

Water Project For Longwood Is Explained

By Donna Estes
Longwood City Council Chairman R. C. Carlson explained at Thursday night's meeting that plans to aerate the city water system are necessary in order to comply with state regulations requiring all cities to chlorinate their water systems.

City officials have been advised by the state health authorities that the chlorine treatment without the aeration process would result in separation of the sulphur from the water with the possibility of causing objectionable solids.

Residents Benjamin Newman and Edgar Wright appeared at the meeting to complain about dogs that were creating a nuisance in their neighborhood. Mayor A. R. Lormann urged persons who know of or are being annoyed by unlicensed dogs to sign complaints so that the dog ordinance can be enforced.

Lormann stated that persons found guilty of violating the ordinance will be prosecuted to the full extent of the law, which calls for fines not exceeding \$300 or four months imprisonment or both. In addition he warned the dog owners if their dogs are running loose they run the risk of being picked up.

Resolutions were passed to have public hearings, Dec. 3 at 8 p.m. to permit residents on Tullie and Oak Streets and Land and Seminole Avenues to voice objections to paving assessments. The Council agreed to advertise for bids for resurfacing Evergreen Avenue, Marvin Avenue and Highland Street. The maintenance department was authorized at the suggestion of Councilman John Reams to clear the city property on Church Street between Wilma and East Lake for public parking.

Geneva Band To Give Concert

By JoAnn Hays
The Eastern Seminole Band of Geneva will present an hour-long concert Oct. 10 in co-operation with the P.T.O. The P.T.O. will be serving a turkey dinner in the community hall as the band provides the music outside on the lawn. Under the direction of Richard Zalley, the concert will begin at 5:15 and continue to 6:15.

Mr. Zalley stated less than two weeks ago that he would like a 30 piece band by Christmas and in the last two weeks has had three new members to join and an old one to return. The new members are: Martin Ried, Ovielo; Stanley Lacus, Slavik; and Orgie Christlieb, Chuluota. The band now has a total of 24 members and three months to Christmas.

"LET'S TALK DRY CLEANING"

By - WOODROW CASH

Have you ever been caught in the rain wearing your favorite red wool sports jacket or shirt or your favorite crepe, satin, tuffeta or Peau de Suis dress, only to find later that darker or lighter spots appear where the rain touched your garment? Or maybe while attending a cocktail party or dinner and drinking your favorite beverage, someone bumped your arm as you lifted the glass to take a longing sip only to find later spots before your eyes. This phenomenon is not uncommon. Water spots occur frequently. But they behave differently on various fabrics.

Water spots are most pronounced on crepes, tuffetas, satins, Peau de Suis, and similar fabric constructions. Where water comes in contact with the fabric, the sizing has a tendency to pile up around the outer edge of the stained area and leaves a heavy deposit in the form of a ring. In cases like this, it is possible for you to take your finger nail and scratch the white deposit. Temporarily, the ring will disappear. But it will reappear upon absorbing moisture from the air.

It is perhaps difficult to believe, but many water stains are difficult to remove from a fabric. It takes a skilled spotter with the proper equipment and a skilled technique called "feathering" to remove what seems to be set stain at all. Don't take chances with your good clothes. Send them to us.

Longwood To Host Hollywood Stars

By Donna Estes
The city of Longwood is bracing itself for an invasion of Hollywood celebrities and technicians not to mention 50 and 60 Seminole Indians, who will be arriving Oct. 19 to begin shooting scenes for Nova Film Productions new film, "Night of the Laughing Owls."

First Baptist To Conduct Revival

The Reverend Fred B. Chance, pastor of the First Baptist Church here will conduct Revival services in his own church, Sunday through Sunday week. Services will be held each evening at 7:30 except Saturday.

Rev. Chance who recently observed his second anniversary at First Baptist Church came to Sanford from Pensacola, where he was pastor of the Myrtle Grove Baptist Church for ten years.

During the past two years the membership of First Baptist Church has increased from 1,876 to 1,717 members. There have been 306 received into the membership during this time.

Assisting Rev. Chance in the Revival will be Al and Ivy Walsh, a personable husband-wife Evangelistic Music team from Atlanta, Ga. Mr. Walsh will lead the singing and sing duets with his wife. Mrs. Walsh, a dramatic soprano, will serve as soloist and will accompany the con-

Couple Guests At Church Fete

By JoAnn Hays

Rev. and Mrs. W. M. Grogan and twin sons, Jim and Joe, were special guests of the First Baptist Church of Geneva at a covered dish dinner held on the last night of a study course completed this week.

Rev. Grogan is the new pastor of the Geneva church and will assume his pastoral duties as soon as he is able to move his family from Tennessee.

Mrs. Bobbie Brady, Sunday School superintendent, reports the program and the supper were well attended.

VFW Auxiliary Visits Mother

By Donna Estes

The Auxiliary Unit of South Seminole VFW Post 8207 of Longwood recently paid a visit to honor their Gold Star Mother, Mrs. Ruth Smith, at her home in Sanford.

They took with them punch and cake. Those making the visit were Mrs. Virginia McManus, president; Mrs. Ruby Hopkins, secretary; Mrs. Irene March, Mrs. Lucy McGuire, Mrs. Eva Wynn, and Mrs. Edna Norman.

Heading the cast will be Robert Taylor, Ann Francis, Brenda Scott and Chad Everett, who will stay at the Langford Hotel in Winter Park while working in this area.

Clothing Class Set Wednesday

Myrtle Wilson, Home Demonstration agent will start a beginners' class in clothing construction Wednesday at the County Agricultural Building on 17-92 (South of Sanford).

The class will run 6 weeks from 9 a.m. to 11 a.m. Please call the agent's office if you wish to enroll in the class. The class will be every Wednesday.

REV. FRED B. CHANCE

Homemakers At Board Meeting

By Donna Estes

Seven members of the Longwood Extension Homemakers Club attended the county council meeting and officers training session held at the Home Demonstration Center in Sanford Tuesday.

The meeting was conducted by Mrs. Kay Sasman, county council president; and Miss Myrtle Wilson, county home demonstration agent.

Metropolitan Life Tells Of Leadership

NEW YORK, N. Y.—Metropolitan Life Insurance Company touched off a major "leadership" advertising campaign Monday and today with displays in more than 700 daily newspapers.

The full-page advertisements, keyed to the new theme, were to be carried in newspapers throughout the country. Other ads, elaborating the campaign theme of company service to its policyholders and the nation's economy, will follow in magazines and Sunday supplements.

The nationwide newspaper advertisement asks, and answers, the question, "How come 44,000,000 people are insured by Metropolitan Life—more than by any other company in the world?"

Uphold Rights Law, Lady Bird Asks South

ABOARD THE LADY BIRD, SPECIAL (UPI) — Lady Bird Johnson expressed her love for the South today and said she was certain it would rise "to the hard duty" of assuring equal and constitutional rights to all Americans.

The First Lady referred to the civil rights issue in a speech prepared for a train-side rally at Alexandria, Va., first stop on her four-day, 1,682-mile whistlestop tour of eight southern states.

Mrs. Johnson, standing on the rear platform of the train with President Johnson by her side, said:

"The law to assure equal rights passed by Congress last July with three-fourths of the Republicans joining two-thirds of the Democrats has been received by the South for the most part in a way that is a great credit to local leadership—the mayors and ministers, white merchants and Negro leaders, to all the Mr. and Mrs. John Citizens who live in our communities.

"This convinces me of something I have always believed—that there is, in this South, more love than hate.

"I think we all understand that the hard duty of assuring equal and constitutional rights to all Americans falls not only on the President of the United States, but upon all who love this land. I am sure we will rise to that duty."

The Texas-born First Lady spoke of the "strain in the South from national life" and said she shared the "concern that has come with this strain."

"I share the irritation when unthinking people make snide jokes about 'corncob' and 'red necks' as if the history and tradition of our region could be dismissed with ridicule," she said.

"For the good of the country," she said, "we must search for the ties that bind us together but not settle for the tensions that tend to divide us."

"We are a nation of laws, not men, and our greatness is our ability to adjust to the national consensus."

SNAS COMMANDING OFFICER, Capt. C. W. Swanson (left) chats with Seminole Memorial Hospital Administrator Bob Bessner (center) and Charlie Morrison of the Seminole County Chamber of Commerce during the trade body's first Coffee Club session held recently at the Naval base.

Barry Plans To Send Ike To South Viet Nam

WASHINGTON (UPI) — Sen. Barry M. Goldwater pledged, if elected, to ask former President Dwight D. Eisenhower to go to South Viet Nam on a "critical mission" aimed at solving the crisis there.

The Republican presidential nominee made the promise in a statement Monday night, on the eve of resuming his campaign travels after a weekend of rest in Washington. He visits a three-county suburban area near Philadelphia today for his first campaign foray into Pennsylvania.

In his statement Monday night, Goldwater said that if he becomes president he will ask Eisenhower "to head up a group of qualified experts to go to South Viet Nam and report back to me on the situation in Southeast Asia."

He said he hoped Eisenhower would be assisted by such "men of ability and experience" as former Rep. Walter H. Judd, R-Minn.; retired Gen. Mark W. Clark, now president of The Citadel Military College of Charleston, S. C., and former United Nations commander in Korea, and Adm. Arleigh A. Burke, former chief of naval operations.

"If I am elected, I intend to come to grips with this vital question and, at that time, I want the very best and soundest advice available. I believe a group of experts headed by Gen. Eisenhower could provide that advice."

DIVERSIFIED COOPERATIVE TRAINING class at Seminole High School has elected these new officers for the year. In the front row are Fay Dunaway, reporter; Donna Foley, historian; Leonard Aucoin, president; Doug Braswell, sergeant-at-arms; Joyce Stanley, secretary and Neil Stafford, vice president; in the second row are Don Sapp, treasurer; Edward Burnham, parliamentarian and Jim Bowlin, chaplain. (Herald Photo)

RVAH-3 Learns Of Traffic Regulations

Sgt. Jim McKinnon of the Florida Highway Patrol recently acquainted 31 men attending Reconnaissance Attack Squadron Three's (RVAH-3) indoctrination program with highway laws and safety.

Substituting for Sgt. Vince Smallwood, Sgt. McKinnon discussed traffic laws aboard the Sanford Naval Air Station and Florida's driving regulations. The sergeant also reviewed the latest changes in highway regulations and explained their importance to military personnel. A film on traffic hazards was also shown to the group following the lecture. Some of the movies that have been viewed are "Defensive Driving," "Signal 30," and "Death on the Highway."

Mr. Wesley E. Giles, SNAS Safety Engineer and Lt. George A. Hoffman, Information and Education Officer, RVAH-3, co-ordinate with the Department of Public Safety, Division of Florida Highway Patrol, in scheduling the monthly safe-driving presentation. Three is the only squadron aboard SNAS that has this type of lecture, which is just part of the X-ray indoctrination program prepared for newly reporting men.

This particular safety discussion, with the film presentation, places emphasis on RVAH-3's campaign to reduce auto violations. During 1964, the squadron personnel, by their efforts, have won the John H. Bear Safe Driving Memorial Plaque three times.

The things some people do indicate that they should let somebody else do their thinking.

SGT. JIM MCKINNON

Voting Pointers Given By GOP Club At DeBarry

By Mrs. Frank White

DeBarry Manor residents were given voter assistance as part of the 1964 DeBarry Republican Club campaign to get every potential voter registered, and every qualified voter to exercise his voting privilege.

Club members, Judge Albert D. Williams and Earl Merrill met with the residents and staff of DeBarry Manor on Wednesday to explain registration and absentee voting under Florida Laws. Questions on special situations were answered and the solution to a number of unusual voting problems worked out.

Administrator John Jenkins offered to furnish transportation to any wishing to go to DeLand to register or change their address and five took advantage of this offer. He also offered transportation to the polls on election day for those able to travel.

Judge Williams explained the procedure for obtaining absentee ballots and said he would be glad to come to the manor to notarize any application. Five persons who had not lived in Florida 12 months planned to apply to their former homes and others unable to travel expressed disappointment at not being able to register.

"With some able-bodied people unwilling to take the trouble to register it is most heartening," said Judge Williams, "that these people with health handicaps are so anxious to vote."

Garden Club To Meet Thursday At Allamonte

By Julia Bartos

The first general meeting of the Allamonte Springs Garden Club will be held Thursday at the community house starting at 8:30 p.m. with a covered dish supper.

Russell S. Rudd of Sanford from the state conservation department, will talk on birds and conservation and show slides. Literature will be available to members.

The committee in charge for the evening will be Lt. and Mrs. Glenn Humes, chairman, Mr. and Mrs. W. D. Medcalf, Mr. and Mrs. Walter C. Cope, Mr. and Mrs. Roland D. Masten, and Mr. and Mrs. W. J. Norton.

A meeting of the executive board was held Thursday night at the community house to make plans for the first general meeting. There was a discussion of activities and entertainment for the year.

Resignations of several members were passed on and new members' names were submitted to be voted on at the meeting Thursday.

The club regretfully accepted the resignation of Miss Constance K. Maley, recording secretary, who is moving to Gauley Bridge, W. Va., to be near her sister. She hopes to return to Florida in the future.

A lot of gals are up to their necks in the swimming spots, especially the skinny ones.

Longwood Meeting

The Woman's Auxiliary to the Longwood Fire Department will meet at 8 p. m. today (Tuesday) at the fire hall on Wilma St. Mrs. Jean Willis, president will conduct the meeting.

TV Networks' Earnings Up

WASHINGTON (UPI) — A television trade publication says the three major television networks and the stations they own earned a record \$138.2 million before taxes in 1963.

The weekly Television Digest said the Columbia Broadcasting System (CBS) earned \$73 million, the National Broadcasting Company (NBC), \$51.6 million, and American Broadcasting Company (ABC) \$11.6 million.

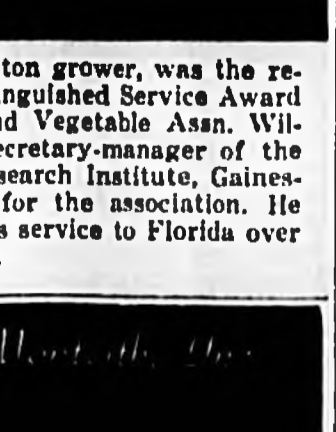

Over-all, the Digest said, the three networks earned 22.3 per cent more last year than they did in 1962. It said the profits figures were obtained "from very reliable N. Y. sources."

J. ABNEY COX, Princeton grower, was the recipient of the 1964 Distinguished Service Award of the Florida Fruit and Vegetable Assn. Willard M. Fifield (left) secretary-manager of the Florida Agricultural Research Institute, Gainesville, made the award for the association. He cited Cox for his selfless service to Florida over a period of many years.

Now! '65 Chevrolet

'65 Chevrolet Impala Sport Coupe—with new Sweep-line roof.

If what you see moves you, wait'll you take the wheel

(V8's with—GRRR!—up to 400 hp)

One look at those longer, wider lines tells you it's the kind of car you just couldn't buy before without getting into the higher price brackets. But one drive will tell you a lot more.

You've got your kind of engine going for you. There's an even half dozen available this year—anything you name from a quieter 6 to a V8 with the authority of 400 hp.

And the road feels like satin because our engineers came up with a new Full Coil suspension system, teamed it with a Wide-Stance design, and made our famous

Jet-smooth ride even smoother and more stable.

On top of that, you've got the kind of space and comfort you'd expect to pay a lot more than a Chevrolet price for. And the kind of elegance, too. Like the look of fine walnut on the Impala's new instrument panel. The tailored wall panels under the frameless curved windows. And Body by Fisher craftsmanship.

Beginning to feel like it's your kind of car? There'll be no doubt about it when you drive the real thing at your Chevrolet dealer's.

THIS PAIR OF SEMINOLES PLAYED HAVOC with whatever pass defense the Evans Trojans had cooked up for Friday night's tilt with the Sanford eleven. Here's the Tribe's Chuck Scott (20) hauling down a Ron Hinson aerial on Evans' eight-yard line. Scott, who scored on two of these plays, went the distance for the touchdown. With him is SHS's Bill Kuykendall (80).

Hoople Goes Way Out: Oklahoma Over Texas

By Major Ames B. Hoople
Fearless Forecaster
Read, friends, your congratulatory messages overflowing!

Nearly two weeks have passed since the Hoople System correctly forecast that Kentucky—a 20-point underdog—would triumph over No. 1 rated Mississippi, and still the laudatory letters pour in. Predicting this stunning upset was really nothing unusual as longtime followers of the Hoople Forecasts will know. I dare say no other forecaster had the intestinal fortitude to cast his lot with the Kentucky Wildcats—Harrumph!

prizing card for your reading pleasure.

This week we will again witness some amazing upsets. The Oklahoma Sooners, humiliated by Southern California in their last game, will rally their forces to score an astonishing 24-14 victory over archenemy Texas.

In Jacksonville, Fla., Georgia Tech will turn on its favored guests from the U. S. Naval Academy. I predict a 23-22 triumph for Tech.

Now on with the forecast:
Oregon, 41, Idaho 16
Illinois 21, Ohio State 26
Indiana 27, Iowa 19
Missouri 17, Kansas State 7

Junior Bowling League Expands Loop Program

It appears there may be no limit to the improvement in the bowling of young "stars" in the Saturday morning Bantam and Junior Leagues at Jet Lanes since high averages being reported by the future "pros" are enough to make adults blush.

Leader of the Junior bowlers, a group of youngsters in the 13 through 16 age bracket, is Jim Woods who has an average of 191.

This means he is on the same level as the very best male bowlers in the Sanford area.

vision, Kevin (the bomber) Spolski is showing the way with a 150 average, not bud considering that the national average for male adults is 153.

Much of the success these youngsters enjoy can be attributed to coaches Eleanor Anderson and Garry Fox who have worked with them to correct flaws that they may have developed during the course of their league matches.

In addition to the improvement of the bowlers in general, their numbers have increased to the point where it is now necessary to place five bowlers on a team. For the past several years the teams played with four on a squad. The loop bowls every Saturday at 9:30 a.m. If there are any young bowling enthusiasts who would like to join a wholesome, fun-filled group, they are invited to be on hand. During the course of the season, many events are planned for the bowlers such as parties, banquets, trophy tournaments, shirt awards to name only a few of the many and all this at a nominal cost to the youngster.

is now necessary to place five bowlers on a team. For the past several years the teams played with four on a squad. The loop bowls every Saturday at 9:30 a.m. If there are any young bowling enthusiasts who would like to join a wholesome, fun-filled group, they are invited to be on hand. During the course of the season, many events are planned for the bowlers such as parties, banquets, trophy tournaments, shirt awards to name only a few of the many and all this at a nominal cost to the youngster.

Georgia meets Texas and Florida plays Wake Forest in the first round of the 14th Annual Gator Bowl basketball tournament on Dec. 23.

Bobby Joe Green, the Chicago Bears' outstanding punter, holds the Gator Bowl record for the longest kick. The slender Oklahoman sent one 76 yards against Mississippi in 1962 for Florida.

Sanford, Florida

OFFICIAL ENTRY BLANK

(Reasonable Facsimile also Accepted)

My Name Is Address

- | | |
|------------------------------|--------------|
| Mary Carter Paints | Winner |
| Seminole County Laundry | Winner |
| George's Tavern | Winner |
| Whataburger | Winner |
| Senkarik Glass & Paint, Inc. | Winner |
| Gregory Lumber Co. | Winner |
| Southern Air | Winner |
| Wilson-Maier Furniture | Winner |
| Sears | Winner |
| Lake Monroe Inn | Winner |

I think will be the most points scored in any one game.

Winners Of Last Week's Contest:

FIRST PRIZE—\$10—Lan Zwick, 2613 S. Key Ave.
SECOND PRIZE—\$6—Bill Moore, 406 Palmetto Ave. Apt. No. 2.
THIRD PRIZE—\$4—Warren Harman, 414 W. Crystal Dr.

CONTEST RULES

• 10 football games this weekend are placed, one in each ad on this page. Indicate winner by writing in the name of team opposite the advertiser's name on the Entry Blank. No scores. Just pick winners.

• Pick a number which you think will be the highest number of points scored in any one game on this page and place this number in the space provided in Entry Blank. This will be used to break ties.

One entry only to each contestant. Entries must be brought to the office of this paper or postmarked no later than Friday Noon, Oct. 9.

Horoscope Forecast

WEDNESDAY, OCT. 7, 1944

GENERAL TENDENCIES:

For the past several days you have been in a highly cooperative mood, willing to go along with others and making some progress towards solving some of your problems. NOW you are determined to "produce results" of a definite nature, which is excellent so long as you do so with tact.

ARIES (March 21 to April 19) If you get an early start, you will be able to keep all promises made to others that are vital to your well being. Don't forget tax, insurance matters. Working is ideal momentarily.

TAURUS (April 20 to May 20) This is the day to confer with partners and come to a real understanding that brings respect to both sides. Impress them with your understanding. Listen carefully to ideas first.

GEMINI (May 21 to June 21) By getting to work enthusiastically, you get the approval of higher-ups and gain good will you had not enjoyed before. Gain the respect of co-workers, too. Be very efficient.

MOON CHILDREN (June 22 to July 31) Fine day and evening to commercialize on your particular talents. You then have time and are also in the mood for reaction you like. Find the right pals to go with you.

LEO (July 22 to August 21) You are able to follow through on any plans that concern both home and family with ease today. By being practical you can establish far greater security. Benefits can certainly accrue.

VIRGO (August 22 to September 21) Meticulousness with which you tackle certain aspects of your life determine the success you will have in the future. Dig up the most important information. Show you are wise.

LIBRA (September 22 to October 21) You have fine business acumen and should impress this upon business contacts now. Be sure to handle finances wisely. Then the future looks far brighter, more affluent.

SCORPIO (October 22 to November 21) Being more sociable with associates is best way to get them to go along with your ideas now. You are highly magnetic now. Make new contacts that mean more and better business.

SAGITTARIUS (November 22 to December 21) Delve into all the sources of information available that give you data you require, especially in personal matters. Clear up misunderstandings. Be romantic in P.M.

CAPRICORN (December 22 to January 20) Now you have the perspicacity to know who are your best friends and contacts and to make it a point to get in touch with them. Tough off new social rapport, too. Be kind.

AQUARIUS (January 21 to February 19) Highly discerning higher-ups now understand your finest talents and will do much to assist you to commercialize on them. Get into civic works, too. Be a model citizen.

PISCES (February 20 to March 20) You are now able to garner that information that has been eluding you for some time. You also find that a new friend comes forth with ideas, data you want. Be clever.

IF YOUR CHILD IS BORN TODAY, he or she will be one of those clever persons who can carry through with the most intricate of plans, but has to have others point out the very basic points, first. Give finest education and spiritual training here since the mind is a powerful one and a tremendous success is possible as well as the ability to be of real assistance to the multitudes.

"The Stars Impel, they do not compel." What you make of your life is largely up to YOU!

How come 44,000,000 people are insured by Metropolitan Life —more than by any other company in the world?

Mostly it's because our customers like the way we treat them—and their money. Big as Metropolitan is, we've never lost the personal touch.

With 31,000 field representatives across the continent—a staff of 64,000 in all—Metropolitan always has someone nearby to give personal attention to every claim or question.

These advisers are specially trained to give Metropolitan's famous Family Security Check-Up. This is a clear-eyed analysis of your family's financial security that often turns up assets you never even knew you had.

Your Metropolitan adviser can also show you a number of ways to stretch your coverage far beyond what you thought your budget would allow.

For example, take a simple Metropolitan income rider. This can make a \$10,000 policy pay off as much as \$50,000 to your wife and kids. Something to look into.

Also, be sure to ask how you can start collecting from Metropolitan while you're still around. One way

is an ingenious plan that lets you turn an ordinary policy into a retirement fund any time you feel like it.

These are a few of the facts and figures that explain why Metropolitan advisers are asked to give thousands of Family Security Check-Ups every day. And why one out of every five people in the U.S. and Canada is insured by Metropolitan. And also why one out of every two Metropolitan life policies bought, is bought by one of our present policyholders.

Now—here are some other reasons why more people choose Metropolitan:

- We pay policyholders and beneficiaries an average of a million dollars an hour every business day. Last year, that added up to over \$2 billion. And two-thirds went to living policyholders.

- Metropolitan offers an unusually wide range of life and health plans and annuities. This permits your Metropolitan adviser to tailor a program specifically to your needs. We can insure you for any amount from \$500 to a cool \$5 million—or even more.

- Nearly half the 100 largest U.S. industrial corporations (plus 42,000 other companies large and small) insure their employees with Metropolitan.

- Metropolitan has more life insurance in force than any other company—more than \$107 billion.

- A pioneer in health education, Metropolitan has given away 1.8 billion pieces of health and safety literature.

- Metropolitan invests an average of \$8 million every business day in U.S. and Canadian communities—spurring new ventures such as jet aviation and modern housing—stimulating jobs for millions—and getting a good return for our policyholders at the same time.

Remember, after the three basic necessities, food, clothing and shelter, the Fourth Necessity is enough life insurance. And the company you get it from can make a difference—a very big difference in the security you provide for your family.

Why not call your local Metropolitan adviser? There's no obligation...except to those you love.

More choose Metropolitan Life
millions more than any other company

Speeder Jailed Here Reported Escapee Under U. S. Sentence

'Book' Thrown At Suspect In Lake Plunge

Additional charges have been lodged against a young Jacksonville man nabbed by city and state police last Friday after a high speed chase ended in Lake Monroe.

The youth who at the time of his arraignment before County Judge C. Vernon Mize identified himself as Donald B. Reynolds, 24, of Jacksonville, now faces charges of:

Being a federal prison escapee.

Driving a car which was stolen from Jacksonville.

Using a fictitious name.

Driving without a license.

Resisting arrest.

The defendant is already serving his 60 day sentence on a reckless driving charge, having been sentenced last Friday by Judge Mize.

Sheriff's deputies said a fingerprint check showed the youth is in reality Oliver Lee Harness and that he was born in Clinton, Tenn., Feb. 8, 1942, making him 22 years old instead of 24.

Harness, alias Reynolds, was serving concurrent sentences of 18 months on federal and state charges. Deputies said they did not know the nature of the arrests and convictions.

He was lodged in the Division of Correction, Gainesville, at the time of his escape, police added.

Harness was chased on Highway 17-92 Friday morning from a point in South Seminole County and at speeds up to 110 miles an hour when his car failed to make a left turn off French Avenue near the lake, headed straight into the lake and the car was completely submerged except for the radio antenna.

Harness, a woman passenger and her six-month-old child struggled to safety on the seawall. None was injured.

Florida Highway Patrolman J. L. Sikes reported he clocked the car at top speeds and summoned aid from city police. Two local patrol cars joined in the pre-dawn chase.

Arrested later that morning before Judge Mize, Harness said he had driven from Jacksonville to Lake Wales to pick up the woman and her baby after getting off work the night before.

He turned around, he said, and started back and when nearing Sanford "blacked out" and did not remember anything until just prior to heading into the lake.

He denied resisting arrest, claiming the blackout, and said he had a driving license but his wallet was in possession of his girl friend.

Those three charges, resisting arrest, reckless driving and the license count were lodged shortly after his accident.

Racist Arrested In Bank Robbery

McCOMB, Miss. (UPI)—A wealthy McComb man's son, already charged in connection with recent racial violence in this area, today was arrested on bank robbery charges.

Authorities said Sterling Lewis (Bubba) Gillis, 35, who had been released on bond on the earlier charge, was picked up at his home here this morning and charged with robbing the Monticello bank at Monticello, Miss., last March 2.

GOLDWATER BACKERS are getting ready for a rally this Thursday at 8 p.m. at the Civic Center when the guest speaker will be Rep. William V. Chappell, former Florida House of Representatives speaker. Shown are, from left, George Hurden, Mrs. Robert L. Johnson, Mrs. O. G. Bryant and Kenneth Leffler. The lecture is open to the public. (Herald Photo)

Davis Raps GOP At Demo Rally

By Julian Stenstrom
Associate Editor

"The tea party is over and the fight is on," declared Joe Davis, Democratic candidate for re-election to the state's House of Representatives, during a rally last night opening the party's headquarters at Altamonte Springs.

Davis lashed out at Seminole County Republican candidates who he said have "inferred that present Democratic office holders are not capable

of good government and lack integrity.

"They've been holding coffees and teas all around the county," said Davis, "and make no mistake about it—they're working hard. They're hoping to ride into office on the coat tails of their national leader.

"But I resent these inferences about Democratic candidates," said the usually mild-mannered Davis who began to sound more like a preacher

on the last night of a revival meeting.

He charged that none of the Democratic opponents had to fight their way through primaries and that they were hand-picked by GOP leaders.

"On the other hand, Davis stated: "We fought it out with party opponents in tough primary elections.

"The Republican candidates have nothing to offer and I'm confident the electors in Seminole are intelligent enough to vote for the candidates of the party with a program."

"My opponent, for example," said Davis, "is an Orange County physician who says that there are too many lawyers and real estate men in the legislature. He says that seven per cent of the state budget deals with welfare and that a medical man is needed."

"But," said Davis, "I'm not concerned with just seven per cent of the budget. I'm concerned with all 100 per cent of it, particularly the 63 per cent which is expended for education."

Davis concluded that Seminole will have only one voice in the House starting in 1965 and that "The County will need a voice that will be heard."

He listed the seven committee assignments he had in the last session and enumerated his efforts on behalf of the St. Johns Indian River Canal, the College bond amendment, a junior college for Seminole, vocational-technical training facilities and his position on state issues.

Other speakers included Lawrence Swafford, candidate for county commissioner; Mrs. Mary Earle Walker, candidate for re-election as county tax assessor; Al Davis, candidate for justice of the peace and Jim Birkenmeyer, candidate for the school board.

Sanford Man Dies In Orlando

Hiram Wesley Shannon Sr., of 2900 French Ave., died early today at the Florida Sanitarium and Hospital in Orlando at the age of 83.

He has been a resident of Sanford for the past forty years and is a retired farmer and school teacher.

He is survived by his wife and 12 children.

Note Rejected

MOSCOW (UPI) — The United States and Britain today rejected an "unsatisfactory" Soviet note accusing three American military attaches and a British officer of spying in Siberia.

Sanford Demo HQ To Open This Week

The Democratic Committee Headquarters will be located later this week at the site of the former Silver Dollar shoe store, First Street and Magnolia Avenue.

The announcement was made this morning by Dr. Vincent Roberts, Seminole County chairman of the Citizens for Johnson Committee.

Dr. Roberts said the building will also house volunteer workers for all Democratic candidates in the county.

He said telephones will be installed shortly and the number will be announced in 'The Herald'. He called for volunteers to work in the offices, manning telephones, answering queries of visitors to it and distributing literature and other campaign material.

Additional material has been ordered from Democratic Headquarters in New York City and other points and will be available shortly after the offices are open.

Dr. Roberts says he will attend a workshop panel session Monday at 7 p.m. at the Robert Meyer Motel, Orlando, at which time top Democratic leaders will prepare for President Johnson's visit to this state.

Among those attending will be Parks Rusk, brother to U. S. Secretary of State Dean Rusk; Tom Fleming, state campaign chairman for LBJ for FLA Committee; and Tom Adams, Florida's secretary of state.

Chilly Weather Ups Fire Calls

Chilly weather has started the calls to fire headquarters when defective heaters cause trouble.

Firemen report they received a call at 7:10 p.m. Tuesday to 126 Country Club Dr. when a heater was found defective. The home is owned by H. J. Hutchison.

Exile Welcome

MIAMI (UPI) — Miami's Cuban exile colony, which rolled out the red carpet for President Kennedy here in 1962, is expected to give another blue-ribbon welcome Wednesday night, this time to GOP vice presidential candidate William Miller.

Monday, Chief Cleveland spoke and showed a film at the Rotary Club, at the Little Red Schoolhouse and also at the West Side-Grammar School.

Tuesday, fire prevention programs were carried out at All Souls Parochial School and West Side Elementary.

Today, Chief Cleveland was slated to speak to the South Side Elementary School at 9 a. m. and to the members of the Kiwanis Club at noon at the Civic Center.

Thursday, Goldsboro Elementary School and the Sanford-Seminole Jaycees will hear about fire prevention and on Friday talks and films are scheduled at Pinecrest and Hopper Elementary Schools.

The growth and development of the local fire department has been under the leadership of Chief Cleveland for the past 40 years and he began his service at the fire department 44 years ago.

"GRAY EAGLE" Rear Admiral Robert Goldthwaite visited Sanford Naval Air Station Tuesday and is shown above, left, being escorted from his aircraft by Capt. James O. Mayo, commander Reconnaissance Attack Wing One. Admiral Goldthwaite, is tagged the "Gray Eagle" because he has the longest naval flight service on active duty. (Herald Photo)

Development Firm Shows Fast Growth

By Harry I. Johnson
Managing Editor

Seven directors of the Sanford-Seminole Development Co., Inc., were unanimously re-elected Tuesday night at the annual stockholders meeting in the Seminole County Cham-

ber of Commerce rooms. Chosen to serve for another year are Clifford W. McKibbin Jr., Francis E. Roumillat Jr., George Touhy, T. E. Tucker, Jack I. Greene, S. J. Davis Jr. and W. A. Patrick.

Stockholders requested the secretary, Touhy, to cast one vote in electing the directors.

Following the meeting, the directors re-elected McKibbin as president for the fourth consecutive term.

Stockholders were told of the rapid, steady progress made by the Development Company in the past four years; how it was instrumental in assisting industries to locate here and how it has several other "prospects" for this area.

The corporation was set up primarily to attract new industries to Seminole County and it works in close cooperation with the Chamber's Industrial Committee headed by Scott Burns.

Since its start four years ago, the corporation has paid a six per cent dividend to stockholders and that was declared last June 30.

Burns cited the work of the corporation and compared it with other communities which have "Committees of 100" striving to do the same work.

"They are floundering," he said and pointed to the positive steps taken by the local group.

Other communities have obtained information on the local setup and patterned similar ones after it. Such corporations, almost without fail, stockholders were told, have made virtually immediate advancements in obtaining industries.

Touhy praised the efforts of the corporation's executive vice president, John Krider, and called for a "suitable recognition" of his work. The president, McKibbin, said he would appoint a committee in the near future to obtain such a tribute for Krider.

The newly-elected directors chose officers for the ensuing year. All re-elected, they are: President, McKibbin; vice president, Roumillat; executive vice president, Krider; secretary, Touhy, and treasurer, Roy F. Mann.

SAIGON, Viet Nam (UPI)—Communist Viet Cong guerrillas today shot down three U. S. Army aircraft and overran a government district headquarters in the Mekong delta.

A U. S. military spokesman said at least three, and possibly all five American crewmen, were killed when their HU-1B combat helicopter was shot down only 12 miles west of Saigon. He said the helicopter went down in flames and exploded on impact.

Wounded Boy Still Confined

Billy O'Connor, 10-year-old son of Mrs. Joseph O'Connor, 108 Mellenville, is still confined to Holiday Hospital in Orlando as a result of being hit in the eye with shotgun pellets last Saturday morning.

Mrs. O'Connor said today that it had not yet been determined if his sight will be impaired.

Billy was riding on a trailer with two other youths Saturday near Golden Lake when a hunter, unknown to local authorities, fired in the direction of the trailer. All of the youngsters were peppered by the pellets.

Young O'Connor was given emergency treatment at the Sanford Naval Air Station Dispensary and transferred to Orlando. The other two youths were not seriously injured.

Reds Shoot Down 3 U. S. Planes

SAIGON, Viet Nam (UPI)—Communist Viet Cong guerrillas today shot down three U. S. Army aircraft and overran a government district headquarters in the Mekong delta.

A U. S. military spokesman said at least three, and possibly all five American crewmen, were killed when their HU-1B combat helicopter was shot down only 12 miles west of Saigon. He said the helicopter went down in flames and exploded on impact.

Southwest Area Workers Briefed On UF Drive

Residents of southwest Seminole County are preparing a spirited drive to make sure that everyone in that section knows about the 1964 United Fund campaign and has an opportunity to support this single drive for the multiple agencies which serve the community.

Heading this effort is Dick Ostrander of Bear Lake Manor, G. Troy Ray Jr., chairman of the county-wide campaign, met with Ostrander and his committee members Monday to provide the campaign materials — posters, streamers, car bumper stickers, pledge cards, explanatory pamphlets, etc. The campaign opens Monday.

Members of this committee are Ostrander, Mrs. Agnes G. Ostrander and Mrs. Albert Jacobs of Bear Lake Manor; Mrs. Jim Anerum of Big Bear Lake North; Paul Kliner of Lake Branley; Mrs. Guy Brewster of Bear Lake Hills; Mrs. Frank Royston of Oakland Hills; Mrs. Dee Reilly of Big Bear Lake South, and Lyle Christiansen and Louis Stubbs of Forest City.

Ray pointed out that the campaign committee's emphasis this year is to bring all of the county into the once-a-year appeal for funds.

Ostrander outlined plans for volunteer workers who will cover the area and Ray said that one aim of the committee is to make it as easy as possible to contribute to the fund.

Other communities have obtained information on the local setup and patterned similar ones after it. Such corporations, almost without fail, stockholders were told, have made virtually immediate advancements in obtaining industries.

Touhy praised the efforts of the corporation's executive vice president, John Krider, and called for a "suitable recognition" of his work. The president, McKibbin, said he would appoint a committee in the near future to obtain such a tribute for Krider.

The newly-elected directors chose officers for the ensuing year. All re-elected, they are: President, McKibbin; vice president, Roumillat; executive vice president, Krider; secretary, Touhy, and treasurer, Roy F. Mann.

SAIGON, Viet Nam (UPI)—Communist Viet Cong guerrillas today shot down three U. S. Army aircraft and overran a government district headquarters in the Mekong delta.

A U. S. military spokesman said at least three, and possibly all five American crewmen, were killed when their HU-1B combat helicopter was shot down only 12 miles west of Saigon. He said the helicopter went down in flames and exploded on impact.

Fire Prevention Week Observed

Fire Prevention Week is in full swing in the Sanford area, with a full slate of educational programs planned for each day of the week, Fire Chief Mack Cleveland has announced.

Monday, Chief Cleveland spoke and showed a film at the Rotary Club, at the Little Red Schoolhouse and also at the West Side-Grammar School.

Tuesday, fire prevention programs were carried out at All Souls Parochial School and West Side Elementary.

Today, Chief Cleveland was slated to speak to the South Side Elementary School at 9 a. m. and to the members of the Kiwanis Club at noon at the Civic Center.

Thursday, Goldsboro Elementary School and the Sanford-Seminole Jaycees will hear about fire prevention and on Friday talks and films are scheduled at Pinecrest and Hopper Elementary Schools.

The growth and development of the local fire department has been under the leadership of Chief Cleveland for the past 40 years and he began his service at the fire department 44 years ago.

Hospital Given High Praise

Seminole Memorial Hospital received high praise Monday from Dr. John Jewett, Associate Professor of Obstetrics and Gynecology at Harvard Medical School.

Dr. Jewett, who was one of the guest speakers at the American College of Obstetrics and Gynecology held in Jacksonville last week, was the guest of Dr. Vincent Roberts of Sanford.

Jewett toured the local hospital Monday and viewed the proposed plans for the new 60 bed wing.

He told Hospital Administrator Robert Bessner and Chairman of the Board A. H. Peterson, Sr. that he was extremely impressed with the physical plant layout and the competent staff. The visiting doctor also sampled the hospital food and pronounced it good.

Dr. Jewett told Dr. Roberts that he saw many good ideas being utilized in the local institution which he would like to see incorporated in the hospitals in Boston with which he is affiliated.

"The hospital you have here would compare favorably with that in any community of this size in the nation," Dr. Jewett is reported to have said.

He complimented the hospital trustees and the administrator on their far-sightedness and planning.

Mrs. Jewett accompanied her husband on his visit here and both were taken on a tour of Central Florida's high spots by Dr. and Mrs. Roberts.

Demos In County 5 To 1 Over GOPs

Democrats outnumber Republicans in Seminole County by almost 5 to 1, according to records compiled by Mrs. Camilla Bruce in the voter registrar's office.

She reports a total of 23,479 persons registered for the November election prior to closing of the books last Saturday afternoon and called the signups "an all-time record."

Mrs. Bruce said that among the registrants were two white persons signing as Prohibitionists. The compilation

Demos In County 5 To 1 Over GOPs

includes 103 incomplete registrations from servicemen now out of the community but, she added, they will be sent absentee ballots and are to be counted among the total.

A breakdown of the registration shows: White Democrats, 15,473; Negro Democrats, 3,698; white Republicans, 3,729; Negro Republicans, 122; white Independents, 275; Negro Independents, 7; white Non-partisans, 72; white Prohibitionists, 2.
