers for the Florida East Coast Railway today asked the Interstate Commerce Commission to approve a Reconstruction Finance Corporation loan of \$10,000,000 for the purpose of financing the road.

The loan would be given as security. The commission was asked to pay off equipment trust certificates and \$10,000,000 to meet interest payments.

## WOMAN'S CLUB AIDS DRIVE

Mrs. W. T. Langley, president of the Sanford Woman's Club is pictured above spending a "Seminoles County Earned Dollar" at Stoddard's Grocery on First Street last Tuesday morning. In this manner she officially sanctioned the Seminole County Chamber of Commerce's March drive to have all dollars spent at home, and indicated that the Woman's Club will back the movement in every manner.

ANY NEW TAXES TO AFFECT AVERAGE CITIZEN

WASHINGTON, Mar. 11.—The average citizen will contribute \$1,000,000 a year to the government under the tax bill through automobile, oil furnace, telephone and telegraph messages, brew, movies, prize fights, purchase of stocks.

The largest collection, \$300,000, will come from pleasure-seekers who attend motion pictures, prize fights, football games, wrestling matches, the opera and all other "places of amusement" to which admission is charged.

The present 10 per cent levy will be increased perhaps five-fold by imposing it on all admissions of 25 cents and over. At present it applies only to admissions of more than \$5.

A new section of law is added to the constitution to all wrestling matches and prize fights, even when they are for charitable, religious or educational benefits, and also written that all college university athletic games and exhibitions, including those put on by the naval and military academies, will bear this burden.

ANNIE RUSSELL, ROLLO PETERS TO TAKEPLAY LEADS

Rollins Theater Dedication To Feature Two Noted Actors

WINTER PARK, Mar. 11.—After an absence of 13 years, Annie Russell will return to the stage on Mar. 29 in a new theater bearing her name on the Rollins College campus.

The vehicle for Miss Russell's return to activity in her profession is Robert Browning's poetic drama "In a Balcony." Miss Russell will take the part of the queen, Rollo Peters, star of numerous Broadway productions, will be cast as Norbert, and Mary Hone, also a professional, will assume the role of Constance.

Miss Russell, who has accepted President Hamilton Holt's invitation to become the director of the Annie Russell Theater, is taking particular care that nothing amorphous creep into the details of production. Besides recruiting an all-professional cast for her return to the footlights, she is taking personal charge of the scenic designs and the lighting, and to assist in the stage management she has called to her staff Miss Dorothy Lockhart, former personal representative of Norman Bel Geddes.

No commercial implications whatever are involved. In Miss Russell's return to the stage, it is announced, she has repeatedly refused offers from New York producers and managers to return to the commercial theater. Rather, she has preferred to remain in retirement, a condition which she has kept absolutely until a few months ago when Mrs. Bok offered to build a theater in her honor.

Celery Market Reports

By Courtesy U. S. Dept. of Agriculture and the Florida State Marketing Bureau, E. E. Surry, Sanford, Fla.

Sanford, Florida, Mar. 11, 1932 Friday. Celery shipments to Celery in the United States for Thursday, Mar. 10, 1932. Florida 11, N. Calif. 2, Calif. 1, B. Calif. 1. Total—152.

Potomac Yaris, 2 cars passed, South York 2, Philadelphia 4, Pittsburg 3, Baltimore 2, Boston 2, 1 each to Newark, Washington, Syracuse, Buffalo, Schenectady, Oneville, Portland. None held for re-shipment.

AN OPPORTUNITY TO "PASS ALONG THE TORCH" to the young dramatists in the Rollins College Players Workshop attracted her and from now on she is to devote her life to the training of these students. But she does not intend to confine herself merely to the role of an "advisory director" or a "fill-in" or a "guest producer."

DELEGATES FOR SMITH BOSTON, Mar. 11.—(A.P.)—A complete slate of 12 candidates for delegates at large from Massachusetts to the Democratic national convention are pledged to the support of Alfred Smith for President. It was announced today by Frank Donahue, Democratic state chairman.

SHOT TAX PROPOSED

WASHINGTON, Mar. 11.—(A.P.)—A tax of one cent on every shotgun shell to be used in cope with the depletion of American game, was proposed yesterday by William C. Adams, chairman of the American game conference.

The only engagements of consequence fought in Florida during the Civil War were at Natural Bridge, near Marianna, and at Olustee, in Baker county. The Confederate victory at Olustee resulted in confining the Federal forces to the fringes of Florida throughout the conflict.

INDIGESTION Take a Pinch of Black-Draught After Meals

Black-Draught is a powerful laxative and is the only one that acts on the stomach as well as the bowels. It is the only one that does not irritate the stomach and is the only one that does not produce the habit of laxation.

G. E. McKay, superintendent.  
Leagues, 6:30 P. M.  
Prayer meeting Wednesday, 7:30 P. M.

**PAOLA**  
R. B. TRUE  
The Wilson School P. T. A. held regular meeting at the school building Thursday and elected the following officers: President, Mrs. E. S. Knight, vice-president, John Fox; secretary, Mrs. Videt Jones; treasurer, Robert E. True; Historian, Mrs. Robert E. True; program committee, John Fox, Miss Hazel Belleck, and Mrs. R. C. Folta; membership committee, Mrs. Tiller, Mrs. Hanson and Mrs. B. T. Tiller.  
Mrs. Carl Herzberger and son, of Dayton, Ohio, arrived last week to join her husband who has been visiting his parents since last December. Mr. and Mrs. Herzberger expect to make their home here.  
Mr. and Mrs. Mosley and family, of Raleigh, spent Saturday with their relatives, Mr. and Mrs. R. O. Gnan and family at Markham.  
L. P. Johnson and E. S. Knight and daughter, Lois, attended the Methodist Episcopal Church Conference Mar. 6 at Benson Springs.  
Miss Elouise Douglas celebrated her seventh birthday with a party on Monday afternoon at 5:30 o'clock. Games and refreshments were enjoyed during the afternoon.  
Mrs. H. W. Blocker, who has been a resident of Paola for several months, returned to Georgia where she will make her home.  
The following children were on the honor roll of the Wilson School: Ruth Spivey, Corinne Thompson, Bertha Johnson, Jennima Denmark, Evelyn Spivey, Margaret Jammes, Hazel Smith, Natalie True, and Horace Thomas.  
W. B. Douglas and family of Waycross, Ga., came to Markham Mar. 5 and are visiting Mr. and Mrs. Whitley.  
Mrs. J. J. Smith, of Paola, was

called to Paola by the illness of her mother.  
Rev. R. Higgins, pastor of the Wesleyan Methodist Church at Paola, has changed the time of the Sunday School from 10 A. M. to 8:30 P. M.  
The Lake Mary Chamber of Commerce sponsored a party Wednesday night in honor of Mr. and Mrs. Frank Evans, who are making a short visit here.  
The party began with a banquet supper at 6:30 which was attended by one hundred and ten friends of Mr. and Mrs. Evans. The tables were arranged in the form of a horseshoe and were decorated with callendulas, snapdragons and a bouquet of roses and fern at Mrs. Evans' table.  
Short talks were made during the evening by Judge James G. Sharon, B. F. Haines, of Altamonte, T. W. Lawton, Fred R. Wilson, John Fox, George DeCottes and E. A. Douglas. Mr. and Mrs. Evans then responded to the welcome given them by their friends. Mr. Evans predicted a bright future for Lake Mary and Seminole County.  
The Lake Mary Chamber of Commerce Orchestra, furnished music during the supper, after which the following program was presented: reading, Natalie True; vocal solo, Miss Ethel Hyostaine; piano solo, Miss Elizabeth Lundquist; song and tap dance, Dorothy Lawson; aerobatic dance, Mary Miller; song, Marion Haynes; toe dance, Margaret Murff.  
J. A. Anderson, then entertained by playing the fiddle accompanied by Frank Evans at the piano.  
Games and dancing were enjoyed until a late hour.  
The committee in charge was P. D. Anderson, Mrs. J. M. Thompson, Mrs. E. L. Wagg and Mrs. Robert E. True.  
Egypt, Arabia and India are in the same latitude as Florida.

**LAKE MONROE**  
Mrs. S. H. HUGHANAN  
Mrs. Stella Arrington, primary supervisor of Sanford and principal of the South Side Primary School, was the principal speaker at the regular monthly meeting of the Parent-Teachers' Association Tuesday evening.  
Mrs. Arrington chose as her subject, "The Healthy Mind" and pointed out the necessity of the good mental health of the child, if he wished to attain the best results in his school life and expected to enjoy a full measure of success and happiness in his later years.  
The speaker also stressed the importance of a state of good mental health in the parent and teacher and showed how high-strung nerves, resulting at times from the tension of our daily lives—often from petty jealousies, hatreds, and so on—reacted upon the mental condition of the child.  
Mrs. Arrington quoted at intervals from Dr. Bellinger and Angelo Patti, two widely-known child psychologists. She also interspersed her talk with many concrete examples of unhealthy minds in parent and child that had fallen under her observation, and how such cases had been met and the difficulties adjusted.  
Mrs. Arrington's talk was both stimulating and inspirational, and absent parents missed a good opportunity to hear a study in child psychology which was not only interesting but beneficial from the standpoint of its being really worth while in every sense of the word.  
Mrs. John Ogletby has returned from a visit to West Palm Beach. Mrs. Connell, who has been visiting her daughter, Mrs. J. T.

Mrs. Fannie Brown has returned to Tampa after a short visit to Mr. and Mrs. G. M. Herritt.  
A little girl was born to Mr. and Mrs. John Gibson, Wednesday, and died the same night. The infant was buried Thursday afternoon.  
The following relatives have been called here by the serious illness of C. L. EYD, of West First Street: Mr. and Mrs. A. G. Robbins, Kathleen, Mrs. Lizzie Hardin, Ed Byrd and R. B. Byrd, of Ferndale, Fla.  
Miss Alma Griffin and Glen Richardson were married at Sanford Monday. The bride is a daughter of A. G. Griffin, of Sanford. The groom is a son of Troy Richardson, of Monroe.  
Albert Tucker, who has made his home with his grandmother, Mrs. Spivey, for the past year, is now staying with relatives at Sanford.  
Miss Hildred Allen is attending business college at Sanford.  
**FILM FOLK TO WED**  
LOS ANGELES, Mar. 12. — (A.P.)—Joan Bennett, movie actress, of the well known stage and screen family, and Gene Markey, screen writer, applied for a marriage license yesterday and said they will be married probably next Wednesday. Miss Bennett gave her age as 22 and Markey said he was 30.  
**BOYCOTT IS LAUNCHED**  
MENA, Ark., Mar. 12.—A boycott against California products, aimed as a protest against the imprisonment of Tom Mooney and Warren K. Billings, has been invoked in this town.  
Graceville, Jackson County, annually ships more watermelons than any other point in the world.

**STATES TOURNAMENT**  
From Race Track Placed At \$50,000  
MIAMI, Mar. 12. — (A.P.)—Chairman R. B. Burdine of the Florida racing commission announced yesterday that state revenue from the operation of two horse racing and three dog racing tracks in Dade county this year would exceed \$500,000.  
The state's three percent share of money wagered at the tracks and 15 percent on all admissions will be divided equally among the 37 counties of Florida after expenses of the racing commission are deducted.  
Burdine said Hialeah Park track would make up approximately \$200,000 of the amount to go to the state. Of this, he said, revenue from pari-mutuel wagers would be about \$185,000, more than \$6,000,000 having passed through the huge Australian totalizer that handled all bets made at the track.  
The Biscayne Kennel club, which closed its season several weeks ago, paid approximately \$70,000 into state coffers. Tropical Park horse track and the tracks of the Miami Beach and West Flagler Kennel clubs have yet to finish their seasons.  
This year is the first the state has benefited from racing in Florida. A law passed by the 1931 legislature, over the veto of Governor Carlton, legalized racing and pari-mutual systems of wagering. An incorrect report last week said \$430,000 revenue would be paid by Hialeah Park.  
The first commercial airplane service in the United States on regular schedule was established between St. Petersburg and Tampa.

CITRUS LEADER TELLS OF FACTS ABOUT INDUSTRY

States Deeper Problem in Faced Today Than 4 Years Ago

TAMPA, Mar. 12.—Citrus growers' season of the Florida Citrus Industry Conference, held at the... States Deeper Problem in Faced Today Than 4 Years Ago

CARVER GIVEN ACQUITTAL ON MURDER COUNT

(Continued From Page One)

recommended mercy. An appeal to the supreme court first was denied by four to two vote of the court, but later, on a defense motion for a rehearing by the supreme court, the conviction was set aside by a vote of 3 to 2, and a new trial ordered with a change of venue to DeSoto county, of which Arcadia is the seat.

WETS CONTINUE TO HOLD LEAD IN DIGEST POLLING

Initial Returns From 14 States Show Majority Of 3 To One

The wets continue to poll more than three to one over the dry with initial returns from 14 more states swelling the total vote to over two million in The Literary Digest's national prohibition poll this week, according to figures tabulated in tomorrow's issue of the magazine.

PLANS NEW FLIGHT

BOSTON, Mar. 12.—(AP)—Note C. Brown, whose projected flight from Old Orchard Beach, Maine, to Buenos Aires in the monoplane "Lone Star" two weeks ago ended at the Boston airport, yesterday announced he would make another start Mar. 22.
