Trial Seats Saved . For Press By Polk

The trial of Mrs. Mabel Frances Thompson, who is accused of murwhile authorities conducted a missing persons investigation, will begin next Monday, Jan. 19. The trial was changed from Oct. 20, when defense attorney, Mack Cleveland requested a continuance after state's attorney, Abbott Herring subpoensed 15 additional wit-

nesses. The date was set for Dec. 15, and was again postponed due to the conflict with Christmas and New Year's holidays. Although a packed courtroom is anticipated, ample space has been provided for press coverage, accord-

It's no surprise that the average family has 22 electric appliances in their home, ranging from electric frypans to automatic dishwashers and color TV. After all, why not take full advantage of the biggest bargain in your budget.

And that's exactly what clean, flameless electricity is. In fact, the average price paid per kilowatt hour by FPL-served families today is one-third

less than it was in 1957. So go right ahead and rely on flame less electric for cooking...hair drying ...dishwashing...shaving...cooling and heating your home. Because when it comes to serving you with economy, there's just no match for flameless

In the past, Herring has used Dan Cerna, Assistant Brevard County Solicitor, in handling criminal cases in Brevard County. Barring any continuance motions by the defense, the trial before Circuit Court Judge E. Thom Rum-

berger is expected to last for at least a week and perhaps longer because of the lengthy list of persons called to testify. A venire of 227 has been summoned and 59 witness-

es have been subpoensed by the prosecution.
