

Seven Women Join Blood Donors

Seven Sanford women were accepted as donors to the Seminole County Blood Bank during the month of March. It was announced today by Mrs. James Doucette, R. N., supervisor.

"This unusually large number of women donors has been very heartening," Mrs. Doucette said. She urged that more women acquire the habit of donating blood. "If the reserve of blood can be built up there will be less danger of the bank being empty when it is needed, as donations seldom equal the necessary transfusions," she added. The seven women who contributed included Mrs. Ophelia Bennett, who gave her sixth pint; Miss Judy Aesceno, her second; Evelyn Proctor, two pints and Pauline Brown, Blanch Coleman, Rena Farmer, Mary Doris Laub and Patsey Wilson, who each gave their first pint.

Bill Glenn gave his 18th pint during March and Claude S. Hawkins got his two gallon certificate for his 16th donation.

Howard E. Bass, Walter Cook and Clifford Proctor Jr. gave their 15th pint, Robert Grieme, his 14th, Earl S. Handley, 12th; Charles Gracey and H. H. Fortner, 10th and it was the ninth time for Leltoy Groover, Henry Slicer Jr., James Doucette, Willie Anderson, Howard Lee, Floyd Hearn and Charles Luth.

Gallon Clubber with his eighth pint and it was seven down and one to go for Melton Yelvington, Charles Rogers, James Killen, Raymond Hall and Robert Bennett. Jesse Crowe, Weidell Drummond, Britt Yates and Harold Herbst made their sixth donation and it was the fifth for Martin Blair, Leltoy Napper and Joe Barclay.

Four pints made it a half-gallon apiece for Andrew Ellis, Phillip Bolger Jr., Francis Kelly, Terrace Sasser, Loren Jones, John Huhl, Barney Miller, Charles Baker and Herbert Banta.

Three time donors include Charles Petherbridge, William Tanner, Jimmy Henderson, Thomas Wilson Jr., Duncan McCoy, Wilfred Sidorowski, Gerard Neyer, James Giles, Roland Sides, Harley Wilhelm, Homer Sutton and Buddy Vaughn. Second timers are Lonnie Martin, Dan Teper, Richard Silvers, Robert Inna, Ronald Gettig, Charles Simmons, Kenneth Shaw, Nathan Sellers, John Sparta, Bobby D. Price, William Chambers, Henry Dilts, and Arthur Decker, Jr.

It was the first donation for Fred Jamies, James Smith, Harshell Harris, N. L. Cotton, Carl Cunningham, Elva Pierson, Charles Harrison, Richard Jones, Edward Converse, Cecil Edwards, Wayne Miller, Dale Owens, John Brown, Melvin Arnold, George Bromberger, Leonard Beckstrom and Jerry Lusk.

The two essays will be entered in the District Civitan Essay Contest and results will be announced on May 1st. Winners of District will go to the State contest and State winners to the National, with scholarships and other prizes as the rewards.

Americans own 73 percent of the world's passenger cars and about 50 percent of all commercial motor vehicles.

Ruthi Carlton Named Essay Contest Winner

Miss Ruthi Carlton, a senior at Seminole High School,

daughter of Mr. and Mrs. Cecil Carlton, was named winner of the 1962 Civitan Essay Contest today, with John Goetas, son of Rev. and Mrs. Herbert Goetas as second place winner. Essay Contest Chairman Dick Silvers announced that the two were chosen as tops from over 200 entries by Judges George Touhy, Ralph Ray, Rev. B. H. Griffin and Father John Griffith.

Miss Carlton and Goetas, their parents and the judges will be special guests of the Civitan Club at the Capri Thursday at the regular meeting of the club. At that time, Miss Carlton will be presented with a \$100 savings bond and John Goetas with a \$50 savings bond. Miss Carlton will also receive a gold trophy and have her name engraved on the permanent plaque at Seminole High School.

The two essays will be entered in the District Civitan Essay Contest and results will be announced on May 1st. Winners of District will go to the State contest and State winners to the National, with scholarships and other prizes as the rewards.

ALBERT STAPP, noted after-dinner speaker and retired industrialist was guest speaker at the joint meeting of the Sanford-Seminole Jaycees and the Civitan Club Thursday. From left are Jaycee President Garnett White, Stapp, and Program Chairman Paul Lewis. Stapp will speak to the Rotary Club at their noon luncheon meeting Monday. (Herald Photo)

FRA Membership Rolls Show Sharp Jump

Fleet Reserve Assn. Branch 147 of Sanford has received word from Joe Keenan, national president of the FRA that the Sanford Branch was second in Florida in percentage of gain in membership with a 35 percent increase. Six other branches in Florida also had outstanding gains. The Jacksonville branch was first with 37 percent, Sanford second with 35 percent, followed by Orlando, 29 percent; Yukon, eight percent; Key West, six percent; Sarasota, five percent and St. Cloud, one percent.

Clyde Bryan, Branch 147 president invites all career or retired enlisted men of the regular Navy and Marines of the Fleet Reserve to join and attend the regular meetings of the branch, held Fridays at 8 p. m. at 219 Seminole Blvd., on the lakefront.

'Savage Sons' Norfolk Bound

Cdr. R. E. Farmer will lead his "Savage Sons" of Heavy Attack Squadron Five in their A3D "Skywarriors" to Norfolk, Virginia, Saturday, where they will embark aboard the USS Forrestal for a five week deployment.

DeBary VFW To Install New Officers

By Mrs. Adam Muller
Newly elected officers of Veterans of Foreign Wars Post 8093 and its Auxiliary of DeBary will be installed at a meeting scheduled for 7:30 p. m. at the DeBary Fire Hall on April 26.

Refreshments will be served following the meeting. All members at both organizations are requested to attend the installation.

New meeting dates set for the third Thursday of each month at 7:30 p. m. will begin with the May 17 meeting at the Fire Hall.

Announcement has been made by the commanding officer of Capt. Thomas Lawton, senior vice commander of the post, a wheel chair has been received from the U. S. Navy and will be available for use by any needy resident of the community. Ed Carter, local manager of Summerhill Funeral Home, has volunteered to store and deliver the chair when and where needed.

The deployment will begin with HATRON Five participating in a fleet fire power demonstration for President John F. Kennedy. Then the squadron will participate in fleet training exercises in the Caribbean and Atlantic, returning to Hamey Field at Sanford in mid-May for a short stay. Heavy Five has an enviable record to uphold. This fiscal year, the Savages have dominated both the pilot top ten standings and the bombardier navigator's totem pole, placing 24 pilots on the list and 39 bombardiers on the totem pole. In tribute to its fleet operational readiness, Heavy Five captured all spaces on the B.N.'s "totem pole" while deployed with the Sixth Fleet in the Mediterranean last July. The same month saw the famous "Mushmouth" at the top of the safety standings; two achievements which have not been equaled.

First Graders Meet Wednesday At Southside

Parents of children who will attend the first grade at Southside School next year are notified of pre-school registration which will be held at 1:30 p. m. Wednesday at the school.

It is not necessary to bring birth certificates at this time, Principal Mrs. Velma Mitchell said. Children will visit in the first grade rooms, and will be met at the door by their escorts, while parents attend the meeting in the auditorium. Children must have attained their sixth birthday before January 1, 1963.

POWERFULLY IMPORTANT!

Are we letting it fade away?

Today, we are free to travel anywhere in America—crossing state borders at will, without special permits, visas, or red tape. Yet, in many countries of the world, such freedom of travel is forbidden. Unless we keep America powerful enough to resist the enemies of freedom, the rights we so often take for granted could fade away!

Keeping America powerful involves much more than military preparedness. It involves determination to preserve freedom of the individual and of enterprise—the forces through which America has become the most prosperous and progressive nation on earth.

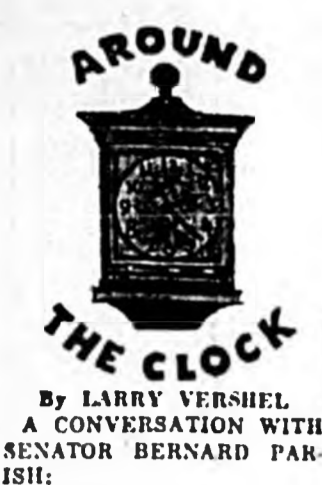

Free enterprise has made America the world's most powerful electric nation. Investor-owned, tax-paying power companies have made her so and will keep her so. As a part of that team, and together with other Florida power companies, we are working toward an improved, expanded, and strengthened interconnecting network of transmission lines here in Florida to pace the power needs of the state's challenging population and industrial growth.

Florida Power & Light Company projects now under construction will, by 1968, nearly double present system capability—adding 1,875,000 kilowatts in a continuing power program designed to help make Florida... and America... more powerful!

FLORIDA POWER & LIGHT COMPANY

One of America's More Than 300 Investor-Owned Electric Light and Power Companies Helping to... *Keep America Powerful*

W. Scott Burns, Mgr. 207 Mag. Ave.

**By LARRY VERSHEL
A CONVERSATION WITH
SENATOR BERNARD PARISH.**

Reporter: Did you know that it looks like Seminole will be left out in the cold on getting anything out of the central and South Florida control district?

Parish: Yes, and as a member of the appropriations committee I'm going to stop pushing for any additional funds for the district unless Seminole County gets an equal share.

Reporter: What has Seminole County gotten out of the district besides paying taxes?

Parish: Not a nickel!!!

We queried City Manager ...

... possibility of the city taking over the concession at the zoo. ... Knowles told us that the city leases the concession out for \$50 per month and that if the city failed to renew the lease in 1964 it would in the long run cost more money. ... "At least we are assured \$500 profit a year now," said Mr. Knowles.

City Commission meeting tonight and probably the high light will be fiscal agent Loomis Leedy's debt service schedule to pay off a sewage treatment plant by 1977.

P. S. Memo to City Commission. Let's get out by 10:30. ... Academy Award time.

It costs the city \$34 per day on the present debt service. ... That's the word from Clerk Henry Tamm Jr.

Fireworks expected Tuesday night at City Hall on an appeal case before the Civil Service Board.

Hospital board meeting will create a lot of interest also ... that same night. We promised to keep it "rummy" until the meeting is over.

Checked with County Commission Chairman J. C. Hutchison today on the possibility of hiring a new county engineer. Blisa resigned effective April 15. "Got two or three inquiries." "One very good," said the general. ... "But the question is ... "Can we afford him?" Supposed to be an out-of-town man. ... County budgets \$10,000 for an engineer.

The Seminole High swimming team is now using the Ft. Mellon Park pool.

Work is being done on the rock garden out at 23th St. and Park Ave. ... That controversial cactus has been removed.

Architect John Burton is moving his offices to the Sanford Atlantic Bank Building.

The Seminole High Boosters Club plans a "Hall For All" April 25 at the SWS cafeteria at 8:30 p. m. Dance contacts from the Charleston to that new epic of the dance floor. ... "Twist." All proceeds will go to the Boosters Club, says President Mike Caolo.

Speaking of Mike, his head is in the clouds these days. ... Mike Jr. has been accepted into Notre Dame.

"You people who were born and raised in Florida take all your wonderful advantages for granted," Albert Stapp, well known after-dinner speaker and Southern industrialist told the Jaycees and Civitans last Thursday.

Laughable quotes: One of the Booster Club members told Athletic Director Fred Ganas — "We'll help you underwrite the overhead!" (speaking of the All-Sports banquet.)

The Annual Elementary School Art Show will begin a four day exhibition Thursday through Saturday, at the old Firestone Store on First St. The Rudolph Steiner International art exhibit will be shown in conjunction with the work of talented local youngsters.

The Sanford Male Chorus has another concert coming up soon. Watch for it.

FOOD TREAT of the week: Try the spaghetti at Mike Sirianni's.

Cleveland Blasts Do-Nothing Flood Policy

Sewerage Bills Up .76c?

Cost Of New City Plant Spelled Out

City Fiscal Agent Loomis Leedy this afternoon presented a revised debt service schedule, for the City of Sanford to help pay for a sewerage treatment plant by 1977 and to pay off old series B bonds.

Leedy, in his comprehensive report, which will be submitted to the City Commission tonight, calls for an addition of 76 cents per month to all sewerage bills.

The addition, according to Leedy, will amortize the long run cost more money. ... treatment plant operating costs, and, with funds customarily budgeted in accordance with the old refunding agreement, will amortize the "B" bonds.

Leedy said that to amortize the \$200,000 issue of revenue certificates, and also pay for the estimated additional expenses to be incurred from the operation of the plant would add 60 cents per connection.

The series B bonds would be retired on a schedule so they will not have to be refinanced.

City Manager W.S. Knowles at a March 13 city commission meeting, when Leedy was authorized to come up with a revised schedule, stated that if this program was not put into effect, thousands of dollars would have to be refinanced in 1977 at an interest rate three times "what we are now paying."

The series B bonds were floated in 1924 to purchase the water system.

At the present time, the city budgets \$6,260 for principal and \$10,423 for interest for these bonds for a total of \$16,683.

According to Knowles, Sanford would be prepared to pay an additional \$10,000 per year on principal under the proposed \$200,000 bond issue for a sewerage treatment plant.

At the present time there are some 5,500 sewer connections in the city.

The Sanford Herald

Billion Deficit
DALLAS, Tex. (UPI)—Secretary of commerce Luther H. Hodges said today the United States had a travel deficit of \$1.1 billion last year because of an unfavorable tourist dollar balance.

Biggest U. S. Sea Exercises Begin
MOREHEAD CITY, N. C. (UPI)—More than 10,000 battle-equipped Marines went aboard transports today to begin the biggest Navy-Marine training exercises ever staged in the Atlantic-Caribbean area.

President Kennedy will watch the massed battle armada stage amphibious landings Saturday. He will observe from aboard the nuclear-powered carrier USS Enterprise and his guest will be the visiting shah of Iran.

The President and the shah are to watch realistic amphibious landings at Onslow Beach, N. C.

Embarkation of 10,000 to 20,000 Marines from the 2nd Marine Division at Camp Lejeune, N. C., began shortly after daybreak at Morehead City and at Sunny Point terminal at Southport, N. C.

A fleet of 83 naval vessels was to be assembled for the exercises. Navy and Marine air support, both land and carrier-based, will be provided for the assault to be staged Saturday. A total of 40,000 Marine and naval personnel is participating.

During the exercises, to be culminated with a full-scale amphibious assault on Vieques Island off Puerto Rico, the Navy will test its newest supersonic aircraft, anti-submarine techniques and other combat weapons and systems.

Bar Door
FLORENCE, Italy (UPI)—A terrified Brigitte Bardot, clad in a nightgown, fled into the corridor of a hotel early Sunday when a man tried to enter her bedroom, a reliable source reported.

To 'Clean House'
MEMPHIS (UPI)— Fifty-five sailors and marines from the Memphis naval air station faced trial today for a Saturday night march on the Negro section of famed Beale Street "to clean house."

JESSUP, Ga. (UPI)— A 100-man posse using bloodhounds poked cautiously through thick underbrush in a South Georgia woods today, hunting heavily armed convicts who escaped a state prison camp Saturday night.

Boxer Suspect
HASTINGS-ON-HUDSON, N. Y. (UPI)— Authorities investigating the murder of a millionaire financier called on former middle-weight boxing champion Jake LaMotta to "voluntarily" submit to questioning.

Plant Blows Up
PONT SAINT ESPRIT, France (UPI)— A gunpowder factory blew up in nearby Saint Just D-Ardeche today, causing heavy casualties and damage and forcing the 300 villagers to flee for their lives. Police said they believed at least 30 persons had been killed.

Oviedo Council Meets Tonight

The Oviedo Town Council will meet tonight at the Town Hall in a called session to discuss with the Florida Power Corp. a proposal to install new street lights in the town.

The lighting project was discussed at the monthly meeting last Monday night but action was postponed until the Council could meet with a representative of the power company and discuss the type best suited to Oviedo's needs.

The Council, at the suggestion of Mayor Lee Gary, last Monday voted to advertise for bids for the painting of the Town Hall at the same time as the new fire house is painted in order that the two buildings, of similar architecture, would present a uniform appearance.

Orleans Plans Counter Move

NEW ORLEANS (UPI)— Mayor Victor H. Schiro expects to map plans with state legislators today to fight a federal court order for complete racial integration this fall of all New Orleans elementary schools.

Schiro called a meeting to counter an integration speed-up order by U. S. District Judge J. Skelly Wright "because I see no need for this unnecessary demonstration of authority."

The Orleans Parish School Board, to which the order was directed last week, also was scheduled to meet tonight.

"I am asking that our New Orleans legislators study this matter carefully," Schiro said, "and to make necessary recommendations and/or introduce legislation for the purpose of sparing this community any undue and unnecessary conflict among the races."

Wright's speedup order followed a decree from Archbishop Joseph Francis Rummel for even broader desegregation of Roman Catholic schools in a 10-parish area of southeast Louisiana.

French Voters Back De Gaulle

PARIS (UPI)—A massive vote of confidence from the French people cleared the way for President Charles de Gaulle today to push through independence for Algeria and other plans to restore France to "grandeur."

Fortified by the backing of more than 90 per cent of the voters in Sunday's referendum, DeGaulle scheduled a series of consultations with his top aides to speed his next steps.

The President was returning to Paris from his country home at Colombey-les-Deux-Eglises, where he cast his vote, to meet with Premier Michel Debre. He called a cabinet meeting for Wednesday.

His first immediate task was to decide whether to order parliamentary elections as a follow-up to his referendum victory.

Whoops, My Dear
NEW ORLEANS (UPI)— Claude Hawkins of Lake Monroe was not jailed after a fight with another man last Wednesday night. Hawkins posted bond after the fray. The Herald is sorry for the misleading headline.

Not In Jail
Claude Hawkins of Lake Monroe was not jailed after a fight with another man last Wednesday night. Hawkins posted bond after the fray. The Herald is sorry for the misleading headline.

County May Drop Out Of District

State Rep. Mack Cleveland Jr. today warned Central and South Florida Flood control district officials that unless some assurances are given Seminole County that work will start on relieving serious flooding in the Upper St. Johns River, he would start taking the "necessary steps to eliminate this county from the district."

It would take an act of the Legislature to eliminate Seminole County from the district.

"If we don't get any satisfaction from the district, we will have no other recourse but to take care of our flooding and water control problems by another method," Cleveland said.

Friday the FCD presented a tentative 1962-63 budget of \$9,318,000 to the board.

Most of the work apparently would be done in the part of the district.

Cleveland emphasized that "we were given assurances in 1959 and 1961 that some work would commence to alleviate flooding in the Upper St. Johns."

"To this day nothing has been accomplished," Cleveland added.

Entire costs of the Upper St. Johns project range from \$18 to \$40 million including the construction of dams and reservoirs.

The budget for the 18-county district is \$308,000 less than for the current year. Final adoption is scheduled for the FCD's June meeting, when the tax rate also will be set.

Seminole's share in the budget is \$8,000 annually.

Bulletin

MIAMI (UPI) — The seven shipwrecked Americans left Havana today for Miami on a Pan American World Airways flight, the Cuban radio reported.

Red Guerrillas Kill 2 GIs In South Viet Nam

SIGON, South Viet Nam (UPI)—A band of Communist Viet Cong guerrillas killed two American soldiers and apparently captured two others in a surprise raid on a village in the north of South Viet Nam Sunday, U. S. officials reported today.

The officials said they could not definitely confirm that the two Americans were captured, and therefore officially listed them as missing.

But there were reports that South Vietnamese forces in the area, about 500 miles north of here, had been dispatched to hunt down the rebels and rescue the Americans. Observers said their chances were slight.

The deaths raised to 17 the number of Americans who have died in South Viet Nam as a result of the Communist campaign to overthrow the U. S.-backed government of President Ngo Dinh Diem.

Russians May See Cape Shot

CAPE CANAVERAL (UPI) — America will shoot this week for a space age double-header and Russian diplomats may be in the official gallery for the first time ever.

Members of the U.N. committee on the peaceful use of outer space are expected here Tuesday for the planned launching of the world's first international satellite — the British-built "UKI" to be launched by an American Thor-Delta rocket.

Later this week, probably Wednesday or Thursday, U.S. scientists will make another attempt to fire America's new high-energy space rocket, the giant Atlas-Centaur, on its maiden flight across the Atlantic. The shot was postponed twice last week because of bad weather.

Florida is normally "off limits" for Russians, but Soviet and other Communist bloc diplomats have received special permission to see the shot Tuesday, if it goes on schedule.

Meeting Tonight At Casselberry

The Casselberry Board of Aldermen faces an unusually full agenda when it meets at 7:30 p. m. today for the monthly business session at the Women's Club on Overbrook Dr.

Items to be discussed include a reworked schedule for occupational licenses to be presented by Alderman Cliff Overman, a report from Board Chairman Paul Bates on the County-Municipal Paving, plans for municipal advertising and the second reading of an annexation ordinance for properties in the Reddington Woods area.

The committee's cable, signed by Chairman Alvaro Sanchez Jr., said the "firm offer" does not refer to "tractors." In a speech last May 7 Castro made his "tractors for prisoners" offer, asking that the captives be exchanged for 500 tractors worth about \$2 million.

Florida Mother Of Year Named

JACKSONVILLE (UPI)— A Miami mother of six children was chosen Florida Mother of the Year for 1962 Saturday.

Mrs. Mary Howard Austin McEachern, 67, will represent Florida when the American Mother of the Year is selected May 11 in New York. Her children range in age from 28 to 41. She and her husband lived in Jacksonville for 27 years before moving to Miami 10 years ago.

Portrait Of 19th Century Governor?

TALLAHASSEE (UPI) — The Florida Arts Commission is making an all-out campaign to obtain portraits of six 19th Century Florida governors to complete a historical display along the corridors of the Capitol building.

Needed are portraits of John Henry Eaton (1831-35), Robert Raymond Reid (1840-41), Abram K. Allison (1865), William Marvin (1865), Harrison Reed (1868-72), and Marcellus L. Stearns (1874-76).

The commission hopes either descendants, the counties that claim the ex-governors, or private business will donate the portraits, or money to have them made.

Efforts so far have produced offers of two portraits and the return of one of the state gave Alachua County several years ago when former governors' pictures were mostly relegated to the basement vault.

The Alachua County Commission agreed to send back the picture of former Gov. Madison S. Perry, Randall Chase of Jacksonville has expressed an interest in furnishing one of William Pope Duval, National Trust Life Insurance Co. of Broward County has donated funds to restore a portrait of Napoleon B. Broward.

Major Denominations Talk Merger

Delegates Hold Meeting

United Press International WASHINGTON (UPI) — Leaders of four major denominations gathered here today for talks on the most extensive church merger that has ever reached the stage of serious negotiation.

Participating in the "exploratory" conversations were representatives of the Methodist Church, the Protestant Episcopal Church, the United Church of Christ, and the United Presbyterian Church. Together they have more than 18 million members in 60,000 congregations across the United States.

Delegates from the four bodies were meeting in closed session today and Tuesday at the College of Preachers, on the grounds of Washington Cathedral. Spokesmen emphasized that no substantive decisions should be expected from the initial meeting, which will be concerned mainly with procedural problems, including a schedule for future sessions.

Despite its preliminary nature, today's meeting was regarded by churchmen as a significant milestone in the Christian unity movement. The four denominations involved are not only among the nation's largest. They also represent widely differing traditions.

Supporters of the merger proposal acknowledge that many difficult problems must be solved, and that it will take years of patient negotiation to work out a plan of union which has any chance of acceptance. But they feel that if this merger can be accomplished, it will be a major breakthrough toward reunion of the whole Christian family.

The participating groups have indicated that other denominations will be invited to join the united church if the negotiations bear fruit.

Participating in the talks were members of the Episcopal Church's Joint Commission on Approaches to Unity, and special nine-member committees appointed by each of the other three denominations.

Shoup also directed the Marine inspector general to conduct an informal investigation of the Norfolk, Va., incident to "find out exactly what happened and why."

Lt. Gen. Wallace M. Greene, Marine chief of staff, declined to say that the Corps was against the ceremony. But it was evident that Shoup and other officials were upset about publicity given the incident.

Shoup ordered no more such ceremonies should be held.

Col. William C. Capehart, commander of the Marine barracks at the Norfolk Naval Station, ordered the youth drummed out of the Corps in disgrace after he had been given a bad conduct discharge.

Greene said Capehart had not asked for authority to conduct the ceremony "and he did not get any such authority."

West Side Story Looms As Top Oscar Film

SANTA MONICA, Calif. (UPI) — Sophia Loren and Natalie Wood were among the leading contenders today for best actress of the year laurels at tonight's Academy Awards presentations.

The 34th annual Academy Awards shindig will see 28 golden statuettes distributed to performers, writers, technicians, directors and musicians for outstanding contributions during 1961.

Favored to come away with most of the awards is the musical "West Side Story" with close competition from "Judgment at Nuremberg." Also in contention are "The Hustler," "The Guns of Navarone" and "Fanny."

Both pictures won 11 nominations last month. Unlike last year, when Eliza

both Taylor was the sentimental favorite to win the best actress award, competition this year is very close in almost all categories.

Vying for best actress are Audrey Hepburn ("Breakfast at Tiffany's"), Piper Laurie ("The Hustler"), Sophia Loren ("Two Women"), Geraldine Page ("Summer and Smoke") and Natalie Wood ("Splendor in the Grass").

Best actor nominees are Charles Boyer ("Fanny"), Paul Newman ("The Hustler"), Maximilian Schell ("Judgment at Nuremberg"), Spencer Tracy ("Judgment at Nuremberg") and Stuart Whitman ("The Mark").

Stuart Whitman, competing with Fay Hainer, Lotte Lenya, Una Merkel and Rita Morino in the best supporting actress race, appears to have won more sentimental votes than any other performer.

She played a small role in "Judgment at Nuremberg."

For the second consecutive year the Academy of Motion Picture Arts and Sciences Awards will be held at Santa Monica Civic Auditorium. Lack of theater space in Hollywood forced academy board members to move to the Santa Monica Auditorium which has a capacity of 2,600.

Infants Die In Hospital

Infant twin daughters of Mr. and Mrs. Wayne J. Holt of Route Two, Sanford, died shortly after birth Saturday at Seminola Memorial Hospital.

In addition to their parents, they are survived by brother, Wayne J. Holt Jr.; grandparents, Mr. and Mrs. E. A. Baron of Sanford and Mr. and Mrs. Hubert H. Holt, Lucedale, Miss.

Funeral arrangements, incomplete at this time, will be announced by Gramkow Funeral Home.

Mrs. Pettigrew Funeral Today

Funeral services were held today in Sacramento, Calif., for Mrs. Frances Dague Pettigrew, 36, a native of Sanford and a graduate of Seminola High School. Mrs. Pettigrew died last Thursday after a lengthy illness.

Her parents, Mr. and Mrs. H. D. Dague of Sanford, left by plane Saturday for the funeral.

Surviving, in addition to her parents, are her husband, William G., and a son Douglas, Sacramento; two brothers, George Dague, Sanford, and Howard, Jr., Forest Park, Ga.; two sisters, Mrs. Jack Greene, Sanford, and Mrs. Carolyn Travis, Los Angeles, Calif.

CDR. HUGH L. O'HARA has relieved Cdr. Ralph Mattus as executive officer of Heavy Attack Squadron Three. Cdr. O'Hara first reported to Sanford in April of 1957 when he was assigned to VAH-5.

GAA Sponsors Playday

The Girl's Athletic Association of Seminola High School was hostess to Sanford Junior High School and Lyman High School on March 31 for a basketball playday.

The day began with registration at 9:30 a. m. Linda McLellan, president of GAA, welcomed the girls and introduced the gym teachers and other officers. Those introduced were gym teachers: Mrs. June Winn and Miss Samuels of Seminola High, Miss Sweeney of Sanford Junior High, Miss Cobb of Lyman, and Vice-President Judy Van Winkle; Secretary, Sharon Blackwelder; Treasurer, Ginny Fremont; Chaplain, Maureen Patz; and Athletic Manager, Sandy Corbett.

The basketball games began at 10 a. m. The schools were divided into senior and junior divisions with a team representing each school in each of these divisions. After each team played all teams in their

division, Seminola High School won first place in both divisions. Sanford Junior High placed second.

After lunch, various individual events took place. These events included foul shots, short shots, and long shots. Those girls taking honors in the Junior division were Crill Hadden of Sanford Junior High, Shirley Bowen of Seminola High, Joanne Winn of Sanford Junior High. In the senior division, Cindy Lake, Linda McLellan, and Grace Middleton, all of Seminola High, and Hubbard of Lyman.

While tabulating the scores of the day the girls enjoyed themselves by giving their school cheers and singing songs directed by Sharon Blackwelder, Judy Van Winkle presented the trophies.

Next on the agenda of this active club will be tennis, golf, and swimming tournaments, with a weekend campout at the close of school.

SALON 370 PAST CHAPEAUS and past departmental chapeaus attending the salon's anniversary dinner included, front from right, Mrs. Zorah Walker, Mrs. Margaret Crawford, Mrs. Mildred Mead, Mrs. Lillian Severs, present chapeau and Mrs. Charlotte Lane. In back, from right are Mrs. Ophia Harlow, Mrs. Barbarabelle Bradley, Mrs. Olive Murphy, Mrs. Emma Adams, Mrs. Margaret Scardfield and Mrs. Bess Lee. (Herald Photo)

Salon 370 Celebrates 15th Anniversary

Orange County Salon 370, at 40, celebrated the anniversary of its 15th year at the regular monthly dinner meeting last Wednesday at the Riksha Inn in Fern Park with 35 members in attendance.

Presiding was Mrs. Lillian Severs, chapeau, who had as her special guest, Mrs. Pearl Adams, secretary of the Dept. of Florida, American Legion Auxiliary.

Prayer was offered in memory of Mrs. Mae Coffin, Mrs. Bea Altermatt and Mrs. Louella Canada, deceased past chapeaus of the salon and departmental.

Mrs. Zorah Walker, past chapeau of salon 370 and past departmental chapeau for 1954 and 1955 and Mrs. Mildred Mead, past salon chapeau and past departmental chapeau for 1959-1960, were present for the occasion.

Other dignitaries attending included Mrs. Bess Lee, Mrs. Charlotte Lane, who acted as mistress of ceremonies, Mrs. Olive Murphy, Mrs. Emma Adams, Mrs. Ophia Harlow, Mrs. Margaret Scardfield and Mrs. Barbarabelle Bradley.

Mrs. Hazel Hickey could not attend due to other commitments and Mrs. Alice Halentine was not present due to illness in her family.

The 8 et 40, a subsidiary organization of the American Legion Auxiliary, is organized for fun, fellowship and service. Its purpose is to assist in the prevention and control of tuberculosis in children.

A letter was read from the departmental chapeau, Mrs. Lucia Marteny of Weirsdale, stating that a project (providing potty chairs) is being conducted in the departmental for the Southwest Crippled Children's Hospital at Tampa.

Mrs. Scardfield made an arrangement of spring flowers for the salon which was taken by partner Margaret Crawford. Funds derived from the project, \$17, bought two chairs for the hospital.

Partners of salon 370 come from Lake, Ocala, Orange and Seminole counties.

Cemetery Association To Meet

By Helen Snodgrass

A meeting of the Enterprise Evergreen Cemetery Assn. will be held at 7:30 p. m. today at the school cafeteria.

Officers will be elected and plans will be discussed for the new water system.

All members and prospective members are requested to attend.

Do - It - Yourself Drycleaning Arrives Here

It was bound to happen and it has. With the arrival of a battery of Westinghouse Laundromat Coin-Operated Drycleaning Machines at E-Z Kleen, Celery Ave. at Mellonville, the age of do-it-yourself drycleaning has begun.

We are informed that these remarkable new machines dryclean a load in just minutes for only \$2. The load can be comprised of 11 ladies' dresses or 10 ladies' skirts or 32 ladies' blouses or six men's slacks or nine men's sweaters or 18 children's dresses or 25 children's slacks or nine children's coats or four pairs of unlined drapes, etc., etc. or any combination of the above. The machine will dryclean such household items as sofa slip covers, bedspreads and shir- rugs. The new Westinghouse Drycleaners are also perfect for wash-and-wear clothes.

Developed by a team of Westinghouse engineers, these new coin-operated drycleaning machines for Laundromat laundry stores were in the blueprint and testing stage for over eight years. They are so simply designed that there's little for the user to do but load his clothes into the machine, close the door, insert the coins, relax and socialize while everything is being drycleaned. And while waiting, the customer can do the weekly laundry in the coin-operated Westinghouse Laundromat washers and big fluff dryers.

E-Z Kleen is the first local coin-operated laundry to install these new drycleaning machines and, because of the dual advantages of low cost and maximum convenience, consumer response has been excellent. With a combination of coin-operated drycleaning machines, washers, dryers, extractors and vending machines that supply allied products, the Bernsena feel that their store is now truly a community service fabric treatment center. And what could be more important to our community than cleanliness?

The Essence Of Freedom

U. S. educators think this country's schools have always tried hard to teach their students the meaning and value of freedom.

But they feel challenged to take a new look at how well they are doing this job.

For one thing, the headlong pace of events at home and abroad has put the problems of freedom in a whole new context.

For another, many schools are now probing into the nature and meaning of communism, as an increasingly necessary, objective study exercise. Educators see a need for defining more sharply the contrasting characteristics of freedom.

Some 150 schoolmen met recently for this very purpose. They agree wholeheartedly with Secretary Ribicoff of Health, Education and Welfare that freedom is something to be guarded carefully and "passed down to our children with proper instructions for its safekeeping."

One group of the conferees, bearing the forbidding title of the Committee on Fundamental Assumptions, went to the heart of the matter: What is this freedom we prize so highly?

Prof. Waldemar Read, head of the University of Utah's philosophy department, spoke for the group. As with many who have tried to define it, these educators see freedom as a thing of many aspects.

Fundamentally, however, they regard it as a mechanism providing individuals with the chance — in a wide range of fields—to decide between alternative choices.

Most precious is the choice of political leadership through the bal-

lot box. But a free man also usually picks his career, his job, the place he wants to live, his mate and friends, his leisure-time activities, the books he reads, the thoughts he cares to express.

An Professor Read notes, where choice enters, so does the prospect of being wrong. "Freedom is a risk," he adds, "but it is a risk worth taking."

Yet to enjoy its fruits, men must be ready not just for risk but for responsibilities. These include respect for the limits law and custom place on liberty.

In a sense, freedom is the absence of restraint. Still, in some areas of life—driving a car is a small example—total unrestraint would yield chaos and make no one free.

So, to the conferring educators freedom is a thing of choices made within the framework of defined, necessary limits. Take away the frame and you would destroy the opportunity for choice.

With the chance of choosing, however, the educators see liberty as a rich experience "basically experimental and delighting in diversity." It is a mode of life, therefore, which supremely fits the greatly varied facts of existence as we find it.

Here, say the schoolmasters, is but one big realm where freedom has its all-around application. Freedom of life are simply too numerous and complex "to be coerced into a single scheme" such as rigid, narrow, sterile communism offers.

None of freedom's superiorities is perhaps greater than this. It deserves to be heralded not just in our schools but wherever on earth liberty competes with the tyranny of the "single way."

Dr. Crane's

Worry Clinic

Arch Reynolds and his military comrades can reassure freedom to America. But they and others past 60 most us, for the "canary" case below shows that when people have been reared in a regimented life, they don't want freedom any more. So beware, and read for the crucial book-let below.

CASE 1-48: Arch Reynolds, aged about 62, is an active leader of the Veterans of World War I.

"Dr. Crane," he began, "the younger generation doesn't know what real freedom means."

"It has grown up in a regimented age where Uncle Sam has taken over many of the liberties we used to have prior to World War I."

"For Uncle Sam now reaches into our pockets for

feeling income tax, which wasn't true before 1913.

"He regiments us farmers and arbitrarily tells us how many acres we can plant in our own farms."

"Dr. Crane, if people are unaccustomed to liberty, will they have any great yearning for it?"

A neighbor woman had a pet canary that had been caged all its life.

One day she decided that the little bird would be delighted to get out of its cage and taste some freedom.

So she opened the cage door. Timidly the canary emerged and finally flew across the living room, to perch on the mantle.

It acted restless and uncertain of itself. When some visitors dropped in, their loud talking frightened the canary, so it flew back to its

cage.

But it couldn't find the door, so it beat its head against the wires in its panic to get back inside. Actually, the canary wanted the calm of its previous regimented existence, even though that involved slavery.

Alas, the same type of thing exists among human beings. For example, you Bible scholars will recall that Moses led the enslaved Hebrews out of severe bondage in Egypt.

While slaves, they had been whipped with a cat-o-nine tails and their children had been slain, including all the boy babies at the time of Moses' birth.

But when their food ran low in the Wilderness, the newly freed Hebrews revolted against Moses. They longed for a return to abject slavery, saying that in Egypt "we did eat bread to the full."

Even today the idea of freedom and liberty is alien to Asia for the Orientals didn't even have a word in their vocabulary for freedom.

So we Americans must realize that most people on this earth have never enjoyed the liberties that America offered us up to 1913.

And we could still get back to that freedom if you older folks who can recall a non-income tax and a non-bureaucratic regimentation, will just unite.

The Veterans organizations and American Legion can again restore our pioneer liberties and freedoms. How? By demanding that Uncle Sam get out of business competition with us private taxpayers.

Sell the 700 government corporations back to private stockholders, thereby getting \$100 billion with which to cut our federal debt by one-third.

Then that \$100 billion will go back on the tax books, to produce another \$8 billion per year in extra taxes.

Thomas Jefferson believed citizens should spend their own money. But for the past 30 years, government has insisted Uncle Sam could spend it more wisely. That's malarkey.

So send for my booklet "How to Save Our Republic," enclosing a stamped return envelope, plus 20c. Join the Veterans of Foreign Wars and American Legion in stopping our mad stampede toward Socialism.

Goulart Leaves Good Impression

WASHINGTON (UPI) — Brazilian President Joao Goulart left Washington today for New York, leaving behind a new confidence in his regime among U. S. officials.

Before boarding his U. S. Air Force plane, Goulart said that "I trust this visit will strengthen more than ever the traditional bonds of friendship that unite this nation and ours."

Seeing him off were Vice President Lyndon Johnson, Secretary of State Dean Rusk,

and other U. S. diplomatic representatives.

Johnson said he was voicing the sentiments of President Kennedy in hoping that Brazil and the United States could "stand shoulder to shoulder" in seeking social justice throughout the hemisphere.

Johnson said social justice "will be more speedily achieved . . . because of this vast enterprise. As in so many others, Brazil and the United States stand shoulder to shoulder."

OUR BOARDING HOUSE

HAW—SINCE I'VE BEEN IN THE HOUSE I'VE HEARD A LOT OF TALK ABOUT THE BOARDING HOUSE. BUT I'VE NEVER HEARD OF IT. CAN YOU TELL ME WHAT IT IS?

DEAR MASON—ENCLOSED IS A CHECK FOR \$100, WHICH I KNOW YOU CAN USE IN WORKING YOUR MINE. SHOULD YOU HAVE SUCCESS I KNOW YOU WILL ALLOW ME A SHARE IN THE BUSINESS. SINCERELY, BASH BOOTHBY

BOOTHBY IS NOW THE LARGEST STOCKHOLDER.

Letters

To The Editor

Dear Editor: Just finished reading the article in the Herald about Kennedy's proposed tax on boats.

Ridiculous! Taxes for the military we need. Taxes for roads we need. And schools. But a

Ben Wiggins To Head Rotary Club
Ben Wiggins, Seminole County Soil Conservation agent, was elected president of the Sanford Rotary Club at the last club meeting.

Vice president of the organization (a newly created post) will be Bill Hemphill of Hemphill Motors and remaining secretary will be Dr. H. W. Ruprecht with W. M. Haynes as treasurer.

The new officers will take the helm in July to serve for the coming year. Outgoing president is Dr. Philip J. Westgate.

This law, if passed, will also have the effect of reversing the present trend toward larger, safer boats. I have been thinking of selling my present 17 footer and buying a 22' houseboat-cruiser.

VFW Auxiliary Elects Officers
By Mrs. Adam Muller
The Auxiliary to DelBarry's VFW Post 8003 elected Rhea M. Davis as its new president at the last meeting of the group with Mrs. Billie Schnabel presiding.

Other officers elected at this time included Sally Peralta, senior vice president; Margaret Strang, junior vice president; Theresa Groves, treasurer; Elizabeth Santillo, chaplain; Myrtle Hill, conductress; Ellen Cortis, guard; Ruth LaChat, three year trustee; Lily Esterkamp, two year trustee and Elsie Himmelberger, musician.

Political Notebook

WASHINGTON—(NEA) — The coming showdown fight between supporters and opponents for the United Nations presents complex issues.

On one side is the Kennedy administration, committed to all-out co-operation with the United Nations as a basic principle of U. S. foreign policy. The President believes that from 80 to 85 per cent of the people support the UN.

He cites public opinion surveys, one of which shows 90 per cent of the people polled against U. S. withdrawal from the UN.

On the other side are highly vocal opponents of the UN and all its works, citing a wide variety of reasons.

Some are outright isolationists who do not believe in any kind of international cooperation. Some believe that the UN is a failure because it has not already achieved world peace.

Some believe the UN has not been effective in blocking Communist expansion. Some

its peace-keeping activities in places like the Gaza strip and the Congo.

Four alternate plans have been suggested by Senators Aiken, (R-Vt.), Dirksen, (R-Ill.), Russell, (D-Ga.), and Clark, (D-Pa.), with nine other senators as co-sponsors of Clark's proposal.

To beat off Republican proposals to make the bonds repayable in three years—which might be impossible—the Senate Foreign Relations Committee came up with a compromise.

It would provide for outright U. S. purchase of \$25 million in bonds, with \$75 million more being bought on a matching basis as other countries make purchases. Since nearly \$50 million has already been subscribed, the President accepted this amendment.

Even more acceptable to the administration would be Senator Clark's proposal. It calls for financing the U. S. \$100 million purchase by the sale of a like amount of 25-

per cent bonds to the general public. This idea is really too brain child of Rep. Frank Kowalski, (D-Conn.).

State and Treasury departments were at first reluctant to embark on anything that might interfere with the sale of U. S. Savings Bonds. But Treasury Secretary Dillon and Under Secretary of State Ball now have given the Peace Bonds their blessing, with obvious White House approval because the Peace Bonds would not compete with the shorter term, higher interest rate Savings Bonds.

An important side effect of the Peace Bond proposal is that it would give supporters of the UN a chance to demonstrate their faith in and support of the world organization. An over-subscription would be public endorsement of the UN. But if the Peace Bonds didn't sell, it would be another black eye.

In the course of congressional debate on the bond issue, the whole program of

the United Nations will be reviewed. A number of senators backing the Clark bill are planning to take the floor for major addresses on foreign policy. One of their purposes will be to answer the criticism of UN opponents and the doubts expressed by those who, like Sen. Henry M. Jackson, (D-Wash.), think more American reliance should be placed on regional organizations like NATO than on the UN.

Oviedo P-TO To Elect New Officers
By Jean Lyles
New officers of the Oviedo Parent-Teacher Organization will be elected at next Thursday's scheduled meeting of the group.

Recommendations will be presented by the nominating committee of Beryl Holder, Mrs. Rex Clonts and Mrs. Edna Cole.

Refreshments will be served at the close of the meeting by Mrs. Robinson's fifth grade and Mrs. West's and Mrs. Wright's sixth grade.

Not Only Indians
The cigar store Indian was not the only figure to be used outside tobacco shops. Such figures also included likenesses of John Bull, Uncle Sam, a dandy to draw the dandy trade and, in England, a Scotsman in kilts. Some figures of Scotsmen were used even in America to advertise tobacco.

Mr. And Mrs. S. T. Nix

Miller Was Contractor For New Nix Building

William (Mack) Miller was general contractor for the new building, with the steel bar joists and beams by Clark Construction Co. The Permalite Coraform roof was by Giffen Industries, Inc. and masonry by Gayle Howe. Glass and Glazing was done by Mellaney Paint and Glass, with R. L. Harvey doing the plumbing. M. D. Velez was responsible for the electric wiring and fixtures and Holway Materials did the Ready-Mix Concrete and blocks, with Gregory Lumber Co. furnishing lumber for the new building.

Bomber Stream Meet Slated

For the Bomber Stream competition this month San Salvador and Marquesas Keys will be the focal point for squadrons One, Three, and Eleven to drop their bombs and vie for top honors in the 6th Bomber Stream to be held today. These will be four crews from each Heavy Attack squadron. Each crew will drop bombs on Marquesas Keys and make a high altitude RBS run on San Salvador. The winner of these events will be presented awards on Tuesday.

Art Assn. Meet Slated Today

The Sanford Art Assn. will hold its regular business meeting at the Civic Center at 7:30 p. m. today.

The presentation of the new slate of officers for the coming year and other items of business will be discussed. Members are requested to bring their pictures for the critique which will be held.

Wednesday the Art Assn. will attend a private showing of the International Traveling Exhibits of Rudolph Steiner Arts Foundation, which is being sponsored by the Seminole County Schools at 111 East First St. (the old Firestone Store). The exhibit will be open to the public Thursday, Friday and Saturday, in conjunction with the annual Elementary School Art Fair Exhibition.

Sound

Thunder ordinarily is heard only for distances of about 15 to 18 miles; gunfire can be heard, under favorable conditions, for much greater distances, according to the Encyclopedia Britannica.

Nix Bedding Company, a locally owned and operated enterprise, is moving to a brand new location at 709 Celery Avenue from their old quarters at the corner of Sanford and Celery Ave.

The grand opening is scheduled to begin on Tuesday and run through Saturday, with a prize of a first quality tuftless mattress going to one

of the many visitors who are expected to call on Mr. and Mrs. S. T. Nix at their new factory location. Refreshments will also be served.

The Nixes started in business seven and a half years ago as manufacturers of mattresses and box springs. They also make custom upholstery and renovate and repair upholstered furniture. Both Mr. and Mrs. Nix have had extensive previous experience in the bedding manufacturing business before they opened their factory here. Their daughter, Mrs. Eleanor Butler is associated with them in the business.

The successful business has now outgrown the original building and facilities, making necessary the construction of a new building.

The new home of the Nix

Bedding Co. is a steel reinforced concrete block fireproof factory and showroom at 709 Celery Ave. with 5,000 square feet of floor space. It accommodates an ample work shop in the rear and a large

display and sales room in the front of the store.

They have also added to their own fine manufactured bedding, a high grade line of living room and bedroom furniture.

Miss Fisher, Larry A. Yack Wed At Naval Air Station

Miss Deborah Shellia Fisher, daughter of Mr. and Mrs. Robert G. Lockwood, Sanford, and Larry Albert Yack, son of Mr. and Mrs. Albert Yack, of Warren, Mich., were married March 17 at 11 a.m. at the Sanford Naval Air Station Chapel.

Father Antos, Catholic Chaplain, officiated at the double ring ceremony.

The chapel was decorated with baskets of white gladioli and pom poms and on the altar were candelabra, fern and vases of white mums and greenery.

The bride, given in marriage by her father, wore a formal length gown of imported Chantilly lace and nylon tulle, featuring a torso type bodice with scalloped mandarin collar and long sleeves. The skirt had three tiers of nylon tulle over taffeta with lace overskirt and a military train of nylon net.

She wore a floor length gown of green crepe with a circular band of green ribbon with short veil and carried a nosegay of white carnations with white ribbon and green shamrocks. Best man was William Hanson and serving as ushers were Robert Lockwood, brother of the bride and James Torbit.

The bride's mother wore a beige crepe dress with Kelly green accessories and a green carnation corsage with bronze ribbon.

Following the ceremony a buffet luncheon was held at the home of the bride's parents, 205 Satsuma Drive, for members of the wedding party, relatives and a few close friends.

Green and white streamers and white wedding bells decorated the Florida room where the luncheon was served. The buffet table was centered with an arrangement of white gladioli, green pom poms and fern.

The cake table was overlaid with a white lace cloth, over mint green. The three-tiered wedding cake was decorated with pale green roses and flanked by white candle holders with green candles. Miss Judy Mott kept the bride's book; Mrs. Walter Gardner cut the cake, and Mrs. William Clause served the punch.

For her going-away outfit, Mrs. Yack wore a blue suit with patent leather accessories and the orchid from her bridal OES Courtesy Honors The Peurifoy's

MR. AND MRS. LARRY ALBERT YACK

Developed French illusion was attached to a Grecian type lace crown adorned with seed pearls and sequins. She carried a white prayer book topped with a green orchid and a sash of green ribbon tied with love knots and lilies-of-the-valley.

Miss Darlene Fisher, sister of the bride, was maid of honor. She wore a floor length gown of green crepe with a circular band of green ribbon with short veil and carried a nosegay of white carnations with white ribbon and green shamrocks.

Rules Released For Flower Show

Mrs. J. E. Terwilliger Jr., chairman of the annual flower show entitled "Foothold in the Future," April 26 and 27 has released rules and regulations regarding entries. It will be held at the Bill Fleming Memorial Gymnasium at the High School and any funds derived will be used to landscape the school grounds.

Entries are open to members of the Sanford Garden Club and residents of Seminole County. Others may enter by special arrangement with chairman of reservations. All interested gardeners are urged to make entries in both the horticulture and artistic design divisions.

1. Only one entry allowed to a class. 2. No painted, dyed, or treated plant material allowed except where specified. No artificial flowers or foliage permitted in any class. 3. Bases, stands, background materials, accessories are optional unless specified. Backgrounds may not be draped. 4. Commercially grown plant material permitted but designs must be the work of exhibitor. 5. Niches are painted a soft grey-green and will be staged at a height of 40 inches from the floor. 6. No material on Florida Conservation list permitted except in educational exhibits. Artistic design scale of points, design 30 - interpretation 25 - distinction 20 - color 15 - condition 10.

materials allowed, but not dominate.

3. MOST UNFORGETTABLE TEACHER (24" x 24" x 14") eligible for award of distinction. Interpretive design to include accessory. Some fresh material required.

4. PEP RALLY BONFIRE (24" x 24" x 14") eligible for tri-color. Exotic design featuring tones of orange or red. All fresh material.

5. WATCHING FROM THE SIDELINES (32" x 28" x 18") eligible for tri-color. Line-mass design depicting something other than football, baseball, basketball. (Must be titled.)

6. POP AND HOP (32" x 28" x 18") eligible for award of distinction. Rhythmic design, interpreting favorite snack, dance, etc. with accessories. (Titled.)

7. PRIVATE LIFE OF A TEENAGER (32" x 28" x 18") eligible for award of distinction. Artistic design picturing really important things - dreaming, primping, loafing, phoning, etc. (Titled.)

8. PRIDE OF OUR HERITAGE (32" x 28" x 18") eligible for award of distinction. Artistic design depicting historical event, not to include 20th century. (Titled.)

9. STRENGTH IN KNOWLEDGE (32" x 28" x 18") eligible for award of distinction. Contemporary design using bold colors. (Treated preserved materials permitted.)

10. HONOR IN JUSTICE (34" x 26" x 18") eligible for tri-color. Designs staged on scales (to be provided by exhibitor) demonstrating balance in which all fresh materials are used.

11. FAITH IN GOD (32" x 28" x 18") eligible for tri-color. Mass design suitable for church, all fresh foliage and flowers. Any color or combination of colors.

12. HOPE FOR ALL MANKIND (32" x 28" x 18") eligible for tri-color. Artistic design of all fresh material, all green.

SECTION C - Tables... to be done by High School gardeners.

SECTION D - Corsages

1. Junior-Senior prom - formal fresh.

2. Informal dried.

Mrs. T. W. Mero will take applications for entries in the artistic design group and Mrs. Spencer Harden, the horticulture.

Forty-two members and visitors witnessed a courtesy by the Past Matrons, honoring Worthy Matron and Worthy Patron R. E. Peurifoy, of Seminole Chapter 2, Order of Eastern Star.

Mr. Peurifoy is a retired Railroad conductor and the past matrons were all retired in Railroad coveralls, caps and red bandana handkerchiefs and carried lanterns and lunch pails.

They each recited appropriate verses regarding his work and retirement. They entered the room singing "Working on the Railroad" and presented the couple with a gift of candleholders in Mrs. Peurifoy's pattern of milk glass.

Taking part in the ceremony were past matrons, Mrs. Maybelle Maxwell, Mrs. Walter Raines, Mrs. Floyd Athow, Mrs. Eunice Turner, Mrs. Stella Moore, Mrs. J. Bailey, Mrs. Leale Sheppard and Mrs. John Sheppard.

Birthdays honored were Mrs. P. A. Rowland, Mrs. L. N. Trued, Mrs. Athow, Mrs. Peurifoy, Mrs. Elton Bennett, Mrs. Charles Bell and Mrs. A. Clink.

Hostesses, Mrs. E. V. Thompson, Mrs. Billie Schnabel, Mrs. Harvey Dunn and Mrs. Peurifoy served refreshments in the dining room, which was decorated with arrangements of anemones and roses.

Circle Plans Installation Tuesday Night

The Anna Miller Circle elected a new slate of officers at their last business meeting and will hold an installation ceremony Tuesday at 8 p.m. at the Elks Club.

Officers to be installed are Mrs. Christine Blankenship, president; Mrs. John Cameron, first vice president; Mrs. Hulian Hale, second vice president; Mrs. Harry Adair, recording secretary; Mrs. James Hoolahan Jr., corresponding secretary; Mrs. J. R. Hoolahan Sr., treasurer, and Mrs. Layman Goodman, chaplain.

Mrs. Wade Snyder will be the installing officer. All circle members, their husbands and officers of the Elks Lodge and their wives are invited to attend.

Entertainment will be provided for the meeting and refreshments served to the guests.

In other business at the recent meeting, Mrs. Ed Cox was named chairman of the

gifts for the patients at the Harry Anna Crippled Children's Home in Umattilla. This is an annual project of the circle.

An amendment to the circle by-laws was approved by vote. It stated that future meetings will be held every first and third Monday at the Elks Club.

Mrs. William Klinefelter reported that the recent "Trash, Treasures and Goodies" sale was a financial success and the proceeds will help buy the Easter gifts for the home or other benefits there.

Church Circle Plans Projects At Meeting

The Shirley Smith Circle of the Pinecrest Baptist Church met at the home of Mrs. D. C. Ragan for the monthly get-together. Mrs. Adwon Clark led the devotions and Mrs. Don Gravenmier, circle chairman, presided at the business session.

Toys are still being collected for the Little Red Schoolhouse and cold drink bottle caps are to be saved for the Baptist Children's Home in Lakeland.

Mrs. Charles Wade had charge of the program entitled, "The Bible Instructs Thoroughly." Taking part on the program were Mrs. George Fleet, Mrs. Roger Clark, Mrs. Don Ellis, Mrs. Garley Sykes and Mrs. B. M. Fitzgerald.

Other members present were Mrs. Harold Sherwood, Mrs. Cliff Able, Mrs. Lucille Abrams and Mrs. Don Stowell.

Mrs. T. R. Gregg, Mrs. Roy Copeland and Mrs. W. V. Lanser were welcomed as visitors.

Carnations, violets, gardenias and tuberous-rooted begonias absorb water through their petals. Therefore, you can dunk them in water or spray them.

Club Holds Dinner Meeting

Members who attended the general business and Fine Arts Departments of the Sanford Woman's Club meeting enjoyed two outstanding programs in one.

Mrs. S. J. Nix and her committee were in charge of the luncheon which was served at noon. Assistants were Mrs. Roy Parrin, Mrs. Irving Pryor, Mrs. Clyde Ramsey and Mrs. N. V. Farmer.

Mrs. Pryor arranged the decorations of tulips made from egg shells, a dragon also made of egg shells, a palm epergne, with the little baskets holding colored eggs on green straw, an Easter egg tree and a pot of Easter lilies.

Following the luncheon, Mrs. Peter Bukur sang "America The Beautiful"; then Mrs. Donald Flamm introduced the attractive young exchange student, Miss Dorcie Demtroeder. She kept the audience entranced with her description of her own country, Germany, and ours.

Miss Demtroeder began by telling how she was selected to come to America and how thrilled she was, then gave her impressions of the school systems of the two countries. She is taking five subjects here in contrast to the 14 she had last year.

She speaks almost perfect English but in Germany the girls start studying English in the fifth grade. The boys begin Latin in the fifth grade and English in the seventh. The speaker graciously answered the flood of questions asked after her talk.

Next on the program was a group of kindergarten children with their teachers, Mrs. Earl Bouquard, Mrs. Carolyn Betts and Mrs. Lloyd Swain. From their performance no one would believe that they were kindergartners though, for they sang, acted and danced like teenagers.

They opened the program by singing "Disco" and "Yankee Doodle," and they sang as well they captivated the audience at once. Other numbers included "Three Blind Mice," "Baa Baa Black Sheep," and many others. After the closing number, Peter Cottontail, Mark Dial and Alice Singletary, dressed in rabbit costumes, gave out jelly beans to the audience.

Others in the group were Katie Whelchel, Dana Tyre, Leslie Whittorn, Johnny Domingue, David Woodruff, Michael Peacock, Becky Longwell, Mike Richards, George Kenis, Cindy Crews, Christy Beauille, Ricky Green, Sandy and Judy Swain.

At a short business session, conducted by the president, Mrs. W. M. Gramkow Sr., Mrs. Charles Sims was elected first vice president of the general club. Mrs. W. R. Stringfield was elected delegate to the state convention in Tampa, April 24 to 27. Mrs. L. E. Spencer was named alternate.

Mrs. C. L. Redding, second vice president, introduced a new member, Mrs. Donald Ellis, and announced that Mrs. Rosalie Jordan, mother of Mrs. Robert Drabik, had also been accepted as a new member. Mrs. R. A. Smith introduced Mrs. Leonard Dunn, newly elected president of the Lake Mary Woman's Club, as a guest for the day.

MISS DORTIE DEMTROEDER, left, guest speaker at the Woman's Club meeting and Mrs. Donald Flamm, program chairman for the day. (Herald Photo)

May Sale Planned By Church Class

The Daughters of Wesley Sunday School Class of the First Methodist Church met in McKinley Hall for the regular business and social meeting, with Mrs. Claude Herndon, Mrs. J. E. Courier, Mrs. L. J. Boyette, Mrs. A. C. McReynolds and Mrs. J. H. Stephen as hostesses.

The hall held lovely arrangements of spring flowers placed at vantage points. Mrs. Charles Meriwether, class president, presided over the business session.

Mrs. Ross Adams gave a most inspirational devotion, using "Hope" as her theme, and followed by prayer. Reports from all standing committees were given.

After a lengthy discussion by class members concerning which of the two books now being used for the lessons is preferred, a mixed decision was reached. A committee consisting of Mrs. Meriwether, Mrs. R. F. Cole and Mrs. Roy Tillis will investigate the advantages of each and report their decision to the group at the next meeting.

A market basket sale will be held at the May meeting and all members were urged to bring articles for the sale. The visiting committee reported the number of the sick and shut-ins they had visited. All members were asked to make visits to these members. Delicious cookies, sand-

wiches and Russian tea were served by the hostesses.

Others attending were Mrs. C. M. Flowers, Mrs. Hany Brown, Mrs. J. R. Hawthorne, Miss Carrie Wert, Mrs. O. E. White, Mrs. Gracye Gregory, Mrs. A. B. Stevens, Mrs. John M. Gillon, Mrs. Brodie Williams, Mrs. R. G. Hickson, Mrs. Ben Monroe, Mrs. Clark Leonard, Mrs. M. L. Wright, Mrs. J. H. Andersson, Miss Versa Woodcock, Miss Alan Chapman, Mrs. Cole and Mrs. Tillis.

Informal Fashion Show Planned

A fashion show will be presented by Ro-Jays, Tuesday at the Capri. They will present the "Bright new look for the summer of 1962."

A variety of summer fashions including bathing suits will be modeled informally, starting at 12:45 p. m.

Models are Dee Harvey, Mrs. John Johnson, Mrs. John Purdy and Mrs. Robert Sheiden. Mrs. Gerald Wainke will be co-ordinator of the show.

Among private parties planned for the day to enjoy the fashions is a luncheon meeting of the VAIL-9 Enlisted Wives Club.

THE PHANTOM

Dear Abby:

By Abigail Van Buren

DEAR ABBY: I've never written to you with a problem, but I wouldn't think of missing your column a single day. In fact, I enjoy reading DEAR ABBY so much that I've given it up for Lent.

Yours sincerely,
Mrs. F. O'N.

DEAR ABBY: Our 19-year-old daughter recently married a 20-year-old boy whom we love as our own son. He has been sent overseas and our daughter has moved back into our home.

She drives our car, keeps late hours and runs with a beatnik crowd. If we didn't watch her, she'd eat popcorn and candy bars for supper and sit up all night watching TV. She claims that she is a "married woman" and can do as she pleases. Is that right?

DEAR PARENTS: While she is in your home, married or single, she is your responsibility. Since your daughter obviously is not grown up enough to know what is good for her, it's up to you to tell her and to see that she does it.

DEAR ABBY: I am about to lose my mind because of a problem that would sound stupid to everyone I know, so I am hoping you can help me. HOW can you wash a three-year-old girl's hair when she fights, claws and screams blue murder? I have to chase her around the house to catch her and then it is a real battle all the way. I have tried putting ear plugs in her ears and a towel over her eyes, and even washing her hair in the

shower, but nothing works. I have bribed, begged and spanked. Please, please help me.

END OF MY ROPE

DEAR END: She probably has had her eyes burned by soap and has never forgotten it. Get a shampoo board and let her lean back so that no water or soap can run down her face. Or buy one of those rubber "brims" (infants' department) to keep her face dry. Good luck.

DEAR ABBY: Would it be proper for a mother to go down the aisle with her only daughter and give her away in marriage? She has no brothers or uncles to give her away, and her father hasn't done a blooming thing for her since she was born. To be honest with you, he took off years ago. I don't know where he is and I am not about to hunt him up.

WIDOW OF A LIVING LOUSE

DEAR WIDOW: Talk to your clergyman about the "giving away" part of the ceremony in your church. Not all ceremonies include it. And in some, it is perfectly permissible for a mother to go down the aisle with her daughter. Or the bride may go down alone.

Stop worrying. Let Abby help you with that problem. For a personal reply, enclose a stamped, self-addressed envelope.

For Abby's booklet "How To Have A Lovely Wedding," send 50 cents to Abby, Box 3365, Beverly Hills, Calif.

Jacoby On Bridge

This week's series will illustrate some basic principles of bidding and play. Here is a hand sent to me by Henry Auslander of Pittsburgh.

Henry reached a reasonable spade slam, but the cards were all wrong and Henry would surely have gone down if West had not violated a basic principle which is that you should never double a slam when this act may locate cards for declarer.

We The Women:

By Ruth Millet

Once upon a time women looked forward to being grandmothers. Grandmotherhood offered a woman all kinds of rewards. A woman could—with good conscience—"spoil" her grandchildren with attention. She could look forward, with the arrival of grandchildren, to being needed again—because a grandmother's help, advice and wisdom were called into service by young parents who had never been told that grandmothers were dangerous.

But now it's a different story. There's not much fun for women today in being grandmothers. If they offer advice to their own children who are new at being parents they are calmly told their ideas are old-hat—that the "experts" who write books on child care say such-and-such.

Even among their own friends today's grandmothers can't relax and act like grandmothers. Bragging about grandchildren or showing pictures is out. Grandmothers today have to take their grandchildren casually, mentioning them, if at all, in an offhand or flippant way. All they can brag about is the extent to which they leave the young parents alone and

little advice they offer. They can't brag "I told the children—" for "telling" the children anything (once they had children of their own) is now called interfering.

It's a kind of sad to hear grandmothers assuring each other: "I never interfere or offer any advice." It is as though they are admitting, "I know my place—and it is the place of an outsider."

TV Previews

8-8:30 p. m. CBS. Pete and Gladys. You'll laugh if seeing a man masquerade as a woman tickles your funnybone. Pete (Harry Morgan) is forced to adopt the masquerade as Gladys' mother when Gladys (Cara Williams) gets curious about a pair of old handcuffs and accidentally is in maniacal to Pete. She insists on going to a club meeting, thus Pete's protested disguise. This strained, unbelievable plot, though it evokes some fair chuckles, isn't up to past segments.

Every year, more than two million visitors view Niagara Falls.

Announcing . . .

A NEW Product Line

A NEW Concept in Marketing

A NEW BIG PROFIT OPPORTUNITY FOR THE SMALL INVESTOR

The words "ground floor opportunity" are frequently misused in the market place but here is a GENUINE GROUND FLOOR OPPORTUNITY TO MAKE BIG PROFITS with a great and growing national company—ULTRA-BIO CORPORATION. After intensive research our scientists have developed a line of unsurpassed food supplements. These new and revolutionarily products have been market tested. While it has long been known that virtually every person in our population is a potential buyer of food supplements, the overwhelming acceptance of ULTRA-BIO products by both the consumer public and medical profession indicate a market of previously unrealized potential.

At the present time ULTRA-BIO is building a nationwide marketing organization employing a new concept in product distribution through drug stores and other retail outlets and has immediate top-level distributor openings at a modest investment.

If you are seeking a full or part-time business opportunity that offers maximum profits at minimum investment the executives of ULTRA-BIO CORPORATION would welcome the opportunity to show you documentary evidence of how an investment approximating the price of a new car can place you quickly in the upper income brackets.

Write, wire or call: Maj. Gen. Fred H. Nunnally (USA Ret.) ULTRA-BIO CORPORATION Union Carbide Bldg. 279 Park Avenue, New York, New York TN 7-1228

Rain Threatens Baseball Opener

By United Press International
President Kennedy, a tough football player of some repute, unlimbers his strong right arm for baseball today to help open a "new frontier" in the major leagues.

The President, who showed a live fastball last year in a ceremony dating back to William Howard Taft, will throw out the first ball at the game between the Washington Senators and Detroit Tigers in the nation's capital.

Rain threatened to dampen, or possibly even to postpone the presidential opener. The forecast was for cloudy skies and a 50-50 chance of showers.

There also was an opening-day game scheduled at Cincinnati, where the Reds, 1961 National League champions, were pitted against the Philadelphia Phillies. Because

Cincinnati was a charter franchise in 1876, the Reds traditionally open at home each year, instead of on alternating years. Only Cincinnati and Washington rate this privilege.

On Tuesday, major league baseball formally extends its boundaries to Texas for the first time. The Houston Colts, one of the two new National League franchises in the new club alignment, make their debut against the Chicago Cubs.

And on Friday, National League baseball returns to the ancient Polo Grounds in New York after an absence of four seasons. There the New York Mets, second of this year's new franchisees, meet the Pittsburgh Pirates.

President Kennedy, a host of Washington dignitaries and thousands of plain old baseball fans were expected to

pack the spanking new \$20 million District of Columbia Stadium to its 45,000 capacity. This would be the largest crowd ever to see a baseball game in Washington.

Right-hander Bennie Daniels will take pitch for the Senators, opposed on the mound by Detroit's left-handed Don Mossi.

At Cincinnati, the scheduled starting pitchers were Joey Jay for the Reds and Art Mahaffey for the Phils. Both are righthanders.

The Los Angeles Dodgers will dedicate their new Chavez Ravine Stadium Tuesday against the Reds. Other NL openers on that day pit the Milwaukee Braves at the San Francisco Giants; the New York Mets at the St. Louis Cardinals; the Phillies at Pittsburgh, and Chicago at Houston.

18-Hole Playoff In 'Tense' Masters

AUGUSTA, Ga. (UPI) — It was Arnold Palmer, who pulled his game together just when it looked like he was going to blow it for the second year in a row; defending champion Gary Player and conservative Dow Finsterwald in an 18-hole playoff today for the Masters championship and one of golf's richest purses.

They tied for the title Sunday with total of 280, eight strokes under par and the same score with which Player beat out Palmer for the championship last year by one stroke.

It was Palmer, as usual, who came up with most of the drama as 35,000 fans watched in brilliant sunshine and Finsterwald sat in a cottage bordering the Masters course wondering how he was going to make out.

Shooting a one over par 37-36-73, Finsterwald, playing with U. S. Open champion Gene Littler, who finished fourth, had come in with his final score as Palmer and Player teed off for the 18th hole.

At the start, Finsterwald tied with Finsterwald and Palmer, who had blown a two stroke lead starting off the final round, was two shots back.

Palmer, who needed only a par on the final hole to win last year but soared to a double bogey to lose out to the little South African, had played his poorest round, with three bogeys, one double bogey and 12 pars going to the 16th.

He changed from a four iron to a five iron for his tee shot on the par three, 190-yard hole and hit it too well, going over the green, and it looked like he was doomed to failure in his bid for a third Masters championship.

But he wedged the ball into the cup from that 43 feet for a birdie.

Now he knew he needed another birdie to get back into the running and he got it on the next hole, the par four 400-yard 17th. He put his eight iron second six feet from the cup and sank the putt.

That put him into a tie with Finsterwald and Player and then came the par four, 420-yard 18th where he blew

knocked his putt in to create the first three-way playoff in the 26 years of the Masters and only the fourth playoff in all that time. The last playoff was in 1954 when Sam Snead beat Ben Hogan by a stroke, 70 to 71.

Palmer, shaking his head sadly, admitted he was lucky to get into a playoff.

"I played so bad I couldn't have made the Podunk Open," he said. "I just never got going. I waded too many shots."

Many in the huge gallery thought the turning point for Palmer came on the second hole when he missed a two foot putt for a birdie.

Player, four strokes behind Palmer going into the fourth round of play, shot the best golf of the three with a 33-36-71, one under par for the 6,990-yard par 36-36-72 Masters course. Palmer wound up with a 39-36-75, three over regulation figures.

Palmer, shaking his head sadly, admitted he was lucky to get into a playoff.

"I played so bad I couldn't have made the Podunk Open," he said. "I just never got going. I waded too many shots."

Palmer, shaking his head sadly, admitted he was lucky to get into a playoff.

"I played so bad I couldn't have made the Podunk Open," he said. "I just never got going. I waded too many shots."

Swimmers From Seminole High Make It Third In A Row

Coach John Colbert's Seminole High School swimmers made it three in a row Friday as they downed the Lakeview swimmers in a boys meet. Colbert praised the entire team for their effort in the meet and failed to single out any one boy.

Charles Hayes qualified for the state meet in the 100 yd. freestyle event with a time of 57.8. All the boys looked good in the meet and with a few firsts and seconds, they had enough depth to win.

Results were:
400 yd. Freestyle — Pauley (L); Pounds (L); Henderson (S) Time 5:29

50 yd. Freestyle— Johnson (S); Reid (L); Duggan (L); Time 26.5
100 yd. Butterfly — Zeigler (L); Mayer (S); Thomas (S); Time 1:07
200 yd. Freestyle — Owenby (S); Clark (L); Henderson (S) Time 2:15
100 yd. Backstroke — Pauley (L); Middleton (S); John Ray (S); Time 1:17
100 yd. Breaststroke — Zeigler (L); Jim Ray (S); Hutchinson (S); Time 1:16
100 yd. Freestyle — Hayes (S); Pounds (L); Reid (L); Time 57.8
Diving — Ivey (S); Emillion (L); Bishop (S)
200 yd. Individual Medley — McGee (L); Elam (S); Time 2:40
200 yd. Medley Relay—Ivey, Jim Ray, Mayer, Ganas (S); Time 2:03
200 yd. Freestyle Relay — Owenby, Hayes, Johnson, Middleton (S); Time 1:44

Peanuts known as "runners," used mainly for peanut butter and salting, come from Alabama, Georgia and Florida.

City Puts Off Water Improvement Program

The City Commission, by a 3-2 majority Monday night, beat down Commissioner Tom McDonald's request to start work immediately on financing a million dollar water improvement program.

Mayor J. H. (Jimmy) Crapps and Commissioner Earl Higginbotham and Al Wilson refused to go along with McDonald and Joe Hak-

er. "We need it like a hole in the head," said Higginbotham. Crapps said he thought the city would be in good shape as far as water was concerned for at least another three years and asked, "where are we going to get the money?"

The proposed water program which includes new well fields and transmission lines was submitted by engineers Clark, Dailey and Dietz, Lefler and Bush "some four months ago."

"If we don't accept their recommendations, then let's hire some more engineers," McDonald said. Higginbotham exchanged angry words about the proposal with McDonald.

McDonald kept reminding the board that the city is faced with additional growth and needs additional water supply to take care of fire fighting. "We just don't have

enough on a peak day," he added. McDonald also said that he felt that the program would not cost any million and suggested leaving out the transmission lines.

However, the board wanted more information on water capacity figures and asked Knowles to work up some figures before next Monday's meeting.

Final Approval Of Sewage Issue Due Monday

The Sanford Herald

WEATHER: Cloudy through Wednesday. High today, 75-80. Low tonight, 60-65. VOL. 53 United Press Leased Wire Established 1908 TUES., APRIL 10, 1962 SANFORD, FLORIDA NO. 427

Action On B Bond Retirement Slated

The City Commission called a special meeting for next Monday night to give its final approval to a \$100,000 bond issue for financing a sewage treatment plant which will be authorized by 1977.

At the same time, the commission also agreed to give its final okay at this specially called meeting to set up a firm schedule to retire the old Series B bonds by 1977.

City fiscal agent Loomis Leedy appeared before the board Monday night and presented a revised schedule to finance the treatment plant and retire the old bonds with an increase in sewerage rates to 76 cents for each user in the city.

2 Sanford Fliers Killed In Crash

Two Navy lieutenants were killed Monday in the crash of a Navy training plane about 30 feet offshore in the Atlantic near Ponte Verda, south of Jacksonville.

The victims were identified as Lt. (jg) Robert Hugh Yates, 26, the pilot, whose parents Mr. and Mrs. Robert Edward Yates live in Catsanauqua, Pa.; and passenger Lt. (jg) Samuel Fleming Ray, 26, whose parents Mr. and Mrs. Champ L. Ray live at Burnsville, N. C.

THE GREEN LEAVES OF SUMMER make their appearance among the rocks in the famous triangle at the corner of Park and 25th St. as a quartet of ladies from the Sanford Federation of Garden Clubs work busily in the spring sunshine. Assisting are members of city work crews who previously prepared the soil and staked out the beds for the low-maintenance shrubs. Members of the Federation working at the triangle include Mrs. Eric Vihlen, president, Mrs. D. K. Dorman, pres.-elect, Mrs. Sophia Shoemaker, Civic Beautification Chairman and Mrs. A. W. Epps, Jr. (See story in Wednesday's Herald.)

Last Chance Given Reds On Test Ban

WASHINGTON (UPI) — Great Britain and the United States informed Russia today that they must go ahead with nuclear atmospheric tests this month unless the Soviet Union agrees quickly to a test ban agreement with adequate inspection provisions.

"There is still time to reach agreement," said a joint statement issued simultaneously at the White House and read in the House of Commons by British Prime Minister Harold Macmillan.

"We continue to hope that the Soviet government may reconsider the position and express their readiness to accept the principle of international verification," the statement said. It was prepared by President Kennedy and Macmillan in the light of Russia's refusal to accept inspection in any form.

LT/JG S. F. RAY

NEWS... BRIEFS

Goulart Ill
MEXICO CITY (UPI) — Visiting Brazilian President Joao Goulart was reported ill today. His press secretary said he suffered a "drop in blood pressure."

Screams Pay Off
SAN FRANCISCO (UPI) — Three women employees of a variety store foiled a hold-up Monday with a series of screams and a fast game of hot potato with a sack containing \$6,000.

Strike Ban
WASHINGTON (UPI) — The Kennedy administration today appeared to seek a federal court injunction against the West Coast maritime strike, despite opposition from union and management officials.

Blames Reporter
DALLAS, Tex. (UPI) — Former Maj. Gen. Edwin A. Walker said Monday he punched a Washington reporter in the eye last week because the newsmen first jabbed him three times with his elbow.

Seize 7 More
JESSUP, Ga. (UPI) — A huge posse, aided by bloodhounds, flushed seven more convicts out of hiding in southeast Georgia early today. Only one of 25 who escaped Saturday night from a state prison camp was still at large.

Sabotage?
PONT SAINT ESPRIT, France (UPI) — Police today investigated the possibility that saboteurs may have touched off the chain of explosions which destroyed a nearby gunpowder factory and killed at least 18 persons. Eight others were missing.

Refugees Arrive
LOS ANGELES (UPI) — Ninety-one Cuban refugees were taking a look at their new home today after flying here from Miami Monday. Lt. Gov. Glenn Anderson told them, "You must realize you will not be alone in Southern California."

Downtown Center Around The Clock

ROCHESTER, N. Y. (UPI) — The city of Rochester today got its first look inside a 7½-acre downtown shopping center complete with shopping mall, tropical trees that will grow year-round and perhaps the cuckooest clock in the world. Midtown Plaza, described by its architect Victor Gruen as a city within a city, was opened to the public at formal ceremonies today. It contains an 18-story office building, hotel, several streets full of shops and three other integrated buildings, all connected by a roofed-over, air-conditioned mall.

The L-shaped mall, about 300 feet long and 100 feet wide, has a ceiling 60 feet above the red tile floor, sheltering clusters of tropical plants and palm trees which will flourish next winter no matter how much snow falls outside.

The clock, dubbed "the clock of the nations," has four standard clock faces, but below the faces hangs a wheel-like structure with 12 spokes supporting large cylinders. Every half hour, when the clock strikes, the wheel revolves, one of the cylinders opens, and dolls inside dance a folk dance to music of one of 12 nations — the United States, Japan, Israel, Germany, Nigeria, Thailand, Canada, Poland, Italy, Puerto Rico, Ireland and Scotland.

On the hour, all the cylinders open but only one group of dolls dances. But when the clock strikes noon, every cylinder opens and all 12 groups of dolls dance.

Participants emphasized that this was just the first of many such meetings. The Rev. Dr. Eugene Carson Blake, stated clerk of the United Presbyterian Church, said that it would take "at least 10 years" for a detailed plan of union to be worked out and acted upon by the churches.

Milligan Hints At 'Mutiny'

ORLANDO (UPI) — State Democratic Chairman James M. Milligan hinted of a possible "mutiny" Monday night in replying to a suggestion by Gov. Farris Bryant that the party should hire a full-time, paid executive director.

Milligan said that present office holders, which include Bryant, should be thankful for the "foot soldiers of the party" who have fought through thick and thin to win elections of Democrats in Florida.

Bryant, in his weekly radio comment broadcast Sunday, said that the governor was the natural leader of the party, but that it was obvious that he did not have time to attend to details of partisan politics. Therefore, he suggested a full-time paid executive director to hold together the party's structure.

North Orlando Tax Poll Set

By Ginny Skalak
W. W. Anderson, speaking in his official capacity as a member of the North Orlando Village Council, told the Civic Assn. at its meeting Monday night that the village would be polled in regards to establishing a three per cent utility tax on residents to raise money for a Police Dept. and a Fire Hall Community Building.

Anderson said that he was sending a letter to every resident in the village and that a majority of the citizenry must return an opinion, either for or against, before any further action is undertaken.

Bomber Stream Meet Over

Marquesas Keys and San Salvador were the main points of interest Monday night as Heavy Attack Squadron One, Three and Eleven made BHS runs and dropped their bombs in an all-out effort to capture top honors in the sixth Bomber Stream competition.

Heavy Attack Squadron One emerged with all honors, having won as the top squadron and also the top team score. The top team consists of Lt. N. J. Johnson, pilot, J. S. Sandifer A01, Bombadier/Navigator and J. L. Haywood A02 as third crewman.

Liz's Child

FRIEDBERG, Germany (UPI) — The mother of the infant girl adopted by Elizabeth Taylor said today she has no plans to try to get the child back. She said the actress has vowed to love and care for her daughter for the rest of her life.

Reapportion Stay Asked

TALLAHASSEE (UPI) — Atty. Gen. Richard Ervin said today he will ask Federal District Court at Miami to withhold action on two reapportionment suits until the November vote on the proposed 45-member, 104-representative amendment.

Ervin said his office will take no position on fairness of the new formula, proposed by the 1961 Legislature with the help of the governor.

Oviedo School To Get Lights

The Oviedo Town Council voted Monday night at a called meeting to install two 400 lumen mercury vapor lights at the Oviedo High School. These will replace one conventional light now at the school. One light will be placed in front of the gym and the other at the intersection.

A representative of the Florida Power Corp. met with the Council to discuss installation of mercury vapor lights for the town to replace the present lighting system. No action was taken on this project in view of the heavy expenditures on street paving and the construction of the new \$15,000 fire house.

In other business the Council voted to make a first payment of \$5000.20 on the new fire house.

East Berlin Boy Crosses Wall

BERLIN (UPI) — An 11-year-old East Berlin boy jumped today from the roof of a five-story house on the East-West border into a net clutched by West Berlin firemen.

Another Young Refugee

Another young refugee became frightened, changed his mind and did not jump. West Berlin police said he apparently was arrested by Communist border police.

It's On The Rocks Casselberry Hears Liquor Protest

Casselberry's Sunday liquor sales came up for another round of discussion at the monthly Board meeting Monday night with Rev. Oscar C. Poole of the Community Methodist Church appearing to read a prepared public statement concerning his personal views on the issue.

Poole's statement came after Attorney Kenneth McIntosh advised the board that last month's Petition for Initiative was found to be faulty and that further action could come only from the board.

The petition sought to bring the town of Casselberry in line with county regulations through referendum, but failed to carry the necessary attached copy of the proposed ordinance and also was found to bear faulty signatures.

The minister, first making it clear that he had "no ax to grind" and was not "tied in with any political group," said that he did not approve of past approaches to bring about the Sunday closing.

"It is time for us to take a clear, sound and intelligent approach on this issue," he emphasized.

Poole pointed out that conformity with the Blue Laws was not at question but suggested, instead, that "the town should be concerned with whether the Sunday sales of alcohol constitute a menace to public safety in the area."

Citing the recent traffic incident in nearby Maitland involving a driver judged to be under alcoholic influence and members of Casselberry's Robert Hamilton family, all still hospitalized, he stressed that "one life is worth any amount of money these Sunday sales might bring into the town."

The statement closed with a plea to "keep the issue apart from personalities in the future."

Any further discussion on the matter at this time was ruled out by Chairman Paul Bates who said, "it's no use to reconsider it . . . the petition is a dead issue and we should stop and think this thing through before bringing it up again."
