Asks Citizens To Speak Out On Cuban Trade

Stone Urges Ford To Work With Congress On Energy

By GLENN MCCASLAND
Herald Staff Writer

U.S. Sen. Richard Stone, D-Fla., today urged President Ford to sit down with Congressional leaders and "hammer out something that makes sense" in energy legislation.

Stone issued his appeal to Ford during an appearance at a Greater Sanford Chamber of Commerce-sponsored "personality breakfast" at the Civic Center.

The senator also said he opposed lifting the trade embargo on Cuban goods.

"President Ford should not

call back the Congress, but should ask the leadership and from our recesses and sit down with him at the White House and hammer out something that makes sense to all persons involved," Stone said.

The senator said that Ford "wants one package" and

"The President will veto what we passed and we'll be right back where we started."

— Senator Richard Stone

"Congress wants another" on recess, Stone continued. "The energy problem. "We President will veto what we passed a measure and went into

where we started."

Stone said that "old-fashioned give and take" in White House talks with the Congressional leadership, something which would be acceptable should appear.

Stone, who has spent the weekend meeting people in five Central Florida counties, also urged Sanford and Seminole County residents to "make your

voice heard" regarding the possible lifting of trade bans with the Castro regime in Cuba.

"Many people automatically assume to start trading with Castro is good. That is the way the New York City and Washington papers are reacting.

Pelley Seeks Impasse Declaration

SEA, Board In Salary Deadlock

By ED PRICKETT
Herald Staff Writer

While School Board members prepared for an executive session later today, the board's chief negotiator asked the Public Employee Relations Commission (PERC) to officially declare an impasse in ongoing negotiations with the county's 1,462 teachers.

Chief Negotiator Harry Pelley said talks between the Seminole Education Association (SEA) and board negotiators will end tomorrow and a \$150 to \$250-a-day arbitrator will be called in to resolve unsettled issues unless talks today and tomorrow produce a contract agreement.

"If we do not reach agreement by the end of the day tomorrow, negotiations will cease," — School Board Negotiator Harry Pelley

Items tabled by both teams.

Rosenthal was pleased to learn about today's executive session between Pelley and the board.

"I'm glad," he said, "now maybe we'll be able to break loose on some items."

PERC has presented Pelley

with three names of arbitrators

to choose from. Fees range

from \$150 to \$250 daily.

The cost would be split between the board and the SEA.

During today's meeting,

Rosenthal turned down all three

names, choosing instead to let

PERC assign a special master.

Rosenthal reiterated SEA's demand for a mediator

to try and resolve five articles

which have been tabled. But

Pelley said he received a call

Friday asking if a mediator was

still in dead center."

"I informed officials I felt no need of a mediator," Pelley said.

"I'm sorry, that's not our opinion," Rosenthal told Pelley.

SEA was the first to ask for a mediator. Pelley all along has insisted on a special master. A special master is an arbitrator assigned by PERC.

His decisions are binding

board approval. A mediator simply makes recommendations and attempts to get both parties to agree on a contract without going to arbitration.

SEA has also asked that

At present, however, the board's top offer is still \$200, Pelley said.

By law, talks were at impasse Aug. 2, (Saturday) but Pelley

Sanford Junior League All-Stars In Quest For State Championship

The Sanford Junior League All-Stars came out of the loser's bracket to win the District IV tournament that began today at St. Petersburg.

The All-Stars square off with West Palm Beach at 2 p.m. today. A win would boost Sanford into a 6 p.m. game tomorrow.

The tourney is single elimination which means if a team loses it is out, unlike the district — pay

double elimination.

Eight teams have won district events to earn the right to compete in the state tourney.

The All-Stars left Sanford at noon yesterday after taking a final workout Saturday at 4 p.m. at the Junior League Field behind Sanford Memorial Stadium.

Manager Earl Smith started the following lineup today: Chris Riggins, right field; Ed Bussa,

pitching; Joe Smith, shortstop; Jim Edmonds, first base; Duane Lee, third base; Mike Link, second base; Pat Johnson, centerfield. Smith says it's a pay for the left field and catcher's positions.

Candidates for these spots are Marty Roberts, Ricky Wells, Michael Wright, Ken Perry, Wayne Lee, Steve Dietrich, Wayne Lively, and Greg Rape.

Homer Makes Doyle Master Of Majors

By THE ASSOCIATED PRESS

For Denny Doyle, one hit was enough to make him the master of the major leagues. For Paul Splittorff, one hit was enough to keep him completely maturing the A's in the A's.

Doyle's first-inning, two-run homer gave him hits in 21 consecutive games, the longest streak in the majors this season, and helped propel Boston's red-hot Red Sox to a 6-4 victory over Detroit.

Claudell Washington's hit, a first-inning single, was enough to keep Splitteroff from pitching a no-hitter. The Kansas City underdog down the final 26 batters faced off the Royals rode John Mayberry's two-run homer and George Brett's three-run double to a 5-0 whitewash of the A's.

Royals 4, A's 0

Eric Soderholm's three-run homer highlighted a four-run uprising in the first inning that carried Minnesota to its first-game triumph, then rookie Dan Ford hit a bases-loaded double to climax an eight-run third inning that gave the Twins their second doubleheader sweep in two days over the White Sox.

Twins 7-2, White Sox 4

Jim Stelan pitched a three-hitter, lost a no-hit bid on a seventh-inning single by Lee May, and Bobby Mitchell homered to help the Brewers beat Baltimore, who fell 9-4 games back of Boston in the East.

two-run homer in the fourth inning and Ben Oglive's two-run single in the eighth pulled Detroit into a 4-4 tie. But Cecil Cooper jumped on the first pitch in the bottom of the eighth for a home run, 10-4, and the score stood.

The Red Sox winning their fifth straight game and 26th in their last 28 added an insurance run when Dick Burleson walked, took second on a grounder and scored on Doyle's single.

Dodgers Fall 15½ Behind Reds Lead League In Doctor Bills, Too

By THE ASSOCIATED PRESS

The Cincinnati Reds, the team that has everything, leads the league in doctor bills, according to head cheerleader Sparky Anderson. So scratch one alibi for the Los Angeles Dodgers.

The Dodgers, expected to repeat as National League West champions or at least battle for the division honor, now find themselves in the middle of a second race with St. Louis.

Concepcion's home, his first since May 21, and Joe Morgan's run-scoring double backed the combined seven-hit pitching of Pat Darcy and Rawley East-

wood.

"This team has everything," said Dave Concepcion, who clubbed a seven-run homer that helped cushion the Reds' triumph, their second in a three-game series against the Dodgers.

"This team has everything," said Carl Morton, a six-hitter and Darrell Evans hit a tie-breaking single. The Braves are now 2½ games behind the Giants in the first game.

"All I hear about are injuries," Anderson said, referring to the Dodgers' rash of

medical ailments. "But I guarantee you we're either even (with) or far ahead of any club with the number of injuries we've had."

wood.

Giants 5-4, Astros 4-0

Milt May knocked in five runs and Jose Cruz' two-run double cracked a 6-6 tie in the sixth inning as Houston salvaged a doubleheader split with San Francisco.

Gary Mathews drove in three runs with a two-run double and a single to lead the Giants to the victory in the opener.

Firkins 5-4, Mets 4-3

The third-place Mets started the day six games back after taking the first three games of this series but dropped to eight games off the pace with their doubleheader loss to the Pirates, leaders in the NL East.

Rickey Henderson drove in four runs with a double and a home run in the nightcap after former Met Duffy Dyer's 15th-inning

homeroom won the opener.

Cubs 6-4, Orioles 1

Unorthodox Martin Heating Things Up In New York

NEW YORK (AP) — Billy Martin, the controversial new manager of the New York Yankees, was asked to categorize himself.

He built divisions titles in Minnesota and Detroit, and he managed Texas to second place last year in the American League's Western Division.

"I do the basics," he admitted. "He is a scholar in the fundamentals of baseball. 'But aside from that, I like to do what the other teams don't expect.'

If there is one thing opposing teams have come to expect from the well-traveled Martin, now managing his fourth major league team, it is competition.

On Saturday, he was named manager of the Yankees, replacing the fired Bill Virdon. And by Sunday, he had a 2-1

record after a doubleheader split with the Cleveland Indians.

Then the question of fines came up.

"I don't believe in fines," he said. "I'm not a fine manager. I can get the point across in other ways. Besides, ballplayers make too much money for it to make that something I like to see."

Martin also was asked if he was going to be a disciplinarian.

"I'm not going to start telling my ballplayers what to do," said Martin. "All I care about is what they do in the

game."

Then the question of fines came up.

"I don't believe in fines," he said. "I'm not a fine manager. I can get the point across in other ways. Besides, ballplayers make too much money for it to make that something I like to see."

Martin has been one of baseball's hottest properties, so it may have been fitting that his first two days of his tenure here were the hottest of the year in New York.

In 1971, he managed the Detroit Tigers

to an Eastern Division crown. Again he became too hot to handle and was fired after he ordered his pitchers to throw spitballs against the Cleveland Indians to protest what he felt was the flagrant use of the spitball by Gaylord Perry.

The Texas Rangers axed Martin on July 21. His dispute with management seemed to come to a head over a catcher named Tom Egan, who had been released by California. Martin wanted him, the Rangers didn't.

On Saturday, he was the hottest of the year in New York.

"I'm not thinking of winning the golf tournament until I got the hole in one," he said. "I really didn't figure I had any chance at all."

Littler: A Pretty Fair Shot

HARRISON, N.Y. (AP) — It was a typical Ge-

orge Washington, 100-degree heat, allowed him to tie weary, willing Julius Boros and go on to a playoff victory in the rich Westchester Classic.

"I was surprised Gene after doing consideration, a pretty fair shot."

"I'm not thinking of winning the golf tournament until I got the hole in one," he said. "I really didn't figure I had any chance at all."

But, propelled by his fifth competitive ace, Littler played his last five holes in four under par. It finished off a six-year .500 that gave him a 271 total for 72 holes over the hot, hilly, humid, haze-covered Westchester Country Club course.

Dome: A Mardi Gras Opening

NEW ORLEANS (AP) — Watching the opening of the \$163 million Louisiana Superdome from seats a dizzying 17 stories up was like watching Mardi Gras from a ferris wheel.

"Somebody's gonna get killed," said a panting spectator who had tolled up the 30 degree grade to the 72nd floor — and missed it.

of middle-aged hackers throughout the world, was obviously suffering in the hot weather the tour has seen this year. He came from five stories off the pace with a final 55, once had the lead alone, had a chance to clinch it with a six-foot birdie putt on the 72nd hole — and missed it.

like you're falling on your face."

"Man, I ain't it something," said another man from a nearby seat.

"Exciting space," observed a young architect in the jargon of his profession.

pended from the stadium's roof 270 feet up.

Dixieland musicians danced on the floor gave way to the New Orleans Summer Pops Orchestra, which in turn stepped aside for Adler Leduc's Cajun fiddlers.

The Southern University band wound up the six-hour free show Sunday. All of it blared from giant speakers sus-

pending from the stadium's roof 270 feet up.

The musicians appeared to play for awhile, but six 22-by-26-foot television screens magnified them in close-up color.

"It's a typical Mardi Gras crowd," said John Pecon Jr., director of security for the Dome.

Carle Borrough clipped the third-floor wall of the tall, wavy hall of the hot, muggy afternoon. He was uninjured.

Pearson's winning speed of 111.79 miles an hour was a race record, but only because it was the first time this rain-plagued event has ever gone the distance.

In Terre Haute, Ind., Gary

wasn't the finisher but he'll have to drive hard if he gets the linebacker slot he's after for the 100th.

Vann, the defending champion, set up a

record after a doubleheader split with the Cleveland Indians.

Varicose Removal Helpful

By LAWRENCE E. LAMB

DEAR DR. LAMB — I am writing to you in reference to my ulcerated varicose veins. I have been bothered with them for years. I had four skin grafts on the left ankle, unfortunately not one taking. I have been told by numerous doctors to use various medications. I have used pressure garments, whirlpool baths, warm soaks, ointments, vitamin E and Arnica. The only time the ulcers healed was after I had given birth on the doctor, a dermatologist, and took my father's advice. He advised me to use constant elevation from bed to wheel chair for over a month. Two ulcers healed but broke out again when I became active again.

The constant elevation is not for me to be able to sit. I really have a problem. Any information would be greatly appreciated.

READER — The dilated varicose veins most people have are superficial veins just under the skin. These cause few symptoms and are more of a cosmetic problem than anything else in most cases.

You also have involvement of the deep veins inside your legs muscle. When these veins have marked swelling and ulceration of the foot and ankle; from varicose veins, it means that the deep veins are incompetent.

Varicose veins no longer are able to function to help drain the leg of venous, un oxygenated blood. This leads to the problems you have had. The blood accumulates literally by running downhill and pooling in the foot, ankle and lower leg, interfering with normal circulation to the skin in these areas. If your feet are elevated the problem won't occur. When you lie down the blood runs out and does not pool.

Pressure garments often work well or at least help some people. That means there must be enough pressure and no localized constriction.

It is better to lie down and have the feet elevated until all the excess fluid is drained out of the tissues before you put them on. That takes some time, so it is best to put on the pressure garment.
