Big Dan Brainard Hurls Six Hit Pitching Performance To Give Lookouts A 6 To 2 Win

Sammy Holbrook, Bob Jones and Bubba Didrickson Lead Hitters For Tilt With Two Each During Contest

CONRAD PARK, DE-LAND, Sept. 7.—Bill Rodgers and his Sanford Lookouts came through with a 6 to 2 victory over the DeLand Reds which was witnessed by 800 fans last evening, when Big Dan Brainard hurled a six hit pitching masterpiece as the locals bested the southpaw slants of the Deland ace moundsman, Eddie Harper, who was married Saturday afternoon.

Slamming out seven hits off Eddie Harper and Jim McMullen, the Lookouts came from behind in the fifth inning and secured two runs and to take a one run lead which was never overcome by the Reds during the remainder of the contest.

Brainard, on the hill for the fighting Sanford outfit, was at his prime, although he showed signs of wildness all during the game but he managed things in his own way and he proved to be the master of the tilt. Brainard allowed the Patterson outfit but six hits, of which they blended together with three Lookout miscues for their only two tallies of the game. Brainard issued free passes to only three of the Reds while also fanning the same number.

Harper, facing Brainard on the mound for DeLand, allowed the Lookouts seven hits, of which he was unable to keep scattered. The locals also took advantage of three DeLand miscues and totalled their runs to six for the evening, three of them coming in the final stanza. Harper also showed signs of weakness as he allowed nine of the Lookouts to take their base on walks but he displayed his usual strike-out ability as he sent eleven of the Lookouts down via that route.

The scoring hostilities started in the Red's half of the fourth frame when Pete Hughes secured a base on balls. Holdstock filed

Ruggerio came to bat and belted out a long fly into right field and Holbrook tagged up a score on the play. Langston went out but while Prichard was at the plate, Phillips stole bases for the sixth run of the evening.

Leading the hitting for the evening was Sammy Holbrook, Bob Jones and Bubba Didrickson who poked out two hits in four appearances, at the platter during the tilt.

Bobby Prichard was put out of the game by Umpire Ike Cowart in the ninth inning when he protested too much about a decision at the plate. George Phillips finished the game at the initial sack and Al Kaso was placed in center field.

The Reds came here tonight for the third game of their best three out of five series and approximately 1,000 people are expected to attend the crucial tilt.

Big Tackle Expected To Be Big Aid To The 1937 Machine

could take into consideration, Robert Howell reported for practice yesterday for the first time and Howell looks like he will add the line to some expectations as his build is good and the right size for a tackle and his weight is 182 pounds.

Howell was a member of the 1936 gridiron squad so Sanford fans can expect a great season for the youngster.

Bill Colbert is still working out with the Feds and so far he is showing much improvement over his first days work as his knee was showing signs of stiffness. Colbert suffered a severe knee injury during the training season last year and was out of the entire schedule.

Coach McLucas plans to continue with the double practice session as during last week with a morning session as well as an afternoon drill.

Roosevelt Makes Big Bass Catch Last Day

NEW LONDON, Conn., Sept. 7.—(AP)—President Roosevelt started back to Poughkeepsie, N. Y., yesterday with enough bass to feed the crew of his vacation yacht Potomac.

On the last full day of his five-day sea journey he found excellent weather in contrast to the stormy week-end, and instead of heading southward immediately from his refuge in Great Salt pond, Block Island, he headed northwest and ordered anchor dropped off Fisher's island, near New London, Conn.

In the lee of the island he and his companions cast lines from the Potomac's stern. In the first hour they caught 36 striped bass. They were still biting when time out was taken for lunch, after which the angling was resumed.

SHANGHAI, Sept. 8.—(AP)—At least 300 Chinese non-combatants were killed and 400 injured today in one of the worst disasters caused by Japanese air bombs in three months of undeclared war.

Five railroad cars packed with Chinese refugees fled from the war zone were blown from their tracks by Japanese bombers at Sungkiang station 30 miles from Shanghai.

Fifteen hundred Chinese were wedged into every inch of train when bombs burst in their midst. Two densely crowded second-class coaches and three third-class cars were shattered by the blast which lifted them from the wrecked roadbed and turned them over.

Many of their occupants, not killed by explosives, were crushed to death in the wreckage. The bombs fell without warning as the train was standing in Sungkiang station on the line to Hankow.

Both Chinese and Japanese meanwhile took action that increased the peril to foreigners remaining in China and virtually blasted the last hope for the (Continued On Page Three)

Woodmen Will Be

From Coast To Coast AND BACK AGAIN

By MRS. J. J. BOLLY.

There was a large tropical moon hanging in the far Western horizon, when we closed the door, as the old clock on the mantel was striking the hour of three. Such a lonely feeling leaving that lazy old clock, with no one to wind him, and daily set his hands up. But soon all melancholy was forgotten, and our thoughts turned Westward, to the Mighty Pacific, and all that lay between.

Even in the shadows of night mingled with the first rays of dawn, our Florida looked beautiful, its graceful palms and silver water, surely the far distance could hold no greater beauty. But... what is more convincing than to see for one's self?

From Sanford we traveled in a Northwestern direction, and while the morning was still early crossed the Suwanee River, famous throughout the nation for the song which bears its name. Many weeks afterwards, on the far Southern coast of the Pacific, I met a man who said he traveled across the continent just to see our Suwanee River.

Motoring on we quickly reached Tallahassee, a capital city since 1823, and I understand this State Capitol is the only remaining brick building in the nation. The city vibrates a air of old Southern charm. Of course one always looks on the State College for Women with pride.

The sun was hot as we traveled on through the tropical towns of the Panhandle Springs and Marianna, arriving in Pensacola in the early hours of the afternoon.

I loved Pensacola, situated on the north shore of Pensacola Bay. It is such an old city. I believe it was first visited in 1516, just twenty-four years after Columbus discovered America. The United States Naval Air Base is there, and it maintains the United States' largest naval training school, from which all sea going flyers are required to graduate.

Of course we had a deep sea fishing trip, but no luck. A very scenic drive is on the Gulf of Mexico from Pensacola by the Biloxi to Gulf port and Pass Christian, just an avenue of lovely homes overlooking the blue Gulf. Hundreds of mighty oaks hanging with Spanish moss shade the road, which gives one the feeling of wanting to linger and watch the contented cranes perched out on the numerous wharves.

The long looked for New Orleans was reached, and truly a City true to its traditions. Situated on the Old Spanish Trail with Lake Ponchartrain to the North, Tulane University, and Sophie Rensselaer were outstanding in their buildings and settings. But the most interesting thing in New Orleans were the Old French Quarters, the original town of New Orleans. This ac-

Heavy Enrollment Is Anticipated For Seminole Schools

Four rural schools of the county opened their 1937-1938 school year yesterday, and today the Sanford primary schools and the Sanford Grammar School opened their doors for the registration of pupils who plan to attend the various schools during the coming year.

The school was honored by having Kwanlan M. T. Respass of Jacksonville as its visitor today. Mr. Respass is an honorary member of the club due to the fact that he has missed but one week meeting in the past 14 years of Kwanlan work in that city.

Julius Dingfelder asked the Kiwanis members to attend in a body the Church Loyalty Service to be held at 8:00 P. M. on Oct. 3, at the Presbyterian Church.

Mr. Dingfelder also asked the body to cooperate in the loyalty program which is scheduled for the entire month of October at all the local churches and urged each member to attend the church of his choice. This matter was approved unanimously by the group and Joe Marquette agreed to furnish window cards which will advertise the loyalty program.

Judge R. W. Ware, chairman of the program committee, conducted a quiz to solicit information as to the personnel of the city and county commissioner, the number of teachers in the county, the number of schools and churches and other civic and religious information pertaining to Seminole County.

Judge Ware closed a short talk with an appeal for the Kiwanis to support the churches to the greatest extent in their aims and activities.

Young Girl Confesses To Murder Of Man

ISELIN, New Jersey, Sept. 8.—(AP)—A twenty-year old school girl admitted after hours of questioning today, Police Chief George E. Keating announced, that she fatally shot Paul Reeves, 28-year old father of two children, when he attempted to assault her.

The Woodbridge township chief gave the girl's name as Margaret Drennan and said she was a student at the secretarial school. She was the "lady in red," Keating said, who was seen running from the bungalow where Reeves was shot to death in his bedroom last night.

She had been taken into custody shortly after Reeves, a laborer, was found nude and dying in his room. His children, Paul, five, and Emma, two, were found whimpering and cowering under sheets in their adjoining bedroom. Reeves' wife was summoned from a theater,

Randall Awarded Light Contract

The Randall Electric Company was awarded the contract for the installation of floodlights for the illumination of the new Seminole High School football field for the 1937 season's games.

The contract calls for 40 Crouse-Hinds Alzak floodlights to be installed according to the plans that were drawn by E. J. Mough-ton, architect.

The lights will be installed immediately after the fixtures arrive. The bleachers to be built by the WPA are expected to get under construction next week.

Requests Made For Construction Of County Roads

The Seminole County Commissioners failed to consider the Budget of the County for the coming year as planned in their session yesterday because lengthy discussion of current questions kept the body in their quarters until 6:00 P. M. at which time they adjourned until the latter part of the week when the new budget will be considered.

Numerous persons appeared before the body yesterday with requests for road repairs and road building of which the County agreed to consider and make efforts to complete in the near future.

Murray O. Overstreet, of Orlando was the first to appear before the body with a road repair request. He asked the County to improve the 2.7 miles of roadway between Longwood and San Lando Springs and add shoulders on each side of the road.

Mr. Overstreet was assured by the Commissioners that the improvements would be considered and that work would begin as quickly as possible.

A committee of growers from the truck-growing area west of Sanford appeared before the body and requested the County to repair the road from Rand Sliding to the Mountain Ice Company pre-cooling plant, a road which is frequented by heavily loaded trucks as well as autos and at the present is in such a condition as would make heavy traffic hazardous.

The Board advised the Committee that the requested improvements would be made to the road before the next hauling season.

By motion Forrest Gatchel was awarded the contract for furnishing supplies to the County Convict Camp and the County Home during the ensuing month.

Also by motion Miss Frances MacDougall, county health nurse, was granted a two weeks vacation. Jno. D. Jenkins, County tax collector, appeared before the Board and requested that the County furnish him a much needed adding machine.

Mayor Edward Higgins and City Attorney Fred H. Wilson appeared before the Commissioners and entered a lengthy discussion relative to the foreclosure of City and County tax liens.

Near the close of the session the Clerk was instructed to advertise for bids for the re-roofing of the County Convict Camp.

Mrs. W. R. Williams entertained with a bridge luncheon yesterday afternoon at the White Haven in Fern Park in honor of Miss Frances Wilson, popular bride elect.

At the guests arrived they were served fruit cocktails on the lawn. At the conclusion of the luncheon bridge was enjoyed. Mrs. Herbert Messer won high score prize which was lingerie and Miss Mary Hurt was awarded the screeny prize which was linen handkerchiefs.

The hostess presented the brides with a fosteria candy jar as a memento of the occasion.

Those enjoying this occasion were: the Misses Frances Wilson, Helen Wilson, Mary Hurt, Betty Hintersinger, Gene Martin Laney, Camille Deas, Lillian Deas, Julie Higgins, Marian Duncan, Lucille Deas, Billy Wright, Nell Williams, Mrs. F. D. Scott, Mrs. L. F. Hagan, Jr., Mrs. J. E. Higgins, Jr., Mrs. Herbert Messer, Mrs. E. N. Scott, Mrs. Jack Hall, Mrs. Roy Williams and Mrs. Fred E. Williams.

Miss Olive Letzette Weds Alva F. Hunt

Of interest to a number of friends here is the account of the marriage of Miss Olive Letzette to Alva F. Hunt on Sunday, September 5, at the home of Mr. and Mrs. R. H. Bassford in Valdosta, Ga. The following was taken from a Valdosta paper:

Marked by beauty and dignity, and centering the interest of many friends, was the marriage of Miss Olive Letzette and Alva F. Hunt of Sanford, Fla., which took place yesterday afternoon at 4:00 o'clock at the home of Mr. and Mrs. R. H. Bassford, sister and brother-in-law of the bride, in the presence of close friends and the immediate family.

The living room where the impressive ring ceremony was performed by Dr. A. B. Lipscomb, of the Church of Christ, was a bower of loveliness. An improvised altar of ferns and greenery was placed before the triple windows at the end of the room. The windows were festooned with graceful smilax and large palms and ferns interspersed with floor baskets of Pearly gladiolus in shades of yellow and pink formed a lovely setting for the ceremony. On each side of the altar stood tall gold candelabra holding yellow tapers.

At each side of the doors stood a single modernistic candelabra holding three yellow candles. The mantel was festooned with smilax and fern and was adorned with brass candelabra holding yellow candles.

A program of nuptial music was rendered by Mr. James Daisher, pianist, and Mr. Emory Bass, soloist. Mr. Bass sang "All For You" prior to the ceremony. During the ceremony "Believe Me, If All Those Endearing Young Charms," was softly rendered by young Charms.

Mr. R. H. Bassford lighted the candles just prior to the entrance of the bride and groom, who entered together to the strains of the Lohengrin Wedding March.

The bride chose for her wedding dress a two piece, Schiaparelli model of beige lace, fashioned with a hip length coat. With this she wore a Margot turban with shoulder veil. Her other accessories were of a matching theme.

Completing her costume was a corsage of Tallman roses and valley lilies.

Mrs. Bassford wore a Vogue model in navy with a corsage of Rubrum lilies and pink rosebuds.

Mrs. Hunt is a daughter of the late Mr. and Mrs. Newton P. Letzette of Sanford. She received her education in the schools of that city and for a number of years has held a responsible position as Deputy Clerk of the Circuit Court.

She has visited her sister, Mrs. Bassford, on a number of occasions and has many friends here.

Mr. Hunt, the son of Mrs. A. F. Hunt and the late Mr. Hunt was reared in Montgomery, Ala., where he received his education.

For about fifteen years he has made his home in Sanford, where he holds a responsible position in the offices of the Atlantic Coast Line Railroad.

Immediately after the ceremony an informal reception was held. Ice cream, frozen in the shape of wedding slippers and heart shaped cakes led in white embossed with a yellow rose, were served by Mrs. P. G. Blitch and Mrs. Frank McNeil of Sanford.

In the dining room where punch was served by Mrs. Bert Gibson the punch bowl was embedded in fern and hung with deep red grapes; on the serving table were white crystal candelabra holding yellow candles. The buffet was adorned with a crystal bowl of Pearly gladiolus in yellow and pink at each side of which crystal candelabra held yellow tapers. Marion and Billy Bassford served salted nuts during the receiving hour.

Later, Mr. and Mrs. Hunt left for an extended wedding trip to California, Yellowstone Park, Chicago and other points of interest. They will spend a few days here enroute to Sanford where they will reside.

Out of town guests included Dr. and Mrs. T. L. Doak, Dr. Brown and Mrs. Frank McNeil of Sanford and Mr. and Mrs. Horace Moore and son of Waycross, Ga.

Kay Francis Stars In Emotional Drama
Kay Francis' gifts as a portrayer of highly emotional scenes will be displayed to audiences today when she appears in her newest starring vehicle, "Confession," playing at the Ritz tonight and Thursday.

This is said to be the most powerful in which the dark beauty has played during her nine-year career as a picture actress, outranking even her unforgettable "One Way Passage," and her recent triumph in "White Angel."

"Confession" was adapted from the famous Continental stage play "Mazurka." It has to do with a once-great opera singer, now reduced to cabaret jobs, who learns that the man who had betrayed her, years previously, now has the same sort of designs up on her young daughter.

When she sees the two of them together in the cabaret, she kills him; and at the end of a vivid and suspenseful trial, is acquitted on the grounds of justification. All the action is laid in Warsaw and in the picturesque settings reproducing that ancient Polish city.

Miss Francis, of course, plays the opera singer, Jane Bryan, an up-and-coming young starlet, is her daughter, Basil Rathbone is the suave betrayer, and Ian Hunter is a war-hero from whose arms Kay was lured by the wiles of Rathbone.

1,500 Chinese Fleeing Shanghai Attacked By Japs At Sungkiang Station

(Continued From Page One)
American-British-French neutrality proposal.

British observers at Hongkong, the British crown colony on the South China coast, reported a growing fear there that the next phase of the Japanese campaign in south China might be the seizure of Hainan Island, the largest under Chinese sovereignty.

Heavy casualties were inflicted on the Japanese in north, by Chinese machinegun fire west of Peiping.

The strategic city of Paoshan 12 miles north of Shanghai was wrested from its Chinese defenders for a third time after "monkey like" Japanese engineers had blasted their way through its 40 foot high walls with bombs strapped to their backs.

WASHINGTON, Sept. 5.—(AP)—State Department officials emphasized last night that warnings to Americans to flee the danger spots in China are not to be construed as the abandonment of any American rights in that country.

They did so in commenting upon a telegram to Secretary Hull from the American Chamber of Commerce at Shanghai protesting "any official statement which could be interpreted" in China as indicating such an abandonment.

The answer to that, officials said, was that no such statement has been made, and that there is a broad distinction between getting out of the line of fire and relinquishing the privileges which have been established over many years.

In addition to this development the day brought an announcement that American consuls in Amoy and Foochow, located in South China, had been ordered to close their consulates and proceed to points of safety as soon as they have done all possible to evacuate Americans from their districts.

War Fears Increase World Grain Prices
CHICAGO, Sept. 5.—(AP)—Buyers of commodities inspired by war fears struck the grain pits yesterday and shot wheat prices upward more than 4 cents a bushel.

War threats in the Mediterranean and Orient snapped the wheat market out of a lethargy of almost a month's duration. Buying was heavy at all the major world markets where dealings in the bread cereal are conducted.

Prices at Liverpool, first of the international wheat markets to open, rose sharply before trading in Chicago began. At the opening here, values leaped more than 2 cents in some cases and at noon touched highs of \$1.09 3/4 for September wheat, \$1.11 1/8 for December and \$1.13 7/8 for May, up more than 4 cents from Saturday's close.

Loyalist Navy Engages Insurgent Ship Which Had Just Attacked 2 Freighters

The naval battle off Algiers resulted when a government fleet steamed in battle array to engage the insurgent cruiser Canale of two cruisers and five trawlers and try to keep the sea lanes clear for supply ships bound for the government coast.

Just before the encounter the Canaries had forced two government freighters ashore. The results of the battle were in doubt.

LONDON, Sept. 5.—(AP)—Exploding bombs swept Europe closer toward war last night as Adolf Hitler pledged Germany's armed strength to Italy and Great Britain announced that she and France will carry out a war on "pirate" submarines in the Mediterranean, regardless of the consequences.

The crisis, dizzily driving a half dozen nations to the crossroads of peace and war, traced around Russia's formal note accusing Italian submarines of striking two Soviet merchant ships.

A snarling Italian answer brought the two politically opposed powers to the verge of a diplomatic break.

This spark, tossed into the tinder box of nations more heavily armed than at any time

DeLand Comes From Behind To Win Over Lookouts By 8 To 6 Score.

Pete Hughes' Tripple With The Bases Loaded In The 8th Inning Spelled Sanford Doom

Sanford Goes To DeLand Tonight Where Team Will Again Attempt To Knot The Count Of Games

Bill Rodgers and his Sanford Lookouts staged a bitter eighth inning fight last evening at the hands of Pat Patterson and his DeLand Reds when the Sanford Municipal Athletic field was full of scorers, hitting errors and freak plays.

The game, which took place before over 1000 fans at the Sanford Municipal Athletic field, was full of scorers, hitting errors and freak plays.

Starting on the mound for Sanford was Darryl Mote who hurled seven and one-third innings and allowed the Reds ten hits while Mote was relieved in the eighth by Owen Wright who was asked for three blos before retiring the side.

In the last inning, Griffith went in to replace Wright who was taken out after the eighth taking for a pinch hitter.

Starting on the mound for DeLand was Alex Swales who lasted exactly two innings as he was relieved by Jim McMullen in the third with the bases loaded and none out. In the fifth the Lookouts went ahead to score five runs off McMullen while DeLand totaled 13 hits off Mote, Wright and Griffith.

The Lookouts started the scoring with a run in the initial inning but they were tied up by the Reds in their half of the second when the Lookouts showed one tally across the plate.

The Reds took the lead in their half of the third when Griffith scored three runs off four hits and two costly errors but the Lookouts came back in their half of the third and off four hits two stolen bases and a two base hit by Langston. The locals tallied five runs and scored a 4 to 4 tie.

The Reds got another in the fourth when with two out, Adair walked and scored an Eldrick's triple to deep right field.

TODAY'S SPORTING WORLD

By JULIAN STENSTRUM

We brought home the bacon last night and will there be a crowd at the park tonight? We will predict 1000 people will see the tilt tonight at the Sanford Municipal Athletic Field.

Chicago White Sox but four hits yesterday as the Cleveland Indians scored a 2 to 1 win over the Sox. At last Feller has hurled a low hit ball game and won it. His mates back him this time with errorless baseball.

George Phillips is really a handy man to have around. When Frick was put out of the game Monday night George came in from center field and played the bag as if he were a veteran. He reminded us so much of Don Torres, Sanford's ace utility man last season.

Robert Howell reported for his first season Monday afternoon and he looked very good out there even though he still has to get the kinks out of his summer worn legs and not only... he has to get that thinking cap on and go to town this season.

The Triumphs Again... For the sixth consecutive time, Katherine Hawley of Fort Lauderdale successfully defended her American 300-meter medley crown in the Senior Women's A. U. Swimming Championship at San Francisco.

Fifty Orlando youths reported for the initial workout held at Tinker Field for the Orlando High School Tigers this season under the direction of Head Coach Harry Greene. Green says his best men are Charlie Woods, Gordon O'Neil, Billy Ibbell and Ralph Browning.

Bill Terry and Giants seem to be proving the rumor about their subway series for this season as his outfit secured a three game margin over their nearest opponents, the Chicago Cubs Monday when they took a twin bill from the Philadelphia Phillies while the Cubs and the Cincinnati Reds split a double header.

Bill Phobus, a 20 year recruit of the Washington Senators from Chalanog made his first 1937 major league appearance Monday when he shut out the Boston Red Sox 2 to 0 and allowed them only a single hit.

The College All-Stars made it two straight over Professional Grid teams when last night the collegians whipped the Chicago Bears by a 6 to 0 score in the Cotton Bowl at Dallas Texas. 28,000 fans were on hand to see Little Art Guepe of Marquette tear over a muddy field to lead his mates to the victory.

Florida Squad Shows Headway For First Tilt

Gators Face One Of Hardest Schedules In Many Seasons

By FRANK E. WRIGHT
GAINESVILLE, Sept. 8.—University of Florida's 1937 football squad, 46 strong, shows 19 seniors, 17 juniors, 16 sophomores. Of the juniors, four are transfers here this fall from junior colleges and have had no previous football experience in their college careers. The squad is young, nearly 70 percent falling within the 19-21 age range.

Fifteen have earned one varsity letter. Four others have earned two. Practically all of those who entered the University of Florida as freshmen won fresh honors in football.

As a squad, the "Fighting Gators" are not big. Brock is the only fairly heavy ball carrier. Not an end weighs 185. The centers are not heavy men.

Not quite half of the squad are Florida born, but only three of the 46 were born outside of the South.

Florida's 1937 team will be captained by Walter (Tiger) Mayberry, Daytona Beach, with Ken Willis, Punta Gorda, as alternate captain. Both are backs.

Josh Cody, all-time All-Southern tackle, former star athlete of Vanderbilt, Mercer and Clemson, heads for the second year of the Florida athletic department and as head coach of football his aides are Sam McAllister, former coach at Auburn and Georgia, and Carlos Proctor, ex-coach star. As line coach, Lewis Hardage, four times an All-Southern back, former coach at Vanderbilt, Oklahoma, Furman and Rand Dixon, ex-Vanderbilt star, as backfield coach; Dutch Stanley, former Florida end, later coach tutoring the ends.

University of Florida opens the season with I. B. U. Southern Conference Champions, at Justin Rouge, in a night game Sept. 25. The following Saturday home opening, meeting Siskin in Florida Field Stadium. The home of the "Fighting Gators" seats 32,000 persons.

MEMPHIS BIRD Terry, New York Giant general manager, with a new five-year contract, tucked safely away, urges his team on toward the league pennant and World Series.

Governors May Hold Parley On Freight Rates With F. D. R.

ATLANTA, Sept. 8.—Gov. Eugene Rivers said yesterday a group of southern governors hope to arrange a conference with President Roosevelt in November to discuss freight rate structures in the region.

"We are very hopeful," he said, "that such a conference can be arranged when Mr. Roosevelt makes his annual visit to Warm Springs during the Thanksgiving holidays."

The governors, together with utility commissioners of their states, have been active in prosecuting a case before the Interstate Commerce Commission seeking a reduction of rates.

DAN DUNN - Secret Operative 48.

DAN DUNN, SECRET OPERATIVE 48, HAS SUCCEEDED IN WRECKING THE CRIME RING CREATED BY THE MASTER MIND, FAGAN. EVERY ONE OF HIS MENCHMEN LIES IN JAIL AWAITING TRIAL, BUT FAGAN HAS DISAPPEARED.

AS DISTRICT ATTORNEY DAN, I WANT TO THANK YOU FOR RIDDING THE CITY OF ITS MAJOR CRIME PROBLEM. WE HAVE AN IRON-CLAD CASE AGAINST EVERY ONE OF FAGAN'S MEN!

MY ONLY REGRET, MR. BROWN, IS THAT FAGAN HAS ELUDED US—HOWEVER, IF HE'S STILL IN LEADERSHIP, THE CITY DETECTIVES AND POLICE CAN APPREHEND HIM.

YES, THE CASE AGAINST FAGAN IS COMPLETE—AND IT'S THE LOCAL POLICE FORCE'S JOB TO BRING HIM IN—BY THE WAY—THERE ARE SOME PEOPLE IN THE NEXT OFFICE TO SEE YOU.

ANN WARE! GEE! IT'S GOOD TO SEE YOU!

OH, DAN—AND IT'S GOOD TO SEE YOU AGAIN—I'VE HEARD ALL ABOUT THE MARVELOUS JOB YOU DID HERE—I BROUGHT BOBBY ALONG!

HELLO, WOLF, OLD FELLOW, GEE, YOU LOOK GREAT!

TO SEE ME?

WUF!

SO YOU SOLD THE RANCH, MISS WARE, AND YOU'RE GOING TO MOVE TO LEADERSHIP?

YES, I HAVE ENOUGH MONEY SO THAT I CAN AFFORD TO LIVE IN TOWN NOW AND GIVE BOBBY THE ADVANTAGES OF THE BEST SCHOOLS—AND OF COURSE I WANT SOMETHING TO KEEP ME BUSY TOO—SOME SORT OF BUSINESS.

I DON'T KNOW HOW LONG I'LL BE HERE—MAY BE CALLED OUT ON A CASE AT ANY TIME—BUT HOW ABOUT A MOVIE TONIGHT?

I'D LOVE IT, BUT I'D LIKE TO GO TO MY HOTEL FIRST—I LEFT AN ENVELOPE THERE THAT I SHOULD HAVE PUT AWAY.

DON'T YOU THINK IT WOULD BE MUCH NICER, MR. BROWN, IF YOU'D CALL ME ANN INSTEAD OF MISS WARE?

WHY—WHY—WHY—MISS—I MEAN ANN—IT WOULD.

THEM PEOPLE LOOK WELL OFF, POLLY NOSE, WHAT'CHA SAY?

OH, SQUINT, IT'S BEEN WHAT I CAN FIND OUT!

Chinese Guns Fire Close To U.S. Consulate

Additional Marines Are Landed At War Torn City For Defense Of Americans

Chinese Retain Main Positions

4,000 Jap Soldiers Trapped And Killed In Chinese Ambush

SHANGHAI, Sept. 9.—(AP)—Three one pound shells crashed directly in front of the American consulate-general this afternoon seriously wounding three Chinese civilians and one British Sikh policeman.

The "Pom pom" shells were fired from Chinese runs just north of the International Settlement border apparently at four low-flying Japanese bombers.

Just previously 100 additional American marines had been landed from Admiral Harry Yarnell's yacht Isabel after a hurried trip from Tientsin. They swelled the United States land force to 1,300 Marines.

Chinese troops clung tenaciously to their main lines on all fronts in the face of incessant and sustained attacks from the combined Japanese army, air force, and navy.

The Chinese struck a new blow at the Japanese navy by blockading the upper reaches of the Yangtze river with a barrier some 30 miles east of Nanking. The barrier of obsolete steamers and Chinese junk loaded with sandbags effectively blocked the Japanese fleet from spreading its activities up the river from Shanghai.

The barrier also bottled up the United States fleet of river gunboats on the Yangtze and made more difficult the evacuation of 1,200 refugees at Hankow as well as other Americans in various parts of the valley.

PEIPING, Sept. 9.—(AP)—Detachment of 4,000 Japanese troops was reported today to have been wiped out by a deadly Chinese ambush in the rocky hills west of here.

The Japanese line was said to have been thrust back five miles by a sudden Chinese onslaught. Japanese commanders were obviously more and more worried over the fate of their operations in this area where their full advance has been held up a full month by dogged Chinese resistance and astute strategy.

The Japanese "big push" which started early this week has been a good deal of a "dud" and Japanese military leaders are angry at the resistance which the Chinese, unexpectedly have put up to what they first regarded as a "two-day operation" driving 400,000 Chinese off the Yangtze Delta.

On land 75,000 Japanese infantrymen were battering away at 150,000 Chinese troops with everything they had but were making little progress.

In Nanking, the Japanese Demolition Agency said, Chinese Foreign Minister Wang Chung-Hui notified foreign envoys that hereafter, as retaliation for Japan's naval blockade of China's coast against Chinese shipping, Chinese airplanes and other demolitions weapons will attack all Japanese ships possible, including merchantmen, whenever they approach the coast.

18 CCC Camps To Be Operated In State

WASHINGTON, Sept. 9.—(AP)—Robert F. Wagner, conservation director, said yesterday the program for the quarter beginning Oct. 1, calls for the operation of 18 CCC camps in Florida.

Seventeen will remain in their present locations, he said, and a new one will be established on privately owned timberland in Bay county.

Work of the new camp will include protection of the land against fires under a cooperative agreement between state and federal forestry officials and the landowner.

'QUEEN' OF THE UNITED STATES!

Selected from a field of candidates from 26 states, 16-year-old Margaret Smith (above) of Clinton, Tenn., was crowned "Miss United States" at the conclusion of a three-day beauty contest in Biloxi, Miss. Senator Pat Harrison of Mississippi did the crowning. Among her rewards will be a screen test in Hollywood.

From Coast To Coast AND BACK AGAIN

By MRS. J. J. BOLLY
Wednesday, June 2nd. We are now in the Davis Mountain region, the early morning air is clear and clear. The scenery in the West is lovely, and we can see the silhouette of a chain of black mountains along the horizon. They are odd looking, so rugged, studded here and there with dark scrub brush. For twenty miles or more we did not pass or see a living soul, nor see a bird nor the trace of man; then we came to a small low building, with a gas tank in front. I talked to the man who operated the place. He said he had to haul water twenty miles, even for his cows to drink, that his nearest neighbor was eleven miles away. He had the face of a sphinx, for I imagine his cow is the only thing he hears or sees for days, and in the winter, for months.

The scenery changes now on the way to Van Horn (still Texas). We are again in the midst of small mountains, dotted around like pyramids, and yet that chain of black mountains in the far west, the Great Rockies that we will cross. I have often read of sailors seeing a mirage. Well, I am not at sea, but I plainly see fantastic shaped silver mountains, with a sky blue lake at the foot, but as we draw nearer there are no silver mountains, only barren ones and there is no water, neither lake nor river. Further on, this phenomenon, is no mirage. In the midst of all this desolation, on top of a pyramid shaped rock, perhaps a hundred feet high, a church is carved out of the rock, there is a spiral stair on the outside, a cross is carved on top of the church and it faces the East.

We passed up El Paso, with just a casual glance at new modern buildings and nice parks, for our main interests now centered on the trip ABROAD, yes a trip to (Continued on Page Two)

2 Auto Accidents Within 24 Hours Mar City's Record

Two minor auto collisions, one yesterday afternoon and one this morning, marred Sanford's traffic record which has been perfect for a number of weeks, Chief of Police Roy G. Williams reported this morning.

Yesterday afternoon J. Schirard Jr. who was traveling south on Oak Avenue and B. H. Williams, who was driving west on Thirteenth Street collided at the intersection. No great amount of damage was done and neither of the drivers was injured. The matter was settled among the drivers and no arrests were made by the investigating police officer.

This morning a hit-and-run negro motorist did a considerable amount of damage to a car driven by Mrs. E. V. Miller of Cameron City.

Mrs. Miller was headed north on Sanford Avenue; the unjustified negro was going south and crashed into Mrs. Miller's car as she attempted to turn left onto Street in front of her car.

Considerable damage was done to the front of the Miller car but the negro car received only a bent fender which he got out and straightened and sped away. Neither of the drivers sustained serious injuries.

CAPONE LOSER

JACKSONVILLE, Sept. 9.—(AP)—Federal Judge Louis W. Strum denied today Mrs. Al Capone's petition for a temporary injunction restraining the Collector of Internal Revenue from selling the Capone home at Miami Beach for delinquent income taxes. The sale of the home was scheduled for tomorrow.

Work of the new camp will include protection of the land against fires under a cooperative agreement between state and federal forestry officials and the landowner.

County Ranks 3rd In Fruit, Vegetables Meeting Held By Seminole School Board

In Carlot Shipments Of Vegetables Alone Seminole Ranks Top; Fourth In Oranges

Seminole County ranked third in Florida in straight rail carlot shipments of fruit and vegetables during the season 1936-37, it is revealed in the annual report of the Florida State Marketing Bureau, received today by the Seminole County Chamber of Commerce.

A total of 8,192 straight carlots were shipped out of this county, making Seminole third only to Polk which shipped 16,957 and Orange, which shipped 9,842. Other leading counties in straight carlot shipments of fruits and vegetables were: Palm Beach with 6,141, Lake with 5,156 and Dade with 4,448.

Seminole, however, was the top ranking County in carlot shipments of vegetables with a total of 7,031, an increase of 1,126 cars over the previous season. Palm Beach County came second with 6,133 cars and Dade County third with 4,311.

Despite the introduction of celery in other sections of the State, Seminole County's celery shipments were 6,525 of the State's total carlot shipment of 8,907. Seminole County's total shipment represents an increase of 1,262 cars over the previous season.

Seminole County ranked second in shipments of lettuce, third in Mixed and Miscellaneous Vegetables, fourth in Oranges, fourth in Tangerines and fifth in the State's total of all items of Citrus.

Seminole County is the fourth smallest of Florida's sixty-seven counties and her high rating in this State's important fruit and vegetable industry is a fine tribute to the progressiveness of her people.

The Sanford Part-time Vocational school will open the 1937-38 year Tuesday morning at 8:30 o'clock in the Kent Building between Magnolia and Palmcotta Avenues on Commercial Street, according to an announcement made this morning by Miss Rebecca Stevens, instructor.

Registrations will be taken Monday morning between 9:00 and 12:00 o'clock and from 1:00 until 3:00 o'clock in the afternoon.

Miss Stevens also stated this morning that the subjects that will be offered are Shorthand Typing, Bookkeeping, Business English and Spelling.

Miss Stevens also said there is no tuition charge for the school and it is operated under the Smith-Hughes plan.

The rules and regulations for eligibility are as follows:

1. Regularly employed—those who are regularly employed can attend the part-time school provided they work regularly not less than 20 hours weekly. They shall not attend the part-time school more hours per week than they are employed.

2. Temporarily unemployed—those who are temporarily unemployed may attend the part-time school for not more than four hours daily during a period of not to exceed three months of 20 school days each. It is expected that they secure employment of not less than 20 hours weekly at or before the expiration of the three-month period; otherwise they can no longer be classed as eligible for part-time school training.

3. Contract students—(not employed)—such persons may attend for job preparatory training for a period of not to exceed three months. They shall have a regularly drawn contract for a job which by reasonable effort they can prepare for within the three-month period.

4. Paralysis Victim Is Rushed To Iron Lung

PHILADELPHIA, Sept. 9.—(AP)—Eleven-year-old James Kopas, of Williamsport, brought to Philadelphia by airplane, was placed last night in an "iron lung" at the University of Pennsylvania hospital in an effort to save him from dying of infantile paralysis.

Dr. E. M. Grise, the boy's physician, accompanied him in the plane. As soon as the boy was placed in the respirator, Dr. Grise said James had a "50-50 chance."

SHOOT DOWN PLANE

BAYONNE, France, (AP)—A French patrol plane of the Air Force was shot down Tuesday by a squadron of Spanish rebel war planes. The pilot, flying alone, was killed.

'WOMAN IN RED' ADMITS KILLING

Hours after Paul Reeves, 25, father of two children, was shot to death in his home at Iselin, N. J., and a mysterious "woman in red" was seen running from the house, police announced that Margaret Brennan, 20-year-old school girl, had confessed the shooting. She was quoted as saying he tried to assault her after threatening to reveal their previous trysts. Miss Brennan is seen with her attorney, David I. Stepacoff, after her arrest.

Nazi Group Plans To Seize Control Of United States

CHICAGO, Sept. 9.—(AP)—The Daily Times said in copyright article today that "in uniform strongly suggestive of those worn by Adolf Hitler's Nazi Storm Troops, a relatively small but rapidly growing army is preparing for the American counter-part of 'her tag' when it plays its part in the conquest of the United States."

The newspaper said the article resulted from "exhaustive investigation of American Nazis" made by three reporters and investigators, James J. Metcalf, his brother, and William A. Mueller. The investigators, the newspaper said, "worked for many months both from within and outside the American Bund and its companion organization, Deutscher Volksbund," traveling from coast to coast and from Canada to the Gulf of Mexico to "learn the international secrets."

Plans Revised To Guard Ships Against Subs

Conference In Switzerland To Be Held Tomorrow Despite Fascists' Refusal

More Destroyers Ordered To Sea

Italy Ignores Soviet Note On Sinking Of Russian Freighters

LONDON, Sept. 9.—(AP)—France and Great Britain answered the German-Italian refusal to take part in a Mediterranean "anti piracy" conference today with new determination to use their warships to prevent attacks on shipping.

Both the British and French also insisted that the conference in Switzerland tomorrow would achieve definite results—despite the refusal of the Fascist powers to take part.

Even as the Fascist powers refused to attend the party the French navy ministry ordered another destroyer to be ready to rush to the Mediterranean.

The Italian-German rejection was a blow to British and French hopes for a general solution of the crisis which grew out of the Spanish civil war. It was a step toward a diplomatic breach between Russia and Italy.

But regardless of this, British officials declared "we will continue to work to get it." Both the British and French said the Mediterranean piracy question was removed from the hands of the Spanish Non-Intervention Committee just to get this action.

Germany, and Italy in their notes today asked that the matter be referred to this Non-Intervention Committee which resolution was described as "unreasonable."

Conference In Switzerland To Be Held Tomorrow Despite Fascists' Refusal

More Destroyers Ordered To Sea

Italy Ignores Soviet Note On Sinking Of Russian Freighters

LONDON, Sept. 9.—(AP)—France and Great Britain answered the German-Italian refusal to take part in a Mediterranean "anti piracy" conference today with new determination to use their warships to prevent attacks on shipping.

Both the British and French also insisted that the conference in Switzerland tomorrow would achieve definite results—despite the refusal of the Fascist powers to take part.

Even as the Fascist powers refused to attend the party the French navy ministry ordered another destroyer to be ready to rush to the Mediterranean.

The Italian-German rejection was a blow to British and French hopes for a general solution of the crisis which grew out of the Spanish civil war. It was a step toward a diplomatic breach between Russia and Italy.

But regardless of this, British officials declared "we will continue to work to get it." Both the British and French said the Mediterranean piracy question was removed from the hands of the Spanish Non-Intervention Committee just to get this action.

Germany, and Italy in their notes today asked that the matter be referred to this Non-Intervention Committee which resolution was described as "unreasonable."

Nazi Group Plans To Seize Control Of United States

CHICAGO, Sept. 9.—(AP)—The Daily Times said in copyright article today that "in uniform strongly suggestive of those worn by Adolf Hitler's Nazi Storm Troops, a relatively small but rapidly growing army is preparing for the American counter-part of 'her tag' when it plays its part in the conquest of the United States."

The newspaper said the article resulted from "exhaustive investigation of American Nazis" made by three reporters and investigators, James J. Metcalf, his brother, and William A. Mueller. The investigators, the newspaper said, "worked for many months both from within and outside the American Bund and its companion organization, Deutscher Volksbund," traveling from coast to coast and from Canada to the Gulf of Mexico to "learn the international secrets."
