Military Buying Stepped Up In Nation's Unemployment Areas

WASHINGTON (UP)—The Defense Department today announced plans to step up military buying in the nation's hardest-hit unemployment areas in line with President Eisenhower's new seven-point anti-recession program.

It was learned that the administration is likely to recommend a sharply increased program of hospital construction as

another weapon against unemployment.

The Department of Health, Education and Welfare has recommended such a boost and it was considered probable the administration will soon ask Congress to at least double the \$3 billion dollars the President asked for federal spending on hospitals in the fiscal year starting next July 1.

Reconsidering School Construction

The department also is reconsidering the administration's shelve school construction program as another possible anti-recession measure. But informed sources said no decision has been reached.

The President, in announcing plans Saturday to open public works and increase jobless pay

benefits, said the military departments had already, on his orders, acted to funnel more contracts to unemployment centers.

Deputy Defense Secretary Donald A. Quarles said today he has asked all military services to spend more money in centers of unemployment and to review their buying to "assure that the maximum number of contracts" go to

small businesses in those areas.

Large military contractors will be required to give preference to sub-contractors to unemployment areas "if the subcontractors are qualified and no price increase will result." He said the areas to be favored are those where unemployment runs 8 per cent or over.

Quarles disclosed Friday that the Pentagon had ordered a 30 per

cent acceleration of contract awards for major military procurement and construction to help combat the slump.

Resolutions Debated

The Senate Public Works Committee scheduled a session today and Democratic Leader Lyndon B. Johnson's two resolutions calling for stepped-up spending of money already voted by Congress for

civil and military construction projects Johnson said the administration had \$7,100,000,000 in unspent money for these projects last Dec. 31.

The Senate is slated to start debate Tuesday on a \$1,850,000,000 housing bill and later this week on legislation to prevent reductions in farm price props. A public works subcommittee will hear adminis-

tration officials Tuesday on plans for pushing federal highway spending.

In the House 13 Democratic members of the Banking Committee joined in sponsoring a bill to set up a \$2,500,000,000 program of 50-year, 2 per cent federal loans to cities to build community projects and public works.

Weather
Increasing cloudiness tonight and Tuesday. Occasional rain Tuesday. Low tonight 68 to 82.

1958 Easter Seal Drive Underway In Seminole County

A flood of brightly colored Easter Seals, heralding the approach of spring, are going into the mails for delivery to hundreds of Sanford and Seminole County homes.

Funds raised in the 1958 appeal will be used for providing crippled children's services throughout Florida and research on a national scale.

A Californian is helping launch the campaign in Florida. He is Don Belding, noted advertising executive, who is the National Easter Seal Chairman. From a speech in Miami tomorrow, he will go directly to the White House in Washington where he will meet Mrs. Eisenhower who is a sponsor of the Easter Seal campaign.

A central office, directed by Lila Reese, coordinates the activities of 26 affiliated Easter Seal societies and 10 treatment centers. Two Mobile Therapy Units are operated from the central office to serve areas without therapy clinics.

Mrs. Harold Appleby said this morning "As you know I have been active for years in this worthy work."

"I am very happy to announce that the Pilot Club of Sanford has sponsored a Chapter for Seminole County of the Florida Society for Crippled Children," she said.

"Because of this local chapter the funds collected here will be allocated to Seminole County, with Howard C. McNulty of the Florida State Bank serving as Treasurer," Mrs. Appleby said.

"I hope that all Seminole County will get behind this drive, 100 per cent," Mrs. Appleby commented. She also added "If you know of a crippled child who needs help, call FA 2-3334 after 4:30 p. m."

SANFORD PILOT CLUB members distribute canteens for Easter Seal collections. Shown here are Mrs. George Stine and Mrs. Volva Lambertson placing the canteens throughout the county at prominent spots. (Staff Photo)

Financing Road Repairs Problem

Our most pressing problem now is to find some way to finance the repair of roads damaged by recent rains and cold weather," commissioners stated Friday afternoon following a survey of roads in Districts 1, 2 and 3.

Commissioners covered roads in the three districts of Commissioners Fred Dyson, Homer Little and Chairman John Krider. They examined one road damaged over its entire length of 12 miles.

"There are over 75 miles of paved and unpaved roads that need immediate attention," Commission Chairman said immediately following the survey.

"The situation is serious, commissioners revealed when a doctor refused to drive over roads, in the south section of the county, or a call to a family which needed medical attention.

It was also brought to the attention of commissioners that rural routes mail carriers cannot cover their complete routes because of the condition of the roads; in another instance residents were parking cars on the nearest passable road and walking to their homes.

"It is a critical situation," Chairman Krider said. "The board of county commissioners ordered the advertising for bids for two road graders with

Whiteside Fails To Show Up For Questioning

WASHINGTON (UP) — Thurman A. Whiteside, a key witness in the House investigation of government regulatory agencies, failed to show up today for questioning about his financial dealings with Richard A. Mack.

Chairman Oren Harris (D-Ark) of the House subcommittee on legislative oversight refused even to say if he knew why the Miami lawyer failed to appear.

Whiteside was called before a federal grand jury last week to present the records of his tangled financial relations with Mack. Mack resigned from the Federal Communications Commission in

face of charges—which he denied—that he let money and friends influence his official actions.

Harris delayed opening of today's subcommittee session for 30 minutes, but Whiteside still failed to appear.

Harris then announced that "in view of the scheduled program today and a report the chair has received" he was cancelling today's hearing and will hold another one Tuesday. Harris declined to explain the nature of this report.

"Don't ask me any questions," he told reporters. "I am not going to answer them."

Whiteside is scheduled for another appearance before the federal grand jury Tuesday.

Mack is down for a repeat appearance before the Harris subcommittee on Wednesday, but his lawyer said he still is suffering from nervous exhaustion and is "not too well."

A CHECK IS PRESENTED to purchase equipment for the Youth Wing of the new Civic Center by the American Home Department of the Sanford Woman's Club. Mrs. W. C. Hires, treasurer, presents the check to Mrs. Robert Miller of Miller Radio and Appliance, from whom the equipment will be purchased. Wilson, chairman of the American Home Department. (Photo by Bergstrom)

Man Drowns As Boat Overtakes In Lake Butler

Willie M. "Bill" Miller, 44, drowned in Lake Butler, northwest of Osteen Saturday afternoon at approximately 3:30 p. m. when his boat overtook a larger boat. Miller was able to rescue his son before he apparently was struck with cramps and failed to come up.

His body was recovered early Sunday morning with the aid of portable searchlights furnished by the Sanford Naval Air Station to assist in the search.

Mr. Miller was born March 15, 1913 in Thomasville, Ga. He formerly lived in Osteen but for the past five years had made his residence in Sanford on the County Club Road. He was a father of two sons, Willie and a younger son, Mr. Miller was a veteran of World War II and a member of the Campbell-Lossing Post, American Legion.

Survivors include his wife, Mrs. Beulah F. Miller, Sanford; one son, John Larry Miller, Sanford; an uncle, W. M. O'Neal, St. Petersburg; and his mother-in-law, Mrs. Viola Meadows, Huntsville, Ala.

Funeral services will be held tomorrow afternoon at 4:30 p. m. at Brinson Funeral Home. Services will be conducted by the Campbell-Lossing Post of the American Legion.

Burial will be in Oaklawn Memorial Park.

Operetta Rosalinda Will Be Presented Tomorrow Night

"Rosalinda" (Der Fledermaus), by Johann Strauss, will be presented Tuesday night at the Pinecrest School. Under the sponsorship of the Mutual Concert Association, the Grass Roots Opera Company will bring a professional cast, sets and costumes to Sanford.

The performance will begin at 8 p. m. in the Pinecrest Auditorium. The operetta is under the direction of the brilliant young concert pianist, Frederick Popper. The hitting music of Johann Strauss will be enhanced by the beauty of voice and handomeness of the cast. The young singers have had excellent backgrounds and experience, a spokesman said today. The performance will be sung in English. The translation of the libretto is a recent one.

Krider: Cost Of Running County Must Be Spread

"A fair and equitable way must be found for spreading the cost of running the county among as many of our citizens as possible," John Krider, chairman of the Board of Seminole County Commissioners, wrote B. F. Wheeler Jr., chairman of the Advisory Committee to the Seminole County Commission.

The committee, through its chairman, B. F. Wheeler Jr., recently wrote Krider asking specific instructions for duties and studies to be completed by the recently appointed group of 11 citizens.

Krider told Wheeler that "I thought it best to confer with the entire commission before replying to be sure that we are all in accord."

The Commission Chairman called attention to the tremendous growth and development in the county.

Citing the reports of the County Zoning Commission and the more

Permit Number Doubles Last Week

Building continued at an unprecedented rate in Seminole County last week and in the City of Sanford the number of permits doubled that of the week before.

According to Robert S. Brown, director of the Seminole County Zoning Commission, there were 40 permits issued during the week ended Feb. 7. Estimated valuation of the construction is \$76,195 with revenue for the county \$217.75.

In the City of Sanford there were 10 building permits issued valued at \$17,840. Permit fees came to \$61.50.

Construction permits issued since last Nov. 17 is estimated at nearly \$2 1/2 million.

SHS Band To March In New Uniforms

The Seminole High School Band will parade down First Street tomorrow morning at 9:45 in a "thank you" gesture showing their appreciation for all who supported their campaign for new uniforms.

The band members are beaming with "pride and joy" now that the new uniforms have arrived.

They will have their pictures taken for the school annual Tuesday morning, play a concert in the school assembly, and then parade down First St. to show the public what the uniforms look like.

The band members will parade during the time they normally rehearse and therefore the students will not miss any academic class time.

Shuffleboard Club Calls Special Meeting To Amend By-Laws

There will be a special meeting of the Tourist and Shuffleboard Club of Sanford on Tuesday, March 18, following the regular covered dish supper at 6 p. m.

The meeting will be held at 7 p. m. at the Tourist Club building in Fort Mellon Park.

Donald Brooks, president of the Tourist Club, said today that the by-laws of the Tourist Club constitution will be amended.

Public Hearing Slated Tonight

A public hearing will be requested on the vacating of a portion of an alley easement Graceline Court.

First reading of two ordinances for rezoning will be heard tonight. The rezoning from C-1 to R-1, the south side of Celery Ave. from Louist to Mellonville Ave.; and

Group Purchases Three Items For Youth Wing

The American Home Department of the Sanford Woman's Club completed the purchase today of three items for the youth wing of the Sanford Civic Center which is nearing completion.

Funds from a Womanless Wedding staged by the women's group, along with additional funds on hand, were used for the purchase of the three pieces for the Youth Wing.

Mrs. Reba Mahan, chairman of the Projects Committee, said today that the department had on hand \$100 to spend for equipment to be used in the recreation center for children.

The three pieces were purchased from Miller Radio and Appliance on South Park Ave. They are: a 21-inch Zenith Television, a Zenith AM-FM radio, and a Zenith Hi-Fi Phonograph.

Ladies completing the purchase of the group of items today were Mrs. J. P. Wilson, chairman of the American Home Department of the Woman's Club, Mrs. Reba Mahan, chairman of the Projects Committee, and Mrs. Colla Hires, treasurer of the group.

Mrs. Ralph Austin Smith is sponsor of the American Home Department for the Sanford Woman's Club.

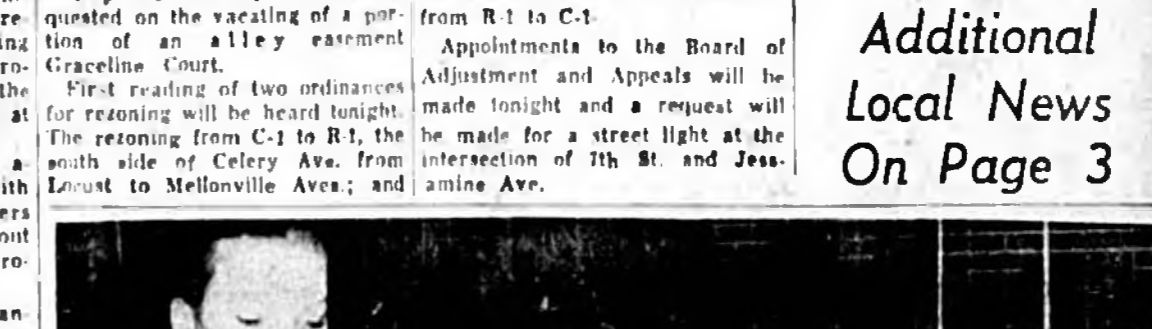

"There will be other items purchased for the Youth Wing," Mrs. Mahan said today as she turned the equipment over to Mayor

lands for employment and shipping," he said, "however, our county must provide schools, roads and police protection."
Krider continued "The vast majority of these homes range in price from \$7,500 to \$13,000, and are thus exempt from taxes on the present basis of assessment."
Then County Commission Chairman Krider stated "Yet, rarely does the County Commission meet that a group of citizens from this area does not appear to browbeat the commission for not providing them with roads and other assorted services."
"We have had many discussions of the problems confronting us in Seminole County, but no solution under our present system appears to be possible," Krider wrote. "Certainly we must face the issue," he said.
Schools, roads and police protection are a must, not to mention the overcrowded jail and the much needed additional space in the court house, the letter continued. Experts are predicting a population of 65,000 by 1965, he said 75,000 at the present rate of growth.
Krider predicted that for the 1958-59 budget there will be a tax millage increase of at least three mills "to offset" some reductions on groves and farm land due to the winter's freeze, plus the ever-increasing costs of operating the county due to growth.
The Chairman of the Seminole County Board of Commissioners enclosed with his letter to Wheeler, a copy of a letter written from Winter Park complaining of the conditions existing on roads in the south portion of the county.
Krider revealed in a note attached to the copy that the complainant owned property valued for tax purposes at \$2,450—homesteaded and tax exempt. The only taxes paid are \$1.34 for personal property taxes, Krider said.

VAH-5 To Represent Bombing Units In Weapons Meet

Official announcement was made today that Heavy Attack Squadron Five has been selected by the Commander Heavy Attack Wing One to represent Atlantic Fleet Heavy Bomber Squadrons in the third annual Air Weapons Meet to be held in El Centro, Calif. during the week of Apr. 14.
This weapons meet consists of a series of competitive exercises in air-to-air gunnery, air-to-air rocketry, light attack weapons delivery, and heavy attack weapons delivery. Seventeen teams from outstanding squadrons of the Atlantic Fleet, Pacific Fleet, and the Air Training Command have been invited to attend.
Competitive exercises of this nature are the "acid test" of combat capability short of actual war. HATRONE Five's role in this competitive exercise will include a live drop of a simulated atomic weapon. The "Savages" also will demonstrate their radar bombing proficiency to their West Coast hosts on the cities of Phoenix, Los Angeles, and Salt Lake City. A celestial navigation leg has been included in the competition between the "Heavy's."
Cmdr. Joseph M. Tully Jr., Commanding Officer of Heavy Attack Squadron Five will lead five "Savage Sons" select crews in this competition. Competitors will be the Pacific Fleet Heavy Attack Bomber Squadron, and the Atlantic Fleet Heavy Attack Bomber Squadron. The Heavy Attack Wing Two and are expected to make this an exciting meet for the "Red Tails" of Heavy Attack Wing One.

Rountree 1 Of 40 To Attend Science Talent Search

GAINESVILLE. — Alvah Richard Rountree, 17, son of Mr. and Mrs. Alvah D. Rountree of French Avenue, Sanford, has been selected as one of 40 Florida high school seniors to attend the third annual Science Talent Search gathering at the University of Florida March 19-22.
Rountree, a senior at Seminole High School, has been a top mathematics and science student and has an intense interest in becoming a civil engineer.
The Talent Search screening committee, examining more than 100 projects submitted by promising students will bring outstanding students to the campus to compete for prizes and scholarships.
Rountree, who intends to do undergraduate work at the Georgia Institute of Technology, was president of the Key Club, an honor camper at the University of Miami Band Camp, a member of the track team, a member of the band, and was recipient of the Daughters of the American Revolution Award in 1954. He is also a Life Scout in the Boy Scouts of America.
Rountree's scientific interest has been primarily in civil engineering, and specifically in hydraulics.
In developing his scientific career, Rountree has preferred physics, trigonometry, algebra, geometry and band.
Paul Hickson, physics teacher at Seminole High School, has been the most influential person in the development of his scientific career, Rountree says.
The Science Talent Search is one of a dozen events planned during the Scientific Manpower Assembly expected to attract a throng of promising high school students.

National Girl Scout Week Is Mar. 9-15

The week of March 9-15 has been set aside as "National Girl Scouts of America Week" in Sanford.
Mayor Merle Warner signed a proclamation Saturday which called on the citizens of Sanford to cooperate with the Girl Scout organizations and to "concentrate on the furtherance of the Girl Scout movement by any means at their command."
The proclamation pointed out that the Girl Scouts of America is dedicated to the purpose of inspiring girls with the highest ideals of character, conduct, patriotism and service that they may become happy and resourceful citizens.
Mayor Warner, in the proclamation, stated that "the strength of the Girl Scout movement rests in the voluntary leadership of its adult members, in the cooperation and support of the community, and in the affiliation with Girl Guide and Girl Scout movements in other countries."
The Mayor said that the Girl Scouts of America is represented in Sanford and Seminole County by the Seminole Neighborhood of the Citrus County Girl Scouts, Inc., whose members devote untiring time, effort and financial support to the Girl Scout movement.
It is fitting," said Mayor Warner, "that the citizens of Sanford be conscious of the principles, ideals and benefits to the community as a result of the Girl Scout movement."

Yesterday's Band Concert Postponed

Due to the uncertainty of the weather at 1:30 p. m. yesterday, Bandmaster Ernest Cowley notified all Seminole High School band members that the concert scheduled for 3 p. m. Sunday afternoon at the Mayfair Inn would be postponed.
"As it happened," said Cowley, "the rain had cleared and the sun was shining brightly by concert time."
Bandmaster Cowley stated "I regret the weather fouled us as we needed the concert in preparation for our concert this Friday. However, the weather looked so bad at the time I was reluctant to play an outdoor concert which could have resulted in a wet of many absentees when the band will need every member to be present during our final preparation for concert."
The first highways known were the trade routes between east and west about 2,000 B. C.

NO FERRY PENSACOLA, Fla.—(UP)—

Crossing the River Styx was a problem today. Heavy rains washed out a footbridge over the stream which flows along the Alabama-Florida border, and unlike the mythical boundary between life and death, there is no ferry.
Dr. Harlow Shapley, Harvard University astronomer, will open the assembly with a talk on "Life on Other Worlds." Shapley is regarded as the greatest astronomer of this generation.

Girl Scouts Anniversary Theme Is "You Can Count On Her"

Grim headlines about youth make nobody happy. We worry about the next generation but sometimes forget that youngsters in headlines are "off-beat." More typical of the youth of the country are the Girl Scouts who are celebrating the 46th anniversary of their organization.

There are nearly three million girls in this organization. Roughly, this means that one out of every seven girls in the United States is a Girl Scout. The Girl Scout organization makes no claims that it can prevent juvenile delinquency. But it does give children a sense of "belonging." It gives them, too, many opportunities for achievement and recognition.

We are happy to note that the Girl Scouts have struck a positive note in their anniversary theme "You Can Count On Her." A Girl Scout is a girl who can be counted on to be ready for emergencies, to help other people and perhaps most important,

to serve her country and community. We wish there were more of them.

Right here in our own community, during the week when Girl Scouts are celebrating the anniversary of their organization, all of us should be thankful for the opportunities afforded these youngsters.

We should be thankful for the wonderful leaders who are making it possible to organize troops of girls. And for the enthusiasm of both the leaders and the girls in the program of preparing, making, and serving. There have been several demonstrations recently, showing the public some of the things they do and demonstrating their skill in "being prepared" to meet whatever the emergency might be.

And we understand that there are several other demonstrations yet to take place this week in troop celebrations. This is a good time to become acquainted with the Girl Scout program.

There Is A Means Of Survival

Two thousand years before the birth of Christ, there was a pine tree high in the White mountains of what is now called California. The tree was then more than half a century old.

When Socrates held forth in Athens, the tree had already passed its two thousandth birthday; it was well on its way toward three thousand when Christ was crucified. During all the terrible and wonderful events

of humanity's collective life on earth since then, the tree has endured. It still endures, there in the White mountains of California. Scientists say it is the oldest living thing on earth.

One cannot think of that gnarled pine tree, standing century after century, without feeling certain humility. The old tree has found the means of survival. Let us hope that man, with his bombs and satellites, will do as well.

County Roads Presents Problem

There are over 75 miles of Seminole County roads damaged by rains, cold weather, and just plain long wear.

No one can doubt, after seeing these roads, that they're in terrible shape and each one of them needs rebuilding, reshaping, repaving, and in general a "good going over."

Seminole County Commissioners heard reports from each about the condition of roads in his district—and in order to find out just how bad the damage might be they surveyed the entire county's road system. Mile after mile they rode—looking and estimating. When real rough spots were reached they would stop, get out of their automobiles, and look at the damage closely.

Commissioners found some roads were impassable, so bad that they were closed to traffic and those living on them parked their cars at the nearest road that could be traveled and walked home.

One doctor, it was reported by a commissioner, could not attend a patient because of the condition of the road to the patient's home.

The seriousness of the situation now is

FDR Sought Advice From Mrs. R.

BY LYLE C. WILSON
 United Press Staff Correspondent
 WASHINGTON—Franklin D. Roosevelt was the smartest politician of them all. And from whom did he seek advice? He sought it from Eleanor Roosevelt. Mrs. R. was and is an extremely controversial person. She also was and is the most acute politico of her times. Better than FDR, himself, when the last blue chip was down.

Perhaps it will be with that in mind that young Sen. John Fitzgerald Kennedy reads Mrs. Roosevelt's story in this week's Saturday Evening Post.

She devotes half a dozen or fewer paragraphs to the young man from Massachusetts. They may prove to be sufficient, however, to prevent Jack Kennedy's nomination for president at the 1960 Democratic national convention. "Of Stevenson, Truman and Kennedy" is the headline on her piece. It is subtitled: "Mrs. Roosevelt

tells about her disagreement with the former president, and about unheeded advice that she gave Adlai Stevenson. As for the current front runner, young Senator Kennedy, she takes a dim view of him."

Mrs. R. publicly charges Kennedy with refusing to take a stand on the issue which she defines as "McCarthyism." An appeal for her support was rejected for that reason at the 1956 convention when Kennedy all but snatched the Democratic vice presidential nomination from the fire.

In fairness, Mrs. Roosevelt notes that Kennedy was ill and hospitalized in December 1954, when the Senate voted eight times on the McCarthy censure issue. She complained, however, that Kennedy thereafter had dodged the issue. After the failure of a mutual friend to obtain her support for Kennedy, she continued: "Senator Kennedy came to see me. I told him exactly the same thing—that I had heard no expression of opinion from him on McCarthy."

"He (Kennedy) replied in about the words he had previously used in talking to reporters, saying in 1954 that the McCarthy condemnation 'was so long ago' that it did not enter the current 1956 situation."

"But he did not say where he stood on the issue and I did not support him."

"Hope you don't mind"

U. S. Nears Farm Problem Solutions

By EZRA TAFT BENSON
 Secretary of Agriculture
 Written for United Press
 WASHINGTON—We are moving steadily toward sound solutions to the farm problem. This is evident in the gains that have been made.

Income per person on farms last year—including income from all sources—was the largest in history.

The level of living of families on farms today is higher than ever before.

Farm exports for the past two calendar years have been at an all-time peak.

The surplus production of American farms is being made available to hungry people at home and abroad.

The downturn in prices which began early in 1951 has been stopped. Prices received by farmers in January were 4 per cent above a year earlier and 10 per cent above two years earlier.

Buildup Reversed
 The buildup of surpluses which began in fiscal year 1952 has been

reversed. Government investment in surplus farm products owned and under loan has dropped about one-sixth in the past year and a half.

We all realize, however, that despite these gains agriculture is still facing difficult problems. Farmers are hurt by the cost-price squeeze, by smaller and smaller acreage allotments, by the uneconomic diversion of acres from some surplus crops into other crops, and by unrealistic price supports which curtail markets and open the doors to competitive products, families on the 54 per cent of our farms with cash incomes of less than \$2,500 get little benefit, if any, from the various price support programs.

To deal with these difficulties we need to continue to push forward along the lines of market expansion, increased freedom for farmers to make their own decisions, and realistic aid to people in underdeveloped rural areas.

Administration's Program
 These are the aims of the farm, food and fiber program presented to Congress by President Eisen-

hower in January. Here is what the program will do:

—It will develop bigger markets, thus putting our abundance to better use. The Agricultural Trade Development and Assistance Act has been a major factor in our widening export markets. We have asked that it be expanded for a year with an additional appropriation of \$1,500,000,000. Research on new uses of farm products and more effective marketing is vital to agricultural progress. Since 1953 appropriations for agricultural research have increased 95 per cent, and we are asking for a further increase.

Permits More Freedom
 —The program will allow farmers more freedom to use their productive resources. We are seeking authority to increase acreage allotments that now are so small as to cripple farm efficiency. We urge a revision and wider range of price supports to expand markets.

—The program will push forward the necessary long range conservation effort. We propose to strengthen the conservation reserve program of the Soil Bank in the interests of overall production adjustment.

—The program will help provide opportunity for economic betterment in underdeveloped rural areas. We have urged that the rural development program, now operating in about 100 counties in 30 states, be given increased emphasis.

Bigger markets, more freedom for farmers to produce, sound conservation and production adjustments, and special help to those on small low income farms—these are vital steps that will lead to a sound solution of the farm problem and the development of a truly prosperous, expanding, and free agriculture.

LORDS APPROVE POLICY
 LONDON—(U)—The House of Lords rejected opposition Laborite objections to Britain's defense policy by a vote of 94 to 25. The defeat of the opposition was followed by voice vote approval of a motion expressing confidence in government policy. The House of Commons voted approval of government policy in previous debate.

Blowing Nose Too Hard Can Cause Ear Trouble

By HERMAN M. BUNDISEM, M.D.
 YOUNGSTERS probably would be better off if we didn't teach them to blow their noses. I have repeatedly stressed the danger of blowing your nose too hard. Now let's apply the same advice to the children.

Causes Ear Trouble
 The age-old practice of dangling a handkerchief in front of a youngster's face, and urging him to "blow hard," probably has caused more ear trouble than any other single factor.

Let me make it as emphatic as I can: Don't teach your child to blow his nose! Best way to help youngster with the sniffles is merely to wipe the secretions from his nostrils as soon and as often as they appear.

Few Know How
 Adults, too, would do well to follow this advice. Few of you, I'll wager, know how to blow your nose correctly.

Just about everyone at one time or another has experienced a blocked-up feeling in one of his ears after blowing his nose vigorously. The cause, in most cases, is simple, and easily remedied. A small plug of mucus enters

the opening of the Eustachian tubes which lead from the back of the upper throat to the middle ear on each side. Generally, it quickly disappears by itself.

However, there always is the danger that the pressure of blowing mucus from your nose by a hard snort may force the mucus, pus or other debris through the tubes into the middle ear.

This could lead to a serious infection, pain and expense. Most dangerous nose practices of all are the habits of closing one nostril and blowing through the other, or closing both in order to build up pressure for a terrific blast.

It is far better just to wipe or sniff.

QUESTION AND ANSWER
 B. R.: My metabolism is extremely low. My doctor wishes to give me thyroid. However, I have had tuberculosis and am dubious about taking it.
 Answer: Persons who have had tuberculosis, and have low metabolism, do not do as well if they are not taking thyroid. In your case, it would be advisable for you to take it.

Does jobs ordinary vehicles can't handle!

The Universal 'Jeep' takes ordinary jobs in stride. Then, for the tough ones, with the extra traction of its 4-wheel drive, and a special low gear range when needed, it takes personnel or cargo through mud, snow, sand or soft earth—on or off the road, in all kinds of weather. For travel at highway speeds it shifts into conventional 2-wheel drive. This versatile vehicle hauls heavily loaded trailers—and with power take-off operates a wide variety of mobile equipment.

4-WHEEL-DRIVE UNIVERSAL **Jeep**
 WILLIS... world's largest makers of 4-wheel drive vehicles

There's only one truly modern way to cook, and that's electrically... because only modern electric cooking can give you all these advantages:

CLEANEST—No soot or soil curtains, walls, pans... housekeeping's easier.

COOLEST—Half as many heat-units needed; heat goes right into the food, can't "spit" up around the pan to heat up your kitchen.

SAFEST—No open flames, fumes, pilot lights; safe as electric lights.

FASTEST—Foods cook in record time, by actual test.

CHEAPEST—It's cheaper to go all-electric in your kitchen than to use a combination of fuels.

In Florida "MODERN" means ELECTRIC!

Enjoy the BIG DIFFERENCE...
 LIVE BETTER, ELECTRICALLY See your appliance dealer today!

Conning The News

By VIRGINIA CONN, Society Editor

Officers and wives of HATU enjoyed a hilarious "shipwreck" party Friday night at the B. O. Q. The rooms were hung with fishnet, fish, and other seaworn objects. Guests were greeted at the entrance by four foot sea horses and an enormous green-eyed octopus.

Calcken and shrimp in baskets were eaten by a motley crew of costumed sailors. The costumes were memorable. John Dooley made a grand entrance in full dress; whites — soaking wet. He was followed for the first half hour or so by a steward with a mop.

and Lappy Gay gave in to fashion and wore sack, only theirs were the real thing, snatched off some chicken feed. Lucille and Floyd Harris stepped from their surf boards in South Sea island garb. Lucille's long hair is rivalled only by that of Polly Savage, who also had hers down for the evening.

Additional was the word for Betty McCracken as she appeared in a pajama top. Jim Reedy was formally dressed for the occasion in sport coat, white shirt and tie, until one saw his delightful underclothes. These were appropriately printed with shamrocks.

Prize winner for the evening was a gal who had lots of experience on the high seas. Terry Price copped the judge's decision with her chic costume of two Navy towels pinned together. Judges were guests of the Ready's Ward C. Rodgers of Chicago and D. Wagner of Saratoga. They are visiting Jim and Eugenia C. Reedy of Silver Lake.

Ida and Bob Radtke and Sid Baney won prizes for endurance on the dance floor. Music was provided by the master of them all — a hi-fi machine.

On the committee for this wonderful party were John and Terry Price, assisted by Jean and Carl Trefield and Vi and Don Jarrell. Jean received many comments on her flower arrangement of pink azaleas and dried grasses. "This is the gal who last year told me she was strictly a 'dirt gardener'."

Visiting round town these days is a handsome gentleman of uncertain background with the handle of Copper. Copper is a basket who owns Susie and John Dickey.

As an independent travelling man, Copper has called on Bill Foley, his doctor, at least two or three hours before he is due for treatment, and daily makes his rounds of the neighborhood. A week or so ago, he disappeared for several days. Friends and neighbors frantically joined in the search. John's mother in Virginia finally called to tell the Dickeyes that their dog was five miles down the highway in Sanford.

Appears that Copper wandered into her yard one day bearing his Bristol, Va. license tag. She waited to hear if anyone had lost a dog.

Luncheon Held In B. O. Q.

The V.H.I. luncheon was held Wednesday at the Afterburner of the B. O. Q. Hostesses were Mrs. Bane Weber, Mrs. William Thompson and Mrs. Dale Purdy.

The table was decorated with spring flowers. A film was shown on cancer sponsored by the American Cancer Society. Attendance prizes were won by Mrs. John Truitt, Mrs. Don Hamilton, Mrs. Casar Fernandez, Mrs. Floyd Harris, Mrs. Richard Andrea, Mrs. Lewis Cobb, Mrs. William Hendrick, Mrs. Jack Burkholder, Mrs. Edward Rossi, Mrs. Richard Nelson, Mrs. Stephen Oliver, Mrs. William Warwick, Mrs. Don Hamilton, and guest, Mrs. Shirley Dowle of Chicago. Mrs. Lonnie Tension, Mrs. Finn Wilster, Mrs. William Belay, Mrs. J. F. Morrissey, Mrs. William Maliczowski, Mrs. Anthony Downs, Mrs. John Trout, Mrs. John Bear and Mrs. Jack Allen.

Degrees Conferred On Three At OES Meet Thursday

In spite of the rain, about sixty-five members and visitors attended the meeting of Seminole Chapter No. 2 OES Thursday evening.

The degrees of the Order were conferred on Mrs. Lucille Wooten, of Sanford, and Mr. and Mrs. Herman Schimming of Lake Mary. Each was presented with a gift by the Worthy Matron, Mrs. L. T. Sheppard on behalf of the Chapter.

Plans were made to attend Friendship Nights at Daytona Chapter No. 1, New Smyrna Chapter No. 3 and Bunnell Chapter No. 93 during March. Several of the Seminole officers will serve in their respective stations at these meetings.

Past Patron Robert Williams will have the honor of serving as Grand Sentinel at the Grand Chapter Session to be held in Tampa in April. Junior Matron Grace Cordell was invited to serve as Assistant Grand Conductress, but was unable to accept.

After the meeting adjourned a little birthday celebration, with birthday cake in everything, was held in honor of Past Matron Leona McLean.

Mrs. Huff To Head Social Department

Officers of the Social Department of the Sanford Woman's Club have been announced. Selected as chairman was Mrs. James Huff, vice-chairman Mrs. Joe Corley, secretary Mrs. Roy Tillis, finance, Mrs. C. L. Redding, membership, Mrs. Howard Monteloh, program Mrs. E. C. Harper.

The Social Department will sponsor a card party March 19, following a covered dish luncheon at which Mrs. Mary Earle Walker will speak.

A market basket sale was held last Wednesday at the Sanford Woman's Club following the election of officers.

Members of the Civic Department utilized the sale as their fund raising project. It was reported to be very successful.

Lake Monroe P-TA Meets Tonight

The Lake Monroe P-TA will meet tonight at the school at 7:30 p. m. All parents are urged to attend.

GETTING ACQUAINTED with Beta Sigma Phi sorority members were the rushes on Friday afternoon, when they attended a tea in their honor at the home of Mrs. Ralph Cowan Jr. Left to right, Mrs. W. G. Fleming, Mrs. Joe Corley, advisors, Mrs. Gerald Covington, Mrs. Don Howe, rushees, Mrs. E. C. Harper, Beta Sigma Phi member. (Photo by Bergstrom)

Spring Rushing Tea Given Friday By Beta Sigma Phi Sorority

Rushees of Beta Sigma Phi were honored Friday afternoon with a tea held at the home of Mrs. Ralph Cowan Jr. Co-hostess was Mrs. Robert Cushing, Assisting President. Mrs. Walter Cook, Mrs. Glenn McCall and Mrs. Alfred Greene.

Greeting guests at the door were Mrs. Herbert Stenstrom, president, and Mrs. Greene.

The Cowan home was beautifully decorated for the occasion with the sorority colors of yellow and white. The serving table was covered with a white linen outwork cloth. An arrangement of yellow and white pompons in a silver bowl was flanked by yellow tapers in silver holders. White petit fours were topped with yellow rosebuds, the sorority flower.

Pouring tea and coffee from silver services were Mrs. W. G. Fleming and Mrs. Joe Corley, sorority advisors. About fifty invited guests called during the afternoon.

The model meeting will be held Tuesday night at 8:00 p. m. at the home of Mrs. Gordon Frederick on Grandview Ave. Rushees will attend the meeting to learn the purposes and goals of Beta Sigma Phi.

Mrs. Gallagher Gives Program For Geneva Club

The Geneva Garden Club held its March meeting in the Community House, Mrs. John Thomas presided in the absence of the President, Mrs. Cedar Hart, who was ill.

Hostesses for the day were Mrs. Walter Bell, Mrs. W. G. Killee, Mrs. V. Butler and Mrs. Ada Rodgers. The Community Club House was beautifully decorated with pink Azaleas. Refreshments of cake and punch were served.

After a short business meeting a delightful program was presented by Mrs. Ruth Gallagher of Sanford. Mrs. Gallagher has in previous years been a hostess at Williamsburg, Va. She spent eight and a half years in this position and is well versed in the interesting details concerning its restoration and operation. Mrs. Gallagher gave a brief history, stating that Williamsburg was the first planned town in America and that even then they had zoning laws.

The restored Williamsburg represents the city as it had been about 1700. Mrs. Gallagher has a beautiful selection of colored slides which she showed, giving explanations as they appeared. Garden Club members felt they had taken a short excursion through this lovely place.

An apology is due the Garden Club for not having a report on their very festive affair in February. The decorations were carried out in the Valentine theme and a delicious spaghetti supper was served.

A member of the Florida Audubon Society presented the program which has been customary for the February meeting each year.

Rebekahs Conduct Instruction Meet

A school of instruction was held Thursday by the Seminole Rebekah Lodge No. 43, Mrs. Eileen Reister, Noble Grand, presided over the regular business session.

Mrs. Virginia Anderson, district deputy president, and a member of Seminole No. 43, conducted the school of instruction.

Script work was exemplified by members of Laverne Rebekah Lodge No. 26 of Orlando. Seminole 43 demonstrated the opening and closing ceremonies and the draping of the altar.

Visitors were present from New York and Michigan. Mrs. Brumby, a member of Fern Leaf Lodge No. 235 Baldwin, Mich. and a past president of the Rebekah Assembly of Michigan, gave an interesting talk.

Refreshments were served in the dining room of the L. O. O. F. hall. A patriotic theme was used in the decoration. Hostesses were Mrs. Emily Jamison, Mrs. Mary Jameson, Mrs. Eva Williams, Mrs. Eva Beckham and Mrs. Bertha Snyder.

Cecil Tucker Gives Talk

LAKE MONROE—The 44 club met Sunday, March 4. Barney Johns called the meeting to order. Bobby Flowers led the flag salute. Terry Rabun gave the devotional.

Twenty-five members were present. Cecil Tucker gave a talk about the game, kick ball.

Civil Defense Subject Of Speech Friday For D.A.R.s

Mrs. Charles E. Ironside will be the speaker Friday, March 14 when the Sallie Harrison chapter of the D. A. R. meets at the Sanford Yacht Club. Mrs. Ironside will speak on the Security and Educational Aspects of Civil Defense. She is a retired teacher, who has had experience at New York Teacher's College and Manhattan High School in New York City.

A board meeting will precede the regular meeting at 2:24. The business meeting will be held at 2:00 p. m. Anyone interested in hearing the speaker is invited to come to the Yacht Club at 3:45 p. m.

Hostesses for the afternoon will be Mrs. L. P. Hagan, Mrs. Ethel Turner, Mrs. Stuart Brown and Mrs. R. J. Holly.

Resolution Passed By Woman's Club On Mental Health

The Sanford Woman's Club endorsed the resolution of the Sanford Mental Health Association for men and women in the housing of State mental patients.

The endorsement was passed Wednesday at the general meeting of the Woman's Club. Mental Health is the club project this year.

Mrs. Margaret Margrave, executive secretary of the National Mental Health Association will speak to the Sanford Woman's Club on April 16. Miss Margrave will come from Washington, D.C.

Her visit has been arranged by Mrs. Sidney Ives III. Members are urged to make their plans to hear this very important talk. Guests will be welcome.

Willing Workers Meet In Osteen

OSTEEN—The Willing Workers Sunday School Class of the Osteen Baptist Church met recently at the home of Mrs. Robert Williams.

Mrs. J. S. Peterson gave the devotional, and conducted a Bible quiz. Members attending were Mrs. G. C. Ball, Mrs. John Taylor, Mrs. Levi Van Eiten, Mrs. J. J. Redditt, Mrs. Elmer Shiner, Mrs. J. S. Peterson, Mrs. Harry Osteen, Mrs. Dick Jones, Mrs. S. G. Brooks.

Mrs. W. V. Phillips of Osteen and her niece, Mrs. C. R. Burleson of Birmingham, Ala., were visitors.

CHIROPRACTIC DEFINED

Chiropractic is a Philosophy, Science, and Art of things Natural, a system of adjusting the articulations of the spinal column, by hand only, for the correction of the cause of disease.

The adult spinal column consists of the vertebrae, 24 freely movable bony segments, called vertebrae, together with the sacrum and coccyx. All the great nerve trunks exit through the openings between these vertebrae which openings are known as intervertebral foramina. The vital nerve force within man is carried by these nerve trunks from the brain to the various organs, muscles, and tissues of the body.

The Chiropractic premise is that the cause of disease is due to the subluxation of vertebrae, which produce pressure upon the nerve trunks and thus interfere with the normal transmission of vital nerve force.

The Chiropractic objective is to locate the point in the spine where nerve pressure exists, due to a vertebral subluxation, and thru proper adjustment by hand, to restore the subluxated vertebra to its normal position, thus relieving the pressure on the nerve, treated and thereby removing the cause of disease to the body. Restored health is the natural result.

Today's Sports Parade

By OSCAR FRALEY
United Press Sports Writer
NEW YORK—The flowers that bloom in the spring are budding out all over today in the baseball training camps.

Managers, after replaying all those losing games of last season through the long winter nights, know how to avoid such catastrophes this time around. Players, after chasing the chills from their bodies, are as optimistic as a guy with a ticket on every horse in the race.

Frothing that hope springs annually, as well as sternly, are these bright bits from the baseball spots:

Bobby Began, Cleveland: "I'm going to be a good boy and temper my remarks and my actions." Giving us the long-awaited tiger with horizontal stripes.

Assuming a Little Cooperation
George Blair, Pittsburgh hitting coach: "One additional hit in every seven games will raise the Pirates team batting average from .350 to .360." If rival pitchers cooperate and if Pirate hitters have been striking out on purpose.

Chuck Dressen, Brooklyn coach: "The Yanks might have finished fourth in the National League last year." A man might make money selling electric blankets in the Congo, too.

Arnold Johnson, Kansas City owner: "I'll deal with anybody." Does he mean the Yankees have left him anybody to deal with?

Steve Bilko, Cincinnati Reds first base prospect: "I'll be down to 240 pounds by opening day." Which is still 10 pounds too much and provides a fine example of a guy with trouble at the plate, dinner table variety.

Robin Roberts, Phillies pitcher who lost 23 games last season: "Manager Mayo Smith thinks I need another pitch but I don't." Explaining the coolness between them and why rival hitters agree with Roberts.

Ted Williams, Boston Red Sox: "I can win my sixth batting championship if I'm okay physically." Or, possibly, even if he isn't.

Al Lopez, White Sox: "The Yanks are going and we are coming." Destination unresolved.

FIVE CATCHERS
Walter Alston, Los Angeles Dodgers: "We have five in the camp." And he'd give all five and two infielders for one Roy Campanella.

Bill Rigney, San Francisco Giants: "I didn't want this to be a one-man ball club, so I didn't get too close to Maya. But that Willie, he's different than most." Say it again, Louder.

Jack Tighe, Detroit: "Those Yankees aren't invincible." But they'll do until the Braves come along again.

Hank Sauer, Gaint veteran: "Nobody believes this is his last year. With Maya beside me I'm good for two or three more." Ah, spring.

Casey Stengel, Yankees: "Those Russians Judnick got the weather all fouled up." His only worry **Danny Mortenson, Pittsburgh:** "Bill Mazeroski will be the Red Schoendienst of our era."

Maybe none of us realized that Schoendienst was gone from "our" era. But it proves one thing. This spring, for a change, there haven't been any new Babe Ruths, Ty Cobins or Walter Johnsons. Hlame it on the "Judnicka."

TOURNEY DATES SET
ASHEVILLE, N. C.—The second annual \$5,000 Land of the Sky Women's Open golf tournament will be held here May 23-24. Beverly Hanson of Indio, Calif., won last year's event.

FSU Opens Baseball Season Next Month

TALLAHASSEE—Florida State University rode a 19-8 record into the College World Series last year and if the Los Angeles Dodgers are willing, the Seminoles are determined to repeat.

Florida State won three of four games in capturing the District 3 NCAA crown at Gastonia, N. C., but fell to Penn State and Connecticut in the NCAA series at Omaha.

Earlier in the spring, Coach Danny Litwiler remarked "there's no reason we can't be just as successful again this year—if we get the right breaks."

Then on successive "wrong breaks" the Los Angeles Dodgers professional baseball organization snapped up infielder Phil Hunt for a figure in excess of \$15,000 and signed sophomore pitcher Dennis Midgette for another nice sum.

In between those signings, sophomore outfielder Neil Martin broke an ankle and was ruled out for most of the coming season. However, extraordinary depth at almost every position remains an unusual feature of the FSU squad despite the losses. Litwiler speaks in terms of a baseball "two platoon system."

"We can start a team on which every player bats right handed or one on which every player bats left handed," he said. "We could use the right handed team against a left handed pitcher and vice versa."

Pitching is the Seminoles' strongest point. The staff numbers eleven with a nucleus of five seniors who won 13 and lost only four during the regular season last year.

The five seniors are Jack Bristol (6-1 last year), Tom Garcia (3-0), Frank Slusser (2-1), Rudy Egle (1-0), and Fred Kenney (1-2).

The stellar newcomer is sophomore Jerry Haney, a 6-foot, 3-inch giant who serves up a fast ball with an unusual amount of control.

With the exception of second and third base, the Seminoles have a regular returning at every infield position including All American shortstop Dick Howser.

Howser batted .364 and led FSU in total bases last year. He was

named to the NCAA's first team All America squad after his performance in the College World Series.

At first base, senior Jerry Philip is back, but he'll have to work to play more than Charlie Rogers, a 6-foot, 4-inch sophomore who hit .456 with the freshman last spring. Philip had a .358 average.

Hunt, a senior who hit .307 last season, was slated to go at second base. His loss gives center-field Owen McCarron and utility infielder Gene McCormick shots at the position.

McCarron, a senior who hit .333 in 34 games during 1957 and better than .400 in 1956, also heads a fleet of returning outfielders that are rated better than ordinary. He may play both positions.

Dale Koch, a hard swinging right hander who batted .353 last season, and Mike Capps, who hit .282, are leading contenders in the scramble at third base.

Several sophomores including .500 hitting Bob Irwin are expected to develop as the season progresses. The two team system Litwiler wants will depend a lot on their development.

Florida State annually opens its season with the FSU Invitational Tourney which it has never lost. The tourney held over the Easter vacation period includes Notre Dame, West Virginia, Wisconsin and FSU this year.

The Tribe will meet Auburn March 19.

9th Race To Have All-Star Flavor

King Ivy, Divo and Run Happy give the featured ninth race an all-star flavor tonight at the Sanford-Orlando Kennel Club.

The rank among the track's finest greyhounds and they have seen most of them action in the Wednesday and Saturday night "hot box" events.

King Ivy, owned by Fred Whitehead, is second only to Go Suzie in the victory department, having collected nine wins in 20 starts.

Divo, track champion two years ago, and Run Happy have each racked up seven triumphs.

COACH JOHN MAUER'S GATORS won 13 and lost one during the season, outscored their opponents an average of 73.5 points to 69.0.

Zinn, six feet seven, was by far the team's leading rebounder with 328 for the year, an average of 15.5 per game. He was followed in this department by Hobbs with 186 or 8.8 per game and Henderson, who played one less game with 177, also 8.8 average.

To remarkable Hobbs, playing his final season for Florida, now holds these records set this year: most field goals in a single season, 202; most points in a single game, 41; most points in a

TEDESCO GETS JOB
SIoux CITY Iowa—Joseph Rocky Tedesco, who played third base, first base, shortstop and the outfield with the Sioux City Soos of the Class A Western League last year, has been named manager of the club, replacing Ken Landenberger, who was released in January.

SIME TO DEFEND TITLE
SANGER, Calif.—Dave Sime of Duke will defend his 100 and 220-yard dash titles at a track meet here on June 7, the Central California AAU has announced.

Sime set a world record of 20 seconds flat in the 220 and tied the world mark of 9.3 seconds for the 100 here two years ago.

AUSSIES WIN TENNIS
BARRANQUILLA, Colombia—Grand Golden of Chicago bowed to Warren Woodcock of Australia in the Barranquilla International Tennis Tournament. In the only other men's match, Mervyn Rose, another Aussie, downed Mario Llamas of Mexico. In women's action, Karol Fageros of Miami Fla., beat Laura Lou Jahn Kunen of Clearwater.

THE black widow spider always approaches its intended victim backwards.

CASE FOR CASEY . . . By Alan Mauer

Joe Hobbs Has 23.9 Shooting Average

GAINESVILLE—All five starting players on the University of Florida basketball team, headed by record-smashing guard Joe Hobbs, finished the 1957-58 season with shooting averages in double figures.

Hobbs, numerously honored as an All Southeastern Conference selection, best shot in the SEC, honorable mention All-America and the like, paced the team with a Florida record 23.9 average.

Following up in order were forward Jerry Henderson with 11.9 average; guard Charlie Pike, 10.8; forward Dick Hoban, 10.8; and center Jim Zinn, 10.4.

COACH JOHN MAUER'S GATORS won 13 and lost one during the season, outscored their opponents an average of 73.5 points to 69.0.

Zinn, six feet seven, was by far the team's leading rebounder with 328 for the year, an average of 15.5 per game. He was followed in this department by Hobbs with 186 or 8.8 per game and Henderson, who played one less game with 177, also 8.8 average.

TEDESCO GETS JOB
SIoux CITY Iowa—Joseph Rocky Tedesco, who played third base, first base, shortstop and the outfield with the Sioux City Soos of the Class A Western League last year, has been named manager of the club, replacing Ken Landenberger, who was released in January.

SIME TO DEFEND TITLE
SANGER, Calif.—Dave Sime of Duke will defend his 100 and 220-yard dash titles at a track meet here on June 7, the Central California AAU has announced.

Sime set a world record of 20 seconds flat in the 220 and tied the world mark of 9.3 seconds for the 100 here two years ago.

AUSSIES WIN TENNIS
BARRANQUILLA, Colombia—Grand Golden of Chicago bowed to Warren Woodcock of Australia in the Barranquilla International Tennis Tournament. In the only other men's match, Mervyn Rose, another Aussie, downed Mario Llamas of Mexico. In women's action, Karol Fageros of Miami Fla., beat Laura Lou Jahn Kunen of Clearwater.

THE black widow spider always approaches its intended victim backwards.

Britain-Based Auto Enters Race

SEBRING—It's doubtful if any entry in the Sebring historical automobile cavalcade next week will come a longer distance than Philip Mann's 1926 Bentley three-liter sports racer.

This is the second trip to the United States for the British-made automobile. It participated as a member of the British team beginning.

Day time practice at the tricky Sebring course is set for Wednesday, day and night practice Thursday, a grand prix ball Thursday night and the historical auto cavalcade Friday.

Advance sale reserved seats, paddock passes and general admission tickets are available at race headquarters, Municipal Pier, Sebring.

Mann's Bentley has been immaculately restored and is a several-times winner at London's Kensington Gardens concours d'elegance.

The Bentley marque previously won the LeMans 24-hour classic road race five times, including four times in a row, 1927 to 1930.

The historical auto cavalcade is a part of the program arranged for Sebring race week, eliminating with the Florida International Grand Prix of Endurance for the Amoco trophy and \$12,000, the classic 12-hour sports road racing tradition.

The classic LeMans start will be used, with the drivers running to their cars at the end of the count down, starting engines and getting underway to a roaring

Yardley Holds New Record

MINNEAPOLIS, Minn.—George Yardley says it was a "great honor" to hold the new scoring record in the National Basketball Association, but added that the new 24-scoring shooting rule was going to make it easy for "somebody sooner or later."

The balding Yardley bagged 49 points Thursday night to bring his NBA scoring total to 1,853 points, easily eclipsing the mark of 1,523 points set by George Mikan, the "Mr. Basketball" of the Minneapolis Lakers back in the 1950-51 season.

Yardley, a project engineer in California during the off season, also established a new pre mark for free throws sinking 11 Thursday night in the Detroit Pistons' 132-116 victory over the Lakers and bringing his season total to 635.

In the night's only other NBA game, Clyde Lovellette's 37-point barrage helped the Cincinnati Royals nip the Philadelphia Warriors, 110-108. The defeat deprived the Warriors of a chance to clinch the final playoff berth in the Eastern Division.

TEDESCO GETS JOB
SIoux CITY Iowa—Joseph Rocky Tedesco, who played third base, first base, shortstop and the outfield with the Sioux City Soos of the Class A Western League last year, has been named manager of the club, replacing Ken Landenberger, who was released in January.

PRICE THE CHRYSLER

... and prove to yourself that all car prices haven't gone up!

You can own this big, luxurious 1958 Windsor Sedan for less money than last year's model with similar equipment!

Price the Chrysler and see for yourself that you can own a big car. This Mighty Chrysler Windsor gives you all the finer car luxury you ever dreamed of, yet it actually costs only a few dollars a month more than an ordinary small car!

Those few extra dollars buy so much more! More comfort—thanks to new roominess, new foam rubber cushioning, Torsion-Aire Ride. More convenience—with smoother TorqueFlite transmission you just push a button and go. More safety—this Chrysler has four-beam dual

headlights, Total-Contact brakes, new Compound-Curved windshield. And of course you get the satisfaction and pride that comes only from owning a Chrysler.

Economical to own, too! Chrysler's airplane-type engine earned its class championship in the Mobilgas Economy Run. Chrysler's precision engineering keeps upkeep down. Chrysler's proved top resale value protects your investment.

So price the Chrysler today. See why we say it's the one luxury car you can afford!

THE CARD OF THANKS
 Very often a Card of Thanks in The Sanford Herald meets a need which is difficult to fill in any other way. Not only is it a gracious expression of gratitude to those who have sent floral tributes but also courteously acknowledges the services and kindnesses of the many to whom a personal note of thanks cannot well be mailed.
 Newspaper Cards of Thanks are accepted as socially correct. Emly Post, the noted authority on etiquette, feels they serve many good uses.
 There is no prescribed form for a Card of Thanks. It can be as brief or as detailed as you desire. When the occasion comes you will find a sympathetically understanding member of our staff to assist you.
THE "IN MEMORIAM" NOTICE
 It is the custom of many families in this country to commemorate a bereavement by an "In Memoriam" notice in newspaper classified columns. They find a real solace therein. Preparation or selection of a suitable verse brings back to them tender, pleasant recollections. As Eliza Cook, the English poet has so beautifully expressed it:
 "How cruelly sweet are the echoes that start
 What memory plays an old tune on the heart."
 Most frequently an In Memoriam is inserted on the anniversary of death. However, other dates, which it is felt are appropriate or meaningful are also selected. The birthday of the departed, the wedding anniversary, Memorial Day, even Christmas are among other significant occasions chosen.
 If you are hesitant to express your tender thoughts in poetic form, you may avail yourself of the Herald's collection of original verses. These express in poetic beauty the emotions of the heart-strings. Among them are verses appropriate to any circumstance.
THE RATE
 Cards of Thanks and In Memoriam notices, due to the fact they may run to considerable length, are billed at \$1.00 per column inch.

YOU'RE TELLING ME!
 By WILLIAM BIRT
 Central Press Writer
 A BABY GIRL in Toledo, Ohio, reports on any major event Calif., now aged 10 months, has been reported on the year 4-6 months old, according to her parents. The little darling, who understands, is just too sweet for words.
 The Texas state capitol has more than 400 rooms, 18 acres of grounds. — Factography, Well, where else would it but in Texas?

FCC To Question Whiteside Tomorrow About Dealings With Mack

WASHINGTON (UP)—House investigators of the Federal Communications Commission will question Miami Attorney Thurman A. Whiteside again tomorrow about his dealings with resigned FCC Commissioner Richard A. Mack.

Whiteside had testified earlier but declined to appear again before the House subcommittee investigating the FCC, on grounds

he had been summoned by a federal grand jury which also is studying FCC affairs. But the Justice Department arranged for the jury to release him as a witness.

State Department Communications expert John S. Cross was named Monday to succeed Mack. Cross disclosed that he had been a contender three years ago for the job but lost out to Mack.

Whiteside, whose business dealings with Mack in a contested Miami TV channel award led to Mack's resignation under congressional fire, was originally scheduled to testify Wednesday before the grand jury.

A Justice Department official said the department had no intention of permitting Whiteside to use his "voluntary appearance"

before the grand jury as an excuse to avoid subcommittee questioning.

Whiteside was supposed to testify Monday before the House subcommittee headed by Rep. Oran Harris (D-Ark.). When he failed to appear, Harris threatened to subpoena him or send the investigation records on him to the Justice Department for "appropriate action."

After his nomination Monday by President Eisenhower, Cross said his conception of an FCC member's duty was to dole out radio and TV licenses for the public benefit. He said that as a career government employe, he had no former business connections which might influence his decisions.

Nominee a Democrat

The new nominee, a Democrat

like Mack, must be confirmed by the Senate. The President had to turn to a Democrat because the seven-member FCC already has its full legal complement of four Republicans.

Harris said Cross is "a good man." He said he and other members of the Arkansas congressional delegation recommended Cross for the post three years ago. He

added that Cross would "inject some very forceful and independent judgment within the FCC."

Reps. Morgan M. Moulder (D-Mo.) and John B. Bennett (R-Mich.), members of the Harris subcommittee, said the Senate should "carefully scrutinize" Cross' qualifications.

Cross, 33, whose legal residence is in Arkansas, is a gov-

ernment official. He has served as an Interior Department engineer, a Navy captain in World War II, and a State Department communications expert since 1947.

At present he is assistant chief of the department's telecommunications division. He was nominated to serve out the unexpired portion of Mack's seven-year FCC term, until July 1, 1952.

Weather
Fair through Wednesday; low tonight 58 to 65. Not quite so warm Wednesday.

Robbery Series Solved; Three Negroes Arrested

A trio of Sanford Negroes are being held in local jails charged with the breaking and entering of at least 10 business places in the city and county.

As the two investigating officers stated "The series of robberies was baffling at first but bits of evidence from each of the breaking and entering began to stack up and led us to them."

Lieutenant Joe Hickson and Patrolman Carl Dodson solved the case and took Izell Golden, 28, 1216 Lincoln Court, George Lee Allen, 20, 1224 Lincoln Court, and Joe Louis Whitaker, 19, 1602 West 13th Place, into custody yesterday afternoon.

The three Negroes had admitted entering 10 places in the area taking money, merchandise, food and clothing. Seven of the places broken into were in Sanford, the others were in DeBary, Longwood and Oviedo.

The two officers said that the trio would use a white man's

car, replacing gas used for their forays, and return the car before morning.

Some of the stolen merchandise was recovered and there is a possibility that more will be uncovered. The three Negroes stashed their stolen loot away in various houses. Already recovered are two pairs of men's shoes, four jackets, 12 shirts, two flashlights and two pairs of pants, all taken from Spencer's Store in Oviedo and two pairs of cuff links from Squires Gift Shop.

Lt. Hickson and Patrolman Dodson, of the Sanford Police Department, said the list of businesses broken into include: Teenagers Shop, 9th and Pecan; Buddy Claire's Service Station, Southwest Road; poolroom in rear of New York Beer Garden on West 13th St.; Mac's Sundries, West 13th St.; McCarley's Grocery Store, West 13th St.; Squires Gift Shop, South Sanford Ave.; Spencer's Grocery in Oviedo; Fleming's Red and White Grocery, Midway; Dry Cleaners and Laundry in DeBary; Lola's Restaurant in Longwood; and Dan's Grocery at 27th St. and Sanford Ave.

The officers said that they have found no evidence where merchandise has been sold. However, they did say that the trio took considerable sums of money.

Lt. Hickson said \$60 was taken from a juke box in Buddy Claire's Service Station, \$60 from a juke box machine and pin ball machine in the Teenagers Shop; and \$60 from Fleming's Grocery.

Police Chief Roy Williams said "This is about the most brazen case we've ever had."

Lt. Hickson and Patrolman Dodson said that two of the Negroes will be charged with breaking and entering and the other with being an accessory to the robberies.

"We will turn them over to county authorities," they said yesterday, "for prosecution."

IOOF, Elks Each Contribute \$65 To SHS Band

Sanford Lodge No 27 I.O.O.F. and the B.P.O. Elks each contributed \$65 to the Seminole High School Band for the purchase of 20 uniforms. This marks a total of eleven uniforms purchased for the band. The Campbell-Lossing Post, American Legion presented the band with a \$26 check raising the uniform fund total to \$6,085.49.

The total bill including freight, 70 band uniforms, a drum major uniform, a director's uniform, 12 majorette uniforms and hats, officers' epaulettes and cords, and a drum major's signal baton amounts to \$3,108.35 and Bandmaster Ernest Cowley expects the remaining \$2,977.14 to be in this week. He stated, "It is wonderful that so many persons helped our band raise the money and we in the Seminole High School Band feel indebted to each one that contributed time or money to make our campaign a successful one. We thank all of you."

Parliamentary Procedure Course Sponsored By JCs

The Jaycees of Sanford and Seminole County will sponsor a short course in parliamentary procedure March 13 and 14. The course will be taught by Bill West, a teacher at Seminole High School.

Members of all civic clubs, including women's organizations, are invited to attend. Instruction will be held at the Sanford Yacht Club from 7:30 to 10 p. m.

Subjects covered will include amendments, committee functions, voting, elections and various types of motions.

Reservations for manuals should be made by calling the Jaycee tourist information booth, FA 2-3481. The manuals will be given to those attending at the door of the Yacht Club. There will be no charge for the course or the manual.

Bid Opening Date For NAS Support Facilities Changed

The bid opening date for support facilities estimated to cost more than \$1 million at the Naval Air Station, Sanford, Florida, has been changed to 2:30 p. m., March 23, 1953, at the Charleston Naval Base, Commander J. R. Braheeny, Deputy Public Works Officer, Sixth Naval District, announced Thursday, March 6.

The bid opening date had been originally scheduled for March 11, 1953.

The construction work will include a 100 x 240 foot steel warehouse, three steel barracks, and three hangars, each approximately 60 x 180 feet.

Lieutenant Commander D. P. Cuning, Civil Engineer Corps, U. S. Navy, is the resident officer in charge of construction at Sanford.

IT. JOE HICKSON and Patrolman Carl Dodson of the Sanford Police Department took three Negroes in custody yesterday and charged them with breaking and entering at least 10 Sanford and Seminole County business places. (Photo by Bergstrom)

5,200,000 Americans Jobless Last Month

NATIONAL SENIOR VICE COMMANDER Fred Hollenbeck (right) Veteran of World War I, making plans for his forthcoming visit to Sanford, Joel Field of Sanford (left) and R. E. "Bob" Evans, 7th Dist. Commander (center)

WASHINGTON (UP)—Secretary of Labor James P. Mitchell said today unemployment climbed to 5,200,000 in February—a 16-year high and 2 million more than a year ago.

The number of jobless Americans increased 700,000 in one month, from mid-January to mid-February.

He said almost two-thirds of the unemployed—more than 3,300,000—are claiming unemployment compensation benefits.

A Labor Department spokesman said the actual unemployment figure for February was 5,175,000. He said Mitchell just "rounded off" the figure.

Mitchell gave the breakdown in advance of a formal announcement by the Labor and Commerce departments. In a speech to an AFL-CIO emergency economic conference, about 1,000 top trade union leaders gathered to discuss how to "put America back to work."

62 Million Jobs

Mitchell said that as of mid-February 62 million workers had jobs but 3 per cent were working short shifts.

He said the unemployment figure represented a rate of 6.7 per cent of the civilian labor force after accounting for seasonal factors. By comparison unemployment reached 25 per cent of the labor force in the depth of the Depression of the Thirties.

Mitchell said employment has dropped sharply in manufacturing with 1,360,000 fewer jobs last month than in February 1952. He said the greatest increase in joblessness occurred in auto, aircraft, metals and electrical and other machinery industries.

Mitchell said the administration and President Eisenhower are deeply concerned by the February statistics.

WV Take Action

"We are determined to take whatever action is necessary to help them," Mitchell said, "including, when necessary, a substantial cut in business and personal taxes."

Band Marches Today In 'Thank You' Parade

In a "Thank You" parade the high spirited Seminole High School Band marched from the Chamber of Commerce Building to Oak Ave. and back this morning giving the public their first glimpse of the colorful new uniforms. Majorettes carried placards reading: "Thanks for our new uniforms." Bandmaster Ernest Cowley remarked, "This was the only way we knew how to express our appreciation for the support given by so many people. Because of much wonderful support our uniforms are paid for and we feel near them."

Even though the uniforms were shipped ahead of schedule the hats did not arrive, however, the band members were so jubilant about the uniforms they agreed to march hats or no hats—to show the uniforms to the public. Prior to the parade, the band played a concert for the student body in an assembly program.

CHARLIE MORRISON
★ ★ ★
Charlie Morrison Elected New Rotary Club President

Charlie Morrison, former member of the Herald's advertising staff, and presently Director of Public Relations for Holler Motor Sales, local Chevrolet, Oldsmobile and Cadillac dealer, was elected president of the Sanford Rotary Club for the year 1953-54, at a meeting of the incoming board of directors of the service club, yesterday. Morrison, who succeeds Myron A. (Mike) Reck, will take office at the first meeting in July.

Three new directors, William (Bill) Bush, Dr. Charles L. Persons, and Sonny Fowell, were elected yesterday to work with several "carryover" directors to guide the club next year. Dr. R. W. Rupprecht and Walter M. Haynes were chosen as secretary and treasurer, respectively.

George Touhy, executive vice-president of First Federal Savings and Loan Assn, here introduced four members of the club who gave short talks on their vocations. John Kador, of Wm. E. Kader, Jewellers; Bob Crumley of the John H. Williams Insurance Agency; Jim Shipman commercial agent for the A.C.L.R.B. and Earl Crutenden, plant manager for Southern Bell Tel. & Tel. Co. were the speakers.

City To Apply For Loan To Support Project

Sanford is assured of the position of the nearest terminal for the entire Central Florida area.

"The magnitude of the petroleum movement on the St. Johns River means that areas must be provided for tank farms and there is ample room on the shores of the lake for them," the engineer stated.

"It would be timely for the city of Sanford to proceed with the applications," Col. Gee said, "since this would be one way of putting the project one step further ahead."

"You will recall," he told commissioners, "that justification of the construction of the Sanford Docks and Terminals project is supported by northbound traffic

(Continued on Page Two)

2 New Principals To Be Appointed Thursday Morning

There are two new principalships to be acted upon at the regular monthly meeting of the Seminole County Board of Education Thursday morning at 8:30.

The two principals to be appointed will be for the Lake Monroe School and Lyman School at Longwood.

E. S. Douglas, present principal of Lyman School, has been moved into the position of Director of Adult and Vocational Education. W. J. Wells Jr., principal of Lake Monroe School is retiring after 32 years of public school work.

The meeting of the Board of Education will be held in the office of the Superintendent of Public Instruction, R. T. Milwee, in the Educational Building on Commercial Ave.

National Sr. Vice Commander Speaks To Vets Friday

Friday night March 14 at 7:30 p. m. the National Senior Vice Commander, Veterans of World War I, Fred Hollenbeck from Cape Vincent, N. Y. will address the members of Sanford Barracks of World War One Veterans at the American Legion Hunt on Seminole Boulevard.

All World War One Veterans and their wives are invited to hear Vice Commander Hollenbeck and meet with the members of the Sanford Barracks. The National Vice Commander will bring a message from National Headquarters and report on progress made during the present session of Congress.

Seventh District Commander R. E. (Buddy) Evans from New Smyrna will escort Vice Commander Hollenbeck to Sanford along with several other members from the New Smyrna Barracks. WW I members from DeBary, DeLand and Orlando will attend this meeting with their wives.

Volunteer Firemen Will Meet Tonight

The Lake Mary Volunteer Fire Department will meet tonight at the school at 8 p. m.

Navy training pictures of special interest will be shown by Mr. Avery after the business meeting.

Dr. Gibbs Observes 102 Birthday

"The fun of growing old is watching all of the changes in the way people do things."

Those were the words of Dr. C. Gibbs who celebrated his 102nd birthday yesterday surrounded by neighborhood friends and relatives.

Highlight of the near-noon celebration was a 102-candle cake prepared by Mrs. F. E. Roumillat.

Dr. Gibbs was all smiles as "Happy Birthday" rang out in song as the group of friends and relatives greeted him on the lawn at the home of Mr. and Mrs. F. E. Roumillat.

Possibly another highlight of the noon time event was the question "How're you feeling on your 102nd birthday?" to which Dr. Gibbs chuckled and replied "Oh, nothing to brag about."

On hand for the occasion was Mrs. Herman Lehman who knew Dr. Gibbs when he practiced medicine in Crown Point, Ind. "I knew Dr. Gibbs when he first came to Crown Point," said Mrs. Lehman, "and he served my family and their medical needs for 45 years."

Mrs. Lehman also said that Dr. Gibbs delivered all four of her children as the group of friends helped in reminiscing and recalling some of the Doctor's earlier days.

Dr. Gibbs, even at his two-more-than-a-century mark, is still spry and active, likes his exercise, and walks along at a pace greater than one would expect at his age.

He still joins in the conversation as questions are piled back and forth. Maybe just a little hard of hearing, but he still likes to talk about good books, exercises, and the art of living.

Mr. and Mrs. Ralph M. Ratson, of Kalamazoo, Mich., cousins of Dr. Gibbs, were on hand for the celebration yesterday.

The colorful history of Dr. Gibbs seemed to meld into the many-colored candles that topped the huge cake specially prepared for the Doctor's birthday celebration. Accompanying him for the neighborhood gathering was Mrs. Gibbs who frankly admitted that Dr. Gibbs was healthy, well and as spry as he could be.

THE SEMINOLE HIGH SCHOOL BAND parades this morning showing off their new band uniforms. The parade was through downtown Sanford from the Chamber of Commerce Building to Oak Ave. and return. Grey and orange predominated in colors of the new outfits. (Photo by Bergstrom)

DR. J. C. GIBBS and Mrs. Gibbs pose for a picture in front of a 102-candle cake as neighbors, friends and relatives gathered on the lawn of the home of Mr. and Mrs. F. E. Roumillat to celebrate the Doctor's 102nd birthday. (Staff Photo)
