The fact that I will soon move into my new store is the inspiration for the greatest value giving "DISCOUNT SALE"

The selling policy that I have always maintained will be your guide to correct values during this sale, just as it has always been a guide and protection to my customers. All discounts will be taken from my regular selling price so that there can be no doubt as to the exact amount saved on each article that your purchase.

The necessity for the greatly enlarged quarters which my new store will give me, is due to the loyalty of my many friends and patrons and I know of no better way that I can show my appreciation than by offering my merchandise at DISCOUNTS that will make it profitable to all of my customers who take advantage of it and you have the choice of articles that are NEW,

Tribunal In Land Is Bar-Money is King in Wall Street but newspapers, combs, novelties ometer Of Controversial the people there are far from being Questions Before Country the pawns in the continual game which popular conjecture pictures They are very human, apparently more so in their hour of relaxation than members of other

business groups. Noon is akin to the proverbial Saturday night in a small town, with only the slight differences caused by custom and environment. Sunshine And Quiet

The streets are only cannons be ween walls of memory, but then the sunlight shines straight down into the voids and its brightness is reflected on the crowds. There are no hustling shoppers here, no persons rushing to appointments, or the harly burly of business hours. Noon is a time to relax. All traffic except that essen

tial to the district is diverted at that hour and curbstone boundaries are forgotten. Walk In Middle Of Streets

Then the statue of Washington looks down on Nassau Street, one of the few wide ones, where girls in fours, groups of youths, or here and here a fad and the "gir friend," promenude. Lunch brief and they saunter about in the middle of the street until the clock

It is the same on Wall Street itself which is hardly more than a narrow alley or on New Street, which a wide truck would fill from

Community Friendliness There is a sociability about it all, and an excavation for a new building is sufficient attraction for as many persons as can crowd around the guard rail. Patrolling the streets during this time are the hawkers who reap

A Sensible New Fushion

Four years ago a man and his wife from one of Florida's eading cities went to Europe for a summer's sojourn. They took with them three trunks filled with carefully-chosen clothes, and enough hand luggage to make them a source of the post of the country of wealth to the porters and stewards who lined their path.

They had a wonderful time and have been planning ever since to go again. And the other day they started. Fortune having smiled upon them-one of those smiles that accompanies the business of handing over a million dollars or Diskonto Gesellschatt, following a so-this man and his wife were able to buy anything they transaction in which the same firm fancied in their preparation for the trip. So they bought two new seal hand-bags, packed them loosely with a few works. comfortable clothes and went to Europe.

In New York they had a couple of rugs, some magazines and books sent aboard their ship, but they are going to have no bother with baggage this year. They are well rapid recuperation after the war, enough off to wear their old clothes.

More than that, the fashion of traveling with quantities of luggage went out some months ago. According to the president of the New York Transfer Company, only about is four billions of dollars, less than a third as much baggage is going through New York one-fifth of our national debt. this year as there was in 1923 and 1924. Travel is greater than ever, but people don't carry all their possessions with them nowadays. And with the present style of women's clothes, Friend Wife can put a thousand-dollar gown in her hand-bag, and then have room for a dozen other outfits.

People who make successful motor trips soon learn to stores that had paid only one divitravel light. They learn how to be comfortable with a few dend of 30 cents a share in five changes of clothing. They select garments that can be years, and agrees to pay 6 per compactly packed and yet come out unwrinkled. And they dollars of stock notice that everywhere they go the better class of people traveling in automobiles are dressed for comfort.

the other day said "we may grab up our bags and go to "washing his hands with invisible India and China and come home by the Pacific coast, They will probably do just that and see everything there

is to see as they go. The point is that they have reached a RUSSIA RECOMES, every place in their "education" when they can recognize the dif-month, less radical and more auference between genuine and imitation values.

And only four years ago they worked and worried for weeks and months "getting ready to go to Europe." They cases of gold from Moscow to Lonwere not well-to-do enough then to travel with less than a don they really use flying madray load of luggage! And this year in addition to being chines over there, sure enough of themselves to do as they please they have Britishers. AYER-O that every minister the aid of prevailing custom.

Transfer companies and hotel porters are losing revenue, allow the Russians to run their But it is thoroughly sensible for a traveler to go his way with them. We were not squeamwith as little encumbrance as he can devise.
