Hottest news in Hardtops is the 4-Door Riviera

Why take anything less than the sensation of the year?

WHEN you learn what's been done in the automobile pictured here, you can easily see why this beauty is winning rave notices coast to coast.

Buick engineers took the hardtop body design that has been growing tremendously in popularity over the past six years—and gave it four doors instead of two.

Simple? Sure—to all outward appearances.

But it took a brand-new kind of body with wholly new structural principles to do it—to bring this long-awaited new kind of automobile to the public in volume numbers and at popular prices.

For this is a *true* hardtop—with the sleek and racy look of a Convertible, because there are no center posts in the window areas on either side.

And now it has front doors for the front-seat passengers—and rear doors for the rear-seat passengers—plus room increased to the size of a full Sedan.

(It took some special kind of engineering magic, you can be sure, to hinge all four doors at their forward edges for greater safety, and more ease of entering and exiting.)

HOTTEST NEWS IN AUTOMATIC DRIVES IS VARIABLE PITCH DYNAPLOW

It's the world's first transmission with the switch-pitch principle of the modern airplane's variable pitch propeller. You get better gas mileage in cruising. You switch the pitch just by pressing the gas pedal—and get lightning-like response for getaway, or for a sudden safety-surge of accelerating power. It's the performance thrill of the year. Standard on ROADMASTERS, optional on other Series at no more extra cost than earlier versions of this wonder drive.

So it looks like Buick has scooped the industry again—and come up with the hottest news in hardtops since Buick originated the first two-door hardtop six years ago.

And you can have it now—in the low-price SPECIAL or the supremely-powered CENTURY—and either one at the modest extra cost of a 4-door model over a 2-door.

Drop in on us today—this week, for sure—and see how easily and how quickly one can be yours.

It's Up To Residents If They Want Company To Establish In City

It's up to the people of Sanford if they want a \$100,000 Correct Craft boat-building plant here, the Chamber of Commerce said today.

Correct Craft president W. C. Meloon, vice president Walter Meloon and general manager Ted Essenberg visited the city yesterday to inspect three possible sites for the plant. They were "very much impressed" with a lakefront location, the Chamber pointed out.

Spokesmen Reveal Soviet Ambassador Agrees To Meeting

BERLIN (AP)—A U. S. spokesman announced today that Soviet Ambassador Georgi M. Pushkin has agreed to meet with the Big Three Western envoys Friday to discuss East Germany's new high taxes on trucks supplying West Berlin.

The Western ambassadors claim the Communist taxes are a violation of four-power occupation statutes which guarantee free access to Allied West Berlin. Although the West has given West Germany its sovereignty, the occupation continued in Berlin.

The Communists imposed the levies April 1, contending the money is needed to repair the three highways leading through the Soviet zone to West Berlin.

LINCOLN, Neb. (AP)—Mrs. Viola Sederburg is going to get her A. B. degree from Nebraska Wesleyan this spring and a right well earned one it will be.

Mrs. Sederburg, mother of three children from 7 to 12 years and wife of a Wesleyan professor, will have credits from eight colleges applying on her degree.

Before her marriage she studied at Luther College, Wahoo, Neb., and an Omaha business college.

After the married M. E. Sederburg, she studied at Black Hills Teachers College in South Dakota, University of Omaha, University of South Dakota, Drake University at Des Moines, University of Nebraska and finally at Wesleyan as her husband continued his studies and her teaching.

She herself is a third-grade teacher here.

AUTOPSY IS PLANNED FOR SIAMSE TWINS

DETROIT (AP)—Physicians at Mt. Carmel Mercy Hospital today planned an autopsy on Siamese twin girls who died last night less than a day and a half after they were born.

Dr. Glen E. Haase said indications were the babies died of respiratory and circulatory failure.

Mrs. Richard Herring, 37, mother of the twins, said "I am thankful that I do have two normal children at home." The father is a factory worker.

This was reported yesterday at the authority's first meeting since the Legislature authorized construction of a state highway from Miami to the Jacksonville area.

The two grading projects will be on the north end of the highway where right-of-way is expected to be obtained quickly.

Prompt Passage Foreseen

WASHINGTON (AP)—Sen. Hill (D-Ala.) said today there is "absolutely no question" but that Congress would quickly approve President Eisenhower's request for 25 million dollars to pay for antipolio vaccine for children whose parents can't afford the shots.

Hill voiced reservations about the administration's new 11-point program for voluntary allocations and controls over distribution of the Salk polio vaccine. Secretary of Welfare Hobby outlined that program to the committee yesterday after it had been approved by the President.

Hill said the program "very clearly" was not "detailed or definite."

Committee Democrats indicated by their questions and comments at yesterday's hearing that they are far from sold on the administration's plan to make sure, by voluntary methods, that supplies of the still-scarce vaccine get to the most susceptible age groups in sufficient quantities and that distribution is carried out equitably.

Cold Rain Fought By Brave Audience

LONDON (AP)—Braving a cold blustery rain, 50,000 Londoners half filled huge Wembley Stadium last night to hear Billy Graham preach. The same size crowd had attended the opening in the stadium Saturday night of his one-week London crusade.

"This is the greatest Monday night crowd in the history of my ministry," the American evangelist said in prayer, tribute to his hardy audience. "If this weather had happened to us in the United States, there wouldn't be a handful of people here."

Graham was a raincoat and spoke from under a canvas canopy. Most of his listeners packed in the open or huddled under umbrellas and newspapers since there are few covered sections in the stadium.

Hundreds came forward when Graham asked for "decisions for Christ." One crusade official estimated the total at over 2,000.

Nationalist Heads See Evil Purpose

TAIPEI, Formosa (AP)—Nationalist officials saw nothing today but evil purpose in the renewed offer by Red Chinese Premier Chou En-lai to talk with the United States on easing tension in the Formosa area.

Foreign Office spokesmen and the government information bureau said Chou aimed to drive the United States from the Western Pacific, with abandonment of support for Nationalist China on Formosa as the first step.

"In other words," said the information bureau spokesman, "the Chinese Communists want total American surrender in the Formosa area as the price for peace."

Shirley Released By Sanford Club, Walter Announces

Jim Shirley, Sanford Cardinal utility man, was released by the local baseball club today, according to an announcement made by business manager Jay Walter. The Houston, Texas, Buffalo, who held his contract, released him simultaneously.

Shirley stated in an exclusive interview with The Herald this morning that he hopes to sign with another Florida State League team for the remainder of the season. He will contact the Orlando CB's this afternoon in hopes of landing a first base assignment there.

At the time of his release, Jim was hitting .380 in the FSL. He has been used as a pitcher, first baseman and right fielder with the Cards this year.

A native of Tuscaloosa, Ala., Shirley played organized ball with Carrollton, Ga., of the Georgia-Alabama league in 1949 and 1950. In four years of service with the Air Force, he participated in two World - Wide Air Force tournaments. The Johnson Air Force base team in Japan, of which he was a member, won the All-Japan and All-East titles in 1954.

Jaycees Will Have Installation Friday

Byrd Marshall, newly elected president of the Florida Jaycees, will be present Friday at the Elks Club to install new officers of the Seminole County Jaycees. Preceding the ceremony a supper will be served with activities scheduled to get underway at 7 p. m.

Welborn Daniels of Clermont, newly elected Fourth District vice president, will also be on hand as a guest of the club.

Jaycees and their wives are urged to attend and members are asked to call 1872 to make reservations.

Wrong Bell Rung, Man Gets Lesson

SCHENECTADY, N.Y. (AP)—The man, born in Germany, studied the letter curiously. It was written in English. Surely, he thought the letters could translate it.

So he headed for St. Joseph's convent, stopped at the parochial school by mistake and rang the bell in front—just as in the fatherland.

Seventeen firemen rolled up in six trucks. The trembling man told Deputy Chief Thomas Meany how he made the "terrible mistake" of sending the alarm. Meany briefed him on how fire alarm boxes looked.

The letter was forgotten in the furor.

BILL WINS APPROVAL

AUSTIN, Tex. (AP)—A bill to restrict below-cost grocery sales won approval of the Texas Senate's State Affairs Committee yesterday.

The bill, already passed by the State House of Representatives, would allow below-cost sales but would require that quantities per customer be unlimited.

Sen. George Smathers Says Six Additional Squadrons To Arrive

The Chamber of Commerce was notified late today that the Sanford Auxiliary Naval Air Station will remain in Sanford and will expand in the near future.

Senator George Smathers, in a telephone call to William Kirk, who was his campaign manager in the last election campaign, informed him that six additional squadrons will be sent here. Kirk relayed the information to the chamber.

The action came as a direct result of a chamber delegation's activity in Washington. The delegation had worked for months to secure enlargement of the base and additional personnel, as well as a promise that the base would remain in Sanford.

Many rumors have circulated during past months that the base would either be closed or its operation severely curtailed.

As a result of these speculations, the Chamber sent the delegation to Washington to bring to the attention of the Florida legislative delegation and to the Navy officials the advantage of expanding the base.

Senators Smathers and Holland and Congressman Syd Herlong assured the delegation that they would do everything they could to urge the Navy Department to take some positive action. They made arrangements for the delegation to talk with high Navy officials and to explain to them the purpose of their visit.

Realizing the economic asset of the base to the Sanford area, the Chamber armed forces committee, under the chairmanship of State Rep. Mack Cleveland Jr., has been active for several months in doing everything possible to bring about an increased operation at the air station.

Smathers told Kirk that the Sixth Naval District had announced plans to send six composite squadrons to the base. Included in this, he said, will be the Seventh and Eighth Fleet Air Squadrons and the 62nd Heavy Attack Group.

These squadrons will be transferred from Norfolk and Patuxent River, Md. The groups will comprise approximately 110 officers and 892 enlisted men.

Private agencies were represented including the Catholic Charities, Family Service, Children's Bureau, Salvation Army, Lutheran Haven at Stavia in Seminole County and many others.

There were also many agencies and organizations present to represent service to people in need who are unable to meet their problems without such services.

Girl Found Dead In Refrigerator

NEW YORK (AP)—A 4-year-old girl was found dead—apparently suffocated—in an unused refrigerator in the basement of her Bronx home last night.

The child, Maria Hernandez, had been missing 3½ hours when her mother Virginia found her body. The father, Louis, took the child to a hospital, where emergency treatment was unsuccessful.

Authorities ordered an autopsy to confirm the cause of death.

Police sought to determine whether the girl crawled into the refrigerator alone and the door closed on her, or whether she was locked in while playing with other children.

Joe Fisher Is Selected Captain Of SHS Band For 1955-56 Year

The officers of the Seminole High School Band for the 1955-56 school year were announced at the weekend trip to State Capitol in Jacksonville with Joe Fisher heading the group as captain and Faye Ashley serving as head girl officer, first lieutenant.

Others are operations 1st Lt. Larry Burney; drum major, 2nd Lt. Robert Armstrong; secretary, 2nd Lt. Grace Dugan; first assistant operations, 1st Sgt. Bob Reely; historian, 1st Sgt. Sue Hayes; second assistant operations, 5th Sgt. Larry Payton; assistant librarian, 5th Sgt. Joyce Milam; head majorette, Sgt. Carol Nutt; drill masters, Sgt. Bill Hexamer, Leslie Smith, George Anderson, J. D. Stone; outstanding freshman, Cpl. Dickie Roundtree.

Returning from the 16th annual Florida Bandmasters' State contest in Jacksonville Thursday and Friday, the SHS band was rated excellent in sightreading, excellent in drill, and good in concert. This was the first time in six years the band was eligible to attend. Only top bands in the state may participate and it usually takes several years before a band attains the highest rating.

Dick Holtzclaw Is Interviewed By Old Friend

By CHARLIE MORRISON

One of the interesting phases of working on a paper such as ours is that something different keeps popping up all the time. Although the writer of this item is primarily an advertising solicitor or salesman trying, each day, to persuade the merchant of our fair city to call to our readers attention the merits of the commodities they sell, he never knows, when he checks in at 8:00 o'clock a m., just what the day will bring forth.

Take, for example, the assignment handed me by the boss late Monday afternoon. "Charlie," said Dick Holtzclaw, "You know Dick Holtzclaw very well, don't you?"

When I replied affirmatively, for I have known Dick many years, the boss asked me if I could interview Dick and write something about him that might be of interest to the readers of The Herald, in view of the fact that Dick was scheduled to appear in concert here Thursday night at the High School auditorium under the auspices of the Sanford Shrine Club.

Of course, I wouldn't mind! One of the most delightful personalities I have known has been Dick. Long time is that of Richard (Dick) Holtzclaw, known in professional circles as Richard Wentworth, the possessor of one of the finest dramatic bass-baritone voices in opera and concert. So out to 815 Elm Ave. where Dick is staying with step-father, Mr. C. L. Matthew, I lied and he'd to the subject of this assignment.

"How's your throat, Dick?" was the first question asked him after I shook the right hand and that he pulled in many a fish in lakes hereabout. Dick assured me that he had made a complete recovery from the attack of voice fatigue that had caused the postponement of the concert scheduled last month. "Tell me something about yourself, Dick; where and when you started your musical career?"

was my next conversational item. "Well, Charlie, you ran a rather comprehensive story about that some time ago so I would rather, if you don't mind, tell you of my plans when I leave here, next month."

So here's what is in the immediate future for Mr. Holtzclaw. He will open on June 13 in the Starlight Theatre, in Swop Park, Kansas City, Mo., in "Naughty Marietta," followed by "Hallelujah in Town" and then "Desert Song," which, by the way, was the very same vehicle in which he opened the 7500 seat house exactly five years ago. Next will come a two weeks' engagement with the Pittsburgh Light Opera Company, after which Dick will rejoin the New York City Opera company for the fall season opening in September.

This will begin his ninth year with the company and his 17th season. (Excuse me, please, folks, one of my valued accounts just phoned that he had an ad he wanted to run tomorrow, so I'll tell you some more about Dick Holtzclaw tomorrow. See you then!)

Group Studies Bill To Provide Funds

TALLAHASSEE (AP)—A House subcommittee is studying a bill which would provide funds for persons injured by motorists from whom they can't collect damages.

The measure, introduced by Rep. Cobb of Volusia County, was referred to subcommittee by the House Insurance Committee after it heard John Duffy of St. Petersburg describe it as "the finest piece of humane legislation ever proposed."

Duffy, who said he is a former insurance agent, was the only witness heard by the committee.

Home Rule Plans Ready For Action

TALLAHASSEE (AP)—Home rule plans for both the cities and the counties are on the House calendar for floor action.

The House Constitutional Amendment Committee unanimously approved a proposed amendment last night which would transfer to the county commissions the law making powers for county government.

If adopted by the Legislature and approved by the voters in the 1958 general election this proposal would eliminate much of the lawmaking for counties by local bills of the state Legislature.

The proposal for city home rule, backed by the Florida League of Municipalities, won a spot on the calendar some two weeks ago.

Strolling In Sanford

Richard Holtzclaw, known to many local friends and admirers as "Dick," made a guest appearance today at 1:30 p.m. over WDBO-TV, Orlando, on the Echoes Bedding Co. program. His accompanist was Roger Harris, choir director of the First Methodist Church here. Holtzclaw will appear in concert here at the high school auditorium Thursday at 8:00 p.m. under the auspices of the Sanford Shrine Club.

Due to a conflicting date with the ballist recital, Pack No. 10 of the Cub Scouts has changed its meeting time this month to Saturday instead of Friday, May 26.

A covered dish supper will be held tonight at the Sanford Tourist and Shuffleboard Club at 6 o'clock. The evening will be spent in games and songs.

The Sanford Garden Club will meet Thursday in McKinley Hall at the First Methodist Church with Taylor Briggs as guest speaker. A covered dish luncheon will be held for this last session of the season.

Man Found Guilty In Butcher Slaying Of Young Brother

NEW YORK (AP)—A 24-year-old man, released after 10 years in a hospital for the criminal insane, has been found guilty of first-degree murder in the slaying of his 2-year-old brother a decade ago.

A Bronx County jury deliberated two hours yesterday before returning the verdict against William Oliver Jr. The jury made no recommendations of mercy. A first-degree murder conviction carries a mandatory death sentence.

Oliver admitted he killed his little brother as the child slept, and then set fire to the bed. He was 14 at the time.

After pleading insanity, he was committed to the Matteawan State Hospital for the Criminal Insane. Last fall he was pronounced legally sane and was returned to the Bronx to stand trial.

Testifying at his trial, Oliver calmly told the all-male jury that he killed "to get even with my mother who was persecuting me." He also said he intended to kill six other members of his family.

Knowland Says Ike Will Veto Increase

WASHINGTON (AP)—Sen. Knowland (R-Calif.) predicted anew after a conference with President Eisenhower today that the chief executive will veto the bill to increase the pay of about half a million postal workers by an average of 5.5 per cent.

Knowland, the Senate Republican leader, declined to say whether the President told him or indicated that a veto will be forthcoming.

"I predicted the other day that any bill over 1.5 per cent would not meet with presidential approval," Knowland said.

He declared he still is standing by that forecast.

Turnpike Officials Will Receive Bids

DANIA (AP)—The state turnpike authority will receive bids June 1 for the first two 10-mile sections of the Miami-Fort Pierce toll turnpike.

This was reported yesterday at the authority's first meeting since the Legislature authorized construction of a state highway from Miami to the Jacksonville area.

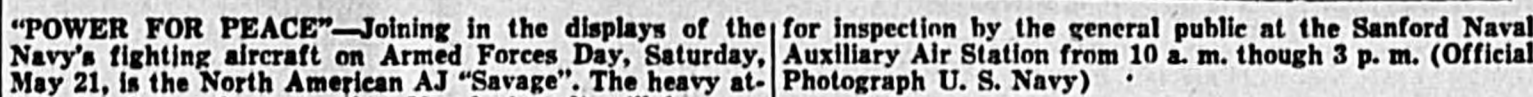

The two grading projects will be on the north end of the highway where right-of-way is expected to be obtained quickly.

Seven Enlisted Men In VC-9 Receive Advancement In Rating

Seven enlisted men in Composite Squadron Nine were advanced in rating Monday.

Certificates were presented to five of the promoted men at the Naval Auxiliary Air Station by Commander W. E. Lemos, Commanding Officer of VC-9. Two men, who could not be present, will be presented their certificates later.

Men advanced to new ratings were: W. J. George, Aviation Fire Control Technician, First Class, of Hinsdale, Ill.

E. E. Snively, Aviation Fire Control Technician, Second Class, of Concordia, Kans. He resides with his wife, the former Edna Michaels of Sanford, at the Park Avenue Trailer Court.

T. A. Engelbreitson, Aviation Electrician's Mate, Second Class, son of Toley Engelbreitson of Stuart, and husband of the former Helen Jean Gilliard of Stuart.

E. N. Carlier, Aviation Electronics Technician, Second Class, of Decatur, Ill.

R. E. Bryan, Aviation Electronics Technician, Third Class, son of Mr. and Mrs. Harry C. Bryan, 311 Charles St., Orlando. Bryan resides at 404 East 14th St., Sanford, with his wife, the former Joanne Ruth Wallace of Greenbelt, Md.

F. D. Belton, Aviation Elec-

tronics Technician, Third Class, of Halls, Tenn.

R. E. Burnham, Aviation Fire Control Technician, Third Class, of South Boston, Mass.

Navy enlisted men are selected for advancement in rate as the result of fleetwide competitive examinations. To qualify to take the exams, they must meet the requirements of their rate, spend the required time in rate, receive good quarterly marks, complete required courses and receive the recommendations of their division and department heads.

Tampa Committee Renews Attempts To Get Franchise

TAMPA (AP)—Renewed efforts to bring a Class AA or AAA baseball franchise to Tampa were being made today with the backing of Mayor Curtis Hixon's baseball committee.

The group agreed to lend its support to any party negotiating for such a team and Phil O'Hara, former owner of the Poughkeepsie (N. Y.) club in the old Colonial League, announced he would renew his efforts to get a franchise.

O'Hara said he has the backing of five businessmen able and willing to finance acquisition of a "Southern Assn. franchise. He did not identify them.

Mayor Hixon said if the project goes through, he believes the club would operate as a Tampa Bay area project, to include St. Petersburg and Clearwater as well as Tampa.

O'Hara, in auction house operator, said he believed the city might have a chance to get either Little Rock or Mobile of the Southern Assn.

Blisters Halt Batting Practice For Ted Williams

BOSTON (AP)—Boston Red Sox slugger Ted Williams planned today to forego batting practice for a "couple of days" because of blisters on his right hand.

Williams lofted several balls into home run territory in two turns at the plate before having to call it quits when a blister developed under another blister.

"I don't think I'll be able to hit for the next couple of days," he said after the workout "I'll let the hands toughen up a little."

Although he plans to lay off batting drills for a while, Williams will continue other parts of his training program to round into shape for a return to the Red Sox lineup.

Dupas And Ryff To Fight Tonight

NEW ORLEANS (AP)—Stylish Ralph Dupas pits his speed punching against unbeaten Frankie Ryff tonight before the biggest paid crowd in New Orleans boxing history.

Dupas, 19-year-old No. 1 contender for Jimmy Carter's lightweight crown, dropped an eight-round decision to Ryff last September for one of the six setbacks on his glossy 84-fight record.

The 23-year-old Ryff, making his 18th professional start, has received the plush treatment from

Faculty Team Son Held Without Bond On Murder Charge

RALEIGH, N. C. (AP)—The 21-year-old son of a husband-wife team on the Harvard University faculty has been ordered held without bond on a murder charge in a shooting which he contends was an accident.

Richard Kluckhohn was bound over yesterday for trial in Wake Superior Court. The next term starts June 6. His parents and fiancée attended a preliminary hearing, at which Raleigh City Court Judge Albert Douh ruled there was probable cause to carry the case to Superior Court.

Kluckhohn, described by police as a brilliant student who graduated at the University of Chicago when he was 18, is accused in the bizarre Friday-the-13th shooting of Miss Bernice Seawell, 43, a government worker of Arlington, Va.

Miss Seawell and a sister, were standing at a downtown parking lot when a bullet struck and killed Miss Seawell. Police said the shot, fired from a German Luger pistol, came from the window of a nearby hotel.

Atlanta Seizes Southern Lead

By THE ASSOCIATED PRESS
Atlanta took over the Southern Assn. lead in comparative privacy last night at Mobile, and the attendance wasn't much better for the other three games.

Only 602 fans paid to see Atlanta's first appearance in Mobile, a skimpy 877 watched Little Rock run its winning streak to three games and a mere 848 were in the stands at New Orleans where the Pelicans lost their grip on first place. Memphis had the best crowd a rather disappointing 1,033.

Atlanta used four unearned runs as a springboard for its leap to the top perch, chasing Mobile starter Ralph Mauriello in the second inning en route to a 3-2 victory. Birmingham routed New Orleans 11-2. Little Rock stuck to its tangle, come-from-behind script for an 8-7 victory over Nashville and Chattanooga needed a two-run homer in the top of the tenth for a 5-4 squeaker over Memphis.

MRS. KEENAN STRINGER

Maud Wilson, Keenan Stringer United In Marriage Saturday

In a lovely candlelight ceremony Miss Maud Robinson Wilson, daughter of Mr. and Mrs. James Wilson, of Glasgow, Scotland, became the bride of Keenan Monroe Stringer, Orlando, son of the late Mr. and Mrs. William Stringer of Metairie, La., on May 14 at 4 p. m. in the First Presbyterian Church with the Rev. Angus G. McLani officiating.

The church was beautifully decorated with floor arrangements of pink and white gladioli, palms, ferns and two seven branched candelabras.

Mrs. George Touhy was organist and rendered "Ave Maria," Schubert's "May Night," Palmgren's "Kamennol Ostrov," Rubinstein's "Meditation de Thais," Massenet and the traditional wedding march. She played Debussy's "Clair de Lune" during the ceremony. Soloist was Mrs. Phyllis Proctor who sang "O Perfect Love" and "Because."

The bride, given in marriage by her brother-in-law, Elton James Moughton Jr., was radiant in a white floor length dress with a fitted bodice of white satin overlaid in nylon embroidered tulle and a four tiered nylon tulle skirt of delicate floral pattern of Schiffo embroidery. The gown featured a high neckline with a Peter Pan collar and long sleeves finishing in a point over the hands. Her hair was dressed of pearls and diamonds (worn by her cousin in Scotland at her wedding) held a cascading fingertip veil of French illusion. She carried a bouquet of red roses.

Mrs. Elton James Moughton Jr., sister of the bride, acted as matron of honor, and was gownned in a ballerina length dress of powdered blue crystal over tulle. Her bodice was trimmed with pearls and rhinestones and had a matching bolero with a mandarin collar. She wore matching shoes and carried a bouquet of pink roses and blue daisies.

Miss Lucy Moughton, and Miss Maureen Moughton, junior bridesmaids and nieces of the bride, were dressed in similar gowns of powdered blue embroidered nylon organza with overskirts of nylon tulle and rhinestones trim on the skirts. They wore matching hats and shoes and carried Victorian arrangements of pink sweetheart roses and baby's breath.

Glenn O. Tusler, Orlando, acted as best man while Gerard King, Orlando and Richard Mapes, Sanford served as ushers.

Mrs. Elton James Moughton Sr., taking the place of the bride's mother, wore a dusty pink ballerina length crepe dress and a corsage of green thorned orchids. A reception followed in the Fellowship Hall of the Church which was decorated with pink and white gladioli and gardenias.

Serving punch were Mrs. Randall Chase, Mrs. Roy Green and Mrs. Richard F. Mapes. Cutting and serving cake were Mrs. A. B. Peterson and Mrs. S. O. Chase Jr. Miss Moll Whitner and Mrs. Arthur Moore presided over the bride's book.

For a wedding trip to the Gulf Coast Mrs. Stringer wore a blue silk shantung suit with a blue hat and white accessories. The

bride's bouquet was composed of pink and white gladioli, palms, ferns and two seven branched candelabras.

Colorful Selections Bring About 'Hit' At Jr. High Frolics

From the colorful opening scene depicting a Day In A Gypsy Camp through to the stirring song, "Your Land and My Land", the Junior High School Spring Frolics, held Friday night displayed the results of training and persistent practice, both on the part of the students and the director, Mrs. W. G. Fleming.

Also outstanding in color was the living bouquet portrayed by the eighth grade girl's Glee Club as the girls appeared on the stage clad in pastel formal to present the group of six numbers, two of which featured dance routines.

The eighth grade boys' Glee Club delighted the audience with "The Happy Wanderer," "The Old House," "Dry Bones," and "Davy Crockett", who appeared complete with con skin hat and musket. Also on this portion was a trio singing "The Man and the Banjo".

The seventh and eighth grade mixed groups were presented in a group of six selections, each enhanced by the piano accompaniment on the part of student accompanists.

In addition to the talent presented, the audience was impressed with the minimum of confusion created by the changing of scenes. At no time were there less than 40 students on the stage and twice the groups numbered between 75 and 80.

A saxophone trio from the Junior High School Band and a jazz band trio entertained at intervals in the program.

A near capacity audience attended.

Azalea Circle Has Turkey Supper, Regular Meeting

The Azalea Circle of the Sanford Garden Club had a turkey supper at the home of Mrs. L. P. Cullen recently. Mrs. W. P. Fields and Miss Ella Lee Kirchhoff acted as co-hostesses.

Mrs. Jennings presided over the session and later in the evening turned the meeting over to the new president, Mrs. J. A. Young.

Plans were made for the new year and a lovely gift was presented to the outgoing president as a token of the members' appreciation for her hard work during the past year. The meeting adjourned in due form.

Those present were Mrs. Henry McLaughlin Jr., Mrs. J. P. Cullen, Mrs. E. F. Dossey, Mrs. Roy Tillis, Mrs. Jay Young, Mrs. E. E. Anderson, Mrs. Henry Russell, Mrs. Al Hunt, Mrs. H. S. Dugger, Mrs. W. R. Jennings, Mrs. L. E. Spencer, Miss Ella Lee Kirchhoff, Mrs. W. P. Fields, Mrs. P. P. Campbell and Mrs. W. P. Yasley.

couple, after returning, will reside at West Park Ave. in Orlando. Out-of-town guests included Thomas Stringer, Miami, brother of the groom; Mr. and Mrs. Glenn O. Tusler, Orlando; Mr. and Mrs. Lemuel W. Sanders, Miami; Mr. and Mrs. Gerard King, Orlando; and Mr. and Mrs. Fred Edgeman Sr. and Mr. and Mrs. F. Edgeman Jr. of Altamonte.

The bride was born in Glasgow and graduated from Queen's Park High School. She was employed by Moughton Insurance Agency in Sanford.

The groom was born in Metairie, La., and attended schools in Thomasville, Ga. He has a partnership in a sheet metal business in Orlando.

Garden Nook

By SADIE B. GUT The Sanford Garden Club of F. F. G. C.

Mother's Day gift plants need special handling, as they are usually grown in controlled temperature green houses and cannot long withstand the dry heat of most homes. The quicker they can be put out into the garden the better off they will be.

Potted hydrangeas should be planted directly in the soil in a shady spot using plenty of peat, sheep manure and water in the hole. When thru blooming it should be cut back, fertilized and watered to keep it growing all summer and fall, when it will go dormant. Cuttings may be made of the prunings.

Calla lilies will do better if set out in the garden when blooming is over, either in pot or directly in the soil. They require a rich peaty soil, shade or morning sun, acid fertilizer and lots of water. Yellow varieties will take more sun than the white.

Gardenias may be set in the garden in partial shade and kept well watered. If a root-knot condition exists in the soil, it is better to leave plant in the pot as gardenias are very susceptible. However, gardenias are available grafted on a gardenia-thunbergia root stock which is resistant to root-knot nematodes. Fertilize after flowering with an acid fertilizer.

Spathiphyllum candidum is often given as a gift plant. It has leaves and calla-like white blooms off and on all summer. Give it rich soil in the shade. As it multiplies freely, it may be divided and used as a border plant. This plant is sometimes mistakenly called an anthurium.

Gloriosa like similar conditions to African violets although they can take a little more sun. A well lighted window and a humid atmosphere is to their liking. The leaves may be sprinkled if the water is room temperature and the plant kept out of the sun until dry to avoid spotted leaves. Drainage should be good as the plant should not get too wet, nor too dry either. Use well balanced fertilizer while in active growth, then dry off gradually as growth slows up.

Store bulb or rather tuber in slightly moist vermiculite for a couple of months when it can be repotted and brought into growth again. Use mixture of one part each peat, leafmold, soil and sand, plus one teaspoon of bonemeal to a five inch pot. Leaves with one inch of stem may be inserted in mixture of one half each peat and sand kept moist and humid.

Ixora Members Elect Mrs. Ganas As New Chairman

Chairmanship of the Ixora Garden Circle was taken over by the newly elected chairman, Mrs. Fred Ganas, at the last meeting of the season, held on Friday at the home of Mrs. John Angel, 1815 Paloma Ave. at 12:30 p. m. and went to the Peterson home where a luncheon was held prior to the business meeting. Hostesses with Mrs. Angel were Mrs. Charles L. Park Jr. and Mrs. Fred Murray.

Outgoing chairman, Mrs. Karlyle Housholder, conducted the first part of the meeting after which she was presented with a lovely house plant in appreciation of her two years of service as chairman of the circle.

During the meeting Mrs. Ganas reported on the recent flower show and Mrs. Ralph Dean, described the state federation convention and flower show held in Jacksonville. Announcement was made of the general meeting of the Garden Club to be held on Thursday at 12:30 p. m. at McKinley Hall. The meeting will open with a covered dish luncheon.

Mrs. Ganas told of the committee she had appointed for the new year and discussed plans and programs with members. Following the business meeting Mrs. Peterson showed the group through the lovely grounds of her property.

Those enjoying the meeting and luncheon were Mrs. Donald Jones, Mrs. Angel, Mrs. Murray, Mrs. Dean, Mrs. Park, Mrs. David Bach, Mrs. T. W. Mero, Mrs. Housholder, Mrs. W. H. Meriwether, Mrs. Joe Baker, Mrs. Al Doudney, Mrs. Ganas, Mrs. John Morgan, Mrs. F. E. Breckenridge, Mrs. McKay Truitt, Mrs. Donald Bates, Mrs. Peterson, and Mrs. George Eick.

In shady spot, indoors or out. When rooted keep watered and fertilized to keep growing as long as possible. When leaf finally dies down the resulting tuber may be reseeded as above. It takes approximately two months to form tuber and ten months to flower.

When you buy a ready-to-cook roasted chicken you will find the giblets wrapped in the body cavity of the chicken. Be sure to remove the package at once and unwrap. Cover chicken and giblets loosely when storing in the refrigerator before cooking.

As We Were Saying

"I was standing at the perfume counter of a Washington, D. C. department store when an elderly gentleman stepped up. He was so conservatively dressed in a dark blue suit that I was surprised when he picked up one of the atomizers containing sample perfume and gave himself a couple of squirts. 'With a wink in my direction he remarked, 'Like to keep my wife guessing', and went on his way."

White Sox Want To Rattle For 1st Spot Now

By THE ASSOCIATED PRESS
Manager Al Lopez still tags the New York Yankees as the team his Cleveland Indians have to whip over the long haul for another American League flag, but the guys

who want to rattle for first place here and now are the Chicago White Sox.
The Sox pull into Yankee Stadium tonight for a two-game set that wraps up their first Eastern tour of the season. It's nothing like

that fabulous swing of 1951, when Chicago became the first team ever to sweep an Eastern jaunt in the AL, but with four victories in five tries it's not bad.
That leaves the White Sox — a length behind Cleveland and 1½ ahead of the third-place Yankees

—with a three-game winning streak. After Sunday's double-header, no other American League team has even a two-game string working.
In fact, a three-game winning combination tops the National league too. It belongs to the St.

Louis Cardinals, who beat Pittsburgh 6-0 last night in the only major league game scheduled.
The White Sox, who in 1951 vaulted into first place with a 14-game winning streak that got fat in the East, have managed to chop a game off Cleveland's lead on the

current outing while putting some daylight between themselves and New York. Cleveland opened the Eastern invasion a week ago by sweeping two at New York while the Sox were splitting their series at Boston.
Since then, Cleveland has lost

two of five while New York has managed only a 3-3 mark against the West.
Cleveland is at Boston in an afternoon game today with Detroit at Baltimore and Kansas City at Washington in night contests.
In the National, Brooklyn's

Dodgers, while losing three games in seven and getting knocked off an 11-game winning streak, still have a nine-game bulge. The New York Giants are second three percentage points ahead of Milwaukee's Braves, who have won four of seven at home.
The Giants, who open at Milwaukee tonight, have won four of six in the West while the fourth place Chicago Cubs have the same record against the Eastern teams.

SANFORD CATCHER RANDY CRISP
He Might Have Had Music Career

(Herald Photo)

Randy Crisp Never Thought He'd Be A Pro Ball Player

By CLAUDE ROSE
Herald Sports Writer
Becoming a professional baseball player was the farthest thing from the mind of young Randy Crisp, Sanford Cardinal catcher, when he finished high school in 1952.
An outstanding football record at W. B. Ray High School, Corpus Christi, Texas brought him scholarship offers from no fewer than six universities, Baylor, Texas U., Texas

Christian, Tulsa and Alabama were all beckoning to him but he decided to enroll at Southern Methodist. Before school started, however, he was offered a very attractive baseball contract with the Brooklyn Dodgers chain and signed with that organization.
"I hit a home in my first professional game," Randy relates, "and when I saw it go over the fence I was so dumbfounded I almost stopped between first and second. That was with Union City, Tennessee of the

Class D Kitty League.
He joined Union City in mid-1953 and played in 42 ball games. Last year he started with Bakerfield of the Class C California State League and played about half a season before switching to Thomasville of the Georgia State League. He played in a total of 27 contests in 1954.
Randy's appearance belies his age. He could easily be mistaken for 25 even though he just celebrated his 20th birthday in March. With a year of college at Valdosta State, Valdosta, Ga., already behind him, Randy hopes to obtain a degree in Industrial Management.

Milwaukee Pitching Staff Is Sagging At Both Ends

MILWAUKEE — The "best" pitching staff in the National League is sagging in the middle and at both ends.
Many who looked over the Milwaukee Braves early this spring figured they had the top collection of moundmen and would be the best bet to take the flag.
The word was then that Warren Spahn and Gene Conley would be 30-game winners. Lew Burdette would be improved and Bob Buhl and Chet Nichols would pick up Milwaukee's fine relief staff of 1954 — Dave Jolly in particular — also figured in the rosy conjecture.
But with the season one fifth completed it isn't working out

quite that smoothly. In 30 games the starting Milwaukee hurler has finished just nine times — and Conley has four of those completed games.
That put the burden on Charlie Grimm's relief staff, but the firm just haven't come through.
Jolly, top leaver, reliever last year with an 11-4 record and an average of 9.43 earned runs per game, is 1-3 to date and his earned run average is way up to 5.30. Braves relievers have worked 78 1/3 innings so far and have been hit for 30 earned runs, giving the Milwaukee corps of firemen a combined earned run average of 4.85, which borders on generosity.

Off the diamond, many of his spare hours are devoted to music. He enjoys singing very much and might possibly have embarked on a career in that field if he had not been so interested in sports.
In high school football he was named to the All South Texas team in 1950, '51 and '52. In 1951 and '52 he also made both the All District and All State eleven as well. He played three years of baseball and two of basketball in Corpus Christi, also.
Randy says Daytona's pitching staff has shown him the most so far and believes that the FGL race will be a fight between Daytona, West Palm Beach and Sanford as the season progresses.
Five-foot, nine-inch Randy tips scales at 165. He bats and throws right-handed. At present he is living with Dwight and Roger Cook at 1217 Magnolia.

Rocky Remains Boss Of Heavyweights

It Took Lots Of Chopping, But Don Cockell Went Down

SAN FRANCISCO (AP)—It took a lot of chopping to cut down Don Cockell, the sturdy oak of England, but whack him down he did, and

today America's Rocky Marciano remains the boss of the world heavyweight fighters.
Fifty-four seconds after the ninth round began, the power-

punching Marciano disposed of the gallant but battered and beaten challenger.
Referee Frankie Brown stopped the schedule 15-round, awarding Marciano a technical knockout. It was the Rock's fifth victory in defense of his championship.

The end was sighted in the sixth and drew nearer when the game Britisher was sent through the ropes head first at the bell ending the eighth. The climax came when Cockell was smashed to the canvas twice almost as soon as the ninth round began.

It took eight counts for the hog farmer from Horam to lift himself up from the seat of his trunks in this bloody ninth, and back down he went. He managed to gain his feet after five and was even trying to punch back.

Cardinals Beaten By Lakeland, 6-4

LAKELAND—Lakeland held off a Sanford rally last night to win, 6-4, before about 450 fans.
A double by Reuben Williams, an infield hit by Joe Fazzino and Herm Niehaus' home run over the left field wall in the second put Lakeland ahead to stay.

The winners, however, had a close call from a Sanford ninth-inning rally that produced three runs.
Earlier, playing manager Jim Turner disclosed that a group of citizens who desire to remain anonymous for the present bought the Lakeland franchise from a group headed by Charlie Askew.

He declined to give the sale price or the reason for the sale; but the club reportedly had been losing money and having trouble meeting payroll and league assessments.
Turner said there will be no change in general operations. He added he will try to get new players to add batting punch to

the team, now in sixth place.
Meanwhile, Cocoa and Orlando, who required 4 hours and 20 minutes to play a nine inning Florida State League game Sunday speeded proceedings somewhat last night.
Cocoa bunched all its scoring in the second inning and beat the leaders 6-1. A crowd of 597 on hand for the action at Orlando was homebound bound in 1 hour and 55 minutes. There was only one walk in contrast to Sunday's game in which 11 pitchers gave up 35 passes.

Joe Valmas was the victim of the Cocoa assault. He allowed four hits in the inning, was further damaged by two errors, before he was relieved.
In other games, last place St. Petersburg whipped Daytona Beach 13-7; and Gainesville defeated West Palm Beach 8-3 in the first game of a doubleheader and the second game was called because of curfew with the score tied 5-5 at the end of nine innings.

'Raw Deal' Is Charged By Cockell

By CHRIS EDMONDS
SAN FRANCISCO (AP)—The pride of Britain, Don Cockell, made a courageous stand against the battering fists of Rocky Marciano last night, then yelled "raw deal" after it was over.

"He's got a lot of guts," said Marciano after his fifth world heavyweight title defense ending on a technical knockout in the ninth round. "He took everything I had and he kept standing up."

"I got a raw deal," muttered a sullen Cockell, "but there'll be a tomorrow."
Cockell, a virtual punching bag in the eighth round and for the 34 seconds the fight lasted in the ninth, grunted that he'd be willing to meet Marciano again. He had hardly anything else to say in his dressing room, but his manager made up for it.

"The other guy can't do anything wrong here but when he (Cockell) does just one little thing wrong — whoosh," garrulous John Simpson told the assembled newsmen packed into the Kearsy Stadium dressing quarters.
"Put him and Marciano in a ring with a square referee and a fair ring and let them go," he added.

Simpson, who complained before the fight that the 14½-foot ring was too small, also was bitter because Referee Frankie Brown warned Cockell about a low blow in the third round and "didn't say a word to Marciano."
"He (Brown) seemed to make up the rules as he went along," fumed Simpson. "Marciano hit low and after the bell several times."

Clipper

Sanford Motor Co., Inc.

The new Clipper V-8 engine develops 245 and 225 horsepower, and they deliver more driving force to the rear wheels.

The Clipper is big... outside, almost 18 shining feet; inside, almost unbelievable hip, head, leg and shoulder room.

Built by Packard craftsmen — assurance of the quality that distinguishes the 1955 Clipper... makes it the one distinctive medium-priced car.

WANT AD RATES

SAMPLE 5-LINE AD

GET extra cash for articles you
no longer use. Place your ad to-
day. Phone 1821.

A 5-line ad, such as the one above
is only 50¢ per day on our low 5
day earned rate economy plan. 45¢
per day for 3 days and 50¢ for
1 day.

A little space like this will get
your message before our readers
than 10,000 readers. Tell 'em to
call. Phone 1821.

The above 5-line ad can be run
5 full days for only \$2.50, 3 days
for only \$1.50 and one day for 75¢.

Buy, Sell, Rent, Hire with want
ads, the busiest salesman in
town. Put one to work for you.
Phone 1821. We will be glad to
change it.

For only \$3.50 the above 5-line ad
is on the job for you or 5 full
days. Only \$2.25 keeps it working
for you for 3 days. 1 day is only
75¢.

Call us about our business rates.
The Want Ad Department is
open from 9:30 a. m. until 5:30 p.
m. each business day except Sat-
urday afternoon. Deadline for
want ad insertions is 5:00 p. m.
the day preceding publication.
Any ads coming later than 5:00
p. m. will be published under
"Too Late To Classify."

Advertisers are requested to notify
the Want Ad Department in their
ads, as the Sanford Herald will be
responsible for only one incorrect
insertion.

FRIDAY
The Revival Services at the Elder Springs Baptist Chapel will begin at 8 p. m.

Newspaper Theme Will Be Presented At Junior Recital

The annual Junior Recital of the Duxbury School of Dancing will be presented Friday, May 20, 8 p. m. at the Southside Primary School. The theme is centered around various sections of a newspaper and is entitled "The News in Dance." It will present the weather report, children's corner, society page, flower nook, comic strip, editorial page, and the sports page. Highlighting the recital will be the presentation of Cinderella Ballet with music by Eric Coates and featuring Sanford's youngest accompanist, Miss Allison Lee, at the piano.

Leading roles will be danced by Janie White, Cinderella; Joy Dugger, Prince; Carole Samuel, Fairy Godmother; Pat Rabun, Step-mother; Jonelle Lee and Sylvia Williams, step-sisters. They will be ably assisted by 40 other dancers to make this popular fairy tale come to life.

Other features of the recital will be group and solo numbers in tap, acrobatic, baton, song and dance routines. The entire recital is under the direction of Doris Duxbury with the assistance of Faye Harvey, teacher, Christine Blankenship, accompanist, and Mrs. R. A. Dugger, Mrs. O. R. Smith, and Mrs. W. R. Jennings, seamstresses. There will be no admission charged and the public is invited to attend this and the Senior Recital which will be presented Thursday, May 25, at 8 p. m. at the High School Auditorium.

Students appearing in the Junior Recital are: Laurel Johnson, Becky Madden, Vicky Hardin, Mary Margaret Reynolds, Mary Zimmerman, Cindy Kennedy, Margaret Jarrell, Lynn McRoberts, Andrea Henley, Cindy Fitzpatrick, Brenda Patterson, Vicky Penley, Debbie McLain, Sharon Ganas, Suzanne Felle, Kathy Vogle, Cathy Hauser, Sherilyn Williams, Martha Johnson, Doris Carlisle, Adrienne Epstein, Brenda Brantley, Pam Meriwether, Pat Harris, Fatty Prescott, Jeri Wheatland, Barb Brown, Mauveen Pitts, Patricia Stenstrom, Susan McCasill, Dale Smith, Louise Nielsen, Joyce Beckham, Susan Stein, Sharon Smith, Sue Ellis Dyer, Eleanor Smith, Barbara Anne Williams, Gail Hansen, Vicky White, Patsy Vega, Joy Trapp, Judy Lavender, Jeannette Mathieux, Rhoda Epstein, Peggy Powell, Jill West, Caroline Baggerty, Angela Stewart, Ginger Crocker, Barbara Jean Medler, Cline Wheatland, Judy Mead, Barbara Jean Levin, Marilyn Epps, Janie White, Joy Dugger, Carole Samuel, Pat Rabun, Jonelle Lee, Sylvia Williams, Deanne Vodepich.

USO

Saturday night at the USO a real treat was in store for everyone who attended the May Day dance. Due to unforeseen circumstances the formal dance was not held but the boys, with the help of Mrs. S. O'Neill, district representative, "rigged" up two loud speakers and a phonograph along with an "acting" disk jockey and everyone had some "real fun."

Miss Pat Cassube and Mary Ann Michels were acting Junior hostesses and the Pilot Club served as senior hostess.

Tomorrow night a "Juke Box Dance" will be held with senior hostesses coming from the Sanford Garden Club. The Misses Claire and Lucille Normand will be in charge.

Sandra, Sonja Monforton Feted

The Misses Sonja and Sandra Monforton, graduating seniors, were honored Saturday with a "Cola and Chatter Party" at the home of Mrs. C. L. Redding from 11 a. m. to 12 p. m.

Yellow day lilies carried out a spring theme and were used as the centerpiece for the refreshment table which held cookies, olives, potato chips, cheese, crackers, and soft drinks.

Mrs. Redding was assisted by her daughter Harriett who presented the honorees with a gift.

Those invited were Miss Betty Bryan, Miss Marilyn Calhoun, Miss Shirley Wall, Miss Shirley Tyre, Miss Barbree Brown, Miss Minnie Lee Melts, Miss Mary Ann Rozell, Mrs. James Wade, Miss Marianne Strickland, Miss Caye Stubbs, Miss Terrell Jean Nelson, Miss Jean Wilke, Miss Joan Wilke, Miss Colleen Engstrom, Miss Helen Alexander, Miss Jean Kennedy, Miss Minerva Smith, and the honoree's mother Mrs. E. A. Monforton.

Last Meeting Held By Hemerocallis At Newsome Home

The Hemerocallis Circle of the Sanford Garden Club met Thursday at 6:30 p. m. in the home of Mrs. Bea Newsome on W. Ninth Street with Mrs. J. J. Cates as co-hostess.

A supper was held outside in the garden with potted plants bearing hibiscus being used as decorations.

After the supper a meeting was held in which Mrs. Donald Fletcher, chairman, handed in her resignation and Mrs. Irving Feinberg was elected chairman for the next year. Mrs. M. B. Smith, secretary, handed over her office to Mrs. J. Bozard, who will hold the post for two years. This was the last meeting of the year.

Those present were Mrs. F. B. Adams, Mrs. M. E. Baker, Mrs. D. E. Brubaker, Mrs. J. J. Cates, the Misses Edna and Laura Chittenden and Mrs. J. Chittenden, Mrs. D. H. Fletcher, Mrs. R. T. Hunt, Mrs. C. E. Hunter, Mrs. G. H. Moss, Mrs. Bea Newsome, Mrs. S. J. Nix, Mrs. Watson Reel, Mrs. E. J. Routh, Mrs. M. B. Smith, Mrs. J. C. Sikes, Mrs. E. L. Vihlen, Mrs. B. E. Wiggins, Mrs. Irving Feinberg, Mrs. Bob Bennett, Mrs. J. Bozard, and the guest Mrs. J. G. Newsome.

Tri Hi Y Honors Seniors, Mothers With Annual Tea

The Tri-Hi-Y of Seminole High School, under the guidance of Miss Rebecca Stevens, honored all Senior girls and all Tri-Hi-Y Mothers with a tea recently at the home of Dr. and Mrs. Harry Woodruff in the form of a garden party.

Red roses were used as table decorations and a silver service was also placed on the table. Sandwiches, decorated green and white cakes, punch and nuts were served. The junior members of the Tri-Hi-Y were hostesses. Also helping were Mrs. Harry Woodruff, Mrs. G. A. Speir and Mrs. Ernest Cowley.

Miss Colleen Engstrom, outgoing president, and Miss Betty Ann Munson, incoming president, greeted guests at the door. Other officers include Miss Marion Davis, vice president; Miss Mary Ester Powell, secretary; Miss Harriett Redding, treasurer; and Miss Olivia Giddens, chaplain. Miss Stevens, sponsor, also assisted.

The Tri-Hi-Y is a Christian organization made up of junior and senior girls to create interest and Christ-like living throughout the home, school and community. They give the annual freshman "Little Girls" party each year along with the football banquet at which the Peter Schall trophy is presented.

Those present were Mrs. F. B. Adams, Mrs. M. E. Baker, Mrs. D. E. Brubaker, Mrs. J. J. Cates, the Misses Edna and Laura Chittenden and Mrs. J. Chittenden, Mrs. D. H. Fletcher, Mrs. R. T. New Senate Probe Closely Resembles 'Five Per Center'

WASHINGTON—A new Senate investigation reminiscent of the "5 per center" probes conducted during the Truman administration is in the making.

Starting Wednesday, the Senate Investigations subcommittee will hold public hearings in an inquiry described by Chairman McClellan (D-Ark.) over the weekend as involving "corruption" in clothing contracts for the armed forces.

He said the gift of at least one home freezer had been disclosed in testimony already taken behind closed doors but he added, "It goes beyond that to actual cash payments."

Gifts of home freezers figured in a 1948 investigation the subcommittee made of influence peddlers and persons dealing with the government for private interests for a fee, often 5 per cent.

MANSLAUGHTER WARRANT WILL BE SOUGHT

DETROIT—A manslaughter warrant will be sought against a foster mother in the fatal spanking of a 5-year-old boy, police said yesterday.

An autopsy report said the boy, Robert Sabbo, died of hemorrhages and shock following a "severe beating" on the buttocks, forearms and hands.

'Davy' Makes Visit With Small Fry During Weekend

HOLLYWOOD—Davy Crockett, one of America's oldest yet newest heroes, came face to face with the small fry for the first time over the weekend.

It was quite an experience for both.

Fess Parker, 6-foot-5 Texan who plays the hero of the Alamo on television, was a surprise guest at a birthday party given by Mr. and Mrs. Red Skelton for their two children, Valentina, 8, and Richard, 7.

Mrs. Skelton had invited Parker. "It was the only way I could get Red to stay—tell him Davy Crockett was coming," she said.

Parker hadn't been in the house five minutes until Skelton had him autograph a mug upon which was inscribed: "Davy Crockett's mountain dew."

The lanky actor came dressed in his Crockett buckskins and brought along his musket and guitar and his sidekick George Russell (Buddy Ebsen). Davy allowed as how it was his first appearance before a group of youngsters.

More than 30 kids, many of them children celebrities, clamored to shake the hand of Parker. "But," said Skelton, "it was like the electric train at Christmas—the kids couldn't get to Crockett because of the parents."

'Water Hyacinth' Prisoner Escapes From Broward Jail

FORT LAUDERDALE—John Honneger, who was playing the role of a water hyacinth when he was captured as a boat thief here last summer, has escaped from the Broward County Jail.

Sheriff Amos Hall reported that Honneger, a 26-year-old Miamian, walked out Sunday morning while doing some painting in the jail.

He had pleaded guilty to the theft of some 30 boats and was awaiting sentence.

Honneger had a hyacinth tied to his head and was hiding in a patch of the flowers in a canal when he was arrested. He told police he had been in the water 15 hours. He looked like a prune after the long immersion.

He described himself as a professional diver and said he wore a skin diver's outfit with a breathing apparatus while stealing the boats.

Heir To Fortune Killed In Wreck

JUNCTION CITY, Kan. (AP)—A 20 year old heir to \$3,400,000 was killed Sunday when his car crashed into a bridge 15 miles west of Junction City.

John W. Baughman II was killed half of his grandfather's estate, appraised at \$6,800,000 last December. It was to be held in trust until he was 35. Five nieces and a nephew now may share in the \$3,400,000.

Love, Understanding Wanted By Children, According To Judge

★ ★ ★ ★ ★ ★ ★ ★

COUNTY JUDGE ERNEST HOUSHOLDER
No Seeks End To Juvenile Delinquency

If you want to keep your child from becoming a juvenile delinquent, give him or her plenty of love and understanding.

That's the advice of County Judge Ernest Housholder, whose dual role as juvenile judge makes it necessary for him to decide scores of difficult problems involving Seminole County youngsters.

Judge Housholder earlier this year made a speaking tour of county schools, during which he explained his juvenile program and familiarized students with juvenile court procedure. He now is planning a more extensive tour. Judge Housholder said he did not feel that the problems of juvenile delinquency "are increasing in our county except as they might be compared with increased population."

"Our program is working well," he said today, "except in a few cases where parents are more delinquent than children. In such cases we get very little help."

Although metropolitan newspapers constantly scream of increasing juvenile delinquency, Judge Housholder said he did not feel that the problems of juvenile delinquency "are increasing in our county except as they might be compared with increased population."

Judge Housholder said children between the ages of 14 and 17 are usually those who commit acts "that would be criminal if committed by adults." Children from 10 to 14 usually are only absentees from school or are guilty of other infractions of the law, he said.

"During the past several months," Judge Housholder continued, "special attention has been given to truancy from school, and we have made marvelous progress in the situation."

Judge Housholder said it "would be impossible to say" what cause delinquency.

"For instance," he said, "during the past four weeks, I have had some 12 or 13 white boys before me. They were from 14 to 17 years of age. Some were charged with larceny, some with taking people's automobiles and using them, some with breaking public windows, and some with other infractions of the law."

Talks with them did not disclose what brought about the violations. Talks with their parents and investigations of their home life disclosed they were children who were being raised in the normal American way by good parents who had a desire to do right.

RIFLE SHOTS BLAMED ON BOAT OPERATOR
PORT HURON, Mich. (AP)—A Marine City boat operator was held at St. Clair County Jail today, accused of firing rifle shots at a Canadian freighter steaming past his property on the St. Clair River.

Floyd B. Warwick, 45, was one of a number of waterfront residents who had complained that waves from fast-moving vessels had damaged their property.

Warwick denied he was the sniper who fired three shots at the freighter John E. F. Misner last Thursday.

Strolling In Sanford

Mrs. J. C. Mitchell, principal at Southside Primary School, urges that all parents bring children who start to school in Southside or Pine Creek next year for registration at her school before the end of May. "Many have turned out," she said, "but there are still quite a few who haven't."

Word has been received that Ronnie Anderson, son of Mr. and Mrs. O. H. Anderson, has been chosen as assistant drum major for the Florida State University Band. Out of some 50 persons trying out Ronnie is a Freshman at the college and this is the first time that an assistant drum major has been chosen.

Cub Scouts Visit Sanford Herald

Nine Cub Scouts of Den number seven, Cub Pack 24 visited The Sanford Herald yesterday afternoon and watched with interest the process of getting out the paper. They saw the automatic linotype in operation receiving perforated streamers of paper tape which resembled the oldtime player piano rolls; they saw the forms being prepared for the machine which, when covered with this lead, formed a cylinder of type that took its proper place, page by page, on the fast moving rotary press that turned out the finished paper.

All in all, it was an experience that the following cubbers will not soon forget: Carl Atkinson, Don and Gary Breckenridge, Robert Brooks, Huelian Grier, David Miller, Clark Murray, Tim Richards and J. C. Singletary. Don Meher, Mrs. Gus Miller was the chaperone.

Sources Say Reds Will Close Offices

VIENNA, Austria (AP)—Russia apparently is not going to wait for ratification of the Austrian state treaty to begin withdrawing its occupation troops. Austrian sources say Soviet commanders in several towns have notified police that their headquarters will be closed in a day or two.

A U.S. Army spokesman said yesterday that no orders have been received to move out American troops in advance of ratification. The pact does not actually go into effect until ratification has been announced in the United States, Britain, France, Russia and Austria.

DeBary Methodists Have Organization

Organizing Ceremonies were held for the DeBary Methodist Church Sunday, 4 p. m.

Dr. Paul Fletcher, District Superintendent of the Orlando District of the Methodist Church gave the organizing speech and a full church worship was carried out.

Minister will be the Rev. Leslie E. Lewis, a Lt. Commander at the Sanford Naval Auxiliary Air Station.

The 25 charter members of the church include: Mrs. Adam Muller, Mr. and Mrs. F. H. Denning, Mr. and Mrs. Harry Krug, Mr. and Mrs. Gerald J. Neyer, Mrs. Ethel P. Woods, Miss Beatrice Woods, Mr. and Mrs. Harold Coffin.

Alfred H. Smith, Miss Elsie Faron, Miss Jean Faron, Miss Elsie Alfred, J. C. Shepherd, Col. and Mrs. N. N. Snyder, Mr. and Mrs. E. L. Swift, Dr. B. D. Willenbrock, Mr. and Mrs. H. F. Rose and the Rev. and Mrs. L. E. Lewis.

WIDOW IS NURSE
MANTHASSET, N. Y. (AP)—Mrs. Theodore Roosevelt Jr., widow of the son of President Theodore Roosevelt, is in North Shore Hospital here for general nursing the hospital said tonight. Her husband, a brigadier general, died of illness in Normandy during World War II.

Herold Heckenbach Is Elected Head Of Children's Committee

The Children's Committee of Seminole County, at its meeting May 17 elected officers for the coming year. They are: Herold Heckenbach, chairman; the Rev. H. L. Zimmerman, vice chairman; Marquette Graham, secretary.

Mrs. Margaret Golt, chairman of the committee which was appointed to make recommendations for the Castle Brewer Kindergarten, gave her report which suggested that some sponsoring organization be contacted, and that this organization set up standards for operating the nursery, and that the State Welfare department be contacted for commodities for lunches. The report also suggested sources for additional material and supplies. Mrs. John Wilson, Miss Joyce Hetsel, and Mrs. Mabel Brown were other members of the committee.

Judge Housholder reported on the newly drafted juvenile Court bill, reading parts of it. The bill is supplemental to the older bill which is in force, and is intended to strengthen the original law. He also spoke of the fine relationship that his office has with the county commissioners. During the past month he and Mr. Jones,

Fishing Vessels Conflict

SAN DIEGO, Calif. (AP)—American fishing vessels today are engaged in a conflict over freedom of the seas.

Shots have been fired and one man, William Peck, 42, Seattle, Wash., seriously wounded.

The conflict is over the claim of Peru, Ecuador and Chile to sovereignty for 200 miles off their shores. It is complicated by increasing competition from Japan for the U.S. consumer market.

The American tuna vessels have extended their range to reach virgin fishing areas south of the Equator. Some have moved their base of operations to South America.

Eight vessels flying the U. S. flag have been seized by Peru and Ecuador. Their owners have been fined a total of more than \$85,000 to obtain release of the ships.

The U. S. State Department has protested and Congress has reaffirmed this country's position that the sea is free beyond three miles from shore.

Congress has also authorized reimbursement of the fines from the Federal Treasury and efforts to recover the amounts from the South American countries.

Grandmother Doss Enters Guilty Plea In Husband's Death

TULSA, Okla. (AP)—After pleading guilty yesterday to poisoning husband No. 1, Grandma Nannie Doss admonished her laughter not to worry because "I'm not worried."

The surprise plea, entered in District Court after the confessed poisoner of four husbands was visited by the daughter, reversed her earlier plea of innocent.

The daughter, Mrs. Melvina Hedrick, born of Mrs. Doss' first marriage to Charley Bragg, told a newsmen her visit from Lexington, N.C., had nothing to do with her mother's sudden decision to tell the court she was guilty of killing Samuel Doss, 36, with rat poison.

Mrs. Doss, who had been scheduled for trial next month for Doss' death last Oct. 10, faces either life in prison or death.

Judge Elmer Adams explained carefully to the 49-year-old widow the possible punishment he would decide on May 31. County Atty. J. Howard Edmondson said he would ask for death in the electric chair.

Warren Indicates Quick Court Ruling
WASHINGTON (AP)—Chief Justice Warren indicated today the supreme court will rule before recessing for the summer on how and when to end segregation of white and Negro pupils in the public schools.

Warren said in an address prepared for the American Law Institute that despite an increase this year in the volume of Supreme Court work, the court has been keeping abreast of it, and he added:

"On a current basis and, as far as the practice for many years, action in all argued cases is expected to be announced prior to adjournment."

Brother, Sister To Face Charges

HEREFORD, England (AP)—A brother and sister who were parted in childhood but later met and married are facing trial on incest charges. Authorities accuse them of knowing they were related when they were wed.

At a preliminary hearing yesterday, a local court ordered Geoffrey Walter Hughes, 36, and his sister Marjorie to stand trial June 20. Both were released on bond without entering any plea to the charges.

The couple married in 1951. They separated early this year when their relationship was disclosed, and the sister since has remarried.

Navy Is Planning Additional Sub

WASHINGTON (AP)—The Navy plans to build an additional atomic submarine, bringing the projected total of such craft to eight.

This was reported yesterday by Sen. Jackson (D-Wash.), who said the Navy had advised a Senate-Atomic Energy subcommittee of its intentions.

The Navy had asked congressional authority to build three more nuclear-powered subs. The change of plans would add one to this figure. Four atomic submarines were authorized earlier and one of these has been completed.

Incoming Personnel Need Living Space

Ike Says Vaccine Job Handled Well

WASHINGTON (AP)—President Eisenhower said today Secretary of Welfare Hobby has handled the Salk polio vaccine program and her job generally in a highly efficient manner.

The President's statement was made at a news conference when he was told Sen. Morse (D-Ore.) had described Mrs. Hobby as guilty of "gross incompetency" in the vaccine program. Morse said she ought to be removed from office.

Eisenhower said it would be a waste of time for him to take note of Morse's accusations.

The President went on to say that Mrs. Hobby's record in the cabinet has proved out what Eisenhower termed the good opinion in which she was held during the war as WAC commander.

Those good opinions are fully justified, Eisenhower said, adding that she has handled her job, including the vaccine program, in a highly efficient manner.

Her counsel, Eisenhower said, has been eagerly sought.

Pensacola Fliers Reported Missing

JACKSONVILLE (AP)—Two Navy fliers, one of them the commanding officer of a Navy field at Pensacola, were reported missing today following the crash of a Navy jet northwest of here.

The plane, a two-place TV2, took off from the naval air station here late yesterday shortly before it went down in a swampy area about eight miles north of Baldwin. It was on a routine flight to its home base.

A Navy rescue squad reached the crash scene last night and began searching to determine the fate of the two fliers.

The jet burned and very little of the craft could be found, the Navy said.

Nationalist Planes Run Into Red Fire

TAIPEI, Formosa (AP)—Nationalist Chinese planes ran into Red anti-aircraft fire from the mainland and from warships while on patrol over Loyalist Bay near the Matsus Islands before dawn today, air force headquarters announced.

An undisclosed number of planes used radar to bomb the Communist craft in the darkness, the communists said. Results were not observed.

Loyalty Bay is 16 miles north of the Matsus Islands which lie close to the Communist coast 120 miles northwest of Formosa.

COLORFUL FUTURE

ELMIRA, N.Y. (AP)—Three-day-old Maria Ann Green should have a colorful future. She's the daughter of Howard and Myrtle Rose Brown Green—of 812 Sunset Drive, grown for hog food.

CIVIC REPRESENTATIVES met this morning in the office of Cdr. F. R. More at NAAS to discuss various problems raised by incoming personnel at the base. Seated left to right are Mayor J. D. School Problem Discussed

Civic Delegates Meet At Station

Civic representatives met this morning with Cdr. F. R. More, commanding officer of the Sanford Naval Auxiliary Air Station, and Cdr. J. R. Wilson, executive officer of the base, to discuss the new problems that will be faced with the coming of additional personnel.

The six squadrons that will be based in Sanford will bring approximately 10 officers and 892 enlisted men of which about 77 officers and 150 enlisted men will live off the base. The number of children of Naval personnel in local schools will practically double, bringing in about 100 more students, it was pointed out. This influx will create an urgent demand for living quarters and educational facilities. Navy officials and civic leaders are seeking to work out the problem with as little disruption as possible. The change will also bring in more civilian personnel.

"Sanford has been regarded as an area of slow growth, but the coming of the additional squadrons will change the picture entirely," one representative brought out.

Forrest Breckenridge, manager of the Seminole County Chamber of Commerce, today issued an appeal for all persons having houses or apartments for sale or rent to list them with the chamber.

"The arrival of the additional squadrons at the Sanford Naval Base will create an acute shortage of accommodations, and any listing of living quarters will be greatly appreciated," he declared.

Cdr. More expressed hopes that something could be done to improve the road which leads to the Sanford Ave. turnout to the base to highway 17-92. The issue is now in (Continued On Page Two)

Strong Orders Sent To Soviet Farmers For End To Delay

MOSCOW (AP)—Strong orders went out today to Soviet farmers to end an "unbearable" delay in the planting of corn and get their quotas in the ground within the next three to five days.

The Kremlin command was made public last night only a few hours after announcement of the U. S. invitation for a delegation of 10 Soviet farm experts to inspect Iowa farmers' ways with corn and hogs this summer.

The coincidence, however, did not appear by Soviet design. The Moscow and provincial papers have been packed for the past 10 days with "announcements of the farmers' failure to follow through on Communist party chief Nikita S. Khrushchev's demand in February that vastly more corn be grown for hog food.

Egypt's newspapers greeted the prospective deals as a new blow against "imperialism." The influential Al Kahira said: "To think of exporting Egyptian cotton in markets other than those fixed by the imperialists was regarded as a crime in the past; now Egypt is at liberty to sell her cotton to any buyer."

Queen Is Searching For Political Head To Form Cabinet

THE HAGUE, Netherlands (AP)—The first Dutch government crisis in nearly three years sent Queen Juliana searching today for a political leader to form a new cabinet.

Premier Willem Drees submitted his coalition Cabinet's resignation last night after losing a vote of confidence in Parliament's lower chamber 50-48. The vote came on a government bill to raise rent ceilings 10 per cent on about one third of Holland's rented homes.

Because the rent issue is a major point of controversy between the country's two major parties, the Catholics and Drees' Laborites, political circles predicted a long crisis. Each party has 30 of the 100 seats in the second chamber. The Laborites deserted Drees to vote solidly against the rent bill. They said they would agree to it only if wages were raised simultaneously.

Elaborate Plot Is Killed By Tip

LAS VEGAS, Nev. (AP)—Police said an informant's tip thwarted an elaborate plot to rob the U.S. mail of a large amount of gambling casino money last night.

Police Chief A. H. Kennedy said five persons were taken into custody, including a Las Vegas police officer and his attractive red-haired wife.

He said an informant told him two weeks ago of a plan to rob a police car delivering a load of cash from the Las Vegas post office to the railroad station.

Postal authorities said the police car had been scheduled to carry a "very substantial amount of money" destined for San Francisco. There were reports it would have amounted to half a million dollars but postal authorities would not verify this.

Several postal inspectors from California and Nevada had 22 policemen in the vicinity of the post office. No attempt was made to halt the police car, which because of the tip carried no money.

Reserves Program Expected To Pass

WASHINGTON (AP)—The administration's program to build up the military reserves was expected to pass the House intact today despite efforts to soften or kill it.

Rep. Brooks (D-La.) predicted it would pass without major amendments, but only after a fight. Brooks leads House forces backing the legislation, which already falls somewhat short of original Pentagon requests.

President Eisenhower is behind the measure to give the military limited authority to enforce reserve obligations and to provide a new plan for training up to one million teen-age volunteers in four years.
