Schedule Is Given For Annual Exhibit By Local Garden Club

National Guard Unit Sponsoring Show, Talent Nite

Co. B, 154th Armd. Inf. Rn., Sanford's own National Guard unit, will sponsor a big show and talent contest at the National Guard Armory this Saturday afternoon, Dec. 3 at 6 o'clock.

Anyone who can sing, dance or entertain in any form is eligible to enter the competition. Cash awards will be awarded to the winners.

Anyone desiring to enter the contest is asked to please call the Armory at 1437 or to be at the Armory by 2 p. m. Saturday in order to get his or her name on the program.

Other local talent to be seen at the show will be from the Duxbury School of Dancing, however, the dancing students will not be entered as contestants.

Also in the show will be radio and television stars from Tampa and other cities. Stars will be Tony LaRocca, formerly with Arthur Godfrey, Ted Mack, Paul Whitman, and now appearing on TV in Tampa; Jimmie Monteleone, Al Rocco, both television stars, and Chae Davis, the old minister man from TV stations in St. Petersburg and Charlotte, N. C.

The show will be emceed by Jimmie Wilson, formerly with WWL in New Orleans, NBC New York. Underprivileged children will be admitted free to the show through the sponsorship of various local merchants.

Canada Takes Plan For 18 Countries To Special Group

UNITED NATIONS, N. Y. — Threatened by votes from both sides of the Iron Curtain, Canada doggedly took her plan to bring 18 nations into the United Nations before the Special Political Committee today.

Canadian Delegate Paul Martin, chief mover behind the 27-nation resolution to admit all 18 applicants, prepared to introduce it tomorrow after the opening of the membership debate.

The 60-nation committee will give the much discussed Canadian proposal its first public airing. But its fate rests with the Security Council, where Nationalist China has threatened to veto Communist Outer Mongolia and Russia has warned she will turn thumbs down on the whole package deal if any of the five vetoes are rejected.

The program and schedule of exhibits have been announced by the Sanford Federated Garden Club for its First Christmas Show which will be presented at the Mayfair Inn on Saturday and Sunday, Dec. 3 and 4.

It was emphasized that non-garden club members can enter exhibits in the Christmas Show which is presented in sections with themes depicting the overall theme of "Let's Keep The Spirit of Christmas."

Exhibitors of arrangements should call Mrs. Irwin Fleischer to make reservations.

The schedule and its explanation is as follows:

ARTISTIC ARRANGEMENTS
All arrangements are interpretive. No restrictions as to backgrounds, accessories, or stands unless specified. Painted, silvered, artificial material, etc., may be combined with fresh material in any class. Exhibitor is requested to give the inspiration for her entry on back of entry card when necessary. Must be work of exhibitor but flowers for arrangements need not be grown by exhibitor.

Section A
Niche 22" high, 20" wide, 18" deep. Limit 4 entries in each class.

CHRISTMAS IS CHRIST
"Let every heart prepare him room."
Class 1 — Silent Night
Class 2 — The First Noel
Class 3 — "And they came bearing gifts of gold, frankincense, and myrrh"

CHRISTMAS IS SONG
"The Christmas Song is in the air — One hears it ringing everywhere."
W. L. Ridger
Class 4 — White Christmas
Class 5 — Joy to the World
Class 6 — All I want for Christmas

CHRISTMAS IN GAITY
"Gay and cheerful holiday revelers all gather around"
Class 7 — Deck the Halls
Class 8 — "Christmas in Lands of the Palm tree and Pine."
Class 9 — To a Gay and Golden Holiday

CHRISTMAS IN SANTA
"Dance around the Christmas tree — See what Santa brought to me."
Niche 24" high, 24" wide, 14" deep. Limit 3 entries in each class.

Class 10 — Santa Claus is Coming to Town
Class 11 — Visions of Sugar Plums
Class 12 — Jingle Bells

HORTICULTURE
"A perfect gift is a living gift."
Note: All horticulture specimens must have been grown by amateur exhibitor for at least 3 months. New classes will be formed as necessary and unrelated plants will not be judged against each other.

Section D
Potted plants suitable for a gift
Class 1 — Foliage plants
Class 2 — Potted plants in bloom
Class 3 — Made up plants — totem poles, etc., more than one plant in pot

Class 4 — Collections
Section E
Specimen Blooms and Branches suitable for holiday decorating
Class 1 — Annuals — 3 stems —

(Continued on Page Eight)

Memorial Service Is Set For Infant; Burial In Arlington

The first drowning tragedy, in the memory of local citizens around Lake Gem at DeBary, occurred recently when a 23-month-old baby was found at the water's edge after being missed for about a half hour.

The child was last seen playing at the water's edge with his puppy about 4 o'clock Sunday afternoon and at 4:50 the father found the body.

Joe Jackson, a DeBary Garage operator was called to the scene to apply artificial respiration until a pulmotor arrived from the Sanford Naval Auxiliary Air Station. However, all attempts to revive the youngster failed and Dr. George Erlanson, of DeBary, pronounced the small child dead.

Arthur Russell Jr., the 23-month-old baby, was the son of a Navy man attached to the Sanford Naval Auxiliary Air Station and living in DeBary. He was the only son of Mr. and Mrs. Arthur Russell. The father is an AD-1 at the local Navy base and his home is at East Providence, R. I. They have been living in this area approximately six months.

Mr. and Mrs. Franklin M. Russell of Riverside, R. F. and Daytona Beach are the paternal grandparents of the child.

Following a memorial service at Britson Funeral Home, here, to be attended by members of the Air Station, interment will be in Arlington Memorial Cemetery at Arlington, Va.

New Investigation Begun By Probers

WASHINGTON — Senate investigators set out today to determine how many discharged federal employees actually were fired under the Eisenhower administration's security program.

Officials of 24 government departments and agencies were called by a Senate Civil Service subcommittee headed by Sen. Olin D. Johnson (R-SC) to testify in two days of public hearings.

Paul Hadlick subcommittee counsel, said an attempt was being made to find out how many employees listed as fired under the security program would have been dismissed anyhow under regular civil service procedures.

Democrats frequently have charged that Vice President Nixon and other Republicans made "numbers game" out of reported security risk firings in the last election campaign.

Postmaster Appeals To Senders

Postmaster Joel S. Field announced today that there has been a steady increase in the flow of Christmas cards and packages through the Post Office the past few days. He said he was glad to see many people are getting their Christmas gifts by distant points into the mail this week pointing out that packages addressed to folks living in other states should all be mailed before Dec. 3 and those for nearby points before Dec. 10.

Stressing the need for everyone to cooperate on his 1955 "Mail Early for Christmas" campaign, Postmaster Field says that by following these three simple rules, you're certain to have your gifts delivered before Christmas Day: Wrap them securely, address them correctly and mail them early. He went on to say, "Of course early mailing of all Christmas cards and gifts is a big factor in getting everything delivered before Christmas. Keep in mind that careful packing and correct addressing is equally important. Every year many poorly wrapped packages break open despite careful handling and we often have to puzzle over addresses which are incomplete or simply cannot be read at all."

Advance care in preparing gift packages for the mails and making sure that all addresses are legible and complete will prevent disappointment to sender and receiver alike.

"If you have any articles of unusual size or bulk, better check with the Post Office before attempting to mail them," the Postmaster warns. "The limits on size and weight of packages varies, depending on where you mail your packages from."

Some Post Offices cannot accept packages that are more than 12 inches in combined length and girth, nor more than 20 pounds in weight. In others, the limits go up to 100 inches in combined length and girth and 70 pounds in weight. It is always better to use corrugated cartons for shipping your gifts especially when there are a number of various sized objects.

Use plenty of wadded tissue or newspaper in the cartons for extra protection against shock. Complete each package by wrapping in heavy paper and tying it with strong cord.

As extra precaution against loss, Postmaster Field advised placing both your return address and the recipient's address inside the carton or package before it is wrapped.

Don't seal your parcels unless you include a notice reading "Contents merchandise" — may be open for postal inspection along with your return address and the recipient's address on the mailing label. If you use Christmas stickers or seals put them on the back of your Christmas cards and packages so that they will not conflict with the address on the front. Before you release your packages be sure that proper postage is firmly affixed to each and it's a good idea to place a piece of transparent cellophane tape over the address portion of the label to prevent detaching it in transit.

Make sure, of course, to include the recipient's full name, street address, city, zone and state.

PAUL MUNI BACK AFTER EYE OPERATION
NEW YORK — Paul Muni, whose left eye was removed by surgery recently, plans to return tonight to his star role in the Broadway hit drama "Inherit the Wind."

CIO Makes Plans For Quick Merger; Spurns Lewis' Note

NEW YORK — The CIO went ahead today with plans for a quick merger with the AFL, after rejecting a dunning note from John L. Lewis for alleged past-due debts.

Lewis, president of the United Mine Workers, an independent labor organization not a party to the prospective merger, sent his payment demand on the eve of separate AFL and CIO conventions called to ratify the amalgamation.

Lewis is a majority in the union Movement who in the past has been a leader in both the AFL and CIO. Last night he demanded that the CIO, before any merger action, pay up \$1,665,000 which he claimed to be the balanced owed the UMW from early CIO organizing days. Lewis loaded the CIO at that time.

Why he's got the second highest bank in Washington and wants us to help him make it the biggest? James B. Carey, a CIO leader, told a reporter. Lewis has got three long balls barging outside his office.

Boat, Ski Club Sets Sunday Cruise

Members of the Sanford Boat and Ski Club will make another cruise to Silver Springs on Sunday, December 4.

The party making the cruise will leave French Ave. and First St. at 7 a. m. and proceed to Haines Creek near Dunedin, where the boats will be launched for the trip.

Members of the club wish to emphasize that this cruise is open to anyone, whether or not they are members of the Sanford Boat and Ski Club.

Rev. R. H. Spear To Speak In Jax

The Rev. R. H. Spear Jr., pastor of the Sanford Church of the Nazarene, will be guest speaker tonight in Jacksonville at a Zone Rally of the greater Jacksonville area, Nazarene churches.

Central Church of the Nazarene, located at 725 Hogan St., is host church and the Rev. C. M. Kelly, pastor. A religious workshop is to be conducted in the afternoon with an evangelistic service at 7:30 p. m.

Accompanying the Rev. Spear will be I. B. Duane, Fessenden of the BNAAS. They will return Friday.

COPUBLISHER DIES
LYNCHBURG, Va. — Carter Glass Jr., 62, a copublisher and general manager of the Lynchburg News and Daily Advance, died at 4:15 this morning in a local hospital. Glass suffered a brain hemorrhage last night.

Youngsters Excited By Sights Musical Groups Add To Gaiety

Thousands crowded the Christmas Parade route yesterday as Santa Claus made his appearance in Sanford to greet youngsters of central Florida during a brief but joyful stay.

Headed by 11 bands and nearly 50 floats and preceded by a parade more than a mile in length, Santa moved through downtown Sanford in a float especially prepared for him by the Seminole County Junior Chamber of Commerce.

Sidewalks and curbs began filling up shortly after noon yesterday as parents and youngsters vied for the best vantage points where they could see the floats and better yet, get a good view of Santa Claus when he arrived.

Led by the official delegation, City Commissioners, and County Commissioners, the parade moved off with the blinking of red lights and the screaming of sirens by city, county and Florida Highway Patrol cars.

The Marine Color Guard of the Sanford Naval Auxiliary Air Station took the lead in the parade, followed by the marching Corps of Majorettes depicting Rudolph the Red-nosed Reindeer, the Seminole High School Band, and the march marching unit of Navy men from the local Navy Base.

Captain Robert W. Jackson, Commanding Officer of the Naval Auxiliary Air Station rode with the Sanford City Commissioners at the head of the line of march.

Only one incident marred the smooth moving parade. Near the center of the downtown area children broke loose from the sidelines, marked off by stingers of red flags, and surged in to the Santa Claus float. One youngster fell in front of the jeep pulling Santa's float but was stopped quickly so the child could scramble up and run to the curb.

One tiny young fellow, dressed as Santa, and riding a toy tractor, drew attention through the parade as he pedaled and waved to the crowd waiting for the real Santa to come along.

More than five thousand people (Continued on Page Eight)

7 Guards Accused Of Bribery Racket

NEW YORK — Seven guards have been accused of running a bribery racket in city prison with a "fixed price" for favors in inmates ranging from 20 cents for a stroll in the corridor to \$13 for a bottle of Scotch.

Manhattan Dist. Atty. Frank E. Hogan said last night a "tip" — followed by painstaking police work — led to the arrests.

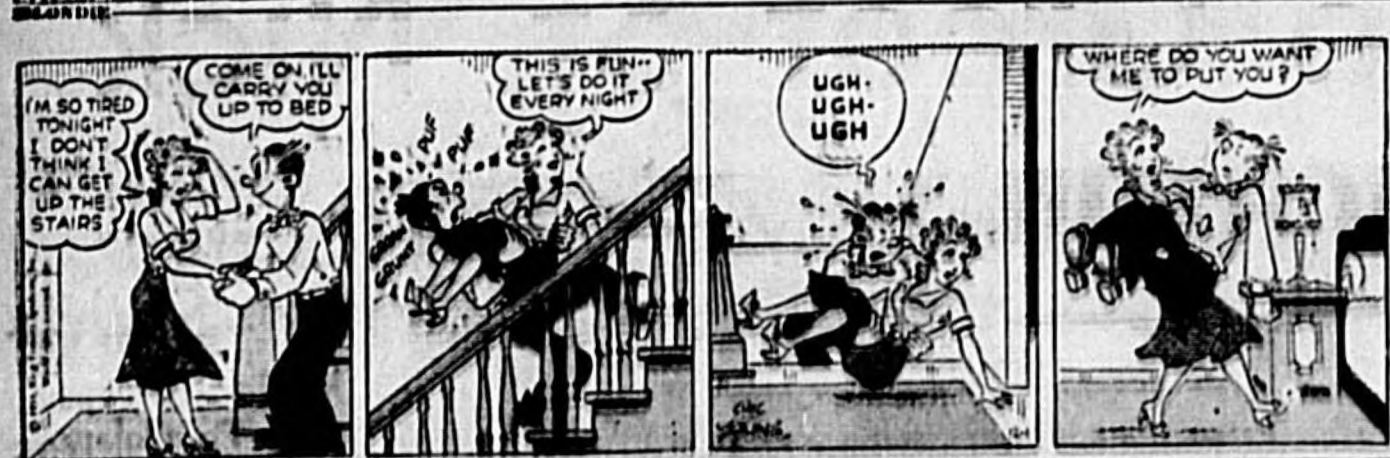

Hogan said privileges for a fee included the arranging of card and dice games, extra food, liquor, visiting from cell to cell and sex whisks and red coats party in a prison store room.

FOUR SINGERS WILL ENTERTAIN at the Annual Meeting and Banquet of the Seminole County Chamber of Commerce, December 3, at the Mayfair Inn. The "Orchestra" quartet (left to right) Don Feagan, tenor; Harold Aubuchon, lead; Bunk Wimblish, bass; and Elmer Erickson, manager and baritone, will sing barber shop quartet numbers during the meeting.

E. V. TURNER, LOCAL MANAGER of Southern Bell Telephone and Telegraph Co., presenting a check for \$22,210.20 for taxes to John L. Galloway, Tax Collector for Seminole County. (Photo by James.)

SCIENCE IN YOUR LIFE

Veratile Antibiotics

Antibiotics have turned out to be one of science's most versatile discoveries.

First they turned mortality tables upside down in the treatment of human diseases. They put more food on our table by stopping costly plant and animal diseases, too.

Then scientists found that tiny amounts of antibiotics added to farm feeds boosted weight and growth rate of animals and poultry.

Now scientists report that antibiotics can be used to keep meat fresh for several days without refrigeration. Researchers of Chas. Pfizer & Co., Inc. told of this latest use at the Third Annual Antibiotic Symposium in Washington, D. C.

The investigators pointed out that only limited amounts of meat can be handled by drying, salting, smoking, canning and pickling. Most fresh meat is distributed either by rapid handling in countries without refrigeration, or by chilling.

Low temperatures, however, slow down enzymes which act to tenderize meat. Injection of Terramycin prior to slaughter, the scientists found, inhibits growth of bacteria and permits higher storage temperatures so that meat can be aged in much shorter time.

Experiments conducted at a commercial packing house in Cuba proved that treated beef carcasses remained fresh even when held at 95 degrees Fahrenheit with high humidity.

In countries such as the U. S. and Canada, antibiotics can undoubtedly be used along with refrigeration. In areas without adequate refrigeration, antibiotics may help to deliver a more wholesome product to consumers.

YOU'RE TELLING ME!

By WILLIAM RITT
Central Press Writer

THE REST of this month, predicts the Weather Bureau, will be cold and snowy for most of the United States. We do get a break, though—there are only 33 days in November.

Hitler wasn't really crazy, writes the late Fischer's one-time valet. Just liked to act that way, eh?

Lasalle, Dayton, N. C. State Take To Courts Tonight

By ED WILKS
The Associated Press

Lasalle without Tom Gola, Dayton without Johnny Hean and North Carolina State with Ron Rhavlik take to the courts tonight as higher level college basketball season gets under way.

Lasalle, Dayton and North Carolina State are part of the mob that gets the collections rolling in the first big weekend of the season—but they are the only representatives of the top 10 teams of last season to play tonight.

San Francisco, No. 1 in the final Associated Press poll last season and the NCAA champion, opens tomorrow night against Chico State.

Lasalle, with three-time All America Gola graduated and now a pro, warms up against Millersville, Pa. in its opener under new Coach Jim Pollard, the former pro standout.

Lasalle, ranked No. 3 behind San Francisco and Kentucky in last season's final poll, got a big jolt yesterday when Bob Maples, one of its returning veterans broke an ankle in practice. He'll be out two months.

North Carolina State, in good standing after a season on probation by the NCAA, is back in force. The No. 4 team off 1954-55 opens against Florida State with Rhavlik, second-team All America who came into his own in scoring and rebounding, topping a club that lost only two from last season's starting five and is expected to make the big noise in the Atlantic Coast Conference.

Dayton, the NIT runner-up and Harris lost by graduation along with Hean. The new squad gets a test from touring Pepperdine tonight.

Lasalle, with three-time All America Gola graduated and now a pro, warms up against Millersville, Pa. in its opener under new Coach Jim Pollard, the former pro standout.

News Of Men In Service

FORT POLK, La. — Sgt. Fifth Inf., 23 and Cpl. Willie Suter, of Sanford, are participating in the largest joint Army-Air maneuver since World War I, Exercise Sage Brush, in Louisiana.

Some 110,000 Army troops are testing the latest concepts of atomic, bacteriological, chemical and electronic warfare.

Their unit, the 1st Armored Division, will be regularly stationed at Fort Polk, La., after the maneuver ends Dec. 15.

Sergeant Bykes, a tank commander in Company B of the division's 4th Tank Battalion, is the son of Mrs. Charles D. Webber in the Army since 1950 and star of 123 W. 18th St. He has Conduct Medal and the Army of his decorations includes the Flood Occupation Medal for service in Germany.

Corporal Button, son of Mrs. Carrie Button, 1020 Cypress Ave., is a squad leader in the division's 64th Armored Infantry Battalion. A veteran of Korea duty, he entered the Army in October 1953 and received basic training at Fort Jackson, S. C.

CHERRY POINT, N. C. (FT-NC) — Marine Cpl. John M. Russell, son of Mr. and Mrs. John A. Russell of Sanford, and husband of the former Mrs. Marjorie J. King of 704 Laurel Ave., all of Sanford, was meritoriously promoted to his present rank Nov. 10, while serving at the Marine Corps Air Station, Cherry Point, N. C.

Russell is serving as an aviation supply clerk with Marine Transport Squadron 153 of the

AUBURN ACES By Alan Mauer

JOE CHILDRESS, AUBURN FULLBACK, A PRO-SEASON ALL-AMERICA CHOICE, SCORED ONLY ONE TD IN 4 GAMES, BUT HAS BEEN A BIG FACTOR IN TEAM'S SUCCESS-FOES WHO CONCENTRATE DEFENSE ON JOE FIND OTHERS SNEAKING OFF WITH BALL—HE TWO CONVERSIONS WERE MARGIN IN FIRST WIN OVER GEORGIA TECH SINCE 1950.

JOE JAMES, HALFBACK, WILL DESERVE MUCH OF CREDIT IF AUBURN WINS ITS FIRST SOUTHEAST CONFERENCE TITLE—HAS BEEN CLOSE TO JOE IN YARDS LAST 2 SEASONS—THREE OF HIS FIRST FOUR 255 TD'S WERE ON 61, 67 AND 76 YD. RUNS.

Tech Will Keep Sugar Bowl Date

ATLANTA (AP) — The Georgia Tech football team will keep its Sugar Bowl date with the University of Pittsburgh in spite of a protest against a Negro Fullback on the Pitt playing roster.

The objection to senior Bob Grier was expressed in a telegram to Coach Bobby Dodd of Tech yesterday by a Georgia group "dedicated to the preservation of racial segregation."

Dodd made no comment.

A Georgia Tech official, said, however, that the Yellow Jackets definitely will play in the post season game in New Orleans on Jan. 5.

"Our boys voted to play in the Sugar Bowl and we will not break our contract, especially since both Georgia and Tech have played against Negroes before and there has been no criticism," the official said.

Robert O. Arnold, chairman of the Georgia Board of Regents which determines policy of state colleges and universities, said it would be nothing new for Tech and he won't make an issue of it.

Sport Promoters Crackdown By AAU Heard At Confab

LOUISVILLE, Ky. (AP) — A crackdown on sports promoters by the Amateur Athletic Union was talked in AAU convention corridors today at an offshoot of the West Coast conference.

Santos, the country's Mr. Miller his best current bet to crack the four-minute mile—got by a big hurdle yesterday in his hopes to remain in run-for-run company.

The deadline passed for challenging his reinstatement in the good grace of the AAU after a short suspension. He can only hope now that some foreign country won't ask the International Amateur Federation to disqualify him.

Santos was suspended by his local registration board for accepting more expense money than the AAU allows when he ran on the West Coast last spring. The Missouri Valley Assn. of the AAU rescinded the suspension.

Without mentioning the case of the swift Kansas specifically, Louis G. Wilks, AAU president, said in an interview:

"Through out district registration committees we are going to have to screen promoters more thoroughly before granting them the privilege of presenting events bearing the approval of the AAU."

"Altogether too often we are faced with the unpleasant task of ruling on the eligibility of an individual athlete who is reported to have accepted too much expense money."

He pointed out that such rulings affect only the athlete, adding: "The men who caused the kid to lose his eligibility go unchallenged. I say let every district registration board doublecheck every sponsor and hold him directly responsible for any infraction of our rules regarding expense money."

The AAU limits amateur athletes' expenses to \$15 a day. The money for athletes as it opened its 6th annual meeting was just one problem of the AAU. The question of raising big sums to transport, feed and clothe them for next year's Olympics was another.

FSU, Tampa Battle Saturday In Last Game Of Season

TALLAHASSEE (AP) — Florida State's Seminoles began to taper off their practice sessions today in preparation for their game at Tampa Saturday night.

The Seminoles have been working on pass defense all week and yesterday ran through a scrimmage which saw a lot of the passing game.

Coach Tom Nugent said "We didn't look too good in our last two games on pass defense and we have a feeling that Tampa will try to use that to an advantage." The game will close the season for both teams. Should FSU win, it will give them a 3-3 season's mark while Tampa can finish at 5-1.

Nugent said FSU would try to Tampa early Saturday.

Kentucky Remains Favorite For SEC Basketball Title

Comiskey Polls Another 'Name' Deal Yesterday

By VERNON BUTLER
The Associated Press

Kentucky remains a solid favorite to retain its grip on the Southeastern Conference basketball title despite a new rule which might erase a bit of the Wildcats' height advantage.

When the 1955-56 season gets under way tonight, basketball fans will see a 12-foot foul lane instead of the familiar keyhole near the basket. The new lane, adopted awhile back by the pros, will keep the big fellows from camping under the basket and making those easy tip-ins. Most of the SEC coaches also think it will open up the defense. No offensive player can stay in the lane for more than three seconds.

Big, slow players will feel the pinch of the new rule, the conference coaches agree, but the big fast boys should still do all right. Adolph Rupp, the Kentucky mastermind, said he could see no change at all, and Tennessee's Emmet Lowery agreed.

Alabama, Louisiana State, Vanderbilt, Georgia, Tennessee and Mississippi open the season at Knoxville but the game doesn't count in the SEC standings. Alabama plays Jacksonville (Ala.) State, LSU plays Louisiana College, Vanderbilt meets Sewanee and Mississippi opens with Howard.

Howard also helps Mississippi State launch its season tomorrow night and Tulane, Auburn and Kentucky get started Saturday night. Kentucky in an SEC encounter with LSU. Auburn opens against Birmingham Southern and Tulane meets Southeastern of Memphis.

Florida and Georgia Tech wait until next week. Florida opens with Wake Forest Monday night and Tech plays North Carolina at Chapel Hill Dec. 8.

Alabama, Vanderbilt, Tech and Tennessee were preseason bets to give Rupp and his Blue Wildcat a tussle for the crown with Tulane and Florida in the darkhorse category. Current estimates place Auburn, Georgia, Mississippi, LSU and Mississippi State in the "also

run" department.

After a flurry of warmup games most of the teams are slated to appear in holiday tournaments against classy intercollegiate rivals. The Dixie Dozen will get down to serious business when conference games begin Jan. 7.

Babe McCarthy of Mississippi State is the SEC's only new coach and few new faces are expected in lineups of the contenders. Kentucky lost Capt. Billy Evans at guard but the Wildcats still have skyscraper forwards Phil Grawmeyer and Jerry Bird.

Alabama leans heavily on Jerry Harper and George Linn. Vanderbilt lost only George Nordhaus and will have Al Rabeche, Babe Taylor and Bobby Thym from last season's easy Commodores. Tech returns everybody but a sub guard from the team that amazed the sporting fraternity by beating Kentucky twice.

Roy Stoll, a defensive ace and coming fast as a playmaker, sparks Tulane, and center Carl Widwith is a Tennessee tower strength. Individuals of great talent but with lesser supporting casts include Mississippi State's great guard Jim Ashmore, Florida center Bob Emrick and Auburn's Jim O'Donnell.

Majors Is Named 'Player Of Year' In Annual Poll

NASHVILLE, Tenn. (AP)—Johnny Majors, Tennessee's talented tailback, today was named "Player of the Year" in the Nashville Banner's annual poll of Southeastern Conference football coaches.

Majors, from Huntland, Tenn., edged Vanderbilt's Charlie Horton and Auburn's Bob James for the award, given annually since 1933.

The 21-year-old junior polled 43 points on a 10-3-3 point basis while Horton and James tied for second with 25 each. Mississippi State's Art Davis, last year's winner but injured much of this season, was fourth with 9 points and Mississippi's Eagle Day and Kentucky's Bob Hardy tied for fifth with 13 each.

Majors led the conference in total offense with 1,133 yards gained, including 637 rushing and 496 passing. He punted 39 times for a 38.3 average and returned 21 punts for 233 yards, second best in the SEC.

Other players receiving votes in the poll:

Steve DeLaTorre, Florida, 10; George Volkert, Georgia Tech, and Jackie Simpson, Florida, 3 each.

Shrine Bowl Game Slated For Tonight

A Shrine Bowl Game between Melbourne and Crooms Academy will be played tonight at the Sanford Memorial Stadium with game time at 8 o'clock.

Officials of the school say that both school bands will furnish music for the occasion.

Records reveal that Melbourne defeated the Crooms Academy seven last year by 6-0 with both teams this year an evenly matched as they were 18 months ago.

Proceeds from the game tonight will benefit the local Shrine and TB and Cancer Research Foundations.

Seminole Open Schedule Tonight

TALLAHASSEE (AP) — Florida State's basketball squad opens its ambitious schedule tonight against North Carolina State's Wolfpack at Raleigh.

The Seminoles, defending Florida intercollegiate basketball champions will be paced by guard Jim Myler and forwards Dick Artmier and Gary Wold. All three were starters with last year's variety.

Wonderful broiled chicken rub the surface of a cut-up broiling chicken with lemon juice. Add 4 teaspoons each of salt and sugar to a quarter cup of melted butter; stir in a teaspoon of paprika and a dash of white pepper. Coat the chicken pieces with the butter mixture. Broil slowly, turning.

MIDDIES' MAJOR-DOMO . . . By Alan Mauer

GEORGE WELSH, NAVY'S INCOMPARABLE QUARTERBACK, RATES AS THE PRO-SEASON ALL-AMERICA SELECTOR'S BEST FRIEND.

WHY BEAT DOMO WHEN BETTER THAN HE WOULD BE THINE POSSIBLE!

ON THE STRENGTH OF HIS PASSING ALONE, HE'S A THREAT TO LEAD IN TRYAL GAMES—AND HE'S KEPT HIS WILL BE BATTERED THROUGHOUT THE QUARTERBACK AND THEN AT EVERY OTHER POSITION.

Many big league officials have been tied up in the lengthy league meetings involving the American Association. As a result, they haven't had time to talk trade.

Goose Paul, Cincinnati honor manager, said he had offered seven players to Pittsburgh for an "unused outfielder." The "unused" one, of course, was Frank Thomas. The Philadelphia Phillies and Cardinals talked but nothing developed. It was reported that Paul was interested in outfielder Del Ennis or catcher first baseman Man Lepeta.

Santa Claus, Is Already On Job In Santa Claus, Indiana

By MERRILL SWEDLUND
SANTA CLAUS, Ind. (AP)—Santa Claus Land, a tourist attraction the year around, has been buzzing with another year's Christmas activity since Oct. 1. The little toy shops, grouped around the famous postoffice are supplemented by more lore for the young Santa set than most big city stores' toy departments.

St. Louis J. Koch, an Evansville manufacturer, started developing a full-scale Christmas village in the quiet hill village

10 years ago, the array of showpieces has grown from dolls to national heroes.

Life-size statues of Mother Goose characters are set in eight groups in woodland glens, there's a park of live reindeer, a collection of 1,500 dolls ranging from the microscopic up to lifesize. In recent years, a Hall of Famous Americans has grown to include 40 lifesize wax figures of such heroes as Abraham Lincoln, who spent his childhood just five miles away, in what is now a state park.

A big statue of Santa stands in front of the string of quaint Alpine-style shops, overlooking a little carnival of rides, including a miniature railroad.

This year, as before, the post-office activity began picking up just when cold weather began cutting into the crowds of long-trip tourists. Postmaster Elbert Reinke, who runs the place with only the help of his wife in off season, hires a dozen helpers each Christmas season to handle some three or four million pieces of mail sent in to get the sentimental postmark.

The name was just a whimsical idea when it was chosen at a combined town meeting and Christmas Eve party in 1852. Outside the hill country, the postoffice remained almost unknown for many years until, one postmaster, James F. Martin, began answering children's letters to Santa which found their way to him.

Before another postmaster took office in 1935, the letter-answering job got so big that it was taken over by the Santa Claus post of the American Legion under James Yellig. Yellig still plays Santa every season, too.

Actually, the center of this Christmas activity, located on a blacktopped state road, was built a mile away from the original village, now almost deserted. An old "candy castle" with a Santa statue of its own operates as a rival gift and souvenir shop in the village.

The Postoffice Department refused last summer to issue a commemorative stamp in 1956 to recognize the 100th anniversary of actual opening of the Santa Claus postoffice.

Absence Is To Love Like Wind To Fire, Says Donna Reed

By BOB THOMAS
HOLLYWOOD (AP)—"Absence is to love like wind to fire: it blows out the little ones but kindles the big ones."

That's the quotation Donna Reed uses to support her theory that husbands and wives should spend time away from each other.

"It has worked out in my case," said the lovely wife of producer Tony Owen. "I don't mean you should have long absences from each other; Tony was gone three months one year while filming a picture in Africa, and that was too long."

"I do think that a week apart every now and then has a wonderful effect on our marriage. The little difference disappear and you begin to think about the big reasons you should be together. After a week of going to a party or two alone and not having him to talk to five times a day, I'm more than happy to see him back."

The Academy Award winner ("From Here to Eternity") thinks it's not only Hollywood marriages that can be strengthened by absences.

"When I got out of college, I had about 15 or 20 friends who married early," she remarked. "They had families right away, and they were miserable."

"They loved their families, but they were harassed. Day in, day out, they were tied down to the house. It gave them no mental stimulation."

"Somehow a housewife should be able to get away for at least a day a week. I don't mean to shop for food or furniture but to do something completely apart from their house work—like going to a concert or the planetarium or something."

BIRTHS

Mr. and Mrs. J. H. Galloway announce the birth of a daughter, **Violy Lee**, Nov. 24 in the Fernald Loughton Memorial Hospital weighing 7 lbs. 1 oz. Grandparents are Mr. and Mrs. W. M. Benson and Mr. and Mrs. Slim Galloway of Sanford. She is the former Peggy Benson.

Superintendent Turned To South To Get Teacher

DUNNING, Neb. (AP)—School opening was approaching last fall and **Sup. C. Floyd Boydston** was having no luck getting an instructor in bookkeeping, typewriting and English from this area.

So, said Boydston today, "I purposely turned to the South and looked for a Negro."

That is how Charles Carpenter, 28, came to be a Negro teacher in this all-white north central Nebraska town of 254, located in the heart of the rich sandhills cattle land.

Boydston got Carpenter, one of 13 children of a sharecropper at Magnolia, Miss., out of a bakery. He was working there while looking for a teaching job after graduating with honors from Xavier University, New Orleans.

"I didn't hesitate one second," Carpenter related. "I was hitchhiking to Nebraska the day after I was told I was hired."

He said when he arrived here he was "met with a warm handshake everywhere" and "I knew my big step was a good one."

"Here I'm helping establish the fact we can intermingle," he said.

He told how his students "keep me busy" teaching him the horse-back riding, hunting and fishing habits of cattle country people.

Story League Sets Plans For Party To Be Held Dec. 20

Members of the Sanford Story League held its monthly business and social meeting at the Yacht Club Monday evening.

In the absence of the president, Mrs. Maxwell, the first vice president, Mrs. James Lee, presided. Plans were made for the annual childrens Christmas party to be held at the Episcopal parish house Dec. 20 from 3 p. m. to 5 p. m.

Exciting plans for the party will be announced at a later date.

At the close of the session Mrs. Clarence Snyder, program chairman, presented Mrs. Tommy Melia who told of Bruce Halron's life; one of the unforgettable character stories taken from the Readers Digest.

Mrs. Claude Howard gave a short sketch of "The Man Who Took the New Job And A World Was Changed." Mrs. Snyder closed the program by telling, in her "pleasing" manner, A Thanksgiving Story, "Sarah's Dream." Mrs. Harry White and Mrs. Howard, hostesses for the evening, served Russian tea, cake and salted nuts.

The tea table was lovely with decorations of autumn leaves and arranged in a cornucopia. Twenty-five members were present.

PAUST'S DRUG STORE

THE WORLD'S FIRST atomic submarine, the **USS Nautilus**, approaches the dock at Groton, Conn., to tie up after a cruise with 14 Navy and Atomic Energy Commission officials aboard. The ship had been at sea a total of 2,200 hours, 1,100 of which were in submerged operation. During the past seven months, the atomic submarine has fired 74 torpedoes. At bottom, Secretary of the Navy Charles E. Thomas (left) and Atomic Energy Commission chairman Lewis L. Strauss are shown aboard the Nautilus. Thomas revealed that the craft had completed 25,000 nautical miles of operation without refueling.

Thousands Gather

(Continued From Page One)

filled the downtown section with probably many more on side streets, in buildings, and sitting in cars.

Thrilled youngsters were wide-eyed and breathless as martial music taken from Christmas songs, started a rhythm of swaying, waiting and happy children. Dancing majorettes throughout the parade, doing intricate routines and handling twirling batons, entertained both the young and old alike.

Floats designed to the theme of "Let's Put Christ Back Into Christmas" were interspersed throughout the parade and added more color and thought than ever before presented in the annual event.

The parade, staged by the Sanford Merchants Association and the Seminole County Junior Chamber of Commerce was proclaimed by many of the onlookers and the greatest ever held here.

One float, entered by the Sanford Garden Club, presented the question, "What Is Christmas?" And they explained, "these children are bewildered and wish to be enlightened. Shall they be good for Christ or for Santa? Where is their adoration, and worship, and love?"

"Parents," they say, "it is up to you." The children riding on this particular float were: Vicki Hardin, Julie Dean, Melanie Murry, Carlin Murry, and Melissa Houshilder.

Winning floats, selected by the judges who were on the reviewing stand at First St. and Magnolia Ave. are:

Large float for schools was a trophy awarded to Seminole High School; Small float for schools was a trophy awarded to Sanford Grammar Schools; in the Civic and Fraternal Group, The Sanford Woman's Club was awarded first place, a tie for second place was between the Presbyterian Church and the Phoebe Baptist Sunday School Class, and third place went to the Sanford Garden Club.

In the Merchants Group, Odham and Tudor, Inc., first place, Wellborn C. Phillips, second place, and Yowell's, third place.

The Chairman for the Jaycee Christmas Parade Committee was Ed Hunt, Parade Marshall was Ralph Perold.

- Place cards for Christmas dinner

The Old Timer

Know how to bread fish fillets? Beat an egg with a couple of tablespoons of cold water. Dip the egg, then into fine dry bread crumbs.

"Truly it is as Thackeray said, 'Mother is the name of God in the lips and hearts of little children.'"

Southern Educator Calls On Schools To Stop 'Prentense'

MIAMI BEACH, Fla. (AP) — A prominent Southern educator has called upon the nation's schools to stop what he described as "this pretense of education" and stop offering "baby food" to students.

"The educational honeymoon is over and its time for teachers to become aware of the facts of living and to produce a satisfactory return for the money expended," said W. S. Milburn of Louisville, Ky., president of the Southern Assn. of Colleges and Secondary Schools.

Milburn told the 69th annual convention of the association Tuesday that the average American child is far behind the English or European youngster in the same grade in reading, writing and arithmetic.

Uncertainty Develops In Sheriff's Office

Rotarians To Hear Capt. R. Jackson At Noon Luncheon

Capt. Robert W. Jackson, commanding officer of Sanford Naval Auxiliary Air Station, will be the guest speaker at the regular weekly meeting of the Sanford Rotary Club, Monday noon at the Yacht Club.

Capt. Robert W. Jackson, commanding officer of Sanford Naval Auxiliary Air Station, will be the guest speaker at the regular weekly meeting of the Sanford Rotary Club, Monday noon at the Yacht Club.

He is married to the former Catherine E. Campbell of Cleveland Heights and has four children: Elizabeth Lee, Catherine Lynn, Sharon Diane and Robert Woods Jackson Jr.

His appearance at the local Rotary Club will be in observance of the 10th Anniversary of Pearl Harbor which comes on Dec. 7 and will bear on the defense of our country.

Some Big Names In World Of Sports To Be In PGA Play

Some of the biggest figures in the sports world will be in Sanford in the Mayfair Inn Open, the \$15,000 PGA Gold Tournament.

The biggest golf tournament in ever hit Central Florida will cover an entire week of activities and matches to start on Monday, Dec. 18 with the awarding of the Vardon Trophy and the announcement of the biggest money winner of the year.

Already slated to be in Sanford for the Mayfair Inn Open will be Dan Topping, owner of the New York Yankees, Fred Hutchinson, manager of the Detroit Tigers, Bill Riggs, manager of the New York Giants, and Carl Hubbell, manager of the New York Giant's sprawling minor league Farm System, all playing in the tournament.

The announcement was made yesterday by Lee Armstrong, Mayfair Inn's Seminole County Club Pro. Armstrong said that Joe DiMaggio will be here for the tournament but only as a spectator.

Hubbell, according to Armstrong, will arrive sometime Monday to play a few rounds.

The course is beginning to take on the appearance of a green carpet for the event with groundkeepers busily at work putting every crevice detail in complete readiness for the event.

The status of the Sheriff's Office, in Seminole County, had not changed at noon today.

However, Mayor Denver Corcell was wearing his badge designating him as Sheriff in view of the commission he received in Tallahassee yesterday at noon. Governor Leroy Collins presented the Mayor with his Commission and said, "You were selected for the important position as Sheriff of Seminole County not because you are a friend of mine, but because of your reputation in the community for character, integrity, and ability. You are not beholden to any individual or individuals, but you are beholden to all of the people of Seminole County and the State of Florida, and only to them, to do a fine job of enforcing the law."

The Governor told the new freedom to conduct the office you are assuming and as you see fit (Continued on Page Eight)

Officials Make Plans To Handle Crowds At Tourney

Officials yesterday made further plans to handle the immense crowds that will be attending the \$15,000 PGA "Mayfair Inn Open" beginning Dec. 12 and continuing throughout the week.

Manager Frank Mebane Jr. of the Mayfair Inn and Joe Baker, local chairman of the recruiting and supervising of marshals for the golf event, said that the two civic groups will take part in the hand-making project for club funds. The Sanford Kiwanis Club and the Seminole County Junior Chamber of Commerce are cooperating.

Chairman Baker said, "the marshals are being set up so that they will be working in shifts of as many as 25 or more."

"Duties of the Marshals," explained Mebane, will be to control the huge crowds visiting the tournament, the individual crowds following the matches, the parking of automobiles, and supervising to see that everyone has a ticket in the crowd.

Baker explained, "We don't have all the people we need, as yet, but the response has been very good so far."

Mebane said, "This is the first tournament of this kind in Central Florida and the marshals will have an unusually important job teaching the visitors how to follow such a big event."

The National Guard is cooperating, said Mebane, by furnishing the walkietalkies and personnel to handle them so that the club house will be in constant touch with the whole course and the unofficial score board will be up-in-the-minute as to how the play is progressing and when the leaders are at an hour of the day.

The Mayfair Inn manager said that Col. S. G. Harriman will be in charge of the unofficial scoreboard as well as instructing the galleries at the first tee. From that point on, Mebane said, the marshals take over.

MANAGER FRANK MEBANE AND JOE BAKER go over plans for the Mayfair Inn Open and the use of Marshals during the event.

America Is Hearing Of Seminole County From Film Reviews

America, from one end of it to the other, is hearing and seeing Sanford and Seminole County as it passes in review on film.

The fifteen-minute movie was taken in Sanford and Seminole County a number of months ago through the efforts of the Seminole County Chamber of Commerce and is now being circulated among TV stations travel and civic groups in every section of the country.

According to the "Sem-O-gram" published by the Chamber of Commerce, the film has been shown, since February of this year, to TV audiences, and civic and travel groups in Texas, Michigan, Alabama, Missouri, Georgia and Pennsylvania.

Also publicizing Sanford and Seminole County is the new brochure which has been received by the Seminole County Chamber of Commerce. Supplies have been forwarded in the Florida State Welcome Station on the Florida-Georgia line and to automobile and travel clubs in the north. All inquirers from the United States and foreign countries will receive one of the brochures, along with statistical information of the Central Florida City and County.

R. Wenz To Appear On CoC Program

Another artist who will appear on the Seminole County Chamber of Commerce Annual Meeting program next Tuesday night at the Mayfair Inn has been announced.

Robert "Bob" Wenz, local operator of the Fountain Lodge Motel, and wife and dance studio in DeLand, will do improvisations and novelty arrangements.

Wenz originally studied for concert style music under Louis Stabo of New York City. At 13 he was very much in demand for playing popular music, started in dance improvisations, and then got into orchestra work. He was associated with Bart Lowne and Johnny Johnson and also was pianist for Paul Whiteman's orchestra.

He later got into the show business where he played dance and tap routines. His first show was "Hit The Deck." Wenz studied and was under the direction of Jean Mallon, a director for dance routines.

In 1942 Wenz produced and directed the show "Wack In Kaki" for the armed forces, and after touring around the military camps, entered the building and project development business in North Carolina.

Then, in 1951 he came in Florida and entered his present business.

Wenz is president of the DeLand Civic Music Association.

Carol Nutt competes for Shrine Bowl title tonight. (Staff Photo)

Miss Carol Nutt To Represent Local Shrine Club Tonight

Little would one know the "Sanford Shrine Club Queen," chosen to represent the local Shrine Club in the "Shrine Bowl Queen" competition tonight in Cocoa, has an eye infection that she says, "I hope will be gone by game time tonight."

Carol Nutt, 16-year-old Seminole High School Junior, 2nd head majorette in the Corps of Majorettes, was chosen to represent the local Shrine Club in the beauty contest tonight.

The "Shrine Bowl Queen" will be selected tonight at 1:30, just ahead of kickoff time at Cocoa, and the entire group of young beauties will make another appearance during halftime.

The Seminole High School miss, who suffered the eye infection yesterday, was jovial about the whole thing, but she was following doctor's orders to the letter, so that she might be ready for the competition this evening.

Surrounded by eye drops, medicines, poultices, cold cloths and towels, Miss Nutt said, "Isn't this something and with just one day to get rid of it."

Mann Gives Check For Vet Memorial

L. R. Mann, a Lake Monroe plant grower, made out a check today, leaving the name blank, as his contribution toward erecting a memorial on County Property which will include all names of veterans of wars since the Spanish American War.

Mann said today, "I have thought this over and the memorial should be placed near the County Court House."

The Lake Monroe grower said that other civic minded citizens join him in making this memorial possible.

It is important that the memory of our veterans be emblazoned on a fitting memorial where everyone can view them and recall the wars that have involved this nation and the young men who protected it.

Mann did not suggest any committee or organization, but suggested that it be done immediately.

September Sees 910 Licenses Revoked; 93 Are Returned

Driver's License Division, Department of Public Safety, revoked 910 driver's licenses in September, suspended 334 and canceled 17. In the same period of time, the Parole Commission returned 93 with restrictions.

Here are the actions relative to driver's licenses in Seminole County:

Reinstated—Eugene Higgins, John Taylor, Clarence Williams, Willie Alexander Williams, Willie Ovids—Gordon Lowery, Tee Jay Pittsford, returned by the Parole Commission with restrictions. Longwood—Harold Bruce Jackson Jr. suspended; Lake Mary—Eugene Scott Greenleaf, revoked.

Miniature Santa Captures Hearts Of Many People

A miniature Santa Claus who captured the heart of practically every person who came to Sanford to see the Christmas Parade Wednesday was one of the main topics of discussion at yesterday's noon luncheon meeting of the Seminole County Jaycee Chamber of Commerce.

Jaycees received so many favorable comments from hundreds of people, they all pitched in to purchase a gift for the young man who furnished laughs, thrills, and praise throughout the parade route.

David Krohne, five-year-old son of Wally Krohne, will receive a gift from Ed Hunt, chairman of the Jaycee Christmas Parade Committee today, to reward him for his unusual tiny float, his ability to pedal his way through the length of the parade, and for his manner in which he greeted the crowds. The youngster would pedal and wave, swaying from side to side so that his greetings could be seen by all.

Other business, at yesterday's noon Jaycee luncheon meeting dealt with the forthcoming Mayfair Inn Open, and the cooperation that could be extended for the event.

The Jaycees also heard from the Sanford Grammar School cheering section as they visited the club urging their attendance at the Peanut Bowl game tonight at the Sanford Memorial Stadium.

Moonshine Whiskey Poured Into Gutter By Order Of Judge

Moonshine whiskey flowed freely yesterday, as Luther Hobby, an orders from County Judge Ernest Houlihan, dumped 21 five-gallon jugs of the illegal fluid into the sewer.

Spectators gathered about to get a whiff of the ill smelling whiskey. Nineteen five-gallon jugs of the moonshine whiskey were confiscated last May 7 near Forest City, when a still was destroyed which allegedly was owned by Edgar "Junior" Chaudron and Vernon Stacy.

Another of the five-gallon jugs of moonshine was confiscated from J. D. Paul, according to Hobby, who then carried Volusia County authorities to Osteen where he obtained it.

An unidentified five-gallon jug of "buck" was destroyed along with the "white lightning." The 16 gallons pouring into the gutter, alongside the Seminole County Jail made quite a stream running into the sewer.

REMOTE CONTROLLED TRAIN TRIP MADE

LARCHMON T. N. Y. A- Seventy-five persons took a ride yesterday on what was termed the first remote-controlled train trip in this country.

The group, mostly officials of the New Haven Railroad, made a 10-mile round trip between here and Rev. N. Y. in a self-propelled rail car which was operated with electronic equipment set up on a station platform here.

The event was described as nothing more than a demonstration, the railroad saying it has no plans for such operation of regular trains.

Religious Picture Said Outstanding

Acclaimed as the outstanding religious picture of our times the full length motion picture "Christ The King" will be shown in the Seminole High School Auditorium in the evening, Dec. 16.

It will be shown under the direct sponsorship of the Seminole High School Band, with the proceeds going to the band fund with which uniforms are financed, instruments are bought, and planned trips paid for.

Majestic in its theme, awe-inspiring in its dignity and simple in its calm beauty, the film to be shown is one recommended for the whole family.

It is the greatest story of love and sacrifice ever told of the life, death, and resurrection of our blessed Lord and Savior, Jesus Christ which even the smallest child will understand. With its outstanding values, it is indeed a picture that will be remembered for a long time by those who attend the showing.

Tickets are now on sale and are available from any member of the Seminole High School Band.

S-D Day Record Is Marred By Accident

Seminole County's S-D Day record was marred yesterday by one accident that miraculously did not claim a fatality.

The accident occurred on West First St. shortly before 11 o'clock yesterday morning. According to the Sanford Police Department report, the crash was at the intersection of West First St. and Persimmon Ave.

A 1950 Dodge truck and trailer, parked on West First St. and 12 inches off the highway, was damaged only slightly when the trailer hitch was broken. Estimated damage was \$45. The driver was Capt. James Mayson, a 37-year-old mechanic of Orlando. The truck was facing east when it was hit.

Garden Club Text Is To Keep Spirit Of Christmas Alive

The first Christmas Show sponsored by the Sanford Federated Garden Club, with the theme, "Let's Keep the Spirit of Christmas," will be held at the Mayfair Inn tomorrow, Dec. 4 from 3 to 6 p. m. and Sunday, Dec. 4 from 1 to 5 p. m.

Awards will be made with ribbon designations as follows: blue for first, red for second, yellow for third, and white for honorable mention.

According to the program schedule released yesterday, a best blue ribbon winner in both horticulture and artistic arrangements.

Two sweepstake prizes will be awarded for the greatest number of blue ribbons in arrangements and horticulture divisions. In case of a tie, red ribbons will be counted.

Green ribbons will be given on standing exhibits in the non-competitive classes.

Bullet for the first Christmas Show are as follows: 1. All entries must be in place by 11 a. m. Dec. 2. 2. Entries must not be removed before 8 p. m. Dec. 4. 3. Entries must be removed by 11 a. m. Dec. 5. 4. An exhibitor is allowed only one entry in each class. 5. No material on the Florida conservation list permitted except in educational division.

Care will be exercised to prevent accident or damage of any kind but the Sanford Garden Club will not assume liability for damage to property or person; 7. The Handbook for Flower Shows, National Council of State Garden Clubs, Inc., will be used by exhibitors and judges as authority; 8. Correct labels are requested on horticulture exhibits. A card showing list of plant materials used in arrangements should be furnished by exhibitor — card to be clipped to the entry card; 9. Competitive

Guilty Plea Is Entered

Mrs. Lee Fillmon Charged With Act

An information was filed in the Seminole County Clerk's Office this morning charging Mrs. Lee Fillmon, a former employee of the Seminole County Road Department, with embezzling over \$2,000.

The Sanford woman, who lives at 404 South Willow Ave., appeared this morning to hear the information and to plead guilty before Judge Vassar Carlton.

The incident was unraveled on Oct. 29, this year and auditors were called in to verify the amount and the terms of the embezzlement.

State Attorney Murray Overstreet read the information to Mrs. Fillmon before Judge Carlton. It read in part, "On October 29, 1955 and on diverse dates between Oct. 1, 1954 and Oct. 29, 1955, Lee Fillmon being then and there the agent, clerk, servant and employee of the Board of County Commissioners of Seminole County, Fla., to-wit: two thousand and hundred and seventy seven and 00/100 dollars, lawful money of the United States of America of the value of \$2,177.00, the property of Seminole County, Florida, a political subdivision of the State of Florida, a better description of which said money being to informant unknown, and which said money came into the possession of the said Lee Fillmon."

Overstreet told Judge Carlton that the former employee of Seminole County had not employed counsel. However she did answer "guilty" to the information filed this morning.

Judge Carlton ordered a presentence investigation which was suggested by the State's Attorney. Carlton instructed Deputy Sheriff Morgan McClendon to notify Bob Crumbling, the investigator assigned to such cases, to make the presentence survey.

The Sanford woman was released into her own custody until the ordered investigation is made.

Board of Commission Chairman John Meisch, present in the court room when the information was read and the former employee pleaded "guilty," said that "Mrs. Fillmon will make restitution of the money alleged to have been embezzled."

It is understood, but not confirmed, that some of the money was replaced today and other payments will be made until the entire amount is returned to county funds.

This is the second time in modern history that funds of the County have been embezzled.

Classes are open to any amateur gardener; 10. Scale of points for judging both horticulture and artistic arrangement classes will be those given in the Handbook for Flower Shows.
