Fruit Canners Ask That They Be Left Alone

Texas, Florida Canners Oppose Bill To Place Them Under Marketing Pact

WASHINGTON, Mar. 12 (AP)—Florida and Texas citrus fruit canners told a congressional committee today they don't want government controls over marketing of their product.

"All we want is to be left alone," said G. O. McDaniel, president of the G. O. McDaniel Company of Edcough, Tex.

A Senate Agriculture Subcommittee is considering a measure by Senator Pepper (D-Fla.) and nine other senators that would include canners of citrus fruits under the Agricultural Marketing Agreement Act. This sets up controls and regulations for marketing of farm products.

J. Logan Bloodworth, representing the Cherokee Products Co., Fort Pierce, Fla., testified that legislation applied to canners would be impossible.

"The proposal would penalize efficient canners," he said. J. Adams Bruce, president of Bruce's Juices, Inc., Tampa, Fla., said the problem of surplus citrus would be solved "by finding new markets and increasing consumer use."

R. C. Lewis, representing the (Continued on Page Eight)

School Board Asks Youth Government Be Tried Annually

Supt. T. W. Lawton and the members of the County School Board announced today that they will try a youth government program for the first time in the history of Seminole County. School pupils yesterday actually participated and assisted in a board meeting that they recommended that the program, initiated by John Krider, continue in the future to educate children in practical civics.

A resolution of appreciation for the many years of service rendered to the public schools by Dr. E. D. Brownlee, was adopted. Dr. Brownlee recently retired after 35 years of service as pastor of the First Presbyterian Church.

The board accepted the \$500 bid of the Rev. Douglas Charles, Presbyterian pastor, for one of the surplus school buses which will be used for church work. Joe Corley and John Krider, accounting for the bid to the meeting to make the bid.

A report from trustees who had visited schools during the past month was received, and it was recommended that as many replacements and repairs be made in negro schools as well as other schools as finances will justify, said Mr. Lawton.

Speaking concerning the Youth Government, Supt. Lawton declared: "It was the judgment of the County Board of Public Instruction (Continued on Page Five)

High School Band To Give Concert Sunday

The Sanford Bandshell, which has maintained a "reputational silence" for a long time, will be rekindled with stirring march melodies Sunday afternoon at 3:00 o'clock when the Seminole High School band, numbering 41 boys and girls, will give a concert under the baton of B. E. Black, band director.

The program is being held under the sponsorship of the Seminole County Chamber of Commerce, and the public is invited to attend. The band recently scored a second division rating in competition at Ocala in spite of the handicap of the lack of uniforms and certain instruments.

J. C. TRULUCK DIES
J. C. Truluck, 78, father of Mrs. W. R. Dwyer and J. H. Truluck of Sanford, died this morning of sudden illness at his home at Ocala. S. C. He was a frequent winter visitor in Sanford. Burial will take place soon in Ocala, according to word received by relatives here.

OLEO TAXES
WASHINGTON, Mar. 12 (AP)—The National Grange, one of the largest farm organizations, told Congress today that special taxes on oleo are needed to protect both consumers and the dairy industry. Kenzie S. Bagshaw, chairman of the Grange Executive Committee, made this argument to the House Agriculture Committee. That group is considering 18 bills to repeal all federal taxes on oleo-margarine.

Meyers Convicted On Perjury Charge

WASHINGTON, Mar. 12 (AP)—A federal court jury today convicted Maj. General Bennett E. Meyers on charges of inducing a witness to lie to a Senate committee. The wartime deputy Army Air Forces purchasing chief was found guilty on all three counts of an indictment. Judge Alexander Holtzoff said he will sentence Meyers Monday. The retired general could get a maximum of 30 years in prison.

President Blocks Deportation Of Romanian Doctor

Woman Surgeon Came Here From Germany On Temporary Visa

WASHINGTON, Mar. 12 (AP)—Deportation of 39-year old woman doctor who served under the Nazis in the Auschwitz and Belzec prison camps was blocked today by President Truman.

He signed a bill allowing the woman, Dr. Gisela Perl, a Romanian Jew, to remain permanently in this country.

Rep. Sol Bloom (D-N.Y.), who sponsored the bill, said Dr. Perl now lives in New York City. She came here as a lecturer in March, 1946, on a temporary visa.

The Justice Department refused to endorse Bloom's bill, saying Dr. Perl would not be subject to prosecution if she returned to (Continued on Page Four)

Weight Reduction Of Celery Crates Announced

A reduction in weight classification of celery containers 8012 by railroads from a former 68-pound to 61-pound weight is expected to save shippers many thousands of dollars, particularly in the Belle Glade area, which uses this type of crate to a greater extent than the Sanford-Oviedo district, according to William C. Hutchison.

Mr. Hutchison, an authority on rates, reported that the reduction went into effect on Mar. 9 to points in the south, east of the Mississippi and north of the Potomac and Ohio Rivers, according to information received from the Florida East Coast Railway Co.

The weight of 57 pounds is continued to points of Western Trunk Line territory, which includes the states of Kansas, Iowa, Minnesota and Nebraska. The crate has 3120 cubic inches capacity and measures inside 9 1/2 x 20 inches.

Weight of the Howard celery crate shipped from Florida to official territory is 68 pounds, and to Western Trunk Line territory is 57 pounds. The container, known as No. 3610, has inside dimensions of 10 1/2 x 22, or 3,520 cubic inches capacity.

The California railroads accept celery from California to the above territory, Mr. Hutchison stated, in a container of which the inside dimensions are 11 1/2 x 20 1/2 at a weight of 50 pounds, or 3,330 cubic inches capacity. The lesser billing rate from California is being handled and relief is expected, said Mr. Hutchison.

Caldwell Asks Senate Committee To Okeh Southern Education Bill

WASHINGTON, Mar. 12 (AP)—Southerners said today the question of racial discrimination is in no way involved in their plan to set up regional universities and professional schools. They told a Senate Judiciary Subcommittee their plan has been under discussion for years—long before the present controversy over civil rights legislation.

WASHINGTON, Mar. 12 (AP)—Governor Millard Caldwell of Florida today asked a Senate Judiciary Committee to approve a resolution which would give congressional consent to a regional education compact between Southern states.

"We ask no financial help from the federal government," the governor said. "All we ask is that the Congress do in this instance what it has done more than a hundred times in the past, and that is to approve the compact between the interested states and allow us to help ourselves by pooling our resources and coordinating our efforts."

The compact would permit the Southern States to establish regional professional schools for both white and negro students. It would allow states which could not afford to support such institutions by themselves to contribute towards their operation by the South as a whole and send their students to them.

Truman Talks With Leaders On Civil Rights

No Final Decision Is Reached But Pleas For Peace Said To Fall On Deaf Ears

WASHINGTON, Mar. 12 (AP)—President Truman reviewed with the cabinet today the state of world affairs, which Secretary of State Marshall says have reached a "great crisis." One of the topics, it was disclosed, was the move to form a Western European alliance. The chief executive met with cabinet officers after throwing the nation's full political power and prestige against the spread of Communism anywhere, including China.

WASHINGTON, Mar. 12 (AP)—The Democratic National Executive committee today debated without agreement President Truman's civil rights program. Then committee members lunched with the President and Mrs. Truman at the White House.

Frank McHale, Indiana national committeeman, told reporters no official action was taken because the executive committee is not a policy-making group.

"The voice of the party is its convention," McHale said. The convention will be held at Philadelphia in July.

McHale acknowledged there was much discussion of the civil rights program. This has stirred some Democratic leaders to call for withdrawal of the so-called "Solid South" from the party's ranks. Some have urged defeat of the President, who has said he will accept the party's nomination if it is given him at the national convention.

Several southern committee members were reported to have spoken out today against the civil rights program, which proposes anti-segregation and anti-lynching legislation.

Pleas for settlement of differences within the party were voiced last night by Alabama Democratic Senators, Hill and Sparkman. But their plea, as (Continued on Page Four)

Merchants Plan Sanford Dollar Day

Directors of the Sanford Merchants' Association are making plans today for promotional for Dollar Day sales event to be held in the near future when they meet Tuesday at the Tourist Center. W. A. Morrison, president reported today.

The membership drive, which has set a goal of 100, was reported to be successful, and results will be announced in the near future, he said.

UNEMPLOYMENT UP

WASHINGTON, Mar. 12 (AP)—Unemployment rose sharply in February, the Census Bureau reported today. Bad weather and the fuel shortage were blamed. A census sample survey early in the month showed a 574,000 increase in unemployment since January. That put total unemployment at 2,630,000, which was 149,000 above the level of February, 1947.

Introduced in both houses of Congress, Caldwell told the committee the present lack of Southern professional schools means many students must leave their home states to finish their education.

"As a natural consequence of attendance at universities outside the South, a great percentage of young men and women who have enjoyed 16 to 20 years of education at the expense of the states in our region have remained in the North where they secured the highly specialized training required to fit them for top places in business and industry," the governor said.

"The social and economic loss to the South under such circumstances is apparent."

Youth Government Visits County Commission

Public school pupils elected as "commissioners," "sheriff" and "county clerk," are shown as they visited the regular officials of the County Commission at its meeting, Tuesday at the Court House. Immediately to the front and left of each official is his Youth Government understudy. Left to right, they are Commissioner B. C. Dodd and Hobby Ward of Oviedo; Commission Chairman H. D. Pope and Keith Schumacher of SRS; County Clerk O. P. Herndon and son, George Herndon; Commissioner J. F. McClelland and "Happy" Abney of JRS; Commissioner R. G. Overstreet and Donald Largent of Lyman School; Commissioner W. G. Kilbee and Florence McGill of Geneva and Sheriff P. A. Mero and Ann Dunn of JRS.

U. S. Consulate Is Evacuated Due To Unknown Threat

Personnel Returns After Search Fails To Find Explosive

LONDON, Mar. 12 (AP)—Police scrutinized all visitors to Prime Minister Attlee's official residence today after an anonymous telephone caller said "No. 10 Downing Street will be blown up tonight."

Telephone company officials traced the call to a public telephone booth in a West London suburb. Several similar telephone threats to bomb public buildings recently have been received.

JERUSALEM, Mar. 12 (AP)—An anonymous bomb threat today emptied the United States consulate building, 300 yards from the blasted Jewish Agency headquarters where 13 were killed and nearly 100 were injured.

American personnel returned to their offices after an hour-long search by police failed to turn up any explosives. The consular staff had moved out after a telephone caller said in English:

"Get out of the building—it will blow up in five minutes." The building also is used as a residence by Consul General Robert B. McAtee, Consul William Porter and Vice Consul Wells Stabler.

The death in a hospital of another victim raised the death toll to 13 in yesterday's bombing of the Jewish Agency building. The agency says an Arab, driving a car stolen from the American consulate, entered the Jewish compound and ignited a bomb. Three of the dead were women.

In Tel Aviv, the Jewish Agency announced its ratification of a merger of two Jewish fighting forces, Hagannah and Irgun Zvai Leumi. Final approval depends (Continued on Page Four)

MacArthur's Staff Complains Of Anti-MacArthur Vet Groups

TRENTON, N. J., Mar. 12 (AP)—An attempt to enter the name of General Douglas MacArthur in the New Jersey Republican primary as a candidate for president failed today.

Petitions for two district delegates and one delegate-at-large pledged to MacArthur's candidacy were received today at the office of the secretary of state.

Chief Clerk Ernest H. Kerr said the MacArthur slogan was unacceptable because it was not accompanied by the general's written consent for use of his name.

Babe Ruth, Sent To Florida To Die A Year Ago, Is On Recovery Road

By GUY BUTLER

Miami Daily News Sports Editor

MIAMI BEACH, Mar. 12 (AP)—Babe Ruth, the one-time King of Slap who was "brought here to die" a year ago, today is on the road to full recovery.

Florida sunshine and medical attention have worked wonders. He is big and brawny, more alert than he has been since before his operation two years ago, able to "sleep and eat better than I have in all that time."

The headaches which plagued him day and night when he last arrived here five weeks ago have steadily diminished under the soothing rays of the tropical sun and the expert care of Dr. Walter Hotchkiss, ear, nose and throat specialist, and Dr. James Armstrong, dentist.

So well does the old Yankee changes feel that he has been driving an automobile around on short jaunts.

Tonight he sets out for a tour of the Florida baseball camps. The Babe will take a train for Tampa and operate out of there by automobile to see all the nine (Continued on Page Four)

Young Speaks To Anderson Says Lions On Sight Conservation Stay In Cabinet

The importance of sight conservation, especially among school children, was stressed by W. R. Young, secretary of the Florida Council on the Blind in a talk to the Lions Club at its meeting today at the Tourist Center. The talk was given in connection with Sight Conservation Week.

Mr. Young told of the fine work being done by the Holly Hill School for the Blind in Daytona Beach, a project which is sponsored by the Lions. He told of the strains to which the eyes are subjected from reading and other close work, and said that three out of 10 persons now wear glasses, and that seven out of 10 (Continued on Page Five)

Ammon McClelland Opens Campaign

Ammon McClelland, opponent of Nathan May for Commissioner of Agriculture, chose Sanford in which to open his campaign for election by appearing for a talk last night on the corner at Magnolia Avenue and First Street, and discussing matters of interest to local growers.

Mr. McClelland, a cattle man and citrus grower, is a former major of World War II, was wounded, and received the decoration of the Purple Heart.

U. S. Insists On Peaceful Solution

Refusal To Consult On Partition Of Palestine Is Decried By U. S.

NEW YORK, Mar. 12 (AP)—The United States insisted in a special statement today that a peaceful solution of Palestine partition is required. It did not mention Russia's opposition to American efforts at conciliation between Arabs and Jews or the Russian-American difference over Palestine.

The new American declaration came to the press from a spokesman for the U. S. delegate to the United Nations. It was the second such special statement issued in two days in avowed efforts to clarify the U. S. position.

The spokesman said each of the special statements was put out to correct impressions left by published interpretations of U. S. policy.

The statement said that attainment of a peaceful solution was not being aided by the refusal of "one or more of the parties to take part in consultations." This was a reference to an Arab boycott of partition talks and the refusal of the Jewish Agency for Palestine to take part in any discussions which might modify or kill partition.

Palestine Arabs submitted to United Nations delegations what they entitled a "black paper on the Jewish Agency and Zionist terrorism."

The Arab Higher Committee, representing the Palestinian Arabs, charged the Jews with plotting, totalitarianism and terrorism. The Arabs made no reference to the big power Palestine consultations now under way.

In 10 closely typed pages, the (Continued on Page Four)

McCarty Governor Club Organized In Seminole County

A "McCarty for Governor Club" was organized last night at a meeting in the City Hall of friends and supporters of Dan McCarty of Fort Pierce, candidate for governor in the May 4 primary. J. C. Hutchison was elected chairman of the club; Mrs. Mary Macauley was elected secretary, and Andrew Carraway, treasurer.

Headquarters for the club will be opened at 115 Magnolia Avenue in the near future. It was announced Mrs. Macauley will have her office at the headquarters, where campaign literature will be distributed. All those interested in Mr. McCarty's campaign are invited to visit the campaign headquarters and inform themselves of his record and qualifications for office.

"I first became acquainted with Mr. McCarty in the South Pacific," General Hutchison stated last night. "He was at that time a lieutenant colonel on the staff of General Patch. Later he went with Patch with the Seventh Army and served throughout the remainder of the war in the European theater."

Emphasizing the fact that his only interest in the campaign is sound government, General Hutchison declared that after the war he had been "profoundly impressed with Mr. McCarty's understanding of taxation and governmental problems while serving with him on Governor Caldwell's Citizens Finance and Taxation Committee."

CORRECTION
The Herald regrets an error occurring in the advertisement of the "McCarty for Governor Club" last night. The organization meeting was held last night and not tonight as indicated in the ad.

COL. McMULLIN HERE
Col. A. H. McMullin of Washington, D. C., left yesterday for Daytona Beach after visiting Mr. and Mrs. Volie Williams for several days. Col. McMullin was director for airports for the Civil Aeronautics Authority at the time the Sanford municipal airport was approved in 1940. He expressed great satisfaction over the progress noted in converting the airport to civilian purposes.

ACL HITS CAR
DUNEDIN, Fla., Mar. 12 (AP)—Jack T. Vriesema, about 80, of Dunedin, was injured critically today when his automobile and an Atlantic Coast Line passenger train collided here today. Police Chief Eugene Sheets reported. Sheets said Mease Hospital reported Vriesema was not expected to live.

RETONGA A BLESSING SAYS TENN. LEGISLATOR

Hon. W. J. Matthews, Father of Good Roads and School Laws Thanks Noted Medicine For Regained Strength And Tells About His Own Case.

Happily praising Retonga for his regained strength, Hon. W. J. Matthews, of Algood, Tenn., declares the famous medicine was "a godsend" in his case. Mr. Matthews served many years in both the House and Senate of Tennessee from Overton, Clay, Pickett, Fentress, and Putnam Counties. He is author of many progressive measures, including the good roads system and Tennessee Polytechnic School in Cookeville. For thirty-two years he was a merchant and druggist at Algood.

"Until a year ago I enjoyed splendid health," states Mr. Matthews, "Then I began to have lots of gas pains and acid in-

digestion. It got so I scarcely wanted to eat anything at all. I felt miserably weakened and run-down, I could not get a good night's sleep, and I had to rely largely on strong laxatives for elimination. My weight dropped from 150 lbs. to 135 pounds and I became alarmed.

"Being a druggist I knew the ingredients of Retonga are good, and the relief it brought me was a godsend. I enjoy my meals now with no more worry about what to eat to avoid indigestion. I sleep restfully, I do not have to depend on harsh laxatives, and my weight is back to a normal 158 pounds. I feel good all the time and enjoy looking after my three farms and other interests. I shall be glad to tell anyone who Retonga did for me."

Probably no man in Tennessee enjoys a wider friendship or greater respect than Mr. Matthews. Retonga may be obtained at Touchton's.

State Farmers Market

REPORT No 88

The following prices reported by the dealers on the Sanford State Farmers Market for produce sold to truckers and dealers up to 12:01 A. M. Mar. 12:

Beans, Green, bu hpr	2.75-3.00

NORTHCOLD

The Tropical Suit
hot weather made famous

NORTHCOLD

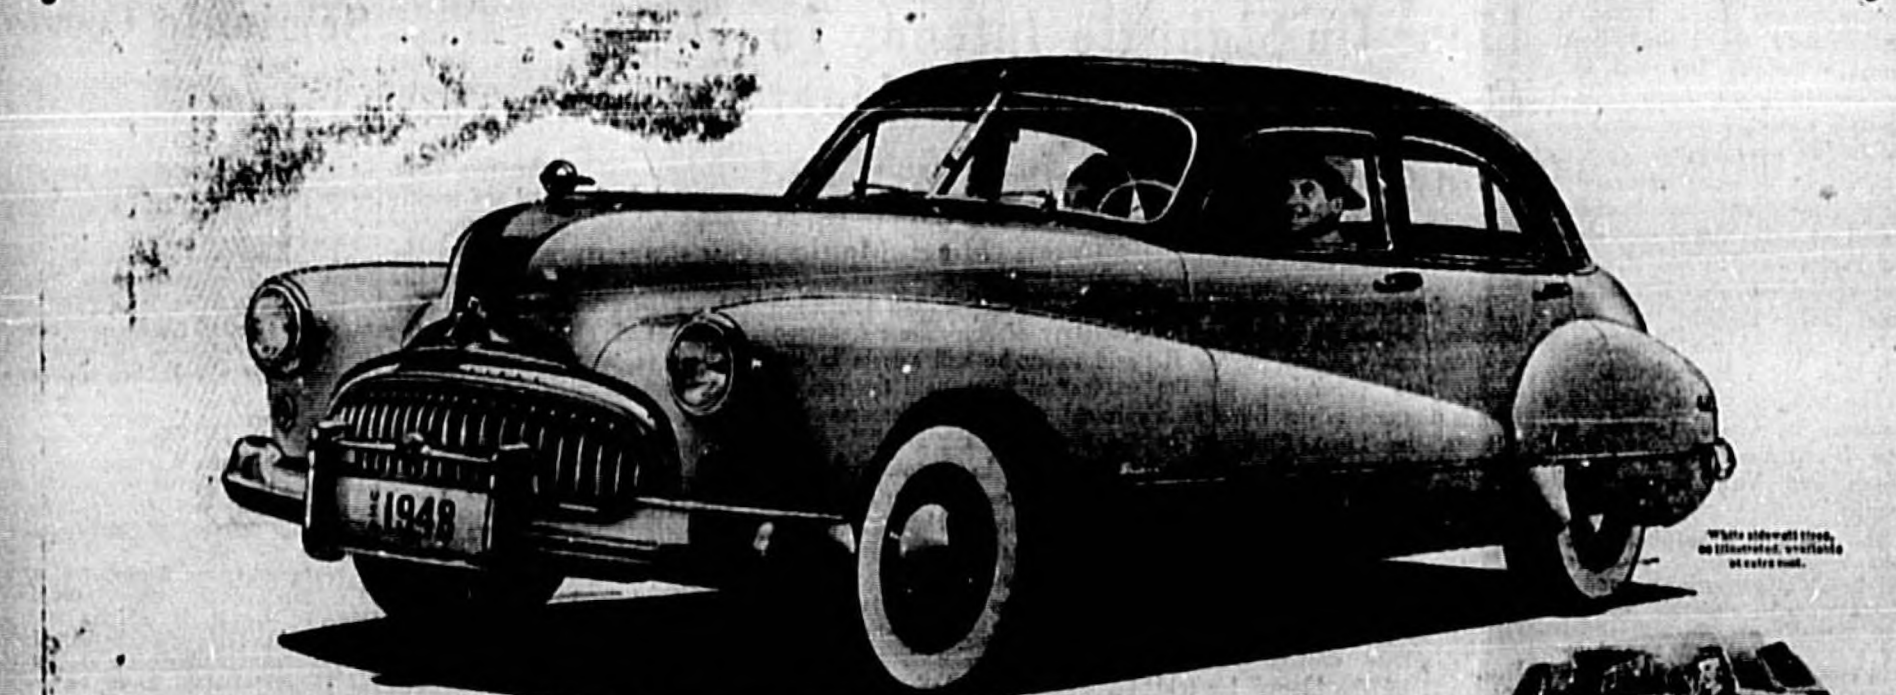

THE TROPICAL SUIT THAT "BREATHES" FRESH AIR

\$35.00

Buy the Genuine and you buy the Best

Genuine NORTHCOLD Suits - \$9.50

WHEN you buy a Tropical suit—you buy it for coolness. But don't be satisfied with only that. Look at a Genuine NORTHCOLD and learn that coolness is only the beginning of your pleasure. In style, in tailoring, in beauty of patterns and colors—NORTHCOLD reflects the skill, the practical thinking of clothing experts. As a result, NORTHCOLD is as much desired for its distinction as for the coolness and comfort that the wrinkle-resistant fabric assures. Think this over and you'll agree—when you buy the Genuine—you buy the best. That means buy NORTHCOLD.

Easy on the eyes — and ears

Standing still, it has the eager look of a pointer scenting game, so swift and flowing are its lines.

Sweeping by, it stands out unflinchingly from the highway crowd, unmistakably a Buick and unquestionably the year's trimmest fashion plate.

But have you traveled in one of these tidy new beauties?

Have you seen for yourself how smooth and silent is its flow of power, how hushed and quiet is its ride?

This comes from many things.

From Fireball power now Hi-Poised for throbless smoothness. From a Vibra-Shielded ride that is your ever-present protection against road-noise, body-drum and vibration build-up.

And it comes, in addition, from a brand-new development we call Sound-Sorber top lining.

It's a thick pad of feathery insulation much like that you use in your own home, and it goes into every closed model in our 1948 SUPER and ROADMASTER series.

This new lining cloaks your Buick in new and delightful silence akin to that of your own living room —

silence that encourages normal-tone conversation, makes soft radio music clear and enjoyable throughout the whole car.

So you ride in quiet as well as beauty when you travel in this style star.

You find it a great-hearted lovely that is soft of voice and gentle of manner — a delight to the traveling ear, the guiding hand and the passing eye.

Don't just see it at your Buick dealer's—look into it with greatest care. The deeper you look the surer you'll be to see the wisdom of getting a firm order in now!

You shall have music— wherever you ride

Front seat or back, you listen to your radio on soft and undisturbed volume in this new Buick. You hear without shouting, know freedom from rattle and din. Always ease of quiet comfort, the Buick SUPER and ROADMASTER step out still further with Sound-Sorber top lining—a Buick exclusive.

When you see a Buick

BUICK

BUICK also has all these features

- * DYNALOC DRIVE
- * TAPE-TRU STYLING
- * VIBRA-SHIELDED RIDER
- * SAFETY-SIDE RIMS
- * HI-POISED FUEL-AID POWER
- * QUADRI-FLEX COIL SPRING
- * FLEX-FIT OIL RINGS
- * ROAD-RITE BALANCE
- * RIGID TORQUE-TUBE
- * SOUND-SORBER TOP LINING
- * DYNAMIC SPARK ADVANCE

Social And Personal Activities

Social Calendar

FRIDAY
 The Sanford Townsend Club will meet at the Tourist Center at 8:00 P. M. Following the business session games and refreshments will be enjoyed. The public is invited to attend.

MONDAY
 The Dependable Class of the First Methodist Church will meet with Mrs. R. F. Cole, 324 West Twentieth Street, at 8:00 P. M. A market basket sale will be held.

The Ruth Sperring Junior Girls Auxiliary of the First Baptist Church will meet at the church at 3:30 P. M. with Grace Marie Stinecoper, program chairman, in charge.

The Elsie Knight Circle of the First Baptist Church will meet at 8:00 P. M. in the Woman's Bible Class.

The Woman's Auxiliary of the Holy Cross Episcopal Church will hold a business meeting at the Parish House at 7:30 P. M. The program meeting will be at 8:00 P. M.

The W. M. U. of the First Baptist Church will hold its monthly program meeting at 3:30 P. M. at the church with Circle No. 1 in charge. Mrs. M. F. Smith, chairman. The topic, "The Christian Home—Our Unfinished Task." The Sun Beams will meet at the First Baptist Church at 3:30 P. M.

Annual meeting of the Presbyterian Women's Auxiliary and installation of officers will be held at 8:00 P. M., followed by a reception in honor of Mrs. E. D. Brownlee.

TUESDAY
 A benefit party will be given at the Tourist Center on next Tuesday night for the maintenance and care of the orphan children by the Sanford Chapter of Hadassah. Refreshments will be served.

WEDNESDAY
 The Civic Department of the Woman's Club will hold its regular business meeting at 12:30 P. M. with a covered dish luncheon. Hostesses are Mrs. John Rieck, Mrs. E. Compton, Mrs. Ben Wade, Mrs. W. W. Warner. The speaker will be Judge A. S. Herlong, Jr.

Basketball Team Is Honored With Party

The Pep Squad of Seminole High School entertained members of the basketball team with a chicken supper on Tuesday evening at San-O-Rio Club. Members of the faculty were also present to enjoy the occasion. Each guest was greeted at the door and presented with an Indian head band.

The tables were decorated with large orange and black napkins, while at each plate was placed a smaller napkin and an Indian mosaic containing a small basketball.

Miss Maryanna Springer acted as mistress of ceremonies and introduced the speakers during the evening. Among them was Big Super Chief Morris, who gave a speech Indian style.

Coach Fred Ganas was presented with a gift by the team and in turn awarded 12 letters to members of the team.

Personals

Mrs. C. M. Stone has returned from Beilwood, Ala. where she spent two months with her parents.

Mrs. Harry Kudell has left for Newport, Ky. where she will visit for a while before going to New York City for a visit.

Mrs. J. J. Matthews of Waycross, Ga. is expected to arrive tomorrow to visit with her son-in-law and daughter, Mr. and Mrs. A. H. Beckwith, Jr.

Friends of A. L. Stacy will be glad to learn that he has been removed from the Fernald-Laughton Memorial Hospital to his home at 518 Edinnetto Avenue.

Mrs. Edward Adams and daughter, Rebecca, and Mrs. Merle Edland and daughter, Patty, of Alabama are visiting with their uncle and aunt, Mr. and Mrs. J. H. Tindal of Lake Monte.

West Side P.T.A. Has Meet At School

Mrs. John Ludwig presided over the business session of the West Side Primary Parent-Teacher meeting held in the school auditorium last Thursday.

Judge James G. Sharon spoke to the group on "Home, School and Community." Mrs. L. R. Rushon presented the devotionals. Attendance awards were won by the classes of Mrs. J. D. St. John and Mrs. Forbe.

Plans were discussed for a cooked food and rummage sale to be held in the near future. Spring flowers were used to decorate.

Hostesses: Mrs. Ted Williams, Mrs. Roy Rest and Mrs. G. B. Hudson, served refreshments at the close of the meeting.

BIBLE CLASS

The Men's Bible Class of the First Baptist Church will hold its Sunday School meeting at the Tourist Center until further notice, due to construction work at the Church. The class will begin at 9:45 A. M.

who subject will be "Citizens Responsibility." All members are urged to attend.

Teachers' Club Will Meet Next Thursday

Prof. M. D. Magesheim of the Stetson University Department of History will be the guest speaker at the meeting of the Seminole Teachers' Club at the Lake Monte School on Thursday, Mar. 18, it was announced today by J. H. Root, president of the Teachers' Club.

Prof. Magesheim, formerly with the Marianna School for Boys in Marianna, will speak on the task of the modern teacher.

The meeting will begin at 8:00 P. M. and matters of importance to teachers in regard to summer school will also be discussed.

Home Demonstration Club Met Thursday

Mrs. Paul Pezold and Mrs. M. H. Billingsley were welcomed as new members into the Sanford Home Demonstration Club at its meeting held in the Tourist Center yesterday with Mrs. C. M. Flowers, chairman, presiding.

Mrs. J. O. Andes, poultry chairman, gave an instructive talk on chickens. Mrs. T. Warren, health chairman, assisted by Mrs. V. G. Hasty, Mrs. C. C. Earle and Mrs. E. C. Williams, presented a short skit on safety.

Mrs. Ouida Wilson Home Demonstration Agent, led the group in a discussion of "Harmony in the Home." A good motto for all to follow, said Mrs. Wilson, is "Be happy with what you have... make the best of what you have."

Mrs. W. L. Roche displayed a novel clothespin bag which she had made, as well as some hand-wrought aluminum trays, which were admired by the group.

Following the meeting refreshments were served by Mrs. M. N. Cleveland, Mrs. J. T. Lewis and Mrs. W. A. McMullen, hostesses, to the following:

Mrs. Flowers, Mrs. Williams, Mrs. Wilson, Mrs. R. G. Hickson, Mrs. Nettie Tillis, Mrs. R. E. Peurifoy, Mrs. W. B. Stovall, Mrs. J. F. Thurmond, Mrs. Billingsley, Mrs. Hasty, Mrs. R. F. Moulie, Mrs. H. H. Gray, Mrs. Warren, Mrs. Roy Tillis, Mrs. M. F. Smith, Mrs. Pezold, Mrs. Earle, Mrs. Andes, Mrs. Roche, Mrs. O. R. Mathieux, Mrs. J. B. Crawford, Mrs. E. M. Burns, Mrs. R. W. Lippinott, Mrs. R. C. Long and Mrs. Edward R. Jones.

 Ruby Stenstrom

Anti-MacArthur

(Continued from Page One)
 long absence from the United States (since 1937) and that he has not announced a platform. Several other stories are being held up, although it is understood that none has been killed.

It was understood also that Allied Headquarters censorship received no new instructions regarding the United States presidential campaign. The general policy has been to delete criticism of MacArthur as supreme commander of the occupation, or as an individual under the overall policy that criticism of the occupation is not permitted.

MacArthur has issued a blunt verbal order against any political activity at headquarters.

His attitude was reflected in the public information office statement Wednesday. This said the campaign was MacArthur's personal matter and would not interfere with operations of his "military headquarters solely concerned with the conduct of the occupation of Japan."

But news of the reaction in the United States to MacArthur's announcement he would serve if called by the American people continues to pour into Japan. Some of it is favorable and some is critical.

Staff officers in charge of the Army newspaper Stars and Stripes and the Armed Forces radio network in Japan say their job is to cover the campaign while retaining the neutrality ordered by MacArthur. There are thousands of absentee voters here in military and civilian service.

The staff officers are responsible for the policies of Stars and Stripes and the Armed Forces radio network.

U. S. soldiers and civilians depend primarily on both these sources for world news.

Both the newspaper and the network were under orders to use only "actual, factual news stories" about the presidential campaign. This is not clearly defined, but it would eliminate such reaction stories as editorial comment, both favorable and unfavorable.

"We want to avoid any idea we are trying to run the campaign from here," said one officer. "If we run any editorial comment we will be accused of prejudice either one way or another. And we don't have newspaper space or radio time to run all this kind of news."

Youth Gov't

(Continued from Page One)
 tion and the Superintendent probably need them. Of 647 students at Annapolis, one out of eight failed to finish at the end of four years due to defective vision, he said.

"The manner in which county officials are elected by majority vote, and just what their duties are as servants of the public was learned by youth members of the Board and the boys superintendent, Bobby Morris, who sat through the meeting and actually carried on the work of the Board under the guidance of the County Superintendent and Board members.

"The Youth Board held an organization meeting, elected a chairman, Sadie Fleming, and a chairman pro-tem, Janet Hatfield. The County Superintendent assumed his duties as ex-officio secretary of the body. He led the invocation and read the minutes of the past meeting, also submitted various items of the agenda to be acted upon at the meeting.

"It is felt," continued Mr. Lawton, "that the impression made upon the youths as to the duties of the School Board will be permanent and that it will result in making them better citizens."

Lions Luncheon

(Continued from Page One)
 tion in promoting a baseball game here between Minneapolis and Washington at which Babe Ruth will be among the honored guests. Clarence Welsh was appointed to head a Patriotic Committee to present small flags donated by the club to schools throughout the County and to aid the Army Air Forces recruiting drive.

Jack Morrison distributed the schedules for the Lions Junior Baseball League, and announced that 20 boys were registered. The first game will be Monday between the Cubs and Giants.

CARD OF THANKS
 We wish to express our thanks and appreciation to our many friends for their beautiful floral offerings and their kindness and thoughtfulness to us during our recent sorrow and loss of our beloved son, grandson and nephew, DONALD HARRIS
 The Harris & Rubin Families

A LETTER THAT SPEAKS FOR ITSELF!

209 North Hundley St. Naugatuck, Conn.

Sanford Herald
Sanford, Florida
Dear Sirs:

Enclosed you will find a postal note for \$1.00. Will you please use this to mail me current copies of The Herald plus the postage.

I am interested in moving my family to Sanford or vicinity and feel certain The Herald will prove helpful in giving me suggestions on employment possibilities as well as places to live.

My thanks in advance.

Yours truly,
Roger Bradford

COWAN'S

U. S. Insists

(Continued from Page One)
Arabs detailed charges of terrorist acts between March, 1943, and March, 1946. The accusations included bombings, assassinations and kidnappings.
The Arabs also charged that:
1. "The Zionists have incited the Jews of Europe to migrate to Palestine, and to that end have been the real obstacle in the way of the settlement of the ter-

fugees and displaced persons problem.
2. "The Zionist setup in Palestine is totalitarian. Their youth movement and their system of education have inculcated a generation of Jewish fanatics. Their methods have been equalled only by the Nazis."
The document said "the most dastardly outrages have been committed in Palestine by the Jewish illegal organizations". It added:
"Although the perpetrators of

these crimes are so-called terrorist organizations, they are directed, supervised and financed by the Jewish Agency, or its subsidiary organs or collaborators."

TRIES TO ESCAPE
FERNANDINA, Mar. 12 (AP)—Sheriff H. J. Youngblood of Nassau County today said Flem Griffith, 28, of Jacksonville, under death sentence for murder, tried to saw his way out of jail here this week.

Fruit Canners

(Continued from Page One)
Bordo Products Co., Winter Haven, Fla., said putting the citrus canners under the marketing agreements act "would merely increase the costs to consumers."
McDaniel said grower cooperative groups are the only ones in Texas who favor the proposed legislation. He added:
"All others in the state in the

citrus business just want to be left alone and get the industry on a sound basis. No program that stifles individual initiative should be enacted."
He said a previous marketing agreement "just did not work out." It was abandoned in 1938.
C. L. Skaggs, president of the Borden Packing Co., Westaco, Tex., testified growers will need the canners "more and more in the years to come."
Production of citrus in Texas at present is "only 50 per cent

of what it will be when newly planted trees come into production," Skaggs said.
BURMA MOBS
RANGOON, Burma, Mar. 12 (AP)—Mobs numbering more than 5,000 upset three newspaper offices today.
The mobs were reported dominated by members of the all Burma Workers' Union. Both are affiliated with the anti-Fascist Peoples Freedom League, the prevailing government party.

Unity Sought By Big Powers On Palestine

United States Will Oppose Elimination Of Veto Power; Prague Gets Agent

NEW YORK, Mar. 15 (AP)—The big powers today called on Arab and Jews to agree on a truce for Palestine.

Both the Jewish Agency and the Arab Higher Committee for Palestine were asked in writing to answer by tomorrow whether they would enter into a cease-fire pact.

The big powers also decided to call on the six Arab countries in the United Nations to agree to cooperate in effecting the truce.

Meanwhile the United States declared it is opposed to the complete elimination of the veto in the United Nations Security Council.

The U. S. position was outlined by Philip C. Jessup, American representative in the U. N. Little Assembly. Jessup said this country wants use of the veto drastically restricted by agreement among the big powers, but does not want to abolish the veto.

He told the Little Assembly the United States feels unanimity of the big powers "is a necessity" in decisions involving enforcement of U. N. decisions. He said the veto "corresponds to the political realities of the international situation."

The Prague government named a new delegate to the United Nations today, but his anti-Communist predecessor refused to give up the delegation office.

This new complication came as the United States and Russia headed toward a major clash Wednesday afternoon in the Security Council over the Czechoslovak Communist question.

The new Czechoslovak delegate is Vladimir Houdek. He called at U. N. headquarters in the forenoon.

Millers To Meet Senators Here In "Babe Ruth Day" Benefit Game

By ARTHUR BECKWITH, JR.
Herald Sports Editor

The Minneapolis Millers will meet the Washington Senators at the Municipal Baseball Park in a "Babe Ruth Day" benefit game on Wednesday with the proceeds to be given to the Fernald Laughlin Memorial Hospital as a part of the 1948 drive for funds.

Sid Hudson and Early Wynn are scheduled to pitch in the game. It was announced by Clark Griffith, owner of the Washington Senators. The game will start at 4:00 o'clock and "The Babe" will enter the park soon after the contest has started.

He will drive in the west gate and will stop in front of the bleachers to greet the children. He will then proceed to the home plate, where he will be welcomed by Mayor R. A. Williams, Carl Hubbell, director of the New York Giants farm club, and E. G. Kilpatrick, Jr., president of the Seminole County Chamber of Commerce.

All school children of the county have been invited to attend the contest and will be admitted free. The children at the Methodist Children's Home at Enterprise have also been invited to attend the contest.

Ruth will be escorted from Orlando by O. K. Goff, brother-in-law of James Chapman, public relations director of the Ford Motor Company, the organization which is sponsoring the tour to the many training camps around the state, and W. A. Morrison, president of the Sanford Merchants Association.

"The Babe" will occupy a box seat in the stands, where he will witness the contest. After the game he has been invited to inspect the Giants' base at the Municipal Airport and will be the honor guest at a banquet to be given by Carl Hubbell at the private dining room in the former Junior Officers' Quarters, which is now housing the Giants farm club teams.

Mayor Williams will issue a proclamation requesting all schools and business establishments of the county to close at 3:00 o'clock Wednesday afternoon.

Ticket sales for the benefit game will be handled by the students and the student selling the largest number of tickets from each school in the county will be awarded a baseball, autographed by Babe Ruth, T. W. Lawton, Herman Morris and Coach Fred Gorman, who agreed to handle the ticket sales. Manager Edward Higgins of the Sanford Chamber of Commerce stated to-day that invitations have been extended to all schools in the county.

Taft Escapes Injuries In Plane Crash

Sen. Brewster And Pilot Also Escape As Airplane Plun- ges Into Icy River

VASSALBORO, Me. Mar. 15 (AP)—A plane carrying U. S. Senator Robert A. Taft (R-Ohio) on a campaign swing through Maine crashed today on the ice-covered Kennebec River but the Republican presidential candidate escaped without injury.

Two others with Taft in the single motorized Stinson—Senator Owen Brewster (R-Me.) and Pilot John T. Clark—were not hurt.

Governor Horace A. Hildreth said the plane's engine quit five minutes after the takeoff from the Augusta airport, about 10 miles distant.

The plane was slightly damaged. Senator Brewster said Clark, director of the Maine Aeronautics Commission, "did a great job" in landing the ship.

Taft, Brewster and Clark walked about half a mile with some difficulty through deep snow to the Augusta-Wassville Highway. Brewster then telephoned to Hildreth.

He said the plane came down about seven miles south of Waterbury.

Mrs. Taft and Mrs. Brewster were on their way to Bangor, where Taft had a speaking engagement. In Governor Hildreth's automobile.

Efforts were being made, Hildreth said, to intercept them so that the men would continue their trip with their wives.

Hildreth said the senators were making the 20-mile trip by air to inspect the abutment airport, 15 miles of Bangor.

The Army's Dow Field is being closed to civilian traffic, he said, and Taft and Brewster were interested in the alternate field because of Senate action due on it soon.

Gen. Meyers Sentenced To Prison Term

Former Army Officer Draws 20 Months To Five Years For Sec- ond Degree Perjury

WASHINGTON, Mar. 15 (AP)—Major General Bennett E. Meyers today was sentenced to 20 months to five years in prison.

A federal jury convicted him last Friday on three counts of inducing a former business associate to be under oath to a Senate committee.

Judge Alexander Holtzoff, when imposing sentence, said the 52-year-old retired general was guilty of a "very grave and serious offense." The maximum sentence he could have imposed was 30 years.

Meyers stood erect and apparently unmoved, as Judge Holtzoff told him:

"Bennett E. Meyers, it is the judgment of this court that you be imprisoned in an institution to be designated by the Attorney General of the United States for a term of not less than 20 months and not more than 5 years."

Meyers was immediately led from the court room by federal marshals after the jury retired last week, attorneys for the wartime air force deputy purchasing chief had announced they would appeal the verdict. Holtzoff said that time said he would not allow bail while the case was being appealed.

Just before Holtzoff passed sentence, Robert T. Bushnell, attorney for Meyers, pleaded that the court consider Meyers' "outstanding" war record.

"I say the punishment this man has already gone through—by being pilloried from coast to coast like a Benedict Arnold—is a punishment greater than it is in this court's power to impose."

The formal accusation against Meyers was "subornation of perjury." He was charged with persuading Herbert Lamorre to lie to Senate investigators and cover up Meyers' wartime operation of which the government alleged that Meyers received more than \$100,000. Lamorre was the president of the company, but later said he was only a "dummy" for Meyers.

Meyers arrived at the court (Continued on Page Eight)

Marshall Warns Of Need To Continue Greek Assistance

Filling Of Lake Front Terminal Area Expected To Begin Tomorrow

Work on pumping approximately 45,000 cubic yards of sand from the bottom of Lake Monroe to the land area west of French Avenue facing Semnole Boulevard, is due to start at 4:00 o'clock Tuesday afternoon, J. D. Wells, superintendent of the Hill Dredging Company, announced this morning.

After the sand is pumped in, bulldozers will be required to level the more than 50 acres of ground which will serve as the site of Sanford's waterfront freight terminal and industries that may be attracted to the area by reason of port facilities from Sanford to Trenton, N. J., via inland waterways.

The big dredge has now cut the 12-foot channel from the Municipal Pier to the Enterprise channel, forming one side of the triangular cut, one side of which will parallel the shore line for feet from the bulkhead, and will extend west from the pier. The northwest cut from the pier just completed required the pumping of 31,504 cubic yards of excavation, said Mr. Wells.

Most of the pipe left after completing the Woodruff Creek cutoff has been removed, he said. The channel there will be thoroughly cleaned Wednesday, so as to remove log and floating tree stumps which might be a hazard for boats.

In order to stir up the material

Aid To Italy To Be Discontinued If Communists Win In Coming Elections

PARIS, Mar. 15 (AP)—The 16-nation European conference was asked today to include Western Germany in the reconstruction plan for the continent.

British Foreign Secretary Ernest Bevin made the proposal. French Foreign Minister Georges Bidault had told the delegates that Europe's "division has become aggravated today in a manner as fearsome as it is unfortunate." Indications here that Portugal would propose that Spain also be included under the Marshall Plan for European recovery.

HELSINKI, Finland, Mar. 15 (AP)—Finnish President Risto R. Rintala has informed Prime Minister Stalin that while the Finns are willing to negotiate a treaty with Russia they hope to stay out of international conflicts. Groups in the Finnish Parliament have expressed doubt concerning the conclusion of an agreement of a military character, the President said. Rintala, in a letter to Stalin, emphasized that any Finnish-Russian treaty requires the approval of the Finnish parliament.

Costa Rica Tries To Stem Revolt Sweeping Nation

City's Industry Is At Standstill As Power Is Cut Off

SAN JOSE, Costa Rica Mar. 15 (AP)—A desperate Costa Rican government tried today to stem a revolution sweeping the nation. The opposition has virtually isolated the capital.

Seventy-five percent of San Jose's power plants have been blown up and opposition forces said they were trying to cut the remainder last night. The city's industry is at a virtual standstill. A general sit-down strike has been called for today.

Underground sources say the government has appealed to General Anastasio Somoza, former president and now strongman of Nicaragua, to send help as soon as possible.

Three Nicaraguan planes are here at the Sabana airport with their wing insignia painted out with yellow paint.

Jose Figueres, leader of the revolutionary forces, said over the underground radio he had wiped out half of the mobile unit sent to force him from his hidden mountain stronghold south of Cartago. This unit had been trained by the U. S. Army.

Government troops earlier reported the capture of 11 men at Figueres' stronghold.

President Teodoro Picado Michalski declared martial law Saturday. Fighting began Mar. 11 when Congress annulled the election of Otilio Ulate Blanco, opposition candidate for president. Ulate and 42 followers are reported to have reached Guatemala.

The underground radio, which calls itself "Voice of Freedom" and broadcasts at 6510 kilocycles, said army troops sent by water from Puntarenas to flank Figueres from the Pacific side of his hideout were cut to pieces yesterday. The radio said 20 (Continued on Page Eight)

Publicity Value Of Baseball Told Sanford Rotary

Minneapolis Sports Writer Says 50 Pa- pers Carry Story

Between 1200 and 1400 words a day are being filed to the Minneapolis Star-Tribune alone on the training schedule of the Millers and the Giants' baseball camp, Halsey Hall, Minneapolis sports writer, told the Rotary Club today. At the peak of the training program there will be at least 50 papers all over the country carrying the Sanford dateline and news of the training camp here, he added.

Pointing out that as businessmen most of the Rotarians are primarily interested in baseball in terms of what it means to business, he said that "marvelous publicity" for the city is bound to result from the various activities at the Giants' camp.

Discussing some of the great figures in sport, Mr. Hall mentioned Cookie Lavagetto and his famous homerun in the last World Series and the strike-out on the following day. He recalled that 500 people stood in line after Lavagetto struck out to get his autograph. Mr. Hall was introduced by Charles Morrison who had charge of the program.

Andrew Stine announced that the baseball game which will be played Wednesday between the Millers and the Washington Senators for the benefit of the hospital fund and as a part of "Babe Ruth Day."

George Stine announced that the Junior Baseball League is about to get under way with Orville Touchton, Roy Heller, F. B. Scott and J. C. Higgins as managers, and Harry Tooke, Charles Morrison, Jack Raigan, R. L. Cornell, G. A. Speer, James Holtzoff, Andrew Stine and George Stine as umpires.

H. H. Coleman announced that (Continued on Page Eight)

Senator Shands To Speak In Sanford On Wednesday Nite

State Senator W. A. (Bill) Shands, business-man candidate for governor, will bring his cam- paign to Sanford in a major speech here at 8 P. M., Wednesday. He is expected to explain to the peo- ple of this city the details of his 17-point platform pledging "more business and less politics in Flor- ida government."

Shands has been enthusiastically received in all sections where he has spoken and is considered by many political leaders as certain to be in the runoff primary of May 25.

Shands advocates long-range programs of reforestation, improvement of educational facilities in all public schools, connecting networks of highways and rural farm-to-market roads, harmony between labor and management, development of better marketing systems for farmers, electric generators, shippers, canners and packers, a return of a fair and proportionate share of the millions of dollars in tax money to municipalities from which it is derived, and expansion of the state health program.

Florida has done well in matching federal revenues with federal funds for old age assistance in the past 15 years," Shands says, "but not well enough. We must reach the peak and cheerfully and proudly provide our aged with as much money as we can afford."

Shands asserts that Florida should cooperate fully with the federal government in providing low-cost housing projects for veterans and give every aid in helping established them in gainful occupations.

Boston Steele To Run For Board Of County Commission

Boston Steele, who served as a county commissioner for five years between 1924 and 1934, and who has lived on Boardall Ave- nue for the past 20 years, today announced his candidacy for Commissioner in District No. 1, Precinct 3.

Mr. Steele is married and is affiliated with one of his five sons in farming on the East Side. In Virginia he was engaged in dairy-
ing and farming.

Building of good roads is one of the main planks of Mr. Steele's platform as a candidate. He today pointed out that while he is serving on the Commission in 1935, the people of Seminole County voted \$1,600,000 in bonds for the building of roads in every district and the issue of bonds were cleared by a good majority of voters.

Construction of the roads, he pointed out, was agreed upon by mutual consent of the Commission and citizens representing each district of the county. The roads were built over a period of three years.

Soft Coal Strike Supporting Miner Pensions Begins

Almost One-Half Of Western Pennsyl- vania's Men Stop

PITTSBURGH, Mar. 15 (AP)—Nearly half of the nation's 100,000 soft coal miners laid strike today in support of the United Mine Workers' demand for minor pensions.

The United Mine Workers' without rapidly gained major victories as reports came in from the leading coal producing states. West Virginia, No. 1 coal producer in the country, counted 60,000 of its 105,000 miners idle. Kentucky was second with 45,000 and Pennsylvania third with 32,000.

BIRMINGHAM, Ala., Mar. 15 (AP)—Nearly half of Alabama's 21,000 coal miners quit work today in support of union demands for pensions.

The Alabama Mining Institute, an operators group, estimated more than 10,000 were idle.

Eleven of the 16 mines supplying major industries here were down. The other five operated with less than normal crews.

PITTSBURGH, Mar. 15 (AP)—A soft coal work stoppage supporting John L. Lewis' demand for minor pensions got under way today. Spearhead of the move was in western Pennsylvania, where early surveys indicated nearly one-half of 56,000 miners walked out.

The U. S. Steel Corp. reported nine of its 14 western Pennsylvania mines were closed, with 7,000 miners idle. The corporation expected its coal output would drop today to about 20,000 tons, or one-third of capacity.

The Jones & Laughlin Steel Corp. reported all its Pennsylvania and West Virginia mines were closed, and 4,600 miners idle.

Republic was another steel corporation affected, with three Pennsylvania mines down. The output of steel company-owned pipe is used in making fuel for steel mills.

Commercial mines, too, whose (Continued on Page Eight)

Sanford Market Sales Of Produce Gain 56 Percent

Cabbage Leads Sales With Oranges Sec- ond, Celery Third

Sales of produce at the Sanford State Farmers' Market during February were \$127,400 ahead of sales of February 1947, an increase of 56 percent, it was reported by Manager H. J. Lehman in his commodity report.

Unit sales were nearly double with 221,422 reported as compared with 118,796 during the monthly period last year.

Cabbage led in sales with 109,544 sacks selling at an 85 cent average. Red cabbage brought \$2.13 a sack but only 41 sacks were sold. Chinese cabbage brought \$1.09 a crate average with 379 crates sold.

Oranges at the lively price of \$2.12 a box brought \$64,977. Celery valued at \$96,475 was a close third, with 40,427 at \$2.39 a crate average and 10,427 at \$2.25 average. Golden brought \$3,772 and Pascal \$16,607.

Tomatoes, averaging \$7.00 a crate, brought \$24,094. Fish potatoes at an average of \$2.24 for a 50 pound sack brought \$15,570.

Green beans hit a fancy average of \$4.64 in the vegetable market and brought \$4,103. Pole beans in small quantities brought \$6.03 a hamper and lima (Continued on Page Eight)

Washington Stops Aid To Greece

Secretary of State Marshall told Senators today that if the United States stops aid to Greece the consequences will be "swift and tragic."

Marshall testified for two hours before the Senate Foreign Relations Committee on the Administration's request for \$275,000,000 additional military aid for Greece and Turkey.

Marshall said what he had to tell the senators behind closed doors. But after the session the committee released a statement he had given it.

In it, Marshall said that "serious as it is, the Greek situation is not without hope."

"The danger remains that the Communist-organized countries of Europe will increase their pressure on Greece just as they have in other directions in Europe. It is the belief of the totalitarian leaders that democracies are incapable of standing up to their might."

Federal Income Is 5 Billion Dollars Over U.S. Expenses

WASHINGTON, Mar. 15 (AP)—The government's budget surplus climbed to \$5,070,454,000 today. It was the first time in history that government income has exceeded its spending by \$5,000,000,000, even for a temporary period.

The surplus is set only two thirds as large as President Truman predicts it will be when this fiscal year ends June 30. Chief reason for the big surplus is the record flow of tax collections.

These reach a climax at midnight tonight, the deadline for 65,000,000 taxpayers to file final 1947 tax returns. It also is the deadline for several million of these taxpayers to pay the first installment on 1948 income tax.

Also responsible for the heavy surplus is a decrease in government spending. For the fiscal year, which ended with an excess of \$754,000,000.

The record surplus figure for a full fiscal year is about \$1,155,000,000. It was set 21 years ago in the Coolidge administration.

For the current fiscal year, budget receipts were \$29,225,000,000, compared with \$28,000,000,000 at this point in the last fiscal year.

Spending on far this fiscal year runs \$24,158,500,000 against \$27,030,000,000 last fiscal year.

The over-\$5,000,000,000 budget surplus at this time is almost four times as great as the \$1,307,430,888 which prevailed at this point last fiscal year. The government overran its income in the closing months last fiscal year, but is expected to reverse that course this year.

Surplus funds are being applied to debt reduction as they accumulate. The debt now stands at \$24,000,227,493 compared with \$26,761,556,718 a year ago.

Registration Of Seminole County Voters Climbs To Total Of 9,016

Registrations of Seminole County voters to date total 9,016, of whom 8,708 are registered as Democrats as compared to 308 registered as Republicans and Independents, Mrs. Louvina A. Beal, Supervisor of Registration, announced today.

New registrations this year through Saturday total 1,146, said Mrs. Beal. Of this number 507 are Negroes, of whom 476 registered as Democrats and 31 as Republicans. A total of 868 white persons have registered as Democrats to date and 41 as Republicans. A party affiliation for 12 persons changed their party affiliation from Republican to Democrat. No one has registered for any other party to date, stated Mrs. Beal. The expiration date for changing party affiliation was Mar. 4.

The registration books will remain open in the office of the supervisor in The Sanford Herald building through Saturday, Apr. 17. These include the books for the 15 county precincts and persons who were ineligible for any reason to register while the books were out in the various precincts, still have an op-

Alabama Voters To Get Their Choice

WASHINGTON, Mar. 15 (AP)—The question of support or rejection of President Truman's bid for nomination to a four-year term will be placed before Alabama's rank and file Democrats in May primaries.

They'll have a clear-cut choice. Governor James E. Folsom has been a strong supporter of President Truman and advocated seeking to become delegates to the party's July convention in Philadelphia.

Senator Lister Hill (D-Ala.) is among state-at-large candidates for re-election. He has endorsed President Truman and advocated that Democrats settle their differences within the party.

Mrs. Emma Matthews Funeral Tuesday P.M.

Mrs. Emma Matthews, 61, died at the local hospital Sunday afternoon at 2:35 o'clock after an illness of more than a year.

Born in Tar Heel, N. C. Mar. 12, 1884, Mrs. Matthews had been a resident of Sanford for 27 years. She resided at 815 Elm Avenue. She was a member of Holy Cross Episcopal Church.

Survivors include her husband, C. L. Matthews, Sanford; three daughters, Mrs. Frank Akers and Miss Harriett Matthews, both of Sanford and Mrs. Letty Lantinger of Atlanta, Ga.; four sons, James P. Holtzlaw, Sanford; Charles F. Holtzlaw, Palm Bay; Richard H. Holtzlaw, New York City; and Britt B. Holtzlaw, Elizabeth City, N. C.; and one sister, Mrs. Carrie Draper, Sanford.

Funeral services will be held at 2:30 P. M. Tuesday at the Episcopal Funeral Home with Father Mark T. Carpenter officiating. Interment will be made in Lake View Cemetery.

Farmers To Get More In First 3 Months

WASHINGTON, Mar. 15 (AP)—Farmers will get 6 per cent more for their products during the first three months of this year than last.

The Agriculture Department made this forecast in a report which said farm income would have been higher had many prices not dropped recently.

It dropped livestock and livestock products probably will yield \$1,000,000,000, or nearly 10 per cent above the first quarter of last year.

Crop receipts may be around \$2,300,000,000, or about the same as last year.

Four Are Killed In Big Explosion At Harvester Plant

LOUISVILLE, Ky., Mar. 15 (AP)—An explosion at the plant of the International Harvester Company here today killed at least four persons, injured about 25 and trapped 25 others in debris, company officials reported.

Police and firemen, aided by volunteers, dug desperately in the ruins of the 50 by 75-foot brick and steel engine test building to rescue the trapped.

Rescue work was hampered by intense heat from a stove which broke out shortly after the explosion. This was extinguished by city and county firemen.

The explosion occurred as the night shift was leaving and the day shift reporting. Normally about 60 persons work in the building, which joins the main plant in the rear.

No official word was available but some workers said they believed that two 5,000-gallon fuel tanks underneath the building exploded. At least half of the walls and a large part of the roof caved in with the blast, which shook a large area of the city.

R. C. Almyren, industrial relations manager at the plant, said all motors produced there are tested in the building which exploded.

High Court Reverses Negroes Sentences

WASHINGTON, Mar. 15 (AP)—The Supreme Court today overturned the convictions of nine negroes tried on various charges after disorders during a laundry worker's strike in Winston-Salem, N. C.

Attorneys for the negroes appealed their convictions on the ground that negroes had been arbitrarily excluded from jury service during the trials.

In a brief order—without opinion—the court directed reversal of the convictions. The order cited many precedents holding that excluding members of negroes from juries invalidated their verdicts.
