Kuykendall deployed to Iraq

Marine Corps 1st Lt. Robert L. Kuykendall, son of Cathy O. Kuykendall of Winter Park and James R. Kuykendall, Jr., of Orlando, is currently deployed in support of Operation Iraqi Freedom

He is assigned to the 26th Marine Expeditionary Unit, based in Camp Lejeune, N.C. Kuykendall. Kuykendall is one of more than 4, 000 Pacific Fleet Sailors and Marines who deployed aboard the ships of the USS Iwo Jima Amphibious Ready Group.

The majority of Marines and Sailors in Kuykendall's unit have safely returned to the ships of the USS Iwo Jima Amphibious Ready Group from Mosul, Iraq, as Operation Iraqi Freedom continues to transition to humanitarian missions.

Kuykendall's unit is an expeditionary intervention force with the ability to rapidly organize for combat operations in virtually any environment. MEUs are composed of more than 2, 000 personnel and are divided into an infantry battalion, aircraft squadron, support group and command element. With this combination, Kuykendall's unit supplies and sustains itself for quick mission accomplishment and for clearing the way for follow-on forces.

City grants incentives to local business

Florida Extruders plans to expand facilities and add 155 new jobs by 2005

SANFORD – Sanford Commissioners voted Monday to award one of the largest incentive packages in the city's history to Florida Extruders International, Inc.

The incentive package with the manufacturing firm will be in the amount of $150,000. This amount is comprised of a cash incentive of $94,510, plus up to $55,490 in waived permit and review fees such as site and engineering plan reviews, and site development and building permits.

The Commission will delegate $39,000 of the funds from the Economic Development Trust during this fiscal year. In order to forego transferring $60,000 from the General Fund Reserve to accommodate the incentive package, the remaining $55,510 will be subject to the availability of funds in the coming year.

"We don't want to go into the general funds," said Commissioner Kevin Hipes.

In order to receive the funds, Florida Extruders must build its new location within Sanford city limits and must enter into a Jobs Growth Incentive Agreement with the city. However, Commission still holds the right to forego the additional $55,510 if funds are not available in next year's budget.

"We can't obligate next year's funds," said Mayor Brady Lassard.

Another stipulation to the distribution of money is that the Seminole County Board of County Commission approves a resolution on May 27 to match the funds.

The company, which manufactures extruded aluminum products for outdoor pool enclosures, screened porches and window frames, is currently located in Sanford. However, the group is looking to build a 224,000 square foot manufacturing and distribution facility, with the possibility of a 200,000 square foot add-on.

The group is currently evaluating sites within Sanford and the rest of the southeast to accommodate this project. The capital investment by the company for this project is an estimated at $11.5 million.

If the company chooses a site in Sanford,

City OKS townhouse project

By Jamie J. Anderson-Potter

SANFORD — Attorney and developer Berry J. Walker is one step closer to making his dream of Magnolia Club, a residential townhome community in Sanford, a reality.

Monday, during the first of two public hearings regarding the proposed 25.5-acre site, Sanford City Commission voted unanimously to allow construction of the 114-unit townhome community.

"If I convinced Commissioner Woodruff then I feel I have accomplished something," said Walker. "He is a good man who votes his heart and conscious. He tends to be conservative on wetland issues.

"I was happy and pleased with the Commission's vote," he added. "There is no reason this project shouldn't be built and I look forward to developing it. I hope the city and neighbors will embrace it."

The Commission's decision came after months of debate on the issue.

"City commissioners did their homework and made an informed decision based on asking the right questions," said Walker.

The property, located west of Mellonville Avenue and east of Sanford Avenue on Andrews Road, is currently owned by Rebecca and Ken Burke and is the site of two single-family homes.

The Burke's neighbors, which include residents of Rose Hill and Baker's Crossing communities, were concerned that the development would hinder their way of life, specifically causing drainage and traffic problems.

Based on the resident's concerns, the city hired an outside consultant, Orlando-based Civil Engineering Group, Inc., to analyze these issues.

The CEG engineers found that Magnolia Club would not cause adverse impacts on water drainage or roadways in the area. In fact, the community of Rose Hill is currently having drainage problems and Walker has agreed to development Magnolia Club in such a way that will reduce the existing problem by 78 percent.

City staff also found the development to be consistent

A note to U.S. troops in Iraq

After 8,000 miles, Gabil returns to Lake Mary

By Michelle Joria
Managing Editor

Last month, Sergio Gabil left Lake Mary on a mission. His goal was to meet as many people as possible and have them sign a petition in support of the men and women sent to the Middle East for Operation Iraqi Freedom.

Last week, the Lake Mary resident returned from his journey. After traveling more than 8,000 miles and collecting thousands of signatures, Gabil said he is now ready to meet President George Bush and present him with his petition.

"Once I have organized a group, I am going to ask the president for an appointment," Gabil said. "I can't see him saying no to this. He will be receiving something from thousands of people — from teachers to policemen and firemen to children."

Gabil, an immigrant from Costa Rica, came up with the idea for the petition while watching the events in Iraq unfold on television. As a veteran, he wanted to do something to show his support for the troops,

Office of Elections relocation approved

By Jamie J. Anderson-Potter
Staff Writer

SANFORD — Seminole County Commissioners voted 4-1 Tuesday to approve a lease agreement that will relocate the Supervisor of Elections office to the Orlando Sanford International Airport.

"I'm very pleased," said Sandra "Sandy" Goard, supervisor of elections. "I feel like I did when I recommended that we go from using a punched card system to an optical card system. I'm very thankful that they [the commissioners] see the need to provide space to conduct the elections in a proper manner in Seminole County."

> "We're not dealing with rocket science. We could get by with less."

> Seminole County Commissioner

The new location would provide Goard and her staff with approximately 18,168 square feet of office and warehouse space. This is more than double their current location in downtown Sanford.

Commissioner Carlton D. Henley, however, voted against the lease agreement stating, "I believe the size could be reduced.

"We're not dealing with rocket science," he added. "We could get by with less. Furthermore, we're taking people out of downtown Sanford."

According to Goard, although the original floor plan was an estimated 20,000 square feet, she was able to review the space allocations and reduce that by nearly 3,000 square feet.

"I've worked in this office for many years and with the new things that are approaching we do have a need for the extra space," said Goard. "

I did go back and reduced it as much as I could in order to have the space to stage an election. We just can't reduce it any more."

The lease agreement between the county and the Sanford Airport Authority is for 10 years,

Paulucci inducted to Hall of Fame for devotion to family and community

From Staff Reports

Lois Mae Trepanier Paulucci was recently inducted into the city of Duluth, Minnesota's Hall of Fame for her devotion to family values and a determination to improve community resources to better serve families.

Paulucci, wife of local businessman Jeno Paulucci, is the 78th person selected for induction into the Hall of Fame. Each year, only one person is selected for the Hall based on that person's lifetime volunteer service to the community.

Jeno Paulucci was inducted into the Hall of Fame in 1962.

"She deserves it more now than I ever did then," Jeno Paulucci said of his wife's induction.

Lois Paulucci was nominated for the honor by Ronald DeGrio of the Duluth Planning Commission. DeGrio cited Paulucci's "dedication to creating opportunities to help protect families from danger, abuse and hunger, recognizing the family as the foundation of a progressive, compassionate and secure society."

Paulucci

"She has consistently dedicated herself to helping an extended family of Duluthians from all walks of life, most of whom have never known about the wonderful deeds she has done on their behalf," DeGrio added.

One of the examples cited included the recently completed Bayfront Festival Park in downtown Duluth, which Paulucci energized for the community with a $3 million contribution and insisted that Duluthians receive what they wanted in their park.

"Lois Paulucci provided the motivation and the means to establish Festival Park to create an accessible family-oriented recreation-entertainment complex," DeGrio said.

Through Luigino's Inc., owned by the Paulucci family, she also conceived and established a "Free Food for the Needy" program specifically dedicated to Duluth area families, similar to an ongoing program conducted over the past decade in Sanford and Seminole County.

For years, the name Trepanier Hall (her gift honoring her parents) on the Duluth YWCA residence hall has been the only visible example of her commitment to helping others. She served for several years on the Board of Directors of Woodland Hills Home and is a silent benefactor for the Northland

Seminole housing values are the highest in nine county region

A Seminole County developer told members of the Lake Mary Seminole Regional Chamber of Commerce recently that housing values in Seminole County are the highest in the nine county Orlando Metropolitan Statistical area (MSA) that encompasses Seminole, Orange, Osceola, Polk, Sumter, Lake, Marion, Brevard and Volusia Counties.

Rick Bavec, vice president and general manager at Lake Forest, the luxury community NTS Corp. is developing on SR 46 in north Seminole County, told chamber members that the average sales price of a home in Seminole County during the first quarter of this year — $180,000 — was almost seven percent higher than the average in Orange County, three times the average in Brevard County and higher than 75 percent of the homes sold in the region.

Bavec told the group that upscale community developers have helped to shape Seminole County as Central Florida's most desirable place to live, and thathas drawn employers.

"Quality residential development attracted affluent, well-educated hard working people to Seminole County who demanded superior schools, shopping, recreation and health care facilities and — surprise — those are the same elements employers look for when they relocate," Bavec said. "The end result is that we enjoy the best of all worlds here in Seminole County, an excellent place to live, work, learn and play.

"As a developer of what I consider to be the finest residential community in Seminole County, I am admittedly a little biased but as a careful, professional observer of the evolution of this county, quality residential development here, in my opinion, has been Seminole County's leading industry for most of the past 30 years."

Bavec said he foresees changes in residential community and development in this county.

"We probably could not maintain the numbers of new homes built for another three decades," Bavec said. "Within the next 10 to 12 years we will approach the point of population density that is ideal for a county our size, in a region like Central Florida, and as our property values keep vectoring upwards, it will become more expensive to move here and buy a new home and that will slow our growth rate."

Blake named Employee of the Month

Herald photo by Tommy Vincent

Interim City Manager Roger Dixon, left, present the city of Sanford's Employee of the Month award to Cedric Coleman. Coleman was nominated for the honor by Johnnie Blake, the utility operations manager. Blake cited Coleman's quick thinking and outstanding performance following a traffic collision he came upon. "Traffic started to accumulate at the scene," Blake wrote. "Cedric reviewed the scene and called for assistance through his city radio that would inform all emergency personnel of the location and possible injury status." Coleman began directing traffic, so emergency vehicles could access the scene. At one point, a person involved in the crash noted that one victim was trapped in a vehicle, which had caught fire. "He grabbed his fire extinguisher to put out the blaze," Blake wrote. "Once the blaze had been extinguished, he continued to spray down the vehicle," in case the fire restarted. "Cedric should be rewarded for his efforts and the knowledge he displayed this day. He continues to be an excellent employee and a great example for the city of Sanford."

Buyers of luxury homes want designer furnishings

"A luxury home can take months and several thousand dollars to furnish and decorate in the kind of style it deserves," said Rauch. "Most home owners would prefer to have professional assistance, and of course we work with highly experienced designers from the conceptual stages of a custom home."

Rauch said Dave Brewer Inc. recently sold a fully-furnished and decorated ready-to-move-in spec home at Alaqua Lakes for more than $1.4 million. The company has another luxury home under construction now.

Airport honors Shoemaker

Herald photo by Tommy Vincent

The Sanford Airport Authority recently honored the late Kay Shoemaker for his contributions to the Orlando Sanford Airport. When the U.S. Navy closed the Sanford Naval Air Station, Shoemaker was one of several local leaders who convinced the federal government to deed the airport to the city of Sanford. The airport terminal has already been named for Shoemaker, but the May 6 ceremony was held to unveil the plaque in the main public lobby of the domestic terminal. Members of Shoemaker's family were on hand for the event, including, from left, John Corso, Kayese Corso, Beth Corso, Dean Shoemaker, Tyler Shoemaker, Sophia Shoemaker, and Tammy Shoemaker. Man jailed with buddy's killer is trying to forgive

Dear Abby

DEAR ABBY: I am a 22-year-old inmate. Two years ago, one of my best friends was killed by a drunk driver. When I was sentenced for theft and incarcerated here, I learned that the guy who killed my buddy is also doing time in this correction center.

For the longest time, I hated the guy who killed my pal. But after a while I started feeling bad for him. He has to live for the rest of his life with the fact that he killed someone because he got behind the wheel when he was wasted.

At first, all I wanted to know was what happened that night. But after time went by, I ended up wanting to forgive him. When I told my friend's wife, "Trisha," that I was getting to know this guy, she got really angry.

I understand how Trisha feels, but she's not the only one whose life was wrecked that night. I lost a good buddy and I'm trying to forgive the man who's responsible. Am I on the right track here, Abby?

ONE-DAY-AT-A-TIMER
IN MASSACHUSETTS

DEAR ONE-DAY-AT-A-TIMER: I think you are. However, to forgive — or not to forgive — is a personal decision. I understand the widow's pain and anger, but she should not judge you for choosing to divest yourself of the burden of hate. Hate corrodes the vessel that carries it.

******

DEAR ABBY: I am a 32-year-old single female whose past has been filled with physical, emotional and sexual abuse that began when I was 5.

Even though my past was horrendous, I've always felt that my life would get better. Well, two marriages and several long-term relationships later, I am STILL being abused. It seems I attract only men who are physically abusive, emotionally unavailable — or both.

Do you think there is something in my character that tells abusive men I am an easy target? I am so sad and lonely that I've found myself thinking more and more about killing myself. I know I have something to live for — I just don't know what it is.

LOST AND UNLOVED
IN THE MIDWEST

DEAR LOST AND UNLOVED: If you have a plan to kill yourself, I urge you to pick up the phone, speak to the operator and ask to be connected to the suicide hotline. Please get the help you deserve so you can lead the happy, healthy life you want. That road begins with counseling to rid yourself of the baggage from your childhood. With professional help, you'll learn to break unhealthy and unhappy patterns and "reprogram" your expectations about what is normal and acceptable in relationships. Please don't wait.

******

DEAR ABBY: About eight years ago, I ordered your two cookbooklets and I loved the recipes, especially the Spicy Shrimp or Lobster Appetizer and the Gourmet Rice Pudding you offered. I loaned one booklet out — and never got it back — and misplaced the other. Are they still available? If so, how can I get copies of them?

J.P. IN ALBANY, N.Y.

DEAR J.P.: My cookbooklet set is frequently requested and it's still available. It contains some wonderful family favorite recipes and can be ordered by sending a business-sized, self-addressed envelope, plus check or money order for $10 (U.S. funds) to: Dear Abby — Cookbooklets, P.O. Box 447, Mount Morris, IL 61054-0447. (Postage is included in the price.)

with two five-year renewals. The total cost per year is $146,580 at $8.09 per square foot. This rate includes custodial service, HVAC maintenance, pest control and landscape/lawn maintenance. The lease rate will remain the same for the first five years and will increase by three percent in years six through 10.

County staff has asked Larry Dale, president and CEO of the Sanford Airport Authority, to research the discount possibility if the county makes an annual payment, instead of a monthly one.

The election office staff plans to fulfill their duties in the current office through March 2004, which will include the presidential preference primary election. They will resume duties at the airport location during the second week in April, giving them ample time to move in and become settled before candidate qualifying begins. This move will allow them to conduct the presidential elections in the new office.

"We're tickled to death to have the office up here," Dale said. "This will get more people out here to see our airport. The airport will have a lot of synergy to it."

Construction should begin on the building in July. The airport authority received 10 applications from contractors and have narrowed the field to include CPH, Wharton-Smith Inc., McKee Construction Company and Spolski Construction, Inc. The four companies must submit their proposal packets no later than June 6.

The airport authority has also requested a permit from the St. Johns River Water Management District for a storm water system.

Other news to note, Commission:

- Passed a resolution proclaiming Saturday-May 23 as "Safe Boating Week" in Seminole County.
- Authorized staff to proceed with the development of a non-exclusive franchise for commercial solid waste collection in unincorporated Seminole County. This item will be brought before the board for approval at a later date.
- Was briefed by Seminole County Environmental Services Department regarding the challenge of providing adequate water supplies to a growing population while meeting the regulatory requirements of the St. Johns River Water Management District. Current and projected per capita consumption in the Northwest service area far exceeds the SJRWMD allotted water.
- Instructed staff to move forward with negotiations for an

interagency agreement with the University of Central Florida for the development of the Seminole County Integrated Government Services Systems. This system would make all records on school capacity, special projects, roads and other items accessible to Seminole County residents.

the city ad-valorem taxes would be approximately $73,000, making the city's rate-of-return approximately 1.3 years.

The company plans to make a location decision by August and begin construction by the end of the year. The project should be complete by the end of 2004.

The company currently employees 435 Central Floridians and plans to add 155 new jobs by the end of 2008, including administrative support, management and tradesmen.

"I think we continue to need industrial, blue collar jobs," said Commissioner Randy Jones. "The concern I have is with finding the funds to accomplish this."

Sanford's Economic Development Trust Fund was created in 1995 and has been instrumental in six job creation and retention projects, costing $347,550. These six projects created more than 334 new jobs and maintained 114 existing jobs.

"We've planted a lot of seeds, now we need to shepherd the deals," said Lassard. "This will be the last one for a while. We need to bring the other items to the finish line."

The estimated return on the city's tax roll is more than $37 million, making the ratio of incentive to private dollar capital investment $1 to $105.

"The payback is great," said Jones.

During the course of these six projects, the city has leveraged more than $977,000 in state and county funds to complement its city dollars.

After the withdrawal of $39,000 from the Florida Extruders project, a balance of $219.86 will remain. The city plans to review the possibility of replenishing this account for future use.

with other projects in the area. However, residents remain concerned.

"This study was bought and paid for by the developer for his better interests and not the interest of the citizens of Sanford," said Judy Long in a letter submitted to the commission. "The city should be ashamed of themselves for letting all this happen."

Commissioner Randy Jones disagrees, saying, "We have nothing to be ashamed of. The city bought the analysis and Mr. Walker paid the city. The only thing Mr. Walker did was hand over the money, he had no other participation in the study."

Walker has also said he will place buffers between the Rose Hill and Magnolia Club subdivisions to lessen the impact on the surrounding communities.

According to Walker, by the end of the week final engineering plans for Magnolia Club will be submitted to the city and a permit request from the St. Johns River Water Management District will be made.

"We're hoping we can pick up a month," said Walker, who has been working closely with the Burke family to complete the transition of the land. "I have to have the land in my name by June."

The second reading, and final approval from city commissioners, will take place at 7 p.m. May 27.

According to Walker, construction will begin at Magnolia Club toward the end of the year. The townhomes will be ready for move-in by the first quarter of 2004.

"There is no product like this in Sanford," said Walker. "In fact, Sanford doesn't have a lot of townhomes in general. This will fill a need."

Journey

Continued from Page 1A

since he was unable to be with them in Iraq.

The 60-year-old began his mission on April 6 when he began collecting signatures in front of Lake Mary City Hall. From there, he traveled to Orlando, Miami and West Palm Beach. The final stage of his journey began in Tallahassee, where he met with many state officials, as well as Betty Hampton, who is the executive assistant to Gov. Jeb Bush. The governor later sent Gabil a card thanking him for a copy of the petition and apologizing for not being able to meet the Lake Mary resident while he was in the state capital.

Gabil's next stop was El Paso, Texas.

"I promised myself that I would take a copy of the petition to Fort Bliss," he said. "I took into consideration the large number of soldiers sent to Iraq from there, and I wanted to show them how much Americans supported what they were doing.

"I didn't realize how far El Paso was from Tallahassee," he said. "When I reached San Antonio, they told me I still had six more hours to go. But, I wasn't going to stop until I got there."

When Gabil reached Fort Bliss, the soldiers held a reception for him. Some of the troops even added their names to the petition of support. While at the base, Gabil also participated in a broadcast that was sent to military personnel still deployed in Iraq.

"All of this brought tears to my eyes, I was so moved," Gabil said. "But, I let them know, this wasn't just my task. It was the task of the people. I was just their messenger."

Sergio Gabil presents Betty Hampton, executive assistant to Gov. Jeb Bush, his petition, which contains the names of people who support Operation Iraqi Freedom. Gov. Bush later sent Gabil a card thanking him for the petition.

After spending the day at Fort Bliss, Gabil continued his journey to Washington, D.C. Once he reached the nation's capital, he met with numerous politicians, including U.S. Reps. John Mica and Tom Feeney.

Now back in Lake Mary, Gabil is preparing to make a booklet of the signatures and messages he collected during his journey. He wants to give a copy to every soldier who participated in Operation Iraqi Freedom.

The booklet, however, will have to wait until he can raise enough money to get it printed. A post by trade, Gabil said he doesn't earn a lot of money and the cost of his recent journey was between $7,000 and $8,000.

With the war in Iraq over and much of his savings gone, Gabil said he doesn't have any regrets about his mission of support.

"The troops need to know they still have our support and that they are not alone," he said. "And, no, I have no regrets. A soldier is always a soldier, and I've never felt more proud of being a veteran."

Gabil said he has been asked to discuss his journey during Lake Mary City Commission's Thursday meeting, which begins at 7 p.m. in City Hall.

Oviedo softball team earns first trip to state

Raw and Perez lead Lions to victory over West Orange

By Dean Smith
Sports Editor

WINTER GARDEN — It's always been said that it's hard to beat a team three times in one season.

And the Oviedo softball ball team proved that axiom true again Saturday night.

The Lions won their third straight road regional game, avenging a pair of regular season losses with a 5-0 victory over West Orange, to claim their first-ever Class 6A-Region 1 Championship.

Oviedo, which did not score a run against the Warriors in the two losses, will be making its first trip to the State Tournament despite finishing as the district runner-up.

The Lions (20-10) will play defending State Champion Sarasota-Riverview tonight (Wednesday) at 7:30 p.m. at the Ed Radice Sports Complex in Tampa.

If Oviedo wins, it would advance to take on the winner of the South Plantation/Miami Palametto game for the State Championship on Thursday at 8 p.m.

To get to the complex, take I-4 to 275 North. Exit onto Bearss Ave. and go west. Bearss becomes Erlich Road. Continue west until it ends at Sickles High School. Turn right onto Gunn Highway. Go north to the first light and turn left onto South Mobley. Go west about 1.8 miles. Ed Radice Park is on the left.

SANFORD — The script has pretty much been followed so far in the City of the Sanford Babe Ruth Baseball Cal Ripken League Championships at the Eckstein Youth Sports Complex at Chase Park.

In first round action on Saturday (May 10) both top seeds, the Sanford F&AM Masonic Lodge #62 Angels in the Major League and the Sunniland Corporation Angels in the Minor League, advanced handily, while the No. 2 seeded Sanford Elks Lodge Royals were victorious in the Minor League.

The only 'upset' came in the Majors where the No. 3 seeded Gibson Truck World Braves survived a pitchers duel with No. 2 seeded Volvo Store Red Sox.

By the time this article appears, the Major League champion will have been crowned, but the Angels-Royals matchup in the Minor League Championship Game will be played tomorrow (Thursday) at 6:30 p.m. at Chase Park on Celery Avenue, one block west of Mellonville.

This will be the final chance to see the future stars of Sanford baseball in action and addmission is free.

Following is a recap of the May 10 semifinals.

MAJOR LEAGUE
(11 and 12 year olds)

In game 1 _ The Masonic Lodge Angels took care of the Railroader Cubs by a score of 9-2.

Angels leadoff batter Torreon Miller did the most damage, going two-for-three with a single and an RBI double. Jammal Graham, Jimmy Daniels and Michael Sanders each had a base hit and an RBI each for the winners.

Big "Sudden" Sam Keeling pitched a nice game for the Cubbies, but the few walks he gave up came back to haunt him, as did his team's lack of offense, which only managed three hits.

Those hits coming from Ronald Sentel, Zach Ludwig and Henry Coyler.

Game two turned out to be a real pitchers duel between the Gibson Truck World Braves' Andre' Debose and the Volvo Store Red Sox' T.J. Morales, with the Braves coming out on top 3-1.

Debose helped his own cause at the plate with two hits, one being a double, and then scoring himself on Corinthian Freeney double.

A few key walks to the Braves and a wild pitch really doomed the Red Sox as the Braves only managed three hits off Morales.

Debose carried a four-hit shutout into the bottom of the sixth inning, but Nile Owens drilled a long home run for the Sox to spoil the shutout bid.

Justin Cater, Isiah Santiago, Tyler Everly and Andrew Aguirre all added singles for the Red Sox.

MINOR LEAGUE
(9 and 10 year olds)

In game one the Sunniland Angels run ruled the Over 50 Dance Club Marlins 15-0.

Elijah Kimmig was the big gun for the Angels as he hurled a strong no-hitter,

SCC wins first ever baseball state title

KISSIMMEE — Since the inception of the program back in 1965 the Seminole Community College baseball team has been recognized as one of the best in the country.

But until yesterday the Raiders could only boast about their outstanding overall record and the number of players that have gone on to play in the pros.

Now SCC has a State Championship trophy and banner to display and the opportunity to go after its first National Championship in two weeks.

The Raiders closed out a perfect 5-0 run through the State Tournament with a 6-4 triumph over Okaloosa-Walton Community College at Osceola County Stadium in Kissimmee on Tuesday.

"I'm extremely proud of how the team played and how they played hard as a team," said third-year head coach Mike Nicholson, who was named the FCCAA State Coach of the Year following the tournament. "We faltered and stumbled a bit at the end of the regular season with outside factors affecting the players on the field, including one teammate recently losing his father.

"But the Raiders came out to play every inning like it was the last. And that's what we did. I couldn't be happier."

The Seminole Community College baseball team was hitting, literally, on all cylinders this week as the Raiders mowed through the eight-team field with a perfect 5-0 record to win their first-ever FCCAA State Tournament at Osceola County Stadium in Kissimmee. SCC won the final, 6-4, over Okaloosa-Walton Community College on Tuesday with Tournament Most Valuable Player Donnie Burkhalter (left) breaking a 4-4 tie with a two-out RBI single in the seventh inning and Dan Quartararo (above, throwing the ball) driving in an eighth inning insurance run. With the win, the Raiders, who are now 41-19 under third-year head coach Mike Nicholson, are also the Region VIII Champion as well as the Gulf District Champion and will compete in the Alpine Bank JUCO World Series on Suplizio Field in Grand Junction, Colorado starting Saturday, May 24th. SCC will face the Western District Champion in a 3 p.m. game on the 24th. Their opponent will come from the winner of a game this weekend between Chandler-Gilbert Community College of Arizona and the Community College of Southern Nevada.

Track season to wrap up this weekend

GAINESVILLE — The Trinity Prep boys track team came home with a fifth place finish Friday in the FHSAA Class A Florida Finals on Percy Beard Track at the University of Florida in Gainesville.

The boys' 4 x 800 Meter Relay Team of Steve Curley, Tom Gilton, Mike Ridriguez and Ryan Truchelut won an individual State Championship, while Tim McLeod won a Silver Medal with his second place finish in the 1,600 Meter Run.

For the Saints girls, which finished 17th overall, Pole Vaulter Megan Mather and High Jumper Sony Corbett both finished third.

Meanwhile, the Class 4A and 3A teams ran their regionals this past Thursday and several athletes earned invitations to this week's State Finals, also at the University of Florida.

Oviedo was the top boys' team with a seventh place finish in the Class 4A-Region 1 Meet on Bob Mosher Track at Showalter Field in Winter Park.

The Lions had three qualifiers in High Jumpers Dillard Gould and Howard Lingard, who finished first and third, respectively, and Jared Wharton, who finished fourth in 100 Meter Dash.

But it will be Seminole, which finished ninth as a team, that will have the most representatives with three individuals and a relay team.

Sophomore Stevie Warren Jr. qualified in two events, finishing third in the 200 Meter Dash and also running a leg on the third place 4 x 100 Meter Relay Team.

Senior Andrew Jenkins was the highest finishing Fighting Seminole, posting a third place finish in the Triple Jump.

Discus thrower Jeremiah Jenkins was third, while Warren was joined on the relay team by Freddie Howard Jr., Daniel Johnson III and Cavese Richardson.

Lake Brantley's Charles Johnson also qualified for two events, finishing second in the Shot Put and fourth in the Discus.

The final local qualifier was Winter Springs' Christopher Sienko, who finished second in the Pole Vault.

On the girls' 4A side, Lake Mary finished a surprising second overall paced by junior Angela Pressey, who qualified for five events at the State Meet.

Pressey, the daughter of former NBA star and current Orlando Magic assistant coach Paul Pressey, won the Long Jump, 100 Meter Dash and 200 Meter Dash and was second in the Triple Jump.

She was also a member of the runner-up 4 x 100 Meter Relay team along with Kathryn Bowser, Talena Alexander and Asha Nathan.

Oviedo super-soph Jenifer Barringer won both of her specialties, the 1,600 Meter and

The trio of John Michael Howell from Winter Springs (top, left to right), Sean Greear and Dan Quartararo combined to drive in 22 runs in five games, while former Seminole High School teammates Victor Gilbert (lower, left) and Uriah Kimmig (lower, right) got the pitching win and save, respectively in Tuesday's Championship Game.

Kimmig capping off a fantastic tournament by recording his second save.

The State title was the first for SCC since the Men's Tennis team won back-to-back state and national championships in 1982 and 1983. Not counting track, this was just the third state title in school history. The other came in Men's Basketball in 1968-69.

With Tuesday's win, SCC not only won the state title, but also the Region 8 Championship as well as the Gulf District Championship and an automatic bid to the National Tournament.

The Raiders of third-year coach Mike Nicholson will have a week to recover and get ready as the Alpine Bank JUCO World Series is not set to begin until Saturday, May 24th in Grand Junction, Colorado.

SCC (41-19) will play in the 3 p.m. game against the Western District Champion, which will be decided this week between Region 1 Champion Chandler-Gilbert Community College (37-19) of Arizona and Region 18 Champion Community College of Southern Nevada (48-8).

The State Tournament was a story of big innings for the Raiders.

SCC used a three-run seventh inning to break a 1-1 tie and went on to defeat Broward Community College, 5-2, in its opening game last Friday.

The Raiders then appeared to be in big trouble on Saturday as they trailed St. Petersburg College 12-4 entering the bottom of the seventh inning.

But that just gave the team something to shoot at as the offense exploded for nine runs in the bottom of the seventh inning and SCC went on to win, 14-12.

The locals got off to a fast start against Indian River Community College on Sunday, scoring four runs in the top of the first inning.

But the Pioneers bounced back to grab a 5-4 leading heading into the eighth inning.

The Raiders were up to the task again, taking the lead for good with a two-run eighth, then taking on four runs in the ninth inning to win, 11-5.

SCC then got a rematch with St. Pete on Monday and only in two innings, but those innings were a four-run third and a five-run seventh, which allowed the locals to win, 9-5, and secure a spot in the finals.

The Championship Game was the only one that did not feature a big inning for the Raiders.

The team actually looked headed for an easy victory, scoring two runs in each of the first and third innings to take a 4-0 lead into the fifth.

But Okaloosa-Walton rallied back to tie the game with a single run in the fifth and three runs in the sixth.

With the trophy in sight, however, SCC got its act together as Donnie Burkhalter, who signed a national letter-of-intent with the University of Miami, hit a two-out RBI single scoring the go-ahead run in the bottom of the seventh inning and second baseman Dan Quartararo, who signed with the University of South Carolina-Aiken, drove in an insurance run in the bottom of the eighth inning with a one-out single.

Gilbert, a freshman righthander, got the win in relief of starter Zach McCamie, working 1-2/3's innings of hitless relief, allowing only one walk while striking out two.

Fellow freshman Kyle DeYoung gave up one hit and struck out one in 1-2/3's innings, before Kimmig, a 6-foot-8 lefthander, came on to get the final out after giving up a hit.

Kimmig was outstanding in the tournament, not allowing any runs in three tournament appearances.

He gave up one hit in getting the final two outs and a save in the first St. Petersburg game, and then worked 2-2/3's innings, giving up three hits and striking out one, to earn the win in the second game against the Titans.

Following are the box scores from the tournament. A complete recap of the games will appear in the weekend edition of the Herald.

hits to the normally hard-hitting West Orange squad, which had 18 hits in its first two regional games and was ranked No. 5 in the state with a 27-4 record.

Oviedo took a 1-0 lead in the fourth inning when Alicia Perez, who was 2-for-3 in the game, scored.

But the visitors broke the game open in the fifth, scoring four times.

Melissa Brown reached when two Warriors collided going after her pop up and then beat a throw to second on an attempted sacrifice.

Sara Miller then put down a bunt and got all the way to third when the throw sailed into right field, allowing two runs to score.

Bethany Simpkins then singled in Miller and later scored herself on a dropped line drive.

The Lions will be the only Seminole County representative at the State Tournament as Trinity Prep fell to Lake Highland Prep, 1-0, in an awesome nine inning contest.

Shea Parrish singled to left with one out in the bottom of the ninth and eventually advanced to third thanks to Michelle Grinage's sacrifice bunt and a passed ball. Carly Winger's hard single then scored Shea Parrish with the only run Saturday afternoon at the O'Meara Family Sports Complex.

The Highlanders (20-5) advance to the state finals in Tampa, attempting to become the first team in history to repeat as 2A state champion.

Trinity Prep (26-6) had a golden opportunity in the top of the ninth to get on the board first.

Lauren Brown led off with a single and advanced to third on Katie Burdeaux's single to center. Burdeaux stole second to put two runners in scoring position with no outs.

But Grinage, who pitched at Lake Mary as a freshman and struck out 13 in the game, struck out the next two batters and then got a pop up to end the threat.
