## President Roosevelt Flays All Aggressors

### Insists Isolation Or Neutrality Not Sufficient To Keep America Out Of War

### Asks World For Concerted Action

### Says Peace Loving Nations Must Oppose Treaty Violations

CHICAGO, Oct. 5.—(AP)—President Roosevelt tonight arraigned "aggressor" nations before the bar of world opinion today and called upon peace loving countries to join in a "concerted effort" to restore international tranquility.

Speaking out formally and aggressively on foreign affairs for the first time in months but withholding any definite proposal for an international conference or invocation of peace pacts, he asserted bluntly, in denouncing the outer link bridge here, "There must be positive endeavors to preserve peace."

He said America, determined to stay out of war, "would not stand, if in reply to those who would remain aloof from these efforts have been urging an American neutrality proclamation, declared peace loving nations must make a concerted effort in opposition to those violations of treaties and those ignorances of humane instincts which today are creating a state of international anarchy and instability from which there is no escape through mere isolation or neutrality."

He mentioned six nations by name but his hearers understood he referred to the Sino-Japanese conflict, the Mediterranean submarine attacks, outside interference in the Spanish civil war and possibly the Japanese invasion of Manchuria and Italy's Ethiopian conquest.

President Roosevelt, speaking in St. Paul last night, placed two pieces of major legislation—control of surplus crops for farmers and minimum wages for workers—at the top of his list for Congress to consider next.

Mr. Roosevelt emphasized in an address bristling with "musts" that his administration would back for a crop control bill and a measure establishing minimum wages and maximum hours with anti-child labor provisions.

"As a result of both of these," the President said, "the actual cost of relief for the unemployed should decrease, and existing laws—not higher taxes—should make the financial problem of the United States and Federal governments more easy."

The President said the court "should" be reorganized when it outlawed the Agricultural Adjustment Act. "I have declared the court 'unpacked' legislation besetting labor when it found the NRA unconstitutional."

Mr. Roosevelt emphatically demanded both his farm and labor laws before the crowd that gathered around the rear platform of the special train on which he is returning east after a swing in the Northwest.

## SHANGHAI VICTIM'S LAST TRIBUTE

In a flag-draped casket, the body of Sailor Freddie J. Falgout came to his home at Raceland, La., from Shanghai where he was killed August 20 by shell fragments that showered the U. S. S. Augusta. Sailors from the naval recruiting station served as pallbearers at the funeral in St. Mary's church. Walking behind the casket are Falgout's weeping sweetheart, Louise St. Germain, and his father, Harrison Falgout.

## Plans Are Made \$30,000 In Road Bonds Cancelled For Victory Drive

The Celery Camp, No. 625 of Sanford, will hold its regular weekly meeting at 8:00 o'clock tonight at the American Legion Hut on the Lake Shore, according to an announcement made today by C. C. Collins of the local organization.

## Woodmen To Meet Tonight For Opening Member Campaign

James G. Sharon, Consul Commander, and J. W. Snow, secretary, announced today that plans of a national scope for the celebration of the greatest era of prosperity and progress in the history of the Woodmen of the World, are under way. The plans to be discussed tonight include an expansive membership program to be known as the Victory Drive that will take place from Oct. 1, through Nov. 15, to culminate in a great Victory Jubilee celebration throughout the State at that time.

More than 100 camps in Florida will actively participate in the program and more than 1000 members are expected to be introduced into the society. A series of elaborate meetings and entertainment programs are planned in which many notables of the Order and National figures will participate.

The Society has shown a very substantial gain and an increase in membership of more than 65,000 in slightly more than three years, of which more than 2000 are enrolled in Florida. The feature of the national program will be the Tubercular Hospital at San Antonio, Texas, from which more than 2000 members have been returned to useful citizenship, many of whom are citizens of this state. The Society numbers more than 10,000 members within the State and recently celebrated its 47th anniversary.

## Contest Winners Get Tickets At Herald

The advertising department of The Sanford Herald announced this morning that persons who picked winners in Spear's Pick The Winner Contest last week, may call at The Herald Office for their complimentary ticket to the Ritz Theater for the Wednesday and Thursday attractions.

## Work On Lake County Oil Test Well Resumed

GROVELAND, Oct. 5.—Work at the South Lake oil test well was resumed yesterday after several months of Summer inactivity. J. Ray Arnold, president of companies operating the well, said they will concentrate on re-setting the packer, preparatory to continuing with a production test. It is necessary to adjust the packer because it was allowing too much water to enter the hole, interfering with tests, Mr. Arnold said. He said testing at the 2,000 foot level will begin immediately upon completion of the work.

## Shrapnel Hits Lines Of U.S. Marine Corps

### Japanese Fight Chinese At Close Quarters Near U.S. Lines In Foreign Area

Shrapnel sprayed the United States Marines today when Japanese war planes bombed one of China's largest flour mills just across the boundary from Shanghai's International Settlement.

The Marines evacuated their defense positions nearby for two hours, only 10 yards apart in many places. Chinese and Japanese troops at Shanghai fought fiercely for the ruins that were Chapel.

The Chinese machine guns mowed down attacking Japanese forces like ten pins and Japanese warplanes dumped load after load of bombs on the badly battered north station, heart of the Chinese communications and defense. There was no change in positions.

Pooling, across the Whangpoo from the Settlement's land, again rocked to a Japanese air bombardment. One of 12 Japanese bombers plummeted to destruction in Nantao, just south of the French concession.

Japanese claimed to have destroyed 300 Chinese warplanes in three months, eliminating their air force.

In the far south Chinese reported Japanese had occupied three islands off Kwangtung and were building an airbase on the largest. They feared more bombings of Canton, All American passports have been invalidated for entrance into China.

C. R. Cameron, United States consul general at Tokyo, announced. The Japanese claimed minor advances along the front where.

## Higgins Makes Principal Talk At Jaycee Luncheon

Mayor Edward Higgins was the principal speaker today at the regular weekly luncheon of the Sanford Junior Chamber of Commerce and told the young civic body that plans for the beautification of the Lake Front were forwarded to the State WPA office in Jacksonville for approval.

He added he did not think they would be turned down as the project envisions one of the finest parks in Florida.

The city executive also told the organization of plans for the Sanford Trailer Camp that is to be constructed very soon in order to accommodate some of the tourists that come south every winter.

Mayor Higgins said that the Seminole County Chamber of Commerce made plans for the camp and although the chamber would have to follow through with these plans, the City will donate the property and also \$1,200 dollars toward the building of the camp.

There were several new members present at the luncheon today which was presided over by Eddie Kirchoff and was held in the Valdes Hotel.

## Social Security Head To Address Kiwanians

Eldridge Hart, district chairman of the State Social Security Board, will be the main speaker before the Sanford Kiwanis Club meeting tomorrow when the civic body convenes for its regular weekly luncheon in the grill room of the Valdes Hotel.

James G. Sharon of the program committee made the announcement today and Mr. Hart, whose home is in Winter Park, will speak on the subject of "The Benefits of Social Security to the Aged."

## Bruno Mussolini Leads Air Attack On Spanish Capital

### ROOSEVELT INSPECTS GRAND COULEE DAM

Posted in the rear of the automobile at the fight, President Roosevelt is shown inspecting the Grand Coulee dam, \$200,000,000 federal power and irrigation project on the Columbia river in Washington state. Standing on the running board are his grandchildren, Sisle and Bussie Dell.

## Sanford Budget Is Approved By City Commission

Sanford's operating budget for the 1937-38 fiscal year was formally adopted at the special session of the City Commission last night and the millage for the coming year was set at the same figure as last year.

The budget calls for an expenditure of nearly \$240,000, which is somewhat higher than last year's figure. A larger collection of taxes is expected to cover part of this increase.

The millage for the City was again set at 30 mills, 15 mills for debt service and 15 mills for general government.

The greatest reduction in estimated expenditures for the coming year was in the Water Utility Department. A reduction of nearly \$10,000 was affected in this particular branch of the City government despite the fact that improvements amounting to approximately \$30,000 have been voted for the water plant to be paid in installments from this fund. The amount earmarked for this service was \$21,935 for the coming year against \$31,905 for 1936-37.

## Seminole High Band Will Be Enlarged

The Seminole High School band, under the direction of Prof. T. M. Dollison, has announced that several new instruments will be added to the present number of 30 pieces at an early date. The band will attend nearly all of the Seminole High School football games for the rest of the season and this winter will give several concerts here in Sanford and surrounding cities in Central Florida in order to better the financial condition of the group.

The band is in need of a set of regular dress uniforms and plans are under way at the present time to finance these needs.

## Harold E. Dahl Is Court Martialed

SALAMANCA, Spain, Oct. 5.—(AP)—Harold E. Dahl, 23-year-old Illinois flier who joined the Spanish government air force and was shot down by Spanish insurgents, was court martialed today. He told the court he enlisted with the government as an aviation instructor but was forced to flight.

He expected to be given the death sentence but Generalissimo Franco already has promised Dahl's young wife he will save her husband from the firing squad.

## Non-Stop Flight

MIAMI BEACH, Oct. 5.—(AP)—Bernard MacFadden, 69-year-old publisher and physical culturist, said last night he would leave here at 4 A. M. (EST) today on an attempted non-stop flight to New York.

## Il Duce Replies To Plea For Non-Intervention By Sending Air Corps To Spain

### Pirate Submarine Attacks Warship

### British Destroyer Basilisk Escapes; Sub Is Believed Sunk

LONDON, Oct. 5.—(AP)—The operations of a squadron of the finest Italian bombing planes, piloted by Bruno Mussolini and other aces of the Italian air corps in the service of insurgent Spain, thrust a grave new factor today into the problem of European peace.

Authoritative sources regarded the disclosure in Rome of the aerial expedition as a very serious turn in the international situation made more critical by a new outbreak of "piracy" in the western Mediterranean.

A squadron of 23 fast Italian bombers piloted by the 20-year-old son of Italy's Premier and 23 other prominent airmen, including veterans of the mass flight to the Chicago Century of Progress Exposition, was believed to have made an inaugural attack in the bombardment of Valencia. This disclosure came while British and French officials waited for Italy's reply to a request that Mussolini withdraw all aid from the Spanish insurgents.

The secret of the identity of the "latest submarine" attack within the twisted hulk on the sea bottom off the coast of Spain if seven British warships and two seaplanes succeeded in hitting the attacker with depth bombs. The mystery submarine attacked the British destroyer Basilisk while it was on patrol duty off the Spanish coast. Immediately the British navy set out to get the attacker and officers said they believed they succeeded.

Diplomats said they believed Mussolini sent his son and other Italian airmen to aid the Spanish.

## Walter S. Coleman Qualifies As Candidate For City Commission

Walter S. Coleman, owner and operator of the Coleman Office Equipment here, yesterday afternoon qualified as a candidate for City Commissioner in the coming city election.

Mr. Coleman is the only one to enter his name as a candidate to replace Commissioner W. A. Lefter whose term of office expired in January.

Actively engaged in business in Sanford since 1923, Mr. Coleman is a member of the Presbyterian Church, a past president of the Sanford Kiwanis Club, a director of the Seminole County Chamber of Commerce, a Shriner, and a member of the American Legion. It is the first time he has ever run for a public office.

## Activity Report Of Future Farmers Is Winner In Contest

The activity report of the Seminole Chapter of the Future Farmers of America took first place by a wide margin in the State contest. It was officially announced at the meeting of Vocational Agriculture instructors in the Ocala High School Saturday.

For this honor the local Future Farmer Chapter was awarded a \$25 cash prize and a sterling loving cup valued at \$100. In the contest the Seminole Chapter led its nearest rival by 166 points. The report has been sent to the National Convention in Kansas City but the results of the contest will not be known until after Oct. 20. Alex R. Johnson, advisor of the group, stated.

The Liberty County Chapter was awarded second place in the State contest and the Largo Chapter third.

R. F. Cooper of Oriedo and Mr. Johnson represented the two Seminole County Chapters of Vocational Agriculture at the Ocala parley. All chapters in Central Florida were represented and valuable instructions for efficient supervision of the clubs were given the instructors.

THE LITTLE TOWNS

I like to wander up and down the main street of the little town where each has time to chat, and trade is not the vicious thing of cold and sordid bargaining which marks the grown up cities with their populations fat.

THE GAME OF WAR

Without a doubt certain propaganda organizations are at work in this country endeavoring to stir up sympathies here in favor of one side or the other in the civil war in Spain, or in favor of the Chinese, or the Japanese, as the case may be, in the awful Oriental conflict. It was propaganda, more than anything else, which put this country in a mood for war once before, and it is propaganda which may do it again.

THE EARLY LIFE OF A CELEBRITY

The life of a rich man's son, or that of any other prominent individual such as a governor, senator, or president, is not always milk and honey, as popular opinion would sometimes lead one to believe. Their problems may be different from those of many who may be wondering where their next meal is coming from, but they are none the less acute and sometimes painful.

## Prisoners Stage Hunger Strike In Illinois Prison

CHICAGO, Ill., Oct. 7 (AP)—Three thousand convicts, locked in their cells in the Joliet State Penitentiary, were led on a "hunger strike" today. Convicts had high at Joliet today. "Hunger strikes" which began some months ago at Joliet. Guards wheeled canteens of food down the cellblock corridors, handing the sugar through locked doors to those wanting it. Four hundred other inmates not involved who returned their usual daily trays to the prison shops, were fed in the dining room as usual.  
The strike, estimated about 1000 in all, refused to eat supper.

Seeing the quality and variety of food was one complaint of the prisoners, most of whom earlier in the day spent their meals by simply eating their own and dishes. Within reason, public the menu.  
For dinner the convicts were given hamburger steak, baked potatoes, green bean vegetables, bread and coffee. Lunch consisted of hot stew, dumplings, vegetable soup, and coffee. Stewed beef, corn, and coffee were served for breakfast.  
The warden, who notified all prison guards for duty and announced "We are prepared for any emergency," said the prisoners also were disappointed with new regulations of the prison board, intended to reduce the number of prisoners, the said over three months were granted from

25 applications in September. A. J. Brown, State Director of Public Welfare, declared the "hunger strike" was "undesirable" because it is "incompatible" with the state's interest in the "well-being" of the "prisoners."  
The strike, however, was not a "hunger strike" in the usual sense of the word.

# McLusca Wants Celery Feds In Better Condition For Lake City Game

## McLusca Says Bobart Houser Of Lions Has Better Eleven Than He Coached Last Season

### Coaching Staff Tells Squad That They Must Obey Training Rules And Regulations A Little More

Head Coach Leonard McLusca said the 1937 edition of the Sanford High School Celery Fed football team is a better one than the team he coached last season, emphasizing the necessity of training and to keep in training in order to win a grid ball title.

In a discussion with the squad yesterday, Coach McLusca said he expects that they were better in their training than the Panthers of last year and that he was sure they were in a little bit better condition than was the team that he coached last season.

Following the discussion, the team took over the work of the field and went to work on their blocking and kicking. Coach McLusca said the team had a very good start on the field and that he was sure they were in a little bit better condition than was the team that he coached last season.

## League Warns Japs Against Further War

### Prospects Of Foreign Intervention To Prevent Hostilities Is Made Clear To Them

By The Associated Press  
The League of Nations assembly at Geneva warned Japan today of the possibility of international action unless she agrees to a peaceful nine power settlement of the China conflict.

Meanwhile the world, fearful of widespread war, looked upon President Roosevelt's intimation that the United States is prepared to take active steps for peace, both as a menace and a benefaction.

The German foreign office warned the President to remember the "shipwreck" of President Wilson when he sought to safeguard the peace for all time through the League of Nations.

Japan warned officially that peace may be "difficult to maintain" if the demands of nations which "have not" colonies and raw materials are ignored.

Two capitals, Madrid and Nanking, that are fighting enemies on opposite sides of the world, viewed the President's words as threats to their foes. Great Britain, following the President's words as an offer of co-operation in the Far East, sought a way to give force to his idea to "quarantine the contagion" of war.

The Chicago address was welcomed by Britain, France and Russia, heard with reserve by Germany, and termed "demagogic and vague" by an Italian government official.

The British foreign office expressed itself as impressed by the speech, and semi-official quarters said that Roosevelt's declaration for a "quarantine" of offending nations, if carried out, would be the greatest boon to humanity that any statesman possibly could accomplish.

The British cabinet, it was announced, will be summoned to meet Wednesday to consider the international situation and the Roosevelt speech when the full text is available.

First reaction in Berlin was one of surprise and even amazement at the president's apparent abandonment of the League of Nations.

## Sanford Woodmen Develop Plans For Membership Drive

The Celery Camp, No. 625, of the Woodmen of the World met in its regular weekly session last night at 8:00 o'clock at the American Legion Hut. The highlight of the meeting was the completion of plans for a local drive and a decision to participate in the nation-wide membership campaign to be known as the Victory Drive.

The meeting was presided over by Council Commander James G. Brown and an invitation was given to the Woodmen Camp No. 625, asking that the Degree Council of the local organization organize a group of candidates in that city Friday evening, Oct. 9.

It is expected that approximately 25 members of the Sanford Camp will be present at the meeting in Ft. Pierce and all others desiring to go will be provided transportation if they will meet at 8:00 o'clock at the Legion Hut.

## Tobacco Shipments To Berlin Decrease

WASHINGTON, Oct. 6.—(AP)—Tobacco shipments to Germany, declined 23 percent during the first eight months of this year.

The Commerce Department yesterday shipments for the month totaled 1,927,000 pounds, down from 2,500,000 pounds in the corresponding period last year.

## GREEN CHALLENGES LEWIS' C. I. O.

William Green, president of the American Federation of Labor, is shown in fighting mood as he addressed the Federation's annual convention in Denver with an appeal for workers to rise up and destroy John L. Lewis' Committee for Industrial Organization. He charged the C. I. O. was being used as the nucleus for a political organization seeking to elect Lewis president of the United States.

## Barefoot Burglar Has Little Luck In Three Calls

Homes Of Three Sanford Residents Invaded By Marauder

A burglar with big bare feet caused considerable consternation in the heart of Sanford's residential section last night, according to reports at the local Police Station this morning.

The marauder entered three homes but each time was frightened away before he could make any big haul.

Chief of Police Roy G. Williams revealed that the burglar made his first call at the home of Mr. and Mrs. W. F. Taten at 301 French Avenue about 3:30 o'clock this morning, took a wrist watch belonging to his daughter, Elizabeth, and one dollar from her purse. The movement of some of the family frightened the burglar and he made a hurried exit from the home, leaving the imprints of his feet in the yard.

At 4:28 o'clock Mrs. Hincheliff reported that a burglar had entered her room but was frightened away before anything was taken. She was awakened while the unidentified man was plundering her room, and thinking it was her husband she called his name. The man became frightened and almost ran into Mr. Hincheliff who heard his wife call and went to see what the trouble was.

At 4:40 o'clock Mrs. Hoover called the local Police Station and reported that a marauder had just left her home and had taken a pair of her husband's pants. The pants were found discarded later near the Eckerson Cannery.

After the complaints had been turned in all members of the local Police Department were summoned to search for the nocturnal visitor but as yet no arrests have been made. Deputy Sheriff L. A. Tate also aided in the search for the marauder.

## Miners Stage Sit Down In Mine Shaft

TAMAQUA, Pa., Oct. 6.—(AP)—Forty-five determined anthracite miners, demanding a wage increase, continued a sit-down strike today, nearly one-fourth of a mile below the surface of the Lehigh Navigation Coal Company's Coaldale colliery.

The men, contract miners working on the eighth level—lowest point in the deep shaft—threw aside their picks and sent word to the surface that they would remain there until they were granted wage equal to the colliery's seventh level.

The mine's 1,100 other workers were asked by leaders of the sit-down not to call a sympathy strike and continued work.

## Program Presented By The Girl Scouts

The Girl Scouts of America under the supervision of Miss Irene Hinton, captain of the local troop, presented an interesting program at the weekly chapel session of the Sanford Junior High School yesterday. H. E. Morris, principal of the school, announced today.

The school was told of the ideals of the Girl Scouts qualifications for membership and informative material relative to the organization. Several interesting demonstrations, including the use of the snake outfit, were made during the program.

## Chinese Make Strong Stand Against Japs

### Japanese Push Reported Blocked By Chinese Resistance On Battle Fronts

SHANGHAI, Oct. 6.—(AP)—The Japanese advance on all China fronts from Shanghai to the far north was reported to have been halted by stiffened Chinese resistance.

In the Shanghai sector repeated Japanese thrusts against a 25 mile line running northwest from the North Station were beaten back by sheer force of numbers in hand to hand combat.

Far to the north in strategically more important operations in the rich provinces of Hopeh and Shantung, reliable foreign reports bore out Chinese claims that the Japanese push had been stopped.

Cholera danger in China seemed to be lessening as fewer cases were reported.

Japan's air squadrons continued to harass Chinese cities over an extended area. Dozens of towns in the Yangtze Valley and in Southern and Western China reported attacks.

Japanese troops in North China were occupied mostly in strengthening their lines of communication and countering sporadic raids by scattered Chinese guerrilla bands.

The Domei Japanese News Agency reported that the fast-moving Japanese column in Shan-Province had captured the city of Chumshien on the way to Taly-sanfu, capital of the province, after a desperate battle with 10,000 Chinese communist soldiers.

The repulse of the Japanese raiding party in Shanghai brought a climax to an earlier fierce encounter that saw the two armies locked in almost hand-to-hand combat. The Japanese also failed then to budge the city's defenders from their maze of miniature forts.

The battle developed into a feud between Japan's air bombers and China's strongly entrenched machine gunners, both scoring heavily but indecisively before the bitter fighting lapsed at nightfall.

### Plans Carried Out For Beautification Of Sanford Armory

The parade ground surrounding the Sanford Armory is being planted and beautified, under the supervision of Lt. Earl Nordgren. A complete landscape plan has been drawn, embracing the entire block on East First Street, in which the local home of the National Guard is located, with the exception of the portion in the northeast corner occupied by the Sanford Coca-Cola Company building.

Several hundred plants, shrubs and trees have already been set in accordance with the proposed plan, and the caretaker is now busily engaged in the care necessary to the proper growth of these.

It is expected that several months will be required before the entire planting will be complete, but when finished the improvement will be a great addition to the grounds, and will tie in with the proposed Lake Front Park as proposed by the City Commissioners. It is reported.

Lt. Nordgren, who is custodian of the Armory, stated today that several reservations have been received for the use of the large assembly hall for dances during the Fall months.

## Editor-In-Chief Of Salmagundi Will Be R. Monsalvatge

Announcement of the 1937-38 Salmagundi staff of Seminole High School was made today by Miss Ruth Hand, faculty advisor of the group.

She stated that the following staff was chosen by the members of the faculty only after very careful consideration of the many applications handed in by members of the Senior Class:

Editor-in-Chief, Raymond Monsalvatge; Business Manager, Harry Joe Minarik; Associate Editors, Margaret Tenhet, Donna Morgan, Donald Lamson, and Oleda Dyan; Sports Editors, John Morgan, and Doris Lake; Snapshot Editors, LeRoy Cooper, and Margaret Van Ness; Art Editors, James Tew, and Carlin Palmer; Joke Editor, Anne Benson; and Business Managers, Donald Bishop, Virginia Dann, Edna Stich, and R. C. Hickson. Eloise Lowe and Virginia Ford were chosen typists.

Miss Hand and W. R. McCracken have been selected sponsors of the annual.

"The faculty's choice of the staff for the coming Salmagundi should make it the finest record of class activities ever published," Miss Hand declared.

## Don Jackson Gets Favorable News Notice

Don Jackson, son of P. E. Jackson of this city, is being featured in a publication by the University of North Carolina entitled "On Carolina's Gridiron."

Mr. Jackson, now residing in Philadelphia, was a former backfield star for the school's Tar Heels in 1934 and 1935 and during the latter year was given honorable mention of the nation's All-American list.

The book contains many pictures of Jackson and all the writers in the games in which he took part.

The publication, contains 98 pages, 1500 names of North Carolina football players and 225 pictures of the outstanding gridiron athletes of the university.

## Wall Street Broker Falls From Building

NEW YORK, Oct. 6.—(AP)—Walter S. Case, president of Case, Pomeroy and Company, well known Wall Street investment company, died today in a fall from a window of the firm's offices on the 26th floor of a Wall Street building.

Associates said the fall was accidental. They said Case had been ill and was last seen at the office late yesterday. The body was found on the roof of an adjacent five story building this morning.

Associates said Case must have gone to the window for air when he became ill. Case was 53 and was a director in many corporations.

## Papworth Reports Fine Watermelon Crop In Daytona

Harry M. Papworth returned to his home in Sanford last week with a strange tale of agriculture after spending his usual vacation at Daytona Beach.

Mr. Papworth told a Herald reporter this morning that during the summer, he raised a full crop of watermelons that weighed approximately 50 to 75 pounds each. The melons were grown on several sand hills in the back yard of his cottage.

Mr. Papworth went on to say that he and Mrs. Papworth enjoyed their vacation to a great extent and that they are glad to find Sanford prospering out their return.

## Contest Is Won By Buffalo Patrol

The Buffalo Patrol of Troop 5 of the local Boy Scouts of America were declared by the judges the winners of the Inter Patrol Campore held in the Junior High School Monday night. H. E. Morris, Scoutmaster, announced today.

The Buffalo Patrol was awarded 28 points of a possible 48. The Flying Eagles were awarded second place with a score of 26.

The judges for the occasion were Sidney Nix, Martin Bram, and Joseph Tenhet.

The contest included tests in compass work, nature study, cooking, librarian, judging, knot tying, whittling, and signaling.

At the business meeting it was decided to hold parents' Stunt night on Oct. 28. Each patrol will be asked to provide a stunt for the occasion and the winner will be awarded a prize.

Jack Simpson and Robert Weaver made application for membership at the meeting.

## Wants Immediate Action On Wages And Hours, Crop Control

HYDE PARK, Oct. 6.—(AP)—President Roosevelt strongly indicated he would call a special session of Congress to convene on Nov. 8 and 16 but said he would reserve his decision until after conferences in Washington this week.

In a long interview on the front porch of his Dutchess County home, at the end of his cross country tour, he said it was a little premature to say the Supreme Court reorganization scheme would be included in the program. It is neither in nor out was the way he put it.

He placed at the top of the program wages and hours, surplus crop control, government reorganization and regional planning.

He declined to amplify his Chicago speech in which he suggested a "quarantine" of aggressor nations and called for "concerted" and "positive" action by peaceful nations to restore world stability.

He said he found very little interest among people as to the methods of crop reform, but a great deal of interest in his objectives. The average man, he added, wants quicker and cheaper justice. The impression he got, he said, was that the people feel maybe the President was right or wrong but they want the objective he was after.

## Hubbell Is Knocked Out Of Box When Yankees Rally To Score Seven Runs

Lefty Gomez Gives Giants But 6 Hits

Tony Lazzzeri Clouts Out Circuit Blow In Eighth Inning

YANKEE STADIUM, NEW YORK CITY, Oct. 6.—The big guns of the New York Yankees roared out today when they came from behind a one run lead held by the New York Giants and King Carl Hubbell to knock the year's ace major league hurler out in the sixth inning as they scored seven runs off six hits, three walks and no errors to win the first game of the series by an 8 to 1 score.

It was a pitchers' battle between Hubbell and Lefty Gomez of the Yankees up to the fatal sixth for the Giants with Hubbell taking the pitching lead but it ended in a much different manner.

The Giants secured six hits, one run and made one error during the initial world championship battle while the Yankees belted out eight hits, eight runs and no errors off four Giant pitchers.

The only home run of the game came in the eighth inning when Tony Lazzzeri hit a long one into the left field stands. Gomez had plenty of stuff during the entire game and he was very effective. His curve ball was breaking at the right mo-

## Navy Pilot Bailey Comes By Air To Visit Parents Here

Navy Pilot Clayton Bailey landed his Navy plane at the Municipal Airport Tuesday afternoon for a brief visit with his parents, Mr. and Mrs. G. W. Bailey, of West Eighteenth Street.

Mr. Bailey is a graduate of the Seminole High School of the class of 1932. Shortly after his graduation, he enlisted in the Navy and was assigned to the radio section where he rose to the highest rating possible, that of chief radio operator.

He then transferred to the naval aviation service, and he is now rated a naval pilot, assigned to the duty of testing new ships delivered to the Navy, stationed at the Philadelphia Navy yard.

Mr. Bailey was formerly assigned to the Albatross Carrier Lexington, and traveled extensively in foreign waters during his tour of duty on that famous ship.

His trip to Sanford was made directly here from Pensacola, where he had just delivered a new training ship to the Naval training station.
