NUMBER 58

NEW ROADS AND BRIDGES FOR COUNTY

COMMISSIONERS HELD REGULAR MEETING AND ATTEND TO MANY MATTERS OF IMPORTANCE

Sanford, Fla., June 3, 1919.
Hon. Board of County Commissioners in and for Seminole county, Fla., met in regular session at 10 o'clock a. m. Present: Chairman L. A. Brufley, and Commissioners L. P. Hagan, C. W. Entzinger and E. H. Kilbee, with V. E. Douglass, D. C. and Roy Tillis, D. S. in attendance. Absent, O. P. Swope.

Minutes of last regular meeting, also meeting held May 15th were read and approved.

Mr. Cornwell addressed the board in reference to new road construction, and on motion of L. P. Hagan, seconded by C. W. Entzinger and carried, that this board ask Mr. Cornwell to furnish plans and specifications for roads at no cost or obligation to the county.

J. T. Toon addressed the board in reference to purchase of shell mound at Geneva bridge, and on motion of L. P. Hagan, seconded by C. W. Entzinger and carried, it is decided that county does not care to sell this property.

G. M. Jacobs and others from Chuluota addressed the board in reference to building another dipping vat. No action taken by this board.

Bid of H. L. Haight for one auto truck was opened and this being the only bid, on motion of L. P. Hagan, seconded by C. W. Entzinger and carried, his bid is accepted and clerk instructed to draw warrant for sum of \$1750.00 payable to H. L. Haight.

Bid of M. S. Nelson for opening and clearing right of way on Hester avenue was opened, and on motion of L. P. Hagan, seconded by C. W. Entzinger and carried, this bid is accepted.

Deputy Sheriff bond of E. M. Austin, with Dock Haaty and A. B. Spence as sureties, was approved.

Deputy Sheriff bond of R. W. Austin, with F. L. Miller and G. W. Spence as sureties was approved.

Motion of L. P. Hagan, seconded by E. H. Kilbee, and carried, that this board endorse the action of the Board of County Commissioners of Volusia county, Fla., in reference to their action as to salary of Osteen ferryman.

Notary public bonds of Alma Goertz and Thos. E. Wilson were approved.

Motion of C. W. Entzinger, seconded by L. P. Hagan and carried, Mr. Kilbee is instructed to have bridge over Eonlockhatchee Creek between Geneva and Chuluota repaired - costs not to exceed \$150.00.

Motion of C. W. Entzinger, seconded by E. H. Kilbee and carried, Mr. Hagan is instructed to have Wekiwa river bridge repaired in conjunction with Lake county. Costs not to exceed \$300.00.

Motion of L. P. Hagan, seconded by C. W. Entzinger, and carried clerk is instructed to cash \$1000.00 Liberty Bond, and pay Mr. S. O. Shiholeser for work on court house.

On motion of L. P. Hagan, duly seconded by C. W. Entzinger and carried; this board wishes to thank Mr. W. A. Whitcomb for the use of his men in moving the court house furniture and fixtures into the new building.

There being no bids submitted in re Jessup Drainage District, clerk is instructed to re-advertise same for next regular meeting.

Motion of L. P. Hagan, seconded by C. W. Entzinger and carried, following resolution was adopted:

Whereas, the wooden trestle bridge across the Wekiwa river on the Sanford and Mt. Dora hard surfaced road has to be replaced during the ensuing year on account of deterioration, we, the board of county commissioners of Seminole county, Fla., together with the board of county commissioners of Lake county, Fla., desire to construct a bridge 120 feet long over the main channel of the Wekiwa river and fill in the approaches, and

Whereas the height of the present bridge is greater in our opinion than is necessary to accommodate any navigation there may be on this river, and

Whereas the height of the bridge

LEWIS BUYS FIRST SHARE

In Sanford's New Hotel Construction Company
H. B. Lewis has the distinction of buying Share No. 1 in the Hotel Construction Co., the owners of the new Valdez Hotel. Mr. Lewis has faith in the future of Sanford and backs his faith with his money showing the proper spirit both ways. He is a progressive in every sense of the word and after travelling over the world he chose Sanford as his future home and has invested a large sum in farming lands and city property. Believing in the co-operation of the growers he was active in forming the Sanford Truck Growers, Inc., and bought the first ten shares in that company and is one of the directors and prime movers in the management of same.

Harry is a Buckeye by birth and was a former resident of Defiance, Ohio, but is now a Floridian by adoption and a Florida booster. His father, Dr. Lewis is well known here, having come to this part of Florida many years ago and investing in orange grove property near Geneva and still comes here for his winters.

Vaughn-Stackhouse

At Titusville on June 11th Miss Ruth Vaughan, eldest daughter of Mrs. Jennie Harper Vaughn was married to Mr. H. B. Stackhouse of St. Augustine by Rev. Hays.

The wedding breakfast was served at the Dixie Hotel. The guests present on this occasion were Mrs. Arthur Coleman, sister of the bride, Misses Gladys and Cornelia Smith, Mrs. R. S. Horn and Mr. Ralph Sharpton.

Miss Vaughan is well known here and has many warm friends. Mr. Stackhouse is chief clerk in the East Coast Railway office at New Smyrna, a young man of ability with a future before him. They have the best wishes of all their friends.

Maccabees to Meet

The Maccabees will meet in the Masonic Hall Tuesday afternoon at 4 o'clock.

ACCIDENT AT OSTEEEN FERRY CARS IN RIVER

TRUCK CROWDS AUTO OFF FERRY BOAT THROWING ENTIRE FAMILY INTO EIGHT FEET OF WATER

An accident occurred at the Osteen ferry yesterday afternoon about four o'clock that might have been the cause of five people losing their lives and adding another to the list of the ferry accidents. The boat was approaching the Volusia side and had on board in front a truck belonging to Mr. Vandevord of Mt. Dora and immediately behind the truck was a Maxwell car belonging to Mr. and Mrs. Bonner of Miami who were enroute home from points in Georgia. In the Mathis car were three little children and a negro girl nurse. As the landing was being made Vandevord cranked his truck and unknown to him the truck was in reverse and as it started up it went backward with full force crowding the Maxwell car off the ferry boat and going off with it, both cars going into the river into about 18 feet of water.

The Bonner family were all in the car and the men at the ferry immediately put out a row boat and as the man and his wife and children came to the surface they were pulled into the boat and luckily all of them were able to come to the surface and gain the boat. They were immediately taken to the Seminole side of the ferry and Dr. Robson summoned and they were made as comfortable as possible, all of them being full of water and very ill. The Bonner family had all their baggage strapped on the rear of the car and had nothing to wear until kind friends helped them with dry clothes.

Up to a late hour last night Edward Higgins and his crew of men were busy trying to get out the cars but the work had to be abandoned on account of darkness. The cars will be rescued today if possible.

N. L. Bauman representing the Diamond Rubber Co., of Akron, O., was in the city Tuesday.

CHANGES IN BUSINESS IN SANFORD

FIRMS AND REAL ESTATE ARE CHANGING HANDS LIKE MOVING PICTURE SHOW

Sanford's business houses present a moving picture appearance, these days with the daily changes being made in business firms and locations. It is a healthy movement when local firms are foremost in buying real estate and shows their faith in the future of Sanford. Never before in the memory of the "Oldest Inhabitant" has property changed so quickly in Sanford and the people awake each morning wondering what will happen in real estate next.

Among the recent business changes are the following:

A. E. Yowell has purchased the interests of George Speer in the Yowell-Speer Co. Mr. Yowell will continue the business in the Yowell building. Mr. Speer expects to open a dry goods store in the DeForest building about the first of October.

Simon's Variety Store has moved from the building next to Phillips Drug Store to the Stone Gove Block. Edward Hets will occupy this room with a first class ice cream and cold drink establishment.

Dr. L. R. Phillips has sold his stock of drugs to Bower & Roomillat and it is also rumored that the building will be sold later to the same firm and a new building erected on this corner.

The T. J. Miller building on the opposite corner was sold recently to a trust company and they will erect a new building some time in the near future.

A new moving picture show has started.

A new cigar factory has been established in the Bishop Block and a large factory for the manufacture of jellies and preserves will locate here this fall but as the deal has not been made for the location this cannot be said.

There are many other business changes contemplated, new firms are coming here, new people are here every day looking over the field and First street will soon be a street of mady-brick buildings, some of them being in the sky scraper class.

Sanford at Atlantic Beach
Mrs. T. A. Neal and daughter, Margaret are guests at the Atlantic Beach Hotel. George DeGottier and F. A. W. Brwn are at the DeCottier cottage on the beach. George McLaughlin spent last Sunday at the Atlantic Beach Hotel with his mother.

Atlantic Beach is very popular this summer. Mr. Hammat as the dancing teacher has a large class and is giving some novel features in the new dances. The hotel also has a riding master and a string of horses for gallops over the good roads and on the beach. The dancing pavilion has been beautifully decorated and named the Blue Moon and the young people are enjoying themselves at the dances every night except Monday and on this night the guests have a beach party.

Mrs. Norma McLaughlin has charge of the social affairs, insuring the success of this part of the hotel entertainment.

Miss Vihlen Entertained
Miss Olga Vihlen invited a party of Sanford friends out to her home on Crystal Lake last Thursday afternoon. After a pleasant visit to the Vihlen home the party went to lake and enjoyed a plunge and then were served ice cream and cake, sandwiches and coffee on the lake shore. The party thoroughly enjoyed the hospitality of Miss Vihlen and at the close of the evening voted her a most charming hostess. Those present were Mr. and Mrs. A. J. Lassing and family, Mr. and Mrs. Vihlen and family, Mrs. Lena Lee, Mrs. Vihlen and son, Bernard of Miami.

The Sanford Shoe & Clothing Co. believe in advertising and in all forms of advertising. They have good window displays and have plenty of lights at night to show off these displays. They also believe in newspaper advertising is the best form of advertising.

PRESS MEETS LAKE COUNTY FINE HOSTS

FLORIDA PRESS ASSOCIATION HAS MERRY GO ROUND MEETING IN MANY CITIES

The 1919 session of the Florida Press Association was held in Lake county and all of Lake county assisted in the entertainment of the pencil-pushers. The first session of the meeting was at Leesburg, the city made famous by Gilbert Leach a business meeting on Thursday morning was well attended, at which the mayor of Leesburg welcomed the boys and President Storrs of the Press Association responded. In the afternoon Dr. Hulley, of Stetson University gave a fine address taking as his subject, Eugene Fields and his works and as usual Dr. Hulley gave the audience an hour of solid enjoyment. At night a dance at the Leesburg Armory helped the bunch to get acquainted with the people of that section and those who like to dance had the opportunity with a good floor and good music.

Early Friday morning the editors were taken for a ride over the "Loop of Shady Dells," rightly named and were then transported to the dock on Lake Harris where a steamboat was moored to take them to Eustis. This trip across Lake Harris, through Deep River and on Lake Eustis is one of the finest trips in Florida and was greatly enjoyed by the party. At the Leesburg dock they were met by a party of Eustis boosters ladies and gentlemen, Editor Miller, Mrs. Miller, Elizabeth Miller, Mrs. Carl Ferran, Henry Bishop, W. S. McClelland and Col. Miller, who escorted them over to the dock at Eustis. Here they were taken in cars to Eustis Park where a fine lunch was placed on tables served by the Eustis ladies, fried chicken and other good things in abundance and ice cream cones for dessert.

After lunch the party rode to Mt. Dora where the Mt. Dora Yacht Club served punch and cakes and cigars, and at the club house a boat took them to Tavares to another luncheon and reception. Coming back to Eustis and after lunch at the Grand View the party embarked again according to Clarence Woods on the Island Queen for a trip to Grand Island, made famous as the former home of Senator Igo and this spot had been made into a bit of fairyland by the aid of the electric lanterns and decorations under the skillful hand of Ray Ferran of Eustis. Here on long tables there were several thousand watermelons just off the ice and they were sliced with unregard abandon that bespoke thousands more to be had at the same place. After the melons a quick run was made to Eustis where a dance at the pavilion on the lake front was held in their honor, and after a few hours' sleep at the Grand View Hotel that had been opened especially for them, they were awakened for breakfast and to hear Miss Elizabeth Miller sing and to visit the Lake Region office where Waterman fountain pens were distributed as compliments of the Eustis State Bank of which institution that veteran banker, W. S. McClelland is president. After having their pictures taken the party was taken to Tavares to the Tavares High School where a business meeting was held for the purpose of electing officers for the ensuing year. The election of officers resulted in the following: T. E. Fitzgerald of Daytona was elected president; Gilbert Leach of Leesburg, vice president; Miss Ruby Pierce of West Palm Beach, treasurer, and Walter M. Haynes of Sanford, secretary, the office of historian and statistician being created for Col. T. J. Appleyard, who retired from the secretaryship of the organization to the regret of the members after thirty-four years of service.

Tampa, Jacksonville, Bartow and several other cities contested for the next meeting place but were easily routed by Mrs. Lois K. Mayes of the Pensacola Journal; who incidentally mentioned something about an ally in Pensacola and everybody was for her.

Just before adjournment announcement was made of the award of three prizes offered by the Mergenthaler Linotype Company for excellence in make-up of weekly publica-

SANFORD NOW MEMBER OF STATE LEAGUE

ORGANIZED BASE BALL IN FLORIDA PROMISES GREAT SPORT FOR BALL FANS DURING SUMMER MONTHS

Sanford will be in the Florida State League, this much being decided upon last Friday night at a meeting called for that purpose. The week before when a meeting was called with no announcements the base ball fans of Sanford did not know about it and were not present, consequently when another meeting was called there was no trouble in arranging for a Sanford team and in a short time enough stock was subscribed to assure the backing for the season. Instead of the business men going down into their pockets for an unlimited sum of money as heretofore they will take stock and the limit for the salaries of players will preclude the team running wild and paying fabulous sums for players. Also under the rules of organized base ball if we develop a good player we can sell him to the larger leagues and get real money for him. There are rules and regulations for the league and instead of a disorganized mob the team will be managed in a businesslike manner and at the end of the season there will be no passing of the hat to make up losses occasioned by big salaries and leaks of various kinds.

The following officers will control the destinies of the Sanford Club:
H. R. Stevens, president of the Peoples Bank was elected president of the Sanford Base Ball Club; R. C. Maxwell, another leading citizen secretary, and F. L. Miller, president of the city council was elected treasurer.

The directors are A. B. Wallace, A. E. Yowell, R. C. Bower, L. P. McCuller, Charles Britt, Forrest Lake, A. P. Connelly, Roy Symes and J. G. Ball.

Resolutions
Whereas the Woman's Club of Sanford has always, as far as possible co-operated in all movements for the interest and upbuilding of Sanford and Seminole county, and

Whereas, it is believed that no institution is more necessary to the welfare of our citizens than a good hospital, and should be considered an indispensable part of our city's government to safeguard the health of our residents and to make this possible through the gift of a building and grounds to the city of Sanford;

Therefore, be it resolved by the board of directors of the Woman's Club of Sanford, in session at Sanford this tenth day of June, 1919, that we endorse the city council's action in accepting the most generous and beneficent gift of our townsman and fellow club member, Mrs. George H. Fernald; that we endorse the formation of a Fernald-Laughton Memorial Hospital Association, deeming this the best and wisest method of governing and developing a greatly needed hospital for Seminole county.

Be it further resolved, that we hereby desire to express our appreciation to Mrs. Fernald for her wonderful gift to our city, and extend to her the thanks and gratitude of the board of directors of the Woman's Club for this splendid proof of her deep interest in our community.

And, also,

Be it further resolved, that a copy of these resolutions be sent to the president of the Fernald-Laughton Memorial Hospital Association, to Mrs. George H. Fernald, to the Sanford Herald for publication, and that a copy be spread upon the minutes of the Woman's Club of Sanford.

Elizabeth M. Morgan,
Laura F. Galloway,
Vera W. Bowers,
Committee.

Patriotic Celebration
The Wesley Brotherhood Class of the Methodist church has arranged to have a special service for the purpose of welcoming home the boys who served in the army and navy. This service will be held on the night of July 6th, Sunday. It will be a union service of all churches. All returned soldiers and sailors are invited to this service. The speakers will all be men who have been ever been leveled against the south.

POTASH HIGH IF NEW BILL BECOMES LAW

WOULD RAISE PRICE TO PROTECT HOME PRODUCT BUT MIGHT FARMERS OF SOUTH AND ESPECIALLY OF FLORIDA

Southern congressmen from all the cotton producing sections of the country were today deluged with telegrams of protest from fertilizer manufacturers and others protesting against what appears to be the worst sectional discrimination leveled at that section in years, this being the introduction and consideration of the Fordney bill now before the house ways and means committee which proposes to fix a price for potash for the next two years at \$250 a ton, for the third year and the fourth and fifth years at \$150 a ton.

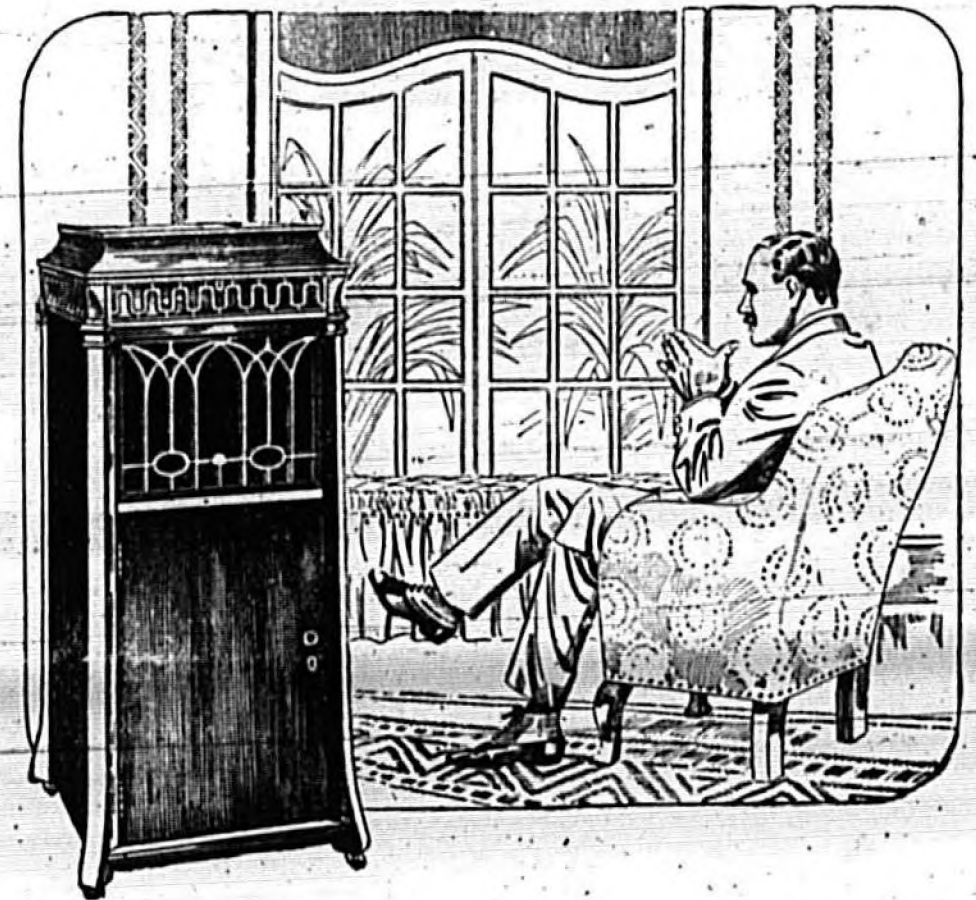

The purpose of this bill is to protect the potash industry started in the west during the war, the claim being that at the end of five years they can compete with imported potash. This action was characterized today by congressmen for Georgia, South Carolina, Louisiana and other cotton states as the height of sectional injustice.

"I cannot conceive of a more iniquitous bill being considered at this time, so far as the great cotton interests of this country are concerned than this Fordney measure," Congressman Lever of South Carolina said.

It is well known that practically all the potash in this country comes from the west while the cotton is made in the south. "If the bill passes after we have made our fight against it, it will mean that there will indirectly be levied a tax of from \$10 to \$12 a bale on cotton, this being the extra cost of the potash used to make the cotton. Our great cotton industry will be seriously crippled if this plan goes through," was the general comment of other southern members. We intend to fight it to a standstill but as the Republicans have a majority in congress they may beat us. If it is one of the most unjust measures which has ever been leveled against the south.

Do You Want To Make an Interest- ing Test?

You are a music lover. Every normal man and woman loves good music. Do you realize what Mr. Edison has lately done for music lovers?

The NEW EDISON

"The Phonograph with a Soul"

Literally Re-Creates the voices of the world's great singers and the performances of the world's great instrumentalists. It gives you all that the ear can give of the art of the world's greatest artists.

By direct comparisons between the instrument and the living artists, the New Edison has earned the right to be called the only instrument which Re-Creates music. The Government has given Mr. Edison the exclusive right to use the word "Re-Creation" as applied to phonographic reproduction of music. These amazing tests between the New Edison and the artists whose voices have been Re-Created

by it were made before two million people by thirty different great artists and are chronicled in the news columns of America's principal newspapers.

These tests are conclusive, but we want you to come to our store and make a test of your own.

CAN YOU FORGET?

Can you come to our store, seat yourself comfortably and forget that you are in a phonograph store? If you are able to do this, we shall give you a very wonderful experience. We shall ask you to take a seat about twenty feet from the New Edison. We shall show you a picture of a great singer for example, Frieda Hempel of the Metropolitan Opera. We shall ask you to recall the last time you heard a great soprano. Perhaps we shall ask you to close your eyes, or turn your back upon the instrument. Then we shall play—no, that is not the word—then Frieda Hempel will sing for

you. Every quality of her glorious voice that has contributed to her world-wide success will be present in the New Edison's Re-Creation. With your eyes closed or your back turned, and with your mind open to the inspiration of the music, you will forget that you are listening to an inanimate object. You will almost feel Frieda Hempel's presence in the room. We want you to make this test. It will give you all the rare sensations that a music lover gets at the opera or concert. It will probably determine you to become the owner of a New Edison, but you will not be urged to buy. Come to our store and say, "I want to test the New Edison."

For a Player-Piano, hear the Pianola, which reproduces the player rolls as the artists played them.

For a Piano, let us demonstrate a Knabe or McPhail Grand, pianos endorsed by the world's greatest artists.

For the very latest in hand played song rolls, and Edison Disc and Amberola Records, come in and select a few from our complete stock.

Try this Powdered Soap Today!

Grandma's Powdered Soap

Saves TIME—Saves WORK—Saves SOAP
Your Grocer Has It!

Just a tablespoonful of GRANDMA, the wonderful powdered soap in the water. That takes the place of all the chipping, slicing and rubbing that you do now whenever you wash or clean. And you save soap. You know just how much to use.

Isn't it simple? What woman would put up with the fuss and bother of bar soap lying around and wasting away, when she can now have this marvelous powdered soap.

COUNTY HAPPENINGS

A BUNCH OF INTERESTING ITEMS FROM CORRESPONDENTS—EVENTS OF SEMINOLE COUNTY—EFFICIENT REPORTERS FOR THE HERALD

GENEVA
Miss Kathryn Flynt was the guest of Miss Ethel Collins at Chuluota for a few days last week.

Misses Edna and Alice Geiger returned to Orlando last Thursday after having spent two weeks here with their parents, Mr. and Mrs. Geo. Geiger.

Miss Corinne Raulerson of Palm Beach is visiting Miss Lois Grant.

V. T. Peters and family and Will Brown and family motored to Daytona last Sunday.

Mrs. C. W. Culppepper is staying in Sanford this week with her little daughter, Louise, who is being treated by Dr. Tolar. We are glad to note she is improving.

Mrs. Aubrey Moran and daughters are spending two weeks with Mrs. Moran's sisters, Mrs. J. E. Ross and Mrs. W. A. Wilsey at Lockhart.

Endor Curlett has recently purchased a "Dodge."

Mr. and Mrs. H. H. Pattishall and Lieut. W. A. Pattishall left last Tuesday for Washington, D. C., where they will visit Misses Blanche

and Georgia Pattishall before going to their summer home in Waynesville, N. C.

D. R. Hauna received a pleasant surprise a few days ago in the form of a check for \$4,592.55 sent him by the Lebanon, Pa., Junk & Lead Mining Co., as his dividend on three shares of stock which he bought over thirty years ago. In some way the company had never been able to do anything before this and he had given up ever hearing from it again, but it seems the great demand for junk and lead during the war renewed the efforts of the company, and this time it was made a paying proposition.

The "Willing Workers" gave a shower in honor of Miss Alice Coffee last Saturday afternoon at the home of their teacher, Mrs. H. H. Pattishall. The house was beautifully decorated with bamboo and cut flowers. At the appointed time a miniature carriage, all in white was drawn up the hallway by Miriam Whitcomb and Charley Dooley. In the carriage were seated little Emily Ruth Tice as driver and Kenneth Harrison

LONGWOOD PICK-UPS
Mr. McGahey's shingle mill will be in operation in a few days and Longwood will be a town of industry a shingle and crate mill.

A. Y. Fuller and family of Orlando were up Sunday looking over the Rand grove that he has recently purchased. Mr. Fuller plans to move his family here later on.

The recent heavy rains have damaged the watermelon crops in this section.

Mr. and Mrs. Bintlue were shopping in Orlando last Tuesday.

Miss Lillian and Adrian Waits spent several days in Orlando with Miss Evelyn Waits.

Mrs. J. N. Searcy and C. B. Searcy were in Orlando on Friday.

Mr. and Mrs. C. W. Entzinger and Mr. and Mrs. Will Satcher were shopping in Orlando on Saturday.

Mrs. Griggs and daughter, Mary of Sanford were calling on friends Monday.

Mr. and Mrs. J. S. Dinkel were in Orlando Saturday.

Mr. Bicknell and J. E. Phipps motored over to Osteen last week to call on Mr. and Mrs. Searle.

Longwood is listening for wedding bells.

Since the weather has been fine Palm Springs is quite a resort.

On Friday Mrs. Maurey and son, Gregory and Miss Edith Rand and Ruth Rand, all of Orlando, and Mrs. J. S. Dinkel spent the day at Palm Springs.

Geo. Laurine and Will Lewis were in Orlando on Saturday.

WEST GENEVA AVENUE
We are having some fine weather now, after so much rain and the roads are getting good again.

We are all glad to know that Mrs. Barney Beck and baby boy are on the rocks again.

Mr. Nicola has been suffering with inflamed eyes but is much better now, so he is able to be out again.

Mrs. George Ballinger is on the sick list this week, but we truly hope she will soon be able to be out again.

Elmer Tyner and Miss Eunice Tyner were calling with Mrs. J. E. Vaughn Sunday evening.

Mr. and Mrs. Johnny Robinson are visiting with home folks again, after spending several months in Georgia with Mrs. Robinson's people and they expect to go back in September where Mr. Robinson is employed in the railroad shops.

It is a hard job to get the cattle to the dipping vat now. They seem to know what they have got to go through with when they get there. We almost have to drag them through it.

Paul Mansfield from Tampa is spending awhile with his aunt, Mrs. J. E. Vaughn.

Mrs. Jack Vaughn was in Sanford Tuesday and made several calls before coming home.

Will Robinson is still busy getting off his tomatoes and sweet corn this week.

The airplanes were passing over Tuesday and we thought one was going to pitch, it came down so low. We all wish there was a good place for them, but owing to the rainy weather we haven't one—too much mud and water.

Well what about the kaiser? What has become of him? Is he still at his old job of sawing wood?

EAST SANFORD
Mr. and Mrs. Irving E. Estridge are happy at the arrival of a daughter, born Sunday, June 15th, and has been given the name of Marian Elizabeth.

Miss Eusta Burgess is here from Wilcox, the guest of her aunt, Mrs. Ross Long and family.

Mrs. Bryan H. Squire and children are leaving Saturday, by boat for their home in Jacksonville. Miss Helen Chorpensing is accompanying them for a visit of some length.

Mr. Cameron and young people made their usual over-Sunday visit at the beach with Mrs. Cameron and other members of the family.

Mr. and Mrs. C. B. Tyler drove their car to Jacksonville Tuesday. Mrs. Tyler will go on to Waynesville, N. C., for the summer.

Mr. and Mrs. C. D. Couch and little daughters are settled in their pretty new home at Lake Onoro.

Mr. Uchida arrived here Monday from Philadelphia, Pa., and is a guest at the Toyama home on Beardall avenue. Mr. Uchida expects to engage in farming and Mrs. Uchida will join him later.

John Warren arrived home Thursday from overseas and is looking fine. John went to France in December, 1917.

J. R. Hayden has bought several hundred head of range cattle of Mr. Leslie of Issimnee. George Mitchell from here assisted in bringing up 500 head last week to the Hayden ranch the other side of Cook's ferry and expects to bring 500 more this week.

Simeon Filip was thankful and happy last week to receive a letter from his mother and daughter in Roumania. He had not heard from them in three years.

Mr. and Mrs. G. C. Chamberlain are here from Daytona Beach for a portion of the week.

WEKIWA ITEMS

John Clery is spending a few days with his family, who moved over to Mr. Coates' place here a few weeks ago.

Little Ruth Rooks of Sanford has been visiting at N. A. Brockaway's.

Miss Eva Boyd was in Sanford shopping Saturday.

The Wekiwa people were pleasantly surprised Tuesday night when Carl Dees stopped off the train. He had just received his discharge at Camp Jackson, having been in the service over a year. He will go to work in Sanford Monday with Mr. Venable.

UPSALA AND GRAPEVILLE

There is talk of a picnic at Belair Lake on the Fourth. We hope if there is one everybody will come and have a jolly time.

Mrs. Bengston returned Friday to the home of her daughter, Mrs. O. Tyner after a short visit with friends in Tampa.

Mrs. Jack Collins and their four interesting children were in Grapeville Sunday afternoon, calling to see Mrs. Ballinger.

We understand Mr. Ericson and family have moved into their new home but it is not quite finished yet.

There was preaching Sunday at the Lutheran church, the minister being entertained by Mr. and Mrs. Magnuson.

Willie Tyner, who has been with Mr. and Mrs. Krell lately was visiting at the home of his uncle Tom on Sunday.

Mrs. Ballinger is out of sorts this week with a bad cold.

We are sorry to learn that Mrs. Beck and little Minnie, Barnwell and Charles are still having a bad time with the mumps.

Only a Sunday or two more for the Sunday school, so let's make the most of them—3 o'clock and room for all.

A Windfall.

The origin of "windfall," in the sense of "good luck," dates from the time of William the Conqueror. It was then a criminal offense to cut timber in the forests. Only such could be gathered as the wind had blown down; hence, a heavy windstorm was hailed by the peasants as so much good luck, and from this comes the modern application of the expression.

3 Big Happenings

During the past several months Sanford has acquired three things that she had to have or should have.

- 1st.** the "HOTEL." Take a peep at the old Welbourne block now. It looks like it has been the victim of an air raid. But in a few months from now it will be one of the most modern and up-to-date hotels in the State.
- 2nd.** our "BASE BALL FRANCHISE." Something that Sanford did not have to have but should have had. We should all be proud of our chances to be represented in organized Base Ball. And from all indications we are going to have a team to be proud of. Let's boost the proposition.
- 3rd.** and last, "but by no means least" Sanford now has a "Gents Clothing Store" that she "HAD TO HAVE." It is now possible for a man to buy something nice, get something good, buy clothing of the very best make and at the same time buy it at prices that are right. That store is our store. If you could see the actual money saving methods and profit sharing ideas which we have worked into our business you would readily understand why so many practical buyers have so frankly expressed their enthusiasm over our place.

NEW TAX BILL

Bill Originated by E. A. Douglass Signed by Governor

After two years of tireless effort, E. A. Douglass, clerk of the circuit for Seminole has at last succeeded in putting through his tax bill which will bring relief to certain property owners who were unable to pay their taxes prior to 1917.

Mr. Douglass has worked hard and faithfully on this bill, which is pronounced by experts on tax matters as the acme of tax legislation. He has made several trips to Tallahassee both during the 1917 session and the session just past in the interests of this bill.

It was signed by the governor on June 9th, but according to Section 7 it is not effective until Jan. 1st, 1920.

The full text of the law follows: Chapter 7806—No. 24.

An Act to provide for the redemption and sale of tax certificates held by the state of Florida, covering lands sold to the state and to prescribe the duties of the clerk of the circuit court in connection therewith.

Enacted by the legislature of the state of Florida:

Section 1. That the clerks of the circuit court of the several counties of the state of Florida are hereby authorized and directed to allow the redemption or purchase, in whole or in part, of any tax certificate or certificates held by the state of Florida issued in the year 1917 and prior thereto upon the payment of the amount of such certificate or certificates or such portion thereof as the part to be redeemed or purchased shall bear to the whole, and the subsequent omitted taxes or taxes that have not been paid, including taxes

for the year in which redemption or purchase is made, if made after the first day of April, with interest on such certificates and on unpaid taxes for the year 1916 and prior thereto at the rate of 8 per cent per annum from the first day of April, 1918; and interest on all unpaid or omitted taxes for the year 1917 and subsequent years at the rate of 25 per cent per annum for the first year and 8 per cent per annum thereafter, beginning with the first day of April next after the year for which such taxes are due.

Section 2. That the clerks of the circuit court of the several counties of the state of Florida are hereby authorized and directed to allow the redemption or purchase, in whole or in part, where the part to be redeemed or purchased can be ascertained by legal and usual subdivision of any and all tax certificates held by the state of Florida that were issued in the year 1918 and subsequent years upon the payment of the amount of such tax certificate, or such portion thereof as the part to be redeemed or purchased shall bear to the whole, with interest thereon from the date of such certificate at the rate of 25 per cent per annum for the first year and 8 per cent per annum thereafter, and the payment of any and all subsequent unpaid or omitted taxes due on the land to be redeemed or purchased, including taxes for the year in which such redemption or purchase is made, if made after the first day of April, with interest thereon at the rate of 25 per cent per annum for the first year and 8 per cent per annum thereafter, beginning with the first day of April next after the year for which such taxes are due.

Section 3. That where there are more than one tax certificates held by the state against the same land, the certificates (except the last certificate) may be redeemed in whole or in part where the part to be redeemed can

be ascertained by legal and subdivision, in the order of their issue, by paying to the clerk of the circuit court of the county wherein the land described in said certificates is located the amount of the certificate to be redeemed shall bear to the whole, and any and all subsequent omitted or unpaid taxes due on said land to be redeemed prior to the year for which the next certificate was issued, with interest on certificate issued in the year 1917 and prior thereto and unpaid or omitted taxes for the year 1916 and prior thereto at the rate of 8 per cent per annum from the first day of April, 1918, and interest on subsequent certificates and unpaid taxes as provided in Section 2 of this Act.

Section 4. That when the face value of any certificate held by the state issued subsequent to the oldest tax certificate held by the state covering any land to be redeemed or purchased is greater than would be the unpaid or omitted taxes for the year for which such subsequent tax certificate was issued, when based on the last assessed valuation against the land, then the unpaid taxes for that year based on the last assessed valuation may be collected in lieu of the amount due on such subsequent certificate and such certificate shall then be cancelled as to such land.

Section 5. That the unpaid or omitted taxes shall be collected upon the basis of the regular valuation placed by the assessor upon the land for the year for which taxes remain unpaid and where no valuation was so placed that the last assessed valuation prior thereto shall be considered the regular valuation; but where the last assessed valuation against any land to be redeemed or purchased is less than the regular valuation then the last valuation shall be used.

Section 6. That the clerks shall receive for their services hereunder the same fees now allowed by law for such services.

Section 7. That none of the provisions of this Act shall go into effect or become operative, in so far as relates to the sale of tax certificates, until January 1, 1920, thereby giving the owner or agent or representative of the owner, or other person acting for the owner, the privilege of redeeming his land under this Act, up to and including Dec. 31, 1919, without any person having the right to purchase the same.

Section 8. That all laws and parts of laws in conflict with the provisions of this Act be and the same are hereby repealed.

Section 9. That this Act shall take effect immediately upon its passage and approval by the governor or upon its becoming a law without such approval.

Approved June 9, 1919:

By-Products.

By-products are substances or results obtained collaterally or incidentally in the operation of a specific process or manufacture of something else. In leading name for food the hides and feathers are by-products; in manufacturing lumber sawdust and shavings are by-products; in the manufacture of gas, coke is a by-product, though not the only one involved in the process.

Japan's Delightful Climate.

Japan is considered, because of its delightful climate, the playground of the East. Residents of other countries of the far East Indies, the Philippines, and the Straits settlements, flock to Japan in the hot summer months to enjoy its mountain resorts. Owing to the large tourist business some of these resorts present all the up-to-date advantages.

Liberty Demands Full Loyalty.

We honor Liberty in name and form. We set up her statue and sound her praises. But we have not yet fully trusted her. And with our growth, so grow her demands. She will have no half service. Lord Macaulay.

Address: C. KENNISON, P. O. Box 505, Orlando, Fla.

KEEP YOUR EYE ON THE HERALD WANT COLUMN

"O-AND-O" BARGAINS

This is our own original way of keeping prices down---and keeping our stock clean. One "O" stands for "Odds and Ends" and the other "O" for "Overstocked." If we had tremendous Clearance Sales we could dispose of odds and ends and overstocked goods, but we have to sell a lot of staple stock at a loss to do it and raise our prices at other times to make up the loss. By putting "O-and-O" tags on merchandise and reducing the price, we clear the "O-and-O's" only, and at the same time keep prices on regular goods down. You don't have to wait until the end of the season to get these "O-and-O" bargains, you can find them every day.

PALM BEACH SUITS---Most of these Suits were Carried Over from last year: We are placing "O-and-O" tickets on these suits to move them quickly. You may find your size, you may not. Come in and Look them Over.

SIZE	PRICE	SIZE	PRICE	SIZE	PRICE	SIZE	PRICE	SIZE	PRICE	SIZE	PRICE	SIZE	PRICE
36	\$15.00	35	\$7.00	34	\$7.00	36	\$ 9.50	32	\$7.00	42	\$6.00	35	\$ 4.00
42	6.00	42	4.00	41	7.50	35	7.00	34	8.00	34	7.00	34	4.00

Sanford never felt any better in her young life than right now.

This city should have a Business Men's League to keep things moving.

While we are building hotels and factories and new homes this summer there will be a few minutes left for baseball.

Sanford has caught the spirit that makes cities and Sanford will grow in spite of everything that comes.

Despatch says the White Guards have captured Krasnoyarsk. This is good news for we are afraid they would not capture that place until after the baseball season is over.

Next time you are in Sanford it is a daily paper. We've often wondered which of the daily Herald and now they are coming almost together.

Mind is after a pure water and water ordinance but the Governor will not be so generous and if possible we should have one.

The Herald was honored at the meeting of the Florida Press Association.

Every knock is a boost for the Association. This position has been held for the past twenty-five years or more by Hon. Thomas Appleyard, but on account of his

forty years at Moorhaven but forty years in harness in this and other states. He is receiving congratulations of the state press and now in the sun-home at "More Heaven" and know more years of service he can retire at the ripe old age of 128.

Bob Holly is going to make his fall. Bob is tired of reading, but will unquestionably find sufficient employment when the daily starts.

Editor Bob Holly of the Sanford Herald announces that his paper will begin a daily in the early fall.

St. Petersburg spent \$20,000 last year in advertising. Orlando \$10,000. East has just subscribed \$4,000.

The troubled souls encountered— does it sweeten with its touch? Or does it more embitter those embittered overmuch? Does love through every handclasp bear sympathy's care? Do those that I have greeted know a newborn hopefulness? Are tolerance and charity the keynote of my song? As I go plodding onward with earth's eager, anxious throng?

My life must touch a million lives in some way ere I go. From this dear world of struggle to the land I do not know. Let my life— help the other lives it touches by the way!

I asked a West Florida man the other day to tell me about the doing of the Florida legislature and he said to ask Finkle and Trice as they covered the newspapers this season. Thus does glory fade away and my two good old friends, Finkle and Trice are maddened through ignorance. But I will bet that Finkle and Trice covered the field all right for they are undoubtedly the best in the profession.

It is passing strange how quickly men change under the mystic spell of an auto. Some of my friends in the olden days could not stand for an automobile and had it in for any one who drove an auto and splashed mud on the proletariat but now I note that some of these ancient objectors to autos have purchased themselves a car and now they are licensed to splash mud on everybody, haul nobody but a car owner, make as much noise and fuss as they please and otherwise disport themselves as true sports and it is "all right," yes, "quite right." All of which brings to my mind the old adage about the ox being good.

Last Saturday was Flag Day and I wonder how many Sanford people really remembered the day and observed it. How prone we are to forget the dear old flag and all that it means in times of peace and times of war. As Rear Admiral Chester commented a year ago when Old Glory was marching into the trenches in France: "It is a matter of significance that the same Amer-

ican paterfamilies who, a few months ago, smiled when his children sang "The Star Spangled Banner," now sings that national anthem with a grim appreciation of a part, at least, of what that banner stands for."

Those who have been in France and returned to America know what Old Glory means as they catch the first sight of the Statue of Liberty. Sometimes I think it takes an enforced absence from our native heath to make us appreciate the joys and blessings of America and the "Star Spangled Banner."

Joe Ball contends that girls are more beautiful in the summer than in the winter. I disagree with him and think he bases his opinion on the fact that in the summer you can see more of them. And he is staying at the beach this summer, too.

Sanford is afflicted with a bad case of "growing pains" and we are being crowded out of our homes by the influx of new people who are coming in by every train. We are playing a great game of "hide and seek" or "pussy wants a corner" just now. For instance I am living in a nice house and some other fellow wants to rent a home but can't find one so he buys my home. I have to move between suns and go and buy my neighbor's home, he gets out just after breakfast, grabs him off a home, buys it, chases another fellow out of bed at night and so it goes day by day. A great game of grab and go and the city of Sanford has growing pains and the only thing that will cure it is about a hundred new homes built right away. I thought maybe I would not build this year, would wait for lumber and other material to come down but bless your heart, Pauline, it is going up every day and the man who makes a contract to build today is saving dollars over the man who waits until next week. And thus have good times struck this city of Sanford and there is such a rattling among the homes as we never had before and believe me they can rattle a whole lot before they fall to pieces. And there are many changes to come yet but we are coming, we are coming.

The Benevolent and Protective Order of Elks are progressive men wherever you find them and Sanford lodge is up to the standard in this respect. A few years ago Sanford lodge, looking ahead twenty years built a beautiful home going into debt for the same. Having an abiding faith in the future they built a modern palace that was a credit to the city. Then the war came on and members left for duty, the patriotic call that all Elks are ready to heed at any time and the lodge did not have sufficient revenue to continue. It was a business proposition to sell the building to Seminole County for a court house and Seminole County obtained a great bargain and now has one of the greatest court houses in the state. The Elks have a building fund and the Elks are not going to sit down and let this money stay on deposit long. Unless I am badly mistaken the Elks will soon start a nice club house on the lake shore. They will probably join hands with some other organization and give Sanford what it needs badly, a club house, auditorium and pavilion on the lake front. This is only a surmise on my part but since most of my dreams have come true there is no reason to doubt this one. I am banking on the fact that Sanford needs this improvement on the lake front and Sanford's new spirit will build this club house and pavilion in time for the tourists to take advantage of it this season. How about it, Bills?

BOY SCOUTS

(Conducted by National Council of the Boy Scouts of America.)

"ALL OUGHT TO BE SCOUTS"

"If I had my way," says Edward Bok, "I would have every boy on his twelfth birthday become a boy scout. I know of no single idea in our modern life that has in it so many possibilities for the development of the best qualities in a boy as the scout idea. "It has been the making of several boys that I know; it has awakened even a larger number. My own boy is a scout, and so I speak from personal experience. "The scout idea fits into these busy days for fathers with particular force, since where the father cannot give as much attention to his boy as in normal times, or is away from home on service, the scoutmaster comes in with his steadying influence in a peculiarly happy way. "The entire fundamental structure of good citizenship lies in the idea: obedience, a respect for authority and himself, consideration for the other fellow, honor, courtesy, and a love of country. Where is there a better secular code than this to instill into a boy of thirteen?"

SCOUTS IN REAL WAR WORK.

The Boy Scouts of America is growing at the rate of 1,200 a day. A regiment of youngsters is being recorded each 24 hours at the national headquarters in New York city. There are now 33,048 of these scouts twelve years old and over.

The reason is that the government has given the boys who are scouts many real things to do to help win the war, and they have found out that as scouts they can have a definite and clearly recognized part to play in the winning of it.

While other boys are simply tossing their hats up or cheering from the "side lines," the Boy Scouts of America is being called upon by the president, the secretary of the treasury, the war department, the food administration and other branches of the government, the Red Cross, the Liberty loan committees and all factors in winning the war.

ASSEMBLY IN THE CAMP.

Scout Routine is Rigidly Observed at the Summer Gatherings.

He's Wise. The Clerk—I cannot live on my salary, sir. The Boss—Ah, then, you must be thinking of marrying. When does the happy event occur?

Qualified. "If we lived in former times this baby of ours, my dear, would have filled an important town position." "What is that?" "Town crier."

Service for All Makes of Batteries

Know Your Battery
Would you buy a car without seeing it—a horse without knowing its age? Then why buy a starting and lighting battery without knowing something about it? USL batteries are best, last longer, give a better start, last longer, it's all in the USL famous metal-chrome plated plates—the plates that last longer than any other battery plates built.

Battery Inspection Day
once a month is marked on the calendars of many wise motorists. They know that an ounce of prevention is cheaper than a battery repair-bill. That's why they visit us regularly. We can recharge and repair any make of battery. Our service is efficient—our charges modest—our work guaranteed.

ELDER SPRINGS WATER

THOMAS D. BAKER, Ph. D.
Analytical and Consulting Chemist. Professional of Natural Science. Emeritus, Rollins College, Florida.
Private Laboratory of Rollins College, Winter Park, Fla., Nov. 25, 1918

Mr. T. O. Charles, Sanford, Fla.
Dear Sir: I have completed careful chemical analysis of the sample of water that you brought me early last week, and have obtained the following results:

Color	Clear	Chlorine	1.75 parts per million
Reaction	Neutral	Total Solids	8.00 parts per million
Free Ammonia	00 parts per million	Hardness	23.03 parts per million
Albuminoid Ammonia	Trace	Trace Nitrites	Trace

The absence practically of free and albuminoid ammonia in this water, and its very small amount of chlorine indicates its excellent quality for household purposes. In addition to the good quality characteristics of superior household water, it possesses special features of much value, especially those of excellent natural aeration and low degree of hardness.

The bacteriological analysis, resulting in an average total count, in four samples of the water, of 3 bacteria per cent, and in finding no colon, or other harmful bacteria, fully confirm its good quality indicated by the CHEMICAL analysis.

Of the many waters of this and other regions that I have analyzed, I have found none superior in all good qualities to that of the "Elder Springs Water."

Yours very respectfully,
(Signed) THOMAS D. BAKER

THE TELEGRAPHERS STRIKE

But Will Not Affect Business in Sanford

Manager Hall of the Western Union office in this city when questioned about the strike of telegraphers gave out the following information:

The Western Union placed this office in Sanford to be kept open solely to serve the general public and as manager I intend to keep it open and give the people the right of having what belongs to them (communication with any part of the world). The sympathetic strike among the "Commercial Telegraphers' Union" has not affected our traffic in the least to Western Union independent offices. The only places affected are where we have the contracts with railroad companies to handle Western Union business and the railroad operators at such stations are arbitrarily refusing to handle any commercial communications.

The Western Union are fully equipped with their regular forces (Assn. Western Union employees in all independent offices to handle the regular traffic.

This association was organized by regular employees of the company in Chicago by two veteran telegraphers in the spring of 1918 and had a membership of 1200 before any Western Union official ever heard of it. President Carlton of the Western Union Telegraph Co. was petitioned for recognition of an association composed of and offered by W. U. employees. Mr. Carlton agreed to this and a convention was called and a constitution and by-laws were drawn up by delegates to that convention elected by employees in every company division, and our organization has a membership today of 40,000 Western Union employees in the United States and Canada.

- Why should we strike?
1. We have an eight hour day.
 2. We get time and a half for over time work.
 3. We get two weeks vacation each year with full pay.
 4. We receive very liberal sick and death benefits, equal in its liberality, in our judgment, to any sick and death benefit plan now in use by any firm or corporation.
 5. We get a square deal. Therefore, what reason have we to strike? NONE!

Ninety per cent of the Western Union employees are sticking and will continue to stick to their jobs.

The public is assured of efficient telegraph service, as a trial of that service now will prove.

J. P. Hall, Manager.

City Council Meets

Council met in regular session. Present, F. L. Miller, chairman; Roy Symes, John Adams, R. A. Newman, L. P. Hagan. Absent, G. F. Smith, Geo. D. Bishop.

Minutes of last meeting read and approved.

Communication from Fire Chief Paxton relative salary. On motion R. A. Newman, seconded by L. P. Hagan and carried, action deferred till next meeting to allow for proper consideration.

On motion L. P. Hagan, seconded by R. A. Newman and carried, assessment of 1917 tax against W 1-3 of Lot 4, Block 9, Chapman & Tucker's addition reduced to \$800.00 valuation.

Mr. T. F. Adams appeared relative securing lighting service from Southern Utilities Co. On motion John Adams, seconded by L. P. Hagan and carried, said company be requested to build line and furnish service to Mr. Adams on French avenue.

On motion R. A. Newman, seconded by L. P. Hagan and carried, sidewalk lien amounting to \$50.40 against Mrs. S. E. Woodruff be cancelled account error.

On motion L. P. Hagan, seconded by John Adams and carried, matter of street or road across lot of Jerry Jones referred to R. A. Newman for report at next meeting.

On motion L. P. Hagan, seconded by John Adams and carried, R. A. Newman was instructed to have six water spigots placed in park.

On motion R. A. Newman, seconded by L. P. Hagan and carried, paving lien against S. O. Shinholser be amended to agree with correct measurements as furnished by city engineer.

ICE COVERED MACHINE

Aviators Had to Keep Chipping It From Radiator Shutter

London is celebrating the achievement of the 120 British airmen, who completed the first non-stop trans-Atlantic flight, meanwhile preparing for a formal reception to the six victors—Capt. John Alcock and Lt. Arthur W. Brown.

Formal examination of the Vickers Vimy bombing type airplane, in which the two men flew 1,850 nautical miles in 16 hours and 12 minutes from St.

Johns, N. F., to Clifden, near Galway, Ireland, has been made by aero club officials, who found the seals intact on the marked parts of the airplane, thus officially establishing the authenticity of the flight.

Meanwhile, the aviators, tired but happy are in London. Both are well, but Lt. Brown, the navigator of the plane, suffered bruises on the nose and face when the machine landed in a bog. The biplane was badly damaged, and may have to be dismantled.

Features of the trip are the carrying of the first serial mail across the Atlantic and the transportation of two mascots; a dog and a cat.

Capt. Alcock, describing his experiences while flying at an altitude of 11,000 feet said:

It was halting and snowing. The machine became covered with ice by 6 o'clock in the morning, and remained so until an hour before we landed. My radiator shutter and water temperature indicator were covered with ice four or five hours. Lt. Brown continually had to climb up in the fuselage to chip off the ice with a knife. The air speed indicator also gave trouble, being full of frozen particles which came out when we descended to a lower altitude an hour before landing.

The aviators said they did not feel hungry during the flight, but were extremely thirsty.

"For a time," Capt. Alcock said, "we spoke to each other through the communication telephones but these broke down after four hours and we had to discard them. Then I had to shout to Lt. Brown: Most 'conversation' consisted in tapping each other on the shoulder and going through the motions of drinking."

As It Seemed to Her.

A small daughter who appeared in the paper hull on the night her mother was giving a dinner party happened in time to catch a glimpse of a handsome woman in a delicate gown. The next morning the first question she asked was: "Who was the pretty lady in the skirt?"

It Doesn't Fetter.

"Just because a man has a fertile brain is no indication that he can raise a lot of hair."

Bad news judiciously distributed has cost the citrus growers of Florida hundreds of thousands of dollars.

The fruit speculators are most judicious distributors of bad news in regard to probable demand and prices for grapefruit and oranges.

About this time of year, as the old almanac weather predictions used to say, they may be expected to start rumors that tend to cause uninformed grove owners to lose faith in the value of their growing crops.

Then in a little while the speculative buyers will move over Florida and cash in on the bad news they have put into cir-

ulation by purchasing fruit on the trees for less than it will be worth at shipping time.

The growers who are members of the Florida Citrus Exchange maintain a sales organization that keeps them posted at all seasons as to conditions in the fruit market and always are in position to get the real facts regarding future prospects.

They invite other growers to join them and save any money heretofore lost through fear stimulated by the bad news the speculators have inspired, the ten years' record of the Florida Citrus Exchange assuring a square deal to all who become affiliated with it.

Join the Florida Citrus Exchange, know the truth and profit by the knowledge. For full information about membership, write, wire, phone or call on
