Gospel is from Luke, Chap. 15, Verses 1-10. Verses 1-10.

Our Lord is alyays looking for sinners. He never lets them rest. He tries every kindness on them to bring them back to his fold. He loves each one of them individually, and would gladly give His life again for you and for me, if He could only bring us back to His service, and to happiness, He knows that our happiness, He knows that our happiness can only be found in knowing Him, loving Him, serving Him, and by keeping His commandments.

He's Done Something for Himself!

Only a few short minutes ago, the man you see in the picture above was handed the golden keys to his 1953 Cadillac—and now he's off on that first delight-ful journey behind the wheel.

And as he leans back against the deep, soft cushion, and looks out over that proud hood into the roadway beyond . . . well, he knows that he's done something for himself!

He knows it just from the way he feels there in the driver's seat—rested, relaxed, and at peace with the world . . . completely confident that he has made the wiscet possible choice of a motor car.

He senses it in the marvelous way the car handler and drives and rides... so effortless and smooth and quiet that it's a joy and an inspiration just to hold the wheel in his hands.

And he knows it, too, from the feeling of pride and satisfaction, he enjoys as he looks forward to the

Selight of his family and the approval of his acquain-nances and friends.

And how the miles and the years will bear him our his conviction!

Let him arrive at a distinguished hotel . . or an accusive club . . . and he will find that his Cadillac constitutes the perfect "letter of introduction." broad land of ours . . . and he will find his Cadillac a trustworthy and unfailing companion, an inspiration to own and drive, a valued contributor to a magnificent way of life.

Yes, you're looking at a man who's done something senderful for himself—wonderful beyond even his fondest dreams.

And if you think it's time you did something for curself, then we suggest you come in and see us. Let's make it "Cadillac time" for youl
