Man found in school ceiling

SANFORD - A police dog flushed Cary Levi Burch, 33, of 1714 Roosevelt Ave., Sanford, out of the ceiling of Goldsboro Elementary School. 1300 W. 20th St., Sanford at about 11 p.m. Tuesday, Police Chief Steven Harriett said today.

Police officer Arthur Barnes responded to a report of a burglary in progress at the school. In a building search police found evidence of forced entry and damage to several rooms. When the dog located Burch. Harriett said he allegedly tried to escape from his hiding place in the celling and damaged several roof beams in the process.

Burch was charged with burglary, criminal mischief, possession of burglary tools and possesion of drug paraphernalia reportediv found in his pocket.

Jail guard acquitted

SANFORD - A former Seminole County Jall guard was acquitted yesterday on federal charges that he allegedly was involved in the smuggling of marijuana to his Sanford house.

However, City County Investigative Bureau Lt. Donald Eslinger said Gerald Bartel. 29, may

Lake Mary to hold final hearing on budget, set millage rate

By NICK PFEIFAUF Herald stalf writer

LAKE MARY - The City will hold its final public hearing on the Fiscal Year 1991 budget and set the official millage rate during the city commission meeting Thursday night. It is expected the millage rate will reflect an 8.43 percent increase.

The original rate had been set by the city

Helping hands, happy ending

percent. But during the first public hearing. commissioners tonk a look at the figures regarding the latest projections for the current fiscal year, revisions of certain revenue estimates and additional expenditures previously presented to the city. The commission then voted to lower the millage rate to 3.8991.

Under a newly revised budget, the city will start the new fiscal year Oct. 1 with an unreserved

commission at 4.2 mills, an increase of 16.8 fund balance of \$4.4 million. With an expected income of \$8.329 million and expenditures of \$10.470 million, the unreserved fund balance by the end of the next fiscal year should be \$2.268 million.

The expenditures include the recently decided issue of the city taking over maintenance of the Lake Mary Cemetery for an anticipated expenditure of \$110,000.

Police Chief Steven Harriett said Constance was apparently riding her bike along Celery Avenue at about 3:15 p.m. Tuesday, when she was struck by a westbound 1988 Chrysler. She was transported to Central Florida Regional Hospital to check possible leg injuries.

Property tax on airport land levied

By NICK PFEIFAUF Herald staff writer

SANFORD - While the Sanford Airport Authority yesterday took steps to secure a grant for construction of a temporary control tower at the Central Florida Regional Airport, property taxation of nonaviation businesses at the airport caused the biggest stir.

As a result of a 1986 court case in Orange County, the 5th District Court of Appeals ruled on a county's right to tax non-aviation businesses at an airport facility. Such taxation is already in place at the Melbourne and Bartow alroorts, as well as Orlando's Executive airport.

Last July, the Seminole County Property Appraiser's office had notified the Sanford Airport Authority that leaseholders on airport property which do not relate to aviation will be placed on the tax rolls.

The Appraiser's office reported that 45 parcels on the airport property would be added to the tax rol.s. for a total taxation of \$112,649 from all the businesses. The total assessed value of the 45 parcels is \$4.866 million.

Airport Authority attorney Bill Hutchison said as Sanford is in the 5th district, "We are bound by that decision.

Hutchison felt, however, Sanford Bee Tax, Page 5A

Orlando International obtains grant

UPI report

ORLANDO - Orlando International Airport received a \$20 million cash infusion from Washington and Tallahassee Tuesday for construction of another runway, one that would make it one of the most efficient airports in the world.

The 9,000-foot runway would be the airport's fourth. But more significantly, it would create three runways on which flights could take off and land at the same time without interfering with one another.

"It will have three simultaneous instrument approaches. one of the first airports in the United States if not the world to have this kind of approach." said U.S. Transportation Secretary samuel Skinner.

Only Chicago's O'Hare International Airport and Dallas-Fort Worth International Airport have the same simulta-Bee Airport, Page 5A

be arrested on state charges today.

Eslinger said the state charges that are pending against Bartel relate to alleged smuggling of food and alcohol into inmates at the county jail.

The federal charges were based on CCIB and federal agents allegedly intercepting two packages of marijuana mailed to Bartel's house in June. Bartel was arrested after a police dog determined narcotles were in the packages, which agents got a search warrant to open. records show.

Bartel was free this morning, but Eslinger said his arrest on state charges of smuggling contraband into the county said will come "very soon, Almost immediately."

Big meeting? Rent a briefcase

CHICAGO - It had to happen. To power lunches, power breakfasts and power necktles. add power briefcases.

That's what Chicago Trunk & Leather Works is telling businessmen and businesswomen they need to make sure they get the contract or the hank loan.

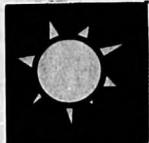

One way to do it, manager Jerry Lekas said Tuesday, is to have a top- of-the-line "knock-your-socks-off" briefcase, even if it was rented just for the day.

For \$100 a day, the business will rent a hand-made \$1.100 Hartmann briefcase with solid brass locks. While "flashler" and "slicker," the molded aluminum Zero Hailburton, worth \$450, can be had for \$45 a day.

Sheriff Polk airlifted to new hospital

By SUSAN LODEN Herald staff writer

SANFORD - Sheriff John Polk, suffering from complications related to a double heart bypass operation, has been transferred by helicopter to a Gainesville hospital to undergo extensive testing. The tests willinclude an evaluation of whether the 58-year-old sheriff is a candidate for a heart transplant, his Admistrative Alde Sherry Clark said , this morning.

Polk was in good spirits and waved to bystanders as he. accompanied by two nurses. boarded the helicopter at Florida Hospital Altamonte at about 1:30 p.m. Tuesday to travel to Beg Polk, Page 5A

Encephalitis threat growing in Florida, suspected cases reported in Seminole

By VICTOR GALVAN United Press International

TAMPA - The mosquito-borne St. Louis encephalitis that has struck 10 residents in central and cast Florida may have made its way to southwest Florida, where Hillsborough and Polk counties have reported potential victims, officials said Tuesday.

A probable case of the sometimes fatal disease cropped up in Hillsborough County last month, and one suspected case was reported in Polk County, said Dr. Robert Calder, state epidemiologist. He said five other probable cases in Indian River County and one in Orange County also have been reported.

"We're pretty sure they have it." Calder said. "Chances are pretty high."

The confirmed cases include five in Indian River County, two in Lake County, and one each in Highlands. Orange and St. Lucie counties, according to a state Department of Health and Rehabilitative Services report dated Sept. 14.

Another 46 suspect cases have been reported in Brevard, St. Lucie, Hendry, Indian River and Seminole counties.

"These people have what appears to be encephalitis.

I'd guess that less than half actually have St. Louis encephalitis." Calder said.

A virus that attacks the brain, St. Louis encephalitis' carly symptoms include headaches with low-grade fever, stiff neck and sensitivity to light.

More severe cases are accompanied by an altered level of consciousness, extreme tiredness, dizzyness, paralysis, convulsions, an inability to speak properly and tremors, Calder said..

"The mortality rate in Florida has been historically around 10 percent." Calder said.

The acting epidemiologist for Hillsborough County, Ann Towne, acknowleged that Hillsborough was the only county in west Florida with an encephalitis case. but she cautioned against overplaying its significance.

"One case does not an epidemic make." she said. "If the case is confirmed we will definately issue a press release to let people know what's happening."

The disease has reached epidemic proportions in Indian River and Brevard counties, and Osceola County is on the verge of declaring an epidemic alert, said Terry Johnson, director of mosquito control for the county.

"We do not know of any human case in Osceola," he Bee Virus, Page 5A

Cities, county to hawk surplus goods at auction

By NICK PPEIPAUP Herald staff writer

SANFORD - It will be an opportunity to buy everything from a fire truck to a floor buffer, from possibly a Mercedes 450 SL to a metal desk, as Seminole County plus the cities of Sanford, Longwood and Altamonte Springs offer surplus property at auction Sept. 22.

Local governments every year take inventory of surplus items that have been taken out of service. Before items are placed on the auction sale listings. other departments are contacted to be certain the pieces of equipment and/or rolling stock cannot be utilized elsewhere.

The auction will begin at 9:30 a.m. at the Seminole County surplus compound, across from the Seminole County jail at Five Points. The auctioneer for this sale is from Dell's Auction Service in Sanford.

The fire truck to be auctioned is from the Sanford Fire Department.

"It has seen its share of fire fighting," said Assistant Fire Chief Ron Neel. "I was in the department when it came in. It was the first front-line unit we received with an enclosed cab and it really made a difference." Neel said he recalls how much better it felt "to be riding inside the cab heading for a fire, especially during an Bee Auction, Page 5A

Col. Lewis C. Dell, auctioneer, will preside over the surplus auction.

BANFORD - A witness to an alleged theft of candy from the Lil' Champ, 1116 Celery Ave., Sanford, grabbed the suspect as he tried to leave the store.

Sanford police report the suspect, James Calvin Cobb, 42, 1014 Mellouville Ave., Sanford, allegadly punched and bit and poled the eyes of the witness Martin Versen, but was unable to escape. Police arrived to charge Cobb with battery and retail theft at 5:32 p.m. Monday.

Policeman cursed, threatened SANFORD — Sentord police officer Arthur L. Barnes reports a man allegedly cursed him when he asked the man to pick up a piece of paper Barnes said he saw him drop. The man refused and his oral abuse allegedly continued behind a house at 1225 Lincoln Court, at about 6:30 p.m. Tureday.

Tuesday. Barnes said he picked up the paper and put it into the wast's shirt pocket. Jerel Patrick Johnson. 18. of 1815 W. 15th Bt., Sanford, removed the paper from his pocket hand threw it into Barnes' face, the officer reported. Johnson left, but returned and approached Barnes with his flat clinched, while making threats, according to police. Johnson was subdued and charged with assault on a police officer and disorderly cuidant.

Hato' on mes reported

LONGWOOD - Seminole County sherift's deputies are investigating two incidents classified as hate crimes and criminal mischief, reported in the same rural Longwood area Tuesday

Under an new state law, racial-, creed- or ethnic-related crimes are classified and investigated as "hate crimes."

In one case at about 2:45 a.m. Thrusday; a 46-year-old woman reported swastikas and the words "white power," were painted in black on the outside of her house. One resident reportedly said he had some problems with some "skinheads," and the incident might be related to that.

The other victim has reportedly identified himself as a skinhead (white supremacist) and said a group of non-whites in three cars confronted him outside his house at about 5:35 p.m.

The 16-year-old male told deputies the group, which arrived in three cars, yelled and acreamed at him outside his house. He was outnumbered and went into his house to avoid a light, a sheriff's report said.

A crowbar and a stick were thrown to break two windows of

Lindquist's house, the report said. Sgt. Billy Lee today said it hasn't been determined if there is any link between the two incidents.

DUI amests

SANFORD — The following person faces a charge of driving nder the influence in Berninois County:

• Santos Mejia, 22, 911 Park Ave., Sanford, was arrested at 9:15 p.m. Sunday after his car was in an accident on Cameron Avenue, Sanford.

•Walter B. Frizzell. 33, 500 E. 24th Place, Sanford, was arrested Sunday after his van ran a red light in Sanford.

EDITORIALS Earth-shaking year

The wonder is that the system lasted so

The wonder is that the system lasted so long. It was supported by inflexible ideology on both sides. The Reds refused to admit mistakes, Now they are almost oversages to confess historical error. Anti-Communists believed nothing but military force could bring the Communist system down. Now they have fallen stlent. Both sides were wrong. The theory of Marx was disproved by events, in practice, according to the method of trial and error. It was tried and, simply, it failed.

Contrast and error, it was their and, simply, it failed.
Marxism was based on a valid critique of 19th century capitalism, which tended to be bootless of harm to the working class. But when Marx and Lemin came to proposing an alternative, socialism and the dictatorship of the projetariet, i.e. totalitarian socialism, the alternative didn't work as well as capitalism, either for the elite or for the workers.
Meanwhile, the process of development made it possible for capitalism to cure itself of many if not most of its ills. And the totalitarian system in practice sank deeper and deeper into sconomic despondency. When it began to go, it went fast, in about 12 mostles. In Restorn Europe, the Communist regimese collegeed one by one and shook the works. Even the Germans, who could make the Communist system work if anyone could, gave up.

.....

East Germany will merge into West Cormany and disappear on Oct. 3. And in the very Rome of the Communist world, in Moscow Mask, in Red Square, in the Kremlin, plans are being made to dismantle the socialist economic system entirely in 500 days, starting Oct. 1, and convert to capital-

days, starting Oct. 1, and convert to capital-tern and a free market. Of course, Rassia has never gone through the capitalist phase. It is going back in time to the period before the Revolution, when the country's long-delayed capitalist development was just gotting under way. It has a great way to go to catch up with the West, but it is surely goed that it is starting now in the right discution

cognizing that pre-vious world alliances are no longer operative. Just as Saudi Arabia has grudgingly accepted U.S. vomen soldiers in a multiplicity of roles denied to Saudi Arabian women, so too must

America and other nations accept the Ellingto-nian truism that "things ain't what they used to be.'

be." In Bush's Sept. 11 speech to Congress, he waxed rhapsodically about the U.S. Boviet "new relationship"... "a new partnership of nations" ... "a new world order" ... a "new world." But if ... "a new world order" ... a "new world." But if Bush discovered a revitalised global order, he showed the frailty of character that cannot shake itself loose from the decrepitude inherent in domestic politics. The first two-thirds of his speech was almost Wilsonian in vision. The last one-third was Chicago ward politics, ad-movishing the Congress four times on what it "should" do, then setting Congress up as the fall guy if budget takes collapse.

""should" do, then setting Congress up as the fall guy if budget taiks collapse. If Bush has shown an ability of the conciliatory toward his "new partnership of nations" (in-cluding Arabs) and his "new relationship" with the Soviet Union, he is still downright adversarial in his old partnership with the Democrats. The flexibility that he has exalted in global affairs is egregiously absent in domestic politics. politics.

Whether negotiating with Democrats on the budget or with African-Americans on civil rights. Bush is out of touch with reality. He still believes that presidential ex cathedra proclamations can pass legislation. His laundry list for congressio-nal action is wishful thinking.

JACK ANDERSON Grape scare may be bunch of bull

WASHINGTON - American consumers forgot about the Chilesn grape poisoning last year almost as soon as the federal governyear almost as soon as the federal govern-ment announced that it was once again safe to eat the foreign fruit. But in Chile, the bizarre episode has not been forgotten and the bad taste of the cyanide scare still lingers. How could the U.S. Food and Drug Administration, act-

ing on an anony. mous threat, have found two poisoned grapes among 6 mil-lion cases of fruit after searching for less than a day? In the minds of more and more Chilcans. the answer is that the FDA botched the grape tests and Chile dollars in fruit sales because of it. A few Childans have reached a more sinister conclusion -- note

conclusion.

BA few Chileans have reached a more sinister

Perestrolka makes possible a more enlightened foreign policy, witness the snap manual mosting half recently on abort notice in Holated. There is still some danger of reaction in Mascow. We hope the capitalist revolution successis. We should help it where we can.

Greenback Conference

It's college football season again, time for raditional rivalrise: UCLA vs. UBC. TCU vs. IMU, VMI vs. VPI. And don't forget FTC vs. CTA and ABC.

The later, the Pederal Trude Commission's completest against the Calley Posthall Asso-clation and Capitol Cities-ABC Inc., for conspiring to monopolise college football because, is the perfect kicked for a game that intely has received as much attention is the business pages as the specie section.

His boson babil Go, lawyers, gol First, Penn State accounted it would join the Big 10, pressmably ence to be the Big 31, Then Hotre Dance itted the CFA, which bid requitated an exclusive television contract with ABC, to sign on with NBC for 675 million. Next, Arkaness skipped out of the Bouthwest Conference, with only two senior television markets, to join the Sautheestern Conference, which has more. With Arkaness gone, powerbourse Texas and Texas Addit firted with the Pacific 10, only to be brought up short by Texas officials, who throught up short by Texas officials, who throught up short by Texas officials, who throught up they shandoed poor TCU, Bice and Bayter.

Any day now expect CMM, hereft of college football after this season, to conduct a leveraged buy-out of the University of Mesni, San Diego State and several other football schools to start the Greenback Conference.

Last winter, with brave words and good intentions, the National Collegists Athletic Association tests some works steps testeril patting some of the "sinderst" basis in "student-athlete" and de-suphasizing wire-ing and memory. But the five desen member shoots that play big-time factoril don't seems to have noticed. The accumbiling of traditional conference affiliations is evidence that, more than ever, meany is the same of the game. Fans may follow the ball, but at the colleges they are we tobing the cash flow.

State gives soldiers break from insurance lapse law

Sanford Herald, Sanford, Florida - Wednesday, September 19, 1980 - SA

United Proper International

TALLAHASSEE - Serv. semen and women stationed in audi Arabia during the Gulf crisis will get a break from Florida's mandatory automobile insurance law under a program unveiled Tuesday.

The law says the state can cancel the driver's license of anyone who lets his or her auto mearance lapse, with a \$150 fee to get the license reinstated. Police officers may selse the license tags of anyone caught driving without insurance.

But servicemen and women being posted to Saudi Arabia will

be' allowed to suspend their coverage to save money while they are overseas, said insur-ance Commissioner Tom Gallagher and Department of Highway Safety and Motor Vehicles chief Leonard Mellon.

The car must remain parked while the insurance is suspend-ed, the officials said, and serve ed, the official water, the advised icemen and women were advised to contact their insurance com-panies before suspending premium payments.

"Contrary to some cynics, we at the Department of Highway Safety and Motor Vehicles are not cold-hearted cynics," Melion said during a news conference in Gallahager's Capitol office.

Just last week. Congressman Bill McCollum. in announcing an earlier separate grant, said. "The Sanford Airport Authority has the attention of the FAA and the

the attention of the FAA and the Department of Transportation in its development effort." That grant was in the amount of \$432,000, which was awarded toward purchase of an Airport Rescue and Fire Fighting (AARF) vehicle plus work toward com-pletion of Taxiway B, both major projects listed for accomplish-ment during 1990. Bids on the AARF vehicle were

considered by the authority during yesterday's meeting. The vehicle will have a 1.500-gallon capacity tank for fire fighting needs.

needs. McCollum was recently in Sanford where he was given a tour of the regional airport, and a report on the various projects that have been completed, are underway, and those planned for the future. During the tour, Coolse explained that the tower is badly needed, as there were some areas of the field that could not readily be seen from the existing tower which remains as a left-over from the days when the airport was a Naval Air Station.

Station. Cooke said the FAA had pro-mised to help with a temporary tower, which is to be in place and operational by August 1991, but that it was the authority's hope to someday have a perma-ment tower is place. The grant discussed during yesterday's meeting would basically center on engineering and design matters that will be estimated to the FDOT. Airport officials estimate the Central Florids Regional Airport is presently handling 238,000

SA - Sanford Herald, Sanford, Florida - Wednesday, September 19, 1990

Mark Reggentin, associate planner for City of Lake Mary, points out the play ground area on a conceptual drawing of Liberty Park.

City commission work approval sought for park

By MICK PPEIPAUP Herald staff writer

LAKE MARY - Another step on the road toward creation of Liberty Park will be taken Thursday night. City Manager John Litton will seek city commission approval on a work order to provide engineering services for the final design and construction management of the park.

The Liberty Park site is located on the eastern side of Country Club Road, just south of Grace United Methodist Church.

The contract, to be signed with Dyer, Riddle, Mills & Precourt is for services that will include creation of a detailed design. preparation of construction drawings, technical specifications and contract documents that will be suitable for bidding purposes.

It will be what is calleda

when completed, will have a budget year just ending.

paved access road and paved parking areas. Facilities will include playgrounds, picnic pavillions, and nature areas complete with boardwalks and bridges. A restroom facility will also be constructed.

City Manager John Litton said, "The park will have to be completed by November of next year." He explained that the completion date was preestablished when the City accepted the state grant. Litton said that the actual

ground breaking ceremonies for Liberty Park will probably be held before the end of this year.

Following completion of the construction plans and determination of the specifications, the information will be forwarded to the Florida Department of Natural Resources.

The money to finance the Liberty Park project came from a \$120,000 state grant awarded in "passive" park, in that it will not July of this year, plus \$75,000 have athletic fields or major that had already been activity areas. The 15 acre site, carmarked for the park in the

Gas prices ebb slightly, average price remains high

ORLANDO - The average price of a gallon of regular gasoline nationwide ebbed slightly in the past week, drop-ping two-tenths of 1 cent to \$1.292, the American Automobile Association said Tuesday.

Nevertheless, American consumers are still paying an verage 21.7 cents

This week's price relief may be shortlived, however. The price of oil soured Monday to a new high since the Persian Gulf crisis began. In early trading Tuesday. the price of West Texas Intermediate crude for October delivery was down slightly, after rising to a record \$33.63 Monday.

The slight decline in gasoline ices this

1

for self-service regular gasoline today than on Aug. 1, the day before the Iraqi invasion of Kuwait sent oil prices soaring. the AAA said. "The change is so small that it

besically remains unchanged in a week - very, very little movement," said Jerry Cheske, a AAA spokesman.

spurt of 2.1 cents a gailon the previous week. The average price of gasoline nationwide peaked Aug. 29 at \$1.307 a gallon, according to the AAA's weekly survey.

"It has been mostly uphill (since the invasion), but there have been several downward movements." Cheske said.

Rams romp again

N BRIE

LAKE MARY - For the second straight week, the Lake Mary Rams dominated their opponent. as they shut out the Lyman Greyhounds 19.0 in a high school freshman lootball game played **Tuesday night at Don T. Reynolds Stadium**

The Rams scored a pair of first halt touchdowns to take a 13-0 advantage into the intermission.

deff Miller opened the scoring for Lake Mary when he raced 41-yards for the touchdown. The second Ram score came when Russell Haney nan tor a 42-yard score. Russell Myers added the exita point.

The final score of the night came when Jermaine Bartsfield plunged over from the one vard line.

Haney led the Rams in rushing with 48 yards. but Ronald Bell (47 yards). Miller (46 yards) and Enc Leister (38 yards), were close behind.

James Davis, Terrance A. Lawson and Brian Marotta were the mainstays on defense for Lake Mary with six tackles each.

The Rams, 240, will play again next Tuesday with road trip to Oviedo while Lyman will be at home to play Deland.

BASKETBALL

SCC at Clinic of Champions

TAMPA - The Seannole Community College men's basketball team will be the guest demonstration squad this Saturday at the Converse/University of South Florida Clinic of Champions Basketball Coaching Clinic at the USF Sun Dome

Coach Bill Payne will put his 1990-94 version of the Raiders through a one-hour on floor demonstration of "Basketball: Seminole Community College Style.

The team will also put in an hour demonstrating defense taught by Ft: Lauderdale Dillard High School coach Butch Ingram.

The regular season for the Raiders will open the first week of November.

SOFTBALL

Players needed

SANFORD - The Dick Joyce Well Drilling women's slowpitch softball team that will be playing in the Sanford Recreation Department Tuesday Night League that will start next week is still in need of a few players.

The main need is for a pitcher but other positions are available.

Tuesday evening's Seminole Athletic Conference showdown between Lake Mary and Oviedo featureit a season's worth of outstand-

ing net battles like this one when Lake Mary's Penny Powell (No. 7) and Melissa Mau (No. 6) tried to block Oviedo's Betsy Hughes,

Oviedo gets even with Lake Mary

By TONY DESCRIMIER Herald Sports Editor

LABF MARY -- Now they releven.

On Tuesday night, the Ovirdo Lions evened then season series with the Lake Mary Rams by taking a 9-15, 15-8, 16-14 girls' volleyball win in Seminole Athletic Conference action at Lake Mary High School.

Two weeks ago in the West Orange Invitational, Eake Mary defeated Oyiedo 15-10, 16-14. The two schools will play again at Oviedo on Oct. 11 and will probably meet again in the 4A-District 9 tournament the beginning of November.

We had lost to them in the West Orange tournament," said Oviedo Coach Anita Carlson "We really needed this win for a psychological boost. If you lose to a team two times, it's tough to come back.

As emotionally uplifting the win was for Ovicdo, it was a real downer for Lake Mary.

"It's really disappointing because 1 thought we had them," said Lake Mary Coach Chuly Henry, "This was a real important match to me and to the girls. It was tough.

The first game of the best-of-three match gave those in attendance an idea of what lay in store, Lake Mary raced out to leads of 5-1 and 9-4 below Oviedo's Betsy-Hughes served five consecutive points to tie the game at 9.9.

After the two teams exchanged serve 10 times without a point being scored, the Rams scored three points on a trio of Lion errors. Tara Calvin made the lead 14-9 with a dink and a block on back-to-back points for Lake Mary, Melissa Mau capped the win with a kill off a set by Lisa Marsilunis.

"In the first game, we weren't hitting at all." said Carlson. "We weren't getting the hall to anybody. You have to keeping it in this kind of game. You can't give them any free balls.

The Lions got themselves untracked in the second game, evening the match with a 15-8 win as Michelle. Schialfo started to assert herself at the net, picking up three points with three solo blocks of Lake Mary spikes.

"I think Michelle did an excellent job at the net," said Carlson. "This is just her first year on the varsity. She really did a good job blocking at the net-

The emotional intensity that marked this regular season contest peaked in the second game when Henry uncharacteristically was called for unsportsmanlike conduct (and Oviedo awarded a point, making the score 11-7) during a debate over a disputed line call.

The third and deciding game was a classic as the two sides eschanged rallies. First Oviedo jumped out to a 3-0 advantge. Then Lake Mary responded with five conscutive points.

After the Lions pulled to within 5-4, the Rams scored

Interested players are asked to call Coach Jack Eltonhead at 321-9988.

RUNNING

Sanford Road Race Saturday.

SANFORD - The eight-kilometer Sanford Lakeside Road Race will be held this Saturday. Sept. 22, at the Sanford Civic Center starting at 8:30 a.m.

Also planned is a two-mile Fun Run starting at 8 a.m. and 1/4 mile Kiddy Run at 10 a.m.

Entry fee is \$6 in advance and \$8 the day of the race. All proceeds go to benefit underpriviledged children.

For more information, contact the Sanford Recreation Department at 330-5697.

GOLF

Timacuan to host tourney

LAKE MARY - Goodwill Industries of Central Florida, Inc. announces its selection of Timacuan Golf and Country Club as the site for their Wednesday, Oct. 3, 1990 inaugural golf tournament.

The tournament is a scramble format and will begin with a shotgun start at 1 p.m. Prizes will be awarded to Low Net, second, third and fourth places. The grand prize of a two night weekend golt package at the Villas of Grand Cypress will go to each player on the Low Gross team. Other prizes include a hole in one prize of a Ski Nautique ski boat from Southeast Correct Craft and a ladies golf bracelet from the Gold and Diamond Source for the ladies longest drive contest.

Entry fee is \$125 per player and includes green fees and cart, team photograph, unlimited use of the driving range, reception and awards dinner. Hole sponsorships are available for \$200. Deadline for entry is Sept. 24, 1990.

Proceeds from the iournament will help to fund vocational rehabilitation program development and stylces in the six county area Goodwill serves.

For further information, contact Lanelle Tanner, Director of Community Relations, at work - [407] 857-0659 or home - (813) 967-1370.

Rams rebound with two routs

From staff reports

OVIEDO - After suffering their worst deleat in the two-plus years that local high schools have been playing boys volleyball. Lake Mary returned to the court for the first time Tuesday in a rare. trunatch at Oviedo High School.

The Rams, who were hammered by Kissimmee Osecola 15-2, 15-13 last Thursday, bonneed back in line fashion Tuesday night with a pair of sweeps of University and Oyiedo high schools.

With a record of 6-1 overall and a 4-0 mark in the Seminole Athletic Conference, Lake Mary will play again tonight, hosting Lyman at 7 p.m.

"It was gut check time." said Lake Mary Coach Bill Whalen. "We talked about that in the lockerroom. We had two choices, to come out and play like we did against Osceola or to come. out show how they can really play.

They came out smoking.

In the first match, Lake Mary dispatched first-year University 15-9, 15-2. Then the Rams thumped host Ovtedo 15-8, 15-0.

"The entire team played extremely well," said Whalen, who has led the Rams to a 42-5 mark since Lake Mary first took up the sport along with the rest of Seminole County three years ago. "Every latter we have lut the ball extremely well."

Leadin the Ram onslaught in the match against Oviedo was 6.5 senior don Brown, who had six kills, an additional spike and five blocks. Matt MacDonald, a 6-4 senior, added four kills, five spikes and two blocks while 6.0 sentor Matt Sloan had two kills, three spikes and a block.

"It was a really good overall effort by the entire. team," said Whalen. "We blocked extremely well, which is something we've been stressing since our loss to Osceola.

Also contributing for the Rams were juniors. Ryan Muuns and Jason Man, Muns had two kills and a spike while Mau had two kills and two spikes.

'We need those two to develop if we're going to be strong throughout our line-up," said Whalen.

At the service line, Lake Mary was almost perfect. After a balanced serving effort in the first game against Oviedo. Brett Marshall served seven points in the second game, including six consecutive, Man and Sloan handled most of the setting choics for the Rams.

Defensively, Lake Mary was led by Jason Redditt, who was assigned special duty for the Oviedo mateli.

"We moved Jason to a defensive specialist role," explained Whalen. "We knew that with Ovacdo's lutters and their jump servers, we needed to play solid detense, dason did an extremely good job of picking everything up."

Hereid Photo by Kelly Jordan Senior Matt MacDonald helped lead Lake Mary's romp through a trimatch with Oviedo and University high schools on Tuesday night, contributing four kills, five spikes and two blocks.

Romps, thriller highlight play in Tuesday league

From staff reports

SANFORD - Cabinet Aire and Sanford Landing Apartments came up with easy wins while Briar Corporation came from behind to win its first game in Sanford Recreation Department Tuesday Night Men's Slowpitch Softball action at Chase Park.

Cabinet Aire came up with a 13-1 mercy rule. win over Bikini Beach, Briar Corporation publied out a 10-6 victory over Capt. Nemo's II and Sanford Landing Apartments blew by Town & Country RV 8-1.

Cabinet Aire and Sanford Landing Apartments are both 0-2. TOwn & Country RV and Brian Corp. are both 1-1 and Bikini Beach and Capt. Nemo's II are both 0-2.

Cabinet Aire was just starting to build momentum when the game was called by the mercyrRule. They failed to score in the first inning, scored one in the second, three in the third, four in the fourth and five in the little Bikini Beach's lone run was seored in the fourth inning.

Doing the damage for Cabinet Aire were Nov-Rivers (four singles, three runs scored, three RBD, Trey Brasseur (home run, two singles, run scored, five RBI). Rob Cohen (three singles, three runs scored, RBD, Scott Carter (two singles, two runs scored. RBI) and Greg Register (two singles. run scored).

Also contributing were Scott Farmer and deff Kruger (two singles each). Dave Rape (single, run scored, RBI), Mike Edwards (single, run scored). Eric Hiller (RBI) and Brad Kruger (run scored)

Leading the Bikini Beach attack were Bob Driver (two singles, run scored), John Polk (two singles), Al Sumner (single, RBI) and Bill Warnock, Jerry Dick, Arnie Vanzyil and Mike Dick (one single each).

Capt. Nemo's II spotted Briar Corp. a 2-0 lead in the first inning but then scored three runs in the second inning and two runs in the third inning to take a 5-2 advantage. Both teams scored a run in the fifth and the score staved 6-3 until the top of the sixth inning.

The first five men to come to the plate for Brian Corp. in the sixth all singled. All told, they Sec Softball, Page 2B

an for the Ballet Culld's "Who Shet Diddy?"

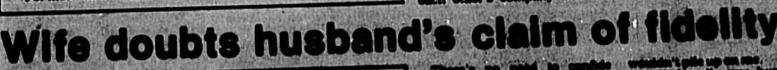

ions for Ballet Guild set

The Ballet Guild of Sanford-Seminole will hold its annual auditions for the 1990-91 season on September 23. 9 a.m., at the Sanford location of the 3chool of Dance Arts, 2560 Eim

Dancers should plan on arriving by 8:30 a.m. to register and warm up. Girls should wear pink and black or all black dancewear, hair should be pinned up and dancers are asked to bring all their dancing shoes. Boys should wear comfortable

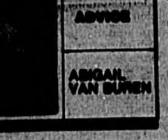

titre for freedom of movement. Anyone aged 10 and up who is prsently registered at a dan tudio and has had at least two years of dance is eligible. are encouraged to audition.

Celebrating the 23rd year, the Ballet Guild will be presentin "Who Shot Diddy" this season. It's a fun production requiring many types of dance styles, and plenty of girls and guys to complete the large cast of this major dance story. A full year of performing and extensive instruction is pla for the dancers alid all are welcome. For more information, call 323-1900.

Recycling pu

The throwaway society - with its philosophy of heaving trash out of sight, out of mind - is going the way of the dinosaur as America copes with shrinking - Louis Pumpler

ment is picking up momentum in cities and towns through a series of voluntary and man-detory initiatives. Rinse, bundle and sep-

words of the new buss words of the Recycling Age. Even if our minds are willing, our kitchens and

Even if our minds are willing, our kitchens and pantries are not equipped for the lifestyle change of worting and separating bottles, cans, plastic, glass and the inevitable stack of newspapers. The kitchen design industry has taken little initiative to meet the growing need for space-seving terms. And it doesn't seen prepared to do so anytime soon. "Our industry has not addreased the environ-mental soundness of de-

mental soundness of dis-posal cabinetry. There is no quantion it meds look-ing into," says Louis

R

Bis

-Louis Rumpier

Rumpler, vice president of Klichens of Distinc-tion, a cabinet retailer in Wakefleid, Mans. "I haven't asen any specialized recycling atorage or composting cabinetry. There is no question there is a niche to be filled. I wish the consumer was driving it." Rumpler says. Short of sticking three separate trash caus is a hitchen atrendy deart as space because of broad-ing pots and pass, what's a consumer to do? Improvise. Take a cabinet or two, fet rid of things you haven't used in the last couple of yours, and re-trofit the space.

You can pu ine cost fo lie and costs ...

small trash can for

email trask can for non-recydable wusse. If you are handy with teste, held or convert a kitchen "island" for re-cycling. Keep the top for food preparation, add calaests down below, or pull-out organizers made from plastic or plastic coated wire bins. As the racks fill up, they can be emptied into bigger con-tainers stored clawwhere. "Cost, space and time efficiency are the things to heep in mind. I don't want to make 30 trips a day to the garage." advise Judith Miley of Claimon International in Otals. Fie., a maker of household closet orga-Otale. Fis., a maker of

ty. They're places to be freed with." Antiques are a better a vest ment than

З

.

Fortunately, the right tools for pruning do not require taking out a sec-ond mortgage. In the latest edition of the National Gardening

Association's book. "Gardening: The Com-plete Guide to Growing America's Favorite Fruits and Vegetables'' (Ad-dison-Wesley, 431 pp., \$34.95) three tools are recommended for effortless pruning: -Hand pruners, the

basic scissors-type im-plement, can cut through small branches up to 14

inch in diameter. -Long-handled lop-pers, which also work with a scissor-like action, have the strength to lop off branches 14 to 14 Inch in diameter.

-A pruning sew "cuts on pull rather than push stroke, making it easter to cut from below," ac-cording to Gardening's editors. Saws are the tools of choice for bran-ches larger than ½ inch in diameter.

What to cut? In order of priority, "Gardening" says the parts of the

jos, nying cats, a musical monkey and the oc-casional pink elephant; for ages newborn to 12. • "Hares and Bears" creates an atmosphere of lightness and warmth, designed for ages newborn to 3.

•"Prairie Tales" for ages 4-12 features desert life drawn from the imaginative illustrations of designer Kate Knudsen. • 'Bea-nanigans'

features Bruiser the shark and Bernie the friendly whale, for ages 6-13.

The success of the Martinezes reflects the overall growth of the stry in wallpaper industry the past several years.

Several trade groups, including the Wallpaper Manufacturers Associa-tion, the National Decora-tion Products Association and the Construction Products Manufacturers Products Manufacturers Association conducted industry surveys and the results were compiled by the Rowland Co. of Les Angeles.

In 1988 sales of In 1988 sales of willpaper to consumers totaled approximately \$2.8 billion. Of that amount, an estimated \$370 million was spent for children's rooms. Distributors' gross fig-ures for the same year totaled \$1.34 billion. Sales have been in-creasing 15 percent

creasing 15 percent every year from 1985-1987.

The biggest markets for wallpaper are in the Northeast and Midwest, where 58 percent of all wallpaper was sold. The wallpaper was sold. The average purchaser is female between 25 and 40 years old, and women account for 65 percent of all wallpaper miss. Pre-pasted wallpaper captured 65 percent of the market. Of that amount, 30 percent is

paper-backed vinyl and 45 percent is pre-pasted

BURGH

and strippable. Wallpaper prices range from \$10 to \$130 per roll. Most consumers spend an average of about \$15 per roll.

Children's wallpaper is not the only area of innovation this year. Plenty of new options abound for adult-sized rooms.

Crown Relief Decora-tions, an English manu-facturer, is offering Lincrusta, a luxurious wallcovering in a relief design, along with six frieses, or borders.

Seabrock walkoverings latest cre-ation, "Bless This House," is part of a line of walkoverings that in-cludes Biblical quotes and other inspirational messages.

Illusionary wallpaper - one style testates a wall filled with testher-bound books - is a new trend, while wallpaper bordere around windows and deore is popular among the do-t-yearsoff are

Faux marble and ing touted for the bathroom as an alternative to the usual patterns of sea shells, fish, water tilles and sea

hornes. Western Wallcovering Distributors Association spokeswoman Carolyn Cirilio cited yet another trend — masculine-style wallpaper in designs that include a tweedy look

and Jacobean prints. "Demand for such "Demand for such specialized lines (of wallpaper) is fueled by the growing number of successful professionals who are postponing marriage and setting up house as a single, in a manner that reflects their personal taste and lifestyle," said Cirillo.

Compost

Continued from page 3 the lawn, separate avail-able yard waste like grass clippings and dead leaves into two piles — green, organic matter in one and dry in the other.

To start the compost pile, sprvad a five- or 10-inch layer of dry matter at the bottom of the

ter at the bottom of the cage and add a second layer of green matter. "The key to effective composting is a mixture of materials." Tracinski said. "In other words, d o n't allow large amounts of one material to build up." If you don't have a wide variety of yard

If you don't have a wide variety of yard wase available, you can min abredded newspaper into the dry material. This green layer can take vegetable and fruit peels. eggshells and coffee grounds but don't add meat or hones - they attract muscus and cause an unplement odor. Also, don't compost yard waste treated with weed killers or herbicides, or vegetation that has been affected by
