Full-Scale Tax Reappraisal Made Collins Suspends Tax Assessor Herndon Retires, Gatchel Clerk County To Build New Health Center

County Board Adopts 11 Mill Levy Resident Kills Wife, Two Children County Gets Electronics Plants Harness Racing Track Bid Refused

1959 In Review

The dispute over re-assessment of tax property and plans to build the Circusland tourist attraction stood out among the top news stories of 1959 in Seminole County. The fight to obtain property reevaluation was climaxed Sept. 24 when Tax Assessor Mary Earle Walker was suspended by Gov. LeRoy Collins.

The battle over re-assessment started in January and continued month after month, with 64 stories on Page One of The Herald regarding re-assessment.

The governor appointed Richard McCanna as Mrs. Walker's replacement.

On July 29, the news was across Page One that the County would get the circusland attraction on 250 acres near the Moultrie Drive on U. S. 17-92. Construction on the project is expected to get underway soon, its promoters said.

The year started off on a high note when Heidi N. Sawyer, city finance director and city clerk died Jan. 2 after many years of service.

During the same month, the biggest crime story of the year broke when a quiet spoken engineer hatched by death his wife and two children. The triple slaying was called by Sheriff J. L. Hobbs as the "bloodiest crime in the county's history."

MAYFAIR BURGLARY

February saw the largest burglary pulled off in the county when the Mayfair Inn reported \$18,000 worth of jewels stolen. During that same month, the board of county commissioners agreed to build a \$100,000 county health center to be located in French Ave. Schools came in the spotlight when the school board announced a \$3 million school bond sale and listed nine construction projects, including New Seminole High School to be built near Lake Janaki.

During March, county industry received a boost when Dynatron, an electronics plant, employing some 100 persons, decided to locate on U. S. 17-92.

In April, the integration issue was news when Senator Doug Stenstrom introduced a bill into the Senate to "sell the north of segregation."

April also saw the dedication of a new fire house for Lake Mary.

May, besides bringing showers saw the defeat in the senate of a bill to get a harness racing track in the county.

May also saw another electronics plant move into the county when Dynatron moved to the same area as Dynatron.

June was a quiet month despite the fact the tax issue cropped in head two or three times.

In July, a Winter Park architect's firm recommended that the new courthouse and jail be built and said that the present jail was lacking in security.

Baseball news moved onto the front page as the Sanford Greys, after a miserable season's start, hired its manager and hired Joe Abernathy, who didn't fare.

SCHOOL BID

The same month saw the school board award the bid of J. Hubert Papp to construct a new high school at a cost of \$37,417.

The city came into the news when the commission agreed to start a pollution study of Lake Monroe.

In August, when the highest temperature of the year was recorded in the area at 96 degrees, the school board once again in the news that school enrollment for the fall term would be \$10,434, an increase of 1,000 over the previous year.

That same month a Sanford Naval Air Station pilot, Lt. John Sangster, was killed on a flight over Monro, N. C.

In September the City Commission approved its budget of 196,51 and set the millage at 17.00 cents.

In September the County Commission saw a report from the county agent's office that county citrus would hit its pre-war level of two million boxes and estimate its worth at \$4 million.

SENIATOR VISITS

Senator George Smathers visited the city and promised that Sanford would get a new post office and said that the Sanford Titusville Canal would be completed within a few years.

In October, E. F. Miller reported that the school board would start plans for a junior college once their construction program was out of the way.

In November, the County Commission adopted an 11 mill levy and set the millage at 17.00 cents.

Coach Killed
GREENSBORO, N. C. (UPI)—Murray Gresson, assistant athletic director and former head basketball coach at Wake Forest College, was killed today when his car rammed a bridge. Officers said the 39-year-old Gresson was alone in his car at the time of the accident.

Fire Kills 3
WATERBURY, Conn. (UPI)—A fire blamed on a dried out Christmas tree flashed through a three-family house today and three persons perished. Dead were Julius Papp, 45, and his two sons, David, 8, and Julius Jr., 8. Papp's wife escaped unharmed.

Top Legal Aid
TALLAHASSEE (UPI)—A prominent Jacksonville attorney may be hired to defend 12 Haldorf prison guards indicted by a federal grand jury on charges of brutality to convicts. The governor's office said Thursday Charles Beal of Jacksonville appeared to be the top choice for the state paid job at a probable fee of about \$25,000.

Worker Beaten
SEDA, N. J. (UPI)—William Pflizer, 22, a non-union worker at the struck Wilson & Co. packing plant, was badly beaten by two men Thursday night minutes after getting off work. Pflizer was in critical condition today with a brain concussion. Doctors at a Cedar Rapids hospital said the assailants also knocked out one tooth.

JANES CHRISTMAS LIGHTING AWARD WINNERS received their prizes at the Junior Chamber of Commerce luncheon yesterday. Lighted contest chairman Dave Lamb presents a traveling trophy to Mrs. Harold Kestner, first place winner in the commercial division. Other prize winners looking on from the left, are B. K. Jernigan, first prize winner in the artistic division; Mrs. Eileen Reister, who took first prize in the traditional section; Mrs. Kastner, Lucie, Mrs. William Lucas, first prize winner in the religious section; and W. H. Weille, second place winner in the religious division. First place winners got \$25 bonds and second place winners received 10 silver dollars.

'Hopeful' 1960 Predicted By U. S. Officials

WASHINGTON (UPI)—Top U.S. officials predict that 1960 may be a year of hopefulness in foreign affairs and unprecedented economic prosperity at home.

But they caution that unchanged Communist aims can block solution of world problems and a resumption of the steel strike can darken the economic outlook in this country.

Secretary of State Christian A. Herter sounded the note on foreign relations Thursday night. He said that the U.S. must not let down our guard.

Herter's statement mixed hope with caution. Despite "a new atmosphere of hopefulness" in international affairs, he said, Communist aims remain essentially unchanged.

"Our task in 1960 and the years ahead is to help convert this principle from an aspiration of another hour into a statement of actual fact," he said.

Herter predicted "great challenges" throughout the new year.

Mueller said the American people could enjoy unprecedented prosperity in 1960 if the steel companies and union put aside "stubborn selfishness" and avert another strike.

He said "the shadow of another strike deadlock darkens" an economic outlook picture that otherwise is very rosy.

"If national interest prevails," Mueller said, "1960 will be a period of record-breaking business activity and high employment. There will be more money, more spending, more profits and more jobs."

"If business and labor stay on the job everywhere, we have every reason to expect that 1960 will be a better year for everyone with peace and prosperity growing stronger," he added.

Crippling Transit Strike Averted In New York

NEW YORK (UPI)—A crippling strike of all the city's subway and bus lines was averted today only one hour before the deadline.

About 38,000 transit workers had been scheduled to strike at 5 p. m. It would have brought public transportation for about six million daily riders to a dead halt.

Negotiations between the Transport Workers Union, the Transit Authority and seven privately-owned bus lines went on all through New Year's Eve in city hall. City mediators sit in.

Massive crowds that jammed into Times Square to greet 1960 with horns, whistles and shouts were not sure whether they would be able to get home by their normal route if their celebrating lasted too long.

Agreement had been reached shortly after midnight between the TWU and the Transit Authority, which operates the subway and some bus lines.

Mayor Robert F. Wagner said the present 15-cent bus and subway fare would not be raised. But he said the rate would rise to 20 cents in 1961.

He already had announced plans to help the Transit Authority by taking over the transit payroll. This would save the Transit Authority about 15 million dollars over two years.

Payola Crackdown

WASHINGTON (UPI)—Key legislators were split today over whether the administration's recommendations for cracking down on payola and other broadcasting irregularities would be the right cure.

Atty. Gen. William P. Rogers proposed to President Eisenhower Thursday that payola cases be treated as federal crimes but he said federal agencies should use their present powers to deal with other deceptive radio-TV practices.

Changes Forecast

CHICAGO (UPI)—The nation's hospital experts looked into the 1960's today and predicted sweeping changes in medical care for ailing Americans. Among the predictions: Closer cooperation between doctors and hospitals, federal support for nursing education, increased political party stands on health matters, increased wages for hospital workers and greater national administration of Blue Cross insurance.

Orderly' New Year's Eve Here, Police Report

Sanford and Seminole County residents spent an orderly New Year's Eve, Sanford police and the Sheriff's Department reported today.

Police described the 4 p. m. until midnight shift last night as the quietest since before Christmas. They had reports of two men drunk and a woman sick. There were also a few phone pranks played, police said.

The Sheriff's office reported that New Year's Eve more quiet than many nights that didn't precede holidays. One man was jailed for open profanity, one for driving with an improper license and another picked up in Orlando on an outstanding warrant for passing a bad check.

Holiday Toll Mounts As New Year Begins

By United Press International

The nation's highway death toll mounted slowly today as millions of Americans welcomed the year.

A United Press International count at 7:30 a. m. yesterday showed 62 persons had died in traffic accidents and two in fires for an overall toll of 64.

Michigan accounted for nearly one-third of the toll with 14 deaths. Oklahoma had five fatalities, Texas and Florida four each.

The National Safety Council forecast 320 persons would not live through the first weekend to 1960.

Police around the country mobilized their forces in an effort to save lives over the 78-hour holiday which began at 6 p. m. New Year's Eve and ends at midnight Sunday.

Safety officials hoped motorists would heed warnings to ease up on the gas pedal to make sure New Year's Eve parties would not have tragic hangovers.

First Storm Of Year Whips Through Midwest

By United Press International

The new year was ushered in today by a howling blizzard that lashed the country's midsection after handling the Southwest its third crippling blow from winter in the past 16 days. Three private planes were missing in the storm-swept West.

The storm, packing high Central Plains early today, snarling holiday travel. By early morning, up to six inches of snow had fallen in sections of South Dakota and Nebraska.

Search parties battled the blizzard in an effort to find the three missing planes carrying six persons.

One plane, carrying two couples from Seattle, disappeared in the Sierra Nevada area between Oroville, Calif., and Reno, Nev., during a snow storm.

The second, with a California man aboard, was lost between Rock Springs, Wyo., and Elko, Nev. A Denver pilot was living the third plane from Chidron, Neb., to Torrington, Wyo., when it disappeared.

The storm hit New Mexico and Arizona in near record proportions. Many roads were closed and travelers stranded in western New Mexico.

Elsewhere, rain was forecast in the Mississippi Valley and Gulf states, freezing rain or snow in Illinois and Missouri and fair weather along the Eastern Seaboard and most of the West Coast.

Busy Agenda Set For County Board

The County Commission will face a busy agenda Tuesday at its regular meeting.

Among the items to be discussed will be the hiring of an architect to design plans for a new county jail and further discussion on the possibility of amending their present bond which pledges the county's 20 per cent of surplus gas tax revenue to add another one-half million for right-of-way purchases for primary road improvements.

The board also is scheduled to give its decision on the controversial rezoning of the Heffler Homes, Lake Howell Shopping Center.

The board agreed at an earlier meeting on the need to build a new jail and set the Jan. 5 meeting as the time to name an architect.

The five major road improvement projects are expected to include widening and paving SR 44, SR 427 and Geneva Ave. from Melroseville to French Ave.

Stork Derby Front 'Quiet'

No baby was born in Seminole Memorial Hospital during the first 10 hours of the new year leaving the Sanford Herald's annual Stork Derby wide open.

The hospital reported that as of 11:30 a. m. the delivery room was quiet and it is expected to remain that way for at least a few more hours, according to one nurse.

The winner will get \$100 in prizes from 18 local merchants. All entries must be postmarked no later than midnight Jan. 6.

Broken Windows

Pinecrest Elementary School principal Margaret Reynolds told Sanford police yesterday that many one shot out several Pinecrest windows Monday. Police found six windows broken and some BB and lead pellets. They surmised that the pellets, which were the size of number one buckshot, came from a slingshot.

Paola Home Damaged By Fire

The Lake Mary volunteer fire department put out a fire which blazed through the roof of James Smith's Paola frame home yesterday and burned three bedrooms, rooms.

The blaze which probably started from a Christmas tree caused about \$2,000 damage to Smith's Banna Lake home, Lake Mary fireman Harvey Pugh said today. Pugh and four other Lake Mary firefighters found flames coming through the roof when they arrived about 4:30 p. m. Soon, there were 15 men fighting the blaze which was put out in about 30 minutes. Police said that the fire used the wind coming from their own truck and nearby homes.

The cause was traced to the Christmas tree which had been placed in the front of the second story from the flames to Smith's bedroom of the home. The family received Santa Claus from the hospital on Jan. 6.

Noted Minister Set To Preach Sunday Service

The congregation of the First Presbyterian Church Sunday not only will observe the regular quarterly communion ritual, but will hear an outstanding visiting preacher, the officers stated.

The Sacrament of the Lord's Supper will be celebrated at both the 8:45 a. m. and 11 a. m. services.

At these worship hours and at the evening service the sermons will be preached by Dr. John M. Womeldorf, minister of the Faith Presbyterian church of Guilford College, N. C. The topics will be "Let's Face That Inevitable Examination" and "The Miracle of Believing."

The popular pastor of the college town church is a native Virginian and received his education in that commonwealth. After study at Washington and Lee University, Dr. Womeldorf continued his work in Union Theological Seminary. In this renowned training center for ministers he earned three degrees, Bachelor of Divinity, Master of Theology and Doctor of Theology.

Local Presbyterians have indicated a keen interest in hearing the visitor and in welcoming him to their communion table.

Music Minister Attended Meet

Mrs. George Touhy, minister of music at the First Presbyterian church, attended the National Mid-Atlantic Council of the American Guild of Organists in Winter Park Monday through Wednesday of this week. She served as chairman of the registration committee.

The visiting chairmen and organists from all sections of the United States heard organ concerts by prominent artists and took part in choral workshops, panel discussions and heard forums pertaining to work they are doing in churches and schools.

The Central Florida chapter of the AGO served as host for the occasion and presented the organ in the home of Mr. and Mrs. John Baker and Mr. and Mrs. Harold Gleason as well as that of Knowles Memorial chapel at Rollins College.

Church Sates Special Service

A Holy Communion Service and special service will be held Sunday at the All Saints Episcopal Church in Enterprise.

The special service will be conducted at 8 p. m. and holy communion at 11 p. m.

As part of the special worship service, Rev. Henry L. Louitt, bishop of the South Florida Diocese will conduct the service.

The church also will hold a congregational meeting at 8:30 a. m. Monday.

just for YOU

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four good reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Friday	Epistle	Romans	1-2
Saturday	Romans		13-20

Come January first, you're going to get a present... glorious present of 365 bright, unclouded days.

What you do with them is largely up to you. Each day of the year is now a blank page in the notebook of your life - and only you can fill it.

Don't clutter up the first page by making a lot of useless resolutions. Instead - spend that time by going to church.

Turn to God the first day of the year, and stay with Him. Put your faith in Him, and in His church. With His help, you can make this year the finest one you've ever lived.

The support of the Church Series is sponsored by the following Business Firms:

- Holler Motor Sales
- Ritz Theatre
- Sherman Concrete Pipe Co.
- Progressive Printing Co.
- Wilson-Maier Furniture Co.
- Wheeler Fertilizer Co.
- Dawn Beauty Salon

Nuptial Plans Announced

Mr. and Mrs. James O. McNeill, 2409 Elm Ave., announce the engagement and approaching marriage of their daughter, Carol Diane, to Robert Hugh Mitchell, son of Mr. and Mrs. Robert E. Mitchell, Third St., Sanford.

The wedding will be an event of Feb. 13 at the First Presbyterian Church in Sanford.

Miss McNeill was born in Sanford, attended schools here and graduated with the 1958 class at Seminole High School. She was active in Rainbow Girls, Tri-Hi-Y and the Thespian Club. She is also a graduate of Falls Business College and the Nancy Taylor Finishing School both of Nashville. She now is employed by the Sanford Atlantic Bank in the bookkeeping department.

The groom-elect was born in Sanford, graduated from Seminole High School in 1958 and at present is a partner with his father in the family boat trailer business.

Episcopal Women Chapter Meetings

Holy Cross Episcopal Churchwomen will hold their chapter meetings for January as follows:

St. Ann's chapter will meet Monday (Jan. 4) at 2:30 p. m. with Mrs. John Gulesian at her home in Indian Mound. Mrs. Donald Ladd and Mrs. John Jewell will serve as co-hostesses.

St. Agnes' chapter meets Monday at 3 p. m. with Mrs. Archie Betts, 712 Palmetto Ave., with Mrs. Fred Pope as co-hostess.

St. Mark's chapter meets Monday at 8:30 a. m. at the home of Mrs. R. W. Williams, 1920 Park Ave., with Mrs. Laurel Johnson as co-hostess.

St. Mary's chapter will meet Tuesday (Jan. 5) at 8 p. m. with Mrs. Ronald Perry, 110 E. Coleman Circle. Mrs. Joe Nichols will be co-hostess.

District President To Visit W.S.C.S.

The W. S. C. S. of First Methodist Church will meet Tuesday at McKinley Hall. The executive board will meet at 9 a. m. followed by the business and program meeting at 9:45 a. m.

Guest speaker will be Mrs. Howard Anderson, District President of the W. S. C. S.

Following the program a social hour will be enjoyed, honoring all new members of the society for the past year. Refreshments will be served. All members are urged to attend.

Church Women Plan Meetings

The regular meeting of the Episcopal churchwomen of Enterprise will be held at the parish house Wednesday Jan. 6 at 2 p. m. Miss Olive Conlin of Win-

ter Park will be the guest speaker. Miss Conlin was graduated from Smith college and was a missionary from the Episcopal church teaching in church schools in China from 1916-1950. She also taught five years in the Philippines in a high school for "Ingorotes."

She will tell of her experiences in her overseas work and show slides of her work in the Philippines. Dr. Lois Wells of Delray will assist Miss Conlin with the slides. Tea will be served under the direction of Mrs. Edwin Hoffmire, hospitality chairman.

Members of the Episcopal churchwomen are planning to attend the meeting Wednesday Jan. 13 at the parish House to knit and sew for the Indian mission of Winner, S. D. This date was approved and the plan set up at the last meeting for a meeting once each month for this purpose.

Mrs. Ruth Milsted, E. F. Murray Wed In Double Ring Ceremony

Mrs. Ruth Milsted, Lake Mary, daughter of the late Mrs. W. O. Stansell and Ernest F. Murray, son of Mrs. L. B. Mang, Lake Monroe were married Dec. 31 at 3 p. m. at the First Baptist Church in Sanford.

The Rev. W. F. Brooks Jr., officiated at the double ring ceremony. Serving the couple were Mr. and Mrs. J. R. Williams, brother and sister-in-law of the bride.

The church was decorated with white glads and greenery.

The bride wore a Dior blue fallé sheath dress, white gloves, black shoes and accessories and a shoulder corsage of white French carnations and sweetheart roses.

The matron of honor wore a powder blue wool jersey sheath dress and a corsage of baby pink rose buds.

Immediately following the ceremony a reception was held at the home of the bride's sister and brother-in-law, Mr. and Mrs. L. A. Barley in Lake Mary.

After a wedding trip to the East Coast the couple will reside in Lake Mary.

The bride was born in North Carolina but has lived in Lake Mary for the past several years. She is a graduate of Seminole High School and at present is employed as secretary at the Holy Cross Episcopal Church office.

Mr. Murray is a retired navy chief and is now employed by the Suburban Gas Company in Maitland.

Those attending included Mrs. Ella Craven, Mrs. Frank Minshaw, Mrs. J. R. Williams, Mrs. Larry Barley, Mrs. Oscar Decker, Mrs. L. B. Mann, Mrs. Alfred Stanley, Mrs. J. W. Mrs. J. W. Brown, Mrs. W. T. Manaley, Mrs. R. L. Howell Jr., Mrs. P. D. Anderson, Mrs. Mildred Butler, Mrs. M. T. Matheson, Mrs. John Thomas, Mrs. William Matthews, Mrs. W. P. Burke, Mrs. Lorraine Graham, Mrs. O. F. Westmoreland, Miss Cecelia Milsted and Miss Emma Jean Eubanks.

League Studies Story Telling

Holiday decorations and refreshments highlighted the December meeting of the Sanford Story League this week at the Episcopal Parish House.

Mrs. J. S. Jurss, first vice president, presided in the absence of the president. The group voted to give \$10 to the two junior story leagues to help defray expenses of their year books.

Mrs. E. C. Williams, program chairman for the month, introduced Mrs. O. E. White who told a beautiful story from the book "The Gifts" by Clark Wilson.

For the study session the league divided into two groups. The first one, headed by Mrs. R. D. Braden, discussed how to tell the stories from "The Gifts" to very young children and Karen Metzler told the story as a demonstration.

The second group, headed by Mrs. Williams, discussed how it should be told to older children. Mrs. R. C. Maxwell gave the demonstration.

Board members served as hostesses. The table was overlaid with a lace cloth and centered with a large crystal vase filled with Christmas balls on one end of the table was a hand carved "creeche" from Germany, holding a music box which played "Silent Night" as the refreshments of coffee, tea, cookies and candy were served.

Guests included, Mrs. Betty Snyder, Miss Metzler, Miss Sandy Metzler and Miss Linda Mitchell.

MRS. ERNEST F. MURRAY

Shower Honors Bride

Mrs. Thomas Townsend, Lake Mary, was hostess Tuesday evening at a bridal shower honoring Mrs. Ruth Milsted, bride-elect.

The party room was decorated in a holiday theme and the refreshment table was overlaid with a lace cloth and centered with a crystal punch bowl. Cake, nuts, minis and punch were served to the guests.

Those attending included Mrs. Ella Craven, Mrs. Frank Minshaw, Mrs. J. R. Williams, Mrs. Larry Barley, Mrs. Oscar Decker, Mrs. L. B. Mann, Mrs. Alfred Stanley, Mrs. J. W. Mrs. J. W. Brown, Mrs. W. T. Manaley, Mrs. R. L. Howell Jr., Mrs. P. D. Anderson, Mrs. Mildred Butler, Mrs. M. T. Matheson, Mrs. John Thomas, Mrs. William Matthews, Mrs. W. P. Burke, Mrs. Lorraine Graham, Mrs. O. F. Atkinson Children Surprise Mother With Birthday Party

The three children of Mr. and Mrs. Charles V. Atkinson planned and carried out a very successful surprise birthday party for their mother Tuesday night at their home on Washington Ave.

The entire party was arranged by the young people, Carl, Valerie and Vinnie. Valerie baked and iced the cake. All the guests were invited by the young hosts. Needless to say Mrs. Atkinson was pleasantly surprised. She remarked that it was the first time that she could remember having a birthday party. Her birthday coming in Christmas week, she usually celebrated the two together.

Refreshments of cake, ice cream and punch were served to Mr. and Mrs. Ben Wiggins, Mr. and Mrs. Blake Sawyer, Mr. and Mrs. Dawson Gunter, Mr. and Mrs. Jack Morrison, Mr. and Mrs. Harold Whitern, Mrs. Catherine Atkinson and the von Orre and her husband, Charles V. Atkinson.

State, County Share Forces Of Growth

By GORDON J. TOLL
 Manager, Security Associates, Inc.
 The relatively fast growth during the 1950 decade was due in part to the rapid expansion of private debt, to the rebuilding of industry's stock of plant and equipment and to the almost virtual absence of foreign competition. There are forces at work in the American economy that will tend not only to sustain but even to accelerate its rate of expansion during the coming decade.

Forces that will stimulate growth in the 1960's as reported by Delafield & Delafield of New York are:

The rapid increase in population. In the 1950's, the population of the United States registered a gain of 19 per cent for the decade, compared with 15 per cent in the 1940's, 7 per cent in the 1930's and 16 per cent in the 1920's. A rate of gain even higher than in the 1950's is in prospect for the coming decade as the rising birth rate of the 1940's results in a stepping up of the rate of family formation. The number of persons reaching marriageable age each year will increase by 50 per cent between now and 1970. The new demands generated by so rapid a rise in population will require constant expansion of the output of goods and services by the economy.

The huge increase in research and development activity. Industry spent less than \$3 billion for research and development in 1950, statistics compiled by the Department of Defense indicate. Such outlays now exceed \$8 billion a year, and substantial increases in research and development expenditures are planned for the future. The vast flood of new and improved products that result from this expansion of research activity in industry provides a powerful stimulus to economic growth. This certainly is apparent from the very large percentage of the current output of research-minded companies that consists of products that were not made or even thought of a decade ago. One can readily see for instance how research in the chemical and electronic industries has demonstrated how successfully research can accelerate industrial growth on a spectacular scale.

Rising capital outlays. The very large volume of capital spending in the 50s did much to speed economic growth in that decade. Technological progress will lift productive facilities to new peak levels during the 1960's.

Higher standards of living. The urge to raise these standards gives a powerful stimulus to economic growth. The eagerness of the American people to acquire new homes and material goods and their readiness to use mortgage and consumer credit freely to finance such purchases, indicates that the present strong urge to consume will continue to be a powerful force accelerating economic growth in the 1960's.

Development of underdeveloped areas. Political, social and economic changes in the less developed areas give rise to greatly increased demands for goods and services from these areas. This holds true not only in the U. S. or Florida, for instance, but from foreign countries as well.

With the dynamic assistance of government, labor and management, it is quite clear that growth forces will dominate the pattern of the economy in the 1960's. It certainly is more than obvious that Seminole County and Florida will greatly participate in the coming year.

The Treasury Department has reported that an estimated \$14 billion gap exists between dividends paid by corporations and dividends reported by stockholders on income tax returns for the year of 1959. Much of the failure to report dividends, the Treasury believes, occurs through carelessness or ignorance.

Here are some tips that may come in handy when tax time rolls around:
 All dividends, whether paid to the taxpayer or credited to his account are reportable on the taxpayer's individual tax return.

Many dividends paid to shareholders are reported by corporations to the Internal Revenue Service.

All notices of dividends paid to the taxpayer should be retained for use in preparing the individual's tax return.

Washington Calling

By MARQUE CHILDS
 WASHINGTON — No American, either in or out of office, has received the vast adulation given Dwight Eisenhower. By comparison the plaudits showered on Woodrow Wilson at the end of World War I were a passing phenomenon marking the brief interlude of American intervention in Europe.

To a people conditioned to isolation and self-sufficiency, Wilson's accolades in Paris, London and Rome was an affront. Who did this man think he was that he could court the favor of the European crowd? National jealousy helped to explain Wilson's tragic downfall and the doom of his concept of a League of Nations.

With Eisenhower both the acclaim and the response are of a different order. Clearly the extraordinary nature of this tribute is as much for the nation as the man. And it is a cause for national pride that millions should pour into the streets in distant cities to cheer an American President.

But what of the man himself? The soldier-hero from Abilene? Is it possible to pass through strange lands welcomed as a triumphant hero-statesman and yet remain a plain American, unswayed by so much adulation? On the answer to this question a great deal turns for Eisenhower's last year in office, for the nature of the Presidency, and perhaps also for the Republican party.

The triumphal tour has come on top of the great initiative the President took in opening conversations with Premier Khrushchev. It has been Eisenhower's year. He has emerged from the shadows of those once close to him who seem to be making the decisions and directing the show.

Outwardly for all the transformation that 1960 has wrought, the President appears unchanged. He is the warm-hearted Midwesterner speaking earnest platitudes that carry the weight of his simple conviction. One of the remarkable things about the tour just ended was the sameness everywhere of the star of the troupe.

Whether at Karachi or Kabul, Madrid or Morocco he never varied his performance. His response to his environment was so restricted that it made for a certain monotony. The same varied strikingly from day to day and almost from hour to hour, but the lines were the same.

In every capital he visited he made an effort to speak to the American Embassy personnel, telling them they were all ambassadors and should get to know the

 CHERVENA LHOTA, Moravia—
 The big shiny Tatra made a turn onto a muddy village road in the small valley and my Communist chauffeur called out to a young man: "Where can we locate Anton Semrad?"

"Right over there," the man replied. "His home is behind that second fence."

I walked into the courtyard formed by a quadrangle of old buildings. An old man with a white handlebar mustache, grizzled stubby white whiskers on his cheeks, was looting my way carrying two small pieces of two-by-four wood and kicking grass out of his way. I approached him.

My driver said: "We are trying to find Anton Semrad." The old man stared. He was puzzled. There was a silence. Then, quietly, he said: "Te sem ja... I am he."

Fifty-two years ago, in this very courtyard, Anton Semrad had bade goodbye to his sister bound for America. "I am your sister's son," I said. "My mother sends her love."

There had been no word I was coming. Slowly, the pieces of wood slipped from uncle's fingers, and then he fell upon me, and stood for a moment at the star. And broke up.

Across the street, the old priest who performed the marriage still

Presley Has Secret Ambition

FRANKFURT, Germany (UPI)—Elvis Presley has a secret ambition. He wants to be like Frank Sinatra.

Friends of the soldier-singer now winding up two years of service with the 3rd Armored Division, said today that when he returns to Hollywood he wants to branch out and become more of an actor.

"I think Elvis' idea is to keep on singing while switching his main channel of activities to acting," a source close to Presley told UPI.

"I guess you could say that Frank Sinatra is the man he wants to model himself on. After all, Sinatra made the transition from just another pop singer to one of the world's top movie stars—why shouldn't Elvis?"

Millions Do, You Should, Too!

Millions choose Chiropractic because they find that they can obtain quick and lasting relief from many of their ailments. Under Chiropractic care, common aches and pains clear up very quickly. Acute conditions, such as colds or other "infectious" conditions break up in a fraction of the time required under other healing methods. Frequent chiropractic treatment will prevent the development and progress of

many chronic conditions and clinical records show that persistent chiropractic care will cure most of them. Millions choose chiropractic because besides obtaining quick and lasting results this healing method teaches them how to prevent disease, whenever possible.

One of a series of articles published in the public interest to explain and illustrate the practice of scientific Chiropractic, written by Dr. F. Leo Kerwin, was published in the January 1960 issue of the magazine "Health".

Giant Kremlin Party Ushers In New Year

LONDON (UPI) — Car horns, whistles, joyous church bells and "Auld Lang Syne" ushered in 1940 in Europe Thursday night. There was champagne in Paris, fireworks in Rome and a big Kremlin party in Moscow.

In London, thousands joined hands in Trafalgar Square and Piccadilly Circus, cheering and making as much noise as they could, good-naturedly jostling police who were heavily reinforced for the occasion.

Nightclubs were filled in Paris for the traditional French night of revelry and other Western European capitals reported the gayest and most carefree New Year's Eve in years.

In Rome the flash of fireworks and the bang of crackers mingled with the crash of empty bottles hurled into the streets as passers-by ran for cover.

One death was reported. Mario Riccio, 35, a peddler of illegal crackers, was run over by a car while fleeing a policeman. Riccio was killed by his exploding fireworks.

In the quiet papal palace of the Vatican, Pope John XXIII and a few members of his court sang a "Te Deum" of Thanksgiving for 1939 and prayed for God's help in the new year.

Jewish Center Holds Services

The Jewish people of Seminole and south Volusia Counties will be pleased to know that there is now a regular program of activities at the Jewish Community Center in Sanford. The center is located on 16th Street between Magnolia and Palmistia Avenues.

Every Friday evening there is formal religious service at 8:00 p. m. conducted by Abe Gussow. These services were begun recently through local initiative and have been very well attended. Tonight the service will bring to a close the Jewish religious holiday known as Hanukkah.

A party also celebrating this holiday will be held at 7:00 p. m. Sunday evening at the center. All Jewish families and service men in this area are cordially invited to take part in all the activities. The traditional Latkes will be served at the party Sunday night.

Vesper Services Set By Church

Sunday evening the Congregational Christian Church, at the corner of Park Avenue and 24th St. will begin a series of vesper services. These services will be held the first Sunday of each month.

Men of the church will be in charge of the song service and worship. The Rev. Richard P. Carter, who has just become the interim pastor of the church will speak at the first of the vesper services on the work of our Christian Churches around the world.

Carter has just returned from two months in Europe. While there he conducted preaching missions for the U. S. Air Force in France and Germany. He also addressed a meeting of French Protestant ministers in Paris and traveled in other areas, observing relief work at first hand.

When the World Council of Churches met for its last assembly, Mr. Carter was one of those who presented a resolution to the World Council and its worldwide work will be the main topic of his talk Sunday evening. Colored slides will be shown to illustrate the subject. The public is cordially invited to attend these services which will begin at 7:30 p. m.

Covington Covers Sports

By JERRY COVINGTON

As we close out the year of 1959 there are many events that we will never forget. There were also several great changes in the sports world that will affect us for years to come.

With the forming of the new Continental League, there has been a great deal of discussion as to what a flop it will be. Many people, even some who claim to be experts, feel that all the good talent that is available is already on major league teams or is in the vast farm system. It is true that there is a scout behind every bush and if a ball player shows a little talent he is immediately signed to a big fat contract. But who thought some of the things that have come to pass in recent years would ever happen?

Of course it is going to take a complete rebuilding of the farm systems and if this is done in a proper way the third league should go without a bit of trouble. We must remember that this is a new country and, with a greatly increasing population, there will be plenty of talent for four leagues.

The bonus is probably responsible more than anything else for the downgrading of young talent in recent years. The desire

to play the sport at any price just for the love of baseball has been lost to most of our young athletes because they have found how easy it is to pick up a fat check. This is why the majors are reaching out to the Latin countries for talent. They give a Cuban a baseball glove and a pair of shoes and promise him a job on any kind of ball club and he is contented because he just loves to play. Mind you, this is not always the case, but it is usually true. We remember our own Julian Castro who was so lazy I have seen him catch a whole baseball game on his knees.

Let's look to 1960 now! My choices to play in the World Series next fall are the go-go White Sox again and the Giants. Both of these clubs pulled off some fine trades and should be able to go all the way. Also, I'll go out on the limb and say that Kansas City will give us a team in the FSL that will give everybody plenty of trouble.

It will be another great year for sports and those of you who have become TV addicts and are looking tired and run down pick up the national slogan, "It's fun to be a fan" and go by it.

Happy New Year all and thanks for taking a peak my way during 1959.

Sports Outlook For '60

BY OSCAR FRALAY

NEW YORK (UPI) — Happy New Year, and here are Fearless Fralay's annual predictions on just what the sports world will be doing to make it that way for the first.

Boxing
Ingemar Johansson (if he fights) will successfully defend the heavyweight title against Floyd Patterson.

Archie Moore (if he fights) will remain champion until retiring to become an actor.

Ray Robinson (if he fights) will regain the now-divided middleweight title.

Charley Hott will replace Don Jordan as welterweight king; Carlos Ortiz will supplant Joe Brown as lightweight champion, and there will be nine new investigations of the boxing business.

Baseball
The New York Yankees and Milwaukee Braves will bounce back to regain the respective big league pennants with the Yanks capping the World Series. The new Continental League, due to a lack of players, sets back its debut until 1962.

Ted Williams and Stan Musial give it one last fling, find it tougher than 1959 and simultaneously call it a career.

Mickey Mantle and Hank Aaron will win the batting titles.

Horse Racing
Warfare mops up in California and Venetian Way wins the big three year old stakes in Florida. Warfare wins by a length in their Kentucky Derby meeting and goes on to take the triple crown. Willie Shoemaker wins another riding crown (he hum).

Basketball
Cincinnati sweeps collegiate honors with Oscar Robertson picking up his third straight scoring crown and then turning pro with the Cincinnati Royals. The Boston Celtics bomb through the pro league again.

Olympic Games
Russia wins the winter games by placing heavily. At Rome, the United States cops the track and field and swimming divisions with Buster Johnson regaining the world decathlon record from Vasily Kuznetsov. Russia scores heavily in Greco-Roman wrestling, weight lifting and gymnastics, etc., to take the team crown.

Golf
Gene Littler wins U.S. Open at Cherry Hills and Dow Finsterwald claims the home folks taking the PGA at Akron. A dozen U.S. pros go to the 100th anniversary of the British Open and Mike Souchak takes it home. Ireland comes back in the Canada Cup to take it on home soil with Gary Player taking individual international honors.

Football
Syracuse, loaded with junior and sophomore stars, leads national collegiate honors while in the pro league the balance of power remains unchanged and the Colts and Giants square off again with the Colts making it three for three.

Tennis
Barry Mackay barges to the front at Wimbledon and in the U.S. championships but Neale Fraser's superb play permits Australia to keep the Davis Cup. Pancho Gonzales continues to run the pro and the U.S. Open while Rod Laver and Ken Rosewall win Wimbledon in 1960.

Hockey
The number of hockey fans jumps from 25 million to 30 million and produces a host of new stars.

Base
The number of young players in the U.S. will fall ten percent, but New Year, continue.

Quiet Before The Storm: No Racing At Kennel Club Tonight

Racing fans are reminded that Sanford-Orlando Kennel Club will be quiet tonight in honor of the Tangerine Bowl football classic in Orlando between Middle Tennessee and Presbyterian.

The darkened lights, however, will be the quiet before the storm. Tomorrow's 21-race schedule of action will be the early season's top day of pari-mutual competition at the local speed circle.

The 168 speedsters who will cover the oval are among the South's highest quality greyhounds.

A 10-race matinee card will get under way at 2 p. m. The 9th and 10th events will combine for a

double-feature of swift action at the club, located south of Sanford, about one mile west of Hwy. 17-92.

Ed's Zigzag will be among the standouts in the 9th race. Others in the tough contest will be Rocky MacGinty, Bird Rock, Par Fever, Get Shocked, Alderman, Ho's Hogan and Ray Rush.

Jerry Lane is one of the standouts in the afternoon's final event.

The Saturday evening competition will start at 8:10 with 11 races on tap, including the hot-box 10th which is a hand-picked encounter featuring champions of the early season.

Interest in the greyhound scampering sport has been steadily increasing in recent years in Sanford. A large crowd of cars from the Colony City area each night make the trip to the refurbished club.

The first two weeks of action attracted a record number of fans.

Dallas Signs Back
EL PASO, Tex. (UPI) — Abner Hayes, North Texas State's star left halfback, has signed a professional contract with Dallas of the new American Football League.

Trade Leading Scorer
HAZLETON, Pa. (UPI) — Tom Hermann, leading scorer of the Eastern Professional Basketball League, was traded by Hazleton to Williamsport Thursday for Jack Molinas and Tom Hart.

Phils Sign Catcher
PHILADELPHIA (UPI) — The Philadelphia Phillies have signed George Schonath, an 18-year-old catcher from Oconomowoc, Wis., to a minor league contract. He will be assigned to one of the Phillies' minor league teams following his discharge from the Army in March.

Advance Sale
AKRON, Ohio (UPI) — An advance sale of tickets to the 1960 PGA golf championship netted a record \$118,220. It was announced today by Loren Tibbels, general chairman for the tournament to be held at the Firestone Country Club, July 18-24. The old advance sale record of \$100,000 was established last year for the National Open championship at Mamoneck, N. Y.

Syracuse Gets Chance To Prove No. 1 Rating Today

United Press International National champion Syracuse, Mississippi, Wisconsin and Georgia are favored to win four of the six college football bowl games which will be played today before an estimated 330,000 paying fans and millions of television viewers from coast to coast.

Syracuse, which compiled college football's only perfect record in 1959 although it started the season without an experienced quarterback, is a solid 12-point choice to get the New Year underway on a happy note against Texas before a crowd of about 75,000 in the Cotton Bowl at Dallas.

Mississippi, which finished second to Syracuse in the final United Press International Bowl of Coaches ratings with only a close-call loss to mar its record, should beat 1959 national champion Louisiana State by seven points, according to the oddsmakers, in the Sugar Bowl game at New Orleans before a crowd of 82,000.

Big Ten champion Wisconsin, winner of seven of nine regular-season games, carries its conference's lopsided lead over the Pacific Coast into the Rose Bowl as a 5½ point favorite over Washington before the day's biggest crowd — anywhere from 98,000 to 101,000.

Georgia didn't measure up to Syracuse, Mississippi, LSU, Texas, Wisconsin and Washington in the battle for headlines during the regular season, but emerged as one of the best teams in the south. The Bulldogs are an 11-point favorite over Missouri in the Orange Bowl at Miami, where sunshine and warm weather is expected to lure upwards of 75,000.

Smaller bowls like Also vying for space on a small-

er level are the Tangerine Bowl and Prairie View Bowl games. Middle Tennessee (9-0-1) is pitted against Presbyterian (9-1) in the Tangerine Bowl at Orlando, and Prairie View A&M (8-2) meets Wiley (Tex.) (2-4) in the Prairie View Bowl at Houston, Tex. A crowd of 12,000 will see the Orlando game while 18,000 fans are expected for the Houston classic.

The National Broadcasting Co. and the Columbia Broadcasting System are handling the telecasts of the Sugar, Orange, Cotton and Rose Bowl games. CBS gets the long afternoon underway at 1 p. m. from the Orange Bowl and then switches its cameras to Dallas for the Cotton Bowl action, expected to start at around 3:30 p. m. NBC opens with the Sugar Bowl at New Orleans at 2 p. m. and then moves on to Pasadena, Calif., for the Rose

Bowl action at around 5 p. m. The Prairie View Bowl is scheduled for 3 p. m. and the Tangerine for 8:15 p. m.

New Mexico State got the holiday week end underway Thursday by upsetting North Texas State 23-8, in the 25th annual Sun Bowl game at El Paso, Tex.

Charley Johnson, the nation's leading touchdown passer, threw for the TD's, while Bid Galis picked up important yardage for the winners, including a touchdown, and bucked over for two extra points. Four fumbles and North Texas, which was a two-touchdown favorite.

The eyes of the nation will be on Syracuse University when the Orangemen go out to prove their right to the national crown. Coach Ben Schwartzwalder's men rolled up 300 points and allowed only 8 while beating 10 opponents at though they went through the re-

son with two sophomore quarterbacks — Dave Sarette and Dick Easterly. Operating with half-backs Ernie Davis and Ger Schwedes and a line led by All-American guard Roger Davis, the two soph signal callers did a mastery job.

In Texas, though, Syracuse will be meeting a team which distinguished itself in the tough Southwest Conference by always coming up with a little extra to win the close games. Although beaten by Texas Christian, 14-9, the Longhorns managed victories over Oklahoma, Arkansas, Baylor and Texas A&M in a 9-1 season.

Mackay In Finals
CALCUTTA, Ind. (UPI) — Barry Mackay of Dayton, Ohio, reached the final round of the Asian lawn tennis championships Thursday by defeating Sweden's Ulf Schmidt, 6-6, 6-4, 6-3, 6-2.

Here's a Switch...

Last year, a visitor. This year, a resident. In Florida, it happens 3,000 times a week, 52 weeks a year.

Isn't the switch to "living" Florida what you really want? We'd love to have you.

She used to see only Florida's beautiful golf courses. Then, she saw something else — the "living" side of a wonderful land in which to work and play and raise a family.

Take a good look at the land of sunshine while you're here, Mr. Visitor. You'll find opportunities you will want to follow up.

TV Critic Recalls Top Moments

By FRED DANZIG
NEW YORK (UPI)—Before 1959 goes to black, as TV directors say it, I'd like to zoom in with a memory lens and recapture some especially gratifying moments that were left behind.

My list, a partial one at best, is based on the theory that seasonal good-will causes the bad to slip into oblivion through a flimsy memory screen. The good, of course, sticks.

Anyhow, here's an idea of what TV viewing left with me in 1959, not counting a slight touch of eye strain.

Jason Roberts' impassively watching a wooden bridge... Lee Cobb's inspired determination as Don Quixote assailing a wind-

mill... Cobb again. This time as a dying, life-loving scientist in "Project-Immortality"... A battered Nehemiah Persoff growling, "I don't provoke"... Geraldine Page and Jason Roberts in a bedroom encounter superbly directed by John Frankenheimer... Laurence Olivier gazing at his dull companions in a Paris cafe... John Gielgud's tortures in "The Browning Version"... Kathleen Widdeas, giving a teenage birthday in "Our Town"... James Donald in "The Power and the Glory," as a fugitive priest attempting to celebrate Mass in a peasant hut (on a local TV-series called, "The Play of the Week")... Maximilian Schell as a young German lawyer in a Playhouse 90 production about the Nuremberg war crime trials... Maria Schell's forlorn, peaceful expression in "For Whom the Bell Tolls"... Ingrid Bergman's subdued case of nerves in the Henry James story, "The Turn of the Screw"... Young Heyward Morse's acting in the same production... "The Funnel" on Playhouse 90... Jimmy Stewart's Air Force documentary, "Cowboy 57".

All the tidbits mentioned above told me things about the minds and hearts of men. Continuing the list:

Harry Belafonte's singing of "Sylvie" before a silent group of men... Odetta, the folk singer, whacking her guitar and singing "Water Boy"... Fred Astaire and Barrie Chase frolicking through a jazz number called, "My Baby"... The Astaire show's theme, "Like Young"... Ed Sullivan's video taped Spoleto and Moscow shows... "The spontaneous Nixon-Khrushchev 'debate'... A fleeting shot of Frank Sinatra practically dragging Khrushchev off to meet some pals during a Hollywood reception... Andy Williams' fresh, swinging summer TV series... "The Population Explosion"... The theme music on "Riverboat".

Laughs! The Jack Benny-Jimmy Stewart restaurant sketch... Chimpanzees on a Jack Benny special... George Burns recalling his vaudeville days on a Jack

Pair show... Art Carney's imitations of John Daly, an American tourist and an aspiring president... Hans Conried portraying an Italian waiter, a Greek multi-millionaire on Art Carney shows and, earlier, reciting "Little Orphan Annie"... The Sid Caesar-Jose Ferrer comedy confrontations... Tallulah Bankhead on the first "Big Party" show... Steve Allen's skit about a silent screen cowboy hero, played by Dayton Allen, making his TV debut in a western... Tom Poston's portrayals of Francis X. Tishman, an old-time matinee idol, on last season's Steve Allen show.

Happy New Year to All.

Administration Steps Up Drive To End Strike

WASHINGTON (UPI) — The administration is stepping up its behind-the-scenes efforts to settle the steel dispute and avert a resumption of the strike later this month.

The new government strategy was disclosed Thursday when Vice President Richard M. Nixon and Labor Secretary James P. Mitchell reported they had met secretly with both sides in the lengthy controversy.

Nixon and Mitchell were expected to resume their talks next week in an attempt to get a settlement without the necessity of President Eisenhower requesting new labor legislation from Congress.

Other developments in the steel situation:

—The United Steelworkers announced it would seek contempt-of-court penalties against the "big 11" steel companies for alleged violation of a court order that halted the 110-day strike. They accused the companies of failing to turn over monthly reports required under the order.

—Roger M. Blough, chairman of U. S. Steel Corp., predicted that if there is no resumption of the strike, the nation's steel mills will operate at near capacity in the first six months of 1960 to restore surplus-product inventories.

Mitchell held an unannounced luncheon meeting Thursday with Steelworkers President David J. McDonald and Union Attorney Arthur J. Goldberg. Neither Mitchell nor the union officials would say what they discussed.

Nixon told newsmen in New York before heading a plane for California that he and Mitchell also held secret meetings with the union and the companies here Wednesday. He said they previously met several times with both sides.

The vice president said President Eisenhower was being kept fully informed on the discussions. But he declined repeatedly to say whether any progress had been made.

"I can't say anything about a settlement," Nixon said. "All I can say is the parties are still meeting and have not reached an agreement. As for prospects of a settlement, I cannot anticipate at this time what the outcome will be."

Informed sources said chances were remote that the controversy would be settled before the Steelworkers vote on the company's latest contract offer Jan. 11-12.

More Seats Needed

JACKSONVILLE (UPI) — The president of the Gator Bowl warned today that the annual post-season game may become extinct if the stadium seating capacity isn't increased from 62,000 to 80,000. "We are at the point of no return as far as the future of the Gator Bowl is concerned," John Flombo said. "We need more seats next year... the year after will be too late."

LTJG THOMAS J. HAMILTON JR., right, of Heavy Attack Squadron One ends his Naval career this week upon his release to inactive duty. He was presented a plaque by Cdr. David A. Deputies To Serve Jury Summonses Next Week

Sheriff's deputies will serve jury summonses on 50 county residents during the next few days.

The summonses require registered voters to serve on juries for the civil cases to be tried in the Circuit Court's fall session, Jan. 5-16. Persons summoned must appear in the Seminole County Courtroom at 10 a. m. Tuesday, unless they are excused by Judge Volle Williams for sickness or other reason. The summonses will go to 27 Sanford residents, five who have Maitland addresses, two Longwood and two Oviedo residents, and to four residents who have Casselberry, Titusville, Winter Park and Apopka addresses.

Among the excuses for which Judge Williams may release a summoned person from jury duty Tuesday are being over 65 or under 21, holding public office which has duties requiring the person to be present during the trial, and sickness. Persons over 65 don't have to serve but may if they wish.

After eliminating the excused persons, Judge Williams will give the oath to the jurors left. He then will draw six names from a box to get jurors for the first case. The attorneys for each side in the case will challenge the

Seeks Escapers

NEW YORK (UPI) — The FBI said it is concentrating its search in this area for the remaining two convicts still at large from the 20 man, Dec. 8 breakout of the Ivy Bluff prison near Yanceyville, N. C. An FBI spokesman said the two men, Willie Shaw, 30, and Cleveland McNeill, 28, had relatives in New York.

Hoover Urges 'Smul' Crackdown

WASHINGTON (UPI)—FBI Director J. Edgar Hoover said today the time has come to crack down on "dealers of depravity" who corrupt the nation's youth in the guise of "clean entertainment."

Writing in the FBI's law enforcement bulletin, Hoover urged governing authorities to strengthen laws against "smut salesmen." He advocated stiffer sentences for "filth purveyors."

The FBI chief aimed his fire at motion pictures and television as well as at publishers of obscene pictures and books. He said that young people are "literally bombarded with vulgar motion picture advertisements in some newspapers; certain movies have too often made good on the provocative promises in the advertisements and profanity and rapacity are the main ingredients of more and more screen offerings."

Hoover said that a few television producers, too, "sometimes break through the veil of decency as if some of them were trying to see just how much the public will stand."

The FBI director said that obscenity is threatening the morality of the nation. Obscene literature is spread across the land, he said, through the means of films, decks of playing cards, photographs, comic books, salacious magazines, paper-backed books and other pornographic products.

Longwood Bond Issue Approved

Circuit Judge Volie Williams ruled a \$70,000 Longwood bond issue legal this morning, clearing the way for funds to be spent on paving three streets and extending water lines in town.

The 70 \$1,000 bonds will mature at the rate of \$7,000 per year from 1960 through 1969. They bear five per cent interest each year which is payable in March and September.

The principal and interest will be paid off from Longwood utilities service taxes, cigarette taxes and surplus net revenue from the town's water system.

Bonds to be paid under the program are Grant St. from Williams to Georgia Ave., Palmcoke St. from S. Lake Ave. to Grant Ave. and Wilma St. from Marham Rd. and Molnar Ave.

Health Center

Bids will be opened Feb. 16 at 8 p.m. in the courthouse. This new \$100,000 facility to be built on French Ave., will be among the first of the county's 1960 projects and the county commissioners hope it will be completed by the fall.

Jaycees Name Outstanding 10 Young Men Of '59

TULSA, Okla. (UPI) — The nation's youngest governor, Hawaii's first congressman and young men in the new and challenging space field were in the list of the "ten outstanding young men of 1959" announced today by the U. S. Junior Chamber of Commerce.

Robert M. Clark, national president of the young men's civic organization, announced the list here today. Five of the ten honorees are in the field of education.

They are: Edmundson, 24, secretary of Oklahoma.

Bomer D. Babbidge Jr., 34, assistant U. S. commissioner of education.

Francis A. Casuccio, 34, Glenn Burns, Md., expert on communications and guidance in space travel, Osborn Elliott, 36, New York City, magazine editor, Newsweek magazine.

Patricia A. Floyd, Tallahassee Fla. teacher and operatic composer, Florida State University.

Daniel K. Insuye, 35, first U.S. congressman from Hawaii.

Robert P. Griffin, 36, Traverse City, Mich., congressman and labor reformer.

Dr. S. Fred Singer, 35, Greenbelt, Md. space vehicle expert and professor of physics, University of Maryland.

L. Col. Wesley W. Poevar, 34, head of the political science department, Air Force Academy, Colorado Springs, Colo.

Dr. Harry Frydowsky, 34, Gainesville, Fla., head professor of obstetrics and gynecology, University of Florida.

The ten men will be honored by the Jaycees at an awards congress Jan. 15-16 at Hartford, Conn.

City, County, School Officials Plan 'Busy' '60 For Building, Improvements

County, school and city officials today painted a rosy picture for 1960 and outlined a list of top priority projects to be started during the calendar year.

Sanford City Manager Warren Knowles listed 11 street construction projects and reported, the commission will give careful consideration to the construction of a sewage treatment plant at an estimated cost of \$400,000.

Knowles also said that three areas will come into the city limits within the next few months.

Top priority for the city will be \$24,000 road resurfacing project, including Melroseville to San Carlos, San Carlos to Chapman, W. Third St. to Persimmon and Persimmon to First and Third St.

New construction will include finishing of the Civic Center Parking Lot; paving of Mulberry Ave. from 12th to 15th Streets, Ocean Ave. from 10th to 11th St., Jacksonville from 10th to 11th St., 11th St. from Olander to Jacksonville, Myrtle Ave. from Fulton to Blvd., Myrtle from First St. to Fulton and Fulton from Laurel to French Ave.

Probably the most important project will be the paving on Sanford Ave. from 18th to 25th St.

Work on the resurfacing projects is expected to start Jan. 20, Knowles said.

Bitter Cold Wave Follows Trail Of Midwest Blizzard

The Midwest today was in the grip of a bitter cold wave that followed one of the worst blizzards of the season.

The mass of frigid air sweeping southward from Canada pushed toward the East Coast from the central plains and made the Midwest the icebox of the country.

The mercury plunged to 26 degrees below zero at 2 a. m. at International Falls, Minn. It was 19 below at Duluth, 18 below at Rochester and 14 below at Minneapolis, Minn., 11 below at Mason City, Iowa, zero at Omaha, four degrees at Madison, Wis., and Denver, Colo., and 9 at Chicago.

The cold front extended from New York State through extreme northwestern Florida. Most of the South reported temperatures in the 30s and 40s.

Rain soaked the entire Atlantic Coast with the exception of Florida Sunday, Alabama, Tennessee and the Ohio Valley also reported rain.

Scattered snow flurries were forecast over the Great Lakes, the upper Ohio Valley and much of the Rockies today. The Weather Bureau said some snow might fall from western Kansas northward into the Dakotas and Montana.

Occasional rain was expected across the southern plains while the rest of the country looked for partly cloudy or fair skies.

Complete Renewal Forms Are Asked

Tax Assessor Richard McCanna today urged all residents filing renewal applications for homestead exemption to mail or bring in the whole application and not tear off any part of it.

McCanna said residents have been mailing in just half the double-card application blank.

Crowds jammed the lobby of the courthouse this morning and a line of residents extended onto Park Ave. as people gathered to file for exemption, pay their taxes and pick up their 1960 auto tags.

Residents have until April 1 to pay their taxes and file for homestead exemption. The deadline for auto tags is Feb. 20.

Citrus Grower To Run For Post

ORLANDO (UPI) — W. R. (Buster) Hancock, citrus grower who heads the Florida Agricultural Council, has announced he will run for Florida commissioner of agriculture this spring.

Hancock, 48, owns Hancock Groves near here. He made his announcement Sunday, saying he had "worked closely with legislators from all parts of the state in the interest of Florida's agricultural economy."

Jets Set 4 Flight Records In Day

By United Press International

Jet airliners helped along by tail winds of up to 120 miles per hour set four east-bound transcontinental speed records Sunday.

An American Airlines Boeing jet raced 2,900 miles from Los Angeles to Washington - Baltimore Friendship Airport in three hours 20 minutes.

The flight with a capacity load of 112 passengers broke a previous American Airlines mark of four hours 54 min. for the run.

Another American 707 jet set a Los Angeles-Boston record of four hours, 34 minutes, carrying 114 passengers and a crew of eight.

The plane made the 2,796-mile flight at an average speed of 630 miles per hour, setting a one-day-old record for four hours, 30 minutes also held by American.

A Trans World Airlines 707 carrying 114 passengers averaged 600 miles an hour for a 2,451-mile Los Angeles-New York run. The three-hour, 25-minute flight trimmed six minutes from a mark that TWA set Saturday.

An Eastern Airlines Douglas DC8B set 2,338 miles from Long Beach, Calif., to Miami in three hours, 25 minutes and 35 seconds, an average speed of 684 miles an hour, which Eastern said was a record for the southern transcontinental route.

Payola Control Deadline Today

WASHINGTON (UPI) — Today is the deadline for the nation's radio and television stations to report to the government on what controls they have set up to police payola to their employees.

The Federal Communications Commission directed the 5,326 radio and TV broadcasters to report "internal controls and procedures" being used to keep tabs on payoffs to staffers outside their regular salary.

By Feb. 5, the radio and TV stations also must disclose any payoffs or "push money" either they or their personnel have taken since Nov. 1, 1959, for hidden commercial plugs.

The FCC's demand for disclosure of undercover payments to disc jockeys to push certain records (payola) and to broadcasters to do copywrite clock plugs for products on the air is unprecedented.

Congress Full Of Candidates To Open

WASHINGTON (UPI) — The Congress that may be best known in history by its presidential candidates reconvenes Wednesday for a stormy election-year session.

School construction, minimum wage, civil rights and housing — probably in that order — will be highlighted in the list of "must" bills the Democratic leadership is lining up for its 1960 session.

Revision of the Taft-Hartley labor law because of the steel dispute may add to the session's troubles.

Democratic presidential — with all the major active contenders of both parties concentrated in the Senate chamber — overshadowed the legislative program.

Two of the Senate's four Democratic presidential hopefuls formally announced their candidacies last week — Sens. Hubert H. Humphrey (Minn.) and John F. Kennedy (Mass.).

Senate Democratic Leader Lyndon B. Johnson (Tex.) and Sen. Stuart Symington (Mo.), the other two, are not expected to make any formal declarations in the near future.

Vice President Richard M. Nixon, who apparently clinched the GOP nomination with the withdrawal of New York Gov. Nelson A. Rockefeller, is expected to formalize his candidacy in a few weeks. He can do so when his name goes into the March 8 New Hampshire primary.

Nixon will be presiding over the Senate when both houses convene at noon Wednesday for the second session of the 86th Congress, Thursday, President Eisenhower said.

Man Found Dead

Glenn Hill of Danville, Illinois, was found dead at the Seminole Raceway in Casselberry Friday, according to the Sheriff's department. Deputy Grant, Seaburger and Pagan took charge of the body after Hill was found at the raceway. A post mortem revealed no foul play. Grambow funeral home was given charge of the body.

Boat Trailer Slams Into Car

An unattached boat trailer ran across French Ave. yesterday and hit a car in the side.

Millard Hampton Bacon, Sanford Negro of 210 W. 11th St., was driving south on French Ave. and had just crossed the railroad tracks near First St. when a boat and boat trailer unhooked from his truck, police said. Joseph Tom Stoen of Orlando was in the damaged car. No arrests were made.

Heater Causes First '60 Blaze

Sanford firemen started the new year with a fire call just 30 minutes after midnight Jan. 1.

The firemen put out a blaze at 418 E. Eighth St. which was damaged by a defective oil heater.

A Christmas tree's wires started a fire at 1205 Forest Dr. which caused considerable smoke damage before it was put out and an automobile caught fire Jan. 2.

Last night, another heater caused a fire at 2404 Grandview Ave. which was confined to one room and damage was slight, the fire department reported.

Yule Star To Get Permanent Home

The Christmas star put up in back of the Sanford Civic Center by the Sanford Art Association headed for a permanent home in Christmas, Fla. Saturday.

The modernistic, three dimensional star designed by Sanford architect Hal Harris will be part of a permanent Nativity scene display in Christmas. The town which commemorates the Yuletide the year round is trying to develop a peace shrine.

Doctor May Face Death Penalty

LOS ANGELES (UPI) — The state today was expected to ask the death penalty for Dr. R. Bernard Finch and his paramour Carol Trogoff accused of killing the physician's estranged wife to get her share of the family fortune.

The prosecution which will lead off with opening arguments, contends the motive for the fatal shooting was a desire by Finch, 42, to wed his 23-year-old former receptionist without having to split an estimated \$750,000 in community property with his 33-year-old wife Barbara.

The prosecution further contends that Finch and Miss Trogoff carried a "murder kit" July 18 to do away with Mrs. Finch by medical means, but shot her instead.

Mrs. Finch instituted a divorce action against her handsome, tennis-playing husband May 20, less than two months before her body was found shot through the back on the lawn of the \$45,000 home in nearby West Covina.

Youngsters Die Of Suffocation In Orlando Home

Deborah Rosey of Sanford and Barrie Sloan Jr. of Orlando died of suffocation Saturday when fumes from an unvented gas heater crowded in the one-bedroom Orlando apartment of Mr. and Mrs. Barrie Sloan.

Deborah, 14-year-old daughter of Mr. and Mrs. Donald Rosey of Country Side Trailer Park, Seminole County, was taken to the apartment with her older sister, her 1 1/2-year-old cousin, Barrie, and her aunt and uncle, Mr. and Mrs. Sloan. Rosey, a Navy man, is based at the Sanford Naval Air Station.

Mr. and Mrs. Rosey were notified of their daughter's death through Sanford police yesterday. The Roseys had been on a fishing trip when told the Orange County sheriff's department had a message for them.

Deborah and Donna had been staying with their aunt and uncle since Friday. Donna Rosey and Mr. and Mrs. Sloan responded to oxygen treatment given by the Orlando Fire Department and Herndon Ambulance Service.

City To Have New Mayor Tomorrow

Sanford's city commissioners will elect a new mayor at a special meeting in city hall at 8 p. m. tomorrow.

The commissioner chosen mayor for 1960 by his four fellow commissioners will succeed Mayor A. L. Wilson, who held the post for 1959. Recently elected city commissioner J. H. Crapps will be sworn in and seated at the meeting.

The commissioners will hear a report from the city attorney on the city's attempt to get title from the school board to the Goldsboro recreation area where Sanford has \$400,000 worth of improvements.

An agreement whereby Sanford firemen can enjoy social security will be presented for the commissioners' approval as well as ordinances setting residence requirements for door-to-door solicitors and zoning annexed areas.

Industry, Union Adopt Government Proposals

WASHINGTON (UPI) — The great 1959 steel strike was settled today after union and management negotiators bargained all night with the aid of Secretary of Labor James P. Mitchell.

Both sides adopted a settlement recommended by Vice President Richard M. Nixon and Secretary Mitchell.

The contents of the settlement are being withheld pending ratification by the appropriate bodies of the parties," Mitchell announced at a jammed news conference.

He said the agreement was reached as a result of behind-the-scenes conferences over the past several weeks conducted with top officials of the United Steelworkers of America and management.

It was learned that the settlement provided for a package increase in wages and benefits expiring in mid-1962.

Fourteen cents will be in higher regular hourly wage rates—seven cents on July 1 this year and seven cents more on July 1, 1961. The rest of the 39-cent package is in wage differentials and various fringe benefits.

It was estimated roughly that the settlement would add upward of \$600 million dollars a year to the industry's labor costs when all of the increases are in effect.

There was no immediate word on whether the steel companies planned to increase prices as a result of the agreement. A spokesman said "I do not care to discuss that subject."

K. Conrad Cooper, chief management negotiator, said the agreement "represents a compromise which goes beyond what the companies had previously offered."

Cooper asked the companies felt their "best course of action" was to accept the government recommendations.

Steelworkers President David J. McDonald said he would meet with the union's wage policy committee Tuesday to give them "a message of peace, prosperity and lasting happiness for the steelworkers."

"Their union is sound, safe and secure," McDonald said.

Approval of the new contract by the wage policy committee was considered virtually certain.

Donald said his meeting would be held at 8 p. m. Tuesday.

Settlement of the dispute eliminated the possibility of a renewed strike when the 90-day back to work Taft-Hartley injunction expires Jan. 24.

The round-the-clock negotiation session which ended the dispute started at 11 a. m. Sunday and broke up shortly after 9 a. m. today.

The talks were held in the Washington headquarters of the Bethlehem Steel Corp.

A spokesman for Mitchell said the Sunday-Monday session was the first bargaining session to run through an entire night and into the next day. President Eisenhower asked for round-the-clock bargaining in December.

Some 20 or more industry and union representatives were reported to have been in the all-night session. Many took off their jackets and worked in shirt sleeves.

They sent out from time to time for coffee, milk and sandwiches.

Jet Crashes

EGLIN AIR FORCE BASE (UPI) — An F100 Sabre jet crashed onto the Eglin Reservation today but the pilot escaped injury. The plane flamed out and crashed into a wooded area on State Road 86 just inside the reservation, stranding wreckage over an area of 300 yards and starting a small fire.

Negro Stabbed

A Sanford Negro who was stabbed yesterday said that he didn't want to press charges against his assailant, but only wanted the man to be put in jail.

Wille E. Hollis of 912 W. 11th St., named James Noma, a Negro living at 912 W. 11th St., as his attacker.

Trials Postponed

HAVANA (UPI) — The trial of nearly 50 men in connection with last August's "invasion plot" was postponed without explanation today. The trials had been scheduled to start this morning in Havana's Cabana Fortress prison, but a spokesman for the revolutionary tribunals said they would be delayed.

Writer Killed

SENS, France (UPI) — French author, Francis Albert Camus was killed in an automobile accident today on a highway 60 miles south of Paris. He was 46. Camus, a native of Algeria in French North Africa, was active in the resistance movement against the Nazis in World War II.

Johnson Plans To Run In Race

TALLAHASSEE (UPI) — Senate President Dewey Johnson says he expects to announce for governor in mid-January.

Johnson, who calls himself a conservationist, has figured prominently in pre-campaign speculation, but lately has dropped into the background.

However, he told a television news panel here Sunday night that "my present intention is to announce for governor about Jan. 20 or 21."

Johnson, leader of the Senate majority or so-called "Pork Chop Gang," said even if he is not elected "the experience I gain in traveling over the state will make me a better senator."

Truck Driver Once Cleared In Slaying Is Arraigned

LAUREL, Miss. (UPI) — He was picked up again at his mother's home in Toledo after police received an anonymous telephone call informing them that Hargrove purchased a .38-caliber rifle the day before the murder.

He confessed again. This, plus the fact that a handwriting expert identified Hargrove's handwriting on the sales slip for the rifle and the matching of two bullets, led to the murder charge.

Sheriff Evans, who pictured the suspect as being "close to a schizophrenic—a cold personality," said that a few of Hargrove's friends were "not surprised" that he committed the murder.

But Hargrove's mother, Mrs. Edna Walker, named Mrs. Clark. "Don't blame him for the slaying, but blame Mrs. Clark," she said. "She put my son in such a frame of mind as to lead him to do something he never would do if he had a normal mind."

But Mrs. Clark, who is married with her dead husband's parents in Rochester, N. Y., said that she hoped her former lover "was everything that is coming to him."

Police Alered For Newlyweds

MIAMI (UPI) — Police in six states were on the alert today for a 15-year-old girl and a 20-year-old man whose marriage was nullified by the courts.

Missing were Janet Winthrop and Melvin Cook, who eloped with her to Georgia Dec. 1. Police said they assumed the two were together.

Janet, whose parents have bitterly opposed her relationship with Cook, disappeared from her home last Friday night. She left wearing a pink shorty night gown.

The girl's parents, Mr. and Mrs. John C. Winthrop, got the marriage voided and a juvenile court put the girl in their custody.

Cook, who operates a skating rink, brought court action to have Janet returned to him. At the hearing, the Winthrops charged he once lived for three years with a woman as her husband. The Winthrops also said the woman had two children by him.

Cook took the legal fight and Janet went back to her parents, temporarily, declaring, "I still love him."

TV Theft

Theft of a portable television set from Leslie Mae Knowles 1106 W. 10th St. home Friday led to the arrest of a Sanford Negro, Prince Stewart, for grand larceny the same day. Stewart was arrested after Leslie Mae Knowles and her husband saw the man trying to sell the TV set and called Sheriff's deputies, the Sheriff's office reported.

Bulletin

ALBANY, N. Y. (UPI) — Gov. Nelson A. Rockefeller, who bowed out of a head-on clash with Vice President Richard M. Nixon for the Republican presidential nomination, today kept the door open for a possible draft.

The New York governor said his withdrawal from primary battles for the nomination did not preclude further trips throughout the country.
