## "The Earl Of Crisfield" Nicked For 10 Safties; Padgett Gives Up Nine

### Back Rodgers And "Swede" Martin Lead Sanford Hitters With Two Bingles; Langston Also Slams Triple

The Sanford Lookouts tasted defeat once again last night in the University City of Gainesville when Don McShane's G-Men sent the locals down by a score of 4 to 2.

On the mound for the winners was none other than the State League ace, Elbert Padgett. Padgett gave up nine base hits while allowing three free passes to the initial sack and also sent three down via the strike-out route.

"The Earl of Crisfield" was on the hill for the locals and during the tilt the G-Men blasted him for ten hits which came together in the four innings that the G-Men scored. Crisfield also fanned three batsmen and allowed three walks.

Leading the hitting for the evening were five players who secured a pair each: Buck Rodgers, "Swede" Martin, "Whitey" McMullen, Ike Livingston and Lou Rogino.

The Lookouts started the scoring hostilities in the opening frame when Rodgers, playing shortstop in place of "Brewster" Clary, regular Sanford shortstop, sent a single into right field. Langston forced him at second base when he hit an infield fly which Rogino dropped and threw to second in time to nab the runner. Padgett fanned Al Kaso but "Swede" Martin came through with a long triple into right field to score Langston with the first Lookout run.

In the fourth, with Sanford still in a one run lead, the G-Men were able to push across a run to knot the count. With one out Joe Beach secured a walk, went to second on Livingston's infield out, and scored.

In the Lookout's half of the fifth, they again secured the one run lead when Kaso walked. Martin singled to right field, and Kaso went to third on a throw into third base. To get Kaso, Pitman let the ball get away from him and Kaso crossed the plate with the second and last run of the evening for the locals.

The G-Men knotted the count up again in their half of the fifth on two singles, a sacrifice and a fielder's choice. In the sixth, a single, double and a sacrifice gave the G-Men their third tally. The Gainesville outfit put the game on ice in its half of the eighth when they pushed across their fourth run. A double sacrifice, hit batsman and a walk accounted for the lone tally.

The Lookouts meet the G-Men in a return game here tonight which is scheduled to start promptly at 8:15 o'clock.

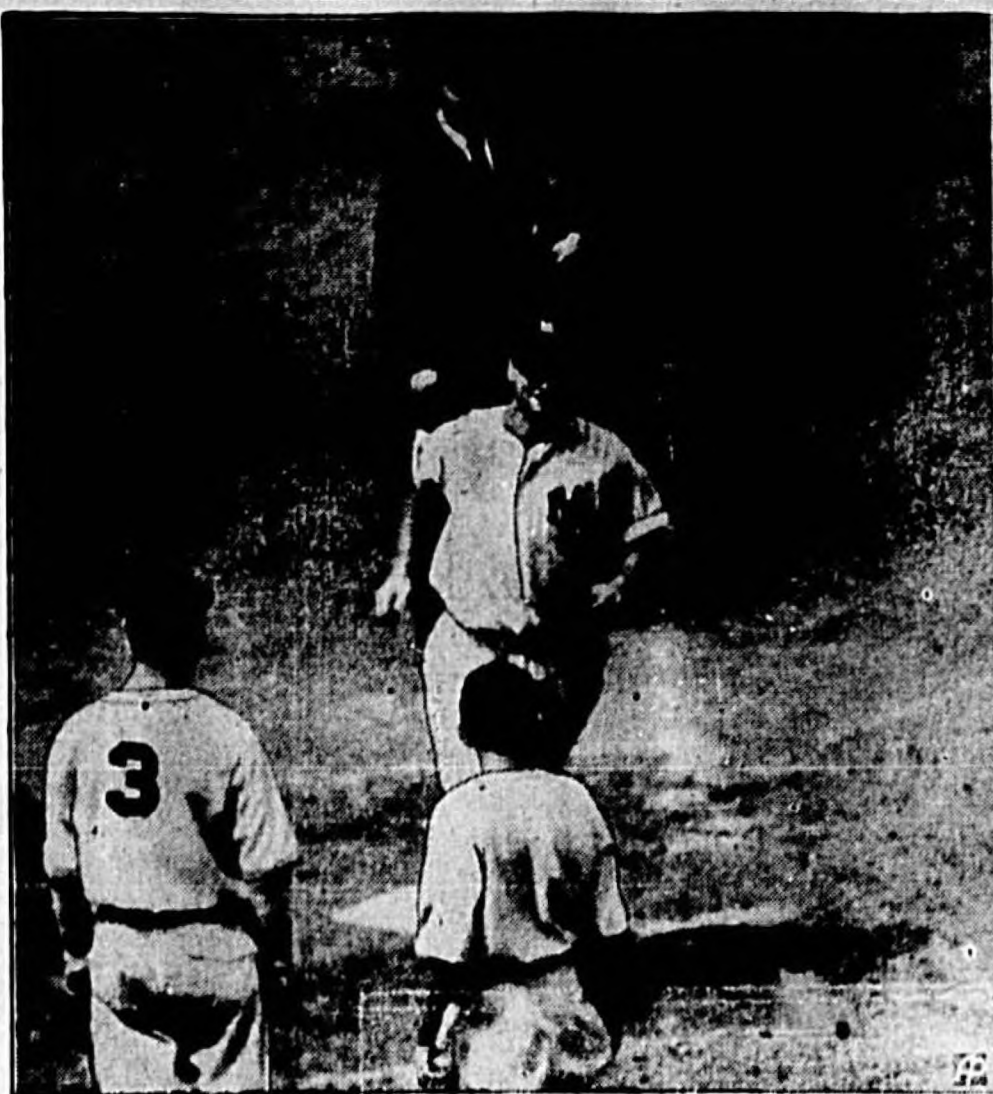

### Deer Damage Celery Crops Considerably

HOLLAND, Mich., July 8.—(AP)—Celery owners in this region, while sympathetic with aims of conservationists, wish someone could do something about keeping deer within bounds. Ten years ago a group of sportsmen released to deer in bottom lands of the Kalamazoo River. Now the celery men say, the herd has increased to 250 and is causing severe damage to their crops.

### GEHRIG'S HOMER HELPS AMERICANS WIN 8 TO 3

A homerun by hard-hitting Lou Gehrig of the New York Yankees helped the American leaguers defeat the National League team 8 to 3 in the All-Star game at Washington, D. C., today.

### FIRST UP, FIRST OUT:

Paul Waner of the Pittsburgh Pirates led off for the National Leaguers in the All-star game at Washington but fast play by the team representing the American leaguers caught him at first. He is shown at bat as Lefty Gomez pitched the first ball. The catcher is Bill Dickey and the umpire is McGowan. That play proved to be a harbinger of the final score, for the American leaguers won 8 to 3.

### Bit His Tongue And Knew Nothing Of It

PUEBLO, Colo., July 8.—(AP)—Six years ago Patrolman Thomas H. Mathews was shot in the mouth by gunmen. His wound healed. He felt no discomfort. Recently he went to a dentist. The dentist found a broken tooth imbedded in Mathews' tongue.

### Suits May Balance Budgets For Texans

AUSTIN, Tex., July 8.—(AP)—Texans here are speculating whether a deficit of approximately \$10,000,000 in the state's general revenue fund may be paid, and a tiny sum laid up in addition, through two pending law suits.

In one suit the State is asking \$17,500,000 penalties from more than a dozen of the major oil companies, charging they conspired to violate the Texas anti-trust laws.

In the other suit the State seeks to recover inheritance taxes on the estate of the late Col. E. H. R. Green. Exactly how much the taxes may total is not known, but it may be several million dollars.

The issue in the Green case is where his residence was located. Several States claim it. The case will be argued before the U. S. Supreme Court.

The Eiffel tower of Paris weighs more than 15 million pounds.

### SIGHTSEEING FROM CELLS

SAN FRANCISCO, July 8.—(AP)—Life in Alcatraz prison, the government's "Devil's Island" in San Francisco bay, is pretty dull, so convicts are welcoming a new diversion. Alcatraz is close to the main-made island where San Francisco's 1937 world fair is under construction. Cells and prison jobs overlooking the site are in demand.

### INDIAN (BOY) SCOUTS

HORTON, Kan., July 8.—(AP)—The Indian scouts are on the trail again, but this time they're Indian Boy Scouts. A troop was organized on the Kickapoo reservation near hard by the Rev. J. Preston Myers.

In different contests, Mrs. T. H. Adams of Gary, Ind., won an auto, Sen Robert a wrist watch, Daughter Alice a dog.

### Roosevelt Ignores Income Tax Jibes

WASHINGTON, July 8.—(AP)—President Roosevelt gave the silent treatment yesterday to Representative Fish (R-N. Y.), who has been demanding that the Congressional Committee on Tax Evasion and avoidance look into Mr. Roosevelt's own income taxes.

At a press conference, it was made plain that the Chief Executive does not intend to reply to Fish's repeated statements.

The Representative has declared that the President deducted losses on his Hyde Park property from his taxable income.

### Feminine Beauty Greatly Varies

WASHINGTON, July 8.—(AP)—Feminine beauty varies with geography, says Malvina Hoffman, the sculptress who has studied "beauties" all over the world. In Hokkaido, an island off north Japan, the village queen must have a tattooed smile which circles her lips and stretches to her ears. In Central Africa the Duck Bills, to be beautiful, must have huge lips. In Burma the reigning belles must have long necks encased in brass rings—the more rings, the more beauty.

THIS CHANGING WORLD

This changing world is in transition's pain;
And all the travel that it now endures
Will someday pass away by man's own cure.

Flag prices in Chicago have reached the highest price in nine years bringing cheers to stock growers and moans to the consumers.

People may think this is a peaceful world but everywhere one looks, in the Holy Land, in China, in Mesopotamia, Spain and even in this country there are persons smothering beads in or getting ready to commit some mass violence.

There seems to be perfect unanimity of opinion regarding the need of a high-class trailer camp for Sanford. There will, however, be a difference of opinion regarding its location.

Reducing Accidents

The importance of solving the problem of mounting traffic accidents, with their resultant injuries and loss of life, is somewhat emphasized by the fact that Harvard University has announced that a traffic officers' training school will be held for two weeks this summer.

Attendance will be limited to police officers specializing in traffic handling and the purpose of the intensive course will be to teach the very latest methods in those matters with a view of bringing about a reduction of accidents in the cities where the methods taught at the school will be applied.

Every effort towards the alleviation of the mounting highway peril is worthwhile, but we wish there were some way of getting the idea across to the entire driving public that the observance of one little simple rule would result in the diminution of traffic accidents by one-half.

That rule is not predicated on the theory that a general reduction of speed will do the trick, but it is predicated on the truism that intelligent variation of speed is essential to safe motoring.

Only from one angle does a filibuster seem to make sense. It is a brake which minorities may apply against majority action.

Sanford's contingent of Boy Scouts to the National Jamboree in Washington will return home tomorrow and every one should feel proud that this city was so finely represented at the great event in the national capital, which was "taken, figuratively, by an army of nearly 30,000."

Plans To Simplify Van Sweringen Rail Empire Bared

NEW YORK, July 9.—(AP)—Robert R. Young, Frank F. Kolbe, and Allan P. Of interest to a number of friends will be the announcement of the marriage on July 2 of Miss Jessie Louise Lenker, daughter of Mr. and Mrs. L. E. Lenker of Wildwood, Fla. to Stevenson B. Johnson, son of Mr. and Mrs. D. R. Johnson, formerly of Sanford.

The ceremony was performed in the St. James Episcopal Church, of Leesburg, the Rev. R. W. Blackford officiating.

Mrs. Morgan, organist, played Lohengrin's "Bridal Chorus" as a processional and Mendelssohn's "Wedding March" as a recessional.

The bride wore a white dress with pink accessories. Her carriage was of pink rosebuds and daisies. She was given in marriage by her mother.

## Church Head Opposes Changes To Permit Marriage Of Divorces

SOUTHWEST HARBOR, Maine, July 9.—(AP)—The Episcopal Church, Bishop William T. Manning of New York, said yesterday, would "be false to its essential principles" if it "should surrender its position as to the sacredness and permanence of the marriage relation."

Bishop Manning said a report by the church commission on marriage and divorce, suggesting liberalization of church laws to permit remarriage of divorced persons was "the work of a radical group in the church."

While conceding "there will no doubt be radicals who will advocate all this report suggests," Bishop Manning predicted "the church will take no such action."

The proposed change in church law, although South China and Burma were original homes of the orange, China now imports 50,000 pounds of oranges from the U. S. a month.

## Locals Blast Two G-Men Hurlers For 14 Hits In Taking 8 To 2 Decision

### Al Kaso Credited With Three Infield Hits To Lead Batters For Evening; Head Hits Two Doubles

Behind a five-hit hurling masterpiece by one of Sanford's own hurlers, Owen Wright, Lee Head's erratic playing lookouts returned to their usual form at the plate and pounded 14 hits off the deliveries of Joe Sporkman and Clyde Welles to secure an 8 to 2 victory over the Don McMane machine here last night.

Wright was picked for two of the five runs in the 11th inning but no damage was done. He was in perfect condition when he went to the mound with the idea of getting back to his normal form and his performance last night carried the praise from every local baseball fan. His fast ball and curve ball were timed to the sound and, save the initial and final innings, he was in no trouble.

Opposing Wright for the first five innings was "Lefty" Joe Sporkman. Little Gainesville outliner, Sporkman was in hot water during every inning he pitched, save the fifth. Sporkman was blasted for 11 hits during the five innings he pitched. He tossed no walks and fanned 10 bats.

Head's erratic playing lookouts at the starting of the sixth and in the four innings he saw no one on the hill.

Leading the hitting was Al Kaso, his second consecutive home game in which he has taken on the honor, damaged Welles in front of the plate and was given credit with three hits. He singled one went as far as 90 feet.

Taking second honors was the Lookout skipper, Lee Head. Head got two doubles in four trips at the plate. He knocked in Sanford's first three runs with the double that came in his first appearance at the plate. Owen

Wright took third honors with a double and a single in four trips. Mayo Langston collected a triple and a single in five trips while Buck Rodgers sent out two singles in five appearances. Rodgers' two hits last night brought him a total of eight hits in the past four games.

The scoring possibilities opened in the initial frame when the G-Men scored the first run of the evening. Whitey McMullen, visiting first sacker, hit a high fly ball into center field but Al Kaso muffed it, allowing McMullen to go to second base. Clarence Bray flied out to Rodgers at shortstop for the initial out. McMullen took a big lead and stole third on the first pitch to Hub Pittman. Pittman scored McMullen's momentary lead when he hit a bounding single into left field. Wright then fared Joe Beach to fly out to Kaso in center field and Lee Langston went out, pitcher to first, to end the inning.

The Lookouts came back in their half of the initial frame when they sent two runs across the platter not only to knot the count but go into a one-run lead. Buck Rodgers opened with a slashing single into left field. He advanced to second when Mayo Langston singled to short center and both runners advanced when Kaso laced down a line to get credit with a home run. Martin hit to shortstop to get Rodgers but Manager Lee Head doubled to right-center field to score both Langston and Kaso, on the play Martin was caught between third and home for the second out of the inning. Holcomb retired the side when he lifted out a lazy fly into deep left field.

The Lookouts extended their one-run lead into two, when, in the third inning with one away,

Al Kaso dumped one in front of the plate and beat it out for his second hit. Martin went out when he fouled out to McMullen at first base but Lee Head, Lookout skipper, sent a screaming double, his second, down the left field line to score Kaso from first base with the Lookout's third tally of the evening.

In the Lookout's half of the fourth inning they blasted five hits to send four runners scurrying across the platter and sent the score 7 to 1 in their favor. Bobby Prichard opened the inning with a single through the box into center field and advanced to second and third on a passed ball with Joe Ruggieri at the plate. Ruggieri lifted a lazy fly into right field and Prichard tagged up on the play and scored Sanford's third run. Owen Wright, the Sanford mountaineer, singled into center field and went to second on Rodgers' infield blow. Mayo Langston then came through with one of his famous triples to deep right field to score both Wright and Rodgers. Kaso was given credit with his third infield hit of the evening to score Langston and seal the Lookouts into a six-run lead. Martin hit into a double play to end the inning.

The G-Men, in their half of fifth inning, sent one run across the platter when Jack DeVenezia was safe on an error by Bobby Prichard at first base and he advanced to second base when Ray Staub, G-Man back stop, worked Wright for a free pass to the initial sack. Wright sent Sporkman down via the strike-out route but McMullen singled to deep right field to advance DeVenezia in with the McMane machine's second run of the night. Wright forced Bray to go out, Rodgers to Prichard, and Pitman to fly out to Rodgers at short.

The locals pushed another run across the plate in the first half of the sixth inning when "Little Joe" Ruggieri slammed out a hit into right-center. Prichard stretched it into a double. Prichard went down swinging and, with Rodgers at the bat, Ruggieri advanced to third base on a passed ball. Momentary later, Rodgers hit a hot grounder to McMullen who tacked out base but Ruggieri straggled out for the plate and was safe when McMullen's throw to the plate was

#### HUMORS OF THE OLD SAY-ING

That the club in the honor position in a league standing on July 10 will also be on top of the box at the finish mark, has been drifting around our ears in the past few days and at giving the situation our careful thought we find that the saying must come true this season for our Lookouts or else there will be no FLORIDA STATE LEAGUE prominent flying on the flagpole at the Sanford Municipal Athletic Field during the playing season of the Florida State League in the coming season of 1937.

ON JULY 10, THE SANFORD Lookouts were leading the league, although it was only by a scant margin of 2 percentage points and they must live up to the old saying. If the LOOKOUTS can come through and return to form, they will be able to give our fair city the first baseball championship since the good old days of 1926.

#### LOOKING OVER THE SPORT-ING

For the following season we find that our old-time club, the Sanford Lookouts, are in the position of being the only club in the league that has not yet won a championship. In the past few years, the Sanford Lookouts have been the only club in the league that has not yet won a championship.
