

# Richard's Miniature Car Zooms Over 142 M.P.H. To Win Race

Over 200 See Event As Winning Racer Is Only 4 m.p.h. Short Of Record

The black miniature racing car belonging to Guy Richard, Akron, Ohio, won the unlimited Custom race, hopped up car race, class with an unbelievable 142.6 miles per hour at the Sanford miniature car race on the circular Fort Mellon Park track yesterday before 200 onlookers.

The Richard car zoomed around the 70 foot ring only four miles per hour off the world's record of 146.6 m.p.h. Mary Bliseman, Mansfield, O., also won second place in the Custom class with a class 141.08 m.p.h. Richard, of the National Miniature Auto Racers Association, Glenn Fairbend, Detroit, Mich., ranked third with his car's time of 139.31.

In all four of the racing events the diminutive autos raced along against time. An automatic clock accurately timed the cars as they passed the judge's stand.

C. M. Johnston, Jacksonville, won the Cracker Class when his car zoomed around the track at a 131.10 clip. Glenn Matthews, Rockford, Ill., took the first place honors in the Class A event with a race speed of 123.69. C. A. Thornton, Jacksonville, was second at 114.84 and Del Gearhardt of Sanford was third with 107.78 m.p.h.

In the Spur division the unorthodox cars were paced by Bill Thomas, Daytona, at 130.77 m.p.h. with Gearhardt placing second at 134.12.

- Cash prizes and trophies were awarded to the first three winners in each event.
- List of winners are as follows:
- 1-Guy Richard, Akron, O., 142.63
  - 1-Mary Bliseman, Mansfield, O., 141.08
  - 1-Glen Matthews, Rockford, Ill., 131.10
  - 1-C. M. Johnston, Jacksonville, 131.10
  - 1-Harvey Merritt, Jacksonville, 129.38
  - 1-J. S. Garcey, Atlanta, Ga., 124.43
  - 1-Glen Matthews, Rockford, Ill., 123.69
  - 1-C. A. Thornton, Jacksonville, 114.84
  - 1-Del Gearhardt, Sanford, 107.78
  - 1-Bill Thomas, Daytona Beach, 130.77
  - 2-Del Gearhardt, Sanford, 134.12

Jerry Brown, veteran wingman of the Hersey Bears of this American Hockey League, is champion of the Cornwall, Ontario Country Club golf course.

# Daytona Beach's \$10,000 Spring Fishing Tourney Gets Under Way

DAYTONA BEACH (Special)—The art of fishing again assumes major importance at Daytona Beach with the announcement of the Beach Fishing Tournament. During the past five years, fresh and salt water fishermen from every side in the union have competed for the 201 prizes given annually for the best fish caught in 20 categories.

This year the tournament is again divided into two sections with the Spring Tournament lasting from March 1 through June 15 and the Summer Tournament extending from June 16 through Sept. 30. The prizes for the outstanding catch of the year, is a \$1000 United States Treasury Series "E" Savings Bond. Prizes in the 20 categories range from \$100 for a number of first prizes down to a minimum of \$5 for fifth prizes.

For the first time this year, the club in charge will have an opportunity to compete in all categories. In previous tournaments, the children's division was offered prizes for only three fish: Croaker, Snapper's Choice and Yellowtail. Now, during the prime fishing months in and around Daytona Beach, the younger piscatorial proficients may win prizes for Saltwater, Snapper's Choice and Yellowtail. Now, during the prime fishing months in and around Daytona Beach, the younger piscatorial proficients may win prizes for Saltwater, Snapper's Choice and Yellowtail. Now, during the prime fishing months in and around Daytona Beach, the younger piscatorial proficients may win prizes for Saltwater, Snapper's Choice and Yellowtail.

Another innovation in the rules during this season is the inclusion of the casting division. This is a comparatively new type of casting reel is becoming increasingly popular and, therefore, the committee in charge of the tournament is giving those sportsmen who are using spinning reels equal chance with adherents of the regular fly casting method.

Visitors to Daytona Beach may obtain complete information about the annual \$10,000 Fishing Tournament from any of the commercial fishing guides or camps or at any of the tourist accommodations where they may be staying. A beautifully illustrated booklet containing information about the Fishing Tournament, with a list of last year's winners, will be mailed upon request by the Daytona Beach Chamber of Commerce.

Practically every type of fishing is available in Daytona Beach waters. Handline fishing in the shimmering Halifax River attracts some, while others prefer trolling after the bigger salt water fish out in the Gulf Stream. An outboard motor takes those who are after bass through the tidewaters of the inlet, while surf casters spend their days on the "World's Most Famous Beach." Whatever your special liking may be, you'll find it at Daytona Beach and a big one may win one of the prizes in this year's tournament.

The Immokalee Market, however, much increase is not expected before the end of this month. Last week 90 bushels of produce sold for \$3,800.00. Excellent quality Yellow Crooked Neck Squash led, with 40 bushel hampers bringing \$2,230.00.

"Rains in the Sanford area the end of February greatly crippled the volume of produce moving over the Sanford State Market last week. A total of 89,548 units sold for \$1,730,006. 38 varieties of vegetables and citrus were received in one day. Cabbage led with 44,292 bags bringing \$33,919, and 4,978 crates selling for \$24,970.05. 6,487 bags of potatoes brought \$16,013.36.

"The report from G. B. Hogan, Market Manager, Pompano State Farmers' Market for the current season thus far (November-February) shows an increase in excess of 1,000,000 units and \$2,000,000.00 over the same period for 1950-51. During February alone this market sold 1,203,437 units for \$3,541,530.75. However, shipment declined last week. Pepper volume was heavy and prices advanced slightly over the week-end. Other commodities available were good quality beans, squash, cucumbers, okra, field peas which brought satisfactory prices.

"The Pahokee Market reports good demand and good prices for beans, corn, radish, and pepper with fair demand for celery, especially the small sizes. Beans declined from \$2 to \$5 per bushel; corn \$1.75 to \$3.90 per crate, and celery \$1.75 to \$2 per crate. Demand was relatively poor for cabbage, collards, and turnips, and the last two commodities sold mostly to cannery. Daily planting of bean and corn continue in this area.

## Yankees Want To Find Out Speck Shea's Ability Unless The Former Star Shows Something. It's Quits

By ED CORRIGAN  
Associated Press Sports Writer  
The World Champion New York Yankees aren't exactly counting on Frank Shea, the 1947 wonder-boy and 1948-49-50 and 51 flop -- to be of much help this year. But they're hoping, and apparently Manager Casey Stengel aims to find out just what Shea has without any delay.

Unless he shows something this year, Shea is expected to be sent to the minors. Stengel is expected to be sent to the minors. Stengel is expected to be sent to the minors. Stengel is expected to be sent to the minors.

Not only did the Phils step the offerings of rookie Jim Hauer for three runs, but they took off on Shea's performance. The season Red Sox had little to crow about. With new Manager Lou Boudreau trying to get all gears meshing, the Red Sox took a shattering loss from the Philadelphia Phillies, 15-1.

The Cleveland Indians hung a 5-4 defeat on the National League Champion New York Giants. The Boston Braves polished off the Brooklyn Dodgers for the second time in a row, 6-2. A three-run homer by Sid Gordon of Johnny Schmitz in the seventh made things easy for the winners. John Podres and Ben Wade, a couple of rookies who are expected in spring work for the Dodgers.

The St. Louis Browns swamped the Pittsburgh Pirates, 11-3, collecting six runs in the first off-rookie Ken Harbo. The Philadelphia A's defeated the Washington Senators 4-2, on a two-aboard homer by Pete Stuber in the second. The Chicago White Sox nipped the Chicago Cubs, 3-2; the Cincinnati Reds edged the Detroit Tigers 6-5, and the Philadelphia Phillies squared through the Red Sox, 2-1, in other exhibitions.

Wade and five companions were thrown from the four-door sedan. His head badly cut and his neck broken, the university football captain died soon after at an Augusta, Ga., hospital.

Wade and five companions were thrown from the four-door sedan. His head badly cut and his neck broken, the university football captain died soon after at an Augusta, Ga., hospital.

# Mission Hurler's Arm Is Injured By Batted Ball

Girls Sextet Of S.H.S. Wins First At DeLand Event

Girls of Seminole High School's physical education department won first place with their Flora Dora Sextet at Stetson University's 15th annual "Play Day" last Saturday in DeLand. The sextet consisted of 12 girls, six dressed as men.

In other events Sanford's Peggy Wright and Donna McTeer placed first and second in the tennis matches while Dot Whidden and Louise MacAlexander and Marie Alfors were two local girls on the tennis team.

The 12 girls who composed the winning sextet were as follows: Jean Carpenter, Jeanette Gardner, Eloise Snyder, Joanne Filipe, Mary Lou Bowen, Beverly Carper, Peggy Wright, Joyce Jones, Joan Wright, Rosa Coke Boyle, Sandra Dunn and Barbara Casabe.

Two more arrivals, Daytona outfielder Frank Scarpace and first baseman Jim Burns, Wichita Falls, showed up too late for yesterday's workout. Scarpace, catcher Danny Hatch, continued to display improvement at the plate by peppering the outfield barrier with looping high cuts.

The training roster climbed to 23 players of the 35 scheduled to arrive by today. Manager White and Zack Taylor worked the Mission players through another five hour stint under sunny skies and warm weather in the new Memorial Stadium.

Manager White will continue his regular training schedule again this week. The practice begins at 10:00 a.m. and lasts until 1:00 p.m. The Missions then return after lunch in the club house at 1:00 p.m. and drill until 5:00 p.m. All training sessions are open to the public.

Installed 124,492 New Telephones for a gain of \$2,044—16,183 of them in Rural Areas

THE SANFORD HERALD  
Page 6  
Mon. Mar. 10, 1952  
**Fouracre To Run  
For County Board**

O. E. Fouracre today announced his candidacy for re-election as county commissioner in District No. 3 embracing Lake Mary, Longwood, Altamonte Springs, Bear Lake and Forest City. His term expires Nov. 1, 1952.

Fouracre was re-elected in 1948 when he attended elementary school and high school. Afterward he took a four-year course in civil engineering. Married and the father of three children, he lives in Longwood. He is a member of the Christian Adventist Church.

He stated this morning that if re-elected he will continue to work in the future as in the past to give impartial service throughout the district and county.

Improvement of roads is one of his strongest planks and he pointed out that among the projects that he has worked for was the resurfacing of the Old Orlando Highway, Sanford to the Orange County line; inclusion of the Lake Mary Boulevard project in this year's state highway department budget; paving of two and a half miles of road at Forest City and one and a half miles at Bear Lake.

Other projects on which he is now working include hard surfacing of the Big Tree Road, and continuation of the paving work on the old Lake Mary Road bordering the ACL Railroad, he declared.

**GERM BOMBS**

MOSCOW (AP)—The Soviet press charged today that American Air Forces are now dropping special "germ warfare bombs" in Korea. United Nations military authorities have repeatedly denied such Communist charges.

Dispatches published in Pravda and four sections inside, each containing a number of such bombs

**Cuban Revolt**

(Continued From Page 5)  
ed Prio had little hope of saving the day. He said he was going to Camp Columbia, but reporters at the military post did not report his appearance there.

Batista, 51, an army sergeant who led a revolt from Camp Columbia in 1933, was at that military installation, headquarters of the Cuban Army General Staff.

He said that since the outbreak of the shooting radio stations were forbidden for broadcast news, particularly upon instructions from the police. The Havana Clearing House suspended operations. The police took over the Cuban Telephone Building, but permitted local and long distance calls. Cable companies reported no censorship. The U. S. State Department ordered the Seventh Coast Guard District to divert all boats and aircraft bound for Havana.

Batista's election campaign had been working up to a fiery climax, with Batista the candidate for the United Action Party.

Havana is normally one of the noisiest places in the world. Today traffic was curbed, although there were no restrictions. At times police searched automobiles crossing two bridges over Alameda river, curbing traffic between Havana and suburbs.

The newspaper Alerts published an interview with Colonel Salas, new police chief, in which he was asked "How did this business get started?" His reply:

"The people couldn't put up with the state of things any longer. The government gave the appearance of prosecuting gangsterism, and yet it was public and notorious that the government itself stood behind these gangsters. Pulcaro Soler, 'El Colorado' and other notorious criminals (at liberty) had no worries of any kind."

"This situation naturally engendered a deep discontent in the army and a commission of officials went to interview Gen. Batista, asking him to save the nation from chaos into which it had fallen. Gen. Batista, always on hand in the hour of responsibility, took the forward step."

Salas said Batista "is giving me orders, which I am carrying out to the letter. They are instructions to act with serenity, and, at the same time, without hesitation, to maintain order and above all were recently in suburbs of Pyongyang, the North Korean capital. It said they resembled an incendiary bomb in size and shape and were green with thin metal walls and four sections inside, each containing infected insects.

**Like's Followers  
Get Hot As Taft  
Leaves For Texas**

Nation Holds Breath On Eve Of Presidential Primary

By The Associated Press  
With Sen. Taft gone, Eisenhower leaders arranged last night to vote their way as possible Tuesday's nip-and-tuck New Hampshire presidential primary.

The Ohio Senator, after making the most intensive three-day campaign any presidential candidate ever conducted in New Hampshire, headed for Texas.

Taft's final speeches on the eve of his departure emphasized Eisenhower won't be a strong candidate after he states his political views, and (2) the big majority of voters are against the Truman administration and the Branch plan.

Gov. Sherman Adams of New Hampshire, an Eisenhower supporter, accused Taft in a bitter speech Sunday of being an "isolationist" who has no understanding of current problems.

Adams will speak at an Eisenhower rally tonight at Lancaster, Sen. Lodge of Massachusetts at a other in Dover.

In the nation's first presidential primary Tuesday expected to lead at least a psychological influence on later developments, about 1,000 GOP voters may turn out to choose 14 National Convention delegates. About 25,000 Democrats are expected to name eight delegates.

In addition to Taft and Eisenhower, Harold E. Stassen is in

sound Christian principles. "If a man is right in his heart," he said, "you do not need to worry about what he will do in public office."

Mr. Stine suggested that something should be done to mobilize public opinion and called for education from the bottom up. "We need more religious training in our schools," he said.

Visitors at today's luncheon included Aaron Helluff Adams, of New York City, who was born in Kiev, Russia and formerly served in the Russian army. He came to the United States in 1907.

Other visitors introduced by Charles Morrison were C. Richardson of Newark, N. J., Harold Greenwood of Gardner, Mass., Clyde Nelson of Wayne, Mich., Ralph Halston, of Kalamazoo, Mich., August Montz of Harborton, Ohio, Frey Saywell of Edison, O., G. A. Loug of Casey, Ill., Charles Wagner of Brooklyn, N. Y., and Al Gaele, Frank Knight, and Loris Weeks of DeLand.

**Soviet Russia's  
Budget Of Peace  
Is Hailed By Press**

MOSCOW (AP)—The Moscow press hailed the new Soviet budget today as the "budget of peace" and contrasted it with the "war budgets" of the United States and Britain.

The State Department had papers prepared to notify the Soviet embassy today of the American crackdown. Public announcement was scheduled to follow almost immediately.

The limitations also will apply to personnel of the Amtorg trading concern at New York City but not to Soviet diplomats at the United Nations, whose status is governed by treaty between the U. S. and the United States.

Seven or eight North Atlantic Treaty (NATO) members, including the U. S.,

All papers devoted many columns to discussions of the budget. Much attention was paid to the statement of Chairman Korniyets of the lower house's budget committee that the proposed expenditures "lead to a peaceful policy."

Korniyets said 64 per cent of the appropriations were earmarked for "national economy and social measures." By contrast, he added, U. S. defense appropriations for 1952-53 "exceed by 45 times the expenditure for the same purposes on the eve of World War I."

The defense establishment will absorb in direct expenditures nearly 24 per cent of all that the Soviet government proposes to spend on industry, education, social services, administration and other activities of the state.

Arseny said 80 per cent of the proposed United States budget was devoted to military purposes.

**Red Ambassador's  
Travel Privileges  
May Be Restricted**

WASHINGTON (AP)—Soviet Ambassador Alexander Panushevsky and his Russian embassy staff are about to be placed under almost the same travel restrictions as are American diplomats in Moscow.

The State Department had papers prepared to notify the Soviet embassy today of the American crackdown. Public announcement was scheduled to follow almost immediately.

The limitations also will apply to personnel of the Amtorg trading concern at New York City but not to Soviet diplomats at the United Nations, whose status is governed by treaty between the U. S. and the United States.
