Reds Jump On Doc Harden For 15 Hits, 6-3 Victory; Leesburg Beats Cocoa, 10-3

Not discouraged by their 6 to 3 defeat at the hands of the Land Reds in the opening game of the second half yesterday afternoon, the Sanford Florida Reds were prepared for their first regular scheduled Tuesday game to be played in Cocoa tomorrow afternoon at 3:30 o'clock.

One big thing was for the Reds yesterday although they got to Doc Harden for a total of 15 hits during the afternoon, and the "Big" team for today was one of the best in the league. The Reds followed a single, walk, and two very scratchy hits in front of the gate.

With one out and two on base, the game was in the hands of Doc Harden. He got a hit by Larry Jim. Redwood then followed with a single, walk, and two very scratchy hits in front of the gate.

Boy Boxers Want Friends To Watch Anniversary Card

An appeal went today from members of the Seminole Boy Athletic Club to local sportsmen urging them to attend a special series of 15 boxing bouts which will be staged at the Fourth Street Arena tonight in celebration of the first anniversary of the founding of the Club.

The money which is collected to be used in purchasing equipment that is badly needed, in replacing the present club house, and to pay some of the bills.

A report of the year's work at the club will be made during the bouts, and the public is urged to attend. Admission is 25 cents for adults and 15 cents for children, and the first bout starts at 8:00 o'clock.

The bouts will be staged at the Fourth Street Arena tonight in celebration of the first anniversary of the founding of the Club.

Rockefeller's Millions Rockefeller's wealth, the economic security he enjoys in his old age, the careful supervision of his life by skilled experts, the constant attendance of competent physicians and nurses, may have added to the length of his own life. But, so far his wealth, admirably turned to public service, where keen scientists work in expensive laboratories financed by Rockefeller millions, served to prolong the lives of millions of other human beings.

STATE POWER SUSTAINED TAMPA TRIBUNE The suggestion that the Constitution be amended to give the federal government greater authority in regulating commerce and general business does not find any support in the history of constitutional amendments. The New York Times says that the fact that previous changes in the Constitution have tended to increase the powers of the state rather than reduce them.

Tax Delinquencies In State Reach To Alarming Stages Less Than 60 Percent Of Assessments Collected During 1934 TAMPA HERALD, Fla., July 9.—Tax delinquency in Florida has reached alarming proportions, a special committee on taxation and bond debt, operating under direction of State Auditor Brian Willis, said in a report just published. "All jurisdictions in Florida have failed to collect more than 60 percent of the property taxes assessed," the report states.
