### **Crooms** reports bomb threat

Sanford police and firefighters responded to what proved to be a false bomb threat Tuesday morning at Crooms Academy of Technology, 2200 W. 13th St.

According to police spokesperson Cleo Cohen, officers were unable to find anything suspicious, and students, who had been evacuated from the school, were allowed to return to class shortly after 10 a.m.

There was no immediate indication regarding how the threat was made or what it may have involved. Police are investigating.

### Sanford's reduction in force eliminates 13 positions from city roster

officers who retired after last week.

SANFORD - City commissioners began Monday's

meeting honoring two police

more than 50 years of com-The lay-offs were made by bined service. The meeting City Manager Al Grieshaber, ended with commissioners who cited the city's financial being quizzed about 10 woes as the reason for the disemployees who were laid off missals. He said the city had

pulled nearly \$2.2 million from city reserves in the fiscal year that ended Sept. 30, 2003. Of that amount, Grieshaber said 65 percent of the expenses were reoccurring costs.

"We can't keep spending non-reoccurring revenues on reoccurring expenses," Grieshaber said.

The most pointed questions came from Paula Freytes-Torres, who asked commissioners why her position, funded by federal grants, was eliminated as part of the reduction in force (RIF).

"I prepare the timesheets, and I know the money is paid out of LIHEAP (Low Income Home Energy Assistance Program) and weatherization

Woman drowns at lake

**By Christopher Patton** Managing Editor

SANFORD — What police believed to be a suspicious death turned out Tuesday to be an unattended drowning. However, police are still puzzled why the deceased Sanford woman was found near a private residence, miles away from her home.

Sheila Gray Stone, 52, of Beardall Avenue, was located laying face down in a ditch of muck and mud near Lake Ada Sunday afternoon --- just feet away from her white Buick Skylark.

The small, private lake is at the back of the Hidden Lakes subdivision near the intersection of Airport Boulevard and U.S. Highway 17-92.

Kitte Craft of 137 Lake Ada Circle said her neighbors noticed the vehicle at the back of her property Thursday evenin "We live on the lake and it's a private lake. To get to it, you have to drive through my yard," she said. "Most people don't even know that it is there." According to Sanford police spokesperson Cleo Cohen, a medical examiner's report released Tuesday revealed there was no foulplay in the death. "There is no other reason to believe there is anyone else involved in this," Cohen said. Despite ending a three-dayold mystery, the news does not bring much comfort to area residents who want to know why the woman drove to the small lake and why she was there several days before being noticed.

### **Thieves burglarize** closed country club

Alaqua Country Club, 3060 Players Point, Longwood, abruptly closed on Jan. 14, due to financial difficulties. On Thursday, Jan. 22, unknown persons apparently decided to visit the club anyway, entering through the locker room door to the golf pro shop.

As a result, thousands of dollars in merchandise was reported stolen. Items included 25 golf shirts, one outerwear-pin, 105 boxes of golf balls, seven pairs of polar sunglasses and two Ezgo electric golf carts.

According to the Seminole County Sheriff's Office report, the golf course superintendent noticed the door leading from the weight room to the stairway and cart storage area was unlocked. It is believed this is the door where burglars entered the facility. He also told investigators he noticed a cabinet door was removed from a liquor storage area, but there were no details on what if any of the contents were taken. Of the items which have been determined to be missing, the total value was more than \$10,000.

### Central Florida Dream Center is addressing the community's needs

#### By Michelle Donahue Herald Correspondent

SANFORD — The Central Florida Dream Center is a part of a growing movement of one-stop human services and outreach stations that are springing up in cities across the United States.

Originating in Los Angeles, the concept was developed by father and son visionary team, pastors Tommy and Matthew Barnett, whose primary focus is to help the needy by meeting them within their circumstances.

Christian Berglund, the director and vice-president of The Central Florida Dream Center agrees with the Barnetts.

"We believe that asking families

and individuals what they need is the way to build bridges," Berglund said. "We do this in teams and go block by block in the high risk areas of Sanford."

Ultimate Dream Center strategy is built upon a centralized service model that offers comprehensive service programs in a single location. This service model not only provides resources in a consolidated manner, but is also conducive to addressing the needs of the community with the highest measure of efficiency. The model also makes outreach and education more cost effective, so that donor dollars can help a greater number of people in need than if the programs were distributed to other locations.

Located at 540 Pecan Ave., The Central Plorida Dream Center's goal is to methodically "empower and restore individuals, families, and entire communities," believing that love for one's neighbors is the only thing that will truly lead to lasting social change within any community.

"Although we are faith-based in our outreach, we are not a church," said the 26-year-old Berglund. "We do network with several mainstream denominations including the Assemblies of God, Baptists, Catholics, Methodists, Nazarenes, and others, as well as several nondenominational churches, but we don't stop there."

### Iraqi Diary: Explosion at Assasin's Gate Mica finds federal \$

Editor's note: Staff Sgt. Charlie C. Carlson III, son of Sanford historian Charlie C. Carlson II, is deployed in Baghdad as part of the 549th Military Police Company. He is providing the Herald with a journal of his experiences.

18 Jan 2004 This morning about 0800 the coalition headquarters in the green zone was hit with a powerful truck bomb that killed 25 people and injured 50 to 60 others. This have not been was across the Tigris, west involved in. from our location.

Most of the casualties were lined up at the gate going to work because Sundays are regular work days in Iraq. These casualties were Iraql employees who work at the headquarters. This particular entrance is appropriately nicknamed "Assassin's Gate." At the present time I don't know about U.S. casualties. We were told there were some, but most were Iraqis.

We did not have to respond to this one as we were involved in an inventory layout. It is good that the new soldiers did not have to see that

bloody mess with blasted body parts laying around like a blown-up butcher shop. I would love to show these things to war supporters. You cannot begin to imagine what blast injuries look like. This was about the first big bombing that we

We did do a recon of a target house and on the way back to camp we decided to take Route Pluto and go to the Regiment for chow. On the way we encountered two Iraqis, a father and son, waving us down. We doubled back and stopped and told them to come over to us. They told us they had found what they thought was a bomb. I immediately ordered my patrol to block off the highway and the on-ramp. At that time we knew we could forget about going to chow.

We called it in and soon there were two Kiowas hoversupport. I saw the pilot motioning with his hands asking us what the situation was. Making a motion with our hands we told him it was a bomb. He kept us covered for awhile until the IPF [Iraqi police] and EOD [bomb disposal unit] arrived. The

ing overhead for air

EOD sent in their robot which set a charge and

blew the device in place. It turned out to be a Russian made electronic converter box and not a bomb. But you never know about these things. With that incident over, we proceeded on our way to Camp Marlboro.

The army is planning to cut back the number of armed patrols as new units arrive in the troop rotation. There are 19 bases or camps within the city of Baghdad and most of these will be closed. The 1st Cavalry Division will replace the 1st

for Lake Mary, airport By Dan Ping Editor

SANFORD - The Omnibus Appropriations bill approved by the U.S. Congress last week contained funding for two Seminole County projects.

Congressman John Mica (R-Winter Park) said the Orlando Sanford International Airport and the city of Lake Mary will receive funding for key projects those entities are planning.

The airport received a \$500,000 grant to extend Runway 9R/27L. The

runway is being extended to alleviate safety concerns that occur because of the close proximity of small aircraft pilot training operations to airline flights on the main east-west runway.

The current 3,500-foot runway will be extended to 7,000

feet to handle the growth in aviation flight training and corporate aircraft operations. Mica previously secured \$1 million for the project.

"We should be able to complete our capacity study and finish the planning for this proj-

In addition to the airport, the city of Lake Mary is scheduled to

receive \$100,000 for its downtown development improvement program. The city is now proceeding with an economic redevelopment project and is working to improve parking, traffic circulation, sidewalk and

### SEMINOLE SUMMARY A GLANCE AROUND OUR COUNTY

### **IN BRIEF**

### **Transportation group** urges quick clearance of automobile accidents

Metroplan Orlando, the region's transportation partnership with the Florida Department of Transportation, District 5 and the Florida Highway Patrol, held a meeting in Orlando on Friday, Jan. 16. The goal was to discuss relief for traffic congestion, primarily on Interstate 4, although involving other major arteries such as U.S. Highway 17-92.

Traffic incidents and accidents are accounting for more than half of this region's traffic congestion. It has been determined that clearing accidents quickly can help reduce congestion and improve safety conditions for responders. Regional agencies and the driving public can both be part of the solution.

Metroplan Orlando has announced two initiatives to reduce traffic congestion and improve mobility. The first plan is the Tri-County Area Open Roads Policy. This is a landmark commitment of police and fire/rescue officials in Orange, Seminole and Osceola counties, as well as all 19 municipalities. It calls for the quick clearance of incidents. This will enable rescue and law enforcement vehicles a clearer passageway to serious incidents which require assistance. This is based on initiative number two -- "Move it, yes you can."

The move in policy is a campaign to inform the public that they can, and MUST, by Florida law, make every reasonable effort to move their damaged vehicle off the roadway if they are involved in a minor traffic accident.

The meeting involved members of the Orange County Commission, the Florida Department of Transportation (FDOT), Florida Highway Patrol, fire/rescue and police representatives from throughout the three counties, and private tow truck operators.

Efforts to promote the two concepts were stressed at the meeting, and further information is expected to be released to the public in the near future.

### Geneva registered sexual predator violates terms of **16-year probation**

The Seminole County Sheriff's Office, Warrants and Fugitive Apprehension Unit arrested Friday a Geneva-area man, who is a registered sexual predator, who is living in

### **Transportation alternatives**

Herald photo by Tommy Vincent

Sometimes you just cannot get a flight to your preferred destination so you have to prepare for other transportation alternatives. This photograph was taken at the intersection of First Street and U.S. Highway 17-92 in Sanford. The airplane drew curious stares from motorists using varied modes of transportation.

Sex offense

Robert Cecil Walker, 40, of Sanford, was arrested by Sanford police Monday. He reportedly had offered a minor \$100 to have sexual relations with him. He was arrested on charges of cruelty towards childabuse without great harm (domestic); sex offense-against childfondling-lewd and lascivious act in the presence of a child under 16 years of age; trespassing after warning; and solicitation of prostitution.

Thefts Todd LeFlore, 30, of Academy

Monday. She reportedly had been in a dispute with her husband. She was arrested on a charge of aggravated assault with a deadly weapon (domestic). As officers attempted to handcuff her, they said another woman, identified as Helen Daniels, 30, of Heron Lakes Drive, Sanford, attempted to pull her free from the police. She was also arrested on a charged with obstructing a police officer — interfering with a prisoner.

#### Traffic cases

 Dangirtas Kropas, 31, of Wind Chase Boulevard, Sanford, was stopped by Sanford police Saturday on West 22nd Street. He was charged with driving under the influence (DUI) of alcohol or drugs, and driving with no lights after dusk.

 John Thomas Farrell, 37, of Maple Avenue Sanford, was stopped by Sanford police Sunday on Hiawatha Avenue. He was charged with DUI alcohol or drugs, and possession of under 20 grams of mari-

### **OUT & ABOUT**

Avenue, Sanford, was arrested by Sanford police on Jan. 14. He reportedly was manager of a business in the 100 block of French Avenue. Following an interrogation at the Sanford Police Department, it was determined he had taken money from two bank deposit bags, which were to have been deposited. The amounts totaled \$4,028.44. He was arrested on a charge of larceny, over Academy Avenue, Sanford, was \$300.

• Beulah Black Copeland, 54 of West 12th Street, Sanford, was arrested by Sanford police Sunday at a store in the Seminole Towne Center. She reportedly had taken 127 candy bars from the store at which she was employed over the last two months, for a total of \$317.00 He also is said to have taken a ring and earrings. She was arrested on a charge of larceny, theft of over \$300.

 Woneazell Randolph Britt 42, and an 18-year-old girl of Rosecliff Circle, Sanford, were arrested by Sanford police Saturday at a store in the 3600 block of Orlando Drive. They reportedly took steaks, lobster, two boxes of beer, two packages of deodorant and men's clothing from the store and attempted to exit without paying. The girl, arrested as Jane Doe, was charged with retail theft over \$300 and resisting an officer by obstruction of a disguised person.

• Sharon Teague, 34, listed as homeless from Winter Park, was arrested by Sanford police at a store in the 1500 block of French Avenue Friday. She was accused of taking items from the store without paying. She was charged with retail theft.

#### **Domestic cases**

 Cheryl Johnson, 29, of Cardinal Cove Circle, Sanford, was arrested at her residence by Sanford police

• Alton Gerald Lawrence, 40, of arrested by Sanford police Saturday following a dispute with his wife at his residence. Officers said he ripped off the power meter to the house. He was charged with simple assault (domestic) and property damage of over \$200.

• Travaris Knight, 24, of Scott Drive, Sanford, was arrested by Sanford police in Castle Brewer Court Sunday. Police were called in regard to a possible disturbance. Knight had reportedly thrown an object at a woman's vehicle following a verbal argument. He was charged with simple assault (domestic violence) and throwing a missile into a vehicle.

• Mark Allen Watkins, 47, of Cedar Avenue, Sanford, was arrested by Sanford police Saturday at his residence following a fight with a female. He was charged with battery — touch or strike (domestic violence).

 Dana Sellers, 29, of Windridge Circle, Sanford, was arrested by Sanford police at his residence Sunday. He had reportedly been in a dispute with his wife. He was charged with battery - touch or strike (domestic violence).

 Phillip Jose Rios, 21, was arrested by Sanford police on Grove Drive in Sanford Saturday following a dispute with a female. He was charged with battery - touch or strike (domestic violence).

 Abel Rosa, 25, of Villa Capri Circle, Sanford, was stopped by police Saturday on Rinehart Road. He was charged with driving with a suspended license and having an expired motor vehicle registration.

· Laroy Lockett, 25, of Scott Avenue, Sanford, was stopped by Sanford police Saturday on Ridgewood Lane in Sanford. He reportedly sped away when approached by a squad car on Hartwell Avenue. He was apprehended and charged with fleeing with disregard of safety to persons or property, reckless driving, resisting an officer without violence, and

driving with a suspended license.

 Monique Shonte-Yetter Scott, 18, of West Seventh Street, Sanford, was stopped by Sanford police Saturday after a brief chase near her residence. The vehicle was located in some bushes against a utility pole. Her baby was in the vehicle at the time. She was charged with child neglect, operating a motor vehicle without a valid license and resisting an officer without violence.

· Gordon M. Depauw, 39, of Capital Lane, Sanford, was arrested by Sanford police Monday at Second Street and Cypress Avenue. He was charged with DUI alcohol or drugs, driving with a suspended license, and driving with a license from another state while his Florida license was suspended.

• Bradley Scott Schleper, 20, of DeBary, was reportedly involved in a single car crash at French Avenue and Seminole Boulevard early Tuesday. His vehicle had over turned into Lake Monroe. Sanford police charged him with DUI alcohol or drugs, reckless driving, and possession of liquor by a person under the age of 21.

### 5 THUR

### Sanford facility earns acute hospital honor

#### From Staff Reports

#### SANFORD

HealthGrades, the healthcare quality company, has announced that Central Florida Regional Hospital in Sanford has received the 2004 Distinguished Hospital Award for Clinical Excellence.

This distinction places Central Florida Regional Hospital among the top five percent of all acute-care hospitals in the nation in entire nation have received terms of overall clinical excellence across a broad array of services.

HealthGrades analyzes the quality of care at more than 4,700 hospitals across the country each year and publishes ratings based on the performance of the hospital.

"We feel very honored to receive this distinction from HealthGrades," said Rodney R. Smith, CEO. "What could be better for our patients, physicians, associates and

community than to know that a highly regarded independent source has determined that Central Florida Regional Hospital's overall clinical quality for our patients is at an exceptional level compared to hospitals nationwide? Everyone throughout our organization and in the community should take pride in this tremendous accomplishment."

Only 164 hospitals in the the Distinguished Hospital Award for 2004.

Each year, HealthGrades offers the Distinguished Hospital recognition to an elite group of hospitals that achieve notably high levels of performance across service lines that include cardiac, stroke, orthopedic, pulmonary/respiratory, vascular and several individuals procedures/diagnosis such as prostate, cholecystectomy, treatment of sepsis, bowel obstruction and GI bleed.

#### Tubbs named as new LaNier Associates vice president

Steven Tubbs has been named vice president of Business Development for LaNier Associates, a marketing, advertising and public relations firm, headquartered on West Lake Mary Boulevard, in Lake Mary.

Tubbs has over 30 years experience in marketing communications and client relations for corporations, agencies, government, and non-profits.

"Steven brings extensive, diverse experience to our organization and clients, including high technology, real estate development and sales, health care, financial services, resorts and tourism and manufacturing," said Gene LaNier, chairman/CEO of LaNier Associates, Inc.

The company, founded in 1980, represents regional, national and international clients in integrated marketing, advertising and public relations services.

from \$289,000. Six town homes an average of \$217,391 per are available for sale in the first phase at Harper Place. The model center is open Tuesday through Sunday, Soderstrom said.

#### Engineered Homes posts \$71.7 million in 11 months

Unlike November temperatures, sales activity for Engineered Homes showed nosigns of cooling off.

A sizzling November aided by the continued success of its Buckingham Estate community near Heathrow rocketed Engineered Homes over the \$70 million sales plateau for the year's first 11 months.

According to Marketing Director Marilyn Anderson, the Winter Park-based home building company posted its best November to date with 39 home sales for \$8.4 million in volume at three Central Florida residential communities. Buckingham Estates, the company's flagship community across from Heathrow, posted \$1.2 million in sales volume.

For the January-November period, Engineered Homes has logged \$71.7 million in gross volume on 326 home sales --

transaction, notes Anderson.

The company already has posted more unit sales than it did all of last year (319) and just shy of the company's record \$72.8 million in volume posted for all of last year.

Engineered Homes, with communities in Lake, Seminole and Osceola counties, realized sizable jumps in both production and sales over October figures (30 for \$6.6 million), underscoring the vitality of the area's new home market, says Anderson.

November's \$8.4 million represented Engineered Homes' fourth highest in its 7year history, even though it is operating with fewer communities and less inventory than years past.

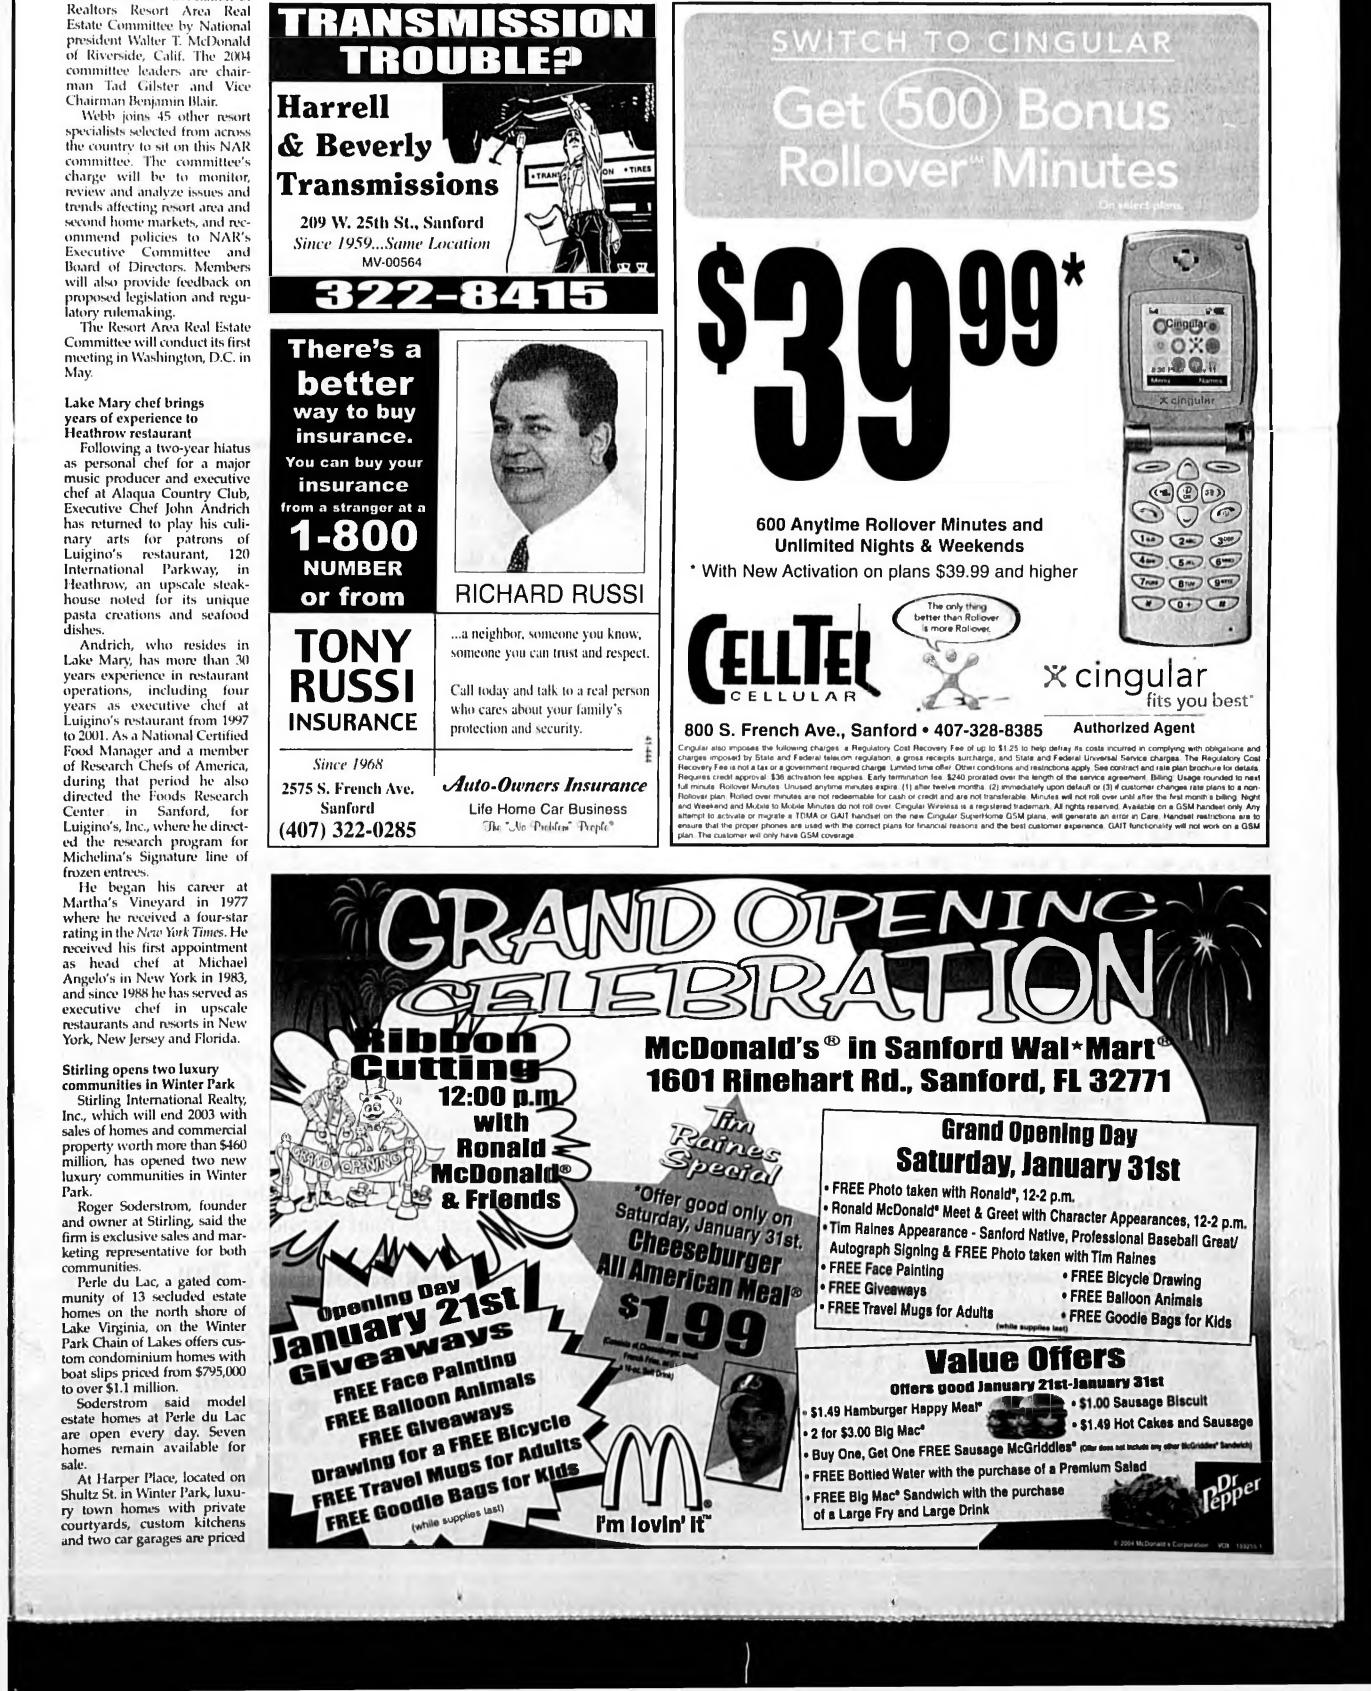

The company was paced once again by its Mission Park and Brighton Lakes communities which combined for 35 of the 40 sales for \$7.2 million. Mission Park, located on U.S. Highway 27 near the Four Corners area in south Lake County, led the way with 21 sales for \$4.3 million. Brighton Lakes in Kissimmee, chalked up \$2.9 million on 14 sales.

### **Coleman honored as city** employee of the year

Herald photo by Tommy Vincent

The city of Sanford recently selected utility department employee Cedric Coleman as the city's employee of the year. The employee of the year is selected from one of the previous employee of the months. Coleman was honored as the April employee of the month in 2003. He was selected for his quick work in a Jan. 28, 2003, accident. He reportedly helped put out a burning vehicle and directed traffic until emergency units could arrive.

Diary

"We do believe the car was there a few days," Cohen said. Craft said she walked down to the water's edge late Saturday afternoon to inspect the vehicle. She said the car appeared to be stuck in the mud, and she noticed beer cans and a prescription for blood pressure medication in the front seat. After waiting for someone to claim the vehicle, Craft said she called Sanford police Sunday morning about the abandoned car.

Police officers reportedly told her to have the vehicle towed. When she went to the lake again Sunday afternoon with a friend, that's when they reportedly made the gruesome discovery.

"It was just a shock," Craft said. "It's not like it's a well travelled (area).

"My concern to the police department was way was she in my backyard? What was she doing there?"

Cohen said investigators are not sure what brought Stone to the private backyard. Police are hoping the final medical examiner's and toxicology reports will reveal more information. Those reports are not expected to be completed until next month.

"I just want to know what she was doing back there," Craft said. "It's kind of an eeric feeling. I live there alone and I'm very concerned why someone would drive into my backyard."

Armored Division which the 2nd Cav and 549th come under. The plan is to establish a large base outside of the city for the 1st Cav Division. I think they want to lessen the impression that we are occupying the city, instead of being inside, they will be on the outside working in. The Iraqi police are suppose to take over most of the enforcement duties inside the city.

A new U.S. brigade has arrived in Sadir City, the Shiite area of Baghdad that we've been patrolling. Of course there is a big problem as battle conditioned units rotate out and new ones come in, the new ones will be less experienced and will not have established rapport with the locals. The army will try to do some overlapping to lessen this situation. Still it will be a shaky period as I'm sure that the insurgents will try to take advantage of the situation and there will be more U.S. casualties as a result. There are soldiers alive today who will be dead in the coming months,

you can count on that. The turnover of troops involves 100,000 coming in to replace 125,000 going out. This is a very costly logistical situation, especially in terms of transportation of troops and equipment. Most of our heavy stuff will remain here. Among the ones coming in is a brigade. from the 2nd Division in Korea. We only have 37,000 in

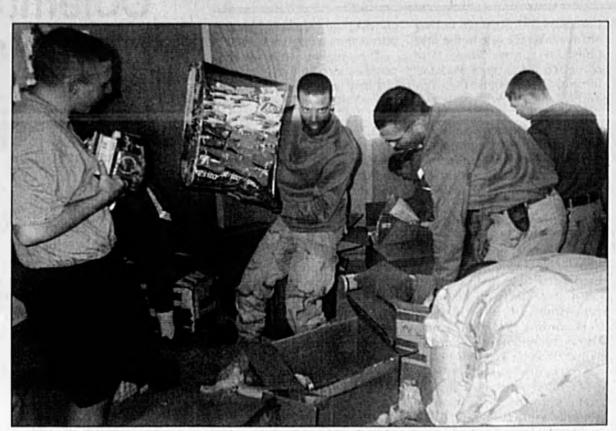

Photo submitted

The Nightstalker-2 Squad, the 1st platoon of the 549th Military Police Company based in Fort Stewart, Ga., open holiday packages sent to them by Sanford residents.

Korea standing against North Korea. Now they are pulling some of those to come over here. If that ain't "Robbing Peter to Pay Paul" then I don't know what you would call it. I still think the U.S. bit off more than it can chew in Iraq.

During the rotation, 60,000 troops will redeploy through a base in Incirlik, Turkey, but Turkey will not allow incoming units to go through there.

Those who redeploy through Turkey can only be on the ground there for 24 hours and cannot leave the base. Kuwait will remain the main point of incoming and outgoing troops and units. We could end up going through either place.

Our replacement unit has not arrived yet and I still don't know who they will be. But get ready for a huge turnover in Iraq because you should start

hearing more about it in the news. Our unit's incoming mail has now been shut down, so do not mail anything. Soon they will shut down our outgoing mail, email will be the last to shut down and I will continue to use it until it is nolonger available for communications.

lighting enhancement projects. As part of this effort, the Development Downtown Improvement Program will permit the better long-term use of downtown properties and it will also help create the potential for public-private partnerships, provide jobs and improve the commute of Central Florida residents and visitors.

"We've done a lot of work on our own since we first made this request, so there are a lot of things we can spend the money on," said Lake Mary Mayor Thom Greene. "This money will be a great help in completing our surveys and planning our ground water retention."

Greene said the city has also requested highway funds for a bypass of downtown.

"We get a lot of traffic into downtown from Chase Groves, and we hope to be able to do some planning on that," Greene added.

"I am pleased that the federal government will be a funding partner to these community projects," Mica said. "While some may call these projects pork, they unquestionably benefit transportation, education and community improvement benefits."

The U.S. House of Representatives passed the **Omnibus** Appropriations bill by a 242-176 vote on Dec. 8. The Senate approved the bill last week, and President George W. Bush is expected to sign it this week.

### Dream

### Continued from Page 1

In fact, The Central Florida Dream Center's plan of action also includes working along side other social service programs to help meet the seemingly indomitable challenge of combating the city's plethora of poverty-related problems head on. These agencies include a spectrum of faith-based, secular and governmental organizations like the Seminole County Sheriff's office, Bethany Christian Services, the city of Sanford, Wal-Mart and others.

The Central Florida Dream Center also works directly with the Goodwill Self Sufficiency Center to provide resume' preparation and the opportunity to gain valuable work experience related to administration support. Such partnerships actively encapsulate The Central Florida Dream Center's motto of "doing together what we cannot do alone," and includes bridging the gap between like-minded organizations.

The Dream Center operates out of a 46,000-squarefoot building, though much of the facility needs major repairs. Phase 1 of the reconstruction plans will cost an estimated \$1.7 million, and will enable the center to offer preventative-style programs such as recreational activities, parenting classes, and job skills classes that will include trades like carpentry, plumbing, computer training, and beautician school.

When asked about donor participation needed to turn this vision into a fully functioning facility, Berglund stated that they currently receive no governmental funding and are dependent upon private donations.

"Private donations are of vital importance for The Central Florida Dream Center's success," Berglund emphasized. "Not just in terms of covering general operating expenses, but for items that donors may not ers. typically think about. For

need major improvements done. This will include costs related to things like demolition, rewiring, architecture, plumbing, and fees associated with proposal submission to the city of Sanford."

Berglund further assures that The Central Florida Dream Center "always allows donors to designate their primary desire for how they'd like their monetary support to be used," pointing out that there are many opportunities for donors to pour their offerings into.

Long-term plans for the Dream Center include providing auto repair, childcare, and addiction resources, in addition to free medical, vision and dental care. Food and clothing distribution, a community kitchen, classrooms, office space, dormitories for the homeless, and a laundry facility are also being planned. Dream Center officials are optimistic that the Phase 1 will be completed by the summer of this year, and hope to have the entire 46,000-square-foot project finished by the fourth quarter of 2005.

One of the main objectives for the local center this year is to form strategic networks with major corporations to provide extra resources, Berglund said. For example, Walt Disney World recently donated several expensive mobile basketball stanchions, complete with rims, for the kids to use during recreational events. Such instances of networking will provide The Central Florida Dream Center with additional resources needed to reach out to families with activities that interest them.

Additionally, the members of The Central Florida Dream Center staff are also available for speaking engagements to churches and civic organizations in an effort to educate others on the center's needs. Berglund refers to this as "casting the vision" to oth-

GED courses, scholastic

to local residents at The Central Florida Dream Center, and the last Saturday of every month Block Parties are held at 1 p.m. These are similar in scope to communi-ty days and include physically-oriented games where children can play for prizes, as well as increase their motor skills and self-esteem. An after-school program, called His Kids, will also kick off again on Wednesdays in February.

Both current and future planned programs will require a lot of assistance from like-minded individuals and organizations in order to make the comprehensive scope of the center work, and volunteers are encouraged to apply. By getting involved locally, volunteers will have an opportunity to help reduce the incidents of child abuse, drug use, domestic violence and other crimes that are among the highest in the state of Florida.

Sanford Mayor Brady **Lessard endorses The Central** Florida Dream Center and encourages community financial and practical support.

"... (T)here's no cause more important to me than family," Lessard said. "My goal as Mayor is to see Sanford, Seminole County, the state of Florida and the world a safe place to raise all of our children."

Lessard also compliments the Dream Center for their "tireless commitment to their vision," as well as the determination exhibited by the organization's president, Paul Benjamin, and his outreach team, to bring it into reality.

If you are interested in volunteering your time and talent to The Central Florida Dream Center, or if you would like to donate financially, you may obtain more information by calling their vice-president and director, Christian Berglund, at 407-302-0880, or visiting their

### Police warn against identity thefts

### **From Staff Reports**

The Oviedo Police Department has issued words of caution to Central Florida residents regarding identity theft problems.

According to investigator Debra Jacobs, criminals continue to contact members of the public in an effort to obtain personal information that would allow financial and identity theft.

Recent fraudulent internet contacts from persons posing as representatives of an Internet Service Provider (ISP) have been received in Central Florida and already have been referred to their corporate Fraud Investigators.

In an effort to avoid having citizens fall for these criminals' ploys, the Oviedo Police

Department has issued a reminder to the public. Most importantly, do not reveal personal information to anyone who contacts you by telephone, mail or over the internet. The following warnings are also being issued.

Keep your personal information personal.

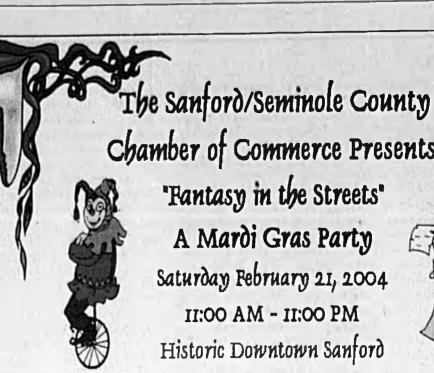

Do not give out personal information on the telephone, through the mail or over the Internet unless you initiated the contact. You never can be absolutely certain of the identity of someone who contacts you.

Know with whom you are dealing. If there is any doubt, check the organization's website or call the customer service number listed on your account statement.

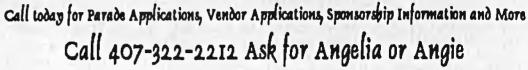

Remember, identity thieves

may contact you posing as representatives of banks, Internet Service Providers (ISPs) and even government agencies, in an effort to try to get you to reveal personal details such as your Social Security number, mother's maiden name, account numbers, or other identifying information. Legitimate businesses do not gather your personal information by using such methods.

A thief's letters or e-mails can look very official. A thief's voice and presentation can sound very convincing. But you can avoid identify theft by keeping your personal personal. information For more information about avoiding identity theft and fraud, log on to www.consumer.gov/idtheft.

### Mail stolen from Winter Springs apartments

The Seminole County Sheriff's Office reports two Winter Springs apartment complexes were victimized Saturday by possible mail thefts.

More than 200 individual mailboxes from Willa Springs and Shadow Creek apartments could have mail missing, according to authorities. Sheriff's office deputies responded to both apart-

ments within an hour of each other.

According to the incident reports, deputies described mail being scattered throughout the area as several of the large group of mailboxes had been pried open up from the back.

Residents of the apartments were concerned as they reportedly feared identity theft.

Residents of apartment complexes and communities with large groups of mailboxes are encouraged not to let mail pile up. They are also advised if they think someone has stolen sensitive mail, run a credit report to make sure no one has opened a credit card under their name. The sheriff's office turned

the investigations over to the **U.S. Postal Service.**

### Liberty Christian teams remain unbeaten

#### **By Shellie Knowles** Special to The Herald

The Liberty Christian School boys basketball team held off a late charge by the Deltona Christian School Crusaders Monday night to post a 45-42 victory in a battle of two undefeated teams.

Coupled with a 69-33 win over North Kissimee Friday night, the LCS Patriots pushed their season record to 8-0.

The Lady Patriots also won twice, topping Deltona 50-18 and whipping North Kissimmee 50-13, to push their season record to 7-0.

Liberty's junior varsity boys, playing for the first time this season, beat Deltona 39-16 with three players scoring in double figures, Sergio Ciancaglini with 13, Arseninator Galarza with 12 and Halston Canter with 10.

For the boys' team, the game against Deltona was a defensive struggle. At the end of the first period the Patriots were in the unusual position of trailing on the scoreboard, 12-10. Midway through the second period, the Patriots scored four baskets in a row, two of them by Dave Barnes, and carried a 23-16 lead into the intermission. Behind the offense of Joe Stephen and Mark Tavanyar, who scored all of Liberty's second-half points, the Patriots increased their lead to 34-25 at the end of the third period. Deltona fought back to tie the score at 42-42 with 41 seconds left in the game, but Stephen drove for a basket with an assist from Tavanyar 10 seconds later and Tavanyar put the game on ice when he hit the front end of a one-onone free throw situation. Stephen scored 18 for the Patriots and Tavanyar added 17. Tavanyar led the team with 10 rebounds. Liberty and North **Kissimmee were knotted** 16-16 at the end of the first period, but Liberty outscored its opponent 23-8 in the second period and never looked back. Tavanyar led the Patriots with 25 points and Stephen added 16. Ryan LaRose and Jason Jenkins had eight points apiece. The girls, meanwhile, jumped out to a 22-5 lead over Deltona at the end of the first period and were coasting 36-8 at the half. Three Lady Patriots finished in double-figures, led by Kim Slate with 20. Brittany Unsworth added 14 and Taja Scott score 10. Unsworth and Scott each grabbed nine rebounds. In Friday's game, the Lady Patriots we up 22-3 at the end of the first period and 27-10 at the half before outscoring North Kissimmee 23-3 in the second half. Unsworth led all scorers with 17 points and Scott added 16.

### Lake Mary girls first to win in district soccer By Dean Smith Sports Editor

Holly Peltzer got the girls soccer postseason underway in grand fashion, netting the game-winning goal in the final two minutes to give Lake Mary a 3-2 victory over Lake Brantley in the first round of the Class 6A-District 3 Tournament at Larry Gergley Stadium in Winter Park.

Peltzer got loose for the score when a kick by Rams goalkeeper Natalie

in 6A-3; Lyman falls in 5A-3 Haerens got past a pair of Patriots defenders and when the Lake Brantley keeper bobbled the ball when she came out to claim it, the

Rams edge past Lake Brantley

star senior was there to claim it. Lake Mary will now face top-seeded, and host, Winter Park in tonight's

(Wednesday) semifinals with the winner to face the survivor between Apopka, which edged University on Monday, and Edgewater in the Championship Game on Friday. In the Class 3A-District 5 Tournament at Flagler Palm Coast's

Sal Campanella Memorial Stadium in Bunnell, fifth-seeded Lyman missed a penalty kick early in the game and it was all downhill from there as the Greyhounds were eliminated, 2-0, by fourth-seeded Mainland.

Tonight's semifinals (Wednesday) has Pine Ridge (12-10-2), a 3-1 winner over New Smyrna Beach, taking onsecond-seeded Lake Howell at 5 p.m., while the Buccaneers (9-10-3) will See Soccer, Page 10

Lions claim big victories

#### By Dean Smith Sports Editor

As far as edge of your seat excitement and big time victories go, the only thing that could have made this past weekend better for the Oviedo basketball program was if it had been in the playoffs.

The Lions girls, ranked No. 4 in the state, blocked a game-tying threepoint attempt with seven seconds to upset No. 2 ranked Lake Mary, 39-36, in a defensive struggle at Oviedo High School.

The boys' game was even more exciting as the Lions (15-3) scored twice in the final 10 seconds, both scores coming from senior star Pat Kiscaden, to avenge their only district loss of the season, 70-68, at Spruce Creek.

The win by the Oviedo girls (18-2) also avenged an earlier loss to the Rams (16-2) and gives the Lions four wins in six games over the past two seasons. Lake Mary led at the half (17-16) and after three periods (26-24), but with the game fied at 32-32 the Rams went without a point for over three minutes as the Lions seized control, building a six point lead, 38-32. Lake Mary's two star seniors, Angie Pressey and Meghan Chamberlain, finally broke the string with field goals around an Oviedo free throw to cut the lead to 39-36 with 25 seconds left. The Rams then got a final chance when the Lions missed a free throw, but the Lions' Kelly Dwyer got the big block with seven seconds remaining and Lake Mary was unable to get off another attempt before the clock ran out. Whitney Tossie led a balanced Oviedo attack with 12 points, while Pressey scored a game-high 15 points for the Rams. Chamberlain was the only other player for either team in double figures with 12. The boys looked to be headed to an easy win as they led by as many as nine points in the second quarter as they luned up for this week's district showdown with No. 4 state-ranked DeLand. The homestanding Hawks finally tied the game in the third period, but it was not until their was 4:13 left in the game before they took their first lead of the game, 61-60, and they maintained the advantage until the See Basketball, Page 11

Wonderful weekend

Host Spruce Creek dominated, but the Seminole Athletic Conference more than held its own in the Girls Section 4 Weightlifting Meet last Saturday.

The Hawks qualified 12 individuals for the state meet to be held February 7th at DeLand High School, but the SAC garnered 14 of the available 30 spots in the 11-team meet.

Winter Springs and Seminole each qualified five lifters, while Oviedo will send three and Lake Brantley one.

Seminole and Oviedo both two individual champions and Winter Springs one.

Amy Joyce (119) and Jennifer Spee (183) were the **Fighting Seminoles claiming**

houses.

Seminole Community College's Rushawn Johnson (No. 20) has had the 'three-ball' working of late as the sophomore buried 10 three-pointers last week. The Raiders will return home tonight (Wednesday) to host a Mid-Florida Conference doubleheader with Florida Community College at Jacksonville. The women tipoff at 5:30 p.m. and the men at 7:30 p.m. Admission is free.

#### **SECTION 4 MEET**

At Spruce Creek The top three qualifiers in each class qualify for the state tournament al DeLand on Feb. 7: (Bench-Clean & Jerk-Total)

101 \_ 1. Ashley Percival, Spruce Creek, 135-135 270; 2. Kimberly Torres, Lake Brantley, 135-130 \_ 265; 3. Lisa Ferrante, Winter Springs, 110-105 \_ 215.

110 \_ 1. Samantha Turnbull, Spruce Creek, 125-145 \_ 270; 2. Jaycia Kargas, Spruce Creek, 135-135 \_ 270; 3. Jenna Fitzpatrick, Seminole, 135-125 \_ 260.

119 \_ 1. Amy Joyce, Seminole, 105-150 255, 2. Nicole Lomupo, New Smyrna Beach, 135-120 \_ 255; 3. Kelly Fuller, Spruce Creek, 120-135 \_ 255.

129 1. Megan Kranz, Oviedo, 165-150 315; 2. Melissa Caissie, Spruce Creek, 150-150 \_ 300; 3. Ashton Rice, Seabreeze, 125-145 270.

139 \_ 1. Angela Candage, Seabreeze, 175-185 360; 2. Ashley Cleavers, Winter Springs, 160-185 345; 3. Virginia Phillips. Winter Springs, 135-165 \_ 300. 154 \_ E. Keri Hagerman, Spruce Creek, 165-165 \_ 330; 2. Jennifer Joyce, Seminole, 145-155 \_ 300; 3. Caitlin Janelle, Spruce Creek, 165-130 \_ 295.

169 \_ 1, Julia Martin, Spruce Creek, 190-190 \_ 380; 2. Erica Tumminello, Spruce Creek, 160-175 \_ 335; 3. Jennifer Telson, Oviedo, 150-160 \_ 310.

183 1. Jennifer Spee, Seminole, 160-165 \_ 325; 2. Amanda Martingano, Spruce Creek, 165-155 \_ 320; 3. Erin Beach, Spruce Creek, 150-160 \_ 310. 199 1. Amy Hartman, Winter Springs, 210-165 375; 2. Amanda Wright, Sprace Creek, 170-190 \_ 360; 3. Ashley Rosso, DeLand, 160-145 \_ 305.

Heavyweight \_ 1. Tana Meredith, Oviedo, 195-150 \_ 345; 2. Janet Jones, Seminole, 145-135 \_ 280; 3. Andrea Davidson, Winter Springs, 145-130 \_ 275.

### **Raiders return to home court**

#### By Dean Smith Sports Editor

Seminole Community College will be a busy place this week as all four Raiders' teams will see action at home.

The men's and women's basketball teams kick things off with a home Mid-Florida Conference doubleheader tonight (Wednesday) against powerful Florida Community College from Jacksonville.

The women of coach Lisa Nuxol saw their seven-game winning streak, and conference unbeaten string, come to an end against M-FC leading Central Florida Community College in Ocala last Wednesday and needs a victory over the Stars to solidify its hold on second place in the conference. FCC-J will also be smarting for a win as they were defeated by defending conference champion Daytona Beach Community College, the Falcons' first win after three M-FC losses, on Monday.

Sophomores Natalie Emmanuelli and Winter Springs' Missy Guadagnino along with freshmen Kirsten Harris, Danielle Jenkins and Lake Mary's Bryn Mosler have been leading the way for the Raiders.

Coach Stan Cromartie's men are also in need of a win if they hope to make a run at the conference title. Despite hot shooting by sophomore Rushawn Johnson, 10 three-pointers in his last two games, the scoring of freshman sensation Travis "TJ" Jones and the allaround play of William Graham and Vince Mosley, SCC has lost two straight in the M-FC and needs to win its home games.

The women will tip-off at 5:30 p.m. with the men set to take the floor at 7:30 p.m. or 20 minutes after the completion of the first game, whichever is later. Admission to all home games is free.

In other men's basketball news, Mosley was named FCCAA Player of the Week-Honorable Mention for Week 7 (Jan. 19) and former Raider star JD Bracy has received a scholarship to play basketball for Lee University in Cleveland, Tennessee.

Last season Bracy, a Kissimmee native who transferred from Florida State University, was named the Mid-Florida Conference Player of the Year and was named FCCAA All-State and an NJCAA All-American nominee after averaging 18.7 points, 5.4 rebounds, 5.3 assists, and 2 steal per game, and shot 40.4% from the three-point line.

He was the FCCAA Week 10 Player of the Week and FCCAA Player of the Week Honorable Mention for Week's 1 & 7.

Bracy helped lead the Raiders to a 22-10 overall record, a 6-4 conference record, and a Mid-Florida regular season and conference tournament runner-up finish.

#### **Continued from Page 9**

During conference play, he averaged 20.1 ppg., 5.4 rpg., 5.0 apg., 1 spg., and shot 46.6% from the three-point line.

His high games were 38 points vs. Palm Beach, 13 rebounds vs. St Johns River, 13 assists vs. Palm Beach, and six steals vs. St. Petersburg. He also had four 30-plus point scoring games ands in the final FCCAA Statistical rankings was 11th in scoring, 13th in three-point percentage, 10th in assists, 20th in free throw percentage, and 27th in steals. Bracy was also involved in the Reading

Raider's program at Pinecrest Elementary.

The spring sports season at SCC gets underway with a bang this week as the defending State Champion baseball team opens its regular season with a home game against Miami-Dade Community College on Friday starting at 3 p.m.

The 2004 Raider baseball schedule, which consists of 55 regular season contests, includes 32 home games at Raider Park. The schedule is highlighted by 31 non-conference games and 24 Suncoast Conference games.

The team will also be at home on Saturday, hosting Brevard Community College in a doubleheader starting at noon.

After last season's great finish 13 Raider players signed National Letters of Intent for the 2003/2004 season.

Those players who are now representing SCC are: RHP Troy Beall at Florida Gulf Coast Univ.; 1B Donnie Burkhalter and outfielder Devin Williams at Cumberland Univ.; OF/3B Sean Greear and Sanford's Uriah Kimmig, a lefthanded pitcher, at Embry-Riddle Univ.; 3B John Michael Howell at the University of Florida; C Mike Hnytka, OF Ben Sprague and RHP John Madden at Auburn Univ.; SS Matt

Matheson at Virginia Commonwealth Univ.; RHP Zach McCamie at South Carolina; 2B Dan Quartararo at South Carolina-Akien; and LHP David Timm at Georgia.

The SCC turf will be extremely busy on Saturday as the softball team opens the season by hosting Brevard Community College in a doubleheader starting at 2 p.m. The 2003 softball team, which finished third

in the state, was honored recently by the National Fastpitch Coaches Association for its outstanding academic performance last year. The team's 3.28 overall grade point average

placed them 8th in the Nation. In addition, the following student-athletes

were named Academic All-American for thei overall GPA of 3.5 or higher.

Ashley Bitzer; Leah Holbrook; Stephanie Mathieux; Melanie Pace; Karen Padgett; Kristen Schrupp; and Carlee Wood.

The rosters and schedules for the baseball and softball teams is below.

Former Seminole Community College star JD Bracy (above), the 2003 Mid-Florida Conference Player of the Year, has received a scholarship to play basketball for Lee University in Cleveland, Tennessee.

### **CF** picks up clutch road

### win to extend streak to 13

Special to the Herald of the teams exchanged buckets 11 teams shut over 50 percent in

**Dexter Lyons and Roberto** Morentin combined for 43 points as UCF (15-2, 10-0) extended its winning streak to 13 games and maintained its lead in the Atlantic Sun holding off Troy State (11-5, 7-2), 74-72, in front of a record crowd (3,882) at Trojan Arena Friday evening.

The Golden Knights used a pair of clutch shots late and then were able to seal the game with free throws in the final seconds to preserve the two-point victory despite a furious closing rally by the Trojans. Josh Bodden drained a triple with 3:38 left to play to put UCF up by five at 65-60. Greg Davis answered back with his fourth triple of the game to cut the lead back to two at 65-63. Gary Johnson was able to again move the lead back to five after nailing his only shot from long range. It would be the final field goal of the game for UCF as the remaining five points came at the free throw line.

Davis' triple was the final shot from the field for the Trojans, who entered the game averaging 91.7 points a game in A-Sun games, until Kendrick Johnson canned two triples in the final 30 seconds. His second trey closed the gap to 73-72. Lyons then knocked down one of two at the line with 17 seconds remaining to put UCF up 74-72. Davis' drive to the basket for the final shot came up empty preserving the UCF win.

Marcus Avant canned a triple with 18 minutes remaining for his only points of the game to give UCF a 40-38 advantage. The Knights never trailed again with their largest lead coming at the midway point of the second half after a Josh Peppers layin gave UCF a 50-42 edge. Despite the eight-point cushion, the Trojans came back in a hurry as Ryan Heck scored eight consecutive points to pull TSU within two at 52-50. Morentin squelched the scoring spurt by converting a traditional three-point play to put the Knights back on top 55-50.

Herbert Evans opened the scoring canning a three and

with UCF grabbing its first lead, 6-5, following a Lyons' jumper. The Knights lead moved to three at 8-5 after a Morentin tip-in, but the Trojans quickly erased the deficit as Davis stuck a three pointer to knot the score.

Following a Davis free throw and a 13-12 TSU lead, Lyons went on a personal 5-0 run which included hitting the first of his four first-half three pointers to give UCF a 17-13 advantage. The action continued to go back-andforth as the Knights staked themselves to a 21-20 lead with just over eight minutes remaining. UCF then went on to grab its largest lead of the half, 29-20, after putting together a 9-0 run highlighted by a pair of triples from

Lyons. The Trojans answered with some offense of their own putting together an 8-1 run, which was started by Davis hitting his second triple of the half.

Lyons, who finished the first half with 17 points, scored the Knights final bucket of the half with just under two minutes remaining and UCF entered the intermission with a slim 35-34 edge. Both

gold, while Megan Kranz (129) and Tana Meredith (heavyweight) were the Lions' winners. Amy Hartman was the 199pound class winner for the Bears.

Other Seminole qualifiers were Jenna Fitzpatrick (third, 110), Jennifer Joyce (second, 154) and Janet Jones (second, heavyweight).

Also qualifying for Winter Springs were Lisa Ferrante (second, 101), Ashley Cleavers (second, 139), Virginia Phillips (third, 139) and Andrea Davidson (third, heavyweight).

The other Lion to qualify was Jennifer Telson (third, 169). while Kimberly Torres (second, 101) will be the Patriots' representative.

### Soccer -

**Continued from Page 9** take on top-seeded Flagler Palm Coast at 7 p.m. The finals are set for Friday at 7 p.m.

The Class 6A-District 2 Tournament was to have opened on Tuesday at Deltona High School with No. 3 Winter Springs facing No. 6 Seminole and No. 4

Knights hitting 14-27 (51.9 percent) from the floor and the Trojans knocking down 14-26 (53.8 percent). Lyons was one of four play-

the opening stanza with the

ers to reach double figures finishing with 24. Morentin netted 14, while Johnson and Bodden finished with 11 apiece. Morentin and Avant led UCF, which was nipped on the boards 33-32, with seven boards apiece. UCF finished the game hitting 51.9 percent from the field (27-52) and connected on seven of 20 (35 percent) from behind the arc. The Knights hit 13 shots in 22 attempts at the charity stripe.

TSU had a trio of doubledigit scorers led by Davis' 17 points. Heck and Johnson finished with 16 and 10 respectively. Johnson also led the Trojans on the glass with eight boards. TSU hit 42.6 percent from the floor and connected on 13 triples on 32 attempts (40.6 percent). The Trojans went to the line 10 times making seven.

UCF will return to action tonight (Wednesday) to face FAU for the second time this season before hosting Troy See College, Page 11

Drivers set for the "toughest endurance race in the world"

#### Special to the Herald

Grand American Rolex Sports Car Series teams converge on Daytona International Speedway this week to kick off SpeedWeeks 2004 with the Rolex 24 At Daytona.

Drivers and teams are busy making final preparations to ready themselves for grueling the 24-hour race in hopes of bringing home one of the coveted Rolex Oyster Perpetual Daytona Cosmograph watches.

"This is the toughest endurance race in the world bar none," said Chip Ganassi Racing driver Scott Pruett. "To come here and win it as a driver or team, it's a phenomenal accomplishment. I always love it after the race when you win and the car looks like crap. It looks like it's been through a war. It's all sandblasted across the

front. It's so sweet. You have to have a picture of that car. It's gone to battle and it won."

Although he has captured a class victory at the Rolex 24 in previous years, Pruett will be in search of his first overall victory when he pilots the No. 01 CompUSA Lexus Riley.

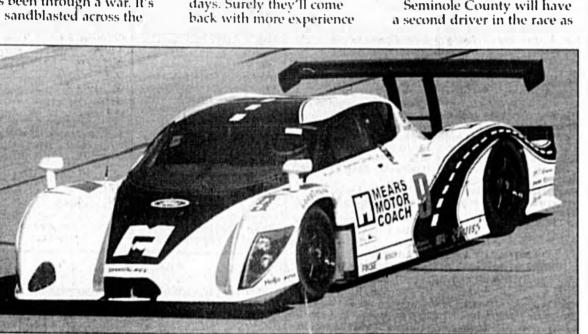

"You've got to take Daytona by itself. The Rolex 24 is a survival of the fittest - those guys who have done their homework and have a bit of luck and can take advantage of the opportunity to come here. They may not be the fastest, but certainly can run the longest," continued Pruett.

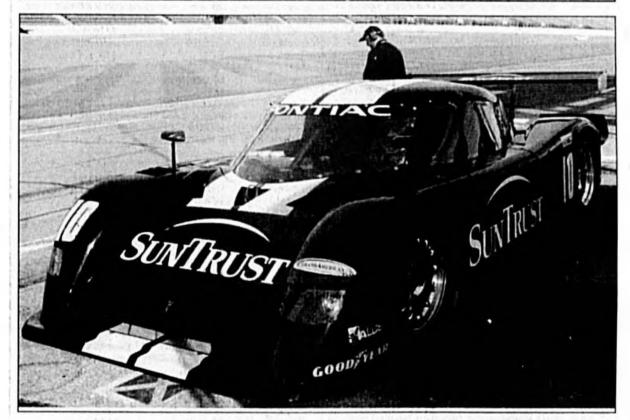

"It should be a really good race. I think the field is fairly tightly packed, considering a lot of these teams were brand new out of the box at test days. Surely they'll come

and really under their belt as far as being competitive and being prepared," said Red **Bull-Brumos Racing driver** David Donohue. "It should prove to be a good race. It may be a typical Rolex 24 hour. Typically this race is just like all other long-distance endurance races in that you have to pace yourself. But this year it might be a 24hour sprint. Whoever doesn't break, wins. Which should be interesting." SunTrust Racing driver

Wayne Taylor, who calls Altamonte Springs home, agrees with Donohue.

"I think 24-hour races these days are sprint races. I think that the cars are evenly matched, and I think that everyone is going to go balls out basically," said Taylor, who will run his 24th 24-hour race at this year's event. Seminole County will have

Bob Ward from Casselberry will be co-driving car No. 47,

a Porsche GTS Cup entry. Rolex Series drivers and teams will hit the track at Daytona International Speedway tomorrow (Thursday, Jan. 29) for practice and first-round qualifying. The 42nd anniversary of the Rolex 24 At Daytona will get underway on Saturday, with the checkered flag falling on Sunday. Tickets are currently available for the race online at www.daytonainternationalspeedway.com or by calling the Speedway ticket office at 386-253-RACE. SPEED Channel will provide more than 15 hours of live coverage of the Rolex 24 At Daytona.

#### **ROBBY GORDON JOINS** SPIRIT OF DAYTONA RACING TEAM

Spirit of Daytona Racing announced that NASCAR driver Robby Gordon will drive for the team in the Rolex 24 At Daytona, Gordon joins owner/driver Doug Goad and Stephan Gregoire to create an experienced driver lineup for the grueling 24hour event. Gordon is no

State on Jan. 31. Both games are slated to begin at 7:30 p.m. All the Knights action can be heard live on the UCF ISP Sports network on AM 740 The Team with Marc Daniels calling the action

### **GEORGIA STATE** POUNDS STETSON 93-62

Nate Williams scored 20 points and blocked a school record seven shots as Georgia State cruised to a 93-62 victory over host Stetson in an Atlantic Sun Conference game Saturday night at the Edmunds Center. The Panthers (13-4, 8-2 A-Sun) extended their winning streak to seven in a row while the Hatters (7-9, 5-5) had their five-game winning streak snapped.

Georgia State shot 56 percent in the first half and led by 24 at halftime. Stetson never got any closer in the second half.

"We pretty much ran into a buzz saw night," Stetson head coach Derek Waugh said. "Give Georgia State credit, they came out hot. The game was pretty much decided in the first 8-12 minutes. Once they got a rest of the way." and and all

stranger to the Rolex 24 At Daytona, having competed in several races and winning in class four times with Roush Racing. In 2002, Gordon finished second overall in the prototype class.

"I am very excited to compete in the Rolex 24 Hours At Daytona again," said Gordon. "I have had success there in the past, and I am motivated to win the event overall, and the Crawford Daytona Prototype with the Pontiac engine provides the opportunity to do well."

#### FANS CAN PLEDGE LAPS FOR VICTORY JUNCTION

Fans who visit Daytona International Speedway and International Speedway Corporation's websites during the Rolex 24 At Daytona, can make a difference for Kyle Petty and his Victory Junction Gang Camp.

Competing in one of the most prestigious sports car races in the world, Petty hopes to raise money for the medical specialty camp with the help of motorsports fans that pledge money per lap as

he competes in the season opener to the Grand American Rolex Sports Car Series at Daytona International Speedway. The 42nd anniversary of the Rolex 24 At Daytona will get under-way on Saturday, Jan. 31, with the checkered flag falling on Sunday, Feb. 1.

The donation form available at www.daytonainternationalspeedway.com or www.iscmotorsports.com includes an amount pledged per lap for the Gunnar Racing No. 45 Porsche Fabcar team of Petty, Gunnar Jeannette, Paul Newman and Michael Brockman.

Due to open in the summer of 2004 in Randleman, N.C., the Victory Junction Gang Camp was founded by Kyle and Pattie Petty in memory of their son Adam. The camp is dedicated to creating empowering experiences for children with chronic or life-threatening illnesses. At no charge to the children or their families, this permanent, year-round camp will aim to accommodate young people with life-threatening illnesses such as Cancer, Diabetes and Sickle Cell Anemia.

#### DEXTER LYONS NAMED A-SUN PLAY-**ER-OF-THE-WEEK**

After helping lead UCF to its 13th consecutive victory, the conference office announced on Monday that senior guard Dexter Lyons was named the Atlantic Sun Player-of-the-Week.

Lyons led UCF (15-2, 10-0) to a key conference win Friday (1/23) at Troy State, scoring a game high 24-points as the Knights turned back the Trojans, 74-72, in a battle of the conference's two top teams. It is also just the second time in the overall series that UCF has won at Trojan Arena.

Lyons poured in 24 points with two steals and a pair of assists against the Trojans. He scored 17 points in the first half and hit one of two free throws with 17 seconds remaining to put the Golden Knights up by two points. Lyons shot 50.0 percent (8-16) from the floor and hit four three pointers to lead the UCF attack. With the win, the Knights extended their win streak to 13 games and are a perfect 10-0 at the midway point of the conference schedule.

Photos courtesy of Grand American Racing Series

Central Florida will be well represented in the biggest class at the 240 Hours at Daytona as Altamonte Springs' Wayne Taylor is the owner and co-driver of the No. 10 SunTrust sponsored Pontiac-powered Riley (above), while the No. 9 Ford-powered Multimatic (top) is owned by Paul Mears Jr. of Orlando and sponsored by Orlando-based Mears Motorcoach.

### **Basketball**

**Continued from Page 9** Lions defense, and Kiscaden, stepped up.

**Oviedo forced a turnover** and Kiscaden scored to tie the game with 10 seconds left. The Lions then forced another turnover and Justin Barret fed Kiscaden for the game-winner with 2.6-seconds left.

Jose Raul Davila had a monster game for Oviedo with 22 points and 16 rebounds while Kiscaden contributed 18 points.

DeLand kept pace with the Lions by pulling out a 46-44 victory over Winter Springs before 1,200 fans at the Dog House.

The Bears fell behind 10-0 to open the game and only led once, 32-30 with 3:55 to go in the third guarter, but the shooting of Brett Hodges and the Bulldogs' inability to put the game away at the free throw line, two-for-six in the final 1:41, gave the visitors a chance.

Hodges hit six three-pointers and scored 24 points as Winter Springs crept to within 46-44 and gained possession of the ball with 15 seconds left.

But the Bears could not get the ball to Hodges and a short jumper for the tie was blocked by 6-foot-9 Stetson signee David Kilgore as time expired.

Winter Springs (14-7) bounced back on Monday by winning a nail-biter with a very good First Academy team (13-5), 52-50. Mike Kuhl led the Bears with 15 points, while Hodges added 14.

The hottest team in Seminole County, Lake Howell, kept its regular season unbeaten streak alive, rolling over New Smyrna Beach behind the Calathes brothers.

Senior Pat scored 24 points, while little brother Nick, a freshman, added 12 for the Silver Hawks, who are 15-3, with all three losses coming in tournaments, and ranked No. 3 in Class 5A this week. Another freshman, John Roberson, chipped in with seven assists for Lake Howell.

The Lake Mary boys (11-6) picked up a big district win, 71-63, over Lake Brantley as they get ready to face No. 3 nationally-ranked Edgewater in Orlando on Saturday.

Junior star Darryl Merthie scored 24 points, while cousin Lyndon had a 'double-double' with 16 points and 11 rebounds. Andy Layden led the Rams with five assists.

Marquis Johnson had a big game for the Patriots with 23 points and 14 rebounds, while Kyle Fowler also had a good night with 17 points and nine assists.

Monday night Lake Brantley (8-9) lost a close decision to another good team as the Patriots were turned away by Bishop Moore (12-7), 56-49, despite another 23 point effort from Johnson.

Seminole (10-7), who also has a big district encounter with DeLand this week, won its 10th game of the season in impressive style, crushing Deltona, 67-36.

**Robert Preston led Arrow** Force XII with 16 points, while Cy Wynn and Andrew Chapman added 11 points each.

Orangewood Christian (12-6) picked up two nice wins over the weekend as the Rams bested Lake Mary Prep (11-6), 69-56, and Gainesville-Oak Hall (4-11), 58-45. Caulfield led the way against the Griffins with 19 points and 10 assists, while

VandeStreek added 16 points. Ortega (15 points), Fuller (13 rebounds) and Benefiel (seven assists) did the damage for LMP.

Porta was the man for OC against Oak Hall with 26 points, 17 rebounds and nine assists, while McGill helped out with 10 rebounds.

Crooms Academy (6-10) got 12 points each from Cherry, Turner and Quinn in a 60-32 thumping of Deltona Trinity Christian.

And finally, Kyle Matheny scored 33 points but it was not enough as The Master's Academy was edged by Warner Christian, 60-57. In other girls' action:

Lake Howell (10-12) very nearly handed undefeated New Smyrna Beach (18-0) its first loss of the season rallying late before falling, 46-42.

The Barracudas held a 17-5 lead early in the second quarter but the Silver Hawks turned the game around thanks to a tenacious halfcourt trap and outscored the hosts 11-2 to get to within 19-16 and trailed just 25-19 at intermission.

Lake Howell took another point off the lead after three quarters and trailed by just five points, 33-28, when NSB went on a 10-4 run to open the fourth period to open an 11 point gap, 43-32.

The Silver Hawks refused to quit, however, and got some good looks against the 'Cudas zone to hit four threepointers in the period and outscored the hosts 10-3 the rest of the game to keep

things interesting. Mattea Codrey hit three of Lake Howell's six threepointers in the game and scored a game-high 15 points, while Katherine Luetzow chipped in with 13 points and

The Panthers shot just under 50 percent for the game and committed just eight turnovers. The Panthers also went 24-of-27 from the free throw line including a 10-for-10 performance from Williams and a 10-for-11 outing from Marcus Brown, who finished with 16 points.

The loss spoiled a career-high 13-rebound effort from E.J. Gordon, who added 15 points for his third double-double of the year. Anthony Register scored 11 points, giving him 10 straight games in double figures.

Five of Stetson's next seven games will be on the road, including the next three in a row.

Earlier in the week, Lyons scored 17 points  $\dots$  over Belmont (1/19). He becomes the second UCF player to garner the award this season as fellow senior Josh Bodden was named the coplayer-of-the-week back on Jan. 5.

Lyons is averaging a team-high 16.7 points per game on the season with 4.4 rebounds, 2.5 assists and 2.1 steals per game. During the current UCF winning streak, Lyons has contributed 18.8 points per game and has led the Golden Knights in scoring in nine of the 13 games.

The Golden Knights are off to their best start in A-Sun history and hold a two-game lead in the conference.

### The Sanford Herald returns to its roots

Republic Newspapers, Inc. will change the name of its Sanford newspaper to The Sanford Herald beginning with the Feb. 1, 2004, issue.

The name change is a return to the moniker the newspaper held for almost 90 years.

"We're returning to our roots," said Dan Ping, editor and publisher of The Herald. "R.J. Holly purchased the newspaper and changed the name to The Sanford Herald for a reason ---Sanford was the epicenter of what would become Seminole County, Sanford has always been the heart and soul of The Herald and we believe it is important that our name reflect that." The Knoxville, Tenn., based newspaper corporation purchased The Sanford Herald Sept. 1, 1997, from Robert Haskell. The company changed the name of the newspaper to The Seminole Herald in April 1998. "We thought The Herald should have a name that provided county-wide appeal," said Nick Drewry, president of Republic Newspapers. "We've since discovered that wasn't the best way to serve the community." In conjunction with the name change, Ping announced that The E. rald was increasing the frequency of the company's newest publication, the Lake Mary Herald. Published on Thursday, the Lake Mary Herald will become a weekly newspaper beginning Feb. 5. The paper began publishing every two weeks on Aug.7, 2003. "We're excited about the success we've had with the Lake Mary Herald," Ping said. "Our readers have been supportive of our efforts in Lake Mary. We look forward to serving that community and expanding our publications throughout Seminole County."

By Dan Ping Editor

SANFORD — The city's \$11.5 million Riverwalk project is receiving rave reviews. — and a possible commitment — met with Sanford officials last from a regional art festival despite the fact that construction will not be finished for Lake Monroe. another month.

Top organizers of the Lake

Organizers of the annual arts show in Heathrow ponder move to Riverwalk

week to discuss moving the event to the Riverwalk along "They were impressed with

what they saw," said Al Mary/Heathrow Arts Festival Grieshaber, Sanford city man-

Leslie Riggon, one of the festival's organizers, confirmed that she had met with Grieshaber and Deputy City Manager Andrew Van Gaale. For a number of years, the fes-

tival has been held on land next to the North American headquarters of Automobile Association of America on International Parkway. **Colonial Properties currently** owns the land and has plans

to build townhomes on the site.

"They might or might not get construction underway before the festival," Riggon said. "Either way, that will no longer be a site we can use, and we didn't want to risk making plans that might conflict with Colonial's plans."

Discussions are in the early

Two men arrested for 2001 murder

By Christopher Patton **Managing Editor** 

SANFORD — The Sanford police and Florida Department of Law Enforcement cold case squad notched another victory with the arrest of two Sanford residents for the murder of 21-year-old Milton Roundtree Jr.

Since its inception last year, the partnership between the two law enforce-

m e n t agencies has solved three of the 27 unsolved

### New bus route **links Lake Mary** to Sanford area

### By Christopher Patton Managing Editor

LAKE MARY — A new bus route along Lake Mary Boulevard is being touted by officials as a connecting route to link employees with employers.

The new LYNX bus travels --- starting at about 5 a.m. to 8 p.m. Monday through Saturday — in a continuous loop from the Workforce Central Florida One-Stop Career Center on Sand Pond Road near Greenwood Boulevard to Lake Mary Boulevard and

### **Seminole Smile**

Rev. Ron Merthie -Pastor of New Life Word Center in Sanford

REALTY

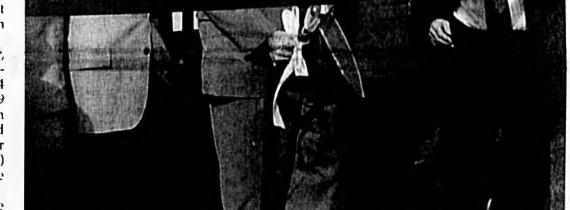

At the shopping center, Sanford residents traveling on routes -34 (Sanford/Midway), 39 (U.S Highway 17-92 from Sanford to Fern Park) and 46 (Seminole Town Center mall to Seminole Centre) can pick up the new Lake Mary route.

According to Joe Saviak, LYNX director of government affairs and communications, the Central Florida Regional Transportation Authority witnessed a 36 percent increase in ridership over the past year.

"Most of these folks are getting to and from work," he said at a ribbon cutting for the Lake Mary bus route Thursday. "...If LYNX bus service would stop for one day, 7,000 employees would have no way to get to work."

Lake Mary officials are equally excited about the bus route. One of its four

Tooley.

### Residents object to 9-inch intrusion

By Christopher Patton Managing Editor

SANFORD — Never has nine inches been so contested.

Arvind Rane, of 1654 Pine Valley Drive in unincorporated Longwood, proposed to build an addition to a house he recently purchased. The sale was contingent on the grant of a variance from Seminole County to encroach 9.6 inches of the 25-foot front yard setback.

County staff supported the variance as did the Board of Adjustment as they unanimously approved Oct. 27 to uphold an appeal.

The sale went through, but there was one catch dozens of residents in the Rolling Hills neighborhood did not support the variance and challenged its issuance

### Iraqi Diary: Raiding an arms dealer named Ali

Carlson

Editor's note: Staff Sgt. Charlie C. Carlson III, son of Sanford historian Charlie C. Carlson II, is deployed in Baghdad as part of the 549th Military Police Company. He is providing the Herald with a journal of his experiences.

19 Jan. 2004 Remember in my 14 Jan 04 letter? I told about how we conducted surveillance on a target house for a future raid. Well it was an arms dealer's house and we conducted the

raid tonight. The arms dealer's name is Ali, and he lives over in Zone 22, just outside of Zone 21 which is all of Sadir City. We coordinated and linked-up with the IPF,

[Iraqi police] DCIS [Defense Criminal Investigation Service], a combat engineer, an Iraqi translator, and a military translator.

About 1900 hours, after we did our briefing, we waited inside the warehouse until it was time to go. We had some of our

homemade stew and even offered some to the DCIS guys and the engineer that was with us. I played a couple of rounds of cards with the IPF lieutenant while we waited.

we moved out. I had one of the DCIS agents in my vehicle and we moved to the assembly area where the assault element was waiting. They had the breaching tool used for bashing down doors. We made the device

At 2100 hours

from two picket pounders and nicknamed it 'knock knock.'

I used two of my trucks as the blocking element. I had my first truck move up the road past the objective with the assault element and used my truck as a
