Speakers who are looking for a way to "break the ice" might try Florida Farm Bureau Secretary John Ford's formula, which he unintentionally developed while speaking Wednesday to Kiwanis at the Tourist Center.

Northern reformers who think that they know how to tell the South how to be good can thank themselves for the election of Herman Talmadge, son of "Old Gen" in Georgia Wednesday.

Miami's police chief is quoted in the Miami Herald as praising the efficiency of Miami's negro police force.

Neuroses seeking to enter white schools here and there throughout the South as a consequence of prodding by northern agitators, as well as insulting invasions by such unwelcome guests as Henry Wallace should not be allowed by Southern whites or negroes to disrupt the pleasant relations which have existed between the two races for generations.

Fighting Politician

He was the first Republican speaker of the House of Representatives. As a Union general in the War Between the States he was ranked at the start below only Winfield Scott, John C. Fremont and George B. McClellan, all of whom dropped out early in the war.

This was Nathaniel P. Banks, whose name now evokes only blank stares, and whose life has been told in a book with a singularly fit title, "Fighting Politician", by Prof. Fred H. Harrington of the University of Wisconsin.

Banks was essentially a politician, honest but perfectly willing to change his views to stay in office. It was purely for his political strength that Lincoln made him a major-general. This was an old American custom that prevailed in all our wars down to the last two, from both of which it was fortunately absent.

Following successful transmission of a television report of East Coast naval maneuvers, originating at sea and relayed to home receivers by way of land stations, naval officials said that the implications of visual communication between warships under battle conditions are "tremendous and limitless".

But this televising of naval operations at sea inevitably recalls a sea battle of World War II. It was the meeting off the coast of Uruguay of the German pocket battleship Graf Spee and the British cruisers Exeter, Ajax and Achilles.

A dispatch from Paris the other day recounted that the United States embassy there had announced renunciation of citizenship by one Arthur W. Taylor of Pittsburgh, who had served as a captain in the Army during the war.

It is far less easy to gain citizenship in the United States, for the person seeking to do so must compete with countless others for legal permission to enter this country for the purpose of permanent residence.

Giants Drop Second Game Of Finals To Daytona Beach

Locals Are Scheduled To Meet I's Here Tomorrow Night In 4th Tilt Of Series

By ARTHUR BECKWITH, Jr.
Herald Sports Editor

The playoff hungry Daytona Beach Islanders increased their lead over the Sanford Giants by two games last night at the Municipal Park on Saturday evening, when Charlie Bodine allowed his way to a 4 to 0 white-washing of Manager Hal Gruber's rookie-filled Giants organization, before 2,147 screaming fans. The contest was the second game of the four out of seven game final series to determine the winner of the Shaugnessy playoffs in the Florida State League.

Tonight the Giants move to Daytona Beach for the third game of the finals, and return to the Municipal Park on Saturday evening. In the event the fifth contest is played, it will be held in Daytona Beach Sunday afternoon, and the sixth affair will be played here Monday evening.

Manager Gruber indicated last night that he would start left-hander Art Dunham on the mound in Daytona Beach tonight, and, if possible, use Right-hander Buddy Lake here tomorrow evening. However, the Sanford skipper is going to leave Lake's pitching assignment up to Lake himself. "If he feels that he can work a game, then we will give him the okay to pitch, but if he feels that

he cannot pitch, then he will not," Gruber asserted. If Lake cannot pitch the game Saturday evening, it is likely that the Sanford skipper will send Charlie Rose or Bill Mackel to the mound for the fourth game.

The Isles outfield defensive power proved to be the deciding factor in the contest last night, as well as in the first game of the playoff series. Sanford's inability to back up fairly effective pitching by Joe Schultz and Bill Spinks on the answer, Bodine allowed Sanford four hits, two of the infield variety, to keep the Sanford pass. Daytona jammed a pair of runs across the plate in the first inning. Ed Lichens struck out to open the frame, Hank Filipaki loomed a fly into right field. The ball hit in Len Matto's glove, and bounded on into right field. Filipaki pulled up at second, Joe Vitter popped out to Ray Rosenkrantz for whom should have been the third out, but Matto's error gave the Isles life. Ron Tucker drilled a single into right field and Filipaki scored. Tucker stole second, and Ivey singled to left, scoring Rosenkrantz. Buddy Karson threw easy out as he attempted to steal second. That ended the inning.

Daytona tallied another run in the fourth. Ivey grounded out, and Lander went down swinging, but Johnny Toncoff drew a free pass and moved to second on a walk issued to Gus Montalbano by Schultz. Bodine singled to center field, scoring Toncoff.

Toncoff opened the sixth frame

with a single, and was followed by a single to left by Montalbano. Tim Tyler, Sanford's leftfielder, attempted to field the ball, and allowed it to roll far into left field. Toncoff scored from first base on the hit and error.

Filipaki singled to deep center field to open the seventh inning, and was followed by a knock to left by Vitter. At this point Manager Gruber pulled Schultz. Spinks, took over hurling duties. Tucker rifled the first pitch back to Spinks, who threw to Ray Rosenkrantz at first base to double Vitter off the sack. Ivey hit safely into center, and Filipaki tallied.

Spinks missed first base on a cover play at first base on a roller hit by Filipaki as the ninth inning opened. Vitter sacrificed Filipaki to second, and Tucker popped out to center field. Ivey drove a long three base hit into left field, scoring Filipaki to end possibilities in the game.

"Stubby" Stabile will get Manager Sam Demma's call for bill duty tonight for the Isles. He will be seeking his 51st victory of the 1958 Florida State League campaign. Stabile went 28 games in the regular season and has turned in two victories in the playoff series. He trimmed the infamous G-Men in the two appearances.

Mississippi And Florida Gridgers Drill On Pass Defense For Game

By ASSOCIATED PRESS

Football weather visited the University of Mississippi yesterday as the Rebels worked on their defenses, but down at the University of Florida, the Wolfmen simmered under a blazing sun.

Both teams emphasized pass protection and defense. A similar practice session was held by Coach Wally Butts for his University of Georgia Bulldogs.

Butts says he wants Georgia to throw-and complete-lots of passes. Meanwhile, knocking down as many of their enemies' passes as the Bulldogs can, Johnny Blanch and Ray Properi did the tutoring. Gene Tomasco, Bob Waldron and Gus Hellevoy made several fine catches.

At Louisiana State, most of the practice session was devoted to covering punts and kickoffs. The leading chores were handled by Rip Collins, Al Herman, Evert Van Horan and Ken Konz.

The Tennessee Vols were drilled out in the afternoon but worked on offensive and defensive punting drills in the morning session. Coach Bob Neyland set a full-fledged scrimmage for Saturday. First string End Jim Minor returned to work, but Quarterback Orvis Miller went out indefinitely. As he is the Vol's first string blocking back, his loss would be a major blow.

Georgia Tech took it easy after several bruising days. The Yellow Jackets went in for skull practice-perfecting signals, making blocking assignments and working out passing patterns. Saturday it will be back to the rough and tough, with a rowdy scrimmage session. Halfback Dinky Bowen is back to his old self-after recurring injuries sidelined him most of last season. Halfback Red Patton out in some overtime on kickoffs.

Coach Red Drew eased up on his Alabama gridgers, and they romped through a brief drill on pass defense and then went to signal work. Clarence Avinger, soph quarterback, returned to practice after being out with a pulled muscle. His return cleared the injured list.

NET BATTLES DEVELOP

FOREST HILLS, N.Y., Sept. 10 (AP)

With the likes of Jack Kramer no longer on the scene, the battle for the men's singles title in the national tennis championships beginning here today threatens to develop into the wildest scramble since the opening of the Cherokee strain.

Not since 1940, when Don McNeill came along to sidetrack Bobby Riggs for one season, have favorites been so conspicuous by their absence. And few championships in the 67-year history of the event have been as wide open as this one promises to be.

Waycross Takes 2nd Game From Albany In G-F Loop Finals

By ASSOCIATED PRESS

The luck and batting power of the pennant winning Waycross Bears nearly ran out last night in the second game of the final Shaugnessy playoff series game with Albany, but there was just enough left for another Waycross victory.

The 3-1 defeat of the Cards gave Waycross a big two game lead in the series. Albany has yet to win a game in the series. Frank of Albany pitched a tight six-hit game in losing. Albany batters meanwhile, hit Seidel freely for 11 safeties, but not in the pinches.

The Bears got off to a one run lead in the first inning before a home audience. Albany tied up the game in the third and Waycross could not pick up the marl again until the seventh. An extra
