'Sunday Punch' United Press International A massive winter storm churned out into the Atlantic today after hitting the Northeast with a Sunday punch of knee-deep snow, raw winds and angry seas along the Eastern Coast.

Bitter cold temperatures moved in behind the storm to put the icing on the region's first real taste of winter. A blanket of up to two feet of snow covered a wide area from West Virginia to Maine. at the height of the weekend storm, scores of communities were hit with power failure and transportation was snarl-

The industrial complex of Pittsburgh lay under 15 to 18 inches of snow. Buffalo, N. Y., received 171/2 inches of snow in 24 hours—the heaviest one-day January snowfall on

When we go skiing, we go in style...in our '66 Ford. I choose the speed I want with the automatic speed control...select the music I want with the stereo tape player...and relax with one of the world's quietest rides.

Ford sales are booming! One reason—engineering magic like this: New stereo tape player option with easy-loading cartridges. E New station wagon Magic Doorgate-swings out like a door for people and down like a tailgate for cargo. 

New automatic speed control option. . A ride so quiet that owners of European luxury cars -from a handcrafted Jaguar to a \$14,000 Mercedes-have said, after a demonstration ride in a Ford XL or LTD, that it was even quieter than their custom-built cars. | Quiet-test a '66 Ford for yourself.
