Boot drive a success for LM fire fighters

The Lake Mary Fire Department raised the most money in Seminole County during the Muscular Dystrophy Association's (MDA) annual 'Fill the Boot'

(MDA) annual "Fill the Boot" campaign.

During Labor Day weekend, the Lake Mary fire lighters were out in force as part of the "Fill the Boot" fund-raiser. When the results were tallied, the city's fire department had raised more than \$12,200 to be donated to MDA. This total is nearly double last year's donation of \$6,501.90.

"We did really good," said

"We did really good," said Wendy Benton, deputy fire marshal of the Lake Mary Fire Department. "I attribute the success to the hard work

of our members being out there and the generosity of the people of Lake Mary. "We want to do a lot more," she added. "We're already thinking of ways to raise more money next year. We are considering doing a year, possibly a charity breakfast or even a collection. time-rais

twice a year."
The "Pill the Boot" drive began 49 years ago in South Boston and has grown into one of the largest funding sources of the MDA. More than 300 communities participate in the firefighter drive each year and local unions compete against each other in a "friendly battle" for brag-

ging rights.
The MDA is a voluntary health agency, and is a partner between scientists and citizens aimed at conquering neuromuscular diseases that affect more than a million Americans. The organization combats neuromuscular discases through programs of worldwide research, compre-hensive medical and community services, and farreaching professional and public health education.

Lake Mary millage rate to eclipse highest mark ever

By Jamle J. Anderson-Potter Staff Writer

Lake Mary commissioners will give their final stamp of approval to raise the city's property taxes for the first time in more than a decade during tonight's commission

If approved, the millage rate, which determines the tax

Commissioners may approve 10 percent hike, but city property taxes still the lowest in county

high of 3.998 mills. This is an increase from last year's 3.7648 mills and the first rate hike in 15 years. Under Florida law this constitutes a 10.42 percent tax increase, as stated in a direct mail piece to

August.
"Our rates are low, relative

to our sister cities," faid Commissioner McLean, who pointed out that the residents of Lake Mary are blessed with the lowest mill-

rate, will rise to an all-time Lake Mary residents in age rate in Seminole County. The millage rate, along with a tentative budget, was

originally presented to com-missioners in July and was unanimously approved two weeks ago. The second and final public hearing on the

issue will be held at 7 p.m. tonight in the city's commission chambers. This will be the last meeting in the cham-ber room before city hall clos-es for renovations. For

approximately seven months, meetings will be held at the Lakes Mary Community Center, located at 260 N. Country Club Road.

4 children suffer as estranged dad battles turmoil

Bryan Randall (left) killed himself Monday as he awerved in front of a tractor trailer on I-4 in Lake Mary, Inside the vehicle were two of his sons; his two other children were found Sunday morning floating in a pond.

By Christopher Patton Managing Editor

A missing children mys-tery turned into a devastating murder-suicide investigation

in Lake Mary Monday.

After an angler found two toddlers Sunday in a Maitland retention pond just south of the Seminole County line, police issued a public plea to locate the parents. Less than two hours after their mother, Lisa Randall of Altamonte Springs, reported to the police station Monday morning, the unthinkable occurred, again.

Her estranged husband, Bryan Christopher Randali, drove himself and the cou-ple's two other children in front of a tractor trailer weighted down with a load of vehicles. The accident occurred on Interstate 4 between the Lake Mary Boulevard and State Road 46A exits.

According to police, Randall had picked up the children Friday and was to return them Sunday night. The mother and father had been married 10 years but were in the process of a divorce. That has all changed now as two children and Randall are dead and the two other siblings are recovering in the hospital.

It's alleged that Randall

tried to drown his 2-year-old daughter, Yans, and 4-yearold son, Regal, in the pond that is surrounded by offices at 901 N. Lake Destiny. Regal was clinging to life when he was found, but was upgraded

from critical to serious condition Monday evening. His sister was less fortunate, as she was pronounced dead at the

The couple's oldest sons, 8year-old Bryan Randall, Jr.

See Randall, Page 7

Police, Lake Mary government endure moving day

Hereld photo by Tommy Vincent

Lake Mary City Clerk Carol Foster helps movers pack up city hall Tuesday. City employees will be temporarily relocated to the police station during a seven-month renovation of city half.

By Jamle J. Anderson-Potter & Christopher Petton Herald Staff

Moving crews converged on Lake Mary City Hall Tuesday morning as city employees made their way to their temporary home at the Lake Mary Police Department.

The move is a result of "major" renovations needed at the current city hall location at 100 N. Country Club Road in Lake Mary. As movers carried furniture, computers, cubi-cles, and more than 450 boxes to large semi-trucks, construction workers were preparing for the seven-month long job. The move, which affects the entire

30-member city hall staff, should last through Friday. During this time city hall will function with a limited staff. The full spectrum of services will resume Monday at the Lake

Mary Police Department, located at 165 E. Crystal Lake Ave.

In preparation for the move, city filled six off-site storage units with items for safe keeping. These items will be moved back to city hall in stages after the renovation is com-

During the renovation period, city hall and its parking area will be a construction site and, therefore, off limits to the general public. City officials are asking parents of Lake Mary Elementary School students to refrain from parking in the city hall lot to drop-off and pick-up their children with the city hall lot to drop-off and pick-up their children. dren. This could be a danger to them

and their children. Other services, such as the utility bill drop box, located in the city hall parking lot, will be relocated, approximately one block north, to

BOB DANGED "Where Everybody Rides!"

38 years ago...

... She made my heart stop!

Last month when it stopped... Central Florida Regional Hospital got it going again.

Endoscopic Vein Harvesting Now Available At Central Florida Regional Hospital... Less Pain, Faster Recovery.

Open heart surgery commonly uses veins from the legs to bypass the heart's arteries that are blocked. Traditionally, these veins are removed by "open vein harvesting" requiring a long incision running the length of the patient's leg. When this method is used, pain from the leg incision following surgery often causes more discomfort than the patient's chest incision.

Harvesting" is available requiring only one or two small incisions in the leg to remove the vein. Patients using the new method have been able to walk quicker and experienced faster recovery following surgery. This new procedure is currently only available in Central Florida at Central Florida Regional Hospital.

Conversations with sister often cut short

County staff ready to rumble in charity rally

Harleys and Hondas will rumble and roll on Sept. 27, as sheriff's office and county employees plus scores of others will join in a charity fundraiser for the Make-A-Wish Foundation.

It begins on Saturday, Sept. 27, just outside the Seminole County Sheriff's Office/Public Safety Building, at 100 Bush Boulevard in Sanford, with an 8:30 a.m. registration. There is a \$10 minimum donation to participate in the ride. Riders will leave at 10 a.m., escorted by law enforcement officers.

The route will take the participants to Oak Hill, and then back into Seminole County. The ride will end at the Lake Monroe Inn near Sanford. There will be prizes awarded, a gift drawing and a \$5 lunch special offered. Last year's ride raised \$1,000 for Habitat for Humanity. Organizers hope to surpass that mark this year. For more information,

or to participate, please contact one of the following: Carol Carroll (407-665-5257), Dave Nichols (407-665-5657), Mike Wittmer (407-665-5202), or Kent Showalter (407-665-6600).

All women build for Habitat filled by four Lake Mary ladies

Four women from Lake Mary joined 120 other women from all over Central Florida on Saturday, Sept. 13, in Eustis to participate in an
All Women
Build for
Habitat for

Humanity. The build is the first partnership

Rowell

etween Habitat and Distict 7 of the Florida Federation of Women's Clubs. It is the first "All Women's Build" in Lake County. Women from all of the 22 clubs in District

7 participated in the event. District 7 includes

Lake, Orange, Osceola, Polk, Seminole and Sumter counties. The Lake Mary Woman's Club was represented by their president, Lois Jackson, and Woman's Club member Diane Turtle. Lois also brought her granddaughter Stephanie Mullins and her friend Ellen McLoughlin along to help out. The

but a few degrees cooler would have been nice! This All Women Build is to provide a home for Jacqueline Lasura and her three children.

women were grateful to have

a rain free day for the event,

Serving God's people in need

Although this is the first "All Women's Build" in Lake County, it is not the first for Habitat. The first all women-built house for Habitat was completed in Charlotte, NC in 1991. It became such a popular program that in 1998, the Women Build became a department of Habitat for Humanity. Since 1991, more than 350 houses have been built by all women crews.

Why "All Women"? Construction is a male dominated field. Having an all women build gives women the opportunity to learn basic construction skills in non-competitive environment. Habitat for Humanity also holds Youth Builds for teens to young adults, 16-24. The goal of Habitat is to provide decent, affordable housing. Habitat doesn't give hous-es to people. Homeowners

make a small down payment, then contribute 300 to 500 hours of "sweat" equity in their own house and other Habitat houses. Mortgage payments are affordable because land, material and labor is donated.

That's the affordable part, so what about the decent? Habitat builds simple, but well made houses. When Hurricane Hugo hit South Carolina in 1989, all of the Habitat houses in the state survived. When Hurricane Andrew hit South Florida in 1992, all of the 27 Habitat houses in the area survived. In 1994, a devastating earth-quake hits California; once in a century floods ravage Georgia. The Habitat houses in both states survived.

Since it was founded in 1976, Habitat has built more than 150,000 houses in 89 countries, more than 50,000

Event benefiting children's health set for September 20

By Adam Izquierdo Herald Intern

On Sept. 20, the Kid's Day America event will provide children with free dental, vision, and spinal testing as well as

Kid's Day America was started by Drs. Theresa and Stuart Warner eight years ago in their Point Pleasant Office, in New Jersey. It is an affair for children all around the world and is currently held in more than 1,300 chiropractic offices. As of now more than two million children have been spinal screened for scoliosis and spinal nerve inference, also known as

At Drs. Warners practice, currently 70 percent of their patients are children under the age of 7. On a every day occurrence, patients of the Warners reported that once their child started to receive treatment, their ear infections, alleigles, colic, asthma and various other health

problems were completely healed.

At the Lake Mary Chiropractic Center,
Dr. Jennifer Smith and Dr. Paul Runa are also very passionate about helping chil-dren and their community. They have a large pediatric practice as well as aiding programs for D.A.R.E., local schools, and educational programs.

Kelly Toma, in charge of this year's event said "Lake Mary is the only city in the Orlando area, that is hosting this event, so for that reason we are having the event at the Lake Mary Chiropractic

For the activities planned Toma stated "activities for the family include: D.A.R.E. Car Show, Face Painting, Clowns and Magicians, Dunk Tank, and performances by local dance, gymnastics, and karate studios. Food and refreshments will be provided by Publix."

In addition to there will be information to all attendees on crime prevention, child safety, and environmental issues. Free Fingerprinting to all children who attend, provided by the Lake Mary Police Department. The Lake Mary Fire Department will be on hand, fire truck and all to instruct attendees on fire safety.

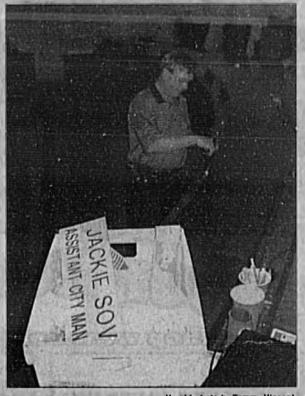

"Donations from the tickets and raffles will go to D.A.R.E. and New Hope for Kid's, there is a need for volunteers," said

The activities will be from 11 a.m. to 4

For more information please contact Kelly Toma at 407-804-8778 or by visiting www.childrenswellness.com www.lakemarychiropractic.com.

City Manager John Litton removes commissioner's name plates from Lake Mary City Hall chamber room.

the Frank Evans Center parking lot at 158 N. Country Club Road. Also, those residents who plan to attend upcoming city commission meetings, held the first and third Thursdays of each month, should be aware the meetings will be held at the Lake Mary Community Center, located at 260 N. Country Club Road.

Once construction is complete, city hall's main entrance and parking area will be located off Lakeview Avenue, making the facility more user-friendly and safer for drivers and pedestrians. A covered walkway will lead vişiters into the building.

As city government moved into the police station, officers and investigators were also rearranging. Unfortunately, it wasn't the best of times for the police department as they were stretched thin with the murder-suicide investigation on Interstate 4.

Lake Mary officers reported about a dozen other wrecks along I-4 and Lake Mary Boulevard as traffic came to a halt on the west side of the city. Officers also had to lock down Lake Mary Elementary School as a domestic disturbance incident escalated near the

"We were pretty well overwhelmed," said Police Chief Richard Beary.

"i'm sitting in the city manager's office right now because it was the only phone I could find that worked," he added. "It's Murphy's Law. The one time when we don't have phones, computers, fax machines and all the resources we're used to having that's when we need it all."

environment,

Commissioner

it over to someone else. There

"I know, personally, I would rather depend on

someone I know, and that I

know how was trained, the

equipment being used and

what their capabilities are," he

added. "Even if it costs a little

more (it's better) than to wait

for the county to come a week from Tuesday."

According to Litton, not only would a merger have

relinquished city officials'

rights regarding the new fire substation, but it would have

cost taxpayers more money in the long run. Commissioners are also

expected to approve the city's 2004 budget of approximately \$15 million. Among other items, the budget has allotted

for two motorcycles for the Lake Mary Police

Department, the replacement of several vehicles in the city's

fleet, and plans for sidewalk and beautification projects. According to Litton, the

increase in revenues in 2004 due to a rise in ad velorum taxes and franchise fees. However, this will be offset by low interest rates and a slowdown in new construction

is a cost involved with that.

Tax

Continued from Page 1

"We are all reluctant to vote on the millage increase," said Mayor Thomas Greene. This is the first one for the current board of commissioners - all except for Commissioner Duryea [who has served on the Lake Mary commission for

16 years]." The tax increase was spurred solely by the city's need for a fire substation in

What made Randall, a for-mer college basketball star and an lvy League graduate, turn on his family police may never know as he died shortly after arriving at Orlando that's where his wife worked Regional Medical Center, and he suspected she was

had a bunch of sweet looking children.

According to Beary, authorities are never really going to know what drove Randall to his actions, but hopefully investigators can piece together that last few days of the man's life to illustrate a more complete picture.

Amongst the tangled cide note on a yellow legal pad. In the letter, Randall accuses his wife of child neglect and laments that he could not find a job to seek custody of his children. He stated that he chose the stretch of interstate near the AAA headquarters in Heathrow because and he suspected she was Neighbors said "they seemed having an affair with a

Quite honestly, it was very well planned and very well thought out," Beary said. "He had who he wanted notified as next of kin and the whole nine yards. It was a very planned event - it was clearly not an accident."

His wife had filed a restraining order against him recently, according Seminole County records. And in a police report, she states that her husband was abusive. Maitland Police Chief Gary Clahoun said it was a "domestic situation gone bad."

"I've been in the business for 26 years so I've seen my share of murder-suicides," Beary said. "This one is real tragic because kids are involved and that's a real tough one."

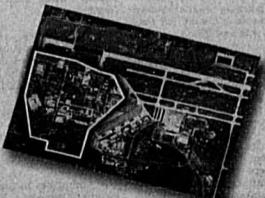

Seminole County Sheriff's Office Deputy Chief Steve Harriett surveys the wreckage that shut down Interstate 4 briefly Monday.

Bryan Randall's apparent suicide note

Dearest family and friends:

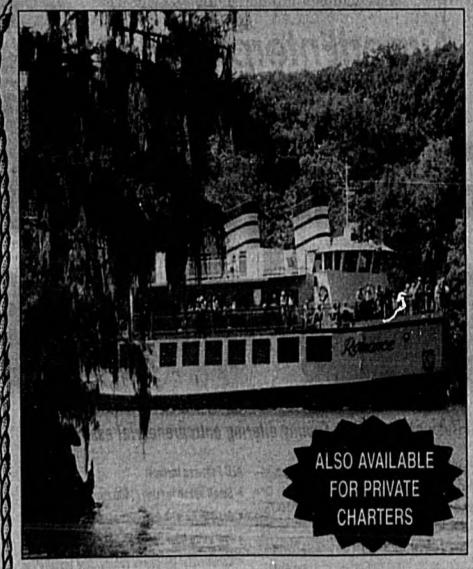

- "Why?" must be the question on your minds. Following are the reasons:
- I made too many mistakes
- I married the wrong woman and bore four children
- I could not allow those beautiful children to grow up in the manner she would raise them
- I didn't get the latest job I went after and had no means to legally fight for and/or care for them
- . I did not live my entire life right and I am ready to start over w/ my seeds w/ me

I am sorry I was not a better relative or friend to you. That is all I am. These last few weeks (9) as a father with absolutely no contact w/ my children was hell. I just got to see them and my heart was broken. They were dirty, teeth unbrushed, dandruff filled and uncut halr, and they told me they're sleeping on her girlfriend's couch, floor and rocking chair. Why? Because she chooses to keep me out of their lives despite their crying for their father. (Not even a phone call!) I had to take them with me. Again, I apologize. Please cremate us and combine our ashes. I love you.

Bryan

Cremate us together

- I've lived my life fully
- · Played basketball as long as I could Started a business
- Got married
- · Had 4 kids
- Experienced my wife cheating and the resulting destruction of my family

Smokin' ride

The Lake Mary Fire Department responded to a cal fire Friday at a residence near the intersection of Country Club Road and Floyd Avenue. According to Wendy Benton, Lake mary deputy fire marshall, some work had been recently done on the vehicle and it appears accidental. Benton said the vehicle owner had been home for about a half a hour when a passerby noticed flames coming from the car. No one was injured, but the car was destroyed.

Editor's note: Law enforce-ment officers of the Lake Mary Police Department registered the following arrests through the Seminole County fail from Sept. 4 to Sept. 15.

Police incarcerated John Clayton, 33, of 712 Secret Harbor Lane No. 204 in Lake Mary, on Sept. 14 for posses-sion of drugs.

 Officers arrested Heidi Schultz, 37, of 712 Secret Harbor Lane in Lake Mary, on Sept. 14 for driving under the influence and possession of marijuana.

• Officers arrested Michael Willis, 46, of 1758 Mercy Drive No. 1 in Orlando, on Sept. 13 for pos-

session of a controlled substance and marijuana, resisting an officer, forgery and

• Authorities arrested Octavius Barnes, 19, of 900 S. Elm Ave. in Sanford, on Sept. 12 for theft of a vehicle valued at more than \$20,000.

 Police charged Scott
 Werner, 40, of 3671 Cumbria Court in Apopka, on Sept. 12 with driving under the

 Authorities incarcerated Jason Ammon, 25, of 730 Oakland Hills Circle in Lake Mary, on Sept. 9 for driving under the influence and a nonmoving traffic violation.

 Police arrested Eric Hansen, 29, of 300 Kimberely Court in Sanford, on Sept. 9 for driving under the influence, a moving and nonmoving traffic violation.

 Officers charged William Rooney, 36, of 808 Agnes
 Drive in Altamonte Springs, on Sept. 10 for a driving under the influence, a nonmoving traffic violation, resisting an officer and fraud.

 Officers arrested David Tennant, 30, of 6925 Aloma Ave. No. 49 in Winter Park, on Sept. 9 for a nonmoving traffic violation and unlawful possession of eavesdropping equipment.

• Police charged Byron Hedges, 20, of 101107 Stonebrook Park in Lake Mary, on Sept. 7 with possession of liquor while underage.

Authorities charged Robert Bojan, 34, of 148 Carmel St. in Sanford, on Sept. 7 with driving under the influence.

Police arrested Carmelo Ortiz, 29, of 8330 S. State Road No. 600 in Fern Park,

on Sept. 7 for a nonmoving traffic violation.

Authorities arrested Gary Stefanisko, 27, of 156 E. Goodheart Ave. in Lake Mary, on Sept. 7 for fraud.

Officers incarcerated Gauss Gonzalez, 22, of 547 Thames Circle in Longwood, on Sept. 7 for driving under the influence and two non-moving traffic violations.

 Police arrested Jill Marie Gentile, 21, of 1070 W. Embassy Drive in Deltona, on Sept. 5 for driving under the influence.

Authorities arrested
 Jason Guyse, 21, of 993 High
 Point Loop in Longwood, on

Sept. 5 for possession of mar-ijuana and carrying a con-

BUSINESS

Girard Environmental projects 30 percent growth in 2003

Sanford-based Environmental Services, Inc. reported revenues of more than \$2.4 million during its first quarter.

Leo Gimrd, vice president of business development, said the company projects annual revenues in 2003 will top \$10 million.

Last year, Girard reported \$7.6 million in revenues. The firm specializes in irrigation, landscaping and hard-scaping construction and landscape management services. Girard was recently awarded a contract valued at more than \$3 million by the Heathrow Master Association to provide landscape management services for all common areas throughout the Seminole County community for the next five years.

The firm, founded in 1998, currently provides landscape management services throughout, Orange, Seminole, Brevard, Lake and Volusia Counties.

Townhouse conversion to start at Heathrow

Barciay Place, a luxury rental community at Heathrow on Lake Mary Boulevard and Markham Woods Road will soon be marketed as a townhouse community.

Roger Soderstrom, founder and owner of Stirling International Realty. Inc. at Heathrow, said Stirling will commence marketing and sales on the 148 luxury townhouse villas at Barclay Place in October.

One and two bedroom villas, including two bedroom villas with lofts will be priced from \$120,000 to

Built in 1988 on a lakefront setting covered with huge oak trees, Barclay Place was originally designed as a townhouse community.

Sanford airport establishes new business incubator

Orlando Sanford International Airport, which is in the midst of a \$1.6 billion expansion, has established a new business incubator at the airport

Diane Crews, vice president of administration at the airport, said the Airport Enterprise Center, located at 2800 Mellonville, has 13,500 square feet of space and already is almost

Among the first tenants are Express

Shiny showroom: Dealership settles in new digs

CarMax, the nation's leading used-car CarMax has opened 41 more superstores and sold almost 1 million new and used cars. In Fiscal Year 2003, CarMax posted sales of \$3.97 billion, a 12

dealership, recently opened a new store in Seminole County, Located at the Intersection of Towne Center Boulevard and Rinehart Road, the dealership offers about 350 late-model vehicles. The company began in 1993 with its first superstore in Richmond, Va. Since then,

percent increase over the prior year, and netted a profit of \$94.8 million.

One International, Inc., an air cargo company: Streetwize, Inc., a custom motorcycle repair facility; Delta Connection Academy, formerly Comair Aviation Academy; W.D. Schock, Inc., aviation land acquisition consultants; and One Source Medical, which manufactures and sells shoe

inserts for diabetic patients. In addition to the incubator program, the airport generates more than \$1.7 billion in area economic activity, according to a Florida Department of Transportation Economic Impact Study prepared by Wilbur Smith Associates, a major U.S. engineering, planning and economics consulting

Larry A. Dale, president and chief executive officer at the airport, said he isn't surprised at the high number.
"Most people don't realize what a

significant impact Orlando Sanford International Airport has, not only in Seminole County but throughout Central Florida," said Dale.

Altogether, commercial and visitor

an annual payroll of more than \$574 million, Dale said.

Orlando Sanford International Airport is in the midst of a \$1.6 billion expansion program that will see almost continuous new construction at the airport facility through the year

"We are expanding Orlando Sanford International Airport in ways that will facilitate more commercial and industrial growth in Seminole County," Dale said, "and we are focusing on permanent, long-term growth."

Lake Forest posts \$6 million in sales

Lake Forest, the premier luxury community NTS is developing on SR 46 in north Seminole County, reported 24sales in August.

Rick Bavec, vice president and gen-eral manager at Lake Forest, said the average new home sale price in August was \$355,000.

At the Enclave at Lake Forest, with homes by Morrison Homes, 10 homeactivity facilitated by the airport generates more than 26,000 local jobs with days after opening the second phase.

New homes at The Enclave at Lake Forest are priced from \$242,000 to \$320,000 Bavec said.

Only 20 home sites remain for sale in the second phase.

Crescent negotiates lease at Primera Four in Lake Mary

Crescent Resources, which is developing the Crescent at Primera and New Century Park, a 240-acre master planned office campus in Lake Mary, recently negotiated a lease agreement for 3A91 square feet of office space at Primera Four in Lake Mary at 300 Primera Boulevard, near 1-4 and Lake Mary Boulevard.

Ida Rood, leasing director for Crescent Resources in the Orlando area, negotiated the transaction. United Image Technologies Inc., the new tenant was represented by Cliff Stein of Tower Realty.

Crescent Resources, LLC was formed by Duke Energy, Inc. in 1969 and is a major U.S. developer of corporate office facilities, retail centers, multi-family and single-family devel-

opment in the U.S. In Orlando, Crescent is developing Resource Square at Central Florida Research Park, The Crescent at Primera and New Century Park in Lake Mary and Gateway Crossing Shopping Center in Altamonte Springs.

New project offers first private golf club in 15 years

A quarter century ago, Seminole County developers stunned Central Florida real estate experts when plans were unveiled to build the area's most expensive - and most exclusive country club community some thirty minutes from downtown Orlando at Heathrow.

Now the area ranks as one of the hottest luxury housing markets in the U.S., with the highest average new home sale price anywhere in the region. That's the future some of those same community planners have in mind for a small corner of Lake County, between S.R. 46 and S.R. 46A: Heathrow Country Estates, destined to become the most exclusive private golf course community in Central Florida.

But it won't start out to be the most expensive. Nestled on 480 acres of rolling hills and bluffs west of the Wekiva River, Heathrow Country Estates will accommodate no more than 323 estate home sites and the RedTall Golf Club, which worldrenowned golf course designer Dave Harman called "the most natural setting for golf in Central Florida."

J. Brad Millsap, sales and member-ship director for Heathrow Country Estates, said the 7,150-yard course is the focal point of the first true private golf club community developed in

Central Florida in more than 15 years. New custom homes, on one-half to three-quarter acre home sites, will be priced from \$500,000 and coach homes, on one-third acre home sites, will start at \$395,000. Lot reservations are now being taken at pre-construc-tion prices, Millsap said.

Three award-winning custom

homebuilders have been selected -Brentwood Custom Homes, of Altamonte Springs; Marklen, Inc., based in Casselberry and Irvin Construction Company of Ocala. Custom homes will range from 4,000 square feet to more than 6,500 square feet of living space.

Huge field entered for Lake Mary Cross Country Classic

By Dean Smith Sports Editor

LAKE MARY - The Lake Mary High School Cross Country Course will be extremely busy this Saturday (September 20th) as the largest ever will be on hand for the Lake Mary Classic.

No less than 27 schools will have at least one team entered, far surpassing any previous turnout in the illustrious 31 year history of the

And while the High School field is closed to any new entries, meet director Mike Gibson is still accepting entries for the Middle School

"We have some teams entered, but the coaches find it hard to believe that we are allowing the youngsters to run for free," said Gibson. "The entry form is a little misleading because it mentions an entry fee. But that (the fee) is for the high school runners. They (the imiddle school runners) do have to be at the course at 7:15 a.m., however, as they will be running at 7:30 a.m., prior to the high school races.

The Middle School athletes, both boys and girls, will run two miles and the first 30 runners, again both boys and girls, across the stripe will receive a ribbon.

To enter, fax a list of names to 1-407-320-9664 or 1-407-320-9512, or just show up inext Saturday before 7:15 a.m. to enter.

All seven Seminole Athletic :Conference schools will be sending both their boys and girls teams, as will Seminole

Christian Orangewood Crooms School and Academy

Lake Mary Prep will be sending its boys team and Trinity Preparatory School will be sending its girls'

Of the 27 schools entered, 22 of them will be sending both of their male and female teams, including jun-

The following teams are entered in the 31st Annual Lake Mary Classic Cross Country meet on Saturday, September 20:

Lake Mary High (boys and girls), Winter Springs High (B&G), Spruce Creek High (B&G), Lyman High (B&G), Orangewood Christian Orangewood Orangewood Christian (B&G), Evans High (B&G), Seminole High (B&G), Apopka High (B&G), First Academy (B&G), Bishop Moore (B&G), Belleview High (B&G), Montverde Academy (B&G), Pine Ridge High (B&G), Oak Ridge (B&G), Ovieda High (B&G). (B&G), Oviedo High (B&G), Seabreeze High (B&G), Lake Howell High (B&G), Brooksville Central (B&G), (B&G), Lake Brantley DeLand High (B&G), Warner Christain Academy (B&G), Crooms Academy (B&G), Dr. Phillips (B&G), Lake Mary Prep and Northstar Christian (boys only), and Trintly Prep and Winter Park High (girls only).

The Coaches Declaration Meeting and Middle School registration is at 7:15 a.m. with the Middle School Race

running at 7:30 a.m. The Girls Varsity begins at 8 a.m. with Boys Varsity at

8:40 a.m., Girls Junior Varsity

Varsity at 10 a.m.

The awards presentation will be at approximately 10:45 a.m. with trophies being awarded to the first, second and third place finishing varsity teams and the junior varsity championship

The top 30 JV and middle school runners will receive ribbons, while the top 20 varsity finishers will receive medals with the 21stthrough-75th place finishers receiving ribbons.

Admission is \$3 for adults, with children 13-under free. The race starts behind Lake Mary High School near the Greenwood Lakes Middle School Track and runs through Greenwood Lake Park park and the Lake Mary High practice fields, and finishes near the start. All races are 5K.

Many Central Florida area cross country teams unofficially kicked off their seasons on Saturday, August 30th as the annual Lake Mary Summertime Meet was held at Lake Mary High School.

Many of the 500-plus entrants were clinging to shade under the trees at Greenwood Park as the heat and humidity took its toll on runners making their first competitive runs of the year. It proves the old adage true

ing like competing. The morning started off with an 8 a.m. 2-mile run for 52 runners in the 13-and-under and 19-and-older divi-

once again. Training is noth-

The 14-to-18 girls, which drew 25 teams and 204 runners, took to the course at

at 9:20 a.m., and Boys Junior 8:30 a.m. and the race was all Jenny Barringer from

Oviedo. By the first mile, her lead was already sizable-perhaps 45 seconds. The Lions junior came through the two mile mark around 12 minutes, before crossing at least a track's length in front of the next runner with a time of 18:58. Coming in over two minutes behind (21:05.18) was Sharon Rogers of the Flagier Palm Coast Track

The team title, however, went to the Pioneer Runners Track Club (78 points) over the Oviedo Harriers Track Club (83 points) and the Flagler Palm Coast TC (95 points). The Lake Brantley Track Club (141 points) and Lyman Blue (204 points) rounded out the top five. The 14-to-18 boys kicked

off next at 9:15 a.m. and it was Andrew Chuplis, running unattached, edging Lyman Blue's Bryan Christian by a little under 13 (16:32.89 to seconds

16:45.19). But the team race was all Flagler Palm Coast Track Club as it had a total of 30 points to 131 for second place Edgewater Track Club (131). The Oviedo Harriers Track Club (133), the Winter Springs Track Club (184) and the host Lake Mary Track Club (222) rounded out the top five. Other impressive runs were turned in by the Lake Brantley Track Club (sixth with 223 points), Lyman White (seventh with 259 points), Lyman Blue (eighth with 263 points) and Lyman Gold (11th with 350

The turnout for the boys' event was astounding as 29 teams and 244 boys took to the course

The event also saw three boys enter in the 11-to-13 age group run the 5K. LAKE MARY SUMMER-

Lake Mary Rams off to sluggish start

By Dean Smith Sports Editor

LAKE MARY - The first two weeks of the high school football season has not gone exactly to plan for Lake Mory.

But considering the circumstances, a 1-1 record at this point sure beats 0-2.

All-America linebacker Keith Rivers showed that he has some offensive skills, too, as he ran for a pair of touchdowns as the Rams survived a huge scare from Class 2B power Lake Highland Prep in Orlando last Friday night.

Rivers, who fills in at fullback on short yardage plays, scored the game's first touchdown from threeyards out and then tallied the insurance final touchdown from two yards with 1:35 left as Lake Mary won, 21-13.

The 6-foot-3, 225-pound senior didn't disappoint on the other side of the ball either, getting himself involved on 17 of the 26 running plays the Highlanders ran during the

He also sewed up the victory on special teams, recovering a fumble on the kickoff following his second touchdown.

Two long runs set up the final two Rams touchdowns as, with the score tied at 7-7 in the fourth period, junior tailback Carl Buford ran 47 yards to set up his own four-yard touchdown run off a tremendous block by 6-foot-2, 270-pound Randy Jackson.

Lake Highland (0-2) answered back on a twoyard touchdown run by the Highlanders' star back, Charles Pierre, with 1:51 remaining, cutting the deficit to 14-13.

But with nothing to lose and a victory over a Class 6A opponent within their grasp, the hosts decided to

go for a two-point conver-sion and the lead. Lake Highland looked to have the correct play call as it went to its bag of tricks and called a fake run and pitch back to the quarter-back. But two things went wrong on the play, the pass to an open receiver was too high and the play would have been called back on

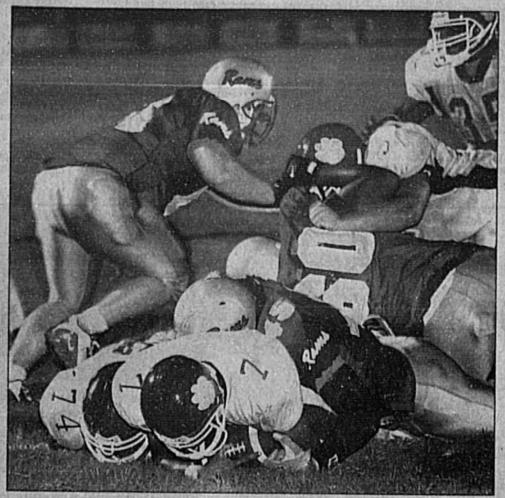

Photo courtesy of Arch Boothe, Magic Memories, Inc.

Lyman quarterback Kyle Harris (above) sneaks home the winning touchdown from two-yards out with 4:22 left in the game as the Greyhounds upset the state-ranked Lake Mary Rams, 15-14, in the season and Seminole Athletic Conference openers at Don T. Reynolds Stadium on Friday, September 5th.

illegal procedure anyway. Lake Mary then put the game away as R.J. Meyers recovered an onside kick senior tailback

free for a 51-yard gain to set up Rivers' second score with 1:35 left.

The Rams defense, led by the aforementioned Rivers,

Cameron Bateman broke did a good job, limiting Pierre to only 76 yards on 19 carries, nine of which went for less than three

Lake Mary, however, was

not as lucky in its season opener against Lyman the week before.

Kyle Harris' two-yard plunge with 4:32 left was the deciding touchdown and two big defensive stands by the Greyhounds kept the hosts at bay as visiting Lyman upset the Rams, 15-14, in a Seminole Athletic Conference opener at Don T. Reynolds Stadium.

As happens in most opening games of the season, if not most games in general, the team that made the least mistakes won.

Playing before a large opening-night crowd the Greyhounds survived survived numerous penalties to pull off one of the biggest sur-

prises in SAC history. Lake Mary, with 17 starters returning from last See Rame, Page 15

year's 10-2 squad, was also flagged several fimes, mostly for false starts on its offensive line, which has all five starters back.

The first break of the game came with just 30-seconds left in the first quarter when Lake Mary's Vincent Cedre recovered a Lyman fumble at the Greyhounds

The Rams almost didn't take advantage of the turnover as they were hit for an illegal procedure penalty and a delay of game, 10 of 92 yards walked off against the Rams, and had two runs for no gain.

But on third and goal from the 13, junior quarter-back Robert Kass found senior wide receiver David

SAC FOOTBALL ON BRIGHT HOUSE

The heavyweight battle between Lake Mary and Oviedo will be the featured game on Bright House Networks' "High School Football Game of the Week" 2003

series this week. As in past years, Bright House Networks will tape Central Florida's best football teams on Thursday and Friday nights and air the games on Saturday mornings and Sunday afternoons from Sept. 6th through

The Lake Mary at Oviedo clash will air at

9 a.m. on Saturday and then be re-aired on Sunday at 1 p.m. on Channel 98.

Other games on the schedule involving Seminole County teams has the Seminole at Oviedo game on Oct. 17 and airing on the 18th and 19th; and the neighborhood rivalry featuring Winter Springs at Lake Howell on Oct. 24th and airing on the 25th and 26th.

HABITAT GOLF

On Sept. 25 Realty Executives Orlando will present the inaugural Hard Hat Open, Habitat for Humanity in Seminole

County's uniquely sponsored golf tournament in support of one house for a family in need. That family is Rhonda DePaul and her two children.

The event will be a four-person scramble held at the Legacy Club at Alaqua Lakes, a premier 18-hole golf course located in Heathrow. Presenter and lead sponsor Realty Executives Orlando is currently seeking other businesses and organizations to sponsor the event along with them, with the hook of dual sponsorship

opportunity.
Not only will sponsoring companies be

featured at the golf tournament itself, but they will also receive exposure for their benevolence throughout the four months it takes to build the house.

Numerous sponsors have already taken Sabol and his North and South office sponsors up on that challenge, including Wells Fargo Financial Services, Brokers Title of Longwood, Dan Morgan Construction, Castle North Plumbing, Lake Mary Kitchen & Bath, and many

To sponsor or play in the event, call the Habitat office at 407-696-5855.

Distant Replay

Dec. 27, 1969

In front of a Gator Bowl record crowd of 72,248, SEC champ Tennessee fell to Florida 14-13 when the Gators converted a blocked punt into a touchdown. Florida's hookup of John Reaves to Carlos Alvarez did some damage, but the Vols' inability to punch it in from inside the red zone spelled their doom. Vols tailback Curt Watson finished with 121

yards in the loss.

The this week

*2001 Longwing Publications Inc.

GAME OF THE WEEK
Tennessee at Florida

Can Vols drain Swamp?

a No. 12 Tennessee enters the Swamp for its annual grudge match against the Gators, the Vols are the higher-ranked team, and the team with its national title aspirations still intact. Florida (No. 17) will attempt to play the role of rude host and ruin Tennessee's title hopes, just as Miami did to the Gatora a few weeks ago.

Florida has won seven of the last eight at home against the Vols, but the last time they squared off in the Swamp in 2001, the Vols came out on top. Florida's players remember Vols quarterback Casey Clausen leading the Tennessee band in a rendition of "Rocky Top" after the victory, and this year they yow to keep Clausen silent.

If the Gators can jump on the Vols in the first half as they did against Miami, it will be a rocky road for Tennessee. Although they have Clausen and James Banks, the Vols don't want the balance of this game to depend on their ability to throw the bali. The Gators' secondary hasn't allowed a passing touchdown at home in 12 quarters, and the Gators' best athlete (Keiwan Ratliff) can intercept and take it the other way as fast as anyone in the country.

The Vols rely on a ground game to grind teams to a pulp. Senior Cedric Houston will try to find the end zone, something he hasn't done yet this season, although he is averaging 160 yards a game. And that could be the difference since 11 of the last 13 meetings between the two have gone to the team that piled up the most rushing yards. Of course, the Gators gained only 94 yards in Knoxville last season and still walked away with a 30-3 yictory.

Tennessee at Florida

■ Records: Florida 2-1 (0-0 SEC); Tennessee 2-0 (0-0 SEC).
■ Series: Tennessee leads 17-15. ■ Coaches: Tennessee's
Phillip Pulmer (105-25); Florida's Ron Zook (10-6).
■ TV: CBS

Key for Tennessee: The defensive line must get pressure on whichever quarterback Florida has in the game. The Volunteers are relying too much on bringing this pressure with linebacker blitzes, and that's risky against a team that can burn you with a quick slant like Florida.

Key for Florida: Ditch the plotding Ran Carthon and go with the youth movement now. Freshman tailback DeShawn Wynn tied a school record with four touchdowns last week. When this speedy runner gets an opening, it usually means six points.

■ Records! Mississippi State 0-2 (0-0 SEC); Houston 2-1 (0-0 C-USA). ■ Series: Tied 6-6. ■ Coaches: Mississippi State's Jackie Sherrill (177-112-4); Houston's Art Briles (2-1). ■ TV: None.

Key for Mississippi State: The Buildogs know they can hang with almost anyone offensively; now they just need to get their defense on the same page. More aggressive coverage and simpler schemes will help this unit get back to reacting and

Key for Houston: Let the quarterback be a keeper. Kevin Kolb showed last week that he might do his best work with his legs as he rambled for 92 yards against Louisiana-Lafayette.

Georgia at Louisiana State

■ Recorda: Georgia 3-0 (1-0 SEC); LSU 3-0 (0-0 SEC).
■ Series: LSU leads 12-9-1. ■ Coaches: Georgia's Mark Richt (24-5); Louisiana State's Nick Saban (72-38-1). ■ TV: CBS.

Key for Georglat Find someone other than Reggie Brown to throw to. With top option Fred Gibson out with a pulled hamstring, Brown will be getting double-teamed. That should leave someone clse wide open.

Key for LSU: Use bookends Marcus Spears and Marquise Hill to batter Bulldogs quarterback David Greene. When they're not sacking him, they'll be awatting passes and pancaking running

Kentucky at Indiana

■ Records: Kentucky 1-2 (0-1 SEC); Indiana 1-2 (0-0 Big 10).
■ Series: Kentucky leads 17-15-1. ■ Coaches: Kentucky's Rich Brooks (92-111-4); Indiana's Gerry DiNardo (55-50-1).
■ TV: None.

Key for Kentucky: The Wildcats have to go deep and stretch the field. They can't continue to settle for short passes, because when they do that leaves the middle of the field congested and tends to thwart their running game.

Key for Indiana: Run, run and then run some more. The Hoosiera, who managed only 195 yards combined against Connecticut and Washington, broke out last week with more than 200 yards on the ground. Unfortunately, it was against I-AA Indiana State.

Alabama-Birmingham at South Carolina

■ Records: UAB 2-1 (0-1 C-USA); South Carolina 2-1 (0-1 SEC). ■ Series: First meeting. ■ Coaches: UAB's Watson Brown (76-123-1); South Carolina's Lou Holtz (240-121-7). ■ TV: None.

Key for Alabama-Birmingham: Stop giving the game away. Last week the Blazers committed four turnovers in a tough

Illustration by Eruce Plante * 2003

loss to Southern Miss, and two of those led to touchdowns.

Key for South Carolina: Stop the slop. The Blazers are far from a pushover, and if the Gamecocka have a repeat performance of last week's game (three interceptions, a penalty it wipe out a touchdown, and a botched field goal) they'll find themselves staring at 500.

Vanderbilt at Texas Christian

■ Records: Vanderbilt 1-2 (0-2 SEC); Texas Christian 2-0 (1-0 C-USA), ■ Series: TCU leads 2-1. ■ Coaches: Vanderbilt's Bobby Johnson (63-48); Texas Christian's Gary Patterson (IB-B). ■ TV:

Key for TCU: Get Lonta Hobbs to pick up where Ricky Madison, who tore a ligament in his knee against Navy, left off. Hobbs might have been the backup, but he does have four touchdowns this season.

Key for Vanderbilt: Move the ball. Last week, the Commodores managed only two first downs — 55 yards of offense — in the first half. Their trio of running backs was limited to 76 yards on 21 carries.

Northern Illinois at Alabama

■ Records: Northern Illinois 2-0 (0-0 MAC); Alabama 2-1 (1-0 SEC). ■ Series: First meeting. ■ Coaches: Northern Illinois' Joe Novak (30-50); Alabama's Mike Shula (2-1). ■ TV: None.

Key for Northern Illinois: Shore up the defense. If it looks anything like it did in the last game, allowing 445 yards of offense to I-AA Tennessee Tech, the Huskies will fall to 0-9 against SEC teams.

Key for Alabama: Continue to win the battles on the line of scrimmage. Getting down and dirty has paid off for a team that can punch holes in opposing lines on either side of the ball.

North Texas at Arkansas

■ Records: North Texas 1-2 (0-0 Sun Belt); Arkansas 2-0 (0-0 SEC). ■ Series: Arkansas leads 7-0. ■ Coaches: North Texas' Darrell Dickey (22-39); Arkansas' Houston Nutt (77-45). ■ TV: None.

Key for North Texas: Get leading rusher Patrick Cobbe (bruised thigh) healthy in a hurry. Last week, Kevin Moore filled in poorly, gaining only 33 yards on 14 carries.

Key for Arkansasi Don't fall for a fake punt. The Razorbacks have been the victims of fake punts in each of their first two games. Texas and Tulsa both used the ruse to pick up first downs after stalling on their opening drives.

publicity they need. After Alabama beat up Kentucky and jumped back into the Top 25 at No. 21, tailback Shaud Williams began attracting attention for the Heisman Trophy. The 5-foot-8, 189-pounder ripped off 177 yards and three touchdowns in the victory over the Wildcats and now has 363 yards and five touchdowns on 75 carries in three games. "That guy should be in the Heisman race, seriously," said quarterback Brodle Croyle.

decided to show up against the Longhorns last week? The fart that 22 defenders turned up on the stat sheet speaks volumes about the depth on the defensive side of the ball. The defensive line, which forced Texas to take it to the air, had eight players taily 13 tackles, three defended passes and two fumble recoveries.

after the first two weeks, finally found something to be proud of in the victory over Vanderbilt. The offense got going, the defense returned to form, and Auburn knows the SEC title is still within reach. The figers might have turned things around for the time being, but you should probably stop short of calling the win a miracle. "We were dead the first two weeks," Auburn linebacker Karlos Danaby said. "We rose on the third game."

back DeShawn Wyan coming off a breakout performance, it would appear that the Gators' running game is peaking for the grudge match with Tennessee. The Gators will also get back anchors on the offensive line in Jonathon Colon and Anthony Guerrero, who have been out with knee injuries.

BEORGIA Wide receiver Reggie
Brown's sudden reemergence couldn't come at a better time
with fellow wideout Fred Gibson slowed
by a sore hamstring. Brown was a top
recruit out of high school and has been
through some tough times — first
breaking his leg as a senior in high school,
then tearing an ACL in his sophomore
season at Georgia. Brown will probably top
last year's numbers (23 catches, 296 yards)
in the fourth game of the season.

Matt Mauck mania is spreading.
The Tigers' quarterback is now 8-1
in his brief career as a starter, and he set
career highs last week with 305 yards
passing and four touchdowns. He also has
the Tigers off to their first 3-0 start since
1998.

they finally developed a running game—even if it was only against LouisianaNonroe. And quarterback Eli Manning ahowed the type of short-term memory every great signal-caller must possess.

After a shaky game against Memphis, he threw for three touchdowns and ran for three more to roll up 621 yards offense.

Holtz is re-evaluating the quarterback position after Bondrial Finkins' 12-of-30 effort with two interceptions. Backups Mike Rathe and Bennett Swygert both got in the game, and Swygert led South Carolina to its only touchdown in the final minute. But Holtz is also going to take a long look at true freshman Blake Mitchell, who runs the scout team. "He (Mitchell) is accurate and I like his poise and demeanor," Holtz said.

Simon to continue to tackle everything that comes his way when they face the offense-minded Gators this week. Simon has recorded at least 10 tackles in each of the first two games and leads the team with 22 stops. The super sophomore also leads Tennessee in sacks with 3.5 and tackles for loss with four.

Auburn, the Commodores got some good news at the end of the game. Senior tight end Dan Murphy returned to the field after being taken away on a stretcher in the second quarter. He was blocking on a kickoff return and suffered a severe concussion. But after undergoing tests at the Vanderbilt Medical Center, he was released, although his status for this week remains uncertain.

Sauls open in the left front of the end zone for the touchdown.

But then in a play that would come back to haunt the home team, an attempted run for two failed, leaving the score, 6-0, with 11 minutes left in the second quarter.

Lyman looked like they would answer right back when C.J. Walker made a nice move on the kickoff to elude two tacklers and took off down the left sideline for 87 yards.

The only problem was that there was a personal foul called near midfield, wiping out the score.

After a couple of changes possession, Greyhounds finally got

things rolling.

Walker got things going with a 30-yard run and then two more big plays, a 24 yard pass from Harris to Von Dixon and a six-yard run by Dixon, set up a 16yard run by Harris to tie the score with 2:15 left in the opening half.

The game remained tied as the extra point try never

got off the ground. But Lake Mary gave the ball up quickly, gaining only two yards on three plays and a short punt into the wind gave Lyman the ball at the Rams 34.

Harris hit Comart Franklin for nine yards, but it was still fourth and one with only 2.3-seconds

showing on the clock.

A little indecision got the field goal team on the field late, and despite Mike Benzer nailing a 42yard field goal, it was called back because of not enough men on the line of scrimmage.

But that did not bother Benzer as he backed up the five yards and boomed a 47-yarder between the goal posts, giving the Greyhounds a 9-6 lead at

intermission. Neither team was able to do much in the third quarter as little mistakes kept the ball from moving.

Lake Mary finally got it offense going with 1:23 remaining in the third peri-

With a third and 17 from their own 45, Kass hit former starting quarterback Jon Clark for 32 yards and a first baseman down the right sideline.

Cameron Bateman then ran three times for 10 yards and Justin Scott carried the pigskin for three yards, giving the hosts a third and

goal from the seven. That's when Kass found Bateman in the flat and the senior running back scoot-ed in for the go-ahead score.

Keith Rivers, more known for his stellar play on defense, made a are appearance on the offensive side, lining up at fullback, and bulled his way in for the two-point conversion, giv-ing the Rams a 14-9 lead.

to throw in the towel. Taking over on its own 42 with 9:20 left on the clock, the Greyhounds started a nine-play, 58-yard drive, capped by the two-yard sneak by Harris.

But Lyman was not ready

There were four big plays in the drive, all of which hurt Lake Mary.

On a third and 10, Harris hit big tight end Mark Robinson for 19 yards and a first down.

Then after a pair of penal-

ties left the Greyhounds with a first and 22, Walker

ran for eight yards. Then on third and 14, the Rams looked like they had grabbed the victory when Scott made a beautiful over-the-shoulder intercep-

But Lyman kept the ball, and got a first down, as Lake Mary was hit with a roughing the quarterback penalty. The Rams then looked

like they got another big when break Greyhounds fumbled. But somehow, Lyman got the ball back.

Harris then hit fullback Nate Beard for 20 yards for a first and goal at the two, and Harris barreled in: The try for two failed,

leaving the score, 15-14.

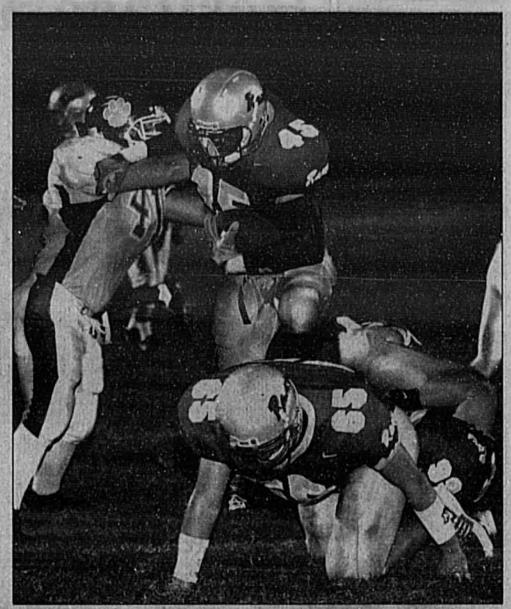

The game then appeared over on the first play after the kickoff, as the Rams fumbled and Walker made the recovery at the Lake Mary 28.

But a penalty called back a potential clinching touchdown run and a subsequent 45-yard field goal try fell just short, giving the hosts one more chance with 2:24 remaining.

Kass passes of 10-yard to Clark, nine yards to Ross Hopkin and nine-yards to Paul Canado, gave the Rams a fourth-and-one from the 49 with 45-seconds left.

But an attempted run to get the first down came up six-inches short with 41seconds left and Lyman was able to run out the

Lake Mary will play probably its biggest game of the season tomorrow (Friday) as it travels to Oviedo to

All-America linebacker Keith Rivers (No. 45) showed that he has some offensive skills, too, as he ran for a pair of touchdowns, including the final touchdown from two yards with 1:35 left, as Lake Mary survived a huge scare from Class 2B power Lake Highland Prep, 21-13, in Orlando last Friday night.

take on the powerful Lions (1-0) at John Courier Field starting at 7:30 p.m. The game is the first Class 6A-District 2 contest for both

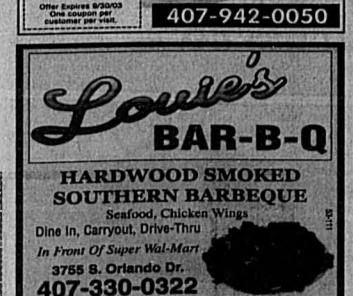

teams, which had been tabbed as the favorites for the district championship by most observers.

the road next week, traveling to Gainesville to take on Buchholz in a nondistrict game on Friday, The Rams will stay on Sept. 26.
