A HANGOVER FROM MARCH Most summer fishing's great, but sometimes weather conditions are slightly less agreeable. When the winds of March go out like a lion instead of a

lamb, and both April and May suffer a breezy hangover, fishing suffers. However, since it's a normal part of angling, learn to live with the winds and catch fish in spite of them. When gusts make casting difficult, and caus to drift and bob like a cork, switch to trolling. Tie on a deep-running lure that will scratch bottom at the

10-to 15-foot level and start working the shoreline. rocks that taper gradually toward the depths. These are likely strong in pitching, as nine of By JANE CASSELBERRY president of Seminole Little If no strikes result in these areas, switch to trolling the points. the Miss Universe Pareant on Miami Beach, will write a daily perion on her life as a beauty contestant. She is Jennifer Lewis, a 35-year-old model from Leicester. A hazel-eyed brunette, the stands 5-feet-6 and measures 36-23-36. Here is her first

By JENNIFER LEWIS

Miss England MIAMI BEACH (AP) - We all sit around and pray: "I don't want to win the contest. I don't want to be rich and famous. I just want to sleep." I'm very tired. About 20 of us have been traveling in South America. I'm getting all the sleep I can now before the strenuous rehearsals start.

I actually arrived here by The chaperone system here is land contest to further my modeling career, to get coverage in the local press. I was shocked when I won. I never thought I had a chance. The year before I was in the Miss United Kingdom contest and the judges blew me right out. No. that's flowers from a friend in Mismi. not true. I made it to the finals. Not a boyfriend, just a friend-

Thursday I went straight to the anditorium where I was registered . . . No, they called it That's ridiculous, The chaperone processed. Like processed peas back in England. I've never been processed before. I found

Some of the girls had to wait in long lines and it took a long time. I was fortunate. I always

managed to arrive first at each place and got through quickly.

Before we came to Miami Beach we were in Washington and New York. All we ate were hamburgers and beefburgers.

That's not good for you, I have modeling for three years and

JENNIFER LEWIS

spots all over my face. I think I'm used to it. The only time it bothers me is if my parents are watching. I don't know why. I don't look very good today. Some clown took a picture of me in rollers yesterday. I hope he doesn't use the picture. I looked

Grotty, Miss Lewis explained is a derivative of grotesque.) I was pleasantly surprised with the United States. One tends to judge the country from the English that way too. Amerprised I had a sense of humor They said they thought the English were devoid of a sense of humor. They said that when laught at a joke the next ques-tion is: "Are you English?"
