Mrs. Wall, Williams Honor Mrs. Sawyer

Mrs. Roy Wall, entertained last night with a shower honoring Mrs. Sawyer at the Wall home at 408 Virginia Avenue. A pink and blue baby shower theme was used in decorating with pink rosebuds and white pom pom chrysanthemums being attractively arranged in china baby shoes, carts and other appointments.

Several contests were enjoyed during the evening and prizes were awarded to Mrs. C. E. Carlton, Mrs. R. W. Williams, Mrs. Park Tyro and Mrs. Carlvin L. Lott.

Following the games Mrs. Sawyer was presented with many lovely baby gifts from her friends.

Later in the evening a delicious course was served by the hostesses assisted by Mrs. W. W. Tyler, Mrs. Ted Williams and Mrs. R. W. Williams. Those invited to be with Mrs. Sawyer were Mrs. Park Tyro, Mrs. W. W. Tyler, Mrs. A. H. Jones, Mrs. Ernest Southward, Mrs. M. W. Castle, Mrs. Max Fundom, Mrs. George Swank, Mrs. Charles Meeks, Mrs. Ben Wiggins, Mrs. John D. Carter, Mrs. Ted Williams, Mrs. Jim Young, Mrs. A. O. Roberts, Mrs. John S. White, Mrs. Eugene Williams, Mrs. Wally Sipple, Mrs. E. L. Loy, Mrs. J. H. Lippincott, Mrs. D. B. Watkins, Mrs. George Hudson, Mrs. E. McKinley, Mrs. R. W. Williams, Mrs. C. E. Carlton, Mrs. Walter Meriwether, Mrs. Roger Harris and the two hostesses.

De Bary Doings

By KAY HENNINGER

The Sanford Sashayers, through one of their committeemen, Jim Robinson, have issued an invitation to all DeBaryites who are interested in square dancing, to attend their first dance at 8:00 o'clock on Wednesday, Oct. 8 at the Armory.

The dance will be held in the Armory in learning in square dance to join the class being organized and conducted by Jimmy Glosin. If you are interested look for the notice in the Post Office or get in touch with your correspondent.

The Home Demonstration Club got off to a good start last Thursday. About 67 women were present at their first meeting.

More than half of them signified their intention to join the club. Thanks go to Mr. and Mrs. Robert Brown who generously opened their home for the meeting and also to Allen Summerhill who lent us chairs. The next meeting will again be at the Brown Home and subject for discussion will be "Home Improvement—Exterior."

"Church services" will be held every Sunday at the Club Rooms at 11:00 a. m. and the Rev. Hubert Jones will give the message.

It is most cordial in his invitation to everyone to attend and is happy to announce that the attendance was a little better each Sunday.

One more reminder: next week is Fire Prevention Week and it should serve to remind us that we can prevent brush fires by being more careful than we have been in the past.

Mr. and Mrs. Harry Brown of Gem Lake spent last week in New Orleans, La. Mrs. Brown is opening a piano studio in her home. She is an eminent pianist and music teacher.

James Romney returned to DeBary on Sunday from a five months' trip visiting friends and relatives, some of whom he had not seen in years.

Mr. and Mrs. J. R. Wood have just moved into their new home on Lake Drive which was completed some months ago. Mr. Wood's serious illness delayed their arrival.

Mrs. Guy Garnett had a fine two weeks' visit with her children and grandchildren in Chicago.

Mrs. Gus Rappich returned from a three months' vacation in Vanada Woods, N. J. Mrs. May Ross of Wycoff, N. J. returned with her.

Mr. and Mrs. Oscar Zimmerman of Maryland are staying in the Lake View Cabins.

Miss Jean Faith is back after three months in New York and Bahama Island. She tells us the best in New York was something to remember.

Mr. and Mrs. William Boyer had to leave suddenly last week to attend the funeral of his son-in-law, Frederick Brobeck, of Bethlehem, Pa.

Norman Fred Gould, who moved to DeBary with his wife in January, 1950, died at his home last Sunday afternoon after a short illness. He was a native of Maine but his business took him to Philadelphia, Pa. when he lived for 27 years prior to coming to DeBary. He has been buried in Enterprise where he was a member of All Saints Episcopal Church. To his widow and family we extend the deep sympathy of the community.

The first cafeteria was opened in Chicago in 1895, by Ernest Kimball. He moved from his Adams Street location four years later, but remained in operation in the basement of an office building there until 1926.

Personals

Mr. and Mrs. P. H. Tepsie have returned from Tampa where they spent several days.

Friends of Willard Connolly will regret to learn that he is ill at the home of Mr. and Mrs. Leslie Went, 108 East Eighteenth Street.

Miss Ada Adams and Miss Jane Davis have been pledged to the Alpha Delta Pi sorority at Florida State University in Tallahassee.

Friends will be sorry to learn that G. L. Anderson is ill and confined in the Formosa Sanitarium in Orlando.

Mr. and Mrs. Frank Mebane arrived recently from Glenwood Springs, Colo. to spend some time with Mrs. Mebane's parents, Mr. and Mrs. F. A. Dyson.

Mr. and Mrs. H. A. Montleth returned recently from a vacation spent in New York and Franklin, N. C. where they spent about two weeks.

John L. Miller and Charles Muirhead left on Monday to spend the week in Jacksonville to attend a Sunday School Leadership conference at the Main Street Baptist Church.

Mr. and Mrs. J. M. Camernan left yesterday for Marlboro, N. J. to visit their daughter who has been sent there under the Crawford W. Long School of Nursing system in Atlanta for supplementary training.

Friends of W. V. Hitting will be glad to learn that he is getting along nicely and has returned to his home on Seminole Boulevard after undergoing an operation at the Fernald Laughlin Memorial Hospital.

Mrs. M. A. Callaway is spending some time with relatives and friends in Leesburg and Sumpter, Fla. On Sunday she attended the golden wedding anniversary of Mr. and Mrs. Darden Cox in Leesburg.

L. J. H. Conper arrived today to spend two weeks with his parents, Mr. and Mrs. R. P. Conper at their home at 900 Magnolia Avenue. He has just returned from Japan and is en route to his new station at Norfolk, Va.

Mr. and Mrs. G. W. Suncer have returned after spending about three weeks visiting in the Carolinas, Virginia and Washington, D. C. They now have as their guest at their home in Rose Court, Mrs. Suncer's aunt, Mrs. Boyd McLean of Lakeland.

Lt. Dale Scott arrived yesterday from the Jacksonville Naval Air Station to spend a few days with the family at their home in Rose Court. He is en route to Norfolk, Va., having been assigned to the Air Station there, and attached to VII 31.

Miss Barbara Huprecht, Home Economics teacher for Seminole High School, and Mrs. Clay Williams, Lyman School Home Economics instructor, planned to leave tomorrow for Miami Beach to attend today for Miami Beach to attend

Mrs. Terwilliger Is Honored With Party

Mrs. Clyde Terwilliger, formerly of Sanford and now of Spartanburg, S. C., was honored yesterday with a bridge luncheon given by her mother, Mrs. J. H. Truluck, and sister, Mrs. Dale Scott Jr. Guests were invited for 12:30 o'clock to the Scott home at 2076 Grandview Drive in Rose Court.

The rooms were attractively decorated with brilliant floral decorations and greenery. Mrs. Terwilliger greeted the guests wearing a shimmering frock of aquamarine. Mrs. Scott wore a black and white strapless linen dress, and Mrs. Truluck was also in black and white linen.

A delicious luncheon course was served by the hostesses assisted by Mrs. J. McKay Truluck after which several progressions of bridge were enjoyed. Prizes were awarded to Mrs. Edwin Shindler, Mrs. Earl Higginbottom and Mrs. John Ivey at the conclusion of the bridge game. The hostesses presented Mrs. Terwilliger with a piece of silver in Gorham sterling.

Those enjoying the afternoon with Mrs. Terwilliger were Mrs. William Bush, Mrs. John Ivey, Mrs. Henry Wright, Mrs. John Morgan, Mrs. James Crapps, Mrs. Shindler, Mrs. P. H. Tepsie, Mrs. George Elek, Mrs. James C. Higginbottom, Mrs. Nell Stansell, Mrs. McKay Truluck, Mrs. G. D. Bubble Gum Is Big Business Based On Childrens' Support

BY HAL BOYLE
NEW YORK (AP)—A ten-year-old child in a New Jersey town recently took a piece of gum and blew it into a bubble 30 inches in diameter.
 No one was more astounded at this new world record than Norman Hutson, a 50-year-old former "gum" engineer.
 "I've always thought a 17-inch bubble was about the limit," he said.
 There was a trace of envy in his voice as he recounted the young girl's feat, a real landmark in the history of bubble gum.
 "Personally, I'm not a very good bubble blower myself," Hutson admitted wistfully. "I'm handicapped by false teeth. Kids don't love that problem."
 The irony in Hutson's case arises from the fact he is president of a Philadelphia firm that turns out 2,000,000,000 pieces of "Bubble Gum" gum a year. He estimates this is about half of America's annual output.
 In less than 25 years this business built on a bubble has grown into a still mushrooming \$40,000,000 industry. Bubble gum has followed the American flag and is now popular around the globe. Eskimo children even prefer it to blubber.
 Hutson's product has been banned in Iraq, certain countries in the Middle East and in Korea because the wrapper of each piece of gum contains a printed U. S. historical fact and a comic strip about a typical American family.
 "The Russians banned it two years ago because the comic strip made the American way of life look too happy," he said.
 The U. S. Army buys 20,000,000 pieces a year, and troops overseas have used it to plug oil leaks in bombers or to keep rain out of their tents. They sometimes have found it better than money in Korea to hire kids to clean their barracks or run errands.
 "We have heard of many instances where it has been used as currency," said Hutson. "Some headhunters in Borneo captured a minor British diplomatic official and released him only after a ransom of 2,400 pieces of bubble gum was paid."
 "And in Africa we had a report that a man bought a gum tin for a case of bubble gum instead of the usual price—two or three oxen and a half dozen sheep."
 Bubble gum formerly was made from ponilak, a gum tapped from a Borneo tree. When this source dried up during the last war, the industry developed a plastic base, and this is still used.
 Hutson employs 21 persons, including three chemists, who do nothing but test and blow bubble gum. He is proud that, although he is a poor blower himself, he was able in his laboratory to stretch an inch square piece of gum large enough to cover an 8-by-16-foot rug.
 "I've never heard of anything," he said, "we didn't know what to do with it."
 Hutson sees no bust ahead in the boom in the world's largest penny confectionery. Adults buy only 6 per cent of the bubble gum output, the kids buy the rest themselves.
 "Our market is the children, from 5 to 15—and there are 28,000,000 in America alone," said Hutson, and added dreamily:
 "Our goal is to sell each of these one stick a day—that would be \$102,200,000 in retail sales."
 Hutson is violently opposed to marketing bubble gum on a health basis or on the grounds it provides needed exercise for growing mouths.
 "The day they start putting chlorophyll in it I retire," he said. "We never claim bubble gum is good for kids. It is just one of the few things left that can give them harmless fun for a penny."

Rural Common Sense
By RUDS JOHNSON
 Rural America is amassing a grim record of more fires and more costly fires. And so it is well that farm families join with those in towns and cities in observing National Fire Prevention Week, October 8-11. The URDA National Fire Protection Association is sponsoring the week among farm people.

Florida Agricultural Extension Service specialists quote National Fire Protection Association figures showing that direct deaths from fires in the United States last year totaled over 12,000, with almost one-third of these being in rural areas. In addition to increased loss of life, rural fires are taking much larger toll of farm buildings, and with increasing building costs this means a much higher dollar loss to farm families.

Specialists point out that safety measures to prevent such fires are the "ounce of prevention" that saves hours of lost time, thousands of dollars, numerous animals and many lives. Some of these measures are:

Smoke carefully; never smoke in barns. Keep matches in a safe place, away from children and where they cannot be dropped in dangerous places.
 Keep stoves and furnaces in good working condition.
 Use gasoline and kerosene away from main buildings.
 Be that electric wiring is properly installed; guard against overloading wiring; use the correct size wire.
 Perfect buildings with fire-resistant roofing; use lightning rods and keep them in good repair.
 Have hay dry and well ventilated. Cure hay properly before feeding.
 Keep machinery in good repair. One spark from a tractor exhaust can start a blaze. Keep hay or straw up track and rubbish regularly.
 Use water hydrants or hand extinguishers handy the handy way.
 Both Departments of the Interior and a Division of Science Degrees, University of Connecticut.

Hints to Housewives

Extension Nutritionist
 Breakfast foods must be appetizing to wake up morning appetites. The taste senses of smell, sight and taste help mold the habit of eating a good breakfast. Even late sleepers have difficulty resist the tantalizing odor of frying bacon or sizzling sausage wafting from the kitchen. Pumping out attractive service and pleasing flavors make the whole family look up at breakfast time together.
 A good breakfast consists of fruit or fruit juice, cereal and milk and or egg, bacon or other meat, whole wheat or enriched bread or toast, butter or fortified margarine, and milk or other beverage. It can be changed easily and conveniently for variety and good nutrition.
 Try mixing fruits from the freezer or pantry with those in season for a change of flavor and a surprise. Cooked fruit flavor by adding orange or lemon slices. Cook cereal with raisins or chopped fig. Scramble eggs with tomatoes, cheese, bits of bacon, ham or shrimp. Split left-over rolls, biscuits or cornbread, toast in oven, and spread with butter or fortified margarine.
 A good Florida breakfast could well include fish. This menu could

Seminole Gridders Gear Drills For Leesburg Game Here Tomorrow Night

Experienced Yellow Jacket Eleven Is Gunning For Feds; Pickens Resting

By KENT CHITLAIN
Tomorrow night the second chapter in the Seminole high school gridiron book for 1952 will be opened at the Memorial Stadium when the Celery Fed eleven truss out on to the field at 8:00 p.m. for the game against the vengeance seeking Leesburg Yellow Jackets.

Ed Stack, Leesburg mayor, was quoted recently at a Leesburg Jaycee meeting as saying, "Our first two games this year will be a warm-up for our clash with Sanford."

The Celery Feds have taken the measure of the Yellow Jackets for some five or six straight years and it doesn't set too well with the Lake County grid.

While Leesburg is still looking for its first triumph of the season, the Yellow Jackets can not be underestimated. They have a heavy contingent of returning lettermen that boast of more experience than the younger Seminole Seminoles.

Fred Ganas, Seminole coach, lost their opener to Starke, 18-0. Starke, however, is currently ranked as the No. 1 team in the East Florida Conference. The Yellow Jackets' other defeat came in a closely contested 6-0 battle with Apopka last Friday night.

Some observers hold to the rather precarious system of comparative scores and they contend Sanford is favored over Leesburg. Here is their theory: Eustis edged Apopka, 7-6; Sanford blanked Eustis, 7-0; and Apopka mesmerized Leesburg, 6-0. So Sanford must be the favored team.

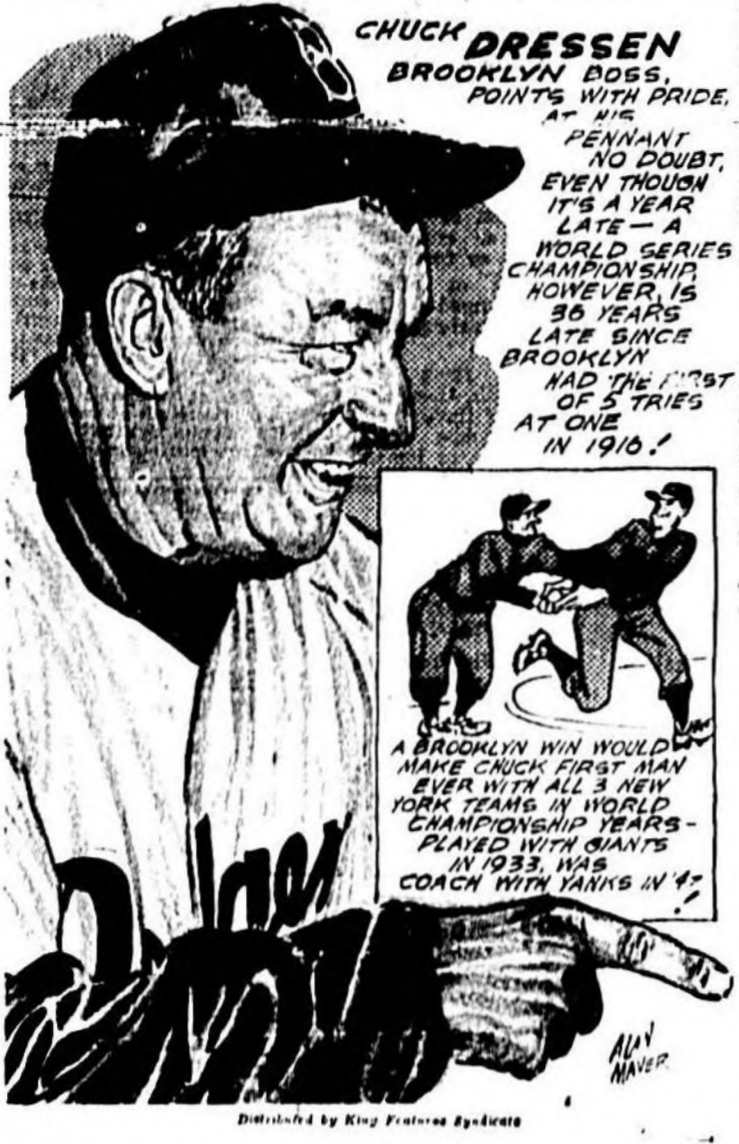

Just as any horse racing system is not infallible, so is this comparative result theory. Anyone can figure almost any team as the best in the state through this roundabout system.

Coaches Bill Fleming and Fred Ganas have spent the entire week concentrating on perfecting the rather intricate Seminole offensive attack. Special emphasis has been placed on down field blocking and running interference.

Joe Black, the big Negro rookie proved himself a very fine pitcher as he throttled the American Leaguers in the tight game, and he is due to be back for several more helpings before it is over.

This was the first opener the Dodgers ever have seen in six World Series.

BETTER LATE THAN NEVER! - By Alan Maver

Dodgers Could Win World Series And Make Many Experts Look Bad

By GAYLE TALBOT
BROOKLYN (AP)—Know what? The Dodgers could win this World Series and make a lot of experts look very bad.

It was a smart, loose team which outplayed the Yankees, 4-2, in yesterday's opener, extremely skilled on defense and a picture of confidence in its every move.

Joe Black, the big Negro rookie proved himself a very fine pitcher as he throttled the American Leaguers in the tight game, and he is due to be back for several more helpings before it is over.

This was the first opener the Dodgers ever have seen in six World Series.

Dressen's all-or-nothing gamble of starting his freshman reliever didn't really look like a gamble at all as Black moved the Yanks down lining after lining, the big fellow appeared to get faster as he went along. No harder ball as a rule, but he was back ready for relief duty in tomorrow's third game at Yankee Stadium.

Black's spitting was of course, the standard performance of the opener, but not by too much.

FSU's Veller To Experiment With New Combination

TALLAHASSEE (Special)—An other long scrimmage session was held today for the Florida State University Seminoles as Head Coach Don Veller continued to experiment with new players at new positions.

Yesterday the Tribe got a long scrimmage drill and prior to the workout heard Head Coach Veller tell them: "You've got a lot of football to learn in a short time. You'll have to improve in every department if you are to stay in the park with Louisville."

In dropping their season opener to Louisiana Tech, 22-12, here last Saturday, the Indians became the first Veller-coached team to be defeated in Tallahassee.

Veller summed up the defeat like this: "We don't blame our offense as much as we blame our defense. We knew that we were not defensively, but we had no idea just how weak we were."

"I believe that our loss to a fine Louisiana Tech team definitely proves that we are an inexperienced team—a team with much to learn. Tech hit us hard where we thought we were the strongest, that being in the middle. They hit the center and picked up yardage consistently. Our guard play was very weak. We have a lot of hard work ahead."

Against Louisville, the Tribe faces a team which employs the spread formation similar to the wide open attack of TCU. In the past the Cardinals have been an air-minded team and in passer Johnny Unitas possesses an aerial gift of the finest type.

The Cardinals opened their '52 campaign with a win over Wayne University.

Miami's Grossman Might Be Scoring Lead This Season

CORAL GABLES (Special)—A decisive team that may be the high scoring man on the 1952 University of Miami football team this year. And by running up 45 points on the V. M. I. Cadets in their opener, the Hurricanes indicated that they had the wherewithal to pile up a wad of tallies.

Six foot 3 inch Bert Grossman is the first who is out and winning in the scoring column for Miami with nine points in the opener. Only freshman Walt Piper topped him, Piper picking up two touchdowns and winding up with 12 points for the night.

Grossman kicked six successive extra points and 25 yard field goal in the most stirring exhibition of place kicking seen in the Orange Bowl since the lamented Ben Hawks' kick for us into the end zone stands. Aed fans are expecting him to send one over the top if he ever gets a HIF, favoring breeze to help him.

Grossman hails from Bala Cynwyd, Pa., a fact which will win him no friends among linotype operators, radio and public address announcers and others. A defensive tackle by trade, he shows signs of developing into an excellent defensive end. Should he grab his new post and at the same time grab a few enemy passes for touchdowns, he'd be hard to catch in the Miami scoring race.

Since he is only a freshman, he could become a star before he hangs up his shoes.

It is quite likely that he may get some other field goal tries this week when the not too bushy Hurricanes are matched with a big and powerful Alabama eleven.

Next week, Miami travels to Boston to meet Boston U. Yep, Bart will go along—for the kicks.

Smokey Says: WE'RE AGAINST FOREST FIRES ARE YOU?

Forest fires are everybody's concern.

Hatters Concentrate On Defensive Play

DELAND (AP)—Going under the lights Wednesday night, the Stetson Hatters concentrated on the defense to stop Furman's attack, especially the running of Russell Sutton.

Sutton was a leading ground gainer in the Southern Conference last season.

Coach Jay Pattee not only has to harness a strong split-T team in Furman, he has to contend with the revenge motive occasioned by Stetson's 20 upset win over the Purple Hurricane last year.

The Hatters have an open date this Saturday and plan to continue the emphasis on defense until Monday.

3 Miami Prep Teams Are Ranked At Top

MIAMI (AP)—The Miami Herald's first weekly poll of coaches and sports writers to name Florida's top prep football teams rated Miami High, Miami Jackson and Miami Edison 1-2-3.

The teams finished last season in exactly that order.

Miami High received 243 votes on the basis of 10 polls for first place, nine for second, etc.

The standings (first place votes in parenthesis): Miami High (10), 213 votes; Miami Jackson (6), 218; Miami Edison, 203; Tampa Hillsborough, 143; Pensacola, 90; St. Petersburg, 87; Jacksonville Lee, 84; Lakeland, 82; West Palm Beach, 55; Jacksonville Jackson, 50.

Injuries Force Vandy To Depend On Frosh For Northwestern Game

By The Associated Press
Vanderbilt, with a long list of key players on the injured list, may have to count heavily on freshmen and sophomores in the game with Northwestern Saturday.

Coach Hill Edwards said the Commodores have had more injuries to star performers than at any time since he took over in 1949.

In another Southeastern Conference football camp a pair of underclassmen gained the spotlight and not by default.

Kentucky plays Texas A & M Saturday in the SEC circuit.

Auburn — The Tigers polished their passing attack for the weekend meeting with Mississippi and brushed up on aerial defense. End Jim Liffin, on crutches after a foot injury, probably will be sidelined this week.

Mississippi—Jimmy Lear headed a quartet of passers in a long drill which apparently was the tip-off that the Rebels will emphasize an aerial game again Saturday.

Mississippi State — The Maroons had a second straight day of heavy scrimmages before tapering off for Saturday's home game with Arkansas State.

Georgia—Team spirit was high as the defense practiced against the Spartans Saturday night. The offense practiced punt and kickoff returns. The squad is expected to be in top physical condition by Saturday.

Tennessee—Rugged contact work took up the afternoon Wednesday for the Volunteers. The Duke Blue Devils are their rivals Saturday.

'52 World Series Makes Gentlemen Of "Antagonists"

BROOKLYN (AP)—Even the "antagonists" could find little to criticize in our "bet-hell" as played in the 1952 World Series.

Commissioner Ford Frick's "no rhabarb" order has made perfect gentlemen of the antagonists. No profanity. No beefs. No tantrums. You could almost hear Mickey Mantle say "Excuse me" when he was fanned into the Dodgers' Pen Wee Reese at second in the fourth inning of yesterday's opening game. Reese, severely bruised, did not emit a gripe.

Brooklyn catcher Roy Campanella, though he was safe when called out stealing second in the second inning. He started to protest, then turned sharply and went back to his bench.

Gil McDougald of the Yankees, thrown out at third on a great throw by Andy Pafko, started to crouch. Red-necked, he started to curse the umpire, then relented meekly. Pafko himself thought there was fan interference on McDougald's third inning home run just inside the stands. Not a gripe. "The boys have been told to watch their step and mind their business," said Brooklyn Manager Charlie Dressen. "No flareups." Dressen. "No flareups."

The Yankees' opening game lineup was the 100th different combination used by Stengel this year. Don't be surprised if today's is No. 101.

Brooklyn defensive play sparkling but no surprise to Manager Chuck. "I have always said this is the greatest fielding team I've ever seen. Now maybe they'll believe me," Dressen said.

The Yankees are still favorite at 65 to win the biggest series not but try to sell that down on DeKalb Avenue.

"Nothing to it now," said one Dodger fan. "All we gotta do is play .500 ball the rest of the way and we're in."

Nobody can argue with that logic.

Three former Michigan State football stars are members of the Spartan coaching staff, including backfield coach Steve Sebo and assistant coaches Hal Vogeler and Don Mason.

Black Was Cheap \$11,000 Buy For Brooklyn Dodgers

By FRANK ECK
BROOKLYN (AP)—Two years ago today Joe Black was traveling by bus and pitching for the Baltimore Orioles in the Negro National League.

A year ago today he was getting ready to pitch the Oct. 4 opening game for manager Billy Herman's Giants in the Havana Winter League.

Today Black stands on the threshold of World Series greatness.

The 28-year-old rookie, who won 15 games and saved 14 others with his relief pitching for the Brooklyn Dodgers, the Yankees' ace, Allie Reynolds, 4-2, yesterday.

"He'll see a lot of this series," Manager Charley Dressen said. "Black, when asked why he has shaken off several of catcher Roy Campanella's signs, replied: "We'll shake our heads once in a while but I never shake 'em off. He knows the hitters better than I do. I just throw to him."

The Dodgers got Black on a "look basis" from the Baltimore Orioles in December, 1950. They paid \$11,000 for him and two other players.

Lakeland-Cleveland Agreement Is Ended

LAKELAND (AP)—The working agreement between the Cleveland Indians and Lakeland, Fla., has ended and no other tie-in with a major league club is in sight.

Cleveland worked its agreement through Reading, Pa., of the Class A Eastern League, heading Lakeland players, both of whom were on the suspended list here. They are Pitcher Paul Kiefer and Outfielder Walt Kowalski.

Reading also claims at the \$2,500 major league draft price Bill Boyette, Joe Negro and Gene Stewart, but nothing was said in the windup talks about these players.

Conclusion of the agreement with the Florida International League Club means that Outfielder Harry Geis, who hit 11 homers last season, goes to Spartanburg, S. C., of the Class B Tri-State League.

Bob Doty, business manager of the Pilots who made the announcement about the agreement's end, said Cleveland reported was unable to give any more help to Lakeland than it did this season.

Pilot officials met shortly after the world news to consider future plans for the club.

Werner Becomes Dad As He Scores TD's

Expectant fathers usually chain-smoke cigarettes while pacing back and forth in a hospital corridor. But not Herb Werner, fleet Stetson halfback. He paced up and down the football field at Monroe, La., scoring four of the six first touchdowns against Northeast Louisiana. Two of the scores were on pass interceptions, one for 80 yards.

When Werner returned to his hotel after the game, he phoned St. Petersburg where Mrs. Werner is staying and received the glad news that he was the father of a new baby girl who has been named Donna.

MIAMI (AP)—When the world series opened in New York, Ted Williams, one of baseball's great sluggers, was winging his way to Puerto Rico.

Williams, now a Marine captain, landed at Ops-Locks station to re-fuel and then took off for Puerto Rico for training exercises.

The former Denton Red Sox slugger was called back into service early in the season and now is a member of the Second Marine Air Wing. He was flying a F4F Panther jet.

DECISIVE GAME
CORAL GABLES (Special)—The 48-00 margin of the University of Miami Hurricanes over V. M. I. in the Miami grid opener was the second most decisive first game win in Miami history. Back in 1938, Miami turned back Spring Hill 46-0.

Jokey Nick Shuk rode 101 winners in Maryland in 1951. This was more than double the total of some other rivals.

Father Slays His Daughter And Self Because She Dated

MIAMI (U)—A father whom neighbors described as a "terribly strict" shot and killed his 16-year-old daughter when she returned home late Wednesday night, then fatally wounded himself, police reported today.

Det. E. F. Lasseter said Betty Moore, 16, was shot down in the hallway of her five-room bungalow home.

Lasseter identified the father as John R. Moore, 50, who shot himself in the head and died an hour later at a hospital.

Lasseter gave this account: The stern father, in poor health and employed on a part-time basis had refused to allow Betty to go out with boys at all until recently. The shooting occurred about 11:30 p. m. shortly after Betty returned home from a date with an unidentified boy. A girl friend said Betty told her earlier in the day she had a ticket for the Miami Edison-Fort Lauderdale football game.

Betty's older brother, Robert, 21, had just left for work and was less than a block away when he heard the shot.

Betty's body was found in the hall, halfway between the living room and bedroom. Moore was lying partly in the bedroom and partly in the hall, only a few inches from his daughter's body.

A neighbor, who said he heard four shots fired in rapid succession shortly after Betty arrived home, called police.

Lasseter said Betty apparently tried to ward off her father's gun just as he fired. The one bullet which killed her first pierced her left hand. Moore used a .38 caliber pistol.

On Moore's dresser, Lasseter said this pistol was hastily reloaded with a magazine of five rounds.

"My darling baby I love you too much to have you go through the hardships of life on this old earth. Your dad, The Hog."

Another note found in the father's bedroom carried these instructions, Lasseter said: "No funeral, no embalming, no expense whatsoever and no casket. Preparedness is our strongest fortification today, for an enemy will think twice before attacking by volunteering for short periods of watch each day of our youth may be instrumental in saving our country from any attack."

Newspaper Week In Observed At School

Charlie Morrison, Herald circulation manager, and Gene Arnold, accordion artist, former newsboy at Lebanon, Pa., and now a member of FASHION 821, Sanford Naval Air Station, appeared in conjunction with Newspaper Week on the chapel program at Seminole High School this morning.

Mr. Morrison gave information concerning the newspaper world, while Mr. Arnold, who appeared through the courtesy of the Touch-Tone Drug Store, entertained with several accordion numbers. Both were received warmly by the student audience.

The speaker and entertainer were introduced to the assembly by Buddy Morris, president of the SHS Student Council, who conducted the chapel program. Also on the program were W. C. Hutchings, who appeared in behalf of the Junior Chamber of Commerce, campaign to encourage voters to go to the polls this fall, and Forrest Brockbridge, manager of the Chamber of Commerce.

World Series

Fourth Inning Dodgers
Hodges fanned but Berra dropped the ball and had to throw to first to complete the out.

Furillo flied to Bauer and Erskine went out bunting. McDougald to Collins.

No runs, no hits, no errors, none left.

Fifth Inning Yankees
McDougald walked, making the fifth straight inning the first Yankee batter had reached base.

Erskine flied to Collins and scored on Martin's sharp single over third, making it 2-1 and putting New York ahead for the first time in the Series. Martin moved to second on the throw-in.

Raschi went out on a called third strike and Bauer drew the first walk off Erskine.

Martin was thrown out at third, Campanella to Cox, when Bauer lit out for second, apparently not realizing it was occupied. Bauer was safe at second.

Reese threw out Rizzuto.

One run, one hit, no errors, one left.

Fifth Inning Dodgers
Rizzuto flew out. Cox and Snider also fanned but had to be thrown out by Berra after the catcher dropped the ball.

No runs, no hits, no errors, none left.

Sixth Inning Yankees
Mantle flied to Collins as the Yankees put the first batter on for the sixth straight inning.

Woodling singled to right-center, sending Mantle to second, then both runners advanced on a wild pitch by Erskine.

Erskine filled the bases by walking Berra and this brought Billy Pierce, a right-hander, to the mound for Brooklyn.

Brooklyn took Collins' sharp grounder, tagged Berra and threw to Snider on the first baseman. Mantle scored and Woodling went first of the Series.

Erskine grounded safely down the first base line, scoring Woodling, then Martin walloped a homer into the left field stands, scoring Collins and McDougald and running the count to 7-1.

Russell was called out on strike.

Bauer fanned.

Five runs, four hits, one error, none left.

Sixth Inning Dodgers
Parker flied to Rizzuto, Campanella fouled to Rizzuto behind third and Palko made it three straight foulouts by lifting to Berra.

No runs, no hits, no errors, none left.

Seventh Inning Yankees
Rizzuto batted out. First batters, unassisted, Mantle popped to Reese and Woodling flied to Furillo.

No runs, no hits, no errors, none left.

Seventh Inning Dodgers
Hodges flied to Mantle and Furillo fanned, becoming Raschi's seventh strikeout.

Rocky Nelson batted for Loes and drew a walk.

Martin threw out Cox.

No runs, no hits, no errors, none left.

Eighth Inning Yankees
Lethbridge fouled to Snider in an attempt to pitch for Brooklyn and Berra greeted him with a line single to right.

Collins walked and McDougald flied to Snider, the runners holding base.

Palko nulled Martin's low liner and again there was no advance.

Raschi grounded out, Lehman to Hodges.

No runs, one hit, no errors, two left.

Eighth Inning Dodgers
Reese walked, Snider went down swinging, Robinson lifted high to Woodling and Campanella also flied to Woodling.

No runs, no hits, no errors, one left.

Ninth Inning Yankees
Reese threw out Bauer and Rizzuto flied to Palko.

Mantle batted right-handed for the first time in the series and punched a single into left.

Woodling popped to Campanella.

No runs, one hit, no errors, one left.

Ninth Inning Dodgers
Palko fouled to Berra, Hodges rolled out to Collins, unassisted, and Furillo fanned.

No runs, no hits, no errors, none left.

Second Game
New York AL 000 115 000-8 10 0
Brooklyn NL 001 000 000-1 3 1
Reese and Berra; Erskine, Loes & Lehman 8 and Campanella.
Best-of-seven series tied, 1-1.

Jaycee Meet

(Continued From Page One)
Soviet Russia.

3. The fate of Russian satellite nations.

4. World organization of Communism.

5. Effect of good citizenship on Communism.

Where possible, eye-witness accounts are presented to the students of slave labor camps. Citing one instance of a refugee Polish family, now living in Orlando, he told of how this family was shipped to a slave labor camp with 810 adults and 125 children. After the family left the camp there were just 210 adults still alive and only 10 of the 125 children.

"This is just one example of Russia's systematic liquidation of satellite populations," Mr. Grant declared.

Emphasizing the importance of trained experts to combat Communism in the United States, he said that one expert was sent to Western Europe to work against the rising influence of Communism in labor unions. "This man, Irving Brown, did more to counter-act the Communists than all the Marshall Plan money was able to accomplish."

Brown, a former A. F. of L. union organizer, contacted and organized thousands of workers who fell under the influence of Communism in the unions of Western Europe, Mr. Grant added.

President Douglas Stevenson introduced Mr. Grant, who stayed after the program to answer questions.

Prison Riot Seen Prelude To Plans For Mass Escape

By GEORGE A. MCARTHUR
CHEJU ISLAND, Korea (U)—Yesterday's rioting on this prisoner-of-war island was only a prelude to a planned mass escape of 5,884 Chinese Reds, American authorities said today.

Maj. Gen. Thomas W. Herren told correspondents the riot was to be a signal for a mass breakout but U. S. troops have not yet "broken the back of the planned revolt."

Fifty six of the rioting prisoners were killed or fatally wounded. More than 100 others were injured. Herren pointed out that the breakout was planned for Oct. 1, the third anniversary of the founding of the Chinese Communist regime.

Airman Killed

TAMPA (U)—A 30-year-old Air Force pilot, a MacDill airman, was killed today when his motorcycle crashed into the rear of a parked auto.

The pilot, Capt. Robert W. Myers, was riding on the motorcycle with a County Traffic Officer Bob Foley charged a 30 Thomas R. Gallinagh, also of MacDill Air Base, when he saw the motorcycle stalled. Gallinagh said his car had stalled when the motorcycle struck it.

Volunteers Needed For Observation Posts

An appeal was made today by O. E. Weaver, Chief of the Ground Observer Corps of the Seminole County Defense Council, for volunteers to help staff the five observation posts to be established in the county.

"Do you believe in an ounce of prevention?" Mr. Weaver asked. "Do you believe in preparedness? Remember, there are not enough soldiers to go around, so let us not depend upon 'George' but do it ourselves."

"If you live within a four or five mile radius of any of the following Ground Observer Posts you are urged to volunteer to the respective supervisors for Ground Observer Corps: Altamonte Springs, Obispo, Geneva, G. G. Bart, Lake Mary, George Maybury, Oviedo, John W. Evans, and Sanford. John L. Smith.

"It is estimated that our Air Force can stop less than 30 percent of the planes making an attack in force. Radar is effective but not foolproof, and its installation on a national scale is almost prohibitive. This, then, leaves large areas of our country unprotected.

"Preparedness is our strongest fortification today, for an enemy will think twice before attacking by volunteering for short periods of watch each day of our youth may be instrumental in saving our country from any attack."

Republicans Plan Speeches In Florida

Governor Frederick Payne, now senator elect of Maine, will make a number of speeches in Florida under the auspices of the Republican State Committee on October 3, 4, 5, 6 and 7. Fred Zerenner, local Republican committeeman in a number of Florida cities, is scheduled for Tampa, Sarasota, Fort Lauderdale, West Palm Beach and Jacksonville.

We have also scheduled Congressman O. K. Armstrong of Missouri for Oct. 6 to 11, inclusive. Congressman Armstrong established the school of journalism at the University of Florida. Mr. Zerenner said he is associate editor of Readers Digest, well known world traveler and lecturer. As of this date, his only scheduled appearances are in Tampa on the night of Oct. 6 and Pensacola on the night of Oct. 11. Please advise immediately if you would like to have Congressman Armstrong speak in your county.

Senator James Duff of Pennsylvania will make two speeches in Florida presumably on Oct. 21 and 22. He has been tentatively scheduled for Miami and Jacksonville.

Congressman Carroll Rice of Tennessee will speak in Clearwater on Oct. 30 and arrangements are underway for this well known congressman to make one and possibly two more speeches.

Stevenson

(Continued From Page One)
dollar production" designed to sell candidates like soap or hair tonic or tooth-paste.

In New York, however, Hossor Reeves, an advertising agency executive, said he had the suggested plan drawn up but it later was discarded as not feasible because the desired radio and TV spots are not for sale and the money is not available.

Eisenhower

(Continued From Page One)
linola after a spectacular sweep through Michigan. The big turnout left his lieutenants hopeful the Republicans would capture the state's 20 electoral votes by a wide margin in November.

Despite the Stevenson endorsement by both the CIO and AFL labor chiefs, Eisenhower was given warm receptions in industrial centers having big labor votes.

Sen. Homer Ferguson of Michigan, who rode with Eisenhower across the state yesterday, said he was convinced the people had turned out in large numbers at each whistle stop because they intend to vote for Eisenhower.

"If they were just curious—just out to see a national hero," Ferguson said, "they wouldn't have been as responsive as they were. The response convinces me they intend to vote for him."

In light stops, more than 100,000 people came to cheer the GOP candidate even though there was a threat of rain most of the day.

Eisenhower didn't mention President Truman by name in any of his speeches yesterday. But time after time he hit back with sharp criticism of the President.

He told a crowd at Lansing, the state capital.

"We are determined to pursue in the foreign field a comprehensive, firm, broad policy that will truly lead toward peace. We think there has been enough trithering around, enough indecision and delay, enough failure that has led in the last seven years."

Railroad Trainmen To Be Given Course

A course for railroad trainmen will begin Monday at 7:00 p. m. at a site not as yet determined according to Fred C. Murray, director of the Seminole County Institute.

The course, he said, will be limited to railroad men who have been promoted to better positions or who are eligible for promotion.

The first session of a course for railroad telegraphers and agents was held last night at the Sanford Vocational Center with Theo Cobb and Oliver Gibbs, both Sanford railroaders, as instructors.

There still is room for more men to participate. In this course, Mr. Murray pointed out, will be held Monday through Friday from 7:00 to 10:00 p. m.

President Truman

(Continued From Page One)
laughter when he departed from his prepared text to give his comment on statements by Eisenhower and other Republicans that taxes should be reduced if not spending for government expenditures for national defense purposes.

"It's just a damn lie," he declared.

"Of the supposition made by some of a fixed limit on spending for defense, he said, with acid in his voice:

"That's the craziest thing I ever heard of."

The police chief said there were 10,000 persons who applauded and waved as Truman drove the eight blocks from his special train to the armory.

Truman told reporters he was looking the time of his campaign, and he hoped it as he strode through the 16-car special late yesterday, chatting amiably with reporters.

His efforts to cut down on Eisenhower prestige as a candidate for president increased at every appearance before a trainee crowd.

The route today led through Elyria, Westchase, Skykastle and Zephyr, Wash., into Bethel for a talk there at 9 p. m., Eastern Standard Time.

Another important address was set for Tacoma at 11:30 p. m. EST, after a whistle-stop speech at Kent, between Tacoma and Seattle.

While he put out a prepared address on the Spokane speech, he got in his toughest and roughest campaign licks at the whistle stops.

Vet Administration

(Continued From Page One)
showed "Maladministration, negligence, self-neglect, or outright criminal activity by V. A. personnel."

The Veterans Administration allowed the waste of tens of millions of dollars for supplies," he said. "Additional tens of millions were wasted on worthless training courses."

Hibon said Korea veterans should be served in the square way to which they are entitled" if Sen. Dwight D. Eisenhower, the GOP candidate for president, in a speech.

Yesterday's V. A. announcement and news of those being discharged would be doctors, nurses, dentists or dietitians—although some of these may be transferred from one hospital to another. The V. A. said the cuts would have been greater except that it froze employment Aug. 5 and has hired as replacements since then.

The V. A. said its 1953-54 average daily patient load would have to be reduced from a planned 108,000 to 85,000. On Aug. 31 there were 85,000 patients reported in
