THIS SALE HAS A REASON ...

We are the largest independent rental car company in Florida. Our rental business is based on a short winter season for which we buy thousands of brand new cars. Ques is a Service business and while we love them...no one-BUT NO ONE-is FUSSIER about the way a car performs than a rental customer " Our cars must be at all times in tip top mechanical condition. The interiors still have the "show room look". In short, each of our FIVE THOUSAND 1968 automobiles measures up to the highest standard of excellence. - Since we only operate in Florida, we are unable to send our cars North to "follow the season" ... so these LOW MILEAGE cars are placed on sale. - We have been in the automotive business in Florida for thirty-eight years and this is our 15th year in the car rental business...in other words we have a reputation to protect...so when you purchase a KING RENTAL CAR you are buying a car we know and we will be right here to stand behind the sale ... WHY-BECAUSE WE WANT TO SELL YOU ANOTHER CAR IN 1969, 1970, 1971, etc.
