

Red Blockade

(Continued from Page One)
lin. By mid-afternoon, 20 planes had taken off from Frankfurt...

At a peak period this morning planes were landing at the American-controlled Tempelhof Airport in Berlin at the rate of one a minute...

In Paris the French government ordered rail traffic to Berlin suspended from the French zone...

Col. Sergei Tulpanov, the Soviet military administration's information chief, asserted that such actions have decided on border and traffic controls will remain in force...

Tulpanov made his statement, the first official Soviet response to the western protests, in a speech to the Communist-sponsored Socialist Unity Party at Halle...

The bitterness of Tulpanov's remarks against what he called the evil influences of "American and British plunders and imperialists" was taken here as an indication the Russians may be planning even more forceful measures to get the westerners out.

Anti-Communist German political leaders in Berlin, who handed the Communists a beating in the city's only postwar election, urged the western Allies not to leave the city...

The U. S. military governor, General Lucius D. Clay, has cancelled all military train service to the sector rather than submit to Russian inspection.

The first passenger plane flying the 20-mile-wide air corridor, protected by international agreement, left Frankfurt with 21 passengers and reached Berlin after an uneventful 235-mile trip.

A few hours after Clay's directive was issued, 15,000 pounds of food had been flown here, an

Stassen Race

The fourth delegate chosen was non-committal about his presidential preference.

The delegates were chosen in district conventions which named six. Seven of the state's 13 delegates will be taken from the floor of the convention later today.

Maine's national delegates normally go unpledged and there were no indications the full convention meeting later in the day would alter this tradition.

Five of nine prospective delegates who won endorsement of county caucuses last night were either avowedly pro-Stassen or "lean toward" the Minnesota or GOP presidential nominee.

However, the Piscataquis county caucus favored New York's Governor Dewey in a "straw" vote for the guidance of its endorsees.

Dewey got 10 votes to seven for Stassen, three for Ohio's Senator Taft and one each for Senators Vandenberg of Michigan and House Speaker Martin of Massachusetts.

National Committee Chairman S. Lincoln of Portland caucus out publicly for Stassen.

The Minnesota, he said in an interview, has the greatest numerical strength among state convention delegates.

Dewey and Taft adherents were active among the delegates.

Chairman Alan Bird of the state committee has been tagged by many informed delegates as a Dewey leader. Bird hasn't said so publicly, however.

Senator Owen Brewster, a Taft adherent, rushed back to Washington last night in anticipation of a vote on a tax-cut veto.

But before leaving, he told the Portland Press Herald his support of the Ohioan is not "a definite commitment." Should President Truman fail to be re-nominated by the Democrats, he said, "We may have to change our tactics."

Tax Cut

(Continued from Page One)
House Democratic Leader Rayburn of Texas, issue a statement supporting the veto. He said he can see no way to reduce taxes by \$4,800,000,000 "and at the same time do the honest, straightforward thing and make our nation secure from attack and stop the aggression or desperadoes in the world."

WASHINGTON, Apr. 2 (AP)—President Truman today vetoed the \$4,800,000,000 tax reduction bill.

In a message to Congress, he said it would "undermine the soundness of our government finances at a time when world peace depends upon the strength of the United States."

The President also said the Republican-sponsored measure "is inequitable as well as untimely." Congressional leaders had anticipated a veto and had their lines all set for a quick vote on the legislation.

An American official said. The air force in Washington said last night about 100 C-47 transports were available for the job of supplying Berlin, which is more than 100 miles inside the Soviet zone of Germany.

PHILADELPHIA: PICKETS of the United Financial Employees (AFL) Union are shown as they paraded in front of the New York Stock Exchange. They are striking for higher wages and a union shop. The Exchange officials reported operations as "normal."

Special services will start with Pamp-to-pee, the Indian, and the Indian Quartet on Sunday morning. The morning service will be broadcast over the air from the church. He will be heard every morning over WTRR at the regular morning devotion and will be in a revival every night, for one week, at the Nazarene Church at Maple Avenue and Second Street, Friday night.

60 Jews, Arabs Killed In War For Holy Land

Haganah Unit Of Commandos Spear Into Arab Headquarters On Coastal Plain

JERUSALEM, Apr. 5 (AP)—Jews and Arabs made offensive thrusts today at key tactical points. The day's death toll was estimated at 60.

Commando units of Haganah, Jewish militia, spearheaded the Arab Mediterranean army headquarters of Hassan Bey Salameh near El Ramle, on the central coastal plain. They blasted Hassan Bey's personal headquarters at Sarafand College, recently evacuated by the British. Palestine police reported. The official report said 16 Arabs were killed and 12 injured.

Further north, the outcome of the Arab drive on Mishmar Haemek, Jewish colony on the ancient Armageddon battleground, was still undetermined. The Jews declared they had repulsed a large-scale attack on the settlement led personally by Fawzi Bey Al Kauki, chief of the Arab Yarmuk army. They said 42 Arabs were killed.

An Arab source in Nabulus said "our flag flies over Mishmar Haemek, and Fawzi Bey is there." This source said the attackers lost some 40 men, but that the "Jews lost many more."

The Palestine government said only that it is reported that Mishmar Haemek settlement is being attacked by Arabs.

The battle for Kattal, historic Arab fortified village five miles northwest of Jerusalem on the Tel Aviv road, broke out again.

Jews took the village early Saturday to open a supply route for Jerusalem's beleaguered and hungry 100,000 Jewish residents.

However, Arabs were reported to have moved up in strength to complete a steel ring around the foot of the hill on which the village is situated. Arabs demanded that the defenders "surrender or be killed."

Mishmar Haemek is a collective settlement in the western part of the valley of Esdraelon, linking Haifa Bay with the Jordan Valley. It is the seat of one of the largest schools maintained by Jewish workers' organizations in Palestine.

In Jerusalem, the British fired six-pound shells at the Montefiore Jewish quarter yesterday to still guns aimed at Arab-held Jaffa.

The Jews started shelling after they slew an Arab and his donkey. They suspected the donkey bore explosives. British military spokesmen said it carried water. Two other Arab and a Jew also were killed here.

By unofficial count, 2,310 persons have died by violence in Palestine since the United Nations voted last Nov. 29 to partition the country.

State's Gubernatorial Bidders Must Make Report On Expenses

By ASSOCIATED PRESS

Candidates for governor this week will be required to make their first sworn statements on campaign expenses and contributions.

With only one month remaining before the first primary May 4, all opposed candidates must submit statements before Apr. 9 on all expenses and list all contributions to their campaigns. Florida law limits candidates for governor to \$15,000 in expenditures. A list of paid campaign workers is not required until after the primaries.

Attorney General J. Tom Watson, candidate for Governor, addressed a gathering in downtown Sanford last Thursday in which he deplored release of Everglades section for use as National park, and opposed what he called "union dictatorship."

Company "I" Will Have Parade For Army Day Apr. 6

Open House Will Be Held At Armory For Weapons Display

Company I, 124th Infantry of the Florida National Guard will celebrate Army Day Tuesday afternoon at 4:30 o'clock with a parade which will start at the A.C.L. Freight Depot on West First Street and proceed to the Armory.

At 5:30 o'clock, open house will be held at the Armory for all persons interested in the National Guard, and there will be a display of foreign weapons.

From 8:30 o'clock until 12:30 o'clock there will be a dance there featuring the popular Kenny Kay orchestra.

The National Guard of the United States has been reorganized since the end of World War II and is now a Federal paid and trained force over which the governor of the various states has jurisdiction. Its purpose is to augment the Regular Army and Air Force with a strong, well trained, well equipped reserve of approximately 28 Divisions, totaling well over 600,000 officers and men.

14 Killed In Mid-Air Crash Over Germany

British Craft Is Hit By Red Fighter As It Begins To Land; 2 Victims American

BERLIN, Apr. 5 (AP)—A British transport plane crashed in flames today after colliding with a Russian fighter craft, British authorities announced. The British plane, a Viking, carried 10 passengers and four crewmen.

RAF officers said all 14 were killed. Two of the passengers were understood to be Americans.

The Russian fighter also crashed.

The transport, belonging to the British European Airways, crashed as it was about to make a landing after a flight from London.

RAF officials said the planes fell when their wings hit. Both landed in the English Channel, near the Spanish coast.

Nuernberg war crimes trial defendants who drew penitentiary terms.

Spandau is on the edge of Berlin.

There have been frequent rumors in Berlin that Soviet fighters were diving on American and British planes, but there was no immediate indication whether this was true today.

Apparently the collision took place almost exactly over the border of the British sector of Berlin and the Soviet zone of Germany.

A German who saw the planes fall said the Russian craft did not burst into flames, but came down with terrific force. He said the crash took place almost exactly at 2:05 P. M., which was the time the passenger plane was due to arrive at the RAF's Gatow airfield.

Senator Hits At Administration On UMT And Draft Act

WASHINGTON, Apr. 5 (AP)—The Administration was accused by Senator Edward V. Robertson (R-Wyo.) today of trying to "ride roughshod" over the Military Training Throughout of the cost of Selective Service.

Robertson made this statement to a reporter as the Senate Armed Services Committee arranged to start tomorrow on the job of passing legislation covering both UMT and a limited draft as part of the "stop Russia" drive. He is a member of the committee.

J. J. Parrish, 70, Former Senator Of Florida Succumbs

TITUSVILLE, Apr. 5 (AP)—Former Sen. J. J. Parrish, 70, resident of Titusville for 38 years and head of the Nevins Fruit Co., Inc., died early Saturday morning in St. Vincent's Hospital, Jacksonville. He had undergone an operation Wednesday.

Survivors are his wife, Mrs. Emma Hickey Parrish; a daughter, Mrs. N. W. Bryan, and two sons, J. J. Parrish, Jr. and R. B. Parrish, all of Titusville; four grandsons, Henry C. Cocco, Edward and Percy C. Bowling Green; and James of Mulberry; four sisters, Mrs. R. M. Ford of Frostproof; Mrs. Sammy Peoples of Wauchula; Mrs. Morris Altman of Sarasota; and Mrs. Cannon.

Rankin Boosts For Rural Electrification

WASHINGTON, Apr. 5 (AP)—Rep. Rankin (D-Miss) counts as one of his biggest legislative victories the House agreement to increase rural electrification funds.

Congress last year voted \$300,000,000 for rural electrification loans.

This year, with Rankin constantly pushing it, the House voted \$400,000,000 for such loans in the 12 months beginning July 1 and a \$100,000,000 increase for the current year.

NORWAY VISIT

WASHINGTON, Apr. 5 (AP)—A carrier task force will visit Norway this month "for the promotion of good will," the Navy announced today.

The 20,000-ton Essex class carrier, Valley Forge, the 6,000-ton anti-aircraft cruiser, Fresno, and four destroyers will visit Bergen, Norway, from Apr. 29 to May 2. The vessels will go to Norway after a visit to southern England Apr. 18 to 28.

PROCLAMATION

WHEREAS, the President of the United States has designated Tuesday, April 6, 1948, for observance as Army Day and National Guard of the several states in the past in the preservation of our National Liberties; and

WHEREAS, it is only fit and proper that we pause to honor our Regular Army and National Guard and consider means of making them strong for the defense of our country;

NOW, THEREFORE, I, Robert A. Williams, as Mayor of the City of Sanford, Florida, do hereby request the people to observe Tuesday, April 6, 1948, as Army Day and do honor to the Regular Army of our country and the National Guard, which was called first to the colors in World War II.

WITNESSE my hand and official seal of the City of Sanford, Florida, this fifth day of April, 1948.

ROBERT A. WILLIAMS,
Mayor

Gromyko May Boycott Meet On Palestine

Says Invitation Was Informal And All Knew His Feelings On Trusteeship

LAKE SUCCESS, Apr. 5 (AP)—A United Nations committee today shelved Russia's atomic control plan as inadequate and unrealistic. The vote was 9 to 2. Russia and the Soviet Ukraine voted against the majority.

The action was taken by the working committee of the United Nations Atomic Energy Commission.

The commission is expected to meet later this month to decide whether to continue attempts to work out world atomic control plans or wind up its work in failure.

Mine Workers Not Obeying Order To Return To Mines

Lewis Is Not Advising Miners To Return; May Be In Contempt

By Associated Press

Despite a federal court order for an immediate end to the three-week old coal strike, there was scarcely a sign of a back to work movement of 400,000 United Mine Workers today.

The temporary injunction was issued Saturday in Washington by Judge Matthew F. McGuire. It ordered John L. Lewis and the miners to end their strike. It also ordered coal operators to negotiate with the UMW the coal miners' pension issue which brought about the walkout. Lewis did not advise his miners to return to work. Before the injunction.

Voters Are Urged To Attend Rally Wednesday Night

Voters were urged today to attend the first of a series of county-wide political rallies at which candidates for county offices will speak, to be held Wednesday evening at 7:30 o'clock at the Seminole County Court House. It was announced by Andrew Cartway, secretary of the county Democratic executive committee.

Lake Mary, with traditional hospitality, will have a supper at the Community House to which "vote hungry" candidates are cordially invited, and following which they may cite their qualifications for office.

Friday evening at the Lake Monroe School, the PTA will serve a chicken plus supper to which candidates are invited. Saturday.

Prof. Furlong, Of Stetson Tells Rotary Of Cost Of ERP Aid Plan

If Congress appropriates the six billion, ninety eight million dollars that has authorized as the first installment for European relief, it will cost each Rotarian here at least \$48, Prof. Edward C. Furlong, head of the business school administration of Stetson University, today told members of Rotary at their meeting at the Tourist Center. He was introduced by Charles Morrison.

He however, declared that he is a capitalist and in favor of the Marshall plan.

CRASH VICTIMS

CONNEAUTVILLE, Pa. Apr. 5 (AP)—A flight instructor and a student pilot were killed yesterday as their airplane collided in flight with another and plunged to earth.

Fred C. Byham, pilot of the second plane, which had its propeller sheared off in the crash, managed to cut his engine and glide to a landing in a field a mile from where the first craft crashed into a tree.

KRUPP ACQUITTED

NUERNBERG, Germany, Apr. 5 (AP)—Alfred Krupp and eleven co-defendant directors of the Krupp munitions combine were acquitted by a U. S. war crimes court today of plotting aggressive warfare.

Sam Martina and Robert Thompson were inducted as members of the Rotary Club by H. H. Coleman.

Guests included the Rev. LeRoy L. Lawson of DeLand; J. A. Reviere of Orlando, Charles Marion of Lakewood, N. J. and Charles Lay of Orlando. The latter formerly served by liaison with British intelligence in the ETO and Pacific areas and will address Rotary concerning Russia on Apr. 18. He was a guest of J. O. Hutchison.

Seminole County Voters Have Only 2 More Weeks In Which To Register

Mrs. Lourine A. Beal, supervisor of registration, announced today that Seminole County residents will have only two more weeks in which to qualify as electors for the coming primaries on May 4 and May 25. The registration books will close on Saturday, Apr. 17, in order to prepare for the election, little more than two weeks from the closing date. Although the registration laws require the books to be open from 9:00 A. M. to 5:00 P. M., Mrs. Beal has kept them open for the convenience of the public from 9:00 A. M. to 6:30 P. M. daily and in most instances until 7:00 P. M. for those who cannot register during regular hours. The registration books for the 15 county precincts are located in the supervisor's office in The Sanford Herald.

The opening and closing dates for the registration books, Mrs. Beal explained, are fixed by state law and vary in the different counties according to population. State law requires that the registration books of Seminole County be opened from the first Monday in February preceding the Democratic Primary and shall remain open up to and including the third Saturday before the primary.

State law also provides that the registration books for Orange and Volusia counties remain open the year round and close 30 days prior to the primary election, but Mrs. Beal pointed out that this law should not be confused with the one applying to Seminole County.

During the last week for re-

M. S. Wiggins Died This Morning Due To Long Illness

Funeral Services To Be Held 4:00 P. M. Tomorrow At Home

M. S. Wiggins, prominent shipper and grower here for a number of years died early this morning after a long illness.

Funeral services will be held at his home, 1217 Magnolia Avenue at 4:00 o'clock, Tuesday afternoon, with the Rev. Mark Carpenter of Holy Cross Episcopal Church, officiating.

Mr. Wiggins was born at Holly Hill, S. C., in August, 1883, the son of Dr. and Mrs. James Bernard Wiggins. He graduated from Wofford College and took his Master's degree at Swannee University.

Over 500 TrUCKERS Protest Weight Law

CARLISLE, Pa. Apr. 5 (AP)—More than 500 big trailer-trucks were lined along a 12-mile stretch of the Pennsylvania turnpike today in what drivers said was a "sit-down" protest against Pennsylvania's truck weight laws.

The trucks began stopping last night near the eastern end of the \$70,000,000 toll road. The number increased in the early morning hours as drivers of the first vehicles flogged down others.

The truckers were protesting against a Pennsylvania law which limits gross weight of trucks to 45,000 pounds.

Holliday said some of the vehicles in the line weigh 25,000 pounds and drivers want the law changed to permit pay loads of 25,000 pounds.

MISS Eugenie Muller Died This Morning

Miss Eugenie Virginia Muller, resident of Sanford for 70 years, died at 9:45 A. M. today in the local hospital where she had been confined for the past two days.

Born in New York City, Miss Muller lived with her sister and only survivor Miss Mary Louise Muller at 316 Elm Avenue. She had been in ill health for over two years. She was a member of All Souls Catholic Church.

Funeral services will be conducted at 10:00 A. M. Wednesday at All Souls Catholic Church with Father William Nachtrab officiating. Interment will follow in All Souls Catholic Cemetery. The Rosary will be recited at 8:00 P. M. Tuesday at the Erickson Funeral Home.

MANUFACTURER VISITS Longwood Birth Place

Lynn H. Morse, manufacturer of public utilities of Sharon, Mass., recently visited Longwood, birthplace, and en route back north with Mrs. Morse, stopped a few minutes at the Court House to chat with O. P. Herndon, county clerk.

He told Mr. Herndon that his father had started a citrus grove in Longwood in 1896, but had been "cleaned out" by the big freeze and had gone to Clearwater.

"It will be only a short time before Mrs. Morse and I come back to Florida to stay," predicted Mr. Morse. "I am sick of wallowing around in snow up to my armpits." He also expressed much interest in Mr. Herndon's account of the St. Johns River improvements and the possibilities offered here to manufacturers.

EXEMPTIONS FILED

Tax Assessor Sanford P. Doud-nay today revealed that the last homestead exemption number filed was 3,587, which includes applications mailed in this process an increase of 327 over the total applications for exemption last year when 3,260 homestead owners applied.

The increase, he said, represents new homes in the county during the year, also homes formerly rented that have been purchased for occupancy by the owners.

3 Vessels Are At Sea Loaded With ERP Food

Press Officer Says Ships Left Friday Even Before President Signed Bill

WASHINGTON, Apr. 5 (AP)—Three ships already are at sea carrying United States recovery program aid to Western Europe to help stop the expansion of Communism.

The State Department said today two of the vessels are loaded with wheat for Italy and the third with laid for France.

Press officer Roger Tubby told a news conference the ships left "about Friday," even before President Truman signed the European Recovery Program into law Saturday.

The goods actually were purchased with \$55,000,000 stop-gap help voted by Congress last week. The costs will be deducted eventually from shares of France and Italy in the Marshall Plan. Tubby said the ships for Italy left from Albany, N. Y., the one to France from New York.

Announcement of the quick start on ERP came as the White House said Mr. Truman may name a director for the plan within the next 48 hours.

The White House did not say when Mr. Truman will designate the government agency to have temporary control over the program. There were reports that the President is faced with sharp differences among his advisers as to which agency should be named.

The choice is reported to lie among the State Department, the Reconstruction Finance Corporation and the export-import bank.

Shipments to the 16 European nations and Western Germany.

Florida Livestock Total \$341,957 In Last Week Sales

JACKSONVILLE, Fla. 5—Sales of live stock on 11 Florida markets during the current week brought Florida producers a gross cash total estimated at \$341,957.70 for a consolidated total of 4,259 cattle and 1,047 hogs, reports available today in Jacksonville office of Florida State Markets, revealed. Nine of the reporting markets handled 2,491 cattle and 1,288 hogs, for a consolidated cash total of \$209,222.70, according to the official reports. Two markets, for which cash totals were unavailable, handled 1,508 cattle and 359 hogs, for an estimated total of \$132,735.

Miss Eugenie Muller Died This Morning

Miss Eugenie Virginia Muller, resident of Sanford for 70 years, died at 9:45 A. M. today in the local hospital where she had been confined for the past two days.

Born in New York City, Miss Muller lived with her sister and only survivor Miss Mary Louise Muller at 316 Elm Avenue. She had been in ill health for over two years. She was a member of All Souls Catholic Church.

Funeral services will be conducted at 10:00 A. M. Wednesday at All Souls Catholic Church with Father William Nachtrab officiating. Interment will follow in All Souls Catholic Cemetery. The Rosary will be recited at 8:00 P. M. Tuesday at the Erickson Funeral Home.

Tom Watson Raps State Phones Have Glades Park Deal in Campaign Talk

Attorney General J. Tom Watson, candidate for governor, invaded Sanford last Friday afternoon with his "Band Wagon" and following several solos by his saxophone playing assistant, G. W. "Blitz" Carr, verbally demolished his "negative minded opponents," and defended his position in opposing transfer of glades areas, under which may be rich deposits of oil, to the federal government for a national park.

He also inveighed against "union dictators," and declared that he is fighting for the best in unionism upon the basis of open shop collective bargaining. Florida having attained this constructive amendment, he said, it must have reasonable enforcement, which he termed "the biggest bulwark against communism in any state."

Mr. Watson revealed that some had advised him that it was possible to get out of the situation.

Legal Notices

IN THE COURT OF THE COUNTY JUDGE, SEMINOLE COUNTY, FLORIDA, IN PROBATE.
In re: Estate of C. N. Smith, deceased.
T. All Creditors and Persons Having Claims or Demands Against Said Estate:
You and each of you are hereby notified and required to present any claims and demands which you, or either of you, may have against the estate of C. N. Smith, deceased, late of said County, to the County Judge of Seminole County, Florida, at his office in the court house of said County at Sanford, Florida, within the next calendar month, from the time of the first publication of this notice. Each claim or demand shall be in writing, and shall state the place of residence and post office address of the claimant, and shall be sworn to by the claimant, agent, or attorney, and any such claim or demand so filed shall be void.

IN THE CIRCUIT COURT FOR THE NINTH JUDICIAL CIRCUIT IN AND FOR SEMINOLE COUNTY, FLORIDA.
IN CHANCERY No. 4324
DAVID H. HOOD, Plaintiff,
vs.
DAVID H. HOOD, Defendant.

THE STATE OF FLORIDA, CHIEF CLERK:
TO: DAVID H. HOOD, whose residence is White Road, Shrewsbury, Massachusetts, New Jersey.
You are hereby notified that suit for divorce has been filed against you in the Circuit Court for Seminole County, Florida, in Chancery, by Phyllis Hulshart Hood. You are hereby required to file your appearance with the Clerk of said Court in the County Courthouse at Sanford, Florida, on or before Friday, the 7th day of May, A. D. 1948, or default will be entered against you and said case will proceed ex parte. Ordered that this notice be published once a week for four consecutive weeks in The Sanford Herald, Sanford, Florida.
WITNESS my hand and the seal of said Court, this 2nd day of April, A. D. 1948.
O. P. HERMON, Clerk Circuit Court Seminole County, Florida (Seal)

SECOND: That she said Bernadette Gardner is the sole owner of said business enterprise, and the only person interested therein.
DATED at Orlando, Florida, this 19th day of March, A. D. 1948.
DOROTHY HANSON HANKLA Notary Public

State Phones Have More Than Doubled in Past Eight Years

When you reflect on the growth and development in Florida since the day in 1880 when Florida's first telephone system was installed, you will find that the telephone system today is more than doubled.

Sixty years of progress and accomplishment passed between the day in 1880 when Florida's first telephone conversation took place and the time in 1940 when Florida reached a total of 153,000 telephones—Southern Bell telephones, that is.

But in the short space of eight years since 1940 the number has more than doubled, and today there are more than 327,000 telephones in Florida operated by the Southern Bell Company. Sixty years for the first 153,000; eight years for the second 153,000 plus.

As 1940 started, Floridians had 153,000 telephones in their homes and offices that they could use. Today, there are 327,457. Floridians reached for the telephone to make local calls 1,063, 127 times a day in 1940, more than 2,109,000 times daily at the start of 1948. Floridians originated 18,369 long distance calls daily in 1940, 84,901 daily as 1948 began. And the investment in plant and equipment necessary to keep the calls moving has more than doubled—from some \$37,700,000 in 1940 to nearly \$85,000,000 early in 1948.

As 1940 started there were 1,427 telephones in Sanford homes and offices—today 2,905 Sanford subscribers in 1940 made 9,813 calls a day to folks across the street or around the corner or somewhere within the limits of the Sanford exchange; today the number is 17,520.

Sanford's growth as a market and celery center and the vital role of the telephone in this progress, is even more graphically illustrated by the number of long distance calls originated over Sanford telephones—130 on the average day at the start of 1940, but

MID-AIR CRASH

CIRCLEVILLE, O., Apr. 3 (AP)—Three persons perished yesterday when two private planes collided over downtown Circleville. Two victims were partners in an auto agency, while the third was the wife of the town's airport manager.

The victims: Mrs. Robert Swift, 30; Jack Mounts, 21, and Virgil Newman, 10.

There were 30,988 people in Florida waiting for telephones when the war ended in September, 1945. Since that time, Southern Bell has pushed its expansion and improvement program to the extent that more than 212,000 telephones have been installed throughout the state—about 7 times the number who were waiting at war's end.

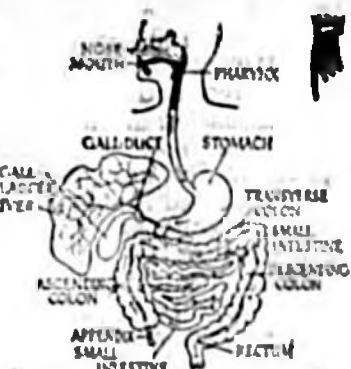

The net gain for this period was 107,170. Yet the new applications for service have been coming in so rapidly that today there are more than 15,000 people on the waiting lists, despite the record number of installations which have been made. Demand for more and more telephone service was never so great, and telephone officials point out that no let-up is in sight—the heavy demand still continues.

Southern Bell spent \$21,160,000 in Florida for new plant in 1947, and if earnings are such as to attract the necessary new capital on reasonable terms, the Company anticipates expenditure of more than \$21,000,000 in Florida in 1948 and like amounts in each of the next few years.

Sanford's growth as a market and celery center and the vital role of the telephone in this progress, is even more graphically illustrated by the number of long distance calls originated over Sanford telephones—130 on the average day at the start of 1940, but

TAKE A LOOK AT YOUR INSIDES

Study the above drawing for a few minutes. Notice particularly how the bile flows from the liver into and out of the gallbladder and thence into the small intestine where it mixes with the partly digested food just below the stomach. Bile is a necessary adjunct to proper digestion. Its absence from the intestines inevitably causes constipation and flatulence.

NATURE'S DANGER SIGNALS
When your stomach, liver, and gall bladder have been upset by improper eating or drinking, or when they are not working well because retained and putrefying food matter in your intestines is poisoning your entire body, you, sooner or later, begin to feel some of the following symptoms:
Your breath may become unpleasant (halitosis), your tongue coated, a

bad taste in your mouth, your coffee (and tobacco) lose their natural flavor, your food does not agree with you; you may have heartburn, gas and dizzy spells, you may be troubled with belching; at night the gas in your bowels may press upon your bladder making you get up frequently, thus breaking into your sleep.

In the morning you are tired instead of refreshed. Gradually your health is impaired.

Your complexion may become sallow or bilious; dark rings may appear under your eyes; you may feel laggard and irritable or blue and melancholic. You may have frequent colds (catarrh) or dull head-aches; your bowels stop their free, full and natural action; you have constipation, "intestinal toxemia" and self-poisoning ("intestinal toxemia" or "acala gastritis" as many doctors call it).

HOW TO GET RELIEF
You can relieve this condition, usually overnight, by taking Calotabs at bedtime and drinking water freely next day.

The beneficial effects of Calotabs lie in the fact that they are (1) laxative, (2) antiseptic to the intestines, (3) diuretic to the kidneys, (4) effective in relieving symptoms of biliousness and acute gastritis due to constipation or faulty digestion.

Calotabs are pleasant to take (sugar coated), prompt and effective. Try them and see. Follow label directions. At your druggists.

WHY must there be 2 kinds of Telephone Dollars?

One kind to keep your service GOING

These are the dollars that are used to run the business—to meet the day-to-day expenses of supplying telephone service. You pay them with your telephone bill and the nickels you deposit in pay telephones. These dollars pay wages to telephone workers and all other expenses of furnishing you service. In addition, these dollars you pay for service must also provide a reasonable return to the people who have invested their money in the telephone business.

One kind to keep your service GROWING

These are the dollars that are used to build the business. They pay for new buildings, switchboards, wires, cables, poles, and other equipment. These dollars do not come from the bills you pay for telephone service because a regulated utility such as the Telephone Company is not permitted to earn enough money to put earnings back into the business. Facilities for improvement and expansion must be financed with dollars from investors, attracted by a reasonable expectation of safety and a fair return on their investment.

In order to keep your telephone service GOING and GROWING, there must be enough of both kinds of dollars. This requires adequate telephone rates—rates sufficient to pay the cost of furnishing you telephone service with enough left over to yield a reasonable return to investors who supply the dollars that make the service possible.

SOME ARE COMPLETELY
UNSCIOUS OF ANY WICKED-
NESS, YET IT IS WICKED TO
THROW AWAY FOOD AND
CLOTHING WHEN MEN ARE
HUNGRY AND COLD. TO
THROW AWAY TALENT WHEN
MEN ARE IGNORANT AND
FEARFUL. Acts WICKED. Repent
therefore of this thy wickedness.

Central Florida, including San-
ford, cannot complain about the
nation-wide publicity it has been
receiving lately.

Herman Brumley, Sanford boy
and local candidate for constable,
rowed No. 6 on the Rollins crew
Saturday which defeated the visit-
ing oarsmen from Springfield,
Mass.

Senator Shands has pledged
himself to veto a general sales tax
if he is elected governor. That
just about brings the various
gubernatorial candidates in the
race into full agreement on ev-
erything.

Down in Orlando there is a can-
didate for county commissioner
who is making a house to house
canvass in order to get votes.
There's nothing like meeting the
people when it comes to winning
an election.

We were sorry to hear of the
sudden death of Senator Parrish
of Titusville last Saturday. He
had represented this county as
well as his own in the State Sen-
ate a good many years and had a
good many friends over here. One
of the biggest citrus producers in
the state, he had always taken
an active interest in politics, and
was first elected to the legislature
in 1919. In 1929 he was pres-
ident of the senate and in all
served in the legislature for about
24 years. He was an able man
and a fine public servant.

Secretary Marshall has served
notice on the South American
countries that the United States
pie counter is closed to them.
While the Latins might regard
that as discrimination, or some-
thing, inasmuch as everyone else
in the world is invited to the
party, it is encouraging to note
that for the first time in over 15
years, our government has said
"NO!" to someone who has had
his hand out. This is an entirely
new policy. In fact, it's revolu-
tionary. No wonder the South
Americans are astounded.

Convincing evidence that the
majority of the people in the
South are not in favor of Pres-
ident Truman's civil rights pro-
gram is furnished by the Gallup
Poll which shows that only six
percent of the people interviewed
in the South favor it. Even in
the North it does not have ex-
actly what you would call over-
whelming support. There 21 per-
cent were in favor of it; 15 per-
cent were against it; and 64 per-
cent had either never heard of
it, or had no opinion regarding
it. And the Gallup Poll is not
what you would call a Southern
institution either.

Socialized medicine, or free
medical service, may be as grand
a thing as some of its proponents
claim, but the first job under any
system of Socialism, as well as
capitalism, is to encourage more
young men to go into the prac-
tice of medicine. The Veterans
Administration, we read, is al-
ready looking for 1,250 doctors
and doesn't know where to find
them. There are five thousand
beds in veterans' hospitals which
are empty today, chiefly because
of a lack of adequate medical
personnel. Being a doctor is not
easy. It takes years of study and
much hard work and many long
hours. But there are great op-
portunities there for young men
of ability.

Political Doctrine

The Monroe Doctrine of the United States was es-
tablished with the idea of preventing any expansion of
European empires in the New World, either by new col-
onization or by recovery of former colonies which had suc-
cessfully set themselves up as independent states. It was es-
sentially a doctrine of military force, and as such was
implemented with success for a century and a quarter.

Now it is recognized that a new technique has been
perfected in the expansion of empire, a technique which
avoids overt military conquest and gains its ends by subtle
methods of political infiltration. Against this kind of
aggression military defense is of no value.

Defense against this type of aggression, "foreign
subversive activities," is one of the subjects scheduled
for discussion at the International Conference of American
Republics, now in session at Bogota, Colombia. No one
power in the hemisphere can defend it against subversion,
as the United States undertook in 1823 to defend it against
military conquest. Only the informed and intelligent co-
operation of all the American nations will avail against
foreign subversion.

It will be helpful to the entire world if the American
nations can draft a workable pact to guard themselves
against subversive assault on individual nations. The
Western Hemisphere then would provide a broad and power-
ful base from which Democracy could offer aid to those
nations in other parts of the world desiring to gain or
hold democratic systems of government.

Wally

Wally is dead. Any soldier of the American Expedi-
tionary Force of 1917-18 will remember Wally, the cartoon-
ist of "Stars and Stripes", whose pictures of cooties, mud
and salute-crazy lieutenants cheered the whole A. E. F.
For years he has been Abian A. Wallgren of Philadelphia,
but for any veteran of World War I he was Wally, a fit
colleague of the other top-notchers of "Stars and Stripes",
Alexander Woollcott, John T. Winterich and the rest.

Publishing an informal unofficial newspaper for sol-
diers, like "Stars and Stripes", "Yank" and the innumerable
camp papers, was a new idea. Earlier wars, American or
otherwise, knew nothing like it, and thereby missed a great
stimulant of soldierly morale.

The British learned this too. In World War I they
had Bruce Bairnsfather's walrus-like "Old Bill", with his
immortal advice, "If you knows of a better 'ole, go to it".
And the magazine "Blighty" was, after Winston Church-
ill's burning words, the greatest British weapon against
Hitler.

Why did not earlier generals like Napoleon discover
the military value of the soldier's newspaper?

Diving Preferred

Deep-sea treasure-hunting still goes on. A schooner
manned by expert divers and seasoned fishermen is about
to start for an eight million dollar cargo sunk 100 miles
off Cape Cod. The loot is several thousand cages of manga-
nese ore that went to the bottom four years ago.

The 14-man crew will share in the profits on the plan
followed for decades by old-time whalers. If successful in
this venture, they contemplate reclaiming gold lost off
the coast of Peru.

The adventures of these daring seamen will be followed
with interest and envy by stay-at-homes, concerned with
war talk and the problems of earning a living in more
mundane ways.

AS IT STANDS NOW

MELBOURNE TIMES
In co-operation with other

THE WORLD TODAY

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

The U. S. Congress would seem
to have registered its approval
of the Marshall Plan at the psy-
chological moment.

Supporters of this program—
which provides aid not only for
Western Europe but for Greece,
Turkey and China—feared that
Congress might not act in time
to secure the full beneficial ef-
fect on the morale of the coun-
tries which are fighting Commu-
nist aggression. However, as one
surveys this far flung field, it
looks on the whole as though
approval could not have come
at a more opportune time.

The sixteen countries involved
in the rehabilitation program for
Western Europe have been pro-
ceeding cautiously—too cautious-
ly in some instances—because
they lacked absolute assurance that
the program would be approved
by Congress. They didn't want to
commit themselves to a project
which had evoked Russia's bitter
hostility, and then find themselves
out on a limb. That worry is
now over, and courage to defy
Moscow will be stiffened.

As concerns Western Europe,
the greatest anxiety has revolved
about the critical position of Italy
with the approach to the national
election. There the powerful Ital-
ian Communist Party, backed by
Moscow, is going all out to gain
control of the government, and
is employing strong-arm methods.
Should the Reds succeed, Russia
would have secured a prime strate-
gic base from which to press
its drive to Communize all West-
ern Europe.

Adoption of the Marshall Plan
by Congress gives the harassed
Italian government the badly
needed assurance that America
is standing with Western Europe.
It encourages the Italian anti-
Reds to give full support to their
government.

Had Congress not approved the
Marshall Plan before the elec-
tions, which are set for Apr. 18,
it most certainly would have giv-
ing the Communists an additional
propaganda weapon to use
against the government. As things
are, the approval would seem to
have come at a most opportune
moment, neither too soon nor too
late. It will strengthen the hand
of the Italian government, though
whether enough to win the day
remains to be seen.

So goes the story as we exam-
ine the various tones affected.
All of them have needed not
only the material aid but the
fillip in morale which comes from
getting that aid and knowing that
America stands with them.

The Marshall Plan of course
forges another link between the
United States and the Eastern
hemisphere—both Europe and
Asia. Like it or not, America is
committed to participation in glo-
bal affairs.

More than that, she has emerg-
ed from the war as the greatest
power on earth. Thus it is a hope-
ful sign to see her devoting
her vast influence and great re-
sources to the task of world re-
habilitation and the defense of
weak nations against aggression.

The Marshall Plan calls for the
expenditure of a vast amount of
money. It is partly altruistic but
not wholly so, for it involves the
domination of totalitarian Com-
munism, it would greatly multi-
ply the Red threat against the
United States.

In any event, the cost of the
Marshall program is infinitesimal
as compared with the expenditure
of life and money in another
world war. If it brings peace and
safety, it will be cheap indeed.

TAX EXEMPT
TALLAHASSEE, Apr. 5.—(AP)—
Property used by Jehovah's Wit-
nesses for a house of public
worship, parsonage or burial
ground is exempt from taxation
under the Florida law making
religious property free of taxes,
Attorney General Tom Watson
said today.

Headaches Are
Danger Signals

By W. V. Hitting
Touchton Drug Co.
Frequent headaches are danger
signals. They should be
brought to the attention of
your doctor. In this way you
can avoid the development of
serious illness.

Headaches are the result of
so many varied causes that
only by a doctor's diagnosis is
it possible to know where
treatment should begin. "Pain-
killers" will give only tempo-
rary relief... and even this
proves unsatisfactory after
awhile.

So to find and cure the real
cause of your headaches con-
sult your doctor. For the medi-
cine he prescribes patronize a
pharmacist with a reputation
for compounding prescriptions
skillfully.

Outstanding Dance Of Season Sponsored By Rotary Club In Mayfair Inn Ballroom

One of the most successful dances of the season was staged last Saturday night when the Rotary Club sponsored a ball at the Mayfair Inn. About 250 members and guests of the Rotary Club enjoyed dancing to the delightful music of Stewart Martin and his orchestra.

The large room overlooking the lake was fully decorated with natural Florida greenery and bamboo with groups of multi-colored balloons covering the chandeliers.

Gordon Brisson is president of the club and heading the dance committee was James C. Higgins. Assisting him were J. L. Ingley, Jack Rattigan, Bob Harris, and A. S. Spicer.

Adding to the attractiveness of the dance were the lovely dresses worn by the ladies present. Among those seen dancing during the evening were Miss Margaret Piper, Dale Scott in a gown of blue crepe with matching ostrich tips in her hair.

Mrs. Henry Witte was gowned in powder blue jersey with a bold black print and Mrs. Fred Bell was attractive in a dress of light rose tulle.

Mrs. H. W. Sayer was gowned in black tulle with rhinestones and trim and Mrs. E. B. Smith wore a black tulle dress with bands of rose and green.

Mrs. H. W. Sayer was gowned in black tulle with rhinestones and trim and Mrs. E. B. Smith wore a black tulle dress with bands of rose and green.

Mrs. H. W. Sayer was gowned in black tulle with rhinestones and trim and Mrs. E. B. Smith wore a black tulle dress with bands of rose and green.

Mrs. H. W. Sayer was gowned in black tulle with rhinestones and trim and Mrs. E. B. Smith wore a black tulle dress with bands of rose and green.

Mrs. H. W. Sayer was gowned in black tulle with rhinestones and trim and Mrs. E. B. Smith wore a black tulle dress with bands of rose and green.

Mrs. H. W. Sayer was gowned in black tulle with rhinestones and trim and Mrs. E. B. Smith wore a black tulle dress with bands of rose and green.

Mrs. H. W. Sayer was gowned in black tulle with rhinestones and trim and Mrs. E. B. Smith wore a black tulle dress with bands of rose and green.

Mrs. H. W. Sayer was gowned in black tulle with rhinestones and trim and Mrs. E. B. Smith wore a black tulle dress with bands of rose and green.

Mrs. H. W. Sayer was gowned in black tulle with rhinestones and trim and Mrs. E. B. Smith wore a black tulle dress with bands of rose and green.

Mrs. H. W. Sayer was gowned in black tulle with rhinestones and trim and Mrs. E. B. Smith wore a black tulle dress with bands of rose and green.

Jersey City Cops Two Tilts From Minneapolis Here Over Weekend

The Jersey City Giants returned to Jacksonville yesterday afternoon with a clean sweep of the two games played with the Minneapolis Millers of the American Association.

Saturday the Jerseys nipped the Millers in a 6 to 5 contest which extended the Giants victorious string to nine consecutive games during the Spring training schedule.

Yesterday the Jersey City aggregation liked the offerings of the Millers chumpers and rapped out a 6 to 1 victory to clinch the series.

Many former major league greasels were playing in the contests. Dutch Meyer held down the hot corner for the Millers, Burgess Whitehead played second base for the invaders and Babe Barna played the right field position for the Minneapolis club.

Jack Sanford, former Sanford player was at the initial sack for the Jersey City Giants.

Roger Bowman and Joe Hamburger allowed the Millers ten well scattered singles in the Saturday contest, while their mates were nipping nine from the offerings of Otis Clark, Don Schoenborn, Bill Emerich, and Woody Abernathy.

Schoenborn received the worst treatment by the Jerseys as they banged out four safeties and a free ducat before the lanky righthander was removed from the contest.

Jack Krause and Luther Knerr limited the Millers to seven hits in yesterday's game to cop the victory. Johnny Carden, Red Hardy and Mario Picone toiled on the hill for the Millers.

Only 13 Nights To Race Remaining In Greyhound Lineup

With only 13 more nights of greyhound racing to complete the 1948 meeting at the Sanford-Orlando Kennel Club, the Leonard Halbert kennel of hounds maintained its leadership in victories with a 13-week total of 57 triumphs.

Other leading kennels with their win totals were V. P. Spradling, 53; Floyd White, 52; J. E. Miller, 50; H. B. Williams, 49; Ed Willard, 48.

The leading greyhounds with nine victories each for the season thus far were Kolaka from R. C. Skelton's kennel, and Harroy, from Willard's kennel.

At the conclusion of last week's business, it was announced by Bill Mandelcorn, Kennel Club publicity director, that total mutual play for 77 nights of racing this year had exceeded by more than \$20,000 the total for the same number of nights last season.

Tonight's program of 10 events starting at 8 P. M., will be preceded by five official schooling races.

Tonight's Entries
First Race-Parity
 Bob's Bean, King Guide, Dorothy Hatcher, Cow Foke, Blue Wig, Tippy X, Marty B. All Chance Boy.

Can Black-Draught Help a Lost Appetite?
 Yes, Black-Draught may help a lost appetite is the only reason you have lost your appetite is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath—and if these symptoms are due only to constipation—then see what Black-Draught may do for you. Get a package today.

Match Play Is Scheduled This Week For Cup

Eighteen hole match play will begin this week for the Andrew Carraway Trophy at the Seminole Country Club. It was announced today by Clyde Terwilliger, club pro.

All pairings have been made and matches must be played by Sunday. Handicaps have been set and may be found in the pro shop. Terwilliger declared this morning.

The trophy, a bronze cup, will be retained permanently by the winner, and will be given by Andrew Carraway, a local golf enthusiast who is assisting in creating interest at the club.

The following pairings made are: G. W. Spencer vs Hugh Wheeler, Hugh Greer vs Dr. Wade Rucker, Earl Higgenbotham vs Richard Elsbey, F. C. Scott vs Mack Cleveland, Jr., C. E. Spencer vs E. B. Smith, Jr., Dr. F. W. Epps, Jr. vs Dr. T. F. McDaniel, Bill Herndon vs K. W. Fite, Sr., F. Svanhousen vs John Stack, Al Bryant vs Col. S. Harman.

Also J. L. Ingley vs A. L. Lyons, John Ivey vs Pete Echols, W. G. Fleming vs Price Heard, E. B. Smith vs H. C. Hetzel, Ernest Housholder vs Bob Fites, Don Harney vs Andrew Carraway and K. W. Fite, Jr. vs Dr. Harry Woodruff.

Training Camp Notes

ST. PETERSBURG Apr. 5 (AP)—Connie Mack, 85-year-old boss of the Philadelphia Athletics, and 78-year-old Clark Griffith, of the Washington Senators, finished their heralded foot race in a dead heat at Orlando yesterday.

Both discounted the outcome as any indication of how their teams would finish in the American League pennant race.

An ambulance drove through the left field gate at Tinker Field, stopped at home plate and a doctor and two nurses stepped out, followed by Mack and Griffith.

Nick Altrock, the Senators' clown coach, escorted Mack and Griffith to third base and shot them off the mark toward home plate.

The president of the Senators stepped along sprightly enough, but long-legged Connie matched strides with Griffith and baseball commissioner A. B. Chandler proclaimed the race a dead heat.

EL PASO, Tex. Apr. 5 (AP)—The Chicago White Sox arrived here today for their game with the Pittsburgh Pirates in Juarez, Mexico, tomorrow. The game will be the first of nine with the Pirates before the Sox return home to face Detroit in the American League opener April 29.

ORLANDO Apr. 5 (AP)—The more the Washington Senators see of pitcher Ramon Garcia, a little Cuban, the better they like him. The trouble so far has been that they have not seen much of him.

Garcia was doing first rate early in spring training. Then he decided to go home to see a dentist. In his first appearance in a month, he shut out the Philadelphia Athletics in a one inning stint yesterday.

BRADENTON Apr. 5 (AP)—The Boston Braves play their final exhibition here today against the American Association's Louisville Colonels. Boston Red Sox farm club, Red Barrett is expected to pitch against the minor leaguers.

ST. PETERSBURG Apr. 5 (AP)—The New York Yankees have started pruning their roster.

Five members of the world champions were optioned out yesterday, three of Kansas City and two to Newark. Pitcher Charley Marshall, infielder Jim Dyck and Catcher Ralph Houk were sent to Kansas City and Pitcher Don Johnson and First Sacker Joe Collins to Newark.

PHOENIX, Ariz. Apr. 5 (AP)—The New York Giants, who hit 221 home runs in 1947, a major league record, are setting a good pace in that department in their exhibition games.

The Giants have belted 31 four-baggers in 22 exhibition games with Bob Thomson and Jack Locke leading the way with five each. Johnny Mize, who contributed 51 of the Giants' 221 homers last year, has hit only two so far.

ST. PETERSBURG Apr. 5 (AP)—The St. Louis Cardinals exhibition record is far from impressive, but the Red Birds have the satisfaction of winning their spring series from the World Champion New York Yankees, five games to four. They had to overcome a seven run deficit to take the final game yesterday, 8-7. Stan Musial's terrific two-run homer in the ninth was the decisive blow.

'CANES HOW TO TARS
MIAMI Apr. 5 (AP)—The University of Miami tennis team lost its first matches of the season here yesterday, bowing to Rollins College, 7-2.

Select Field Of World's Top Golfers Ready For Masters Tiff

AUGUSTA, Ga. Apr. 5 (AP)—A select field of the world's leading golfers—including Bobby Locke of South Africa and Henry Cotton of England—continued practice today for the 12th annual Masters Tournament starting Thursday.

In Sunday practice rounds Chick Harbert turned in the best card, a four-under par 68. Next best was Byron Nelson, two-time winner of the event, who scored a 69.

Best Higin, playing with Nelson, Cotton and Gene Sarazen in the day's featured foursome, shot a spectacular eagle three on the 180-yard 11th hole.

Some of the game's kingpins, notably Locke, Sam Snead and Lloyd Mangrum, missed yesterday's opening of formal tournament rounds for the \$10,000 meet due to exhibition matches elsewhere. Most of the starting field played the 6,800-yard National Course.

The layout, one of the world's toughest in the opinion of the contestants, is in perfect condition with a few changes since last year. One change involves the short 16th hole where the green has been moved to the same side of a rambling creek as the tee. A dam constructed nearby created a lake extending from tee to putting surface but the distance—159 yards—remains the same.

Nelson, the semi-retired 37-year-old Texas who won this coveted title in 1937 and repeated in 1942, is picked by the touring pros to finish on top again. The pros, who end their winter circuit here, named Locke and Mangrum as the probable two-three finishers.

Jimmy Demaree, the defending champion, who with Nelson and Horton Smith, shares the distinction of having won the tournament twice, is rated fourth among the favorites.

Four Boston Red Sox Clubs Open Training

MELBORNE Apr. 5 (AP)—Baseball players on the Oronota, Auburn, Wellsville, N. C., and Milford, Del., teams arrived here yesterday to open training.

All four clubs are members of the Boston Red Sox farm system and will work out here for three weeks. Approximately 100 players are in the party.

Phillies Manager Is Troubled By Many Open Spots

By WHITNEY MARTIN
CLEARWATER Apr. 5 (AP)—Ben Chapman is troubled with spots before his eyes.

Infield spots, outfield spots, catching spots, pitching spots are causing the Phillie manager great concern.

With the opening of the national league season only a couple of weeks away, the lineup shifts with each gentle breeze, and Chapman himself—publicly anyway—says only shortstop Eddie Miller and Second Baseman Emil Veran are sure of their jobs.

Even Harry Walker isn't a pinch, he says, although all Walker did last year was lead the league in hitting with a mark of .363.

Chapman declines to rate his three catchers—Don Padgett, Al Lehman and Andy Seminick. He won't say whether Bert Haas, Al Blair or Hovie Schultz will play first base. According to Ben, anyone could walk right in and steal an outfield spot. The door's wide open, although the premises is rather crowded with gents such as Walker, Del Ennis, Roy Cullenbine, John Blatnik, Jesse Levian and Haas.

It is at third base that Chapman reaches the peak of uncertainty. He has five candidates, including the omnipresent Haas, Ralph Caballero, Harold Albright, Ralph Lapointe and Granville

Sanford Giants Continue Drills At Airport Site

The Sanford Giants are continuing drills at the Municipal Airport site of the New York Giants, but Manager Hal Gruber is in hopes of getting some help from the other clubs located there.

"Many of the higher clubs are giving their fellows a final chance to make the grade, and in just a day or so we should know if we are going to get any of the youngsters who are not quite good enough to make the grade in the faster company," Gruber declared.

The Sanford skipper declared that his club will probably begin exhibition matches elsewhere during the last of the week, since the Millers are scheduled to move out on Thursday.

The Sanford Giants will probably hold several night exhibition games with other teams at the New York Giants Spring training base here, the Sanford skipper declared yesterday.

Mostly Homegrown

Every member of the University of Florida basketball team was from Florida, but two of the 27 baselayers are from out of the state: Third Baseman Bob Fitching, Washington, D. C., and pitcher Arthur Pope, San Antonio, Texas.

GIRLS BEGIN DRILLS

MIAMI Apr. 5 (AP)—Workout will begin at Opa Locka Field tomorrow for 100 members of the 10-team All-American Girls Baseball League.

Hammer

In listing his pitchers, Chapman also takes the roster and goes down the list without regard to rating. There are Dutch Leonard and Schoolboy Rowe, who, he says, are "about the same" as last year. There are youthful Curt Simmons, who looks great, and Ed Heusser, Oscar Judd, Ken Heintzelman, Walt Dubiel, Al Jurisch and Sylvester Donnelly—all familiar names.

As a guess, the starters in this list might be Leonard, Rowe, Simmons, Donnelly and Heusser, but Chapman is keeping his ideas to himself.

Chapman still is seeking power, and rather wistfully says there

GLASS -- PAINT

SENKARIK GLASS & PAINT COMPANY
 114 W. 2nd St. Ph. 330

Colin English
 Believes That Every Child Should Have An Equal Opportunity For A Good Education!

The welfare and education of Florida's children has been the life work of Colin English. He has been teacher, principal, county superintendent and school supervisor. And, during his three terms as State Superintendent of Public Instruction, he has raised the quality of Florida's public school program from substandard levels well above the national average. Florida's present educational system now serves as a pattern for twenty-seven other states.

It is an established fact that the prosperity of any country, state or community depends directly upon the education of its children. Education is good business... It's the best business investment a state can make!

To protect our present gains, and assure continued progress in our educational program, we must elect a Governor who will give us forceful and vigorous leadership... a Governor whose heart is in education!

And, aside from his outstanding accomplishments in the field of education as Superintendent of Public Instruction, Colin English is fully qualified now to fulfill the duties of Chief Executive of our state. He has gained a thorough knowledge of governmental affairs through eleven years of continuous experience as a member of the state cabinet and other important boards and commissions, during the administrations of three governors.

As Governor, he will not have to spend valuable months feeling his way around... getting acquainted with the "job" of Governor. He knows now... and from the moment of his inauguration, he will be a full-fledged Governor!

Read the 33-point platform of Colin English... the first and one of the most important points is: continued progress in education and an equal opportunity for a good education for every child, no matter where he lives in Florida!

Colin English has already accomplished great things for Florida, and, as Governor, he will continue to do all of those things which will best serve the interests of all Florida. Compare the experience, record of accomplishments and other qualifications of those seeking this high office, and you'll agree...

It is to the best interests of every man, woman and child of this state, that you vote for and

Lee Brothers Shop Is Known For Its Quality Plumbing

Lee Brothers, Plumbing, established in 1919 in Sanford in the building now occupied by Robson Sporting Goods, was opened by the three Lee brothers, A. W. Lee, Harry, Sr. and Joe Lee, who came here from Ft. Pierce where they had been in the plumbing business since 1916. They are all veterans of the first World War.

Now located at Fourth Street and Elm Avenue, the business is owned by Harry Lee, Sr. and his son, Harry, Jr. who will be associated with his father after his graduation from the Georgia School of Technology in Atlanta. A daughter, Lolo, is a student at Stetson University.

Lee Brothers, well known for their high quality plumbing and heating, have installed complete plumbing facilities in a great many Sanford homes as well as large installations in businesses and homes in nearby towns and counties. They are agents for the York-Shibley steam boiler and the Conlon washing machine.

Specializing in plumbing, heating and boiler work, they handle Crane quality bathroom and kitchen fixtures, as well as the General Electric Disposal Unit and automatic dishwasher. They are also agents for the Duo-Therm space heaters and Myers water systems.

There are 15 persons employed by the Lee Brothers company. Louis Geisler is bookkeeper.

Office outfitters, the Celery City Printing Company, 115 South Park Avenue, has been located in the same building since it was established as Haynes and Ratliff Printing Company in 1920. The company, now known as Celery City Printing Company, is owned exclusively by Z. B. Ratliff who came to Sanford from Bradenton in 1909. From 1912 to 1920 Mr. Ratliff was in charge of the mechanical department of The Sanford Herald. He and Mrs. Ratliff reside in their home on Park Avenue and a daughter, Mrs. Mary Nicholson, lives in Indiana.

In connection with the printing plant, which is one of the best equipped in Central Florida, the Celery City Printing Company can also furnish everything in the office supply department. They are exclusive dealers for Art Metal Steel office equipment and the Eagle-A Trojan Bond typewriter paper. Their motto, "If it's worth printing — it's worth printing right!"

The personnel of the Celery City Printing Company consists of five employees besides Mr. and Mrs. Ratliff. They extend a cordial invitation to the public to visit their plant at any time.

missing craft were started immediately.

Six persons, including Mr. and Mrs. Albert Myers of Key West are reported aboard a 34-foot converted shrimp boat missing somewhere in the vicinity of Dry Rock, west of Key West. The Coast Guard said the boat went out yesterday and has been unreported since. The four passengers are not identified.

 tion was issued, he told them they were on their own and they could do as they liked about working.

Violation of a federal court injunction might subject Lewis to a fine or imprisonment for contempt of court. Lewis and the UMW have been fined for contempt once before under similar circumstances. The union was assessed \$3,500,000 and Lewis \$10,000 in the strike of November-December 1946. The union's fine later was cut to \$700,000.

The present coal strike, which has cut the country's coal production to a trickle, has put a tightening squeeze on industry and railroad transportation. Although the situation hasn't become critical, curtailments in the steel, railroad and other industries have forced layoffs of thousands of other workers.

General chairmen of three operating railroad brotherhoods in Cleveland, O., whether they would accept a wage increase of 15 1/2 cents an hour for their 125,000 members. The raise and working rules changes were recommended by an emergency fact-finding board which investigated a dispute between the locomotive engineers, firemen and switchmen and the nation's railroads.

Rejection of the board recommendations might lead to a strike which would virtually stop all transportation. The railroads have accepted the recommended settlement.

In Pittsburgh, the CIO-union steelworkers met today with U.S. Steel Corp. to ask "a substantial wage increase." No specific figure has been announced.

The union has announced that it would seek a general wage increase throughout the industry.

The industrial union of marine and shipbuilding workers, a CIO group, announced it will seek new wage increases for its 125-

000 members in contract negotiations with employers during the next few months.

A new strike in New York and its environs halted commuter bus service for 40,000 passengers as drivers for five suburban lines quit in a wage dispute. Another bus strike in Manhattan, itself, by 300 drivers of two bus lines threatened to inconvenience another 500,000 riders.

Fla. Livestock

(Continued from Page One)
 most butcher grades off \$1 to \$2 per hundredweight. Stocker buyers were reported active, taking a larger portion of all classes. Summaries of operations on individual markets, follow:

Arcadia State Livestock Market, reported receipt of 818 cattle and 34 hogs.
 DeFuniak Springs State Livestock Market handled 18 cattle, 36 hogs for a cash total of \$1,613.23.
 Jacksonville Live Stock Market, independent, 169 cattle, 21 hogs, \$14,906.07.
 Jay State Live Stock Market, 53 cattle, 233 hogs, \$9,655.87.
 Gainesville Live Stock Market, independent, 950 cattle, 325 hogs.
 Kissimmee Live Stock Market, independent, 1,420 cattle, 37 hogs, \$110,767.73.
 Miami, G. E. Sampson and Son live stock market, independent, 52 cattle, 23 hogs, \$4,053.52.
 Monticello Stock Yard, independent, 293 cattle, 335 hogs, \$24,163.01.
 Ocala, Mills Auction Market, independent, 238 cattle, 360 hogs, \$26,252.33.
 Quincy State Live Stock Market, 80 cattle, 49 hogs, \$5,772.59.
 Webster, Sumter County Farmers Market, Inc., independent, 158 cattle, 194 hogs, \$12,038.35.

Measured in stable dollars, the consumption expenditures of Americans increased about 75 per cent from 1909 to 1941.

Jews Kill 6 Britons, Steal Army Weapons

Attackers Overpower Sentry, Shoot Him And 3 Others While Armory Is Raided

JERUSALEM, Apr. 6 (AP)—Jews in military and police uniforms killed six British soldiers and stole arms in a raid on a British army camp south of Haifa today, authorities in Haifa announced.

The slain Britons included the commanding officer of Pades Hannah camp. A Jewish source in Jerusalem said the underground Irgun Zvai Leumi carried out the attack.

Haifa police said the attackers overpowered the sentry at the gate to the camp, about 25 miles south of Haifa. The sentry was forced into a guardroom, where he and three others were stood against the wall and shot in the back, the police said.

The attackers, who arrived in a scout car, an armored personnel carrier and a three-ton truck, took up positions on a rise in the center of the camp, near its armory. About 20 or 30 raiders on the vantage point swept a wide area with machine-gun fire, killing the camp commander and one soldier. Seven other soldiers were wounded.

During the firing, some raiders broke into the armory and stole rifles, Sten guns and Bren guns. The raiders were in the camp about 30 minutes before making good their escape. Police said they made off with an ungunned but armored half-track vehicle.

Four Jews carrying guns were arrested later in the area, but police said there was nothing to them.

County Commission Approves Fund For Upkeep Of Armory

The County Commission today approved a \$25,000 appropriation for the use of the National Guard in the upkeep of the Sanford Armory.

The action followed a request for funds by First Lieut. R. P. Payne of the 124th Infantry, Co. 1, who stated that not enough funds are being received to keep the building in shape or to light it.

Commissioner H. B. Pope pointed out that formerly there were four units stationed at the Armory, each unit of which received a month's maintenance from the state. Now there is only one unit he said, but there is the possibility of having a maximum of 188 men allowed in the unit, as compared with the 70 who served in all four units.

Two requests for amending plats of subdivisions were granted. One request was from A. A. Jane, developer of the Rest Haven subdivision near Lake Harney. In order to show a new road location.

The other request was by Martin Anderson, who, in order to beautify part of his estate at Longwood, requested that the platting and unused Wildmere and Evergreen Avenues be closed.

3,500 AFL Printers Ordered Back To Job

NEW YORK, Apr. 6 (AP)—Thirty-five hundred AFL printers have been ordered back to work today, ending a 16-day work stoppage.

The return to work in the major part of New York City's book, magazine and job printing plants was announced late yesterday by the International Typographical Union. The order came after the employers voted to withdraw an order that the work week be lengthened from 38 1/2 to 40 hours without pay at overtime rates.

Negotiation on a wage dispute will continue. Differences over union security provisions, restricted by the Taft-Hartley Act, had been settled before the work stoppage began. The printers' contract expired Dec. 31.

BOLLES FIRE
JACKSONVILLE, Apr. 6 (AP)—A fire in the Bolles school infirmary, located in a dormitory, caught fire today and a woman was suffocated, radio operator F. E. Wylie of the fire department reported.

The woman was not immediately identified.

First reports from the school were that a dormitory was enveloped in flames and then that the infirmary was a fire.

Wylie said he had no further information.

Explanation Of Air Force Groups And Men Needed To Man Them Given

By JAMES J. STREIBIG
Associated Press Aviation Reporter

WASHINGTON, Apr. 6 (AP)—If you are up in the air over all this talk about whether to expand the Air Force from 55 to 70 groups here's a down to earth explanation.

A group varies in size with the type of aircraft, both as to the number of men and planes.

A heavy bomber group using B-29 superfortresses has 2,300 men and 30 aircraft. Very heavy and light bomber groups vary only slightly in manpower, but considerably in planes. When the B-49 is available, there will be 18 planes in a group, while the jet-powered B-46 group will have 48 planes. A B-26 will carry a crew of about 18, including relief men, while a B-45 will have only three.

A fighter group has 1,900 men at a base and 75 planes. Since a fighter plane is manned only by the pilot and usually is a single engine craft, the number of men required for flying, maintaining and servicing is much smaller per plane.

A troop carrier (transport) group has 48 planes and 1,600 men. A transport usually carries four or five crew members, but it needs much less attention than a combat plane.

All figures are those for peacetime. Wartime groups would be at least 50 per cent larger to offset combat losses.

As the Air Force is presently operating, two men are used in training, supply, research and headquarters work for every three men in combat forces and air transport.

On a peacetime basis, Air Force personnel would increase from today's 365,000 men to 502,000 in 1950 for a 70-group establishment.

Air Force officials have held to the position that 70 groups represents the minimum peacetime force for security.

But Secretary of Defense Forrestal, with broad responsibility for all military arms, has told Congress the additional groups would raise the annual bill by \$1.5 billion.

Violence Breaks Out In Trucker Sit-Down Strike

Police Report That 7 Drivers Are Fined For Hurling Rocks

CARLISLE, Pa., Apr. 6 (AP)—A convoy of 250 huge trucks of the police-estimated 1,000 involved in a drivers' protest "sit-down" strike today swept a wide area with machine-gun fire, killing the camp commander and one soldier. Seven other soldiers were wounded.

During the firing, some raiders broke into the armory and stole rifles, Sten guns and Bren guns. The raiders were in the camp about 30 minutes before making good their escape. Police said they made off with an ungunned but armored half-track vehicle.

Four Jews carrying guns were arrested later in the area, but police said there was nothing to them.

Wisconsin Voters Go To Polls To Choose

MILWAUKEE, Apr. 6 (AP)—Clear, cool weather prevailed throughout Wisconsin today as voters made their decision in the state's vital presidential delegate election.

Spring-like temperatures, hitting a high of 60 degrees, plus the battle for ballots between delegate candidates for three Republican aspirants, were expected to attract a record throng of voters.

Secretary of State Fred B. Zimmerman has estimated the turnout at the polls will far exceed the 440,000 votes cast in 1944 when the late Wendell L. Willkie was crushed without a delegate. The polls opened at 6 A. M. and closed at 8 p. m., when the tabulating will start.

Scientist Says Coal Supply For Synthetic Fuel Will Last 1000 Years

By MAX B. SKELTON

CALVESTON, Tex., Apr. 6 (AP)—Gasoline made from coal probably will cost more than petroleum gasoline but automobile owners won't have to worry about supply, a research scientist said here today.

Dr. R. W. Krebs of the Esso laboratories, Baton Rouge, La., predicted coal gasoline will cost from 10 to 15 cents more a gallon than currently produced gasoline but that supply will be sufficient to last over 1000 years.

The Louisiana scientist made his predictions while presenting a technical paper before the thirty-sixth annual convention of the Western Petroleum Refiners Association.

He said anticipated world petroleum demands of the next 10 years made it imperative that the oil industry investigate the possibilities of synthetic oil from natural gas, coal, shale and tar sands.

H. T. Ashton, St. Louis, President of the Association, warned the 1000 petroleum refiners that "sinister influences" plotting confusion and disunion are being directed toward the petroleum industry.

"There is potential evil afoot to wreck this industry in the public's mind," the Socony-Vacuum executive said.

"We are being criticized by the misinformed at the time of our greatest achievements," he added.

Ashton did not elaborate on his charges but other convention speakers criticized proposals for federal control of the oil industry.

Krebs said petroleum industry spokesmen have predicted that

(Continued on Page Two)

Coal Strikes Shutting Down Hard Coal Pits

Board Member Says There Hasn't Been Any Order For Men To Go On Strike

WASHINGTON, Apr. 6 (AP)—Obeying a court order, soft coal operators offered today to meet with John L. Lewis on the mine-pension dispute.

The operators proposed a conference at P. M. just three hours after the offer was made. There was no immediate indication whether Lewis would accept or reject.

POTTSVILLE, Pa., Apr. 6 (AP)—The soft coal strike spread today to the eastern Pennsylvania anthracite field.

Miners reported but refused to work at a dozen collieries in this section and the nearby Ashland district. A preliminary check showed nearly 6,000 men idle.

John Eagan, of Pottsville, a board member of district 9, United Mine Workers, said the stoppage "apparently is in sympathy with the bituminous miners."

"It's something the men decided themselves," Eagan told a reporter. "There hasn't been any order by the district, and the district has not sanctioned the strike."

Operators said they had no advance warning.

Edward A. Lynch, personnel director of the big Philadelphia and Reading Coal & Iron Company, said he had "no idea of any" strike.

(Continued on Page Six)

Alabama Group Sanctions Walkout In Meeting Plans

MONTGOMERY, Ala., Apr. 6 (AP)—A walkout of Alabama delegates to the Democratic National Convention, if the convention adopts "any part" of President Truman's civil rights program, has the official sanction of the State Democratic Executive Committee.

The party's governing body in Alabama met here yesterday and adopted a resolution containing the walkout request.

The committee also asked candidates for the 11 presidential elector posts to promise to vote against Mr. Truman or any other nominee chosen by the convention on a civil rights platform.

It further asked would-be convention delegates to file written statements with Chairman Greener T. McCorvey saying whether they will agree to bolt the national party meeting if it writes an "Anti-Southern" platform.

If a walkout is necessary, the resolution said, the delegates should "thereafter take such action as in their good judgment will best protect the rights of the several states to handle these and similar problems."

Reynolds Has Enough Adventure For Awhile

HONOLULU, Apr. 6 (AP)—Milton Reynolds says he has had enough flying and adventure for a while.

The millionaire flew from China late last night, spent three hours passing through customs, and decided to remain here with his wife and two children rather than go on to Chicago immediately.

His pilot, Bill Odum, planned to fly to the mainland later today. But first he had to clear what customs officials called a technicality. Odum was fined \$1,000 on his last trip through Honolulu for failing to notify customs before landing.

Reynolds spoke briefly with newsmen about his aborted expedition to China to search for the world's highest peak.

Reporters questioned his explanation that he turned back to Shanghai from a Calcutta flight, because he had improper visas.

"That's the way it had to be," said Reynolds.

Reds Call Strike

ROME, Apr. 6 (AP)—The Communist-dominated Italian General Confederation of Labor called a nationwide general strike today for April 12—six days before the Italian national elections.

The strike will be a one-day protest gesture.

Some observers said the call might result in a split of the confederation. Many of its reported roster of 6,000,000 are non-Communists. In the executive committee, the Christian Democrat representatives opposed the strike order.

Candidates For ERP Administrator Appointment

AMONG THE MOST OUTSTANDING candidates for appointment by President Truman as administrator of the European Recovery Program are the three men pictured above. They are (l. to r.): William L. Clayton, former Undersecretary of State for Economic Affairs; Paul Gray Hoffman, automobile corporation president; and Ferdinand Eberstadt, New York investment broker. (Internationally)

City Approves Land Purchase For New Houses

A. B. McMullen, New Tec-Built Owner, Plans 20 New Units

The City Commission in adjourned session yesterday afternoon approved the purchase by A. B. McMullen, new owner of the Tec-Bilt Home plant at the air base, of nine city-owned lots on Escambia Drive, and options on 21 remaining lots, on which he said he will erect 20 new homes.

It was reported this morning by H. N. Sayer, city manager.

The price set on the lots was \$200 each, and they are located in the second section of the San Leola subdivision.

Mr. McMullen said Tec-Bilt Homes, Inc. recommends that the City Commission continue its policy of dealing lots cost free to veterans who wish to build homes. If a veteran builds one of their homes, Tec-Bilt will allow him a discount of \$200, equal to the price of the lot, he said.

During the day Mr. McMullen was a CAA director of airports in Washington, D. C.

The Commission approved the purchase of 32 refunding series A bonds priced at \$492 each. Since (Continued on Page Six)

Political Rally Will Be Led By Concert

FRAGUE, Apr. 6 (AP)—President Edward Benes returned to the presidential palace in Prague today for the first time since Feb. 28. He has been at his country home at Sotimova Usti since a short time after the Communist seizure of power in Czechoslovakia.

Benes did not appear yesterday at a celebration of Charles University's 600th anniversary. His office gave no explanation. A spokesman said it was understood the ailing president would attend an international day celebration tomorrow. If he does, it will be his first public appearance since the funeral of Foreign Minister Jan Masaryk Mar. 13.

Before coming to Prague, Benes conferred yesterday at his country home with Communist Premier Klement Gottwald. He also received the new Russian and Polish ambassadors there.

Four Americans are in Prague for the university ceremonies.

They are Dr. P. D. White of Boston General Hospital, who originally was to have represented Harvard University, which cancelled its representation; S. N. Thompson, historian of the University of Colorado; R. M. Cameron, church historian of Boston University; and Dr. W. M. Landeen, University of Washington.

Catholic Chaplain In Tokyo-Fatally Stabbed

TOKYO, Apr. 6 (AP)—Capt. John A. Ryan, U. S. Army Catholic chaplain at Sugamo prison, was stabbed fatally in the heart while taking his usual walk last night. Investigators said today they had no clue as to the killer or killers, or a motive.

Captain Ryan was stabbed with an icepick-like instrument. American soldiers some distance away said they saw some persons leap from bushes and assault the chaplain. His wallet and watch were undisturbed.

The chaplain, about 30, was a member of the Society of Missionaries, with headquarters at Gettysburg, Pa. He was booked to sail for the United States May 6 after a four-hour duty.

Benes Returns To Palace First Time Since Soviet Coup

FRAGUE, Apr. 6 (AP)—President Edward Benes returned to the presidential palace in Prague today for the first time since Feb. 28. He has been at his country home at Sotimova Usti since a short time after the Communist seizure of power in Czechoslovakia.

Benes did not appear yesterday at a celebration of Charles University's 600th anniversary. His office gave no explanation. A spokesman said it was understood the ailing president would attend an international day celebration tomorrow. British Chief Meets With 3 Western Heads

Lord Montgomery Discusses Berlin Crisis Before Meeting Soviet Commander

BERLIN, Apr. 6 (AP)—Field Marshal Lord Montgomery, chief of the British Imperial General Staff, conferred with the three Western commanders in Germany here today on the Berlin crisis. He planned to dine with the Russian commander tonight.

Tension was raised somewhat after the Russians publicly had expressed official apology for the crash of a Soviet fighter with a British transport plane yesterday which cost 15 lives.

Montgomery arrived today by plane. He will dine tonight with Marshal Vasily D. Sokolovsky, the Soviet commander in Germany. Montgomery said he had every intention of keeping the engagement, made before the plane incident. He said Sokolovsky "is an old friend of mine—a very old friend."

Montgomery went from the Gatow airport to British headquarters to confer with General Sir Brian Robertson, the British commander, and his staff, General Lucius D. Clay, the U. S. military governor, joined the conference. Later the three went to General Robertson's home, to be joined by General Pierre Koenig, the French commander. In London, British Foreign Secretary Ernest Bevin told the House of Commons Britain is pressing for an immediate investigation of the plane incident.

Bevin said of the Western dispute with the Russians in Berlin: "If there is good will it is capable of solution."

General Robertson asked the Russians today to facilitate a full inquiry into the crash. A British spokesman said Robertson's note made "certain requests" of the Russians, but indicated the nature of the requests would not be made known until the Russian answer is received.

The spokesman said Robertson expects written assurances from Sokolovsky that allied planes (Continued on Page Six)

Secretary For Air Says Armed Might Must Be Paraded

WASHINGTON, Apr. 6 (AP)—Congress has decided that Army and Air Force reserves need a financial shot in the arm.

An act signed by President Truman on Mar. 25 provides inactive duty pay for members of the Organized Reserve Corps of both services. The next step is for Congress to vote the millions of dollars it will take to pay for the program.

Members of the National Guard, Naval Reserve and Marine Corps Reserve already are paid for time spent drilling and in other training. Army and Air Force reservists are not.

Wiping out that discrimination was one objective of the new act. But Congress had more than that in mind.

Members said large, active Army and Air Force reserves are essential to the nation's security and the way to get them is to pay the men for their time.

The act passed last month puts all reserve units on the same pay basis. For regular training or drill periods, reservists will get the same pay and allowances as the regulars with the same grade and length of service.

The Army Reserve Corps is to be composed of three types of units. For regular training or drill periods, reservists will get the same pay and allowances as the regulars with the same grade and length of service.

Ed Lane Appoints Shrine Committees For Minstrel Show

Committees for the Morocco Shrine Minstrel to be held at Seminole High School Saturday evening were appointed by Edward E. Lane, president of the Sanford Shrine Club, at a meeting last evening at the Masonic Hall.

The reception committee includes Edward E. Lane, Luther T. Doss, William R. Willis, S. C. Graham, William McKinnon and James M. Lane. A public address system committee includes Luther T. Doss, and J. A. Howard. Ticket takers are J. C. Holden and George Holden. Ushers are Roy Howell, Frank Evans, Roy Wright and Bill Tyre. The program committee is headed by Joseph S. Tills, and the stage committee by J. L. Thornley.

The Morocco Shrine Minstrel are all professional entertainers, with a cast of 40 and a 10-piece orchestra, said Mr. Lane. There is special scenery and special costumes. A public address system will enable the audience to hear every word spoken from all parts of the auditorium.

"This is not an amateur show but is one of the best minstrel shows in the South today," declared Mr. Lane, "and is being given by the Shrine Club for the benefit of the Seminole High School Band. There will be a big parade downtown, Saturday afternoon."

Building In South Reaches New Height

BALTIMORE, Apr. 6 (AP)—The value of new building contracts below the Mason-Dixon line reached a peacetime high during the first quarter of 1948, the Construction Magazine reported in its current issue.

The publication said the total of \$651,659,000 was 91 per cent more than value placed on contracts awarded during the corresponding period of last year. It was surpassed only during the first three months of 1942, during the war.

Construction in 16 southern states amounted to \$256,970,000 worth of contracts during March alone.

So far this year industrial construction has been 19 per cent of all southern building.

Un-American Group Hopes For New Laws

WASHINGTON, Apr. 6 (AP)—Chairman J. Parnell Thomas (R-SJ) said today the House Un-American Activities Committee hopes to produce tomorrow a "quite drastic" legislative program aimed at curbing Communism.

He told reporters after a committee session that the legislative report "is going to be an eye opener."

Thomas said the committee discussed today plans for enlarging its investigative, research and clerical staff and "greatly expanding our program of exposure."

"We are way behind schedule," he said.

Legislation against Communists is first on the committee schedule, he said.
