

Meade Has Field Day At Empire City Race Track

NEW YORK, July 23.—(P)—Don Meade put in quite an afternoon at Empire City race track Tuesday.

First the veteran jockey rode Salrusch, a failure in six previous trials, to victory at \$35.50 for \$2 in the opening race; then, aboard the favored old Rosebush in the second race, missed by a neck riding both ends of the daily double figured in a spectacular four-horse, four-jockey spill in the fourth race, and then came back from that shaking-up to capture the main event aboard Mrs. O. C. Winfrey's Hard Jester.

The other jockeys hurt in the spill were Lab Torres, 22-year-old Puerto Rican; 27-year-old Johnny Gilbert, from Pittsburgh, Pa.; and Allan Gray, 22, from Gracia, Idaho, whose mount, Schuylerville, was the first to fall, creating a jam which the other jockeys had to clear.

Gray was taken from the track

Frankie Parker Nearly Misses In Seabright Tourney

SEABRIGHT, N. J., July 23.—(P)—Frankie Parker, the club court master, almost missed the boat Tuesday as the seeded stars coated into the third round of the 54th annual Seabright Invitation Tennis Tournament.

Winner of eight out of nine clay court tournaments, Parker found himself on grass for the first time this year, and the change forced him to go all out for a three-set victory over Edwin G. Amark, of San Francisco, 7-5, 3-6, 6-2.

While the third-seeded Parker was having his hands full, the other seeded performers in the men's field scarcely had to draw a deep breath in going through the second round, which saw only such minor upsets as the eliminations of the former Irish Davis cupper, George Lytle Rogers, and the top-seeded champion, Gene Mako, of Los Angeles.

Top-seeded Don McNeill, the national champion, made an impressive tournament debut by pol-

Bettina Switches To Southpaw And Beats Burman

BROOKLYN, July 23.—(P)—Southpaw style of Mello Bettina was too puzzling for Red Burman to solve last night and the former light-heavyweight champion punched out a ten-round decision over the Baltimore head before a crowd of 10,167 in Ebbets Field. Betting weighed 155-1-4; Burman 139-5-2.

In this home hall park of the Brooklyn Dodgers, where just about everything happens in this tough tussle.

There was one moment, in the fourth round, when both fighters fell out of the ring. There was another, in the eighth, when Burman, unable to do anything, using an orthodox stance, switched to a southpaw style and for a couple of minutes had Mello on the run.

And finally, you had the somewhat startling picture of Burman, who, looking somewhat dazed with his Sunday shoes, twice being staggered by Bettina's left hand pokes, which hitherto never had been regarded as needing a sign warning the unwary of high explosive content.

All in all, however, it was an important, and upset triumph for the determined little Italian from Bayside, N. Y., who quit the light-heavyweight ranks nearly a year ago to campaign among the big boys.

The Associated Press score card gave Mello eight rounds, and Burman two.

Milestone Wins In Trotting Race

OLD ORCHARD BEACH, Maine, July 23.—(P)—Wayne "Curley" Smart rode Joseph Neville's boy gelding Milestone to victory in the grand circuit's feature 2.12 stakes trot Tuesday after finishing third in the first heat.

The Delaware, Ohio, horses bested Flora Hanover in stretch duels to take the second heat, 15-16ths of a mile, in 1:54.1-2 and the third, an even first dash in 2:04.

In the 2:08 bar pace, the Abbott, a converted trotter from the Machias stables of Sullivan and Mahoney, scored his second victory of the current meeting on the Old Orchard "Kite" track. The Abbott won all three heats easily.

Welfare Commission To Get More Funds

MIAMI, July 23.—(P)—Governor Holland has told the State Welfare Commission that increased funds should be made available for old age pensions and aid to the blind "as of July 1."

His views were set forth in a letter to Commissioner Clayton C. Codrington, made public here by Senator Ernest H. Graham.

Chalcedon To Take Up Swimming Cure

LOS ANGELES, July 23.—(P)—Chalcedon is going to forget about racing for awhile and go swimming in the Pacific.

Owner William L. Brann of Maryland said Tuesday the ex-stake champion would be sent to Harry Unna's surf-side ranch near San Diego this week.

There is nothing wrong with Chalcedon, he added, that a good rest wouldn't correct.

A feature of the Unna ranch is that horses are taken for daily dips in the ocean at Imperial Beach.

Chalcedon To Take Up Swimming Cure

CLINTON, S. C., 6-3, 6-0. Second-seeded Bobby Rigg, the defending tournament fillet, was easily over William Canning of Hidden Valley, Calif., 6-2, 6-1, and Frank Kovacs, of Oakland, Calif., seeded fourth, trounced Henry Butler of Dallas, 6-1, 6-1, to join Parker in the third round.

Mako fell before Seymour Greenberg of Chicago, 6-3, 6-3; Rhields bowed to William Crosby of Oakland, Calif., 7-6, 6-0, and Lytle-Rogers went down 6-3, 6-4 before Joe Fahrbek of New York.

Second round competition in the women's division produced the tournament's first upset as Virginia Wolfenden, the fourth-seeded star, from San Francisco, was eliminated by Mrs. Millicent Hirsch Lane, of New York, in a two-hour battle, 6-4, 1-6, 10-8.

Helen Leggett To Wed Fred Williams

Of much interest to their many friends is the announcement of the engagement and approaching marriage of Miss Helen Louise Leggett, daughter of Mr. and Mrs. Allen Leggett of Waycross, Ga., and Frederick Hastings Williams, son of Mr. and Mrs. Fred T. Williams of Sanford.

Miss Leggett was reared in Waycross and attended the schools there, later attending the Georgia State College for Women in Milledgeville, where she received her B. S. degree. She has been teaching in the Waycross High School.

Mr. Williams is a native of Sanford and attended the local schools in early childhood, later attending Riverside Military Academy in Gainesville, Fla., from which he was graduated.

He received his B. S. degree in Florida in Gainesville, where he was a member of the Alpha Tau Omega social fraternity. Mr. Williams is also a member of the American Society of Civil Engineers and is at present associated in business with his father, City and County Engineer.

The wedding will be an event of Aug. 16, in Waycross.

Clubwomen Sew For Red Cross Charity

The Red Cross sewing sessions, held in the Woman's Club each morning and afternoon, and sponsored by the club as one of its defense projects, are proving more and more interesting each day. The women gather and sew for the charitable cause, while at the same time they enjoy the social atmosphere that prevails.

It is estimated by officers of the club that the cost of keeping the club open during the summer months will amount to \$40 besides the incidental expenses such as lights, water, etc. in order to raise this amount, the club is sponsoring a series of five bridge parties during the summer.

Two of these parties have been held and the third is planned for next Tuesday afternoon beginning at 2:30 o'clock. In addition to bridge, Chinese checkers and rummy will also be played and a bonus of 100 points will be given for promptness.

Mrs. C. R. Dawson, president of the club, urges everyone who can, to come out to these parties. "Since this is a community project and one which the whole community should be vitally interested. This series of parties is being given for the sole purpose of raising funds to maintain the upkeep of the club for the use of the Red Cross and we invite the public to respond to this worthy cause."

A high prize for each game will be given at the conclusion of the games in addition to a screen prize and light refreshments will be served throughout the afternoon.

Some of the organizations which are serving at the daily sessions include the various circles of the Sanford Garden Club; the Woman's Missionary Union of the First Baptist Church; Women's Society of Christian Service of the Methodist Church; All Souls Catholic Church; Presbyterian Auxiliary; Women's Auxiliary of the Congregational Church; Daughters of the American Revolution; Order of the Eastern Star; Women's Auxiliary of the Holy Cross Episcopal Church; American Legion Auxiliary; P. E. O. Organization; all departments of the Woman's Club; and various Sunday School classes of the different churches.

Seminole County Given \$272,894 In Four Years

JACKSONVILLE, July 24 (Special).—On July 1, 1937, Florida launched a public assistance program supported by State and federal funds, at which time the State Welfare Board was inaugurated into office as the administrative body. At the end of the fiscal year, June 30, 1941, four years later, Seminole County recipients of old-age assistance, aid to dependent children and aid to the blind had received cash grants for the quadriennium totalling \$272,894. The State Welfare Board announced today.

Grants for the county in the four-year period totalled: old-age assistance \$239,448; aid to dependent children \$9,999; aid to the blind \$23,447.

The major portion of these benefits had gone to recipients of old-age assistance, in the amount of \$20,458,856.74. Aid to dependent children ranked next, with a total of \$9,600,825, while aid to the blind had been paid in the amount of \$1,175,764.

After organization of its staff, the State Welfare Board had immediately begun expanding its old-age assistance rolls, previously sustained by joint county and federal funds. The other two programs were inaugurated later, aid to the blind being first granted in January, 1935, followed by aid to dependent children in September, 1935.

Further expansion of the program will take place when increased legislative appropriations are available.

Books and Authors
 BY MRS. IRVING THIBBERG

Unusual author of an unusual book - the novel "Lance", coming from John Day on July 24th. Edward F. Haskell has a long string of accolades to tell about himself and his family, one of the

of which concern - King Boris of Bulgaria and the royal decoration.
 Mr. Haskell's grandparents and his father were missionaries in the Balkans, where the author himself was born and lived for a number of years. Boris, then Crown Prince, decorated his father twice, as well as his mother once. The second decoration was given to the son by fa-

ther, who expressed his hope that it would remain in the family a long time and the son would serve mankind better than he had.
 But then the trouble began. Mr. Haskell, the present author, learned of the "incredible tortures" which the Bulgarian government was inflicting upon several hundred political prisoners in Haskov, including women and children. It was reported that the feet of some were saturated in gasoline and set afire while the men underwent questioning; when they fainted they were revived and the process was repeated. Many died.

These enormities made Mr. Haskell reconsider his ownership of the medal originally given his father. Deciding, as he declares, that "the second clause of his will superseded the first," he returned the medal to the Bulgarian government, at the same time notifying the newspapers that he was doing so and telling them why. The result was a chorus of protest in the press against the atrocities - and, strange to say, a speedy end to the atrocities themselves.

This latter result the author did not learn of until a few months later, when he went back to Bulgaria and talked with some of the victims, some of whom proved by more or less horrible evidence the sufferings to which they had been put.
 And that was not the end of the story. Some time thereafter, an official communication arrived from the Bulgarian Minister in Washington stating that the returned decoration was accepted by the Bulgarian government, not as a protest, but in fulfillment of the regulation that decorations must be returned at the decease of the recipient; and that it would be placed on display in a

Accused of being members of a Nazi spy ring, some of 33 arrested suspects enter Federal Court in New York where they were arraigned. Four men and three women entered pleas of guilty. Bail of \$25,000 was set for each defendant.

Jobless Benefits Paid In Seminole Amount To \$7,292

TALLAHASSEE, July 24. (Special) The Florida Industrial Commission, through the payment of "jobless benefits" maintained a pay roll that compares favorably with some of the large Army encampments within the state, according to figures released by Chairman Hoyce A. Williams.

The figures for the first six months of this year reveal that 189,522 Floridians and 13,500 residents of other states had received a total of \$7,292,843 in "jobless benefits" carried under the Unemployment Compensation Law.

Williams stated that every county in the state had received some benefit from these payments, and that some of the largest industrial centers of the state have been the means of keeping large numbers of temporarily unemployed workers from applying for relief and aid.

Workers who are covered under the state unemployment compensation program draw these benefits as a matter of right in covered employment, which are paid in full up to the worker with credits earned while working in covered employment and under no circumstances are they based upon hardship or need.

During the first six months of this year 895 workers in Seminole County received \$1,292.50 in "jobless benefits."

Workers who have earned credits in covered employment in Florida but who are now residents of other states draw benefits totaling \$1,132.50 for the first six months of this year.

Mid-Summer Race Is Slated July 27 At Daytona Beach

DAYTONA BEACH, July 24. (Special) All signs point toward the biggest event, the best Mid-Summer racing classic here in years this Sunday afternoon at 2:30 o'clock when the annual 150-mile stock car championship will be presented on the tricky beach-and-road track.

Virtually every champion driver in Dixie, and many from points north are going to post for the gold and glory at stake in the stock car grind.

The race will feature a clash between Lloyd Seay of Atlanta, St. Clark of Miami, Massey Atkins of Spartanburg and Harley Taylor of Atlanta, all hot from impressive victories on July 4. Seay crossed the finish line first in a July 4 stock car just at High Point, N. C., while Clark won at Richmond, Atlanta captured first at Spartanburg and Taylor scored at Charlotte, N. C.

However, repeating victory at Daytona Beach will not be easy for the quartet of baby champions. Such daring drivers as Pepper Cunningham of Jersey City, N. J., Stu Joyce of Indianapolis, Buck Mathis, Roy Hall, Jap Brogren and Bob Flock of Atlanta, Smoky Purser and Bill France of Daytona Beach and many others are entered here July 27.

Time trials will be held Friday and Saturday and the climax comes Sunday when upwards of 10,000 racing fans are expected to witness this speed spectacle on the beach.

If beach conditions are favorable, a new record for the 150-mile distance is in prospect for the field is the most formidable to ever line up in a stock car event. The present mark is 77.01 miles per hour set by Smokey Purser of Adel, Ga., and Daytona Beach.

Mulloy Scores Upset Win Over Kovacs In Tourney

SEABRIGHT, N. J., July 24.—(AP)—Gardner Mulloy, smooth-stroking stylist from Coral Gables, registered the first major upset in the men's singles of the 54th annual Seabright Invitation Tennis Tournament Wednesday when he eliminated Frank Kovacs of Oakland, Calif., seeded fourth, 3-6, 7-5, 6-4.

The victory put Mulloy in the quarter-final round, where he joined top-seeded Don McNeill of Oklahoma City, second-seeded Bobby Riggs of Chicago, third-seeded Frankie Parker of Alhambra, Calif., and four others.

McNeill, national singles champion, defeated Seymour Greenberg of Chicago, 6-1, 4-6, 6-1; Riggs, defending tournament champion, conquered Billy Talbert of Cincinnati, 6-4, 8-6 and Parker polished off veteran Sydney B. Wood of New York, 6-0, 7-5.

Others who gained the round of eight were Ladislav Hecht of New York, Jack Kramer of Los Angeles, Ted Schroeder of Glendale, Calif., and Wayne Sablin of Reno, Nev.

The women favorites—Mrs. Sara Palfrey Cooke of New York, Dorothy May Bundy of Santa Monica, Calif., Helen Jacobs of Berkeley, Calif., and Helen Bernhard of New York, all gained the semi-finals easily.

Schmidt Brings Home 3 Winners At Empire City

NEW YORK, July 24.—(AP)—Little Albert Schmidt, the 23-year-old Baltimore jockey who is riding in the hottest form of his career, stole the show at Empire City Wednesday by scoring a triple with three long shots on the seven-race card.

He clicked Forwear at \$11.00 for \$3 in the third race and with Tadder at \$18.00 in the sixth and, in between these two, clinaxed his performance by booting home E. Sterling Clark's French-tred Trola Pistoles in the featured hippo handicap for class "C" performers.

Trola Pistoles covered the mile and an eighth in the good time of 1:51 2-5 for his second triumph in three local tries. He returned \$15.40 for each \$2 ticket.

Honduran Chemist Visits In Florida

GAINESVILLE, July 24.—(Special)—E. Richardson, a specialist chemist with a large fruit company producing bananas in Honduras, visited the Agricultural Experiment Station here recently. Richardson, graduated from the University of Florida College of Agriculture in 1927, received his M. S. degree in 1929, and worked for the Experiment Station for a year before going to Honduras.

He is engaged in soil studies relating to fertility and disease control in the production of bananas, most of which are shipped to the United States.

United States May Freeze Jap Credits

President Roosevelt Says That Action Of Some Kind Is Set For Tomorrow

Other Measures Left Undecided

Further Steps Will Depend On International Situation

HYDE PARK, N. Y., July 25.—(AP)—Word is President Roosevelt from Harry E. Hopkins on the lead issue, but everything is going all right. Roosevelt held a press conference today. It was not as at all when informed dispatches from London indicated some dissatisfaction with British-American relations on the program.

HYDE PARK, N. Y., July 25.—(AP)—President Roosevelt disclosed today the United States would retaliate with specific action tomorrow against Japan's occupation of naval and air bases in French Indo-China.

He declined to say exactly what action, but to members of the presidential party speaking the weekend here, the most likely move appeared to be freezing of Japanese credits, and assets in the United States.

Whether the United States was ready to take additional measures appeared to be awaiting future determination, dependent on the international situation in the Pacific.

He had been understood that any details worked out at Hanoi would be referred to Vichy for a final understanding. It was emphasized that nothing had been signed yet and that the move in its present tentative form preserved French sovereignty in Indo-China.

An official spokesman declared at the press conference that Japan had taken the initiative in creating controversy on Indo-China and that the French had accepted the Japanese viewpoint.

That Japan is responsible for creating the issue, the spokesman said, was a reference to the fact that there is a Japanese in Indo-China where permission to locate Japanese consulates is being granted.

He said that the Japanese had accepted the French viewpoint.

Japan's Program Claimed To Have Approval Of Axis

Gayda, Fascist Editor, Says Nippon Can Face America

WASHINGTON, July 25.—(AP)—Virginia Gayda, a leading Fascist editor, asserted today Japan's program for occupation of French Indo-China was the "first episode" in Japan's "march toward the south" and was undertaken in full agreement with the other Axis powers.

Japan Reported Mobilizing Army Of Million Men

Malaya Defense Is Reinforced, Secretary Eden States

SAIGON, FRENCH INDO-CHINA.—July 25.—(AP)—The concessions gained by Japan in French Indo-China were reported authoritatively today to include the right to station warships in Camranch Bay and Saigon. Several air bases in Southern Indo-China, and permission to post troops at several coastal points.

By Associated Press Japan's divan of conquest in the Pacific moved toward grim reality today with reported mobilization of 1,000,000 men, while at sea her ships blanketed out in silence and turned away from American shores.

In London, Foreign Secretary Anthony Eden told Parliament certain defense measures in Malaya have already been enacted to counter a "potential threat" of Japanese occupation of French Indo-China.

From Singapore came word that France's colony in the Orient ignored a recent offer of protection by Great Britain, the United States, China and the Dutch East Indies "against further encroachments from the outside."

Reading Japan's move in French Indo-China as a threat to American security and a step toward further conquest, the United States hinted at strong counter measures yesterday and warned Tokyo against a "driving south" of Indo-China, East Indies and the Philippines.

From President Roosevelt came some plain-talking about why the United States had not before shut off all oil shipments to Japan—all in the past tense.

NAZIS CLAIM CAPTURE OF PREMIER STALIN'S SON

Jacob Stalin (hatless), son of Russian Premier Joseph Stalin, is shown in a German prison camp, according to Berlin, which received this radiophoto. The Nazis claim that he was captured, along with a number of other officers and soldiers, in a battle near Ljstno, Rostia. German panzer forces under command of Gen. Rudolf Schmidt were credited with the coup.

Sanford Sergeant Mailed Anti-War Card By Wheeler

Opposition To Entry Of United States Into War Sought

At least one of Senator Herbert Hoover's post cards asking citizens and soldiers to write to President Roosevelt that they oppose U. S. entry into the European war had been received in Sanford, it was learned today.

The card was addressed to Philip M. Vickery, 306 West Third Street, who is a sergeant with the 124th Infantry at Camp Blanton.

Col. Lindbergh's statement occupies the largest space on the card. He declares, "We believe that the best way to defend our nation is to keep our armies on our own soil."

Carrol Entertains Strange Visitor At His Service Station This Morning

E. M. Armitage's Nephew Reported Missing In Egypt

Henry Carrol was sitting in his service station just south of the City Hall reading his paper this morning when he noticed a big brown animal wander in the door. It looked like a dog, so he didn't pay much attention, but when he looked again he saw it was one of the giant Rhesus monkeys from the zoo.

Mr. Carrol walked out of the station and closed the door to find him as Phil King, zoo keeper, walked up. They closed the windows and Phil went in to chase the animal around the station, finally cornering him under the air compressor.

The fugitive was Jeff, the giant Rhesus that was recently acquired by the zoo in a trade for some birds, James Moughton park superintendent, said today.

Nazi Invasion Force Renews Its Offensive

No Decisive Result Gained By Either Power Any Place, London Discloses

Naval Bases In Germany Raided

Rome Claims Italian Airplanes Sink 3 Of Britain's Ships

By Associated Press On the Russian-German war front, London reports said today the Nazi invasion armies had renewed their offensive along the entire line, but there was "no decisive result gained by either side as yet."

In the Channel air war, R. A. F. pilots reported they had left great fires raging in the German naval bases of Kiel and Emden and also had attacked Wilhelmshaven in Nazi-held Holland, and France.

Rome announced Italian planes sank three more British totalling 37,000 tons in a ship convoy in the Mediterranean, after sinking five ships the day before.

Yesterday's Russo-German war bulletins indicated the German offensive was substantially stalled. The Germans officially claimed progress only in general terms—in spite of official radio and strong local resistance.

The Soviet command's day communique pictured the Red armies as standing in the same old unchanged areas—the Pskov-Novol-Smolensk triangle on the Leningrad; Pothkov below Leningrad; Zhitomir along the Kiev front.

The Red armies were declared to be clinging yesterday to the breached battle positions on the right, left and center after 23 days of unending German assault against the defenses, for the Russian people, was taking on the quality of an epic.
