By Jane Casselberry
Approximately 50 adult leaders, denmothers, parents and friends of Cub Scouting attended the Wekiwa District Cub Pow Wow held Saturday from 1 to 5 p. m. at the Casselberry Community Methodist Church.

The Pow Wow was an intensive training course covering cub scout themes for the coming year with separate classes for the four major areas of pack administration; ceremonies, skits and stunts; handicrafts and games.

Frank Treiber, cubmaster of Winter Park Pack 611, was chairman of the event. Mrs. Orla Akerman of Apopka Pack 211 and Dave Jofford, district training chairman, served as advisors.

Instructing the group on pack administration were Joe Akerman, cubmaster of Pack 211 and Dan Milam, assistant cubmaster.

Teaching the class on games were Walt Rigling and Russ Hulbert of Altamonte Springs Pack 231, in charge of the ceremonies, stunts and skits class were Frank Casson of Orlando Pack 253 and Bill Massaker of Maitland Pack 31.

Instructors for the handicraft group were Mrs. Mary McNamany of Orlando, Mrs. Melba Treiber of Winter Park, Mrs. Frances Setje of Casselberry, Mrs. Helen Roper of Orlando and Miss Geri Aldrich.

Among the creative items made in the denmothers' workshop were hot toddlers

made from coffee cans, hurricane lamps made from tuna fish cans, jet space ships from balloons, hats made from newspapers, bottle cap pool, space and capsule card game and hand puppets made from socks.

Several tables of handicrafts made by various packs were on display.

Ideas for the annual Blue and Gold Banquet held in February were presented by Casselberry Pack 510 which has Wally Krohne as cub-

master.

Each person had been requested to bring a lunch for the "dutch treat" Blue and Gold banquet held during the mid-afternoon break. Serving on the decorations committee for the Pow Wow

were G. Kirk Lewis, of Apopka Pack 211 and Max Erpenbach, neighborhood chairman.

A special neckerchief slide, designed and cast especially for the Pow Wow, was given to those attending.

City To Install Longwood Well Control Circuits

The Longwood City Council has been informed by letter from the Meredith Corp. that bids for installation of electrical control circuits to the new water well are insufficient since requirements now call for the circuits to be laid underground.

Original specifications called for overhead installation however at the time bids were let the well was to have been located south of the ACL railroad.

Since original work began location of the well was changed upon recommendation of the engineers to east of the railroad and the overhead cables are no longer permissible.

Council voted to go ahead with underground installation by local crews rather than pay the additional \$100 requested by Meredith.

The meeting will be held at the home of Mrs. Mary Watson, 241 Panama Rd.

Forest Ranger Issues Strong Fire Warnings

Seminole County Forest Ranger Albert Harris of Longwood today issued a stern warning concerning the increase of wild fires occurring during the past several weeks since the severe freeze.

Records show that the county water level is down about four feet and indications are that 1963 will be as dry, if not drier, than 1962.

Harris said that the Forestry Service is pushing for a tightening of law enforcement against residents who do not take necessary precautions and allow brush or trash fires to escape.

He reminded that allowing a fire to escape onto a neighbor's property definitely is in violation of the law and that court cases are going to be made out of such

incidents where necessary and sufficient proof is found.

Seven people have been tried, found guilty and fined since Nov. 1, Harris reported.

In addition to threats posed by the extreme dryness a rash of set fires have occurred in the Sanlando Springs area during the last three weeks. Indications that several recent fires in the Lake Mary area were incendiary also have been reported.

Residents finding it necessary to do any burning are urged to take such precautions as cutting fire lines and having plenty of water readily at hand before the fire is lit.

Harris also advises that if assistance is needed or desired rangers will come out on a standby basis upon arrangement.

Wood Inlay Explained To DeBary Club

By Mrs. Adam Muller
The art of wood inlay was explained by John Young of New Smyrna Beach at last week's meeting of the DeBary Arts and Crafts Club at the DeBary Mansion House.

He exhibited several pieces of inlay furniture and pictures and passed around sheets of thin walnut wood while explaining the art of making a picture.

He said that years ago the mid-western farmers had cleared their lands of the walnut trees and that today this rare wood can be found in many old homes and barns.

These farmers blasted out the stumps where the best wood for inlay is found and the price of a few thin sheets was much more than they received for the entire tree, he explained.

Young has been doing wood inlay as a hobby for more than 30 years.

DeBary Groups Sponsor Dances

By Mrs. Adam Muller
New Year's Eve Dances were sponsored in DeBary by two separate groups.

The DeBary Volunteer Firemen held their annual gala affair in the Recreation Wing of the DeBary Fire Hall on Columbia Rd. with dancing to the music of Frank Yohats Band.

Festive hats and noisemakers were provided by the firemen and refreshments were served with hot dogs and coffee heading the demands.

During the evening the band played "Happy Birthdays" to Gloria Accardi and Kathryn Trautman and Frank Pinto sang several request numbers with the orchestra.

The DeBary Dance Club held its annual party and dance at the Community Center with dancing to hit records. Refreshments were served from gaily decorated buffet tables in smorgasbord style.

Oviedo To Seek Cancellation Of Back Taxes

Oviedo Councilman Ben Jones at Monday night's meeting proposed that an effort be made to get a local bill passed by the legislature at the next session permitting the town to cancel long overdue taxes.

Jones said that the total amount involved is very small even though some of the past due bills date back to 1926 and that cancellation would simplify auditing and keeping of the town records.

The motion was seconded by Bill Martin and approved.

'Gripe' Night

By Donna Estes
This month's meeting of the Longwood Area Chamber of Commerce has been designated as "Gripe Night" when members and residents will be invited to step forth and list their complaints concerning the city.

The informal "gripe" session will be held following the organization's regular monthly business meeting scheduled to be held at the Civic League Building on Church St. beginning at 7:30 p. m.

Utilities Co. Ready To Improve Facilities

Officials of Casselberry Utilities Co. reported Monday night that the company stands ready within two days notice to begin immediate work on aeration facilities once the way is paved to provide necessary financing for the work.

The company repeatedly has appealed for approval by the Board of Aldermen to raise its water rates in order that funds would be available to increase aeration and storage facilities deemed necessary by engineers to meet demands of the State Board of Health.

Extended water and sewer service also has been requested in the proposed annexation petition of Seminole Plaza by Eastern Shopping Center.

Don Willson, speaking for the company at Monday night's meeting, told the board that an additional \$700 per month is needed over a two year period to finance the improvements and that arrangements already have been made to provide and install necessary equipment once the water rate increase is approved.

Hilbard Casselberry, owner of the company, pointed out that improvement in the water quality would begin to show almost immediately once the basic work and installations are started.

Action on the rate increase, one way or the other, is expected shortly after the new board takes over next week.

CTP Adopts \$1,800 Budget

By Jane Casselberry
The Council of Teachers and Parents of South Seminole Elementary School at Casselberry met Tuesday night in the school auditorium with Maj. Joseph Laird, president, presiding.

The group voted to accept the \$1,800 budget presented by the treasurer, Mrs. Barbara Svanar. Items included were library books and encyclopedias, four television sets and lunchroom trays for first grade students.

The program consisted of a question and answer session concerning general school problems which was conducted by Principal C. M. Harp.

He announced that the price of school lunches has been reduced to 25 cents.

Announcement also was made that typists are needed to help with putting out the CTP paper, "Pow Wow," which keeps parents informed on all school activities.

Mrs. Marjorie Stone led the devotion and Pledge of Allegiance.

Cleveland Talks On Schools At Altamonte PTA Meeting

By Louise Simunek
Members of the Altamonte Springs Elementary PTA formed a large audience at Tuesday night's meeting to hear State Representative Mack Cleveland Jr. speak on "School Developments in South Seminole County."

Cleveland noted that in 1950 there was only one school in the area which served students from the first through the 12th grade. There now are four elementary schools, one junior high and the same school which served 12 grades now only has three senior high grades.

By the fall of this year another elementary school will be added to the list since the English Estates School is expected to be ready for the fall term, the speaker reported.

Talking on the subject of books for children, he advised that he is an advocate of having high school students buy their own textbooks to allow more funds for providing up-to-date books in sufficient quantities for

Lyman To Host Seabreeze In Brain Bowl

By Jane Casselberry
Lyman High will host Seabreeze of Daytona Beach in this week's Brain Bowl Match at 3:30 p. m. Sunday in the school auditorium.

Spectators are welcome and admission has been set at 25 cents.

The school had hoped that arrangements could be made to broadcast the match locally however, a sponsor is needed and none has been found to date.

The Brain Bowl is something new in inner scholastic competition for Central Florida high schools. This will be Lyman's second encounter on the planned schedule.

Members of the Brain Team, selected on the basis of tests covering many subjects, are David Smith, Pete Carlson, Roy Goodwin and Roger Schmidt. Alternates are Arlene Mason and Sandra Sherwin. Fletcher Coakrell is serving as faculty advisor.

Co-ordinator at Sunday's meeting will be Dr. R. William Stedman of Orlando Junior College who also will select the moderator and judges.

Helps Entire Area

The Town of Casselberry is to be commended on action taken Monday night to support the Seminole Raceway project of widening and resurfacing Seminole Blvd. in time for the expected February opening of the Harness Race Track.

Although the road has been designated a municipal connecting link and only a small portion of it lies within the city limits of Casselberry, its improvement will serve hundreds of local residents in addition to heavy traffic to the track.

The road in its present condition has long been a hazard and even though the town had provided with sufficient funds to make constant repairs it would remain a hazard since basic construction is inadequate to handle today's increased demands of daily use.

This situation will be largely corrected by the present cooperative project of business, town and county.

Casselberry not only is helping itself . . . it's helping the entire area.

Geneva Garden Club Holds Annual Meeting

By Louise Grayson
The Geneva Garden Club held its annual open meeting Monday evening at the Community Hall which was decorated for the occasion

with greenery and Christmas trees.

Mrs. Charles Cole, guest speaker for the program, brought a number of her lovely orchids for display and also presented a very informative talk on care and culture of the plants.

Following her talk, Mrs. Cole conducted a question and answer period during which many tips on growth of the orchid were given to club members and their guests.

The Geneva Band played a medley of old favorites as refreshments were served after which Mrs. Fred Ashton of Orange City played the piano for an old fashioned Community Sing.

Hostesses for the meeting were Mrs. W. T. Bernard, Mrs. Calvin Oldham, Mrs. H. H. Kretzer and Mrs. Edward Shaw.

South Seminole Republican Club Plans Election

By Jane Casselberry
The South Seminole County Young Republican Club will hold its annual election of officers next Tuesday at an 8 p. m. meeting in the American Legion Home on Prairie Lake.

Recommendations will be presented by the nominating committee which met last Thursday night at the home of Mr. and Mrs. L. E. Woodhams in Casselberry. Nominations also will be accepted from the floor.

All members are urged to attend this important meeting.

Party Chairmen To Be Honored At Reception

A reception honoring State Democratic Executive Chairman Warren Goodrich and State Republican Executive Chairman Tom Brown will be held at the Hollins College Alumni House next Monday from 5 p. m. until 6 p. m.

Members of the school's Young Democrat Club and Young Republican Club are sponsoring the event. Students of the Hollins Center of Practical Politics headed by Dr. Paul Douglas will act as hosts and hostesses.

Invitation to attend the reception has been extended to all Seminole County residents of both political parties by Mrs. Hope Bennett, past president of the South Seminole Democratic Women's Club, who is assisting members of the invitation committee.

Civic League Plans Fund Raising Events

By Donna Estes
Plans have been made and announced by the Longwood Civic League to sponsor a benefit card party at 8 p. m. on Jan. 25 at the Civic League Building on Church St.

Door and table prizes will be awarded and refreshments will be served. Proceeds from the event will be applied towards upkeep of the building.

Members of the League also are planning a "tag day" to be held in February to complete the fund for purchase of a new Encyclopaedia Britannica for the Longwood Library which is sponsored by the group.

Fire Auxiliary Installation

Installation ceremonies for new officers of the Lake Mary Volunteer Fire Dept. Auxiliary will be conducted at today's 8 p. m. meeting of the group by Mrs. Mack N. Cleveland Sr., wife of the Sanford Fire Chief.

New officers are Mrs. Marion Schwelker, president; Mrs. Virginia Mercer, vice president; Mrs. Kay Sastaman, secretary; Mrs. Frances Abell, treasurer.

Directors to be installed include Mrs. Vola Werfelman, Mrs. Ruby Sjoblom and Mrs. Margaret Heimbach.

All members of the Auxiliary have been requested to attend the installation and bring a friend. Light refreshments will be served.

All members are urged to attend this important meeting.

Texas, Florida Get Together Jan. 19

The tremendous natural potential of Florida is being teamed with Texas capital and development know-how to form a new economic stimulus for Central Florida.

The Sanford Industrial Park will officially come into being here next Saturday when Texas oilman H. L. Hunt, Florida Governor Farris Bryant, Florida Commissioner of Agriculture Doye Conner, and other dignitaries from Florida and Texas put into operation a huge new H.H.I. Products vegetable packing plant. The new H.H.I. Products plant is the first of many manufacturing firms that will build

in the new industrial park Governor Bryant declared that the Sanford Industrial Park and the industries that locate there promise a consistent new source of income for the individual and business of Florida, and new uses of Florida natural resources and agricultural products that will prove greatly beneficial to the growth of the state.

Texas oilman Hunt will throw a master switch putting into operation a complex of elaborate machinery that will dry or can Florida vegetables into forms delectable to the tastes of super-market buyers all over the

United States. The plant will take advantage of the natural resources of the Sanford area including fertile land and a long growing season, an excellent labor pool, and virtually all types of transportation and rapid distribution facilities.

Hunt is head of the Hunt Oil Company and has earned a unique reputation as a successful businessman. H.H.I. Products is a division of the Hunt Oil Company, and one in which Mr. Hunt takes particular interest because of his concern with health as it pertains to what we eat.

The H.H.I. Products plant in Sanford is located in San-

ford Industrial Park, a space-age development for industries paced to the activities at Cape Canaveral, only 50 miles away. Sanford Industrial Park is a planned, controlled industrial development of Hunt Properties, the real estate management operation of the Hunt interests.

The faith of Mr. Hunt and his organization in the Florida potential does not stop with Sanford Industrial Park, the H.H.I. Products plant, and other investments being made in the immediate vicinity of Sanford. Hunt Properties also is actively engaged in the development of several thou-

sand acres of Florida timberland.

The timberland presents a special challenge. Nature of the terrain, jungle-like in most instances, makes it impossible to use orthodox methods of timber harvest. Further, the Hunt Properties philosophy of land development dictates that as the land is employed to its best current use, planning and investment for the future must assure the continuing creation of values for the best interests of the entire community.

This philosophy applies with Hunt Properties, whether the land involved is be-

ing developed into an industrial park, as is the case with Sanford Industrial Park or whether timber lands are being improved, or whether an entire agricultural area is being assured a local market for national distribution of its produce.

The 100,000 square foot plant to be opened by H.H.I. Products in Sanford on Saturday will occupy an 80-acre site in Sanford Industrial Park. Opening of this plant brings to 11 the number of food processing establishments operated across the country by H.H.I. Products.

The Sanford H.H.I. Products

plant will be the largest of its kind in Florida.

The plant's location in Sanford Industrial Park is less than 50 miles north-west of Cape Canaveral, in the center of one of the fastest growing areas in the United States. Within a radius of 10 miles there are more than a million people and some 200 industries.

The Sanford plant of H.H.I. will process vegetables such as potatoes, beans, spinach, corn, beets and carrots for canning during the 10-month Florida growing season. During the entire 12 months of the year the plant will be engaged in processing of

such items as pork and beans, dried blackeye peas, butter beans, lima beans, and spaghetti.

The plant will produce canned goods for various H.H.I. brand names—H.H.I. Amana, Savet and Ballmark. Other H.H.I. brands are Butterfield, Triumph and Perfection. From 200 to 400 workers will be employed at various seasons, with the annual payroll running about half a million dollars.

An industrial spur of the Atlantic Coastline Railroad will serve the H.H.I. plant, and truck shipments will have easy access over U.S. Highways 17 and 92.

Don't be surprised if the city doesn't take the initiative Monday and get that \$600,000 water improvement program off the ground. It's in the agenda and remember way back in April of last year when City Manager W. E. Knowles said "water rationing in 14-16 months."

THINGS I DIDN'T KNOW UNTIL NOW . . . Atlantic Coast Line will have to let some employes go because of the jet fuel line to the Sanford Naval Air Station . . . ACL, one of our biggest taxpayers will lose close to \$100,000 per year because of the line . . . Now why didn't the ACL troops tell the City Commission all this a couple of months ago.

Memo to farmers and growers—deadline for signing up for the USDA Agricultural program for 1963 is Jan. 15 . . . County Commission Chairman J. C. Hutchison doing well after surgery at Seminole Memorial Hospital. May be out soon!

O. P. Herndon out of the hospital. . . That letter writer who criticized our Tax collector John Galloway should get his facts right! Galloway has done much for this county . . . If you think I'm kidding check those excess fee reports. . . Seminole County Fair is scheduled this year for the week of Feb. 4-Feb. 9.

Hey, we noticed some surveyors out by Adams Shopping Center property. . . What ever happened to Belmeade! . . . Grand Jury Monday will hold up new windows construction on the third floor of the courthouse.

Dr. Jess Dietz in town looking over sewage treatment plant and also will do some work for the Hunt people on some industrial waste problems. . . Don't forget Policeman's Ball Saturday night. . . Male Chorus will put on top grade show at the Civic Center Jan. 28 starting at 8 p. m.

Heart Council meeting set for tonight at Merle Warner's home on Park Ave. to map out plans for the forthcoming Heart Fund Drive. . . You can make your donations to the Sarepta Home Improvement Fund Saturday to members of the Rainbow Girls or DeMolay boys, who'll be carrying white milk cartons marked with the name on downtown streets and in the following locations: Food Fair shopping center, 25th St. Winn-Dixie, McReynolds Drug store area, and the Ritz Theater area.

A roadblock will also be set up at the corner of Third St. and Park Ave. to accept motorists donations for the Sarepta Home Fund. . . A big pot of hot soup will be served to the Sarepta Tag Day workers by Mrs. C. T. Ellison of Clyde's Grill, in the 200 block of Sanford Ave. The soup will be supplemented by sandwiches made by members of the Woman's Club, who are sponsoring the Tag Day Drive. . . Nobody asked me, but remember the Sarepta home is just a stop gap measure on aid to our indigent and old . . . The County Commission still will have to do something . . . I wonder if anyone has ever thought about Bill Hurton funds. . . Not only has Max Brewer fixated on the idea over a Lake Monroe Causeway but also fixed prospects for building the proposed access road from West Volusia to Mims.

Ball To Aid Sarepta

Representatives of 32 Seminole County civic organizations met Thursday at the Sanford Woman's Club and named Mayfair Inn assistant manager, Richard Regan head of a committee to stage a huge Charity Ball for the benefit of the Sarepta Home Improvement Fund.

Committee members appointed to serve with Regan in promoting and staging the Charity Ball include Mr. and Mrs. Clifford McKibbin, Mr. and Mrs. Bill Merritt, Mrs. Marion Latour, Mrs. Leonard Damm, Mrs. Betty Baker, Mrs. R. W. Estes, Mrs. C. M. Rust, Mrs. William Kirk, Mrs. Bill Stringfield, Joe Deane, Mrs. Cliff Nelson, Miss Bonnie Stoffer and Mrs. Bonnie Higginbotham.

Organizations which sent representatives to the meeting included the Welcome Wagon Club, the DAV, the Home Demonstration Club, Credit Women's Breakfast Club, Kiwanis, American Legion Auxiliary, Girls' Scout Club, Lake Mary Women's Club, the Seminole County Federation of Women's Clubs, Sanford Woman's Golf Assn., Beta Sigma Phi (two chapters), Jaycee Wives, BFD Dons, Fleet Reserve, Business and Professional Women, Jaycees, Plot Club, Citizens, Hospital Auxiliary, Chamber of Commerce, All Souls Catholic Women's Club, CWA and the Myfair Inn.

Mrs. Tagmar Braden, assistant administrator of the Sarepta Home spoke to the civic club representatives who crowded the Woman's Club meeting room, outlining the function of the home, and explaining the operation as a non-profit, unincorporated corporation.

Col. J. O. Gregory, representing the Courthouse Committee, recommended to the County Commissioners that the Sarepta Home be given every assistance in order to relieve the county of having to build a new home for the aged and ill.

Recent new state regulations, which left the present county home hopelessly below par, and threatened Sarepta with loss of license unless immediate corrections and improvements were made were sighted as the cause of the present dilemma in which the county finds itself.

Col. Gregory explained that the County Commissioners cannot legally give any financial assistance to Sarepta, but have given strong moral support to the efforts of private organizations and citizens of the county to provide money, labor and materials to keep the home within the state's legal requirements.

Efforts were redoubled after a plea from Sarepta officials for a loan from the Housing and Home Finance Administration met with a cold shoulder.

Chamber Sets 'One Punch' Campaign

A one-punch membership drive, aimed at an approximate 12 per cent increase for the new year, is scheduled by the Seminole County Chamber of Commerce for next Tuesday.

Co-chairmen Scott Burns and Charlie Robinson Jr. will meet with 12 team captains and their co-workers at a kick-off breakfast at 8 a. m. Tuesday at the Civic Center, according to John Krieger, Chamber manager.

Team captains are Art Beckwith, Walter Gielow, Howard Hodges, Bob Bessner, Bill Hoopfill, Cliff McKibbin, Brock Perkins, Marie Warner, Jim Hunt, Sonny Robinson, Tom McDonald and Ed Hunt.

Krieger stated the breakfast will launch a concentrated one-day membership drive. In a letter to chamber members, Burns and Robinson said: "We are sure that you will want to join with the other business and professional men and women who have indicated their willingness to help with this very necessary part of our chamber operation."

At the Tuesday breakfast each membership worker will be given four or five names of potential members, individuals or businesses, to contact. Krieger said it is hoped to increase the chamber's membership from 382 last year to 450 this year. "And with the growth of Sanford and Seminole County this last year," he added, "we may even surpass the 450 figure."

The first worker on each team to be successful in completing his allotted calls, Krieger said, will receive a \$25 savings bond. Further, he added, the team bringing in the greatest number of memberships will be treated to a steak cook-out for themselves and their wives.

New Anti-Red Plan Unveiled

TALLAHASSEE (UPI) — Gov. Farris Bryant Thursday took the lid off a \$50,000, \$100,000-a-year plan which will acquaint Floridians with the threat of world domination by Communism.

The governor named his press aide, John Evans, to head the program, and said "the finest minds in the nation" will be brought to Florida to enlighten the population on the subject of freedom vs. the Reds.

Bryant gave few details other than the program will be mainly supported by private citizens and industry, and will have national affiliation with the Institute for American Strategy in Chicago.

Evans, who now makes \$9,600 a year, will get an increase in the new post in the form of payment from the Chicago institute. He has made several trips North to discuss the program with others and helped organize the Florida campaign.

Evans will serve as a special advisor to the national institute.

He estimated that the cost of the program will be between \$50,000 and \$100,000 a year and that very little of the money will be supplied by the state.

J. D. Self, of the Casselberry Board, told the Casselberry Board of Aldermen that the county commis-

sion had indicated the county would provide rock and clay for a six-inch base and probably would widen a bridge. He added the county also would handle minor drainage problems.

Avery told The Herald that should the county commission agree to assist in the road project the entire improvement program can be completed before the Bypass opens its first harness racing season next month.

Blinding Arctic Snow Ravages Mid-West States
By United Press International
Blinding snow whipped off of the North Thursday night in an arctic storm that dropped temperatures as much as 10 degrees.

The storm triggered heavy snow warnings as far South as Texas and cold wave warnings from the Rockies to the Mississippi.

A special weather bulletin termed the blast "an immense and intensely cold surge of arctic air." It warned Midwesterners to brace for "a prolonged spell of quite severe subzero weather."

A B-17 jet bomber crashed upon takeoff during a snowstorm at Wichita, Kan., killing the pilot and injuring two crewmen. The bomber was based at Lincoln, Neb., and had been diverted to Wichita because of bad weather.

Seven persons were presumed dead at the Kodiak, Alaska, naval station after a P-2V patrol bomber touched down on a rain-slickened runway and apparently started to skid, pulled up and hit a mountain.

A rabbit hunter was found dead Thursday near his abandoned pickup truck on the windswept plains of South Dakota. Some 200 volunteers had joined the search for Paul Overaker, of Faith, S. D., whose death was attributed to a heart attack or exposure.

NAS Change
Cdr. Larry A. Heath, USN, has been promoted from executive officer to commanding officer of HATRON SEVEN's "Pencemakers of the Fleet," succeeding Cdr. Louis Hoop Jr., USN.

The change of command was accomplished today with a salute of "Vigilantes" flying over in precision formation.

Cdr. Heath, who set a world record for aircraft with a 1,000-kilogram load by flying to 91,450 feet on Dec. 12, 1960, resides with his wife and seven children in Sanford.

Cdr. Hoop has been assigned as air officer of the aircraft carrier, USS Enterprise.

Acting as commission chairman during the hospitalization of Gen. J. C. Hutchison, Avery indicated the commission will agree to participate in the road improvement program due to a heavy increase of traffic on the street because of the racing program.

New Apportion Plan Favored Partly By Solon
State Rep. Mack Cleveland Jr. informed Gov. Bryant that in case of a close vote he would support the 112 member plan in an effort to end the reapportionment hassle.

The governor called Cleveland in hopes of rounding up support and aid from the senior member of the County's legislative delegation.

Support of the first phase of a new reapportionment compromise in the State Legislature was expressed here today by State Rep. Mack N. Cleveland Jr.

Referring to a UPI report in The Herald from Sarasota of a plan to increase the Legislature to 109 representatives and 42 senators in an irregular called session, Cleveland said he is in favor of the plan. However, he would not commit himself to a second phase of the program: To increase the House to a 114-membership at a later date. "It would," he said, "only accomplish added members and added cost of government but, as I see it, nothing else."

House Speaker M. Harry Horne said he will try hard to sell the two-stage plan during the weekend as the "only chance" for effectively reconstituting the Legislature in time for the regular session in April.

It would involve an immediate special session to adopt a formula increasing House membership from 95 to 109 and the Senate from 36 to 42. With these additional members seated, Horne said, the 1963 Legislature then could enact the rest of the reapportionment plan, presumably an increase in the House to 114 members and any changes the lawmakers favored for the Senate, during the regular session.

Demos, GOP 'Feudin' Over Key Posts
WASHINGTON (UPI) — Action in the new 98th Congress moved backstage today with House Democrats and Republicans feuding separately over key committee and leadership posts.

Outcome of their intramural squabbles could bear heavily on the fate of some of President Kennedy's legislative proposals including his controversial plan for hospital care for the aged.

After a fast, furious takeoff on Wednesday, followed by routine talkfests and no action Thursday, the new Congress was in recess today until Monday when Kennedy will deliver his State of the Union Message to a joint House-Senate session at 1:30 p. m. EST.

Too Tired?

How important it is for us to have the correct cures for our ailments. We sometimes have to smile when we read of medical doctors "letting blood" for many illnesses in years gone by. Even so, we try many insidious if not always harmful cures for "what ails us."

A nurse told of an experience which illustrates our point. She had spent many long and hard hours in the hospital and felt exhausted from this particular period of work. The decision which she faced was whether she should go to bed or to church since there was still time to dress and attend the worship service.

She was very sincere about her faith so she made the extra effort and managed to drag her weary body to church. Perhaps she reasoned that since such effort was made she should open herself to God. She was rewarded greatly. Her body, mind and soul experienced a marvelous renewal. A fresh sense of love possessed her and the breath of God so breathed on her that the exhaustion was blown away.

So many people say they are "too tired" to worship, so they exhaust themselves further with recreation that does not re-energize. Finally the

nervous frenzy, not cured by artificial means, becomes more and more a frustration.

If you are to rest your body and mind you must first rest your soul. This can be done only as we refresh at the springs of God's mercy by worship, prayer and Bible study.

It is true that many people are "always tired" even though they do not work enough for fatigue as was true with the nurse about whom I have written.

I understand that medical doctors are constantly besieged by people who have the common complaints of being tired. Of course, there are physical causes for much of this ailment, but many of us have experienced the fatigue that results from boredom. We may be busy all of the time and yet realize very little sense of purpose and find ourselves without sincere motivation.

There is another well known fatigue which results from anxiety or frustration which is much like boredom in that they all stem from emotional or psychological sources.

God did not create man so that he can live normally without faith. Again the answer to being "too tired" is God, in fact, the answers to all of life are ultimately in Him.

Ladies Church Group Meets In Longwood

By Donna Estes

The Ladies Auxiliary of the First Pentecostal Church of Longwood held its regular monthly meeting at the church on Orange Ave. Monday evening.

The meeting was opened with prayer by Mrs. Phoebe Pemberton and minutes read by Mrs. Thomas Airt.

It was reported that 13 Christmas Cheer baskets were distributed to needy families in the Longwood-Sanford area during the holidays.

Each member decided to make and donate one or more absorbent pads to the Sarapta Nursing home.

A scriptural talk on the "Handmaids of the Lord" was given by Mrs. M. L. McDaniel who pointed out that one "should do what one can for the Lord and do it willingly."

Following the business meeting, the hostesses, Mrs. Brown, served cake, coffee and grape juice to those attending.

The next meeting will be held Feb. 4 at the church.

Revival To Be Held At Nazarene Church

Revival services will be held at Sanford's First Church of the Nazarenes, Second St. and Maple Ave. from Monday of next week through the following Sunday, Rev. Paul Dicke, pastor of the church, announced today.

Conducting the daily 7:30 p. m. services will be Rev. David C. Erickson, evangelist, and James and Rosemary Green, singers-musicians.

Rev. Erickson, of Charleston Heights, S. C., has been active in all types of the preaching ministry and is known throughout the Church of the Nazarenes as one of its most successful young evangelists.

He served two years at the battle front in Korea, attended Travecca Nazarene College in Nashville, Tenn. and Coker College in Hartsville, S. C.

Ordained in the South Carolina District in 1957, he served as a pastor for four years before entering the field of evangelism.

Rev. and Mrs. Green of New Castle, Ind., give their full time to evangelism under auspices of the Nazarene Church.

Both are accomplished musicians and are experienced in radio work, script writing and producing radio programs.

They sing solos and duets as feature parts of the evangelistic service and play the violin and accordion. They also do choir arranging and directing in revivals and camp meetings.

Invitation to attend the revival services has been extended to the public.

Study On Korea Conducted By Sunshine Circle Hostess

By Jane Casselberry

The Sunshine Circle of the Casselberry Community Methodist Church WSCS met Tuesday morning at the home of Mrs. John Gee, 2152 Linden Rd. in Winter Park from 9 a. m. until 11 a. m.

Mrs. Marvin McClain was in charge of the devotional.

The Circle continued its study course on "The Kim of Asia" with an interesting talk given by Mrs. Gee on Korea.

She supplemented information found in the textbook with first hand reports received from her husband, an Air Force Sergeant, and others who have been based there recently.

Mrs. Darwin Shea, chairman, presided over the business meeting.

The group voted to present a circle book to a church woman joining the church with an invitation to become a member of the Women's Society.

Members also voted to hold a rummage sale in the near future and asked anyone wishing to donate used clothing or household items to contact Mrs. McClain, 221 Triplet Dr. in Casselberry, or any circle member.

The circle is undertaking a new project to salvage various items which would otherwise be discarded but are in demand by missionaries in many remote areas.

These items include such things as magazines, books, Bibles, old nylons, eyeglasses, Christmas cards, empty medicine bottles and cancelled stamps.

Refreshments of hot cinnamon rolls and coffee or tea were served by the hostess at the close of the meeting.

Casselberry Church Sets Annual Meeting

By Jane Casselberry

The annual meeting of the congregation of the First United Presbyterian Church of Casselberry will be held Sunday evening in the Casselberry Women's Club Building on Overbrook Dr.

There will be a covered dish supper at 5:30 p. m. preceding the meeting.

Reports of the work done by the various church organizations will be presented and five new elders will be elected to serve on the Session.

Opportunity will be presented for the consideration of any subject concerning the future welfare of the church. All church members and friends are urged to attend the meeting.

All members have been urged to attend the meeting by Rev. Ruth E. Grant, pastor of the church.

Methodist Men Set Meeting

By Mrs. Adam Muller

The Methodist Men's Club of DeBary Community Methodist Church will meet Monday at 7:30 p. m. in the Social Hall of the church.

Guest speaker will be Richard W. Pearce of Deland. His subject will be "Wills and Other Legal Matters of Interest."

All women and men of the church are invited to attend this important and interesting meeting. Refreshments will be served.

Seminary Sportsfest Scheduled Saturday

Seminary students, grades nine through 12, from the Orlando State of the Church of Jesus Christ of Latter Day Saints will meet Saturday at the Church Ranch for an all-day Seminary Sportsfest beginning at 9 a. m.

Each student has been invited to bring a guest for the fun-packed event which will conclude with a barbecue supper followed by a devotional period and an open air party under the stars.

Feature events scheduled during the day include a rodeo, basketball, tug-of-war, volleyball, badminton, touch football, ping-pong and rope walk and relay races.

The rodeo promises to be of special interest to the Sanford students for advance announcements report that a special "killer" Brahama bull will be ridden by the Sanford Ward champion, President Freeman Baggett.

In other activities the Sanford students will meet Bellevue in basketball and Daytona Beach in volleyball and badminton.

In addition to the Sanford Seminary students, groups will be attending from Apopka, Fruitland Park, Bellevue, Orlando first and second districts, St. Cloud, Kissimmee, Cocoa, Melbourne, New Smyrna and Daytona.

First Presbyterian Church Plans Mission Conference

A Conference on World Missions will be held at the First Presbyterian Church of Sanford, Jan. 20 through Jan. 22.

Missionaries conducting the conference include Dr. James Boyce of Mexico who will speak at both the 9:45 a. m. and 11 a. m. worship services on the opening day and Dr. D. J. Cumming of Korea who will lead the 7:30 p. m. service.

A general meeting of the Women of the Church will be held on Jan. 21 at 10 a. m. with Miss Gertrude Ma-

Casselberry WSCS Meets At Church

By Jane Casselberry

The Women's Society of Christian Service of the Casselberry Community Methodist Church met Wednesday at 2 p. m. Mrs. Effie Sandborn was in charge of the worship program.

Rev. Delmas Copeland, pastor, spoke before the group calling attention to the important role women have played in the church throughout history.

He pointed out several women of the Bible who showed outstanding strength and faith in time of peril, and spoke of the challenge to women of today to combat the evil influences that are threatening home and family life. He declared the examples to young people which exist in the community of serigraphy for sale on

Nazarene Church Gives Annual Report

An annual report of the church in West Germany with five congregations and dedicated a \$100,000 sanctuary at Frankfurt and a church in Copenhagen, Denmark.

The report states that the church, a relatively small denomination that stands for holiness in the Wesleyan tradition, in 1962 had one of the most outstanding years in its 54-year history.

Facts contributing to this outstanding record included: The denominations' growing world mission program opened work in Chile and Bermuda and the first Nazarene church in the Republic of Panama was organized. The Nazarenes now have work in 43 countries; Also abroad the Nazarenes

organized a new church district in West Germany with five congregations and dedicated a \$100,000 sanctuary at Frankfurt and a church in Copenhagen, Denmark.

Also opened was a \$100,000 church at Nazareth, Israel, the first Protestant church to be built in Israel since the nation was re-established in 1948, a new church at Brasilia, the first Protestant church to be dedicated in the new island capital of Brazil;

The denomination's Spanish language broadcast of "Showers of Blessing," increased to 110 stations while the English program was carried on 425 stations;

Meanwhile, making these accomplishments possible, the church at home set a denominational record in per capita giving of \$147.78. This was an increase of \$3.62 a member over 1961 when the denomination ranked first in the nation in per capita giving among all Protestant churches with 100,000 members or more;

Giving for all purposes in 1962 increased by \$2,388,366 to a record total \$49,505,444. The total was \$47,122,078 in 1961.

The annual statistical report by Dr. S. T. Ludwig, Kansas City, Mo., general church secretary, showed the domestic membership grew to 335,005. This was a net gain of 8,185, or a gain of 2.49 per cent. Dr. Ludwig said the denomination

Ascension Church Elects New Officers

By Jane Casselberry
The Voters Assembly of the Ascension Lutheran Church of Casselberry met Tuesday night to elect new church officers for the coming year. Robert Krause, outgoing president, presided. Those elected were A. J. Flessner, president; Charles Otto, vice president; Gilbert Mager, secretary; Carl Seij, treasurer; Paul Maloney, financial secretary; Robert Krause, elder; A. Schultz, trustee; Gilbert Mager and Bill Klassen, board of education; Roy Rhodes and Dan Jovi, board of finance; Kenneth Karcher, stewardship chairman and Gilbert Mager, Sunday School superintendent.

The new officers will be installed by Pastor C. R. Zehnder at the morning worship service on Sunday, Jan. 20.

The Ascension Lutheran Church now has 91 communicant members with 158 souls in attendance.

Baptists Set Homecoming

By Frances Weater
Homecoming Day will be observed at the First Baptist Church of Lake Mary this Sunday with all day services and a covered dish lunch at noon.

Former pastors of the church will be guest speakers. Rev. Kelly McCollier will speak at the regular morning worship service at 11 a. m. Rev. Willard Bowman will speak after lunch. There will be special singing during the services.

All members and friends are urged to attend and all former members are especially invited to be present.

Prairie Lake Honors Pastor

By Jane Casselberry
A reception was given Wednesday night by deacons and their wives of the Prairie Lake Baptist Church of Fern Park in honor of Rev. and Mrs. Leonard Jones on the occasion of their fifth wedding anniversary.

Refreshments of cake and coffee were served in the Educational Building.

Broadcast Set On Youth Needs

Dr. Oswald Hoffman, widely recognized Protestant churchman will discuss the needs of youth for religion on Sunday's "Lutheran Hour" heard locally at 8 a. m. over Orlando radio station WFLV.

His discussion will center upon the question, "are we leading our children and young people to the maturity of judgment and wisdom they require?"

A RARE FRIENDSHIP has sprung up between "Pom Pom," the white poodle and "B-Jack," the golden horse, since North Orlando Mayor and Mrs. Frank Faulla gave their daughters, Jackie and Becky Pearson, the horse as a surprise Christmas gift. "B-Jack," temporarily stabled at the Village Sewer Plant site, also is a number one attraction for the girls' many friends. (Herald Photo)

Women To Make Cancer Pads

By Jane Casselberry
The Women's Club of Casselberry will devote next Wednesday's meeting to making pads for cancer patients.

All members and any others wishing to help with this worthy activity are asked to meet at the Women's Club Building on Overbrook Dr. at 1 p. m.

Mrs. C. K. Fisher, chairman, requests that those planning to participate bring scissors, yardsticks, straight pins, needles, white thread, newspapers and clean worn-out white sheets and pillowcases.

Refreshments will be served.

Church Officers To Be Installed

Installation for new officers of the church will be held Sunday by Sanford's Lutheran Church of the Redeemer during the regular 10:30 a. m. worship hour.

Rev. Herbert W. Goerz, pastor of the church, will conduct the installation.

New officers are Vernon Feddersen, president; Charles E. Senkarik vice president; Loidr. Elmer Tallman, secretary; H. Stanley Ale, treasurer and John Senkarik, financial secretary.

New elders are George Daniels and James Ekern heard locally at 8 a. m. over Orlando radio station WFLV.

Speakers for the program will be supplied by Project Alert.

Tenth grade mothers of the first five sections will serve refreshments following the program and meeting.

Bryant Approves Big Changes In Florida's National Guard

TALLAHASSEE (UPI)—Gov. Farris Bryant Thursday approved a reorganization of the Florida National Guard, increasing its ranks by only 120 men but making vast changes in the physical setup and potentialities for "hot or cold war."

The changes are part of an overall reorganization of the guard in each state in a Department of Defense move to boost its effectiveness as a national security unit.

Among the major changes to be made are:

The Florida guard will be completely self-contained instead of sharing its strength with other state units as in the past.

A new operational headquarters at Jacksonville for tactical command training supervision will be established.

The guard will be under the command of three general officers instead of the present two.

The guard will get additional anti-aircraft and other units as a result of the Cuban situation.

Bryant said he has notified the Secretary of the Army of his consent to the changes and asked that they be made effective Feb. 15.

Adjutant General Henry McMillan said that although the man-power of the state guard will only officially be increased from 7,500 to 7,620, the general changes will make the guard ready for "hot, cold war or brush fire purposes."

Rather than sharing units with Georgia and South Carolina, the Florida guard will be self-supporting. The state will give up all elements of the 51st Infantry Division which is being eliminated, and will hand its elements of the 48th Armored Division over to the Georgia guard.

4-H Club Prize Winning Plaque On Display

By Mona Grinstead
One item which is proudly displayed today by members of the North Orlando 4-H Club is the plaque the group recently received as one of the first place winners in the annual Jaycee Christmas Parade.

The club entry placed first in the division for junior civic organizations.

Idea for designing the float was submitted by Margaret Stevens, junior leader of the club, who also received the plaque from Jaycee John Spolski at a dinner held at the Sanford Civic Center. Attending the dinner with Miss Stevens was Mrs. Anton Kreeck, club leader.

Many members of the 4-H club worked to create the float along with Mr. and Mrs. Kreeck and Bill Harris and daughter, Myrtle, an active club member.

The plaque is on display at the Kreeck home where regular 4-H meetings are held on Thursday afternoons.

NORTH ORLANDO 4-H CLUB MEMBERS proudly display the plaque received for winning a first place in the annual Christmas Parade. Showing it off are, front from left, Ronnie Ryan, Myrtle Harris, Jeff Kreeck and Martha Dean. Ebenezer Plans Future Events

Upcoming events for members of the Ebenezer Methodist Church have been announced by Rev. Raymond Gregory, pastor of the Church.

Members and trustees of the church will attend a Training in Stewardship through the Commissions workshop to be held at the First Methodist Church of Sanford at 7 p. m. next Thursday.

On Jan. 20 Ebenezer will conduct a school of Evangelistic Teaching for Officers and Teachers and a Training Session for Visitation Teams between the hours of 3:30 p. m. and 5:30 p. m. at the church.

A barbecue chicken supper will be sponsored by the Ebenezer Men's Club from 3 p. m. until 7:30 p. m. at the church on Jan. 23. Dinners for adults and children under 12 years of age will be available at nominal prices.

Lutheran Youth Groups Set Projects

Young people of the Lutheran Church of the Redeemer will meet at the church Saturday from 2 p. m. until 5 p. m. for an afternoon of work on the church grounds.

On the afternoon of Saturday, Jan. 26, the groups will sponsor a car wash at the Texaco Service Station near the Farmer's Auction Market.

Proceeds from the project, set from 1:30 p. m. until 5 p. m. will go towards youth work of the church including summer camp, leadership training school and other similar activities.

Youth Rally Plans Being Formed

The steering committee planning the interdenominational Youth Rally met at the First Presbyterian Church. The committee, which consists of high school age young people, is headed by President Tom Hinson from the First Christian Church and has representatives from all Lutheran, Methodist, Presbyterian, Baptist, Congregational, Christian and Episcopal youth groups in Sanford.

The committee is completing plans for the interdenominational Youth Rally to be held Feb. 2, at 7:30 p. m. at the Seminole High School Auditorium. Dr. Luther D. Kistler, pastor of St. Johns Lutheran Church of Winter Park, and state director of young people of the United Lutheran Synod will bring the message, "Our Unity in Christ." Music will be provided by a youth choir consisting of members of all groups represented.

A fellowship hour will be held immediately following the service in the school cafeteria.

Legislators Still Evasive

SARASOTA (UPI)—Most of the Florida Legislature convened here informally today for another do-or-die try at reapportionment, and the outset agreement seemed as evasive as ever.

The House appeared dead set against raising its present membership of 93 to 144, a plan being plugged by Gov. Farris Bryant to go with a proposed Senate of somewhere between the present 38 members and 42 members.

Support was growing among representatives for a 100-member House. But there was doubt the Senate, where the majority has already agreed informally to the 42-144 lineup, would go for this alternative.

The governor was due tonight to join the legislators and a few other state officials in the weekend of socializing, a few business meetings and the reapportionment struggle.

Bryant scheduled a news conference Saturday morning, but it was doubtful he would be able to then to announce he had assured agreement on a reapportionment that would let him call the Legislature into special session again.

Legislative council committee meetings were scheduled both today and Saturday on highway safety, insurance and mental health.

With these things, plus a round of social events, said House Speaker Mallory Horne, it might be Sunday before legislators could tell their thoughts on reapportionment and a final standing on various plans can be laid out. He said he may have a full meeting of House members Sunday if prospects for agreement seem good.

Plight Of The Individual

The impact of the advancing scientific-industrial revolution on individuality is a matter of mounting interest to the experts on human behavior.

We are all familiar with the lament about conformity and the "organization man." The picture is given of an American individual pressed more and more tightly into a vast, impersonal mold.

In the view of some scientists, the individual feels himself powerless to influence or control any major part of today's complex, technical, far-flung outside world. So, by and large, he seeks to blend with the "organization" landscape.

The experts contend that neither adults nor youngsters attempt open, broad-scale rebellion against their present world. For revolt implies belief that a condition or circumstance can be altered and is therefore manageable.

Even if much be granted to these experts — and they can document their case well—there is considerable evidence that individuals in this country (and elsewhere) are continuously finding ways to assert and maintain their own special style of life.

Criminologists, with tongue only partly in cheek, offer the many varieties of embellishment and other theft from business establishments as one sign.

Author David Reisman and others note another phenomenon which they call "privatism." This is meant to de-

scribe a turning inward toward the family and the individual self, with the idea that these limited areas, at least are manageable.

Kenneth Keniston, assistant professor of psychiatry at Yale Medical School, writes in The American Scholar quarterly that today's young people seem particularly bent toward privatism. They stress two things: building a family of their own and making something special of their leisure. Says Keniston:

"In both these areas, we see a search for private styles of life that will be predictable and under control."

The great response of many of America's young to the Peace Corps challenge, with its stress on individual responsibility in often remote places, suggests the hunger that exists for "private style."

Any such manifestations of individualistic effort, young or adult, are highly welcome in an age that seems so weighted with impersonal, ungovernable elements.

But privatism, a turning inward, provides a limited, inadequate answer. It yields too much public indifference to the trend of affairs. It breeds selfishness, with sometimes bad blind spots in behavior toward others in public places. It encourages inactivity in politics.

This country will be on a better road when more Americans recapture the once immensely important idea that individuality is something not just to be practiced privately but to be exerted publicly.

Political Notebook

WASHINGTON (NEA) — It will take six months to complete delivery of the second half of \$53 million worth of food, drugs, medical, dental and surgical equipment to Fidel Castro as ransom for the 1,113 Bay of Pigs invasion captives already released and returned to the United States.

What the Cuban Communist puppet gets out of it is a two-year supply which Russia and the Red bloc countries were not able to give him in return for sugar. It makes up a 250-page list of over 10,000 items.

Scarce foods, particularly baby foods, make up \$30 million of the ransom. They were supplied by 22 United States food processors whose participation in this mercy operation has not been fully appreciated nor given the credit deserved. They were contacted through the Grocery Manufacturers of America, Inc., by their president, Paul S. Willis, of New York. Their contributions, because of their bulk, will make up most of the shipments in coming months.

The list of foods to be sup-

plied is a sorry confession of the run-down condition of Castro's Communist economy.

A partial list of what it has not been able to supply the Cuban people includes: shortening and cooking oils, diet foods, onion, tomato and chicken soups, canned meats, vegetables and fruits, white flour, baking soda, breakfast cereals, juices, cake mix, puddings, gelatin, cocoa, dehydrated potatoes, soda crackers, macaroni and noodles, canned corn with peppers, evaporated milk.

The other \$23 million ransom is payable in medical supplies. Greatest demand was for antibiotics, blood plasma, steroid hormones, insulin, tranquilizers, tetanus toxoids and antitoxins. Brand names were specified for most items. They were taken from two-year-old catalogs. Some items requested are no longer in production. Modern substitutes were provided.

Principal suppliers were members of the Pharmaceutical Manufacturers Assn., whose president is Eugene

Beeley of Indianapolis. Not all the 140 members of the trade association make items on the Cuban list. But under their Washington office until Dr. Austin Smith, phone calls went out that rounded up the initial \$11 million shipment in short order.

Thirty-five manufacturers of medical, surgical, dental and veterinary equipment and seven suppliers of miscellaneous X-ray machines and laboratory equipment also contributed.

A list of the 140 donor companies and the amounts of their products contributed for the ransom will be announced by the American Red Cross as soon as clearances are obtained.

Departments of State, Justice and the Internal Revenue Service have given assurances that the 130 firms will not be prosecuted for their co-operation under trading with the enemy, anti-trust and income tax laws. All donations will be considered tax-deductible contributions to the American Red Cross at wholesale value.

Back of this tremendous operation, executed in a few days, was a complicated financial transaction for completion of the ransom payment. A \$53 million letter of credit had to be obtained to assure Castro that the balance of the ransom beyond the down payment would be forthcoming. This was arranged through Royal Bank of Canada, in Montreal, as banker for Cuba. It was guaranteed by two \$26.5 million letters of credit from Bank of America in San Francisco and Morgan Guaranty Trust of New York. Finally, the American Red Cross and American Individual Supply firms were bonded by Continental Insurance Co., of New York.

Castro's insistence on all this financing explains in part his demand for an additional \$2.9 million cash ransom just before the final 400 prisoners were released.

When Castro released the first 60 ill and wounded prisoners last April, he was promised a \$2.5 million ransom payment by the Cuban Families Assn., through Royal Bank of Canada. When the Cuban Families could not raise this amount, Castro slammed shut his prison doors on further releases.

He got his blood money, plus interest, in the final holdup after New York Attorney James Donovan thought he had completed arrangements for the release of all prisoners.

The list of donors of this \$2.9 million ransom, raised by Atty. Gen. Robert F. Kennedy and Gen. Lucius Clay, still has to be smoked out.

The young martyr, Joan of Arc, was beatified by Pope Pius X in 1909 as the first step toward canonizing her in the Roman Catholic Church. She was formally declared a saint in 1919.

Dear Dad:

Dr. Crane's

Worry Clinic

Molly finally confessed the truth and then asked for the best strategy by which to win a husband. Girls, be sure to scribble this case. For men become putty in your hands when you disarm them by the method outlined below. They get so confused, they forget they are the "hunted" and then try to sell you on accepting a wedding ring!

CASE O-420: Molly M., aged 20, is the student nurse mentioned yesterday.

"Dr. Crane, I was fibbing," she admitted, unhappily. "For I'd really like to be married. But I figured I didn't have much chance, so I have tried to put it out of my mind. And my acne has bothered me ever since I entered high school."

"So what is the best strategy to use in winning a husband? Even pretty girls don't always succeed and I am certainly not pretty."

Cupid's Best Strategy Molly really was attractive and certainly average or better in good looks, despite her facial inferiority complex.

So I gave her the psychological secret for winning a husband. In a nutshell, it involves disarming the boy and putting him at his ease.

Most men like to flatter their own egotistical ego by thinking that "all girls are desperately trying to catch me for a husband."

This almost universal outlook of the male sex causes boys to be on guard and constantly suspicious, even of a girl's innocent words and actions.

"She's just trying to lasso me," is the typical male viewpoint.

So you girls should widen your perspective by realizing that this planet Earth is just a classroom in God's Cosmic School System.

You should have many goals besides marriage. So broaden your perspective and pick some constructive career.

Set your goal at nursing or teaching or being a Youth Director in a church, or a missionary, etc.

Then, when you are in a social group, tactfully let it be known that you are working toward such an altruistic career.

Dick West Says

Old Home Week

WASHINGTON (UPI) — My mental impressions are not always as reliable as plaster of paris, but the opening of the 86th Congress in some ways reminded me of a gangster's funeral.

Among other things, there were gatherings of relatives dressed in the nines, profuse sprouts of hot house flowers and lines of curious on-lookers.

Such trappings are associated in my mind with the last rites of a prohibition era crime czar. I half expected to see a horsehoe wreath with a streamer reading "So long, pal."

But if the background was somewhat funereal, the spirit that prevailed was more like old home week. There is no warmer camaraderie than the reunion of politicians who have survived an election.

Fully 30 minutes before the session began at noon, senators and congressmen were assembling in their respective chambers to catch up on their handshaking.

They shook hands with each other individually, and then they shook hands with each other in groups, ring-around-the-rosy style. Occasionally, they even shook hands with themselves.

Then began the ceremonial opening, which is as highly stylized as the mating dance of the whooping crane. But each chamber does it differently.

The Senate, being a continuing body, knew in advance who its presiding officer would be—Vice President Lyndon B. Johnson, as stipulated in the Constitution.

The Constitution doesn't stipulate Johnson exclusively, however. Any vice president will do.

The Senate proceeded swiftly to the swearing in of new members, most of whom actually were old members.

Among the returnees was the 84-year-old dean of the Senate, Sen. Carl Hayden (D-Ariz.)

Among the newcomers was a 30-year-old Massachusetts Democrat whose name I didn't catch—Cannady, or something like that.

The House knew in advance who its presiding officer would be, too, but it had to pretend that it didn't. It must elect a speaker every two years.

This year's contest was be-

tween Reps. John W. McCormack (D-Mass.) and Charles A. Halleck (R-Ind.). McCormack won, 256-173, the point spread being almost identical to the party lineup in the House.

McCormack must have been confident of the outcome. Copies of his extemporaneous acceptance speech reached the press gallery even before the voting started.

Sanford Takes On Wildwood Tonight

The Seminole High School cagers will try some new tactics and new faces tonight at Bill Fleming Gym when they play Wildwood.

Coach Ralph Stumpf has had his charges working on new maneuvers all week and will shift his lineup for tonight's contest against the Orange Belt Conference foe.

Reserves Ken Tyre, Billy Higgins and Barry Johnson are expected to see more than usual action tonight as the Seminoles try to get some spark into their attack. Some changes in the starting lineup are likely.

The Seminoles got off to their slowest start of the season against Apopka and only scored two goals in the first quarter. Stumpf has been trying to concoct a way to get a little more fire into the offense.

The Sanford Jayvees, winners of seven straight, will open tonight's bill at 6:30 p. m. and the varsity contest will follow.

Faulk Leader Of Kader Golf Tournament

Jeanne Faulk took a one stroke lead in first round of the Kader Tournament for the women of Mayfair Country Club when she stroked her way around the famous course for a net score of 71.

One stroke behind Mrs. Faulk, with a 72 net, was Frances Phillips, and Hazel Dargo came in third with a net 75.

Results in the regular weekly tournament, scored on a low gross basis were: Class A, Jeanne Faulk, 78; Class B, Frances Phillips, 82; Class C, Barbara Sowell, 104 and Class D, Hennis Batson, 124.

Four members of the club will journey to Palatka next Thursday to participate in the Intercity Tournament, sponsored by the Women's Golf Association of Central Florida.

Podres, Maris Due Cuts In Pay

By United Press International Johnny Podres is so happy he's signing without looking and don't be surprised if Roger Maris does too.

The fun-loving Podres picked up a newspaper at his Withersbee, N. Y., home the other day and noticed a story saying the Los Angeles Dodgers had sent out their contracts.

Johnny hadn't even received his Thursday but he sent the following wire to General Manager Buzzy Bavasi: "Accept terms of 1963 contract."

He meant it, so when the contract finally does come, the 30-year-old southpaw will merely affix his signature and shoot it back to the Dodgers in the next mail.

Podres won 15 games and lost 13 last season and will be somewhere in the \$30,000 to \$33,000 bracket this year.

The world champion Yankees haven't sent out their contracts yet and won't for at least another week but from all indications Maris will not be asked to take a cut, and if he is it won't be a large one, even though his home run output slidded to 33 from a record 61 the year before.

Maris received approximately \$67,000 last season after setting the home run record, driving in 142 runs and batting .269 in 1961.

He hit .256 and drove in 100 runs last year, causing some to feel he had a poor year along with his sharp drop-off in homers.

Par Forgotten In Diego Open

SAN DIEGO, Calif. (UPI)—The second round of the \$25,000 San Diego Open Golf tournament got underway today with most of the players wondering just what kind of golf they were going to have to shoot to get in the money.

There were 46 professionals and one amateur who broke par Thursday. Of these 30 shot in the sixties—and still none of them caught Billy Casper.

Casper fired a seven-under-par 64 on the par-71 course. Tony Lema, PGA champion Gary Player and Canada's Stan Leonard each shot a 65—and all that got them was a tie for second place.

The Stardust Country Club is a short 6,900 yards on flat terrain. But on top of that, it has some of the finest greens in the world. The result is a field day for the professionals.

Florida Sportsmen Set Mark In Miami-New York Boat Run

NEW YORK (UPI)—Florida sportsmen Edward Joyce and Howard Weller established a new motorboat speed record in a 1,518 mile trip from Miami to New York.

Joyce, 40, of Fort Lauderdale, and Weller, 33, of Miami, arrived at 1:56 p.m. Thursday at a Hudson River pier for an overall time of 45 hours over the long water route.

Sam Griffith was clocked in 28 1/2 hours last August over the shorter shore route of 1,256 miles.

The Joyce-Weller tandem ran into numerous difficulties en route to the unofficial American Powerboat Assn. record. The APA will act on the mark as soon as log data and eyewitness reports are coordinated.

At Ocean City, Md., Wednesday, the Florida sportsmen were forced to stop over for three hours for repairs on an engine damaged by a log. They missed an entire day when gale winds forced them to beach on the Virginia coast and they hired a tug to break 35 miles of ice blocking the Intracoastal Waterway below Great Bridge, Va.

New Competitor To Race Tonight; Matinee Slated

C. H. Scott's Pansy Cross, who starred here last winter and at Daytona Beach last summer, gets her first start of the season in the featured tenth race on an 11-race program at the Sanford-Orlando Club tonight.

In Grade A competition here last winter, Pansy Cross was in the money 12 times in 24 tries. Moving over to Daytona, she accounted for six firsts, five seconds and three thirds in 27 tours of the oval.

Erma Eastman and Refuel also were popular locally while O. B.'s Speaker ran a few times in Grade B and then climbed to Grade B in the tough competition at Taunton.

Rounding out the field for tonight's top attraction will be Apache Rex, Diamond Star, Restless Native and Sarasota Egg King.

J. M. Edwards' highly regarded Restless Native won his first start here Monday night in Grade B in a fast 31.47 seconds. In three schooling starts he posted a first, a second and a third. Apache Rex won his last outing in Grade B at Tampa. He is owned by G. A. Alderson.

The second matinee of the season is on tap Saturday starting at 2 p. m. Bonnie Abbe, who was undefeated in pre-season schooling, led from box to wire to win the featured ninth race Thursday night at the Kennel Club.

Hornsby Buried In Ghost Town

HORNSBY BEND, Tex. (UPI)—Rogers Hornsby, baseball's greatest right-hander hitter who asked no quarter and gave none, was buried Thursday in this tiny ghost town.

The ceremony amid a clump of oak and cedar trees drew some of baseball's top names, including Milwaukee Braves manager Bobby Bragan and St. Louis Cardinal manager Johnny Nease.

Sherman will have a full-back who can almost match Taylor in Jim Brown of the Cleveland Browns. Brown was named played of the game in the Pro Bowl last year even though he and the Easterners lost 31-30.

In addition to the pride in victory, there's a money incentive for winning the Pro Bowl. Each member of the winning squad gets \$500. The losers have to be content with \$600 for the afternoon's work.

Champ Trains

SAO PAULO, Brazil (UPI)—World bantamweight champion Eder Jofre of Brazil, the World Boxing Association's "boxer of the year" for 1962, began his training program Thursday for a title defense against Katutoshi Oaki of Japan at Tokyo, March 2.

THERE WERE SIX ROE IN THE 17 shad shown here, caught by Wayne Kimbrough of Lake Mary, and W. A. McDade of Sanford. They checked in at the Osceola Fish Camp near Geneva Tuesday morning.

Miami Fight Halted, Baltimore Makes Bid To Lure Title Event

BALTIMORE (UPI)—Fight-hungry Baltimore cordially invited Floyd Patterson today to visit the city and be convinced that's where he should meet Sonny Liston in their return heavy-weight title bout.

Champion Liston is so Baltimore conscious that on Thursday he called off his tentatively scheduled match with Patterson at Miami Beach, April 4, and demanded that Floyd fight him at Baltimore in May if he wants the return shot.

Lou Grasmick, wealthy Baltimore lumber dealer and civic leader, said, "I've wired an invitation to Floyd to come and inspect Baltimore's new \$14 million civic center, and meet our Civic Center commissioners and our boxing commissioners and a flock of other people."

Grasmick added that he had told Floyd to bring his advisor, attorney Julius November and members of his training-camp entourage and the promoters from Championship Sports, Inc., and other friends.

"I told Floyd that Baltimore is hungry for a big fight and that no metropolis in the world would welcome his fight more heartily."

Grasmick, one-time professional baseball pitcher who worked a couple of games with the Philadelphia Phillies, said the Civic Center could seat 14,000 for a fight and provide a gate of between \$200,000 and \$250,000.

Lumber dealer Lou emphasized in his telegram that Championship Sports need not tie up with any Baltimore promoter in order to stage the fight at Civic Center.

President Tom Bolan of Championship Sports announced Thursday that plans for the Miami Beach fight in April had been "halted."

Brown Now Vice President Of - - ?

CLEVELAND (UPI)—Paul Brown, shorn of his duties as coach and general manager, believes he will serve the Cleveland Browns in "an advisory capacity."

Brown, fired Wednesday by club president Art Modell, said he would be a vice president of "I don't know what."

Speaking in a more serious manner, Brown, whose teams have been a power in the National Football League for the past 13 years, indicated his contractual obligation would prevent him from accepting a new post immediately.

"The contract still has six years to run, and because of consideration, including stock option, it would be difficult for me to take another job," Brown said, "without coming to some sort of financial settlement on the remaining years of the pact."

Modell started the sports world late Wednesday when he announced Brown was being removed as coach and general manager "for the best interest of the team."

After the firing, Modell said he was considering several men as successors, but he refused to identify them. Among those mentioned as possible choices were Otto Graham,

currently coaching at the Coast Guard Academy, and Blanton Collier, a Brown assistant.

Modell, however, did say recently fired Baltimore coach Weeb Ewbank "was not being considered at this time."

The president refused to give any additional information as to what led him to make the move.

"I stand on my first announcement," Modell answered.

Brown, when asked if the firing could have resulted from contractual differences with Modell, said "I did not have the feeling that anything was building up."

"I guess I'm sorta on the shelf as far as coaching goes," Brown said. "I probably won't notice any change until next July when it comes time for the team to resume practicing."

Brown's overall record includes 296 victories, 76 losses and 15 ties. Among these are a 52-4-3 mark in the now defunct All American Conference and an 18-9-1 record as head coach at Ohio State. A 7-6-1 mark was chalked up by his 1962 Browns which wound up in third place in the Eastern Division of the NFL.

Pro Football Curtain Finally Falls With All-Stars Sunday

LOS ANGELES (UPI)—The violent world of professional football reaches its annual climax Sunday in the 13th Pro Bowl, pitting stars from the Eastern Division of the National Football League against top-ranked players from the Western Division.

The West is favored in the betting marks by 3 1/2 points, probably because of the presence of eight members of the champion Green Bay Packers on the squad. The West has an 8-4 edge in the series. Green Bay

coach Vince Lombardi is master-minding this year's western effort and he's got quite a psychological edge—Lombardi has never lost a game as a head coach in the Memorial Coliseum here.

His starting lineup will probably be sprinkled with a large representation of Packers including fullback Jim Taylor, league-leading rusher and scorer during the 1962 season. Taylor has hospitalized briefly this week for observation of abdominal pains. Appendicitis was suspected but the pains subsided and he was given an okay by the doctors.

Coach Alie Sherman of the New York Giants, champions of the Eastern Division, is handling the East squad. His No. 1 quarterback is Y. A. Tittle, 36-year old giant signal caller.

Sherman will have a full-back who can almost match Taylor in Jim Brown of the Cleveland Browns. Brown was named played of the game in the Pro Bowl last year even though he and the Easterners lost 31-30.

In addition to the pride in victory, there's a money incentive for winning the Pro Bowl. Each member of the winning squad gets \$500. The losers have to be content with \$600 for the afternoon's work.

Hurricanes Beat Gator Cagers

By United Press International Sophomore Rich Barry paced the Miami Hurricanes to an 86-77 victory over Florida, the only Southeastern Conference team in action Thursday night.

It was Miami's second victory of the year over the Gators.

Barry, hitting from the inside on short jumps and driving layups, poured in 31 points for the Hurricanes. Mike McCoy had 16 points for Miami.

Miami overcame a 32-31 Gator lead midway in the first half and was never in trouble from then on. The Hurricanes led 51-46 at the half.

Guards Tom Baxley and Brooks Henderson scored 18 points each for the Gators.

There were 46 professionals and one amateur who broke par Thursday. Of these 30 shot in the sixties—and still none of them caught Billy Casper.

Casper fired a seven-under-par 64 on the par-71 course. Tony Lema, PGA champion Gary Player and Canada's Stan Leonard each shot a 65—and all that got them was a tie for second place.

The Stardust Country Club is a short 6,900 yards on flat terrain. But on top of that, it has some of the finest greens in the world. The result is a field day for the professionals.

Florida Sportsmen Set Mark In Miami-New York Boat Run

NEW YORK (UPI)—Florida sportsmen Edward Joyce and Howard Weller established a new motorboat speed record in a 1,518 mile trip from Miami to New York.

Joyce, 40, of Fort Lauderdale, and Weller, 33, of Miami, arrived at 1:56 p.m. Thursday at a Hudson River pier for an overall time of 45 hours over the long water route.

Sam Griffith was clocked in 28 1/2 hours last August over the shorter shore route of 1,256 miles.

The Joyce-Weller tandem ran into numerous difficulties en route to the unofficial American Powerboat Assn. record. The APA will act on the mark as soon as log data and eyewitness reports are coordinated.

At Ocean City, Md., Wednesday, the Florida sportsmen were forced to stop over for three hours for repairs on an engine damaged by a log. They missed an entire day when gale winds forced them to beach on the Virginia coast and they hired a tug to break 35 miles of ice blocking the Intracoastal Waterway below Great Bridge, Va.

The pair started their long journey from Miami Jan. 4.

Starlet Awards Jai-Alai Trophy

Lovely Nancy Czarn, 27-year-old starlet fresh out of Hollywood, graced the Orlando-Seminole Fronton last night as the guest of the management and presented two-time winner Jaclin with the trophy for the featured eighth game singles match.

Also guests of the Fronton last night were Monte Meli, general sales manager, attending a seminar at the company's Orlando general office.

Jaclin was a double winner, taking the trophy game single-handed and then the all star eleventh with Lore in a climactic finish with spectacular plays. Badilla and Agustin were out in front most of the exciting eleventh and then Arratibel and Zubi made their move, but it wasn't enough to displace Jaclin and Lorenzo.

Jaclin also moved fast in the featured eighth, taking six straight points before being being taken out by Pradera. Pradera then duplicated Jaclin's performance with six straight. But Jaclin clinched the victory on his next time around and Pradera had to settle for second money.

PLYMOUTH'S HIT IT BIG!

BIG IN SALES! BIG IN BEAUTY! BIG IN QUALITY!

Orders for the new Plymouth 63 are running far ahead of last year at this time. Part of the reason, of course, is Plymouth's beauty. Clean, crisp, and contemporary. Another: America's first 5-year/50,000-mile warranty! Here's proof aplenty that Plymouth's put together to stay together for a long, long time!

5 YEAR WARRANTY

Your Authorized Plymouth-Valiant Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair, without charge for required parts or labor, for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts (excluding manual clutch); torque converter, drive shaft, universal joints (excluding dust covers), rear axle and differential, and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Plymouth-Valiant Certified Car Care schedule.

"SWEETHEART"

MISS ANNE AIKEN, daughter of Mr. and Mrs. Dick Aiken, will be installed as Worthy Advisor of the Rainbow Girls on Jan. 20.

Anne, who reigned as DeMolay Sweetheart at the annual Rainbow-DeMolay Ball just before the end of the year, shared her sovereignty with DeMolay Senior Counselor, Eddie Hamilton, who was chosen Rain Beau of the Rainbow Girls.

As Sweetheart, Anna was presented with a lovely corsage from the boys, and Eddie received an appropriate gift from the girls.

Anne has been an active member of the Rainbow organization, has seen duty during the past year as Worthy Associate Advisor and was privileged to serve in the Grand Choir at the Rainbows Grand Assembly last summer. She is a member of the Junior Class at Seminole High School and active in many school events.

VIDA SUE SMITH

MISS VIDA SUE SMITH, pretty daughter of Mr. and Mrs. Milton Smith, has been selected for the freshman class at Tift College at Forsyth, Ga., to be one of the attendants in the May Day Court.

While a student at Seminole High, she was chosen as one of the senior sponsors for Homecoming, was a hostess for the Junior-Senior Prom, a member of the Chorales and played on the Powder Puff team.

At Tift, Vida Sue is taking pre-med courses in preparation for further studies in the med-tech field.

DARLENE AND WADE TYE have recently returned from an interesting and exciting vacation in Washington, D. C., where they really got to see a white Christmas, as the worst snowstorm in years all but paralyzed the city.

The local couple and their children, Gayle, seven, and Hubin, four, stayed with Darlene's sister, Mrs. Jack Kenyon, whose husband, Capt. Jack Kenyon, is executive of the USS Forrestal. He was not able to come home for Christmas as the ship stayed at sea.

"We took in all the tourist attractions," said Darlene, adding that "There's so much to see, and it's all so interesting." On the way home, they stopped in Savannah and did some sightseeing there at the former pirates house, the old museum and the fascinating Savannah waterfront.

Darlene's mother, Mrs. Hazel Gillies, flew to D. C. from San Diego to join the family there, and plans to come on down to Florida for a few weeks visit here.

AMONG THOSE receiving degrees at mid-term from

FSU was Teddy Walker Jr. who earned a bachelor degree in arts and sciences, majoring in American history. He is a member of Phi Delta Theta fraternity.

Always in the forefront of school activities, Teddy received the Leadership Award from the Jaycees when he graduated from Seminole High School in 1958. He served as Student Council Senior Advisor, was a member of the Key Club and the Double Quartet.

Active in athletics, Walker won the Sportsmanship trophy for football which was presented by WTRR. While waiting to hear from his application for Navy OCS, the new graduate is helping his father at Angel's Restaurant. His mother is well-known as a member of the Sanford city library staff.

THE NAME of the "Mystery Store" which you read about in last week's Herald is the "Kwikie."

The reason it is a "mystery store" is because your columnist, who wrote the business feature about the new service, neglected to mention anywhere in the entire article the name of the new establishment.

When we stopped by later to pick up coffee and cigarettes, general manager and part-owner Bob McKee asked if we did that on purpose or just "for fun." Had to confess the unintentional oversight was mine alone... however, it passed the advertising manager's scrutiny, the editor's baleful eye, and the proof-reader's big black pencil, with nary a questioning eyebrow.

The "Kwikie" is a mighty handy little store, and every day more people become aware of its convenience. Good location, too, 2545 French Ave., almost across from Mel Dekle's Gulf Station.

GET OUT YOUR GLAD RAGS, everybody's going to the Policeman's Ball Saturday night at the Mayfair. It's always a happy event, one of the more informal dances of the year, but one of the gayest and most entertaining.

When the usual poker-faced and dignified Sanford police officers trade their uniforms and guns for civies and dancing shoes, seems like everyone else relaxes, too, and a good time is always "had by all."

HARD-WORKING HEART COUNCIL officials are planning a "let's get organized" meeting for tonight at Merle Warner's house, and the Heart Sunday Chairman and other leaders of this year's drive will be named.

This is one of the most efficient of the local fund-raising organizations and the veteran members of the Heart Council are quietly determined in their continuing fight to overcome the nation's number one health enemy.

Every family has felt the touch of this most vicious disease, which so often strikes without the faintest warning—though sometimes warnings are ignored because they are not recognized as such.

The hard-working dedicated nucleus of workers, many of whom have served for years and continue to do so, includes Ernest Southward, local grower and a native Sanfordite, who is a state director of the Florida Heart Assn. and who has been almost the "heart" of the organization for a number of years, though he hasn't had his name in the papers much. Ernie's knowledge and guidance is invaluable to the successful functioning of the organization, and this is made even stronger by the overall view which he gains by being on the state executive board.

Another one of the most knowledgeable and hard-working of the council nucleus is Lorella Munson, who has also taken a backseat lately but nevertheless is depended upon by the group for strong support and assistance.

Others in the group who work behind the scenes with little fanfare, shunning publicity and giving others the credit, include Dorothy Odham, Tina and Tom Armas, Dr. Leonard Munson, Ed Si-

MRS. FRED WALLACE POPE JR.

Jane Laird Miller, Lt. F. E. Pope Jr. Married In Jacksonville Ceremony

Miss Jane Laird Miller, daughter of Mr. and Mrs. William Whitfield Miller Sr., of Jacksonville and Lt. Fred Wallace Pope Jr., son of Mr. and Mrs. Fred Wallace Pope Sr., of Sanford, were married Dec. 27 at 4 p.m. at the Riverside Presbyterian Church in Jacksonville.

Rev. Albert Kissling, pastor, officiated at the ceremony. Marshal Pierson, a friend of the couple, presented a program of wedding music. Given in marriage by her father, the bride wore a white formal length gown of pearl trim featuring a round neck, plain bodice trimmed with lace and pearls at the waist, elbow length sleeves and a straight front skirt with full back, ending in a chapel train. Her shoulder length veil of illusion was attached to a pleat of sole rose cap over-sewn with pearls and she carried a lover's knot of roses, bride's orchids and stephanotis.

Miss Patricia Bates of Marietta, Ga., was maid of honor and bridesmaids were Kath-

leen Burch, Ft. Lauderdale; Priscilla Porter, Naples, and Mary Caroline Elmore, Jacksonville and Lt. Fred Wallace Pope Sr. acted as best man for his son. Ushers were Kim Pope, brother of the groom, Leo Turner and Ena. Berry St. John, all of Sanford; Robert E. Park of Sanford and Gainesville, and Charles Milford.

The maid of honor and bridesmaid wore identical dresses of royal blue featuring velvet bodices and satin bell shaped skirts. Their veils were attached to pearl trimmed velveteen bands and they carried nosegays of yellow shasta daisies.

Following the ceremony, a reception was held in the

Riverside Woman's Club. For her going away outfit, Mrs. Pope chose a Kelly green suit with milk trim.

The couple left for a wedding trip up the East Coast

enroute to Baltimore, Md. The groom is serving in the Army Intelligence Corp. and is stationed at Fort Holabird. Their new address is 2911 Liberty Parkway, Baltimore.

She is able to have visitors.

Dear Abby: By Abigail Van Buren

DEAR ABBY: If I buy one of those Senior Citizens Homes for retired old folks and the woman who has been my darling wife for 44 years drops dead on the golf course because she's not used to all that exercise, and then I marry a cute young chick and we have two or three kiddies, what should I do? They don't allow children at the Senior Citizens Homes for retired folks.

LOOKING AHEAD

DEAR LOOKING: Don't count your chickens before they're hatched. I'll help you solve that problem when the time comes.

DEAR ABBY: I am 13 and my problem has to do with my mother. I have an older sister and a younger brother. My mother favors my sister because she's the oldest, and she favors my brother because he is the youngest. That leaves me in the middle. I have really tried hard to be nice to my mother but it never turns out right. We just don't seem to get along. What can I do?

MIDDLE CHILD

DEAR MIDDLE CHILD: No matter what position you play in the family game, you see only the drawbacks. The oldest complains that when a fight occurs, it's her fault because she should have known better. The youngest complains because he has to go to bed earlier and can't do what the older kids can do. Frankly, I think you've got the best spot. Just try harder.

DEAR ABBY: My husband flipped his lid because I was up ironing at two o'clock in the morning. I like to

do my work at night when the children are not under foot and as long as it gets done I don't see why he should care when I do it. He said if I didn't watch TV all day I'd get my work done in the daytime. So now he takes a tube out of the set before he goes to work. Abby, I have eight children under 12 and no help, and watching TV during the day (and I don't watch "all day") is my only relaxation. Do you think he's being fair?

PUNISHED

DEAR PUNISHED: Your husband is behaving like a tyrant. With eight children under 12 and no help, any relaxation you can grab during the day is well earned. Tell him to take care of HIS job and you'll take care of yours.

DEAR ABBY: I work out because I have to support myself and my little pre-school daughter. I have a friend who offered to look after my child in her home during my working hours, which are noon until six. Nothing was said about money because she offered, saying it was trouble and that my little girl would be good company for her little boy who's the same age. I later heard that she told someone that I was cheap because I never offered to pay her. I thought friends did things for nothing.

STRANGE FRIENDSHIP

DEAR STRANGE: Friends do. But apparently you put a strain on your friendship by routinely leaving your child with her every day. If she complained behind your back, take the hint and either offer her money or make other arrangements for your child.

SCAMP and Lady in a scene from Walt Disney's feature, "The Lady and The Tramp" coming to the Movieland Drive-In Sunday.

Disney Film Drive-In Bound

With a great big splash of charm, fascination and pure entertainment, Walt Disney's LADY AND THE TRAMP opens Sunday at the Movieland theater.

Starting from the opening scene a whole wonderful world of dogs cavorts merrily, musically and magically to the delight of all those who observe them. There's "LADY," a society-bred cocker spaniel who provides the ingenue interest. There's "TRAMP," the soldier of fortune from the wrong side of the tracks who handles the heroics in a manner worthy of Rin-Tin-Tin. And there are others: "Jock," "Trusty," "Boris," "Toughy,"

"Bull," "Pedro" and "Dachse," all famous in the Disney album of animated personalities. And here's a special mention for "Peg," the ex-showdog who almost stops the show with her torrid delivery of the hit ballad, "He's A Tramp."

The other feature on the program is "Almost Angels," another Walt Disney film. Both films will play through Tuesday.

On Wednesday and Thursday, "Sail A Crooked Ship" and "The Mysterious Island" will play.

Three films are scheduled for Friday and Saturday. The three are: "Tall Man Riding," "War Lover," and "Damn Yankees."

DORIS DAY, Martha Raye and Jimmy Durante are upstaged at the news that Dean Jagger intends to foreclose their circus in this scene from "Billy Rose's Jumbo," Metro-Goldwyn-Mayer's spectacular version of the Broadway stage musical, also starring Stephen Boyd. The big Panavision and color attraction features seven great Rodgers and Hart song hits and many of the world's most famous circus acts. A Joe Pasternak Production, it was directed by Charles Walters.

Jumbo Set For Ritz

One of the most joyous, romantic, spangled, star and song studded musicals ever to emerge from Metro-Goldwyn-Mayer is "Billy Rose's Jumbo," screen version in Panavision and Metrocolor of the memorable Broadway stage hit coming to their Ritz Theater Sunday.

Boxing's Role Is Discussed

ALBANY, N. Y. (UPI)—The role of boxing in the physical development of young people was to be aired today before a joint state legislative committee studying whether professional boxing should be allowed to continue in New York state.

Mr. Francis Kelliber, director of the Working Boys Home in Buffalo, N. Y., and an advisor to the Golden Gloves tournament; Frederick Fabel, doctor of physical education at the state University of New York at Buffalo, and Rubin Frost, director of physical education at Springfield (Mass.) College, were to appear at the windup session of the two-day hearing before the committee on professional boxing.

Highlights

7:30-8:30 p. m. (CBS) Rawhide "Incident Of The Trail" End. An exceptionally sensitive characterization by guest star Harold J. Stone highlights this episode. He portrays an aging trail boss who is hiding his falling eyesight. For him, who once worked for him, asks him to join the drive unaware of his affliction. Both men are soon aware of his inability to do what is expected of him. Eric Fleming and Clint Eastwood star.

Jacoby On Bridge By Oswald Jacoby

Bobby Jordan and Arthur Robinson of Philadelphia, who finished second in the Phoenix trials, have only been playing as partners for a few years. In fact, Arthur, who is just 26, hasn't been playing bridge very long, but he sure has started out fast. Of course, he had good instruction at home, as both his parents are life masters. Arthur likes to tell about his first duplicate with his mother. He had learned the point count and a little about Blackwood. His five heart bid showed his two aces; his six heart bid showed his two kings and his seven diamond bid was intended to show his one queen. Mrs. Robinson did not know this new Blackwood variation

play of the cards was easy for him. He decided that West's nine of hearts opening was a double ton. In that case he could only count twelve tricks, but Arthur found his thirteenth by means of an unusual trump play. He won the opening heart lead; cashed the king and ace of spades and ruffed a third spade high. He returned to his hand with the king of clubs and ruffed his last spade with another high trump. He then ran off three rounds of trumps, discarding dummy's fourth heart on his third trump. Since trumps broke three-three Arthur had his thirteenth trick and the first top score of what will undoubtedly be a long series of triumphs.

We The Women: By Ruth Millett

With today's beauty aids, any woman can make herself attractive. But while surface appearance will earn the glances of men, no one has yet been able to prepackage the qualities that most men admire, and look for, in women. Among them:

Quiet self-assurance. Men don't like conceited women. They do like women whose manner reflects basic self-respect and serenity. This is infinitely more intriguing than pride of appearance. Gentleness. A gentle nature is an essential part of

true femininity. It is not the same as mere politeness. Vivacity. A vivacious woman brings her own special light into any room she enters; she makes life seem more exciting.

Efficiency. Beautiful-but-dumb women often attract men, but the dumbness is not cute for long. Most men move away from it very quickly.

Tolerance. A woman who is quick to criticize and censure others reveals a shallow personality. She makes men feel uncomfortable.

Kindness. The woman who is genuinely kind and thoughtful has two of the most valuable qualities of all, qualities time can't destroy.

Sauls Explains Racing Board's Role In State

John Sauls, local insurance man and realtor who doubles in brass as chief inspector at the Sanford-Orlando Kennel Club for the Florida State Racing Commission, told of the commission's activities at the Jaycee meeting Thursday at the Civic Center.

He described the commission organization as made up of five members, one from each of five districts, with Sam Pyles of Leesburg as commissioner of the Central Florida District.

The main duties of the commission, said Sauls, is to set dates for race meetings, hold hearings on track activities and police each pari-mutuel installation in the state.

At the dog tracks this consists of checking the dogs for dope before and after each race with saliva tests which are done by veterinarians. A veterinarian also selects a dog at random from those named for the evening's program and gives it a thorough physical to determine its condition for racing.

Also a part of the duties of the commission is to keep strict tabs on the pari-mutuel operation with inspectors and auditors.

He pointed out there are 17 dog tracks, five jai alai frontons and five horse tracks now operating in the state. The new Seminole Park Raceway at Casselberry will be the only harness track when it opens Feb. 1.

The local harness track will operate for 82 nights, the horse (flat runners) will operate for 42 days, the dog tracks run 92 nights and the frontons for 102 nights.

Sauls emphasized that everybody connected in any way with a pari-mutuel installation has to be licensed by the commission. This goes from the manager and owners down to the cleaning crews and even secretaries.

The speaker made the point very strongly that the sole purpose of the commission is to keep the racing activities in the State of Florida honest and he says they do a good job of it.

But, he added, with a humorous touch, they aren't responsible for the people who feel a desperate need for the two dollar window.

Jet Bomber Crash Kills Pilot

WICHITA, Kan. (UPI)—A F47 jet bomber crashed in flames shortly after takeoff during a snowstorm Thursday night. The pilot was killed and two others injured.

Killed was Capt. P. L. Tudwill, 29, of Detroit Lakes, Minn. The injured were 1st Lt. F. J. Medrick, 26, the co-pilot, of Hastings, N. Y., and Capt. H. T. Jones, 24, Oakland, Calif.

The bomber was assigned to the 807th Bomb Wing, Lincoln Air Force Base, Lincoln Neb. The highway patrol said Medrick and Jones were able to parachute to safety. They were reported in good condition at the hospital at McConnell Air Force Base here.

Orlando Youths Caught By Police

GALLAHAN (UPI)—Police captured two Orlando youths Thursday after they had escaped from a city prison farm work gang.

The two identified as James Norman Mullins, 17, and Robert Stevenson, 17, originally of Waycross, Ga., were recaptured after driving through town at speeds of up to 100 miles an hour.

Police said the two will face charges of auto theft.

21 Fraud Counts Bring Conviction

MIAMI (UPI)—John Robert Howard, one-time husband of the late actress Diana Barrymore, was convicted on 21 of 26 counts of mail fraud in federal court here Thursday.

Judge Emmett Chertoff found Howard guilty on charges of having and cashing \$24,000 worth of forged savings bonds allegedly stolen from the mails.

Cuba Was Moral Victory For U. S., Demo Club Hears

The facts that the United States won only a moral victory in the recent Cuban Crisis, that there still are 15,000 to 20,000 Communist soldiers there, that no one is really sure all of the missiles are gone and that Fidel Castro definitely would not hesitate to fire a missile on the U. S. were urgently pointed out by New York Times Caribbean Correspondent Ruby Phillips Thursday night.

Speaking before a dinner meeting of the South Seminole Democratic Women's Club at the Riksha Inn, Miss Phillips traced the tumultuous government of Cuba since it became a Republic in 1902 until the time she was forced to leave the country two years ago on a Swiss permit as all of her own credentials had been taken and never returned.

"It was my opinion that when the president recently mobilized 250,000 Armed Forces we should have gone on with an invasion. This crisis was fostered simply to put us to test and the Communists seem to have come out the winners as the outcome of the whole thing practically guaranteed Castro," she said.

"We put an embargo on supplies to Cuba and today we are sending an estimated \$2 million worth of food and medicine into the country.

"Yet Castro tells the people that all of their troubles are due to the 'imperialists' (North America)," she continued.

She estimated that if the U. S. had continued on into a full scale invasion there would have been "considerable fighting for Cuba has had four years of Communist indoctrination. Their Army is a young Army of approximately 400,000 in the Militia to which everybody belongs . . . man, woman and child. These people work 10 to 12 hours a day then go out to do guard duty. However, we would have won," she concluded.

Appearing with Miss Phillips was the Rollins College "Pro and Con TV Team" headed by Dr. Paul Douglas who arranged the program.

This same group will have Miss Phillips as guest on today's 10:30 p. m. "Pro and Con" telecast over WLOP Channel Nine when the subject will again be on Cuba.

Khrushchev Confers With Pole Leaders On Way To Berlin Talk

WARSAW (UPI)—Soviet Premier Nikita S. Khrushchev conferred with Polish leaders today during a stop-over "rest" en route to the East German Communist party congress in Berlin.

Polish officials said Khrushchev was relaxing somewhere in the province of Olstyn, a resort area which once was German East Prussia. He arrived in Poland by train Thursday.

Wladyslaw Gomulka, the Polish Communist party chief, joined Khrushchev's special train Thursday night after it pulled into a small station in Warsaw's eastern suburbs. Some of Poland's

cabinet ministers were in the party also.

Political observers expected no spectacular developments during Khrushchev's stay of a few days. The Kremlin leader's visit was regarded here as unofficial although it was at the invitation of Gomulka and Premier Josef Cyrankiewicz. It is his first visit to Poland since 1959.

The discussions were expected to concentrate on the Berlin problem. Specific Soviet-Polish affairs were considered by Khrushchev and Gomulka just two weeks ago when they met in the Soviet city of Kiev.

\$10 Billion Tax Cut Asked By JFK

WASHINGTON (UPI) — President Kennedy asked Congress today to cut taxes \$10 billion over the next three years, starting with a 55 billion reduction this year in personal and corporate taxes.

free enterprise system and said the "end of agony" might be in sight in the Congo. But he asked that danger still exists from Cuba to the South China Sea.

Calling for action on his tax reduction program, Kennedy said: "Now, when no military crisis strains our resources, now is the time to act. We cannot afford to be timid or slow. For this is the most important task confronting the Congress in 1963."

County Set To Aid Raceway But, How Much, How Long?

Rebuilding of Seminole Boulevard to facilitate traffic between Highway 17-92 and the Seminole Raceway is a moot question.

County Commission, in a special session Saturday afternoon, agreed to furnish rock and clay for the refurbished roadway along with labor but only if the Raceway authorities would finance the cost of the asphalt roadbed.

Clyde Hart, Raceway president, told The Herald Sunday "we will run over to the commission Monday with a check for \$11,000 or \$12,000" to pay for the asphalt bed.

James P. Avery Jr., commission vice chairman, stated the county will "go along with the early part of the project whenever the Raceway places in escrow the necessary funds to finance the asphalt part of the job."

Bryant Still Seeks Support For 42 Solon Plan

TALLAHASSEE (UPI) — Gov. Farris Bryant said today he will continue efforts to drum up sufficient support for a 42-solon, 144-representative reapportionment plan to make a special session of the Legislature worthwhile.

Without commenting on a veiled threat that the Legislature might call itself into session to adopt a two-stage plan that would delay drastic increases in House membership, Bryant told newsmen that his talk in Sarasota this weekend "look up" the legislators.

Sen. Hodges expressed himself: "You should push at home before approaching Tallahassee." He indicated the trustees of the state's Internal Improvement Fund might put up matching or aligning funds. He also expressed the opinion that the respective county commissions should endorse the program.

Bradshaw Called As 1st Witness

The grand jury recessed for luncheon at 12:10 p. m. today. Other witnesses summoned for the afternoon session are Glenn Snell, Dr. George Westbrook, Marvin McNair, Bill Rosier, J. D. Sudd, W. H. Wainwright, James Lloyd, Sam Williams, E. W. Jackson, and Jim Dice, all of the State Department of Agriculture; H. H. Riley, U. S. Department of Agriculture; A. T. Healy, of the Governor's office, and John Hanner and M. T. Sabina, of the Hi-Acres company.

Grand jury probe into an alleged grand larceny case in the citrus industry here was launched today with a 17-man panel. Nearly 20 men associated with the citrus industry were present to testify before the jury.

First witness called was Charles Bradshaw, owner of Hi-Acres company of Forest City, who previously had estimated his firm lost more than \$200,000 in the alleged larceny during the last two years.

Circuit Judge Volie A. Williams Jr. and State's Attorney Arthur Steed refused comment on the question before the grand jury but State's Attorney William G. Hopkins Jr., of Tallahassee, referred to an executive order filed in Circuit Court here last Nov. 7.

The second witness called before the grand jury today was Chester Blakemore, Tallahassee, personnel director for the commissioner of Agriculture.

In that order, Gov. Farris Bryant named Hopkins "to investigate the alleged conspiracy to commit grand larceny involving Alva Tyndall Hull, Ralph W. Alderman, C. R. Lowdermilk and Billy Lamar Hammond." Hammond and Hull were state fruit inspectors and Lowdermilk and Alderman fruit brokers.

Steed and Hopkins were working together in presenting testimony and calling witnesses before the jury.

Judge Williams, in sending the panel, said the investigation should be completed in one day. He also outlined the procedure for returning or not returning an indictment.

Sent on the grand jury for the fall 1962 term today were: Joseph Warren, Eugene Brewer, W. Henry Benton, Joseph W. Orseno, Theodore J. Deringer, Ivan B. Jakubek, W. J. Rowland, Alfred Doudney, Bert B. Hollingsworth, Lewis Haines, Edmund L. Weber, Lelloy Rollin, Ernest J. Brooklyn, Benny S. Austin, Glenn Charles Grange, Gustav C. Sammeck, Thomas M. Andes and Robert J. Humell. The jurors later excused Leroy Bolin.

The word is that the Atlantic Coast Line will have a delegation at the City Commission tonight protesting that Jet Fuel pipeline to NAS... Why, O why did they wait so long?

A CONVERSATION WITH DOUG STENSTROM
REPORTER: You gonna run for governor?
STENSTROM: No, there'll be other candidates.

REPORTER: The word is that you will support Dickerson.
STENSTROM: Yes, I probably will.

Dickerson support growing here and we hear the dairy men are getting behind 'em.

We mentioned City Commission tonight... Should be long with the big item water improvements... Don't be surprised if the city doesn't hire Clark, Dalley and Dietz to get the show on the road.

ANOTHER MEMO TO GENE TUCKER: Gene, weather getting cool... why not send those birds nesting on the Florida State Bank lettering to another McNully bank further south... say, Mcbourne?

By the way, our bank source tells the birds were kept there for humanitarian purposes. Eh?
