## Beautiful Highland Park

you want a building site fronting north. outh, east, west or any direction in between, you can get it in HIGHLAND PARK.

ou want a lot of ordinary size or a lot two or three times as large, you can get it in HIGHLAND PARK,

you want a lot with 50 feet frontage, or one with two or three times that frontage, you can get it in HIGHLAND PARK.

you want a very deep lot or one not so deep but with a very wide front, you can get it in HIGHLAND PARK.

you want a building site overlooking a park, HIGHLAND PARK from which to make your

or want a building site on which your new hame will show off to the best possible advantage, facing the beautiful winding drives, every shrub and plant displayed at its best, HIGHLAND PARK is just the place for you.

you want to reonomize on the price of the lot so that you can put in the house what you save on the lot, and still establish your home in the highest class environment where the best houses will be built and the best social life of the city will center, you have an op-portunity now to obtain concessions in both price and terms if you are prepared to build in conformity with Highland Park ideals, that are sure to appeal to you, and that you will not be able to obtain a little later when building in HIGHLAND PARK is well under

you want a cellar under your house, you can A have it in HIGHLAND PARK.

you want a location high and dry, with water flowing from it in all directions, open to every breeze that blows, free from the mataria and mosquitoes of the low lands, the place for you is HIGHLAND PARK.

you want to be close to the High School, and yet far enough away to be free from the annoyances of too close proximity, that is HIGHLAND PARK.

you want a building site with big trees already there, you can find many such in HIGHLAND PARK, pines, palms and oaks.

you want to be sure that you are protected by careful restrictions so that no neighbor. and no one on your street, and no one in the entire development; can put up a building of any kind that in its use or its appearance or even in the way it is placed on the site it occupies will detract from the value of your property, you can be assured that every deed to building sites in HIGHLAND PARK afford you just such protection. There can he nothing but one single family dwelling and a garage apportenant thereto on any one lot in HIGHLAND PARK, no garage apartments to be occupied by other than the servants of the owner, no other apartments, no hotels, no business houses. The planting along the parkways bordering the drives will be uniform and artistic. The architecture must not only be attractive in itself, but must harmonize with its entire environment,

you want to live in an "exclusive" neighborhood, in the snobbish sense in which that term is often used, HIGHLAND PARK is not just exactly the place for you. It is not planned primarily to be a rich man's neighborhood, but is designed to attract within its borders people who love and are able to appreciate the beautiful. In course of time there can be no doubt that many high priced homes will be erected there, but there will be many of moderate cost that will be just as attractive in design and in their surround-ings. Restrictions as to the cost of houses do not interest me so much as their outsid appearance and how the grounds about them are planted and kept up. I have hundreds of building plans for all styles of houses permitted in HIGHLAND PARK, with costs in many cases figured, that are at your dis-

all these things appeal to you, you will be happy to HIGHLAND PARK, but if they do not appeal to you, then it will be better for you and for HIGHLAND PARK itself that you build somewhere else.

you have planned to build somewhere else, and have a lot already paid for, but had rather be in HIGHLAND PARK, come to see me. Perhaps we might be able to agree on a trade; but always there is this proviso, that your house and its surroundings must conform to HIGHLAND PARK ideals.

## A favorite Kipling story

IT IS recorded of this well-known British author that he once remonstrated with a friend for having sent him a publication from which the advertising pages had been cut. "Why, you have thrown away the most interesting section!" Mr. Kipling said.

any time since the invention of movable type. Merchants and manufacturers realize that their announcements must compete for interest with the work of the highpriced authors and illustrators.

If you are not a regular reader of the advertisements in this paper, this is a good time to cultivate their acquaintance. You will find them interesting. You will find them friendly. They show you where to stop and take considerable strain off both shoe-leather and pocketbooks.

READ the advertisements because they are interesting. Believe them because they are true. Act upon their suggestions because it will pay you in many ways. Before you pick up the telephone, you usually consult the phone-book. Before you start out to shop, consult the advertising columns of this paper. They will give you a direct connection with the merchandise you want.

#### Whose War Is It?

With the final boom of the guns on Admiral Hough's warships and the evacuation of Nanking by the foreigners. the first anti-foreign outburst of Chinese Nationalism began sire of every self-respecting in under Ast of subside sufficiently to enable one to ascertain the direct head of a family in this country, is effects of the recent successes of the Cantonese. A few to own his own home. Americans have been killed, a few Japanese and Europeans, There are, of course, thousands and a number of Chinese said to be in the neighborhood of the operators who think that

That it was necessary for the American Naval officers that it was necessary for the American twaval officers that will enable from to pay outright for what they want or, at
surrounding Socony Hill, there can be little doubt. Inflamed
by Red Russian propaganda, and encouraged by the plight
by Red Russian propaganda, and encouraged by the plight
in which the Americans found themselves, the natives would
have made little effort in restraining themselves from pillage
and plunder had it not been for the big American and British shells which dropped dangerously close to them.

But with the successful withdrawal from Wuchang,
thich requires each PubDankey, Marking Chekings and the entire Yangsta valley to

Bankow, Nanking, Chekinng and the entire Yangste valley to peet of large payments seems to Bankow, Nanking, Chekiang and the entire Yangste valley to peet of large payments seems to modify of subsorption into the welcoming protection of the foreign gunboats, and the incur. Hence, while this country of continued reassurances of General Chang Kai Shek that the is essentially a country of homes, statement and the incur. Hence, while this country of homes, statement and the incur. The second is a second to be the second situation was well in hand and there would be no repetition there are atill a large number of of last Friday's turbulent scenes, an opportunity seems to honest, sober, industrious and their tribulent scenes, and opportunity seems to their tribulent scenes, and their tribulent scenes, and their tribulent scenes, and their tribulent scenes to the s have presented itself for the United States to avoid a trouble-courage to reach out and become predicament with a whole skin before it is too late.

> cated in the International Settlement to transports or battle- in family is really a family. ships and returning them to this country. Fully balf of the Americans in China were missionaries sent there for the ent widely-known system of insole good of the Chinese themselves. If they are not appresstallment purchasing, und stand ciated, and not wanted, they should not insist upon remaining. especially at the risk of life itself. Other Americans, most payments. They can now purchase of them there for business reasons, can well afford to return automobiles, pianos, radios, photo the United States leaving their property to the mercy of nographs and even refrigerators the Nationalists. If they lost everything, it would be a mere and vacuum cleaners by making a pittance to what a war with China would cost.

According to a report of the State Department, our learned of the installment plan of investments in China amount to not more than \$150,000,000 fornishing the home and have pro-Et: -0, my God, may of which fully \$80,000,000 represents the value of mission fited by it. buildings and universities. Should we become involved in pliet through the building and a war with a country composed of over four hundred million toan associations, of which there rdest thing in the world persons, capable of putting into the field an army half as are large numbers, in securing be meet easy payments.— large as our entire population, this sum and many hundreds permanent home, paid for without payments becoming a burden.

Having learned how to proche

erred to us later that ed. According to the New York Herald Tribune, the value of would-be home owner is well precutstanding Chinese bonds in London alone comes to over pared to purchase a home on the on account of what we \$150,000,000 while a London estimate puts the total value. of British investments in China at over a billion dollars. Browning loses her sep. The Japanese are financially interested to a greater extent York, an ardent advocate of the than the British and France not so awfully much less.

Our only interest in China should be the rescue of Amer- purchasing on the installment icans strained there. With this accomplished, we should get plan, has this to say, in The d's progress this summer out and leave the war to those who want it.

#### Importance Of The Typewriter.

be only a matter of time, and not very much of that, before familiaris, the automobile, the old-fashioned correspondence by pen and ink will be discarded for the more practical method by typewriter. ## Tomorrow Is The Last Day

## Flower Show

Sanford's Eleventh Annual Flower Show under the Auspices of The Woman's Club opened today and will continue through Thursday.

## Don't Fail To Attend

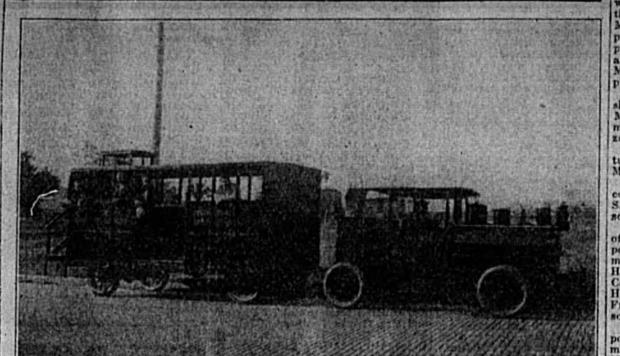

The efforts of The Woman's Club have given Sanford a Flower Show that is worthy of your attendance—it is an event that deserves much praise and commendation and every resident of the county should be a visitor tomorrow.
