

L. DOHENY, OIL MAGNATE SAYS LEFT FALL SUM OF \$100,000 IN THE HANDS OF FRIENDSHIP

Magnate on the Stand Before Senate Investigating Committee Refutes Fall's Statement

Senate House as Doheny Makes Starting Statement in Sensational Senate Probe of Teapot Dome Oil Lease

WASHINGTON, Jan. 25.—Albert B. Fall, former secretary of the interior, received a loan of \$100,000 from L. Doheny, California oil magnate, Mr. Doheny testified Thursday before the senate teapot dome committee.

The date of the loan was given as Dec. 30, 1921, or more than a year before Secretary Fall signed a contract leasing to Doheny, in the California naval oil reserve of which committeesmen testified Mr. Doheny has testified he expects to make a profit of \$1,000,000.

House Members to Consider Proposal to Draft Tax Bill

WASHINGTON, Jan. 25.—While Republican house members were considering a proposal to draft tax bills of their own Friday, using the Mellon plan as a basis, Secretary Mellon renewed defense of his proposal in an open letter to Senator Couzens, Republican of Michigan.

United States and Mexico to Discuss Trade Relations

MEXICO CITY, Jan. 25.—Fourteen subjects have been listed for presentation at the Second United States-Mexico Trade Conference, to be held in this city Feb. 11-16, inclusive.

MARKETS New Orleans—March 33.33; May 33.06. New York—January 33.12; March 33.40.

MEXICAN TENSION RELIEVED BY THE RECALL OF SHIPS

WASHINGTON, Jan. 25.—Tension over the Mexican situation appeared to have been completely relaxed Thursday when the state department announced that American vessels ordered to Vera Cruz and Tampico were already in process of being withdrawn from all Mexican waters since the rebel leaders had abandoned their attempted blockade of Tampico and had ordered mines removed from the harbor under their control.

WASHINGTON, Jan. 25.—Announcement was made Thursday night that the funeral of Lenin had been postponed from Saturday until Sunday.

AMUSEMENTS

AT THE MILANE

Few young stars on the screen are better equipped in personal characteristics and well rounded talents to portray the role of a home-loving wife than Barbara Castleton who appears in just such a part in Daniel Carson Goodman's sensational document of human passions, 'What's Wrong With the Women?'

Exquisite Grounds Draw Many to The Volusia Co. Fair

(By The Associated Press) DELAND, Jan. 24.—The first annual Volusia county fair opened Tuesday morning on schedule time. In the past nine weeks a large force of workers have built a fair plant the equal of any in the state. Everything is modern and complete, the building having a physical valuation of more than \$60,000.

MOTORISTS FROM HENDERSONVILLE MAY VISIT HERE

Second Annual Motorcade Will Tour Florida Beginning At Many Cities In State.

By The Associated Press. HENDERSONVILLE, N. C., Jan. 24.—The second annual Hendersonville-Florida motorcade, under the auspices of the Hendersonville Chamber of Commerce, will leave the mountain city about Feb. 6, for a two weeks tour of Sunshine Land.

Hendersonville, especially in the past few years, has become the summer playground of a great number of Florida people, many of whom own but and even palatial homes in the "Land of the Sky."

Florida people, it is claimed, own several million dollars worth of valuable recreation property in Hendersonville, and in the immediate section, and during the past summer developed many beautiful mountain retreats.

The Hendersonville boosters have been urged by practically every city in Florida to visit their particular section, and have had some difficulty in trying to accommodate their schedules so that this may be done.

Hendersonville is situated on the famous Route "A", just about halfway between Jacksonville and Cincinnati, which highway brought into Florida last winter, it is estimated, more than 80,000 motor vehicles from the central south and middle west.

ville orphanage. Let us make it as much as we can. Mrs. Hilmar Lundquist spent the afternoon Tuesday with Mrs. August Swanson. Mr. Swanson is still not able to be up. His brother, Niel and wife stopped in to see them Sunday.

Mr. and Mrs. Noah Fry, Mrs. a friend, Mr. Bigler, from Windermere took dinner Sunday with Mr. and Mrs. T. O. Tyrer. Elmer Tyner motored to Windermere Tuesday with his sister, Miss Eunice Tyner. Mr. Malm also went for the trip.

Emil Magnusson came Sunday to spend the day with his home-folk.

It is fine weather now for the radio fans. We recently enjoyed an evening listening to a symphony concert at Pittsburg over the set owned by Valie Williams.

We hear that Charlie Beck is sick again. Rev. J. S. Clark and wife were with us Sunday. Mrs. Clark went with him to Sorrento as did Clark Pedmore, their little grand-son.

Mrs. Clark is always such a help with the music at the church. Next Sunday we plan to take up our special offering for the Jacksonville orphanage.

Mr. Whiddon of the Sanford Pressing Club has recently purchased the piece of land adjacent to the Presbyterian church and G. Hirschi place and is improving it very rapidly, clearing and fencing and getting ready to build. This section can't help but grow with its fine lakes, good roads, golf links, fine orange groves and churches.

CLASS MEETS

The T. E. L. class of the First Baptist Church held a very interesting business meeting at the church Jan. 21, with 18 members present. The certificate of enrollment was presented by the president, Mrs. Beck. Rev. F. D. King was present and discussed the duties of the class officers. Class adjourned to meet the first Monday in February.

Beautifying The Gardens By The Use of Shrubbery

Two suburban dwellers a few years ago, before property prices began soaring, bought modest homes on adjoining 50-foot lots. There was little to choose between the two houses, they being very similar in style and quality with the same number of rooms. One owner expended a few hundred dollars on trees, shrubs, vines, bulbs and plants for the decoration of his home, converting the back yard into a very attractive and artistic flower garden.

Last year each had an offer to sell. One was offered \$6,000 and the other \$2,500. The larger offer was made by the man who had provided decorative planting. Both houses had been kept in excellent repair. Here was a concrete example of the value in cash of decorative planting. In the \$6,000 garden, the main dependence had been on annuals after the early bulbs and shrubs and the June perennials had bloomed. Marigolds, both French and African were used in bold groups. Scarlet sinnias gave the needed color element. Blue annual larkspurs and white flowering tri-acco relieved the brilliancy of the yellow and scarlet of the marigolds and zinnias.

Asters made a fine September display. Spiderwort was planted in nooks among the shrubbery to enliven the greenery of the foliage after the blooming period. In fact, this little garden became the show place of the neighborhood. After the initial expenditure for the trees and shrubs, the yearly upkeep seldom ran over \$5 for seeds and a few plants.

Aside from the satisfaction of having a liberal supply of flowers for cutting right at the door and the beauty and comfort they lend to the home atmosphere, they add real value to property. Many real estate men, realizing the attractiveness of decorative planting, are now seeing to it that their property is made attractive and hire landscapers to keep it in trim until it is sold.

Any home owner may have beautiful home grounds even on a small lot the very first year of his occupancy by the use of annuals judiciously planted and arranged about his premises. The cost of seeds is enough to make a beautiful and artistic garden a slight one, and the care required will not be more than a few hours a week after the initial preparation of digging and fertilizing.

UPSALLIE AND GRAPEVILLE

Next Sunday Rev. O. O. Eckardt of Pierson is expected here to preach at the Lutheran Church. Mr. and Mrs. Dan Hodges and children of Sanford were callers at the home of their parents, Mr. and Mrs. Ehrensperger on Sunday.

Mrs. A. H. Lundquist and daughter, Melva, returned on Jan. 13, after a few weeks spent with relatives and friends at Winter Garden, Arcadia and Lakeland.

Mr. and Mrs. Clark Pierson and children were callers at the of Mr. and Mrs. G. Hirschi Sunday, going from there to Paola to see Grand-mother Smith who has not been well lately.

Mrs. Valie Williams motored to Orlando Wednesday of last week and on Saturday called on Mrs. W. H. Henderson at Geneva. Mr. and Mrs. Morgan Lloyd and children and sister, Miss Johnie Lucas went Sunday with his sister at Bithloe.

Mrs. G. Hirschi returned home Saturday from a 12 days visit at the Fernald-Laughton hospital, under the care of Dr. Langley. While there Mrs. Clark and Mrs. Alfred Erickson called to see her. Rev. Albertson and wife were callers at the home, Monday.

MUNICIPAL COURT CASES.

Nine cases were tried in Municipal Court Wednesday morning before Judge J. G. Sharon. The cases and fines were: Alva Stinson, charged with having liquor in his possession, failed to appear and his bond of \$100 was forfeited; Myrtle Irick wanted on the same charge, was fined \$50 and costs; J. K. Bullard charged with being drunk and disorderly failed to appear and his bond of \$25 was forfeited. L. O. Bullard charged with being disorderly also failed to show up and his bond of \$10 was forfeited. The case of Dick McPherson was continued until Friday; C. M. Roberts, speeding, \$3 and costs; H. W. Loosing, speeding, same issue, \$3.00 plus \$3.00 for speeding, transferred to county court; Milton Lark, disorderly, \$5 and costs.

MARKETS.

Carpod shipments reported for Wednesday, Jan. 23: California, 21; New York, 6; Florida, 64. Total, 91. Total shipments to date this year new celery, (Florida) 912. Total shipments to date this year old celery (1933 crop), 16,579. CITY HALL FOR ORLANDO.

(By The Associated Press) ORLANDO, Jan. 24.—Plans have been drawn up by the city authorities for a combination city hall and auditorium to be built in the block bounded by South Orange avenue, South Boone and Jackson streets, and the voters will be asked to pass on a proposal to buy this property in an election February 12. The plans call for an auditorium about 120 by 152 feet, with a seating capacity of 3,500 persons.

Argentines will raise more cotton next year. Tell the boll weevils. They like to travel.

THAT PRESSING NEED

Did you ever notice that often you need a certain thing or a certain person at a certain time? The need is urgent, pressing and must be met at once if you would accomplish the end you have in view. Whenever you find yourself up against such a situation, do not fret and acid, and complain—for there are ways provided to meet just such emergencies—they are Herald WANT ADS.

The next time you need extra help quick, you must have expert assistance at once—or you must immediately sell something you have. Try the service of Herald WANT ADS and be convinced.

To reach all the people effectively—leave your Want Ad at The Herald Office. Phone us to send for it or phone it to the Want Ad Department.

Opening Up of the Big Douglas Section Offers a Real Opportunity

THE DOUGLAS fruit farm has for many years been one of the landmarks of suburban Miami. Home folks have always known it as one of the best fruit groves in Dade County. When the Douglas Grove was purchased by Coral Gables last summer it was recognized as a master stroke in the advancement and development of the great suburb. Next to Coral Gables is the most famous grove in the western part of the Miami District, and its strategical location brought the eastern boundary of Coral Gables almost a mile nearer to Miami.

Now—Douglas Grove has become the Douglas Section of Coral Gables, and the first offering of plots is made. Now—Douglas Section is being improved, beautified and developed as all of Coral Gables has been during the past two years. Now—Douglas Section is being made a distinctive unit of Coral Gables by the erection of high-grade apartment houses, the building of a fine Stadium not only for good sport but also for outdoor theatrical productions. And now—your opportunity is here to buy fine plots in the Douglas Section at a most desirable figure while the great work of its development goes steadily on.

Come to Coral Gables today as our guest. Come aboard one of the comfortable de luxe Pullman buses on the greatest free sightseeing trip in America today. Come and see for yourself the opportunity that is offered you in the Douglas Section. Make your reservation at the local office now and avoid disappointment.

Ph.D.s and M.A.s Breaking into Vaudeville

JANE AND GINGER RODGERS

University of Missouri Co-eds Champion Syncope

"You really can't utilize your college education unless you go on the stage," declare Jane and Ginger Rodgers, pretty young graduates of the University of Missouri, who, to the amazement of their highbrow friends, including their Kappa Kappa Gamma sorority sisters, have just taken themselves and their "masters' degrees to vaudeville. They got the degrees while training to become professors of Latin, but between lessons went in for amateur theatricals and though they led their Latin classes, this never brought them much fame on the campus as Jane's ability to write snappy lines and Ginger's cleverness at getting their over. "We got a lot of offers in the Latin field," said Jane, who has

irresistible red curls, "and really we had to worm our way into vaudeville, but I am convinced we've chosen well. With our college degrees, we got so much that we could never use as Latin teachers—poise, the ability to make friends and a certain knowledge of life that would simply be lost if we became 'profs.'"

"Besides, Ginger and I have a theory about taming jazz that we want to try out. We believe that a college degree decorated with common sense is going to make a lot of money for those owning them by proving to intellectuals that jazz is the most moving, stirring music in the world. "Take this melody from 'No, No, Nora,' the new fox trot:

NOTICE OF LAND SALE.

Notice is hereby given that under and by the authority of that certain execution issued out of the Circuit Court, Seventh Judicial Circuit, in and for Seminole County, Florida, hearing date of February 21, 1923, which said execution is based on a certain judgment of said court, rendered in that certain cause lately pending therein, where Henry Abraham, Edward Abraham and Albert Abraham, trading as Abraham Bros. Horse & Mule Co., were plaintiffs and O. C. Bryant, Defendant, I have levied upon the following described land, to-wit: West half of Southeast quarter of Northwest quarter, Section 5, Township 21 South, Range 20 East, (Less North and South five acres) in Seminole County, Florida, as the property of O. C. Bryant. And also notice is hereby given that I shall offer for sale and sell to the highest bidder for cash the above described property at the front-door of the Court House of

Sanford, Florida, on Monday, February 19th, 1924, between the hours of 11:00 and 2:00 o'clock in the day (time, to satisfy, the said execution). Dated at Sanford, Seminole County, Florida, this 20th day of December, A. D. 1923.

C. M. HAND,
An Sheriff of Seminole County Florida.

Outrunning The Marathoner

When 10,000 ancient Greeks drove the Persian hordes from the plains of Marathon, they at once dispatched a courier to Athens to bear intelligence of their victory.

It took the messenger hours to reach the city, and so breathless was he that, as the people thronged eagerly about him to hear the news, he merely gasped, "Victory is ours—and fell dead. That was several hundred years B. C.

Today, the papers of the world would get the news almost simultaneously with its happenings, slap extras on their presses, and shortly the thrilling story would be in the hands of some millions of readers.

Papers have supplanted the courier, multiplied his effectiveness and increased his speed a hundred-fold.

Not only does the newspaper make public the news in the world of events, but it also keeps our information up-to-date on every article of human need, whether food, clothing, household appliances, necessities or luxuries. The latter news is found in the advertisements.

Advertising will help you. Whether you realize it or not, advertising is a big, vital force in your life. Through it, American genius and American manufacturers are putting within your reach the many comforts and conveniences of modern life.

Do not overlook this mighty and indispensable service which this paper offers with the rest of the day's news.

Read the advertisements Regularly

You can get the most food value out of wheat by eating bakings that are made from good plain flour. A dependable baking powder must be employed or you do not get the full nutritious value of the wheat—nor will your bakings be as palatable and easily digested.

The same results cannot be had if you use Self Rising Flours, which are improperly packed in porous sacks or bags, thus allowing absorption of moisture from the air. Food authorities and physicians agree that bakings that do not raise properly are bad for health. Such foods are hard to digest and in time cause stomach trouble.

Mothers who are interested in the proper growth and health of their children (and all mothers are) should never use anything but a good brand of plain flour and a time-tested leavener such as Calumet—the economy Baking Powder.

Calumet has more than the ordinary leavening strength. It raises every baking to its height of nutritious value. It is pure and dependable—do not look for a substitute—there is none.

Use Calumet and be positive of wholesome nutritious and economical foods.

We Must Get Higher Prices for Your Vegetables

We sell your vegetables on a straight commission. Therefore the more we get for your crop, the more money we make. If we had no other motive than to make all the money we could, we would naturally exert every effort to get the very top market prices.

But even if our profit did not depend on getting the best prices, we would still have to beat usual prices in order to hold our business. For our customers would not stay with us year after year unless they received satisfactory prices. And the fact that 90% of our customers have sold through us for many years, is proof that they get better service, in every way, from us than they could receive elsewhere.

Although we invariably pay growers and shippers within 24 hours after sale, we give credit to our buyers. A large percentage of the 300 to 350 men, who buy daily from us, haven't the capital to pay cash and must buy where their credit is good. Naturally, they are willing to pay us higher prices for this accommodation.

If you want the best market prices obtainable, ship us your next car. Our book, "More Dollars for Fruit Growers," tells about other features we offer that are sure to interest you. Write for a copy now, while you think of it.

The Fruit Auction Co.

Established 1896

207-208 Franklin Street, New York City

For the convenience of Florida shippers, New York Auction Market information may be obtained at the office of C. V. Chewning, Orlando.

SANFORD'S MARKET SECTION

ENTERTAINING WITH EASE

By HELEN HARRINGTON DOWNING

You do not need a corps of trained servants in order to entertain leisurely. If you plan your dinner carefully and start your planning when you buy the food, you can be an ideal hostess even though you are your own kitchen maid.

Food buying is probably the most important part of the modern housewife's work.

Too often foods are judged by price and not enough attention is paid to the quality and time saving features. Both are highly important and should be considered with special care when the guests are coming.

Two good rules for the woman who would be an interesting, careful hostess are: Make sure of absolute high quality in all foods by insisting on dependable brands and keep on hand some of the approved foods all ready to serve. With these precautions observed entertaining becomes truly enjoyable.

There is now so wide a variety of prepared foods on the market that it is an easy matter to make

out an entire menu of unusually good things to eat which require practically no preparation with-in the home.

Delicious canned meats, boned chicken, or chicken a la king, meat loaves, all varieties of vegetables and other accompaniments, cheese chased ready to serve, all cut down the number of hours formerly spent in cooking and give the housewife more time to enjoy her family or guests.

With a small emergency shelf supply ready for unexpected occasions, and a few suggestive menus all ready to choose from, the feat of unexpected guests is entirely allayed.

EASILY PREPARED DINNERS

Canned Roast Beef
Corn Fritters Baked Potatoes
Shortcake with Whipped Cream
Coffee
Cream of Tomato Soup
Canned Pork and Beans
Sauteed Potatoes
Hot Baking Powder Biscuits
Fruit Jelly
Coffee

STRAWBERRY SHORTCAKE

Make dough as for Standard Biscuit adding a heaping tablespoon of sugar to the baking powder and flour, if sweet shortcake is wanted. Divide into two parts, butter the dough and bake 15 to 20 minutes in moderate oven. Brush with melted fat. Crush the strawberries and add sugar enough to make juicy before spreading between the layers, and on top of shortcake. Whipped cream sweetened and flavored to taste can be added.

STANDARD BAKING POWDER BISCUITS

4 cups flour
1 or 2 tablespoons butter or lard
4 level teaspoons Calumet Baking Powder
1 level teaspoon salt
About 2 cups of milk or water, more or less, enough to mix a very soft dough.
Sift flour, salt and baking powder together thoroughly. Rub in shortening with fingers, flexible knife, known as spatula, or round edge of a large spoon. With a spoon can be made to do better work than the fingers. Add milk or water, as cold as possible, mixing to a very soft dough. Mix with a spoon or flexible knife, in preference to using the warm hand. Turn dough on a well floured board, and roll out lightly till half an inch thick. Cut into biscuits and lay in baking pan, not too closely. Bake in hot oven from 12 to 15 minutes.

that it is at the right temperature for the best cooking. Not more than four or five doughnuts should be fried at one time when using a medium sized kettle such as is found in the average kitchen. A larger number will cool the fat and the result is the doughnuts are apt to crack. Neither will fried food be as crisp if cooked in too much of a hurry. Slow but not too slow cooking is preferable.

The frying basket should be lowered gently into the hot fat until the contents are completely covered with the hot fat. After frying, lift up the basket and allow it to hang on a hook or strip at side of kettle, and drain off any excess fat. Lift out doughnuts on to a piece of clean unglazed brown paper, which will absorb any further grease. Change the paper as soon as it becomes greasy.

Calumet Doughnuts
4 cups flour
4 level teaspoons Calumet Baking Powder
1/2 level teaspoon salt
1 cup sugar
2 eggs, beaten together
2 tablespoons melted butter
1 cup milk
Sift flour, then measure, add baking powder and salt and sift three times, put sugar and butter together, add well-beaten eggs, then flour and milk alternately. Turn out on a well floured board and roll out 1/2 inch thick. Cut with doughnut cutter. Let stand five minutes and fry in a kettle of hot fat. Vanilla or cinnamon may be added.

SOUPS

By HELEN H. FARRINGTON

With the approach of the cold, frosty days of Winter, we are all more or less inclined toward the piping hot dishes, and especially soups, fragrant and appetizing, served as a first course, or possibly heavier soups to form the main dish. This, with bread and butter, hot baking powder biscuits or corn-bread, makes an excellent and nourishing meal for both children and grown-ups.

Soup, in most instances, is a very economical and wholesome food. An inexpensive and at the same time most palatable one may be made from bits of meat and vegetables combined with a stock saved from the preparation of some other food. Where all fresh meat and vegetables must be purchased just for the soup, of course, it is more expensive. This is especially true of the small families where the housewife is better able to regulate the amount of food to be bought and cooked for each meal, so that there are few leftovers. In this case, it is advisable to keep a few cans of some well known quality brand of commercial soup on the pantry shelves, as an emergency stock.

There are two classes of soups—milk and stock soups—and these include practically all kinds. Vegetables are combined with either milk or meat stock, or both. The many varieties of soup get their names from the different materials used in them, which give substance and flavor.

Some of the vegetables most commonly used in soups are, potatoes, young carrots, celery, ripe tomatoes, fine corn, parsley, harley, rice, macaroni, baby lima beans, Dutch cabbage, okra, onions and sweet red peppers.

For soup stocks, pieces of rough muscle and bone, such as shin, neck, ox-tails and calves' heads, are used. Smoked, salted, or very fat meat in any large quantity is undesirable, although sometimes a bit of ham or bacon is used for flavor.

The general rule for stock is to allow for every pound of meat and bone, 1 quart of water, 1 teaspoon salt, 4 peppercorns, 4 cloves, 1/2 teaspoon mixed herbs, and 1 tablespoon of each vegetable cut fine.

For clear soups, the top should be skimmed as it cooks, however, where nutriment is the chief end, the stock should not be skimmed for this would mean removing a large part of the albumen and globulin of the meat. When the soup has been cooked sufficiently, it should be allowed to cool so that the fat will rise to the top and can be taken off. It is then ready to re-heat and serve.

For invalids, clear broths or consommés and tomato soups are preferred. For the heartier appetite, vegetable, meat and vegetable mixed, ox-tail and chicken soups are delicious.

Here are given some recipes selected to represent the various types of soup, and which may be further modified by the housewife to suit her needs.

Brown Soup Stock.
4 pounds skin of beef
1/2 teaspoon peppercorns
1/2 bay leaf
4 teaspoons salt
6 cloves
1/2 cup each, turnip, carrot, onion and celery, diced 2 sprigs parsley
4 quarts cold water.
Wipe beef. Cut lean meat into inch cubes. Brown one-third of meat in hot frying pan in the marrow from bone. Put remainder of meat and bone in soup kettle with water and let stand one-half hour. Add browned meat, the vegetables, and seasonings, and heat gradually. Cook slowly five or six hours, keeping just below the boiling point; strain and cool; remove fat.

Vegetable Soup
1 quart stock
1 pint boiling water
1/2 carrot
1/2 potato
1/2 turnip
1/2 cup onion
1/2 cup celery
1/2 cup tomato
1 tablespoon rice
Cut vegetables into uniform pieces or chop fine. Boil carrot and turnip, celery, onions, and rice in water twenty minutes; add other vegetables and cook till tender. Add stock, and salt and pepper to taste. Boil ten minutes and serve.

BAKING IN THE HOME

By HELEN H. FARRINGTON

For the past few years there has been a noticeable tendency to buy ready baked and delicatessen foods instead of preparing them at home; and with many it has become a permanent habit, hard to drop.

Lately, however, it has been noticed, home baking is again finding itself of prime importance among other household duties and new as well as old favorite recipes are being exchanged. Card index recipe boxes are given to the bride-to-be; while housewives and students are taking as great pride in showing their ability in the culinary line as the chef and teacher.

Home baked foods have after all the best flavor and taste, and real appreciation is shown when a plate of fresh home baked doughnuts or cruellers are served where bakery goods have been the usual thing, and when hot light crisp fritters are served for dessert, every one is bound to be pleased.

When a platter of piping hot corn fritters or salmon croquettes, seasoned just right, are brought to the table with suitable accompaniment, sauce or gravy, the appreciation shown is sure to repay the efforts of the one who prepared them.

These things certainly show we are getting back some of the good old fashioned days of home happiness.

WATER CARNIVAL PLAN UNDER WAY ROLLINS COLLEGE

WINTER PARK, Fla., Jan. 25.—Great interest about the campus is being developed in preparation for the Spring Water Carnival and Aquatic Meet which takes place during the week of April 26. This annual meet is one of the major attractions at the college and the plans which are being made for this year appear to be such as will make this event even larger and more interesting than those of the past.

High Schools from all over the State of Florida will send teams to compete in the various contests and it is anticipated that several new swimming records will be made.

The College desires to foster Aquatic Sports because of the wonderful situation which the College enjoys in being situated on two very large lakes. Canoe and boat racing, including sculls, will provide ample opportunity for the development of a distinctive attraction for the College.

In carrying on but one or two major sports and in maintaining a strict adherence to the recent rulings of the faculty on academic standards for all athletic contestants, a more intensive spirit among the students is being developed by providing for inter-class and inter-club games, whereby all students will have an opportunity to compete rather than centering all efforts upon a few highly trained men.

All High School principals are urged to communicate with the Athletic Committee of the College in order that application blanks and rulings may be secured in ample time for the sending of a team to this aquatic meet.

Florida High School Basketball Tourney Will Be Open Event

High schools expecting to send basketball teams to the state tournament at Gainesville should note the ruling of R. G. Manchester, at the University of Florida, at least two weeks before the opening, March 7, L. M. McAlpin said.

Secretary of the Florida High School Athletic association, said Wednesday.

Every school in good standing with the association will be allowed to enter a team for the tournament regardless of its season record.

Mr. McAlpin said, "Heretofore, only the winners in each district have been invited."

Expenses of the competing teams will be paid by the squads themselves.

Following are the schools eligible as members of the association to compete this year:

Apopka, Arcadia, Alachua, Brandt, Bonifay, Bradenton, Clearwater, Cocoa, Cedar Key, Citrus, Crescent City, Citrus, Chattahoochee, DeLand, Duval, Dade County, Daytona, Daytona Beach, Dunn, Eustis, Fort Myers, Fort Meade, Fort Pierce, Graceville, Greensborough, Gainesville, Hawthorne.

Hillborough, Homestead, Havana, Kissimmee, Leesburg, Largo, Lake Worth, Lake City, Lakeland, Lake Wales, Mount Dora, Monticello, Mulberry, Miami, Monticello, Madison, New Smyrna, Newberry, Ocala, Orlando, Pasco, Putnam, Plant City, Palmetto, Punta Gorda, Pensacola, Gadsden, St. Cloud, Leon, Umatilla, Sanford, St. Augustine, St. Petersburg, Trenton, Tarpon Springs, Sarasota, Summerlin, Suwannee, Winter Haven, Winter Park, West Palm Beach, Williston, Wauchula, Perry.

Kearns Says Dempsey Will Fight Any Man

MIAMI, Fla., Jan. 25.—Jack Dempsey will fight any man in the world regardless of color or creed just so long as there is a demand by the public for that particular fight and so long as the competent promoter is in charge, Jack Kearns the champion's manager said Thursday.

So far as he knows, Kearns said Dempsey's engagement book is devoid of any notations except a series of exhibition matches which Dempsey is on a tour which will start as soon as the titleholder leaves Miami Beach.

Kearns said his party, including Dempsey and Teddy Hayes, trainer, expect to arrive in New York about March 1 when they may establish training quarters. "Possibly there will be two or three bouts this summer" Kearns said "but these are only prospective."

Dempsey and Kearns will leave Miami Beach in three or four days to start the series of exhibition bouts.

Stribling May Meet Mike McTigue Again

NEW YORK, Jan. 25.—An offer of \$100,000 for matches with Young Stribling, Georgia school boy boxer and Georges Carpentier, of France, was made Thursday to Mike McTigue, world's lightweight champion, by the National Sportsman's Club, of Newark, N. J.

McTigue encountered a demand for \$150,000 for the two bouts at a conference with Harry Blaufuss, representing the Newark club and it was indicated an attempt to reach an agreement would be made within a few days.

The Newark promoters propose to stage a McTigue-Stribling match in March and book the light heavyweight champion, if he conquers the Georgian, for a fight with Carpentier in June.

Florida's Tennis Team Has Strong Fast Opposition

UNIVERSITY OF FLORIDA, Jan. 25.—With two matches already on the records, the University of Florida tennis team now faces strong opposition from college and town representatives.

Thursday when Jacksonville is met in that city, is the next red-letter date for the University racquet artists.

The Jacksonville team now has a 1924 victory over the University of Florida, the University boys will have vengeance in their blood. Following this will be matches with Rollins and Stetson, probably with Orlando and Tampa town teams, and possibly with others.

In the season's first match Florida fell before Jacksonville at Gainesville. With a state championship and an ex-state champion in their group, the Jacksonville team had a theoretical advantage but they had a hard time proving their superiority. The collegians were able to obtain two matches, and make strong bids for others.

Following this, Rollins came to Gainesville, and returned defeated. Four matches to two, Florida's four best, Pomeroy, Bowen, Cloverland, and Russell lost but two singles matches, winning both doubles events and two singles.

OLD TIMER HAS PROVED THAT HE COULD COMEBACK

NEW YORK, Jan. 25.—The comeback to major league stardom of Eugene "Big Boy" Hargrave, Cincinnati catcher, after 12 years of inconspicuous plodding up and down the diamond ladder, was one of the outstanding individual achievements of the 1923 season.

Hargrave, at the age of 31, when many stars are beginning to slip, has just come into his own as one of the hardest hitting and best all-around backstops in the game. Eight years ago he batted .158 in the National League and was shunted back to the bushes. Last season he hit .333 and fielded .988.

Hargrave, whose career is an object lesson in perseverance, started as a catcher back in 1911 with Terre Haute when only 19. He worked for the Hoosier team for three years and then had his first major league try-out with the Chicago Nationals.

He failed to make good, batting around .200 for two seasons, and was sent to Kansas City in the American Association. A couple of seasons later he went down another notch, to Memphis, in the Southern Association.

Hargrave took part in 22 double plays last year and had 26 assists in 109 games. He hit 23 doubles, nine triples and ten home runs.

Stribling May Move to Atlanta, Is Said

Atlanta may become the home of Young Stribling.

"Pa" admitted this Tuesday night when he stopped over en route to Macon from Indianapolis, where his son defeated Harry Fay. It is known that Pa is really considering moving from Macon because of his son being barred from Lanier High School. Dispatches from Miami stated the Striblings had selected the Florida city as their future home.

But last night Pa was informed that the boy had been barred from future contests in that state because of being too prominent in ring circles and many supporters of the youngster will start a move to bring the Striblings here.

When asked if he had any idea of moving here he said, Atlanta may yet be the home of the next world's champion.

The Stribling family once lived in Atlanta, shortly after W. L. was born. They came from Bainbridge, Atlanta was where the youngster first learned to walk and both father and son expressed their approval of the Capitol City.

Stribling will return here Saturday to finish training for his fight with Billy Shade Tuesday night and will also lead the Young Stribling Athletic Club against the strong five of the Maccabees that night.

OCALA SEXTETTE TO BE SANFORD'S NEXT OPPONENT

By Ed Moye.

The Sanford High School girls' sextette play Ocala Saturday night in Ocala.

The girls have been practicing hard this past week and believe they can add Ocala to their victory list. Although Ocala boasts of a strong team this year, the "celery feds" appear to be stronger.

The High School needs the cooperation of the people of Sanford. It takes this as well as the fighting spirit of the team to win.

Sanford High has been playing under difficulties this year. The burning of the Parish House was a heavy blow. Sanford cage teams are used to an indoor court, but have been making the best of what they have. And now they have two teams, both boys and girls, that are equal to any in the state.

The following is the line-up: Lucile Echols, R. F.; Emma Spencer (Capt.), L. F.; Claire Zachary, R. C.; Sarah Martin, J. C.; Maude Carraway, R. G.; Catherine Symes, L. G.

O'ROURKE FINDS CANDIDATES FOR DEMPSEY'S TITLE

(By Robert Edgren.)

Tex O'Rourke who went to England several months ago to try out a lot of heavyweights and find a man to fight for the heavyweight title, has three men in training. In England he first advertised for big men who wanted to become fighters, visited all the boxing clubs, and combed the country for material. Many applied. He selected the three who proved to be the best of the bunch. Price, son of an inn keeper; Ingleton, who resigned from a police force to take up fighting, and Prestage, a boiler maker, are his three "hopes."

Tex says any of the lot could have whipped Beckett without a day's training. They all range between Firpo and Jess Willard. Tex, who never was a boxer, but who boxed quite a little in an amateur way and has the theory of boxing, has coached them quietly. The three train together. The plan is to have them beat all the English heavyweights now fighting, including poor Beckett, and then come to America and start in here.

Several other American managers have hunted through Great Britain for heavyweights. Billy Madden held tournaments all over England and developed Charlie Mitchell, who was a wonder for a small man—never more than a middleweight.

Peter Maher of Ireland, was the best man brought over to try for the championship. Peter had the kick of a mule. He'd be a sensation in the ring today. Peter never was lucky. He knocked Bob Fitzsimmons nearly out once with his first punch, but let Bob get up and swing on him.

No other heavyweights worth mentioning ever were "dug up" by visiting managers. Bombardier Wells came to America and might have made good if Al Palzer hadn't found the weak spot—his stomach—and Gumbel and Smith clipped him on the neck. Wells was a wonderful boxer and a sharp hitter, but couldn't take punches. As a rule that has been the failing of English heavyweights.

To Hold Auto Races South Florida Fair

TAMPA, Jan. 25.—Automobile races meeting out their usual thrills and sensations are again scheduled as a feature attraction at the great South Florida Fair which is scheduled to keep Tampa in a turmoil for the next few weeks.

Saturday Feb. 9th is the day set for the gasoline events and it is thought that they will prove a fitting climax to the appeal program already outlined by the racing officials and Manager Strieder.

Professional events only are to be held this year and they will be run under the rules and regulations of the International Motor Contest Association, the dirt track controlling body which issues sanction for the majority of the dirt track and semi speedway races which are held on the American continent.

Manager Strieder has been trying to get a sanction for a number of years and it was finally granted due to the large number of professional race drivers that annually winter in the south and who are anxious to try out their mounts to keep them in shape for the gruelling week to week contests that keep them busy during the summer months on northern dirt courses.

Entry blanks have been sent out to half a hundred dirt track pilots and it is thought that the largest fields ever seen in the South. Sig

REALIZING AN IDEAL

FRECKLES AND HIS FRIENDS BY BLOSSER

WATER POLO PRACTICE.

MIAMI, Jan. 25.—The Miami Kanoo Klub plans to make its season this year one of more than usual interest to members and those who watch competition between the Kanoo Klub water polo teams. Practice for these events already is progressing, not only for polo, but also for tug-o-war and other stunts. The klub originated and played the first game of canoe polo ever played in this country last November, it is stated.

The hot school lunch gives youngsters the punch.

AMERICA'S BEST STADIUM

JACKSONVILLE, Jan. 25.—If suggestions of City Commissioner Fred M. Valz are followed, Jacksonville's proposed municipal stadium will be a composite structure of the stadiums at Harvard, Princeton, Yale and the most famous municipal stadium of the country. Mr. Valz says he will ask the commission to authorize Captain C. V. Imeson, already connected with the city to inspect stadiums of various colleges and to prepare plans for the local structure afterward.
