Tom Dobson Tells Group To Be More Realtor Conscious

"Too many realtors take the term 'realtor' for granted," Tom Dobson, chairman of the Educational Committee of the Florida Association of Boards of Realtors, told a meeting of the Seminole County Board of Realtors at their monthly meeting last night at Jim Spencer's Restaurant.

"Be more realtor conscious," he said, "and determine that you will do your utmost to put to work the term realtor during National Realtor Week."

The speaker, a past president of the First District, Florida Association of Realtors, a past president of the Gainesville Board of Realtors, and chairman of the speakers bureau of the Florida Association of Realtors spoke on the subject "What It Means To Be A Realtor."

Reviewing the history of the organization of the National Association of Boards of Realtors he said, "The National Board was created to accomplish what individuals cannot accomplish for themselves."

He defined a "realtor" as a person engaged in the real estate business and affiliated with the National Association.

"The code of ethics," explained Dobson, "is the very lifeline of our association." Every realtor has agreed to abide by this code of ethics which is primarily a safeguard for the public, he said.

Stating that "it is important during National Realtor Week to review our code of ethics," Dobson expounded on the approximately 30 articles of the code. He included, "We must initiate an active campaign to inform the public what it means to be a realtor."

The speaker was introduced by J. W. Hall, president of the Seminole County Board of Realtors.

Introduced at the dinner meeting of the local realtor board were: Mrs. Hannah Bonnet, vice-president, First District, Florida Association of Realtors, New Smyrna Beach City Commissioner and candidate for the Volusia County Board of Commissioners; Miss Gertrude Carrer, president of the New Smyrna Beach Board of Realtors; Ray Peck of DeBary; and Frank Griffith of Gainesville.

Other members attending the dinner meeting last night were: Mr. and Mrs. Wilson Alexander; Mrs. Joel Field; Mr. and Mrs. S. C. Highlyman; Mr. and Mrs. Oscar Harrison; Mr. and Mrs. Raymond Ball; Mr. and Mrs. B. B. Crumley; Mrs. Margaret Edwards; Garfield Willella; Mr. and Mrs. Howard Monteith; Cecil Waller; Mr. and Mrs. W. H. "Bill" Stempier; and Thomas Stringer; J. Alexander; Mr. and Mrs. A. B. Peterson; A. B. Peterson Jr.; Mr. and Mrs. H. A. Hall; Mr. and Mrs. P. Payson; and Mrs. C. P. Harkey.

Spring training for the Minneapolis Millers got underway in earnest yesterday with Manager Ed Stanky, the colorful exponent of baseball putting his prospective team through their paces at the Sanford Memorial Baseball Stadium.

General Manager W. D. "Rosy" Ryan, on hand for the spring training drills said, "This is going to be a wonderful season for the Minneapolis Millers."

Ryan stated that the Minneapolis Millers, the Junior World Champions, will be playing in a brand new four-tiered stadium this year. The stadium, he explained, would seat 20,000 fans in three tiers with the fourth tier reserved for the press, radio, and television coverage.

The General Manager's eyes sparkled as he looked over an array of baseball talent that would make any fan head for the baseball park to see the team in action.

The first game of the exhibition and practice schedule will get underway at the Sanford Memorial Baseball Stadium Sunday afternoon at 1:30 following a gigantic parade headed by the Seminole High School Band. The parade will form at the Mayfair Inn and head directly out Mellenville Ave. at 1:15 in time to get the game started on time.

City Commissioner John Krider is slated to pitch the first ball in the game between the Minneapolis Millers and Rochester.

The parade Sunday afternoon, spearheaded by the Baseball Committee of the Seminole County Chamber of Commerce, is expected to draw hundreds of spectators and fans to the Memorial Stadium for the first exhibition game of the season to be played here.

On hand to watch the Millers on the field today was Carl Hunsberr, head of the New York Giants Farm System.

The Minneapolis Millers will play an 18-game exhibition schedule during their Spring Training with ten of the games slated to be played in the local baseball stadium.

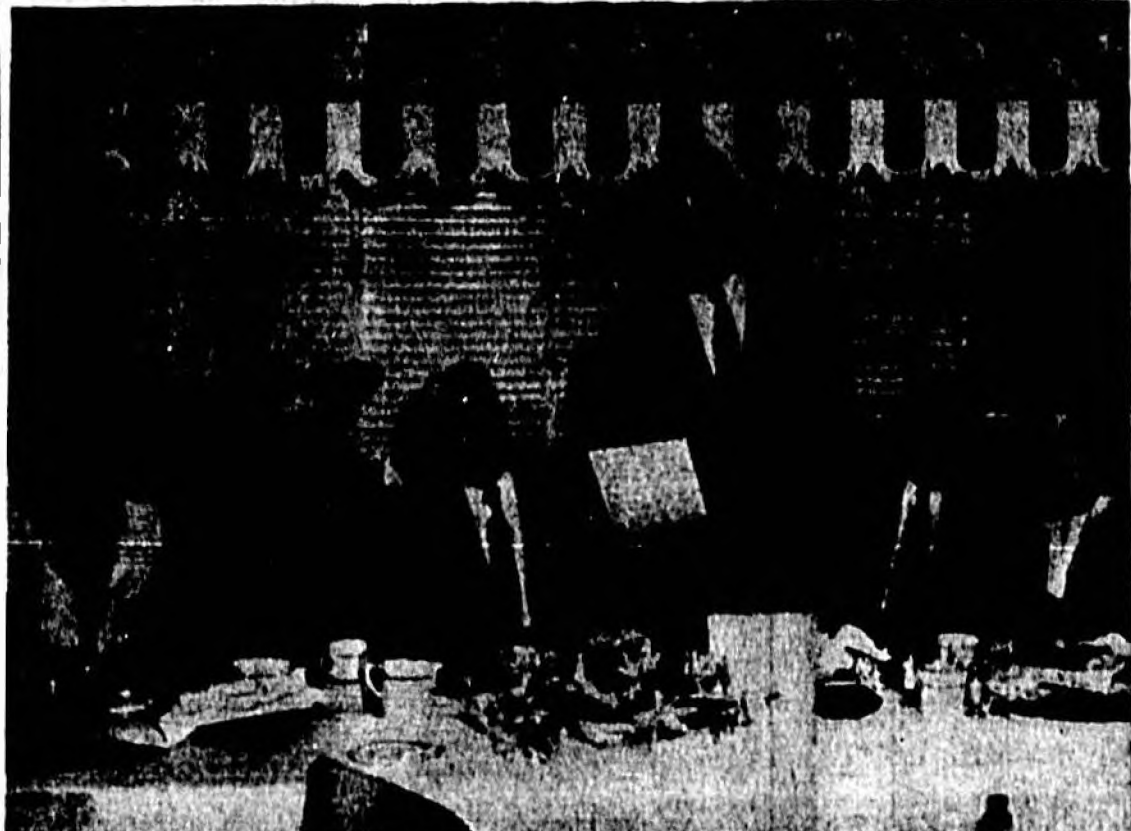

Civic leaders, baseball enthusiasts, and City Officials are expected to take part in the parade Sunday afternoon leading from the Mayfair Inn to Sanford Memorial Stadium.

Nearly 40 baseball players took the field this morning at 10:30 in the training schedule that will put them in shape for the 1936 season in Minneapolis. The Millers will bring five behind the plate, visit in the infield and seven in the outfield.

Two Questions Face Zoning, Planning Commission Tonight

The Zoning and Planning Commission of the City of Sanford will meet tonight at the Sanford City Hall for their regular monthly get together to discuss and recommend various zoning and planning proposals.

Two questions to come before the Zoning and Planning group tonight will deal with Dreamworld Trailer Park and the southwest corner of French Ave. and 25th St.

The latter question grew out of the rezoning of the French Ave. one block strip between 25th and 18th Streets at the last meeting of the Board of Sanford City Commissioners.

However, it is expected that the Zoning and Planning group, with Bob Brown as chairman, will continue their study of a land use map for the City of Sanford.

It is understood that the preparation of the land use map has been put underway with studies of the various sections and blocks taken one at a time and then placed into the proposed map. The completed map will facilitate the planning and zoning of the City as expansion continues.

Williams Officially Appointed Captain

Arnold Williams of the Sanford Police Department, was officially appointed Captain today by Police Chief Roy G. Williams.

The appointment has been expected since the completion of examinations given to four prospective applicants for the position.

The official appointment, said Chief Williams, was made immediately on the recommendation of the Civil Service Board under whose direction the examinations are given and graded. Other applicants for the captain's vacancy were: Lieutenant Jack Hickson, Sergeant Russell Touch, and Patrolman Joe Hickson.

The vacancy was created by the retirement late last year of Captain Roy Tillie and had remained open until the appointment today of Arnold Williams.

Williams has been heading the traffic detail on the Sanford Police Department in the capacity of patrolman.

He will begin his duties as Captain by taking over the 4 p. m. to 12 midnight shift and detail this afternoon.

Band Will Compete In Annual District Contest At Cocoa

Tomorrow, the Seminole High School Band will go to the Florida Bandmasters Association Annual Fourth District contest in Cocoa. This is the biggest event of the year for every high school band in the district. It requires a lot of work with rehearsals starting several months ago, but, according to members of the band, it is a lot of fun. They say, "new friends are made, music is everywhere, and a general carnival spirit prevails."

Tonight, at 7 o'clock, the Student Club will feature an interview by Leslie Smith with the guest speaker, Seminole High School Bandmaster Ernest H. Cowley. Cowley will describe the big event and give a few highlights of the contest, on the 15-minute program over WTRR.

Preceding the interview, Randall Robbins will give the school news from Seminole High School and will also play the top recording according to a SHS poll.

Henry Cason is to host tonight on the Student Club Program and will introduce the talent. He will also present, in collaboration with the talk by Bandmaster Cowley, the Brass Sextette, one of the ensembles that will enter the contest. The Sextette plays the "Prelude to La Aleisienne."

Mutual Concert Group Can Renew Memberships Now

Present members of the Seminole Mutual Concert Association will be given an opportunity to renew their membership for the 1935-37 season before it is opened to the general public April 2, according to the Association's president, Francis Roumillat.

At the last meeting of the Seminole Mutual Concert Association, held this week, Bill Fagan, representative of the Alkahest Celebrity Bureau, outlined the offerings by the Alkahest organization for next year's concert series.

Mrs. Philip Marx was appointed to head the Constitution and By-Laws Committee of the local concert association.

The membership of the Seminole Mutual Concert Association is closed to present members until April 2 when the membership will be thrown open for a six-day membership campaign.

Informal Meeting Of Commissioners Scheduled Tonight

The Board of Sanford City Commissioners are slated to meet tonight in the Commissioners Room of the Sanford City Hall at 8 o'clock for what has been explained as "an informal meeting."

The meeting was set for the group at the regular meeting Monday night.

No agenda has been prepared for the discussion tonight. However, several important questions are under discussion between the commissioners and it is expected that they will be informally examined and debated before being thrown into a regular meeting of the governing body.

Department Pumps 2 Million Gallons Of Water Monday

"Because of the dry weather and the heavy demands on Mondays due to family washing," said Russell Dallas, head of Sanford's Utility Department, "The Sanford water department pumped the highest record to date last Monday."

Dallas said that the pumps operated 18 1/2 hours in pumping a total of 2,000,000 gallons Monday.

Explaining that the new elevated tank, at the present time with no altitude valve, is usually about half full instead of being filled to its maximum capacity.

"When the big load hit," said Dallas, "The big storage tank at Mellenville Ave. and Celery, went down to zero."

The pumps are operating continuously keeping Sanford supplied with water, said Dallas with the storage tanks being filled to their capacity at night when water consumption is at its lowest peak.

"Dry weather," said the City of Sanford's Utility Department Manager, is "a drain on the system throughout the City."

Stetson, SNAAS Teams To Meet

The Stetson Spring Sports schedule includes a golf match to be played at the Mayfair Inn Golf Course between the Stetson Golf team and the Sanford Naval Auxiliary Air Station golf team.

Two teams with the SNAAS golf group are scheduled for the spring series, one played in Sanford the other at the DeLand College Arms course.

According to the schedule the matches will be played at 1:30 p. m. in DeLand March 17, and in Sanford April 11.

Kiwians Show 'Magic Suitcase' Filled With Oil

Mrs. Jean Newsom, attractive representative of the Oil Industry Information Committee, gave the Sanford Kiwanis Club members yesterday, at their noon luncheon meeting, a peek into her "Magic Suitcase."

Mrs. Newsom, of Orlando, told the Kiwanis Club group which packed the Sanford Yacht Club with an overflow attendance of nearly 100, that "Oil is very important now because legislative bodies when looking for ways to increase taxes, invariably turn to oil and their derivatives."

As she placed a suitcase beside the speakers stand to begin her talk, Mrs. Newsom explained "This is more of a magical suitcase than you would realize."

"The magic suitcase is filled to the very brim with oil and I am even dressed completely in oil," she said.

Running through the man-made fibers with the ease of a chemist, Mrs. Newsom explained that each was made possible by oil. "Dacron, nylon, rayon, and all of the other derivit fibres revolutionized the dressing habits of the world," she said.

Picking various and many products from the magic suitcase, the attractive missionary for the oil industry explained that lipstick, cold creams, cleaning creams, bath oil, sun tan oils, and thousands of other products have their beginning with oil.

"Even detergents come to us with the compliments of oil," she said. "Each woman cleans about 12-thousand pounds of crockery each year using detergents made possible by oil," Mrs. Newsom told the Kiwanis Club audience.

"Waxed paper is another product of the Oil Treasure Chest," she said.

"Hundreds of privately owned manufacturing concerns are turning out plenty of nylon in this country," she said, "and we should all be thankful for it would be turned out by the government."

Literally hundreds and thousands of products are made possible for the modern homemaker because of oil, Mrs. Newsom emphasized.

The forceful, colorful, and attractive speaker was introduced by Mr. R. Strickland, Sanford Oil dealer and Kiwanian.

Captain Robert W. Jackson, Commanding Officer of the Sanford Naval Auxiliary Air Station and a member of the Sanford Kiwanis Club, invited the Kiwanis group to the Sanford Naval Auxiliary Air Station Map 10 planned for a "full scale briefing on what is happening at the SNAAS." He explained all civic clubs are being invited during that week, preceding Armed Forces Day.

Members of the North Orlando Kiwanis Club attended the 1936 club meeting here yesterday.

Local Builder Will Open House Sunday For Inspection

The first home to be completed by T. R. Means, local builder and contractor, will be open for inspection Sunday March 23 and 24.

Means said yesterday that the model home, is located on the north side of Celery Ave. about three-quarters of a mile East of Mellenville Ave.

The model home, stated Means, is of frame construction with asbestos siding, hardwood floors, terrazzo porches, tile bath, tile window sills, and completely equipped with modern appliances.

The new home is a two-bedroom, six room home with an asphalt roof, large garage and curport.

The contractor and builder said yesterday that the overall area of the home takes in 1400 square feet plus the curport. It is built on a corner of land.

300 Reservations Made For Barbecue Sponsored By Elks

Mrs. A. W. Epps Sr., president of the Women's Auxiliary of the Seminole Memorial Hospital this morning expressed her appreciation for the approximately 300 reservations which have been made thus far for the barbecue which will be held Saturday, March 17 at 6:30 p. m. at the Elks Club for the benefit of the auxiliary.

Sponsored by the Elks Club, this is the first venture of the finance committee of the auxiliary, under the chairmanship of Mrs. F. E. Roumillat Sr. Members of the auxiliary and the Elks will serve the barbecue.

The public is cordially invited to attend and reservations may be made by telephoning Mrs. A. B. Peterson Sr., 1965-J on Friday, March 10. All members reported are requested to call Mrs. Peterson and let her know whether or not they have disposed of their tickets in order for those who have made advance reservations to be served. Reservations will be closed tomorrow.

Cotton May Give U. S. Headache

NEW YORK—Cotton threat today to give Uncle Sam another headache in his role as a world leader.

The fiber is deep in politics in this country. It seems about to get off an international squabble and end a price war.

Uncle Sam wants to sell his surplus cotton abroad at the world price. At first glance that would seem like enough, since this country in recent years has lost most of its once dominant position in the world market because its price became higher than the world price. The United States could get back in the market by selling at what the others get.

The rub comes in that much of the world market lost while U.S. cotton was being priced above world prices were won by friendly nations, and particularly by some of the United States' most important trading partners.

Just as the American cotton farmer would be horrified if Washington announced it would dump its huge surplus of government-owned cotton on the domestic market, so these nations are protesting the proposal to offer this surplus on the world market at prices lower than those supported by government policy at home.

Uncle Sam's problem is real enough. He has stacked up in his warehouses some 11 million bales of cotton. He expects that to rise to 14 million bales by next August, the time Agriculture Secretary Benson has set for his drive to double U.S. cotton exports.

Cotton is the big drag on farm exports now. From July to January this country shipped abroad 80 per cent less cotton than in the same seven-month period in the previous fiscal year.

Benson hopes to sell five million bales abroad by lowering the price to what other nations are getting. This would be almost double what was shipped last year but still only about half what was exported in the heyday of U.S. cotton exporting history.

Other nations with cotton to sell won't welcome this five-million-bale competition. Even more they'll fear the 11 or 12 million bales that could be dumped.

Right now U.S. foreign policy is entangled with the troubled Middle East. In that area cotton exporting countries include Egypt, Pakistan, Syria and Turkey — all of whom the United States would like on its side. Mexico, Brazil and Peru also export cotton.

DEMOS GOING AFTER ABSENTEE VOTE

WASHINGTON — Democrats said today they are going after the absentee vote, especially in the armed services.

They estimate the potential absentee vote at around three million in the armed services and among federal civil servants and their families.

Democratic National Chairman Paul M. Butler announced the selection of Rep. McCormack of Mass., House majority leader, to direct an absentee voters' drive.

MALENKOV ON TOUR

MOSCOW — Georgi Malenkov left by plane for Britain today to tour British power stations. It is the former Soviet Premier's first trip to the Western world.

Since he resigned the premiership in February 1959, Malenkov has been a deputy premier and minister of Soviet power stations.

When In Rome Do As They Do Holds True At Latin Banquet

BY SANDRA BERG Herald Staff Editor

I want to Rome Tuesday night! Not only did I go to Rome but I was a guest at a Roman banquet with a slava of my own.

Well maybe I am exaggerating a little but the atmosphere was so realistic and the costumes along with the order of the feast so authentic I might as well have been in Rome.

The Latin Classes of Mrs. Boyd Coleman went all out for their annual Roman Banquet which takes place in the school gym at a chosen time.

Held this year at 7 p.m. Tuesday night the feast may be proclaimed "one of the biggest and best."

The students did a wonderful job of transforming the huge room into a Roman banquet hall complete with gardens, "almost" marble columns and of course the reclining tables which in modern language spells "solid comfort."

Those old Romans weren't so dumb. In fact I liked the idea that I could eat in a reclining position with a slave nearby to "prop" a pillow into the right spot. To my right and left were bulging baskets and bowls of fruit; embossed varietals.

The tables were placed, about eight inches from the floor, in a "U" shape with the center left open for the entertainment. At the front end was a fountain surrounded by blooming azaleas and in the center of the pool grew a large flowering bush overhung by a large tropical plant.

Pale blue vases were placed in and among the rocks which banked the fountain. From niches and corners grew cool ferns and waving palms formed a background across the back. Across the top of the wall was hung a scarlet banner flanked by blankets of fern.

Tall columns, encircled with fern and gaily colored flowers stood in their places surrounded at the bases filled with "Roman" plants. More fern and baskets of flowers, which filled the air with a perfumed scent, transformed the room into a complete banquet hall.

The reclining tables were overlaid with spotless white cloths and tall burning white tapers, lighted by the various slaves, were placed at intervals between silver bowls of fruit.

The head table, at which was seated the "great" Julius Caesar, At Collins, was overlaid with a white linen cloth edged by an orange border. Five branched candelabra of carved silver bore burning white tapers. The center of the table held a gigantic silver fruit bowl loaded with deep purple grapes, oranges, bananas and other tropical fruit. Palms and various shrubs were placed at the back.

Seated at the head of the table with Caesar were Dick Rountree, Apollo; Shirley Morgan, Aurora; and Linda Kanner, Calpurnia. The latter wore a pale lavender gown with ropes of pearls and other jewelry in her hair and round her wrists. Aurora was gowned in a yellow and white creation also keeping with the Roman style of using pearls in the hair. Caesar was regal in his

WHITE SILK BROAD-CLOTH BLOUSE with a skirt of worsted flannel in dark "Piping Rock" gray is from B. H. Wragg's collection. The wrapped collar of the blouse, like the cuffs, is pleated in folds, and the skirt knife-pleated all around. Smart for classroom or business office or informal dates. Good for early spring too.

Baptist Circle Meetings

The W.M.U. of the First Baptist Church held its monthly program meeting in the chapel Monday with Circle No. 6 in charge. Mrs. J. Brailey Odham was leader. The topic for the event was "God Save America" which was presented in (Pageant) form.

The session opened with Mrs. John E. Fox, giving the devotion and Mrs. J. A. Strange leading the prayer.

Taking part in the program were Mrs. Odham, Mrs. W. P. Brooks Jr., America; Mrs. E. A. Covington, Home Missions; Mrs. Clyde Humphrey, Peril; Mrs. Forrest Breckenridge, W.M.U.; Mrs. Richard Galloway, soloist; Mrs. Willie Pippin, pianist.

Mrs. A. J. Peterson closed the affair with a prayer. The circle reports are as follows:

CIRCLE NO. ONE

The missionary meeting of Circle No. One opened with a prayer for the ill circle members and that the group "become more mission minded."

Mrs. Minnie Kratzert presided over the session at which time the devotion was given by Mrs. Rudd using as her topic "Let No Man Despise Thy Youth." Minutes from the last meeting were given by Mrs. Britt who also given a letter concerning a child the circle adopted.

Mrs. Murray, stewardship chairman, said that a "True Christian" must enjoy Christianity and be willing to sacrifice for it. Our devotion to Christ's cause is measured by our willingness to sacrifice and His schedule of values. All we are, all we do, all we love and all we acquire is the demand of true stewardship.

Mrs. Simmons, visitor was welcomed. A linen shower for the Children's Home was collected and will be sent after the next meeting.

CIRCLE NO. TWO

Circle No. Two met in the church for a regular meeting with Mrs. B. C. Moore, chairman, calling the session to order. The opening prayer was given by Mrs. Selman and Mrs. A. J. Peterson led a devotion on the theme, "What of It?"

Routine business, consisting of taking records, minutes, community mission plans and young peoples reports was given.

Mrs. Fred Myers gave a talk on stewardship, "Giving Is Not Enough." Mrs. H. H. Martin, mission study chairman, called attention to the various magazines, "Home Missions Magazine." She asked members to read the articles concerning the missions and to think about them.

Those present were Mrs. Moore, Mrs. Myers, Mrs. R. H. Donn, Mrs. H. H. Martin, Mrs. Ken Webb, Mrs. J. Newby, Mrs. M. S. Nelson, Mrs. G. S. Selman, Mrs. C. L. Park, Mrs. M. H. Wade, Mrs. Bill Stansel, Mrs. C. L. Hewson, Mrs. E. H. Lundquist, Mrs. W. C. Rumbley, Mrs. Peterson and Mrs. Gracie Bishop.

Churches, Their Doctrines Play Big Part In Every Community

There was a time when, if a church building was proposed to be built, someone would remark, "goodness me, isn't the town full of churches now?"

But that isn't the case any more! Practically every community, let alone our own, is watching the construction of churches of various and many denominations and faiths.

And the general remark that you will hear is, "Isn't it wonderful to see another church go up in our city?"

A turnout, even though we're in a modern age, with fast transportation, hundreds of times of entertainment, good roads, and every advantage to take the pleasure elsewhere.

Even though there are churches being built, others expanded and still others showing additions of various sorts, church buildings are literally "bursting at their seams" every Sunday, and many times as often as the church doors are opened.

It's a good sign, we say.

However, despite the throngs that are making the church their home when the opportunity permits, on Sunday mornings when Sunday Schools are in progress and church is starting, one will see automobiles loaded with children, picnic baskets, and pleasure-clothed folks headed for beaches and other points of interest.

Lawns are cut, boats repaired, automobiles overhauled, and other chores being performed when that person and the children should be on the way to churches and Sunday schools.

As a matter of fact, churches and their doctrines and preachings are playing a big part in keeping folks level-headed in these days of near hysteria over "getting away from it all" for the weekend.

Churches are a good sign in a growing, prosperous, and ambitious community. With churches forming an integral part of the community's life one will readily know that a stable citizenry is behind the governing life of that city or town.

As we grow, as we prosper, as we gain every good value that is becoming to a community, there will be additional churches to take care of the ever-increasing desire to open, as we should, and commune with God in His House.

There's a reassurance, that as we become

National Realtor Week

It might be a bit late to mention—but because of the importance we feel that it's better late than not to mention it at all. This is National Realtor Week around the nation.

An organization founded in 1908 in Chicago, Ill., has now spread throughout the 48 states. From the meagre beginning with representatives from 20 real estate boards out of 45 existing boards in the nation the group has expanded to over 1,800 boards representing more than 60,000 men interested in the selling of real estate for the betterment of his or her community.

The National Association of Boards of Realtors was founded on the principle of accomplishing what the individual could not accomplish for himself.

Through this principle the National Association of Boards of Realtors, divided into State Boards, accomplished three important steps. First they created unity, secondly, the compilation of basic information needed by realtors throughout the country; and lastly, a basic code of ethics on which the realtor could lean.

More publicity and attention is being given to the realtor and his basic code of ethics during this important week of the year to bring to the forefront the person who devotes himself or herself to a profession that is so very important to the economy of the community, the State and the nation.

It is with pride that we point to the realtors during their week set aside for national attention.

Place Orders For Mail-Away

At this time of the year, no doubt, you will see photographers taking pictures of various and many points of interest around Sanford and Seminole County.

Telephone calls are being made to the many organizations and people for information concerning one of the historical communities of the State.

And all of it is being done to ready The Sanford Herald's Tourist or Mail-Away edition that is expected to be published in the near future.

Orders are being taken for copies to be mailed, no doubt, to every State in the nation and to many countries around the world.

This year's edition is expected to be the finest ever published in Sanford.

We, as well as our readers, are looking forward to making the Mail-Away edition a subject of widespread approval.

If you're expecting to send a copy to friends, relatives, or acquaintances anywhere it's best to place your order early.

Business Has Had Parallel Boom

By SAM DAWSON
NEW YORK (U.S.)—The business boom has had its parallel boom in the number of persons to buy and hold stock in leading corporations.

The roll of stockholders has grown smartly this last year on man; a blue chip company's books. It is strikingly higher than 17 years ago—in some instances more than double—a concrete sign of the revival of public interest in the stock market since the war.

The total of persons owning common stock is now estimated at at least eight million, a gain of 1 1/2 million since the Brookings Institution made a survey in 1933 for the New York Stock Exchange.

The bull market in stocks has had much to do with this. So has the record number of stock splits—some 180 last year alone—plus many declarations of stock dividends.

On top of this, the nation's cor-

porations sold \$14 billion dollars of new common stock last year to the public, the Securities and Exchange Commission reports.

The New York Stock Exchange publishes today in the March issue of The Exchange a table of 13 companies with some of the nation's largest stockholder lists. Their average gain in numbers last year was 7 per cent and in 1935 44 per cent.

The 13, combined, now have 4,541,321 share owners, compared with 3,111,861 in 1934, the first post-war year when industry was re-

adjusting from a war to a peace economy. The totals include duplications, of course, since many stockholders own shares in more than one of the 13.

An Telephone & Telegraph is the most widely owned corporation, both now and then. It reports 1,408,000 share owners, a gain of 106 per cent in 10 years. General Motors is second with 637,751 now, a 33-1/2 per cent increase since the war.

Director Said Dealer Of Suspense

By MAL BOYLE

NEW YORK (U.S.)—Perhaps no one but Alfred Hitchcock would dream of using the stone ostrich of a monument to President Teddy Roosevelt as a film setting.

But the chubby master of suspense likes to ferret out odd locales.

"I'd like to make a really great spy chase against an American background," he remarked. "Geography is very important in pictures of this kind and this continent is full of wonderful settings."

"As I see it, the picture should start in New York City, and move in a northerly direction."

He finished forking down his luncheon fish—he has dropped his

weight from 300 pounds down to 210—lit a long cigar, and began writing his script out loud.

"It could begin in the United Nations. Gromyko is making a speech. The Peruvian delegate who has been doodling on a piece of paper, suddenly slumps forward as if asleep."

"A hand reaches out and whips away the paper. Gromyko threatens to walk out if the delegates don't pay more attention. But the Peruvian delegate doesn't look up. He is dead—murdered."

"The next scene shifts to the Mount Rushmore Memorial in South Dakota. A fugitive is hiding in the nostril of Teddy Roosevelt, and another chap is sliding down

the nose trying to reach him.

"Then we move to an expensive hotel in Banff, Canada, to get in a little high life. There should be a couple of other big scenes along the way (you need about six), but their final scene should be at Point Barrow in Alaska."

"It will be highly dramatic... two people... they dots in the endless snow... moving toward the climax."

The director, a former scenario writer, likes to relax by imagining fresh plots for films he may never make.

Hitchcock has completed between 48 and 50 pictures since making his first one in Germany in 1925.

"I started as a boy director—and I'm still a boy director," he said, grinning chubbily.

"All but a dozen of my pictures have made money. I suppose they have cost about 25 to 40 million dollars altogether, but they've brought in well over 100 million."

He keeps expenses down by plotting every scene thoroughly before a single camera turns. At 44 he is one of perhaps a half dozen living directors whose mere name on a film has a real boxoffice value.

"People don't mind unhappy endings on TV—because they don't pay to see it," he said, drily.

"But when people have to hire a baby sitter so they can go to a movie or play, they won't stand for anything but a happy ending."

Hitchcock long has been typed as a merchant of suspense and has no desire to break away from this field.

"You have to make the audience suffer," he said. "Everybody has fear in him. People enjoy danger when they have the subconscious realization that it is only temporary."

Try and Stop Me

By BENNETT CERF

THE NEW REGIME in the Kremlin hit upon the notion of sending three ace reporters to the USA so that they might tell all the comrades how much better things were in Moscow than, let us say, Minneapolis.

And why Khakov had Kentucky lashed to the mast. Unfortunately, two of the journalists fell so in love with America they couldn't hide their feelings in the stories they sent in. One, of course, was sent to the salt mines of Siberia, the other to rot in a dungeon via Number Three.

However, managed a series of articles that depicted America as the most horrible place this side of Hades. The authorities, pleased, conferred upon him the famous Double Cross of the Soviets and asked him to claim his own reward.

"I have but one thing to ask," begged the writer, tears streaming down his cheeks. "Send me back to Minneapolis."

Homer Osborne Tells Circle Of Gardening

Good Gardening practices were explained by Homer Osborne, manager of Kilgore Seed Company, to members of Ixora Circle of the Garden Club at its regular meeting Friday afternoon. Mrs. J. E. Terwilliger Jr. and Mrs. Donald Jones were hostesses at the Terwilliger home in Dreamwood and the session marked the ninth anniversary of the founding of the circle.

Mr. Osborne explained that 90 per cent of a plant's needs are supplied by nature in the water and air, and the other five per cent is dependent on human help in proper watering and application of fertilizer. He told of the proper fertilizers for both outdoor and indoor plants. When the members arrived for the session, coffee and birthday cake were served after which the business meeting was conducted by the chairman, Mrs. Fred Ganas. Following the roll call and the reading of the minutes, Mrs. Ganas, newly elected president of the Garden Club, asked for a report from the nomination committee. Composing this group were Mrs. Jones, Mrs. Karlyle Housholder, and Mrs. F. L. Woodruff III, who reported the nomination of Mrs. T. Metz as new chairman.

During the meeting, Mrs. Wight Kirtley was welcomed as a reinstated member of the circle and Mrs. E. L. Sloan as a new member. Volunteers were requested for the placing of flowers in the Salvation Army Citadel during the month and Mrs. Fred Murray asked for program suggestions for the future.

Mrs. Donald Bates told of plans for the Light-On-Campaign on April 16 following which the meeting was adjourned and Mr. Osborne was introduced by Mrs. Murray, program chairman. Those attending were Mrs. Housholder, Mrs. J. E. Anderson, Mrs. W. H. Meriwether, Mrs. William Bush, Mrs. Ralph Dean, Mrs. Sloan, Mrs. David Bach, Mrs. Metz, Mrs. Taylor Brown, Mrs. Bates, Mrs. Murray, Mrs. Velle Williams Jr., Mrs. Terwilliger, Mrs. Jones, Mrs. Ganas, Mrs. McKay Truluck, Mrs. Kirtley and Mrs. Al Doudney.

Casselberry Happenings

BY MRS. RAYMOND MORRIS
CASSELBERRY — The Casselberry Vol. Fire Dept. netted \$120 from a fish dinner served at the fire house in the new municipal building Saturday night. Chief Paul Bates said that approximately 160 people were served. Spirited bidding for two cakes, baked by Mrs. J. L. Baird and Mrs. Herman R. Joyce, sold at auction by Ben Evans brought a total of \$25. High bidders for the cakes were Henry Burgher and Oden Reeves.

Donations, made on an annual basis by citizens in support of the volunteer fire company amounted to \$400, during the first week of the drive. Bates said. Many pledges by subscribers, made on a monthly basis were also received.
A committee composed of Assistant Chief Herman R. Joyce, engineer Gordon Lisk and firemen O. L. Perry, Jeff Swearingen, Nash Kennedy, Ben Evans and James Birkenmeyer prepared and cooked the fish. Among the women who assisted and served the dinner were the Mrs. Bates, Mrs. Joyce Kennedy, Mrs. Lisk, Mrs. Perry and Mrs. J. Cissenwald.
The fire truck, with a water supply of more than 500 gallons, new 1 1/2 inch hose, Blomose couplings, fog nozzle and 1,000 feet of 3/4 inch hose was displayed for public inspection.

There was no indication whether it will go immediately into the payoff case or clear away other pending matters first.
State Rep. Boone Tillett of Lake Wales has charged that Sen. Harry King of Winter Haven paid him \$10,000 to quit the race.
King, seeking reelection, replied that Tillett had tried to blackmail him so he made the payment to trap Tillett.

County Prosecutor Karlyle Housholder Seeks Re-Election

County Prosecuting Attorney Karlyle Housholder, 37, today announced his candidacy for re-election subject to the Democratic Primary May 15.

City Commissioner John Krider will be on the mound to pitch the first ball Sunday afternoon in the first of a series of exhibition games to be played here by the Minneapolis Millers.

The game will be played at the Sanford Memorial Baseball Stadium following a gigantic parade headed by the Seminole High School Band which will form at 1:15 Sunday afternoon at the Mayfair Inn and march directly to the stadium for the start of the game.

Civic officials and leaders will take part in the parade and will attend the game.

Sunday afternoon's initial game of the Minneapolis Millers' spring training series will be the first of ten to be played at the Sanford Memorial Baseball Stadium. However, the Millers will play 18 games for the complete series, eight of them out of town.

On hand for the initial game will be Minneapolis Millers' General Manager W. D. "Rosy" Ryan as well as Manager Ed Stanky.

The two officials will head up the group of more than 40 players and officials here for the spring training season.

The 1956 spring training season here got underway in earnest Wednesday as the entire group of prospective players and reporters reported for the practice sessions.

On the field today were batters, moundmen, outfielders, infielders, catchers and officials.

Daily sessions to get the team in shape, under the management of Ed Stanky are held beginning at 10:30 each morning and continue into the afternoon.

A large crowd of baseball fans is expected to witness the first game of the series.

The exhibition games afford Sanford and Central Florida baseball enthusiasts an opportunity to see some of the best baseball talent of the nation in action.

They will play the Rochester, N. Y. team Sunday afternoon.

Sanford Herald Barred From Announced Meet

We would like to call to the attention of our readers a portion of the City Charter of the City of Sanford, Fla.: "Section 11. TIME AND PLACE OF COMMISSION MEETINGS; SPECIAL MEETINGS, HOW AND BY WHOM CALLED; MEETINGS TO BE PUBLIC; CITIZENS TO HAVE ACCESS TO MINUTES AND RECORDS; COMMISSION TO DETERMINE ITS OWN RULES AND ORDER OF BUSINESS, AND KEEP RECORD OF PROCEEDINGS.

The City Commission shall meet at the usual place for holding the meetings of the legislative body of the City, and at such times as may be prescribed by ordinance or resolution, except that it shall meet regularly not less than twice each month.

The Mayor or any two members of the Commission may call special meetings of the Commission upon at least 24 hours written notice to each member, served personally or left at their usual place of business; provided, however, that absence of notice shall not be material at any special meeting at which all members of the Commission are present and waive notice.

All meetings of the City Commission and all committees thereof shall be public, and any citizen shall have access to the minutes and records thereof at all reasonable times. The Commission shall determine its own rules and order of business, and shall keep a record of its proceedings.

We have constantly warned both the Commission and the public about the SECRET meetings that are being held among the Commissioners to discuss the business and affairs of the City of Sanford.

With utter disregard of the Charter of the City and with the curtain of INFORMAL GATHERINGS and INFORMAL DISCUSSIONS drawn around them, the Board of Sanford City Commissioners have discussed affairs of the City that involve millions of dollars.

A City Commissioner is elected by a majority of the voters of the City of Sanford to handle the CITIZEN'S business and not their own personal affairs.

The Sanford Herald was barred from a meeting, made public and announced at a regular meeting of the body, held last night, March 15, because one Commissioner "would not talk freely if the Representative of The Sanford Herald remained at the meeting."

The representative of The Sanford Herald made it plain to the Commissioners present that the public should be advised of actions of the Board of Commissioners and even though information revealed between Commissioners' discussions could not be released to the public immediately because of the nature of the subject and timing of the discussions, the information should be available for our readers for future reporting.

However, the Commissioner in question, refused to take part in the discussions at the meeting with The Sanford Herald representative present.

On the basis of the City Charter, the people of the City of Sanford have a right today to see the minutes and records of all informal meetings of the Board of City Commissioners held in recent and past months on any and all questions involving the affairs of the City of Sanford but be they on the subject of electric power, finances, purchases, or what-have-you.

If such minutes are not available and opened to the public the Commission is derelict of its duty because of its utter disregard of the City Charter under which they operate, conduct their business, and are elected to their high office.

How many of these SECRET meetings have been held is not known. But we are aware that they have been held, they have been held in SECRECY, and the information has been withheld from the public.

If this form of operations of the City must continue, then it is being done in complete unfairness to the citizens they represent.

This is the type of government that citizens are up in arms about in BIG government and certainly in LITTLE government the example should not be set forth to be carried on from the grass roots on into the more complicated and afar off systems that are daily being ridiculed by a sincere and devoted public.

Meetings of the nature held Thursday night breaks down the faith of the citizens of a community, in its leadership. If our affairs have to be carried on behind locked doors because of CLASSIFIED INFORMATION then the citizens might have reason to give up in utter despair and relegate itself to a form of government that is being ridiculed.

Department To Open Bids On Projects; 17-92 Largest Job

Inspections, Tests On Bicycle Safety Slated Tomorrow

The second Bicycle Safety Club meeting to register all boys and girls for the local club will be held tomorrow morning at 10 o'clock on Seminole Blvd. immediately behind the Chamber of Commerce and Tourist Club buildings.

A huge crowd of young cyclists are expected to be on hand at 10 o'clock when bicycle safety tests and inspections will be given. The Sanford Police Department, under the direction of Police Chief Roy G. Williams, will handle the safety tests and inspections. The tests will be given on diagrams already provided by the Sanford Police Department and painted on the pavement in the area set aside for the registration, tests and inspections.

All bicycles will be inspected for complete safety, officials of the Bicycle Safety Club stated.

Membership in the Bicycle Safety Club is countywide. It was started yesterday, and boys and girls are especially urged to register tomorrow morning if they have not done so at the first meeting of the group.

Each member, when registered, will receive a membership card and literature on bicycle riding safety and operation.

Officials of the organization will be on hand to register each boy or girl as they attend this second session.

The organization will be operational in conjunction with the city-wide recreation program, according to the officials, with water fountains, picnic, bicycle sight-seeing trips, and other forms of entertainment planned for the summer-long and year-round program of events.

Williams Assumes New Assignment

Arnold Williams, yesterday, took over his assignment as Captain on the Sanford Police Department after being officially appointed by Police Chief Roy Williams.

Waiting for his shift, from 4 p. m. to 12 midnight, Arnold Williams said, "I am indeed happy that I have been selected as Captain on the Sanford Police Department. I am proud to be working under Chief Williams and I hope that I can live up to all that is expected of me."

The new Captain of the Sanford Police Department is 47 years old, married, and began his duties here as a member of the Sanford Police Department April 17, 1955. He lives at 1505 Elliott Ave.

Arnold Williams was assigned to handle traffic following completion of two courses at the University of Florida Extension Department in Traffic and two FBI schools in law enforcement.

"I like police work," Arnold Williams said, "and I put my heart in it."

April 3 Date Set

The State Road Department announced yesterday that it would open bids in Tallahassee April 3 on an estimated four million dollars worth of road and bridge projects.

Largest job on the list of 27 projects calls for 7.4 miles of four-laning on State Roads 15 and 600 northward from the Orange County line in Seminole County.

This project is the four-laning and paving, as well as widening, of 17-92 from the Orange County line to an approximate point at Five Points.

The letting of the contract, following opening bids, will climax the long negotiations to get the road improvement for Seminole County through and will open the way for the additional section of 17-92 from Five Points to the Sanford City limits to join with the French Ave. six-laning and widening.

Also, to follow will be the State Road 415 and 48 projects which are nearing the phase of completion.

Fifth District Road Board member William H. Dial publicly stated during the French Ave. Dedication ceremonies and banquet that the projects would be let to contract this year.

62 Members Of SHS Band Leave Today To Enter Contest

Sixty-two members of the Seminole High School band left at 6:30 this morning for an all day District Contest in Cocoa which will include bands from Seminole, Orange, Volusia, Marion and Brevard counties.

During the day each group will enter in the four phases of the contest which are: concert, sight reading, drill, and solo and ensemble events.

First on the schedule for this morning was the Majorette Corps competing in a twirling ensemble contest. The schedule for the remainder of the day was: brass quartet at 9:17 a. m.; brass sextet at 9:24 a. m.; concert contest at 11:30 a. m.; sight reading at 12 noon; practice drill at 1 o'clock; and solos by Bob Reely (piano), Sidney Vihlen (trumpet), Robert Armstrong (French horn); Bill Heasmer (Timpani); Tommy Bower (flute); Gracie Duggan (clarinet); and Larry Burns (bass) were scheduled for the early afternoon.

The band then participates in a parade in downtown Cocoa scheduled for 3:30 this afternoon, followed by a mass band concert at 7:45 this evening, and for the final event, the drill contest at 10:14 p. m. tonight.

Each band enters in a classification based on high school enrollment and they are then judged in their group with the "superior" rating the highest possible.

Registration books will be taken out into the county, Mrs. Camilla Bruce, Supervisor of Registrations for Seminole County, said today.

"This will give those who wish to register and do not have an opportunity to come to Sanford an opportunity to qualify to vote in the coming election," Mrs. Bruce revealed.

J. Q. (Slim) GALLOWAY

'Slim' Galloway To Try For Another Term As Constable

Constable J. Q. "Slim" Galloway announced today his candidacy for reelection as Constable of the Fourth District, Seminole County, subject to the Democratic Primary of May 8.

Constable Galloway was elected as Constable in 1953 for a four-year term.

He said this morning, "I have worked hard to make the office of Constable a success. The records will show what I have done, he said, and I want to continue in that office."

Galloway said "I have answered all calls and worked hard and diligently on investigations."

He said this morning, "I have qualified and am now a candidate for the office of Constable of the Fourth District."

"I have cooperated with other law enforcement agencies in the fullest extent and will continue to do so in carrying out my duties as Constable if elected by the people for another term."

Funeral Services Held Wednesday For J. D. Ingraham

Funeral services for James D. Ingraham, assistant general manager agent of the Florida East Coast Railroad, and formerly of Sanford were held at 11 a. m. Wednesday in St. Augustine's Trinity Episcopal Church. The Rev. Charles Boyman, rector, officiated.

Mr. Ingraham died late Monday in a St. Augustine Hospital. He was 72.

At the time of his death he was treasurer of the State Chamber of Commerce, a post he had held for more than 20 years, and a member of the executive committee.

Mr. Ingraham was born on June 16, 1884, in Sanford and attended Sewanee Military Academy and the University of the South, both at Sewanee, Tenn. He was a member of Alpha Tau Omega fraternity at the university and served as university trustee. He was the son of the late Mr. and Mrs. James E. Ingraham, prominent St. Augustine realtor.

Mr. Ingraham was a charter member of the St. Augustine Rotary Club and was a member of the Rotary Club of Jacksonville. Survivors include his wife Mrs. Frances Hopkins Ingraham, 41, Augustine; two daughters, Mrs. William Heard, Bloomfield, Conn. and Mrs. Lawrence Kirkland, Richmond, Va.; a sister, Mrs. George W. Gibbs, Jacksonville; seven grandchildren and several nieces and nephews.

Burial was in Evergreen Cemetery, St. Augustine, with City Funeral Home in charge.

BOMBERS TO BE INSPECTED
HAGERSTOWN, Md. (AP)—Federal Aircraft Division said it has an Air Force contract to "inspect and repair as necessary" 100 disclosed number of B-29 Superfortresses of the newly completed St. Augustine, Fla., production line.

Coffee, Fashion Show To Be Held At Club Tuesday

Plans are being completed for a "Scholarship Coffee and Fashion Show" to be given Tuesday afternoon, March 20, at the Seminole Park Raceway Turf Club, Mrs. George McCall revealed yesterday.

The coffee and fashion show at Seminole Park Raceway at Casselberry will be given in the Turf Club through the generosity of Rick Casares and Joe D'Agostino, cooperators of the new plush dinner club.

The coffee and fashion show will be held from 11 a. m. to 1 p. m. Tuesday, March 20 with, as Mrs. McCall said today, "many wonderful door prizes."

This is our only money making project, she said, and our one opportunity to benefit a most worthwhile fund.

There will be no admission charged for the "Coffee and Fashion Show." Mrs. McCall said, but a silver offering will be taken for the benefit.

Fashions will be furnished by the Hollywood Shop of Sanford.

Dancing School Opens Here Soon; Enrolling Tuesday

A new dancing school has scheduled its opening in Sanford following registration of pupils which will be held Tuesday, March 20, from 1 to 8 p. m.

The Deanna School of Dance will offer classes in Ballet, tap and acrobatics which are slated to be held at the Curiosity Shop, in the Payton Realty Building on Highway 17-92 at Hiawatha.

Deanna McManus, instructor of the Deanna School of Dance is a graduate of the Ebsen School of Dance in Orlando and has studied under Stone Cameron of Chicago and Tommy Armour of Miami formerly of the Ballet Russe. She holds a teacher's certificate with the Deanna School of Dance in New York.

The registration of pupils for the new dancing school will be held at the Curiosity Shop, in the Payton Realty Building on Highway 17-92 at Hiawatha.
