

Strikes Spares

By JOHN A. SPOLSKI
Seems like "Old Times" again with all of these big two-hundred games being bowled again.

I don't know what happened, but for the past two or three weeks there have been fewer big games rolled than at any other time which I can recall. But now again, the "G Balls" are flying—fast and furiously!

Some people call 'em "Pumpkins," others refer to them as "Big Bombs." We call 'em Garbage Balls cause they clear anything and everything from the pin decks. The ball isn't in the pocket . . . not even near the pocket . . . but POW! . . . another strike.

What tickles me though is when this same bowler does get tapped, he rants and raves and somehow "forgets" about his "gimmes" strikes.

Oops and a million pardons to Dan Ritalis for unintentionally neglecting to mention that he was HI Series man in the Businessmen's Lg last week with a 614. This week's action found Ralph Betts (Sanford Electric) bombing away to the tune of 221-210/587 series, hi for the lg.

A. C. L.'s Jim Shipman is really back on the beam again as he continues to roll hi games, this week's was 210. Others in the Charmed Circle were LeRoy Benton's Robinson with a 200; Antonica De-Jong 214; Seminoe Spitz, Goods Floyd Martin 212; Wally's Phillips 66, Al Moritz 208.

Midge Woods of McRoberts and Sue Jackson of the Welsh Tire Shop copped honors for the Bandspurs Lg with hi series and game respectively—489 & 175.

Every so often you can expect a

Jet Inn Retains 1st Place In Loop

Jet Inn won one and lost three games to McRoberts Tires Wednesday night to retain the first place in the league by one half game. High series for Jet Inn was rolled by Alice Anderson with a 324. Midge Woods and Jimmie Livingston led McRoberts Tires with a 367 and 304. Midge Woods also rolled a high game of 182.

Stemper Agency won three games and lost one to Welsh Tire Shop to put them back in the running for first place. Welsh Tire Shop remains in second place with one half game out of first and Stemper Agency is one game out of first.

Phyllis Lafel rolled a 518 series and Sue Jackson a 308. Vicki Carter rolled a 326 series and Mary Lou Danlyuk rolled a 328 series to help Stemper Agency take three.

Allx of Sanford came through and took three games from third place Robson Sporting Goods and lost one. Robson's remains in third place with only one half game out of first place also.

Allx of Sanford remains in fifth position. Jane Adcock rolled a 338 series and Margaret Elmers rolled a 321 series to help Allx of Sanford take three.

Splits were made by Jane Adcock with her 3-10. Evelyn Fitzpatrick also made the 3-10 split. Margaret Elmers made the 4-3-7 and the 3-10.

really big one out of Dick Bollinger Kiddy's Standards team in the All Star League. Dick shot a 243 which was hi for the lg and Mar Lou's Phil Roche was hot again in the series dept. with a 618. By taking two games from the Handy Food Stores team, Mar Lou's "PUSHED" Garlyn Kennels back into first place. Thank you men, we need all the help we can get.

In last week's action in this same lg, ole foxy Fox was right on that head pin with a winning combo of 220/592. After being in a mild slump, Garry has more than found the range again and is pounding the pins at approximately a 195 clip.

Three real high series in the Singles Classic this past Monday nite. Harry Pentecost topped 'em all with a 633 and Rich Murphy averaged out at 290 for an even 800 series while Gary Fox just missed with a 592.

Games of 234-245-236 were rolled by Pentecost—Fox—& L. R. R. (Lucky Shift Spolaki).

Talking about big games, Ted Maki of the Pinecrest Inn fiveoms exploded with a magnificent 256 in the City League. (I kept my promise Ted and didn't mention the other two games, did I?)

The Holler Motors/Navy Wives lg was in good hands with Martha Kinnard bouncing thru with a 183/484 set.

Dot Powell of Powell's Office Supply supplied the punch for her team and the women in the Mixed Lg with a 213/530 combo. Gerald Behrens (Stine Machine) had the hi for the nite with a 237 and Ed Micalak's (Wilson-Maler Furniture) 574 was the top series for the evening.

Thursday Eve Jet Lanes Keglers Lg, honors were copied by Terry Patterson (Riggs Sunoco) and Ed Michalek (Craig Cars) for hi game and series with 209 & 598.

Betty Allen of the Jolly Girls team in the Kingwood Bldrs./Sunland Lg had a nifty 203/488 set to steal the honors in this Thursday morning group.

Monroe Harbor's Marge Woods was sinking 'em deep into the pocket in the Wednesday afternoon HI Nooners Lg as she entered the charmed circle with a 205/529 set, tops for the gals in this lg.

Leading the T Lg, was the Sanford Herald's Mary Jane Gorton with a 177 and Karn's Insurance Donna Dondanville's 437 series.

Figured it was about time to see Kay Bowman's name in the limelight again.

Kay didn't leave me down either as she rolled a 186/495 set to lead all others in the Wednesday AM Jet Bowlerettes Lg. Incidentally, the girls tell me that they could use another extra bowler to fill in for one of the other gals who has since moved out of the area.

My girl Friday, Martha Kinnard just missed that Big Deuce with a 197/497 in the Wednesday AM Midget Foodmart/Country Club Lg.

Let us forget, I'd like to remind you that . . . "NOW, THEREFORE, I, Farris Bryant, by virtue of the authority vested in me as Governor of the State of Florida, do hereby proclaim December 4-10, 1961 as Family Bowling Week, and recommend to all our residents that they observe this week with appropriate recognition and activities."

SCHOOLING TONIGHT 7 P.M.

OVER 20 races nightly during schooling REGULAR SEASON OPENS DEC. 16

Sanford-Orlando KENNEL CLUB

HWY. 17-82
8 MI. South of Sanford

SOKC Opens Schooling Race Season Tonight

A total of 27 races will send 183 greyhounds to the post at the Sanford-Orlando Kennel Club tonight as schooling starts at 7 p.m. in preparation for the track's official opening Dec. 16.

Many greyhounds popular here last season are slated to tour the oval tonight and all contests will go the 5/16ths mile distance. Veteran Racing Secretary R. C. "Pitzy" Williamson predicts that the ninth, tenth and 14th races should be the top events for their list upper bracket speedsters.

In the ninth event Charla Lovely has entered two Grade A stars who did well here last season. They are Gay L. and Archway. Leaving here they went to Sodrac Park where Gay L. was a quiniela factor nine times in 14 tries, six times with wins. Archway was a quiniela factor in eight of his 11 tries, five times with wins.

In the tenth race Orville Moses has entered Fatpup who boasts an A-1 national rating. He had ten starts in the rugged competition at Taunton and came up with three firsts, three seconds and one third.

Fans watching the pre-season tests tonight will have the first opportunity to see the new Knight Flip-Top starting box that has just been installed. This gives the greyhounds a cleaner break and eliminates human error for it operates when the mechanical bunny contacts an electric eye.

Herald Holds 1st Place Lead

The "T" League was back in action this week after a week off for Thanksgiving. The Sanford Herald team stayed in first place with 29 wins and 19 losses. Weiboldt's Camera Shop is in second place with 24½ wins and 21½ losses.

Karn's Insurance is in third place with 25 wins and 23 losses.

Sinko's Tavern is in fourth with 24 wins and 24 losses. Nationwide Insurance is in fifth place with 23 wins and 25 losses. In sixth place is Thriftway with 16½ wins and 31½ losses.

High team series and high team game were taken by the Herald team. They had a 538 game and 1547 series. Nationwide also had a high game and series of 536/1488.

High games were bowled by Mary Jane Gorton with 177/420 game and series. Bernice Schaefer had a 169/403 game and series. Donna Dondanville had a 164 and Margaret had a 174.

Honora Dondanville made the 4-5 split and the 8-10. Yogi Hudson made the 3-10 and Louise Cadenhead made the 4-5-7. Mary Jane Gorton made a turkey.

Need Speed on Insurance?

If your insurance claim is still unpaid after six months you'll know—the hard way—The Big Difference between buying insurance directly from a company and through an independent insurance agent.

Will a company salesman stand by you when you have a claim? Doesn't it make better sense to buy through an independent agent who places your interests first?

We are independent insurance agents. Our job is to see that you get the right policy from companies with good records for paying claims—to handle details, cut red tape and speed payments due you.

FLORIDA Association of Insurance Agents

Alabama Crowned 'King Football'

NEW YORK (UPI)—Sugar Bowl-bound, Alabama, which closed out a perfect season last Saturday, today was crowned the Nation's No. 1 major college football team for 1961 by the United Press International Board of Coaches.

The Crimson Tide, winner of 10 straight games without a loss, edged unbeaten but over-tired Ohio State for the national championship in the final balloting of the 35 leading coaches. Alabama received 18 first place votes, three more than the Buckeyes, for a total of 316 points. Ohio State drew 311 points in one of the tightest races ever for the national title.

Alabama, coached by Paul (Bear) Bryant, thus regained the top spot it held two weeks ago from Ohio State. The Crimson Tide had capped a steady climb by taking over the No. 1 position two weeks ago—but the following week the Buckeyes advanced to the top while Alabama was idle.

But Alabama then finished up with a 34-0 rout over Auburn to join Rutgers as the only major colleges with perfect records this season. Alabama will play Arkansas in the Sugar Bowl on New Year's Day. Louisiana State, which plays

Colorado in the Orange Bowl, finished third in the voting, nipping Texas, headed for the Cotton Bowl, 238-237.

Mississippi, bound for the Cotton Bowl against the Longhorns, was fifth; Minnesota, the 1960 champion which meets UCLA in

the Rose Bowl, was sixth; Colorado seventh; Arkansas eighth; Michigan State ninth, and Utah State, which engages Baylor in the Gotham Bowl, ranked 10th to round out the nation's select group.

Patterson-Liston Bout Next?

TORONTO, Ont. (UPI)—Heavyweight champion Floyd Patterson unmarked after his wild nine-knockdown victory over challenger Tom McNeely, will begin training in about 10 days for his eighth title defense, manager Gus D'Amato disclosed today.

His announcement pleased Tom Bolas, president of Championship Sports, Inc., who promoted Monday night's melee in which Patterson knocked out the courageous McNeely in the fourth round of the Bostonian's first defeat in a career of 24 professional bouts.

Bolas, also elated because Canada's first heavyweight title fight drew 7,813 paid spectators to Toronto's Maple Leaf Garden despite rainy weather, had announced a few weeks ago that the 26-year-old champion's 1962 challenger would be top contender Sonny Liston, if Liston won Monday night.

Liston retained his status as top contender by knocking out Albert Westphal of Germany in the first round at Philadelphia in the opener of the fight game's first electronic doubleheader. Both the Philadelphia and Toronto fights were sent out to theaters and pay TV homes on closed-circuit television.

D'Amato refused to confirm today that Liston would be the next opponent, but he did say "Liston knows what he has to do."

That was interpreted by reporters to mean that Liston, the ring's somewhat matured "bad boy," must keep out of trouble until he and Floyd sign for their title fight next spring.

"That \$106,740 gate got the promotion off the mat," Bolas said happily, "and we'll make some money off the theater-TV and home pay-TV."

McNeely was counted out at 2:31 of the fourth round by referee Jerry Joe Walcott, former heavyweight champion, just a second before Irish Tom lurched to his feet after being on the canvas the 11th time, including two slips.

Patterson was down early in the fourth round from a left to the face, but Walcott announced he had called it a slip.

McNeely's nine official knockdowns did not come up to the heavyweight title record of 11 suffered by big Primo Carnera in his defeat by the late Maxie Baer

Redskins Draft Ernie Davis

CHICAGO (UPI)—The Washington Redskins got the prize plum of the 1961 college football crop, Syracuse halfback Ernie Davis, in the National Football League draft, but San Francisco, Cleveland, St. Louis and Los Angeles also came up with a heavy share of talent.

The Forty-Niners picked the most players among the 280 listed for negotiation rights by the 14 NFL clubs in the 26th annual grabbag to divide the best of the college talent, but Cleveland and Los Angeles got a break in the quality.

The Browns, through trades, had two first choices, two second choices and two third choices and wound up with 23 players, three more than the 20 permitted each club before trade of draft rights.

San Francisco plucked 24 players from the list, more than any other team, and Los Angeles, also with two first choices, had 21. St. Louis, which had two first choices too, picked 21 players.

The other teams to pick more than 20 players were the Chicago Bears and Green Bay with 23 each, and Detroit with 22.

Newcomers to the league took a beating in the mart. Minnesota, in its first year of competition could draft 14, and Dallas, in its second year, drafted 15. But the Cowboys stole an edge since they were the first team to sign a member of the current crop.

Representatives of the club signed their 17th pick, tackle Ray Jacobs, a 270-pounder from Howard Payne, minutes after negotiating rights had been acquired.

Philadelphia and Baltimore each signed 20 players, New York got 19, Washington 18, and Pittsburgh, which traded its 2nd, 3rd, 4th, 5th and 6th choices, had 13.

DeGanahl Takes Golf Tourney

Dossie DeGanahl was the first week winner with a net 77 of the first round play of the Seminole Loan Corporation's golf tournament which got under way Wednesday at the Mayfair Country Club. There were a total of 28 entries.

There was a tie for second place between Jeanne Fouk and Kinky Park with a net of 81.

A one half handicap nine hole tournament was the weekly tournament feature with Hazel Duzo winning Class A, Lucille Heard, Class B, and Kinky Park, Class C.

Finals of the Florida State Bank Tournament were played last week with Jeanne Fouk defeating Myrtle Adams.

It is estimated that 620 jet aircraft will be in operation by airlines of the world by the end of 1961, or about four times the jet fleet of 1959.

Davis, Ferguson To Play In Tilt

NEW YORK (UPI)—Helsman Trophy winner Ernie Davis of Syracuse and block-busting fullback Bob Ferguson of Ohio State head the 24-man East squad which will play in the 37th annual East-West Shrine Football Game at San Francisco Dec. 30.

Andy Kerr, former Colgate coach who has been associated with the East squad, "one of the finest I can recall." The team will be coached this year by Joe Kuhovich of Notre Dame, assisted by Bill Murray of Duke and Jack Mollenkopf of Purdue.

McNeely was counted out at 2:31 of the fourth round by referee Jerry Joe Walcott, former heavyweight champion, just a second before Irish Tom lurched to his feet after being on the canvas the 11th time, including two slips.

Patterson was down early in the fourth round from a left to the face, but Walcott announced he had called it a slip.

McNeely's nine official knockdowns did not come up to the heavyweight title record of 11 suffered by big Primo Carnera in his defeat by the late Maxie Baer

Movieland Is New Team Sponsor

Evelyn Fitzpatrick, captain of the Movieland Drive-In Theatre team, rolled her first 300 game in league play Wednesday.

Movieland Drive-In Theatre team which just got their new sponsor, lost three points to the C. P. O. Wives. Monroe Harbor won four points from W.S.F.R. Marty Kinnard, W.S.F.R., rolled a triplicate series of 127. Stenstrom Realty won four points from Grapeville Nursery as they felt the absence of Vesa McMillan. Shoemaker Construction won four points from The Lovely Lady Beauty Salon.

The Hi-Nooners league was well represented in the Scotch Double Sunday evening, the first three places going to Dottie Dyer, Helen Altman and Margie Woods, and their respective partners.

Shuffleboard Club

A special business meeting of the Sanford Tourist and Shuffleboard Club has been called for today at 7 p. m. The regular monthly covered dish supper will be served at 6 p. m., preceding the meeting.

Commission Calls Franchise Meeting

The County Commission will hold a public meeting Thursday at 7 p. m. with utility owners and interested citizens on the recently passed franchise directive. More than 150 property owners from Lake Mary are expected to attend the meeting to protest some of the points in the directive.

By LARRY VERSHEL
Ten minutes after the Herald hit the street Tuesday, lovely little Cynthia Stringfield called to tell us she found Santa's hat. It seems the hat ended up in a box on the Sanford Women's Club float. Nobody asked me but, who was the wise guy who put the hat in the box? Anyway, thanks to Guy Allen the hat is North Pole bound today.

CYNTHIA STRINGFIELD

A few of the boys . . . County Commissioners John Fitzpatrick, Vernon Dunn, County Engineer Carlton Bliss, Zoning Director Robert Brown, Sanitarian Val Robbins and Attorney Harold Johnson met for an unannounced "bull session" Tuesday night in the courthouse. When questioned by a reporter on what goes, Johnson said, "Just trying to acquaint ourselves with this franchise directive to anticipate some of the questions that will come up Thursday night." "It's just a ball session," said Mr. Dunn. It started at 7:30 and everyone went their separate ways at 9:30.

Nobody asked me but what ever happened to that countywide drainage survey that was promised three months ago by the House and Home Finance agency?

The \$7,000 Onora Rd. paving and widening project is finished. The stretch of road, .60 miles, is from Hwy. 17-92 to the city limits.

Sanford will be tops on the priority list for federal assistance for a sewage treatment plant July 1 of 1962.

What ever happened to the city's proposed operational disaster headquarters. Still waiting federal okay?

A complete plan of the old county jail will probably be submitted to the City Commission at its next regular meeting for approval. Look for City Manager W. E. Knowles to recommend installation of a drive-in window and the building used for the utility department.

City tax collector says that as of Tuesday, 54 1/2 percent of the tax roll has been collected.

What ever happened to the proposed Lake Jessup Causeway?

Look for Geneva and Chuluota to seriously consider incorporation. At the Geneva Post Office dedication County Commissioner Vernon Dunn strongly advised both areas to "think about it."

Look for figures to show that commercial building permits in the county are up over 1960 but housing permits down.

We want to know: Did Mayor Gary ever get the leader in Oviedo's Town Hall to burn?

City To Seek Lease On Old Post Office

The City Commission in special session today authorized City Manager W. E. Knowles to negotiate for the lease of the present post office facility for use as a possible library site.

The commission stipulated that the lease be for \$1 per year.

In a memo to the board, Knowles suggested that the facility, located on First St., could be used for a library or utility paying station.

In other business the commission authorized Knowles to draw up overall figures on the cost of increasing the water line to the new proposed Del-Mar Corporation building on Country Club between 20th and 23rd St.

John Krider, who represented the Sanford-Seminole Development Corp., urged the board to take action for increased water needs for fire protection purposes.

Krider said the company would be a major boost to the economy of the area and said that groundbreaking would begin around Dec. 15.

He added it would be among the largest industrial facilities in the county.

Commissioner J. H. (Jimmy) Crapps wanted more information on the matter, saying he wanted to make sure the city would benefit from the move which would cost about \$5,000 or \$6,000 in additional funds.

Earl Higginbotham supported the increase in water line charges, "We must make every effort to get new industry and money into the town or we will dry up and remain status quo."

Another Convoy Put On Autobahn

BERLIN (UPI)—The U. S. Army sent a convoy along the 110-mile autobahn from West Berlin to West Germany through Communist territory today despite new Communist charges that the troop movements were deliberate provocations.

Two hundred combat-ready soldiers of Infantry D, 1st Battle Group, 7th Infantry, left Berlin this morning in 11 jeeps and 17 trucks.

The company, which was ordered to return to its regular base in West Germany after several days' training in Berlin, passed through the Soviet Babelsberg checkpoint without difficulty.

Western officials said they saw no signs that today's convoy might be hindered despite the Communist charges.

Head up, moving cautiously, she sniffed the air—it smelled funny.

—snorting cautiously into the Florida room, she saw something that she feared might be and instinctively, fire!

Racing into her mistress' bedroom she leaped on the bed and began to bark furiously.

"Stop it, Inky. Hush!" said her mistress sleepily.

But Inky redoubled her efforts, and inspired, did something she had never dared to do before—taking the bed covers in her mouth she began to back up, pulling the covers off her mistress.

—franked, Mrs. Cora Brown turned over and came wide awake,

Seminar To Discuss Area's Growth

Bulletin

DELAND (UPI)—Authorities searched Lake Talmadge today for the body of Ernest B. Swainson, 68, who apparently drowned while fishing. Officers said his small boat was found adrift early today. Swainson, who lived with his wife near the lake, went fishing Tuesday afternoon.

Holland Praises Florida; Sees 'Glorious Destiny'

FORT LAUDERDALE (UPI)—Sen. Spessard Holland, D-Fla., praised Florida's development Tuesday night and called on Americans to stop thinking "Defeatism."

Holland, addressing the Fort Lauderdale Exchange Club, spoke favorably of the "remarkable development of the Intercoastal Waterway and the Central and South Florida flood control program."

Holland said Congress has appropriated more than two million dollars for the Port Everglades area and \$78 million for interstate highways, primary and secondary roads.

Holland, a member of the Senate Space Committee, predicted a "glorious destiny" for Florida.

"But too many citizens feel that the nation is weaker, and there is no justification for this attitude of defeatism," he said.

"There is no question as to America's ability to repel or destroy our only potential enemy," Holland said. "We have more atomic weapons, we are far ahead of the Soviets. . . . We must not sell our country short."

Holland summarized the Cuban situation by saying that after Premier Fidel Castro's admission that he was a "Marxist-Leninist," a solution to "the problem of Cuba" was much nearer.

Smathers To Call On Mexican Chief

MEXICO CITY (UPI)—Sen. George Smathers, (D-Fla.), here to begin an investigation of prospects for U. S. investment in the Caribbean area, calls today on President Adolfo Lopez Mateos and Foreign Minister Manuel Tello.

His visit here is the first stop on a Latin American tour that will take him to Guatemala, Nicaragua, Panama, Venezuela, Trinidad and Jamaica as well as to Mexico.

3 Seminole Towns Elect Officials; Longwood Annexation Plan Defeated

Voters in three Seminole County towns turned out in volume Tuesday to cast ballots in municipal elections.

Allamonte Springs, with the largest vote ever recorded in a local election, cast 438 votes of the 589 registered. In the closely followed race for mayor, W. L. Swafford defeated Dr. Gertrude Forman, getting 285 votes to her 149. Frank Gerhardt took 242 to incumbent Granville Gray's 170 to

win the race for Ward Two councilman and Keith Nixon, unopposed for Ward One councilman, received 358.

In Longwood 307 of the 600 registered voters cast ballots. In addition to electing three councilmen, Longwood also voted on annexation of an area east of the city limits to Hwy. 17-92.

The town itself approved the annexation by a 242 to 28 vote but the 44-10 balloting in the area to be incorporated killed the issue.

Elected to the council for two year terms were incumbents J. R. Rafter with 199 votes and Carl Lommier with 170. Buford "Bluck" Helms defeated incumbent E. E. Williamson by a vote of 191 to 159 to gain the council's third seat. J. R. Grant received 147 votes.

Oviedo voted on an unopposed slate for the new staggered term council. With 202 of the 404 reg-

istered, Mayor M. L. Gary running for a two-year term, received 245 votes. Two year councilmen will be H. F. Ward who received 232 and T. L. Lingo Jr., who got 246. Serving for one year on the council will be Ben Jones, 242, and W. L. Clouta and W. H. Martin who each received 241 votes.

Longwood Plans Special Election

The Longwood City Council today is considering plans for holding a special annexation election after the move to take in some 200 acres between the east city limits and Hwy. 17-92 was defeated in the area Tuesday.

Mayor A. R. Lommier said this morning. Lommier said that in his consideration the very group whose "block vote" killed the annexation would have been the one to receive the most benefits by coming into the city.

"The Council now will begin work on revising the city's annexation ordinance and redefining the territorial boundaries of the area to be considered through a special election," he said.

Police Investigate Grocery Breakin

Police today are investigating an early morning break-in at the St. Mathew Grocery on W. First St.

Entry was gained by cutting a hole in a side window. Among the items taken were a variety of cigars, cigarettes and candy, police said.

Navy Insignia

WASHINGTON (UPI)—The Navy came up at the last minute today with an astronaut's insignia to match that of the Air Force.

The Navy insignia will be worn by Cmdr. Alan B. Shepard, first American to soar into space. It is a shooting star superimposed on a aviator's wings.

4 Katanga Planes Destroyed By UN

LEOPOLVILLE (UPI)—Indian Canberra jets of the United Nations force destroyed four Katangese aircraft on Kolwezi airfield in a 20-minute strike this morning, a UN spokesman announced today.

Fierce fighting between United Nations and Katangese troops raged into the second day today. Meanwhile, President Moise Tshombe announced in Paris today he is leaving for his battle-torn capital "by the quickest possible means."

The United Nations command said five Swedish "Flying Barral" jet fighters from LuLuabourg strafed the Katanga air base at Kolwezi.

In Stockholm, the Swedish military said six Indian Canberra bombers also took part in the air raids against the Katangese.

Two heavy battles were going on in the Elisabethville area and the other at the old airport, now unused, near the site of Tuesday's battle.

City Refuses Appeals To Rescind Order

The City Commission stood firm today in allowing intoxicating beverages to be sold on New Year's eve which falls on Sunday this year despite objections from Commissioner Al Wilson with a support from Mayor Joe Baker.

Wilson urged the board to rescind its previous motion allowing the sale of alcoholic beverages on Sunday Dec. 31 to open at 10:30 p.m., saying that the board would be strongly criticized for its stand and that the criticism received now "is just a drop in the bucket to what we will get in the future."

The board also received a petition from the Woman's Bible Class of the First Baptist Church urging the commission to rescind its previous action. There were 30 signatures on the petition.

However, in denying the petition and rejecting Wilson's motion, Commissioners Earl Higginbotham, Tom McDonald and Jimmy Crapps emphasized that the city was not extending the sale of liquor on a permanent basis but only something that would come up every seven years or so.

"It's just a one shot deal," McDonald said.

In other business the commission voted to deny the use of training facilities to minor league farm clubs unless at least \$1,000 is put in escrow for use of one of the three baseball diamonds and \$5,000 for the use of Municipal Stadium.

Both the Toronto Maple Leafs and Syracuse Chiefs of the Triple A league had made overtures for use of the facility.

In a memo to the board, City Attorney Bill Hutchison reported that the Giants have breached their lease on the use of city facilities for spring training due to their failure to hold training at Sanford.

Higginbotham urged the board to take action against the Giants but McDonald suggested a wait-and-see policy to learn whether reports that the Giants plan major improvements on their holdings here materialize.

Last week, Art Flynn of the Giants told the Herald that his organization plans a quarter of a million dollar improvement program at the hotel and golf course.

J. C. Yarborough Dies At Geneva

James Walter Yarborough, 76, of Geneva, died at his residence Tuesday night. He was born in Louisville, N. C., Nov. 22, 1885 and came to Florida in 1910 at which time he was associated with the Glenco Turpentine Company. He was a partner, with his brother-in-law, in the Wood and Yarborough Construction Company. They built the first hard-surfaced roads in Bradenton, Haynes City and Winter Haven.

He moved to Geneva in 1930 and was county road superintendent from 1937 until his retirement in January, 1961. When he started work for the County, the road department had only three pieces of equipment, a pickup truck, a flatbed truck and a dump truck. Mr. Yarborough was a member of the Methodist Church.

He is survived by his wife, Pearl; three daughters, Mrs. D. W. Whiting and Mrs. W. E. Schlusensmeyer, Jr., both of Geneva, and Mrs. Sidney Krafttsov, Sande Point, Long Island; one son, Edward, Geneva; 12 grandchildren; one nephew, Luke Burnett, New Smyrna Beach; two sisters, Miss Mary Ann Yarborough, Atlanta, and Mrs. Mamie Jean West, Petersburg, Va.

Funeral services will be held at 3:30 p. m. Thursday at the Gramkow Funeral Home, 130 West Onora Rd. with the Rev. C. F. Peterson officiating, assisted by the Rev. Jack Stewart. Interment will be in Geneva Cemetery.

Active pallbearers will be John Krider, Homer Little, Cecil Fields, Edward Putnam, T. A. Rivers and John Stone.

Honorary Pallbearers will be O. P. Herndon, Fred Dyson B. C. Dodd, Lawrence Swafford, Vernon Dunn and J. C. Lavender.

House Afire, Dog Awakens Mistress

Crippled Sanford Woman Walks Out Of Burning Home

By DOTTIE HIGGINBOTHAM

In the pre-dawn quiet and stillness, only the milk trucks, the paper boys and a few early risers were moving around the city.

In a house on West Twentieth St. a small black cocker spaniel's nose twitched suddenly, her ears lifted inquiringly and she was instantly alert with the trembling feeling that something was wrong in the house.

Head up, moving cautiously, she sniffed the air—it smelled funny.

—snorting cautiously into the Florida room, she saw something that she feared might be and instinctively, fire!

Racing into her mistress' bedroom she leaped on the bed and began to bark furiously.

"Stop it, Inky. Hush!" said her mistress sleepily.

with a feeling of danger. At that instant, her eyes caught the heart-chilling sight of tongues of flame, already licking out of the furnace room, into the Florida room!

Horrified, she moved with unusual swiftness, and reaching for the telephone nearby, frantically dialed the numbers of the fire department, police, even the operator, but in her trembling excitement, she was not able to make contact with anyone—and then she heard an explosion!

"I've got to get out of this house!" she thought, and forgetting the walker she had been using since she got out of the hospital only a few weeks before after a crushing automobile accident which broke her hip in three places, Mrs. Brown stumbled out of the house and across the street to Mrs. W. H. Nicholson's on her own two feet, Inky running protectively beside her.

But at Mrs. Nicholson's front steps her miraculous surge of strength suddenly gave out and she collapsed at the foot of the steps, calling loudly. Reflected in

the windows of Mrs. Nicholson's house, she could see the flames leaping through the roof of her own house across the street.

Mrs. Nicholson quickly summoned the fire department and they were there almost before she hung up. They fought the blaze for several hours, finally putting out the last smoldering ash, but the fire left half of Mrs. Brown's home a charred ruin.

"I owe my life to Inky" said Mrs. Brown, from her hotel room, Tuesday.

"She is a wonderful, wonderful companion. She's much more than a pet, she's a little lady, and I don't know what I would do without her."

Inky lay quietly on the floor at her mistress' feet. She never lets Mrs. Brown out of her sight, especially since she probably remembers the long weeks when her beloved mistress lay in a hospital, badly hurt, and Inky stayed at the vet's and grieved.

Inky is not only a brave little lady, she is a loyal, true, a direct descendant of the famous

cocker spaniel champion, "My famous lineage humbly—proud to own Bruce," she carries her name, faithful, loyal and loving.

news... BRIEFS

Attlee In Hospital

AMERSHAM, England (UPI)—Former Prime Minister Earl (Clement) Attlee, 78, was under treatment in Amersham General Hospital today for a reported stomach ailment.

Award For Goldberg

NEW YORK (UPI)—The annual John Dewey award of the United Federation of Teachers will be presented here March 3 to Secretary of Labor Arthur Goldberg, it was announced Tuesday.

Air Crash Probe

MIAMI BEACH (UPI)—A Civil Aeronautics Board investigating team planned to wind up its public hearings today into the crash of an Imperial Airlines Constellation at Richmond, Va., Nov. 8 that took the lives of 77 persons.

Earnings Figures

WASHINGTON (UPI)—Average earnings of production workers have risen from \$10 to \$20 a week during the last 50 years, the Labor Department reported Tuesday. It noted that the average work week in factories dropped from 51 to less than 40 hours.

New Trade Plan

NEW YORK (UPI)—President Kennedy today called for replacement of the reciprocal trade act with broad powers to permit him to lower tariffs for free Europe and build an extraordinary economic NATO to combat Communist encirclement.

Coin Club Meeting

The Sanford Coin Club will meet at 7:30 p. m. today in the Conference Room of the First Federal Savings Building on West First Street. An earlier story said that the meeting was to have been Monday night.

Reds Expected To OK Giant Postwar Budget

MOSCOW (UPI)—The Supreme Soviet parliament of the U.S.S.R. went into session today expected to adopt Russia's largest postwar budget with a heavy emphasis on stepped-up defense appropriations.

Premier Nikita S. Khrushchev announced soon after the beginning of the Berlin crisis that Russia would increase its annual military budget by a third in answer to what he called war preparations in the West.

Prominent on the platform in the Kremlin's St. Andrew Hall today was Marshal Kliment Voroshilov, publicly disgraced by Khrushchev last October during the Communist party congress.

It was believed to be Voroshilov's first public appearance since he was openly humiliated by being refused a place on Lenin's tomb during the annual celebrations here. Khrushchev had accused him of "anti-party" activities.

Officers Elected

The Board of Directors of the Seminole County Farm Bureau has elected as president Ed Parker of Goldenrod; Joe Baker, Sanford, vice president, and Ronald Multhead, secretary-treasurer.

The board includes Robert Lee, Oviedo, representing the best interests; Parker and Jack Syme of Goldenrod, citrus; Baker and Robert Hathaway, Altamonte Springs, dairy; Multhead, poultry; and John Evans of Oviedo and W. W. Tyne of Sanford, vegetables. Lee is the outgoing president.

DISTRICT EIGHT Orientation Conference of the Florida Division of the American Cancer Society met in Sanford recently with these leaders setting the pace for the four hour planning session. From left are Dr. Thomas Largent, District Delegate Director and Mrs. Thomas Largent, President of the Seminole County Unit of the American Cancer Society, both of Sanford; L. H. Peterson, executive vice president of the Florida Division, from Tampa and Arthur Zimmet, District Delegate Director from Daytona Beach, who presided.

Florida Prepares For Orderly Handling Of A-Age Problems

TALLAHASSEE (UPI)—Some of Florida's best brains are working to bring a safe and orderly entrance into an atomic age of industrial and scientific achievement, state officials said Monday.

Gov. Farris Bryant designated the State Board of Health as the agency to license and regulate the use of radioactive materials in Florida if the Atomic Energy Commission relinquishes this authority.

The health board will make a study of costs and other matters pertaining to the problem. Discussion of Florida's place in the world of atomic energy came at a day-long meeting of the Florida Nuclear Commission. Bryant described Florida's prospects as "exciting."

Dr. George K. Davis, head of the commission's radiological safety committee, said the state is working vigorously to get its share of nuclear development. But he said the state also is aware of its responsibility in preparing the necessary safeguards.

His committee operates on the belief that atomic power and materials are the "greatest boon that man has yet devised and will provide with complete safety the richest rewards to the state or community that provides intelligently for its own safety," Davis said.

Refugee Turns 'Express' Into Escape Route

BERLIN (UPI)—A young East German train engineer "borrowed" a Communist passenger train Tuesday night and turned it into a cannon ball express that sped him and 24 refugees to freedom in West Berlin.

The engineer celebrated his 29th birthday today surrounded by his entire family who accompanied him on the wild ride.

The daring trainman, whose longest previous run was estimated to be an internal East German trip of some 50 miles, turned his Walter Mitty-type dreams of escape into reality in Berlin's most sensational flight to freedom of the cold war.

The refugees made their escape when the engineer, who was not identified, assisted by a fireman friend, powered the locomotive past the scheduled last stop at the East German station of Albrechtshof.

Here is the story that was pieced together early this morning from the refugees. The trainmen had heard that

the rails which previously led from Albrechtshof into West Berlin were scheduled to be removed as part of the Communists' border-sealing operations.

The two dreamed of driving a train with their families and friends through heavily armed police guards to the West. They began their detailed plan last week.

The engineer decided to adopt Communist measures to hoodwink East German authorities by playing the role of an "eager-beaver."

He told his boss he would like to get additional experience by running the train on a link that switches from his normal route into Albrechtshof.

The boss was pleased with his subordinate's willingness to gain additional experience and agreed to try him on a different run.

The engineer was given Tuesday night's run, but was assigned the fireman who normally stoked his train on the regular run. He told the regular man to take the day off, telling him he had a friend who would pull the duty for him. The regular fireman happily agreed.

The engineer's family and friends purchased tickets and piled aboard the train. When the well-stocked eight-car train reached Albrechtshof, it sped on through at a speed of 50 miles an hour to Spandau in the British sector.

With the engineer at his birthday party were his wife, their four children, his mother, sister and two brothers-in-law.

The Communist border guards were so surprised they did not open fire.

The fireman brought his mother, father, sister and two friends with him. An East German girl who was not part of the plot decided to join the refugees when she learned of the escape.

An extra locomotive towed the train back to East Germany with seven other passengers who boarded the train unsuspectingly and chose to return to the East-ern sector.

With the engineer at his birthday party were his wife, their four children, his mother, sister and two brothers-in-law.

The Communist border guards were so surprised they did not open fire.

The fireman brought his mother, father, sister and two friends with him. An East German girl who was not part of the plot decided to join the refugees when she learned of the escape.

Cancer Society Holds Conference

By MRS. ADAM MULLER
The American Cancer Society Florida Division, Inc., held a Volunteer Orientation Conference recently at the Shrine Club in Sanford.

Volunteer workers from many areas in Central Florida began registering at 3:30 p.m. with Mrs. Thomas Largent in charge of registration.

Arthur Zimmet of Daytona Beach, district delegate director presided and gave the welcoming address. Ben Torrey, public relation education chairman of Orlando, showed a colored film, "Life Story." Dr. Thomas Largent, district delegate director, held a "Comments and Question" period, followed by Dr. W. W. Schildecker, director Volusia County Tumor Clinic, Daytona, who spoke on "Tumor Clinics and their Service."

Dr. Calvin Page, Science Associates, Inc., of Orlando, spoke on "Cancer Research," using pictures to illustrate his talk. Executive vice president of the Florida Division, Mr. L. H. Peterson of Tampa, was a special guest, as was Gene Haislet of Orlando. Dinner was served following the meeting.

Dr. George McSwain, medical advisor of the East Volusia County Unit, spoke on "Medical Quackery," and William Schaefer, state director of the Cancer Crusade, gave an inspiring talk on "Polices and Procedures."

Before adjournment, Arthur Zimmet held a Question and Answer Panel and acted as moderator. There was a table with literature about cancer available for the

series winners with E. Z. Walters first; Mrs. Robert Nicholls, second; Mrs. E. E. Anderson, third; Mrs. Nan Edwards, fourth; H. G. Chase, fifth, and Mrs. H. W. Ackerman, sixth.

Winners in this week's play with 11 tables in action were NS, first, Mrs. Edwin Wachter and Mrs. G. N. Lackey; second, Dr. and Mrs. Earl Sandborn; third, Mrs. Frank Austin and Mrs. R. W. Ackerman; and fourth, Mrs. Minta Morrison and Mrs. Elza Unkle.

EW winners were, first, Mrs. E. Z. Walters and Mrs. John Vander-schaaf; second, Mr. and Mrs. E. M. Hinkle; third, Mrs. M. L. Patterson and Mrs. Frank Holder; and fourth, Mrs. Minnie Heitman and P. R. Froehlich.

Brownie Troop Busy This Month

Brownie Troop 537, which meets each Wednesday at the Lake Mary Elementary School, is especially busy this month since in addition to work on a Christmas project members also are planning the celebration of their first anniversary next week and participation in a caroling program and Christmas party.

The fourteen girls, led by Mrs. D. L. Dombey with Mrs. Paul J. Weber as assistant, recently completed attractive scrapbooks for the children's wards of Seminole Memorial Hospital which were presented in an appropriate ceremony to Mrs. F. C. Woodruff, president of the Pink Ladies Hospital Auxiliary.

TV Viewers Get What They Deserve, FCC Boss Charges

WASHINGTON (UPI) — Television viewers probably will get "just what they deserve" unless they organize to complain loudly about poor programs, according to Federal Communications Commission Chairman Newton Minow.

Minow said television stations do not deliberately put on bad programs, but he said broadcasters tend to understate the taste, knowledge and understanding of the public.

He made the remarks to an audience of about 200 Tuesday night at a panel discussion on television programming. Minow, who stung the industry earlier this year when he called television a "vast wasteland," was particularly critical of children's programs.

Television's opportunity to broaden children's knowledge is "so often frittered away," Minow said.

"Too often television is used as a baby sitter and that's all," he said.

The government's role in improving television is a delicate one, he said, because it borders on censorship. He said he would rather have bad television than infringe upon free speech.

However, Minow said the FCC would make television stations live up to the promises of public service they made when they applied for licenses.

Business Briefs

Lincoln Continental observed the first anniversary of its introduction of a new concept in luxury transportation and in the last year has recorded one of the outstanding sales successes in the industry, according to Willie Hunt of Hunt Lincoln-Mercury, Inc.

Nationally, sales of the Lincoln Continental from January 1 through November 10, 1961, were 25 per cent higher than for the entire 12 months of 1960 and are 65 per cent higher than Lincoln sales for the same period of last year, Mr. Hunt said.

"The styling and design concept of the Continental was introduced in November, 1960, and change merely for the sake of change has not been characteristic of this luxury car," he added.

Humane
HOLLYWOOD (UPI) — "Doubles" are commonly used in the picture industry for animal as well as human stars. In a Western chase specially trained horses are used for "jumping" and "falling" scenes. When a horse falls it's done on a specially prepared bed of straw or even a mattress, the American Humane Association says.

A 'Must'

Every citizen of Sanford and Seminole County should and must make it his or her business to attend the University of Florida seminar (scheduled for the Civic Center Thursday).

We all are interested in the growth of the community and how we can improve our downtown area. Some of the specialists in the field of business and public relations will discuss how a city can improve itself through better business relations and a beautification program.

The seminar will start at 3 p. m. and will continue with a special session in the evening starting at 7 p. m. All aspects of improving Sanford will be discussed also a look into the future of the county, and how it will grow will be given by Chamber of Commerce manager John Krider.

Dr. Frank Goodwin of the University of Florida will be one of the principal speakers. His subject will be "Bring 'Em Back Alive."

Thanks to the cooperation of the Board of Realtors, the Merchants division of the Chamber and the Jaycees this program has been possible.

We urge everyone to attend.

Dr. Crane's

Worry Clinic

Tom defends his constant use of "ain't" by saying it is in the dictionary. And he says he believes in the adage that a majority rules." Beware of that fallacy, for it was a 100% majority that sent Christ to Calvary, yet they were 100% wrong. Send for the booklet below, to prevent your child from dropping out of school.

CASE K-460: Tom J., aged 39, is the father of Janet.

"Dr. Crane," he protested at a PTA meeting I had addressed, "don't you think you make too much fuss about good grammar?"

"Why, I looked up the word 'ain't' in Janet's dictionary and it is there.

"If a majority of people use 'ain't' then I say we should stick with the majority. They know what I mean when I say 'ain't.' Beware lest you think a majority vote proves what is right.

For it was a 100% majority in Pontius Pilate's courtroom that said Jesus was guilty and sent him to a cross.

Yet that 100% was entirely wrong.

Tom has a point when he says people understand what you mean when you use 'ain't'.

But language, like mechanics, is supposed to follow approved rules.

An auto mechanic knows that a socket wrench or monkey wrench is the proper tool to employ in loosening a nut.

In a hurry, however, most of you folks may have taken a cold chisel or even a screwdriver, plus a hammer, and then driven the nut loose.

But this cuts or roughs up the edge of the nut, making it sharp and irregular.

So the chisel or screwdriver is NOT the proper tool to use, though it does get results.

And so it is with language. "Ain't" may put your idea across but not in the approved manner. We urge parents to imitate Carl Foreman's "The Guns of Navarone" with a hit record for Colated English sparrows to sing.

like canaries, just by surrounding the young sparrows with canary music.

And we hope you parents will also place reasonably good English on their ear drums while they are at home.

Oh, you are entitled to let off steam in emotional emergencies, as when you strike your thumb with the hammer.

"Darn it" is an explosive phrase that helps you and your children let off steam.

But beware, even then, of using vulgar or coarse expletives. And that is double dangerous for women, since it masculinizes a female to adopt male clothing, male habits and even male language.

Remember, girls, you are constantly building up an impression on those around you. Make it attractive. And feminine.

That's why you patronize the beauty parlors and use a toothbrush regularly and try to dress in the latest style.

Meanwhile don't forget the vital fact that your words are the mirror of your mind.

Never parade them before the public in improper, vulgar or shoddy apparel.

For they are used by your comrades as a more exact index of your true self, than your new frock or hairdo.

So by all means send for the booklet on "How to Tutor Your Child (or Yourself) at Home," enclosing a stamped, return envelope, plus 20c.

College professors are moaning because of the incorrect grammar and shoddy vocabularies of entering freshmen, which is why they flunk so many in the first term. You parents can prevent that tragedy.

Versatile

HOLLYWOOD (UPI) — Versatile James Darren has followed up his great performance on Carl Foreman's "The Guns of Navarone" with a hit record for Colated English sparrows to sing.

SAND TRAP!

Henry McLemore

It isn't often that I endorse a dance, despite the almost unendurable pressure brought to bear by promoters of new steps.

It was not until the knees of the nation had been knocking together for two or three years that I finally got around to putting a stamp of approval on the Charleston.

The Bunny Hug never did get my nod. Nor did the Lindy. And it was only out of friendship for England that I eventually gave lukewarm approval to the Lambeth Walk. As for the Big Apple I went into semi-hibernation when it was shaking the floors of the country.

All of which leads me to the latest dance craze, the Twist. I don't recall a dance ever to strike the United States with such suddenness and violence. No, not even the Black Bottom or the Susie Q.

One minute no one was Twisting, the next all 50 states were Twisting, or attempting to Twist, or planning to Twist. The Twist rolled in like a tidal wave, engulfing the knees and hips of the nation.

There is no ignoring the Twist. No matter which way one turns one's eyes, the Twist is there. It is being danced wherever there is a floor, and sometimes where there is not, for a story from Texas tells of a couple who have Twisted on a playground swing.

It is my honest opinion that the Twist is here to stay — if not forever, then for a long, long time.

Why? That's a good question, since the Twist isn't much to look at. No one would sit on the sidelines and thrill to the Twist, as they did, say, the Jitterbug.

It isn't much fun to do, and this is no second-hand judgment, as I have done the Twist several times in several of the better Twist joints. And with partners who are rated as superlative Twisters, if that is the word.

Twisting, or attempting to Twist, or planning to Twist. The Twist rolled in like a tidal wave, engulfing the knees and hips of the nation.

There is no ignoring the Twist. No matter which way one turns one's eyes, the Twist is there. It is being danced wherever there is a floor, and sometimes where there is not, for a story from Texas tells of a couple who have Twisted on a playground swing.

It is my honest opinion that the Twist is here to stay — if not forever, then for a long, long time.

Why? That's a good question, since the Twist isn't much to look at. No one would sit on the sidelines and thrill to the Twist, as they did, say, the Jitterbug.

It isn't much fun to do, and this is no second-hand judgment, as I have done the Twist several times in several of the better Twist joints. And with partners who are rated as superlative Twisters, if that is the word.

One simply faces one's partner and, using the same technique one does when trying to pass on a crowded sidewalk, gets to Twisting. The hips slide after the manner of a halfback reversing his field, and the knees move in and out as if they were accordion bellows.

That's all there is to it. I found it a relief after the strenuous South American dances, many of which left a man panting, exhausted and aching in the joints. The Twist is gentle, easy on the bones, joints, and ligaments, and only the most clumsy ever step on a partner's instep.

It is this simplicity, I believe, which will give the Twist permanence. Older Citizens will be able to do it without going into training, or risking a collapse.

Also, the Twist, by the very nature of its movements, can be danced almost anywhere. A large space isn't required. It can be performed in a linen closet, if need be, or in the laundry room between the tubs and the dryer.

Kiwanis See Film On Special School

William C. Matthews, principal of the Forrest Park School presented a filmed story of the work of the school as it deals with physically handicapped, blind and deaf children, to Kiwanians.

Some of the walkers and hearing aids used by the children of the school were presented by the local Kiwanis organization. Matthews told the group. He said that there are 19 Seminole county children at present enrolled in the school, which takes children from five counties.

The therapeutic treatment, physical and occupational therapy, classroom teaching, and psychological treatment given the children of Forrest Park School enables many of them to return to public school in a few years.

The film demonstrated the many kinds of therapeutic and specially constructed equipment which is used for the children to aid them in their rehabilitation. Many mechanical aids are also used in the school in relation to learning, self-help training, special physical exercises and speech therapy.

The school trains the handicapped children in basic skills as well as mechanical and academic instruction. Regular consultations with parents are maintained to see that therapy procedures are carried out at home. The medical coordinator is the guiding force who works with the child, teacher, doctor and parents to coordinate all their activities.

The goal of the school and all its teachers and therapists is to make the handicapped as nearly independent as possible.

Matthews said that the only requirements for admission to the school is that the child be physically

handicapped, blind or deaf, and that tests show that he can be helped and has normal intelligence.

The film showed the special school bus that is used to transport the children, with double side doors and ramp for loading wheel chairs off and on.

William Fraase, program chairman, introduced Matthews as a fourth generation Floridian, remarking that "this is a scarce breed."

It was also announced by President Jim Grant that the next meeting will be the 40th anniversary celebration of the local Kiwanis Club and at that time all past presidents of Kiwanis will be recognized and honored.

Matthews said that the only requirements for admission to the school is that the child be physically

handicapped, blind or deaf, and that tests show that he can be helped and has normal intelligence.

Peter Edson

Political Notebook

WASHINGTON — (NEA) — There's another side of the story to the latest ruckus stirred up by United Auto Workers President Walter Reuther.

At the Industrial Unions Department conference here, Reuther charged that if the building trades craft unions didn't stop their internal warfare against the IUD (of which he is also president), the AFL-CIO—or which he is vice president-aspiring-to-be-president—would bust up.

The full answer to Reuther will be made during the Building and Construction Trades Department convention in Miami. If principal officers are President C. J. Haggerty and Secretary-Treasurer Frank Bonadio.

There are 18 unions with about four million members in the building trades, and 59 unions with about six million members in the industrial unions. They have been long at war, mostly over jurisdictional disputes.

Highlights of the building trades story:

In the 1955 Miami agreement for merger of AFL with CIO, it was specified that new construction and major alterations should be the work of the building trades. Production work and running maintenance were to go to the industrial unions.

In gray areas, past practice would determine jurisdiction. The next March there was a building trades strike on a construction job at Ford Motor Co. The auto workers claimed they had a restrictive clause in their contract with Ford. Under this the company had to offer work to unions of its own employees before it could let contracts giving work to others.

The building trades contend that Reuther at that time said he considered restrictive clauses wrong and that they had been eliminated from all UAW contracts except at Ford.

It is claimed that Reuther offered to cancel this clause in the Ford contract if the strike was settled. The strike was settled and the clause went out. But in the new 1961 contracts with Ford and General Motors, it is back in.

In 1958 a special committee of the AFL-CIO executive council under Machinery' Union President Al Hayes drafted a new agreement which both the building trades and industrial unions signed. The first provision called for new construction, major alterations and repairs to be work of building trades.

Within 30 days, it is charged, the Steelworkers and two other unions washed their hands of the agreement because their members wanted to do construction work. And in July, at a meeting of the Hayes committee, Reuther trial unions were unilaterally abrogating the agreement.

In its place, he proposed that different standards be introduced, based entirely on past practices. At the AFL-CIO convention of 1959 in San Francisco it was decided that a new attempt should be made to devise a plan to settle all jurisdictional disputes with arbitration as a terminal point. There were two other main provisions. Each case should be de-

ided on its own merits without prejudice to the future. Existing jurisdiction of each affiliated union should be safeguarded.

But ever since then there have been charges and counter charges in a number of cases. One of them, brought before the AFL-CIO executive council at Unity House, Pa., was unanimously decided in favor of the building trades last June. Then came Reuther's recent blastoff in Washington.

It is expected, however, that the Hayes Committee will make another attempt to reach a formula for settling jurisdictional disputes after the building trades convention but before AFL-CIO convenes Dec. 7 at Miami.

This is the forum where Reuther has threatened to reopen the issue, keeping the convention in session until it is settled to his satisfaction, with compulsory arbitration.

One thing seems certain. There can be no peace in the temples of labor as long as this moon business goes on.

Your Pocketbook

Q—My husband does not believe in life insurance. I would like to take out a policy on his life and pay the premiums without his knowledge? Can I do this? —C.B.M.

Dear C.B.M.: The answer is "no." Not only must your husband sign the application, but he probably would be required to undergo a medical examination.

Q—Last year I took a \$4,000 loss on my securities. I now have some nice paper profits. My investments are made to give me income. My broker says I should not sell any stocks to take profits to offset my losses. Instead, he says I'm doing fine and should leave my securities alone. Is he right? —U. C.

Dear U. C.: I suspect your present investments are doing fine and that your broker expects they will continue to do even better. Don't let that \$4,000 loss worry you for three more years, so why not take his advice?

Q—Our investment club bought a speculative stock which is now down to one-half of what we paid. Do you agree that we should get rid of such an investment? —K. T.

Dear K. T.: Don't wait another day. Sell!

Q—Should a 75-year-old widow who has a pension and Social Security which take care of her day-to-day needs \$40,000 invested in common stocks (most of which are blue chip) and \$4,000 in a real estate venture? In order to do this, I would have to sell some stock. —A. R. L.

Dear A. R. L.: Are you aiming to be the richest gal in the cemetery, or do you have a pet grandchild? You're doing fine without speculating, so relax!

Q—How do you go about shopping the best credit value? —S. A.

Dear S. A.: Money is a commodity and it costs money to borrow it. Find out who will lend you money with the lowest interest rate. If you have a savings account and enough money to more than carry your loan, you'll find a passbook loan cheapest. If you belong to a credit union, they offer cheap loans. Before you go to a finance company, check a commercial bank—their rates are cheaper.

When you buy on the installment plan ask how much the interest rate might be. If it exceeds 12 per cent, see if you can borrow the money from the bank and pay cash.

Letters
Dear Sir:
I, and many of my friends were very disappointed in the City Commission to allow the bars to remain open on Sunday, New Year's Eve.
Isn't Sunday still God's day, if it does fall on New Year's Eve? Aren't there enough accidents on this night without intoxicated drivers? If you publish this please withhold my name.

Seminoles Pace All Orange Belt Conference Team

Phagan Named 'Most Valuable' On 1961 SHS Squad

The Sanford Herald Page 6—Wed. Dec. 6, 1961

BY JACK TRIM

There's no disease more catching than shad fever and you can look for an epidemic of it right away.

The first shad caught in the St. Johns each year brings on a rash combined of three things: rumors, phone calls and shad rig tying.

And an even more important symptom is arrival of winter visitors to the Sanford area who come each year for shad fishing only.

Phil Stallings, operator of the Osteen Bridge Fishing Camp, reported the first shad of the season (approaching season, that is) last week and a couple of others were close behind.

Mrs. John Crim of Lemon Bluff and Crim's Camp on SR 46 said that Robert Rush of Ormond Beach caught a two pound buck while trolling for specks.

S. B. (Jim) Crowe reported from Crowe's Camp on SR 46 that the first caught out of his pace was landed by Mrs. J. W. H. Parker, of Buckroe Beach, Va., fishing along with her husband.

The Parkers are annual visitors here for the shad run and have been among the early arrivals in the area for several years.

Another of the first brought into Crowe's was caught by Mrs. H. R. Humars of Winter Park and it also weighed about two and a half pounds. No roe shad have been reported yet.

That started it. During the past weekend, about a dozen or so were netted in various spots, but all were single strikes, indicating that no large numbers of shad are approaching yet. A couple were caught on live minnows by fishermen looking for specks.

As a matter of fact, shad fever cannot be localized. When the first symptoms appear here, those in other sections of the country who have been exposed to it immediately begin to itch, too. It's a state of mind only, but it does itch, the victims report.

Letters of inquiry and requests for reservations of boats, guides and living quarters have been coming in steadily, the Crowes and Crims said.

Mrs. Crim said that reservations have been made by regular shad season visitors from as far away as Connecticut and Maine.

Jim Crowe, the man who reportedly gave a Pepsi Cola and a hari-kiri knife to the lead shad in the first run over in the St. Johns, has become the silvery gamester's foremost biographer.

Crowe predicted today that the first major run of shad will be about Dec. 15. The first one netted last season was Dec. 9, which gives this season an earlier start for shaping up, he pointed out.

The river's water level still is rather low, but with weather beginning to cool off, conditions should be good around Dec. 15, he said.

Another factor which may give the shad fishermen a bigger run for their money this year is a sort of rotating one. Records show a bigger than usual run of the shad about every fourth season and this will be the fourth year since the big run of 1957-58.

At any rate, be watching for symptoms of shad fever—and if you catch it, don't fight it, just head for the river.

That's the only place to get the proper medication.

One footnote to this medical report:

Mrs. Crim said that Lemon Bluff camp, which has been open only during weekends all summer and fall, will be operating daily except Mondays until Jan. 1, starting this week. This is good news for the many people who visit Lemon Bluff for its picturesque scenery as well as excellent fishing.

Locals Get Formal Title Recognition

By PETE LEVEQUE

Five members of the 1961 Seminole High School football team have been named to the 22 man All-Orange Belt Conference team made up of the top conference gridiron players of the season, announced Seminole High Athletic Director and Orange Belt Conference Secretary Fred Ganas this week.

Those players named from the Seminole High Varsity Squad were: J. B. Phillips at center position; Eugene Williams at tackle; Bubba Davis and Bill Phagan in the backfield; and Don Harvey in end position.

The Seminole High players received formally the title of the Orange Belt Conference Champions of 1961. Sanford assumed the title automatically as the Seminoles are in possession of the most successful gridiron record in conference competition (5-0-1).

The all-ORC team is selected each year at a quarterly meeting of the Orange Belt Conference. This year Sanford placed five of its players on the all conference team compared to the four players that received the honor in 1960.

Aside from the Annual Peter Schaal trophy for the most valuable gridiron player, this conference honor is one of the highest distinctions that a member of the Seminole High team can hope to attain.

Named to the all-conference team from Apopka were Kevern and Parker in the backfield. Goolsby received the honor in end position and Sykes took the place at tackle.

DeLand's Bulldogs placed two ends, a guard, and a halfback in the conference listings. Kieklis took the backfield honor. Stump and Myers were in the end positions, and Schultz was at guard position.

The Yellowjackets of Leesburg took three places in the 22 man team, one end, one guard, and one halfback. McEbride took the backfield slot, with Watastein at end position, and Mock at guard position.

Wildwood filled two berths in the all-conference listings with Tibodeau in position at guard and F. Russ in an all-ORC tackle position.

Lakeview's Red Devils placed

SEMINOLE VARSITY players named to the 1961 All-ORC team are (left to right): Bill Phagan, Bubba Davis, J. B. Phillips, Eugene Williams, and Don Harvey.

Fullback Honored With Peter Schaal Trophy

BY PETE LEVEQUE

Fullback Bill Phagan was named the recipient of the 34th Annual Peter Schaal Award for the "most valuable player" of the 1961 gridiron season at a Seminole County Boosters' Club Banquet for the Varsity players Tuesday evening.

Chester Oxford was the presiding officer who officiated at the banquet and presentation of team awards, coaching awards, and the oldest consecutively-awarded sports trophy in the south—the Schaal Award.

Schaal was present at the dinner honoring the Sanford players to present Phagan as the 1961 nominee. The trophy will be awarded to Phagan at the annual All-Sports Banquet to be held sometime in May.

Phagan was chosen by an Awards committee of nine members headed by Schaal, a former Sanford Herald Sports Editor. The award had been under consideration for some time and a final decision was reached only 24 hours prior to the ceremony.

Two other players on the Seminole team had been under consideration for the honor and received honorable mention at the presentation. Those named were Sanford's Bubba Davis, top scorer for the 1961 grid season and top offensive center J. B. Phillips.

In presentation of the award, Schaal stressed the idea that in choosing a player for the award, that consideration was not necessarily given to the "most outstanding player or one with the greatest ability, but the one the team could least do without."

Individual player awards were presented to each member of the Seminole Varsity team by the Boosters' Club and the Elks Club organization of Sanford. The Elks Club presentations were gold football awards. The Boosters' Club presented small figure trophies with engravings.

The seventeen graduating Seminole High seniors who have finished their last gridiron season for Sanford are: John Boniface; Vick Welsh; Charles Hayes; Bubba Davis; Bob Lewis; Mike Carol; Russ Pearson; Don Harvey; Jimmy Jones; Ray Middleton; Gary Davidson.

Other seniors receiving the awards were: Mike Champion; Jimmy Williams; Thomas Ownby; Jimmy Terwilliger; Gene Freeman and Bill Phagan.

Coaching appreciation awards were presented to Coaches Jim Pigott and Jim McCoy by the Seminole Co-Captains Russ Pearson and Bill Phagan. Seminole High Athletic Director Fred Ganas also received an appreciation award. The awards to the three coaches consisted of engraved silver plaques.

In accepting the coaching award, Seminole Head Coach Jim Pigott modestly accepted the presentation and remarked on only one regret for the football season. "It is sad that we won't ever have this same group of boys together to play ball for Sanford."

The Boosters' Club presented awards to the Seminole High football team managers for the work they had contributed to the success of the 1961 gridiron season. The three team managers receiving the awards were: Ronnie Getman; Vann Willigee; and David McGillis.

Two Teams Pace Mixed Loop Keglers

Two different teams lead the Thursday "Nite" Mixed League, after last week's play, as both Powell's Office Supply and Wilson-Kalar Furnitures climbed into first place with 31 wins. Appleby's Restaurant dropped to second spot with 30.

Still within easy catching distance is Seven's team with 28, Stone's Allstate Ins. 27 1/2, Fryor's State Farm Insurance, Blue's Machine Shop, Team Two, Piero's and Steinmeyer Roofing in that order.

Ed Michalek had a 225-374 scratch score to lead the men, while Ruth Phillips put together a 220-330 scratch to top the distaff side. Others having big games were Gerald Behrens 237, Jerry Farrell 224, Jimmy Anderson 215, and Dot Powell 213.

Some nice pick-ups of splits were recorded as Clyde Piercy, Alberta Warner, Gary Folde, and Pat Dearolph made the 5-10. Dave Dearolph went one better as he picked up the 4-10; Ron Robinson, Jan Blackwelder, Marie Blake, Dutch Shugarts and Pat Foster all got the baby 3-10. Bill Foster made the 5-7 and 3-10, Buddy Bass 5-5, Carl Von Herbulis took two, the 4-7-9 and 4-5, Ken Stone topped the 3-9-10, Dan Carder made the 5-7-9 twice and Margaret Wiggins felled the 3-7-10 for the most applauded hit of the evening.

Betty Allen Rolls High Series

Betty Allen of the Jolly Girls Bowling team in the Kingswood Bowling Center rolled the high game and high series of the week of 203 high games and 488 high series. The team moved up four points for the week.

The 4-5 split was converted by Shirley Conkey and Betty Cox. Marge Lyons and Irene Dulak picked up the 5-10, with Yvette Hunter making the 3-10 split. Joanne Cleveland made the 4-5-7 split.

The Trailblazers are now in first place, Comets in second place, and the Cherokee Sparlettes and the Rockettes tied for third place.

Kinnard Rolls High In League

In the Holler Motor Navy Wives League this week, Martha Kinnard rolled the high game and series of 185-484. Other high games for the day were Mary Jane Gorton with a 180 and Lil Ogden with a 173.

Eleanor Clemence rolled a 388 series with handicap. She won the prize of the day from Holler Motors.

The 5-10 splits were made by Irene Dulek and Sue Moury. Sue Monroe made the 3-7. Sally Basinger made the 4-5. Peggy Mashburn made the 5-7 and Raye Spinelli made the 5-8. Jo Watson made the 3-9-10. Dot Holbrook made the 3-7-10.

VAH 7 Enlisted Men's Wives are in first place and Navy Wives Club Number 211 is in second place.

FORMER HERALD Sports Editor Peter Schaal (left) congratulates Bill Phagan (right) on being named "most valuable player" and recipient of the 1961 Peter Schaal Award.

Oviedo Drops Cage Contest

In their third cage action of the season, Paul Miller's Oviedo Lions suffered their first loss of the basketball season 53-38 to Florida Central Academy in Mount Dora Tuesday night.

In spite of rebound efforts by DeShazo and Thompson, the top Oviedo scorers for the night, the Academy managed to land a 15 point lead on the two-game winners at halftime with a score of 31-16 halfway through the game.

The Lions weren't able to come back after halftime against the powerful scoring drive by Florida Central's Simcock, who came through with a scoring tally of 29 points, to lead the Academy to a 20 point winning edge.

Folley Scores Spectacular Knockout Over Henry Cooper

LONDON (UPI)—Zora Folley, 194, sliced open the 180-pound Cooper's left eye in the first round and followed up with a barrage of lefts and rights that brought him the early kyo in the second. The knockout blow was a right cross.

Folley, of Chandler, Ariz., was knocked out by Liston in three rounds July 18, 1960, so there is unlikely to be a public clamor for a rematch. In fact, boxing experts on both sides of the Atlantic agreed today that Folley's victory merely eliminated Cooper as a possible foe for Patterson. It apparently leaves the champion with no other opponent for his next defense except Liston.

"I'm going to fly to New York to see if I can arrange a fight with Floyd Patterson," said Folley after laying Cooper at 1:08 of the second round Tuesday night. "But if I have to fight Liston first, I'll fight Liston."

Folley, of Chandler, Ariz., was knocked out by Liston in three rounds July 18, 1960, so there is unlikely to be a public clamor for a rematch. In fact, boxing experts on both sides of the Atlantic agreed today that Folley's victory merely eliminated Cooper as a possible foe for Patterson. Pioneer Resident Observes Birthday With Family Party

Mrs. N. A. Fry recently celebrated her 90th birthday. A large celebration had been planned but since she had not been feeling quite up to par, it was decided to have only the members of her immediate family present.

Her great-niece, Mrs. Barbara Sherman, made a three tiered birthday cake with 90 candles on the top.

Other guests included her two sisters, Mrs. C. B. Tyner and Mrs. T. O. Tyner, Mr. and Mrs. E. J. Tyner, Mr. and Mrs. Robert Martin, all of Sanford and Mrs. L. Leland and Mr. and Mrs. F. J. Krell, of Auburndale. Several friends in the area called during the day to congratulate her.

Mrs. Fry who has spent all of her 90 years in Sanford, lives at

2709 Country Club Road, maintains her own home, is still in good health and enjoys life fully.

Her parents were among the first settlers brought over from Sweden by Gen. Henry S. Sanford.

MRS. N. A. FRY, (seated) all dressed up for her 90th birthday party at her home on Country Club Road. Helping her celebrate were her two sisters, Mrs. T. O. Tyner, left, and Mrs. C. B. Tyner, who are 86 and 88 respectively. (Herald Photo)

Enlisted Wives Welcome Three New Members

Members of the VAW-11 Enlisted Wives Club welcomed three new members at the regular meeting of the group, this week. They were Mrs. Joan Becker, Mrs. Deverly McElroy and Mrs. Nancy Stevens.

During the business session it was decided to hold a Christmas party for the children, Dec. 14 at 7:30 a.m.

Other members attending the meeting were Mrs. Ruth Dillahunty, Mrs. Jo Brown, Mrs. June Muse, Mrs. Bonnie Whalley and Mrs. Yvonne Wempler.

Christmas Program Planned By DAR Friday

The Sallie Harrison Chapter of the Daughters of the American Revolution will meet Friday at 7:30 p.m. at the home of Mrs. L. P. Hagan, 1702 Park Ave.

A Christmas program will be presented including group singing of Christmas carols by the members.

Church Calendar THURSDAY

First Presbyterian Church session meets at 7:30 p.m. at the church.

Local Events WEDNESDAY

Ladies Auxiliary of the Wekiwa Lodge 878 meets at 7:30 p.m. in the Odd Fellows Hall on Magnolia Ave.

THURSDAY

Seminole Chapter 2 OES will meet at 8 p.m. at the Masonic building. Program will honor the station of Esther.

Garden Circles

The following circles of the Sanford Garden Club have scheduled meetings for this week:

THURSDAY

CAMELLIA Circle meets at 8 p.m. with Mrs. S. F. Manfra, in Loch Arbor. Program Christmas decorations and arrangements and gift exchange.

WOODROSE Circle meets with Mrs. D. K. Dorman. Covered dish supper served at 7:30 p.m. followed by annual Christmas party.

FRIDAY

DIRT GARDENERS' Circle will meet at 10 a.m. with Mrs. Irvin Fleischer for a Christmas program and plant exchange.

HIBISCUS Circle meets at 3 p.m. with Mrs. R. L. Dallas for the annual Christmas party and program.

IXORA Circle meets at 9:30 a.m. at the home of Mrs. W. V. Roberts. Members are asked to bring an original interpretation of a Christmas arrangement and a gift for exchange.

JACARANDA Circle will meet at 7 p.m. at the home of Mrs. Alburn Rector for the annual Christmas dinner and party. Members are requested to bring a gift for the basket being prepared for a TB patient.

MIMOSA Circle meets at the home of Mrs. H. Behrens, in Lake Monroe, for the program and Christmas party, starting at 10 a.m.

ROSE Circle meets at 9:45 a.m. with Mrs. B. B. Crumley for Christmas program.

Lake Mary Harvest Festival Big Success

The Annual Harvest Festival, sponsored by the UPW of the Community Presbyterian Church in Lake Mary, held Saturday, was a gratifying success.

Good food was served and many games enjoyed by all age groups. The Curiosity Shop was one center of interest. Many items made especially for the Christmas giving season were offered for sale. Children who attended had the most fun of all with movies, games and rides to enjoy.

Ladies Society Plans Meeting Thursday Night

The Ladies Society of the Brotherhood of Locomotive Firemen and Enginemen will meet Thursday at 8 p.m. at the home of Mrs. Harry Wilson, Riverview Ave.

Main item on the agenda will be making plans for a Christmas party this month.

Members are requested to bring a gift for the basket being prepared for a TB patient for Christmas.

Group Collecting Used Toys In Lake Mary

Tools of the Bible was the program topic for the High School Fellowship group discussion meeting held at the Community Presbyterian Church in Lake Mary with Rev. John Pilley, leader, in charge.

A short business meeting was held first. Plans are well underway for the Christmas workshop that the group is sponsoring.

More used toys are still needed and will be collected and repaired by members if they are contacted, or they may be left at the church anytime.

Members present were Jeanette Humphrey, Marcia Coleman, Susi Stubbings, Margo Gunner, Dianne Hickson, Melanie Williams, Sonja Wester, Linda Mohr, Robert Hopkins, Larry Chester, Earl Roberts, Corky Bucklew, Billy Lowe, Terry Bucklew, Richard Mayor, and Dale Alexander.

Church Assists Cuban Relief

The Community Presbyterian Church of Lake Mary is sponsoring a drive to help support the Cuban relief plan for the Cuban refugees in the Miami area.

A collection of canned goods and good used clothing is being made up each week at the church. All donations are appreciated and greatly needed. Anyone in the community who can help is urged to do so soon.

DeBary Personals

By MRS. ADAM MULLER

Mr. and Mrs. W. E. Jersey of Walltoma, Wis., are guests of Miss Ethel Johnson at her home on Community Drive.

Mr. and Mrs. Earl Seiler held a welcome home party Saturday afternoon. Honored guests were the new bride and groom, Mr. and Mrs. Claire Fellows. Mrs. Seiler also held a coffee, earlier in the week to present Mrs. Fellows to her DeBary friends. Mrs. Fellows is from Detroit, Mich.

Site of the state capitol at Little Rock, Ark., once was the location of the state penitentiary.

Personals

Mrs. C. N. Schaffer and son, Allen, of Columbus, Ohio, arrived last weekend for a visit with Mrs. Schaffer's parents, Mr. and Mrs. Philip J. Allen, Holly Ave. They plan to remain through the Christmas holidays.

Mr. and Mrs. Irving I. Pryor have returned from a visit with relatives in Salisbury, Md. While there they attended the wedding of Miss Helen Pryor and William W. Catron, 3rd, of Brooksville, Fla. The groom's parents returned to Florida with the Pryors.

Mr. and Mrs. J. H. Truluck have returned to their home on Magnolia Ave. after visiting with relatives and friends in Ocala, S. C., for the past two weeks.

Mrs. M. E. Baker who underwent surgery recently, returned home today from Seminole Memorial Hospital. She is reported to be improving and may have visitors.

Robert G. Martin left last weekend by plane for Detroit, Mich., where he was called by the death of his daughter-in-law, Mrs. Houghton Martin.

Now daily.. BUFFET LUNCH \$1.35

THIS GOLD CHIFFON cocktail dress, by Mardl Gras, will be among the holiday fashions presented by Mary-Esther's at the Capri, Thursday, during lunch buffet. This lovely dress is modeled by Mrs. Florence Hook. Other models will be Mrs. Roy Green and Mrs. Harry Echeiberger. (Herald Photo)

Church Assists Cuban Relief

The Community Presbyterian Church of Lake Mary is sponsoring a drive to help support the Cuban relief plan for the Cuban refugees in the Miami area.

A collection of canned goods and good used clothing is being made up each week at the church. All donations are appreciated and greatly needed. Anyone in the community who can help is urged to do so soon.

DeBary Personals

By MRS. ADAM MULLER

Mr. and Mrs. W. E. Jersey of Walltoma, Wis., are guests of Miss Ethel Johnson at her home on Community Drive.

Mr. and Mrs. Earl Seiler held a welcome home party Saturday afternoon. Honored guests were the new bride and groom, Mr. and Mrs. Claire Fellows. Mrs. Seiler also held a coffee, earlier in the week to present Mrs. Fellows to her DeBary friends. Mrs. Fellows is from Detroit, Mich.

Site of the state capitol at Little Rock, Ark., once was the location of the state penitentiary.

Personals

Mrs. C. N. Schaffer and son, Allen, of Columbus, Ohio, arrived last weekend for a visit with Mrs. Schaffer's parents, Mr. and Mrs. Philip J. Allen, Holly Ave. They plan to remain through the Christmas holidays.

Mr. and Mrs. Irving I. Pryor have returned from a visit with relatives in Salisbury, Md. While there they attended the wedding of Miss Helen Pryor and William W. Catron, 3rd, of Brooksville, Fla. The groom's parents returned to Florida with the Pryors.

Mr. and Mrs. J. H. Truluck have returned to their home on Magnolia Ave. after visiting with relatives and friends in Ocala, S. C., for the past two weeks.

Mrs. M. E. Baker who underwent surgery recently, returned home today from Seminole Memorial Hospital. She is reported to be improving and may have visitors.

Robert G. Martin left last weekend by plane for Detroit, Mich., where he was called by the death of his daughter-in-law, Mrs. Houghton Martin.

Dear Abby:

DEAR ABBY: What is the world coming to? I was shocked when my daughter's girl friend told me that last summer their priest put on bathing trunks and went swimming with the church choir! Also that he removes his collar and wears sports clothes on fishing trips, outings and picnics. Whether Roman Catholic, Episcopalian or any faith, are they permitted to do such things? Please comment, Abby. And perhaps the clergy would like to explain themselves.

MRS. SHOCKED

DEAR MRS. SHOCKED: You have a "short" in your thinking. I don't know of any diocese or religious order that requires priests to wear clerical clothes at all places, under all circumstances. Such decisions are left to the discretion of the priest. I have never heard of any objections to a priest wearing a sport shirt while on a picnic, an outing or fishing. And you certainly can't expect him to go for a swim in his collar!

DEAR ABBY: My husband died in mid-summer. Would it be in poor taste to send Christmas cards or send gifts this year?

WIDOW

DEAR WIDOW: Certainly not. Those in mourning should not withhold their good wishes to others.

By Abigail Van Buren

DEAR ABBY: Am I wrong to tell my 14-year-old freshman daughter that she does NOT have to accept a date with the first boy who asks her? She insists that if she refuses the first boy, she cannot accept a date for that night at all!

On several occasions she has accepted a date with the first boy who asked her, and has been sorry because an hour later a boy she wanted to go with asked her. There were times when she turned down a date because she didn't care for the boy, and when a boy she really liked asked her, she turned him down, too, because she had already refused the first one. Please straighten this out. She won't listen to me.

MRS. B.

DEAR MRS. B.: A girl need NOT stay home if she rejects the first boy who asks her out. Boys choose the dates they want, and girls have the privilege of accepting or declining. However, if a girl ACCEPTS a date with a boy (a drip or a dream) she must either go with him or stay home.

CONFIDENTIAL TO WORRIED SICK: PLEASE, PLEASE, PLEASE tell your parents. You are both under age for marriage, but when you are really in trouble, you will find that your parents are your best friends.

We The Women: By Ruth Millet

Item from a news magazine: "Officials who are trying to figure ways to reduce aid to nations that side against the U. S. on many issues say this: "When you try to cut aid, realities raise their heads. The basic reality: If two guys are after one girl, the guy who first quits trying is the guy who loses the girl." In this case the girl is a "neutral country."

Even when a free-spender finally wins a gold digger and believes he has made an "until death do us part" contract, he isn't safe. The first time she gets a chance she'll trade him in for a husband with a bigger bank account.

But let's talk about the good, reliable girls a man can count on.

What about them? Well, they don't judge a suitor by what he is able to spend on them. They judge him by what he is and by what he stands for.

Is he strong? Is he courageous? Is he a man of his word? Is he dependable? If so—the girl who is looking for a lifetime partner knows she has found someone she can count on, respect, and put her faith in.

There is still another kind of girl government officials seem to have forgotten about, too—the girl who is just naturally contrary, who scorns the man who wooes her ardently and who would make her a fine husband—to run after a good-for-nothing whose only real attraction is that he treats her like dirt. There are quite a few girls like that around, too.

Jacoby On Bridge By Oswald Jacoby

When your opponents have a part score, you want to compete if you can. Such competition may prove very expensive, but it is just as costly to sit back and let them run off with a game.

One way to compete is to open the bidding first. Therefore, most players will open any doubtful hand in first or second seat when the opponents have a part score.

If North had opened the bidding, his opponents would have run off with the rubber. Instead he passed and backed in with a takeout double of West's fourth hand spade bid. East redoubled, South bid two hearts and East doubled it.

West cashed his two high spades and gave East a ruff. East led a diamond to his partner's ace and West continued the suit. South went up with dummy's king and threw East in with a third diamond, but East got out of the lead with the nine of trumps.

West took his king and led a

club. Dummy's queen led to East's king and East still had to make two trump tricks.

North and South lost 1100 points and East and West still had their part score.

TV Time Previews

7:30-8:30 p. m. (ABC) The Steve Allen Show. Featured on the program are Carl Reiner, the Smothers Brothers, and Joey Forman. High spot is Steve's re-enactment of his movie role as Benny Goodman in the segment, "This Day in History." Sequence was shot at New York's Paramount Theatre, with Allen on the lecture stick, leading the Goodman Band in the now classic version of "Sing, Sing, Sing." There's jitterbugging in the theatre aisle, just as in the old days. Singer Marilyn Maye is spotted in her interpretation of "But Not For Me."

7:30-8:30 p. m. (NBC) Wagon Train—"The Lizbeth Ann Calhoun Story." Color. Lovely Lizbeth Ann (guest star Dana Wynter) uses her wiles to disguise her real reason for joining the wagon train. She flirts with Bill Hawks (Terry Wilson) with the result that two friends are at odds. There's also a smuggled fortune in counterfeit money aboard, to add to the troubles wagonmaster Chris Hale (John McIntire) would like to clear up.

8:30-9:30 p. m. (CBS) Golden Showcase—"The Picture of Dorian Gray." An opulent, generally faithful full hour-length dramatized portrait of Oscar Wilde's "Picture." Although this Suskind presentation is a good likeness of the original, Wilde's story has become a bit plot-worm and, like Dorian Gray, at long last begins to show its age. The tale concerns a vain young man who would give his soul to remain handsome and eternally youthful, while his portrait grows dissipated looking, withered, and old in his place. Starring John Fraser as Dorian Gray, others in the cast are George C. Scott, Susan Oliver and Louis Hayward, with narration by Sir Cedric Hardwicke.

8:30-9 p. m. (NBC) Joey Bishop Show—"Ham In The Family." Color. After receiving good notices for his performance in the school production of "Follies," Larry Barnes (Warren Berlinger) decides to give up his medical career for show biz, to the deep concern of Joey (Joey Bishop). Joey takes steps to get the virus out of Larry's system before it's too late, hoping he'll give up the idea of the theatrical mask for the medic mask.

RICHARD C. CRAVEN of the Heavy Attack Wing One Staff has been promoted to Yeoman Third Class (YNS). Craven graduated from the Lynn Classical High School, Lynn, Mass. in June 1960 and joined the Navy the same month. After recruit training he graduated from Class "A" Yeoman School at Bainbridge, Maryland and was assigned to the Staff of Commander Heavy Attack Wing One, Sanford.

AARP President Advises Caution

At the recent meeting of DeBary Chapter of American Association of Retired People held in the Community Center, President Grumbacher announced that the Chapter was not sponsoring any building of homes for retired people.

The president read a letter from the national organization urging them to proceed with caution in this matter. Members were advised on insurance and drug matters, and were told of tours provided for groups at special rates when traveling through the national association.

President Grumbacher stated he had rumors of the DeBary Chapter starting to build homes, and said this was not true. "No retirement homes have been started by the A.A.R.P. Chapter in this section," he said.

A Switch

HOLLYWOOD (UPI)—Eighty of Folsom Prison's guards exchanged their olive drab uniforms for blue denim and played prisoners for a scene from Allied Artists' "Reprieve" being filmed on location.

Previously, 1,000 convicts who had volunteered to work as extras were used in other scenes. But authorities prohibited casting inmates as guards for security reasons.

6-Month Delay In Interstate 4 Seen

County Fails To Get Lake Mary Rights Of Way

Interstate 4 through Seminole County will be delayed six months and the development of the western part of the county will be seriously hampered because the county was unable to get rights of way to extend Lake Mary Blvd., County Engineer Carlton Bliss said today.

Bliss made the statement after the County Commission meeting in special session Wednesday afternoon voted to inform the State Road Department to cancel the overpass on the road and to construct an overpass over Patrick Grove Rd., one mile south.

"This will leave the county with only one overpass between County Club Rd. and the Longwood Markham Rd., Bliss added.

The board authorized Bliss Wednesday to tell the SRD not to build the overpass because it was unsuccessful in getting the needed right of way from property owner Fred Dyson who said he wanted \$500 an acre for it.

At the meeting Wednesday, the board reaffirmed its policy not to try for rights of way.

Bliss said that now the SRD will have to get plans for the Patrick Grove overpass and over \$1,500 in survey work on the Lake Mary Rd. will have to be thrown into the trash can.

VOL. 53 United Press Leased Wire Established 1908 THURSDAY, DECEMBER 7, 1961 SANFORD, FLORIDA NO. 339

Franchise Directive 'Too Stringent'

Enabling Act Protective One, Says Cleveland

State Rep. Mack Cleveland Jr. today called the franchise directive a "little too stringent" and said the enabling bill introduced into the 1961 legislative session was primarily a protective measure and not solely a revenue producing device.

Cleveland said certain points of the directive needed clarification and singled out the mandatory connection proposal.

"We provided the legislation and machinery, but the policy is up to the County Commission," the legislator said.

Cleveland said that during the last session "we realized that there was a need for some means of control and regulation over water companies that were not subject to regulations by the Florida Railroad and Public Utility Commission.

"We sought those controls by this enabling legislation," he added.

Cleveland cited a case in Loch Arbor last year where there was no water and the water company there refused to do anything about it until it was "convenient." "In that area the health and welfare of the citizens was in jeopardy," he said.

Cleveland's colleague in the Legislature, Gordon Frederick Jr., when questioned by the Herald said it was a good law if properly administered but could be bad if abused.

He added that the bulk of the criticism of the directive comes from a "lack of understanding" on the part of the general public.

The county commission called a public meeting on the pros and cons of the directive for 7 p. m. today at the courthouse.

Cleveland, who is also chairman of the City Civil Service board, said he would not be able to attend tonight's meeting because of the important civil service meeting regarding rules and regulations governing city employees.

Mexico Not To Blame — Smathers

MEXICO CITY (UPI) — Sen. George A. Smathers, (D-Fla.), said Wednesday night he does not blame Mexico for voting against an Inter-American investigation of potential Communist threats to the Western Hemisphere.

At a news conference here, Smathers said, however, he doubts that the government and people of the United States are "completely satisfied" with the Mexican stand.

The Council of the Organization of American States voted 14 to 2 Tuesday to call a meeting of foreign ministers next month to study Red encroachments on the New World, Mexico and Cuba cast the only negative votes.

Smathers said he believes Mexico's vote represented disagreement on a technicality rather than political support for Premier Fidel Castro's Cuban government.

Well Clothed Burglar Sought

Police today hunted a burglar who apparently likes to dress right.

Chief Roy Williams said that the Martinizing Cleaners on W. Second St. was entered sometime Wednesday night and three suits of clothes, one overcoat and 13 pairs of pants were stolen.

Better Prisons

MIAMI (UPI) — State Prisons Director H. G. Cochran said today Florida is well on its way to upgrading both its prisons and the personnel who guard the convicts in them.

City Crews Work Frantically To Plug Up Broken Water Main (Herald Photo)

Half Million Gallons Lost As 2 Mains Break

Sanford work crews worked for seven hours Wednesday repairing two major water breaks with City Manager W. H. Knowles today estimating over a half million gallons of water was lost.

The first break occurred at French Ave. at First St. at approximately 1 p. m. when a six

Two Speakers For Evening Seminar

Speakers at the evening session of the Florida business seminar at 7 p. m. today will be Dr. Frank Goodwin of the University of Florida and R. B. Roberts of Miami, representing the Florida Power and Light Co.

Roberts will speak on "Recession Proves the Superior Stability of Florida's Unique Economy." Dr. Goodwin will follow with a talk entitled "Bring 'Em Back Alive."

It was emphasized by a Chamber of Commerce spokesman that it is not necessary to have reservations to attend the evening session. The public is cordially invited, especially sales personnel, and people in the field of public service and public relations.

Two Fliers Hurt In Monroe Crash

A Cessna Cub plane crashed into Lake Monroe early Wednesday evening injuring two of the occupants.

The crash occurred about 300 feet off Mill Creek.

The two men, Robert Stokes of DeLand and Herbert Cash of Chapel Hill, N. C., were reported in "good condition" at the Orange Memorial Hospital today.

Both received cuts and lacerations. Police reported that the plane had apparently crashed after take-off from the DeLand airport.

The two were rescued from the plane by volunteers in boats. Assisting in the rescue were W. A. and W. C. Yates, J. W. E. Whitaker and Robbie Whiddon.

Attlee Stricken

AMERSHAM, England (UPI) — Former British Prime Minister Clement Attlee, 76, has suffered a heart attack and is "gravely ill," doctors at Amersham General announced today.

U.S. Convoy Rolls Into Berlin Despite Threats

BERLIN (UPI) — The vanguard of a combat-ready U. S. Army battle group rolled into Berlin today after a 110-mile trip across Communist East Germany in defiance of Soviet and East German warnings against "possible consequences."

The Communists claimed the United States had no right to use the highways linking Berlin to West Germany for such troop movements.

West German truck drivers told West Berlin police that East German army and police patrol cars were stationed at every road leaving the highway and at secondary road bridges over it.

East German soldiers and police were posted along the highway at about one-mile intervals and Russian and East German army trucks were on the highway both in front of and behind the American convoy, they said.

Kimmel Continues Harbor Correction

GROTON, Conn. (UPI) — Adm. Husband H. Kimmel, former Pacific Fleet commander whose career was wrecked by Pearl Harbor 20 years ago, said today the attack was induced by President Roosevelt to "thus permit him to honor his secret commitments to Great Britain and the Netherlands with the full support of the American people."

Kimmel, who will be 80 next February, lives a secluded life here with his wife. A congressional investigating committee in 1946 placed much of the blame for the Pearl Harbor disaster on Kimmel and Lt. Gen. Walter C. Short.

Kimmel said he has spent the past two decades "putting people straight about Pearl Harbor" and digging up new evidence that Washington officials withheld vital information from him about negotiations with the Japanese that may have provoked the surprise Pearl Harbor air raid.

Non-Farm Jobs In Florida Increase

ATLANTA (UPI) — Non-farm employment in Florida increased by 17,000 during October, the U.S. Department of Labor reported today.

The regional office said the beginning of the citrus fruit processing season and production of high fashion sportswear for the winter tourist season raised manufacturing employment by 4,200.

Trade employment increased by 10,000 as wholesalers expanded to handle the citrus crop and department stores enlarged their staffs.

U. S. Plane Hit Landing

ELISABETHVILLE, Katanga (UPI) — Katanga soldiers firing rifles and submachine guns today hit a United States Air Force Globemaster plane making a landing approach and set it afire. The plane landed safely.

Shortly after the shooting the United States called off its Globemaster airlift of troops and supplies to the United Nations forces for the time being, it was disclosed in Leopoldville. Civilian charter pilots flying DC3s and DC4s continued flying supplies to the UN troops.

Flames were belching from a fuel tank and one engine when the big cargo plane landed at the United Nations-held Elisabethville airport. The crew members were reported unharmed.

The Air Force plane was hit less than 24 hours after the United States announced in Washington it would provide up to 21 additional big cargo planes to assist the United Nations forces battling rebellious Katangese in the capital of this breakaway province.

With their control of the air assured on the third day of the new outbreak between UN and Katangese forces, United Nations planes blasted a Katangese ammunition dump six miles outside of Elisabethville in support of UN ground troops.

Katangese troops began firing on the Globemaster when it swept low over the city on its landing approach.

Indian and Swedish jets flying in support of ground troops attacked Katangese ground installations in the Elisabethville area. They blew up an ammunition dump six miles outside the city. The jets were flying from the big UN air base at Kamina, 260 miles northwest of Elisabethville.

Orlando Private Plane Missing

ATLANTA (UPI) — Authorities today searched between Savannah, Ga., and Orlando for a light company plane reported lost with three persons aboard.

The Civil Air Patrol in Atlanta said the plane, owned by a Florida produce firm, left Savannah Wednesday night and has not been heard from.

The search was initiated by officials of the Yeanes & Fox Produce Co. of Orlando, after the plane did not appear on a flight from Roanoke, Va., to Orlando.

The Atlanta CAP said the pilot and the passengers were identified only by their last names. The CAP said the pilot's name was Loding and the passengers were Giles of Orlando and Maworth of Leesburg.

Castro's Speech 'Made In Moscow'

WASHINGTON (UPI) — A Cuban exile leader has told Congress that the Kremlin ordered Cuban Premier Fidel Castro to declare he always was a Communist.

Dr. Jose Miró Cardona said at a Senate hearing on problems of Cuban refugees that the declaration by Castro last Friday was meant as a "deliberate challenge to the inter-American system."

Miró, who was the first premier under the Castro regime and now is a leader of Cuban exiles in this country, said Wednesday that two Castro aides brought back from Moscow orders for the speech.

The hearings resumed today with a series of witnesses scheduled to testify on problems caused by the migration of Cubans to the Miami area.

H. Norris Wilson, an official of the U. S. Committee of Refugees, said in a prepared statement that "every Cuban hopes to return home eventually," but many recognize that it might not be for a long time.

Miró had testified that the Cuban refugees "have but one purpose, to go back fighting. They would rather fight and die than to try to remake their lives in a friendly but foreign country."

43 Countries To Speak On China

UNITED NATIONS, N. Y. (UPI) — The list of countries waiting to speak in the General Assembly's debate on China had grown to 43 today, dimming hopes of a assembly adjournment by Christmas.

Only two weeks remain of the time originally scheduled for the 10th session, which opened Sept. 19.

What's this about a new electronics industry thinking about locating in Seminole County?

Look for the Farm Bureau to recommend that an agricultural center be established on the county home property.

Don't be surprised if the breach widens between City Manager W. E. Knowles and the Civil Defense Board . . . Crucial meeting coming up tonight.

No sooner had word reached us that Santa's cap was found that County Agent Cecil Tucker mentioned that the 4-11 sign on the council's float "disappeared."

Reports from Oviedo are that in a city election where candidates were unopposed and therefore, voters might have felt it wasn't important to go to the polls, there was a splendid turnout. These people seem to value the Great American privilege of voting. It's a heritage that's worth protecting lest it be snatched from us.

Postmaster Guy Allen is worried because, in spite of all he can do, the plan to "mail your Christmas packages early" just is not bringing in the expected volume.

Didja see the auditor's report on Brevard? Quote: Board members (county commission members, that is) continue to run their own districts like little kingdoms, acting independently in supervision of food, hiring of personnel and obligating funds rather than acting together. The Supreme Court has ruled a board cannot delegate its power in this manner. Unquote.

Chief Deputy Jim Singletary warns of strict punishment for youngsters hunting with BB guns without proper adult supervision. Better bring the old man along when you go a-shooting.

Officials of the Tamiami Trailways Bus Company will visit Sanford Monday to discuss new intercity bus service between New York and a dozen Florida cities from Jacksonville to Miami. The meeting with local officials is set for 10 a. m. at the Trailways Terminal, Second and Park Ave.

City Commissioners Wednesday were given a copy of the proposed new condemnation and demolition of unsafe buildings ordinance in "rough draft." The ordinance will be discussed in detail at Monday's regular meeting.

THOUGHT FOR THE DAY: Who's gonna get tired first? Me writing about the Palma . . . Or you all reading about it.

Agreement Near In Santo Domingo

SANTO DOMINGO, D. R. (UPI) — The government and opposition put finishing touches today on an agreement to end the violent political crisis in the Dominican Republic.

President Joaquin Balaguer arrived at the presidential palace earlier than usual following late night talks which reportedly left only minor details to be ironed out before there is formal announcement of an interim junta regime.

The general atmosphere of optimism was reflected in stencilled slogans on downtown sidewalks: "Long live the government of national unity." Soldiers and police continued on street guard and most business houses were still closed, but there were signs of an early end to the 10-day anti-government general strike.

Sales Tax Up

TALLAHASSEE (UPI) — Comptroller Ray E. Green said Wednesday that sales tax collections for the first five months of the fiscal year were up \$2 million over the same period last year.

Bomb Hits Newsroom

PARIS (UPI) — Terrorists set off a plastic bomb near the newsroom of France-Soir, the nation's largest evening newspaper, Wednesday. The blast caused heavy damage and injured one newsmen.

Ask Rider Ban

JACKSON, Miss. (UPI) — A federal judge will hear a request today that he enjoin pro-integration groups from sponsoring more "freedom rides" into McComb, a South Mississippi city where racial violence erupted last week.

October Smoke Tax

TALLAHASSEE (UPI) — Beverage Director Thomas E. Lee reported today last October cigarette tax collections in Florida totaled \$2,733,451. Lee said \$176,566 would go to the state general fund, and \$1,956,885 to qualified communities.

Top U. S. Commie Gets Traffic Fine

YONKERS, N. Y. (UPI) — Top U. S. Communist leader Gus Hall pleaded guilty today to a charge of failing to keep to the right.

The admission, however, had nothing to do with Hall's issue with the United States government over the Communist party's refusal to register as an arm of the Soviet government — a charge he will answer in Washington Friday.

inch valve blew on the line at the intersection.

Water poured over the street and crews worked frantically for five hours to plug the gap in the line.

Knowles said that just as the line was being repaired, the pump gave way and firemen were called out to suck the water out from hydrants in the area.

Under the personal supervision of Knowles, Water Superintendent Quintus Ray and Public Works Director Sid Richard, 15 men worked throughout the day only to have another break occur at 4 p. m. at Persimmon Ave.

Five men worked in water up to their necks for seven hours in repairing the breaks.

The five commended by Knowles today were LeRoy Lee, Augustus Brown, Frank Bines, Roosevelt Robinson and Willis Lee Robinson.

"The men worked fighting 50 pounds of water pressure plugging the valve," Knowles explained.

He Scalps 'Em — And They Like It

CHICAGO (UPI) — A New York doctor today revealed his technique of scalping his patients to transplant flowing locks to bald heads.

Dr. Norman Orentreich said he transplants hair from the bushy fringe to the shiny top of his balding patients' heads to give them back their lost hair line.

The surgery ranges from a simple technique performed in the doctor's office to complicated procedures requiring hospitalization.

Using a punch, resembling a miniature biscuit cutter, the doctor redistributes small patches of hair from the sides and back of the head to the bald spots on top.

"Obviously, only a limited amount of hair can be grafted, otherwise the patient would sport a wavy growth on top but be bald on the sides and back of his head. Hair cannot be grafted from one person to another except in the case of identical twins," he told a medical meeting.
